Monday's Storm Flattens Trees; Does Property Damage

Justice Of The Peace Resigns After Ten Years

Open House At Culver Schools Friday, May 4

Insurance Executive Warns Lions Of Highway Murder

Fire Department Has Three Calls

The wind storm which struck an area from South Bend south beyond Culver Monday afternoon, untold damage to trees and the property damage in the Culver area. Much of the property damage was caused by falling

On the Culver Military camp, the fallen limbs damaged the property. On the home of Chester Cleveland, the roof was damaged by wind. The apartment of R. & J. Apartments, also on East Shore Drive, was damaged when a large tree fell on the roof. Many trees on East Shore Drive were felled by the near tornado winds. The drive was blocked by fallen limbs and trees in several places, causing a detour of traffic for those living in that area.

In Culver many trees and advertising signs were laid low. The first of the tree damage appeared to be in the south end of the town. An airport hanger was completely destroyed, but the plane belonging to Jack Easterday and housed in the hanger at the time of the storm, was not damaged.

At Burr Oak the roof of Mrs. Margaret McDonald's home was damaged when a tree fell across electrical wires tearing away the wooden riser to which they were fastened on the roof of her home.

In the Argos area three plate glass windows at the Gates-Calhoun Sales and Service were broken and a door torn from its hinges. Cars in the display room were damaged by flying glass.

Throughout the country side around Culver the storm damage was very evident. Trees down, large limbs blown across highways and small buildings blown over.

Limbs lying across high tension lines in front of the Culver office caused a short circuit early in the evening, but damage was reported from no other source.

North of Culver on up into the South Bend Area was where the storm seemed to strike the hardest. South Bend reports over 1000 trees down, power lines down, roofs and signs damaged.

Cast Your Vote Tuesday, May 8

The May Primary election will be held next Tuesday, May 8, for both major political parties. Polls for Culver-Union Township will open at 6 a.m. and close at 6 p.m. Central Standard Time. (Since Culver and Marshall County are on Daylight Saving time, the polls will open at 7 a.m. and close at 6 p.m.)

Voting places are as follows: Precinct 1, Currens Store, Burr Oak; Precinct 2, Nelson's Equipment Co., Lake Shore Drive; Precinct 3, R. & J. Apartments, East Shore Drive; Precinct 4, Spencer Plumbing & Heating, South Main St.; Precinct 5, Town Hall.

To select the candidates you want to vote for this fall, you must vote in the primary. It is your duty, your privilege, and your obligation to better government to select your candidates in the May primary. Take time to vote this Tuesday.

TRI KAPPA PECANS on sale at The Citizen's front counter. Please help the sorority raise money for charitable purposes. Only \$1.75 a pound for shelled whole meats and \$1.50 for broken pieces 40ftn

CLYDE L. SHIVELY

Clyde L. Shively, 620 Pearl St., Culver, resigned from the post of Union Township Justice of the Peace in January and his resignation takes effect this week.

Mr. Shively has efficiently performed the duties of Justice of the Peace in Culver for ten years and ten months, during which time he has presided over 523 misdemeanor cases and 45 civil cases, and has performed 18 weddings.

Harry A. Smeltzer, 321 W. Madison St., Culver, has been appointed by the Board of County Commissioners to serve out the unexpired term.

Scout-O-Rama Exhibitors Win Blue Ribbons

Local Boy Scout Troop 290 and Cub Scout Pack 290 were awarded blue ribbons for their outstanding exhibits at the Scout-O-Rama held at the Plymouth National Guard Armory on Saturday.

The local Troop exhibit was based on wildlife management conservation with displays on the importance of conservation and also their projects completed during the year. The Pack displayed handiercrafts made by the Cubs during the year.

Approximately 6,000 people attended the Menominee District-sponsored event to see the various displays of crafts, skills, and projects put on by the Scouts. The Scout-O-Rama was said to be the biggest show ever presented in Plymouth.

Troop and Pack 290 is sponsored by the Culver Methodist Church. Carl F. Foust is Scoutmaster and E. Wayne Mattox is the Cubmaster.

MARIZETTA ROBINSON IS AWARD WINNER IN STATE CONTEST

Marizetta Robinson of Culver High School, received a medal in the finals of the 48th annual state high school achievement program Saturday, April 28, at Indiana University.

Competing in the finals were 1170 winners of regional meets held in 36 Indiana cities.

Forty-two students won first places and received silver medals. Ninety-nine students placed second and received silver medals and 187 students received bronze medals for winning third place honors.

Miss Robinson received a bronze medal in the first year Latin competition.

Kenneth L. Cole, principal, has announced that the Culver Public School will hold its annual all-school spring open house on Friday, May 4, between the hours of 7:00 p.m. and 9:30 p.m.

Every room and every department in the entire school (kindergarten through grade twelve) will be open for inspection. The teachers will be in their rooms, and some of the year's achievements will be on display. Some of the larger industrial art pieces will be exhibited on the floor of the gymnasium.

Refreshments will be served at any of the several tables placed at random in the various halls of the school building. Parents and all other interested persons are invited to attend.

There will be a few guides available, but it is hoped that most of the people visiting the school on this night will wander around on their own — be nosy — look in all of the rooms, and ask any question that comes to mind.

COUNTY RED CROSS OFFERS SCHOLARSHIP FOR AQUATIC SCHOOL

American Red Cross of Marshall County will offer a Scholarship for the 1962 Aquatic School. Applications can be sent to 222 W. LaPorte St., Plymouth, Ind.

Qualifications are: Men or women 18 years of age or over who are certified by a physician to be in sound condition and who plan to use this training to teach others.

A Red Cross Senior Lifesaving Certificate or equivalent ability is required for Small Craft School candidates. Applications should be in by May 17, 1962.

The Culver Volunteer Fire Department made three runs during the past week. At 6:15 p.m. on Wednesday they were called to extinguish a grass fire at the home of Mrs. Sylvia Lewis on State Road 10.

On Sunday evening at 7:35 they were called to Burr Oak where fire destroyed several articles of furniture and canned goods in an underground home near the residence of Mrs. Rossie Moore, south of the railroad tracks on the west side of State Road 17. The living quarters had been constructed in an abandoned railroad tunnel and had been occupied until about a year ago. Culver firemen said the blaze was located about 60 feet inside the tunnel where furniture was stored.

Police Chief Don Mikesell said reports were received that children had been playing in the area Sunday afternoon and there were several ways the tunnel could be entered although the door at the entrance was padlocked.

The fire alarm at 8 p.m. Monday evening was caused by a burning utility pole in back of the State Exchange Bank. The fire was believed to have started from limbs on electrical wires, which were blown down during the storm Monday afternoon.

Statistics indicate that one out of two women in this country will work sometime this year at a job outside the home. Ewan Clague, United States Commissioner of Labor Statistics, reported during a recent conference at Columbia University's Arden House.

ALLEN DALE

The population explosion is sending shock waves onto our highways that will turn into mass murder unless some action is taken to put a "governor" on "junior's" driving enthusiasm, the Culver Lions Club was warned last Wednesday evening by Allen Dale at their regular dinner meeting in the Lions Den. As special guests of the Lions Club were the members of Culver High School Driver Training class and their instructor, Gene Crosley.

Allen Dale, executive vice president of the Insurance Institute of Indiana, said it may take a generation of intensive driver training before the full advantages of such a program are realized but if an intensive program is not instituted quickly the disadvantages of inactivity will become apparent immediately.

"Seven-million more students are expected to be enrolled in our high schools by next year and nearly three-million automobiles will be added to our traffic headache in that time," Mr. Dale said.

He pointed out that "at the present rate of death and destruction," more young men and women will be killed and critically injured in the next 10 years than served in the United States armed forces in World War II.

Speaking for the fire and casualty insurance industry of Indiana, Mr. Dale said that in the past quarter of a century the number of cars on the highways has tripled, the number of miles driven has tripled and the use by persons under 25 has increased even more drastically.

At the same time, neither highway construction nor enforcement has matched these increases.

"It isn't surprising then," he said, "that the youthful exuberance that could be dismissed lightly 25 years ago must be re-evaluated in the light of our crowded highways as a major factor in the tragic picture being painted in blood."

Mr. Dale presented the Lions with a four point program that would be a start in the right direction in bringing the highway toll percentages down. They were: 1. Every car to be equipped with seat belts; 2. Reflector type license plates; 3. A speeded up program in Indiana to build more super highways; and 4. Driver-training classes for our young people under 25 years of age. He urged that citizens contact their state legislators to insure passage of such legislation through our General Assembly.

BOY SCOUTS AND LIONS CLUB TO CONDUCT PAPER & RAG DRIVE SATURDAY, MAY 12

Boy Scout Troop 290 and the Culver Lions Club are sponsoring a paper and rag drive which will be held Saturday, May 12, beginning at 10 a.m. Areas to be covered are the town of Culver, Academy homes, East Shore, South Shore and West Shore Drives and Maxinkuckee Road (18th B Road) residences as far as the church. Rural folks may drop their bundles at the bank parking lot. They request that bundles be placed at the curbs before 10 o'clock.

Watch out for school children, especially if they're driving.

Blue Ribbon Winners!

ONE OF THE OUTSTANDING BOOTHS at the Scout-O-Rama on Saturday was presented by Boy Scout Troop 290 of Culver. The Scouts pictured are (standing) Steve Bocock and (sitting) John Cook. The Scouts lectured on the importance of conservation to our country.

THESE CUB SCOUTS AND THEIR DEN MOTHER of Pack 290, Den 1 are demonstrating handiercraft skills. Pictured (from left to right) are Bruce Snyder, Lynn Flora, and Mrs. Norman Ringer. —Photos by Carl Adams Jr.

Barbara J. Rust and James R. Watters
Speak Wedding Vows At C.M.A. Chapel

MRS. JAMES R. WATTERS

The Culver Military Academy Memorial Chapel was the scene of a lovely wedding at 3:30 p.m. on Saturday, April 28, when Barbara J. Rust became the bride of James R. Watters of Wolcottville, Ind.

The bride is the daughter of Mr. and Mrs. Robert T. Rust, 830 College Ave., Culver, and the bridegroom is the son of Mr. and Mrs. Richard M. Watters, Route 2, Wolcottville.

Rev. Allan F. Bray III, USNR, chaplain at the Academy, officiated at the double ring ceremony before the altar which was decorated with candelabra, and baskets of white gladioli and ivy.

Milford Myhre, organist, played the nuptial music and accompanied Edward Erner of Hanover, Ind., who sang, "The Lord's Prayer," "Ich Liebe Dich," and "O Perfect Love."

Given in marriage by her father,

the bride was lovely in a white gown of silk organza and Alencon lace. The fitted bodice featured a notched bateau neckline and three-quarter length sleeves. The princess skirt, which was enhanced with an inverted side pleat edged with lace, flowed gracefully into a chapel train. Her veil fell from a crown of simulated pearls and rhinestones. She wore a single strand of pearls and carried a cascade bouquet centered with a white orchid, surrounded by white carnations, stephanotis, and ivy.

Miss Virginia Reed of Culver was maid of honor and bridesmaids were: Miss Elinore Eley of Argos, and Miss Vernell Gehron of Fort Wayne. They were identically attired in lilac sheath dresses with overskirts, styled with fitted bodices featuring high bateau necklines, V backs, and three-quarter length sleeves. Each

dress was enhanced with a large bow at the front waistline. They carried cascade bouquets of white carnations and yellow sweetheart roses with ivy.

Richard Edwards of Athens, Ohio, a fraternity brother of the bridegroom, served as best man, and James North of Wolcottville was groomsmen. Ushers were Marvin Wyne, Indianapolis, and Robert Callas, Cincinnati, Ohio. Fraternity brothers of the bridegroom, William Connelly, LaGrange, and Lyle Witham, Atwood.

For her daughter's wedding Mrs. Rust chose a beige silk shantung dress with jacket, and wore a green chiffon hat and a corsage of green cymbidium orchids. The bridegroom's mother was attired in a dusty pink lace sheath dress with black accessories, and wore a corsage of white cymbidium orchids.

Immediately following the ceremony a reception was held at The Culver Inn for approximately 250 guests. The refreshment tables were decorated with garlands of smilax, white candles, and yellow sweetheart roses. The beautifully decorated cake of five tiers was topped with white bells and doves and was surrounded by ivy, white carnations, and yellow roses. Assisting at the reception were the Misses Ruth McCracken, Ft. Thomas, Ky., Helen Gerber, Fremont, Mich., Phyllis Grandt, Centralia, Ill., and Carol Phillippe, Scarsdale, N. Y., sorority sisters of the bride; Mrs. Jack Weisenauer, Bloomington, and Mrs. Edward Davis, South Bend.

Following a short wedding trip to Chicago the couple will reside at Witmer Manor, Route 2, Wolcottville. For going away the bride wore a green knit suit with white flowered hat and black accessories, and a white orchid corsage from her bridal bouquet.

The bride is a graduate of Culver High School and will be graduated in June from DePaul University at Greencastle, Ind. She is a member of Delta Zeta social sorority, Tri Kappa, Alpha Lambda Delta and Phi Beta Kappa, scholastic honoraries. The bridegroom is a graduate of Hanover College and is a member of Phi Delta Theta. He is employed at the Wolcottville Public Schools. Mr. and Mrs. Watters will both attend the Graduate College of Ohio University at Athens, Ohio, in the fall.

Out-of-town guests attending the wedding were from Miramar, Calif.; Cleveland, Ohio; Indianapolis, South Bend, Columbus, LaGrange, Wolcottville, Pierceton, and Warsaw.

Honored At Wedding Rehearsal Dinner

Mr. and Mrs. James R. Watters, Rural Route 2, Wolcottville, Ind., entertained at dinner Friday evening at the Three Sisters Restaurant honoring their son, James, and Miss Barbara Rust who were married Saturday in the Culver Military Academy Memorial Chapel. The dinner was held preceding the wedding rehearsal.

Guests included Mr. and Mrs. Robert Rust, parents of the bride; Mr. and Mrs. Paul Deranian of Miramar, Calif., and Mr. and Mrs. L. W. Brown of Winchester, Va., aunts and uncles of the bride; Mrs. Harriet Mark, Cleveland, Ohio, aunt of the bridegroom; Miss Virginia Reed, Culver; Miss Elinore Eley, Argos; Miss Vernell Gehron, Fort Wayne; Richard Edwards, Athens, Ohio; Mr. and Mrs. James North, Wolcottville; Marvin Wyne, Indianapolis; Robert Callas, Cincinnati,

Ohio; William Connelly, LaGrange; Lyle Witham, Atwood; and Edward Erner, Hanover.

s-s-s

Entertains Ace Of Clubs

Mrs. Harry Baker entertained in her home Monday evening for eight members of the Ace of Clubs. A dessert course was served and the evening was spent playing pinochle. Mrs. Dan Weirick received the prize for the games.

s-s-s

HONORED AT I.U.

Peter S. McKinney, son of Col. and Mrs. C. F. McKinney of Culver, a graduate student at Indiana University, Bloomington, was among students cited Tuesday night at the annual I.U. Chemistry Banquet.

McKinney was honored as the current holder of the DuPont fellowship in the I.U. chemistry department.

New Arrivals

A baby son, Michael Gene Hunter, was born April 19 to Mr. and Mrs. Richard Scott Hunter of Whittier, Calif. He weighed 6 lbs. 14 ozs.

Dr. and Mrs. A. K. Sutch are the maternal grandparents.

Charlene Lucas Nominated For Achievement Award

Miss Charlene Lucas, Culver High School, has been nominated for the annual Achievement Awards program, sponsored by the National Council of Teachers of English. (NCTE.)

For the fifth year, the Council is conducting the Awards program throughout the nation to grant recognition to outstanding high school seniors for excellence in English. The writing abilities and literary awareness of each nominee will be judged by local and state committees. NCTE will announce the winners in December 1962, and will send their names to every U.S. college and university with the recommendation that these students be considered for scholarship assistance.

According to James R. Squire, executive secretary of NCTE, the Achievement Awards competition is part of a comprehensive program undertaken by American teachers of English from the primary school to the graduate

school to combat verbal incompetence. The Council is also cooperating with "Project English," a national program for improving English instruction in the schools launched by the U.S. Office of Education.

Founded in 1911, the NCTE is a professional, nonprofit organization of teachers of English at all levels. Currently, the Council's membership is over 73,000.

Eastern Star Holds May 1 Meeting

Emily Jane Culver Chapter of the Order of Eastern Star held its regular meeting in the Masonic Hall Tuesday evening, May 1.

After the regular business meeting was dispensed with, the worthy matron, Mrs. Roy Price, as well as worthy patron, Roy Price, and the associate matron, Mrs. Don Parson, gave a very interesting and informative resume of the proceedings of the grand chapter session which they attended in the Mural Temple at Indianapolis last month. The highlight of the three-day session was the installation of Mrs. Sara Scott of Dana, Ind., as worthy grand matron and David J. Miller of Goshen as worthy grand patron.

The refreshments were served by Mrs. Forrest Geiselman Jr., and Mrs. Ralph Geiselman. The chapter room was attractively decorated with fresh spring flowers which added to a very pleasant evening spent at O.E.S. in Culver.

TO ATTEND SUMMER LANGUAGE INSTITUTE

Mrs. Virginia Stiles Smith of Culver Public High School has accepted an invitation to attend the 1962 Summer Language Institute for Secondary School teachers of French, to be held on the Univer-

sity of North Dakota Campus June 11 through August 3.

Mrs. Smith will be one of 40 participants in an intensive summer program organized in accord with Section 611 of the National Defense Act of 1958. All participants and staff will be housed in Walsh Hall, and will take the noon meal together at special language tables.

Native informants will conduct daily classes on French civilization and culture, as well as on the French language and linguistics. Special training in the language laboratory will also be a fundamental part of the Institute program. Other co-curricular activities such as films and lectures are also planned to fit in with the summer schedule.

Mr. and Mrs. Earl See were here Thursday evening of Mr. and Mrs. Kenneth Appleman and daughters of Lake Bruce.

Mr. and Mrs. Walter Johnson of Culver were Sunday afternoon callers of Mr. and Mrs. Clyde Overmyer.

Mrs. Steininger and family have moved into the Ray Braden property.

Mr. and Mrs. Tom Russell and daughters were Sunday evening callers of Mr. and Mrs. Oscar Lahman and family.

Harding Overmyer was taken to the St. Joseph Hospital at Logansport Saturday evening for treatment.

Mr. and Mrs. John Plante and family and Mr. and Mrs. William Miller and family of Elkhart at Sunday with Mr. and Mrs. Marion Kline and family.

The Seventh and Eighth graders will leave Friday on their southern Indiana trip. Mr. and Mrs. Rex Good will supervise and will guide the group through the historic points of interest. They will spend Friday evening at Owensboro, Ky.

Listed on the honor roll for the last six weeks at Aubbee school were Gloria Nickels, Senior, all A's, Martha Langenbahn, all A's and B's.

Seniors: Connie Feltes, Betty Hunneshagunn, Tom Murray, Richard Kelso and Larry Brockrey.

Juniors: Patsy Leap and Nancy Trill.

Sophomores: Jim Murray and Kenneth Olin.

Freshman: Jim Carr.

Eighth Grade: Linda Croy, Sonja Shawley, Christine Nelson and Theresa Hunneshagunn.

Seventh Grade: Melinda Laney, Kay Messer and Pamela Levern.

The Aubbeeaubbee High School seniors left Saturday for their trip through the East.

Mr. and Mrs. Herald Hamilton and family of Marion spent Saturday with his father, Clyde Hamilton, and daughter Patricia.

The Gay Ninety Show, put on by the Aubbee School students, was well attended and greatly enjoyed.

The Zion Gospel Chapel Missionary Society will meet Wednesday evening, May 9, with Mrs. Emma Wentzel.

Mr. and Mrs. Dick Young have moved into the Woodie McElthom property in Letters Ford.

Mrs. Karl Grau and Mrs. John Nelson and son Mike spent Thursday in Chicago.

Following the Sunday School and church services at the Zion Gospel Chapel Sunday morning, a dinner was held in honor of the former minister, Rev. Leonard Smith and family. They have finished their teaching internship at Detroit, Mich., and will leave this fall for Peru, South America, to teach in the college there.

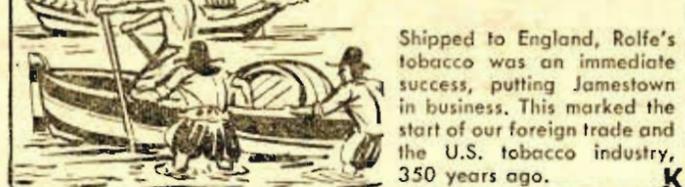

LEAVES IN HISTORY

Famine and bitter winter in 1610 killed over 400 and nearly ended the Jamestown, Virginia colony—destined to become the first successful English colony in the world. Settlers had no means of support.

Then in 1612 enterprising settler John Rolfe planted a new type of tobacco. His later marriage to Pocahontas assured peace with the warlike Indians.

Shipped to England, Rolfe's tobacco was an immediate success, putting Jamestown in business. This marked the start of our foreign trade and the U.S. tobacco industry, 350 years ago.

Mr. Ed Berry, NELLY DON fashion consultant, will be in our store with his complete selection of mid-summer and early fall dresses soon to be seen in VOGUE, GLAMOUR and other fashion magazines.

Too, be sure to register any day this week for a FREE NELLY DON dress!

W. Ray Kuhn and family.

Mr. and Mrs. Hugh Quivey and family and Katie Hartman were Sunday guests of Mr. and Mrs. Ronald Quivey.

Mr. and Mrs. Marion Taylor, enroute to their home in Chetek, Wis., spent from Wednesday until Saturday visiting friends here. They were Wednesday and Thursday overnight guests of Mr. and Mrs. Ronald Russell in Argos and Friday overnight guests of Mr. and Mrs. Guy Meehling. The Home and Hobby Club entertained with a supper for them at the church on Thursday evening.

Mrs. Mildred Overmyer and Darold attended the open house at Beatty Hospital at Westville Sunday afternoon. Mrs. Paul Bransford of North Webster and Mrs. Bud Parkhurst of Argos were evening visitors.

Suzanne Taylor Wins Indiana Dietetics Award

Suzanne Dawson Taylor, a senior in home economics at Purdue University, who has won many honors in addition to being a distinguished student, has been selected for the annual award given by the Indiana Dietetics Association. The award was announced at a student luncheon at Indianapolis.

Mrs. Taylor is the daughter of Lt. Col. and Mrs. Clifford H. Dawson of Culver and is a graduate of

Culver High School. At Purdue she has been majoring in Dietetics.

Following graduation, she will take her internship with the Veterans Administration at Hines Hospital in Chicago. Requirements of candidates for the award are that they be legal residents of Indiana, a senior majoring in foods and nutrition in an Indiana college or university, and that they be approved for an internship program approved by the American Dietetics Association.

Mrs. Taylor had previously won the Omicron Nu Sophomore award and the Scott Paper Company Foundation award.

A genius is an individual who has sense enough to get along with less fortunate human beings.

Local Women's Club Organized Sept. 3, 1923

EDITOR'S NOTE: Since National Home Demonstration Week is being observed this week, April 30 to May 6, the following report on the organization and history of the local Home Demonstration Club has been submitted for publication:

The women of Union Township, being eager to grasp the opportunity offered by Purdue University to provide an extension course in the Art of Home Making, met at the Culver Public Library on Sept. 3, 1923, for the purpose of organizing a Home Economics Club.

Mrs. J. C. Romig, president of the Argos Home Economics Club, gave a very helpful talk on various topics relating to Home Club work. With her assistance and that of Mrs. Howard Alleman, Mrs. Janet McGriff, and Mrs. Kuehn, also from the Argos Home Economics Club, the Union Township Home Economics Club was organized with the following officers elected: Mrs. Arthur Dillon, president; Mrs. Ralph Osborn, vice president; Mrs. John D. Heiser, secretary; and Mrs. Georgia Humbert, treasurer.

A program committee consisting of Mrs. Marion Jones, Mrs. Lee Beecher, and Mrs. Claude Newman were also appointed. Other charter members were Mrs. William Kline, Mrs. Harold Behmer, Mrs. Oris Grossman, Mrs. John Newman, and Mrs. J. D. Heiser. The next meeting was held on Friday, Sept. 14, at the library and the first Friday of each month became the regular meeting day.

At the Nov. 2 meeting, Miss Lela Gaddies of Purdue was a guest speaker and she gave the club its first creed as follows:

To maintain the highest ideals of home life.

To count children the highest ideal of home life.

To count children the most important crops.

To so mother them, that their bodies may be sound, their minds clean, their spirits happy, and their characters generous.

To place service above comfort.

To let loyalty to high purposes, silence discordant notes.

To let neighborliness supplant hatred.

To be discouraged never.

To lose self in generous enthusiasm.

To extend to the less fortunate a helping hand.

To believe one's community may become the best of communities.

To cooperate with others for the common ends of a more abundant home and community life.

Although the wording of the present creed is somewhat different, the thought expressed is the same.

For the yearly programs the main objective was the extension lessons; others were musical programs, religious features, educational, legislative, and patriotic programs; readings, special Mothers Day and Christmas programs, and the annual picnic. Throughout the years the objectives have been much as in the early years with many additions.

During the Home Demonstration Week in the spring the local club participates in the county program with window displays, May breakfast, writing newspaper articles, and also takes part in the Achievement Day programs. The Club has several members belonging to the County Chorus which it helps support.

It also joins with the other clubs in the state in supporting the Riley Hospital as members of the Riley Cheer Guild, by giving gifts of money or whatever is needed. The local organization was given the name, "Little Bit 'O' Fellow" in this Guild.

The Club entertains the Union Township 4-H Girls Clubs and their leader at an annual picnic in the summer, plants and cares for flowers in the Town Park each summer, and the 1962 project is the adoption of a young man at the Marshall County Home. Club members with their families enjoy an annual picnic and each year club members take a trip to some interesting place.

Other activities of the local club include a silent auction, seed and bulb exchange, Christmas party, a potluck dinner for members each year and the purchase of a T.B. bond each year. Although in recent years we have not participated in reciprocity programs, for many years this was done.

In September, 1948, the Club celebrated its Silver Anniversary with 36 members. The officers for that year were Mrs. Guy Davis, president; Mrs. Raymond Lowry, vice president; Mrs. Donald Davis, secretary; and Mrs. Oliver Baker, treasurer. The local club programs consist of project lessons which are presented by members who have attended leadership training courses in Plymouth. Special interest programs are also given in Plymouth which are open to all club members. Delegates are sent to the Homemakers' Conference each year in June.

In recent years the Club has been changed to Culver-Union Township Home Demonstration Club. Membership now consists of 35 active members, two inactive members, and three honorary members.

The present officers are Mrs. Harry Leffert, president; Mrs. Delbert Jordon, vice president; Mrs. Wilfred Craft, secretary; and Mrs. George Kerrigan, treasurer. The Culver-Union Township Home Demonstration Club

OXYGEN

Oxygen is necessary in the blood to maintain life.

When carbon monoxide unites with hemoglobin in the red blood cells, it prevents oxygen from doing so. The result is oxygen lack and death may result from respiratory failure.

Carbon monoxide is colorless, tasteless, odorless and is nonirritating. In nature this gas does not appear but it is probably the most widely distributed of all poisonous agents. It is found in the home through accidental leakage of manufactured gas from open burners and defective appliances and from incomplete combustion of various gas products. It is found in many industries, in gas manufacturing, in the steel industry, and particularly in coal mining. It is found in smoke and in confined spaces which have been painted with oil paints and sealed. Most familiarly it is found in the exhaust of internal combustion engines and many deaths have occurred in closed garages from motor exhaust gas.

Carbon monoxide may kill with great suddenness, as in a mine dust explosion, or it may develop from long exposure to a low atmospheric concentration. Headache may be an early symptom, although the onset may be unnoticed. There may be a muscular weakness, without loss of consciousness but with disturbance of memory, followed by a sort of oblivion from which the victim may emerge promptly or from which he may pass into full coma.

Emergency treatment calls for immediate artificial respiration and keeping the victim warm and quiet.

has the honor of having one of its members, Mrs. J. Richard Behmer, as president of the Marshall County Home Demonstration Club this year.

LAWRENCE A. STRAIT HONORED FOR HIGH SCHOLASTIC ATTAINMENT

Being honored today in Founders Day ceremonies in the auditorium of Indiana University on the Bloomington campus is Lawrence A. Strait, son of Mr. and Mrs. Walter W. Strait, 305 North Shore Lane.

Larry is one of the students being honored because of his high scholastic standing. He received his bachelor of arts degree with distinction last June and is now a student at the School of Medicine in Indianapolis.

IN THIS WORLD

Reg. U.S. Pat. Off. by G. Proffer

THE ROSE, CLOSELY LINKED TO THE CULTURES OF MANY CIVILIZATIONS, IS CONSIDERED THE "QUEEN OF FLOWERS." HORTICULTURISTS LIST NEARLY 200 SPECIES AND OVER 5,000 VARIETIES.

PLANT BREEDERS CREATE MANY COLORFUL NEW ROSES EACH YEAR. THE BEST, AND MOST POPULAR, ARE CITED AS ALL-AMERICAN VARIETIES...

ROSES ARE POPULAR WITH INSECTS ALSO...

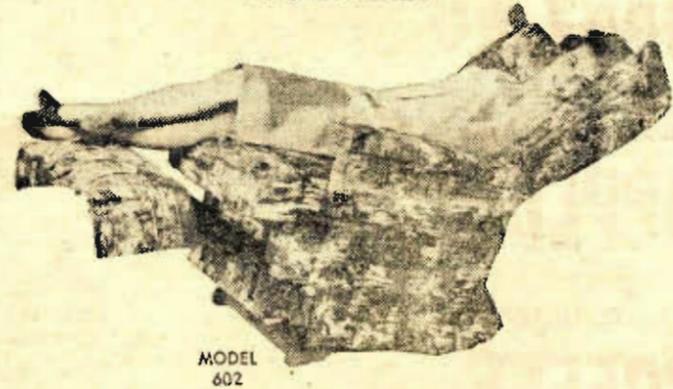

TO CONTROL DESTRUCTIVE PESTS LIKE JAPANESE BEETLES, TENT CATERPILLARS, ORANGE TORTRIX AND OTHERS, ENTOMOLOGISTS RECOMMEND THOROUGH TREATING WITH INSECTICIDE... ESPECIALLY UNDER THE LEAVES WHERE BUSS HIDE.

IN HOME GARDENS, PESTICIDE SAFETY IS IMPORTANT. SCIENTISTS HAVE DEVELOPED A NEW BROAD-RANGE INSECTICIDE, SEVIN, THAT COMBINES EFFECTIVENESS AGAINST MANY INSECTS WITH GREATER SAFETY TO HUMANS AND PETS THAN MANY OTHER INSECTICIDES. THUS, MODERN CHEMISTRY HELPS GARDENERS BANISH INSECT ENEMIES FOR BUG-FREE GARDENING.

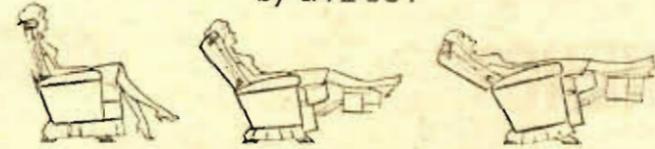

The easiest thing in the world is to find an excuse for not doing something that takes no money out of your own pocket!

Women may make up a very important part of this nation. It is interesting to observe that "pa" is in the midst of taxpayer.

THE ONLY RECLINABLE ROCKER

RECLINA-ROCKER by LA-Z-BOY

ROCKING • TV VIEWING • FULL BED RELAXING

From a conventional rocker, to your favorite TV recliner, to a comfortable napper... the magical new RECLINA-ROCKER is the only all-in-one chair. Because relaxing comes naturally when you sit in a RECLINA-ROCKER, you'll never be satisfied with any other chair. Come in today to experience the luxurious comfort of the RECLINA-ROCKER.

America's Famous Sailing Ships

"THIS IS THE NEW OCEAN... AND I BELIEVE THAT THE UNITED STATES MUST SAIL ON IT AND BE IN A POSITION SECOND TO NONE..." SAID PRESIDENT JOHN F. KENNEDY FOLLOWING THE FIRST ORBITAL FLIGHT OF ASTRONAUT LT.-COL. JOHN GLENN JR. IN THE UNITED STATES SPACE SHIP "FRIENDSHIP 7"

BUT WHEN THE MOON AND STARS STILL HAD OUTER SPACE TO THEMSELVES, AN EARLIER UNITED STATES SHIP NAMED "FRIENDSHIP" WAS MAKING HISTORY ON THE OLDER OCEANS DURING EXCITING TIMES LEADING UP TO THE WAR OF 1812. THE 342 TON "FRIENDSHIP" WAS LAUNCHED BY ENOS BRIGGS AT SALEM, MASS. IN MAY, 1797.

A FULL RIGGED MODEL, MADE BY THE SHIP'S CARPENTER THOMAS RUSSELL IS THE DELIGHT OF YOUNG VISITORS TO PEABODY MUSEUM IN SALEM, HELPING TO STIMULATE INTEREST IN THE PRESENT GENERATION IN OUR GREAT MARITIME HERITAGE. REPRODUCTIONS OF EARLY AMERICAN SAILING SHIPS ARE FEATURED ON THE OLD SPICE LINE OF MEN'S TOILETRIES BY SHULTON, INC. THE COMPANY IS ALSO PRODUCING A MODEL FLEET OF THESE SHIPS TO BE EXHIBITED THROUGHOUT THE UNITED STATES.

Cancer Society Proclaims "Cancer Progress Year"

This "Cancer Progress Year," as proclaimed by the American Cancer Society and the National Cancer Institute.

What does it mean? That we're celebrating progress? Or is it a bugle call to rally the nation against a vicious killer?

The answer? Well, we found it means both. It is a call to arms, because we need all the help we can get. That means accelerated research efforts to find new cures and extended medical efforts to save lives.

Another emphasis of "Cancer Progress Year," is to point up the real advances achieved against cancer by medicine and science over the past 25 years. It was just 25 years ago — in 1937 — that the American Cancer Society conducted its first national education and fund-raising Crusade and the National Cancer Institute was established by Act of Congress. These two events have led to the present massive national attack on cancer, the greatest research assault ever mounted against any disease.

The developments as directly attributable to research are: 1. discovery of at least twenty drugs which are effective in treating human cancers; 2. development of the "PaP" smear, which has made the early diagnosis of uterine cancer so feasible that almost no one need die of this disease today; 3. vastly improved techniques of cancer surgery and supervoltage radiation; 4. use of antibiotics and hormonal therapy as adjuncts to effective treatment; 5. employment of radioactive isotope tracers for precisely locating tumors; 6. recognition of the cigarette-lung cancer relationship as showing the importance of environmental factors.

Beyond these immediately practicable controls, there have been important laboratory developments in immunology and virology which indicate that human

cancers may be virus-caused, in which case prevention then might be achieved by vaccines. There have also been significant research advances which have given us better understanding of the biochemical processes of living cells.

In 1937 cancer research was very limited, whereas today we have thousands of scientists at work in hundreds of laboratories all over the country. In 1945, when the ACS began its research program, it allocated about \$1,000,000 to cancer research; today it is 12 times that, but in 1961 we had to turn down some \$3,000,000 in grant applications approved as eminently worthy ones by our national Research Advisory Council. So funds are still short. The ACS has devoted some \$97,000,000 to cancer research since 1945, and has helped train more than 1,700 physicians and scientists. However, more money will be needed to train more scientists to meet the enormous challenge of the cancer problem.

The first Marshall County Cancer Control Unit was sponsored by the Plymouth Chamber of Commerce in 1946. They appointed Mrs. Joan Brown as County Chairman, who conducted the first cancer drive alone by mail.

In February 1947 the Delta Theta Tau Sorority took over the Cancer Drive and conducted the drive each year until this year when the Marshall County Cancer Society joined the United Fund.

The first Cancer Information Day was held in 1957 and sponsored by the sorority.

To date the total amount of money spent for assistance to patients in Marshall County totals \$13,161.44.

Films and literature on all types of cancer are available to clubs and organizations in the county free of charge.

In the old days, the man who saved money was a miser; nowadays he's a wonder. — The weekly item, Revillo, South Dakota

Elementary Music Program To Be Presented May 8

The annual elementary school music program will be presented Tuesday, May 8, in the Culver gymnasium, featuring students in grades one through six. The program will start at 2:15 p.m., and the public is invited. There will be no admission charge.

The program will consist mostly of singing, according to Director Byron Kauffman, and will feature patriotic songs, work songs, folk songs, foreign songs sung in native language, chorales, and hymns.

All six grades will have a part in the singing groups, while the fourth grade will be featured in song flute selections. A folk game will be presented by the 6-A students.

Students going home with their parents after the program must be called for by the parents in their home rooms.

Notice

To Taxpayers Of Additional Appropriation Notice is hereby given the taxpayers of Culver-Union Township Library, Marshall County, Indiana, that the proper legal officers of said municipality at their regular meeting place at 8 o'clock P.M. on 7th day of May, 1962, will consider the following additional appropriations which said officers consider necessary to meet the extraordinary emergency existing at this time.

LIBRARY SERVICES ACT FUND	
1. Services Personal	
11. Salary, Librarian	\$ 440
12. Salary, Assistants	\$ 500
2. Services Contractual	
23. Printing and advertising	\$ 25
5. Current charges	
5. OASI	\$ 35
7. Properties	
73. Books	\$2,000

These appropriations are made from unappropriated Library Services Act Fund Balance. Taxpayers appearing at such meeting shall have a right to be heard thereon. The additional appropriation as finally made will be automatically referred to the State Board of Tax Commissioners which Board will hold a further hearing within fifteen days at the county auditor's office of Marshall County, Indiana, or at such other place as may be designated. At such hearing, taxpayers objecting to any of such additional appropriations may be heard and interested taxpayers may inquire of the county auditor when and where such hearing will be heard.

Do not forget Sunday School services each Sunday at 10 a.m.

A good time was enjoyed Wednesday morning, April 18, when 14 ladies gathered at the home of Mrs. Guy Davis for a coffee and to remind Mrs. Donna Beckner that she had a birthday that day. The ladies also made final plans for serving lunch at the McIntyre sale the following Saturday and also initiated a new coffee urn purchased by the W.S.C.S.

A good profit was realized by the W.S.C.S. from the lunch served at the McIntyre sale.

Four young people of the local church who are seniors at Leiters Ford, left Saturday on their senior trip. They were Connie Feltis, Larry Brockey, Mickie McIntyre

and Dean VanMeter.

Mrs. Guy Davis and Mrs. Whitney Kline attended the annual meeting of the Woman's Society of Christian Service of the Northwest Indiana Conference held at the First Methodist Church in South Bend Wednesday, April 25.

A family dinner was enjoyed in the Guy Davis home Sunday. Present were Mr. and Mrs. Don Davis, Mr. and Mrs. Edon Davis, Mr. and Mrs. Harold Davis of Park Forest, Ill., and their families.

Sincere sympathy of local friends goes out to Mrs. Della Heeter and Mrs. Gertrude Parker in the death of their daughter and sister, Mrs. Gladys Rector, in South Bend last week.

Mr. and Mrs. Guy Davis attended the funeral services of an aunt, Mrs. Laura Rinehart, in Waveland, Ind., today. Burial was made in Oak Hill Cemetery at Lebanon, Ind.

In Our Time ... *— Grotter —*

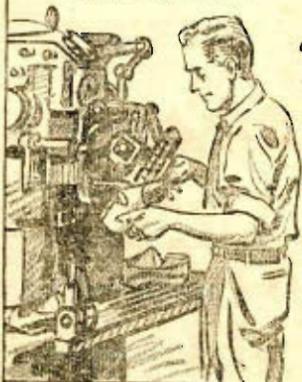

OUR MEASUREMENT FOR SHOES WAS ESTABLISHED IN 1324 BY KING EDWARD II. HE DECREED THAT THREE BARLEYCORNS TAKEN FROM CENTER OF THE EAR PLACED END TO END EQUALLED ONE INCH. IT WAS FOUND THAT 39 BARLEYCORNS, SO PLACED EQUALLED THE LENGTH OF THE LONGEST NORMAL FOOT... BECAUSE 39 WAS DIVISIBLE ONLY BY THREE, THE LONGEST NORMAL FOOT WAS CALLED SIZE 13. ALL OTHERS WERE GRADED DOWN ONE BARLEYCORN PER SIZE, (1/3 INCH).

IN EARLY 1800'S SHOEMAKERS WORKED ALONE IN SMALL SHOPS OR TRAVELED FROM HOME TO HOME LIVING IN WHILE THEY OUTFITTED THE FAMILY... HAND TOOLS LIMITED THEIR OUTPUT TO A FEW PAIRS PER DAY...

THERE ARE 12 WIDTHS RANGING FROM AAAAA TO EEEE. FOUR TO SIX WIDTHS (A-D, AA-E) FOR EACH SIZE ARE NORMALLY MADE.

"EARLY LASTING FINCHERS."

TODAY A SKILLED WORKER OPERATING AN AUTOMATIC MACHINE CAN LAST 1000 PAIRS IN 8 HOURS. THIS YEAR 1000 MANUFACTURERS WITH 236,000 EMPLOYEES WILL PRODUCE OVER 600 MILLION PAIRS OF SHOES... 50 YEARS AGO THE AVERAGE U.S. FACTORY WORKER LABORED 12 HOURS TO EARN THE PRICE OF A PAIR OF SHOES... TODAY, HE EARNS THE PRICE IN 3 HOURS FOR A SUPERIOR SHOE.

DID YOU KNOW, 1/2 OF WORLD'S 3 BILLION PEOPLE NEVER BOUGHT SHOES.

To Hold Convention In Plymouth

At a special meeting held at Kingdom Hall, corner of South Fifth and Sycamore in Plymouth Friday night, it was announced that Jehovah's witnesses will serve as hosts for the semi-annual regional convention to be held in Plymouth, June 1-3.

The convention is sponsored by the Watchtower Bible & Tract Society of New York, Inc., world headquarters and legal agency for the Witnesses, and is expected to attract some 1200 ministers and their families from 18 congregations in northern Indiana and southwest Michigan.

Object of the conference was described by Stanley Spangler, minister of the Plymouth congregation, as a three-day training program for Jehovah's witnesses as an aid to increased effectiveness in their house-to-house ministry.

The program is slated for the Centennial Auditorium. Features will include morning, afternoon and evening sessions devoted to Bible talks, discussion, demonstrations on increasing efficiency in the missionary field. There will be a baptism of new ministers on Saturday, June 2.

Anyone who desires to rent rooms to the visiting ministers may write or call Mr. Spangler at Route 2, Box 213, Plymouth: Phone 936-7296.

spreading habit and fit well into the landscape of today's single story dwellings. Most popular is the Pfitzer's Juniper, but it may grow too tall for ranch type homes. You may want to plant the lower growing variety of Chinese Juniper—the dwarf Pfitzer.

The Andorra Juniper is the most popular among the really low-growing Junipers. This variety shouldn't grow over two feet tall and turns purple color in the winter. Some low-growing Juniper.

PRODUCTION RECORDS

The Holstein-Friesian Association of America has announced the completion of the following outstanding official production records by registered Holstein cows in this area.

Culver Lad General Lass 3757-131, a seven-year-old, produced 21,381 pounds milk and 831 pounds butterfat in 365 days. Culver Lad King Faith 3757127, a seven-year-old, had 19,129 pounds milk and 826 pounds butterfat in 365 days. Culver Emperor General Fanny 4319932, a four-year-old, had 18,928 pounds milk and 799 pounds butterfat in 350 days. Culver Dictator Eden Linda 3409176, a nine-year-old, had 15,619 pounds milk and 611 pounds butterfat in 365 days. All are owned by John A. Newman & Sons, Newman Holstein Farms, Culver.

In contrast, the annual production of the average U.S. dairy cow is generally estimated at approximately 7,000 pounds of milk containing 265 pounds of butterfat.

Purdue University supervised the weighing and testing of the new Holstein records as part of the breed's official herd testing program.

pers, however, remain green all winter. Among them are the Sargent's Juniper or the Jap garden (Japanese Creeping) Juniper.

Nurseymen also have available the Waukegan Juniper, a low-growing, blue foliage variety.

Do You Remember 'Way Back When?

Highlights of Culver News of 10, 20, 30, 40, and 50 Years Ago This Week

APRIL 30, 1952—

Charles Ezra Medbourn, prominent local business man and widely known resident, died very suddenly early yesterday afternoon in his home at the age of 70.

The Cadet Jazz Band will furnish music for the CHS Alumni dinner-dance set for May 24.

Mrs. Stella May Jordan died Friday morning at Parkview Hospital at 72 years of age.

The 1952 Culver Community Carnival, held in the Community Building last Friday evening, was very well attended and enjoyed.

John A. Newman of Culver has been elected as one of four Indiana official delegates to the 67th annual convention of the Holstein-Friesian Association of America to be held June 2-5 in Roanoke, Va.

MAY 6, 1942—

Thursday was the hottest day in April in the history of this community, the temperature reaching 94 degrees.

The Town Board accepted the resignation of George Stabenow as superintendent of the water department at its meeting Monday night and divided the duties between Verl McFeeley and Donald Mikesell, present employees of the town.

A group of seven ladies from Culver are attending the Red Cross instructor's course in First Aid, which is being given in South Bend this week.

Deane E. Walker, county superintendent of schools, has been appointed to a committee of the National Education Association.

Donald Davis, son of Mr. and Mrs. Guy Davis, will receive his B.S. degree in business at the commencement exercises at Indiana University on Sunday evening, May 10.

Mr. and Mrs. H. L. Werner have received word that their son, John, is in the Brooklyn Navy Hospital in Brooklyn, N.Y., with a throat infection.

MAY 4, 1932—

The largest crowd ever present in the Culver Community building attended the annual school exhibit last Friday night and they were rewarded by an interesting and instructive evening.

Mrs. Dora Short, 23, of near Burr Oak, was instantly killed when the auto she was riding in skidded on the slippery pavement near Wanatah, overturned, struck a tree, and burst into flames.

Rev. J. H. Rilling has been reappointed pastor of the Culver Evangelical Church for his second year.

Ruth Newman was elected vice president of the Woman's Athletic Association of Indiana University last week.

Dick Loudon's car was wrecked last Friday when he went to sleep at the wheel while returning from Chicago at night.

For the tenth time, C. W. Newman has been elected a delegate to the National Holstein Association convention from Indiana.

MAY 3, 1922—

The Zechel stock sale last week was a humdinger. There were 277 cattle, 100 sheep, and 12 horses sold, besides 60 head of cattle at private sale.

At the regular meeting of the Business Men's association Claude May was elected president and Ezra Koontz was elected secretary.

Charles Lasch, 68, died at his home near South Bend April 26.

Superintendent Deane Walker has gone to Angola for post graduate work.

The Lake View Hotel has recently been annoyed by series of small thefts of articles taken from rooms, and last week intruders were discovered running away from the hotel. Mr. Outland believes that he can identify them.

At a meeting of the County Federation of Women's Clubs at Argos last week, Mrs. Fletcher Strang of Culver was elected vice president.

The Shetland pony of Oscar Moneysmith died Saturday of indigestion.

MAY 2, 1912—

J. G. Beck has bought the Jesse Crabb grocery and will take possession May 15.

Two little daughters of Joe Orsino, a tailor at the Academy, were in a perilous position Monday evening when they were on the railroad trestle and a freight engine with one car came from the south. The younger of the two tripped and fell and the older girl was endeavoring to extricate her when Charley Wade and a traveling man rushed up the embankment and reached them just as the engine came to a stop nearby.

William McLane and Miss Florence E. Smith were married Monday evening at the home of the bride's parents in Indianapolis.

Mr. and Mrs. Frank Green are the parents of a son born May 1.

The Culver Band has an enrollment of 22 members and promises to give one of the best series of summer concerts heard in Culver. W. G. Johnston, CMA music director is in charge of the group.

Mrs. Charley McFeeley is the victim of a severe attack of pneumonia.

A marriage license was issued to Reuben Biggs and Myrtle Calhoun of Culver last week.

NAMED DISTINGUISHED MILITARY STUDENT AT PURDUE UNIVERSITY

Richard L. Large, Route 2, Culver, is one of 19 senior cadets in the Army ROTC Brigade at Purdue University who have been designated as Distinguished Military Students on the basis of demonstrated outstanding leadership and academic qualities, it has been announced by Col. Francis M. Clark professor of military science.

This designation, made by Col-

onel Clark and approved by President Frederick L. Hovde, makes the cadet eligible to accept a commission in the U.S. Regular Army, if he so elects, rather than in the U.S. Army Reserve upon his graduation. Appropriate awards were made to these 19 cadets at a recent brigade review by Col. James F. Skells, professor of military science at Michigan State University.

Large was designated as Distinguished Military Student in the Artillery.

News Items About Our Academy Neighbors

Called from the April Issue of the CMA Messenger Dale Mangun of the Boat Shop left March 15 for reserve training for six months with the National Guard . . . John Campbell is one of the new employees for the Campus Dept., and James Humes is added to the list of the Boat Shop employees.

Mr. and Mrs. Jay Humes, Garden Dept., are spending a week in New Jersey visiting their daughter and family . . . Mr. McNulty reports that the Garden Dept. men have been busy on several new planting projects. They have replanted all along the Lake front at the Culver Inn besides several places on campus . . . William Dickson, Leonard Hoffman, Edward Smith and Franklin Smith have been added to the Garden Department for the summer months.

Earl Mishler, son of Ben and Blanche Mishler will spend a few days in Detroit, Mich. and Deshler, O. with classmates from Valparaiso University before coming home to enjoy an Easter vacation

Changes in Library staff after spring vacation: Charlotte Walker will replace Mary Ellen Reed and Byron See will be on duty during weekends.

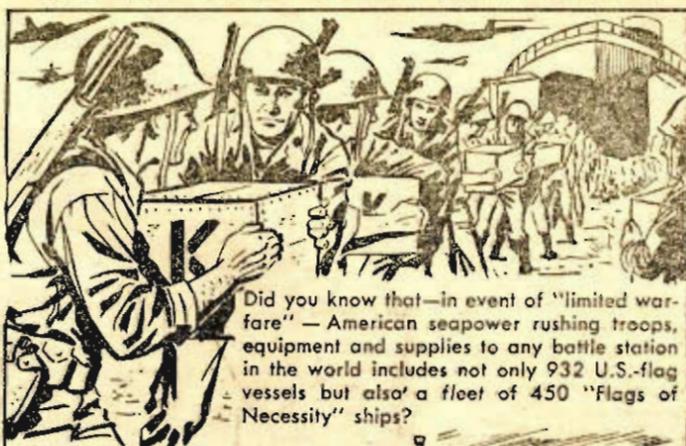

Mr. and Mrs. Wallace Starr drove to Maryland to visit daughter, Marian (Mrs. Vernon Jones) and see their first grand-daughter, Cheryl, during spring vacation . . . Also Sara Riewoldt spent the weekend of March 23-25 in Newcastle visiting daughter, Judy, and attending a surprise shower given for Judy . . . Betty Bryant was a happy housewife during the vacation with both boys home.

SFC Reynolds and his family visited his mother in St. Louis. Sergeant Reynolds re-enlisted last week. He has been reassigned and will leave here for Fort Reynolds, Alaska, April 30, after having spent three years at Culver. Mrs. Reynolds will probably be permitted to join her husband within six months.

Employees of Culver Inn have enjoyed a few days with families and friends over spring vacation . . . We welcome Miss Sheila Strow front office, and Mrs. Mildred Emigh as maid . . . Our heartfelt sympathy to Mr. and Mrs. Frank Krimmel over the loss of Mr. Krimmel's mother . . . Miss Sheila Strow will be working this summer with us and then in September she will attend merchandizing school in the East.

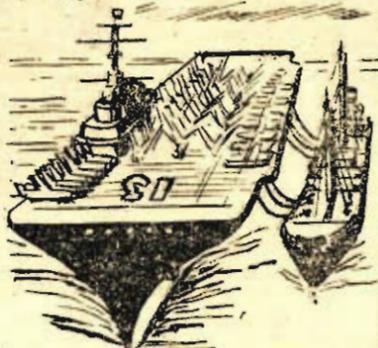

Chucky, son of Paul Pennington, underwent surgery in St. Joseph Hospital, South Bend, on March 13 . . . Edward, son of Charles Ricciardi, had surgery in the Memorial Hospital, South Bend, on March 24 . . . Thomas, son of Ruth Walker had surgery in the Parkview Hospital, Plymouth, on March 23. Edward and Tom are home and back in school.

Did You Know These Fleet Facts?

Did you know that—in event of "limited warfare"—American seapower rushing troops, equipment and supplies to any battle station in the world includes not only 932 U.S.-flag vessels but also a fleet of 450 "Flags of Necessity" ships?

Did you know that this reserve fleet speeds difficult operations like refueling at sea . . . guarantees more ships when and where we need them . . . adding to the security of you and your family here at home? The Navy and Defense Departments heartily champion "Flags of Necessity" ships. And unlike U.S. flag ships, this fleet is not government subsidized by taxpayers' money!

Did you know that this "private navy" doubles the carrying power of U.S. oil tankers and bulk carriers? . . . That while it is registered under the flags of Panama, Liberia or Honduras, it is owned and operated by Americans engaged in international trade? . . . That it is pledged to our national defense when needed?

but Chucky, although home and able to be up and around, has to report back for more check ups and tests and possible surgery . . . Charles Robbins has bought a new deluxe "home on wheels." Charles and his wife are at home now at 415 Liberty Street . . . Mrs. Sarah Behnke is a new employee.

Mrs. Josephine Adams attended the District Conference of Woman's Society of Christian Service at LaPorte Methodist Church April 3. At this meeting Mrs. James Miracle was awarded a special membership for her services in the district as Children's Secretary.

A farewell party was given for Iraz Reynolds on Friday evening, April 12, in the home of Margaret Eckman.

Mrs. C. B. Napier is getting along fine after recent major surgery in South Bend's Osteopathic Hospital.

Lloyd Stuck celebrated his 65th birthday last month, and after 15 years with the Academy retired March 31 . . . We all welcome Barney Mora to the stable crew . . . Dorsie Farris is now the proud owner of a new Ford Fairlane.

After returning to work from a siege with the flu, Donie Whitaker is out again with an injury . . . Gene Mott is back on the job after being out several weeks with an operation.

Eva and Glenn Doll spent their vacation in Columbus, Ohio, with their daughter and family, Mr. and Mrs. Larry Poling . . . Bess Pura, Margaret K. & Eva Doll spent one day with Mary Mezel at Knox . . . Edna Bryan, Jennie Dixon, Margaret K., Bess Pura, Mabel Pura, and Eva Doll visited Abbie Thomas. Mr. and Mrs. Henry Mezel spent their vacation with relatives at Gary and Chicago . . . Mr. and Mrs. Ernest Starr and sons of Grand Rapids, Mich., spent the weekend with his parents, Mr. and Mrs. Wallace Starr . . . Emma Swigart and Abbie Thomas have had surgery at the Osteopathic Hospital in South Bend and are reported coming along nicely.

The John Edgells headed east to visit in New York City with John's mother, to see Mary Esther in Boston and Nan Kuteher in Rhode Island. They also saw the Firaris at Bloomingdale's, while the Firaris saw Al Nagy and former cadet Bill Dimeling at Luchow's . . . The Boltons headed for North Carolina with son Robbie to visit old Navy friends . . . Jock Sutherland and daughter, Nancy, spent a week on the western coast of Florida . . . The Eyerlys did the East coast of Florida with Louisa staying on for an extended visit. She's due home this week . . . Peggy Gimbel trained to Florida last week to drive home with her mother, Mrs. Allen Elliott.

Culver has had its share of springtime visitors, with Chad Craig paying the Brad Craigs a surprise visit. Chad affiliated with TV station KONO in San Antonio, had his first look at Culver and spent his spare time fishing up a storm on good 'ole Lake M. The Craigs were just back from a visit in Nashville with son John and family, so it's been a family spring for them . . . Those jolly faces in the window at the BeBout manse these days are the 16-month-old twins of Betty BeBout Taylor. Along with 5-year-old son Jack, Betty is giving the local scene color while husband

Norm, with the USAF, is doing a tour of South Carolina. Their home base is currently Buffalo . . . A ray of East Shore sunshine is always Mrs. Hershel when she comes visiting daughter, Sunny Blair. Mrs. H. arrived just in time this year to help the Blairs move . . . The fascinating lady from the East — Annapolis, Md., that is visiting the Bays was Billie Todd. She's a friend of the Bays and was having her first look at Culver . . . The Ted Clarno welcomed home son John, an Air Force pilot on leave.

Ruth Graham heads south to Atlanta right after Easter for her parents' 50th wedding anniversary. The celebration will be turn-about with the parents treating the family to a weekend at Sea Isle, Georgia . . . Norma Henderson spent several days last week with her sisters and their families in southern Indiana. It was a time to greet old friends for her . . . General and Mrs. Spivey have hardly unpacked their suitcases between business trips that have taken them in every direction of the compass.

Auto Title Transfer Procedure Changed

An important change in the procedure for the transferring of ownership of a vehicle held under joint ownership has been announced by the Indiana Bureau of Motor Vehicles. Rosemary Bergman, manager of the Plymouth Branch of the Bureau of Motor Vehicles, stated today. The ruling becomes effective immediately.

There are four types of joint ownership titles and are made out as follows: 1. John and Mary Doe; 2. John or Mary Doe; 3. John and/or Mary Doe; 4. John and/or Mary Doe with full rights to survivorship.

Until now only titles made out to John and Mary Doe required both signatures in order to sell the vehicle. Under the new regulations, the signatures of BOTH parties will be required in all cases before the title may be transferred.

In case one of the parties are deceased in examples 1, 2, and 3 above, the signature of the survivor, and the signature of the personal representative for the deceased will be required along with an heir affidavit or other legal papers showing the authority to sell the survivor's interest in the vehicle.

If the title is made out as in example 4, that is, giving full right to survivorship and one party is deceased, only the survivor's signature is needed to

sell the vehicle. However, in this case a death certificate or affidavit of death must accompany the application.

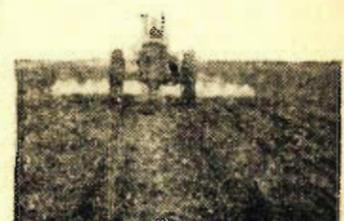

The procedures are a change from the old method, but the Attorney General Edwin K. Steers, has advised that it is a correct one.

Mrs. Bergman also states that in order to change a title from joint ownership to one of joint ownership with full rights to survivorship, it is necessary that the persons apply for a new title. This will enable the Bureau of Motor Vehicles to carry the change on their records.

Sure is hard to keep quiet when some other fellow is telling your favorite story and wrecking it. — The Great River County News, Bemidji, Minnesota

Filled Coal Bin Should Be A Must For Every Family

A Driven Well Is Also A Necessity

By ROGER W. BABSON
No. 1 U.S. Economist

Babson Park, Mass. — I do not expect a nuclear war unless one starts by accident. I do expect the cold war to last for some time, during which time fallout shelters will be constantly discussed. It is not expected that such "shelters" would protect us if our city or one nearby should be bombed. But a properly constructed shelter should protect from the "fallout" accompanying nuclear war, when some — not all — of our large cities would be destroyed.

Stocking Shelters

Roger W. Babson

It is one thing to build a shelter; but another thing to stock it properly with food and the many other articles needed to make it livable for two or more weeks. For details, send to the Department of Defense, Office of Civil Defense, Washington 25, D.C. — or check with your local Civil Defense officials. At best, only a few of my readers will build shelters. Therefore, I wish to write this week about what the rest of us will do. Here is some good advice.

I am urging my family and friends to seriously consider how much we all owe to electricity. — our lights, oil burner, refrigerator, and often our cooking and other conveniences. Yet, whether or not we have a shelter, we would have no electricity if a nuclear war should start. Furthermore, those of us who would be compelled by law to remain indoors until the federal signal

allowed us to go out should have enough food and water to care for our necessary requirements.

Have A Driven Well

Our first expenditure should be a driven well, to give an independent water supply. This would need a modern double-action hand pump to pump up the water. This pump should be located in the cellar, as near as possible to the "water table" level. Our city or town supply of water may be available in quantity; but it probably would be contaminated and dangerous. Whether boiling this water would make it safe to drink will be told us by Civil Defense authorities via CONELRAD (either 640 or 1240 on your radio dial).

Until a comparatively few years ago, most homes had a coal bin and a coal-burning furnace in the cellar; also, a coal-burning stove in the kitchen. That coal bin, filled with coal each fall, was a real "safety deposit box." It could be more important than one at a local bank containing stocks, bonds, and our will.

Importance of a Filled Coal Bin

Such a coal bin, filled with coal, with a small coal furnace

Chemistry Cuts Down Food Bills

We'd like to doff our spring lid to chemical research.

You're probably aware that chemical research's job is to harness nature and make it work for man's welfare. Right now we'd like to report on the fabulous job this kind of research is up to in 1962.

Long ago, chemical research began to conquer down-to-earth problems. Every day now, it improves upon its accomplishments.

Agricultural chemicals play a role, not only in producing more food, but also in producing food at a price people can afford to pay.

Without the judicious use of farm chemicals, the annual food bill for the American family would rise by nearly \$300.

Production of both farm and food chemicals begins in the laboratory, and it is from there that new and better ones will come. And it is also from there that these chemicals, before they are ever sold, are tested for long periods of time to assure they will not cause harm when properly used.

Americans can rest assured that their food is the most nutritious and safest that money can buy — an impossibility without research.

FIRST CHURCH OF CHRIST SCIENTIST
423 S. Michigan St., Plymouth
Sunday School 10:30 a.m.
Morning Worship 10:30 a.m.
How obedience to divine law brings human redemption will be explained Sunday at Christian Science church services.
Featured in the Scriptural passages to be read is the story of Jonah. The Lesson-Sermon is entitled "Everlasting Punishment."
This selection will be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 184): "Truth, Life, and Love are the only legitimate and eternal demands on man, and they are spiritual law-givers, enforcing obedience through divine statutes."
The Golden Text is from Psalm 136: "Let Israel hope in the Lord; for with the Lord there is mercy, and with him is plenteous redemption."

May Fellowship Day Set For May 11
May Fellowship Day, sponsored by the Culver-Union Township Council of Churches, will be observed locally May 11 at 8 p.m. in the Culver E.U.B. Church.
One of the three annual programs sponsored by the council of church women, May Fellowship Day will feature a program presented by the women and girls of the community which will be followed by a tea.
Mrs. Judson Dillon is chairman for the meeting and working with her will be Mrs. Raymond Lowry, Mrs. Roscoe Newcomb, and Miss Bess Easterday who is in charge of refreshments.
Next week's Citizen will give more detailed information.

Control

Mad. While rabies is present all year, it is more often seen during spring and summer. During these months, children and pets are allowed more freedom and have a greater chance of exposure.

Dr. F. A. Hall, Purdue University extension veterinarian, says more than 169 cases, most of them in dogs, were identified by laboratory tests in Indiana last year.

During the first four months of 1962, the Indiana State Board of Health reported more than 80 cases. They were diagnosed in several species — dogs, cattle, foxes and one horse.

Ten counties have had the majority of rabies cases and were under quarantine as of March 31. These are Brown, Bartholomew, Johnson, Monroe, Morgan, Marion, Dearborn, Porter, Lake and Ripley. Vaccination clinics have been held in Bartholomew, Lawrence and Monroe counties and others are being organized in an effort to halt the spread of the disease.

During the early stage of the disease, rabid animals roam and wander aimlessly, attacking other animals and even inanimate objects. Thus, a single rabid animal may expose many other animals and persons.

There is no cure for, or treatment successful against, rabies, Dr. Hall says. Once the symptoms appear, death is certain. Control of the disease is dependent upon annual vaccination of pets, required by Indiana law, and the control of all strays.

Stray animals should not be befriended or petted, Dr. Hall warns. Such animals should be brought to the attention of the humane society or local police.

A person bitten by an animal should immediately notify health authorities or his local veterinarian so that the animal can be confined and observed. In addition, the victim should immediately

Test Your Gaslight Era N.Q.

(*Nostalgia Quotient)

Gas lamps and ragtime are returning, so brush up on your turn-of-the-century era table talk. Just match correctly the nostalgic lines in the first column with the proper letter in the list to the right. If you know them all, you must remember when.

- | | |
|---|------------------------|
| 1. Speak softly and carry a big stick | A Gas lamps |
| 2. The "400" | B 1908 |
| 3. Welsbach mantle | C Booth Tarkington |
| 4. Directoire gown | D Theodore Roosevelt |
| 5. First gas light and heat on the farm | E 1912 |
| 6. First automobile | F Ragtime dance |
| 7. Bunny hug | G Hotel Astor ballroom |
| 8. Remember the Maine | H 1892 |
| 9. Gibson girl | I The new look |
| 10. Penrod | J Spanish-American war |

(Now turn the page around and check your N.Q.)

1. D Theodore Roosevelt in 1901 thusly summarized the policy of his new administration.
 2. G The ballroom of the Hotel Astor in New York City would accommodate just 400 guests of high society, so the blue book blue bloods became known as the "400".
 3. A Gas lamps used incandescent gauze Welsbach mantles to increase the light from the flame.
 4. H Directoire, or sheath, gowns were introduced from Paris in 1908 and, with Merry Widow hats and bone collars, became the style rage.
 5. E On May 17, 1912, the farm home of John W. Gahrting near Waterford, Pennsylvania, became the first in the nation to have liquefied petroleum gas service.
 6. F In 1892, the first automobile—the Duryea—was produced.
 7. I The Bunny Hug, Fox Trot and Turkey Trot were among the popular dance steps of the first decade of the century.
 8. J "Remember the Maine" became the battle cry of the Spanish-American war after the mysterious explosion and sinking of the battleship Maine in the harbor of Havana, Cuba, in 1898.
 9. I Charles Dana Gibson's drawing of the delicately complexioned Gibson Girl became the "new look" and American ideal for about 15 years after 1895.
 10. C Booth Tarkington's famous boy's book, "Penrod," was a national favorite toward the close of the gaslight era.

place himself under the care of a physician.

Rabies virus is spread through saliva which enters the body through breaks in the skin, such as bite wounds or other injuries which become contaminated by the saliva of infected animals.

Dr. Hall says if all dogs in Indiana are vaccinated annually, and all strays controlled, the rate of the animal infection and human exposure can be reduced to a minimum.

INDIANA DAIRY INCOME DROP EXPECTED

Indiana dairy farm income likely will drop about seven million dollars in the coming year as a result of the recent cut in support price for milk, says Hugh L. Moore, Purdue University agricultural economist.

The support price for manufacturing milk was reduced April 1, 29 cents per hundred-weight to \$3.11. This price is for milk testing 3.82 per cent butterfat. The new support level is equivalent to 75 per cent of the parity price and is the minimum that can be established under existing law.

The support price was lowered because of the record high level of dairy product purchases under the support program and their resulting high costs, Moore explains.

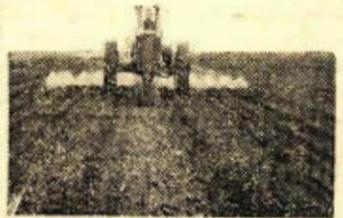

Farm milk prices are expected to reflect the new lower support level almost immediately. When large surpluses exist, support prices for manufacturing milk set the tone of the market for both bottling and manufacturing milk, the economist explains.

While prices paid for manufacturing milk probably will fall nearly the 29 cents, they likely will stabilize above the \$3.11 level since Indiana plants traditionally have paid prices higher than the national level.

Milk prices for most fluid markets will fall nearly the full 29 cents below year ago levels.

Delightful gift for the teen-ager Rytex Private Line personalized with her name

For her birthday, junior high graduation or "just because you love her" gift. Useful as it is gay. Fine quality white vellum paper with teen illustrations in rose, moss green and jade. Her name custom-imprinted in dark green ink in the smart style shown. Decorated box for her "junk" when the stationery's gone. 24 decorated sheets and 24 decorated envelopes.

\$2.75

Rytex — the gift that's made to order for the occasion.

THE CULVER PRESS, INC. Citizen Bldg.

Academy Sports

Culver Military Academy's tennis, golf, and track teams are rolling along in grand fashion today, but it's a slightly different story in baseball and crew where the two teams are looking for the first victory of the spring season.

Tennis

Leading the pack is Coach Ted Clarno's tennis team, which has breezed through five matches without defeat and hardly a test. But the big one comes Saturday when the netmen face Peru, traditionally a rough opponent. Clarno's proteges breezed through one last Saturday when they blasted Logansport by identical 7-0 scores in a varsity and junior match. To be even more accurate, the Eagles lost only two sets in 14 matches.

Individual victories went to Tom Norris, Rick Berlin, Gil Bickel, Lee Schlesinger, and Dave Dabney, and all but Berlin participated in the doubles shutout.

Golf

Irv Nelson's golf team made it two in a row Saturday with a 16-2 triumph over Griffith at the Academy course. Bob Hightower set the pace for Culver with a fashionable par-72, one of the best scores fired at the course this spring, and his teammates swept all but one remaining match. Victories went to Rick Olsen, Jeff Levenberg, Jim Bryant, and Bill Fohey. Ron Cordeau salvaged one point from the remaining match.

Track

In track, Coach Dave Burke's harriers added the Lime City Relays to their list of accomplishments this season. With only a fourth-place finish in the tough North Side Relays to mar the record, the team is unbeaten in dual competition.

Culver edged five other teams in the Lime City event. First places went to Tony Sandoe, who did 10.6 in the 100 yard dash; the distance medley, the 880-relay, the 480-yard shuttle relay, and the sprint medley relay teams. Culver's mile team won a second place and the Academy's promising sophomore broad jumper John Keehn scored a leap of 20 feet, 10 1/2 inches, and finished fourth. Runners Bob Wood, Bob Ancira, John Gillespit, Tom Carpenter, Bill Borkenstein, Bob Osborn, John Sullivan, John Gretzinger, and Sandoe were members of the various winning relay combinations.

Crew

Although Culver's crew lost its opener at Marietta (O.) College Saturday, Coach Larry BeBout was elated with the outcome. In a four-boat race, Culver finished second to the LaSalle College freshmen of Philadelphia. LaSalle, which has been on the water since February, won its sixth straight race with a time of 6:06.4. The Eagles were next across

the finish line with a time of 6:13 for the mile and a quarter course, while Marietta's freshmen, also tested in three previous races, was third at 6:19.

The Academy's second crew was runnerup in another race, beaten by the Marietta second freshman boat. The winners posted a time of 6:28. Culver had 6:30. In attempts to whip into shape before the big Central States Schoolboy Regatta on Lake Maxinkuckee on May 12, the Academy faces an important test at 2 p.m. Saturday against the Purdue University freshmen over the Culver course.

Baseball

Plagued by bad breaks and ineffective pitching, the baseball team suffered another double setback Saturday when Griffith won 12-4 and 13-9. To add to Coach Jim DeArmond's miseries, the Academy nine was again out in front and its opponent going into the last inning only to have bases on balls ruin chances for a break in the Academy's losing streak. After dropping the first game, Culver got in front 8-6 going into the fifth and final inning. But pitcher John Bartlett served up three bases on balls, and before reliever Joe Williamson could put out the fire, Griffith pushed across seven runs. Culver hopes to snap its losing streak in a twin-bill at St. John's Military Academy, Delafield, Wis., this Saturday.

Hospital Notes

William Cook, eldest son of Mr. and Mrs. Charles Cook, 117 Winfield St., is a patient at South Bend's Osteopathic Hospital where he underwent surgery yesterday for a broken left collarbone suffered last Wednesday evening in a fall. He will remain in the hospital for several days.

Latest Fishing Report

Indianapolis, April 25 — Fishing conditions in general continue to be very good throughout the entire state as reported by our Conservation Personnel. As usual, excellent spring sucker fishing reported.

Central Indiana

All streams reported clear. Fishing reported good. Raccoon Creek, Mansfield Reservoir and Sugar Creek in Montgomery County reported good. Small-mouth bass, bluegills and crappies taken on red worms, minnows and night crawlers. Small-mouth bass caught in Flat Rock River and Sugar Creek in Shelby County. White River at Broad-ripple dam, Geist Reservoir and Fall Creek, several large catches

of crappie and bass caught on jigs and minnows. Few reported caught by using night crawlers.

Northeastern

All streams and lakes clear and fishing reported good. Several large bluegills taken in the lake district. Several large bass taken out of the channels between the lakes with small spoons and spinners. Several fishermen reported out trying their luck.

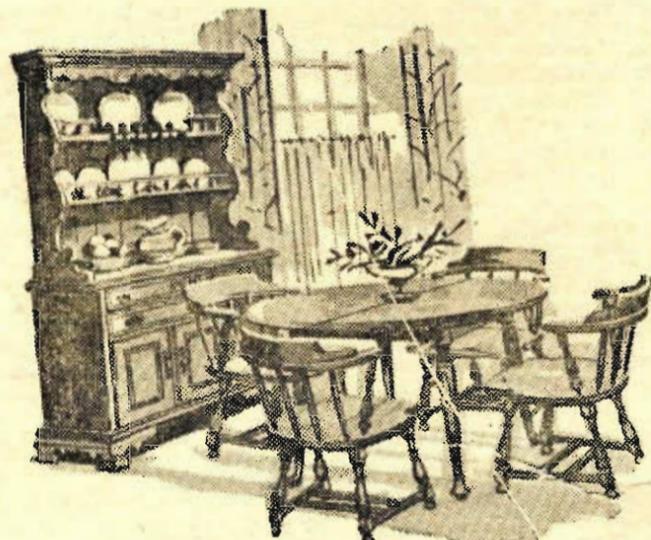

Northwestern Indiana

Smelt are running in Lake Michigan. The catch has been very good. Crappies being taken on minnows at Freeman and Shafter Lakes with a few rock bass being taken out of the Tippecanoe River.
