

Here's A North Liberty Man Who Deserve A Standing Ovation!

VIRGIL HOUSER is a bright, buoyant spirit imprisoned in a drab wasting body.

grade Virgil had scarlet fe-ver. Later his arms, legs, and muscles began to misbehave. "Fever after-

effects," s a i d doctors hope-fully. "You'll outgrow them."

Virgil didn't, AL SPIERS and in time the grim truth emerged. He had muscular dystrophy — the slow, insidious body-wrecker that still baffles medical science.

THWARTED BY stairs, Houser quit school after eighth grade — but not study. Blessed with an eager, questing mind, Virgil taught himself many things. Like radio, for example.

IN THE LATE '30s, Houser, his brother, George, and a friend, Bob Reed, began tinkering with code and short wave receivers.

Virgil plunged full-tilt into amateur radio.

HIS ALERT MIND readily acquired the knowledge needed for ham license - but mastering code was tougher. Hands corroded by MD aren't strong or adept. To-get a ticket, Virgil had to dit-dah 12 words a minute.

it took almost a year of stub-born practice, but on June 1, 1946 — his birthday! — Houser won a conditional ham license. A year later he had a top rating . . and still has,

Then, more remarkably, Virgil built his own transmitter - with an assist from his dear mother, Lodema.

"I DESIGNED and supervised
— and she soldered," he chuckled. "Dad (Orville) pitched in
when we both were stumped."

Virgil lives with his parents
on Pierce Road in North Liberty.

From there, he chats by radio — both voice and code — with other

hams throughout the Midwest.
In 1951, Virgil joined the MARS (Military Affiliate Radio System) network — and with typical zeal soon infected the Indiana group with his own lively diana group with his own lively anthusiasm.

Basically MARS is a volunteer ham network trained by the Army to provide communication in any emergency. As part of their training, MARS hams relay personal messages for military personnel.

Virgil deemed MARS a serious, vital business — which it is. To spark interest and enhance co-(Continued on Page 10)

LOCAL DEMOCRATIC AND REPUBLICAN HEADQUARTERS

There's an old adage to the effect that politics make strange bedfellows. This is particularly true in Culver where the two major parties have their campaign headquarters side by side in the Amond Building on Main Street. One night last week vandals opened the unlocked door of the Republican headquarters and stole every Nixon, Parker, and Nimtz badge and all the campaign literature they could lay their hands on. Homer H. Kemple had the supply replenished before noon the following day. (Photograph by Carl M. Adams Jr.)

Fire Destroys **Garage At Home** Of John Norman

The Culver Fire Department answered a call to the John Norman farm on West 14th B Road, north and east of Burr Oak at 12:30 p.m. Tuesday, where a metbuilding which housed a shop and garage was ablaze.

The building contained several hundred dollars worth of shop tools, some antiques, and miscellaneous items.

Mr. Norman had passed the garage a few minutes earlier and had noticed no evidence of fire. A neighbor, Dale Mevis, stopped at the Norman home, noticed the blaze and summoned the firemen.

The damage is partially coverel by insurance.

Although unable to save the A HANDY MAIL SLOT in The building, firemen confined the Citizen's ffont office door welfire and kept it from reaching the comes your news items for next Norman home, only about 10 feet week's paper 24 hours a day.

Chamber of **Commerce Keeps Noon Meetings**

A movie on the Interstate Highway System was part of the pro-gram at the monthly meeting of the Culver-Union Township Chamber of Commerce Monday at the Culver Inn.

Steve Panke and Tom McClure, members of the speakers' bureau of the Indiana Highways for Sur-vival presented the film and explained the purpose of their organization. Indiana Highways for Survival was founded to promote better and safer roads in the state. It is supported by highway equipment suppliers, contracters, material suppliers, and others interested in the highway program. In other Chamber business, it

was decided to continue meeting at noon. Several members felt that they could not participate regularly in evening meetings.

A thank you letter from Tommye Lou Glaze was read by Secretary Pete Trone. Culver's Miss Indiana thanked the Chamber and all those persons who contributed time and financial support for her trip to Atlantic City.

A. R. McKesson-addressed the members briefly on the upcoming United Fund Drive, citing the need for support, and outlining the organization of the charity group.

FRIDAY INCE GREATEST

SIXTY-ONE ERFOLCHEVROLET

Here's the car that reads you loud and clear-the new-size, you-size '61 Chevrolet. We started out by trimming the outside size a bit (to give you extra inches of clearance for parking and maneuvering) but inside we left you a full measure of Chevy comfort. Door openings are as much as 6 inches wider to give feet, knees, and elbows the undisputed right of way. And the new easy-chair seats are as much as 14% higher—just right for seeing, just right for sitting.

Once you've settled inside you'll have high and wide praises for Chevrolet's spacious new dimensions (in the Sport Coupes, for example, head room has been upped as much as 2 inches, and there's more leg room, too-front and rear). Chevy's new trunk is something else that will please you hugely-what with its deep-well shape and bumper-level loading it holds things you've never been able to get in a trunk before.

Yet, generously endowed as this car is with spaciousness and clean-etched elegance, it holds steadfastly to all the thrifty, dependable virtues Chevrolet buyers have come to take for granted. Your dealer's the man to see for all the details.

There's never been a trunk like it before! The floor's recessed more than half a foot and the loading height is as much as 101/2 inches lower.

new students this year. They are Frank Keiser and Ken Burrill. Welcome to Culver High School,

THE JUNIOR CLASS is working hard on the Junior Class Play which will be presented Friday, Oct. 21, at 8:00 p.m. in the Com-munity Building.

As the falling leaves flutter past window I turn my thoughts to fall and school. Our school has taken on somewhat of a new face this year with fresh paint and all. Speaking of new faces — we extend a warm welcome to Ken Burrill and Frank Keiser. Even though Ken is a new personality at C.H.S. he hasn't found it too difficult to make friends. He must take after our hero, Mr. Combo Hall.

Dear Linda -- Get well soon. If it isn't a collision in gym class, it's a cut in Chemistry. Thanks are given to Doctor Lance Overmyer, the physician at the scene.

isn't always smooth sailing in these years, Mimi Fisher, Kathy Clyne, and Susie Ruhnow proved this point last Saturday when a certain ski rope broke! Healthy thought for the day: Sink or swim!

What! Who is carrying a torch for who? Oh, some creature put a flare on the porch of the Gret-ter home at the latest slumber party. Conclusion: It's pretty dark

Jean McCoige has quite a spine chilling story to tell concerning the "Man in the Grey Flannel Suit." There is nothing to com-pare with a lively imagination.

There's a great unsolved mys-tery lurking in the halls of C.H.S. What was the weird rust colored cloud that went floating by the algebra room. One observer com-mented, it could be the combining of a certain lodine with a certain aluminum powder. Another observer commented: Do we have an active member of a witch craft clan among us!

What's this I hear, that Combo. Jake, Leo, and Sam are now study-ing Russian geography. What

New Flags In All Rooms

By Melissa Fisher and Susie Muchlhausen

This article is exclusively for our parents and all our other readers not of school age. This is because surely there cannot be a student in all 12 grades who has not yet noticed the new addition in every class room. The new addition I'm talking about is the 50-star flags in every room.

The whole student body was surprised and pleased, as you could tell by the passing exclamations you could hear in all the halls. "Did you notice the new flag in the English room?" "Yes! There's one in the Chemistry room, too." "They have one in ev-ery room." "I wonder who put them there?" "I'll bet Mr. Grahin the Chemistry am had something to do with it."

So in order to clear up this mystery a couple busy reporters hustled around until they uncovered the true facts about the 32 fifty-star flags. Ed Kowatch, commander of the American Legion, made these available for the high school to buy, which they did, of course. They purchased them for every room in both the high school and grade school buildings.

Later on, Nov. 11, there is going to be a flag raising ceremony at which Mr. Kowatch will dedicate a fifty-star flag for our outside flagpole, the whole student body will recite the Allegiance to the flag, and the Senior band will play "The Star Spangled Banner,"

I know everyone was glad to hear about the flags as all the students were to see them, and behalf of the whole student body and faculty of Culver Public Schools, we would like to thank the school officials and Mr. Rowatch for making them available.

THE BIG NIGHT THE ILL STEVENSON NICE FORM

Teacher Reveals Her Interests

By Cathy Overmyer Our faculty member this week is a lovely blonde who teaches Home Economics.

She was born in Plymouth, Ind., in 1938. She attended and graduated from Etna Green High School. Her favorite subject in high school was Physics. She attended Furdue for four years and graduated from Purdue in June

Her favorite sport is water skiing and her favorite interest is painting and ice-skating.

Her favorite food is very fas-

cinating, it is African lobster tail, and fried brown rice. When I asked her what her fa-

vorite color was she replied "Well can't you guess, I wear it an awful lot, it's red of course."
When asked what her pet peeve was, she laughed and said, "Men

who grow bald."

The thing she likes most about this school is our good old pep and go Culver Spirit.

Well, if you haven't guessed who our new faculty member is, is none other than Miss Williamson.

We all would like to extend our welcome to her and hope she likes her teaching years at Culver.

Opinions Split On Voting Age

By Sharon Lindvall, Patty Wesson, and Sheryl Hohman

This week we decided to take a poll to discover if the members of Culver High School think 18 year olds should be allowed to vote. There are many pros and cons on this subject. Here are a few things we found out from the people we talked to.

Only a very few of the students we talked to felt voting should be allowed at 18 years. Some thought that if Uncle Sam can use them at 18 they should be able to vote in the country for which they are fighting. Another reason given was that if they are old enough to die for their country, they are old enough to vote.

"Many 18 year olds take voting as a joke and not a right." This was one of the statements against 18 year old voting, Many people felt that at 18 most persons education was not complete and that most 18 year olds had not had enough experience to Some people felt that the responsibility was too great for

Don Mikesell Jr. Figures In Two-Car Crash Near Muncie

Donald Mikeself Jr., 21, son of Mr. and Mrs. Donald Mikesell, School St., Culver, is recuperating satisfactorily at Ball Hospital in Muncie following admittance there early Friday, Sept. 30, after involvement in a two-car colscion at a county road intersection west of Muncie

Mikesell, a student at Ball State, suffered lacerations about the head and throat when thrown against the car's windshield. Dri-ver of the car in which Mikesell rode was Herbert Neil Rude, 29 director of Ball State's Wagones Hall, who was taking him to Marion where he was to have met his parents.

Also admitted to Ball Hospital was Mrs. Lois Oliver, Route 1, Gaston, driver of the second car. She suffered severe back injuries and head lacerations when hurled from her car, according to hospital officials.

Investigating State Trooper Franklin Dawson said Mrs. Oliver was enroute south on Elliott Road and drove in front of the Rude car which was traveling west on Bethel Pike. The accident occur-red at 8:45 a.m. Friday.

Visiting College **Professor Holds CMA** Eppley Chair

DR. DONALD W. DISBROW

Dr. Donald W. Disbrow has been named holder of the Eppley Chair of History at Culver Military Academy, Maj. Gen. Delmar T. Spivey, superintendent, announced today.

Dr. Disbrow is on leave of ab-

sence from Eastern Michigan University, Ypsilanti, for the 1960-61 Winter term and comes to Cul-ver as part of a continuing policy of filling the history chair with visiting college professors. Eppley Chair Holders are dis-

tinguished teachers whose salaries New Census Shows THE CITIZEN are paid by endowed funds given the Academy by the Eugene C. Eppley Foundation, Inc. There are six Eppley chairs at Culver.

Dr. Disbrow, a native of Dan-dee, N. V., received his doctorate from the University of Rochester in 1957. His undergraduate work was completed at Haverford (Pa.) College, where he was elected Phi Beta Kappa in 1949. Dr. Dis-brow also received the Scholar-ship Improvement Prize from Haverford in the same year.

While attending the University of Rochester, Dr. Disbrow receiv-ed a fellowship in history. He began his teaching career at Girard College, Philadelphia, in 1951 and taught for a year at Hamilton (N.Y.) College in 1952-53. (Continued from Page 1) operation, he wrote a monthly MARS bulletin which a Peru ham — S. L. Dixon — mimeographed and distributed to about

100 Hoosier members.

After 18 months, the MARS hams made Virgil their Indiana director. He served them well and still does as an active member.

ONE OF VIRGIL'S proudest possessions is a BPL (Brass Pounders League) medallion awarded to hams who handle 500 MARS messages a month for three or more successive months. (More than once, he's handled 40 to 50 messages at one sitting.)

For most hams, that's no great chore . . . but Virgil's hands are too weak to type. He can barely manipulate his electronic code

HOW, THEN, DOES he record messages? The hard way — by using a mouth stick and an IBM electric typewriter. Moreover, he words a minute!

They are his gift to his church. In addition, Houser types news stories as correspondent for The South Bend Tribune — a job he took recently to pursue a new

goal.

Considerable work was done at the church last week. The well man was called in and a new screen put on the well; the west basement floor was painted and other paint and repair work done in and around the church. Recently the County Highway Department blacktopped the parking area. The Sub-District meeting of the W.S.C.S. will be held here Wednesday, Oct. 26.

A large crowd was present for regular family night held at the local church Sunday evening, Sept. 25. Following the pot-luck supper, the program turned out to be a surprise party in honor of Guy Davis who retired June 1 after serving 29 years as Sunday School Superintendent, Eldreth Cook of the Grand View E.U.B. Church and a former resident here very ably served as master of ceremonies. At the close of the program, Wayne Kline, the newly Superintendent presented Guy with a lovely gift of appreci-ation on behalf of the Sunday School. The program was a complete surprise to Mr. and Mrs. Davis who thanked the people for their thoughtfulness. Guy continues as lay leader and chairman of the Board of Trustees.

Gifts To C.M.A. Total \$395,040 **During One Year**

Used For Salaries And Scholarships

Gifts totaling \$395,040 were re-ceived by Culver Military Acad-emy and Culver Summer Schools during the fiscal year ending Aug. 31, it was announced by Maj. Gen. Delmar T. Spivey, superintendent. The gifts, which are used pri-

marily for scholarships and faculty salaries, were received from 3.069 alumni, parents, friends, and foundations. The total amount is \$21,593 more than was received last year. . Non-Profit Organization

The Culver Education Foundation, a non-profit educational organization, operates the college preparatory Culver Military Acad-emy from September until June each year for approximately 825 boys in grades 8 through 12 and the Culver Summer Schools each July and August for 1,500 boys ages 9 1/2 to 18.

Largely as a result of the success of the three-year-old fund-raising program, which is called "An Investment in Youth," schol-arships in both the Academy and Summer Schools have been doubled and teachers' salaries have been increased an average of \$1,-000 over the same period. In the current academic year 116 boys are receiving scholarship assist-ance totaling \$115,400.

Baseball Indians Tie For First In County League

End Season By Winning Two

finished the regulation fall sea-son in a tie with Bourbon for first place in Marshall County League. Ccach Tom Benbrook's crew completed the schedule last week with victories over LaPaz, 7-6, and Argos, 12-3.

Tom Boswell pitched and won both games, but in Monday's battle at LaPaz, he needed help from Culver's great little reliever, Sam Lowry, in the fifth inning, after Culver had moved out to a three-run lead, Boswell weakened and two LaPaz runs crossed the plate. Lowry came in with a 2-0 count on the batter, only one out, and the bases loaded. Needless to say, LaPaz failed to score, Boswell returned to the mound in the sixth and held on for the victory. Jim Carter's three hits and three RBI's paced the winning attack off loser Roger Kaufman.

Thursday evening, the Indians played host to Argos, both teams needing a victory to tie for the title. Culver was never better, Defensive gems by Rick Ervin and Bob Carter backed up Boswell's brilliant three-hit pitching, end Ervin, Boswell, Paul White, and Sam Lowry all drove in two runs apiece. Boswell reached his personal high for the season with 12 strike-outs. Three walks, a wild pitch, and a steal of home in the 7th cost the junior right-hand-

er his shutout.

Baseball Team Loses County Championship

Bourbon Wins Title By Score Of 3-0

Culver's fighting high school baseball team was defeated Monday evening by Bourbon, 3-0, the playoff game for the Mar-shall County Championship. The Indians and Comets had tied with 5-1 records at the end of the regular fall season.

Bourbon right-hander Steve Shively blanked Culver on five hits, but needed several outstand-ing defensive plays by his outfielders to hold the battling Indians in check. Culver's Tom Boswell was equally effective, but was nicked for two runs in the and another tally in the third. Paul Hurford, Bourbon's slugging first baseman, drove in the only earned runs off the Injunfor right-hander, who finished the season with a 5-4 record.

Despite the heart-breaking de-feat, the 1960 fall baseball sea-son was an extreme success for Coach Tom Benbrook's squad. The fall record was 7 wins, four losses, whereas the summer team, basically the same players, won five out of 22 games. In addition to this marked improvement in their play, Culver showed their fans great hope for the fu-ture. Only Larry Davis and Earl Mishler will be lost from this year's squad, which had three freshmen, two sophomores, and three juniors. No person who wit-

but marvel at the type of play exhibited by these youngsters. Junior shortstop Jimmy Carter won the fall season batting title on the Culver equad, with an

average of .343. Freshman catch-er Paul White hit .316, and er Paul White hit .316, and sophomore right fielder Rick Er-vin compiled an even 300 mark. BOURBON 3 Bourbon B Hall, ss Sharpe, 2b Hurford, 1b Bellman, 3b Schaetzle, c Kuntz, If Metheny, rf Shively, p

High School Band Chosen To Open **Marching Contest**

The Culver High School band has been chosen to open the Northern Indiana school band marching contest at Lowell, Ind., this Saturday, Oct. 8. The Culver band is not entered in the contest.

Each year a band not competing is asked to open the contest with a short show and the play-ing of the National Anthem. This is a very important task in that the first band sets the stage for the entire contest. The Culver band will march across the field playing "Do-Re-Mi" from "The playing "Do-Re-Mi" from "The Sound of Music", then they will stop and play the National An-

There will be a total of eight high school bands competing for the coveted awards. This is annually one of the most colorful events for Northern Indiana bands and the Culver band is proud to have been chosen for the honor of opening the show.
