Babson Makes An Analysis Of The Depressed Stocks

Railroads and Autos Included

By ROGER W. BABSON
No. 1 U.S. Economist

Babson Park, Mass. — A book has recently been prepared by Mr. H. G. Olson of my organization, giving charts, earnings, prices, etc., for the common stocks of 100 well-known companies. In view of the high level of the Dow-Jones Industrial Average (up from 265 ten years ago to around 700 today), I have made a partial analysis of these 100 stocks. The book should interest every investor.

Roger W. Babson

Railroads and Airlines

Of course, the principal railroads are in this list, with the Pennsylvania and New York Central included. No wonder they are trying to merge today as their only salvation. Among the other railroad stocks which have had a hectic record are the Chicago, Milwaukee, St. Paul & Pacific; the Chicago, Rock Island & Pacific; the Reading Co.; and the Erie-Lackawanna.

The stocks which have suffered the most are the airplane stocks. Trans-World Airlines, one of the largest, sold at \$80 per share in 1946 and is selling around \$10 today. When we consider the aircraft manufacturers, we find that Douglas Aircraft Co., which I consider one of the best, sold at \$95 in 1956; but sells for less than \$40 today. Eastern Air Lines sold at nearly \$60 in 1955; but sells today at less than half that price.

Automobiles and Footwear

Among the active high-grade automobile stocks is that of the Chrysler Corporation, which comes next, in my opinion, to General Motors and Ford as the best three. Chrysler stock has dropped from about \$100 in 1952 and 1955 to around \$50 today. The Ford stock was brought out at about \$70 a share in 1956, but soon slumped below \$40 due to "free riders" looking for a quick profit. Ford climbed above \$90 in 1959; again fell to \$60, but is now near \$100!

Whether or not the increase in automobile riding has raised havoc with the shoe industry, I leave to you readers. The stocks of two large shoe manufacturers — International Shoe Co. and Endicott Johnson Corp. — have had an unfortunate record. The International Shoe stock was dropped from about \$50 to less than \$30; while Endicott Johnson has declined from \$50 to \$20 today. This same trend applies to men's and women's clothing as shown by the record of Bond Stores, Inc. — and to floor covering companies such as Congoleum-Nairn.

Farm and Other Machinery Stocks

I am sorry to see that J. I. Case's stock has declined from nearly \$40 in 1951 to less than \$10 today. It has paid no dividends since 1955 but manufactures a full line of good farm and earth-moving machinery. With the farmers prosperous and the great roadbuilding campaign ahead, it seem to me this company should do better or else change its management. I think it is now taking needed action.

JAMES ENGLE, JR.

CAMP PENDLETON, Calif. — Marine Pvt. James Engle, Jr., son of Mr. and Mrs. James F. Engle of Monterey was scheduled to complete four weeks of individual combat training, April 20, with the Second Infantry Training Regiment at Camp Pendleton, Calif.

With emphasis on the individual, the new Marines are trained in tactical matters and field combat skills. They learn to assume their role in small fighting units — the four-man fire team and the 14 man squad.

This training is required of each Marine completing basic training.

Insurance Official To Speak Before Lions Club Tonight

Allen Dale, of the Insurance Institute of Indiana, Inc., will be the guest speaker at the Culver Lions Club at their meeting to be held tonight at 6:30 at the Lions Den.

Mr. Dale will speak on the present need for an intensive driver training program for the young drivers on our highways.

Quick Action May Have Saved A Serious Accident

The quick observation and efficient reporting of Chief Mikesell, Culver's Police Chief, last week may have prevented another accident like that which occurred here four years ago when 13 carloads of coal were dumped over the area of the town park.

Chief Mikesell observed the crossing flashers at the Culver Military Academy crossing were flashing for no apparent reason. He reported this fact to station agent Emory Kinney. Mr. Kinney investigated and reported the defect in the flashers to the Logansport offices. Immediate investigation by the railroad personnel revealed a broken rail and broken connections, which set the flashers working. The broken rail, in the meantime had expanded enough to make connection and thus had caused the flashers to stop working, but the danger of a broken rail was still there. The rail and broken connections were repaired immediately. A fast moving train over a section of broken rail could have caused just such an accident as occurred four years ago, and in Mr. Kinney's words, "that was a mess." Our thanks to Chief Mikesell for his efficient observation and quick reporting of the trouble.

Housing for nearly 20,000,000 Americans has been financed with funds of life insurance policyholders since the end of World War II.

Announce New Names For Girl Scout Groups

Become Effective September, 1963

Names for four age levels within the Girl Scout program, to replace the three-level structure that the organization has used since 1938, was announced today by Mrs. Charles U. Culmer, President, Girl Scouts of the U.S.A.

Beginning in September 1963, age groupings for the 2,685,000 girls in Girl Scouting will be as follows: Brownie Girl Scouts, aged 7 and 8 years; Junior Girl Scouts, aged 9, 10, and 11 years; Cadette Girl Scouts, aged 12, 13, and 14 years; and Senior Girl Scouts, aged 15, 16, and 17 years. Until that time, troops will continue in the present pattern of Brownie Scouts aged 7 through 9, Intermediate Girl Scouts aged 10 through 13, and Senior Girl Scouts aged 14 through 17.

The sequence of names, according to Mrs. Culmer, has been selected to give a feeling of progression through the entire Girl Scout age range of 7 through 17 years. "Brownies" is the popular name for the youngest members of the Girl Guide/Girl Scout movement around the world. "Junior" indicates that the girls just beyond Brownie Girl Scout age look forward to moving on into the more advanced levels within the program. "Cadette" is an adaptation of the word "cadet," used in its historic sense to describe a younger son of a great family. The Cadette Girl Scout as the second oldest daughter or sister in the Girl Scout family is training herself for her future. "Senior" clearly identifies the status of the high school age group as the oldest girl members in Scouting.

The background for program change was supplied in part by two studies conducted for the Girl Scouts of the U.S.A. by the Survey Research Center, University of Michigan, 1955-1958. The first study dealt with needs and interests of adolescent girls, both within and outside the Girl Scout organization, and the second study with attitudes of Girl Scouts and their leaders toward the existing program.

There will be no change in the fundamental elements of the Girl Scout program, which were shown by the University of Michigan study to be as valid today as they were 50 years ago. The entire structure will be streamlined, however, and a careful design for progression will be built on the development pattern of girls growing up in the United States of America in the 1960's. A major objective is to make the Girl Scout program of informal education a more effective complement to the present-day school curriculum.

The new age levels will become effective with the simultaneous release of four handbooks for girls in September 1963. Preparations for a smooth transition in the fall of 1963 are already under way in this part of Indiana; according to Mrs. S. J. Crumpacker, South Bend, President of the Northern Indiana Girl Scout Council.

Mrs. O. S. Glidden, Michigan City has been appointed Program Launching Coordinator for the entire council area. She will coordinate a large-scale effort to explain plans for change to the Girl Scout family, and to other community groups that work closely with the Girl Scouts; to organize troops within the present three age levels in such a way that the change to four levels may be accomplished without confusion; and to train the council's 900 adult volunteers in details of the revised program as soon as information becomes available.

Hospital Notes

Col. Charles C. Mather entered Memorial Hospital in South Bend yesterday and undergoes major surgery today.

Scout-O-Rama Set At Plymouth For Saturday

Local Troop and Pack Participating

Local Boy Scout Troop 290 and Cub Scout Pack 290 sponsored by the Culver Methodist Church are busy this week completing displays for the big Menominee District Scout-O-Rama scheduled from 2 to 9 p.m. Saturday, April 28 at the National Guard Armory in Plymouth.

The Scout-O-Rama committee is providing the booths and all units from Marshall County and parts of St. Joseph County have been invited to participate.

The various phases of Scouting will be featured in the display. Plan now to attend. Tickets may be purchased from any Boy Scout or Cub.

Local Men On WSBT-TV Today

A. R. McKesson, president of the Culver Town Board, and E. W. Mattox, president of the local Chamber of Commerce and Culver Postmaster, appeared today on WSBT-TV on the "1 P.M. Show," a regular feature of that station.

The interview was to acquaint the viewers of the South Bend station on the business firms in Culver, local industry and the recreation facilities to be found in the city and surrounding lake area. Both men gave a very interesting account of the activities found in Culver and the interesting activities enjoyed by local people and visiting tourists.

A tape recording of the program will be broadcast on WSBT Radio station on Thursday, but the time has not been announced for the broadcast.

Fire Department Makes Two Runs

The Culver Volunteer Fire Department made two runs this past weekend, both of which were on East Shore Drive. Saturday night at 11 o'clock the Department was called to 1206 East Shore Drive to extinguish a log fire, which was burning across from the Griffith Cottage. The logs were a total loss. The fire was extinguished before it could spread. No other damage was done.

On Monday night at about 10:30 the Department was called to the Wright Cottage on East Shore Drive, where a tree was on fire. It was also extinguished before any damage was done other than the tree.

Dave Burns, fire chief, warns those who burn trash and ground rubbish to take extra care to control the spread of the fire. With high winds and dry grass and brush, a fire of this nature can easily get out of control and cause untold destruction.

Culver Has Two Fire Phones

Culver has a second fire phone, thanks to the volunteering of Mr. James Bonine. The phone has been installed in the apartment of Mr. and Mrs. James Bonine, above the Easterday Funeral Home.

The Bonines have volunteered their services and will answer the fire calls in case of the absence of Fire Chief and Mrs. Dave Burns. Both fire phones are on the same circuit and when a call is placed, both will ring. The fire siren can be operated from either location.

In case you don't know the fire phone number — it is VI 2-2121

Life insurance benefits paid during 1961 to the families of policyholders killed in automobile accidents amounted to \$136 million.

U. S. Foreign Policy Lauded By Brademas

CONGRESSMAN BRADEMAS

Congressman John Brademas, Congressman from the Third District, spoke before the local Chamber of Commerce, at their noon luncheon meeting, held on Monday, April 23, at the Culver Inn. The meeting was very well attended by members of the Chamber of Commerce and several guests.

Congressman Brademas discussed our nation's foreign policy, drawing the attention of his listeners to the strong stand the present administration has been taking in forwarding the interests of the United States in foreign affairs and our country's dealing with the Communist bloc. He cited examples of the Berlin situation, the Congo, the Vietnam crisis, and foreign aid conditions placed before the countries of South America. Brademas stated that in his travels and in speaking to many organizations and to people personally, he found an atmosphere of confidence and security in the people's belief of the present administration's foreign policy and actions. The present administration's policies had placed this country on the side of having the Communists stalling for time and compromise, a situation that this country had not enjoyed for several months.

In speaking on the local economic front, he praised President Kennedy's stand in the steel situation and stated that in doing so, a new round of inflation activities had been curtailed. He also drew attention to the drop in unemployment, which he believed was due to the broad economic policies of this administration.

C.H.S. Students To Compete In State Contest

Thirteen students from Marshall County High Schools will compete in the finals of the 48th annual state high school contests Saturday, April 28, at Indiana University. Culver High School students included in this group will be Eva Norris, Betty Ricciardi and Marizetta Robinson, Latin.

Competing for top scholastic honors in Latin, Spanish, English and mathematics will be 1146 students, named following regional contests held March 24 in 36 Indiana cities.

The largest number of students, 515, will be entered in the math contest finals, 242 will compete in the English contest, 224 in Latin and 159 in Spanish.

The examinations will be at 9 a.m. (EST) in the I.U. field house and the business and economics building. Papers will be graded immediately by high school teachers.

Departmental luncheons will be held at noon, with a musical program at 2 p.m. in the auditorium, following which the state winners will be announced and medals awarded.

Assessing Questions Answered

Since March 1, which was the first day of the 1962 assessing period, many questions have arisen for Mr. Taxpayer.

This is due mostly to changes set forth by the State Board of Tax Commissioners, such as, all new assessing forms, regulations, and with the new approach of "do it yourself" assessing.

This year, and for this year only, The State Board of Tax Commissioners have requested that Churches, Service Clubs, Lodges, and private schools, etc. file a personal property tax return. The purpose of this survey, according to the Commission, is to see just how much personal property is being tax exempt.

Any organization filing such a return need not file for a tax exemption as this will be handled automatically at the Marshall County Auditor's Office.

The Township Assessor, E. G. Benedict, states that with approximately two-thirds of the assessing completed in Culver and Union Township, it appears now that evaluation of personal property will be down considerably.

It was originally thought that by setting evaluation on personal property at one-third of its retail value that Mr. Taxpayer would file a more accurate tax return, thus enabling the taxing unit to maintain the same evaluation as in the past years.

As a result of lower evaluation on personal property, it appears now that the real estate property owners will be absorbing this loss.

Parents, Students Invited To Ball State College

High school sophomores and juniors, of Culver, and their parents who are college "shopping" are invited to come to Ball State College, Muncie, this Saturday, April 28. The event features the annual High School pre-college and career information activities which begin with registration in the Student Center arcade at 8:30 a.m.

Guests will be provided information by campus organizations before the convocation at 9:30 a.m. President John R. Emens will speak and Don Mays, Hammond, will moderate a panel which will discuss various aspects of college life.

Guided tours of the campus, departmental open houses, and question and answer sessions for the prospective students and their parents will be included in the afternoon activities. The day's program will close with a variety show by Ball State students.

Sunday, April 29, is Parents Day at Ball State College. Over 3000 parents of students attending Ball State will attend the activities, which will be specially planned for the parents. Various demonstrations by the students will be given. At 2 p.m., President John R. Emens will welcome the parents and Vice President Richard Burkhardt will speak. Entertainment by winners of the Spring Sing, will close the program.

HOME TALENT SHOW AT WASHINGTON TOWNSHIP SCHOOL FRIDAY NIGHT

The Washington Township Parent Teachers Association will sponsor a Home Talent Show on Friday, April 27, at 8 p.m. (CST).

The show will be held at the New Washington Township School on State Road 23, one mile north of State Road 8, or six miles south of Grovertown on 23.

Proceeds will be used for playground equipment.

By DAVID KELLY, Troop Scribe

The April 23 meeting was held at the Methodist Church Fellowship Hall with 20 Scouts attending. Basketball was played for the pre-opening game and dodge ball was the closing game. Demonstrations on lashings were given by the Assistant Scoutmaster, Senior Patrol Leader and the A.S.P.L.

The Scouts who have not turned in their unscold Scout-O-Rama tickets and money must have them turned in to the Scoutmaster by Thursday evening or to your Patrol Leader on Wednesday.

A Green Bar meeting will be held at the home of Fletcher Mattox Thursday at 7:15. We will plan next month's activities and meetings.

The Troop officers will meet at the church Friday at 6:45 to leave for Plymouth to put up our Scout-O-Rama booth.

All Scouts should meet at the church Saturday morning in uniform at 10:30. We will go up to the Scout-O-Rama being held at the Plymouth National Guard Armory. BET'S LOOK SHARP!!!

Next Monday the Assistant Scoutmaster is in charge of a measuring demonstration.

TWO MORE FIRES WEDNESDAY

At 1:45 p.m. the Culver Fire Department answered a call at the Charles Ropolys home on Tulip Road where a grass fire was burning.

A brush fire on the former Bernhard farm located north of Hibbard required assistance of the volunteers with this call coming at the same time.

As we go to press, no further accounts are available on these two fires.

Dr. Hans Thorelli To Speak At Faculty Lecture Series Friday

The Faculty Lecture Series Committee of Culver Military Academy is proud to announce a lecture Friday evening, April 27, at 9 p.m. in the Little Theater on a very timely subject by a very well-qualified speaker, Dr. Hans Thorelli, Professor of Business Administration in the Graduate School of Business at the University of Chicago, will speak on "The Effects of the Common Market." One group has commented glowingly on "his ability to clarify, simplify and organize effectively a topic not very well understood by the layman." Certainly the committee felt that this subject, variously described as a threat, a challenge, or an opportunity, could use a great deal of clarification.

Dr. Thorelli, in addition to his duties at the University of Chicago, has held a number of administrative, research, and teaching assignments in the United States and Sweden.

As a consultant to the United Nations and to General Electric, he studied restrictive business practices in international trade, the development and administra-

tion of a world-wide company and future trends in international business. He also served as the Director of the Industrial Council for Social and Economic Studies in Stockholm.

Dr. Thorelli's primary field of interest is international trade and its connection with the Cold War, the Common Market, and the underdeveloped countries.

Dr. Thorelli leaves for Latin America on June 15th to do a study for Stanford University on how social, economic, and cultural environments affect business operations.

A question period will follow the lecture which is open to the public.

Gladys L. Rector, Delong Native, Dies At Age 42

Crescent Class Meeting

The Crescent Class of Grace United Church met in the social rooms of the church Wednesday evening, April 18. The president, Mrs. Herbyn Maynard presided over the business meeting. Mrs. Cleo Ringle was the pianist for the evening. After the opening hymn "How Great Thou Art," Mrs. Cleve Crabb read the scripture from the 23rd chapter of Luke. Rev. Hohman led in prayer. The secretary, Mrs. Harold Baker, read a report of the previous meeting and called the roll to which 30 members responded. There were four guests present who joined the class as active members. Mrs. Maynard finished the review of Pilgrim's Progress.

The hosts for the evening, Mr. and Mrs. Jacob Pedersen and Mr. and Mrs. Cleve Crabb, had charge of the social hour. Mr. Crabb and Mr. Pedersen arranged for the drawing of the mystery package which was won by Mrs. Cloyd Miller. Members of the class joined in the game of Password which was conducted by the hosts.

The refreshment table was very attractive with a green and yellow color scheme for the Easter season. Decorated colored eggs, spring flowers, pussy willows and candles were used. The favors were candy cups in pastel shades. Delicious refreshments were served by the hosts. Happy birthday was sung to Mr. Pedersen whose birthday was the same day as the class meeting.

The gay party took on a note of nostalgia as the members said Good-bye to the Pedersens, who left on Friday to spend the summer at Cape Cod, Mass.

DR. AND MRS. POWERS ATTEND NATIONAL HEALTH CONFERENCE

Dr. and Mrs. E. D. Powers, Willow Point, Culver, attended the 30th annual National Osteopathic Child Health Conference held April 16-18 at the Municipal Auditorium at Kansas City, Mo.

About 1000 physicians took part in the three-day session which included discussion on such health topics as childhood skin diseases, personality disorders, post-natal problems, and current research on polio and measles vaccines.

Featured speakers included the president of the American Osteopathic Association, Dr. Charles C. Naylor of Ravenna, Ohio; the president of the American College of Osteopathic Pediatricians, Dr. Nelson D. King, Kirksville, Mo.; and Dr. Fleda Brigham, chairman, department of neurology, Kirksville (Mo.) College of Osteopathy and Surgery.

Easter Breakfast

Mr. and Mrs. Evert Hoesel entertained with a family breakfast in their home Easter morning. Guests included Mr. and Mrs. Richard Hoesel, Steven, Kathy and Kim, Mr. and Mrs. John Hoesel, Sara Beth, David and Jim, Mr. and Mrs. John Middleton, Susan and Kelly, Mrs. J. L. Hoesel, and Mr. and Mrs. Barrett Irvine, all of Culver; and Don Plank of Rochester.

Mrs. Chester W. Cleveland Returns From Five Week Western Vacation

Mrs. Chester W. Cleveland has returned from a five weeks' trip to Arizona and California. She visited her former Culver summer neighbors, the Paul C. Culloms, of Scottsdale, Ariz., for 10 days.

In Los Angeles, Mrs. Cleveland was the guest of her cousin, Mrs. Clara Mae Wright, formerly of Rochester, Ind. Mrs. Wright accompanied Mrs. Cleveland to San Francisco where they spent a week. En route they visited the famous Hearst Castle at San Simeon, Calif., and the quaint Danish village in Solvang, Calif.

The couple spent three days in Pebble Beach and Carmel, Calif., visiting former University of Illinois classmates of Mrs. Cleveland and Mr. and Mrs. Frank Ramey.

While in San Francisco, Mrs. Cleveland visited her lake Maxinkuckee summer neighbor, Mrs. Marsh W. Haynes, in San Mateo, Calif. In Hillsborough, Calif., she renewed friendships with former Winnetka, Ill., friends, Mr. and Mrs. James Davidson.

Upon returning to Los Angeles, Mrs. Cleveland and Mrs. Wright visited their cousins in Redlands. In Palm Springs they were guests at the beautiful Ingleside Inn of Mrs. Ruth Hardy, owner and gracious hostess. Mrs. Cleveland and Mrs. Hardy were classmates at Indiana University.

Mrs. Cleveland also visited Disneyland and reports it is a "must" for everyone touring in that area, providing lots of fun for children and adults alike. Daytime temperatures at Palm Springs registered 96 degrees but the nights were cool. Her round-trip to the coast by jet plane was equally exciting and enjoyable.

Legion Auxiliary To Hold Birthday Party

The American Legion Auxiliary birthday party will be held at the Legion Home on Wednesday, May 2, starting with a potluck supper at 6:30 p.m. Husbands of members will be guests and Mrs. Coleman Howton of Argos, district president, will also be present.

Mrs. Ora Reed will be in charge of decorating, and serving on the kitchen committee will be Mrs. Tom Walker and Mrs. Emerson Cabell. A good turnout for this party is urged. Members are also reminded not to forget the party for the patients at the Norman Beatty Memorial Hospital at Westville, which will be held this Friday.

Culver Rebekahs Plan For May 8th Inspection

Fifteen members of Culver Rebekah Lodge met Tuesday evening, April 24, in the Lions Den with Mrs. Max Geiger, noble grand, in the chair.

During the business meeting, plans were discussed and practice was held for the May 8th inspection.

Refreshments were served by the April committee at the close of the meeting after which all enjoyed Bingo.

Troop 148
We left the Culver Motel Parking Lot at 10 a.m. Monday, April 23 for our bicycle hike around the lake. There were 10 members, including leaders, present. Along the way we took time out for such landmarks as the Naval Building, Culver Boat Company and the Eugene C. Eppley Theatre. Our thanks go to Mr. Campbell for pumping our bicycle tires.

At noon we asked permission and ate lunch on the property of Mr. Rupert Esser. Thank you, Mr. Esser.

We continued our trip stopping at 1:15 for a coke at the Lake Shore Garage and were then dismissed.

A meeting has been scheduled at Mrs. Welsh's for 1 p.m. Saturday. We will set up the tents and shrink them.

Troop 99
We opened the meeting by saying the Pledge and the Promise. We are going to take points at the next meeting for wearing our sashes.

Susie Donnelly, who is working on the Reader badge, will read a story on the Roundup. Next week we are going to start songs in the troop. We played the password game in teams. Group 1 won two to one.

Mr. and Mrs. Harold Zehner spent Sunday evening with the Oscar Zehner family. Carole Zehner has the mumps.

OUTSMART THE BUGS
Fishing at night. No bug dope. Swearing and slapping. Try this: Attach a light on a pole or oar and extend as far away from the boat as you can. The bugs will tend to congregate around light.

NORTH AFRICA, Sicily, Omaha Beach, St. Lo, Iwo Jima. Wherever the battle was bloodiest, wherever the dogfaces dreamed and died . . . there was Ernie Pyle.

He was America's favorite war correspondent in World War II. Loved by millions back in the States. Respected by the infantryman whose misery he shared.

There were other correspondents as courageous as Ernie, as honest and accurate in their reporting. But none had his genius for thinking and feeling and hoping like an infantryman. Or his talent for putting it all on paper with power and understanding.

When Ernie was killed by a sniper's bullet in the Pacific, all America mourned. Battle-hardened G.I.'s wept . . . generals bowed their heads. They had lost a good friend. And they knew it.

Ernest Taylor Pyle was born on a farm near Dana, Indiana. The farmhouse, like most of them around the turn-of-the-century, was practical and sturdy, but not very luxurious. There was no plumbing, no electricity—but, even then, there was a party-line telephone.

Telephone service in Indiana has progressed far since those days. There are many new Indiana Bell products and services: *Farm Interphones* that let you speak from house to farm buildings to barnyard; the new *Princess Phone*; *The Bell Chime* that announces a call with chimes; *Direct Distance Dialing* that permits many to call Long Distance points in seconds with just a few twirls of the dial. And the best is yet to come!

NEW PHONES IN SPRINGTIME COLORS

Give your home a colorful new look—and add convenience. Choose the tiny Princess Phone in your choice of flower-fresh colors. Or a new wall phone for your kitchen.

The Bell Chime announces calls with musical notes. Can be set for regular ring or loud bell, too. In gold or ivory. Call your Indiana Bell Business Office for details.

It happened 100 YEARS ago

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862—the same year that

IN INDIANA, Richard Gatling patented the machine gun. Gatling's invention, with six revolving barrels, was a startling new concept in ballistics. Folks toasted the inventor with sparkling steins of beer.

For then as now, beer was the traditional beverage of moderation. But beer means more than enjoyment to our state. The Brewing Industry contributes nearly 10 million tax dollars to Indiana each year, money that helps support our hospitals, parks and schools.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

UNITED STATES BREWERS ASSOCIATION

APRIL 26, 1922—

The new Burr Oak Creamery is turning out 360 pounds of cheese daily.

On Monday, the Palmer House passed from the proprietorship of John P. Walter to the joint proprietorship of Walter & Shorb, Mr. Shorb acquiring a half interest.

A well-known Culver man, William Hinkle, was instantly killed Sunday afternoon when he was struck by a north-bound freight train.

J. M. Miller has a 31-day-old White Leghorn rooster that crows.

Abraham Ransbottom, age 60, died suddenly Monday afternoon in the blacksmith shop on the William Feece farm.

APRIL 25, 1912—

The twister which swept over this section Sunday night about 8 o'clock as an accompaniment to a heavy thunderstorm left considerable wreckage in its wake. Window lights were smashed in Lem Crabb's store. The Citizen office, Saine's Store, Listenberger's Poolroom, Harry Medbourn's house and Poore's building, A kitchen on N. W. Rector's house was blown off its foundations and smashed to fragments, ruining all its contents; the gable end of Bart Ralston's new cottage was blown down; and a freight car on Ferrier's switch was unroofed. Dr. Wiseman's woodshed was moved from its foundations and the chicken house was tipped over as were small outhouses by

How divine guidance aids man in his efforts to make spiritual progress will be brought out Sunday at Christian Science church services.

The Lesson-Sermon entitled "Probation After Death" will include these words of the Psalmist: "As for God, his way is perfect: the word of the Lord is tried: he is a buckler to all those that trust in him... It is God that girdeth me with strength, and maketh my way perfect" (Psalm 18).
This citation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be read (p. 324):
"The way is straight and narrow, which leads to the understanding that God is the only Life. It is a warfare with the flesh, in which we must conquer sin, sickness, and death, either here or hereafter, - certainly before we can reach the goal of Spirit, or life in God."

VIRGINIA PIERSOL SINGS IN DENISON UNIVERSITY CHOIR
Virginia Kay Piersol, a senior at Denison University, Granville, Ohio, is an alto in the choir there. The choir performed Mozart's "Mass in C Minor" April 18 at the university's Swazey Chapel. Miss Piersol is the daughter of Mr. and Mrs. James L. Piersol, 303 Madison St., Culver.

You would, no doubt, be surprised to know what some of your friends say behind your back.

Let us hope so. Another machine company which is being honestly operated, at Waterbury, Conn., is the Seovill Manufacturing Co. The stock of this company sold at nearly \$50 per share in 1945-46; has had "downs and ups" since then and now sells at about \$25 per share. The Rheeme Manufacturing Co.'s stock sold at \$45 in 1955, dropped to \$10 in 1957, and now sells around \$15. Foote Mineral's stock sold at \$60 in 1957 and now sells around \$20 per share. I have faith in this company.

New Mining Companies

One of the most interesting mining stocks is that of the U.S. Smelting, Refining, & Mining Co. This sold at over \$80 per share in 1946 and again in 1952. It has sold at \$40 or lower since 1957. New Jersey Zinc sold at over \$80 per share in 1951 but now sells for less than half this. Island Creek Coal sold at over \$50 per share in 1956 and now sells for about one half this. Hudson Bay Mining & Smelting sold around \$40 in 1956; now sells for \$55. Consolidated Mining & Smelting showed a similar trend. Most of the steel companies are doing well; but the stock of the Pittsburgh Steel Co., which sold above \$35 in 1956-57 has recently sold at \$10.

Merchandising Stocks

Of all these stocks Montgomery

fluctuation. It sold at \$50 per share in 1946; then declined to \$25 in 1948, again hit a high of over \$50 per share in 1955 and 1959; but is now again about \$35. Of the variety stores, S. S. Kresge Co. operating nearly 800 stores, sold at \$45 in 1950 and is now selling around \$30. Let me close by saying that the stock of the United Fruit Co. sold above \$70 in 1951; is now about \$25.

In the above review I have mentioned only about twenty-five or so of the one hundred depressed stocks which Mr. Olson has selected. Of the remaining issues, there are many which are probably more attractive than those described above. An investor should study all in order to realize these two facts: (1) Just because the Dow-Jones Average has been going up almost constantly during the past ten years, this does not mean that all stocks have been going up in price. (2) There must be some great bargains in the popular listed stocks which have money-making possibilities for those who will search for them.

Academy Sports

Culver Military Academy's track team has two more trophies to add to its collection today after Saturday's North Side Relays at Fort Wayne.

The Academy harriers annexed victories in the shuttle hurdle relays and the varsity 880-yard relay along with placing third in the two-mile relay. Culver's John Keehn won a second place in the broad jump with a leap of 20 feet, eight inches.

The points won in the four events gave Coach Dave Burke's squad a fourth place behind Fort Wayne's North Side, South Side, and Central teams. Culver had 27 points and finished behind Central by only 1 1/2 points.

Making up Culver's victorious shuttle relay outfit was Dodd Stacy, John Sullivan, Joe Schuchter, and Bill Borkenstein. Their time was 55.8 seconds. Tony Sandoe joined Borkenstein, Sullivan, and Stacy in the 880 for a winning time of 1:32.7.

While the Academy track team was having a good day at Fort Wayne, the Eagle golfers opened their season with a victory over Delphi, the tennis squad won its third straight, and the baseball team was looking for its first victory after a twin-loss at South Bend John Adams.

The golfers had a close call with Delphi, winning by a scant 9 1/2-8 1/2 score. High winds sent scores into the 80s and Rick Olsen's 83 was good enough for medalist. Winners included Olsen, Bob Hightower, and Jeff Levensberg. In tennis, Coach Ted Clarno's netmen defeated Huntington 5-2. No. 1 man Tom Norris joined Buzz Gammel, Bill Baker, and Chris Canlis in singles victories.

The baseball squad, under Coach Jim DeArmond for the first time, is out for a victory after being denied in 17 straight contests over a two-year period. The Academy tied one game last year and lost the rest. The twin loss at John Adams was by scores of 8-4 and 10-3. Culver put up a game battle in both games, but weakened in the late stages.

Latest Fishing Report

INDIANAPOLIS, April 18 — This is the first of the 1962 Fishing Season Weekly Reports to be issued by the Indiana Department of Conservation, Division of Public Relations. The information embodied in the reports is furnished to us by our personnel in the field.

Central Indiana

Streams are clear, fishing is good. Large catches of suckers being taken at Portland Mills and Raccoon Creek on worms. Geist and Mansfield Reservoirs report bass and bluegills biting good on deep running artificials and worms.

Northeastern Indiana

The lakes and streams are clear. Fishing reported fairly good. Several catches of large bluegills and bass being taken on worms, night crawlers and small minnows.

Northwestern Indiana

Water is clear and fishing is good. Silver bass hitting on artificial bait and spinners at both dams in Monticello. Few catfish biting on red worms. Sucker fishing also reported good. The Willow Slough State Fish and Game area reports several good size crappies caught using lead head jigs and small minnows. Bluegills a little reluctant to nibble. Few bass being caught on Johnson spoons.

Local Students To Be Honored At Indiana U.

Parents of six students from Culver have been invited by Indiana University to be special guests at traditional Founders' Day Ceremonies at 10 a.m. CDT, Wednesday, May 2, on the Bloomington campus.

The local students are among those from all divisions of the University who earned listing on the Dean's honor rolls or who were elected to membership in scholastic societies during the past two semesters.

Culver students to be honored are Jeanette Berger, Mary Curry, Tommie Lou Glaze, Peter McKinney, Sally Medbourn, and Karen Oliver.

President Herman B. Wells will preside over the annual convocation in the Auditorium. The Deans' Reception for the honor students and their parents will be held in the afternoon in the Indiana Memorial Union Building.

Other events of the day will be an outdoor band concert, the annual pilgrimage to the home and grave of Andrew Wylie, first president of I.U., and a dinner honoring retiring faculty members and administrators.

MONDAY, MAY 7, LAST DAY TO FILE MORTGAGE EXEMPTIONS

Monday, May 7, is the final day for filing soldier exemptions, mortgage exemptions, and the exemptions available to persons over 65 years of age.

Depend on it to give you an honest day's work for a long, long time and not cost much to run or keep up. It's a Chevrolet.

Trucks aren't all alike. This Chevrolet has double-wall roof, doors and side panels. It has suspension that helps it last longer by reducing road shock. It has a non-skid wood body floor. It has as tough a tailgate as you'll find. It has an all-welded frame made of high-quality steel. Most important, it has a name everybody respects because they know it stands for quality. When you

make up your mind to buy, get this one. We know you'll be happy with it.

HAVE YOU LOOKED INTO CAMPER BODIES? This is a fine way to enjoy the outdoors comfortably and at low cost. Many Chevrolet dealers are showing camper units now. Drop by and investigate this great way to make a truck do double duty. A strong Chevrolet is your best bet for work or play.

See your Chevrolet dealer for trucks that keep working and working and working and working!
