## "HOOSIER AT LARGE"

By Al Spiers

Moral: Don't Let The Boss Catch The Biggest Fish!

IN JOHN J. COLEMAN'S C. C. Propane Fuel Co. at Bloomington hangs a magnificent mounted muskie — and behind it lurks a curious and quaintly ironic tale.

Coleman, an amiable, dark-haired Hoosier who worked his way through I. U., has done well with the bottled gas firm he launched from scratch in 1950.

CONSEQUENTLY he occasionally squints at his great fish and thinks, "Thanks for getting me fired, old girl."

Then, grinning faintly, he lets his mind drift back to a mildly fantastic October day in 1939.

At I. U. John met and married Mildred Gross, an Evansville girl. After graduation in '27, he worked a dozen years at industrial selling and buying.

Early in 1939, Mildred's mother died, so the Colemans — now with daughter Joan — moved from Buffalo, N. Y., to Evansville, and a long-time business friend gave John a new sales job with Indiana territory.

A FEW MONTHS later Coleman checked into a Greensburg hotel and got this message: "Call your New York office."

Wearily, John did. Sam, the firm's top sales executive, said: "I need you for some trouble-shooting up north. I'll fly to Chicago. Meet me there. Pack for a week — and include some heavy outdoor clothing."

John demurred, but Sam was firm. Hanging up, John muttered, "Nuts!" He'd just started cracking his territory. It was no time to play hookey, and he suspected where Sam's "trouble" would be shot.

Sam was a competent, ambitious, hard-driving executive. He was also a fishing fanatic — and a muskie fiend. The biggest muskies hit best up north in the fall.

JOHN ENJOYED FISHING but was neither expert nor fanatical. As a kid, he'd caught a few creek bluegills. On his only trip north, he'd taken one piddling, under-sized Wisconsin muskie. He preferred to work — but Sam was boss.

Thus, a few days later Sam and wife, John and Dick, another salesman, reached Loren MacKenzie's lodge on Eagle Lake near Kenora, Ontario, Canada.

John wasn't too serene. Sam had said, "We're all on an expense account." He'd also said, "I'm gonna catch a trophy muskie — a real whopper, mebbe even set a record."

Coleman savvied Sam's hungry ego and competitive nature. He fell asleep thinking, "Lord help us if Sam doesn't get the biggest fish!"

## New Visitation Plan Scheduled For Grade School

Parents of students attending grades 1 through 6 of the Culver-Union Township Grade School will have an opportunity to informally meet teachers of their children according to a new plan announced by Shelton Kaiser, grade school principal.

On Tuesday night, Sept. 20, all parents in the following grades are invited to meet with teachers in their classrooms: morning kindergarten, grade 1, the divided room (1-2), 3 and 5. To give parents ample and unpressured time to talk with teachers it is suggested that, if possible, those with last names A through M plan to come between 7 and 8 o'clock; parents with last names N through Z visit between 8 and 9 o'clock.

On Wednesday evening, Sept. 21, parents of children in these grades are encouraged to visit: afternoon kindergarten, grades 2, the divided room (3-4), 4 and 6. Again, if parents with last names A through M would visit from 7 until 8 o'clock and those with names N through Z visit during the last hour 8 through 9 o'clock.

This new visitation plan was agreed upon by teachers, school, and PTA officials as an innovation worth trying. In the past, teachers spent much time preparing for special programs or teas to which only mothers were able to attend. It is felt that the evening visitation period will give both parents a better opportunity to meet teachers and discuss individual problems. Aside from informally meeting a child's teacher, a parent will be able to learn of their child's results on a Reading Readiness Test given recently. Teachers will also be ready to discuss any special curriculum matter or individual problem which has been noted at this early date.

Children are not to accompany parents to these visitation periods.

## United Fund Drive Committee To Meet Sept. 20

Organization of the Culver-Union Township United Fund Drive is underway. The Fund committee will meet at the home of J. T. Stinchcomb, chairman, at 7:30 on Tuesday evening, Sept. 20, to make final plans.

On Tuesday, Sept. 27, at 7:30 p.m. the committee and all the various chairmen will meet in the Bank Auditorium, together with representatives of various organizations requesting funds for 1961. This meeting will be open to the public and it is hoped that considerable interest will be shown by a large attendance.

The community is very fortunate in obtaining the services of J. W. Henderson who will act as chairman of the lake area. A chairman of the Academy faculty is yet to be chosen.

A. R. McKesson has consented to act as chairman of the drive which will get underway on Wednesday, Oct. 12. Workers to participate in the drive will be contacted soon. It is hoped that those who helped in last year's drive will wish to remain on the team.

## LIBRARY CLOSED REMAINDER OF WEEK

The Culver-Union Township Public Library will be closed until Monday, Sept. 19, while Jack Kowatch's crew of painters are redecorating the interior. Books being returned may be left in the book depository.

PAPER DRIVE Saturday, Sept. 17, at 8 a.m. by Boy Scouts Lake areas and Academy included. Paper should be tied and at the curb. 36-2n

## Killed In Tragic Auto Accident On Vacation Trip

Zella McKesson Dies Saturday

MRS. A. R. MCKESSON Town Board President's Wife Dies In Michigan

Mrs. Zella McKesson, age 58, wife of Alva R. McKesson, 456 Lakeview St., died Saturday at Baraga County Memorial Hospital, L'Anse, Mich., of injuries received in a one-car accident which occurred near L'Anse Saturday morning.

Mr. and Mrs. McKesson were on a vacation trip and Mrs. McKesson had been driving for a short time when the car slipped off the pavement on to a soft berm causing her to lose control of the car which turned over, throwing her out. She died of internal injuries soon after reaching the hospital.

Mr. McKesson was pinned under the car, but was able to get himself out. His injuries consisted of a bad head cut and bruises, but he was able to return to his home here.

Mrs. McKesson was born in Union Township, Marshall County, on March 9, 1902, and spent her entire life in this community.

She was a member of Emmanuel Evangelical United Brethren Church and had served as choir director there for several years. She was a member and past matron of the Emily Jane Culver Chapter, Order of Eastern Star, a member of Culver City Club, and had served as mother advisor of the Culver Assembly, Order of Rainbow for Girls.

Surviving with her husband are two brothers, Homer and Howard Albert both of Culver and one sister, Mrs. Inez Lichtenbarger of South Bend.

## Academy's Winter School Begins This Afternoon

## 827 Cadets Break All Records

Classes at Culver Military Academy's 67th annual session got under way today with a total enrollment of 827 cadets (807 boarding students and 20 day students), studying under a faculty and administrative staff of 108.

Students come from 39 states, the District of Columbia, Puerto Rico, Virgin Islands, and 10 foreign countries.

The total enrollment is 17 greater than last year and the largest in history. The increased enrollment is due to the utilization of additional facilities for boarding students.

In addition to these 827 boys, eight faculty daughters are attending classes at the Academy this year.

## Tommye Glaze Is Runner-Up In Miss America Contest At Atlantic City

## Golden Voice Wins \$2,500 In Prize Money and Puts Culver On The Map GETS HEROINE'S WELCOME BACK HOME

[Hurricane Donna hit Atlantic City on Sunday, delaying delivery of pictures taken especially for The Citizen. See them in next week's paper]

Before last Saturday night's biggest television audience of the year Tommye Lou Glaze of Culver demonstrated what we have all known for some time — that she is one girl in a million!

Outstanding among 54 "big league" contestants from the 50 states, District of Columbia, Chicago, New York City, and Canada, Tommye came within inches of copping the coveted "Miss America" title at Atlantic City with her magnificent mezzo soprano voice, God-given beauty, erudite mind, and radiant personality.

Culver's lovely "Miss Indiana" won \$2,500 in awards — \$1,000 for her peerless talent and \$1,500 for the fourth runner-up position.

Two judges told Chester W. Cleveland, publisher of Indiana Business and Industry magazine, Tommye's proud sponsor, that the final decision was practically a toss-up among Nancy Anne Fleming (Miss Michigan), the winner; Suzanne Marie Reamo (Miss California); Ann Farrington Herring (Miss North Carolina); Ruth Rae (Miss District of Columbia); and the Hoosier State's Tommye Glaze.

Praised By Bennett Cerf

Bennett Cerf, noted book publisher and TV personality, told The Citizen's publisher on two occasions last Saturday that Tommye Lou will in the near future undoubtedly see her name in the bright lights of Broadway and on the main titles of Hollywood musical hits. Coming from the best known of the 11 judges, this volunteered comment is significant.

Quiz Questions Puerile

There are, of course, the usual "post-mortems" of what might have been. The general feeling is that the two quiz questions asked Miss Glaze by Bert Parks, master of ceremonies, were stupid, poorly chosen, and irrelevant to such a contest. The Citizen is trying to ascertain how much her hesitating answers affected the final scoring.

## Republican Rally Here Sept. 22 At Lions Den

## Free Hot Dog And Bean Supper

The campaign agenda for the 1960 Republican candidates running for office was released recently by the Marshall County G.O.P. Headquarters. The basic theme of the operation revolves around the principal of "grass roots campaigning."

Stewart W. Robertson, Republican County Chairman, says, "We are taking our cause to the people; not only will the voters of Marshall County have an opportunity to meet the Republican candidates, but the candidates themselves will be able to familiarize themselves with the voters and the particular problems present in each community. In this way our elected officials will be able to serve the individual townships more effectively."

## Free Supper and Entertainment

One full day will be devoted to each township; all of the local candidates, their wives, and several state candidates will assemble in the assigned township and spend the day canvassing the community. The activities of the day will begin with a breakfast for the candidates and key Republicans in the township. Following a morning of house-to-house visits, the candidates will meet together with interested business men and women for a luncheon. The afternoon will be spent call-

A Heroine Is Welcomed!

Tommye and her charming mother, Mrs. Helen Glaze, were grounded for 24 hours on their return flight to South Bend because of the fringe of Hurricane Donna hitting the East.

But when their flight finally arrived at South Bend at 9:05 last evening they were greeted by Michigan City, South Bend, and Plymouth city officials and a couple hundred admirers.

George W. Schrieker, son of the former Governor, as president of the Plymouth Chamber of Commerce presented Tommye with an orchid corsage. "Miss Indiana" delivered a couple of neat speeches of appreciation.

A state police escort headed the motorcade first to Plymouth and then to Culver. The procession hit Culver shortly after 11 p.m. and the sirens, horn-blowing, and whistles heard here were something to remember.

We'll have more to say about all of this in next week's Citizen, including a statement from Tommye and comments of several local boosters who made the trip to Atlantic City.

## County Republican Candidates To Attend Open House

The public is invited to an open house Friday evening starting at 8 o'clock at the home of Mr. and Mrs. Dwight L. Fishburn, at the corner of West 17th C and South Oak Roads in Green Township.

Come and meet your Marshall County Republican candidates!

## R. Eugene Richey, Former Culver Resident, Dies

R. Eugene Richey, 38-year-old Lafayette attorney, died of a heart attack at 2:30 p.m. Friday in Home Hospital, 45 minutes after he collapsed during a jury trial in Lafayette city court. His home was at 1409 Holly Drive, Lafayette.

Mr. Richey was a former resident of Culver where he was a member of the Culver Military Academy faculty from 1949 to 1951.

Mr. Richey called for a recess during the trial and collapsed as he walked from the courtroom. He had been ill for nearly six weeks last spring following an emergency appendectomy.

A 1944 graduate of the U.S. Naval Academy at Annapolis, Md., he obtained his law degree from Indiana University in 1955 where he received his Doctor of Jurisprudence degree. He entered the practice of law at Lafayette in March, 1956.

Born in Hancock County, Mr. Richey was graduated from Greenfield High School and then resided in the Lafayette vicinity many years. He was a member of the First Christian Church, Culver Lodge 617, F and AM, Lafayette Chapter No. 3, R and AM, Tippecanoe Council No. 68, R and SM, Phi Delta Theta Law Fraternity, Tippecanoe Bar Association and the Indiana Bar Association.

During World War II, he served in the Navy aboard a cruiser and as an engineering officer on submarines. He left the Navy in

1949 as a lieutenant, senior grade.

In 1946 he married Betty Galbraith, who survives. Other survivors are a son, Gregory, at home; a daughter, Susan, at home; his parents, Mr. and Mrs. P. R. Richey of Monticello; and a brother, Dale Richey of Lafayette.

A Spring wedding is planned.

**Menser-Sperry Vows Exchanged In Church Ceremony**

The Culver Grace United Church of Christ was the scene at 7:30 Saturday evening, Sept. 3, for the wedding of Miss Edna Menser, daughter of Mr. and Mrs. Wayne H. Menser, 522 South Plymouth St., Culver, to Frank Lynn Sperry, son of Mr. and Mrs. James Sperry, 454 South Ohio St., Culver.  
Rev. Harold H. Hohman, pastor of the church, officiated at the double-ring ceremony before the altar decorated with white gladioli.  
Miss Betty Kose, accompanied at the organ by Miss Margaret Swanson, offered the vocal selections of "I Love You Truly," and "The Lord's Prayer."  
Given in marriage by her father, the bride selected a ballerina-length gown of ice blue lace fashioned with a horizontal front neckline and scooped in the back. A blue bow adorned the front of the dress. The bridal bouquet was an arrangement of white mums with blue and white streamers.  
Mrs. Robert Boswell served as her sister's attendant wearing a street-length dress of silk and she carried a bouquet of white mums

with white streamers.  
David Sperry, brother of the bridegroom, served as best man.  
Ushers were Phil Sperry, brother of the bridegroom, and Robert Boswell, brother-in-law of the bride.  
Mrs. Menser selected a tan sheath dress for her daughter's wedding and she wore black accessories. Mrs. Sperry chose a black and gray silk dress. Both mothers wore corsages of white mums with pink roses.  
About 90 guests from Peru, Rochester, South Bend, Crown Point, Kewanna, Hamlet, Knox, and Culver attended the reception in the bride's home.  
The newly-weds are now at home at 313 1/2 North Main Street in Culver.  
The bride is a graduate of Culver High School and an employee of The State Exchange Bank. The bridegroom is employed at Elbel & Son in Gary.

**Nancy Brockey Becomes Bride Of James Kline**

Mrs. James Kline was Miss Nancy Brockey prior to the couple's marriage Friday, Sept. 2, at 8 p.m. at the Mt. Hope Methodist Church with Rev. Clyde Beckner officiating.  
The double ring ceremony united the daughter of Mr. and Mrs. Ernest Brockey of Route 3, Rochester, and the son of Mr. and Mrs. Robert Kline of Route 1, Culver.  
Candles for the candlelight service were lighted by the Misses Patsy and Linda Smith, Mentone, cousins of the bride.  
Palms, double candelabra, and baskets of white gladioli and blue pompons banked the altar where the ceremony was read, and white and blue satin bows marked the pews. Miss Jeanette Berger was organist and accompanied Betty Kose when she sang "I Love You Truly" and "The Lord's Prayer."  
Miss Patricia McIntosh, Leiters Ford, attended the bride as maid of honor. Miss Mary Ann Chizum, Kewanna, and Miss Carol Brockey, Rochester, cousins of the bride, were bridesmaids.  
Don Kline of Indianapolis acted as his brother's best man, and Bob Kline, Culver, and Jack Reinhold, Leiters Ford, were groomsmen. Ushers were Larry Brockey, brother of the bride, and Tom

Bowersox, cousin of the bridegroom.  
Jan Stayton, cousin of the bridegroom, was flower girl and Craig Welling, also a cousin of the bridegroom, was ring bearer.  
The bride, given in marriage by her father, was lovely in a floor-length gown of taffeta and chantilly lace styled with a molded bodice of lace with a scalloped sabrina neckline and long tapered sleeves coming to bridal points over the hands. She wore a fingertip length veil of white illusion secured to a crown of pearls and rhinestones. She carried a cascade of white roses and sprays of blue pompons with white streamers on a white Bible.  
The maid of honor and bridesmaids wore street-length gowns of blue brocade taffeta with elbow-length sleeves, fitted bodice and bouffant skirts. They wore headpieces of blue satin with circular veils in the same color and carried cascades of white mums and pompons, with blue net and ribbons.  
The mother of the bride selected a dress of champagne beige lace and wore black accessories. The bridegroom's mother wore beige eyelet with frosty brown accessories. Both wore corsages of pink pompons.  
The couple greeted 150 guests at the reception held immediately afterward in the church social rooms. Guest registrar was Mrs. Don Kline, Indianapolis. Serving at the reception were Miss Louedva Haney, Miss Donna Raub, and Miss Michealene McIntyre. The serving table was decorated in blue and white and centered with a four-tier wedding cake topped with a miniature bride and bridegroom.  
The bride is a 1960 graduate of Aubbeenaubee Township High School, and her husband a 1959 graduate of the same school. The couple will establish residence at Silver City, New Mexico, where they both will attend college at New Mexico Western.

**Gaye Crump Weds Donald Humble**  
Miss Gaye Crump, daughter of Mr. and Mrs. Leonard W. Crump of Middletown, Pa., and Donald W. Humble, son of Mr. and Mrs. William McCracken, also of Middletown, were united in marriage on Friday, Aug. 26. The ceremony was performed at 4:30 p.m. in the Methodist Church by Rev. Wells.  
Miss Ruth Sharp was maid of honor and Robert Humble, brother of the bridegroom, served as best man. The couple will reside at Key West, Fla., where Mr. Humble is stationed with the Navy. They both attended Middletown High School.  
Mrs. Humble is the granddaughter of Mrs. Earl Mishler of Culver, and Mr. and Mrs. Robert Crump of Hibbard.  
Mrs. Max Fechner Hostess To King's Daughters' Class  
The King's Daughters' Class of the E.U.B. Church met Friday afternoon with Mrs. Max Fechner. Mrs. Fechner led in devotions in reading the 22nd chapter of Revelations.  
Mrs. Fechner and Mrs. Malott gave a program of readings and poems. Mrs. James Burkett read an interesting letter from a former member of the class, Mrs. Charles Bush. Mrs. William Kline read a letter from Miss Mary Wagoner, missionary to India. In this letter Miss Wagoner thanked the class for the gift that was sent to her.  
After a short business session delicious refreshments were served.  
Mr. and Mrs. Ronald Sproull spent the weekend with the latter's parents, Mr. and Mrs. William Wagoner. Mr. Sproull is now out of service and will attend Purdue University this semester. Their address is Garrison Trailer Park, Lot 16, West Lafayette.

# Funeral Services Held Friday For Conrad C. Creery

Conrad C. Creery, 83, died Tuesday night, Sept. 6, at the Norman Beatty Memorial Hospital, Westville, where he had been a patient for six months.

Born at Mentone, Feb. 28, 1877, Mr. Creery had lived for the past 20 years west of Leiters Ford and was known in this community as "Santa Claus." He was a veteran of World War I.

Surviving relatives include one brother, Roscoe Creery of Loganport, and three nephews.

Services were held at 2 p.m. Friday at the Easterday Funeral Home with Rev. Kendall Sands, pastor of the Culver Methodist Church, officiating. Burial was at the I.O.O.F. Cemetery at Leiters Ford.

# Republican Rally Here Sept. 22

(Continued from Page 1) ing on as many of the townspeople as possible; the day will conclude with a big evening rally for the people of the township. A free supper will be served to all comers, consisting of hot dogs and beans, and a short program will be presented.

One of the main entertainment features will be the "T-Shirt Combo." This three-man band is so named because of their costume — a white T-shirt emblazoned with current political names and slogans, worn with black trousers and white Nixon straw hats. The members of the combo and the instruments they play are: Bill Tanner, piano and trumpet, Jim Manuwal, drums, and Jerry Lackey, piano and bass fiddle. Bill and Jim are students at Plymouth High School and Jerry is a senior at Warsaw High School.

## Culver Rally Sept. 22

The first Rally will be held on Sept. 13 in West Township; followed by Polk on Sept. 15; North on Sept. 20; Union, Sept. 22; Center, Sept. 27; and German, Sept. 29. In October the first meeting will be in Bourbon on Oct. 4, Tippecanoe on Oct. 6, and a combined meeting on Oct. 11 for Walnut and Green Townships.

## Parker Day Sept. 27

The Center Township meeting will coincide with Parker Day, the visit of Lt. Gov. Crawford F. Parker to Marshall County, culminating with a luncheon in his honor, the time and place to be announced later.

Master of Ceremonies at the West Township Kick-Off Rally will be Eugene Chipman, who will introduce the candidates and say a few words in their behalf.

# CHRISTINA HUGHES ENTERS SCHOOL OF NURSING

Miss Christina Esther Hughes has enrolled in the Barnes Hospital School of Nursing, St. Louis, Mo., and received her student nurse's cap in a program held on Friday evening, Sept. 9.

She is the daughter of Mr. and Mrs. Arthur G. Hughes, West Terrace, Culver, and graduated from Culver Military Academy in June 1960.

Capping ceremonies for the sixth class of student nurses were held at 8 p.m. in the Washington Medical School Auditorium, 4580 Scott Avenue, St. Louis.

A record class of 105 students entered the Barnes Hospital School of Nursing on Sept. 5. Barnes Hospital School of Nursing, instituted in 1955, has graduated its third class of students. The school of nursing is a three-

year program, is approved by the Missouri State Board of Nursing, and is fully accredited by the National League for Nursing. Student enrollment is now 249.

# Silo Safety

Both conventional upright and airtight silos can create a hazard to human beings and livestock, reminds G. W. Isaacs, Purdue University agricultural engineer. Gases produced by fermentation and other processes in making silage can cause death either by suffocation or by poisoning.

Nitrogen dioxide, the yellowish-brown gas formed from fresh silage, can cause serious lung damage and a few minutes exposure can result in death. Gas in the "sealed" silos is almost certain to contain too little oxygen and too much carbon dioxide to sustain life.

Isaacs says deadly gas may form as the silo is filled and can remain several days in a conventional silo and indefinitely in an airtight silo. Symptoms of gas irritation are coughing, choking, dizziness, headache, or breath shortage.

He lists these precautions to prevent gas injury:

Avoid entering airtight silos from the top. Entry at the bottom is safest. Use a fresh air mask and rope or safety harness with someone on the outside to pull you out in case of trouble. If irritating odors are present, get out into the fresh air!

In conventional silos, run the blower 10 to 15 minutes before entering. Be alert for yellowish-brown fumes. Always ventilate the space under the silo roof when removing a plastic cap. Keep children and animals away from the silo area for at least 10 days after the silo has been filled.

And, call the family doctor if any member of your family shows gas poisoning symptoms or has been exposed to nitrogen dioxide gas.

## 1961 WOOL INCENTIVE PAYMENT SET AT 62¢

A shorn wool incentive price of 62 cents per pound and a mohair support price of 73 cents per pound have recently been announced by the Department of Agriculture for the 1961 marketing year which begins April 1, 1961.

Carl Price, Chairman of the Marshall County Agricultural Stabilization and Conservation Committee, points out that the 1961 price for wool is the same as for the first six years of the program, running from 1955 through 1960 marketing years. The mohair price is up 3 cents from the 70-cent level during the first six years of the program.

Payments to producers under the 1961 national wool incentive program will follow the same methods as under the current program. Shorn wool payments will be equal to a percentage of each producer's cash returns from wool sales. The percentage will be that required to raise the national average price received by all producers for shorn wool up to the incentive price of 62 cents per pound.

Lamb payments to producers who sell lambs that have never been shorn will be made at a rate per hundredweight of live animals marketed to compensate for the wool on them on a basis com-

parable to the incentive payment per pound of shorn wool.

The payments for the 1961 marketing year will be made on shorn wool and unshorn lambs marketed during the April 1, 1961 through March 31, 1962 period. Payments will be made in the summer of 1962 following the end of the marketing year.

County ASC Offices have made payments for the 1959 marketing year. Under that program, the payment rate for shorn wool was 43.2 per cent, the percentage required to bring the average price up to the 62-cent incentive level. This results in a payment of \$43.20 for every \$100 received from the sale of shorn wool. The payment rate on unshorn lambs was 75 cents per hundredweight of live lambs marketed.

## RECORDS SHOULD BE KEPT ON LAMB SALES

Sheep producers who market unshorn lambs this fall should maintain full records on their sales in order to make proper applications for payment next spring under the wool incentive program, Marshall County Agricultural Stabilization and Conservation Committee Chairman, Carl W. Price pointed out today.

Failure to keep full records in the past has prompted difficulties for producers in obtaining their unshorn lamb payments under the program, the chairman stated. The sales records for lambs sold must include the name of the buyer, his signature, and the number and liveweight of lambs sold, plus the description "unshorn."

Lamb feeders who buy lambs should also keep accurate records of all their purchases of unshorn lambs, including dates of purchases and the number and liveweight when purchased. Adequate records must be maintained by producers in order for them to certify to the accuracy of the information contained in payment applications. Inadequate reporting of lamb purchases on payment application has presented problems in administering the wool program.

Lamb payments are made only on lambs that have never been shorn to encourage the customary practice of selling lambs with the wool on. Lamb payments are made to the producers who have owned lambs 30 days or more. The payments are based on the wool incentive payments. The amount paid to each producer is based on the weight gain of lambs during the period of his ownership. Full information is necessary so that each producer can be given his proper share of the payment on a lot of lambs.

Records should be kept in a safe place at home or they may be filed at the county ASC office for safekeeping. While the final date for making applications under the wool program for the 1960 marketing year is not until April 30, 1961, applications may be submitted any time between now and then.

## LAWRENCE STRAIT ENROLLS AT INDIANA UNIVERSITY

Lawrence A. Strait, son of Mr. and Mrs. Walter W. Strait, 305 North Shore Lane, Culver, is enrolled in the record freshman class of 185 students in the Indiana University School of Medicine.

The new students were selected from among several hundred applicants by the School's Admissions Committee on the basis of pre-medical scholastic records, medical aptitude tests, and personal interviews.

Of the group, 172 are Hoosiers, eight are from other states, and one each from Hong Kong, Formosa, Singapore, the Philippines, and Iran.

# This Week With Governor Handley

## Releases Major Points Of Year's Budget Report

INDIANAPOLIS, Sept. 12 — "41.76% of Indiana state revenues in 1959-1960 were returned to local units of Hoosier government," Governor Harold W. Handley said here today.

The Governor released major points covered in a report to him for the last fiscal year by Philip L. Conklin, State Director of the Budget.

"These payments to local units totalled \$222,159,889," Governor Handley said. "They were made possible by state tax and fee collections which otherwise would have been included in local taxes."

"31.15% — or \$165,698,556 of the state expenditures last fiscal year were for new construction and repairs of state-owned buildings. The remaining 27.09% — \$144,122,934 — was for all other costs of operating your state government. This shows a decrease from 29.6% to 27.09% in 12 months.

**Operating Expenses Decrease**  
"A breakdown of the controllable operating expenses shows a decrease of \$3,906 in out of state travel by Indiana employees, a decrease of \$67,921 in other travel, including mileage and per diem, a decrease of \$949,210 in rental of machinery, a decrease of \$5,104 in postage, and a decrease of \$237,444 in printing and binding.

"Total expenditures for the fiscal year were \$531,981,379, of which \$233,086,479 was from the state general fund and \$298,894,882 from dedicated (ear-marked) funds.

"This was an increase of \$66,368,294, principally because of the \$49,197,159 in money spent by the state highway department in its record-breaking road program and in the big increase of distribution of state gasoline tax money to cities and counties.

**State Help For Education**  
"It is important to note that there was an increase of \$7,038,051 in state help for education. If the state had not contributed this additional amount to education, our schools would have been compelled to curtail operations or the cost of all this would have been added to local property taxes.

"These facts completely negate the cries of those who try to pretend that Indiana state government is doing little or nothing for education or for other local government activities. The state cannot spend a single penny except as appropriated and directed by the Indiana Legislature.

"In the last fiscal year we spent \$3,451,431 more than previously for state hospitals, \$3,424,151 more for retirement fund expenditures, \$856,014 more for natural resources, \$678,203 more for public welfare, and \$72,497 more for health.

"The administrative departments of the government can make important savings of their own initiative only in the field of

general government. And I am proud to say that last year we spent \$261,044 less in that area than in the previous year.

## General Fund Surplus

"Your state government is living well within its means at present. For instance, there was a general fund surplus on June 30, 1960, as reckoned by the Department of the Budget, of \$52,706,000.

"The Budget Department, using the same yardsticks and book-keeping, showed a general fund surplus of \$45,900,000 on June 30, 1959.

"An important part of this splendid increase in the general fund balance was the \$2,756,800 reversion of unspent money in the last fiscal year. I am confident that every taxpayer will applaud this saving.

"Existing tax rates seem sufficient to continue to operate a progressive and adequate state government. As the needs of our growing population increase, so do our tax revenues.

"In the fiscal year 1959-1960 we received \$242,786,671 in the general fund, an increase of \$18,885,133.

## Income Tax Collections

"The state gross income tax collections rose from \$175,143,483 to \$189,161,811. This is proof of the desirability of the action taken by the 1957 Legislature upon my urgent recommendation that we plug loop-holes in state income tax collection by using payroll deductions.

"This increased efficiency in income tax collection — making certain that everybody fairly shares the tax — enabled the repeal of all except one penny of the former 15-cent state property tax. This relief to the property owner was voted by the 1957 Legislature, also upon my recommendation.

"Property taxes are still too high because local budgets have not been adjusted sufficiently to relieve them. I repeat that the biggest job before the 1961 Legislature will be to reform our local tax structure. To that end I have ordered a recodification of local property tax laws as a part of the extensive survey now being made by the State Tax Study Commission.

## Gasoline Tax

"State gasoline tax revenues increased over \$5,400,000 during fiscal 1959-1960. Every penny of this money has been used to match federal funds for our great state highway expansion program. Moreover, 15% of this money automatically goes to city governments and 32% to the counties for their expenditure in construction of local streets and roads.

"Total receipts from both general and dedicated sources totalled \$534,624,935 in 1959-1960, which was an increase of \$53,664,398.

"In Indiana we include the federal share of highway construction in our state budget.

"Unlike almost all other states, Indiana does not borrow money. We pay as we grow, and these figures demonstrate amply that we continue to prosper and to grow here in Hoosierland."

Governor Handley was in daily

attendance at the Indiana State Fair last week. He also flew to South Bend on Wednesday for the requiem mass for John Francis Cardinal O'Hara, former president of the University of Notre Dame.

## Receives Master Of Music Education Degree

BRUCE THEODORE POWERS

Bruce Theodore Powers received his Master of Music Education degree from the University of Wichita, Wichita, Kansas, on Aug. 21.

Mr. Powers, son of Ted and Mary Powers, Culver, attended the Culver Public School and graduated in 1952. He attended Phillips University, Enid, Okla., and received his bachelor degree in music education from there in 1956.

Upon graduating from Phillips University Mr. Powers was employed by the Mulvane, Kansas Public Schools as band and vocal instructor. He is beginning his fifth year at Mulvane this year.

Mr. Powers teaches two grade school bands, the junior high band, the high school band and all high school vocal groups which consists of two girls' glee clubs, a boys' glee club, a mixed chorus and numerous ensembles.

Both instrumental and vocal groups have performed well at the league, district, and state contests and have won many high ratings for the Mulvane school system.

## Feature Work By Warner Williams

Astronomy activities at Culver Military Academy are being reported in scientific journals.  
The August issue of the Harvard University's publication "on astronomy, Sky and Telescope, features a photograph of a Newtonian reflector telescope designed and constructed by Warner Williams of the Academy staff. This instrument was made for and is being used by Carl Milles, renowned Swedish sculptor and astronomer.  
A forthcoming issue of Popular Science magazine will contain an article written by Williams on the telescope he made for use at the Academy. Scientific American has carried several articles on the Culver telescope and details of its construction.  
Williams has taught art, sculpture, and design at the Academy for the last 20 years. As an extra curricular activity for interested cadets, he also teaches astronomy, telescope observation, and telescope making.

Attendance at Sunday School was 65 following which services were conducted by Rev. Beckner. Miss Linda Kay Gibbons went with the Union Township 4-H group to Chicago Sunday.

**INDIANA JUNIOR HEART BOARD HOLDS MEETING AT LAKE MAXINKUCKEE**  
Miss Anne Behmer, Route 4, Plymouth, chairman of the Marshall County Junior Heart Committee, was one of six from Marshall County who attended an area meeting of the Indiana Junior Heart Board at Lake Maxinkuckee recently. Approximately 40 teenagers from surrounding counties attended the meeting.

Miss Karen Kriegbaum, Warsaw, was elected the sweetheart candidate to represent the area as candidate for Heart Fund queen. She will vie for the title this fall in Indianapolis.

On the program was a discussion of the educational, commun-

ity service, and fund-raising activities of the county Junior Heart Committees.

The Junior Board is the teenage group of the Indiana Heart Association. They assist the adult county Heart Committees throughout the state in various programs.

**Teach Youth The American Way Of Life**

Americans of each generation have to learn the ideals for which their nation stands. There are many fine organizations which teach Americanism to the young. But the main job falls upon the parents and the teachers. If they are not properly prepared for the task then the children miss part of their heritage. Americanism is so many things that it is hard to teach them all.

No person who is deeply interested in and well informed concerning American history is likely to fall for any dangerous foreignism. Such a person knows how superior our own free way of life is to any of the various forms of statism. He is not going to be a party to trying to turn back the clock of time to the age of barbarism, as the leaders of Russian Communist imperialism are trying to do.

The education of the young is a matter of vital concern to all of us. The future will soon depend upon them. If they really know the history of their country with its vast, tremendous sweep we do not have to worry about the outcome. They will make the grade!

From where I sit... by Joe Marshall

**No News Like True News**

Nothing makes a newspaper editor happier than a "scoop." But it seems to me some editors overdo it now and then.

Last week, for example, an editor claimed his paper was the first in his city to report the Mayor's "impending retirement." But, judging from the next day's edition of the same paper, the Mayor had other ideas.

As a result, the lead editorial in that newspaper then started off like this: "We are glad to be the first paper in the city to inform our public that the story of the Mayor's

retirement is just a rumor." From where I sit, facts and truth always win out, no matter how you disguise them. That goes for newspapers as well as for neighbors. For instance, your choice of beverage may be a glass of iced tea... mine is an occasional glass of beer. Now each of us could make up quite a "story" about which of us is right. But the fact is we're both right—now let's just respect each other's point of view.

*Joe Marshall*

## THE TRAP

### The Collar and The Leash

Last November Michael DiSalle sailed into the office of Governor of Ohio propelled by the energies of organized labor leaders and their sympathizers.

Now, less than a year later, labor is blasting the man it used to boost.

The Governor's offense against labor was that he backed a 20 per cent increase in workmen's compensation benefits, while the labor chiefs demanded a 24 per cent hike.

And he proposed a mild bill to control labor rackets — a bill even softer than the proposals the AFL-CIO has accepted on the national scene.

For this the Ohio AFL-CIO charged that he "took the nose of the injured worker and rubbed it in the dirt."

Protested DiSalle: "All our platform pledges have been met. The labor leadership seems to be totally unreasonable."

There's a lesson in this for Indiana's political candidates. While labor's huge war chests for campaigns and its army of precinct workers may seem attractive, the price of this support comes high and the labor bosses demand full payment — and then some.

Those who seek public office should not be surprised to learn that when they put on the labor bosses' collar they most likely will find there is a leash attached to it.

### MRS. CHESTER CLEVELAND HAS RELAPSE: BACK IN SOUTH BEND HOSPITAL

Mrs. Chester W. Cleveland, wife of The Citizen's publisher, recently in Parkview Hospital at Plymouth for a full month for treatment of a slipped disc, thought that she had recovered sufficiently to make the 1,650-mile automobile trip with her husband to Atlantic City, N. J., to see Tommye Lou Glaze participate in the "Miss America" pageant.

Such was not the case. Upon arrival Mrs. Cleveland was in such pain that she could not leave her room in Haddon Hall and had to view the pageant via television.

Sunday evening she took a jet plane from Philadelphia to Chicago where she spent the night in Wesley Memorial Hospital. Monday afternoon Chicago friends drove her to Memorial Hospital at South Bend where she is in room 806 getting a much needed rest and apparently making a satisfactory recovery.

**RIISING PRICES**-Cornelius T. Green of Lawrenceburg, rummaging through some papers of his father, the late H. D. Green, found a circular dated 1925. It advertised Ford trucks and cars for which the father had an agency at Rising Sun. A truck chassis and cab was listed at \$350 f.o.b. Detroit. Such an outfit now sells for about \$2,400. A tractor chassis priced 35 years ago at \$235 now sells from \$1,200 to \$2,000.

### New Teachers Of Community Are Feted At Dinner

#### Local Chamber Stages Welcome

The new teachers of our community were welcomed at a dinner sponsored by the Culver Chamber of Commerce last Monday evening at The Culver Inn.

About 85 persons heard Chamber Vice-President Andrew Vernum extend the best wishes of the local residents to the new members of the faculties of Culver High School and Culver Military Academy.

**New Principal Welcomed**  
Culver High School Vice-Principal M. R. Robinson introduced Kenneth L. Cole, new principal of the Culver schools, who in turn introduced the recently appointed teachers in his system.

Maj. Gen. Delmar T. Spivey, superintendent of the Academy, introduced the new members of the CMA faculty, and extended an invitation to the public school teachers to make use of the Academy's facilities.

Mr. Robinson outlined the principal features of the Conant Report on Education and compared the standards set forth in the re-

### Funeral Services Saturday For Mrs. Alice Wise

Services for Mrs. Alice M. Wise, age 89, of Phoenix, Ariz., will be held at 2 p.m. Saturday at the Easterday Funeral Home with burial at the Burr Oak Cemetery.

Mrs. Wise died Saturday, Sept. 10, in Phoenix and services were held there for her today after which the body will be sent to Culver arriving here Friday evening.

Mrs. Wise was born in Starke County on Dec. 28, 1871, and lived in this community until 1927 when she went to Phoenix to reside with her daughter, Dr. Gladys Wise.

Surviving with Dr. Wise are seven grandchildren and several nieces and nephews.

Mr. and Mrs. Franklin W. Bates of 250 S. W. 19th Road, Miami, Fla., former residents of Culver, have been guests of Mrs. Helen Keller the past two weeks.

Mrs. Della Smith was a Monday evening supper guest of Mr. and Mrs. Enoch Andrews.

Morning Worship 10:30 a.m.  
Sunday School 10:30 a.m.

How freedom from the bondage of sickness and sin can be gained through wholly spiritual means will be emphasized at Christian Science churches Sunday.

Readings from the Bible in the Lesson-Sermon entitled "Matter" will include Luke's account of the healing by Christ Jesus of the woman "which had a spirit of infirmity eighteen years" (Ch. 13).

One of the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (228:20): "If we follow the command of our Master, 'Take no thought for your life,' we shall never depend on bodily conditions, structure, or economy, but we shall be masters of the body, dictate its terms, and form and control it with Truth."

The Golden Text is from John (6:63): "It is the spirit that quickeneth; the flesh profiteth nothing."

Attendance at Sunday services was 66. William Lake gave a report on the Laymen's Institute which he attended at DePauw University.

W.S.C.S. met at the church on Wednesday afternoon. The president, Mrs. Ronald Quivey, opened the meeting with prayer. Mrs. Eldon Cowen presented the lesson entitled "The Chart and Compass." A large attendance is hoped for on Sept. 28 when the Society will meet at the church to clean. Rural Aid will be held at the church on Oct. 5 with the Whippoorwill Aid serving as the hostess organization. Registration will begin at 9:30 a.m. It is tentatively planned that on Nov. 2, the Poplar Grove Society will entertain at a 20th anniversary birthday party. The Ober W.S.C.S., former members and all interested women will be guests.

Mr. and Mrs. Forrest Cuffis took Stanley to Greencastle on Sunday where he will enter the Freshman Class at DePauw University.

The Clifton families were entertained in the Edgar Clifton home at LaPaz on Sunday.

Mr. and Mrs. Everett Norris and girls and Mr. and Mrs. David Norris and family were among the guests at the Larrison Cottage at Lake Dewart on Sunday. The occasion marked the birthday of Mrs. T. E. Baker of Marion, a sister of Mrs. Everett Norris.

Mr. and Mrs. Harry McPherron and Kathy took Larry McPherron to Purdue Sunday to resume his studies there.

The Frank Cowen families were supper guests in the Cowen home on Friday evening to celebrate Mr. Cowen's birthday.

Mr. and Mrs. Ronald Quivey called on the Rev. and Mrs. Howerton and family at Ora on Sunday afternoon.

Mr. and Mrs. Milo Zehner of Akron, O., who are spending a week's vacation with Henry Zehner at his home on Lake Maxinkuckee, and Henry Zehner were Saturday supper guests of Mr. and Mrs. Welland Zehner.

Mr. and Mrs. Welland Zehner attended the Hostetter reunion at the Bremen Park on Sunday.

Mrs. Mary Leland and the Leland families were entertained at a supper in the Ray Kline home in Culver on Sunday evening.

**BIG PILLOWS** - Truckers and the Army are making use of rubber pillow-type containers as haulage and storage units. The pillow tanks are being used for delivery of all types of liquids, including fruit juices, food bases, heated fats, dairy products, and chemicals. Plastic liners are incorporated for sterile, taste, and odor free transport of edibles and other liquids. The giant-sized "pillows," as big as 40 feet long and 10 feet wide, can be rolled up like a rug when not in use, making it possible for trucks to carry them with a full load of other freight and then to use on a return run.

(Continued from Page 1) two boats bobbed 200 yards apart off a muskie point. Still nervous and worried, John heaved a huge jointed Pickie Minnow, unsharled his usual backlash and cranked. Wham — the battle was on. An hour later John's right hand was line cut, knuckle-busted and bleeding when he finally led the great muskie close enough to be clubbed and boated. "WOW," cried their guide. "What a fish! Maybe a record. We'd better go in and weigh it." Sam had come close to watch the fight, John saw the bitter, naked envy in his boss's face and silently groaned, "Oh no — not a record. Anything but that..." Leaving Sam and wife, John and Dick chugged back to camp. In a sick daze, Coleman saw his muskie weighed in at 60 1/2 pounds — a new world record at the time. HE GREW SICKER as the lodge owner took pictures and sped him to town to register the fish. Now the whole world would know about Coleman's catch. John guessed how Sam's ego would react to that — and he was right. A few icy months later, he was abruptly fired by Sam, his boss and B.M. (before muskie!) friend. "Today I'm glad he did," chuckled John, grinning up at his great fish. "I soon found a better job, and now I've got a fine business of my own." THE STORY HAS a poetically just anti-climax. At his firm's next board meeting, a director asked Sam, "How's our champion fisherman doing?" "I fired him!" snapped Sam. The director frowned, demanded and scrutinized Coleman's record. Although the newest of 20 salesmen, John had ranked third in sales. THE DIRECTORS forthwith fired Sam! John Coleman's muskie has since been bested... but it's still a fish with a fascinating history. "Mt. Hope"

By Mrs. Guy B. Davis Phone Leiters Ford 2595 Do not forget Sunday School services each Sunday at 10 a.m. Attendance last Sunday, 66. The Willing Workers held their regular class meeting Thursday evening with Mr. and Mrs. Wilbur Kelsoe, Sr., with a good attendance. Class meeting next month with Mr. and Mrs. E. Goodman. The Young People's Class enjoyed a wiener roast at the home of their teacher, Paul E. Winn, Friday evening with a large attendance. Forty-two members of the Guy, Norman, Emery, and Dale Davis families gathered at the home of Mr. and Mrs. Dale Davis Sunday for their annual reunion. All members were present except Mr. and Mrs. Harold Davis and daughters of Columbus, Ohio, and John Davis who is in military service in Korea. The 20th anniversary birthday party of the Woman's Society of Christian Service was observed by the local W.S.C.S. when its regular meeting was held Wednesday afternoon with Mrs. Cluriel Mike-sell. Mrs. Guy Davis was in charge of the program and reviewed the history of the society from the time when the old Ladies Aid was organized in Feb., 1924, when the local church was Methodist Protestant before the Methodist Union. The local society was re-organized in Oct., 1940 to conform with the new Women's organization of the Methodist Church. The program was done before a lovely worship center in keeping with the occasion. A candle was lighted in memory of the charter members and those who have died, the sacrifices, work, and service given by the membership and a dedication to the work remaining in helping to spread the Gospel. Candles on a lovely birthday cake were lighted and silent prayers offered as the candles were blown out. There was a nice attendance. Mrs. Ethel Overmyer and Mrs. Rhoda Jones of Argos were guests. Mrs. Guy Davis attended the past-presidents meeting of the Marshall County Home Demonstration Association held with

Mrs. Clyde Bunch near Argos, Monday. The quarterly meeting of the local circuit will be held at the Maxinkuckee Church next Friday evening, 7:30 o'clock with the district superintendent, Dr. Almon Coble, in charge. ### CHS Baseball Team Splits Pair Of Games

Culver's High School baseball team split another pair of games last week, losing to North Liberty, 8-3, and beating Richland Center, 14-9. The week's activity evened the Indian's record at 2-2.

Last Wednesday at North Liberty, Culver was faced by a brilliant one-man show by pitcher Gerry Wharton of the Shamrocks. Not only did Wharton stop Culver on 5 hits, but he went 3-for-4 at bat, including a grand slam home run, and drove in 6 of the 8 North Liberty runs. The game was tied until the sixth when 5 Shamrock runs broke up the game. Tom Boswell pitched 5 2/3 innings and was charged with the loss, his second.

Friday evening, Culver opened its home season by tromping the Wildcats from Center. A pair of 7-run innings, the second and third, iced the victory for Boswell. The junior righthander was relieved by Sam Lowry in the fifth. Pitchers on both teams were troubled by gusts of wind all through the game, and a total of 17 walks were issued. Paul White and George Herr led Culver with two hits apiece, and Whitey's pair, a double and a single, accounted for four runs.

## Weekly Fishing Report

1st District, 17 Northwestern Counties. Officer Hege reporting as of Sept. 8.

Cat fishing is fair to good in Carroll County all other fishing is poor.

Clinton County has good cat fishing, and in Cass County fishing is only fair in the Wabash River.

At Willow Slough and from the Kankakee River the report says fishing is poor due to the heat and the low water.

Fishing in the district is poor with just a few cat fish taken from the Wabash River.

2nd District, 21 Northeastern Counties. Officer Thomas reporting as of Sept. 8.

Big Long Lake in LaGrange County is the leader in producing fish this week, they are taking largemouth bass, bluegill and perch there.

Appleman Lake, Turkey, and Pretty Lakes as well as Narvo report bluegill catches, the best baits are crickets and catalapa worms.

Big Lake and Sylvan Lake in Noble County are best spots for bluegill in that county.

There is good bluegill fishing at Lake Wawaseo in Kosciusko County.
