

THE CULVER CITIZEN

ON LAKE MAXINKUCKEE • INDIANA'S MOST BEAUTIFUL LAKE

66TH YEAR, NO. 47

CULVER, INDIANA, WEDNESDAY, NOVEMBER 23, 1960

TEN CENTS

LETTERS TO THE EDITOR

Robert K. Kyle Analyzes
Vote of Union Township
On November 8

Editor, CITIZEN:

Union Township, Marshall County, of which Culver is a part, followed the rest of the U.S. and voted its emotions last Nov. 8.

The vote in Precinct 5 was the most notable and conspicuous because it gave Richard Nixon a larger majority than any other precinct in Marshall County with a 3-1 count of 313 to 101 against Kennedy.

The boundaries of Precinct 5 are Lakeview St., and State St., on the west; Lakeview Ave., and the Lake on the south; W. 17th Road on the north passing The Three Sisters restaurant to the Hibbard Road; then a projection of the Hibbard Road past the Academy Dining Hall on the east to the Lake. This includes North and West Terraces and the Dillon and Houghton developments.

Precinct 1 voted largely Democratic, with the exceptions of Kennedy who lost 158 to 176 (1-11), and Lloyd Beatty, Republican nominee for county recorder, who carried the precinct 178 to 157, primarily because he was a native of that precinct.

Precincts 3, 4, and 5 were carried by Nixon 198 to 100, 373 to 222, and 248 to 103, respectively.

Religious Issue A Factor

Evidence that the religious issue was a factor in Precinct 2 is borne out by the vote of Welsh, 143, to 101 for Kennedy, a spread of 42 votes. The vote spread in the other Union Township precincts was not so evident, and are: Precinct 1, 17; Precinct 3, 23; Precinct 4, 27, and Precinct 5, 28.

John Brademas, Congressman-elect, carried Precinct 1, 177 to 157 against Nimtz.

Marshall F. Kizer, Joint State Senator-elect, also carried the 1st precinct. There are no figures to substantiate that endorsement of the Democratic State Senator by The Citizen was a help or a hindrance. (See editor's note).

Everything considered Union Township ran true to form but Marshall County went Republican with a vengeance following the Democratic sweep two years ago, which further impresses this analyst that more and more this country is approaching elections with the voters' emotions uppermost rather than issues or party affiliations.

If this trend continues there is likelihood that in future elections matinee cowpunchers and TV idols, under 40 years of age, will dominate elections even though they can't read, write, spell, or do a Tractation.

ROBERT K. KYLE

Editor's note: We should respect an older person's opinion — after all, Mr. Kyle was born in Bourbon four hours earlier than we were at Plymouth several years ago! However the "power of the press" — in this case, The Citizen — is a matter of official record, and Bob should sharpen his pencil. Marshall Kizer came the closest of any Democrat to winning in Culver-Union Township, losing our five precincts by only 141 votes to Henry A. Hoover for State Senator. Hoover was by far the low man on the entire G.O.P. winning ticket in this community. We think The Citizen's endorsement of Kizer had a great deal to do with that result.

Schrickers Get Tremendous "Welcome Home"

Former Governor In Retirement

An estimated crowd of 2,200, including Governor-elect Matthew E. Welsh, jammed the Knox High School gymnasium Monday night in a magnificent and sincere tribute to former Governor and Mrs. Henry F. Schricker to signalize their retirement from public life.

The Welcome Home celebration for "Mr. Indiana Democrat" featured an array of prominent Hoosiers of both political parties, who travelled to the Starke County town to salute the wonderful man in the white hat and his charming wife, Maude, who have returned to live their golden years in their hospitable South Main Street home after their long residence in Indianapolis.

Henry Steals The Show

The genial former Governor, 77, the only man ever twice elected as chief executive of the Hoosier State, stole his own show during which his former political associates and Knox and North Judson neighbors participated in a long but fast-moving program of deep sentiment and affection.

Henry Schricker was never in better form as a speaker than he was as he acknowledged a dozen or so warm personal tributes.

The great conservative Jeffersonian Democrat, born in a modest two-room home in North Judson, told with great humility of his colorful life which has spanned three professions, including that of a weekly newspaper publisher, a Hamlet and Indianapolis banker, and as the president and a founder of the Wabash Fire and Casualty Insurance Company.

Plaque Will Mark Birthplace

Various North Judson organizations presented a bronze plaque which will henceforth mark the birthplace of this Hoosier "great".

Matt Welsh, who will be the first Democrat to serve as Governor since Schricker, told the huge crowd that he would try to emulate the guest of honor's fine attributes in his new responsibility.

Other Hoosier notables who paid warm tributes to the Schrickers included: John A. Watkins of Bloomfield, who was his Lieutenant Governor; Arthur Campbell, his longtime administrative assistant; Claude E. Wickard, former U.S. Secretary of Agriculture; and William E. Wilson, recently reelected Superintendent of Public Instruction.

A highlight of the memorable occasion was the sterling performance of the Purdue University Varsity Glee Club, under the expert direction of that peerless showman, Albert P. Stewart.

Special Glee Club Members

Al Stewart and the Schrickers have been close friends for many years and the noted glee club was in perfect form as it saluted the popular Knox couple with a medley of nostalgic Indiana favorites: "Small Town," by the amazing Griffith Brothers trio; a special arrangement of "Home Sweet Home," and the stirring "Battle Hymn of the Republic."

The Culver area was well represented at this red-letter event. The publisher of The Citizen and Mrs. Cleveland shared in the testimonial and Neal Shock headed a Burr Oak delegation. Deane E. Walker, of The State Exchange Bank, and Mrs. Walker, State Senator Marshall F. Kizer, Mayor Ernest Bixel, George F. Stevens, Harry Lackey, and Manfred Vangilder were among those present from Plymouth.

On hand to witness the thrilling tribute to their splendid parents were George W. Schricker of Plymouth and Henry F. Schricker Jr. of Indianapolis.

"...AND KEEP US FREE"

THE CITIZEN IS ONE DAY EARLY THIS WEEK BECAUSE OF HOLIDAY

The Citizen, because of Thanksgiving, is being published on Tuesday rather than Wednesday this week so that our readers may enjoy their paper over the holiday. Otherwise, delivery of The Citizen would not be made until the Friday morning mail.

We regret the absence of Al Spiers' "Hoosier-at-Large" column this week. Al will have another good one next Wednesday.

HOW DOES ONE GET A JOB WITH HOWARD SAMS' FIRM?

Following a custom established in 1947, Howard W. Sams & Company has already this week distributed Thanksgiving turkeys to more than 550 of its Indianapolis employees.

This is a characteristic gesture on the part of Mr. Sams, one of our most enthusiastic Lake Maxinkuckee residents, who maintains three beautiful summer homes along South Shore Drive.

B & O RAILROAD IS ONE OF COUNTY'S BIGGEST TAXPAYERS

The Baltimore and Ohio Railroad recently sent a check for \$37,044.19 to the treasurer of Marshall County at Plymouth. This check was in payment of the railroad's property taxes in the county for the second half of 1959.

For the entire year of 1959, the B & O's taxes in Marshall County exceeded \$74,000. The B & O system total tax bill for 1959 was approximately \$24,000,000 or over \$9,000,000 above its net income.

HEAVY FOG HITS AREA

The year's heaviest fog hit the Culver area Sunday night and did not lift until late Monday morning. Motorists drove with their bright lights on until nearly 11 a.m.

Taxes collected (excluding social insurance) by Federal, state and local governments reached an all time high, \$100 billion, in fiscal 1959, or \$567 for every American. The per person size of the tax burden by tax category is shown above, with the individual income tax the largest.

Reorganization Of Schools Making Progress

Benedict Named To Board

The trustees and advisory boards of Union Township of Marshall County, North Bend Township of Starke County, and Aubbeenaubee Township of Fulton County on Nov. 17 unanimously approved the final resolution setting up a new consolidated school district to be called Culver Community Schools.

The new school district will officially come into being Aug. 1.

Four members of the five-man school board were also appointed at Thursday's meeting. They are Eugene Benedict, Union Township trustee, appointed by the Union Advisory Board; Donald Taylor, trustee of North Bend Township, appointed by the North Bend Advisory Board; Vernie Bowen, Aubbeenaubee Township trustee, appointed by the Aubbeenaubee Advisory Board; and Ced White, appointed by the North Bend Advisory Board.

Culver Appointment Awaited
The Culver Town Board must yet make its appointment to the board.

So that the terms of the school board members will be staggered, Benedict's appointment is for four years, Bowen's is for two years, Taylor's is for one year, and White's is for four years. The member to be appointed by the Town Board is for three years. Following the initial appointments, all members will be appointed for four years.

White was appointed as the fifth board member by the North Bend Township Advisory Board. Following his four years in office, the Aubbeenaubee Advisory Board will appoint the fifth member, and the appointment will then alternate between the two townships every four years.

The consolidation was carried out under 1947 and 1949 laws without the approval of the Fulton, Marshall, or Starke County reorganization committees.

However, W. O. Oshorn, attorney for the new school, said that approval would be sought from the State Reorganization Commission. He pointed out that the new school district met the minimum requirements as to average daily attendance and assessed valuation set by the state commission.

Need Commission Approval
Officials of the new school district reportedly believe that approval by the state commission can be obtained despite the fact that the three county committees have not approved the consolidation.

James Crum Home Destroyed By Fire

Disastrous fire shortly after midnight Saturday completely destroyed the frame home of Mr. and Mrs. James Crum along with their furniture, clothing, and all other personal belongings. The one-story home, just recently remodeled, is located about midway between Culver and Plymouth on the Behmer Road, now known as West 14th Road.

Mr. and Mrs. Crum and their two small children returned to their home about midnight Saturday to see smoke pouring from windows and doors. The Plymouth and Culver fire departments were summoned but the fire was out of control before their arrival. After Sunday's investigation, fire chief Dave Burns stated that the fire must have started in an oil burner as the floor around the stove was burned causing the stove to fall into the basement.

Crum said the family saved only the clothes they were wearing and that the \$6,500 loss is partially covered by insurance.

Leon W. Cultice, Former Resident, Dies In Florida

Leon W. Cultice, 61, former Culver resident, died Saturday, Nov. 19, at Bay Pines Veterans' Hospital at St. Petersburg, Fla., following a heart condition. He made his home at Crystal River, Fla.

Born in July, 1899, at Youngstown, Ohio, Mr. Cultice was a resident of Florida for the past four years. A former Culver resident for several years, he has also lived in Burbank, Calif., Chicago, Ill., and Milwaukee, Wis.

Mr. Cultice was a retired engineer of the Buda Company of Chicago, a member of True Masonic Lodge No. 190 of St. Paul, Minn., and a veteran of World War I.

The son of Edward and Emma Skinner Cultice, Mr. Cultice was married to Ellen Reeves, who survives.

Other survivors are five brothers, Emmitt, Gordon, and Cecil, all of Culver, Earl of Crystal River, Fla., and William of Waukesha, Wis.

The Grossman Funeral Home in Argos is in charge of arrangements where friends may call after noon Thursday. Services will be held in the funeral home at 2 p.m. Friday with the Rev. Arthur A. Schenck, Pastor of the Argos Methodist Church, officiating. Interment will be made in the Union Brethren Cemetery southwest of Plymouth. The Argos Masonic Lodge will conduct graveside rites.

TB Christmas Seals Are Being Mailed

The Marshall County Tuberculosis Association has opened its annual sale of Christmas Seals. Approximately 7,500 letters are being mailed to citizens of Marshall County asking for help to continue the work of your local tuberculosis association. With the purchase of TB Christmas Seals your dollars have provided the following this year:

1890 free miniature chest x-rays in the Mobile X-Ray Unit.
178 diagnostic chest films were paid for patients and contacts of the disease.

1855 children received Tuberculin Patch Tests at school.

Your tuberculosis association, made up of public-spirited citizens working together, leads the fight against this contagious disease. Every year more progress is made against this disease that spreads from person to person. The number of deaths from tuberculosis is being lowered — but the number of sick people is not falling nearly as fast. A constant search is being made for everyone with TB germs. Eight persons from Marshall County were treated for active TB in Healthwin Hospital this year.

Funds for this work are received from only one source, the sale of Christmas Seals. The association urges you to buy and use the seals during the approaching holidays. If you did not receive seals by mail they will be found in your local post office or you may phone Mrs. Carl Adams, Jr., Seal Sale Chairman for Culver and Union Township, and they will be mailed promptly.

IRENE DOWD ELECTED TO ANGUS ASSOCIATION

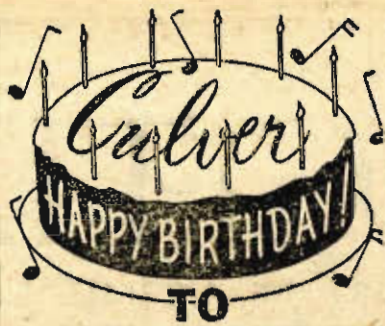

Irene Dowd, Culver, has been elected to membership in the American Angus Association at St. Joseph, Mo., according to Frank Richards, secretary.

PREVENTING STROKES

A method to diagnose strokes before they strike has been emphasized by Dr. John Whiteleather, a radiologist, or specialist in X-rays, from Memphis, Tenn. Dr. Whiteleather says that routine X-ray examination of the main neck artery and blood vessels leading to the brain will often show whether these vessels are narrowing. If they are, surgery can prevent sudden clogging or closing which causes a dangerous stroke.

Thanksgiving Is Theme Of Talk

By Lila Bean

Our religious convocation was opened this week with some general information by Mr. Cole on school functions.

We then heard from Rev. Vernon E. Palmer of the Culver E.U.B. church on the subject "Thanksgiving." From a story repeated many times, Reverend Palmer told of the crossing of the Pilgrims, of which only half survived on Feb. 2, 1620.

Coming by boat to a spot just north of Virginia, the tribe of Pilgrims suffered severely from drought. When the great drought was over, the Pilgrims and Indians celebrated the first Thanksgiving in 1623.

After Reverend Palmer spoke, Mr. Boyd then led the students body in singing "Come Ye Thankful People" and "Prayer Of Thanksgiving."

Reverend Palmer then talked of music as being connected with Thanksgiving and he gave a few examples from Psalms 46, 66, 85, 86, 98, 105, 124, and 136. He also gave a short talk on Catherine Bates who wrote the beautiful words of "O Beautiful for Spacious Skies" while she was standing on Pike's Peak.

We then sang "O Beautiful for Spacious Skies," again led by Mr. Boyd and accompanied by Shari Vocom.

We were then dismissed by Mr. Cole.

Sharon Spahr Discusses Flattery

(Editor's note: The following theme was written for Mr. Graham's English 12 class, and was so well written that we thought that the public would be interested in its contents.)

THE CHAFF, THE GRAIN . . . AND FLATTERY
By SHARON SPAHR

I shall quote a passage from Sir John's tale of Chanticleer and Pertelote, which I believe holds an important hidden moral. I will try to apply this moral, concerning flattery, to our daily lives. Lo, thus it goes with carelessness, you see, And with too great a trust in flattery. Now do not judge as folly, my good men, This simple tale of fox and cock and hen.

It has a moral hidden in a laugh; Be wise and take the grain, but leave the chaff.

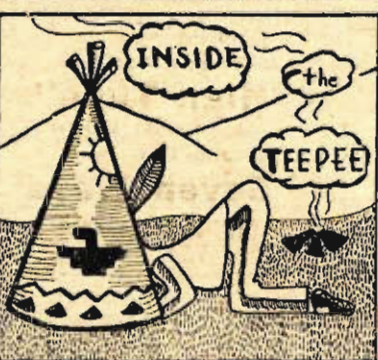

Flattery is defined as showering praise or attentions upon an individual to gratify the recipient's vanity or to ingratiate oneself and to portray too favorably. Flattery is the main point to consider in determining the lesson of life, hidden in Sir John's tale. Flattery is almost never sincere, it merely plays on self-love or vanity by artful praise. Flattery and complimenting differ in that complimenting is a courteous expression of admiration whether sincere or merely formal; flattery is not sincere in that it is a means to attain one's own selfish ends.

The tale of the fox versus the cock and hen portrays a fault in human nature that is now, and probably always will be present. It is that fault which is associated with not being able to separate the grain from the chaff. The grain of a plant is, the seed or the basic most important part. While the chaff is merely the husks or outer covering of grain, which is separated from the seed by threshing and so forth. Chaff is also light and worthless. Like the fox, some of us are careless and put too great a trust in flattery. Flattery is the chaff of the grain — that motive which is behind the flattery. The fox, unable to separate the chaff and grain, had to suffer the consequences. Man also must face consequences due to a situation of this type. To determine what is chaff and what is grain, we must think logically and view a situation with an objective attitude. Why have I mentioned chaff, grain, flattery, and complimenting? I have mentioned and contrasted them to try to give a simple example of sincere and insincere, necessary and unnecessary.

Flattery is necessary to some to whet their vanity and to make them feel important and needed. Others can recognize base flattery from a sincere compliment, the result is just a lowered opinion of the flatterer, or aggravation. Flattery can be both constructive and destructive, with emphasis on the latter. As I have mentioned, to some people flattery is necessary for their ego. In some cases of this type it would be of the constructive nature. If it would increase happiness or make one's life a little more pleasant it must be of some value. On the other hand, it is most often used destructively. For example: the greedy young business man quite overwhelms the big boss with praise, with that common dollar sign in the back of his mind. Destructive flattery can hurt the flatterer as well as the recipient. Do unto others as you would have them do unto you.

Separating chaff from grain comes only through experience. The fox learned this way and so must man. Let us hope that it will not take a multitude of experiences before we are able to recognize this. Let us not let carelessness stand in the way of a clear understanding of life — both the good things and the bad. Through our experiences let us profit and thus gain wisdom.

BEG YOUR PARDON!
Apologies to Jan Scruggs. She should have been listed on the scholastic honorable mention list.

This is the holiday season when turkey, dressing, and pumpkin pie are chief items on the menu, and there's only one place for you and me — that's gathered around a table with our bibs on! Jean Warner is certainly not going to let New Year's Eve slip by unnoticed — she tells us it's on December 31 this year. We commend you on your splendid memory, Jean.

Crash — well I wonder how that happened? Mr. Robinson was quite shocked in World History when the map came crashing to the floor, we had our own little "Fall of the Greek empire."

Congratulations are in order to Carol Overmyer and Sam Medbourn, they recently tied the fatal knot!

We also want to thank the Pep Band for their splendid performance at the Tyner-Culver game. They were decked out in their new red vests — compliments of the Home Ec. III girls.

Oh ooh, the blood — "operation cut-up." The juniors came through with a real crazy skit for the latest dance, we only hope no one is suffering from ill effects.

Monterey holds a special meaning for Bonnie Good in a masculine form.

Ow! that cry came from the sixth period U.S. History class. Boy you find those darn tacks in the oddest places — this time it was on Nancy Prosser's chair. Gee, I'll bet that smarts. If anyone gets to feeling real sympathetic you might donate a pillow!

Oh, blush, blush, Jean Eikenberry, that was a lovely solo you sang in choir the other day.

Lance, what ever became of your class ring? Oh, you say its being fixed!

Last Saturday we saw a good example of brawn match brains, and we thank all of you who attended our wrestling match.

As the hands creep slowly around the face of the clock I see it is time to get back to the business at hand. I hope you all have a very nice Thanksgiving!

Christmas Concert Set For Dec. 4

By CHARLENE LUCAS

The Senior Band, Junior Band and High School Choir are all very hard at work in preparing for this year's annual Christmas Concert. The concert will be held on Dec. 4, at 3:00 p.m. in the high school gym. The Music Department has an outstanding program planned with music for every member of the family. The public is cordially invited to attend, and we hope to see you all there.

The newly organized Pep Band made its first public performance last Friday night at the Tyner-Culver ball game. The boys were dressed in black slacks, red vests, and black derbys. You looked real sharp, boys!

The High School Choir will also sing with the Academy Choir and combined Church Choirs at the Vesper Service on Dec. 11, at the Academy.

Pep Club and Band Made Bow At Game

By BETTY ZECHIEL AND MIMI FISHER

Pep Club — The Pep Club performed at the Tyner and Culver home game on Friday, Nov. 18. The pep band looked real sharp! The boys wear black slacks, red vests, suspenders, and black derbies. The pep block consists of all girls this year so look for some pretty loud yells!

Ushers Club — We have been kept real busy since basketball season has started.

Sunshine Society — Sunshine had a meeting last Wednesday. Our topic this month was "Sunshine Soars in Politics." Rochelle Good was the chairman and Jean McCoige and Charlene Lucas gave special reports on political issues. We are planning a Snow Ball Hop for Dec. 22.

Day, and till we meet again — keep smiling, it takes so little effort!

Brucker gave a brief talk on the Farm Bureau National Convention, and Robert Coleman discussed the 1961 membership drive.

A demonstration and helpful hints were given by Barbara Ann Brucker, on grooming and naming the different parts of the horse, also she told what she had learned by being in the saddle club project.

Barbara Ann Brucker and Jerry Reinholt each received a calf halter presented by Dean's Milk Co. for having the most outstanding dairy record book.

4-H memo books and 4-H member pins were presented to John Large, Jerry Reinholt, James Fleury, Linda Manakowski, Sheryl Feece, Betty Doty, Jim Keller, Loren Lewis, Arthur, David and Robert Kelsey, Melvin Mahler, Beckie Good, Barbara Ann Brucker, Ruth Faulstich, Paul Ruschau, and David Winter for attending most 4-H meetings.

He completed nine years of 4-H Club work and was a 1959 Purdue University graduate with a B.S. degree in Agriculture Education. Wayne told his experience while living with Brazilian farm families discussing and exchanging ideas between our two countries to help further better world understanding.

He says, "We as Americans tend to think that the people of our brother nations are quite different. However, upon learning their language and conversing with them, their true goals, de-

sires and hopes are much similar to ours."

From where I sit... by Joe Marsh

The Milky Way Tragedy

Chub Jackson, the town's only milkman, tells us he missed on an important delivery the other day.

Up way before dawn, Chub went busily about his daily rounds. Three quarts of milk for Mrs. Anderson, a gallon of milk for the Fishers, and so on.

Finished with his deliveries, Chub pulled the empty truck up to his front door. "What would you like for breakfast?" called his missus. "A big bowl of cereal with cream," answered Chub. "Sorry, dear," said Mrs. Jackson, "the milkman passed us by today."

From where I sit, it's wonderful the way folks forget themselves to do things for others. My neighbors are like that. When I have supper with them, they always serve my favorite foods and my favorite beverage—beer! They drink tea themselves, but they're happy to accommodate my preference. If we all accepted each other's right to have preferences, we'd never "milk" our friendships dry.

FIRST CHURCH OF CHRIST SCIENTIST

423 S. Michigan St., Plymouth
 Morning Worship 10:30 a.m.
 Sunday School 10:30 a.m.
 Spiritual alertness based on an understanding of Truth brings freedom from evil of every kind. This theme will be set forth at Christian Science church services Sunday.

Introducing the Lesson-Sermon entitled "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" will be the Golden Text from Matthew (24:4): "Take heed that no man deceive you."

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (201:7): "Truth makes a new creature, in whom old things pass away and 'all things are become new.' Passions, selfishness, false appetites, hatred, fear, all sensuality, yield to spirituality, and the superabundance of being is on the side of God, good."

From the Bible will be read (Isaiah 1:16,17): "Wash you, make you clean; put away the evil of your doings from before mine eyes; cease to do evil; Learn to do well."

YOUTH FOR CHRIST RALLY SATURDAY AT PLYMOUTH

Marshall County Youth For Christ will be presenting a Rally with an International flavor based on the theme "Around the World in Eighty Minutes." The Rally will be held Saturday night, Nov. 26, 7:29 p.m. in the Lincoln Junior High School Auditorium in Plymouth.

The speaker for the Rally will be Mr. Greg Tingson, often called "the Billy Graham of the Philippines." In 1946 Tingson came to the U. S. A. and spent seven years furthering his education. While in the states he pastored a Filipino church in Chicago. Along with Mr. Tingson, foreign exchange students from Taylor University will be on the program. All music will be geared as closely to the theme as possible. The public is cordially invited to attend.

WESTERN RESERVE COUNSELOR TO VISIT ACADEMY TUESDAY

The purpose of his visit is to acquaint prospective university students with the course offerings of the college.

Ever see "pigeons" on your television screen? Not the feathered kind, but the white dashes which occasionally move across the face of a TV picture. Telephone engineers use this term to describe interference from the many military and navigational radars around the country. They are working to modify the design of radar and microwave systems to keep the "pigeon" in its own frequency cage.

About the only thing a child is deprived of these days is something to tell his children that he never had when he was a kid.

Shrine Circus At South Bend Nov. 25-27

A huge assembly of circus stars from around the world will appear with the third annual South Bend Shrine Club Shrine Circus, produced by Polack Bros. Circus at the Morris Civic Auditorium, South Bend, Friday, Saturday, and Sunday, Nov. 25, 26, and 27. Performances will be given at 2:30 and 8:15 p.m. on Friday, 9:30 a.m., 2:30 and 8:15 p.m. on Saturday, and 1:30 and 5:00 p.m. Sunday. The additional 9:30 performance on Saturday, Nov. 26, which will make seven performances in all, was decided on in order that all children in the area will be sure to have an opportunity to see the Shrine Circus.

Representatives of Polack Bros. Circus in charge of production have assured the public that ample room is available on the spacious stage to produce a real honest-to-goodness circus with all of the atmosphere of the sawdust arena.

The gigantic program features such names as Pat Anthony, sensational wild animal trainer and his 13 jungle-bred lions and tigers; Jeannine Pivoteau, celebrated French aerialist; the Rebertes, acrobatic sensations of Italy; the amazing Joanides of Greece; the Five Fredonias of Germany, in their inimitable acrobatic juggling; Senior Cardona of Mexico; the Luvas Duo, featuring in true circus tradition a mother and son who have won fame as exponents of high trapeze; the Delbosqs and their world-famous musical horse, Serenado, who has won the approval of spectators around the world; Jacqueline Hurley, the girl from Boston, who won fame in Europe, and who appeared in the motion picture, "Seven Thieves;" the Faybrays acrobatic troupe, and many others.

Reserved seats are now available in advance in the lobby of the Morris Civic Auditorium, South Bend.

By PAUL SAFT JR.

The meeting was opened with the Scout Oath and Scout Laws. Scoutmaster Bryce Bigley talked to the scouts about the hike we are planning next Saturday. We are planning to hike out to the Bigley Orchards and get materials for Klondike Derby sleds. Each patrol will make its own sled. Bryce also told us about the Court of Honor which is to be held Dec. 12.

Dues were collected and we went into our patrol corners. After our patrol corners, we had games with Assistant Scoutmaster Carl F. Foust. First we learned how to apply a tourniquet, then we had a relay race to see which patrol could do it the fastest. The Flaming Arrow Patrol won twice.

Then we played swat 'em. The meeting was closed with the Scout Master's Benediction.

Mr. and Mrs. Norman A. Perry and Mr. and Mrs. Robert D. Robinson spent from Tuesday until Thursday of last week in Chicago. Ben and Earl Mishler attended the Purdue-Indiana football game at Lafayette Saturday.

Culver Indians Scalp Tyner By Score Of 78-58

Papooses Lose By Single Point

By EARL D. MISHLER

The Culver Indians, continuing their fine play on their home court, stomped Tyner here Friday night, 78 to 58. Many people had considered Tyner the most formidable opposition for Culver in Marshall County, but the overwhelming height advantage gave the Indians 86 shots, 36 more than the Redmen, an advantage the visitors could not overtake.

For the second straight game, Coach Tom Benbrook's forces raced to an early lead and were never headed. Led by Lance Overmyer and Gary Dillon, the Culverites scooted to a 22-11 first quart-

er lead. The Redmen, undefeated in three games prior to Friday's meeting, rallied in the second period and closed the gap to 37-29 at halftime. Overmyer, Culver's veteran 6'2" senior pivotman, grabbed 15 rebounds in the first half alone, while Dillon had his usual explosive first half with seven field goals.

Tyner, coached by the veteran Hal Muncie and featuring a red-hot shooting team from the outside, stayed within reach of the Indians in the third quarter, which ended with Culver still leading by eight, 50 to 42. However, the superior rebounding strength of the Indians finally wore down the scrappy Redmen, and a 28-point final period sewed up the victory. Once again Benbrook was able to empty his bench, as Culver at one time led by 25 points, 76-51.

Dillon Is High Point Man

Dillon, finally being able to hit as well in the second half as in the first, piled up high-point honors with 26 markers, and was the cool head needed to break up Tyner's effective full-court press defense. Overmyer and John Benedict dominated the backboards and scored 18 and 17 points respectively. Tom Boswell

added 11, and Larry Davis, although held to four points, sparked on defense. Davis, Boswell, and Dillou smothered the outside shooting of the Redmen gunners. Bob Ruff, the hard-working but underrated Tyner center, led the losers with 15 points.

Tyner's B-Team put on a great fourth period rally to surprise our Papooses, 44-43. Culver blew a 13-point lead in the fourth quarter. Rick Ervin again led the Papooses with nine points, while Jerry Nelson added eight. Both boys are rapidly-developing sophomores. Roy Allen and Richard Bergland led the winners with 17 and 12 points, respectively.

Meet North Judson Next

After a Thanksgiving rest, the Indians travel to North Judson on December 6 for their first test away from the friendly confines of the local gymnasium. Knox is the next team scheduled to visit Culver, that game set for December 9.
