This Indiana Area's Fabulous
Bee Tree Swindle

AMONG THE CURIOUS oddities of misty Hoosier history is a quaint and hilarious bit of skulduggery called the Bee Tree Swindle.

Old gaffers who knew the fabulous Kankakee swamp before it was dredged spin this yarn with considerable embroidery because it was already legend when they were boys.

AL SPIERS Recently in an obscure, privately-printed old book ("Pioneer Hunters of the Kankakee," by J. Lorenzo Werle) I found what seems to be a fairly accurate version. It goes like this:

EARLY IN THE 1850s there came to the game-laden swamp country a young Kentuckian, name of Sawyer — long-armed, gangly, shrewd and lazy.

Sawyer, a superb hunter, soon was in demand as a swamp guide. But guiding entailed toil, to which Sawyer was allergic, so after a couple years he cast about for an easier way to make a buck.

In time this quest led him to the swamp's bee hunters who made a fairly easy living swiping honey from their buzzin' wild cousins and selling it to the pioneer settlers.

SAWYER PICKED the brains of such honey hunters as the Stevens brothers, Marion and Filander; Harrison Dolson, Joe Cason, Had Fulson, Charles Carmon, and sundry others.

Then he shantied down and started hunting his own bee trees. CRAFTY AND WOODS-WISE, Sawyer soon was finding more bee trees than anyone. His new fame won him the sobriquet Honey Bee Sawyer.

But Honey Bee still wasn't happy. One day, lazing in the late summer sun, he mused, "There must be an easier way to make a living," and began to cogitate. Presently he grinned. Then he he he. Finally he slapped a bony knee and laughed out loud. "Shore as shootin', it'll work," he told himself.

In those days honey hunters had a simple code. When you found a bee tree, you carved your initials and it was yours. No one else would tap it.

In the next few weeks Honey Bee's initials appeared on more and more trees. In town or to his shanty visitors he spread the word that he was having a fabulous year.

CAME THE FIRST hard frosts. Sawyer spent a busy few days in the woods, then proclaimed to all and sundry a sad plight.

"Boys," he announced, "I've got more bee trees than I can handle. Besides, I aim to leave these parts. If I get a good offer, I'll sell all my trees, I've got 65."

IN DUE TIME, a delegation of settlers came to Honey Bee's shanty.

"We figure," they said, "we might have a bee tree-cutting bee after freeze-up. What's your price?"

"I'll take \$3.50 per tree for the (Continued on Page 2)

"Orr" Byrd, Age 77, Dies In South Bend

Ernest Orwin Byrd, age 77 formerly of Culver, died Monday morning at the home of his son, George Byrd, in South Bend after an illness of three weeks.

Mr. Byrd was born at Culver on Sept. 17, 1882, and had spent his entire life here until three years ago when he went to South Bend to live with his son.

He was an electrician and conducted his own business in Culver for many years. His wife, Sarah Edna, passed away Nov. 19, 1953. Surviving are a son, George; two sisters Mrs. Gertrude Van Schoelack, Lombard, Ill. and Mrs. James Dugan, Oxnard, Calif.; and a granddaughter, Linda Byrd.

Mr. Byrd was a member of the Culver Methodist Church where funeral services will be held at 2 p.m. today.

Rev. Kendall E. Sands, pastor, will officiate and burial will be at the Culver Masonic Cemetery. The Easterday Funeral Home was in charge of arrangements.

Mrs. Rollen Hawk Dies Following Two-Year Illness

Mrs. Elizabeth Rachel Hawk, age 79, wife of Rollen Hawk, died Monday morning at her home south of Culver. She had been ill for two years.

Born in Marshall County near Culver on Oct. 21, 1880, Mrs. Hawk had spent most of her life in this community.

Surviving with her husband are one daughter, Mrs. Lawrence White of Donaldson; one brother, Ralph Kline, Plymouth; and two grandchildren.

Mrs. Hawk was a member of the Emmanuel Evangelical United Brethren Church in Culver where funeral services were held at 10 a.m. today. Rev. Vernon L. Palmer, pastor of the church, officiated and burial was at the Culver cemetery. The Easterday Funeral Home was in charge of arrangements.

MEMORIAL DAY'S DATE

Selection of May 30 as the Memorial Day of the North may have been the inspiration of a Virginia woman of French origin. World Book Encyclopedia explains that Cassandra Oliver Moncre, one of the first to celebrate the holiday, may have chosen May 30 because it is "The Day of Ashes" in France, commemorating the return of Napoleon Bonaparte's ashes to France from St. Helena.

Winner Of Bank Scholarship

MISS JOAN BARSHES

Joan Barshes, winner of one of the \$1,000 college scholarships awarded by The State Exchange Bank, is the daughter of Mr. and Mrs. Alex Barshes. She resides at 604 S. Main St., Culver. She expects to attend Ball State Teachers College where she will major in Elementary Education.

CMA Black Horse Troop Heading For Indianapolis

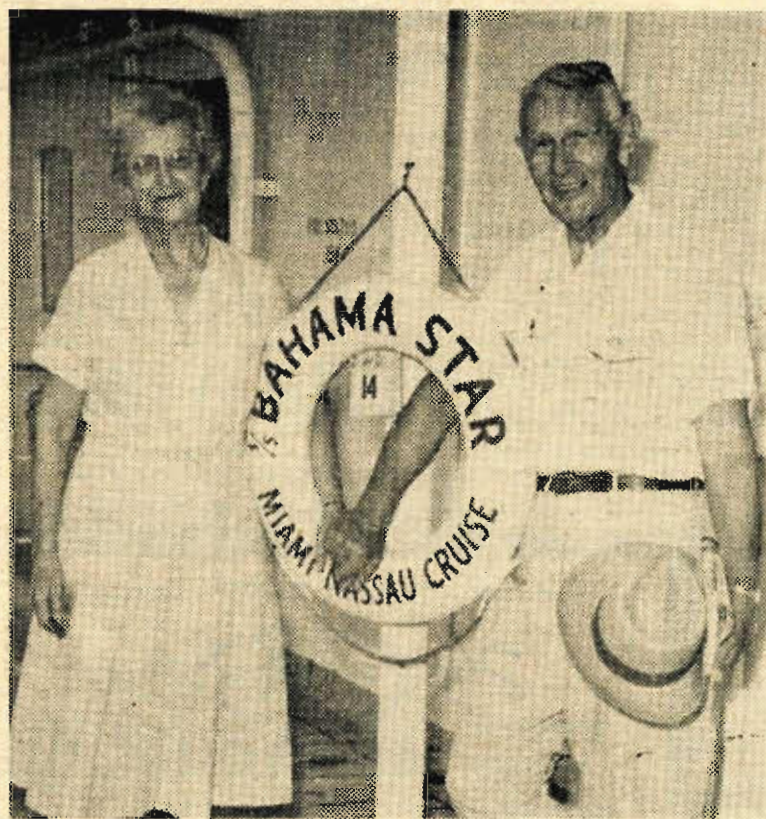

The Lancer Platoon of Culver Military Academy's Black Horse Troop will participate in the 500 Festival Parade in Indianapolis Saturday at 7 p.m.

The 38 Lancers will serve as escorts to the Queen of the 500-mile Memorial Day race.

The Lancers have been selected from the members of Culver's 136-horse Black Horse Troop, largest cavalry unit in the United States. Selection is based on riding ability and academic and civic excellence.

50th Anniversary 'Second Honeymoon' Enjoyed By Former Residents

MR. and MRS. FRANKLIN W. BATES

A well remembered and popular former Culver couple, Mr. and Mrs. Franklin W. Bates, recently took a cruise to Nassau in the Bahamas in celebration of their golden wedding anniversary. They now live in retirement at 250 S. W. 19th Road, Miami, Florida, where their daughter, Ellen, is a dentist. They also have a son, Franklin Jr. Mr. Bates was an instructor in the History Department of Culver Military Academy from 1920 until 1948, for two years serving as chairman. The arrival of The Culver Citizen is a weekly highlight, they write us. They are pictured on the sun deck of the SS BAHAMA STAR just before sailing.

Bank Awards Five \$1,000 College Scholarships

High Schools Participate

W. O. Osborn, president of The State Exchange Bank of Culver and Argos and the Farmers State Bank of LaPaz, has released the names of the 1960 winners of the college scholarships awarded to a graduate of each of five high schools using the banks as a depository.

These scholarships were awarded on the recommendation of local selection committees set up by each school. Candidates were judged on the basis of scholarship, leadership, service, character, and financial need. Each scholarship has a value of \$1,000, and will pay \$250 annually for a course at any of the State institutions — Purdue, Indiana, Ball State, and Indiana State.

Culver Girl A Winner

The winners are as follows: Ronald Leffert of Argos High School, to Purdue University, where he will major in Chemical Engineering.

Mary Wagoner, of LaPaz High School, to Purdue University, where she will major in Science.

Ruth Roose of Tyner High School to Indiana University, where she will major in Science. Joan Barshes of Culver High School, to Ball State Teachers College, where she will major in Elementary Education.

James McFarlin of West High School, to Purdue University, where he will major in Agriculture.

Nixon Favorite Over Kennedy In College Polls

Vice-President Sweeps Campuses

Recent mock elections at three Indiana colleges and universities pitting Vice-President Richard M. Nixon against Senator John F. Kennedy attest to Nixon's popularity with college youth in the Hoosier State.

In each of the mock elections Nixon convincingly out-poll his probable November opponent.

At Valparaiso University in a mock election on May 6, the vote was Nixon 761 and Kennedy 286. The Nixon vote exceeded percentage wise the primary vote in Porter County where Valparaiso University is located.

At Vincennes University, May 16, Nixon again demonstrated his popularity with college young people by out-polling Kennedy 150 to 81.

At Earlham College the Vice-President again demonstrated his strength by winning by a wide margin over Kennedy.

At Taylor University the Vice-President received a unanimous vote in a mock nominating convention held May 13.

Purdue Strong For Nixon

A student newspaper poll on the Purdue University campus reported May 20, shows Nixon leading Kennedy 66% to 31% among students at that university.

Inasmuch as young people in recent years, according to research surveys, tend to turn more to the Democrat Party than to the G.O.P., the above results significantly point to Nixon's ability to reverse this trend.

EVERETT YOUNG IN SOUTH BEND HOSPITAL

Everett Young of 922 N. Allen St., South Bend, and formerly of Culver, was taken to Memorial Hospital Sunday for observation and treatment. His room number is 502.

Donald S. Kohla, CMA Cadet, Gets Bronze Cross

(Missed last week's deadline)
A Culver Military Academy cadet will be presented with the Army and Navy Legion of Valor Bronze Cross for outstanding and dedicated service as a citizen, cadet, and student during the Academy's weekly garrison parade, Sunday, May 22.

The cadet is Donald S. Kohla, son of Mr. and Mrs. Harry D. Kohla, 3830 Duval Drive, Ponte Vedra Beach, Fla. He is the only Military Schools Division ROTC cadet in the Fifth Army area, covering 14 states, to receive this high honor. It is the highest award in the nation an ROTC cadet can receive.

Jerome J. O'Dowd, city attorney of Fort Wayne, will make the presentation. He is a member of the Army and Navy Legion of Valor. The Legion is restricted in membership to all American servicemen who have won either the Congressional Medal of Honor or the Distinguished Service Cross (or its counterpart, the Navy Cross), the two highest awards for valor the U. S. can give.

Hero At Iwo Jima

O'Dowd won the DSC in action off the coast of Iwo Jima in February, 1945. A lieutenant in the Navy at the time, he was commander of a LCI gunboat which carried a crew of underwater demolition experts whose job it was to clear the Iwo harbor for the attack troops who were to land.

The Legion of Valor's Bronze Cross award is being made, according to the citation, "for excellence civically, militarily, and scholastically . . . as a recognition that you possess the qualities that are essential to our nation. For so ably serving as a citizen, a cadet, and a student, you merit this expression by the Army and Navy Legion of Valor."

Kohla has an excellent record of achievement. He is the senior captain and regimental commander, the highest ranking of 800 cadets. He is the chairman of the Cadet Club, student governing body, and commander of the Culver Rifles Honor Guard, elite drill unit of the Academy's Infantry units.

Classmates Honor Him

His classmates elected him to the class board of governors. He is also the executive officer of the Academy's Honor Council, and a member of the Hop Club, the organization which runs the Academy's social program.

Last year he held the rank of Regimental Staff Sergeant, was president of his class, and won the Superior Cadet Ribbon, awarded to the best cadet in each class. In his first year at Culver, he won the Hyde Medal, given annually to the most outstanding new cadet in the Infantry.

He has won two varsity letters in cross-country, four in swimming, and three in tennis.

His grades are outstanding. He was elected to Blue Key, the Culver society which honors scholars during their junior year, and has received one Gold A and four Silver A awards for academic excellence.

His Military Science and Tactics grades have a three-year average of A, and his citizenship average is "excellent."

He has been accepted for admission to Yale University.

GAY NINETIES - The Salem Democrat published a picture showing road work under way in Washington County in 1893. There were no bulldozers or trucks — just big draft horses pulling wagons from which sturdy men were unloading stone. The men got \$1.10 for a 10-hour day and \$2.00 a day was paid for use of a team and wagon.

Just Imagine!

An ad this size (1 column wide and 2 inches deep) costs only \$1.40 per issue.

You just can't afford not to advertise in The Culver Citizen at this low rate of only 70 cents per column inch!

PAUL C. CULLOM JR.
High School Salutatorian in Arizona

Paul C. Cullom Jr., East Shore Drive summer resident and former Culver Summer Schools student, has been named salutatorian of the class of 1960 at Scottsdale (Arizona) High School.

The Phoenix Gazette, in saluting the well known scholastic wizard, tennis champion, and yachtsman, has this to say about the popular former Frankfort, Ind. young man:

"Paul is a member of the German Club, Jets, Mu Alpha Theta, and National Honor Society. He played varsity tennis for two years and attended Boys State last summer. He transferred to Scottsdale from Judson School for his junior and senior years. Paul hopes to major in medicine at Stanford."

Paul's proud parents, Mr. and Mrs. Paul C. Cullom, are among the Lake summer colony's most popular couples. "Hop", prominent Hoosier banker, is a former commodore of the Maxinkuckee Yacht Club.

Charles Wesson A. A., on leave from the Naval Technical Training Center at Memphis, Tenn., is visiting his parents, Dr. and Mrs. Oscar Wesson, and Patty. He will leave May 29 for the Pax River Air Base in Maryland.

Mr. and Mrs. John A. Cleveland and son Peter left this morning for Kansas City, Mo., where they will spend the long holiday weekend with Mr. and Mrs. David B. Cleveland.

"Nick" Long Dies Following A Lengthy Illness

Asher Blaine Long, 72, died Tuesday evening at his home at 316 W. Jefferson St., after a long illness.

Mr. Long was born at Marion, Ind., on Sept. 18, 1887, and lived in the Marion community until 35 years ago when he moved to Culver. He operated a taxi service in Culver for several years.

He is survived by his wife, Elsie Buswell Long; two daughters, Mrs. Martha Theide, Golden, Colo., and Mrs. Mary Jane Gellinas, Culver; a son, Samuel, Chillicothe, Mo.; and four grandchildren.

Services will be held at 10 a.m. Friday at the Easterday Funeral Home where friends may call. Rev. Harold W. Hohmann, pastor of the Grace Church, will officiate and burial will be in the Culver Cemetery.

Culver Unable To Accept "500" Festival Invitation

The Culver Marching Indians, our high school band, received an invitation to participate in the "500" Festival Parade at Indianapolis Saturday evening, but will be unable to do so because of some peculiar rules of the North Central Association.

Chairman Robert G. Moorhead of "500" Festival Associates, Inc., Indianapolis, wrote Principal Raymond J. Ives Jr. as follows:

"On behalf of the '500' Festival Associates, it gives me considerable pleasure in advising you that the Culver Marching Indians have been selected for participation in the 1960 '500' Festival Parade.

"Your unit was selected from many applicants and we feel highly honored that you consider the parade worthy of your activity. In the event your organization does not now desire to participate due to some unforeseen circumstances, please so inform us immediately in order that some other deserving organization can be afforded the opportunity.

"Administrative and operating details of the parade will be forwarded to you within the near future. We request that you complete the attached form and return it within the next seven days after receipt of this letter.

"We feel certain that your organization will add much to the color and pageantry of the parade and we will be looking forward to meeting you and your unit on Saturday, 28 May 1960."

"Hoosier At Large" (Continued from Page 1)

65," said Honey Bee.

Canny men, the settlers had to be shown. Honey Bee led them into the woods to an isolated tree. He thumped it with his axe handle. Hollow! He pointed to a hole overhead. Bees were swarming in and out.

For hours he led them to tree after tree. Same story, up to the 65th verse. Satisfied the weary settlers began to bargain, offering \$2.50 per tree.

"Tell you what," said Honey Bee. "This is a fine honey year. We'll tap a tree. If it gives 100 pounds or better you pay me \$3.50 per tree. If not, I'll sell 'em for \$2.50."

AGREED: Honey Bee steered them to a tree close to his shanty. Cut and tapped, it yielded 110 pounds of honey. So the settlers spread the word, pooled their money and paid Honey Bee \$227.50 for his 65 trees.

Came freeze-up, the big tree cutting bee and sad dismay. Three of the 65 trees contained honey. The rest were merely hollow and holed like bee trees.

Crafty Honey Bee had simply smeared the entrance holes with honey and stuffed a pound or two out of sight inside, knowing that bees, with winter coming would find the honey and busily buzz away with it, giving his fraud the final perfect touch.

HE GOT AWAY with it, too, because he was long gone before the settlers discovered they were victims of the now-legendary Bee Tree Swindle.

Funeral Services Held Sunday For Miss Alta Burns

Miss Alta Inez Burns, age 72, died Thursday evening, May 19, at Parkview Hospital, Plymouth after an illness of ten days.

Miss Burns was born May 1893, at the farm home where she spent her entire life. She attended school at Burr Oak and the School of Design at the Chicago Art Institute. She was well known in the community for her ability as a seamstress and attended the Culver Methodist Church.

Surviving are one sister, Mrs. Ruth Simpson, Route 2, Culver; one brother, Russell A. Burns, Plymouth; one niece, Mrs. Be McFeely, San Diego, Calif.; one nephew, Lt. Robert A. Simpson, Bolling Air Force Base, Washington, D. C.

Services were held at 2 p.m. Sunday at the Easterday Funeral Home in Culver. Rev. Kenneth Sands, pastor of the Culver Methodist Church, officiated and burial was at the Burr Oak Cemetery.

Miss Beverly Price Speaks Vows With Michael A. Bennett

A single-ring ceremony performed in the parsonage of the Grace United Church of Christ by the Rev. Harold W. Hohman in the presence of the immediate families and close friends at 6:30 Saturday evening, May 14, united in marriage, Miss Beverly Jo Price and Michael A. Bennett.

The bride is the daughter of Mr. and Mrs. Harold Price, 617 Pearl Street and the bridegroom is the son of Mr. and Mrs. C. Art Bennett, 704 College Street.

Given in marriage by her father, the bride selected a white street-length dress with beige accessories and a corsage of orchids.

Serving her sister as maid of honor, Miss Beatrice Price was gowned in a turquoise street-length dress with a corsage of white and turquoise carnations.

Warren Curtis served as best man.

The bride's mother was attired in a grey suit with blue accessories and the bridegroom's mother chose a navy blue dress with white accessories. Both mothers wore yellow corsages.

Following the ceremony a dinner was served to the wedding party at the Don-Marie Restaurant.

On Monday, May 16, the couple left for San Jose, Calif. They will reside near Moffet Field where the bridegroom is stationed with the United States Navy.

The bride is a graduate of Culver High School and for the past three years has been employed with Cornell Employment Agency in Chicago.

The bridegroom has served three years in the Navy and returned recently from Hawaii.

Former Resident Visits Here

Mrs. Robert Marill of San Francisco, Calif., formerly Bernice Brutnell of Culver, came to Culver Thursday for the Commencement exercises of her niece, Virginia Lee. She also visited her sister, Mrs. Frank Lewis, and Mr. Lewis at Fort Wayne.

On Saturday she was the house guest of Mr. and Mrs. Rex Mawhorter with whom she lived several years when in high school here. Mrs. Marill is a very successful real estate saleswoman in San Francisco.

Tri Kappa Pledges Are Honored

The home of Col. and Mrs. John W. Henderson was the scene of a delightful luncheon on Saturday, May 21.

Epsilon Nu Chapter of Kappa Kappa Kappa was hostess at a welcoming luncheon to a group of pledges, who are to be initiated on July 6.

The beautifully appointed home was bedecked with gorgeous spring flowers and the luncheon was served to 25 guests and members.

The chapter president, Mrs. C. Glen Coolman, gave a short resume of the general aims of Tri Kappa — in short, "to bring women into close unselfish relationship for the promotion of charity, culture, and education."

A number of the sorority's projects and problems were discussed by Mrs. Coolman and Mrs. Henderson, the secretary.

A cordial welcome was extended to the new pledges in the form of a very intriguing piece of poetry composed and read by Mrs. Charles Kaufmann.

Tri Kappa is very happy to honor their new pledges who will be initiated July 6.

Pure Milk News

Dairy farmers shipping to the Chicago market will receive \$3.81 per cwt. of base milk and \$2.97 per cwt. of excess milk for 3.5% butterfat milk delivered in the 70-mile zone in April, according to Harry L. Edwards, Director of Marketing for Pure Milk Association.

The differential for each one-tenth of one per cent of butterfat above or below 3.5% is 7 cents per cwt.

Order 41 producers will be paid on the base plan for their milk for two more months — May and June. March was the first of four successive base-paying months.

The April base price announced by the market administrator was \$3.37. The additional amount of 44 cents per cwt. which makes up the \$3.81 base price is the result of the super pool initiated on the Chicago market by PMA and ne-

How To Display Old Glory

There are "right" and "wrong" ways to display our American Flag. Texaco's free Flag History and Historic Touring booklet, gives these official American Flag Foundation rules:

YOUR FLAG'S blue field must be at the top if displayed from a staff at an angle from your home. If displayed from a horizontal rope or pole, flag should be hoisted out with blue field first.

HALF-MAST: When flown at half-mast, flag should be raised to peak, then lowered to half-mast. Before lowering, hoist to peak for an instant. On Memorial Day, flag is flown half-mast till noon, then raised to peak.

WITH OTHER FLAGS: Our flag should be flown at top. Only flags of states or cities, or pennants of societies may be flown on same halyard.

FLAG ETIQUETTE rules that our flag should never touch the ground. For decoration use red, white and blue bunting, but never drape or tie OLD GLORY.

gotiated for 1960 by the reorgan-
ized Federated Dairy Coopera-
tives spearheaded by PMA.

The premium to the producer is derived from an additional payment of 78 cents per cwt. on Class I (bottled) milk plus a 20-cent premium on milk going into the fluid cream portion of Class II under the order. Ice cream and ice cream mix do not contribute to the premium.

The \$3.81 super pool base price for April milk is 2 cents higher than the March super pool base price and 42 cents higher than the super pool base price of \$3.39 paid to producers in April a year ago.

The 1960 super pool agreement provides for dealer payment of \$4.15 per cwt. for Class I or bottled milk in May and June, which represents a 20-cent drop in the Class I price and is the equivalent of nearly one-half cent per quart. This drop recognizes the season of the year at which production is normally at its peak.

With Class I utilization on the Chicago market at about 45% of the total milk delivered by producers, the Class I super pool decrease in May and June will cause a decrease in producer prices of about 16 cents per cwt. on all milk. This decrease comes at a time when labor has received increases in wage rates under the announced terms of their contracts with handlers.

Production in the Chicago milk shed has not reached its spring upsurge. The flush production season is overdue, as a result of bad weather, compared with May production of the past three years.

Vaughn Hutchens of Shelbyville visited Culver friends yesterday.

Ball State College Commencement Monday, June 5

Commencement 1960 at Ball State Teachers College in Muncie is scheduled for 5 p.m. on Monday, June 5, when Dr. William Pearson Tolley, chancellor and president of Syracuse University, will speak on the topic "As Our Education Continues" at the college's south terrace area near the arts building.

"The Greatest Questions" will be the subject of the baccalaureate address to be given by Dr. Robert H. Reardon, president of Anderson College, at 9 a.m. on June 5.

If weather is inclement on June 5 the commencement ceremonies will be held in the Muncie field house and the baccalaureate services will be re-scheduled for the college's assembly hall.

Local graduates who will receive degrees are Jack C. Spencer, Master's; Donald Wayne Mikesell, Bachelor's; and Sharon Kay Decker, Nurse's certificate.

Fred D. Price, former Plymouth postmaster, who has been wintering at Yuma, Ariz., dropped in at The Citizen the other day. He will spend the summer in Plymouth.

Cheer Up! World Is Not Going To The Dogs

Babson Still A Rabid Optimist

By ROGER W. BABSON
No. 1 U. S. Economist
BABSON PARK, MASS.
I am a statistician — not a politician. Most statisticians promise the impartial truth, while most politicians appear to promise what will get them the most votes.

Roger W. Babson

As a result of the latter, the following facts are entirely forgotten.

People allow themselves to get scared and vote foolish sums of money, thinking that they will thereby have security, freedom from accident, and employment.

Although the daily newspapers feature crime, yet only one in 10 million will tomorrow suffer or witness any crime.

When a man is killed by lightning it is reported all over the country, yet only one man out of every 5 million will be killed by lightning in the next very bad storm.

Business failures are increasing; but they are decreasing on a percentage basis. The stock market has to go down before it can turn up. If trees grew any higher they would blow down. Everything which happens is for the best.

During the past ten years the population of the U. S. has increased 18 per cent; the gross national product has increased almost 70 per cent; consumer income, even after taxes, has increased 60 per cent.

No figures on crime, accidents, or juvenile delinquency can equal these increases.

The politicians and labor leaders present figures to show that the "cost of living" is constantly going up.

This is because new products, greater conveniences, and other items have been added to the list which makes up the index.

If it covered just the things I had when I was a boy in Gloucester, Mass. — and my father was a well-to-do merchant — the U. S. "cost of living" index would be only one half the figure now published.

From every point of view I am an optimist. Even the accidents and deaths by automobiles are much less than those from the "horse and buggy," when figured on a mile basis.

The cost of light, heat, and power continually decreased.

Even food has dropped in price — for the same menu which we had in my boyhood days — and we were then as healthy and strong as are the young people today. We made our own candy, picked our own apples, and made our own cider; soft drinks were not then for sale.

When unemployment statistics increase they are featured as dangerous and the stock market goes down!

Yet the social workers tell us that the chief cause of juvenile delinquency is the fact that mothers are engaged in industry and away from home all day.

When I was a boy, no mothers worked in factories. We kids were trained to help about the house and to help take care of the large families which most of our mothers had.

I grew up as a "baby sitter," but never received or expected any pay therefor!

In those days the newspapers carried only news, with no entertainment features.

We used to subscribe to the

"Youth's Companion" or the "St. Nicholas Magazine," while our mothers had fashion magazines and cut patterns from tissue paper for the clothes which they made.

Now all these and many other features came freely from the excellent newspapers. All that glitters is not gold, but much is gold that does not glitter.

Every Sunday I read a chapter from Bertha Conde's "A Way To Peace, Health, and Power" (published by Score & Script, 76 Chestnut St., Boston, for \$3).

At the end of the book are several blank pages on which I write a line each month about

something I had worried about that never happened.

Then, when some new problem comes, I read those notes. They are better than any tranquilizer pills.

The same optimism is needed in business. Things run on about the same from generation to generation. Human nature is not changed.

We continue to spend one third of our life in sleep; and the less we eat, the better we feel; the more we exercise, the longer we live.

The world is very slowly but surely getting better. We all should be optimists.

A&P Sales and Profits Hit New 52-Week High

NEW YORK — For the second straight year, sales by The Great Atlantic & Pacific Tea Co., Inc. exceeded the \$5-billion mark during the fiscal period ended Feb. 27, according to the annual report being mailed to stockholders today.

Both sales and earnings were at an all-time high for any 52-week period, according to Ralph W. Burger, president and board chairman. (The fiscal 1959 figures were exceeded only by those of the previous annual report, which covered a 53-week period.)

Sales for 1959 were \$5,048,574,241 as compared with the record mark of \$5,094,741,391 established a year earlier, and net income was \$51,796,369, compared with \$53,905,170 in fiscal 1958. Earnings per share, based on 22,284,983 shares of common stock, were \$2.33, compared with \$2.42.

A & P's store development program also was maintained at a rate comparable with that of the previous year, the report disclosed. It embodied the opening of 237 new retail outlets, the modernization of another 413, and the closing of 213.

This phase of the company's operations, according to Mr. Burger, "was accelerated on a basis that was both steady and economically sound, consistent with population shifts, suburban expansion and the changing patterns of consumer demands."

The report showed that at the close of the fiscal year the nation's leading food chain was operating 4,276 retail stores in 37 states, the District of Columbia and Canada.

26 species of mammals and 615 species of plants have been observed in Death Valley, California, one of the most desolate areas in U. S.

My Neighbors

"Got a little old live acres in downtown Dallas — how much will you pay me not to raise corn?"

Nevada has the highest per capita income of any state, \$2,500. Mississippi ranks the lowest, with \$880 average.

NOW LOOK WHAT CORVAIR'S GONE AND DONE!

The same Corvair that tallied a thumping 27.03 miles per gallon* in the Mobilgas Economy Run . . . went right on to climb Pikes Peak earlier in the spring than any car has ever tried!

We wanted to show you what the fabulous traction of Corvair's rear-engine design and the sure-footedness of four-wheel independent suspension really mean. So the identical Economy Run car went right on to 14,110-foot Pikes Peak—and right up to the top of that savage mountain, on April 15, still deep in winter's snow and ice. No other car—even specially equipped—had ever been able to conquer that nightmare alpine road so early in the spring. But Corvair (with United States Auto Club officials aboard to certify that not one nut or bolt was changed) purred right to the summit without chains or even snow tires! That just underscores the fact that Corvair is totally unique. But you'll find that out the first five minutes you're at the wheel!

Playhouse Opens Eleventh Season Saturday, June 11

On Saturday night, June 11, the Maxinkuckee Playhouse will open for its eleventh season.

The special pre-season production of the musical, "Kiss Me, Kate," which will run for nine consecutive performances will be used to acquaint the Playhouse audiences with several innovations that the management has planned for this summer.

Two of the biggest items on the list will be the announcements that Jon Jory, son of stage and T.V. actor Victor Jory will be playwright in residence for the summer, and that Michael McGurie from the Cleveland Playhouse will serve as artistic director.

Announce Summer Schedule

The schedule for this summer which has just been announced by Paul Rutledge and David Hager, managers of the Playhouse, lays the ground-plan for an exciting summer. After the close of, "Kiss Me Kate," which will feature two guest stars in the persons of Tommye Lou Glaze and David Canary, the regular company take over for the season.

Opening on June 21 the pre-Broadway tryout of a brand new play by playwright Jon Jory, a comedy titled, "Topsy Rebellion," will be followed by the William Inge masterpiece, "Dark At the Top of the Stairs."

Two Musicals

Two other musicals are on the schedule and the first, "Guys and Dolls," plays for two weeks July 5 through 10, and July 12 through 17.

A farce comedy, "Who Was That Lady I Saw You With," comes in for one week July 19-24. Another new play by Reginald Lawrence, "Heaven Come Wednesday," plays July 26-30 and then a wonderful mystery, "Someone Waiting," is scheduled August 2-7. The second musical, "Damn Yankees," plays another two weeks, Aug. 9-14 and Aug. 16-21.

Jon Jory To Write Play

While in residence Mr. Jory will complete another new play especially for the Playhouse and it will be produced under his personal direction Aug. 23-28, "Two

YOU WHO have been born in America, I wish I could make you understand what it is like not to be an American — not to have been an American all your life — and then suddenly . . . to be one, for that moment, and forever after. Think of it. One moment you are a citizen of Armenia, a brave and tiny state out of sight beneath the red tide of Russia. The next, you belong with your fathers to a million dead yesterdays. The next, you belong with America to a million unborn tomorrows.

1960 HIGHWAY PROGRAM Roads & Bridges for Spring Construction

The map shows roads and bridges to be constructed, along with those already built since July 1, 1959 to give you a picture of Highway Construction in the fiscal year of 1960.

Total planned expenditures are slightly more than \$112,000,000.00 Fiscal 1960 ends June 30 this year. The total is made up of —

Right-of-Way costs	\$ 16,500,000.00
Bridge contracts	37,801,000.00
Road contracts	57,706,163.00

TOTAL \$112,007,163.00

This does not include an estimated \$4,500,000 in Maintenance contracts planned for Spring and early Summer lettings, and no Maintenance work is shown on our map.

Governor Harold Handley points out: about five-million Hoosiers driving 1,625,000 automobiles and 353,000 trucks and busses spend a portion of almost every day on some section of our 11,000 miles of State Highways. The six-million and more Hoosiers of the year 1975 will have to live with the roads being planned and constructed today. Indiana State Highway Department plans its roads to meet the heavier traffic conditions predicted for twenty years from now.

Tom R. Huff To Head 40 and 8

Tom R. Huff was recently elected to head the La Societe des 40 Hommes et 8 Chevaux No. 1511 of Marshall County at a promenade at Bremen.

Mr. Huff, Chef de Gare, is a well known attorney at Plymouth and has many friends and acquaintances in Culver.

Other officers elected were Don Jackson of Plymouth, Chief de Train; Kemp Moore, Culver, Conductor; Jack Taylor, Culver, Correspondant; Roscoe Matz, Bremen, Commissaire Intendant; LeRoy Scott, Plymouth, Commis Voyageur; Vernon J. Jackson, Bourbon, Garde de Laporte; Charles Heckaman, Bremen, Lampiste; Clare Murphy, Bremen, Ammonier; Kemp Moore, Culver, Publicist; and Gilbert

O'Dell, Argos, Director Voiture Activities.

All members of the Societe are members of the American Legion posts of Marshall County. It is an Honor Societe with members earning the right to belong through their work in the Legion.

One of the many projects of the 40 and 8 is to send girls of Marshall County to nurse's training each year through a scholarship from the locale Voiture.

Handley will fly immediately from Indianapolis to South Bend, to be present when President Dwight D. Eisenhower delivers the commencement address at the University of Notre Dame.

Governor Handley also will participate in the commencement exercises at Indiana University, his alma mater, at Bloomington on Monday, June 6, and also will deliver the commencement address at the Indiana School for the Deaf on June 3.

After the Indiana University commencement, he will go to Parke County to dedicate the new Mansfield Reservoir there.

On Saturday, May 28, Governor Handley will lay a wreath at Monument Circle in Indianapolis in commemoration of Hoosier service men and women in various wars.

Tribute To War Dead

"We should never forget," Governor Handley said, "that the sacrifices of these citizens made possible the continued existence of the United States of America as a free and successful nation."

"As we revere our parents so should we revere those who have given their lives for our country. This is the great significance of Memorial Day, and no state is more aware of its indebtedness to the honored dead than is Indiana."

LEGION AUXILIARY NOTES
By Mary Mawhorter

The American Legion and Auxiliary long ago adopted the little red poppy as their national memorial flower from seeing the wild poppies blooming on the devastated fields of France, reminding them of their comrades' blood shed there in battle.

The idea then came for disabled veterans to make these poppy replicas to earn some money while hospitalized and for Legion and Auxiliary to offer the poppies to the public for donations to be used to further help

disabled veterans or those in need and their families.

The making of these poppies is a year round project. Three veteran hospitals in Indiana where they are made are West 10th, Indianapolis, Ft. Wayne, and Marion. The largest amount are made at Marion. This work keeps the patient occupied while at the same time it helps him keep his self-respect in making something to help support his family at home. The auxiliary buy these poppies from these patients.

Poppy Day then is a special day, a day to honor the dead and also contribute to those who have sacrificed so much for us. The Legion Auxiliary will offer their poppies for donations on Friday and Saturday, May 27 and May 28.

SUCKER BAIT

Fishing For Votes Again

On the banks of the Potomac these sunny Spring days, members of Congress are cutting up the bait they will use in fishing for votes later in the season.

Many of them, apparently, feel the best way to entice voters is with big spending programs that include something for everybody.

Aid to education, postal and civil service pay increases, aid to depressed areas, aid to housing, health insurance for people over 65, benefits for post-Korea veterans — these are the programs with which the legislators hope to pull in the votes.

Expensive bait it is, too. These are no one-shot projects that can be paid for and done with. These are continuing programs that will add billions of dollars to American tax bills, not just next year, but every year afterward.

Many Congressmen seem to think that the voters will forget — as they have done before — that these programs must be paid in taxes and that the people who pay taxes are the same ones who vote.

It's an odd situation when fishermen expect the fish to pay for the bait.

New Schedules Will Improve Mail Service

Sweeping improvements providing next day first class letter delivery service throughout the 5,752 square mile Ft. Wayne, Indiana Metropolitan Postal Area, embracing Allen and 13 surrounding counties, including Culver and Marshall County, were announced today by Arthur E. Sammerfield, Postmaster General.

Leo L. Lambert, Acting Regional Operations Director of the Cincinnati Region of the Post Office Department, stated that postal patrons in the Area were assured that first class letters mailed before normal closing time, which in most post offices is 5 p.m., will be delivered to their destinations within the Area on the first delivery trips of the following business day.

Inaugurated in 68 Areas
Ft. Wayne is one of several cities in the nation to inaugurate this important service improvement, Mr. Lambert pointed out. Similar programs have been inaugurated in 63 areas throughout the country. The Ft. Wayne Metro-

Postal Area adjoins the Toledo, Dayton, Indianapolis and Chicago Areas already activated.

"This program for better first class mail service has been in test operation throughout the Ft. Wayne Metropolitan Postal Area since Feb. 29, 1960.

The population of this area is increasing rapidly and transportation patterns are being affected by withdrawal of train service, making it necessary to establish other media of transportation to

New Records Predicted in Monday's "500"

With the fastest front-row qualifiers in the history of the Indianapolis Motor Speedway ready for the green flag, all indications point to a host of new records during the 44th annual 500-Mile Race next Monday.

Eddie Sachs, who set new one-lap and four-lap marks of 147.251 and 146.522, respectively, on the first day of time trials, will be "on the pole" when Speedway President Tony Hulman leads the field around the track on the parade lap in the 67 automobile pace car.

Roger Ward, last year's winner, will be in the outside spot of the front row and Jim Rathmann—winner of second place in three previous Indianapolis Classics—will occupy the berth between Ward and Sachs.

Capable veterans also hold down most of the other starting positions near the head of the pack with such "chargers" as Tony Bettenhausen and Johnny Thomson certain to challenge the leaders from their berths in the sixth row. Other favorites are Jimmy Bryan and Troy Ruttman, both former winners.

Gates to the grounds on race day will be thrown open at 5 a.m. (central daylight time) and the usual pre-race ceremonies featuring the Purdue University band will get under way at 9:30 a.m. The pace lap will be timed so that the field crosses the starting line at exactly 11 o'clock as thousands of multi-colored balloons float skyward.

Prize money is expected to exceed \$300,000 for the fourth

secure good service.

Vehicle Service Revised

Motor vehicle service and Star Route contracts have been revised in several localities of the area, to permit post offices to dispatch all of their final collections of mail to connect with dispatches of value to Ft. Wayne and other points in the area.

Collection schedules were revamped in the delivery offices to coordinate latest possible collections with the last dispatch of the business day at these offices.

All of these improvements which will speed deliveries have been accomplished with only a nominal increase in overall cost, which the Post Office Department expects to absorb with efficiencies that will result from training and experience achieved in carrying out the new program, Mr. Lambert added.

Next Day Delivery

"Next day delivery of most of the first class mail in the Ft. Wayne Metropolitan Area is now possible because of closely integrated schedules which govern the work of the area's postal units and the transportation linking them together. This service improvement also includes practically all of the entire states of Indiana and Ohio. Faithful employees race against time throughout the night in order to make possible next day delivery of hundreds of thousands of letters to people in the area," Mr. Lambert explained.

"The experience gained here in improving first class mail service will be used as rapidly as possible in other large metropolitan areas," Mr. Lambert emphasized. "Furthermore, the improvement of first class mail service in the Ft. Wayne area will be reflected in better service all over America since a large proportion of the United States mail originates or terminates in cities like Ft. Wayne, strategically located to serve a large area."

Culver's closing times for outgoing dispatch are 6:30 a.m., 9:30 a.m., 4:50 p.m. and 5 p.m.

straight year with the winner collecting approximately one-third of that amount when the awards are distributed at the Victory Dinner on Tuesday evening.

General admission tickets priced at \$3 each will be on sale at the gate for fans who have not purchased reserve seat tickets in advance. Ten thousand unreserved

bleacher seats also will be available for an additional charge of \$2.

Pre-race activities include the governor's ball on Friday evening, when Julie Pratt will be crowned "500" queen; the gigantic "500" Festival parade in downtown Indianapolis on Saturday evening; and the \$50,000 tourney on the Speedway course ending Sunday afternoon.

Bell Telephone Spends Millions For Supplies

The Bell Telephone System spent almost \$24 million in Indiana for supplies during 1959, Indiana Bell reported today.

Payments to Hoosier businesses totaled \$23,665,342. This was shared by 969 suppliers in 92 communities.

The telephone expenditures contributed significantly to Indiana's economy, the report said, and marked the fifth consecutive year in which the Bell System paid more than \$20 million to Indiana suppliers.

There were 25 cities on the telephone "shopping list" where payments exceeded \$50,000. These were Anderson, Attica,

Beech Grove, Brazil, Columbus, Crawfordsville, Elkhart, Fort Wayne, Gary, Goshen, Greencastle, Huntington, Indiana Harbor, Indianapolis, Kokomo, Logansport, Marion, Mishawaka, Muncie, Richmond, Salem, Shelbyville, Terre Haute, Valparaiso and Wabash.

Bell System supplies are purchased by Western Electric Company on a competitive basis with regard to high quality standards.

INSTALLMENT PLAN - A Jefferson County farmer, Harold Ayler, who lives near Maxville, looked askance at one of his sows when she farrowed and delivered only six pigs. "Not a very big litter," thought Ayler. Then he was surprised when the same sow farrowed again two weeks later, this time delivering 14 piglets. The normal gestation period for sows is about 110 days. A veterinarian said the second farrowing might have resulted from a freak conception.

Your boat represents a considerable investment and should be protected against fire and theft. It can also cause considerable property damage and injury to bone and flesh. A jury might give you the works.

Some low-cost insurance on your boat makes good sense. Just be sure you have it before anyone touches the wheel.

Culver High School Band and Choir Have Busy Season

The Culver High School Band and Choir or its members have made over 50 public appearances this past season. These 50 appearances spaced over a period of nine months figure about five a week. The entire band and choir did not appear this much as a group, but counting the small groups within the two large groups this is the figure that was reached.

First Performance
The first public performance for any of the musical groups was on Sept. 17, when the band played at the races at the annual Bourne Fair. The band then was invited to participate in the band day activities at Manchester College Oct. 2. The marching Indians were one of the largest and best bands representing schools from all over Northern Indiana.

The choir made its first performance in South Bend, where it was greatly honored by the Northern Indiana Teachers' Association when they invited Culver as the guest choir this year. As there are over a hundred choirs in the district, it can be easily seen that this was quite an achievement. The choir turned in one of the year's finest performances.

Starting Nov. 21 the band performed at all of the basketball games either marching or playing on the stage. Dec. 13 was one of the highlights of the music season for all of Culver, the Academy choir, combined church choirs, and the Culver High School choir joined together for a beautiful Christmas Chapel service.

Christmas Concert
The music department presented its Christmas concert on the evening of Dec. 22. Christmas songs and others were offered by the Senior Choir, Senior Band and Junior Band. Immediately after the Christmas vacation, the members of the music department, from the 6th graders to the seniors, began working on their solos and ensembles in preparation for the contest. Those members of senior band and choir who received first ratings at the district contests were entered in the state contest, where five of Culver's 13 were rated "superior."

On March 13 the Music department presented its Winter Concert. The Senior High School Band and Choir presented an interesting and diversified program. April 22 the annual County Music Festival was held at Argos. The band and choir spent the day rehearsing under the expert guidance of the guest directors. April 26 the band presented a convocation for the students of Culver High School. The band and choir performed at the annual Baccalaureate service. The Junior Band and Senior Choir helped make the commencement exercises a success.

Receive Rewards
The band and choir students were rewarded for their fine work and interest this past year by

taking a trip to Riverview Amusement Park at Chicago on Friday. Robert Boyd, director of the band and choir, had this to say. "I would like to thank the people of Culver for their fine support of the High School Music Department this past year."

Plans Completed For C.H.S. Alumni Reunion Saturday

The officers and committee members of the Culver High School Alumni Association have been hard at work completing arrangements for the annual reunion of alumni Saturday, May 28, at the Culver Community Building, starting at 7:30 p.m.

Ardith Stevens, alumni president, urges all persons to get their tickets as soon as possible as reservations are required for the gala event. Reservations can be secured by contacting Mrs. Hugo Anderson.

Mr. and Mrs. John Middleton, co-chairmen of the program committee, announce that George Andrews will be toastmaster for the program which will precede the buffet supper. Mrs. Wayne Kline will give the invocation and Miss Stevens will welcome the 1960 graduates into the association following which Eugene Benedict, president, will respond for the class. Frank McLane, County Superintendent of Schools, will give a talk on "Consolidation," and the presentation of the Sayer award will be made.

Miss Lana Berger will play organ music during the buffet supper which will be served at 8:30 and again at 11 p.m. Dancing to the music of "The Keynotes" will be enjoyed from 9 to 12 p.m.

Other officers of the association, in addition to Miss Stevens, are Miss Jo Ellen Hand, vice-president; Mrs. Hugo Anderson, treasurer; and Mrs. Emil Lewis,

Bill Oberlin Makes All-American

CULVER, IND. — Four members of the Culver Military Academy varsity swimming team have been selected for the 1960 All-American High School Swimming Team. They are (left to right) Murphy Thomas, Jim Swango, Bill Oberlin and Enos Fry.

All are members of Culver's 200 yard free style relay, which had the seventh best time in the nation in competition during the last season. Fry also won All-American honors for his time in the 100 yard free style, sixth best in the nation. The team had only one loss in the last two seasons. Oberlin and Fry have been elected co-captains for the 1960-61 team.

Thomas is the son of Mrs. George Thomas, 203 Seminole Drive, Marietta, Ga. Swango is the son of James H. Swango, Box 696, Terre Haute. Oberlin is the son of Mr. and Mrs. William W. Oberlin, 624 Anderson St., Greencastle. Fry is the son of Mr. and Mrs. Eugene Fry, 7422 Hampden Lane, Bethesda, Md.

secretary.

Committee chairman include Mr. and Mrs. William Herrmann, decorating; Mr. and Mrs. Middleton, entertainment; Mr. and Mrs. Kenneth Martin, food; Mrs. Emil Lewis, publicity; Mrs. Hugo Anderson, tickets; and Ed Kowatch, cleanup.

A bachelor's life has been defined as a splendid breakfast, a tasteless, flat dinner, and a most miserable, lonely, supper.

BROTHER-IN-LAW OF MRS. HIRAM MESSERSMITH DIES IN COLORADO

Mrs. Hiram Messersmith received word recently of the death of her brother-in-law, Elmer E. Jennings, of Denver, Colo., who died of a heart attack on May 16.

Mr. Jennings was born in South Bend April 25, 1890, and spent most of his life in the West where he was employed as an electrical engineer.
