TEN CENTS

Wise Couples Establish Good Credit Rating

Should Also Have Insurance Policy

By ROGER W. BABSON
No. 1 U.S. Economist

Babson Park, Mass., — A few weeks ago I wrote about how the Teamsters Union had taken over a large real estate development near Lake Wales, Florida. Such purchases have been going on for some time. The latest news is that the owners of Look Magazine have bought into the General Development Corp. — probably the largest builder of small homes and the creator of Port Charlotte, the Florida city which was started from scratch.

Surplus Of Small Houses
Upon checking up with other states I find a surplus of small homes almost everywhere. Such houses should soon be cheaper. Ten years ago there was a shortage of one-family houses to sell for \$10,000 to \$15,000. Like almost everything else, however, a shortage is followed by a surplus. (The only thing of which there is a shortage now is parking space!) Even President Kennedy has excess stockpiles of metal and other commodities — not to mention wheat, corn, and other farm products.

If you chart the nation's birth rates you will be able to forecast when marriages will be at their peak. We were in such a period a few years ago. This resulted in a great demand for two-bedroom single houses. This situation caused development companies to be formed, — especially in the suburbs of almost every city. More real estate agents per 1,000 of population exist today than at any previous time. They now average about 75 real estate salesmen for each 10,000 of population. I include the licensed realtors and their salesmen.

Easy Terms For Purchasing
The offering price for new vacant houses has not yet been broken in most sections; but the terms of purchasing have been severely cut. A veteran can "buy" a house without putting any money down; while any young couple can get a home for 10% down, and a small monthly payment. When the newly married couples do a little figuring they find that the monthly payment is no more than they would pay for rent, only then they would not have a new house. Talk it over with the FHA (Federal Housing Administration). You can get information on your problems by writing the Public Information Office, FHA, Washington 25, D.C., or a local FHA office.

When the young couples must move to some other city, some foolish ones do not hesitate to move out sometimes at night and leave a note stating that no more monthly payments can be expected! The furniture has mostly been bought on installment payments. This they are willing to have the dealers repossess — or they will make a deal with some truck driver to take their furniture some night to their new location when they have "bought" another house.

Beware Of A Bad Reputation
The above program is being followed continually by young home buyers who think nothing of their reputation. But it is wise for a young married couple to establish a reputation for honesty.

BeBout Resigns From CMA; Teach Named Successor

Ray Manis has been appointed manager of the Culver Military Academy Quartermaster Store and Al Teach director of purchases in a series of personnel changes stemming from the resignation of Lawrence E. BeBout, Superintendent Delmar T. Spivey has announced.

BeBout, an Academy graduate who has served as purchasing director since 1959, submitted his resignation effective June 30. He will return to his home in Loudonville, O., to manage family business affairs there.

The transition in the two departments began Monday, Feb. 19, when Manis began an indoctrination under Teach into the complex operation of the QM Store. It is expected that Teach will then spend several months working with BeBout to learn the various phases of the purchasing office, as well as serving as director of auxiliary services, which give him supervision of the daily operation of the Barber Shop, Laundry, Uniform Shop, Warehouse, and Postoffice.

Manis, a veteran Academy employee of 32 years, has worked in building and grounds since he returned following the end of World War II. He held the position of assistant director of physical plant, and his duties will be absorbed by Emerson R. Boyd, director of physical plant, and David Burns, Sr.

World Day Of Prayer Set For Friday, March 9

The World Day of Prayer, sponsored by the Council of Church Women, will be held Friday, March 9. All over the world every hour, on the hour, women will be meeting for an hour of meditation and prayer to thank God for His care and blessing to them.

"For God So Loved The World," is the theme this year. Services for Union Township will be held in the Grace United Church of Christ in Culver.

Three Services This Year

So that more women may take advantage of this service, there will be three sessions this year. The morning service will be at 10 o'clock, the afternoon service will convene at 2 o'clock, and the evening service will begin at 7:30.

Mrs. E. G. Benedict is general chairman. Mrs. Wayne Kline is chairman of the morning service, Mrs. Arnold Lowry is chairman of the afternoon service, and chairman for the evening service is Mrs. Paul Uery.

Plan now to attend one, or all, of these services.

Culver High School Alumni Reunion Set For June 9

Officers of the Culver High School Alumni Association met recently to make plans for the annual alumni reunion which has been set for Saturday, June 9, at the Culver Community Building.

Mrs. Hugo Anderson, president, heads the association officers in charge of the annual event, and is being assisted by Robert Kline, vice-president; Mrs. Richard Gauder, secretary; and Mrs. Michael Pisterling.

Details of the gala affair will be announced at a later date.

TRI KAPPA PECANS on sale at The Citizen's front counter. Please help the sorority raise money for charitable purposes. Only \$1.75 a pound for shelled whole meats and \$1.50 for broken pieces. 40tfn

Tri Kappa To Sponsor Beatty Hospital Drive

Patients In Need Of Necessities

The following Mental Health report was presented to Tri Kappa to better acquaint the organization with information and problems covering the mental health patients from Marshall County:

"At Beatty Memorial Hospital in Westville, there are usually about 40 patients from Marshall County. Including other hospitals in the area, there are about 110 Marshall County mental health patients receiving care. This does not include another 110 to 120 in Veterans' hospitals.

"Beatty Hospital and grounds covers 680 acres of land with buildings on 250 acres. The remainder of the land is farmed by prisoners from Michigan City. There are 2,300 patients ranging in age, at times, from five years upwards. They have about 150 teenage boys and in a recent three-week period, they admitted 15 boys between eight and 12 years of age.

"The wards have between 45 and 90 patients and they also have four buildings which have ground floor single rooms to accommodate 50 patients. About 900 employees of all types take care of these 2,300 patients. The institution has repair shops, therapy rooms where patients make things, and shop set ups where the patients may learn a trade.

"A good many of these patients are in dire need of basic ordinary living necessities. Many do not get any help whatever once they are hospitalized other than what the State provides. For these it is an almost pathetic existence. The State provides an institutional-type soap and one wash cloth and one towel each week and often there are not enough of these for a ward.

"Some do not have socks, underwear, toothpaste, deodorant, or any of the many things we consider essentials. The hospital clothing room furnishes whatever is available to be used while the patient is at the hospital. However, this clothing must be returned upon release and some have no personal belongings at all.

"Some patients could be considered well and released but have nowhere to go, have no families, or have lived in hospital confines too long to reorientate themselves. These people work in the hospital and on the grounds if they wish in various ways — in the library, in the kitchens, in the laundries, etc. Others are allowed six months convalescent leave and are placed in homes as housekeepers and companions. Some patients, ready to be released, are not because of lack of funds with which to become re-established.

"There is also a new Four County Clinic at Warsaw with a permanent staff of one psychiatrist who receives a salary of \$10,000 a year for 20 hours work each week; a psychologist who is paid \$9,000 a year; and a social worker receiving \$9,000 and one receiving \$6,500. There are also several office employees. This clinic is supported by the counties involved, the Community Fund, and contributions. The Clinic works with people with problems who can be helped without hospital care and with patients who have been released but need to be seen once in a while."

Tri Kappa is sponsoring a drive within its own organization for materials of all sorts for Beatty Memorial Hospital. Anyone wishing to contribute clothing or household furnishings may leave articles at The Citizen's office or get in touch with Mrs. John Mars, Mrs. James Plerkol, or Mrs. Orville Phelps.

Articles needed are: toothpaste; soap, deodorant; makeup (Continued on Page 2)

Nineteen File For Nomination On Opening Day

Four Republicans and nine Democrats filed for renomination to public office in the May primary yesterday, in the county clerk's office, with Keith Felix, Plymouth, being the first candidate to file although Clerk Harvey Phillips will be a candidate for renomination.

Felix is a candidate for the nomination as commissioner from the second district.

Other Republicans filing were Halford F. Potter, Argos, for the office of justice of peace for Walnut township, Dr. Otis Bowen, Bremen, filed for state representative and Foster Annis, Bremen, is seeking the nomination as commissioner from the first district.

Democrats that filed yesterday were: Phillips; Donald K. Travis, Plymouth, for county prosecutor; Glendyn C. Albright, Route 2, Argos, for renomination to the office of county auditor; Jerry D. Greenlee, sheriff; and Thomas V. Langdon, county assessor.

Paul V. Dipert filed for trustee of Polk township and Norman L. Klinedinst, Wayne A. Matz and Earl R. Strang, all filed as candidates to the Polk Township advisory board.

The last day for filing is March 29.

As we go to press, Clerk Harvey Phillips informs The Citizen that Samuel Wallace has filed for Republican nomination as justice of peace for Bourbon Township.

Democratic filings have been made by Raymond O. Warstler for nomination of trustee of Walnut Township; Hugh L. Umbrigh and Paul A. Weldner, advisory board, Walnut Township; Amiel E. Henry, trustee, West Township; and James E. Wade, advisory board, West Township.

Fire Destroys Barn At Nelson Cooper Farm

Contents Are Complete Loss

A barn and all its contents was completely destroyed by fire at 2 a.m. this morning at the Nelson Cooper farm north of Culver, near the Don-Marie Restaurant.

Mr. Cooper was awakened by the smell of smoke and called the Culver Fire Department, who battled the blaze for over three hours.

The 36x48 foot barn was partially covered by insurance, but the contents are a complete loss including eight sows, 24 small pigs, a pony and two mares, three calves, cornplanter, hammermill, buzz saw, cultivators, sheller, small tools, 500 bales of hay and 100 bales of straw.

Interested persons have asked that an appeal be made for help to the Coopers in getting started again after their tragic loss.

CHAMBER OF COMMERCE TO MEET MONDAY NOON

The Culver Chamber of Commerce will hold their regular monthly luncheon meeting at The Culver Inn at 12 noon on March 5.

All members and business men as well as anyone interested in Culver's future are urged to attend. The CMA "Dixie-Kings" will provide musical entertainment unusual for high school age talent.

ENTERS PARKVIEW HOSPITAL
Harry Thomas, Sr., 438 South Ohio St., Culver, was admitted to Parkview Hospital in Plymouth Tuesday for observation after a long illness.

LATEST TITLES OF BOBBS-MERRILL books, many best-sellers among them, are on sale at The Citizen office. Drop in and look them over.

PTA Committee To Study School Reorganization

The Union Township Parent Teachers Association met on Tuesday evening, Feb. 20, in the High School study hall. Mrs. F. L. Babcock gave the devotions.

Don Davis, president, announced the appointment of Mrs. Peter J. DeTroy, chairman, Norman Kelly, and Wayne Mattox as nominating committee to prepare a slate of officers for next year and present it at the meeting on March 13.

Mr. Davis introduced Mrs. Robert McKinnis, president of the Maxinkuckee Junior Woman's Club, who explained the origin of the movie "The Strangers," and announced that it will be shown to all grade school children from kindergarten through the sixth grade. With the approval of all parents present, Mrs. McKinnis said the club hoped to buy a copy of the film for the use of the school.

Mr. Davis appointed a committee composed of Mr. and Mrs. Thomas E. Walker, Dr. and Mrs. Oscar Wesson and Mr. and Mrs. Hugo Anderson to study the reorganization plans for our school and advise the PTA on the coming election in May. They will meet with all interested parties involved before reaching a recommendation. Ralph A. Osborn Jr. gave a short talk on the present status of the reorganization and announced that the State Committee had approved the plan as presented and it would come to a vote in the May primary.

Kenneth Cole, High School principal, in the absence of Fred Stettbacher, gave a very informative talk on the school library. He had compiled a list of all the books in the school and explained how they were purchased, how often they were used and how valuable the library is to our school system.

The meeting closed with refreshments being served in the Home Economics room by a committee headed by Mrs. Don Davis.

Peter Trone Named Acting Commandant Of Woodcraft Camp

Peter D. Trone, 2324 East Shore Dr., a Summer Schools staff member for many years, has been appointed acting commandant of the Woodcraft Camp for the 1962 session.

Trone, presently working on a special assignment for the Admissions department, will fill the position of Lt. Ronald J. Gleason, who will be acting director of the Woodcraft Camp this summer. Both Col. Gleason and Trone have been elevated in Woodcraft Camp responsibilities because Col. Melvyn A. Estey, director, will be on leave of absence this summer.

Trone will have general supervision of the military and disciplinary programs in the camp. He will be a member of the administrative staff of Col. Gleason and Dr. Ronn Miano, who is director of instruction. Trone will have specific duties in setting up the camp, which include the assignment of officers to their quarters and the assignment of divisions to their areas. In addition, Trone's duties include the important tasks of coordinating the schedule and attending daily meetings with division commanders.

"Pete has been a most enthusiastic supporter for the Woodcraft Camp for many years," said Colonel Estey. "We are confident he will do a good job as acting commandant."

Trone has been a member of the Woodcraft staff since 1949. Most recently he was commander of Division I for three years.

JOHN REINHOLD IN ROCHESTER HOSPITAL

John Reinhold, father of Mrs. Ora Reed, is very ill at Woodlawn Hospital in Rochester. He would appreciate hearing from friends. His room number is 214.

George Ferrell Dies Following Long Illness

George W. Ferrell, 68, Route 2, Culver, died at 3 p.m. Wednesday at his home. He had been ill the past year.

Mr. Ferrell was born Nov. 18, 1893 in Starke County and had been a lifetime resident of that vicinity.

On March 30, 1918, he was married in Knox to Blanche Lela Silvers who survives. Until his retirement he had been employed by the Starke County Highway Department.

Mr. Ferrell was a member of the Ober Methodist church and the Gleaners Lodge.

Surviving with his widow are: one daughter, Mrs. Abel Thompson of Plymouth; one son, Milo, of Highland, Calif., and nine grandchildren.

Funeral services were held at the Harry Price Funeral Home, Knox, at 1:30 p.m. Saturday with the Rev. Robert Hansen, pastor of the Ober Methodist Church, officiating. Interment was in Burr Oak Cemetery.

By David Kelly, Scribe
Mr. Charles Cook was present on Feb. 26 and gave a talk on local Government. Twenty scouts were in attendance. Games on Morse code and trail signs were held. The Flaming Arrows won both contests. A "Totin' Chip" test was given to all Scouts. You will find out your score on Saturday.

A winter campout will be held at Camp Tamerack this Friday, Saturday, and Sunday, March 2, 3, 4. All Scouts who are going should meet at the church Friday evening at 6 o'clock fully equipped. If you haven't paid your 50¢ bring it Friday. You must have permission slips from your parents. Boys who have toboggans or large sleds please bring them along. **BRING YOUR SCOREBOARDS!**

Next week there will be a Board of Review and a uniform inspection. All Scouts should be in full uniform. The Board of Review is being moved up to the first Monday of the month instead of the second.

The theme for March is "Eyes on the Skies." Meetings on astronomy, the weather, and use of a telescope are planned.

Greg Dawson is in charge of filling the bird feeders this week.

Next to the Churches a newspaper is a town's most valuable asset. — Roger W. Babson.

Girl Scout and Brownie News

By Susie Helber, Karen DeWitt And Pam Carter

Troop 148 meetings have been changed from Monday after school to 7 o'clock - 9 o'clock on Tuesday. We talked over, adventured, back yard camper, and outdoor camper badges and decided who would receive them. Some of the girls have a few more requirements to finish. A few of them finished water proofing matches.

Troop 99 - All the girls returned their cookie money and cookies at the meeting, then they all joined in a game of "7 up." They are planning an entertaining play or show for the Old Folks Home in Plymouth, and they hope to give it in March.

Troop 52 - there were 12 girls present, and they all received their long awaited pins, stars, and handbooks. They later turned in cookie money and sang songs. Mary Beth Ives brought delicious refreshments.

Fourth Grade Troop - We practiced our Girl Scout tenderfoot requirements. Betty Jo Cihak had a birthday.

All the Girl Scout and Brownie Troops wish to thank everyone for buying cookies and nuts and helping out with our new camp in Twin Oaks, Mich.

SOMETHING TO REMEMBER

The Culver Citizen is the only newspaper in Marshall County - or in the whole world for that matter - that really gives a whoop about Culver, Indiana.

BeBout Resigns From CMA

(Continued from Page 1)
"The move will be somewhat of a realignment," said Business Manager William E. Covington Jr., "and will give more responsibility to both Boyd and Burns. All of these duties include supervision and administration of the work forces operating out of the Service Department."

Manis Started in 1929

Colonel Covington said he felt Manis' long association with the Academy will prove valuable in the operation of the QM Store, which stocks more than 2,000 different items but which also renders many other valuable services to cadets, faculty, and employees. He will have under his supervision Myron Densmore, Mrs. Howard Albert, and C. B. Napier. Manis first came to the Academy in 1929 as a summer employee working on the boat pier.

He was retained in the fall and assigned to work in the Armory. There he was property custodian and assisted in the instruction of marksmanship until 1942. Manis retained an interest in marksmanship, and among his more outstanding achievements in this area was that he was a member of the Indiana state team in the national rifle championships in 1936-37.

With the outbreak of World War II, Manis took a leave from the Academy and worked for the U.S. Air Force at Wright-Patterson Air Force Base, Dayton, O. He studied ordnance and then was attached to the air force as a civil servant in Detroit until the end of the war. He was assigned to buildings and grounds upon his return, and held the position of supervisor of buildings and grounds before being named assistant director of physical plant.

Teach is a U.S. Navy veteran of 20 years service. He joined the Academy staff in 1957 and worked briefly in the office of the business manager. He became associated with the QM Store for 2 1/2 years before being named manager in September, 1960, upon the retirement of Edgar C. "Tone" Shaw.

Teach has a long record of police work with the Navy. He retired as a Chief Boatswain's Mate and was actively involved with the establishment of the Navy's Criminal Investigation Division. He was attached to the Armed Forces Police Department and spent some time as a liaison for the Navy with metropolitan police in Washington, D.C. His war record included many campaigns in the Pacific.

As director of purchases, Teach will be responsible for purchasing all supplies except food and medical provisions. He also will book orchestras for dances, arrange for the rental of buses, and arrange for the securing of other materials and services.

BeBout Culver Graduate
BeBout has filled the position

of director of purchases for three years. He is a Summer Schools graduate, Class of 1922, and a Winter School graduate, Class of 1923. BeBout attended Syracuse University and then spent 26 years in the grain and milling business before joining the Academy staff in July, 1953.

He held the title of assistant business manager, but was active in many aspects of Academy life. BeBout taught navigation in the Summer Schools, participated in the operation of the Dining Hall, served as secretary of both the Winter and Summer Schools Alumni Associations, was counselor for a brief period of Company C, and finally moved into the purchasing office following the retirement of Henry Henning. Most recently, BeBout was coach of crew, a job he took last season because of his previous experience in rowing at Culver and Syracuse. His team had an excellent season, losing only one race by less than a boat length in the Central States Regatta. He will continue as coach of crew this season and serve as host to the Central States Regatta this spring.

Funeral Services Held Saturday For Bertha McKee

Bertha McKee, age 40, died at 11:15 p.m. Wednesday at the Fort Wayne State Hospital where she had resided for 24 years.

The daughter of John Albert and Ethel Mae Ramsey McKee, she was born in Culver on June 21, 1921. Her mother preceded her in death.

Surviving are her father; one sister, Mrs. Lester Alderfer, Rochester; six brothers, Lester, Robert, and Albert McKee all of Culver, Ralph of Westville, Lawrence of Argos, and John of Rochester.

Services were held at the East-erday Funeral Home at 2 p.m. Saturday. Rev. Walter Chisholm, pastor of Emmanuel Evangelical United Brethren Church, officiated and burial was at the Bruce Lake Cemetery near Kewanna.

CHURCH EVENTS CLUB NEWS

New Arrivals

Mr. and Mrs. Lyman Craft, 809 Obispo St., Culver, are the parents of a daughter, Gale Sue, born Feb. 17, at Starke Memorial Hospital in Knox. The new arrival weighed 5 pounds, 14 ounces.

Crescent Group Meeting

The February meeting of the Crescent Class of Grace United Church was held in the church social rooms last Wednesday evening. Mrs. Herbyn Maynard, president, called the meeting to order by asking the members to sing "How Great Thou Art," accompanied by Mrs. Wallace Starr. Wallace Starr read the First Psalm and Rev. Harold Hohman led in prayer. Mrs. Maynard reviewed two chapters of Pilgrim's Progress.

The host committee was composed of Mr. and Mrs. Harold Baker, Mrs. Blanche Albert and Miss Esther Stahl. Mr. Baker arranged for the drawing of the mystery packages which were won by Mrs. E. E. Zechel and Herschel Strang.

Announcements were made of several coming events which are of interest to all the members and friends of Grace Church.

The pancake and sausage supper which has been so successfully planned by the Fidelis Class for the past several years will be held March 6.

The Men's Night, planned by the Women's Guild, will be held March 8 with Howard Sullivan of LaPorte as speaker. Mr. Sullivan will speak on life in the Near East as he experienced it while working as Surveyor in several countries.

Herbert Beecken, a missionary from Japan will be the Lenten speaker March 14.

After the meeting the members gathered at the intriguing game table, bright with gaily wrapped packages, which were eventually distributed to the members.

After the games the 20 members who had braved the traditional Washington's birthday snow storm were seated at tables beautifully decorated for Washington's birthday. The hatchet and cherry tree were suggested by the place cards and delicious refreshments were served by the hosts.

LOCAL GIRLS ACHIEVE DISTINGUISHED RATING AT PURDUE UNIVERSITY

Eight hundred and seventy-one students at Purdue University attained the Distinguished Rating in their work in the first semester of the 1961-62 academic year, according to the list announced by the Office of the Registrar. This total includes 235 freshmen, 223 sophomores, 185 juniors and 228 seniors.

Of the 871 achieving the honor, 129 scored the highest possible scholastic index of "6". To achieve this top index, the student has to make the highest grade given under the grading system in each subject carried in the semester.

Suzanne (Dawson) Taylor, 315 Madison St., Culver, a senior in home economics, is one of the 129 students making the highest possible index of "6".

Roberta Lou Easterday, 306 N. Ohio St., freshman in home economics, attained the honor rating with an index of "5.5" or higher but less than "6".

To achieve the Distinguished Rating, the student must make a scholastic index of "5.5" or higher out of the possible "6" in all work carried in the semester, must have earned 14 or more hours of academic credit within the period and have completed all work carried and must be enrolled on a regular undergraduate curriculum.

Junior Woman's Club Meet At Home Of Mrs. Richard McClure

The Maxinkuckee Junior Woman's Club met Monday, Feb. 26, in the home of Mrs. Richard McClure. Twenty-two members and one guest, Mrs. Roy Nicodemus attended.

The meeting was called to order by the president, Mrs. Robert McKinnis, after which the club viewed the film "Strangers" which is being shown in the elementary school, grades Kindergarten through Sixth grade. Mike Chak was the projectionist.

Mrs. John Lucas, program chairwoman for the meeting, introduced Dr. Raymond Wheat, instructor of Spanish at Culver Military Academy. Dr. Wheat began by showing slides of some of the Latin American countries which was the topic of his discussion. It was most interesting to see and hear of the living conditions of our very close neighbors to the south. During the question and answer period that followed the discussion, Dr. Wheat emphasized the necessity of our learning to understand the social and economic conditions of these people.

Mid-Winter Council, which was held in Indianapolis, was reported on by Mrs. Norman Kelly.

It was announced that the club would again prepare a party for the County Home. The date has been set for March 15. All members are urged to bring their jars of jams and jellies at the next meeting. Members of the Girl Scouts are preparing the program and favors for the party.

The closing thought was given by Mrs. John Middleton.

The refreshment table was centered with a lovely arrangement of spring flowers and candles. Mrs. Bernard Busari and Mrs.

John Middleton poured. Assisting the hostess were Mrs. Joseph Pacillio, Mrs. John Lucas and Mrs. Hugo Anderson.

The next meeting will be installation of officers, at the home of Mrs. George Hopple, on Monday, March 12.

Mrs. Ruth K. Benson was guest speaker Feb. 3 at a meeting of Delta Kappa Gamma, honorary educational society, held at the

Culver Inn. Mrs. Benson's talk on a "Developmental Reading Program for Able Students" was given to 25 teachers from public schools in Marshall and Kosciusko counties. Following the business meeting the teachers visited the Academy Reading Center where Mrs. Benson gave her talk and demonstrated Reading Center equipment.

MRS. FRANK BRYANT NAMED TO I.S. LIBRARY COMMITTEE

Mrs. Frank M. Bryant has been appointed to the Library Committee of the Independent Schools Education Board.

Mrs. Bryant, Academy librarian, will attend sessions of the committee to be held during the Independent Schools meeting slated for New York on March 2-3. Another Culver faculty member, Mathematics Department Chairman Ray C. Jurgenson, will chair the Secondary Mathematics Section at the New York meeting.

During sectional meetings, March 2, Mrs. Bryant will attend a panel discussion: "Superior Schools and Sub-Standard Libraries." She will accompany Dean Bryant at a meeting of the Culver Club of Columbus, Ohio, prior to the New York conference.

The purpose of the N.Y. sectional meeting is to improve libraries at member schools. The main task of the committee in recent years has been to compile a basic list of 3,000 books recommended for secondary school libraries.

Linda Twins "Work" For Day On Newspaper

By Linda Belmer and Linda Kose

On March 15, it was our privilege to visit the Plymouth Pilot as their guests. The main reason for this trip was to help edit the school page of the paper featuring Culver High School and to learn more about newspaper work.

After the preliminary introductions were made, we were given a pad of paper and were off with Mike Boys, the Pilot photographer, to cover the "daily beat." This turned out to be the sheriff's office, courthouse, fire station and police station. A reporter calls on each of these locations every day looking for stories.

At the sheriff's office we were introduced to a very nice deputy and given a tour of the office. After we had seen the jail, handcuffs, files, fingerprints, and "wanted" pictures, we were ready to go across the street to the courthouse.

At the courthouse, Mike had to pick up a camera which contained a picture which would be used in the daily paper. After this was done, we were taken around the building and shown the various county offices. We stopped at the county treasurer's to say hello to a Culver alumna. We then went up to the second floor where we were hoping to sit in on a trial. The trial was not yet underway and, as we had a great deal to do, we decided not to wait.

Next stop, fire station. We were told on our way to the fire station that we were to write an article for the paper about the fire that had occurred the night before. It was exciting to hear about the fire and to know that we would soon see our story about it in print. After we had gotten our story we were shown around the fire station and then given an explanation as to the use of the various trucks and equipment.

After this visit, we were off again. This time we merely went around the corner for a tour of the police station. A friendly policeman showed us how the radio worked and how messages were sent through it. We were also shown the way accident files were kept and a chart of each day's happenings, which the police station is required to keep every day. When this interesting tour was completed, we headed back to the Pilot to begin work on our school page.

We took up pen and paper and began writing articles to appear on the school page under the pictures which had previously been taken at Culver High School. This proved to be no easy task, but with the help of Mrs. Ruth Early, who was acting as school page editor, we soon found our task very enjoyable.

By this time our stomachs were putting up quite an argument with our busy minds and in the end they won out. For lunch, we were treated to a delicious chicken dinner at Schori's and our morning session was completed over a delicious dessert.

We returned to the Pilot to finish our work on the school page. At last it was completed! Mike had just returned from a story and after a short delay,

Art Classes Are Engaged In Varied Projects

By Ann Wagoner

The fourth grade is combining paint with crayons in their pictures. First crayons are used to draw a picture leaving some of the paper to show through. Then the entire paper is covered with a thin water paint. The wax crayon resists the water paint and covers the open areas of the paper.

The fifth grade is making paper stuffed animals. First the animal is drawn on a large sheet of paper and the outline is cut out on two sheets of paper. These two pieces of paper are then stapled together leaving a small opening into which crumpled newspapers are stuffed. After the animal is stuffed, the opening is stapled shut and the animal is then painted.

The sixth grade is doing some paper sculpture. They are designing faces on a paper cylinder base. Interest is added with hats and collars to match the type of face. Some of the faces being made are those of clowns, hobos, scholars, and some animals.

Sunshine Girls and Hi-Y Planning Parties

By Martha McAllister

The Sunshine Girls are busy planning for the annual Dad's Party which will be held on Friday, Mar. 2, in the gym. The theme of this year's party will be "Italian Village." Around this theme the girls will build the decorations, name tags, invitations, and entertainment. It should prove to be very enjoyable, so we hope all the fathers are able to attend.

The Hi-Y boys have made final plans for their party. It will be held on Friday, Mar. 30 at the Gun Club and will be for Hi-Y boys and their dates.

The Tomahawk Staff is hard at work on the many details yet to be added to the 1962 yearbook. They would like to remind everyone to get their final payments in as soon as possible.

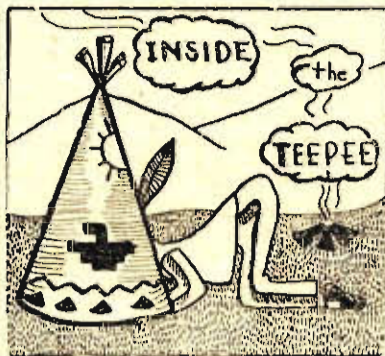

JUNIORS PLAN HAM SUPPER

The juniors are making plans for the Ham Supper which will be held on Saturday, Mar. 17, in the gym. Plans are also being made for a dance which will be held sometime in April.

FIRE DEPARTMENT calls should be made to VIKING 2-2121. Note this number near your home phone.

took us on a tour of the plant. As we toured he explained the operation of all of the fascinating machines. We were then taken into the room where the paper was actually printed. It was a marvelous sight: a newspaper on the press and every minute, 50 copies were off the press, loaded on the carts, and distributed to various newsboys and businesses. We stood at the end of the press and were fascinated with the speed and ease of the operation. As we stood there we were handed a paper "hot off the press." It was a very exciting feeling.

We said good-bye to the many friends we had made that day and headed home, anxious to see the next edition, which would display some of our very own work!

By Cathy Clyne and Jane Ann Thomas

The white "stuff" occasionally flying around our Wigwam is snow, and it has kept many of our maidens and braves inside the teepee. Here is a little of the latest gossip being told around the campfire.

People are always misplacing things, but in the case of Lorrie Sands it wasn't just a matter of misplacing something. It seems Lorrie left her shoes in the Rainbow assembly hall. The worst part is that she never even missed them!

Another one that had shoe trouble was Frank Ikirt. It seems that during gym class someone took one of his shoes. Mr. Cox didn't want Frank to go without shoes, so he gave him the shoes he wore in the Minstrel Show. They are a nice bright yellow with red shoestrings — Frank said they're waterproof, too!

Congratulations are in store for the band and choir students who participated in the state contest. Congratulations are also given to the Booster Club which has decorated the halls with posters to cheer our team to victory.

Snore, Z-Z-Z-Z, Snore, BLAST! What was that? Who did it? Well — the snores came from the sleeping kids on the bus going to contest. The blast came from none other than Thad Overmyer. He was getting a little over anxious and started tuning up his horn. How to win friends . . .

Hey, you there! Are you from Frunction Junction or do you happen to know where it is? This was a familiar question asked of some of the students of other schools at contest. I guess no one even knew where it was, although it is a popular place among the CHS students.

Another harrowing experience that happened at contest was when some of the girls went downtown in Indianapolis. The bus system seemed to puzzle them, especially when they got on the wrong bus.

Gee, you see the strangest things at contests. It seems that Lana Berger and Judy Kimmel saw a "rabbit" on the campus and Arnie Curtis even talked to him. For further information about this strange experience contact any of the above mentioned.

Surprise! Marilee Zechiel's mother had a surprise birthday party for her and she surely was surprised. Right "Zeke"?

Sandy Osborn — why don't you make an investment in a bus company? You should know better than to crowd nine people in one little car. Comfortable riding no doubt.

Lana Berger, why don't you stay home Sunday afternoons so you can answer your phone calls from North Carolina? Of course if he should start calling collect . . .! By the way, who (or what) is P.O.P.?

We understand that Kathy Clyne and Linda Kose have renamed their cars. Linda's is the Friendship 7 and Kathy's is the Friendship 8. For more information about this see either Linda or Kathy.

Carmen Grotter — I wish you would tell all of us what kind of chicken you had.

The noon meals are getting a little wild at one of the tables occupied by the Seniors. They are acting out one of the later movies — The Vikings.

Well, all you Indians and Indian maidens, that winds up the teepee signals this week, but as you know there will be more next time, so stay lookin' to the skies.

MORE PAPERBACK BOOKS

A new supply of inexpensive paperback books has been placed on the rack in the high school office. The original offering of books found a ready sale with students, so different titles were secured to replenish the supply.

Sophomore Girl Reveals Her Tastes

By Beverly Barshes

This week the editor decided that it would be a welcome change if the secret personality column would take on a new look, so we have decided to change the column into a type of interview, the guest revealing all of the likes dislikes, and favorite subjects, etc.

I am: a girl . . . 15 years and 7 months of age . . . weighing 100 pounds . . . wear a size 6 shoe . . . brown hair and brown eyes . . . I have short toes . . . own a bottle opener . . . have a brown mole on my right cheek . . . and I wear a silver ring on my left toe . . . the proud owner of 27 teeth . . . one curly eyelash . . . struggles for love.

I eat: food . . . more food . . . and more food . . . ice cream . . . dill pickles . . . M&M's . . . pretzels . . . chicken . . . pizza . . .

I enjoy: listening to W.L.S. on the radio, constantly . . . styling girl's hair . . . going to slumber parties . . . swimming in the middle of February . . . calling up people in the middle of the night (3:00 a.m.?) . . . waiting for weekends . . . basketball games . . . being a sophomore . . . vacations . . . spending money.

Favorite subjects: B-O-Y-S . . . and their personalities . . . trying

to learn to type in typing class . . . talking . . . French, (as long as we don't have homework) . . . discussions in Health & Safety . . . arguing about different things

I dislike: vegetables . . . girls who chase after boys . . . sweet pickles . . . sweet potatoes . . . Monday mornings . . . stupid contemporary cards . . . homework . . . winter . . . exams that are too long . . . school, 5 days a week . . . people who mooch food.

I look like: Sharon McGaffey, and why shouldn't I? . . . I am Sharon McGaffey.

Roman Contributions Featured By Class

Contributions of the Romans to modern civilization were portrayed by members of the world history class at assembly eighth period in the gym. The skit was written by Kathy Clyne, Linda Kose, and Mary Jane Guise. The members of the cast were dressed in appropriate costumes, which had been loaned to the class by the Eppley Auditorium drama wardrobe.

Others in the cast besides the authors were Tom Boswell, Tom Curtis, Janet Martin, Marizetta Robinson, Susan Ruhnow, Beverly Thomas, Marilee Zechiel, and M. R. Robinson.

Mrs. Melton — Kindergarten:
We observed Washington's birth-
day in our room with stories of
his childhood and clever decorations.
Sherrill Edgington gave a
Mickey Mouse, Donald Duck pup-
pet show which was very amusing
and thoroughly enjoyed.

Mrs. Allen — Second Grade:
Susan Wilson had a birthday party,
and gave us all a nice treat.
We are enjoying the cold weather
with its ice and snow. Some
of us have gone skating on the
ice in the north yard. In our
school work, most of us have
said our addition and subtraction
combinations with sums of nine
or less.

Mrs. Carter — Third Grade:
The following poems were written
by children in our class after
we discussed the life of George
Washington:

Our first president was George
Washington

A very fine man was he.
He fought in the war for you and
me

To set our country free,
So you see why I say,
A very fine man was he.

By Mary Wieringa
George Washington, a good man
was he

He did the best you see,
He liked to run and play,
But he never ran away.

By David Williams
George Washington, a great man
was he.

He cut down his father's cherry
tree.

He said to his father, "I will not
tell a lie,
I cut down the cherry tree high."

By Tom Pellegrini
George Washington, a great man
was he.

As everyone can see,
He once won a victory,
And set our country free.

By Nancy Reichley
Mrs. Keller — Fourth Grade:
We listened to the radio and
heard the progress of Col. Glenn
and felt very proud and thrilled.
Our boys decided they had better
become excellent math students
for some day one of them may
be a spaceman! In arithmetic
we are learning to add and sub-
tract thousands. We are also
learning how to do two-step prob-
lems.

Mr. Weaver — Fifth Grade:
We have gotten a rather slow
start this week because of the ice
and snow. Several of the school
buses found it difficult to pick up
the children; therefore, seven
children were absent. We had a
test in social studies and are now
starting to study the far West.

Mr. Smith — Sixth Grade:
We conducted an experiment in sci-
ence recently. First we sterilized
eight jars and their lids. Next we
filled them with a substance called
agar, and some beef extract.
The jars were then left open to
catch bacteria from the air.
Some hair was put in one, a
cough in another, and a finger
dipped in one. Later, when no
results showed, they were placed
in an incubator. The next day
there was a faint line through the
top of the agar in the jar that
contained the cough.

uable first editions and some
manuscripts as old as the year
1400. Upon completing the tour
the students were free to use the
various indexes; call for books
from the stacks; and make use
of the three fabulous reference
rooms.

All had lunch — at their own
expense — in the guest cafeteria
on campus. After lunch they re-
turned to the library to continue
their library research and finally
rendezvous at the bus at 3:00
p.m. for the return trip home.
Most of the students gave indica-
tions of having had a fine day —
some even confessed a thrill at
going through a big college book
store during the noon hour.

**Boys and Girls
Disagree On
Chivalry Question**

By Pat Kline, Charlene Lucas
and Sharon McGaffey

Remember Sir Walter Raleigh
who spread his coat over a mud
puddle for a lady? Do you agree
that there is as much chivalry
today as there was then? Here
are a few comments from the
students:

Margo Overmyer — Yes, it has
lost certain aspects of chivalry,
but this is not entirely bad. What
boy wants to throw a \$20 coat
over a mud-puddle for some girl?

Lana Berger — In some ways,
yes it has. But there are still
quite a few boys around who will
open doors, or stand aside for a
girl. These are the ones that
count!

Martha McAllister — Yes, you
can't expect customs to stay the
same for centuries, but girls
really do expect and appreciate
the little things that boys do for
them.

Frank Keiser — Yes, and I
hope it never comes back, unless
the girls start showing a little
appreciation for us.

Tom Boswell — Yes, why
should a fellow go out of his way
just to have a girl show her ap-
preciation by sticking her nose
in the air.

Carmen Gretter — Oh you
guys don't know what you're
talking about — completely!

John Benedict — I agree with
Tom. There are a lot of girls
now days that never have their
noses at a lower level than their
eyes.

Cheryl Dillon — I don't know
what chivalry it had in the first
place. Most of the boys are pret-
ty polite though.

John Crum — No, especially
not the Seniors, but the Juniors
could improve a little bit.

Linda Behmer — Maybe some
of it, but the Juniors are better
than the Seniors!

Lucy Osborn — I think the
boys could be more polite, and
not be so rough.

Larry Miller — Yes, I feel it
has, but after all women want to
be treated as equals, so why
shouldn't we treat them as such?

Wade Logan — I agree with
Miller.

Bonnie Parker — I think it
has lost part of its chivalry, but
not all of it!!

Carolee Easterday — I plead
the 5th amendment! !

Mike Overmyer — I agree with
Miller.

Mr. Lawson — If any chivalry
is lost it's because of the girls . . .

**Shadow's Victim
Has Busy Day**

By Melissa Fisher

Wednesday morning, Feb. 21,
1962. An easy day to remember
because it is only one day after
the John Glenn launching, also,
because it is one day after my
victim's birthday.

Time: 8:10 a.m. First period
bell rings and victim settles her-
self for a period of study — little
does she know that she is being
constantly watched. Hmmm?
What's this? She turns in her
seat and is begging friend in back
of her to go to the tourney —
friend must have replied in the
negative, because victim now
wears a crestfallen expression.

Time: 9:00 a.m. First period
dismissal bell rings and victim
moves to next period situation
— that of chemistry. This is
where my spy shadow moved in,
to relay her movements to me . . .
nothing like ruining a report!
All she did was quietly study dur-
ing the whole period. Spy re-
ports, however, that victim is still
completely unsuspecting.

Time: 9:55 a.m. Bell rings
for 3rd period situation — Senior
English. Instead of becoming
completely obscured in that ra-
ther sunless room, I placed my-
self in the chair next to my
victim, rather close to the win-
dow. Naturally most of her com-
ments were within my earshot.
Her test paper, which was re-
turned, didn't escape my atten-
tion either. One of the test ques-
tions read thus:

"Proof that 'core curriculum'
is often accidental or incidental
is brought to the attention of stu-

dents of 18th century literature
when they are caused to recall
that the proper name for the
'heart sack' is a physiological
term called . . .

The proper answer was "peri-
cardium," but my victim had
placed the word "love" in the
blank — explaining that she had
read the question wrong and had
believed it said, "heart sick."
This incident rather explains it-
self, as we understand that she
had quite a thrilling weekend.
So much for Senior English class.

The next period my spy had
nothing earth-shaking to report
on my victim so we shall assume
she took algebra rather seriously
and studied during that interval.

I contacted her again in the
hall after the noon dismissal bell
had rung. She was being swept
along in a stream of students
rushing for the cafeteria, when I
spotted her. She said, "Hoo!
Mabel! Hide the buns!" and told
me to hold a place in the cafete-
ria line for her. She came back
panting and clutching a tourney
ticket in her hand — apparently
she had found someone to go
with.

Lunch hour she spent satisfy-
ing her appetite. My victim came
up with a few good points dur-
ing lunch, one of which concerns
the disrespect the underclassmen
seem to have for the upperclass-
men — she emphasized this by
pointing out a few minor con-
fusions which she explained she
had obtained merely by walking
from class to class.

My victim's afternoon was ra-
ther quiet — for she has only
two classes. Her Art II class
went well except for a small run-

in with Phil Gretter. It seems
he mashed her chin . . . on her
sculpture work, that is. Econ-
omics class went well, at least.
I heard no complaints from her
direction.

The last period in the day she
spent in the band building sing-
ing, a little off pitch now and
then, because she is yet unfam-
iliar with the songs.

Oh!?! The name of my vic-
tim? Julia Furnas, whom we
welcome back from San Marino
High School in sunny California.

**Thomas Miracle
Wins Top Rating
In Music Contest**

Thomas Y. Miracle, Culver, is
among the group of Culver Mil-
itary Academy students who won
top ratings recently in the Indi-
ana State Music Contest.

Miracle, a member of the Blue
Notes, which is a vocal group,
participated in one of four groups
awarded "superior" ratings, the
highest ranking given in the con-
test held at Butler University,
Indianapolis. In addition, three
Culver soloists won "superior"
awards.

Culver Military Academy sent
37 students to the contest on the
basis of "superior" awards won
in the earlier district competition.

Miracle is the son of Major and
Mrs. James V. Miracle, Culver.

Editor, CITIZEN:

Just a line to tell you how we enjoy getting the news of Culver via the weekly Citizen. I have lived around Culver for nearly forty years and I am convinced that it is the garden spot of the world.

This old South is a fabulous country. The Mardi Gras at New Orleans is duplicated on a small scale in many other southern towns. This country around here is rich in historical interest. First the French, then Spanish, then English, and again the Spanish held New Orleans. Naturally there was a great deal of blood mixing with such a polyglot mixing of races. Some of the early settlers took Indian Creek wives. Their children took French wives, etc. It would be difficult for some of the new rich to trace their ancestry when they write their paragraphs for Who's Who.

The way the Mardi Gras started was that Bienville, who was the French wheel of the Mobile Colony, thought in 1811 that his people needed a celebration. He told them to knock off work and have a barbecue. They called this Boeuf Gras or fat beef. This was a masked celebration on New Year's. The New Orleans celebration which came a century later was celebrated on Shrove Tuesday.

This country around New Orleans was fought over by the French, Spanish and English and the Americans. About 500 women and children, who fled to an American fort around Mobile, were massacred by the Creek Indians in 1813. The leader of the Indians was a half breed Scotchman who had a Creek mother.

One of the legends one hears in northern Mississippi is about Casey Jones the brave engineer. Casey was a hog head on the crack Illinois Central flyer which ran from Chicago to New Orleans. Harry Winkler of Culver was a dispatcher at Carbondale who used to give this train the green light. Casey plowed into the rear end of a freight below Memphis and was killed. The song was written to commemorate his fame along the right-of-way.

The battle ground in New Orleans is where Andrew Jackson

fought with a polyglot army made up of a few regulars and the piratical crew of Jean Laffite. One of Laffite's gunners, a Frenchman, really mowed the English down with chains between cannon balls which caused a terrible slaughter of the English.

The new South is rapidly becoming one of the industrial sections of the country. New capital from the north and industry is coming in to take advantage of the large labor supply and the beneficial climate.

Legally Mississippi is dry but package stores abound where one can get any kind of liquor one desires. The drays have the law and the wets have the liquor. This is a strange paradox indeed. The state even licenses the package stores.

Steamships from the seven seas of the world ply the ports of the Gulf. Mobile and New Orleans and Houston, Tex. are among the busier ports of the U.S.

 Value to all mankind of the healing ministry of the Master will be stressed at Christian Science church services Sunday, in a Lesson-Sermon on the subject "Christ Jesus."
 Luke's account of the healing by Christ Jesus of the man with the dropsy will be included in the Bible selections.
 From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this citation will be read (p. 180): "When man is governed by God, the ever-present Mind who understands all things, man knows that with God all things are possible. The only way to this living Truth, which heals the sick, is found in the Science of divine Mind as taught and demonstrated by Christ Jesus."

The Golden Text is from Colossians (2): "As ye have therefore received Christ Jesus the Lord, so walk ye in him; rooted and built up in him, and established in the faith, as ye have been taught, abounding therein with thanksgiving."

Regulate your driving speed according to road and weather conditions, says the Chicago Motor Club. Often, after a winter storm has passed, isolated icy spots remain in sheltered places. Be alert for slippery conditions when driving under viaducts, on bridges, in shaded spots, and in other protected areas.

Two new members taken into the Aubeenaubee Township Honor Society, which is a chapter of the National Honor Society, were Mickey McIntyre and Larry Brockey. In an impressive ceremony Richard Kelso, president, gave the welcoming address to parents, friends and students. The student body sang the National Anthem after which the pledge to the flag was given. Chapter members, Nedra James, Connie Feltes, Richard Kelso, Patsy Leap, Martha Langenbohn, and Phyllis Shaffer gave the four virtues necessary to achieve acceptance into the Society. First qualification is to achieve a 3.0 grade average. One must qualify in general conduct and ability as well. These specific challenges are character, leadership, scholarship, ability and service.

Mrs. Francis Kelly has accepted employment in the Kelly Shop at Culver, which was purchased by her son and daughter-in-law, Mr. and Mrs. Norman Kelly.

Mrs. Clara Large is improving after breaking her ankle on the ice two weeks ago.

The band and chorus students of Aubbee High School will go to Akron, March 9, to play in the Fulton County Music Festival.

Mr. and Mrs. Jesse Sims and son of Culver were dinner guests Sunday of Mrs. Floy Leap and daughters.

Donald Miller of Culver spent the week-end with his grandparents, Mr. and Mrs. Clyde Overmyer.

Clyde Hamilton and daughter, Patricia, spent Sunday with Mr. and Mrs. Herold Hamilton and family at Marion.

Ann Leap spent Sunday with Debbie Cahill at Winona Lake.

Mrs. Helen Lawson and grandson are spending several weeks in Florida with relatives.

Mr. and Mrs. Doyne Kistler and sons of Royal Center spent Sunday with Mr. and Mrs. Earl See.

RECOMMENDED SMALL GRAIN & HYBRID CORN

Commercial hybrid corn and small grain varieties recommended for Indiana have been published in two new research bulletins by Purdue University's agricultural experiment station.

Research Bulletin 738, "Performance of Commercial Dent Corn Hybrids in Indiana, 1958-61" lists the yield, stand, water at harvest and broken or lodged plants — up to four-year averages — of the hybrids of 24 companies on 11 locations throughout Indiana.

Research Bulletin 737, "Small Grain Varieties for Indiana," presents yield, test weight, lodging percentage and plant height — up to 5-year averages — over 10 Indiana locations for wheat, oats, and barley. The publication tabulates the varieties recommended or acceptable.

A copy of either or both publications will be sent free to Indiana residents who request it by writing the Agricultural Publications Office, AES Building, Purdue University, Lafayette, Ind. (A postal card is sufficient.) They are also available at County Extension Offices.

Do you enjoy greeting cards and expensive gifts? The best way to receive them is to have your birthday listed in The Citizen's popular weekly column. Just phone name and date to Viking 2-3377.

STANLEY M. PROUTY PROMOTED TO RANK OF MAJOR IN U.S. ARMY

Stanley M. Prouty, of the ROTC Detachment at Culver Military Academy, has been promoted to the rank of major in the U.S. Army. The promotion was effective Feb. 1.

Major Prouty held the rank of captain for seven years, and the appointment comes at the regular interval for peacetime promotions.

An MST-4 instructor, Major Prouty joined the Culver detachment in June, 1961. He reported for duty here following 13 months in Korea. Major Prouty has seen much service in the Far East, having also served in Okinawa. He is a graduate of the U.S. Military Academy, Class of 1950.

Major Prouty and his wife and two children live in Burr Oak.

Leroy Grove was a Sunday dinner guest in the Paul Kaley home and helped observe the birthday of Donald Gardner.

and reliability. This is very important. Young people may get married without money; but they should have an insurance policy upon which they should never draw) — and good credit.

The real estate men combine to associations which report to one another. The bank where you are a new resident will be cashing your monthly check in the new city will get a report upon you from its correspondent banks in the city you are leaving. So be sure to establish good credit. Be sure to refer to your school principal and your minister or priest — and especially to your former employer. Be "above board" in your transactions with your real estate agents and with the mortgagee. Build up good credit wherever you are and save a little money each month after paying your insurance premiums. This should be a MUST.

Gary Gibbons of Plymouth is visiting his grandparents, Mr. and Mrs. Everett Gibbons.

Mr. and Mrs. Lee Smith spent Thursday evening with Mr. and Mrs. O. C. Gibbons.

Mrs. Wayne Crow received a telephone call from a lady in La-Crosse, Wis. saying that Mrs. Crow's Mother, Irene Lysaker, had fallen and broken her ankle in two places.

Mr. and Mrs. Ernest Quimby, Mr. and Mrs. Floyd Crow and children, Mr. and Mrs. Clifford Overmyer, Violet and Mary, and Mrs. Nora Crow were Saturday evening guests of Mr. and Mrs. Wayne Crow to help Wayne celebrate his birthday.

Mr. and Mrs. Eldon McIntyre of Etna Green were Saturday dinner guests of Mr. and Mrs. Floyd McIntyre, Mr. and Mrs. Danny Kepler of South Bend and Miss Mary Kay Fisher of Ball State University were Saturday supper

guests. Miss Mary King of LaPaz was a Sunday dinner guest and Mr. and Mrs. Eugene McIntyre and three children of Bremen were Sunday afternoon and supper guests.

Driving too close to the vehicle ahead, says the Chicago Motor Club, brings a double danger when streets and highways are

wet or icy. First, there's the danger of a rear-end collision. Second, your windshield and headlamps will collect a double dose of muddy spray thrown by the wheels of the car ahead. Leave room for safety.

Culver Indians Lose To Bourbon In Sectional

By EARL D. MISHLER
Bourbon's Comets proved themselves the best team in the field at last week's Plymouth Sectional, but not until they had survived some real battles. Our own Culver Indians played their finest game of the season, but lost, 73-63, in Thursday's night bye game.

Senior forward Tom Boswell led Culver throughout the first half, as he tallied 19 points, including nine-of-nine free throws. Culver worked well against Bourbon's man-for-man defense, but found the Comet's rebounding strength hard to handle. After the first period, Bourbon led 18-16, as Boswell had tallied ten of Culver's points. Led by Dick Anders and Chet Hall, the Comets continued to control the backboards in the second stanza. Boswell contributed 9 more points, but the Comets held a 39-33 half-time lead.

With Boswell picking up his fourth personal foul in the third quarter, things looked bad for Culver. But still Bourbon could not pull away from the pesky Indians, and after three periods it was Bourbon 50, Culver 43.

The fourth quarter was a battle of baskets, with neither defense being able to stop either offense. Bourbon, led by high scorer Chris Booz, pulled into a ten point lead with two minutes to play. But Culver still was not through. Freshman Dave Lemar, sent in by Coach Gene Crosley to beef up the rebounding corps, hit a close-in jump shot. Then Sophomore Sam Lowry stole the ball, scored on a lay-up, and added a free throw to cut the margin to five points. Boswell added another free throw, and the Tribe trailed by only four. But Tom picked up his fifth foul, and Booz added two more field goals to give the Comets the 73-63 decision.

Boswell's 26 points led all scorers while senior Jim Carter and Lowry added 12 and 11 points, respectively. Chet Hall had 20 for Bourbon, supported by Anders, Steve Shively, and Booz with 15, 12, and 11.

Bourbon Comets Win Sectional Championship

By EARL D. MISHLER
The Bourbon Comets survived upset in bids by Culver and Bremen last week to win the 1962 Plymouth Sectional basketball title.

In a thrill-packed final game, Saturday night, 5'8" junior guard Joe Sharpe teetered on the edge between the hero and the goat. Sharpe had sent the Comets ahead, 56-55 with a clutch free throw with nine seconds left, but had missed the second and had fouled Bremen's Buzz Anglin with two seconds to play. The Lions' sophomore, who had played a near-perfect game up to then, missed the foul shot, and bedlam broke loose on the Bourbon side of the court.

Bourbon star Chris Booz, slowed down in the first half by a combination of the flu bug and Bremen's Tom Zentz, led the Comets with ten second half points, including a crucial jump shot in the waning minutes. He and teammate Chet Hall led their team with 12 points apiece, while Anglin had 19 for the losers.

Saturday's semi-finals saw Bremen beat Tippecanoe in a slow-down game, 46-36. Tippey, who held an 18-17 halftime lead, was led by Billy Robinson's 14 points. Anglin's 13 were the best for Bremen.

Bourbon defeated Plymouth in the semi-finals, 59-44, in a rugged battle, marred by frequent temper flare-ups. Booz had 21 for the Comets, while Fred Perry led the losers with 13.

In opening day action, Bremen and Tippecanoe survived first round competition to reach the semi-finals. Tippey trounced hapless West Township, 66-47, and then tripped Talma, 55-44. Sophomore Bob Trowbridge led the Police Dogs in the afternoon with 22 points, and Mick Morlan paced the evening victory with 15. Talma had opened the tourney with a 57-44 win over Argos, as Barry Peterson and Don Craig had 27 and 21 points for the Tigers.

Bremen advanced with a hard-fought 65-58 decision over LaPaz.

Paul Felter of Bremen turned in the tourney's finest single game performance with 30 points.

Thursday afternoon Rochester and Plymouth advanced with victories over Richland Center and Tyner, respectively. The Zebras toppled the Wildcats, 59-50, despite Phil Alber's 20 points. Bill Basham led Rochester with 17. Plymouth, with Perry doing a brilliant defensive job on high-scoring Rex Stull, dropped Tyner, 70-52. Dan Hallman had 18 for Plymouth and Ray Holmquist led the Redmen with 16.

That night Bourbon fought off a stubborn Culver team, 73-63. Tom Boswell led all scorers with 26 points, while Chet Hall led the balanced Comet scoring with 20. Plymouth then pulled the tourney's biggest upset when they bounced Rochester, 56-51. Perry hit 19 for the hosts and Basham led the losers with 14. The Zebras had stopped Plymouth twice during the regular season.

Our all-tourney team includes Buzz Anglin, Bremen; Chris Booz, Bourbon; Tom Boswell, Culver; Fred Perry, Plymouth; and Bill Basham, Rochester.

Other area Sectional champs were Mentone at Columbia City, Elkhart at Elkhart, South Bend Central at South Bend, and Knox at Knox. Bourbon faces Elkhart and Mentone meets Central in Saturday's Regional at Elkhart.

Mr. and Mrs. Ernest Crabb, Mr. and Mrs. Larry Crabb and son, and Mrs. Edna Burkett, all of Argos, and Mrs. L. A. Crabb were dinner guests of Mr. and Mrs. Merl Crabb on Sunday.

Mr. and Mrs. Walter J. Muehlhausen of East Shore Drive have returned from a three weeks' vacation at Lauderdale by the Sea, Fort Lauderdale, Fla. Their daughter-in-law, Kay, and granddaughter, Holly, joined them for their last week there.

IN SERVICE

NORFOLK, Va. — Navy Capt. Alden W. Whitney, son of Col. C. A. Whitney of Culver, is serving with the staff of the Atlantic Fleet Amphibious Force, headquartered at Norfolk, Va., which celebrated its 20th anniversary on Feb. 20.

Organized on Feb. 20, 1942, the force led every major Allied amphibious landing in North Africa and Europe during World War II.

Today, nearly 17,000 men as-

signed to 58 ships and supporting units make up the force, which teams with the Atlantic Fleet Marine Force to provide a vital amphibious striking capability for the nation. Combat-ready units range the Atlantic, Indian, Arctic and Antarctic Oceans, as well as the Caribbean and Mediterranean Seas.

Vice Adm. Alfred G. Ward, commander of the Atlantic amphibis, sent a personal anniversary message to the men of his force praising their importance as a "vanguard in peace and spearhead in war."
