Really Rough Goings-On
At Elkhart Social Event
Of A Century Ago

THIS IS a tale of rare courage that was either noble and brave — or naive and brazen.

The quaint story is preserved in a reminiscing letter the late E. R. Beardsley wrote 52 years ago to an Elkhart friend, whose daughter, Mrs. John McGee, still has it.

BEARDSLEY WAS one hero, John McNaughton the other. At the time — about a century ago — the two were gay young blades in high Elkhart society.

Elkhart then was a thriving river town where keel boats transferred cargo. The town valued the trade these boats brought — but not their tough, brawling, cabin-raising crews.

"THE RIVER MEN," wrote Mr. Beardsley, "were a terror... and any display of cowardice or forbearance by local folk seemed to make them more arrogant and abusive."

Two miles apart social events set the stage for our intriguing drama. Bluebloods gathered to dance at the toney Clifton House, now the Bucklin Hotel... and the 12-man crew of the just-docked keel boat, Constantine, set out to drink the town dry.

PLAINLY, this social twain could never meet under normal circumstances. The Constantine's roistering river men "arranged" it.

After guzzling gallons of giggle juice and busting up a saloon or two they heard of the blue-bloods' dance.

"LET'S RAID 'EM," cried one fun-loving lad.

Raid they did, and Beardsley describes the ensuing debacle like this:

"The assault was so sudden that before we could rally our forces they'd doused the lights. The ladies fled screaming to their waiting rooms."

"THEREUPON THE river men howled like demons, upset the music stand, shattered furniture, executed a war dance, painted the air with profanity and then left, shouting victory."

The dance clobbered, the young blades escorted their ladies home and returned to the hotel to discuss legal action. It was a glum confab. Elkhart's only constable wasn't in town. Discretion was fast smothering valor when Beardsley and McNaughton said: "We'll make the arrest."

WHEN NO ONE else volunteered, the intrepid pair got war-

An Open Letter From Community Road Committee

United Action Is Necessary

To the Citizens of Culver and surrounding area:

In the belief that the general public of our community favors State Highway Improvements in the Culver area, the Chamber of Commerce Road Committee hopes to assure the State Highway officials that such is the case.

The Road Committee's concern is for the all-around improvement of State Roads in our area. It is our belief that the public in general favors a better means of transportation than is now afforded. The deterioration of the highways affects the safety and economic well being of our entire community.

Notwithstanding controversies over State Road 10 dating back some ten years, we believe that the great majority of citizens will welcome and support a program for much needed rehabilitation. The committee is primarily interested in highway improvement, not necessarily the location.

The stories and reports of objections made to State Highway officials concerning attempted projects in the past are confusing. When our Committee followed them up to seek foundation for objections, the stories became more fantastic. In every case we found them to be without foundation.

Our Committee represents no special interest, except for better roads. We have no selfish, personal motives, except that of civic pride and interest.

We think it is high time that the community join us in supporting the State Highway Commission in whatever plans they believe best to serve us all.

Past experience shows that fighting, bickering, and spreading of derogatory rumors will be sure to deny our community of any road improvements.

The State Highway Commission informs us that before any road improvement is attempted around Culver, they must be shown by the community that such improvements will be wholeheartedly supported.

Obviously, our community has its work clearly defined. Our Committee intends to present tangible evidence to the State Highway Commission showing desires of this community concerning road improvement.

Therefore, we urge all interested citizens to submit written evidence, whether it is for or against, to any one of the undersigned members of the Committee. We shall assume that silence means support for road improvement.

WATER SKI SHOW PUT ON BY LIONS CLUB GROSSES NEARLY \$1,100

Culver's public spirited Lions Club, abetted by good weather and a nice crowd, grossed nearly \$1,100 at the splendid Water Ski Show on Sunday, July 17.

Net profit should run in excess of \$500, according to Andy Venum of the Culver Clothiers, who put over the successful ticket drive.

Culver Loses Dubious Honor Of Being Biggest Town In The U. S. Without A Traffic Signal Light

AT 12:50 P.M. LAST FRIDAY a traffic signal light was placed in operation at the busy Bank corner intersection of Main and Jefferson Streets in downtown Culver. There was much excitement as scores of motorists innocently ignoring the new warning received a friendly word of caution from police officers Don Mikesell and Jim Cox. A crew from the Northern Indiana Public Service Company is seen placing the signal light in position. (Photo by Carl Adams Jr.)

MAXINKUCKEE FISH AND GAME CLUB TO MEET

AUGUST 2

C. W. BROOKS,
Program Chairman

The next meeting of the Maxinkuckee Fish and Game Club will be held Wednesday, Aug. 3, in the Culver Lions Den at 8 p.m.

A 28-minute color film entitled "Sporting Arms and Ammunition" will be shown. Winchester, famed in history and fiction, relives some of the glory of its past in this demonstration of the use and manufacture of shotgun shells, rifle cartridges, and guns. Refreshments will be served.

RETURN FROM EUROPE

Mr. and Mrs. Robert E. Hollowell, Sr., 1540 East Shore Drive, have returned from a lengthy European tour which included Norway, Sweden, Denmark, and a couple of weeks in Paris, France.

TAKE A THRILLING PLANE TRIP VACATION with your family or friends for only 1/3 the cost of the regular fare before Aug. 14. See details elsewhere in today's Citizen. 30-2

Lake Association 1960 Directory Highly Praised

The 1960 directory of the progressive Lake Maxinkuckee Association, Inc., a nicely printed 20-page booklet with an attractive blue cover, recently has been distributed among its membership.

It is a most helpful and interesting listing of properties and their ownership along the shore roads of Lake Maxinkuckee, giving not only the owners' local addresses but their permanent and winter addresses as well.

Edited By Don G. Trone

The carefully edited directory is another feather in the cap of Don G. Trone, a founder of the organization and its spark plug from the beginning.

The book was printed by The Culver Press, Inc. and contains a large double-page map of the Lake area.

Huge Crowd Is Expected At Lions Corn Roast

"Miss Indiana" Will Be There!

The Culver Lions Club will hold its 12th annual Corn Roast at the Town Park next Saturday evening, July 30.

This traditional event always attracts a huge crowd from a wide area.

Serving will begin at 5:30 p.m. and will continue until everyone is well fed. The menu again this year will be hamburgers, iced tea, coffee or milk, and all the corn you can eat! Ice cream will be the dessert.

Big Treat Only \$1

All of this for only \$1 for adults and just 75 cents for children!

The Corn Roast was first started as an annual private outing for the local Lions, their wives, and guests. A few years ago, however, the members decided to make this annual feast a public affair to give the club additional revenue to help meet their obligations in their continued effort to better serve the community.

Junior Woman's Club To
Present Tommye Glaze

At the Corn Roast the Maxinkuckee Junior Woman's Club will present to those attending, Miss Tommye Lou Glaze, our wonderful "Miss Indiana," so that the people of Culver and the surrounding towns may meet this most gracious representative of our community to the "Miss America" Pageant at Atlantic City in September.

Miss Glaze, who is in rehearsal at the Wagon Wheel summer theater at Warsaw, will make her appearance at about 6:30.

Donald Davis is chairman of the Corn Roast Committee. Norman Kelly is the new Lions Club president, and Mrs. Ted Strang president of the Maxinkuckee Junior Woman's Club, is in charge of the arrangements for Miss Glaze.

"Miss America" Participation Of Academy Is "Out"

Our publisher, Chester W. Cleveland, sponsor of Miss Tommye Lou Glaze (Miss Indiana), in the upcoming Miss America contest, has received the following letter from Maj. Gen. Delmar T. Spivey, superintendent of Culver Military Academy:

"I appreciate very deeply your suggestion that it might be possible for one of our Culver Military Academy hands to go to Atlantic City to accompany Indiana's beautiful Miss America contestant.

"Much as we would like to, this will be impossible because it will be between summer and winter schools.

"I am sure that we would get a lot of good advertising of the right kind if we could swing the deal.

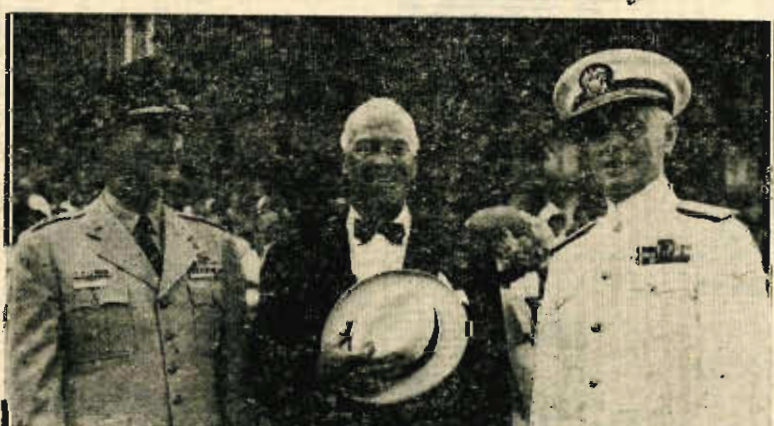

"May I again take this opportunity to congratulate you on the improvement that I have noticed in The Citizen and in Indiana Business and Industry magazine."

Governor Harold W. Handley Visits Culver and The Academy

Indiana Governor Harold W. Handley, center, visited the Culver Military Academy campus July 17, which was proclaimed Governor's Day at Culver Summer Schools.

Shown flanking him are Culver's superintendent, Maj. Gen. Delmar T. Spivey, left, and Admiral John W. Bays, director of the Culver Summer Schools.

Governor Handley and Mrs. Handley were the guests of honor at the Sunday evening garrison parade, at which the 102-piece Summer Naval School Band played "On the Banks of the Wabash" in his honor and the 1530 Midshipmen, Troopers, and Woodcrafters passed in review. — (Photo by David W.

Bus Trip Being Promoted To Atlantic City

"Miss America" Pageant Is Event

From: Mrs. Hattie Roth, Publicity

"Miss Plymouth" Pageant

To: Everybody around Culver

Subject: Desire to charter a bus to Atlantic City

Miss Plymouth, Miss Indiana, Miss America?

Would you like to witness this dream of a "Headline" become a reality, Sept. 10, 1960, at Atlantic City, N.J.?

If so, contact Mrs. Norman Kelly, of Culver, for details of the planned trip to wish our "Miss Indiana," your Tommye Lou Glaze, all the success she so richly deserves.

Each year the producers of the Miss America Pageant spend over \$75,000 for breath-taking stage sets, the 110-foot runway decked with flowers, and for salaries for scores of electricians and stage hands necessary to present this magnificent spectacle to the American public.

You Must Act Quickly!

This planning has to be done immediately to insure tickets for the pageant — which must be done this week — Friday, July 29.

41-passenger bus, fare per person — \$28.75.
Pageant ticket \$6.15, best available.

Hotel for Saturday night — and a place to freshen up when we arrive — \$10 to \$15 maybe less if accommodations can be secured by Indiana Motor Bus Co. Then each individual has to plan for his own meals — which are moderately priced.

Thrill Of A Lifetime!

Every cent spent will be a thrill of a lifetime — as this opportunity may never again occur.

Tommye Lou needs our support — love — and good wishes. These are the facts thus far: I have 8 definite, 7 interested — 15? total — still a long way to go.

If your lovely Tommye Lou Glaze, our "Miss Indiana," captures the coveted "Miss America" title, your community and our city will not only have a landslide of publicity for a year, but will be assured of publicity through the years as the home of a "Miss America."

HATTIE ROTH
(WEBSTER 6-2353)

P.S. Money for the bus will not have to be collected until a week prior to departure. Ticket money will have to be collected at once — \$6.15.

NIPSCO WINS GAS FRANCHISE AT KNOX AFTER LONG DISPUTE

A year-long dispute involving the granting of a franchise to supply, distribute, and operate a natural gas system for Knox came to an end recently when the city council voted 3 to 2 to give the franchise to the Northern Indiana Public Service Co., a utility which serves Culver so satisfactorily.

UNION TOWNSHIP DEPUTY ASSESSORS GET PAY RAISE

Last Wednesday the County Commissioners approved a \$2,500 budget for Union Township deputy assessors' pay. This is an increase of \$200 over 1960 which

is justified by the additional re-assessing work being done on Lake Maxinkuckee properties.

The Commissioners commented that "Trustee Eugene G. Benedict is doing a fine job of assessing lake property at a more true figure."

New Arrivals

Mr. and Mrs. William Baker of Culver announce the birth of a son on Saturday, July 9, at the Osteopathic Hospital in South Bend. The new arrival weighed 6 pounds, 11 ounces and has been named Bret William.

Mr. and Mrs. David W. Smith, Route 1, Culver, announce the birth of a 7 pound, 1 ounce daughter, Cynthia Ann, on Wednesday, July 13, at Woodlawn Hospital in Rochester. Mr. and Mrs. Chester Lett are maternal grandparents. The arrival of Cynthia Ann makes the fifth generation of first-born girls on the maternal side of the family.

Mr. and Mrs. Stephen Fisk, 1225 South 71st St., Cl., Palos Heights, Ill., are the parents of a son born July 26 at Saint Francis' Hospital in Blue Island, Ill. The new son weighed 8 pounds, 2 ounces and is the grandson of Mr. and Mrs. Clarence Kline.

Mr. and Mrs. Emil Krull Honored In New Home
Friends and relatives pleasantly surprised Mr. and Mrs. Emil Krull Tuesday evening, July 19, in their new home on the Behmer Road, Route 2, Culver.

A gift was presented to the honored couple. Refreshments of cake, Jello, and coffee were served to the guests of honor and the following guests: the Krulls' daughter, Mrs. Loretta Tener and daughter, Debbie, Mrs. Louise Von Ehr, Mr. and Mrs. Walter Krull, Mr. and Mrs. Harvey Bishop, Mr. and Mrs. Walter Von Ehr and family, Mr. and Mrs. Lyman Craft and family, Mr. and Mrs. Richard Dehne and family, and Mr. and Mrs. Art Bennett.

Maxinkuckee Yacht Club Picnic On Golf Course

Members of the Maxinkuckee Yacht Club and their families and guests enjoyed their annual picnic Saturday evening in a new location — the Maxinkuckee Country Club golf course across State Road 117 from the C. Harvey Bradley summer home.

Commodore Melvin A. Hansen headed the committee on arrangements.

Miss Tommye Lou Glaze, "Miss Indiana" of 1960, was a special guest, having arrived home during the afternoon from her 10-day visit at the Minneapolis Aquatennial.

Tri Kappa Sorority's Benefit Bridge Parties Are A Huge Success

Forty tables of bridge were entertained last Wednesday in a benefit staged by the newly-organized Epsilon Nu Chapter of Kappa Kappa Kappa.

Four lovely parties were given at the hospitable homes of Mrs. John W. Henderson, Mrs. John F. Edgell, Mrs. Walter J. Muehlhausen, and Mrs. Kenneth K. Kraning. Dainty refreshments were served and a prize awarded to the winner at each table.

This was the first major fundraising project undertaken by the sorority whose purpose is to promote charity, culture, and education in the community. Members are working on several projects at this time which will be announced later.

The members of Tri Kappa wish to express their appreciation to all who donated to this project, both local and summer residents as well as many out-of-town guests.

"It is most gratifying to receive such cooperation," Mrs. C. Glen Coolman, president, stated.

Another benefit bridge is being planned for Tuesday, Aug. 16, at 2 p.m. Anyone interested may contact Mrs. Edgell.

Nearly Free Plane Trip Is Yours; Deadline Aug. 14

How would you like to take your family by plane to Niagara Falls (Buffalo, N.Y.); Pittsburgh, Pa.; Cincinnati, Columbus, or Cleveland, Ohio; Detroit, Mich.; or Chicago for only 1/4 of the usual fare plus 10% federal tax? In other words, a family of four could make this thrilling vacation trip for the usual cost of only one ticket.

Sounds incredible, doesn't it? Well, here are the plain facts: A Culver-based monthly magazine accepted \$1,200 of transportation from a leading Midwest airline in exchange for advertising space. As the Aug. 14 expiration date of the agreement approaches the magazine finds that it has used only about half of that amount.

About \$600 worth of transportation credit will go down the drain if it isn't used by Aug. 14. That's why The Citizen would like to give a Culver area family or families a vacation treat for a song. Board plane at South Bend, Kokomo, or Indianapolis. For further details drop in at The Citizen office or phone Viking 2-3377.

Mr. and Mrs. David B. Cleveland of Kansas City, Mo., will arrive Saturday afternoon for a two-week vacation with Culver relatives.

Culver Resident Meets Tragic Death Saturday

B. Brocksmith Dies At Age 21

Bernard Brocksmith Jr., 21, 711 West Shore Drive, Culver, electrocuted Saturday morning, July 23, while working in a building at 400 E. Charles St., Plymouth, was fatally shocked when he brushed against a water pipe while using an electric drill.

Sheriff Jerry Greenlee said Brocksmith suffered a burn on his right thumb and several on his back. He said Brocksmith apparently backed against the pipe, which acted as a ground for the current running to the drill. The drill itself was not grounded.

Brocksmith, an employee of Arrow Pest Control, Plymouth, was drilling into the foundation of a building that housed a beauty shop and apartments.

LaPaz High School Graduate
Born in South Bend, Oct. 19, 1938, Brocksmith was a June 1956 graduate of LaPaz High School and a member of the Moose Lodge of Plymouth. He also managed The Main baseball team.

Surviving are the parents, Mr. and Mrs. Bernard Brocksmith, Sr., of the West Shore address; a sister, Jo Anna, at home; his paternal grandparents, Mr. and Mrs. A. C. Brocksmith, Plymouth; and his maternal grandfather, C. E. Wiley, Albion.

Academy Alumni Magazine Wins Highest Awards

Gilman Is Editor; Matson Publisher

For the second straight year, the "Culver Alumnus," alumni magazine of Culver Military Academy, received the highest award among secondary schools in the annual alumni magazine contest sponsored by the American Alumni Council.

In competition with alumni publications from colleges and secondary schools throughout the country, the "Culver Alumnus" was awarded a second prize in its coverage of student activities and an honorable mention for its appearance. It was one of only three secondary school publications honored in the contest.

Circulation Over 20,000
The "Culver Alumnus" is a 32-page magazine published quarterly and distributed to 20,000 alumni of Culver Military Academy and Culver Summer Schools, parents, and friends.

Printed In Culver
Editor of the magazine is Richard C. Gilman, a graduate of the University of Missouri School of Journalism. Robert Matson, director of public relations, is publisher. The magazine is printed by The Culver Press, Inc.

CULVER BOYS TO ATTEND DEPAUW BASKETBALL CLINIC
Greencastle, Ind. — More than 100 potential basketball "stars" from three states will fast break onto the DePauw campus between July 31 and Aug. 13 to participate in the university's third annual Basketball and Sports Camp.

Attending from Culver are William Osborn, 433 Forest Place and Gregory Osborn, State and College. Both are attending the first session.

Headlining the two week training and recreational program for boys who will enter grades six to nine will be DePauw's head basketball coach Elmer McCall and assistant coach Robert Harvey.

Following opening day convocations on Sunday, July 31, and Aug. 7, the campers will launch into a daily program that will include instruction in basketball, tennis, bowling and swimming.

A virtual little Olympic, the program will feature a junior and senior league in basketball along with competitive bowling. The champions determined during the week will be honored at a camp-closing picnic for parents and boys on the Saturday afternoons of Aug. 6 and 13.

Limited to approximately 50 enrollees, the first week's session from July 31 to Aug. 6 lists 52 registrants; 53 more boys will arrive on the campus Aug. 7 for the last week's activity, according to coach McCall.

ATTAIN OUTSTANDING PRODUCTION RECORD

Brattleboro, Vt. — The Holstein-Friesian Association of America has announced the completion of outstanding official production records of registered Holstein cows in this area.

Culver Dictator Mooie Topsy 3757120 produced 20,782 pounds milk and 714 pounds butterfat in 355 days on twice daily milking as a 6-year-old. Culver Eden Paul Violet 2774469: 20,760 pounds milk and 741 pounds butterfat in 365 days on twice daily milking as a 12-year-old.

Both are owned by John A. Newman & Sons, Culver.

Purdue University, working in close cooperation with the national Holstein organization, supervised the weighing and testing of production as a part of the official herd testing programs.

These programs provide continuing lactation and lifetime production records on every cow in participating registered Holstein herds.

TO STUDY TAXES

The Aubbeenaubee Farm Bureau will hold its regular meeting Thursday, July 28, at 8 p.m. in the High School Building.

This policy development meeting is to study and give information and comparisons of the present taxing structure of state and local government.

Everyone, whether a Farm Bureau member or not, is cordially invited to attend and talk over and decide about these taxes, where they come from and where they go; whether they are good or bad.

News Items About Our Academy Neighbors

(Culled from the July issue
of the CMA Messenger)

With an enrollment of 1523 students, largest ever in the Summer Schools, several staff additions and changes have been made. With Col. Wallace Leland's retirement from the Woodcraft staff, Maj. R. N. Minne has been made Director of Instruction.

Lt. Col. Ronald Gleason is the new Commandant of the Woodcraft Camp, having been counselor to the Naval Band last summer. Charles McMinn is back, taking over Col. Gleason's band counseling job. Also returning as a counselor is Will Strow. Chet Marshall is new to the ranks of company counselors this year.

Col. Charles Maul is new Commandant, and Col. Edward Stephenson is acting as assistant to the director of Summer Schools.

Doctors joining the infirmary staff for the summer are Robert Dyar and Charles Reinhardt. A June Winter School graduate, Lloyd Holfield, is spending the summer as assistant to Chaplain Allen F. Bray; and a classmate of his, Dave Stapleton, is working in the Public Relations Department, conducting guided tours and working in photography.

New members of the academic staff are Arthur Converse, Grayson Gartner, Norman Wagner, and Bill Martin. Winter School's Director of Theater for Eppley Auditorium, Assisting Martin in his Drama and Stagecraft courses is Andy Murai, a June Winter School graduate.

Winter School graduates who are new members of the military staff are Ed Wilhite, Bill Gram, Larry Stolberg and Bob Benson. Walden Powell is also a new "tac" officer, and Ed Strohbehn has returned to the Summer Schools Military staff. John Pope is a new rifle range instructor this summer.

Joining the athletic staff this year are B. R. Berkshire, Jim Gilstrap, Jim Grummell and Mike Hehmann. New members of the Naval School staff are Nels Becker, Fred Hanna, George Lyford, John Stotler, and Lt. (j.g.) Gene Schlebecker, USNR. Two regular navy enlisted men are new to the Summer Schools staff, QM First Class J. H. Hopkins and QM Chief R. E. Chase. And Findlay Maxson is back on the staff after a tour of duty in the Navy.

New on the Horsemanship staff this summer are Col. William Robinette, USA (Ret.), Stan Krejci, Howard Miller and John Walworth.

Woodcraft faculty officers here for the first time this summer include M. Bair, H. W. Bruner, C. Cummins, J. Cummins, J. L. Curry, P. S. Eskew, M. A. Estey Jr., M. E. Grant, J. Keeler, H. Lee-Loy, D. A. Leetz, J. Levande, L. L. Liddle and S. F. McGuire.

Other new members of the Woodcraft faculty are G. R. Miller, J. R. Muneio, G. Murphy, R. Nichols, R. M. Piazza, D. Red, R. D. Riner, D. E. Rush, R. L. Schwin, D. Stewart, W. K. Taylor, and J. Watters. Returning after not being on the 1959 staff are J. P. Bratton, J. Lamson, L. J. Sakal, S. Ward and W. M. Wimberly. Irene Mahoney is now office manager. New office personnel in Woodcraft are Jeanette Berger, Carolyn Boswell and Nancy Storm.

Since the Laundry has begun a 24-hour schedule, 32 additional employees have been added. Twenty of them have worked there previous summers. New Laundry employees include Opal Mahler, Freida Burton, Mary Stapon, Milton Welleng, Betty Davis, Helen Chaney, Roger Burkett, Howard Carlisle, Shirley Carlisle, Carol Abernathay, Dona Hunnicutt and Mary Hall.

The boat shop has added Richard Calhoun, Larry Dawson, Adolph Massa and Bill Walaitis. New members of the garden department are Paul Ely, Dick McCracken, Howard Rosebaum, Lester Mead, Jay Humes and Albert Jana.

New service department employees include C. A. Byrd, Randall Harper, Russell Carter and Charles Arthurhult, in camp. On campus, new service employees include Vernon Burkhardt, Kelly Caudill, Jerry Kimmel, James Parker, James Scott and Marion Swartzell. Bill Van Dyke and Dave Burns Jr. have joined the mechanical department, and Joe Walters is new in the electrical department.

New nurses at the Infirmary are Mrs. Geneva Parrish, from Millersburg Military Academy in Kentucky, and Marianne Paschke, from Georgetown, Indiana. Sandra Furnas is working in both the Infirmary and Stenographic office as a typist. Betty Stubbs of Culver is taking Miss Bailey's place as lab technician while Miss Bailey's in Europe on vacation.

Kathryn Smith joined the Stenographic department May 18, replacing Anita Heiser MacCullom, who is married and living in Geneva, Ind.

Janet Kelley has joined the staff as a typist in the Business Manager's office, and Jean Warner is now working in the Business Office.

Ruth MacQuillian has joined the Library staff for the summer. She is one of the evening Library supervisors during Winter School. She'll help with a complete inventory of the book collection.

Jerry Wetzel is running the Woodcraft Camp's library, with assistance from Betty Bryant and Kay Covington.

John Maler was graduated from the Reserve Associate Command and General Staff Course at the Army's C & GS College, Fort Leavenworth, Kansas, June 25.

Dr. and Mrs. Russ Bastert spent a few days visiting Adm. and Mrs. John Bays before leaving for Quincy, Ill. Before returning to Williams College, Russ will do research work in Washington this summer.

Mr. and Mrs. Elgie Good and Mrs. George Warner visited Bloomington on July 4 weekend, to attend the program at Girls State. Rochelle Good, Jean Warner

and Barbara Moore, daughter of Mr. and Mrs. King Moore, had been there for a week.

Completing the family circle, Mrs. Rosemary Robinette, wife of Col. William Robinette, arrived, with daughter Bonnie, 10, and son Wim, 3 months, a few weeks ago. They're renting the Adams house on Lake Shore Drive.

Wally Gollnick, a commander in the Naval Reserve, will take command of a South Bend unit from Lt. (j.g.) Gene Schlebecker in the near future.

Larry BeBout is back to work after surgery at South Bend Memorial Hospital. And Myra Oliver is getting along nicely after surgery there last week.

Mr. and Mrs. Henry Wilhite (Dining Hall) are proud parents of a new son.

Also proud parents are Mr. and Mrs. Walter Miller (powerhouse). Roger Stuart weighed 7 pounds, 10 1/2 ounces at birth, June 16 at Woodlawn Hospital in Rochester.

The wife and son of Jim Hopple (canvas shop) had accidents within two days of each other. Mrs. Hopple broke her ankle May 18, and son Butch fell from some play equipment, May 20, and broke a shoulder which required surgery at Woodlawn Hospital in Rochester.

The fleet's in . . . and so is Midshipman William Covington, III. Bill's spending the month of July with the family before getting back to his rigorous crew schedule with the junior varsity at Annapolis.

Bill Schutte, Dining Hall, spent part of the vacation period seeing his new grandson in Ohio. His daughter, Lynn, the proud mother, and her family visited the Schuttes last week. And son Bruce was home from the Navy for a while in June.

Ada Clemmons (Laundry) and her family spent some of the vacation visiting relatives in Franchburg, Ky.

Dining Hallers were on the move during the vacation period. Mary Cox visited friends and relatives in Tielden, Marissa, and Sparta, Ill. Darlene Sheppard visited friends in Chicago. Elizabeth Fraser spent a weekend in Milwaukee. Ellis Licht visited his mother in Vincennes, Ind.

Taking up new residence in "the heart of the orchard," the Russ Blairs have moved into the Oberlin house, in the apple or-

chard on the East Shore. Sunny reports there's no prettier place anywhere.

Frank Fisher, East Shore janitor, is back home after undergoing surgery June 6 at South Bend Osteopathic Hospital.

Dorothy Ely and Edith McCoige of the Laundry have both taken leaves of absence because of illness.

Bud Seeger's wife, Vi, underwent surgery at South Bend Osteopathic Hospital June 14.

Mr. and Mrs. George Sparrow are "at home" at 1922 Day Street, Ann Arbor, Mich. Mrs. Sparrow, the former Ann Marie Jurgensen, was graduated from the University of Michigan June 11 and married in Ann Arbor June 13.

Mrs. Anna Mudra, grandmother of Blanche Mishler, passed away following a stroke June 17 in Chicago. She was 87.

Mr. and Mrs. Clifford Wooldridge entertained their son and daughter-in-law, Mr. and Mrs. Ronald Wooldridge, of Seattle, Washington, on their vacation.

"Hercules Unchained"

Is Current Hit At Playhouse

"The Matchmaker" has long been considered one of playwright Thornton Wilder's best plays. Originally titled "The Merchant of Yonkers," it was a great success all over the world.

Two years ago Tyrone Guthrie heightened the comic values, placed Ruth Gordon in the title role, renamed the play, "The Matchmaker," and put it on the New York and London stage. Instantly it became the comedy sensation of the season. Later made into a movie with Tony Perkins, it continued to add to its popularity.

The Playhouse made a happy choice in adding it to their season this summer.

Cast in the leading and title role is Karen Lang whose home is in California. Miss Lang is from the Cleveland Playhouse and has won a host of fans in the Culver area this season with her roles of Lottie in "Dark At the Top of the Stairs" and Gen. Cartwright in "Guys and Dolls." The leading role in "The Matchmaker" is most demanding and Miss Lang makes the most of her opportunities and keeps the farce rolling at a hectic comic clip.

Gary Vitale from Northwestern University plays her cohort in the shenanigans. Giving superior support in some magnificent character roles are Sally Noble and Nancy Pinkerton as the hat-shop keepers, Vaughn McBride and Richard Harrison as the two shop clerks out on a spree, Jon Jory as the rascal, Stack, Jadeen Barbor and Pack Carnes as the lovers, and Ron Sommer as the philosophic cab-driver.

Two cast members are making special appearances in the comedy this week and include Judy Pownall who was with the company last season. Miss Pownall will be with the Players for the mystery, "Someone Waiting," and the musical, "Damn Yankees." The other new member is Marilyn Markley who makes her debut with the players in a dual role.

Opening next Tuesday for a week's run will be the exciting mystery titled, "Someone Waiting." The play was written by Emlyn Williams who is well known for his other excellent thriller, "Night Must Fall." Bob Moak, well known in the Culver area, will be cast in the major role of the play. Michael McBride will direct both "The Matchmaker" and the mystery, "Someone Waiting." David Hager is designing the settings.

Appearing in Playhouse Hit

Marilyn Markley, daughter of Mr. and Mrs. Gerald Markley of the North Shore will play two supporting roles in "The Matchmaker," currently playing at the Maxinkuckee Playhouse.

Her father, Gerald Markley, was one of the founders of the Maxinkuckee Playhouse in 1950 when he was on the winter school faculty of the Culver Military Academy and head of the drama group of the school. Currently Mr. Markley is at the University of Wichita in Wichita, Kan., and returns each summer to join the English staff at the Culver Summer Schools.

Marilyn has always been interested in the theater and at her high school in Wichita she is president of the National Thespian chapter. She has appeared in leading roles in "Lute Song" and in "Seven Nuns at Las Vegas," a play that was written as a master's thesis by a Notre Dame student.

Miss Markley attended the National Thespian Society convention this summer when it was held at Indiana University.

BUT NOT NIKITA - Down through the years city administration officials at Lafayette have been partial to men whose last names begin with the letter K. It started in 1895 when Anthony Korty was named as chief. Wilbur Keen was appointed chief in 1931. Bill Koerner in 1935. John Katzman in 1948. Peter Kuipers in 1952 and then Katzman was appointed a second time to succeed Kuipers. However city officials say the job is not likely to go to Khrushchev, Nikita, that is.

Because of its very intimacy, marriage more than any other human relationship, can bring out the worst in people or the best. It may turn two normal human beings into cynical, discontented and contentious members of society; on the other hand it can — often does — take two inexperienced, undisciplined young people and mold them into unselfish, kindly, responsible citizens.

If Culver Should Be Bombed Follow This Advice

World War III Fallout Problem

By ROGER W. BABSON
No. 1 U.S. Economist

BABSON PARK, MASS. — If World War III should come suddenly and your community be hit by A-bomb or H-bomb attack, it would be demolished; probably no preparation on your part could save your life.

Roger W. Babson

The chances are, however, that your town will not be bombed — that you would have only fallout to worry about. This fallout is the radioactive dust thrown into the air when a bomb explodes.

If Detroit, for instance, should be bombed, most of the people there would be killed. Then a cloud of radioactive dust would travel with the prevailing wind. Probably everyone within 50 miles would be subject to burns.

Be Prepared For Worst

Therefore, everyone within a radius of 50 miles from a bomb explosion should go to a "shelter" and be prepared to remain there for three or four days.

This shelter should have a supply of good water, a stock of rice and canned goods, some reading matter, and a battery-operated radio for the official news.

Radio stations would operate only at 640 or 1240 on the dial; these are the Conelrad stations.

Mortgage payments of principal and interest would be "frozen" and all stock exchanges closed.

Watch Your Food

Even when the fallout had dissipated and you could again lead a normal life, you would have to be very careful about what you ate.

Other things being equal, states having the greatest rainfall divided fairly equally throughout the year (Oregon, for example) could be the safest in which to live or loan money. The reason is that rain washes off this dangerous dust from most of the things that you would eat.

Safest Things To Eat

The safest foods would be fruits such as oranges, bananas, lemons, and others which have a thick skin that can be washed and peeled off.

Apples, peaches, berries, grapes, tomatoes, etc., with thin skins should be avoided until the Government pronounced them safe to eat. Scientists are not yet agreed on potatoes, carrots, etc., which are underground but have foliage above ground.

It is rumored that a neutron bomb will be brought out which has no fallout but I will not comment on this until additional details are available. I, however, am carefully following this new development.

After A Bomb Drops

After a bomb drops anywhere in this country, we should drink no milk until the Government permits us to do so.

Cows eating grass which has been contaminated by "fallout"

grass has been thoroughly washed off by heavy rains, the beef of the cattle may also be contaminated. The same could be true of sheep, hogs, and other livestock.

Ground fish, such as cod and haddock, should be safe to eat; also possibly lobsters. But fish such as mackerel, which swim near the surface, could easily become radioactive.

Drinking Water Important

Drinking water is very important. Fortunate are those families which have a covered well from which pure water can be pulled up by hand, a well not dependent on electricity.

People who get their water from uncovered reservoirs of rivers should have a supply of pure water in their shelter.

Each shelter should have a cot for each member of the family and enough blankets to permit the family to sleep for two or three nights until the fallout disperses.

Fallout Does Not Kill Trees

Fallout does not kill trees, so far as we now know. I further be-

lieve that the only 100 percent hedge against inflation is acreage with growing trees and fireproof apartment buildings.

Householders who have no basements should build a fallout shelter in the backyard of concrete blocks covered with boards and about three feet of dirt and properly drained; otherwise there should be a hand pump to keep it dry.

The floor of the shelter should have some place provided for the deposit of human excretion; therefore each shelter should contain a shovel and a can of Borax.

One final thought: I advise readers to be sure, before taking or renewing a mortgage on any property, that the house has some sort of fallout shelter.

CULLOM LAKE PROPERTY PURCHASED BY TWO INDIANAPOLIS COUPLES

The Paul C. Cullom summer home at 1380 East Shore Drive at Maxinkuckee Landing, a choice Lake property, has been purchased by Mr. and Mrs. J. Thomas Heckel Jr. and Mr. and Mrs. Clifton Greiner, two fine young couples from Indianapolis.

The summer colony will greatly miss "Hop" and Esther Cullom, who still maintain their lovely residence in Frankfort but who spend most of their time nowadays at their other homes in Scottsdale, Ariz., and La Jolla, Calif.

Mr. Cullom is a former commodore of the Maxinkuckee Yacht Club. He is chairman of the board of the Farmers Bank at Frankfort and heads a highly successful land development company in the Phoenix area.

BOURBON ALSO GETTING NATURAL GAS SYSTEM FROM NIPSCO

Northern Indiana Public Service Co. has started laying a six-inch transmission line into Bourbon to provide natural gas for that Marshall County community.

The line hooks onto an eight-inch line connecting Plymouth and Nappanee at a point about seven miles north of town.

Not a single cracked egg since Chevy took over the route

That '60 Fleetside pickup you see takes whatever kind of road comes along, and makes about 250 stops a day delivering eggs house to house for Mr. Harry Hansen of Missoula, Montana. "With my previous truck," Mr. Hansen writes, "I always had some cracked eggs. Cargo damage always cut into my profits. But the new Chevy eliminated that problem completely. I haven't had one cracked egg with my new truck and I've had up to a ton of eggs in it without any difficulty. . . I didn't know a truck could ride so nice."

Chevy rides nice, all right: takes good care of fragile cargoes. But that's not even the half of it. Torsion-spring suspension also means longer life for the truck, extra thousands of working miles, because the sheet metal and body components take less of a beating. You can run off-the-road or over back trails at faster safe speeds, too; get in more trips a day, make more money. Those facts are as true of the big Chevrolet heavyweights as they are of the pickups. Any model you name. Get one on your job and you've got the world's most efficient, most economical way to haul any load over any road. Your dealer will be happy to prove that statement any day you say.

◀ "I'm getting close to 20 miles to the gallon," Mr. Hansen states, "and that's on stop-and-go delivery."

An answer to problems of
strife, jealousy, and hate will be
set forth Sunday at all Christian
Science churches.

Highlighting the Lesson-Ser-
mon on the subject of "Love" are
several inspiring experiences of
David which include Samuel's ac-
count of the sparing of Saul's
life (I Sam. 26).

Citations to be read from "Sci-
ence and Health with Key to the
Scriptures" by Mary Baker Eddy
include this statement on the
protective power of divine Love:

"At all times and under all cir-
cumstances, overcome evil with
good. Know thyself, and God will
supply the wisdom and the oc-
casion for a victory over evil. Clad
in the panoply of Love, human
hatred cannot reach you. The ce-
ment of a higher humanity will
unite all interests in the one di-
vinity" (571:15).

The Golden Text is from Ro-
mans (13:10): "Love worketh no
ill to his neighbor; therefore
love is the fulfilling of the law."

cation. However, even though the
church is being remodeled, there
will be a special short service in
the morning after Sunday School
on those two dates. There will be
evening services on the Sundays
of July 24, July 31, and August
7.

American Legion Weekly Report

WILLIAM ALEXANDER FLEET POST 103 By JACK TAYLOR

Commander and Mrs. Edward
Kowatch attended the American
Legion Convention at Indianapo-
lis last weekend. The Commander
reported it was a successful Con-
vention in getting Legion work
done as many good bills were put
through the Department for the
Veterans.

One of the high lights of the
Convention was the four-hour pa-
rade through downtown Indian-
apolis.

Commander Kowatch attended
the Convention as a delegate from
the Culver Post.

Your Service Officer, Kemp
Moore, has expressed his desire
that all veterans have their dis-
charge recorded at the court
house by the County Clerk, so as
to safeguard it in case of loss.

Further information may be
had by calling your Service Of-
ficer at V12-3288.

Please don't forget work party
Thursday, July 28. A couple of
lawn mowers will be appreciated.
Bring a sack lunch. Work will be-
gin around 4:30.

A carry-in dinner at the home
of Mr. and Mrs. Lyman Craft was
enjoyed by Mr. and Mrs. Art Ben-
nett, Mr. and Mrs. Richard Dehne
and family, Mr. and Mrs. Walter
Von Ehr and family, Mr. and Mrs.
Harvey Bishop, Mr. and Mrs. Wal-
ter Krull, Mrs. Louise Von Ehr,

Weekly Fishing Report

1st District, 17 counties in the Northwest. Sgt. Barton reporting as of July 21.

Lake Michigan fishing is fair; they are taking pike on catappa worms and bass on surface baits.

Hudson Lake has crappies biting at night on minnows, and some bluegills on catappa worms and crickets. Bass are taken on surface bait at night.

The Kankakee River is clear and fishing is fair. From the Tippecanoe County section of the Wabash River a few catfish reported on soft craws and a few perch are hitting. The river is a little muddy.

In Lake County perch fishing fair at Lake Michigan.

Willow Slough in Newton County fishing is fair to good; the water is starting to clear.

"Miss Indiana" Fund To Benefit From Club's Tea

Proceeds of a public tea on the beautiful lawn of The Culver Inn Tuesday afternoon, Aug. 9, between the hours of 2 and 4, will go to the Tommy Lou Glaze Fund to help out on her extra and unanticipated expenses in connection with the "Miss America" Pageant at Atlantic City in September.

That was the public-spirited decision of the Maxinkuckee Federated Junior Woman's Club at its meeting in the Town Park last Monday afternoon.

Tickets for the Aug. 9 afternoon tea, which promises to be a delightful affair, are only \$1.25 and are obtainable from any member. Several door prizes will be awarded.

Here's a chance to enjoy an afternoon of card playing and friendly conversation and at the same time help out our own "Miss Indiana" financially in a cause which will bring great favorable publicity to this entire community.

The Culver Library Board held its regular meeting Tuesday night.

"Hoosier At Large"

(Continued from Page 1)

rants from Justice N. J. Broderick, Esq., boarded the Constantine and awakened the captain.

"We," announced McNaughton solemnly, "are authorized to arrest 12 men, names unknown, crew of the Constantine, for disorderly and criminal conduct — the hearing to take place immediately before Judge Broderick."

"Are we surrounded by vigilantes?" asked the startled captain.

"NO VIGILANTES," said McNaughton. "Just us!"

"Great howling owls — are you crazy?" cried the captain. "My men are devils. You'll need an army to take them in."

"Our duty is clear. Wake your men," McNaughton directed. Then he quickly added, "We demand your assistance and protection, under the law."

Astounded, the captain obeyed. The crewmen — now half drunk and half hung-over — were in an ugly mood.

"WITH HORRIBLE oaths, they hurled their spawn and filthy threats at our heads with the fury of maniacs in bedlam," Beardsley later wrote. "We edged within one jump of the door..."

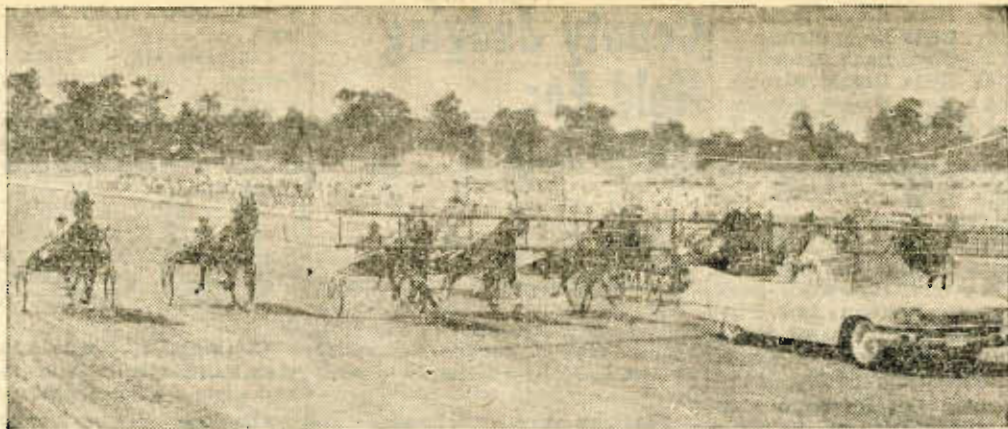

At that critical instant, the incredulous but impressed captain came to the rescue. With a fiery tongue, he rawnhided the crew, concluding like this:

"Are you a herd of hyenas, thirsting for the blood of these two defenseless boys? They are only doing their duty. They are the LAW... Backed by the State and all the people. You can't defy them."

SUBDUED AND contrite, the 12 went humbly to Judge Broderick's court, pleaded guilty, and paid their fines. Afterward, with good humor, they all shook hands with McNaughton and Beardsley.

"And those two young fools shook hands with the real hero — the captain," Beardsley's letter confesses.

ANOTHER WORLD'S RECORD?—Harness racing enthusiasts everywhere are anticipating the 1960 Grand Circuit Racing at the Indiana State Fair. Why?—the big question in their minds is "Will another world's mile track record be set again this year as it was last?" The answer to this problem will have to wait until September 3, 5, 6, 7, and 8 when Grand Circuit Harness Racing can again be seen at the Indiana State Fair. Above is the start of the record-breaking mile at 1:57.

State Division Of Employment In New Building

Social Security's 25th Anniversary

Next month the Indiana Employment Security Division will join in the nationwide observance of the 25th anniversary of the enactment of the Social Security Act, according to Richard A. Phillips, Division director.

He explained that the Social Security Act, enacted Aug. 14, 1935, paved the way for the federal-state unemployment insurance system in which Indiana has been a partner since the state law was passed in March, 1936.

Indiana's participation in the anniversary celebration will be marked by the dedication of the Division's new administrative office at 10 North Senate Avenue, Indianapolis, on Aug. 16.

The public is invited to witness the ceremonies beginning at 10 o'clock and attend the open house Governor To Dedicate Building.

Governor Harold W. Handley will dedicate the building and Lieutenant Governor Crawford F. Parker, acting chairman of the State Office Building Commission, will act for Commission members in turning over the structure to Division Director Phillips.

When the last of the Division's administrative sections were moved into the building on July 21, the occasion was the first time in 20 years or more that all admin-

istrative staff members were under one roof. Originally established 24 years ago at 141 South Meridian Street, the agency lost space there and had to relocate some departments in the Ruddell Building on East Georgia Street and in the State Office Building on West Washington Street.

Operates Two Programs

The Division operates two programs, unemployment insurance and the public employment service. The Indiana State Employment Service, made an integral part of the Division by the original 1936 law, had been in operation for the previous three years. The Service has filled millions of job openings in all types of business, industry, and agriculture. The agency also provides additional assistance in the form of employment counseling and testing for job applicants and technical assistance and labor market information for employers. Last year, the Division's 30 local offices made 87,000 placements of applicants in nonagricultural jobs. Also filled through the Division were approximately 6,100 farm openings which required individual selection of applicants and 66,800 others for seasonal workers in groups or crews.

\$498 Million Paid Out

Mr. Phillips said that beginning April 25, 1938, when the first unemployment insurance check was delivered to Miss Jeannette Behrman of Indianapolis, through March 30, 1960, more than \$498.8 million dollars has been paid to eligible, temporarily jobless workers. The payments, he explained, not only help prevent personal hardship among covered workers but also bolster purchasing power throughout the state.

Together, Mr. Phillips pointed

out, the two programs have been of great value to Indiana in periods of seasonal unemployment and business downturns. Through the programs, the Division helps people find jobs, or, if suitable work is not immediately available, pays those eligible for unemployment insurance weekly benefits while they seek new employment. The bulk of Indiana's workers are covered by the state law — the exceptions are those who work for charitable, religious, farm, government, and railroad organizations or for employers with fewer than four employees.

SPECIALIZED TRAINING OPPORTUNITY IN UNITED STATES ARMY

Another opportunity for specialized school training in the U. S. Army has been announced, according to Sgt. Frank Mullins at Plymouth Armory.

Men now serving in the Regular Army enlisted ranks, who are interested in becoming Pharmacy Specialists, may apply to attend a 32-week pharmacy technic course at Portsmouth, Va. Applicants must be high school graduates and meet established qualifications. The first class, starting Oct. 31, is limited in number of students.

David Krueger's Mother Dies On European Tour

Mrs. William Krueger of Chicago, mother of David Krueger, Lake Maxinkuckee summer resident of 1075 West Shore Drive, Culver, and Chicago, died in Rotterdam, Netherlands, July 23.

Mrs. Krueger and granddaughter, Janet Krueger, were enroute to Europe when Mrs. Krueger suffered a stroke July 22 while the ship was still at sea off the coast of Holland. She was put ashore in Rotterdam and rushed to a hospital immediately.

Mrs. David Krueger left immediately by plane and arrived in Rotterdam before the elder Mrs. Krueger died.

The body will arrive Thursday and be taken to Chicago for services and burial.

The value of a sentiment is the amount of sacrifice you are prepared to make for it.
