

Babson Discusses The Stock Market If Stocks Are Paid For — Don't Worry

Babson Park, Mass. — I do not know what will happen in the stock market between now and the time when you read this in your local newspaper, but from December 13, 1961 to the present:—

Roger W. Babson

The Industrials have gone from a high of 734.91 to 535.76; The Utilities have gone from 133.98 to 103.33; The Railroads have gone from 144.45 to 116.05.

This means that the Dow-Jones Industrials, which is what investors popularly use as a measure, have gone off more than 27% from their all-time high. The previous low for the cycle was in 1957. Figuring this roughly, a 27% drop is nothing for investors to worry about provided they are not buying on margin, or on loan, and provided they have stocks of good quality. The difficulty comes with those who are buying stocks on margin and who have been nearly wiped out or have suffered severe losses. I feel very sorry for them. On the other hand, those who have their stocks paid for and in their safe-deposit box probably have nothing to fear and will see them come back again some day to much higher prices.

What About Bonds?
Very few people buy bonds on margin. But, while some industrial "blue chips" still yield only around 3 1/2%, good corporation bonds—which precede in security all stocks of the same company—can be bought to yield around 4 1/2%. Therefore, the wise investors have gradually been changing from gilt-edge stocks to bonds.

Usually corporation bonds are, of course, taxable as to income; but tax-exempt municipals, or revenue bonds issued on the turnpikes, can be bought to yield about 3% to any investor, and the equivalent of 7% to investors in the 50%-or-higher tax bracket. Personally, because of the probability of inflation, I prefer to buy bonds of not over five-ten years maturity. This is very important to remember.

Mutual Funds
Probably most of my readers have mutual funds. In many cases, they are being bought on an installment basis, with payment every month. I believe in mutual funds for the small investor as it gives him diversification under what is supposed to be proper supervision. But, like everything else in this world, mutual funds have both their advantages and their disadvantages.

So long as the new sales exceed

the redemptions, the managers of the funds are not obliged to sell any of their holdings. If, however, cancellations exceed the new sales, then the managers of the funds are compelled to sell securities, and the mutual funds may temporarily suffer, even though they will ultimately rebound. Mutual funds in the long run must go up and down as the general market goes up and down. If we are now in a bear market, mutual funds will decline in price also. It therefore is important when buying new mutual funds in a bear market to be sure that the price is adjusted to the Dow-Jones Average.

Importance Of Careful Selection
In a bear market it is very difficult to select stocks for both profit and income,—and especially for profit. On the other hand, any sound, long-established investment advisory service should be able to select good stocks which will pay 5%-6%. Stocks which would fit this category are the equities of the big transcontinental railroads such as the Union Pacific, the Northern Pacific, the Canadian Pacific, the Southern Pacific, and the Atchison.

If an investor wants to be ultra-conservative, he might divide his money amongst these five railroads. He would then be able to secure safety with a good yield. Some readers will say to themselves that they want no railroad securities. But, these railroads own valuable oil and mineral assets which go a long way toward paying their dividends irrespective of the railroad's traffic. Certainly, they can all give up their passenger business and be an attractive investment.

Travel Suggestions Issued By Tourist Council

The Tourist Assistance Council of the Indiana Department of Commerce and Public Relations has issued "Blue Ribbon Travel Suggestions" for the month of August. These recommendations are being made mon-

thly through the summer, in line with Lt. Gov. Richard O. Ristine's program to get more Hoosiers to see and enjoy Indiana, and to attract visitors from outside the state.

August is an ideal month to visit Indiana lake and river areas where swimming, boating and fishing are featured. Fortunately, no citizen of Indiana lives more than a few hours drive from water recreation areas. Our state parks, lake resorts, and many riv-

er beach areas provide hot-weather recreation in clean and scenic environments. Accommodations such as motels and hotels are good, and many of these areas have camping facilities."

Now is the time to enjoy Indiana. Free maps are available at Tourist Assistance Council, Room 332, State House, Indianapolis 4, Ind.

Bloodmobile To Visit Rochester August 24

The next visit of the Bloodmobile to Fulton County will come on Friday, Aug. 24, and locate at the Legion Home in Rochester, observing hours from 10 a.m. to 4 p.m.

Unit chairmen of the Woodlawn Hospital Auxiliary will again be in charge of the recruiting program.

Mrs. John Nelson will head the program for Aubbeenaubee with a set quota of 8 pints.

Mrs. Oren Conrad is in charge of Richland area with a quota of 7 pints.

A quota of 9 pints for Union is headed by Mrs. Burdette Garner.

It should be emphasized that these are the final quotas for the year. Fulfillment will assure Fulton County of exceeding the annual blood quota for the first time in its eleven-year history!

Enough time has passed since the last blood collection date of May 8 for all previous donors of that date to give again.

James W. Zimmerman, chairman of the Fulton County Red Cross Blood Bank, urges Fulton County residents to give so that others might live.

Something you should think about if you're about to buy a truck:

If all trucks were built the same way, cost the same to keep up, were worth the same at trade-in . . . then probably the price tag would be your only concern. It can't be, of course, because some trucks have more quality than others. And marks of quality are the real keys to low cost.

Chevrolet trucks, for example, have double-wall construction, which gives bodies and cabs more strength. Cabs are insulated against heat, cold and noise. A big part of road shock, which shortens truck life, is damped out by Chevrolet's suspension system; it also makes riding in the truck a pleasure. Pickup bodies and cabs are separated to eliminate stress between them.

Value such as this has induced more people to invest in Chevrolet trucks every year since 1937.

This can be a good time to buy a modern new Chevrolet truck

Late summer traditionally is the season for all-around savings on a new Chevrolet truck . . . selection is still good . . . deliveries are prompt . . . and Chevrolet dealers are doubly anxious to put you into a new vehicle in order to make way for next year's models. Coupled with the efficient performance a new Chevrolet truck will give you, it seems evident that you couldn't buy at a better time.

Come in and take full advantage of it!

Culver Public Schools Set For Opening Day

Faculty and Bus Drivers Listed

The Culver Public School faculty will meet in an organization meeting at 9 a.m. Tuesday, Sept. 4, and all students will report to school at 1 p.m. on the same day. Students living in the country should plan to meet their buses in front of their homes in time to be delivered to the school by 1 p.m.

All parents having children in school are urged to pay book rental fees on August 28, 29, and 30, 8 a.m. through 4 p.m. Book rental fees will be accepted in the high school office.

Students will not be kept in school all afternoon on Tuesday, Sept. 4. However, time will be taken to assure that each and every child is actually ready to start school in full swing the next morning, Wednesday, Sept. 5.

School will begin and dismiss at the same schedule as last year. Students will be tardy at 8:10. The upper six grades will dismiss at 3:40 p.m.

Parents are reminded that children are expected to attend school unless a child is ill or there is a death in the immediate family. Each and every time a child is absent that child needs an excuse written and signed by one of the parents or a legal guardian. (Unnecessary absenteeism can cost the local taxpayers several thousand dollars during the course of any one school year.)

Parents are asked to send their children to school in appropriate dress. Please do not send your child to school in shorts or other shorts wear costume — girls should be dressed as little girls — young ladies and boys as little boys or young men. Dressing according to the occasion is a part of education.

Marshall County GOP Kicks Off Fall Campaign

GOP candidates, attending the fall kick-off campaign meeting, gathered at the Culver City Park recently to enjoy a corn roast. Pictured here chatting informally with U. S. Senator Homer Capehart, center, and running for re-election to the Senate, are other GOP candidates for the Nov. 6 general election. Left to right are Charles Ainlay, Goshen, candidate for Congress from the Third District; Betty Engel, Plymouth, for county clerk; Capehart; Dr. Otis Bowen, Bremen, for State Representative; and Paul Stackhouse, Bourbon, for county commissioner from the second district. Over 500 people attended and heard Senator Capehart give straight forward answers to many questions which perturb the voter today. The Senator left no doubt as to his stand on many issues, so honest and sincere were his answers.

Pickup Truck Loaded With Cattle, Burns

The Culver Fire Department was called Friday afternoon at about 1:30 to a burning pickup truck near the Starke-Marshall County line of Highway 10. The pickup truck, owned by the Indian Hill Farms, had been to Morocco to pick up two Angus heifers. Enroute home the straw, used for bedding, caught fire. The driver, unaware of the fire, was finally stopped by a resident along the highway.

One of the heifers was saved, the other was burned so badly it died on the scene. Damage to the pickup was confined to the stock bed. How the straw caught fire is a mystery. It is thought that a cigarette, flipped from a passing car might have caused it. The driver of the truck does not smoke and the exhaust system was in good condition.

FISHING REPORT

Northwestern Indiana

Water is clear and low. Fishing not so good. However, several catches of crappie and a few cats taken out of Lake Freeman and the Tippecanoe River. Bluegill fishing in Maxinkuckee reported good in late evening. A few rock bass taken out of Tippecanoe River. At the Willow Slough State Fish and Game Area, fishing has slowed down with a few crappie and bluegills caught.

Fish Derby For Young Fry Set For August 26

The response and enthusiasm was so great last year and the demand so strong this year that the second annual Fish Derby has been scheduled for next Sunday, Aug. 26, and again will be sponsored by the Maxinkuckee Fish and Game Club.

The event will be held again this year at the local fish hatchery located 1 1/2 miles west of Culver on State Road 10 and will get underway at 1:30 p.m.

Many prizes will be awarded and soft drinks will be provided for all.

The Derby rules have been altered slightly this year to insure equal opportunity for all contestants.

DERBY CONTEST RULES

1. Contestants must be at least 5 years old and no older than 12 years.

2. The contest will have two divisions:
Div. I. Contestants, ages 5 through 8.

Div. II. Contestants, ages 9 through 12.

3. Only contestants and judges will be allowed in fishing area.

4. No fly fishing allowed.

5. Contestants will furnish their own bait and tackle.

6. Each contestant will bait his own hook.

7. Each contestant will do his own casting, fishing including, landing fish, and removing fish from the hook.

EXCEPTION: When in the opinion of a judge that a fish is badly hooked so as to cause the contestant a delay in fishing time or subject the contestant to injury while trying to free the fish, he may help. The judge may also help with equipment repair as necessary.

8. Fish caught may be kept by contestant.

9. Fish will be judged as to length and number caught.

Kids, mark this date on your calendar and get out your fishing gear and bait and get set for the big ones! Luck to all of you.

Culver Police Aid In Manhunt For Hijacker

Culver police and Marshall County sheriff and deputies along with nearly 90 other police officers and volunteers were part of the 28-hour manhunt that resulted in the capture of Ernest Evans Jr., a 21-year old Negro parolee convict from Hampton, Ga. A search party of six volunteers discovered Evans in a vacant house about 1 1/2 miles northeast of Leiters Ford. Evans was captured while he was asleep with two guns laying by his side fully loaded. These had been stolen from the home of Mr. Reinhold when Evans broke in and ransacked the home.

A brief resume of the happenings leading up to the capture of Evans was this: He had hitchhiked a ride with Lincoln Goldston, who was trucking a load of furniture from Cleveland, Tenn. to Chicago. Leaving Chicago, he had loadings for Columbus, Ind.

In the need of sleep, Goldston stopped at Mary's Truck Stop, north of Rochester, to sleep. On waking up Evans was driving the truck-tractor. Trying to gain control of the truck a fight ensued, then Evans came after Goldston with a hammer. In the fracas, Goldston was badly beaten and left along the side of the road as Evans drove off. Evans turned west on a country road. Later he tried to unhitch the tractor, but failed. He jack-knifed the outfit blocking the road.

In the meantime Goldston had reached a farm house for help. The Fulton County sheriff's office was notified and the hunt was on. He eluded the police by hiding in the thickly wooded areas as he traveled in a westerly direction.

The hi-jacking of the truck-tractor outfit took place about 4:30 a.m. Saturday and Evans was captured about 9 a.m. Sunday morning.

Culver police, deputies and state police were setting up road blocks on the following roads Saturday morning at the request of the Fulton County sheriff's department: 110 at 17, 10 and 17 and 110 and 31.

Mrs. Eldon Cowen, Route 3, Argos, entered Robert Long Hospital at Indianapolis on Saturday and underwent heart surgery Monday. She is getting along satisfactorily. Her room number is 639.

Mrs. David Lee Smith of Argos underwent major surgery Friday morning at Parkview Hospital in Plymouth. Her condition is satisfactory. She is the daughter of Mrs. Clarence Kline.

Culver, County, CMA Work To Re-Locate Ind. 10

The State Highway Commission may include relocation of Ind. 10 here in its 1965-67 construction program at the request of Culver Military Academy, town and county officials, George M. Foster, highway executive director, has announced.

But he said the commission has made no commitment yet.

When W. O. Osborn, Culver attorney and banker representing the Academy, raised the subject last year he was told that the State would not undertake the re-location without requests from the county commissioners and town board, Foster stated.

The Marshall County commissioners endorsed the proposal with the provision that the present Ind. 10 would become a part of the county highway system.

And the Culver Town Board also sent a letter approving relocation.

Last week David Cohen, highway commission chairman, met with representatives of the Academy and agreed to "investigate the project as a possibility in the '65-'67 program," Foster stated.

Foster said the relocation Culver proposes would be about three miles long and take the highway less than half a mile north of where it now lies.

The highway department in past years has considered a longer relocation of the highway which would cost an estimated \$1,000,000. The Culver proposal's cost is estimated at \$300,000.

The Culver Citizen, in the interests of all concerned, will back any sound highway program that will improve the highways in and around Culver. The Culver Citizen, like many other organizations and interested persons, feels that state road improvements are long overdue as far as Culver and Marshall County are concerned. The following is a statement of position from the Culver Military Academy, which the Culver Citizen also endorses.

(Statement by Rear Admiral John W. Bays, USN (Ret.), Deputy for Administration, Culver Military Academy)

The poor condition of roads in Marshall County has been for a number of years a matter of concern to elected officials in the county, civic leaders, and officials of Culver Military Academy. The rough, winding, narrow, sub-standard roads in many areas have been a safety hazard and have discouraged visitors to the county. While some improvements have been made, much more work must be done to bring the highways of Marshall County up to a desirable standard.

Culver Military Academy wants and is working with others in the county for an improvement in the entire highway system. However, the Academy desires that Route 10 be straightened, resurfaced, and relocated from its present location where it bisects the campus. The Academy is joined in this by the Marshall County Commissioners, the Culver Town Board, and many other organizations and individuals.

In its present location through the Academy campus Route 10 endangers the lives each day of hundreds of students who must cross the road as part of their normal activities. It also forces a reduced speed zone that would not be necessary if the road were relocated. This relocation would result in a saving of time for automobile drivers because a reduced speed zone would not be necessary.

Officials of the State Highway Commission have assured Marshall County officials and other interested persons that they will consider improvements in Marshall County roads providing there is a genuine desire by residents of the areas affected for improvements without controversy.

John Brademas Announces County Postal Project

Culver is one of two cities in Marshall County which will benefit this year from a nation-wide program to upgrade postal facilities. Congressman John Brademas announced Monday.

The heating plant in the Culver Post Office is scheduled for a changeover to automatic operation. The changeover is budgeted for \$5000. The heating plant at Plymouth Post Office is also scheduled for a changeover at \$4300.

The proposed improvement projects are included in plans for work during the fiscal year which began July 1 by the General Services Administration, the federal agency which administers government purchasing and construction.

Also on the list is \$4300 for a changeover of the heating plant at Middlebury and \$2500 for repairs and improvements at the Goshen Post Office.

Modern, New Laundromat Now In Operation

The latest addition to Culver's business district is the Downtown Laundromat, owned by Paul Snyder, Sr. The new establishment is located at 120 E. Madison St., directly behind the Culver Hardware.

The modern laundromat, which opened July 25, includes some of the most modern equipment for washing, drying and dry-cleaning. There are ten nine-pound washing machines, six double-loaders and two 25-pound loaders. Each of these washers uses 1/3 less soap than a top-loader. Eight driers and two dry-cleaning machines are available for use, with additional machines to be added in the near future.

In addition, the new laundromat features a modern Aldspin centrifugal extractor. This machine may be used to extract greater amounts of water — up to 40% more — from clothes and it reduces drying time up to 50%.

Other features of the building include comfortable lounge chairs, folding tables, sinks and a coke machine. During the rest of the summer customers will be glad to know that an air-cooler will be at work inside.

Equipped with such modern equipment and conveniences, the Downtown Laundromat is certainly a welcome addition to our business community.

Miss Virginia L. Reed Becomes Bride Of Edward W. Erner In Saturday Ceremony

MRS. EDWARD W. ERNER
Photo by Hart Studio

Arrangements of white gladioli and greenery graced the altar of the Culver Methodist Church for the lovely Saturday afternoon wedding at 2:30 o'clock, Aug. 18, which united in marriage Miss Virginia Leone Reed and Edward William Erner.

The bride is the daughter of Mrs. Donald Reed, Lake Front and Mill Streets, Culver, and the late Doctor Reed.

Mr. Erner is the son of Mr. and Mrs. Harold W. Erner, 215 East 25th Street, Indianapolis.

Dr. Ronald Williams, pastor of church, performed the nuptial ceremony.

Miss Jeanette Berger, organist, accompanied Miss Barbara Swick of Shelbyville, Ind., who sang "Wedding Song," by Schuetz; "O, Perfect Love;" "O, Father, Son, and Holy Ghost;" and "Be Thou With Them," by Bach. Given in marriage by her

uncle, Lyman Crump of Evans-ton, Ill., the bride wore a lovely gown of silk peau de soie with a fitted bodice, cut straight across at the waistline and formed a long torso effect in the back. The gown had a square neckline and elbow-length sleeves which were traced with narrow piping of peau de soie. The full-length skirt of the gown had a flared front and was full at the hemline. It was fully gathered across the back, giving a modified bustle effect, and fell into a chapel train. A yalored bow of matching fabric held her bouffant veil of silk illusion. She carried a cascade arrangement of white gladioli.

Mrs. James Watters of Culver was waatron of honor. Miss Diane Culbertson of Muncie; Mrs. Linda Winter, sister of the bride, Culver; and Miss Melanie York, Dayton, Ohio, were bridesmaids. The attendants wore long formal dresses of white organza over

doublets of embroidered rayon, scoop necks, short sleeves, and basque waists. The back of the full floating skirts featured embroidered panel insertions. Their headpieces were matching taffeta bows to complement their dresses. They carried colonial bouquets of white gladioli.

Robert Erner, brother of the bridegroom, Tonkawa, Okla., was best man. Ushering were Donald L. Reed and Charles L. Reed, brothers of the bride, both of Culver; and James Anderson, Michigan City.

Following the ceremony, a reception was held in Fellowship Hall of the church.

After a Michigan honeymoon, the newlyweds will be at home at Hanover, Ind., where their address will be P. O. Box 252.

The bride is a 1958 graduate of Culver High School and received her A.B. degree from Hanover College in 1962. She is a member of Alpha Delta Pi Sorority and Pi Gamma Mu, national social science honorary. She will teach music in the Madison Consolidated Schools, beginning Aug. 30.

The bridegroom is a 1956 graduate of Shortridge High School and received his A.B. degree from Hanover College in 1960. In 1962 he received his M.S. degree from Indiana University and is a member of Sigma Chi Fraternity. He is the assistant Dean of Men and Associate in Placement at Hanover College, Hanover, Ind.

V. F. W. Ladies Auxiliary Holds Monday Evening Meeting in Town Park

The V. F. W. Ladies Auxiliary met at the Town Park on Monday evening at 6:30 p.m. Seventeen members and their families enjoyed a delicious picnic supper.

Following the supper, the ladies held their business meeting, conducted by Vice-President Mrs. C. Art Bennett.

Plans were made for a membership drive to start in September. The auxiliary will resume fish fries on Friday, Sept. 7. The next meeting will be at the Post Home on Sept. 17.

Culver Rebekahs To Have August 28 Potluck

The Culver Rebekahs are planning a potluck supper for Tuesday, Aug. 28, at 6:30 p.m. in the Lions Den.

The regular meeting will take up at 8 p.m. for any business to be transacted.

Mrs. Edith Overmyer, district deputy president of district 23, is expected to be present. All members are urged to attend.

Have Family Meeting

The Home and Hobby Home Demonstration Club met in the Poplar Grove Church basement for their family gathering and supper on Wednesday evening.

Mrs. Dewey Warner offered prayer preceding the potluck supper and the president, Mrs. Herbert Blocker, conducted a short business meeting following the meal.

It was announced Craft School would be held at the Plymouth Armory on Sept. 14.

Each member is to bring two homemade gifts to the next meeting.

Mrs. Robert Kepler, Mrs. Merle McCune and Mrs. Harry McPherson were appointed to serve on the nominating committee.

The 24 persons present spent the rest of the evening socially.

Mrs. Helen Keller will entertain the members at the Sept. 11 meeting at her home in Culver.

Mr. and Mrs. Julian Mills of Houston, Tex., announce the arrival of a son, Steven Andrew, born Aug. 18. Mrs. Mills is the daughter of Mr. and Mrs. Ben Oberlin.

Mr. and Mrs. Lloyd Williams of LaPorte announce the birth of a 5 lb., 8 oz. daughter, Deborah Lea, born Aug. 14 at Osteopathic Hospital in South Bend. Mr. and Mrs. David Burns of Culver are the maternal grandparents. Paternal grandparents are Mr. and Mrs. Kenneth Williams, also of Culver.

Mr. and Mrs. Milo Guise of Culver are the parents of a daughter born Saturday, Aug. 18, at Parkview Hospital in Plymouth.

Mr. and Mrs. Theodore Hacker of Veedersburg, Ind. visited Saturday with Mr. and Mrs. Roy Listenberger.

The Hackers and Listenbergers later called on Mrs. Irene Hinkle and Bryce, and then went to Tippecanoe State Park and had supper afterwards.

CMA Host To Sigma Chi Workshop

Reservations for more than 700 Sigma Chi delegates have been made for August 26 to 29 when the fraternity will hold its Leadership Training Workshop here at Culver Military Academy. The number is expected to set a new record in attendance for the fraternity.

The delegates will use most of the campus facilities including all of the dormitories, dining hall, classrooms, auditorium, recreation building and swimming facilities.

A special committee headed by Business Manager William E. Covington Jr. has been appointed to prepare for the convention.

The opening convocation Sunday evening, Aug. 26, will feature the keynote address by Dr. Cecil C. Humphreys, Tennessee '36, 47-year-old president of Memphis State University; remarks on the state of Sigma Chi by Grand Counsel William P. Huffman, and the presentation of the 1962 International Balfour Award to the fraternity's outstanding undergraduate, until then unrevealed.

The time-tested schedule of lectures and discussions will dominate the three-and-one-half day program. Sessions in the counsels, magisters, quaestors, scholarships, and underclass divisions will include lectures on such topics as chapter organization and administration, rushing, the chapter meeting, post-initiation training, alumni relations, collection of accounts, house and food management, Sigma Chi bookkeeping system, chapter budget, General Fraternity services, obligations of the magister ritual, pledge training program, chapter problems, and scholarship, followed by organized small-group discussion sessions in each division.

The Workshop will conclude with the final banquet Wednesday evening, Aug. 29. The banquet will feature a message by Chester H. Lauck, Arkansas '26, of "Lum 'n' Abner" fame.

Do You Remember 'Way Back When?

Highlights of Culver News of 10, 20, 30, 40, and 50 Years Ago This Week

AUGUST 20, 1952 —

The 1005-pound Hereford steer of Bonnie Gibbons took the 1952 Grand Champion prize at the Marshall County 4-H Fair at Argos last week and was purchased by The State Exchange Bank at a top bid of 75 cents per pound.

Don Neidlinger, son of Mr. and Mrs. Faye Neidlinger, caught a nine-pound, 36-inch Northern Pike in Culver waters Aug. 7.

The annual Kiddies Day Program will be held Thursday, Aug. 28, in the Town Park.

Services were held in Indianapolis on Saturday for Franklin Vonnegut, 95, former summer resident here. Older residents will recall that it was this man who built one of the first of the more permanent homes along the East Shore Road. He erected his summer home in the 1880's and it was the first to have plastered walls. He sold the cottage about the turn of the century to Alfred Potts.

Wayne D. Butler, son of Mr. and Mrs. Foster E. Butler of Culver, was promoted recently to the rank of corporal while serving in the Korean area.

Miss Phyllis Avey became the bride of Dale Cromley, son of Mr. and Mrs. Ira Cromley of Culver, in Dayton, Ohio, on Aug. 9.

Mr. and Mrs. C. A. Van Dalen celebrated their golden wedding anniversary Sunday at their home northwest of Culver.

Word has been received of the death in Indianapolis of Mrs. Alice Habich, 96, wife of the late Herman Habich. Mr. and Mrs. Habich were former residents of Culver having lived on Long Point for 30 years and were summer residents many years before coming to Culver to make their home.

AUGUST 26, 1942 —

"We did it before and we can do it again." Yes, fans, Culver won the Knox U.S.O. tournament Monday to prove beyond a doubt that they were the best team in the league.

The marriage of Miss Hortense O'Connor, daughter of Mr. and Mrs. Glen O'Connor to Donald Menser, son of Mr. and Mrs. Harry Menser, has been announced. The ceremony took place at Pine Bluff, Ark., where the bridegroom is stationed.

Pvt. Edward Patesel, son of Mrs. Jessie Patesel, has been promoted to staff sergeant following a five-weeks' course in aerial gunnery at Tyndall Field, Panama City, Fla.

Thomas K. Walker, son of Lt. and Mrs. Ivan Walker, received his commission as a lieutenant in the Air Corps in July. He is a graduate of the Culver Military Academy.

Miss Mabel Douglass, daughter of William M. Douglass of Burlington, Ind., became the bride of Mack O. Lindley, son of Mrs. Maude Lindley, 411 Lake Shore Drive, Culver.

Mr. and Mrs. Felix Pozorski, who live in the Zion community near Culver, celebrated their silver wedding anniversary on Sunday, Aug. 23, by entertaining 24 relatives and friends at a reunion.

Alfred T. Hill, associate instructor of English at the Academy, is the editor-author of

"Campus and Classroom," a collection of stories and essays published in book form by Harper Brothers.

Charley Eaton has collected the dues of over 250 members of the Maxinkuckee Fish and Game Club and a large number of members from out of the county have shown their appreciation of Lake Maxinkuckee fishing by sending in for memberships.

AUGUST 26, 1932 —

William Baker brought four pure white dahlias to The Citizen office. They measured 4 1/2 inches in diameter and 12 1/2 inches in circumference.

The Gray Rector automobile driven by Boots Burch was practically demolished Friday evening when Burch swung the car into a ditch to avoid hitting an oncoming train at the Academy crossing on Road 10.

Ruth Newman of Culver is among the 185 Indiana University coeds who have been appointed junior advisors for girls who will enter the school for the first time this Fall.

Samuel T. Hallopeter of Culver sailed on the Grace liner, Santa Teresa, for Puerto Colombia, Colombia, S. A., where he is director general of Empresa Publicas Municipales.

A crew from the State Conservation Department arrived this morning to start work clearing Lake Maxinkuckee of gar, carp, and other destructive fish.

Harrison S. Rice, scoutmaster of the Culver troop, has been mailed an invitation to bring his

troop to Indiana University Saturday, Oct. 1 for the sixth annual State Boy Scout Day program.

AUGUST 23, 1922 —

The high, unguarded embankment at the Bogardus crossing was the cause last Friday of a limousine car toppling over into the ditch. The driver escaped unhurt.

The gross sale of tickets to the Schumann-Heink recital was \$2,600. The net will be placed in a fund for some permanent object, possibly the community house.

Dr. Mackey's car was run into by a car from Bunker Hill yesterday and damaged to the amount of \$10. As the Bunker Hill car was shy a rear license plate, the owner did not quibble about the doctor's claim.

The Colton Dramatic Company played in hard luck here last week. After the first two nights of good business, one of two of the actors ran up against something that caused a severe attack of "indigestion" and no performances were given either Wednesday or Thursday nights. Strangers should sample our products carefully, and get accustomed to them gradually.

Mary Riggins, the 11-year-old daughter of Mr. and Mrs. William Riggins, was operated on Monday in Rochester and a black-headed pen an inch and a quarter long, which she swallowed seven years ago, was taken from her appendix.

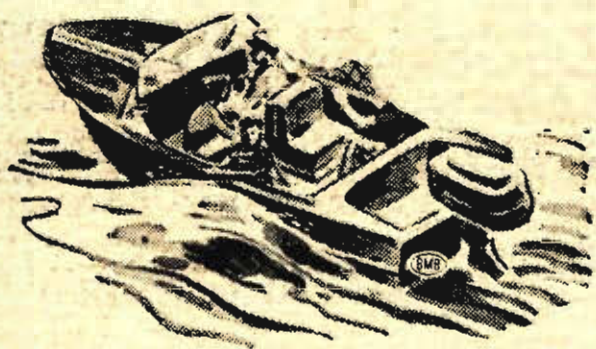

On Sunday, Fish Warden Miles arrested five persons, non-residents, who were fishing in the Lake without a license.

AUGUST 22, 1912 —

The James L. Moshers will observe their 50th wedding anniversary Sunday at their farm home near Hibbard.

John I. Romig was instantly killed in the Panhandle railroad yards at Logansport about 8:30 Sunday evening. He was 44 years old. (Continued on Page 7)

of age and leaves a wife and five children.

Saturday night's storm was the most severe of the season — or for a number of years, as a matter of fact. It began about 2 o'clock and lasted until 6 in the morning. Telephone service was badly disrupted and highway bridges suffered severely. S. S. Chadwick, who has kept the government records at the Lake for the past 14 years, reports the rise in the water after the Sunday morning rain, at 14 inches. In his 20 years' residence here he has never seen the rise so great in so short a time.

Mr. and Mrs. L. C. Dillon, their son, Louis, and Mrs. John Hawk went to Fort Wayne Saturday and on their return Monday were compelled to abandon their car at Mentone on account of the road and washed-out bridges. They returned on the first Nickel Plate train that passed over that section in 24 hours.

W. S. Cassidy of Logansport while fishing in Lake Maxinkuckee last Tuesday caught 11 bass six which weighed 1 1/4 pounds six which weighed 1 1/2 pounds each, besides 11 croppies and 31 perch.

Leonard Wilson of Culver was married Aug. 9 to Mrs. Caroline Elmerick of Winamac.

Aug. 15 brought a new son to the home of Mr. and Mrs. Edward Clark; likewise a son to Mr. and

Mrs. Ray Marshall.

Dr. Parker took Tressa, the nine-year-old daughter of Charles Burch, to South Bend yesterday to undergo surgery for a serious case of appendicitis.

Jim Perry and Bert Rector left Tuesday in the former's racing car for a 3,500 mile trip which will take them into the Mid-West and South-West.

Amonds Attend Toastmasters Meeting

MR. AND MRS. E. F. AMOND

Mr. and Mrs. Edward F. Amond, 110 S. Main St., Culver, represented the Starke County No. 3315-11 of Knox, Ind. Toastmasters club last week at Minneapolis at the 31st annual convention of Toastmasters International.

The local man was among more than 1,000 delegates from every state in the United States and from several other countries who met Aug. 9, 10, 11 at the Radisson Hotel, Minneapolis, to discuss the art of public speaking and the program development and expansion of the world-wide speech organization.

Toastmasters International is

a nonprofit, educational organization which has helped more than a half-million men through its program of self-expression and self-improvement. There are more than 3400 Toastmasters clubs in 45 countries and territories throughout the free world.

Attendance at Sunday services was 61.

The Rev. W. Ray Kuhn conducted 8:30 services in the

chapel at the First Methodist Church in Plymouth on Sunday morning and will preach next Sunday morning at the Church of the Brethren in Plymouth before his regular services at Poplar Grove at 10:45.

Mr. and Mrs. Lowell Cripe of Elmwood, Ill., visited at the Rev.

W. Ray Kuhn home over the weekend.

Mrs. Mildred Overmyer spent Saturday in Kokomo where she attended a State Migrant Meeting.

Mrs. Eldon Cowen entered Robert Long Hospital at Indianapolis on Saturday where she had open heart surgery on Monday which was pronounced successful.

Mrs. Joe Boetsma, Sr., of Culver and her houseguest, Monroe Scott, of Arizona, visited at the Ronald Quivey home during the week. Mr. Scott has returned to his home. Friday supper guests of Mr. and Mrs. Quivey were Mr. and Mrs. Leslie Storey and children of Des Moines, Ia., Mr. and Mrs. Drisco Kreighbaum and Mr. and Mrs. Darwin Hartman and Katie.

Mr. and Mrs. William Lake will leave next Saturday morning for a four weeks tour of Europe and the Holy Land. They will go by bus to Indianapolis where they will join a tour party and go by jet plane to New York, then to Lisbon, Portugal. After some sightseeing in Lisbon, they will go on to Spain, Greece, Rome, Egypt, Lebanon, Syria, Jordan and Israel. They will return home Sept. 22. The congregation wishes them a pleasant and safe journey and will be looking forward to seeing the fine pictures they bring back from their trips to share with the homefolk.

Mr. and Mrs. Larry McPherron were Sunday dinner guests of Mr. and Mrs. Harry McPherron and Kathy.

According to a recent survey, newspaper advertising influences purchasing most, 81% of the people made purchases because of newspaper ads, only 4% because of television.

By DAVID KELLY, Troop Scribe

Nineteen Boy Scouts attended the swim meeting held Monday, Aug. 20. Hole-in-one relay, king on the raft, and water dodge ball were played. The Wolf Patrol won the hole-in-one relay contest.

A fishing trip will be held Saturday, Aug. 25. The Troop will meet at the Methodist church at 8 a.m. and then hike to our destination. Scouts should bring their own fishing gear and bait, sack lunch, water, and cooking gear. We will be home about 4 p.m. Saturday afternoon.

Next week a swim meeting will be held. Meet at the church at 8:45. There will also be an election of Troop officers. Patrol leaders should contact their members as this is an important meeting. This meeting will also be the last chance to pass the 150-yard swimming test required for the canoe trip planned for Saturday and Sunday, Sept. 1 and 2. Turn in those cook kits and wash buckets and any literature taken from the Troop library.

Green Bar will be held next Thursday, Aug. 30 at Dave Kelly's home at 7:15 p.m. We will plan September's meetings and activities and the canoe trip and district Camp-O-See.

Two Arrested For Traffic Violations

Allen Rice, Route 2, Culver, was arrested Tuesday, Aug. 14, by Officer Shoemaker of Argos for operating an automobile exceeding the posted speed limit on State Road 17. Rice appeared in the Justice of the Peace Court of Harry A. Smeltzer, paying \$18.75 in fine and costs.

Louis J. Timchak Jr. of Johnstown, Pa., was arrested Sunday, Aug. 19, by Officer James R. Cox for operating an automobile exceeding the posted speed limit on West Shore Road. Timchak appeared in the Justice of Peace Court of Harry A. Smeltzer and paid \$18.75 in fine and costs.

All things are possible to God, divine Mind. This is a theme of the Lesson-Sermon entitled "Mind" to be heard in Christian Science churches Sunday.

Luke's account of the healing of the palsied man of Christ Jesus will be presented in the readings from the Bible. Included in this verse (Luke 5): "And immediately he rose up before them, and took up that whereon he lay, and departed to his own house, glorifying God."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this citation will be read: "When man is governed by God, the ever-present Mind who understands all things, man knows that with God all things are possible. The only way to this living Truth, which heals the sick, is found in the Science of divine Mind as taught and demonstrated by Christ Jesus" (p. 180).

Let God have His way . . . at Home . . . at Church . . . at Work.

THE RELIGION OF THE GREEN LIGHT

Go and sin no more . . . go and teach . . . go up higher! Again and again Christ gave the simple command: "GO."

And this positive emphasis on *dedicated action* best expresses the spirit of His teaching.

Christianity continues to inspire earnest, believing, determined souls eager to translate their faith into constructive and unselfish effort.

In every congregation energetic Christians find opportunities without number for service to Christ and their fellow man.

So GO to Church.

And keep on GOING.

Explore those exciting realms of spiritual adventure to which Christ wants you to GO.

Woodcrafters Have Outstanding Swim Records This Year

For the eighth consecutive year, every boy enrolled in the Woodcraft Camp of the Culver Summer Schools has learned to swim a minimum of 250 yards.

This is one of three records broken this summer in a swimming program designed for safety and directed for 17 years by Carl F. Duning, Cincinnati.

The 100 per cent achievement in the Woodcraft Camp, which enrolls boys between the ages of 9½ and 13, was accomplished three weeks earlier in the session than ever before. There were 648 boys who swam the minimum distance of 250 yards.

In addition, 571 boys swam a half-mile, 88 more than last summer's record figure. Duning has taught 426 boys to swim a mile, 13 more than last year's record figure and 103 more than the record established in 1957. Sixty-two boys passed Junior Red Cross Life Saving, the only category in which the Woodcraft swimming program failed to establish a new mark this summer. The record set last year was 86.

Conservation Dept. Sets Dates For Fur Bearers

Following the public hearing on Monday, August 6, Donald E. Foltz, director of the Indiana Department of Conservation set the following season on fur-bearing animals. This order will be in effect from September 1, 1962, to September 1, 1965. The fur taking season on raccoon, opossum, skunk, mink, or muskrat will begin at 12:00 noon on the 15th day of November and continue to 12:00 noon on the 31st day of January. This shortens the season by 15 days, as the closing date has been Feb. 15 the past three years. Most hunters and fur buyers indicated that the former season was too long as the furs caught late in the season were of little value.

Any hunter or trapper may possess furs for a period of 5 days after the last day of the open season.

The open season for running raccoon with dogs will be from September 1 to November 1 and from February 15 to April 15. Organized and supervised wild coon chases for which a permit has been issued by the Director of the Indiana Department of Conservation may be held at any time, from September 1 to and including the first weekend in May.

A study is being made of feasibility of having the running season expanded to include the month of August.

Black Horse Unit Finally Receives 1961 Trophy

After 19 months of waiting, countless letters and phone calls, and a bi-partisan "investigation" by an Indiana congressman and one from Pennsylvania, Culver Military Academy now has the trophy it won in the 1961 Washington, D.C. inaugural parade.

The story goes like this: In somewhat of a major troop movement, Culver sent 95 members and their mounts of the Academy's famed Black Horse Troop to Washington in January, 1961, to help honor president-elect John F. Kennedy. That inaugural day was bitter cold, and Culver's horsemen waited five hours in the saddle before they ever moved off a Washington side street into the main body of the parade.

By the time the Black Horse

Troop moved past the presidential reviewing stand, it was nearly dark, much of the crowd had gone home, and network television had shut down. But there were consolations: President Kennedy and his official party were still there, and, for its appearance in the parade, Culver was awarded the runner-up trophy as the second best unit among 36,000 marchers. Culver placed behind Virginia Military Institute and ahead of John Hopkins University's Pershing Rifles.

From that day until Monday Aug. 20, when Pennsylvania Congressman J. Irving Whalley (Rep. 18th Dist., Pa.) made the presentation of the trophy, the Academy has attempted to track down the elusive bit of hardware. Col. Gerald R. Graham, director of Culver's School of Horsemanship, knew that somewhere in Washington red tape there was a trophy without an owner. And he was determined to find it. He wrote the parade committee, but it disbanded immediately after President Kennedy took office. He wrote letters to military and civilian friends. No luck.

Colonel Graham then enlisted

the aid of Democratic Congressman John Brademas (Dem. 3rd Dist., Ind.) who began a thorough search for the missing trophy, and finally, when Congressman Whalley showed up here in July to enter his son in the summer calvary, Colonel Graham turned to him for help. Together in a bi-partisan effort, Congressmen Brademas and Whalley began a methodical retracing of events, and eventually found themselves at the Washington jewelry store from which the trophies had been ordered. Even then there was no clue to the missing trophy, but a duplicate was ordered.

This week, during a hot and humid afternoon garrison parade of the Culver Summer Schools, Colonel Graham stepped forward from the reviewing line to receive the trophy his Troopers won on that cold, windy day 19 months ago in Washington, Congressman Whalley, of Windber, Pa., who made the presentation, agreed it was a good case for bi-partisan cooperation, adding that Congressman Brademas' help was invaluable.

Official State Highway Maps At Citizen

Copies of the 1962 Indiana Official Highway Map may be had as long as they last, by calling at The Culver Press. The supply is limited.

The new maps give correct and easy to follow routing over the thousands of miles of state highways. Points of interest, state parks, airports, mileage charts, information necessary to every motorist, detailed routings through several of our large cities and an index to Indiana cities and towns.

The Culver Press wishes to thank the Indiana State Highway Department for supplying the maps for distribution to its readers. Remember, the supply is limited, so first come first served.
