Financial Planning Advised

Thrift Is Still A Wise Policy

By ROGER W. BABSON
No. 1 U. S. Economist

Babson Park, Mass. — Few people seem to realize that it is during a time of prosperity that plans should be made for possible reverses later on. Even though recovery is rolling along, stop and ask yourself a few questions. If you lost your job tomorrow, how much would you and your family suffer financially? Are you snowed under by installment payments? Would a serious illness leave you strapped? Have you borrowed on your life insurance?

Roger W. Babson

Are You Overextended?

A young acquaintance of mine, a man about thirty years old, was recently laid off by a small company for which he had worked faithfully for eight years. He had been making \$100 a week before taxes, but his take-home pay after federal levies was only \$83.20, not including state taxes. And his monthly commitments are: \$70 for mortgage, interest, and real estate tax; \$63 on a 1960 car; \$21 on a food-freezer; \$12.50 on wall-to-wall carpeting; \$30 on a go-now pay-later trip to the West Indies with his wife; and \$16.50 on a new color TV. Right now — and he has no salary coming in — he has department-store bills amounting to several hundred dollars, \$160 owing on his last winter's fuel bill, and past-due light and phone bills. Merchants and service firms have already put him on a strictly cash basis.

It is possible that this man is not typical of most young workers, but I am afraid there are altogether too many who would fit into this category. With full employment and occasional raises, he might have pulled himself out of his financial jam. But my point is that he, like so many others, has greatly overextended himself.

Victim Of The Times

I can't say that I wholly blame the young man for letting himself get trapped. He is a product of the "unending" prosperity that has followed World War II. Like many others, he has been bludgeoned by magazine, TV, and radio ads into overloading. With more money to spend than he had ever had before, he was tempted out over his depth. In 1946, families were spending only 45% of their incomes for the essentials of living, with some 55% left over for luxuries. By 1954, fixed charges were taking 53% of income, with only 47% left for discretionary buying. Since then the trend has continued in the same direction, until a substantial majority of a family's income is now eaten up by fixed charges such as food, rent, and installment debt. This may be all right as long as a boom is in progress. But let a recession hit, or let strikes or automation layoffs become serious, and the heavy burden of installment commitments which many people are carrying could mean economic catastrophe.

Thrift Still A Wise Policy

This troubles me, especially because I know that major cycles of business overexpansion and depression will always be with us. The inevitable quirks of human judgment will see to that! Hence, the present all-out acceptance of installment buying as a perfectly natural way of life causes me much concern. Careless spending is encouraged by any system that postpones payment for something

Truman Replaces Swearingen As County GOP Treasurer

Discussing the post of the treasurer of the Marshall County Republican Central Committee are: left to right, Paul Swearingen, Howard Menser and Paul Truman. Swearingen has resigned as treasurer and Menser, newly elected county chairman, appointed Truman to the post.

Appointments Made By Culver Town Board

The following appointments were made by the Board of Trustees of the Town of Culver at their regular meeting Jan. 2, 1962:

Hugo Anderson — Plan Commission for a four year term, re-appointment.

Mrs. Thelma Hodges — Plan Commission for a four year term.

Donald Mikesell — Plan Commission for a one year term.

Bernard Busart — Plan Commission for a one year term.

A. R. McKesson — Plan Commission for a one year term.

Robert Berger — Re-appointed for a term of four years to the Board of Zoning Appeals.

Mrs. Thelma Hodges — Board of Zoning Appeals for the unexpired term of Hampton Boswell, a term of one year.

Peter D. Trone In New CMA Summer Schools Position

Rear Admiral John W. Bays, director of Culver Summer Schools, has announced the procurement of Peter D. Trone to do additional work in behalf of the Culver Summer Schools.

Mr. Trone will represent the Summer Schools in meetings in several states during the next six to eight weeks with Culver Summer School alumni. His job will be to stimulate interest in the Summer Schools with prospective patrons and other people.

A 1948 graduate of the Culver Summer Naval School, Trone has served as Division Commander in the Woodcraft School and also has been in charge of waterfront activities for the Woodcrafters.

MARIE LINDERMAN DIES

Mrs. Marie Linderman, age 65, and widow of the late Carl L. Linderman, died suddenly in the home of her sister, Mrs. Robert A. Twente, in Indianapolis on Dec. 28, where she had gone for a visit.

Burial was held in Indianapolis on Jan. 2. The Linderman's resided at Route 4, Rochester, near DeLong and came from Indianapolis to that community in 1950. She was well known around Culver.

Don't send the kids to church — take 'em!

Paul Truman, Plymouth auto dealer, is the new treasurer of the Marshall County Republican Central Committee.

The appointment was announced today after Howard Menser, newly elected county chairman, reluctantly accepted the resignation of Paul Swearingen, Plymouth merchant, who faithfully served as party treasurer for the past 10 years.

Menser said that he does not contemplate any change in the post of party secretary now held by Mrs. Eva Sheneman. Mrs. Helen Johnson of Bourbon is the county vice-chairman.

"I have enjoyed every minute of it but I believe that after 10 years it is time for someone new to take over this job," Swearingen said. He placed great emphasis on the fact that he was not being relieved of his duties but was resigning because he believes there is a definite need for new inspiration.

"I believe everyone should spend some time in politics to find out how government operates and to take part in community activities," Swearingen added. "I started discussing resigning as treasurer two years ago," he noted. He expressed his appreciation for the help and cooperation he received in raising party funds.

The Paul Truman family resides at 900 East Jefferson St. in Plymouth.

V.F.W. EXPRESSES THANKS FOR CHRISTMAS CONTRIBUTIONS

The V. F. W. wishes to express their deep thanks and appreciation to community residents and merchants for their generous contributions of food and toys which were distributed to the needy at Christmas time.

The community children's Christmas party staged at the El Rancho Theatre on Saturday, Dec. 23, was thoroughly enjoyed by 275 children who saw the special films and received treats from Santa Claus.

BOY SCOUTS AND LIONS CLUB TO CONDUCT PAPER AND RAG DRIVE THIS SATURDAY

Boy Scout Troop 290 and the Culver Lions Club are sponsoring a paper and rag drive which will begin at 9:30 Saturday morning, Jan. 13. Areas to be covered are the town of Culver, Academy homes, East Shore Drive residences, and Maxinkuckee Road as far as the church. Rural folks may drop their bundles at the bank parking lot. They request that bundles be placed at the curbs before 10:00 o'clock.

The State Exchange Bank Has Most Successful Year

Combined Resources Over \$33 Million; Capital Structure Exceeds \$2 Million

W. O. Osborn, President of The State Exchange Bank, of Culver and Argos and the Farmers State Bank, of LaPaz, as well as the State Exchange Finance Company, reports that 1961 was one of the most successful years these institutions have ever had.

Combined Resources

The combined resources of the two banks and one branch shows a fabulous increase of \$1,319,000 over the year before and the total resources of the State Exchange Finance Company show an increase of \$500,000 over the past year.

Culver Military Academy Featured In Time Magazine

The January 5, 1962, issue of Time Magazine carried a feature article on Culver Military Academy including a picture of Major General Delmar T. Spivey, USAF (Ret.), superintendent, with a group of Culver Cadets.

The article, entitled, "Education," was as follows:

MOLDING MEN

"They advertise in about a thousand magazines, always showing some hot-shot guy on a horse jumping over a fence . . . And underneath the guy on the horse's picture, it always says: 'Since 1888 we have been molding boys into splendid, clear-thinking young men.' Strictly for the birds. They don't do any damn more molding at Pencey than at any other school. And I didn't know anybody there that was splendid and clear-thinking and all."

"Many an educator seconds Hero Holden Caulfield of The Catcher in the Rye, whose wry view of 'Pencey Prep' echoes the language repeatedly used in advertising military academies. For military schools are widely scorned as something akin to reform schools with tuition — handy places for the rich or the divorced to dump incorrigible offspring. 'Military schools are a symbol of the abdication of parental responsibility,' scoffs one non-military headmaster.

HOCK-HIGH IN HORSES

"Happily contradicting this gloomy picture is the better military academy, more academic than military, which is actually a first-rate college preparatory school. Perhaps the best example is Indiana's big (\$38 boys) Culver Military Academy on the shores of Lake Maxinkuckee. Last week Culver was putting on a \$5,000,000 fund-raising campaign for a 'Program for Excellence' that will create 70 new scholarships, build a center for alumni and parents, endow faculty salaries with \$2,250,000. Even without all this, Culver has more excellence than most civilian schools.

"Culver is a 1,400-acre complex of parapets and playing fields that looms out of monotonous farmland like a Hollywood blend of West Point, Dunsinane and Fort Laramie. The school is hock-high in horses — 140 of them — plus an indoor polo field, 150 boats, twelve football fields, 15 tennis courts, a bakery and a barbershop, as well as a 44-room hotel and a 64-room motel for visiting parents and girls down for dances. But most of all, Culver has academic status: 99.2% of its graduates have gone to college (and not predominantly to service academies — only 18 have done so in the past four years). Stanford rates Culver among the top five private secondary schools in the U.S.; Yale includes Culver in a list of twelve prep schools that it recommends to inquiring parents.

KNEE-DEEP IN ARTS

W. O. Osborn

reported that the total combined resources of the Culver, Argos and LaPaz banks, as shown by the year end statement, were more than \$33,000,000; in addition to which the total resources of State Exchange Finance Company were in excess of \$6,000,000, making the total resources of the three banks and finance company slightly in excess of \$39,000,000.

Capital Structure

It was pointed out that the total capital structure of the three banks was in excess of \$2,000,000 which was the largest capital structure of any banking institution operating in this vicinity.

A full and complete report of the year's business was made to the Stockholders on Tuesday, Jan. 9, 1962, at their Annual Meeting.

Gained Many New Customers

The report made by the officers of the bank would indicate that these banks have gained many new customers during the past year, which in most instances can be attributed to the services which these institutions are continuing to render.

The officers of the bank were optimistic about their chances for having another good year in 1962.

Culver Opens County Tourney Against West

By E. D. MISHLER

Pairings for the 1962 Marshall County basketball tourney announced last week found Culver's Indians drawing West Township in the first game tomorrow night. The completion of the schedule pits Bremen against Argos, also tomorrow night, with Bourbon meeting Tazewell and Tippecanoe facing LaPaz Friday evening. The semi-finals will be played Saturday afternoon starting at 1 o'clock and the title tilt is scheduled for 8 o'clock that night. Action on Thursday and Friday will begin at 7 p.m.

Coach Gene Crosley's Indians will be a solid favorite for the first time this season against the hapless West Bulldogs. Culver (1-9) has shown some improvement after losing their first eight games. Senior forwards Jim Carter and Tom Boswell lead the Indians' scoring with averages of 11.7 and 10.2 ppg, respectively. West coach Bill Snyder, also in his first year, has not yet tasted victory. Despite the fact that his starters are all seniors and experienced players, Snyder's boys have fallen 11 straight times this year. Forward Jim Muday is in his third straight year as leading Bulldog scorer, averaging 19.3 ppg this season.

Bremen Favored Over Argos

Bremen's Lions are heavy favorites to defeat Argos in the second game tomorrow night. Coach Chuck Blackburn's defend-

Noted Guitarist And Lutenist To Perform At CMA

JULIAN BREAM

Noted English guitarist and lutenist Julian Bream will appear in a concert performance at 8:15 p.m. Saturday, Jan. 13, at Culver Military Academy.

The performance is the sixth event in Culver's 1961-62 Concert-Theater Series, and it will be attended by the Academy's corps of 838 cadets, the faculty, and the general public. It will be staged in the Eugene C. Eppley Auditorium.

The 28-year-old Englishman will be heard in a program divided equally between classic and modern guitar music, and music for the lute.

Bream's American debut three seasons ago was an outstanding success, and he proved to be particularly popular among people of his own generation. Harvard sold out well in advance for his all-lute recital. At the University of Connecticut the concert was moved in the middle of the performance to a 3,000-seat hall to accommodate the waiting crowd. At Vassar College, girls were put in the corridors, and even Bream's dressing room, to take care of the overflow.

The subject of the leading article in the music section of Newsweek (Jan. 8, 1962), Bream has been praised by leading music critics who have attended his performances. Allen Hughes said in the New York Times: "His instruments spoke softly, but they spoke purely and directly, and one was almost surprisingly satisfied by what they had to say."

Born in London, the guitarist and lutenist played his first professional engagement at the Cheltenham Festival in 1947 and two years later made his London debut. Bream grew up in a musical family and began studying the piano when he was 10.

Mail and telephone reservations may be made by contacting William J. Martin, director of theater at Culver.

Culver Opens County Tourney Against West

(Continued from Page 1)
ing champions are young and inexperienced, but if senior guard Jim Morris recuperates from a football injury in time, the Lions will be hard to stop. Bremen (5-7) defeated Argos, 72-46, last month, without Morris, who has averaged 18.2 ppg in five games. Sophomore forward Buzz Anglin leads the attack when Morris is absent with a 12.3 ppg mark. Argos, coached by Doug Fites, has compiled a 4-8 record this season, but two Dragon victories were against winless teams, Akron and West. Veteran center Terry Thompson leads the Dragons with an 18.6 average, followed by soph guard Phil Hoskins at 10.9.

Friday night's action promises to be a bit more heated and closely contested. Bourbon, boasting a 9-2 record, easily the best in the tourney, faces Tyner, whom they bombarded, 92-53, in their season opener. Coach Dick Campbell's Comets are deep and fast. It is not uncommon for 10 or 12 men to see action even in close games. Chris Booz, a junior forward, leads the attack with a 15.3 average. Coach Hal Muncie's Tyner Redmen (8-4), with four players in their third year as starters, are out for revenge. Forward Rex Stull, who led the county in scoring last year, is out in front again with a 21.0 mark. Stull is supported by Chuck Creech at 12.8.

Tippecanoe Has 5-5 Record
Tippecanoe, coached by first-year man Tom McPherron, has given several area powerhouses rugged encounters. Their 5-5 record may be misleading. Veterans Billy Robinson and Mick Moran, averaging 20.2 and 12.5 ppg, respectively, have been supported this season by soph Bob Trowbridge at 10.7. LaPaz' Vikings have shown steady improvement this season. Coach Dale Cox' boys, with a 2-9 record, have upset Tyner, and gave Bremen, with Morris, a hard game on the Lions' home floor. LaPaz features balanced scoring, led by seniors Mike Wynn and Rodger Kaufman, averaging 13.3 and 11.0 ppg, respectively.

If the favored teams all come through, Culver, Bremen, Bourbon, and Tippecanoe should return for semi-final action on Saturday. Prospects are good for a return match between Bremen and Bourbon, who battled it out in last year's title contest. But upsets are bound to happen. Our hunch is that darkhorses Culver and Tippecanoe will give the favorites more than enough headaches.

Six Argos Scouts To Receive Eagle Rank Tonight

Six boys of the Argos Boy Scout Troop 255 will receive the highest honor of scouting, the Eagle Rank, at the Argos Community Building tonight.

The public is invited to attend the meeting which will begin with a potluck dinner at 6:30 p.m. (DST).

Those slated to receive the award are Kenneth Leland, Dennis Cannan, Douglas Cannan, Gene Kelly, Roger Leland, and Mike Howton.

W. O. Osborn of The State Exchange Bank of Culver will be the speaker at the program and Henry Schricker of Knox will be a guest.

Each boy will have a sponsor from the field he hopes to pursue in adult life. The sponsor will present each Scout his award.

WSBT-TV Station To Construct New Tower

WSBT-TV, in South Bend, obtained approval from the Federal Communications Commission on Friday, Dec. 29 for a new, taller antenna and tower which will improve local reception and provide a clear picture in present fringe viewing areas. The federal agency announced in Washington that the station can construct a tower and antenna 1,047.55 feet tall and increase power from the present 265,000 watts to 480,000 watts. Maximum effective radiated power.

Arthur R. O'Neil, General Manager of the station, said construction of the tower base will begin shortly after soil test borings are completed to facilitate the final design of footings.

Today's FCC ruling will result in a better, clearer Channel 22 picture with greater contrast between dark and light shades for TV set owners throughout the station's present viewing area.

It will make WSBT-TV the most powerful TV station in the state. The target date for providing the stronger signal is next

Photography Exhibited At Culver Academy

The Popular Photography International Exhibit will be on display at Culver Military Academy until Jan. 20.

Sponsored by the Art Department, the exhibit is located in the art gallery of the Music and Arts Building, and is open for viewing by camera clubs and the general public daily from 8 a.m. to 10 p.m.

The exhibit features approximately 100 photographic prints, both color and black-and-white, representing examples of contemporary photography from all over the world. All prints are selected from prize-winning photographs in the Popular Photography \$25,000 International Picture Contest, the biggest yearly competition in the world.

The exhibit covers a broad range of subject matter from dramatic and human interest photographs to landscapes and outstanding examples of portraiture. They demonstrate the great forward strides made by the photographic arts in recent years.

While the exhibit has a moving experience to thousands of viewers (more than a half-million last season) many of whom are not photographers, the technical information on each picture, describing the type of equipment, camera settings, the film, enhances the value of the exhibit to photographers.

Mr. and Mrs. Merl Crabb and Mrs. L. A. Crabb were dinner guests Sunday of Mr. and Mrs. Charles Heminger of Argos.

June 15.

With the new tower and antenna and increased power, the Channel 22 good-viewing area will expand from about 4,500 square miles to more than 8,000. The area will extend to Kalamazoo in Michigan and to Gary, Logansport, and Kendallville in Indiana, increasing the station's coverage from the present 750,000 viewers to more than a million.

Miss Judith Ann Thompson Speaks Wedding Vows With Joseph L. Currens

MR. AND MRS. JOSEPH L. CURRENS

Poinsettias and greenery formed the setting at St. Thomas Aquinas Catholic Church in Knox for the Saturday morning, Dec. 30, wedding at 10.45 o'clock which united in marriage Miss Judith Ann Thompson and Joseph L. Currens.

Mr. and Mrs. R. E. Thompson, 207 South Heaton St., Knox, are parents of the bride and Mr. and Mrs. R. L. Currens of Burr Oak are the parents of the bridegroom.

Father Casimer Senderak performed the double-ring ceremony and the Ave Maria was sung when the bride dedicated a bouquet to the Blessed Virgin.

Given in marriage by her father, the bride was lovely in her floor length bridal gown of bouquet taffeta which featured short sleeves, a scooped neckline, and a fitted bodice trimmed with pearls. The dramatic back interest of the very full skirt was a puff effect. Her fingertip veil of imported silk illusion fell gracefully from a double crown of aurora borealis crystals. Her floral arrangement was centered with a large white orchid.

Miss Diana Kossnar was bridesmaid and appeared in a red velvet dress accented with a satin bow. The bell skirt had sculptured soft pleats and her hat was in the form of a tiara which was accented with pearls. She carried red carnations outlined with white carnations.

Edward Dembowski of Knox was best man and ushers were Nino Vetrana, Calumet City, Ill., and Ralph Condon of Knox.

For her daughter's wedding, Mrs. Thompson selected a black sheath dress with white accessories and the bridegroom's mother chose to wear a navy blue dress with white accessories.

Both mothers wore corsages of white carnations.

Following the ceremony a reception was held for 200 guests at the V.F.W. Post Home just south of Knox.

For their honeymoon to Chicago, Ill., the new Mrs. Currens selected a gold suit with black accessories and added the white orchid from her bridal bouquet. After Sunday, Jan. 7, the newlyweds will be at home at Route 2, Culver.

Attending the wedding from Calumet City, Ill., was Mrs. George Beechina, grandmother of the bride.

The bride is a graduate of Merrillville High School and attended Indiana University.

The bridegroom is a graduate of Culver High School, attended Indiana University, and is a member of Delta Upsilon Fraternity. He served four years in the U.S. Air Force and is employed at Thompson-Smith Co., Inc., of Hamlet.

The Rex Mawhorters Return From California Vacation

Mr. and Mrs. Rex Mawhorter returned last week from a two-weeks' visit with their daughter, Mrs. John (Martha) Harrell, Mr. Harrell, and their two-year-old daughter, Mary Ann, of La Mesa, Calif.

Mr. Harrell is a computer programmer at Convair and has recently been invited to join the faculty of California Western University at San Diego to teach their new course in computer programming.

Engagements

Boswell-Kline

MISS CAROLYN BOSWELL

Mr. and Mrs. Hampton Boswell, 433 Harding Court, announce the engagement of their daughter, Carolyn, to Robert Kline, son of Mr. and Mrs. Wayne Kline, Route 1, Culver.

Miss Boswell is a graduate of Culver High School and Hanover College and received her M.A. degree from Northwestern University. She is presently teaching English in the Ottawa High School, Ottawa, Ill.

Mr. Kline graduated from Culver High School and Purdue University and is employed at the Continental Illinois National Bank in Chicago.

A June wedding is being planned.

Sipes-Winkelman

Mr. and Mrs. C. Art Bennett, 704 College Ave., Culver, announce the engagement of their daughter, Miss Johnnye Sipes, to

Paul Winkelman, son of Mr. and Mrs. Ottomar Winkelman, 1971 Zahn St., Huntington, Ind.

The bride-elect is a 1958 graduate of Culver High School and since last May has been employed at the Community Bank in Huntington.

Mr. Winkelman is a graduate of Huntington High School and an employee of the Erie-Lackawanna Railroad at Huntington.

No wedding date has been set.

Home Demonstration Club Holds January Meeting

Twenty-one members of the Culver-Union Township Home Demonstration Club met Friday, Jan. 5, at the Burr Oak E.U.B. Church Annex.

The meeting was opened with "A New Year's Thought" read by the president, Mrs. Harry Leffert.

Mrs. Ora Overmyer gave the devotions taken from the book of Hebrew. After members read the club creed, the birthday song was sung to Mrs. Ferris Zechiel.

Mrs. Zechiel led the group in singing the song of the month and Mrs. George Kerrigan read a poem. Roll call followed with members answering with "a habit to break this year."

The program books were re-

viewed and several plans were made for the year's activities.

Mrs. Guy Davis drew the door prize and the meeting closed with the club members singing the club prayer.

During the social hour the members enjoyed two contests.

Lovely refreshments were served from beautifully decorated tables in keeping with a winter motif. Hostesses were the executive committee composed of Mrs. Leffert, Mrs. Charles White, Mrs. Kerrigan, and Mrs. Wilfred Craft.

Culver City Club Literature Group To Meet January 18

The Culver City Club Literature Group meeting will be held at 8 p.m. on Thursday, Jan. 18, at the home of Miss Ruth Shanks.

Mrs. Peter Onesti will give the inspiration and Mrs. L. Beatty of Plymouth will present a book review, "The 27th Wife."

Assisting Miss Shanks will be Mrs. George Kerrigan, chairman; Mrs. Gladys Ikirt, Mrs. J. B. Allen, and Mrs. Roy Wickizer.

Junior Woman's Club Met Monday With Mrs. John Cleveland

Monday evening, Jan. 8, twenty-five members of the Maxinkuckee Junior Woman's Club and one guest, Mrs. Gene Crosley, met in the home of Mrs. John Cleveland to hear Robert Bauman of Culver Military Academy, tell of some of his experiences while teaching in the Hawaiian Islands.

While Mr. Bauman talked, each one of the members present seemed to be transported from our sub-zero temperatures, straight to the tropics for a pleasant stay in the Hawaiian sun. It was a trip which was thoroughly enjoyed by everyone.

During the business meeting, Mrs. Robert McKinnis, president, welcomed Mrs. James Bonine and Mrs. Joseph Pacilio as new members of the club.

Election of officers was held, with Mrs. William Snyder being elected president; Mrs. Richard Hoedel, vice-president; Mrs. John Middleton, secretary; and Mrs. Loren Voreis, treasurer. Mrs. McKinnis, retiring president, will serve as trustee. These officers will begin their term of office next July 1. Closing thought was given by Mrs. William Herrmann.

The next regular meeting will be held Jan. 22, at the Bank Auditorium. The Argos Junior Civic League will be guests of the club for that evening. The program will be presented by Mrs. William Martin.

Assisting the hostess were Mrs. James Cox, Mrs. James Moore, and Mrs. Edward Schultz. Refreshments were served from an attractive table decorated in the Hawaiian theme.

Tri Kappa Meeting Changed To January 15

The regular monthly meeting of Tri Kappa Sorority will be held on Monday, Jan. 15, at 8 p.m. instead of Jan. 22 as scheduled in the program year book.

Mrs. Fred Adams will be hostess and assisting hostesses are Mrs. Clarence Bair Jr. and Mrs. John W. Oldham.

Wide Awake Class To Have January 19 Meeting

The Wide Awake Class of the Methodist Church will meet in the Youth Room Thursday evening, Jan. 19, at 7:30.

Hostesses for the meeting will be Mrs. Anna White, Mrs. Roy Cronley, and Mrs. Agnes Van-Pelt.

Entertains S. K. Club

Mrs. Robert Riewoldt entertained in her home Friday evening for the members of the S. K. Club. Following the dessert

The John Wagners Observe Fortieth Wedding Anniversary

Mr. and Mrs. John Wagner, Route 2, Culver, observed their 40th wedding anniversary with a reception at the Evangelical United Brethren Church from 2 to 4 p.m. Sunday. The Wagners were married on Jan. 7, 1922, at Plymouth, but have lived in Culver all of their married life.

Refreshments of cake, mints, nuts, coffee, and punch were served from a table centered with a lovely floral arrangement of red roses and white pompons. Two beautiful bouquets, one of red roses, and another of red and white carnations, gifts to the honored couple, adorned the gift table.

Marilee Zechiel was in charge of the guest book. Presiding at the refreshment table were Mrs. Alvin Zechiel, Mrs. Jesse White Ann and Jan Wagoner, and Patty Lutz. They were assisted by Mrs. Ellis Licht, and Anna Lee, Vickie, and Rita Lutz.

Devotions were given by Rev. Walter Chisholm, pastor of the church, and several accordion numbers were played by June Ellen Zechiel of Monterey. A selection of organ music, played by Paul White, and recorded especially for the occasion by Lawrence White, provided a musical background.

About 135 guests were present from Culver, South Bend, Monterey, Leifers Ford, Plymouth, Rochester, and DeLong.

Honored On Birthday

Mr. and Mrs. Charles Ferrier entertained Thursday evening at a surprise dinner party in honor of the birthday of their daughter, Tina.

Guests present were Mrs. Clark Ferrier, Mr. and Mrs. William Easterday, Miss Bess Easterday, and Mr. and Mrs. Eliza Hawkins.

Music And Art Group To Meet With Mrs. W. Helber

Members of the Music and Art Group of the Culver City Club will meet at 2 p.m. on Thursday, Jan. 18, in the home of Mrs. Wallace Helber.

Mr. Theodore Good will be the guest speaker and the subject of his talk will be "Interior Decorating."

Assisting hostesses will be Mrs. Lester Snyder, Mrs. Kenneth Cole, and Mrs. William Easterday.

William Oberlin Named To Staff Of American Legion

WILLIAM "BILL" OBERLIN

INDIANAPOLIS — Appointment of William W. Oberlin, a former Culver resident, to the Public Relations staff at National Headquarters of The American Legion in Indianapolis, has been announced by National Adjutant E. A. Blackmore.

Oberlin, a twice wounded veteran of World War II, served 4 1/2 years in the infantry with overseas service in the European Theater. He was discharged from O'Reilly General Hospital Springfield, Mo., in 1946 with the rank of major.

He was born in Herscher, Ill., on Feb. 13, 1921, attended public schools in Culver, graduated from Culver Military Academy, and later attended Indiana University.

Following his separation from military service, Oberlin served eight years as county assessor for Marshall County. In 1956, he purchased the Progressive Printing Company, Greencastle, Ind., which he operated for five years.

In 1959, he was named Editor-Publisher of The Columbian, the monthly magazine publication of the Columbia Club of Indianapolis.

Census Bureau To Collect Data On Purchasing Plans

The January Current Population Survey will include special questions on plans to purchase automobiles, television sets, washing machines, and refrigerators, the U.S. Census Bureau announced today. This is part of a quarterly survey being made at the request of the Federal Reserve Board for use in a national study of consumer buying trends.

At the request of the Defense Department, home owners in the Current Population Survey panel will be asked if they have a fallout shelter or if they intend to install one within the next 12 months. Another special question will cover television set ownership. This question is being asked at the request of the Advertising Research Foundation.

The special questions on con-

sumer buying plans, television set ownership, and fallout shelters are in addition to the regular inquiries on employment and unemployment which are asked each month in the Current Population Survey.

The Current Population Survey will be conducted here and in 332 other sample areas of the country during the week of January 15. Information will be collected locally by Qualified Census employees.

Census Bureau activities in this area are supervised by Theodore F. Olson, Regional Field Director, 433 W. Van Buren St., 1211 New Post Office Bldg., Chicago 7, Ill.

There will be preaching services next Sunday following Sunday School. Attendance last Sunday, 56.

The second session of the School of Missions for the Methodist Churches in the group ministry of this area will be held at this place next Sunday evening. A fellowship time with refreshments will be held from 6:30 until 7 o'clock, and the class period from 7 until 8. Guest speakers will be Rev. and Mrs. Ralph Miller and this session is from 8 until 9 o'clock. There are four classes: "The Land of Eldorado," an adult missions course on Latin America taught by Mrs. Guy Davis; "The Meaning of Suffering," a study course on spiritual life taught by the Rev. Ted Roberts; "Days of Decision," a missions course for MYF taught by the Rev. Calvin McCutcheon; and "Time of the Condor," missions course for Junior High taught by Mrs. Rex Good. The first meeting was held last Sunday evening at Monterey with an attendance of 79.

Because of mumps in the Harry J. Overmyer home the meeting place of the WSCS was changed and held with Mrs. Paul E. Winn Wednesday afternoon. The lesson was based on the article, "A Les-

son from Bolsa," and was a study of the Language School in Costa Rica where the Spanish language is learned preparatory to work in the Latin American countries. The meeting next month will be held with Mrs. Clyde Beckner.

Mr. and Mrs. Eldon Davis attended the funeral of their uncle, Lee Moore, held in the Methodist Church in Rochester Monday afternoon, Jan. 1.

The Davis brothers, Guy, Norman, Emery, and Dale with their wives and Larry Davis held their annual get-together in the Guy Davis home on Thursday evening, Dec. 28. The occasion also honored Guy's birthday which occurred on that day.

The congratulations of this community are extended to Gene Kelly, son of Mr. and Mrs. Francis Kelly, upon having the high honor of the Eagle Scout Award bestowed upon him this week in Argos. Gene is one of six boys in this area who will receive this high award. Only five other boys in this community over a period of 40 years have received this top scout rank. Our congratulations and best wishes to you, Gene.

Every family breadwinner knows that a minor accident around the house can lead to major medical expenses. That, says the Institute for Safer Living, is one important reason why home scratches, bruises, punctures, and small cuts should receive proper first aid or medical attention. More important, however, is the danger that if unattended such minor injuries may not heal properly, or may become infected and lead to painful disablement.

Memories Of 1961 Are Sweet For Students

By Bonnie Good and Beverly Barshes

Well, here we are starting a new year. Even though it is the start of a new year, the students at C.H.S. still have vivid memories of the year past. Since this is so, we thought we would pry into their thoughts just a little to find out what their memories of 1961 are. Here is what we found:

- Barbara Rosebaum — The party Saturday and Sunday nights before New Year's.
- Sharon McDonald — A phone call from California.
- Marsha Wentz — Summer vacation.
- Sandy Boetsma — Dec. 25.
- Karen McDonald — Meeting Jim Hopple.
- Jan Scruggs — The wonderful acquaintance of Bruce Miller from Bourbon.
- Shari Croy — A certain cadet at C.M.A. summer school.
- Kathy Clyne — 12:35 Sunday night Dec. 31, Mexico, and sword fish.
- Linda Kose — "Wonderful Town," meeting Bill, and my two wonderful trips to Columbus.
- Barbara Hatten — My trip to California, the Junior Play, and just everything.
- Carol Overmyer — Gary.
- Cheryl Dillon — Tom.
- Charlene Lucas — The summer and as not to be different — Don.
- Sue Ruhnow — The Prom and the Alumni.
- Donna Smith — The New Year's party of 1961.
- Carolee Easterday — The Junior Play and the Winter Formal.
- Bonnie Parker — The Junior Play.
- Linda Behmer — The Junior Play and the party afterwards.
- Bonnie Good — Catching my first fish, and Rodger's sectional at Logansport.
- Vickie Lutz — Christmas dinner at Elmer's.
- Diane Boots — The sophomore show.
- Judy Kimmel — The memories of the summer.

Many Projects For Art Classes

By Sue Ruhnow

The high school students have been working on clay vases and planters. Undoubtedly there will be a variety of shapes and designs. The seventh grade has just finished making hand puppets. The heads are made of paper mache and their bodies of colorful material. I have seen the angel, Chinaman, the dog, and the bewitching voodoo man. Real works of art!

The seventh grade students are now in the process of making animals out of plaster sculpture. It's hard telling what they will come up with this time.

Our sixth grade class is busy weaving pot holders. Again we have a variety of colors.

The elementary students are doing something a little different. They are drawing their main subject with string and coloring the background with crayon. Some of their work is very interesting.

The art teacher, Miss Freeman, is kept quite busy herself making bulletin boards.

By Jane Ann Thomas and Kathy Clyne

BOOM — BOOM — BOOM — BOOM — BOOM — BOOM — BOOM — BOOM — BOOM. It looks like the Indians are on the war path again.

It seems the Christmas vacation was a joyous time for all. The students got a rest from the teachers and the teachers got a rest from the students. Yes, Christmas was a time of joy.

Everyone received nice gifts for Christmas. The girls are showing off new skirts, sweaters, shoes, purses, blouses, jewelry and perfume. The boys show off new sweaters, shirts, vests, belts, and shoes. So to walk through the halls everyone looks neat as a pin.

Everyone enjoyed the Sunshine-Hi-Y Winter Dance. A few of the new couples seen were: Carmen Gretter and Chuck Reed, Kathy Teach and Tom Curtis, Glenda Dawson and Bob Parker, and Martha McAllister and Bob White.

When the dance was over the couples scattered in all directions, some to South Bend, some to Plymouth, and some went home. But the one outstanding couple as I remember was Martha Lowry and Tom Walker. It seems Tom got stuck in Martha's drive way. Is there any truth to this kids?

Over the holidays, parties were in full swing. Marilee Zechiel had a very exciting slumber party. Did everyone have enough to eat? The next day we all found out Marilee likes to ice skate in water instead of on ice, (she fell through). Hey Zeke! Is the water cold and wet?

The New Year's Eve parties sure rang out the old and rang in the new. If you won't take my word for it, ask some of the students.

It seems Pat Lutz needs a foot stool when she goes to the projection room to see a movie.

If some of you are wondering why several of the girls were happy during the vacation and now have drawn faces, it's because their boy friends were home from college and now they have gone back. Cheer up girls, semester vacation comes up soon.

Gloria Baker seemed to have a nice time Saturday night, care to tell us about it Gloria?

My signals are getting crossed with someone else's and I can't understand what they say. Well, I had better blow out the fire and listen again to the sound of the war drums. Boom — Boom Boom — Boom, Boom — Boom — Boom — Boom.

The Chicago Motor Club offers the following driving tips to motorists who find themselves driving during foggy conditions: Reduce your driving speed; set headlights on dim to cut down glare; if fog is too thick, pull your car off the road and wait until visibility improves.

Yogi Bear Is Shadow's Victim

By Carol Heiser

First of all, I think I should give my victim a name. So let's call her "Yogi Bear," because that is her favorite T.V. cartoon character. I first saw my victim at her locker one bright (?) sunny morning, and she was standing in her stocking feet! Now she doesn't usually go without her shoes, so I questioned her, only to find out that she was changing from her snow boots to her flats. "Yogi's" first class is Civics. My spy in Civics said that she saw a movie. In the projection room Mr. Lawson commented that no one was to move any seats, but "Yogi" had already moved a few seats, so it did not do Mr. Lawson any good to say anything!

Like a good girl scout, she helped Mr. Hambrock in the library second period. I wondered why our music was in such a mess!

Third period she listened to Mr. Cole read some sonnets. The last sonnet Mr. Cole read was the sonnet she had chosen for the day's lesson. So "Yogi" had to hunt another sonnet in a hurry.

Her fourth period is secretarial practice, and she had a spelling test in this class. You'd think she was dying by all the moans and groans she made, but I guess she just punched the wrong key on her typewriter.

Before "Yogi" went to lunch (and she was as hungry as a bear) she took Martha Lowry and me to the town library in her car. Clinging to each other Martha and I finally arrived at the library. On the way back to school she tried to hit a few cars and telephone poles, pedestrians, etc., but we finally arrived safely (?) back to school.

The last time I saw my victim she was walking (or running) in the cafeteria door.

The next time I saw "Yogi" (or should I say heard?) was in senior band tooting away on her baritone.

Sixth period I suppose she was wracking her brain (?) trying to figure out some math problems.

Seventh period she went to the band building and pestered Martha Lowry. Being smarter than the average bear you wouldn't think she'd do this, would you?

Eighth period she went to Sunshine, and talked to someone while everyone else was saying the creed. Naughty girl!

Now would you like to know who my victim was? It's a petite senior girl by the name of Christine Hand.

Now I leave you with one warning — watch out, you may be the Shadow's next victim.

Would This Still Be CHS?

By Charlene Lucas and Pat Kline

How many times have we said to ourselves, "What if I hadn't done that, or what if this were to happen?"

In all of our past history we can think of many cases such as this. For instance, what if Columbus had given up before he got to America? What if the British had won the Revolutionary War? What if Russia had not sold Alaska to the United States? What if — Well, you get the point. This week we are going to give you some "What ifs" of our own concerning our own beloved (?) Culver High School. They may not be as of earth-shaking importance as the ones previously mentioned, but we hope you will enjoy them.

What if: Culver won the tourney! Mr. Graham lost his podium. Cheryl Dillon failed an algebra test.

The cheerleaders lost their voices.

Mr. Kepler couldn't smile. The radiators didn't leak. Everyone got an "A" on the final exams.

The algebra room was blue instead of orchid.

The girls couldn't wear short skirts.

Mike Overmyer couldn't play the cornet.

Beverly Barshes couldn't "rat" hair.

Nick Knoerzer didn't walk Beverly Thomas to class.

The juniors lost their rings.

The seniors didn't go on their senior trip.

Carmen Gretter couldn't have any parties.

Mr. Lawson didn't give Civics themes each week.

Mary Jane Guise's car worked.

Mr. Cole didn't give Senior English class a theme every week.

Mr. Lawson whispered.

The chemistry class didn't have experiments that were odorless.

Winter Formal Huge Success

Friday, Dec. 22, was a busy day for the juniors, who were in the process of transforming the gym into a "Winterland by Night" for the Sunshine-Hi-Y winter formal. We would like to congratulate the juniors on the wonderful job they did. The gym was draped in blue and white crepe paper and in front of the stage was a display of an igloo and a penguin. On each table was a small reindeer of blue or silver sprinkled with matching glitter and angel hair.

If you were one of the many people who attended the dance, I'm sure you would agree that it was a lot of fun and the music was very enjoyable. The music was presented by the Dixie-Kats from 8:00 to 11:00 p.m.

We would also like to congratulate the refreshment committee, for I am sure everyone there enjoyed the cookies and punch. We hear that many sophomores complained about getting up so early Saturday morning because of clean-up committee, but once they got started it didn't take long and they enjoyed themselves.

Grade Rooms Hold Toy Day

By Carolee Easterday and Martha McAllister

During the past week, the individual grade school classes have been observing Toy Day. Each boy and girl brings his favorite toy which he received for Christmas to be shared and enjoyed by his classmates.

Todd Matson showed his classmates in Miss Cripe's room a collection of shells and sea animals that he brought back from Florida.

Mrs. Allen's room wishes to thank Mrs. Kumpf for leading them while they caroled in the halls of the high school before Christmas. We are sure it was enjoyed by everyone.

Richard Sytsma brought cookies for the children in Mrs. Barton's room to enjoy during their milk break.

Connie Shidler won the prize for having the most stars in the Arithmetic Eager Beaver Club in Mrs. McLane's room.

As you can see, all the grades are busy getting organized again after the long holidays.

Mrs. Kumpf Is Music Teacher

By Melissa Fisher

The short, pretty woman with red hair seen quite often in the elementary school halls is known as Mrs. John Kumpf. She has been substituting as elementary music teacher during Mrs. Rust's illness.

Mrs. Kumpf is from Plymouth, Ind., where she taught last year as elementary art supervisor. She acquired her teaching license at Indiana State in Terre Haute where she majored in music and minored in art. Her hobby, naturally, is oil painting and mosaic tile craft, but with two little girls aged 2½ years and 8 months, plus her present teaching, she finds little time for such pleasures. She does consider teaching in Culver a pleasure, however, as she likes Culver's students and considers the music department to be very well equipped.

Music Classes Hear Wide Variety Of Records

By Bonnie Saft

The Music Department recently acquired a wide selection of classical, semi-classical, popular and historical records. The records are being used primarily in the general music classes.

It was good to hear the per-

formance of the senior band at the Jan. 5 basketball game, especially because they were playing a few popular songs. Also, Culver baton students of Betty Newgent from Kewanna, performed at the half time ceremonies. It was nice to see the variety of twirling routines.

The High School Chorus is practicing music which they will sing at the County Music Festival.

Seniors To Sell At Tournament

By Pat Hicks and Thad Overmyer

The senior class is working hard toward the senior trip. They are going to be selling concessions at the County Tournament during Jan. 11-13. Most of the class will sell in every session.

The junior class had a nice dance after the ballgame with Bremen, Friday. The skit proved to be very cute, thanks to the hard work of the crew.

The 10 A's have a fudge sale this Friday. That means all C.H.S. students should be on the lookout for little sophomores with white paper sacks.

The seventh and eighth grade are paying class dues. Keep the money rolling in students!

Funeral Services Held Today For Grace Buswell

Miss Grace Buswell, 64, of 1812 So. Pulaski St., South Bend, a former resident of Culver, died at 5:25 p.m. Sunday in Memorial Hospital after a two-week illness.

Miss Buswell was born in Culver on July 27, 1897, and graduated from Culver High School in 1916. She attended Tri-State College, Angola; Northwestern University, Evanston, Ill.; and Western Michigan University, Kalamazoo, Mich.

Miss Buswell taught school for a year at West Township School and for two years at Culver School. In 1920 she moved to South Bend where she taught at Kaley School for 40 years, retiring two years ago. She was a member of the Pilot Club of South Bend.

Surviving is a sister, Miss Marylee Buswell, who is also a school teacher in South Bend.

The body was taken to St. Joseph Funeral Home Chapel in South Bend and services were held this morning in the Cathedral of St. James with Very Rev. Robert F. Royster, dean of the Cathedral, officiating.

Burial will be in the Culver Masonic Cemetery where graveside services are being conducted at 2:15 this afternoon by the Easterday Funeral Home of Culver.

An optimistic homemaker is one who clings to the notion that the family will one day learn to put things away after using them. According to the Institute for Safer Living of the American Mutual Liability Insurance Company failure to put tools, accessories, toys, and other household items away after usage is considered a leading cause of home accidents.

H. K. Menser Named County GOP Chairman

Howard K. Menser, a 32-year-old Plymouth man, was elected Marshall County Republican chairman Thursday after Stewart W. Robertson resigned as chairman effective immediately. Mr. Robertson had originally planned to retire after the May 8 primary election.

Fifty-three precinct committeemen and committeewomen took this action by secret ballot. Two names were placed in nomination at the called meeting with Menser receiving 43 votes and R. Alexis "Lex" Clarke, Bremen attorney, receiving 10 votes.

Active In Politics
Menser has been active in Republican politics. He was the GOP nominee for mayor in the 1959 city election in Plymouth and now is the Young Republican chairman for the 3rd Congressional District of Indiana.

He will serve out the unexpired part of Robertson's term as chairman. His hold on the chairmanship will be subject to the vote of the committeemen and vice-committeemen at the regular reorganization meeting after the primary.

There should be 78 committeemen and vice-committeemen in Marshall County. Some of these posts now are vacant.

If he chooses, Menser can appoint committeemen to fill the vacancies. All committeemen in the county will have to stand for election in the primary.

The treasurer and secretary of the county committee are appointed by the chairman. The present treasurer is Paul Swearingen of Plymouth, and the secretary is Mrs. Eva Sheneman, Route 1, Walkerton. Mrs. Helen Johnson will continue in her post of county vice-chairman.

Robertson, a veteran of more than 30 years in county GOP poli-

tics, left Friday for a Florida vacation. With him was his wife, Susie, the 3rd District GOP vice-chairman.

Howard Noble, Former Culver Resident, Dies

Howard A. Noble, 63, a former Culver resident and a veteran reporter for the South Bend Tribune, died Friday of a heart attack at his home in South Bend.

Mr. Noble was the step-brother of Joshua Logan, prominent Broadway producer and director. Other survivors include his wife, Clara, and a sister, Lois. His father, the late Col. H. F. Noble, was an instructor at Culver Military Academy from 1903 until 1927.

A native of Fostoria, Ohio, Mr. Noble graduated from Culver Military Academy in 1917 and served in both world wars. He attained the rank of Colonel in the Indiana National Guard.

He joined the staff of the South Bend Tribune in 1919 as a city hall reporter, a job which he held for 42 years. Mr. Noble, who worked all day Friday, was said to have been afflicted with heart trouble for the past few years.

Funeral services were held Monday in South Bend.

4-H Enrollment Set For Friday Night, Jan. 19

The 4-H enrollment night will be held Friday, Jan. 19, at 7:30 (EST) in the Lions Den and is sponsored by the Union Township 4-H Council.

Mrs. Carole Cast, Home Economics instructor at Culver Public High School, will be in charge of enrollment and program for the evening.

Of special interest to the 4-Hers will be the showing of the film

taken last year at the 4-H fair in Argos as many of them will appear in it.

A detailed list of projects will be given in next week's Citizen. Minimum age for enrollment of all projects, except tractor maintenance, is 10 years of age on, or before, Aug. 1, 1962. Tractor maintenance minimum age is 12 years.

It is necessary that the child bring at least one parent to be able to enroll, but both parents are cordially invited to attend.

Refreshments will be served at the close of the meeting.

Attendance at Sunday services was 42.

The School of Missions will meet next Sunday evening at the Mt. Hope Church and will meet at Poplar Grove on Jan. 21.

Mrs. Ronald Quivey was hostess on Wednesday afternoon to eight members of the W.S.C.S. The Rev. W. Ray Kuhn and Carol and Katie Hartman were also present. Mrs. Darwin Hartman was the pianist for hymn singing and Rev. Kuhn led in prayer. The president, Mrs. Leslie Mahler, read a poem entitled "The End of the Year," and conducted the business meeting. Roll call was answered with "A New Year's Resolution." Plans were made to serve lunch at the Welland Zehner farm sale on Feb. 10. Church camp funds were also discussed. Mrs. Mildred Overmyer presented the lesson on Alcohol and Christian Responsibility. She asked the questions "Of what value is a soul?" and "On what are we placing our values?" and led a discussion period to conclude the lesson. The hostess served lovely refreshments. Mrs. Harry Dinsmore will entertain the Society on Feb. 7.

Mr. and Mrs. Warren Curtis and Maudie spent Saturday evening with Mr. and Mrs. Forrest Curtis and family.

Sunday guests at a birthday dinner in the home of Mr. and Mrs. Lawrence Hartman and Leo were Mr. and Mrs. Darwin Hartman and Katie and Mr. and Mrs. J. Richard Thompson and Susan to honor Mrs. Lawrence Hartman and Darwin Hartman.

Mr. and Mrs. Frank Cowen, Eldon Cowen, Mrs. Carroll Thompson, Mrs. Walter Gordon and Mrs. Loren Hissong attended funeral services in South Bend on Saturday for Mrs. Frank Shepherd. Mrs. Shepherd would have been 90 this Tuesday. Mrs. Rex Castleman and Mrs. Dean Johnson were in South Bend earlier in the week because of the death of Mrs. Shepherd.

Sunday dinner guests of Mr. and Mrs. Ronald Quivey were Mr. and Mrs. Harold Staley and Mr. and Mrs. Don McAfee and Lee of near Plymouth.

A communion service will be held Sunday at all Christian Science churches.

"Sacrament" is the subject of the Lesson-Sermon to be read. It will lay special emphasis on commemorating the unselfish life of Christ Jesus by following his example.

The Apostle Paul's advice to Timothy constitutes the Golden Text (I Tim. 4): "Be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following will be read (p. 4): "What we most need is the prayer of fervent desire and growth in grace, expressed in patience, meekness, love, and good deeds. To keep the commandments of our Master and follow his example, is our proper debt to him and the only worthy evidence of our gratitude for all that he has done."

Good visibility is essential for safe driving, says the Chicago Motor Club. Before starting to drive make sure your front and rear windshields and side windows all are clear of obstructions. Make sure your windshield wipers and defrosters are in perfect mechanical condition. And always carry an ice scraper in your glove compartment. "Peep-hole" driving can be fatal.

Illegal passing is among the most dangerous of traffic violations, says the Chicago Motor Club. Never pass on hills, curves, at intersections, and whenever a solid yellow line is painted on your side of the highway center line. It is important to remember, however, that the absence of a yellow line does not automatically give you the right to pass. If there's any doubt about your ability to pass safely, stay in your own lane.

its military hue to Founder Major Harrison Culver, a prosperous St. Louis stove-maker, who for his health roughed it one summer on Lake Maxinkuckee. Culver soon zestfully launched a chautauqua, wound up with a military academy. He aimed to blend liberal and Christian education, using military discipline "because of its peculiar advantage in bringing out the best results in the development of boys."

"The first results were all too military, but the mind soon came to outrank the manual of arms. Though all Culver boys above eighth grade are enrolled in R.O.T.C., drill is confined to Saturday mornings in warm weather. Fazing is nonexistent; newcomers are plebes for only one term, are obliged only to call old students 'Mr.' More important are Culver's stiff entrance exams (average cadet IQ: 120) and drill in such matters as college algebra, Latin and Russian. Often recruited from Culver's resoundingly successful summer camp, the boys seem to thrive on the theory that esprit de corps enhances the spirit of study. "I didn't know how to work at home," says one first-classman. "Here you learn to think and reason, not just learn things by rote."

"Strong on the arts Culver even gets its lads to doff boots for ballet lessons. To its new \$1,400,000 auditorium this year, it is bringing such cultural attractions as the Indianapolis Symphony and sharing them with hundreds of public school children. Culver has the oldest course in dramatics of any U.S.

secondary school, has sent to Broadway such bright lights as Playwright William Inge, Director Joshua Logan and Monologist Hal Holbrook.

DISCIPLINE IS ESSENTIAL

"The man who has lately done most to demilitarize Culver is its sixth superintendent, retired Air Force Major General Delmar T. Spivey, 56, a West Pointer ('28), World War II bomber pilot, and onetime head of the Air University's War College. Shocked at the inane performance of some U.S. prisoners in Korea, Spivey turned down fat offers from industry, decided to devote himself to educating youngsters "in the real meaning of citizenship."

"A genial general, whose uniform of the day is a tweedy sports coat and slacks, Spivey has raised faculty salaries, doubled scholarships, banished Sunday reveille and the pseudo-military titles (for example, "captain" for assistant instructor) that cadets formerly used to address their teachers. He even did away with marching to classes, but so far has kept the student uniform (royal blue jacket, grey trousers) as standard campus dress.

"We must shape the attitude of the cadets toward the academic. We mustn't let the things they like to do, the leadership program and athletics, overshadow their education in the arts, sciences and humanities," says Spivey. "I have friends who have said, 'Little Pete is an absolute hellion and I just don't know what to do with him.' Well, I won't take little Pete any more than Exeter or Andover will." Then why be military at all? "Discipline is essential to the learning situation," says Spivey. "Without it there would be no stable path to intellectual growth and eventual maturity."

Financial Planning Advised

(Continued from Page 1)

you can get now without waiting. As I warn my grandchildren, so would I warn young people everywhere that prosperity is a time for increasing financial reserves . . . a time to put money aside in savings accounts, some of it for careful investment later on. Money in the bank is one of the best types of insurance, — against unemployment emergencies particularly. It is fine to have a comfortable home, a new car, air conditioning, and many desirable luxuries. They induce happiness and satisfaction. But what good is all this if your financial sense has been poor and the bill collectors give way to trucks coming to cart away the goods?

I often think it takes even more intelligence, will power, and courage to plan for tomorrow than it does to handle today's obligations. Everybody, — whether employer, worker, or landlord — should keep one eye on tomorrow (and the day after) in financial planning. Otherwise, he may end up in the same plight as my sadder but wiser unemployed young friend.

Culver Indians Lose To Bremen By 67-57 Score

By EARL D. MISHLER
 The Culver Indians dropped their ninth game in ten starts Friday night, falling to Bremen 67-57. Culver, committing many ballhandling errors in their first game after Christmas vacation, could not stop the Lions' first half surge, during which Bremen was hotter than they have been all year.
 Both teams entered the game missing their top scorer, John Benedict and Jim Morris. Morris dressed but saw no action and

probably is being saved for next week's County tourney.
 Bremen was red-hot from the opening minute, hitting eight of nine field goal attempts in the first quarter. Sophomore forward, Buzz Anglin, who might make Bremen fans forget Morris in a hurry, led the surge with terrific outside shooting. After the first eight minutes, the Lions led 19-6. The green and white continued to sizzle in the second period, extending the margin to 41-25 at halftime.
 As usual, Culver was able to manage a second half rally, led this time by sophomore guard Sam Lowry and senior forward Jim Carter. Bremen cooled off in the third quarter, but continued to out-rebound the Indians to maintain a 52-39 margin. Culver was able to cut into the margin,

during the final period, but Coach Gene Crosley's lads committed too many errors to manage a sustained rally.
 Anglin, who alone with center Craig Roeder gives Bremen two of the finest sophomores around, led all scorers with 24 points, 17 in the torrid first half. Roeder, who was 6' 4" at the beginning of the season has grown even taller since then and is easily the tallest player in the County.
 Carter led Culver with 16 points and was the only consistent rebounder for the Indians. Sophomores Lowry and Paul White added 12 and 11 points, respectively.
 Bremen's B-Team made the night a complete sweep by defeating the Papposes, 47-32. Culver's Frank Kirk nipped Bremen's Denny Keek for scoring honors, 12 to 11.
 Next Thursday evening at 7

o'clock in Plymouth, Coach Crosley's crew opens its attempt at the 1962 Marshall County Tourney crown against winless West Township. (See page 1 for details on tourney)

50th Anniversary

1912 - 1962

A HALF CENTURY OF PROGRESS

... springboard to the future

This year is an important milestone for NIPSCO. It marks our fiftieth year as an Indiana corporation, serving the gas and electric needs of nearly two million people living here in the "workshop of America."

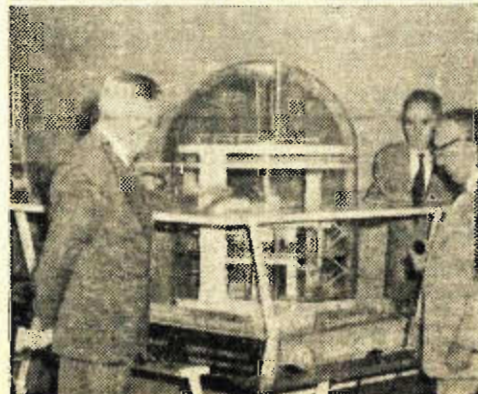

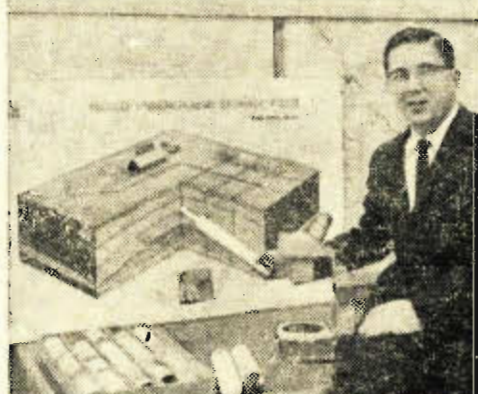

We like to think of this event as a mark of maturity—a "coming of age." We look to the future instead of the past—with wisdom of experience, and confidence, as we continue to build ahead for the growth and progress of this dynamic northern third of our Hoosier State.

Great technical strides over the last 50 years have been made by the investor-owned gas and electric companies in providing service to the people of this nation. The next 50 years of progress will see the greatest advancements in gas and electric service in this country's history. Continuing programs of research and improved operating techniques are paving the way for an era in modern living never dreamed of by the pioneers of the utility industry.

- At NIPSCO, our modern new Electronic Data Processing Center at LaPorte will soon be ready to meet the increasing emphasis on speed and accuracy in customer service, accounting and billing.
- The first unit at our new Bailly Generating Station will go "on the line" next December—adding 183,000 kilowatts of net capacity to our electric system.
- At Royal Centre, a huge 660 horsepower compressor is pumping natural gas into NIPSCO's first underground storage facility. Gas stored here will be available to customers on the coldest winter days.
- NIPSCO continues to keep abreast of the latest developments in Atomic generation of electricity, as a member of a midwestern study group. Plentiful supplies of coal in Indiana and Illinois, however, still makes Atomic power too costly for customers.

The future is exciting...and full of challenge. We are confident we will meet that challenge.
