Dramatic Picture Of Gretter-Cihak Accident

FIRST PICTURE OF ACCIDENT TAKEN BY WILLIAM W. TABER

The community is still stunned by the horrible automobile accident in which PHILIP GRETTER and TONY CIHAK, both 16, figured on the icy pavement south of Burr Oak on Feb. 29. The Gretter youth and the Cihak lad have been transferred from Parkview Hospital in Plymouth to St. Joseph Hospital in South Bend and South Bend's Memorial Hospital, respectively, for surgery. Gretter is still listed as "critical" but Cihak is improving satisfactorily. Left to right, in this dramatic picture taken by Bill Taber: ART FISHBURN, Culver fireman; JERRY GREENLEE, county sheriff; DR. FRANK A. IKIRT, osteopathic physician; and OSCAR BOOKER, Culver fireman. Tony Cihak is still in the car, its door pinned around him like a steel corset. Dr. Ikirt administered to Cihak during the long delay in extricating him from the wreckage. Both the Gretter and Cihak families have our sympathy.

Heavy Snow and Zero Weather Grip Community

10-Year Records Are Broken

Regardless of what Mark Twain said about the weather it's the big news of the week and Culver is still digging out of its biggest accumulation of snow in exactly 10 years — 8 to 12 inches in depth almost everywhere.

In the wake of last Friday's blinding blizzard we have had some temperature readings which we would rather not publish in today's paper but here goes — 1 below zero yesterday morning, which was not quite as unwelcome as the 5 below zero the previous Tuesday's reading. The high morning temperature all week was only 16 above!

Stranded On U.S. 31

Visibility was rated as zero to 30 feet as heavy snowfall and high winds lashed this and other Northern Indiana communities last Friday. U.S. 31 was closed temporarily as vehicles inched from LaPaz to Lakeville behind snowplows. Motorists had to slow down to a 5-mile-an-hour crawl or abandon their autos. Photos taken of stalled cars in the Lakeville area appeared in newspapers all over the U.S.

Schools Closed Everywhere

Of course, all schools were closed during the worst period and scores of social events had to be cancelled.

Ex-Congressman F. Jay NimtZ Lions' Speaker

By HAROLD FITTERLING
Lions Club Editor

Program chairman Lion Edward Schultz has secured former Congressman F. Jay NimtZ as tonight's speaker.

His subject will be the Nuremberg War Trials with which he was associated for 14 months.

Mr. NimtZ served in the U.S. Army during 1942-1946 and later became our Congressman. He now practices law in South Bend.

HON. F. JAY NIMTZ

At Lions Club Tonight

Jay is well known in this area and this meeting should be of great interest.

Harold Robinson Mourned

We were all saddened to have lost one of our most faithful and loyal members in the passing of Harold H. Robinson.

Harold had been a Lion since 1948 and had received his ten-year award. He had been awarded perfect attendance buttons for a number of years and one of the more outstanding points was the awarding of his Master Key for new members. Twenty members of our club were sponsored by him. He also faithfully served on the board of directors at various times.

"HOOSIER AT LARGE"

By Al Spiers

Native Of Argos Has That Old Never-Say-Die Indiana Spirit

FEW HOOSIERS — except his own kinfolk — have deeper Indiana roots than Russell B. Hess, modest, amiable Goshen lathing contractor

Russell's inherited pioneer spirit prodded him away from Indiana for a while. A deep personal tragedy brought him back in the '30s.

"And a Hoosier I'll be the rest of my days," he smiled.

AL SPIERS

HESS IS A COMMON name in and near Goshen — for good ancestral reasons. The family's Hoosier lineage traces back well over a century.

Beyond that, the line goes back to Balser Hess, a Revolutionary War soldier who crossed the Delaware with Washington.

Balser began the family's trek west, settling in Ohio where he raised a family and died. A son, Balser II, pushed on to Indiana about 1829, homesteading in wilderness along the Elkhart River south of Goshen.

Silas Hess, one of Balser II's nine children, greatly expanded the family's holdings and sired 12 children. One was Enoch Hess, Russell's father.

BORN NEAR ARGOS in 1889, Russell grew up in a log cabin that still stands. After high school and two seasons at the old, now-faded Union-Christian College near Sullivan, he grew restless.

"I guess I had a hereditary hunger to pioneer," Hess chuckled. "But the country was largely settled by them (1908) so I joined the Army."

Assigned to Fort D. A. Russell at Cheyenne, Russell found great gobs of Wyoming still available for homesteading.

RUSSELL'S LETTERS soon lured the family from Indiana to Lost Spring, Wyo. Father Enoch, a brother, M. U. Hess, and a sister, Oraie, all filed homestead claims together.

Then they bought Russell's dis-charge and he claimed an adjoining 320 acres in April, 1910. By Enoch's death in 1913, they owned the land.

In 1915, Russell and Nina Pennington, a pretty Wyoming girl, joined hearts, hands, and homesteads. Their daughter, Wyoma, was born a year later and a son, Roy, arrived in 1919.

OPERATING AS ONE big family ranch, the Hess clan modestly prospered at first, raising grain (Continued on Page 15)

Scott Waldon Dies En Route To Culver

An Expert In Public Relations

Scott Waldon, able and nationally known 51-year-old public relations director of the Indiana Motor Truck Association at Indianapolis, collapsed and died almost instantly of a heart attack about 10 a.m. Monday while driving his car on U.S. 31 six miles south of Rochester.

Mr. Waldon was en route to Culver with his business associate, James E. Nicholas, general manager of the Association, who was scheduled to make a noon address here before the Chamber of Commerce.

Don Trone, program chairman, and Publisher Chester W. Cleveland, both friends of Mr. Waldon and Mr. Nicholas, by phone received the sad news of Mr. Waldon's death about 11 a.m. from Woodlawn Hospital in Rochester. (Continued on Page 2)

Chicago Symphony April 4 Deadline Set For Voter Registration

Hendl Directs; Karth Is Star

By CHARLES VAN TUVL

The Chicago Symphony Orchestra presented a very successful concert last Saturday night in the Eugene C. Eppley Auditorium of Culver Military Academy.

The program included the "American Festival Overture," by Schuman; "The Moldau," from "My Fatherland," by Smetana; "Spanish Caprice (Opus 34)," by Rimsky-Korsakoff; and "Symphony No. 2, D Major, Opus 43," by Sibelius.

"The Moldau" was noteworthy for its excellence. It is a turbulent composition, picturing the great river Moldau in Bohemia.

Demand Two Encores

At the conclusion of the concert, the audience of town-people, faculty, and cadets demanded two (Continued on Page 2)

Primary Election Tuesday, May 3

County Clerk Harvey E. Phillips Reminds Prospective Voters That The Last Day For Registration To Vote In The May 3 Primary Election Is April 4.

Mr. Phillips, popular former sheriff, called at The Citizen last Wednesday afternoon.

Those persons who have moved from one precinct to another within Marshall County and those having moved into the county or state from outside will have to re-register.

Also any person having reached his 21st birthday on or before Nov. 8, 1960, must register.

Women who have married since becoming a registered voter or who have changed their names through court decree should sign an affidavit of change of name. (Continued on Page 2)

Music Concert Rescheduled For Sunday, March 13

Due to the inclement weather last week which caused the closing of the Culver High School, the concert by the music department scheduled for Sunday, March 6, has been reset for this coming Sunday, March 13, at 2:30 p.m. in the Culver Community Building.

This concert features the Senior Band, Junior Band, Elementary Band and the Senior Choir. These four groups will offer a variety of music including overtures, spirituals, popular tunes, marches and other selections. There will also be a piano solo, vocal trio, and a vocal solo with band accompaniment. The concert should include music everyone will enjoy. This is the second concert by the music department this school year. The concert will be conducted by Robert Boyd.

Allen Rice's Father Dies Of Heart Attack

Alfred Mansfield Rice, 85, father of Allen D. Rice, Route 2, Culver, died at 1 a.m. Thursday, March 3, at his home in the Mt. Zion neighborhood of a heart attack.

Mr. Rice was born Dec. 3, 1874, in Peotone, Ill., to James R. M., and Katherine Ann Dodson Rice. He was married on Oct. 12, 1908 to Roseanna Carr who survives. Coming from Rensselaer, Mr. Rice had resided in the Mt. Zion neighborhood for the past nine years where he was a farmer.

Surviving with the wife and son are another son, Alfred James Rice, Rural Route, Plymouth; three grandchildren; one great-grandchild; and a brother, Elwood Rice of Rochester.

Services were held in the Foster and Good Funeral Home, Rochester, at 1 p.m. Sunday, March 6, with Rev. Theodore Roberts, Leifers Ford Methodist minister, officiating. Interment was made in the I.O.O.F. Cemetery at Leifers Ford.

Dies Enroute To Meeting Here

(Continued from Page 1)
A record-breaking crowd of about 80, including ladies, had gathered at The Culver Inn to hear Mr. Nicholas and to witness the Indiana Motor Truck Association's fine new sound movie pointing out Indiana's many industrial advantages.

Academy Film Substituted
Robert Matson, the Academy's public relations director, quickly arranged a substitute program by showing CMA's inspiring new sound picture, "Education For Responsibility," in the Eppley's Little Theatre after the luncheon. This really great picture ought to be shown by every service club and school and church in Marshall and adjoining counties in order to appreciate the tremendous asset we have in this outstanding boys' preparatory school.

Waldon's Notable Career
Scott Waldon's untimely death removes from the Hoosier scene an outstanding figure in journalism and public relations. After his graduation in 1929 from Butler University, he had an eventful career with The Indianapolis News, the United Press, the Indiana State Fair, the J. Walter Thompson advertising agency, and with the Indiana Motor Truck Association since 1954. He was a commander in the U.S. Navy, serving 42 months and saw combat in the Pacific Theatre.

He is survived by his wife, Mary, a receptionist in the office of Governor Harold W. Handley.

Basil Rathbone, Famous Actor, Coming To CMA

Will Star At Eppley April 22

William J. Martin, Director of Theater at Culver Military Academy, states that Basil Rathbone will appear in the Academy's Concert and Theater Series April 22, replacing Hal Holbrook, who was originally scheduled.

Rathbone's program includes "Selections from Favorites On My Bookshelf," and possibly some scenes from the Archibald MacLish play, "J. B." Rathbone has been playing the devil in the touring company of "J. B."

Hal Holbrook Cancels Out
Holbrook is unable to make the Culver appearance at that time, since he will be in rehearsal for a special television production.

Holbrook's monologue "Mark Twain Tonight!" received real acclaim during its long New York booking. The 1942 Culver alumnus was the subject of a recently lengthy article in LIFE magazine. He is the author of the book, "Mark Twain Tonight."

The first encore, "Farandole," by Bizet, a charming little Latin dance, also drew much favorable comment.

Sidney Karth, the first chair violinist, particularly added a great deal to the performance with some extremely excellent playing.

Directing the 106-piece group was Walter Heidl, former director of the Dallas Symphony Orchestra and former associate director of the New York Philharmonic.

Editor's note: Charles Van Tuyl is a member of the Culver Military Academy Band. He is a four-year student at the Academy, and holds the rank of cadet staff sergeant. His home is in Tulsa, Okla.

Mrs. Virginia Bair Appointed Census Crew Leader

Peter D. Trone, supervisor of the Census Bureau's district office in South Bend, has announced the appointment of Mrs. Virginia Bair, 919 Academy Road, as crew leader in this area for the 1960 Census of Population and Housing.

Each crew leader will supervise about 20 enumerators in the big nationwide census which begins April 1. Crew leader training will begin on March 9 for rural crew leaders while their city counterparts will start training on March 14. Topics to be covered in the training sessions include procedures for recruiting of census takers, how to train their census takers, canvassing methods, preparation and submission of reports, and the super-

vision of census takers to insure a complete and accurate count.

The crew leader is one of the key people in the field operations of the 1960 Census of Population and Housing. It is his responsibility to recruit and train the census takers; plan and allocate work assignments; review the work of the census takers and take remedial action where necessary, and to handle problems of difficult enumeration.

WHICH HERBICIDE SHOULD I USE FOR CORN?

This year there are many chemicals available to the farmer for control of weeds in corn. Two of these weed killers — Simazine and Atrazine pre-emergence herbicides — are particularly outstanding. Applied at planting time, or shortly afterwards — before weeds come up — they control most annual broadleaf weeds and grasses for a full season.

Because of this full season control, both early and mid-season annual weeds cease to be a problem. Instead of being shared with weeds, soil moisture and nutrients all go to corn. Result is higher corn yields.

When selecting your herbicide for 1960, remember that both Simazine and Atrazine give outstanding weed control in corn. This, in turn, results in higher yields of quality corn since weed competition for vital soil nutrients and moisture is eliminated. Choose either herbicide, depending on conditions in your area.

Girl Scouts Have Friendship Party

An International Friendship party was held at the Methodist Church Monday for members of the Culver Girl Scouts of Troop 124. Members attended in costumes of other countries.

Awards presented included five-year pins to Jean Mauli, Judy Price, Bonnie Saft, Cathy Carrothers, Carolyn Snyder, Pam Crozier, Debby Henderson and Betty McFarland. Scout pins were awarded to Loretta Berger, Diane Davis and Becky Easterday.

The following Scout badges were presented: Patty Wesson, photography, tree, pen pal, and animal raiser; Bonnie Saft, outdoor cook, sports, games, needlecraft; Janice VanderMeade, cook, seamstress, homemaking; and to Carolyn Snyder, dabbler, cook and home nursing.

In observance of Girl Scout Week the Culver Girl Scouts attended morning worship in a group Sunday morning at the Methodist Church.

Marshall County 4-H Officers Meet At West High School

By PAT WESSON
How would you "run" a 4-H club? The Marshall County 4-H officers found out Monday evening at West High School.

Carol Hahn led the group in mixers, after which the meeting was called to order by Larry Nifong. Don Costello led the pledge to the American flag and Robert Wallace led the 4-H pledge. Diane Vos led group singing and Pat Ryan gave an introductory talk.

The group broke up into buzz sections for about 30 minutes. A new game called "Tic-Tac-Rule" was introduced by the Bourbon Township Junior Leaders.

Refreshments were served by the Marshall County Farm Bureau, for whose sponsorship the group would like to extend their thanks.

HOW MUCH IS A 10-YEAR EDGE IN A COMPACT CAR DESIGN WORTH?

YOU DECIDE HOW MUCH MORE CORVAIR GIVES YOU IN COMFORT, CONVENIENCE AND CONTROLLABILITY... WITH THESE EXCLUSIVE FEATURES. THEY DON'T COST ONE PENNY EXTRA!

REAR ENGINE TRACTION—You climb right out of snow, sand and mud where other compact cars bog down.

AIR COOLING—You never have to buy antifreeze—or repair a radiator. And air can't boil over, ever.

PRACTICALLY FLAT FLOOR—Here's a bonus in extra foot room—more than you'll find in many big cars.

FOLD-DOWN REAR SEAT—One quick flip and you increase cargo space to 28.9 cubic feet. And it's standard equipment!

BALANCED BRAKING—The quicker the stop, the more equal is the weight distribution on each wheel. Another great advantage of rear-engine design.

FOUR-WHEEL INDEPENDENT SUSPENSION—Each wheel "walks" independently over bumps... and how that smooths the ride!

4-H Club Goal For State Is 100,000 Members

The drive is on to obtain 100,000 members of 4-H Clubs in Indiana this year. Harold B. Taylor, state 4-H leader, says the membership in 1959 touched a very respectable 87,766.

But the annual nationwide 4-H Week extending through March 12 will be a springboard to even greater success of the Head-Heart-Hands-Health youth organization. This state has a prominent spot in national events, too.

Indiana's 4-H Winner

Bowen Akers of Greencastle will fly to Washington, D.C., Monday to join five other 4-H members from across the continent in a round of festivities. Among other things, they will be guests of Senators and Congressmen, visit the White House for a chat with President Eisenhower, and take part in a number of special programs. Akers, a Purdue freshman, is Indiana 4-H achievement winner.

The six honored youths represent more than 2,254,000 members in some 93,000 local clubs dotting all 50 states and Puerto Rico.

Not All Farm Youths

Originally, 4-H was comprised almost entirely of farm youth. But now about 40 per cent of the members live in non-farm homes. This is another illustration of the trend toward greater concentrations of the population.

The boys and girls, in the 10 to 21-year age span, will be able

to choose from 43 different types of projects this year, Taylor said. In 1959 the division was: 81,230 agricultural and 103,966 home economics projects.

CMA Soloists and Blue Notes Win State Laurels

Three Culver Military Academy soloists and a singing ensemble were judged "superior" at the state music competition Feb. 29 at Butler University in Indianapolis.

The soloists were baritone Bob Glaze, pianist Steve Fry, and Trumpeter Jules Heritier. Glaze sang Saint-Saens' "Clair de Lune." Fry played Chopin's "Polonaise in A, Op. 40, No. 1." Heritier played Guy-Ropartz' "Andante et Allegro."

Blue Notes Acclaimed

The vocal group, the Blue Notes, won a superior rating for its performance of Grieg's "Brothers, Sing On." Members of the Blue Notes include Glaze, Dave Gillaspie, Bob Hisrich, Walter Kime, Larry Seruggs, Paul Merry, Finley Stewart, Dave Robinson, and Dick Foster.

Another Culver entrant in the contest, Dave Yntema, received an "excellent" rating for his piano solo, Chopin's "Fantasie Impromptu, Op. 66 (Posthumous)."

MASSA PROMOTED

Adolph W. Massa, son of M/Sgt. and Mrs. Adolph Massa, 421 N. Plymouth St., Culver, is one of 25 students at Culver Military Academy who recently have been promoted to the rank of cadet sergeant in the school's Army Reserve Officers Training Course program.

Services To Be Held Friday For Mrs. Anna Abert

Mrs. Anna Marie Abert, 89, died early Tuesday morning at her home one-half mile south of Oak Grove after an illness of three weeks.

Mrs. Abert was born in Czechoslovakia July 16, 1870, and came to the United States in 1890 where she worked in Chicago until Oct. 28, 1906, when she married Frank Abert who passed away in 1933.

In 1906 she and her husband purchased her present farm home where she has spent the rest of her life.

Mrs. Abert is survived by one daughter, Mrs. Anna Esch, Oak Grove; two sons, Charles Abert, Oak Grove and Joseph Abert, Hammond; one stepson, Frank Abert of St. Petersburg, Fla.; four grandchildren; three great grandchildren; and two great-great grandchildren.

Services will be held at 1:30 p.m. Friday at the Easterday Funeral Home in Culver where friends may call. Rev. Clyde Joseph of Plymouth will officiate and burial will be at the Burr Oak Cemetery.

VACATION CHURCH SCHOOL INSTITUTE RESET FOR SATURDAY, MARCH 12

The Vacation Church School Institute which was scheduled for Saturday, March 5, was changed to this coming Saturday, March 12, because of weather conditions. It will be held at the Plymouth Church of the Brethren from 9:30 a.m. to 2:30 p.m. This is for all people who will be working in the Vacation Church Schools this summer.

Weather Is Simply Awful

(Continued from Page 1)
County Highway Department escaped injury when the snow plow they were operating Thursday turned over in a pond about four miles northeast of Burr Oak. They were Harvey Bishop, 20, Route 4, Plymouth, and Kenneth Lamler, Route 2, Bourbon.

The highway crews, both locally and in the county, have done a good job and should be commended.

SLIM REWARD-Burglars, who broke into a LaPorte County service station at Wanatah wound up with poor pickings for their laborious efforts. They broke a window pane, then worked for some time to jimmy open a cash register only to find a lone silver dollar.

WILLIAM ALEXANDER FLEET POST 103

By J. T. STINCHCOMB
Plans are complete for the 41st Anniversary Dinner (tomorrow,) March 10, at 6:30 p.m. at the Legion Home. We have just learned that our local Fingerhut Bakery is presenting us with a beautifully decorated cake. This is a fine gesture on their part and deserves special mention.

LEGION AUXILIARY NOTES

By Mary Mawhorter
A potluck luncheon at the home of Mrs. Jack Taylor, Wednesday, featured the March meeting of the Legion Auxiliary.
Ten members enjoyed a beautiful lunch after which the business meeting was held, presided over by the president, Mrs. Ora Reed.
Plans were completed and committees appointed for the ward party the auxiliary will put on at Norman Bentley Hospital at Westville on Friday night, May 27.
Mrs. Joe McCarthy distributed copies of the revised Constitution and By-laws which she had printed; also copies of the budget were made available.
The mystery package was won by Mrs. Leo Warren, and service sales auction by Mrs. Ora Reed.
The remainder of the afternoon was spent socially.

PURE MILK TO HOLD 25TH ANNUAL MEETING

Pure Milk Association, representing 14,000 dairy farmer members in Wisconsin, Illinois, Indiana and Michigan will hold its 25th annual meeting Saturday, March 12, in the Conrad Hilton Hotel, Chicago, starting at 9:45 a.m. Registration will start at 8:30 a.m.
Milk quotas, state legislation on commodity marketing programs, and consolidation of Federal milk market orders are among issues to be discussed and voted upon during the presentation of resolutions.
Avery A. Vose, president of PMA, will deliver the president's annual message. Annual reports will be made by A. L. McWilliams, general manager, and Chester W. Bolcum, Jr., secretary-treasurer.
Noon luncheon will be served an estimated 1,500 to 2,000 attending the meeting. Speakers will be heard in the forenoon. Resolutions and other business will be acted upon in the afternoon.

James A. Eldridge Of Bobbs-Merrill Here On Friday

Public Invited To CMA Address

James A. Eldridge, publicity director of the Bobbs-Merrill Publishing Company in Indianapolis, will speak at Culver Military Academy Friday, March 11, at 7:30 n.m. at the Eugene C. Eppley Auditorium.
Mr. Eldridge will speak before the members of the senior class as a part of the school's America's Democratic Heritage course. His address will bear on U.S.-Soviet relations. The public is invited to attend.

Has Had Notable Career

Prior to joining Bobbs-Merrill, Eldridge has had a notable career in journalism and public affairs. He served as Midwest field director of the American Association for the United Nations from December, 1946 to February, 1953.
He was a member of the editorial staff of The Indianapolis News from September, 1954 to July, 1959. In 1958, he held the John Winant Lecture Fellowship in Great Britain, lecturing at Oxford, Cambridge, and Manchester Universities there.
Eldridge attended Butler University. He is a member of the English Speaking Union, the Indianapolis Committee on Foreign Relations, the American Academy of Political and Social Sciences, and Sigma Delta Chi, national professional journalistic fraternity.

SOMETHING TO REMEMBER

The Culver Citizen is the only newspaper in Marshall County - or in the whole world for that matter - that really gives a whoop about Culver.

Dr. Alfred Wold To Preach At Academy Sunday

The Rev. Alfred J. Wold, D.D., of Hoge Memorial Presbyterian Church in Columbus, Ohio, will speak at services Sunday at 11 a.m. in the Culver Military Academy Memorial Chapel. Topic of his sermon will be "The Meaningful Extra."

Dr. Wold has served churches in Chicago and Minneapolis before accepting his present position in Columbus in 1939. He has served terms as chaplain to the Ohio State House of Representatives. His State Assembly prayers have been published by the Assembly in two volumes.

A Great Bible Student

The Columbus churchman studied four years at the Bible Institute and Academy of Minneapolis. He received his A.B. degree at Macalester College in St. Paul, Minn., and a B.D. at McCormick Theological Seminary in Chicago.
He later did graduate work at Garrett Bible Institute in Chicago and the University of Chicago. He received the honorary D.D. degree two years ago from Macalester College.

ACHIEVE DISTINGUISHED RATING AT PURDUE

Lafayette, Ind. — A total of 652 students achieved the Distinguished rating in their work at Purdue University during the first semester of the 1959-60 academic year, according to the list announced by the Office of the Registrar.
To achieve this rating, the student must make an index of "5.5" or higher out of the possible "6" in all work carried in the semester, must be enrolled on a regular undergraduate curriculum and must have completed a minimum of 14 credit hours within the semester.
Students from Culver attaining this honor are: Suzanne Dawson, Culver Military Academy, a sophomore in home economics, and Judith Marie Onestl, 440 State St., a sophomore in the School of

Science, Education and Humanities.

HERBICIDES HELP THE PROFIT PICTURE

The new corn herbicides have demonstrated ability to pay their way with a "plus." Atrazine and Simazine not only bring increased corn yields but save time and also release machinery for other work, both of particularly high value at planting time.

An investment in either of these effective herbicides equivalent to the dollar value of three to four bushels of corn has produced yield increases of nine to sixteen bushels per acre as a result of controlling competing grasses and broadleaf weeds. Increases of twenty-five to thirty bushels per acre are not uncommon, and in some cases yields have been increased up to forty bushels.

The cultivation time saved can be devoted to making hay while at its peak in feeding value — a plus which may increase the hay's value by ten dollars per ton. This value will be reflected in better production or gains when fed on the home farm. Or the saved time may be used for planting soybeans or late corn, and for completing other seasonal work.

PUBLISHED WEEKLY BY THE PRESS CLUB OF CULVER HIGH SCHOOL

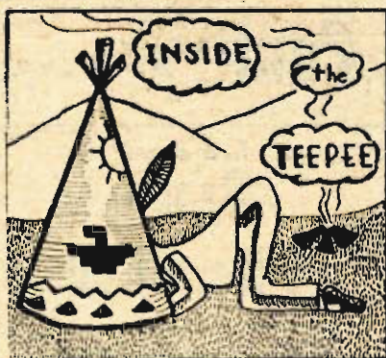

Roving Reporters List Needed School Improvements

- By SUSAN MEDBOURN
- Well, here it is everybody! Read on, and you will learn how to improve our school in ten easy steps!
1. Have a janitor stationed permanently both grade school and high school offices.
 2. Have a softer volume on Mr. Graham's record player.
 3. Have a heating system that works (radiators that don't CLANG!).
 4. Get a United States flag with fifty stars on it.
 5. A tunnel from the high school to the music building.
 6. A non-creaky study hall floor.
 7. Elevators!
 8. Buses with softer seats and less bounce.
 9. Assembly programs put on by the students.
 10. Using our recreation room to better advantage.

Just Imagine!

- BY ANNE OSBORN, JUDY LOWRY, AND ROCHELLE GOOD
- Have you ever wondered what C.H.S. would be like if a few of its routine characteristics were missing? For instance, WHAT IF—
- Mr. Robinson didn't have any results?
 - Mr. Graham didn't like ballads?
 - Gary Dillon missed one of his "approximate" algebra answers?
 - Dave Washburn couldn't play basketball?
 - Jim Hall lost his voice or his guitar?
 - Lana Berger jammed all her fingers in gym class?
 - Linda Banks ran into a buzzsaw and got her hair cut off?
 - John Benedict had straight hair?
 - The Spanish I girls didn't eat in class?
 - Mrs. Johnson didn't give a Latin assignment?
 - Mr. Ives didn't look tough?
 - Dave Washburn used four wooden legs in Economics class?
 - Joyce Morrison wasn't a glamour girl?
 - Mrs. Johnson allowed whispering?
 - Susie Medbourn didn't ask questions?
 - Mr. Lawson couldn't sing?
 - Mr. Graham didn't give the Senior English class tests?
 - Larry Norman ran out of old, corny jokes?
 - The Senior girls didn't hold bridge parties in Economics?
 - Nancy Burns didn't giggle?
 - John Hook came to school full of vim and vigor?
 - Gary wouldn't tease Bobbie Lou?
 - Culver won the tourney?
 - Anne Osborn didn't make A's?
 - Bonnie Good didn't ride horses?
 - Barb Moore grew a couple of inches?
 - Karen Kemple dyed her hair black?
 - Joan Barshes didn't have a happy birthday?
 - Mr. Kepler didn't smile?
 - Emily Allen wasn't a weakling?
 - Bea didn't have her honey?
 - The eighth grade girls learned to sew a "Strait" seam?
 - Stanley lost his voice?
 - Sandy Smith had straight hair?

MANNERS ARE the happy ways of doing things . . . if they are superficial, so are the dewdrops, which give such a depth to the morning meadow. — Ralph Waldo Emerson

Haloo, ye bonnie lads and lasses! Has your Indian reporter turned Scottish? No, only the Scottish brogue from poems by Robert Burns is a wee bit catchy.

This week we have a lot to review, so we'd better get started right away. I hope this late birthday greeting is in order for a few of the Seniors. Happy Birthday, Sandy Smith, Denny Geiger and Joan Barshes. Sandy had a party and the question was never answered: Just who did "mut mhe mookies min mhe mookie mar?" Denny had a skating party and the whole crowd is reported to have had a great time. Joan had no party which may be due to the fact that her birthday is September 4!

Congratulations to the music students who won at State, five firsts. Kids, ya done right well.

Some new couples seen wandering through the teepee might be Nancy Franz and John Taylor, Sandra Boetsma and Leslie Woolfre, Merrie Kay Stoneburner and Dave Washburn, and Sherrill Hobman and Gary Dillon.

Here's a tidbit about the Father-Daughter Banquet for you mothers and all those who don't fall into the classification of a father or a daughter: We had a ball! The food (spaghetti) was simply scrumptious, the decor was lovely (blue, white, red and small American flags) and the games were delightful. Here we go again, but does anyone know who put the . . . cookies . . . in . . . the . . . cookie jar?

Chris Hand, Margo Overmyer and Nancy Ervin have all heard from foreign pen pals: Japan, Mexico and Columbia.

Hmmmm . . . what shall we talk about now, the weather? Yes a fine subject! Not because it makes the roads slick and hard to travel on, but because of this fact, we, typical red-blooded American students like to have an extra day of vacation every once in a while. The day after the Sectional Tourney was such a day and everyone had a "slippery" marvelous time tobogganing. The verbal prizes should go to Kathy Overmyer, Best Girl Slidder and to Rich Kuhn, the consolation prize for having such a time trying to get down the hill.

Some of the kids couldn't even get to the tourney because of the blizzard we had, so Em had a slumber party for the few Senior girls, Judy, Joan, and Joyce, who couldn't make it to the tourney. Joan Barshes won a beautiful white purse containing little necessities like a squeezed-out tube of toothpaste, a Davy Crockett patch, a pattern piece for a shoulder pad, baseball cards and moth balls. Joan is the Champion Bingo Player but even though she is tired, she never shows it.

The Shadow Knows Margo

BY LINDA KOSE

This week's unsuspecting victim is Margo Overmyer. I first encountered her in study hall grouped with some other girls around my seat. They were telling the latest news. I could hardly keep from hearing the news of the day as I took my seat. As Margo left to go to her seat, she asked me if I had my Geometry done. When I said that I didn't, she said, "Well, we'll work on it next period."

In second period study hall, Margo busied herself with talking to Sandy Fisher about the tourney, working on her Geometry, reading her Health and Safety and making an artistic masterpiece of a motor neuron and proudly showing it to me. Busy little bee!

In English class "Miss Margo" successfully answered all of the questions which Mr. Graham asked her about Silas Marner. Really something, that gal!

During the noon hour, I lost our victim, but began my shadowing again during Geometry. In this class, she tried very hard to conceal the fact that she had gum. It was a successful attempt because she still had it when class was over. While Miss Lindvall was explaining problems on the board, Margo entertained herself by writing a note to John Kelter and also by taking her shoes off. (She really makes herself at home!)

My spy in her Spanish class told me that Margo acted as normal as to be expected with her shoes off! (Have you ever heard of tired feet?)

Last period in choir, Margo enjoyed exercising her lungs and laughed a good deal of the time.

My last glimpse of Margo was caught of her leaving the school to go to the drug store for that after-school-coke.

Don't forget to remember to remind yourself to look behind you, for the Shadow may be following you!

Remember that I am a frail mortal, and therefore I have erred. — Terence.

gotten scalped at the Sectional but they did play a season of good ball handling. The cheerleaders were really kept on their toes and the cheering section YELLED!

Many of us are getting anxious for warm weather to come our way. How can we go to the beach in this kind of weather?

We'll close with an ad: FOR SALE — unused construction paper feathers, and colorful confetti, both in perfect condition. Somehow, they just couldn't find their way to the tourney!

Grade News

BY SHARON BAKER AND BETTY ZECHIEL

First Grade: Mrs. Keyser — We are learning how to write our first, middle and last names. In science, we have conducted experiments about air. Scott Croy brought some tree branches with buds on them and the buds have bloomed. We have finished our enrichment book in reading and are beginning our primer "On Cherry Street."

First and Second Grades: Mrs. McLane — Parties were given by Jeffrey Reeves and Lawrence Babcock for Valentine's Day. Jack Campbell had a birthday party. Our Cecropia moth hatched and we have enjoyed learning of its life cycle. We have looked at other moths in our Insect books. Freddie May left two dinosaur models in our room for us to enjoy. Susan Wilson had a birthday on Friday.

Second Grade: Mrs. Allen — We have read the Circus stories in our reader. We drew clowns and made a circus parade. We are talking about different means of transportation. Some of them are very different from ours.

Third Grade: Mrs. H. Keller — David Jackson joined our class on Monday, February 22. He had been in the Logansport school. We have 35 in our class now.

Third Grade: Mrs. Carter — On bad days some children work jigsaw puzzles at recesses. In history, we are studying about fruits, orchards, smudge pots and fruit markets. Peter Mars is taking piano lessons now. We have just completed our health books now. We are practicing capitol letters during writing periods. On Washington's birthday, we made posters with a shield, a hatchet and some cherries.

Here is a poem composed by Nancy Porter:
If I were in a fairy tale
And met a giant bold

He might have a pet whale and be very old.

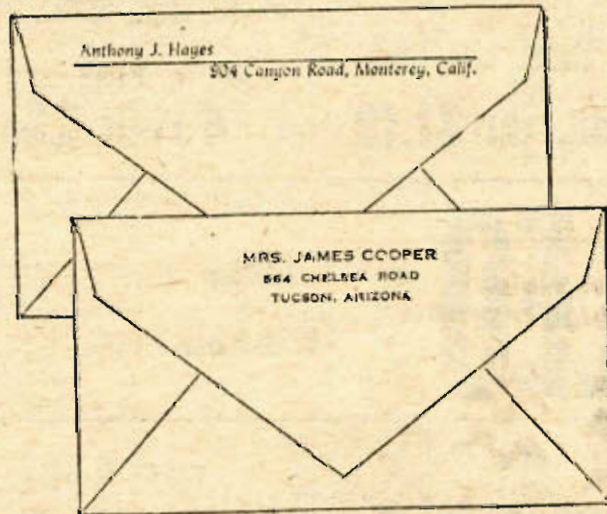

Fourth Grade: Mrs. A. Keller — Winners of the fourth spelling match were Nancy Reynolds, Donald Gardner, Teri Cromley, Jimmy Taber, Laurel Prosser, Barbara Westcott, Susan Thews, Vickie McKinney, Raymond Shepherd, Katherine DeWitt, Micheal Wynn, Linda Reinhold, and Corland Overmyer. These pupils spelled for sixty-five minutes and could not be spelled down on any words we had studied all year. Donald Gardner had a birthday this week. His mother came to school and helped him with his party. We enjoyed it very much.

Fourth Grade: Miss Mahan — February 17 was quite a day for us. Three children were ten years old. Gregory DeTroy, Vicki Helber and Robert Schilling. Greg was surprised when his mother came bringing cupcakes and orange drink. Vicki's mother brought cup cakes and Robert brought candy and bubble gum. Lessons resumed after the refreshments. February 19 Christine Stevens treated us with an ice cream bar. Her birthday was Saturday the 20. She was ten years old. Edward Ricciardi is ill. This is his third week out of school. We are trying hard for top marks in our arithmetic workbook.

Fifth Grade: Mrs. Epley — Marille Herrmann, who has been in Florida with her parents for five weeks, has returned to our class. We are all glad to see her back. Our February birthdays were Patsy Huffer and Peter Cantwell. Both treated the class to candy bars on their special days.

Fifth Grade: Mrs. Lawson — We are making a library from the books brought by the students. Each week a different student will be librarian. In social studies, we are studying about our new states, Alaska and Hawaii.

Do you need a pencil, paper, books, a basketball ticket, or just a pin? Then see Mrs. Warner. She has been dispensing all kinds of items such as this since May 28, 1956, when she took the job as Mr. Ives' secretary.

She was born near Bremen, Indiana, moved to Plymouth at an early age, where she grew up and graduated from high school, and came to Culver when she was married more than twenty-five years ago. Her family is made up of her husband, four children, two of whom are married, and two grandchildren of whom she is especially proud. (Have you noticed the picture on her desk?)

One school-day incident she remembers was when in junior high school, she wrote a theme on rabbits. The teacher entered it in a contest sponsored by the local rabbit breeders association, and much to her surprise, she won a prize of a Flemish Giant doe and soon found herself in the rabbit business.

She likes fried chicken, angel food cake, reading, sewing, baking, candy-making, bookkeeping, and people, especially young people.

Her pet peeve is people who have to be "nagged."

I had an inside track on getting this information because Mrs. Warner is my mother.

By LESLIE WOOLFRE AND TOM CURTIS
Sunshine; Monday, February 21, several of the Sunshine girls' fathers were seen wearing their bow-tie shaped invitations to the Annual Father-Daughter Spaghetti Supper at the Methodist Fellowship Hall.

About thirty-five girls entertained their fathers at the Supper.

Upon entering the hall, one would find the decorations patriotic. There were flags and red and blue steamers on white cloth.

The tables each held three candles, one each of the colors; red, white, and blue.

Upon being seated at the tables, the President, Betty Kose introduced the other officers: Joan Barshes, Vice-President; Linda Gibbons, Treasurer; Bobbie Lou Easterday and Lana Berger, Secretaries.

After the dinner, Lana Berger and Shari Yocom each entertained with piano solos, and Betty Zechiel, Jean Warner, and Nancy Ervin sang as a girls' trio.

Several games and mixers were played after the tables were cleared.

Dear Editor,
Several weeks ago you had a poem in the Schoolbell. It was written by a Senior, and sang the praises of the Senior Class. Are you willing to print one written by a Junior, in praise of the Junior class? If so, here it is:

THE JUNIOR CLASS
Of all the classes in this school We're sure you must admit That the Junior class of this year Certainly is "IT."
We simply love Biology, In English we excel, In Spanish none are better, In History . . . oh, well! We just crave doing map books Without a bit of fuss, And when it comes to problems Just look this way . . . that's us. We never make a bit of noise, We're never in noon class, Every single one of us. Is sure we're going to pass. And if I've stretched this story A little bit too far, You will please excuse it For just look who WE are! (Name withheld by request)

P.S. Times don't change too much. This was written by a Junior all right, but a good many years ago . . . in praise of the Class of '28!

4-H Enrollment Night To Be Held At Lions Den

The 4-H enrollment night will be held Friday, March 11, at 7:30 p.m. at the Lions Den, sponsored by the Union Township 4-H Council.

Speakers will be Mrs. Fred Becker and Don Davis.

It is necessary that the child bring at least one parent to be able to enroll but both parents are invited.

Those who will be in charge of the various projects are Beef, Glen Overmyer; Swine, Jesse White; Dairy, Richard Behmer; Conservation, Ralph Neidlinger; Ponies, Ralph Neidlinger; Rabbits, Ralph Neidlinger; Electric, Mrs. Herman Stems; Handicraft, Mrs. Becker; and Home Ec, Mrs. W. W. Strait.

The Home Ec. projects includes clothing, foods, home improvement food preservation.

Handicraft is being stressed, especially for youngsters living in town. This includes glass etching, mosaic tile, ceramics, basket weaving, textile painting, woodworking, leather crafts, etc. The handicraft meetings will be held at Argos and transportation will be furnished by the council for interested 4-Hers.

Of the nine participants in state contest, five received firsts. They are: Lana Berger, piano solo; Shari Yocom, piano solo; Mary Jane Guise and Margo Overmyer, piano duet; Jean Warner, vocal solo; and a trio consisting of Jean Warner, Nancy Ervin and Betty Zechiel. These people did a fine job in representing Culver.

Several of the high school girls have tried out for the chorus of "Oklahoma" which is to be presented by the Academy in the Spring.

JEROME ZECHIEL, JR. RETURNS FROM HOSPITAL
Jerome Zechiel Jr. returned home Wednesday afternoon, March 2, from Goshen General Hospital where he has been recuperating from injuries received Jan. 20 when the truck he was driving skidded on icy pavement and crashed into a bridge abutment a short distance west of Milford, Ind. It will be several weeks before the cast can be removed from his injured leg.

Character
By ANNE BEHMER
A person with a good character is a person who will get along well in this world. The 4-H Clubs are excellent builders of character. Listed below are a few examples.

Ability to plan and organize — Everyone needs to know how to plan and organize, for no matter what the job is or whether you are young or old, you cannot be the success you should unless you can organize your work. In 4-H you are taught to organize your time and materials to get the job done efficiently. You have just under three months and when you don't know a thing about sewing and have to be an efficient apron maker in that time, it takes planning!

Cooperation — To be a well-rounded individual you must be able to cooperate with others. Cooperation is not assuming that you are right all the time and the other person is wrong. It is the ability to take and follow orders.

Initiative — The ability to go ahead on your own. You have to be able to think for yourself. A person who has to be told what to do next all the time is not one who commands respect from his companions. If you can do what you're asked and then do just a little more, you will be a lot better off than the person who can't even follow directions.

Patience and perseverance — These two traits definitely go together, because it takes patience to do something right and good and it takes perseverance to stick to it and get the job done no matter what happens.

A good 4-Her builds these characteristics by regular attendance at meetings, getting records in on time, working cheerfully with one another, and taking an active part in all the activities planned for them.

IN SERVICE

Mr. and Mrs. Herbyn Maynard of Route 2, Culver, have received the following letter concerning their son, Richard, from Lt. Col. Edward A. Sanders, 787th Aircraft Control and Warning Squadron, United States Air Force, Chandler Air Force Station, Minn.:

"I take pleasure in informing you that your son, Richard has been promoted to the grade of Airman First Class. The honor of promotion is only bestowed on those airmen who show outstanding job knowledge, faithful service to the Air Force and the ability to work in harmony with their fellow airmen. Other points taken into consideration when selecting a man for promotion are cleanliness of person and living area, military bearing and courtesy.

"This Squadron and the United States Air Force are proud of your son's accomplishment."

MAYPORT, Fla. — Philip E. Clyne, airman, USN, son of Mr. and Mrs. J. N. Clyne of 952 W. Shore Dr., Culver, serving with Attack Squadron 176, returned to Mayport, Fla., Feb. 26, aboard the attack aircraft carrier USS Essex after a seven-month tour of duty with the U.S. Sixth Fleet in the Mediterranean.

The oldest active duty carrier in the Navy and second only to the old USS Saratoga in the number of arrested landings made, the Essex is scheduled to enter the New York Naval Shipyard for conversion to an anti-submarine warfare carrier.

During the cruise, which brought the Essex and her crew to all the major ports in the Mediterranean, she participated in various operational exercises and during December, in conjunction with President Eisenhower's goodwill tour, hosted 75 news media representatives and transported

The Week With Governor Handley

Indiana Jet Cargo Airport Proposed

Pointing out that "Indiana's economy is statewide and one unit, and that it is essential to provide modern and adequate transportation throughout the state and also to Hoosier markets throughout the world," Governor Harold W. Handley has ordered a comprehensive study of Indiana aviation facilities, needs and potentials.

The study is to include every Indiana community which has a reasonable expectation of sufficient traffic — both passenger and cargo — to support commercial airline service or to make feasible the building of a local airport.

The study will be made by faculty members of Indiana University and Purdue University, with Indiana handling the economic aspects of the survey and Purdue the aero technical investigation. The report will then be integrated, and Governor Handley expects it to be of as great value in modernizing Indiana aviation as the special study of the Port of Indiana has been in furthering deepwater transport facilities on Lake Michigan.

Hoosier Cargo Planes

"We expect to show just what traffic potential there is for both passenger planes and cargo planes in various Indiana centers," Governor Handley said. "The study will include a review of service now certified in Indiana by the Civil Aeronautics Board, and reveal just how far the airlines have provided adequate service under such certification.

"Where airlines are not utilizing this certification, we propose that it be withdrawn and given to their competitors. There is no excuse for permitting any airline to hold a dormant certificate to the exclusion of new service by another airline.

Indianapolis Feeder Service

"We feel that this study will improve feeder service into Indianapolis, which is now served by coast-to-coast nonstop jet planes of the latest design. It

also should demonstrate that our larger communities in all parts of the state deserve more attention from scheduled commercial airlines.

Lake or Porter County?

"One of the important parts of the study will be the facts it offers for the justification of a proposed new international jet cargo airport in Lake or Porter County.

"The metropolitan Chicago area is as badly clogged with air passenger traffic as are the highways and streets leading to the two large Chicago airports and to Chicago's water facilities. Indiana offers the unique opportunity for developing an air-and-water facility for all kinds of cargo, available for ships and planes that can take our products to all parts of the world, and also available for rapid truck and rail service from the rich and fertile Midlands.

"We recognize that O'Hare Field and Midway Airport can handle present passenger traffic. But to add cargo planes will increasingly cause an overload there which will be both dangerous and delaying.

"In the same way, Indianapolis should be established as a regular alternate field for transcontinental jet passenger service, not as an emergency facility but for regularly scheduled flights. We believe that this scientific study will demonstrate that atmospheric conditions, geographical location and economical operation will commend Indiana to commercial airlines as not only desirable but essential to the rapid expansion of their services."

Governor Handley noted that the report will assist greatly in development of numerous airports intended for private and local use.

Aeronautics Commission

"We are establishing a new division of the State Aeronautics Commission to help local communities with technical and economic advice, just as our State Highway Department is quietly but effectively helping those local authorities — both county and municipal — who ask for expert advice on road and street improvements.

"This is all in the public interest, for there are hundreds of products made in Indiana which sometimes merit air shipment, and there are thousands of tons of farm products, minerals and steel — all produced in Indiana — which can be far more cheaply shipped by water through the Port of Indiana than by any other means.

Ohio River Shipments

"We also are proud that the Ohio River today is handling more annual tonnage than either the Panama Canal or the Suez Canal. A considerable part of this tonnage originates in Indiana or is destined for our citizens' use.

Water transport, railways, highways and airlines are all a part of Indiana's diverse and vigorous economy. Of this we are well aware, and we regard it as the primary accomplishment of this administration that we have encouraged their constructive expansion and modernization in every way that is economically feasible.

A Sensible Resolution

Governor Handley last week received a resolution from the McVaine-Kothe Post of the American Legion in Indianapolis, suggesting that the state-owned War Memorial in Indianapolis be rededicated to honor those who served in World War II and the Korean War as well as in World War I, which was the original purpose of the Memorial and the Memorial Plaza.

The Governor commended this suggestion, and pointed out that the Soldiers and Sailors Monu-

ment in Monument Circle in the capital city serves as a visible reminder of the service of Hoosiers in the other conflicts in which our country has engaged since Indiana entered the Union in 1816.

He said that not only is such a rededication a fitting recognition of the service of these men and women, but also that it would be a practical way to extend the honor without additional expenditure of tax money.

Korean Mission Executive To Talk At Plymouth

Dr. Edwin W. Kilbourne, recently returned missionary from Korea, will speak at Lincoln High School Auditorium on Saturday night, March 12 at 7:29 p.m.

Mr. Kilbourne is a third generation missionary, and grandson of Ernest A. Kilbourne, who with Charles E. Cowman, pioneered the work of the Oriental Missionary Society in Japan.

He was born in Japan and spent his childhood and early youth in Korea and China. He began his missionary career in China, from which he was forced to flee during World War II. At the time of the Korean conflict he was working in that land, only to flee again. For a time he served in Japan, but upon termination of hostilities he became the first missionary to be permanently admitted back into Seoul after the evacuation of missionaries from that city.

Dr. Kilbourne is prepared to answer key questions on the current far eastern crisis. The public is cordially invited to hear this outstanding young mission executive. This meeting is sponsored by Marshall County Youth For Christ.

PRODUCTION RECORD

PETERBOROUGH, N. H. — A registered Guernsey cow, Kahmer Homestead 1 Candy, owned by J. Richard Behmer, Plymouth, has completed an official production record, according to the American Guernsey Cattle Club here.

This record was for 2,508 pounds of milk and 504 pounds of fat. "Candy" was a junior three year-old, and was milked two times daily for 305 days while on test.

This official production record was supervised by Purdue University.

Sunday School 9:15. Worship Service 10:15.

There will not be a meeting of the Woman's Society of Christian Service this week due to the bad roads.

Mr. and Mrs. Johnnie Hutchinson and family of Crown Point were Sunday dinner guests of the latter's mother, Mrs. George Wilson. In the afternoon they called on Mrs. Wilson's daughter, Mrs. Howard Eathason, Mr. Eathason and son Jim at Argos.

Mrs. George Wilson received word Sunday that her son-in-law, Lincoln Porter, of Gary had suffered a heart attack Friday, while working in the steel mill. He is in the hospital in a critical condition.

Word was received Sunday by Mr. and Mrs. Perry Troutman by telephone from their son, Charles, that he was married March 3 to W.A.C. Margaret Smith, Laboratory Technician, in Baltimore, Maryland. They are both stationed at West Point Military Academy. He is S.P. 4 Military Police.

Damon Miller, Mrs. Miller and family of Buffalo and Albert Taylor and son of Winamac were Sunday supper guests of Mrs. Miller's parents, Mr. and Mrs. Perry Troutman, and son Ivan.

Mr. and Mrs. Charley Moon of Kewanna called on the latter's son, Harry Patsel, Sunday.

Mr. and Mrs. Glenn Neldlinger of Walkerton were Sunday evening callers of the latter's parents, Mr. and Mrs. Homer Fisher.

Mrs. Herman Montague of Bourbon visited Thursday and Friday with her son and wife, Mr. and Mrs. Billy Montague and family.

Mr. and Mrs. Lee Chizum and sons of Knox and Mr. and Mrs. Dale Kaufman and family of Plymouth were guests Sunday in the home of their parents, Mr. and Mrs. Harvey Kaufman.

Plymouth were Sunday dinner guests of Mrs. Nova Warner.

Mr. and Mrs. Fred Caldwell and two children came Thursday to visit a week with the latter's parents, Mr. and Mrs. Ray Burroughs, enroute to Louisville, Ky.

Virgil Krouse of Plymouth took dinner Sunday in the home of his sister and brother-in-law, Mr. and Mrs. William Listenberger.

Mr. and Mrs. R. D. Rohrer returned home Tuesday evening from a three-week vacation tour of Florida and other southern spots. They visited Mr. and Mrs. J. O. Martin, Mrs. J. A. Hershberger and Mr. and Mrs. O. E. Bollinger at Palmetto and other friends who are spending the winter months there.

Mrs. Glen Gates and Colin of Hamilton and Miss Judy Gates, student at Fort Wayne were weekend guests of Mr. and Mrs. Otto Gates and Jerry.

Tommy and Teresa Jung, twin children of Mr. and Mrs. Tom Jung of Plymouth, spent from Friday until Monday with their grandparents, Mr. and Mrs. John Jung and Miss Charlotte Jung.

It's the job of the U.S. Mint to make it first and yours to make it last.

Joe Smith says, "We have Simazine and Atrazine weed killers for pre-emergence weed control in corn. We recommend these outstanding Geigy herbicides. Either of them gives you full season weed control and gets the grasses as well as broad-leaf weeds. Simazine and Atrazine are safe to handle, non-irritating and, of course, non-injurious to corn. Try Simazine or Atrazine this year. We've seen the results and we know you'll be as sold as we are."

If you give some drivers enough rope they'll tie up traffic.

PRE-EMERGENCE WEED CONTROL IS SAFE TO CORN

It's important to select a weed killer which is safe. It should be safe to your livestock, safe to yourself when you use it, safe to equipment, safe to adjacent vegetation, non-volatile, and of course most important — safe to corn.

Two chemicals which meet these requirements for safety are Simazine and Atrazine. Applications of either of these chemicals at planting time or prior to weed emergence, at rates many times higher than recommended, has not injured corn. Wide-scale experiment station research and two years of commercial use have proven the safety of these herbicides.

Simazine and Atrazine herbicides are safe to equipment and can be removed easily from sprayers by flushing with water. They are non-corrosive, non-abrasive, do not affect metal or cloth — so there's no chance of damage or contamination either to equipment or clothing. They do not irritate the skin.

When selecting a herbicide this season, select one which is safe all along the line: safe to your crops, your equipment, and yourself.

LOSERS WEEPERS!

Question Of Values

Few people think much about it if a popular entertainer receives \$50,000 for a single performance, or if a singer signs a three-year contract for \$25 million.

Yet many people are highly incensed if an industrialist — who may be responsible for the success or failure of an enterprise which employs thousands of people across the nation — is paid one-tenth as much.

This commentary on the vagaries of public opinion was made by Rudolph F. Bannow, new president of the National Association of Manufacturers, in a speech to the 64th annual Congress of American Industry early in December.

Mr. Bannow was discussing the need for a good business climate if the United States is to maintain its leadership in the world. He said business climate is created by the attitudes and actions of government and labor unions, and above all by the public opinion which prompts these attitudes and actions.

Somewhere along the line of American history, Mr. Bannow implied, a great many people have lost sight of the fact that business exists and works for their benefit.

The disparity in popular attitudes toward entertainers and business leaders is only a symptom of the real problem.

Lack of public concern about the welfare of the nation's business and industry leads to Government and Union actions which restrict industry's productiveness. A hamstrung American production system cannot fight effectively in the production war which the Soviet Union has declared against us.

Nor can it make its full contribution in supporting the high national living standard which enables us to be so generous to our entertainers.

Elects A New Superintendent

By I. M. DRYE
 Publicity Chairman

The Indiana Temperance League has elected as its superintendent the Rev. W. Morris Jarboe of Bloomington. Mr. Jarboe succeeds Ellis B. Hargrave, who has been serving as superintendent since 1948.

In announcing the employment of the Rev. Jarboe, Dr. W. F. McCann of Marion, president of the board of trustees of the Indiana Temperance League, stated that Mr. Hargrave would continue with the League on a part-time basis as assistant to the superintendent. Rev. Jarboe, a native of Tell City, was graduated from Evansville College and the Boston Uni-

versity School of Theology. He comes to this work following a career in business and the ministry. He was director of The Wesley Foundation at Indiana University for five years and until recently has served as chaplain of the Crane Naval Depot.

The Indiana Temperance League, Inc. has a history of more than 60 years' service in the State of Indiana. It is composed of 29 Protestant denominations for the purpose of providing a medium through which individual churches and kindred agencies may unitedly cooperate in developing a moral, educational, and a scientific solution to the alcoholic beverages problem in Indiana. To develop every effective means of promoting temperance for the individual, and to secure such group action as needed to diminish and ultimately eliminate the traffic in alcoholic beverages and the evils arising from their use.

'Crawford! This Is So Sudden!'

This cartoon masterpiece by Pulitzer Prize winner, Charles G. Werner, who helps make The Indianapolis Star one of the greatest newspapers in the United States, appeared the next morning after **LIEUTENANT GOVERNOR CRAWFORD F. PARKER** finally announced that he will seek the Republican nomination for Governor of Indiana, a job he's actually had his eyes on ever since he was Secretary of State. Parker will make a truly outstanding Governor of Indiana and with **ALVIN C. CAST** of Kentland, as his running mate for Lieutenant Governor, should carry the entire Republican state ticket to victory in the November election. The Culver Citizen endorses both of these fine candidates 100 per cent!

RECTOR MAKES LONG, LONG DRIVE TO PERU THROUGH THE SNOW

Herschel L. Rector, 410 South Shore Drive, knew that he had a rough trip ahead of him in order to reach his teaching post in the Peru High School last Thursday. But he didn't entirely contemplate that the relatively short journey through the heavy snow would take him from 1:30 to 5 a.m.!

A DANGEROUS PASTIME

An automobile was seen crossing ice-covered Lake Maxinkuckee late last Saturday night.

Saturday evening dinner guests of Mr. and Mrs. Charles Ferrier were Mr. and Mrs. Earl Eckman and Mr. and Mrs. Robert Riewoldt. Tripoley was enjoyed following the dinner.

"In the periods of prosperity, most people make more money than they earn and spend more than they make." — Tit-Bits, London.

SALVATION ARMY MAKES ZERO WEATHER PICK-UPS

You have to hand it to the Salvation Army workers from South Bend. During last week's winter storm they were in Culver picking up donated clothing, furniture, metal, paper, etc. They come here every six weeks and should be contacted in advance at 510 S. Main St., South Bend.

Playhouse To Sponsor Fifth New York Trip

South Bend Bus Leaves April 3

The annual spring theater day in New York has been announced by Paul Rutledge and David Hager, co-managers of Maxinkuckee Playhouse. This will be the fifth of such jaunts to be sponsored by the Playhouse.

The trip enables their parents and friends of Northern Indiana to enjoy a round of the best current New York theatrical fare and still have plenty time to enjoy the fabulous city. The trip is made in conjunction with the Indiana Motor Bus Company.

This spring the trip will leave from South Bend on Sunday morning, April 3, at 7 a.m. Traveling along the toll road via the huge land cruisers of the Indiana Motor Bus Company, the trip will take just one day with meal stops along the way. The group will arrive in New York around midnight of that same day.

While in New York the party will be staying at the fashionable Manhattan Hotel. This hotel is located at the corner of 44th and 5th Ave. is in the very heart of the theatrical district and will walking distance to all shows and the agenda. Five nights will be spent in this new hotel which contains twin beds, and T.V. sets in all rooms.

Will See Broadway Hits

While in New York the party will enjoy a long list of activities, most important of which will be the shows to be seen. Four current hits will be included. Three are being announced at this time, and the fourth will be selected when the best of the new shows to open during the few weeks has been decided.

Already set for the tour will be Mary Martin in "Sound of Music" with such a tremendous advance sale, it is practically impossible for persons to obtain tickets for this show. The Playhouse has been indeed fortunate to line it up for the tour. Other shows will include "Walt Pidgeon and Jackie Gleason in a hit musical, "Take Me Along" and "Anne Baneroff in the dramatic hit, "The Miracle Worker." The fourth show will be announced in a few weeks.

Other extras to be included in this tour will be tickets to Radio City Music Hall which will be presenting their magnificent stage show which is always the high spectacle of the Easter season. The group will be entertained at a luncheon and fashion show at the exclusive Plaza Hotel. Tickets to all T.V. shows will be made available.

Extra fare tours of the city, night clubs, the United Nations and many other points of interest will be arranged for the group once they have arrived in the city. Martin Snyder is handling all New York arrangements. The group will leave New York on Friday night arriving back in South Bend on Saturday morning, April 9.

Cost Is Only \$160

The entire trip including round trip transportation, hotel accommodations for five nights in the Manhattan Hotel, orchestra seats to four New York hits including three musicals, plus tickets to Radio City Music Hall and luncheon and a fashion show at the Plaza Hotel will cost only \$160.

Reservations or inquiries can be made by writing directly to the Maxinkuckee Playhouse, Culver, Ind., or by calling Mrs. D. Hager the South Bend representative any evening after 5:30 p.m. at Central 3-5763. Reservations are being taken now.

Carnegie Library Gets New Lights And Shelving

Several Gifts Acknowledged

Three unused radiators have been removed from the Public Library in preparation for redecorating by Jack Kowatch. This space will be used for additional shelves.

New lights have been installed over the reference section, two floor outlets in the main library room, three outlets in the auditorium, and new light fixtures at the outside entrances.

Four books on Indiana have been added:

They are The Calumet Region, Indiana's Last Frontier; Indiana Scientists; The Messages and Papers of Noah Noble 1831-1837 (Governor of Indiana); and Readings of Indiana.

These books are gifts from the Indiana State Library and are popular with readers interested in the history of our state.

Mrs. Osborn Donates Books

Mrs. W. O. Osborn has donated several excellent books to be added to the shelves of the library.

John Brademas, Representative in Congress from the Third District, has presented to the Library a recording of the notable address to Congress by Carl Sandburg.

This address, a tribute to Abraham Lincoln, was given on Feb. 12, 1959. Many people have hailed it as one of the greatest speeches ever made before Congress. This record may be borrowed from the Library.

WRESTLING MATCHES AT BREMEN ON MARCH 19

Local wrestling fans will have a chance to actually view well-known contestants of this sport on Saturday, March 19, at the Bremen High School Gym when the Marshall County Civil Defense will sponsor a card of three events beginning at 8:30 p.m.

Tickets are available at local business places in Culver and may be purchased at the door on fight night. For full particulars consult three-column ad found elsewhere in today's Citizen.

There are an estimated 30 million amateur musicians in the U. S. We don't say there is any connection, necessarily, but last year 25 million Americans changed their place of residence. — *Chicago Times*.

District Meeting Of Methodist Women To Be Held Here March 15

The South Bend District of the Northwest Indiana Conference of the Methodist Church, will hold their annual meeting on March 15, at the Culver Methodist Church.

The business meeting will be called to order at 9:30 a.m. by Mrs. Paul H. Arndt, South Bend, District President, who will preside at the day's meeting.

All Methodist women of the district are urged to attend. Reservations for the luncheon are to be given to their local presidents by March 10, who will contact Mrs. Clarence Bair of Culver who is in charge of luncheon tickets. There will be an early bird coffee time from 8:15 to 9:15 for early arrivals.

Miss Nell V. Smyers of Terre Haute will be the guest speaker for the meeting. She will use as her subject "Mountain Peak Experiences."

Miss Smyers is a graduate of Ohio Wesleyan University and formerly taught social studies in the Terre Haute Schools. For a number of years she has been an outstanding teacher and leader in Christian Education in the Maple Avenue Methodist Church of Terre Haute. Miss Smyers is a member of the Wesleyan Service Guild of her church and has served as Chairman of the Commission on Missions there as well.

Within recent years Miss Smyers has travelled in Europe and South America. Very recently she returned from an extended tour which began with the Methodist Goodwill Tour to Africa. She spent some time in the Belgian Congo and several months in Madhya India, where her nephew, the Rev. Robert Smyers, is a missionary. She also visited Nepal and several cities in the Orient. Miss Smyers comes well qualified for her subject. She will address the morning session.

John Goheen, 76, Former Resident, Dies In Colorado

John Goheen, 76, Golden, Colo., father of Mrs. Carl (Edna) Henderson and Mrs. Jack (Sue) Easterdar, both of Culver; and Charles Goheen of Argos; and a former resident of the Santa Anna neighborhood, died Monday morning, March 7, of a heart attack at a hospital in Denver, Colo.

Mr. Goheen was born March 2, 1884, in Allen County and farmed many years in the Santa Anna neighborhood before moving to Golden, Colo., in 1940. His wife preceded him in death.

Other survivors include three other daughters, Mrs. Mary Bunzel, Golden, Colo., Mrs. Olive Barnhardt of Gates, Ore., and Mrs. Isabel Druek of Lindsay, Calif.

Services will be held in Golden Wednesday. The body will be returned to the Grossman Funeral Home in Argos where friends and relatives will be received Thursday evening, with services in the funeral home at 2 p.m. Friday. Interment will be made at the Washington Cemetery.

Wheat Grower Without Allotment Should Notify ASC

Any farmer who has seeded wheat for harvest as grain next summer but who does not have a wheat allotment or a feed wheat exemption should notify the county Agricultural Stabilization and Conservation office of his estimated acreage, Carl Price of the county office said today. In this way, county records can be established and steps can be taken to make such a farmer eligible for a wheat marketing card if he decides to sell any of his grain.

Under the wheat marketing quota program, any grower who produces more than 15 acres of wheat is subject to a penalty on any "excess" wheat harvested. The penalty must be paid before the wheat is eligible for marketing.

Joe Smith says, "If you plant corn come in and order Simazine or Atrazine pre-emergence weed killers right now. We've seen the results with these herbicides last season — and we recommend them highly. Both of these Geigy herbicides do a real weed control job — including grasses. Both are safe to corn, safe to handle. I'll be glad to set aside your supply of Simazine or Atrazine herbicide right now. Ask me when you come in."

and cattle. They introduced dairy- ing and had their region's first tractor.

Hard-hit by bad times in the early '20s, the menfolk took oil field, mining, carpentry, and other jobs to survive. In 1926, weary of fighting the unyielding land, they left it. Russell moved to Chicago, his brother and sister to California.

A lifelong craftsman, Russell turned to lathing and did well until the awful crash of 1929. To live through the famished early '30s he mortgaged, then lost his Wyoming land.

IN 1936, SON ROY, only 17, suddenly sickened and died. Once on a visit to Indiana he'd seen the hallowed old Hess family cemetery near Goshen and mused, "I'd like to be buried here."

Roy's wish fulfilled, Russell and Nina — deeply hurt — decided to live nearby. They settled in Goshen and in spare time Russell wholly built his present home at 1302 Division St. There Nina died in 1947.

Now remarried (to Mrs. Lettie Price, a widow) Russell has lately tried to retire from his lathing business.

"BUT EVERY TIME I get all set a job comes along," he chuckled. "I don't mind. When idle, I get too fat."

Life's jarring lumps and bumps haven't fractured Russell's rubbery spirit, or curdled his cheerful good humor.

But that's not surprising. After all, he's a good, solid, fourth generation Hoosier!

Marshall County Dairy Awards; Princess Chosen

West Township Girl Is Winner

Miss Edna Newberg of West Township was crowned princess last night at the tenth annual achievement banquet of the Marshall County Dairy Association at the Argos school auditorium before a crowd of 290 persons.

Miss Newberg was crowned by Miss Carol Hahn of Bremen, last year's princess.

Other candidates, who formed the court following the judging, included Miss Nancy Feldman of Bourbon, Miss Marlyne McKee of Walnut Township, Miss Jean Flosenzler of Center Township, Miss Anne Behmer of Union Township, Miss Connie Shivers of Green Township, Miss Barbara Huff of German Township, Miss Patsy Gushwa of Polk Township, and Miss Martha Sue Rupel of Tippecanoe Township.

Each girl presented a special talent performance which included several vocal and piano solos, a saxophone solo, and a reading.

Newspapers Pick Princess

Staff members of the Marshall County newspapers — Plymouth Pilot-News, Argos Reflector, Bourbon News-Mirror, Bremen Enquirer, and The Culver Citizen — acted as judges. Dale Davis represented The Citizen.

Cyrus Nifong gave the invocation with dinner entertainment furnished by Dixie Lee, accordionist of Mishawaka.

The membership and president's report was given by Don Davis.

Many Awards Presented

Included among the awards presented by Robert Birkey and Elwyn Yockey were first and second place high herds under 25 cows, Miller & Dolph and Cyrus Nifong & Sons; 25 cows and over, Birkey & Birkey and Milliken & Nunemaker; herd with highest increase in production, Miller & Dolph; live cow with highest lifetime production record, Ernest Hahn of Polk Township; grand champion females of dairy show, Brown Swiss of Linda Flosenzler, guernsey of Lloyd McFarlin, holstein of John A. Newman & Sons, and jersey of Darold Hathaway.

Outstanding cow awards went to Vern Flosenzler Jr. of Plymouth and Milliken & Nunemaker of Bremen. The herds of J. Dick Newman and Wayne Kline, which were abandoned this past year, were also eligible for this contest.

Mr. and Mrs. G. L. Derck and daughter of Cleveland, Ohio, were weekend guests of Mr. and Mrs. Arthur Morris and Mr. and Mrs. Donald Hand.
