## Babson Warns Us About Africa

### Points To Economic Progress

Babson Park, Mass., During my many years in business, the only had investment I have made was in the lobster business. This I am selling out at a loss, although the company has paid all debts and has some money in the bank to distribute to stockholders. This company was the largest distributor of live lobsters in the world, selling at one time about five million live lobsters annually.

#### COMPETING WITH AFRICA

Suddenly "lobster tails" began being imported from Southern Africa. I visited there three years ago to learn about Africa. Last year over fifteen million "lobster tails" came to the United States. It was too

**Roger W. Babson** much for our company to compete against, with our antiquated plant and high labor costs and heavy overhead, and with vessels operating from Newfoundland and Nova Scotia. Live lobsters will always be in demand and small operators can trap lobsters near shore here at home and make good money; but expenses must be kept low.

If you eat at the very best hotel in any city and order boiled or stuffed whole lobster, it must come from the East Coast of New England or Canada and not from Africa; but if you order a lobster salad in many parts of the United States, chances are it will be made of lobster meat imported from Africa. So much for that!

#### LOBSTERS ARE AN INTERESTING STUDY

(1) Lobsters are wonderful, biologically and chemically. If a lobster loses a "leg", it can grow another — which is something you cannot do. Lobsters go into hiding and climb out of their shell once a year in a most remarkable manner. During this time the mother lobster lays 10-2000 eggs.

(2) Thus far no profitable way has been found to dehydrate lobsters or to stop their spoiling by any process — while preserving their delectable flavor. The housewife is content to buy dead fish — in fact this is the only kind she can buy — but she will not buy dead whole lobsters! People will be watching live lobsters which have been dropped into hot water turn from green to red 100 or more years from now, as the New England legislators will try to protect the industry by fixing big fines for selling "short lobsters."

#### WHAT AFRICA HAS DONE TO ME, IT CAN DO TO YOU

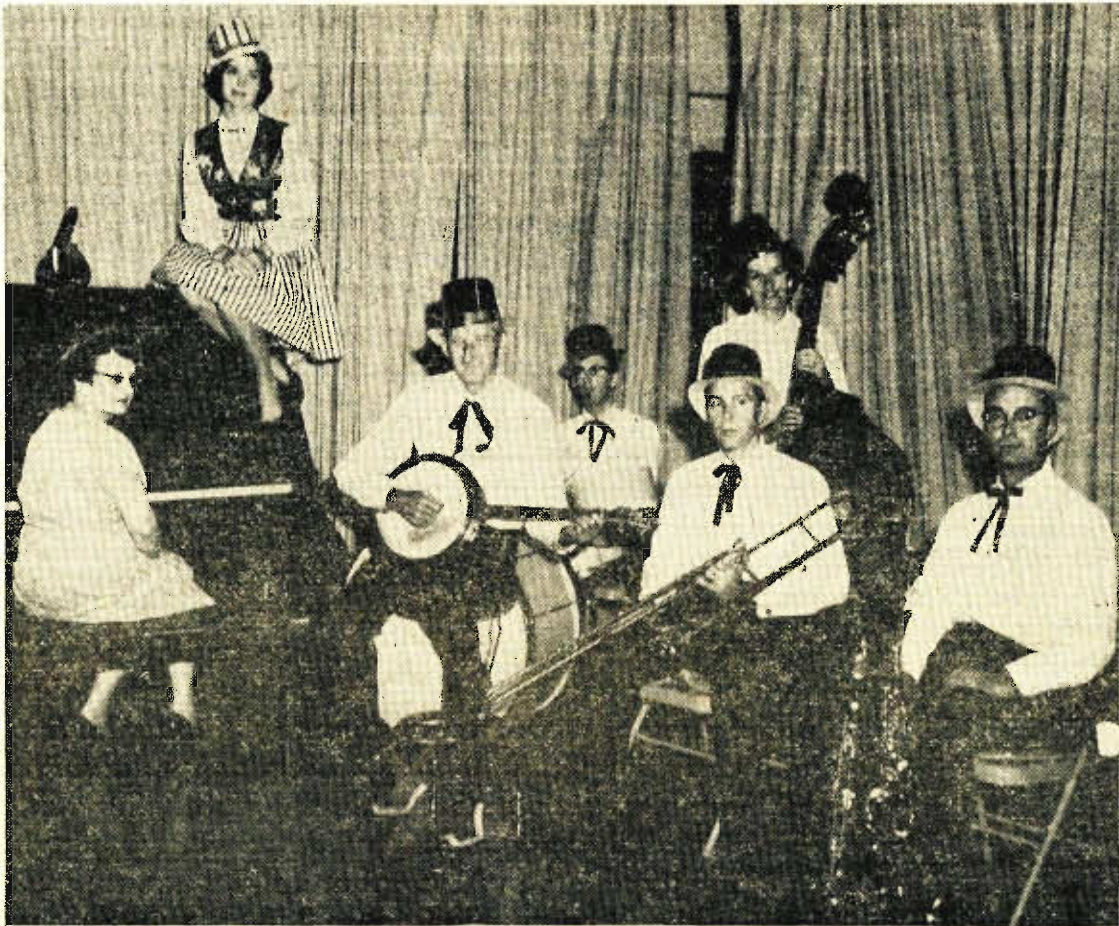

However, the purpose of this column is not to "cry on the shoulders" of readers because I have lost money from lobster imports. Rather, I want to warn manufacturers all over the U. S. that they may suffer the same from African imports. Africa has over 200,000,000 native Negroes who are just waking up — against only 2,000,000 whites. The Africans have a very low cost of living, wanting almost no clothes and being content with a mud hut to live in.

Africa is rich in natural resources — gold, copper, iron, and all the metals, including mountains of uranium. Africa has the greatest undeveloped waterpowers in the world. Italy, which now leads the world in the manufacture of plastic and synthetics, is teaching the African natives to manufacture textiles and other products to compete with what we are making here in the United States.

#### AFRICAN NEGROES MAY CONTROL THE UNITED NATIONS

What Africa has done to me in forcing me out of the lobster business it could do to many readers of this column in every state of our union. Remember, too, that

## Marshall County Band Plays At Halleck Rally

A Dixieland band from Marshall County accompanied by an enthusiastic delegation of Republicans, traveled to the Charlie Halleck Rally at Rensselaer last Thursday night to pay tribute to Mr. Halleck. Mike Boys, emcee of the group said: "We can't vote for Charley up in Marshall County . . . but we can help change his name from House Minority Leader, to House MAJORITY Leader . . . and this we are trying to do by electing Charles Ainley, G.O.P. congressional candidate from the Third District."

The band, starring Johnny Keck on the banjo and guitar, played several numbers in the Dixieland style. They are headliners in the "Marshall County G.O.P. Showboat," a variety show which will perform in each of the ten townships in the county.

A quartet composed of Mrs. Robert Gross, Mrs. Bill Gee, Mrs. Tom Goshorn and Mrs. Eugene Chipman sang two numbers — old tunes with original words — "We're Just Wild About Homer" and "Charley's Our Boy." Mrs. Gross sang a solo, "Summertime," and Robert Slack sang, "Oklahoma," changing the name of that illustrious state to "Indiana" to fit the occasion.

Miss Anita Stackhouse, Miss U.S.A., joined Emcee Mike Boys in a dance number; Mike performed the "charleston" while Anita added a modern touch with her rendition of the "Lwist."

Members of the band, including Johnny Keck, are Mrs. Dorothy Keck, string bass; Lee Ducharme, piano; Jim Manuewal, drums; Dave Parker, trombone; and Jerry Wilhelm, trumpet.

## A. L. Crump Elected To High Position In Illinois

**ALVIN LOUIS CRUMP**  
Alvin Louis Crump, of Evans-ton, Ill., and formerly of Culver, was elected Right Eminent Grand Commander of the Grand Com-

Cecil Rhodes said the Negroes would some day control the world. This becomes an even more realistic possibility when it is recognized that, as the United Nations Council is now set up, each one of these new small African "republics" — 95% black — has the same vote on the Council as does the United States or any other great nation of the world.

Russia does not fear us and will not go to war over Berlin. It is China and Africa which Russia fears. President Kennedy is wise in backing the Negroes of this country in their struggle for equal rights. And surely with the growth of Negro power in the United States, our President cannot help but be sympathetic with the struggle of the 200,000,000 blacks in Africa.

mandery of Knights Templar of the State of Illinois on September 7.

In 1940 he petitioned Evans Lodge No. 524 and served as Master of this lodge in 1946. Since that time, Mr. Crump has filled every position in the Knight Templar Commandery. He also is a life member of the Scottish Rite, Bodies of the Valley of Chicago. He serves on the Board of Directors of the Knights Templar Home for the aged and infirmed. He also holds membership in many affiliated Masonic organizations.

After retiring from the Powers Regulator Company, he established the A. L. Crump & Company of Chicago. The company conducts business on a national and international scope and is primarily connected with the Atomic Energy Commission, Ordnance Department, Utilities, Chemical Plants and Refineries, and Packing Industries.

Mr. Crump was reared in the Culver area, the son of Mr. and Mrs. R. L. Crump, who reside in Hibbard. Mrs. Edna Reed, of E. Mill Road, is a sister. Mr. and Mrs. A. L. Crump have two daughters, Constance Crump Rammer and Carol Crump.

## Culver C. of C. Honors New Teachers

New faculty members of Culver Military Academy and Culver-Union Township Schools were the guests last Monday evening of the Culver Chamber of Commerce at a reception and dinner, held at the Culver Inn. Prior to the dinner, guests were welcomed by Col. W. E. Covington Jr., program chairman.

Following the dinner, E. Wayne Mattox, Chamber president, acted as master of ceremonies. Kenneth L. Cole, superintendent of Culver-Union Township Schools, was introduced, and in turn presented the new teachers serving this year in the Culver schools. Maj. Gen. D. T. Spivey was then introduced, who in turn presented the new faculty members of the CMA.

Rev. Daniel Keckel, pastor of the First Christian Church of South Bend, was then presented and gave a very interesting address by comparing some of the characters of the Mother Goose Rhymes to people found in any community. He cautioned that those people who sleep on the job and those who sit back and take no action until someone else has gone ahead and paved the way, are the ones we should be concerned about if progress is to be made in any community. Rev. Keckel replaced Dr. Alex Jardine as the speaker of the evening.

Other guests of the Chamber holding responsible positions in the educational field of the community were Union Township Trustee Eugene E. Benedict and Mrs. Benedict and Marshall County Superintendent of Schools Frank McLane, and Mrs. McLane.

## Hospital Notes

John Hoesel is a patient at the South Bend Osteopathic Hospital where he underwent surgery yesterday, Sept. 18.

Mrs. Val Herrmann returned to her home Tuesday evening after a four-day confinement at Parkview Hospital in Plymouth where she underwent observation and tests.

## P.T.A. Rejects Marston School Reorganization

The Culver-Union Township P. T. A. met in regular session last evening, Sept. 18, with many of the members in attendance. The most important order of business was reading the report of the committee on the Marston Consolidation plan, which will be voted on by all effected communities in the November election. After the reading of the report, a vote was taken to either accept or reject the report. The P.T.A. voted unanimously to adopt the report. The report rejects the Marston Consolidation plan and gives concrete reasons for so doing. The report in its entirety is as follows:

#### REPORT OF THE PTA COMMITTEE FOR STUDYING THE PROPOSED MARSTON CONSOLIDATION

The committee definitely recognizes that consolidation is necessary under law and also desirable for the better education of students of Union Township. Without a consolidated high school our community cannot hope to offer the facilities or the salaries to continue to attract good teachers, particularly in consideration of the new law which makes it necessary for all high school teachers to have masters degrees by 1968. Since, at the present, only one high school academic classroom at Culver meets the minimum physical requirements of the state, we also have to realize the need of a new or revamped high school within six years. The committee has assumed in making the following recommendations that the citizens of Union Township desire a school consolidation which will provide the children of our area with the best possible education but at the same time one which will provide it by making maximum effective use of their tax dollars and with maximum representation on the school board. We have also assumed that most citizens of Union Township desire the consolidated school to be situated locally so that children will not have to travel a great distance to and from school. For these reasons and for the reasons listed below, the recommendation of the committee is to vote **AGAINST** the Marston consolidation in November. (The Marston consolidation would join Argos (Green and Walnut Townships), Union Township, and Aubbeenaubee).

#### REASONS:

1. With the existing school facilities, consolidation would be only administrative. It would be necessary for the Marston unit to administer diversified schools in Argos and Culver for an estimated minimum of six years. With the knowledge that a new school would have to be built after a six-year period, our school facilities during that time would probably not be improved or enlarged to allow them to draw better teachers or to offer a greater variety of courses.

2. Under the Marston consolidation, although separate facilities at Culver and Argos would in all probability exist, it would be necessary for the taxpayers of Union and Aubbeenaubee Townships to absorb a heavy indebtedness of the Argos school system. As of March 1962, the grand total of obligations for the proposed Marston unit for 1963 through 1986 was \$1,837,000. This would include Argos' holding corporation lease-rent of \$1,008,000 (principal and interest) and Argos' school bonds of \$138,400. By contrast, Aubbeenaubee's (Continued on Page 8)

## Girl Scout Roundup On Channel 22 Sept. 24 At 8 P.M.

"The Road to Button Bay," which will be seen on Channel 2 (Station WBBM-TV) and Channel 22 (WSBT-TV) from 8 to 9 p.m. on Monday, Sept. 24, is something new in evening TV. It is a real-life treatment of the 1962 Girl Scout Senior Roundup at Button Bay, Vt., which was attended by eight Senior Girl Scouts and two adult volunteers from Northern Indiana and LaPorte Councils.

Filed by Drew Associates, the prize-winning documentary film unit of Time, Inc., and sponsored by General Foods Corporation, "The Road to Button Bay" will be shown over the CBS-TV network in prime evening time.

The TV story of Roundup — largest encampment for girls ever held in the Western world — will be told through the experiences of a patrol of eight Senior Girl Scouts from Kansas, three of whom are specially featured. But since the movie cameras followed this group to several events involving many or all of the 10,000 Roundup campers, local Girl Scouts will be hoping for a glimpse of someone they know.

### NEW SEASON BEGINS FOR CUB SCOUTS

The first pack meeting of the season of Pack 290 will be held Tuesday, Sept. 25, at 7 p.m. at the Methodist Church Fellowship Hall.

All current and prospective Cubs and parents are invited to attend this meeting. Let us give our full support to this year's Cub Scout Program.

**SLOW DOWN** — In the editorial column of the Johnson County News, there appeared this pithy paragraph: "Middle age is that period of life when you can do as much as ever, but never do."

By DAVID KELLY, Troop Scribe

Twenty-eight Boy Scouts attended the Sept. 17 meeting at the Methodist Church. Demonstrations on cooking were given by each patrol. Horseback relay and crab race games were played with the Beavers and Wolves winning.

Friday and Saturday, Sept. 21 and 22 there will be a Camp-O-See at Myers Lake Scout Reservation. All Scouts who are going and haven't contacted the Scoutmaster should do so by Thursday. Scouts are to meet at the Methodist Church on Friday at 5:00 sharp, with personal equipment, to leave for Myers Lake. We will return late Saturday night.

Next Monday we will meet at 6:45 p.m. at the school basketball courts for our basketball tourney. Also Morse code contests will be held during the meeting.

We are planning a Green Bar canoe trip-overnight campout to be held in the near future.

### "ALBERT SCHWEITZER" FILM TO HAVE PUBLIC SHOWING ON SEPTEMBER 25

Since the public has shown such strong interest in the film of "Albert Schweitzer," available for loan through the Culver Public Library, Mrs. N. M. Scruggs, librarian, has announced a showing of this film at 7:30 p.m. on Tuesday, Sept. 25, in the library auditorium.

The public is cordially invited to attend the showing of this most interesting 16mm. sound film which has a running time of 80 minutes.

Miss Theora Mae Disher Becomes Bride  
Of Tommy G. Cultice In Upper Sandusky

MRS. TOMMY GORDON CULTICE

The Trinity Evangelical United Brethren Church of Upper Sandusky, Ohio, was the scene of the wedding of Miss Theora Mae Disher and Tommy Gordon Cultice at 2:30 p.m. on Sunday, Sept. 9.

The bride is the daughter of Mr. and Mrs. Ross B. Disher, Route 1, Upper Sandusky, Ohio, and Mr. and Mrs. Gordon A. Cultice, 60 West Shore Drive, Culver, are the parents of the bridegroom.

Preceding the wedding ceremony Robert Griffith of Marion, Ohio, organist, presented a half-hour recital which included "Concerto No. 2 in A Minor" by Vivaldi-Bach; "Plate Tunc" by Thomas Arne; "Pugne in E-flat Major (St. Anne)" by J. S. Bach; "Pastorale" by Cesar Franck; "Prelude sur une Antienne" and "Chant de Paix" by Jean Langlais; and "Litanies" by Jehan Alain.

Following the recital the bridegroom sang a German "Prayer," and "O Lord Most Holy," by Cesar Franck.

For the Processional, Parcell's "Trumpet Voluntary" was used and "Allegretto" from Handel's "Water Music" was played

for the Recessional.

The Reverend Malcolm W. George, pastor of the church, officiated at the double ring ceremony before the altar which was decorated with palms, vases of bronze spoon mums, and nine-branch brass candelabra. Pews of the church were decorated with white bows.

Given in marriage by her father, the bride was lovely in a floor-length sheath of white silk tulle, featuring a slanted cummerbund, and an asymmetrical design of Alencon lace and seed pearls down the bodice and side of the skirt. The bodice had a scoop neckline and long sleeves extended to points over the hands. The skirt was gathered into a slight bustle effect and fell gracefully into a peacock train. The bride's unusually high camelot cap, trimmed with Alencon lace and mock pearls, held a three-circle bouffant illusion veil. She carried a bouquet centered around a yellow throated white orchid, with streamers of ivy and stephanotis, tied on a white Bible.

Mrs. George Smith of Trumbull, Conn., a college friend of the bride, was attired in a gold satin

pean sheath accented by cummerbund and a triple tiered petal effect in the back. A matching pillbox, anchoring a short circular veil, and dyed to match shoes, enhanced her gown. She wore short white satin gloves and carried cascade arrangements of bronze mums and yellow pompons.

Miss Mary Frances King, Pittsburgh, Pa.; Mrs. David Johns, Bucyrus, Ohio; and Mrs. David L. Miller, Sycamore, Ohio, consist of the bride, were bridesmaid and bridesmatrons. Their gowns and flowers were identical to that of the matron of honor.

David Smalley of Canton, Ohio, college roommate of the bridegroom, served as best man and ushers were James Disher, brother of the bride, Thomas Young and Gary Young, cousins of the bride, all of Upper Sandusky; and Bayard Wilson of Indianapolis.

For her daughter's wedding Mrs. Disher chose a dark green matize sheath complimented by a blending green feather hat. She wore pate brown accessories and an orchid corsage. Mrs. Cultice, mother of the bridegroom, was attired in a two-tone blue Arnel dress with touches of black, and wore black accessories. She also wore an orchid corsage.

Immediately following the ceremony, a reception was held in the church parlor with Miss Nancy Amrein of Evanston, Ill., in charge of the guest book. The refreshment table was centered with a four-tiered all-white wedding cake, decorated with white roses and wedding bells, encircled at the base with white pompons and Baker's fern. The bridal table was decorated with candelabra and white satin bows edged in gold. Serving were Miss Barbara Carruth, Upland, Ind., Miss Cletabelle Eyestone, Sycamore, Mrs. Ronald Raiz, Bucyrus, Miss Imogene Kuenzli, Nevada, Mrs. Franklin Leightey, and Mrs. Ned Winter.

For going away the bride wore

A son was born to Mr. and Mrs. David Burke of Culver on Friday, Sept. 14, at Parkview Hospital in Plymouth.

Mr. and Mrs. Richard Hartle of Culver announce the birth of a daughter on Saturday, Sept. 15, at Parkview Hospital in Plymouth. The new arrival weighed 7 pounds, 6 ounces, and has been named Robin Rae. The maternal grandparents are Mr. and Mrs. James Croy of Culver and Mr. and Mrs. Charles Hartle, Culver, are paternal grandparents.

a two-piece ensemble of natural knit wool brocade with a pretty beige hat, royal brown accessories, and the orchid from her bridal bouquet. The couple will reside at 1299 N. Indiana Ave., Bloomington, Ind.

The bride graduated from Nevada High School, from Ohio Wesleyan University with a B.M. degree in Organ, and from the University of Michigan with a M.M. degree in Piano. She is a member of Mortar Board, Pi Kappa Lambda Society and Gamma Phi Beta Sorority. She will be employed in the School of Music of Indiana University.

The bridegroom is a graduate of Culver High School and the University of Michigan where he received his B.M. degree in voice. He is presently working on his Masters degree at Indiana University's School of Music in the field of Voice and Opera.

On Aug. 25 a miscellaneous shower was given in honor of the bride at "The Village Drive In" in Upper Sandusky with 40 guests present. Hostesses were Mrs. David L. Miller, Sycamore; Mrs. David John, Bucyrus; Mrs. Floyd Martig and Mrs. Fred Young, Upper Sandusky.

On Saturday evening, preceding the wedding, a rehearsal dinner was held at "The Evergreens" in Upper Sandusky for 17 guests at which time the bridal couple presented gifts to their attendants.

**Shirley Ann Crow and Ronald Trump Wed In Sunday Ceremony At Santa Anna Church**

**MR. AND MRS. RONALD TRUMP**

Miss Shirley Ann Crow, daughter of Mr. and Mrs. Floyd Crow, Route 1, Culver, became the bride of Ronald Allen Trump, son of Mr. and Mrs. Allen Trump, Route 1, Argos, at 2 p.m. Sunday, Sept. 16, in the Santa Anna Methodist Church.

The altar was banked with bouquets of white gladioli and yellow mums amidst palms and candelabra for the double-ring ceremony which was read by the Rev. Clyde Beckner.

Mrs. Clyde Beckner, organist,

played traditional wedding music. She accompanied Miss Mary Jane Guise who sang "The Wedding Prayer" and "O Perfect Love," preceding the ceremony, and "The Lord's Prayer" as the couple knelt at the altar.

Given in marriage by her father the bride was attired in a gown of Ido taffeta and lace. The molded bodice was fashioned with long sleeves of lace pointed at the wrists. Lace formed the Sabrina neckline and extended onto the bodice which was highlighted

with sequins and pearls. Appliques of lace accented the bouffant skirt that drifted into a chapel train. Her tiara of a white chiffon rose held in place her elbow-length veil of silk illusion. She carried a bouquet of yellow roses and white mums on a white Bible.

Matron of honor, Mrs. Loren Kiel, was attired in a yellow dress of combed cotton brocade highlighted with a bow in the back. She wore a matching veil, centered with a bow, and carried a colonial bouquet of tangerine mums.

Bridesmaids were Miss Janet Crow, sister of the bride, and Miss Sandra Osborn. They wore identical dresses of tangerine combed cotton brocade and headpieces centered with a bow. They carried colonial bouquets of yellow mums.

Barbara Crow, sister of the bride, was flower girl. She wore a yellow dress of lace over taffeta and carried a basket filled with rose petals.

Best man was Brent Gochenour of Argos. Groomsman were Loren Kiel and Jerry Parker, both of Culver.

Ushers were Harvey Trump, brother of the bridegroom, and Larry Trump, cousin of the bridegroom.

Morris Trump, brother of the bridegroom, carried the rings on a satin pillow.

Mrs. Crow was attired in a blue acetate rayon dress with beige accessories for her daughter's wedding. Mrs. Trump chose a blue two-piece suit with black and white accessories. Both mothers wore corsages of yellow gladiolias.

Following the ceremony a reception for 175 guests was held in the church basement. A yellow and white color scheme prevailed in the decorations. A four-tier wedding cake, baked by Mrs. Charles Goheen, was decorated with yellow roses.

Presiding were Mrs. Ronald Tanner of Culver, Mrs. Brent Gochenour of Argos and Miss Ruth Abair of Plymouth.

Miss Helen Crow, cousin of the bride, registered the guests. The Misses Sharon and Linda Quimby, also cousins of the bride, were in charge of the gifts.

Upon their return from a trip through Southern Indiana the couple will be at home at Route 1, Mentone. For going-away the bride chose a beige cotton dress, trimmed in black, with beige accessories. Her corsage was composed of yellow roses and white mums.

Mrs. Trump is a 1962 graduate of Culver High School. Her husband, a 1960 graduate of Argos High School, is employed by R. R. Donnelly and Sons, Warsaw.

**Tri Kappa Installs 1962-63 Officers At Monday Meeting**

The regular meeting of the Epsilon Nu Chapter of Tri Kappa was held Monday night, Sept. 17, at the home of Mrs. John R. Mars.

Mrs. Melvyn A. Estey was installed president by the outgoing president, Mrs. C. Glenn Coolman, at an impressive ceremony.

Other officers installed for 1962-63 were Mrs. Samuel M. Medbourn, vice-president; Mrs. Orville Phelps, treasurer; Mrs. John R. Mars, recording secretary; and Mrs. John W. Oldham, corresponding secretary.

A complete report was given as to the financial success of the Tri Kappa "Christmas in August Bazaar." All proceeds are used for local charitable and scholastic projects.

After the business meeting adjourned, a social hour followed. Delicious refreshments were served from an attractive table decorated in the Fall motif.

Assisting hostesses were Mrs. Fred Adams, Mrs. Frank M. Bryant, and Mrs. Foster Sheller.

The October 15 meeting will be a supper meeting to be held at the home of Mrs. John F. Edgell at 6:30 p.m. Inspection of the Chapter by the Province Officer, Mrs. Richard Moran, of Garrett, will take place.

The Woman's Society of Christian Service of the Culver Methodist Church met Thursday evening in Fellowship Hall.

Mrs. Donald Parson, president, presided at the business meeting. It was announced that the Sub-District meeting will be held on Wednesday, Oct. 10, at the North Judson Methodist Church.

An invitation to attend the Golden Anniversary of Campbell Friendship House at Gary on Tuesday, Oct. 9, was read.

The group also received an invitation to attend the 40th wedding anniversary celebration of Mr. and Mrs. Paul Arndt from 2 to 4 p.m. Sunday, Sept. 16 at the Grace Methodist Church in South Bend. Mrs. Arndt is district W.S.C.S. president.

Mrs. Eugene Benedict and Mrs. Samuel Medbourn presented for the devotions a candle-lighting ceremony based on The Lord's prayer. They were accompanied at the piano by Mrs. J. C. Spencer.

Mrs. M. E. Hodges, program chairman, announced that the theme for the year will be "Interpret Our Society To Ourselves." She presented the secretaries of the various departments, each of whom explained her work and discussed plans for the work of her department for the year.

During the social hour refreshments were served by the hostess committee which was chaired by Mrs. N. M. Scruggs. Mrs. Benedict and Mrs. Harry Edgington presided at the refreshment table which was centered with candles.

**Eastern Star Auxiliary  
To Meet Tuesday**

Members of the Eastern Star Auxiliary will meet at 7:30 p.m. on Tuesday, Sept. 25, in the home of Mrs. Evert Hoesel.

**V.F.W. Auxiliary  
Meeting Held**

The Ladies Auxiliary of the Veterans of Foreign Wars met Sept. 17, at the Post Home, with 15 members present.

Mrs. Jack Sanders conducted the meeting, when it was announced that the auxiliary received an award for 100% membership for the past year.

The Third District meeting will be held on Sept. 30 at Mishawaka Post 360, at 2 p.m.

Following the meeting, refreshments were served by Mrs. Marylou Brown, chairman, assisted by Mrs. Joseph Shoemaker.

The membership prize was won by Mrs. Shoemaker.

**Home Demonstration Club  
Participates In County  
Display At Plymouth**

Friday, Sept. 14, the Plymouth Armory was a beehive of activity from 10 a.m. through 3 p.m. when all of the Home Demonstration Clubs in Marshall County participated in setting up displays of unusual, but useful and beautiful home-made gifts.

Mrs. Ray Roth gave three very interesting lessons on winter bouquets using weeds, seed pods, grasses, and many other plants.

Homemade door prizes furnished by the clubs were drawn throughout the day. Coffee and cookies were also served during the day.

Those attending from the Culver-Union Township Home Demonstration Club were the Mesdames Harry Leffert, Fred Plantz, Harry Sheppard, Nellie Baker, Jerome Zechiel, Sr., Alphons Poppe, James McCumb, Bernard Miller, Wilfred Craft, George Kerrigan, Raymond Lowry, J. Richard Behmer, Jerome Zechiel Jr., Delbert Jordan, Guy Davis, Hattie Kruger, Dessie Brugh.

A committee composed of Mrs. Plantz, Mrs. Sheppard, and Mrs. Craft arranged for the display of

homemade gifts by the local club.

**The Garold McKees  
Honored At Dinner**

A carry-in dinner was held in the home of Mrs. Trula McKee on Wednesday, Sept. 12, honoring Mr. and Mrs. Garold (Jerry) McKee of Belle Glade, Fla., who enjoyed a brief visit here last week—their first in 11 years.

Those present with the honored guests were Mr. and Mrs. Vern McKee, Mr. and Mrs. Donavon Overmyer and twin sons, Bret and Bryan, Mr. and Mrs. Eugene Thomas, and Mr. and Mrs. Don Bruce, Mr. and Mrs. Ted Powers and grandchildren were unable to attend.

In the afternoon Mr. and Mrs. Garold McKee, Mr. and Mrs. Don Bruce, and Mrs. Trula McKee visited with Mrs. Lydia Myers at the Walkerton Nursing Home. En route home from Walkerton, Mr. and Mrs. McKee visited Mrs. Cloyd Farmer and baby daughter at Parkview Hospital in Plymouth.

Evening callers were Mrs. William Fisher and daughter, Wanda, another daughter, Mrs. Leroy Roeder, and son, all of Bremen, Albert McKee, and Mr. and Mrs. Harold Hatten, all of Culver.

## Two New Teachers From England At CMA

D. BRIAN JONES

BRIAN F. C. SENNITT

Two visiting teachers from private schools in England have joined the faculty at Culver Military Academy for the 1962-63 Academic year.

Major General Delmar T. Spivey, USAF (Ret.), superintendent, said D. Brian Jones, a 29-year-old instructor from Devon, England, is a member of the Academy's English Department, and Brian F. C. Sennitt, a 28-year-old biology instructor from London is a member of the science department.

Both visiting teachers will return to their respective schools in England sometime after June graduation at the Academy.

Before joining the faculty at Culver, Jones was an English instructor and librarian for four years at Allhallows School, Devon. He has his bachelor's and master's degrees from Cambridge University and a Diploma in Education from Oxford University. Jones also was a flying officer for the Royal Air Force.

Sennitt was an assistant master in biology at Mill Hill School, London, where he was an assistant House Master — similar to counseling duties in American schools — and coach of the cross country team and will assist Track Coach David Burke this fall. He has his bachelor's and master's degrees from Cambridge and a Diploma in Education from Oxford.

## Audubon Society Will Give Lectures During The Year

Cooperating with the Audubon Society of South Bend, the Indiana University South Bend-Mishawaka Campus will present a series of seven outstanding illustrated lectures on natural history during the coming year.

The lectures will be on Saturday evenings, beginning Oct. 13 and running through April 20, at 8 o'clock in the auditorium of the I.U. Campus building. They will include all-color motion pictures on animate and inanimate nature phenomena — birds, insects, fish, mammals, water, soil, scenery and flowers.

Tickets may be obtained through the I.U. Campus Office either by personal application or by mail. Series tickets will be \$1 for children and \$4 for adults. Checks should be made payable to the South Bend Audubon Society.

The series opener will feature Fran William Hall of Northfield, Minn., who will lecture on "The Real Yellowstone."

Charles T. Hotchkiss of Homestead, Fla., will speak Nov. 10, with "Teton Trails" as his subject.

The third program will be Dec. 15 with Edgar T. Jones of Alberta, Canada, lecturing on "Alberta Outdoors." A bonus film, "Look Down," will be shown Jan. 12.

Chester P. Lyons of British Columbia will show the film "The Right to Live" Feb. 9 and Charles Mohr, educational director of the Kalamazoo, Mich., Nature Center, March 9 will present the film "The Living Wilderness."

Lecturing on "The Shandon Hills," John E. Taft of Venture, Calif., will close the series April 20.

The speakers, all nationally known, are from the National Audubon Society.

**LAW MEN** — The successful candidate for the Republican nomination as Madison County prosecutor, Lewis E. Jones, borrowed from the title of a popular TV series in his campaign. In his advertising he asked the voters to cast their ballots for "The Law and Mr. Jones." In the November election, however, he will be opposed by a "Lawler." His Democratic opponent will be William F. Lawler, Jr.

**WORLD MARKETS** — South America is the largest foreign U. S. truck market. In 1960 this country exported 111,336 trucks to our southern neighbors, with Brazil leading the way with 49,851. Next in line came Argentina with 28,636. Only one truck was exported to tiny Barbados.

## Chemistry and History Chairs Filled At CMA

DR. RONN N. MINNE

DR. ALBERT E. CASTEL III

The chairman of the science department and a visiting professor from Western Michigan University, Kalamazoo, have been named to fill two academic chairs at Culver Military Academy.

Major General Delmar T. Spivey, USAF (Ret.), superintendent, announces the appointment of Dr. Ronn N. Minne to the Ep-

pley Chair of Chemistry and Dr. Albert E. Castel III to the Eppley Chair of History.

Dr. Minne is chairman of the science department and he replaces as Eppley chairholder Dr. George O. Johnson, who is retiring after 32 years of service on the Academy faculty. Dr. Castel, an associate professor of history at Western Michigan, is part of the continuing program to bring outstanding college professors to Culver to fill the Eppley history chair for one academic year.

The Eppley endowed chairs were set up in 1958 by the Eugene C. Eppley Foundation, Omaha, Nebr., to bring distinguished teachers to Culver in the fields of English, mathematics, physics, foreign languages, chemistry, and history.

Dr. Minne has been a member of the Academy faculty since 1954. He became a master instructor in 1961 following completion of academic studies for his doctorate from Harvard University, and last year he was named chairman of the science department to succeed Dr. Johnson.

A native of Menominee, Mich., Dr. Minne received his Bachelor of Science degree from Northwestern University in 1950 and his master's degree from the same institution a year later. In preparation for his doctorate, Dr. Minne studied at Harvard for four years, returning to Culver during the summer to serve on the staff of the Summer Schools.

Dr. Minne was awarded the DuPont Postgraduate Teaching Fellowship and a National Science Foundation Cooperative Fellowship during his studies at Harvard. Last year he was awarded a research grant by the Office of Naval Research in one of the rare grants ever given by the U.S. Navy to a secondary school instructor.

Dr. Castel is formerly of Wichita, Kan., and a graduate of Wichita University. He received his master's degree from Wichita in 1951 and completed work on his doctorate at the University in Chicago in 1955. He is currently on leave from Western Michigan to serve on the Academy faculty.

Dr. Castel is the author of several books including: "A Frontier State at War: Kansas, 1861-1865" and "William Clarke Quantrill: His Life and Times."

During the year Dr. and Mrs. Castel and daughter Ann will reside at East Shore Apartments, Culver.

## FARM TRAINING SCHOOL ALUMNI MEETING HELD AT CULVER LIONS DEN

The tenth annual meeting of the alumni of the G.I. On-The-Farm-Training-School was held in the Culver Lions Den on Monday evening, Sept. 10, with 40 present. Harry Carr, Argos, gave the table prayer before the banquet which was served by the Burr Oak Church of God ladies.

William Heck, Tippecanoe, president, conducted the business meeting and William Elliott, also of Tippecanoe, gave the secretary and treasurer's reports. Officers elected to serve for 1963 were President, Harry Carr; Vice-President, Paul Nifong; Secretary-Treasurer, Ben McFarland, all of Argos.

Ray Warstler of Argos was the auctioneer for the white elephant sale which is held each year to keep the treasury solvent. Willard Zechiel, Culver, who was instructor of the class, spoke briefly. John Croy, Teegarden, was the winner of a contest. The remainder of the evening was spent socially.

The group will meet at the same place in 1963, the first Monday evening after school starts.

## An Open Letter from Congressman John Brädemas

Congress of the United States  
House of Representatives  
Washington, D. C.

September, 1962

Dear Friends:

With a re-election campaign coming up, I naturally wish I could be back home full time to talk with the citizens of the Third District. But Congress is still in session and is not likely to adjourn until late September or early October. We still have major bills to vote on and I believe my responsibility is to be on the job in Washington.

I will try to get home for brief visits during the next few weeks and I look forward to seeing as many of you as possible this fall after adjournment.

Meanwhile, I hope that you will have the chance to become acquainted with my record, as your Congressman, on behalf of our district.

Sincerely,

## Two New Coaching Instructors Join CMA Staff

JACK C. ANDERSON

THOMAS E. BAKER JR.

Two new varsity coaches and physical development instructors have been appointed to the faculty at Culver Military Academy.

Jack C. Anderson, formerly of St. Joseph, Mich., will coach the Academy's varsity crew and Thomas E. Baker Jr., of Narragansett, R. I., will be varsity coach of golf replacing Erv Nelson, who is retiring as the Academy's golf professional after 36 years. Baker also will coach freshman basketball.

Both Anderson and Baker will serve as instructors in the Academy's physical development department, which is being expanded this fall because of the greater emphasis Culver is placing on the physical conditioning of its student body of 855 cadets. They will work in a four-man department under the chairmanship of Chester D. Marshall.

Anderson is a cum laude graduate of Michigan State University, where he majored in physical and health education. He held a graduate teaching assistantship at Michigan State, from which he received his master's degree in 1958. He has taught in the St. Joseph, Mich., area public schools and spent 13 seasons in summer camp work as a counselor, waterfront director, and assistant camp

director. He also directed the water safety program for the American Red Cross in Berrien County, Mich., for three years.

Baker last year was a special instructor of physical education and supervisor of intramurals at the University of Rhode Island. He served 12 years as director of physical education and a junior high school basketball and baseball coach in the Narragansett public school system. Baker also coached and taught physical education at Columbus (O.) Academy.

Baker has his Bachelor of Science degree from the University of Rhode Island and a master's from Boston University.

## P.T.A. Rejects School Plan

(Continued from Page 1)

total debt was in March only \$11,000.00. Under the Marston plan there is an additional estimated \$500,000.00 to be spent at Culver and another \$100,000.00 to be spent at Argos for improvement of facilities.

3. The committee estimates that funds for a new school between Argos and Culver would not be available for at least six years. A six-year period is perhaps insufficient to accumulate enough cumulative building funds for a new building program. Meanwhile the unit would be paying the debt on the present Argos high school. If the state committee should insist upon combining the student bodies of the Marston schools rather than allowing the two schools at Culver and Argos to exist separately, school officials feel that Argos has a better start toward a unified high school plant than does Culver, which would mean that until a school could be built between Argos and Culver, students at Culver might have to travel to Argos. Since the school plant at Argos is now being used to capacity, this would necessitate more building at Argos, adding to the already heavy debt of the Marston unit.

4A. We do not believe that the citizens of Union Township should be satisfied with such a plan when it is obviously second best. The most natural consolidation in this area is one which would include Aubbeenaubee, Union and North Bend Townships. The advantages of such a consolidation are many:

1. Union Township schools are central.
2. We could realize a unified school much sooner than under the Marston plan.
3. We would avoid absorbing Argos' heavy school debt.
4. Under such a consolidation the amount of money allotted per student would be high.
5. We would still satisfy the

state's requirement that a high school have a minimum enrollment of 300.

4B. The above plan (Aubbeenaubee, North Bend, and Union) is now hampered only by a refusal by Starke County to release North Bend, despite North Bend's petition for release. Before November elections there should be precedent for North Bend to bring legal action against Starke County for its release. If so, North Bend may well have its release before the county committee on consolidation meets again to propose an alternate plan. If the Marston consolidation is defeated at the polls in November, this will give North Bend Township additional time to try to obtain its release. If the plan is defeated, the county committee may not have to meet until the new legislature meets. The candidates for trustee in North Bend Township are both in favor of North Bend's coming into the Aubbeenaubee, Union, North Bend consolidation. Their election as candidates indicates a sincere desire on the part of a great majority of voters of both parties in North Bend Township to be a part of this consolidation.

5. There is a chance — only a chance — that Monterey might also wish to become a part of consolidation including Aubbeenaubee, Union, and North Bend. If so, their inclusion would be to the benefit of a unified school and could not change the logical location of such a school.

6. The defeat of the Marston plan would not likely result in any less desirable consolidation being forced upon Union Township. Even in the event that North Bend could not obtain release, Aubbeenaubee's distance from Plymouth would almost surely keep us from being considered as a part of the Plymouth consolidation. The committee, after studying all possibilities, feels that the worst which could happen in the case of a failure of North Bend to obtain release from Starke County would be to have the state committee resubmit the Marston plan for another vote. The time gained, however, by its defeat in November would mean

that the Argos school debt would be somewhat diminished before the taxpayers of Union and Aubbeenaubee Townships would have to contribute to it. A plan may be rejected twice by the voters. A vote against the Marston plan in November will insure us time to try to work out a far more convenient, more efficient, more inexpensive consolidation than that which is now proposed.

Respectfully submitted:  
Mr. and Mrs. Thomas E. Walker  
Dr. and Mrs. Oscar Wesson  
Mr. and Mrs. Hugo B. Anderson

Another item taken up at the meeting was the time situation for the Culver schools. It was recommended that if Starke County stays on Central Standard Time, in order to eliminate, at least partially, the confusion caused by the two different time areas, the school would use the split hour system, instead of the full hour time arrangement. This means that the time between the two areas would be only of a half hour difference, which would eliminate the full hour change.

Attendance at Sunday services was 54. The Junior Choir gave an outstanding performance and the orchestra will play next Sunday. The District Conference of the Methodist Church will be held at the Winamac Church next Sunday afternoon and evening, Sept. 23, with what promises to be a very fine program. The speaker of the afternoon will be Dr. Richard Nay of Indianapolis who will tell of his experiences as a medical doctor serving in the Congo. The Youth Choir of the First Methodist Church in South Bend, under the direction of Rev. Kenneth Hemphill, will sing at the evening service and tell of their experiences while working in Bolivia as a group during the summer. The Rev. Malcolm McArthur of New Carlisle and Australia will give devotions. Reservations may be made for supper at the church for \$1.00.

The First Quarterly Conference for churches in the Tippecanoe Valley Group Ministry was held at the Richland Center Church on Sunday evening. The Rev. W. Ray Kuhn gave reports for the local church in the absence of the Lay Leader, William Lake.

Mr. and Mrs. William Lake plan to arrive home from their four-week tour of the Holy Land and Europe the latter part of this week.

It was learned at the Quarterly Conference on Sunday evening that the Rev. Calvin McCutcheon will be confined to the parsonage at Richland Center for several days as a result of bad steam burns about the head and hands received from a bout with an overheated radiator.

W.S.C.S. will meet at the church Thursday, Sept. 20, at 1:30 p.m. to complete date books. Please come.

Leslie Mahler was dismissed from Parkview Hospital to his home on Wednesday and is recuperating satisfactorily.

The Roscoe Heckaman and Carroll Thompson families attended the Marshall Co. Dairy Association Dairy Bar Barbeque at the Conservation Club house at Lake of the Woods on Sunday.

Miss Sharon Heckaman returned to her studies at International Business College in Ft. Wayne on Monday after a three-week between term vacation with her parents, Mr. and Mrs. Roscoe Heckaman, and family.

Mr. and Mrs. Roy Listenberger of Culver spent Wednesday evening with Mr. and Mrs. Lawrence Hissong and Mrs. Lucy Voreis.

Clyde Poppe, son of Mr. and Mrs. A. N. Poppe, College Ave., Culver, left Tuesday to return to his studies at the University of Illinois, Champaign, Ill., where he is a senior in the School of Architecture.

Dr. and Mrs. Kenneth K. Kraning had as their recent house guest, Mr. Oswald Montbrun, of Caracas Venezuela, South America. Mr. Montbrun received his engineering degree in August from Michigan College of Mining and Technology at Houghton, Mich. Mr. Montbrun has now returned to Caracas and was able to take the former Kathy Kraning's car to her in Puerto Cabello, Venezuela. Kathy was married last December to Luis Benedicto in an impressive Methodist Church ceremony here in Culver. Mr. and Mrs. Benedicto plan to return for a Christmas vacation with the Kraning family.

Mr. and Mrs. John A. Cleveland and Mrs. Chester W. Cleveland attended the Eisenhower-Halleck Day Rally in Rensselaer last Thursday, Sept. 13.

Mr. and Mrs. Robert A. Bauman have returned from two months' of graduate work in education at Stanford University, Palo Alto, Calif. Mr. Bauman is on the Academy faculty.

Mr. and Mrs. Walter Muehlhausen have been visiting their son, Walter Muehlhausen Jr., of Marshalltown, Iowa. Walter Jr. is associated with the Muehlhausen Spring Company of Marshalltown. Mr. and Mrs. Muehlhausen will also visit relatives in St. Paul, Minn. Before returning to Culver, the Muehlhausens will be joined

by Dr. and Mrs. Charles W. Crowe, their Culver neighbors, for (they hope) some good fishing in Northern Wisconsin.

The September birthdays of Mr. and Mrs. Chester Easterday of Logansport were observed Sunday with a family dinner at the Three Sisters Restaurant. Others present were Mrs. Clark Ferrier, Miss Bess Easterday, Mr. and Mrs. William Easterday, and Mr. and Mrs. Charles Ferrier and Tina.

Mrs. March Haynes of San Mateo, Calif., was an recent over-

night guest of Mr. and Mrs. Frank V. Osborn of East Shore Drive, her summer neighbors in Culver. Mrs. Haynes will return to Kokomo before she leaves for her California home.

Mr. and Mrs. Clarence Kline, Mrs. Nellie McFarlin, and Mrs. Essie White of Plymouth spent the weekend in Decatur, Ill., with Mrs. White's son and her grandson and family of Morton, Ill.

Mrs. Clarence Kline, Mrs. David Lee Smith of Argos, Mrs. Walter Holderread, and Mrs. Duane Winrotte, both of Plymouth, attended a shower Tuesday evening in South Bend for Miss Arlene Springer, bride-elect, whose wedding to Ralph Flora, grandson of Mrs. Kline, will take place on Saturday, Oct. 13.

There will be preaching services next Sunday following Sunday School.

There was a good attendance from the churches in the Tippecanoe Valley Group Ministry at their first quarterly meeting held at Richland Center, Sunday evening.

Mr. and Mrs. Eldon Davis and family, Mr. and Mrs. Everett Goodman, Mr. and Mrs. Walter Van Meter and family, and Mr. and Mrs. Vernard Goodman were among those who attended the wedding of Gary Fields and Miss Phyllis Shirey at the Eden Congregational Christian Church near Muncie Sunday afternoon. After this week they will be at home on the Fields farm in this community. The new Mrs. Fields is the Home Demonstration Agent in Miami County.

Mr. and Mrs. Eldon Davis attended church service and visited with the Rev. and Mrs. Hershel

Dyer and Sons at the DeSoto Methodist Church near Muncie. The Dyers attended the Fields — Shirey wedding with the Davises.

Miss Connie Feltis and Miss Mickie McIntyre left Sunday for Ball State College, Muncie, and Tom Murray is enrolled at Purdue University. The local church will miss these faithful young people.

Mrs. Guy Davis attended the District Executive committee meeting of the W.S.C.S. at the Star City Methodist Church Wednesday. On Sunday Mr. and Mrs. Davis attended the reception for Mr. and Mrs. Paul Arndt at the Grace Methodist Church at South Bend. The occasion was in honor of their 40th wedding anniversary.

Mr. and Mrs. Robert Kline are the proud grandparents of a baby girl born to Mr. and Mrs. Don Kline in Indianapolis, Sept. 8.

The Willing Workers held their regular class meeting Thursday evening with Mr. and Mrs. Everett Goodman.

Mr. and Mrs. Wilbur Kelso, Sr., sold their farm recently to Mr. and Mrs. Clarence Sellers. After disposing of their furniture they left Tuesday to make their home in Florida. This church will miss Mr. and Mrs. Kelso for they were faithful attendants.

**NATURALLY** — While Mr. and Mrs. Nellis E. Corydon of Clarendon Hills, Ill., were making a motor trip through Indiana, they stopped at French Lick. There they looked at a highway map and noted that the city of Corydon was not too far distant so they drove on to visit the city that bears their name. Naturally they were interested in how Corydon got its name. From Frederick P. Griffin, well versed in the city's history, they learned that William Henry Harrison, first governor of Indiana Territory, had visited the home of Mr. and Mrs. Edward Smith in the yet unnamed town and upon hearing their daughter, Jennie, sing a pastoral elegy entitled "Sweet Corydon's Notes," was so impressed that he named the town "Corydon."

**I. U. Spanish Instructor At CMA**

**BERNARD MIREL**

The director of Indiana University's Junior-Year-in-Peru program will spend a semester teaching at Culver Military Academy before he returns to South America with another group of students in February.

He is Bernard Mirel, who joins the Academy's language department as an instructor in Spanish during the first semester replacing Dr. Raymond Wheat, Eppley Chairholder in Foreign Languages, who is on leave.

Mirel this year served as director for the Indiana University program in which students in their junior year traveled to Peru to study at the University of San Marcos. The program includes juniors from I.U. as well as from other colleges and universities throughout the nation. The Junior-Year-in-Peru program has grown from five students two years ago to an expected 25 Mirel will take to San Marcos in February.

Purpose of the program, which is sponsored partially by the U.S. State Department, is to provide an opportunity for American students to study the language and culture while actually attending

with Peruvian families. Mirel, whose wife is a native of Peru, has lived there for 10 years. Last summer, while directing the program in San Marcos, Mirel completed work on his master's degree from Indiana University by writing his thesis on the subject: "Universities in the Provinces of Peru." He has his bachelor's degree from New York University.

While teaching at Culver, Mirel will work in a 16-man language department chairmanship by Donald M. Marshal.

### Home and Hobby Club Entertained At Home Of Mrs. Helen Keller

Mrs. Helen Keller entertained the Home and Hobby Club at her home in Culver on Tuesday afternoon, Sept. 11. Mrs. Herbert Blocker, president, presided and the club prayer song was sung to open the meeting. Mrs. Keller read the hostess verse and Mrs. Bernard Gann read an article, "Perfect Peace," for devotions.

Twelve members and two guests answered roll call with "my favorite season." Guests were Mrs. Dwight Winenger, Mrs. Cecil Warner and four children. Mrs. Winenger joined the club.

Plans were made for the club display at the Craft School at the Plymouth Armory on Sept. 14. Each member contributed an article for the display. Mrs. Blocker announced Achievement Day will be held Oct. 30 at St. Michael's Auditorium. Reservations for the luncheon to be served must be in by Oct. 25. Mrs. Richard Hagan and Mrs. Ben McFarland were named to represent the club in a playlet to be presented on that day. Mrs. Robert Kepler and Mrs. Winenger will take the lesson on Antiques on Sept. 26.

The nominating committee presented the following slate of officers which was accepted: President, Mrs. Robert Kepler; Vice-President, Mrs. Richard Hagan; 2nd Vice-President, Mrs. Dewey Warner; Secretary, Mrs. Ben McFarland; Treasurer, Mrs. Bernard Gann; Reporter, Mrs. Helen Keller; Song Leader and Pianist, Mrs. Cleo Ringle; Safety Leader, Mrs. Harry McPherron; Citizenship Leader, Mrs. Chaney Dennis; Flower Fund, Mrs. Richard Calhoun.

Happy Birthday was sung to Mrs. Gann, Mrs. Harold Hoskins and Mrs. Dennis.

Mrs. Richard Hagan will entertain the club on Oct. 9.

 What changing one's standpoint can mean in meeting today's challenges will be brought out at Christian Science church services Sunday.  
 "Love not the world, neither the things that are in the world" is the Golden Text from the Bible (1 John 2). It keynotes a Lesson-Sermon on the subject of "Matter."

One of the selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "When understanding changes the standpoints of life and intelligence from a material to a spiritual basis, we shall gain the reality of life, the control of soul over sense, and we shall perceive Christianity, or Truth, in its divine Principle" (p. 222).

According to a recent survey, newspaper advertising influences purchasing most. 81% of the people made purchases because of newspaper ads, only 4% because of television.

## do you remember?

Do you remember the first time you listened to a sea shell? And when you watched a sunflower turn toward the sun? And when you tried to guess where the pot of gold was at the end of the rainbow? Life is full of sweet mysteries for the young. Do you remember?

In fact, life reveals even more sweet mysteries as we grow older. When we think of these things, the mysteries of life, of God's care of us, of the wonders of the universe—you know, that's a way of praying! Yes, just thinking about God.

Fortunately, too, we have the Church—your church—a place to contemplate such things, to pray, to ask questions, and give thanks to Almighty God. Go to the church of your choice this Sunday. There you will find some of the answers . . . to some of these wondrous mysteries.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

# FHA Loaned Indiana Farmers \$12½ Million

Record \$12½ Million Loaned by Indiana Farmers Home Administration in Fiscal Year 1962: The Farmers Home Administration of the U.S. Department of Agriculture loaned Indiana farm families and other rural people a record \$12,543,865 in fiscal 1962 which ended on June 30. State Director John W. King has announced.

The volume of loans, largest during any 12-month period in the agency's history, was 83 percent larger than the 1961 total of \$6,861,434, and 110 percent above the \$5,959,247 loaned in 1960.

About 40 percent of the total loaned during fiscal 1962 went for farm operating loans, about 25 percent for the purchase, development, or enlargement of family farms, about 12 percent for the construction and improvement of houses and service buildings in farms and in rural communities, and 9 percent for domestic water systems for rural areas and small towns.

Approximately 2,721 families were using Farmers Home Administration credit for these and other purposes at the end of the fiscal year — 10 percent more than the year before. "The rise in the number and amount of loans," said State Director King, "reflects a continuing increase in operating expenses necessary to keep pace with today's modern farming methods. It also indicates the reduced returns from the sale of farm products which have many efficient farm owners hard pressed."

Repayment by borrowers during the year totaled \$6,131,722 in principal and interest. This compares with repayments of \$6,330,720 last year, and \$5,799,808 in 1960. More than 200 borrowers repaid their loans in full during fiscal 1962, and continued their farm operations without Farmers Home Administration credit. The \$6,131,722 repaid during 1962 fiscal year was more than fell due during the year, as Farmers Home Administration loans are amortized over periods ranging from one to forty years.

Of the \$12,543,865 loaned by Farmers Home Administration last fiscal year, \$5,964,565 went to 1,484 farmers to buy equipment, livestock, fertilizer, pesticides, feed, tractor fuel, and other supplies for farm and home. Ownership loans amounting to \$4,714,510 were made to 260 farm families to buy, develop, or enlarge their farms. Among these borrowers were tenants, and young farmers trying to get started. Private lenders advanced 81 percent of the funds loaned, or \$3,835,468 under Farmer Home's insured loan program.

Housing loans totaling \$1,532,760 went to 162 borrowers to build or improve houses and service buildings on farms and in rural communities. The amount loaned for housing was 96 percent above 1961 figure.

Water development loans totaling \$1,229,500 were approved for four associations serving approximately 3,000 people. These were the first such loans made in Indiana. All Farmers Home Administration loans are accompanied by technical advice on farm and financial management. Loans are made only to applicants who are unable to obtain needed credit from conventional lenders. The 92 Indiana counties are served by 26 local Farmers Home Offices.

## DEADLINE FOR WOOL PROMOTION VOTE SEPT. 24th.

If you are eligible to vote in the referendum on the wool market-promotion program, get your ballot in no later than Friday, Sept. 21. This last-minute reminder was issued today by Carl W. Price, Chairman, Agricultural Stabilization and Conservation Committee. To be "eligible," the producer must have owned sheep or lambs, 6 months of age or older, for any one period of at least 30 days since Jan. 1 of this year.

Balloting may take place — at the ASCS county office serving the county where the producer's farm or ranch headquarters is located — anytime during the 2-week period Sept. 10 through Sept. 21. The ballots may be cast either in person or by mail.

The Chairman emphasized that the referendum will not affect the wool payment program itself. This was extended for four more years under legislation enacted last summer.

The voting will determine whether growers want to continue financing wool and lamb market-promotion activities through deductions from the wool payments they receive. The market-promotion activities are carried out under an agreement between the Secretary of Agriculture and the American Sheep Producers Council, as authorized by law. If growers vote approval, the agreement will be extended for four more years. To be approved, the agreement must be favored by producers having at least two-thirds of the volume of production represented by the total vote.

Under similar agreements, in effect since the 1955 marketing year, deductions have amounted to 1 cent per pound from shorn wool payments and 5 cents per hundredweight from unshorn lamb payments.

Mr. Price said that all growers should have received their ballots through mail by Sept. 10. Any producer who believes that he is eligible to vote and who has not received his ballot should get in touch with the ASCS county office right away.

## SOUTH BEND RADIO TO AIR "SHOULD RELIGION HEAL?" SUNDAY PROGRAMS

A special group of four programs on the subject, "Should Religion Heal?" will be broadcast over station WSBT, beginning next Sunday, Sept. 23, at 9:15 a.m. as part of the new Christian Science radio series, "The Bible Speaks to You."

A number of recent Protestant church reports on divine healing will be quoted on the programs. Each 15-minute broadcast takes up different questions, such as: How do these healings take place? Are they a proper part of religion? How do they fit into the larger, deeper purposes of Christianity? How much can this kind of healing be relied upon? Exactly how does it differ from other kinds of treatment? What is its real significance in the world today?

The programs will be broadcast over WSBT on four successive Sundays, beginning September 23 and ending October 14. They are produced by The First Church of Christ, Scientist, in Boston, Massachusetts.

## LEGALISTIC LOGIC!

You who are employers owe a vote of appreciation to a California judge, for a precedent-setting verdict pertinent to your interests. This sage jurist ruled that a woman who hit her husband's boss over the head, because the latter made her spouse work overtime, is legally guilty of assault.

# REMC GENERATING PLANT

## WILL BOOST INDIANA BUSINESS

The REMC generating plant will provide more than 17 million dollars in wages during its construction and operation for the 10-year period following. This money will be spent at home—for food, clothing, housing and recreation—throughout 38 counties in Southern Indiana.

The plant will burn 15 million dollars worth of coal during that period, and every pound will be Indiana coal... to support Indiana's economy. The rural families who take its electric service will own the generating plant... as Hoosiers they will see that it benefits

Indiana in every way possible. Compare this interest and loyalty to generating plants that operate in Indiana, but are controlled from out of the state.

In the March issue of its personnel publication 'WATT'S COOKIN,' Public Service Company says—"Coal for the Robert A. Gallagher Station is mined outside of Indiana. The 1961 coal report shows this station received 1,301,151 tons last year and actually used 1,307,417 tons at a total cost of \$6,024,504."

The REMC generating plant will be locally owned—it will benefit Indiana.

# CMA Football Team Meets Bremen Saturday

## 14 Lettermen Support Eagles

Culver Military Academy will open its 1962 football season here at 2 p.m. Saturday, Sept. 22, against Bremen High School.

Bremen has never beaten the Eagles although the two teams engaged in a pair of cliff-hangers in two of the last three games. In 1960 Culver beat Bremen, 16-14, with a 17-yard field goal after time had expired in the game, and last year the Eagles won 12-6 with a long pass in the final eight seconds.

Bolstering Coach Russ Oliver's team will be 14 returning lettermen from a 5-3 season last year. The season marks Oliver's twenty-third at Culver, where he has won 111, lost 56, and tied 10.

Sizing up this year's prospects, Coach Oliver looks for a better season than last year.

"We thought last year we would do better than we actually did, but injuries in the middle four games really hurt us. If we are not hampered by serious injuries this year, I feel we should do much better. On paper we are potentially stronger because many of our younger men have a year's experience. The attitude and spirit is much better."

**Bill Baker Is Captain**  
Coach Oliver credits captain Bill Baker, a 150-pound halfback from Oxford, Miss., for the improvement in team spirit. Baker sat out much of last year with a leg injury, and when he did play he operated at half-power. At full strength this year, Baker says coach, "has led the team on the field, and he is proving to be an effective leader off the field."

Culver is expected to run from a T-formation, and the coaching staff of Oliver, Charles Owen and James DeArmond may alternate quarterbacks in senior Joe Williamson, Youngstown, O., and junior John Culbertson, Oklahoma City, Okla. In the backfield along with Baker will be halfback Dick Swennumson, Summit, N. J., and 195-pound fullback Chris Hinkle, Little Rock, Ark., who was hurt on the opening kickoff of the second game and didn't play again until the final game of the season.

Other starters will be Butch Pretorius, Spring Valley, Ill., and Chris Carson, Fox Point, Wis., ends; John Gree, Sheffield, Ala., and Brad Schooley, Flint, Mich., tackles; Ed Terrill, Lawrenceburg, Ind., and either Ted Demosthenes, Alexandria, Va., or Mike Thrower, Fort Bragg, N.C., guards; and Skip Miller, Hobart, Ind., center.

# Indians Lose To West High By 4-6 Score

Culver's unbeaten baseball team lost to West High School by a score of 6-4 in County competition here Monday, Sept. 17.

The victory gave West a 2-1 record, having beaten Argos last week, and left Culver with a 3-1 mark.

Ken Johnson was the winning hurler, and also led his team at bat, collecting three hits in four trips. Eric Carlson and Dick Taylor had two hits each.

Sam Lowry was the loser for Culver.

Condensed scoring, with at-bats, runs and hits:

Culver (4) — Lewis 211; White 310; S. Lowry 412; Ervin 412; Liette 400; Lamar 200; Boswell 300; A. Lowry 300; Carter 101; Totals 27, 4, 6.

West (6) — Cramer 300; Williams 301; Johnson 423; Hendrickson 412; Overmyer 400; Worthington 300; Taylor 322; Carlson 312; Stettler 201; Totals 28, 6, 11.

**DAD DIDN'T CHEER** — There were loud cheers for John Allen, a member of a Delphi American Legion baseball team when he hit a homer and he was a hero to everyone but his father. The ball went out of the park and smashed the windshield of dad's car.

# 1962 Upland Game Regulations Are Set By Department

After holding a public hearing recently, the Department of Conservation has set the following dates and bag limits for the 1962 upland game hunting seasons:

Pheasant: Nov. 10 through Nov. 30 with a daily bag of 2 cocks and 4 in possession after the second day.

Quail: Nov. 10 through Dec. 20 — 10 per day and a possession limit of 30 after the third day.

Hungarian partridge: Nov. 10 through Dec. 20 — 5 per day and 10 in possession after the second day.

Rabbit: Nov. 10, 1962 through Jan. 10, 1963 — 5 per day with a possession limit of 10 after the second day.

The season will not open on any of the above species until 8:00 a.m., C.S.T., on the first day.

A few changes governing the taking of beaver were also announced. The season has been extended from Jan. 31 to Feb. 15, thus establishing the season of 12:00 noon, Nov. 15, 1962 through Feb. 15, 1963. The second change makes it permissible to place a trap, deadfall, snare or net at the entrance of its house or den. A third and significant change for the landowner deals

with property damage caused by beavers. Under the new regulations, if property is adversely affected by beaver, the owner of the property affected may request a permit from the Director of the Division of Fish and Game for the purpose of removing the cause of such damage.

# Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN...TOUGHEST UNDER THE SUN...  
TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Sometimes the caravan crept along for hours in low gear. It took 17 days to go 1,066 miles! This is the road near Loreto.

Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' hah) California Peninsula, Mexico.

These pictures give you only a bare idea of the place. The road is fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, jab and jerk the trucks from stem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them.

The Baja Run took this Chevrolet truck caravan 17 days to go the 1,066 miles.

All the trucks performed magnificently. Not one was forced to drop out because of mechanical difficulty.

Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quality-built '63 Chevrolet trucks with all their new improvements.
