School and Town Time Problem To End April 29

Beginning Sunday, April 29, Marshall County will no longer have a time problem with the South Bend and Chicago areas, and Culver Schools will be oper-ated on Eastern Standard Time, ending the conflicting time be-tween the Town and School which has been in effect this winter.

At 2 a.m. on this date, cities and towns to the north and west of here will advance their clocks to fast time and once again the entire State of Indiana will have the same time schedule. Last October the Culver Town

Board unanimously passed a reso-Board unanimously passed a reso-Intion to observe fast time in Cul-ver all year, but Starke County remained on slow time. This created quite a complicated school problem as Culver-Union Town-ship School has a five-year con-tract to educate 120 North Bend students from Starke County. Since one bus load of students, mostly juniors and seniors, is being collected from all North Bend buses at the North Bend School and being transported to School and being transported to the Knox School, it meant that some of the youngsters would be boarding the buses at 6 a.m. and that the one bus load would have an hour's wait at North Bend hefore journeying on to Knox. To solve the problem Culver Schools have operated on Central Stand-ard Time since Oct. 30.

At the present time 69 of the Counties in the State are on fast time while the remaining 23 returned ounties to Standard Time last fall.

Local Chamber of **Commerce To Meet** Monday, April 23

John Brademas, Congressman from the Third District, will be guest speaker at the Union Township Chamber of Commerce meeting, to be held on Monday, April 23, at noon, in the dining room of The Culver Inn. Congressman Brademas will discuss current events and topics of interest to the people of the Third District.

This meeting will take the place of the regular scheduled meeting of the Chamber of Com-merce, which was to be held on Monday, May. 7. This change was necessary to accommodate the here schedule of Compared the busy schedule of Congress-man Brademas.

Non-members of the Chamber of Commerce are welcome to attend this meeting and hear Mr. Brademas. If you desire to at-tend, it is suggested that you contact the manager of The Culver Inn for reservations. Luncheon tickets are \$1.50 per plate.

Local Churches To Observe Patriots' Day Bells To Ring Four

Minutes April 19

Local churches have pledged full support to plans being form-ulated by The American Legion for the nationwide ringing of bells in a demonstration of positive Americanism on Patriots' Day, April 19. Mrs. J. Howard McKay, na-

tional president of the American Legion Auxiliary, has called upon each Unit to assist its Post in this dramatic portrayal of pa-triotism which will seek the ringing of every church and school bell, carillon, and chime in every community throughout the nation for a period of four minutes, beginning at 1:00 p.m., EST, Thurs-

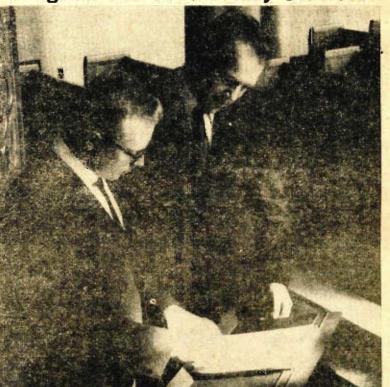

day, April 19. Mrs. McKay suggested that as these "Bells of Liberty" ring out it would be appropriate for listeners everywhere to pause and renew their Pledge of Allegiance

to the Flag of the United States. "As members of America's largest organization of patriotic women, we have an important role to play in this dramatization role to play in this dramatization of our dedication to positive Americanism," Mrs. McKay said. "Patriots' Day, April 19, com-memorates the famous ride of Paul Revere to sound an alert through every Middlesex village and farm. It is an appropriate occasion to remind us of what we are fighting for in this cold war are fighting for in this cold war against communism."

As the organization of this mass demonstration of American-ism got underway, National Com-mander Charles L. Bacon of The American J. Second Adm American Legion appointed Adm. Arleigh A. Burke, USN (Ret.) as chairman of the National "Bells-Across-The-Nation" Committee, In addition, National Commander Bacon has asked each of his nearly 17,000 Post Commanders to serve as his personal representa-tives on this committee.

In accepting the national chairmanship. Admiral Burke said, "I am proud to accept this honor. I hope that all other religious, civic, and service groups will join with The American Legion and the American Legion Auxiliary to ring the bells on Patriots' Day, April 19, which will be a sound of freedom heard throughout the world."

DONALD H. RALPH

Donald H. Ralph, Detroit, Mich., has been named manager of the Culver Inn and Motel, located on the campus of Culver Military Academy.

The announcement of Ralph's appointment is made by Manage-ment Food Services, a subsidiary of Stouffer Restaurants, which operates the Inn and Motel under a lease agreement. Ralph replaces Frank Krimmel, who has been manager of the Inn and Motel since 1960.

Ralph is a graduate of Mich-igan State University, where he majored in hotel management. During summers while attending Michigan State, Ralph worked as night auditor at the Park Hotel, Sault St. Marie, Mich. He spent two years in the U.S. Army, and then was employed in the front office at the Benjamin Franklin Hotel, Philadelphia.

iod of training before serving as

assistant manager of the firm's Broad Street and Wynewood res-taurants. Philadelphia. Before coming to Culver, Mr. and Mrs. Ralph operated the Mountain Chalet Lodge, Aspen, Col., for a year and they were instrumental in the construction of the new Rustler Lodge at Aspen.

As manager of the Culver Inn and Motel, Ralph will supervise approximately 45 employees. The lnn and Motel are located on the shores of Lake Maxinkuckee which, in addition to being a popular resort area, is the site of the state's famed college preparatory school, Culver Military Academy, Ralph's duties will include ar-

ranging for conventions and business meetings. The Culver Inn has 14 rooms, while the completeair-conditioned Motel has 64 units. Available for conventions, business meetings, parties, and receptions are many of the facilities of the Academy These include 1550-seat auditorium and a 200-seat Little Theater in the air-conditioned Eugene C. Eppley Auditorium, complete dining facilities, meeting rooms, and such recreation activities as tennis, golf, swimming and boating.

Time To Register For Next Year's Kindergarten

Parents with children who will be in kindergarten next year should register as soon as possible at the office of the elemen-tary school. This can be done by simply giving the name of the child and can be done over the telephone. The number is VI 2-3060.

Formal enrollment will start August 15 and must be done be-fore the opening of school. To be eligible to attend kindergarten this fall the child must be five years of age on or before Sept. 30, 1962.

Bloodmobile Unit At Rochester On Tuesday, May 8

The Fulton County bloodmebile unit will be at the American Legion Home in Rochester on Tuesday, May 8, from 10 a.m. until 4 p.m.

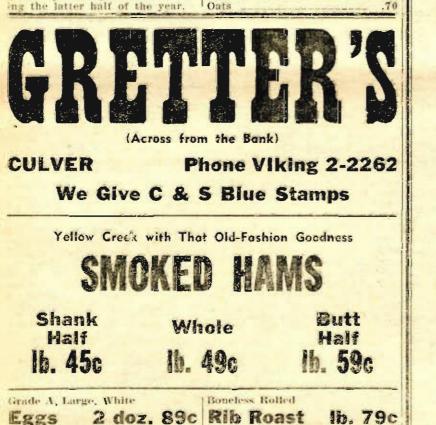

Blood donor recruitment will be handled by the Woodlawn Hospital Auxiliary Units. Township chairmen include Mrs. John Nelson, Aubbeenaubbee, with a quota of eight pints; Mrs. Oren Conrad, Richland, quota of 10 pints: and Mrs. Vance Lytle, Union, quota of 11 pints.

It is important to note that Fulton County now has only three collections per year. The first one was Jan. 16, so May 8 will probably be the last oppor-tunity to replenish the blood sup-ply until late summer or fall.

Enough time has lapsed for all previous donors to give again. The age limit for blood donors is set from 18 to 60 and unmar-ried donors from 18 to 21 must have written consent of one parent.

Tri Kappa Province 10 **Convention At Auburn** Wednesday, April 25

"April in Paris" is the theme for the biennial Tri Kappa Pro-vince 10 Convention which will be held April 25 at the Auburn Presbyterian Church.

Hostesses for the event are the Garrett Alpha Chi active and as-sociate chapters. Province officer is Mrs. Richard Moran of the Garrett active chapter. Held in the spring of each even year, the purpose of the convention is to keep chapters informed and interested in the progress of state activities as well as to develop closer relationships within the province.

Registration for the convention will be from 9 to 10:30 a.m. (DST). Those wishing to enter the art exhibit will do so during this time. A coffee hour, served by the Garrett associate chapter, also will be included in this registration period.

Beginning at 10:30 a.m., workshops and delegates meeting will be in session until noon. The delegates' meeting at which Mrs. Moran will preside will receive reports from the various state committees as well as discuss problems pertinent to this prov-ince. The trensurers' workshop will be in charge of Mrs. Chester Frances, council treasurer from Vincennes; the art workshop will be under the supervision of Mrs. George Bentley of Kendallville; in charge of the corresponding secretary workshop will be Mrs. Charles Doran of Elkhart. Mrs. Jack Langdon of Auburn will conduct the scholarship workshop,

During the luncheon, scheduled for 12:30, organ music will be played by Mrs. Don Ferguson from Lagrange. After the lunch-con, council officers and various guests will be introduced. will be followed by the awards for outstanding scrapbooks and awards for the member-artist exhibit.

Since January, 1962, when chapters were re-provinced because of growth, Province 10 now includes 23 chapters - 13 of which are active and 15 of which which are active and 15 of which are associate. Towns and cities represented are: Auburn, Bre-men, Columbia City, Culver, Elk-hart, Garrett, Goshen, Kendall-ville, Lagrange, Mishawaka, Plymouth, South Bend, and War-eaw Within the Within the province now, saw. there are 645 active members. 198 college members, and 398 associate members.

Thermogas Company To Acquire Dri-Gas

Thermogas Company which recently acquired Liquid Gas Corp., distributors of Liquid Flame bottled gas owned by Jerry Ball of Plymouth, has announced that it has agreed to acquire Dri-Gas division of Warren Petroleum Corp. of Tulsa and all the assets and property of Harris Co. in which Warren holds a majority interest, the concern announced.

Dri-Gas distributes liquefied petroleum gas mainly in Indiana and Illinois. The Harris com-panies distribute LP gas in Arkansas. The cash price "is in the vicinity of \$10 million," ac-cording to Charles O. Russell, Thermogas president. Dri-Gas and Harris last year distributed roughly 100 million gallons of LP gas, Mr. Russell said.

This acquisition will now make Thermogas the largest distribu-tors of LP gas in this country.

DENIM MEN OF AMERICA

TOBACCO INDUSTRY

In May, 1962, America's 60 million smokers will have a chance to enjoy an entirely new experience ... a self-lighting cigarette! It has a treated tip which ignites when scratched against the special pack or wrapper. That's the latest news from America's vast tobacco manufac-

turing industry ... bolstering the national economy by \$1 billion annually. Last year, American farmers in denim harvested 2 billion pounds of tobacco-onequarter of the world's total crop. Over 75% of this harvest is consumed in the United States, where a record 488 billion cigarettes ... over 7 billion cigars ... and 79 billion pounds of pipe tobacco, "chaw" and snuff were consumed last

year. Manufacture of these products requires the services of 78,000 workers in denim.

The birthday of Mrs. Loten. dema Thornburg was observed and also the anniversary of Mrs. Lucille Ulery. Door prizes were drawn by Mrs. Pauline Siems and Mrs. Elenora Kruyer. Secret and Mrs. Element Kruyer, sector pals were revealed and new ones drawn. A iesson on Ceramics was given by Mrs. Elnora Kruyer of Plymouth. All enjoyed the lesson and seeing the beautiful things she has made. Refreshments were served from tables decorated in the Easter motif by the hostesses, Mrs. Carl Bennett and Mrs. Harry Sheppard,

Mr. and Mrs. Guy Flosenzier and Kim, and Mr. and Mrs. Norman Ditmire attended a birthday dinner Sunday at the home of Mr and Mrs. Jim Hill in South Bend. Other guests were Mr and Mrs. Vern Flosenzier of Plymouth and Mr. and Mrs. Thomas Hill and son David of Nappanee. The dinner was in honor of Mrs. Vern Flosenzier and David Hill.

Babson Discusses New Ways To Make A Million

Opportunities For Young People

By ROGER W. BABSON

No. 1 U.S. Economist Babson Park, Mass., When a young person has a really useful dea and takes it to a large condea and takes it to a large con-cern to make and promote, he is often discouraged when it is turn-ed down. This is because the head of the company asks only two questions: (1) Is it a new idea? (2) Will it sell? Unless it passes both tests, the big company will not bother with it. However, bero is always an oncertainty for the drug companies which are working on two wonder chemi-cals — D.N.A, and R.N.A. Many cals — D.N.A, and C.N.A. Many cals — D.N.A. Many cals — D.N there is always an opportunity for cy and persistence to start his own business

ed certain foods which she gave to ourbaby to daughter dur-ing the wean-ing p e r i o d, Only within the last forty

Roger W. Babson one manufact-ired "baby foods" to save the housewife work. A young man named Gerber, when graduating from Babson Institute, told me has intersected in that his family was interested in this idea. Soon he went to Fre-mont. Mich., and developed the cales of the business.

The big food companies began to compete with him. He, how-ver, with persistence and enthusasm, kept ahead of them. Today Gerber- Baby Foods' are known all over the U.S. and in many European countries. The big food concerns had had generations to manufacture baby food, but it ook Daniel F. Gerber to make a million from this idea.

A Fish Chowder Idea Being a Gloucester boy, I al-vays like a chowder every Fri-day made from haddock. Today, this haddock must be caught, iced, and brought into Gloucester.

Notice OF HEARING ON FINAL ACCOUNT STATE OF INDIANA MARSHALL COUNTY, SS

There it is filleted. These fillets contain only 40% of the food val-ue; the head, skin and bones make up the other 60%. These fillets are frozen or canned to sell for making fish chowder. Someday some young people will capitalize on the idea of grinding up the entire fish and making "condensed" fish, just as Mr. Borden made the first condensed milk. Instead of having only 40 milk. Instead of naving only to % of the nutrient it will have the entire 100%. When I speak to my Gloncester friends about this they reply. We are too busy with frozen and canned fish; let some young merson make this insome young person make this in-to a million-dollar business."

create life itself. The drug comwhere is always an opportunity for young person with selling abili-y and persistence to start his who business. The Gerber Products Company When I was a young man, my wife cook-the judgment, or the memory of a person. I am certain that our present methods of education will be revolutionized by these new drugs. Here is another opportun-ty for a young merson to make a ity for a young person to make a million.

Selling Wood For Food

At present, only termites and a few other animals can digest the cellulose of the millions of square miles of trees now in our forests

dissolving this cellulose into a liquid that humans can digest. This will be the basis of a great new industry. Wise is the young person who becomes an expert on cellulose.

I once asked Thomas A. Edison what he would like to do if he had all the time he needed. He re-plied: "Make a cold light. My in-candescent light consumes too much electricity as heat. I hate to think of the firefly being able to do something that man cannot do!" He was also much interested in birds. He said: "Birds are the only natural resource (other than gravity) that has not been har-nessed. The land, water, sun, fornessed., The land, water, sun, for-ests . . . all are the foundation of great industries." He believed that semeday birds will be trained to forecast the weather and do other wonderful things. No large companies will bother with this, but it offers great opportunities for young people for young people.

Automation And Electronics? I have not discussed these two subjects because they are so publicized in magazines and in the stock exchasge. I am interested only in new ideas which will de-velop into "big money" for those with courage and ability. I like to call them our "sleeping giants."

It would be unfair for me to close without referring (again) to a book entitled "IDEAS" by Clinton Woods of 2803 Goodwood Rd., Baltimore, Md. Cost: 85.75 postpaid. He describes over 200 ideas which some young person has had the initiative to develop into big business.

Academy Sports

Only Culver Military Academy's tennis team, unbeaten in two matches, survived last weekend's dip in temperatures among three Academy spring sports teams scheduled for action. While Coach Clarno's tennis. squad was beating Fort Wayne

Concordia High School in a tight match, 4-3, Saturday, the Academy baseball and track teams got the day off because of the cold weather and wet grounds. Both were scheduled to meet Horace Mann School, of Gary, and the day was to have been the opening of the season for Coach Jim DeArmond's baseball squad.

The Academy baseball squad will aim for opening victories shoulder suffered three weeks over two teams this week, a 4 ago as the result of a fall.

p.m. Thursday game here with South Bend Riley and a double-header Saturday against John Adams at South Bend. The track team will be at the North Side Relays Saturday, the tennis squad will host Huntington, and the golf team opens its season here with Delphi.

In winning its second match, the Culver tennis team got off to a bad start against Concordia and then rallied with singles victories by Rick Berlin, Lee Schles-inger, and Bill Owen. The doubles team of Gil Bickel and Schlesinger clinched the victory with set victories of 7-5, 6-0.
