## Mrs. Hilda Nelson Dies Suddenly Monday Morning

Mrs. Hilda E. Nelson, 59, wife of Ervin R. Nelson of Route 1, Culver, died Monday morning at Parkview Hospital, Plymouth, after an illness of a few hours.

The daughter of the late Mr. and Mrs. Henry Borneman, Mrs. Nelson was born in Indianapolis Oct. 17, 1902 and spent her girlhood there. Mr. and Mrs. Nelson have resided in Culver for the past 38 years. Mr. Nelson is also an Indianapolis native and retired Monday as golf coach and instructor at the Culver Military Academy since 1924.

Surviving with her husband are a daughter, Mrs. Miriam A. Mackey, Rensselaer; a sister, Mrs. Emma Pennington, Indianapolis; four brothers, Henry Borneman and Fred Borneman, both of Indianapolis, Christopher Borneman of New York, and William Borneman of Rochester; and three grandchildren.

Funeral services are being held at 2 p.m. today at the Grace United Church of Christ where she was a member. Rev. Harold Hohman, pastor of the church, will officiate and burial will be at the Culver Masonic Cemetery. The Easterday Funeral Home was in charge of arrangements.

## GOP Meetings Of Interest To Voters

Republican meetings which will be of interest to the voting public are as follows:

Oct. 4, (Thursday) Bourbon Township Day. Breakfast and lunch will be served at the township headquarters. The supper and program will be held at the school building.

Oct. 10 (Wednesday) The Republican Women's Club will meet at Marshall County headquarters at 213 1/2 N. Michigan Street, Plymouth, at 2:00 p.m. The main feature on the program will be a discussion on "Re-Appointment" by Dr. Otis Bowen. A tea will be held following Dr. Bowen's address.

A date to remember is October 23. Senator Homer Capehart will be heard on Channel 22, WSBP-TV at 10:30 to 10:45 a.m.

## Voters To Register By Next Monday

Voters of Union Township are reminded that Monday, Oct. 8, is the last day to register to vote in the fall election.

People who should register are new voters (anyone who will be 21 years of age on or before the date of election, Nov. 6; anyone who did not vote in the last general election; or anyone who has moved from the precinct where they are registered.)

Voters can be registered at the office of Harvey Phillips, Marshall County Clerk, at Plymouth; or by Mrs. Ruth Overmyer, Culver Town Clerk; or by contacting their precinct committeeman who can advise them of the persons in the precinct who have been authorized to perform this service.

## NORMAN KELLY RETURNS FROM TWO-DAY MEETING

Norman Kelly, Manager of Hatten Motor Sales, has just returned from a two-day meeting in Cleveland, Ohio, of the MoPar Pieces of Eight, Sharp-Shin Society, an elite parts managers' organization.

These seminars, one of four held across the nation, are held yearly so that ideas and problems between parts managers and factory management may be presented, discussed and ideas exchanged.

**A WHOPPER** — A Union County boy, David Ray, while at play near Liberty, found a huge toadstool. It measures 13 inches across its umbrella-shaped cap and stood 14 inches high.

## Town Time and School Time To Be Identical

Because so many interested townspeople and patrons of the school are probably still in doubt as to the time situation, Principal Kenneth L. Cole wishes to announce that there is no problem this year.

The Culver Civil Town is going to be on fast time (according to a recent phone conversation with A. R. McKesson) and the Culver-Union Township School is bound to be on the same time as is the Civil Town; hence, both the Civil Town and the Culver Public School will enjoy one time — fast time.

Mr. Cole announces that there is apparently no problem with the transferring youngsters from North Bend for in a recent conversation with Mr. Harbeson, Superintendent of Knox Schools, all indications are that Knox will stay on fast time. This, of course, will allow Knox and North Bend to both operate on fast time.

## CMA Homecoming This Weekend, October 5-7

A full schedule of sports, social, and alumni activities will highlight the 41st homecoming program at Culver Military Academy this weekend, Oct. 5-7.

Focal point of the homecoming celebration will be Saturday's 2:15 p.m. football game against Bishop Luers High School of Fort Wayne. Culver will seek its second victory in three games against a team that defeated the Eagles 47-13 last year.

Superintendent and Mrs. Delmar T. Spivey will serve as hosts to alumni at a 6 p.m. barbecue in the Recreation Building. In other activities Saturday, Academy carillonist Milford H. Myhre will play a special recital at 4:30 p.m. and intra-mural football games will be played at 10 a.m.

Sunday's activities will center around traditional religious services, a garrison parade in honor of visiting alumni, and the annual meeting of officers of the Culver Legion, the Academy's alumni organization. Officers and the Legion advisory committee will meet at 8:30 a.m. The Rev. Allen F. Bray III, Academy chaplain, will deliver the sermon during 10:30 a.m. chapel services, and the parade will follow at 11:50 a.m.

## Venetian Village Road Approved By Commissioners

The highly controversial road, measuring roughly 120 feet, which would connect South Shore Drive to Driftwood Drive in Venetian Village, was approved Monday by the Marshall County Commissioners at their regular monthly meeting. Petitions, pro and con, had been presented to the commissioners over the past few weeks.

Those opposed to the building of the road contended the cost of construction would exceed the benefits, and that the road would only benefit those living in Venetian Village. Those in favor of the road construction contended it would provide better service for school buses and mail carriers as well as better fire and police protection. There were no remonstrators at the commissioner's meeting Monday.

The dedications of two parcels of land needed for the road were given to the commissioners. Plans will now proceed for the road construction.

## Burning Leaves On Streets Damages Black-Top

Chief of Police Mikesell asks the co-operation of Culver residents during the fall leaf burning season. He cautions against the burning of leaves on the streets that are black-topped. The practice causes the black-top to blister, thus loosening the tar seal. This allows water to penetrate the pavement. Freezing and thawing does its damage and soon a hole appears that has to be patched and the street is on the way to becoming rough and a continuous repairing job.

It costs the Town of Culver about an average of \$1000 a city square to pave with black-top. Burning leaves on the black-top pavement is just like burning money, not to mention the future repairs. Chief Mikesell asks that the practice be discontinued in light of the damage which occurs.

## SCHOOLBELL UNDERWAY

EDITORIAL

By Charlene Lucas and Cheryl Dillon, Co-Editors

"We made it! We have the first 'Schoolbell' edition in print!" These relieved words were uttered just two weeks ago as we, the co-editors, finished the first edition of the school news. Even with our meager two weeks of experience, we promptly realized the terrific job and responsibility presented by editing a paper. It, undoubtedly, will be an invaluable experience, and we are looking forward to the coming year with enthusiasm.

We decided to write an editorial this week in hopes that we can explain the goals and purposes we have established for the 1962-63 "Schoolbell." We, of course, want our "Schoolbell" editions to be the best ever printed, and we believe with a little help, luck, and lots of work, we can do just that.

This year the Press Club has a record membership of 72 reporters, over half of who are new members. With this many people on the staff, we should have more than enough original ideas.

As co-editors, we have two main ambitions for the "Schoolbell." One is to inform more fully our adult readers of the classroom activities and the educational facilities of Culver High School. We will also attempt to present the "right" side of any rumors which may arise concerning the school or any of the school-sponsored clubs. Another goal is to give more students a chance to express their views, and, of more importance, to see these views printed. It is our hope that we will be able to publish more of the students' outstanding themes and writings. This will be done through the cooperation of the English and Civics instructors.

Another regular column will be initiated in the next edition of the "Schoolbell." It will contain articles about various departments of our high school — what they are doing and what they hope to be able to do. The school facilities, as well as the lack of some, will be presented. At other times, public education will be discussed. Through this column we hope to obtain a better understanding between the school and its community.

We would be most happy to hear any suggestions that you may have, and also your constructive criticism. We have already heard several opinions as to how our school paper could be improved. Some feel the light and airy columns, such as Teepee, should be removed; others feel the more intellectual stories should be excluded. We feel that a normal school paper includes a balance of the two. Why not drop us a line, if you have any ideas which you feel would be beneficial to the "Schoolbell."

We hope you enjoy reading the "Schoolbell" under our editorship. We know that we will be striving to do a job which will be worthy of your time and interest.

## Appointed To New Administrative Positions At Culver Academy

ERNEST B. BENSON

JOHN W. BAYS

The appointments of Dean Ernest B. Benson and Rear Admiral John W. Bays, USN (Ret.) to top level administrative positions at Culver Military Academy are announced by Major General Delmar T. Spivey, USAF (Ret.), superintendent.

Dean Benson becomes deputy superintendent and retains the title of dean of the Academy.

Admiral Bays has been appointed deputy for development and continues as director of Summer Schools.

Dean Benson's duties have been broadened from his former position of deputy for education. Now, in addition to directing academic programs, he oversees business, admissions, and activity programs formerly directed by the deputy for administration.

In his new position Dean Benson will be deputy to General Spivey and will act for him in his absence.

Admiral Bays, who formerly had the title of deputy for administration, will organize and direct a coordinated program of development involving fund raising, public relations, alumni and parent activities, and long range

planning and development of the physical plant.

General Spivey said the new organization will permit him to spend more time away from the campus to work on development activities, attend educational conferences, and to make long range plans for Culver.

Dean Benson holds bachelor's and master's degrees from Boston University and received a Master's in Education degree from Harvard University. In recognition of outstanding academic achievement, he was elected to Phi Beta Kappa at Boston University and Phi Delta Kappa at Harvard. He also did advanced study at the University of California at Los Angeles and Pennsylvania State University.

Dean Benson joined the Culver faculty in 1936 as a biology instructor. Following service as a counselor to students, he went into academic administrative work. He was named dean of studies in 1953 and dean of the Academy in 1956. He became deputy for education in 1957.

Admiral Bays is a graduate of Culver and the U.S. Naval Academy. He received the Matthew

## Mother Of Burton Curry Dies In Maryland

Word has been received of the death of Mrs. Fred B. Curry, mother of Burton L. Curry, West Terrace, Culver, on Friday, Sept. 28, at the Sheppard Pratt Hospital in Baltimore, Md. Mrs. Curry died after a long illness at the age of 84.

Many will remember Mrs. Curry who lived in Culver with her son and his family much of the time for many years before her illness in 1958.

Surviving with the son, Burton, are another son, Eugene Curry of Severna Park, Md.; four grandchildren; and one great-grandchild.

Services were held Tuesday, Oct. 2, in Madison, N. J., where Mrs. Curry had spent most of her life.

Mr. Curry made the trip East to be with his family and to attend the services.

Fontaine Maury prize for excellence in electricity and physics while at the Naval Academy. He also did advanced study at Indiana University.

Admiral Bays served with the Navy from 1927 until 1946, compiling a brilliant record during World War II. Following his Navy retirement, he served for three years as chief of division, Foreign Service Administration, Department of State.

Admiral Bays joined the Culver faculty in 1949 as a mathematics instructor. From 1950 to 1956 he served as business manager at Culver and then was appointed Deputy for Administration. He also is secretary of the board of directors of The Culver Educational Foundation, the non-profit organization that operates Culver.

## Rev. Allen Bray Named To Assist General Spivey

REV. ALLEN F. BRAY, III

The Rev. Allen F. Bray, III, chaplain at Culver Military Academy, has been assigned additional

duties in an administrative capacity, Major General Delmar T. Spivey, USAF (Ret.), superintendent, announced today.

In his new assignment Chaplain Bray will serve as an administrative assistant to General Spivey.

The Rev. Mr. Bray joined the Culver staff as chaplain and director of religious activities in 1958. A native of Taunton, Mass., he trained for the ministry at Trinity College, Hartford, Conn., and Virginia Theological Seminary, Lynchburg, Va. He holds the degree of Master of Sacred Theology from Seabury-Western Seminary, Evanston, Ill. and has studied at the Washington (D.C.) School of Psychiatry.

The Rev. Mr. Bray was a Navy chaplain prior to coming to Culver. He is active in the Naval Reserve and is a Lieutenant in the Chaplain Corps.

### NELLIE GOES TO HORSE SHOW

Two young maids of Monterey, Barbara Ann and Charlotte Ruth Brucker, daughters of Mr. and Mrs. Charles H. Brucker, Jr. took their little trotting pony "Nellie" to the Silver Shoe Saddle Club Horse Show which was held at the Pulaski County Fairgrounds

Sept. 23.

Barbara and Charlotte took first place in Pony Harness Class; placed third in three-year-old and up class; placed fourth in Pony Halter class; and placed fourth in Parade Class. The Bruckers have only had their pony for one week and hope that "Nellie" will continue liking to

go to horse shows with them and their registered quarter horses.

Mrs. Charles E. Glass of Fort Wayne is visiting her daughter, Mrs. Chester W. Cleveland. Mrs. Glass has also enjoyed visits with her cousins, Mrs. Olive Voreis and Edgar Benedict, during her Culver visit.

# October Films At The Culver Public Library

1. "Adventures of a Baby Fox." A refreshing film to be enjoyed by children and adults with fine photography. A story of a baby fox as he hunts for food and insects.
2. "The Age of Turmoil." This 20 minute film presents incisive and amusing sketches of six teenage boys and girls, with their problems.
3. "Appalachian Spring." The only full-length Martha Graham ballet on film. This is in color and is a folk tale set in the wilderness at the pioneer period of American history.
4. "Art in the Western World." Treasures from the National Gallery of Art in Washington, D.C. are used to present the development of Western art, beginning with the 13th century. Includes art of the United States.
5. "Automation." The longest running film for the month of October. Eighty-four minutes of exploring many problems connected with the revolutionary development of automation. Shows automation at work in industries, ranging from aviation to baking.
6. "Background of the Civil War." Discusses the differences between the North and South preceding the war, election of Lincoln, secession of states and the attack on Fort Sumpter.
7. "Beginnings." Ralph Ulveling is interviewed on the subject of libraries and librarianship.
8. "Breakthrough." A trip with Canadian hardrock miners to show how tunnels are driven.
9. "Canada from Sea to Sea." Traveling from east to west, stops are made at principal points of interest in each Canadian province.
10. "Census Sixty." A humorous and effective explanation of the tremendous job of collecting and recording the 1960 census. Includes an interesting illustration of electronic computers.
11. "Face of the South." Furnished by the National Council of Churches this film describes the

different histories of the four souths: the mountain area, the piedmont, the piney woods, and the plantation South.

12. "Industry on Parade."
13. "Little Diomedea." A social study of Eskimo dwellers on "Little Diomedea." Most of their living utensils are modern, but their activities are almost the same today as they were centuries ago.
14. "Magic Highway, U. S. A." A story of the American road from the early days of dirt roads to the present day freeways. A Walt Disney short.
15. "Mark Twain Gives an Interview." Hal Holbrook's classic impersonation of America's beloved Mark Twain.
16. "Space Scientist." A personal demonstration of new equipment which reproduces within the laboratory some of the conditions of outer space.
17. "Village of Spain." An intimate picture of a Spanish town's culture, family life, religion and education, with contrasts of the urban life of a neighboring city.

A previewing of these films will be held on Monday evening, Oct. 8, beginning at 7 p.m. The public is invited to attend and make reservations for films for later use.

A special showing of the following films will be on Tuesday evening, Oct. 16 at 7 p.m.

"Adventures of a Baby Fox," "Census Sixty," and "Automation."

Eleven Boy Scouts making up the Green Bar attended a canoe trip Friday, Saturday and Sunday, Sept. 28, 29 and 30. Two patrols were formed and were named the Screamin' Mosquitos Patrol and the Viper Patrol. The trip began at the Highway 31 bridge on the Tippecanoe River and ended on canoe River State Park. The Boy Scouts covered some 60 miles.

Twenty-seven Scouts attended the October 1 meeting with a uniform inspection and Board of Review being held. The opening and closing game was jump-the-shot. The Wolf and Panther Patrols won in the shuttle block relay and the Wolf Patrol won the Morse code contest. Troop 290 is happy to report that it has another Eagle Scout — Dave Kelly — who went before the Board of Review on Monday. John Cook also went before the Board and passed his First Class rank. Steve McCombs has been elected new Assistant Patrol Leader of the Flaming Arrow Patrol.

The Wolf Patrol received the Honor Patrol banner for winning the patrol competition for the month of September. They will not have service patrol for October.

## Culver Water Dept. Receives Safety Award

The outstanding safety record of the Culver Water Department will be recognized by the Indiana Section, American Water Works Association, at the annual meeting of the Indiana State Board of Health, Northwest Branch, on Wednesday, Oct. 3, in Walkerton. Keith L. Knepper, water superintendent, will be host at the meeting in the American Legion Building.

The local water utility will receive the Award of Merit from O. W. Summers, chairman of the Safety Committee of the A.W.W.-A. state group. Mr. Summers is Plant Engineer of the Indianapolis Water Company. Veri McFeely, Superintendent of the Culver Water and Sewage Departments, will be present to receive the award.

Each year the Safety Committee analyzes the accident frequency rate of water utilities, which, combined with the number of employees, determines their qualification for the safety award.

Technical discussions at the meeting will focus on underground corrosion and its effect on the distribution system, management of small waterworks, certification of operators, and latest developments in water operations.

### Honored at Stork Shower

Mr. and Mrs. Alvin Baker of Chesterfield were pleasantly surprised Sunday afternoon when Mr. Baker's family arrived and gave them a surprise supper and stork shower.

Those present were Mr. and Mrs. Harold L. Baker and granddaughter, Lisa Baker, of Culver; Mr. and Mrs. Loyal Nickler, Mr. and Mrs. Arthur Nickler and daughter, Cindy, and Mr. and Mrs. Keith Hostettler and sons,

all of Elkhart; Mrs. Betty Ellis and friend of Mishawaka; and Don Shumway of Goshen.

Those unable to attend were Mr. and Mrs. Harry J. Baker, Mr. and Mrs. William Baker all of Culver; and Mr. and Mrs. Robert Baker of Elkhart.

Mrs. Keith Hostettler, niece of Mr. Baker, presented the couple with a huge cake, which she had baked, shaped like a cradle, favors of tiny diapers filled with candy, and a huge white stork doll. The happy couple received many lovely gifts and enjoyed visiting with the family.

## Gas & Diesel Fuel Tax Collections Up 4.5% In Sept.

Robert W. Olinger, State Motor Fuel Tax Administrator, announced today that revenues from gasoline and diesel fuel tax for the month of September were greater than any other month in the history of the tax. Gasoline tax collections were \$366,067.63 over September of 1961, and fuel use (diesel fuel) collections were up to \$89,747.79 over the same month last year. The total for September, 1962, from both sources was \$10,604,848.83 — this represents a 4.5% increase over September, 1961, and 7.8% over September, 1960.

Olinger explained that: "The record collections are primarily due to increased use of our highways by cars and trucks during the month. However, increased vigilance and enforcement efforts are a contributing factor." He further stated that, "Enforcement has played an especially significant part in increasing the collections from the use of diesel fuel."

Mr. and Mrs. William J. Opper of Chicago were the weekend houseguests of Mrs. Chester W. Cleveland. Mr. Opper is a great "apple enthusiast" and he was highly elated over his visit to the Bigley Orchards.

## Another Trophy May Be In Sight

By George Ogden and James Westcott

Recently, the Culver High School cross country team has had several meets. In a meet with Kewanna and Tippecanoe, we beat Kewanna, 25-36, and lost to Tippecanoe by a score of 18-39. The first five Culver boys finished in this order: Tom Yocom, George Wright, Dennis Shock, James DeWitt, and Thad Overmyer, with Wade Logan and Douglas Lindvall as bumpers. Culver was victorious over North Liberty, 21-41. The top seven runners for Culver were, in this order, Tom Yocom, George Wright, Dennis Shock, James DeWitt, Frank Keyser, Thad Overmyer, and Douglas Lindvall.

So far our cross country team has an excellent record. We are very proud of you boys and Coach Cox too. Keep up the good work and maybe, if the snow does not fall first, we can have another trophy in our trophy case!

**TWO TIMES TWO** — A sheep on the Glenn Ulich farm in Jackson Township, Steuben County, last year gave birth to twin lambs. This year she did better. She gave birth to quadruplets, two males and two females.

Jane Ann Thomas — Going to Business School at Fort Wayne

Chuck Warran — Working as a truck driver

Pat Wesson — Attending Indiana Central in Indianapolis, majoring in Vocational Elementary Teaching

Barbara Williams — Married to John Robinson

Marilee Zechiel — Attending Business College in Fort Wayne

## Grade Students Study Spelling

By Jan Scruggs and Barbara Hatten

The first six grades are seemingly enjoying this first month of school. Getting acquainted and working together are two of the best things in returning to school; so let's go ahead and see what the individual classes are doing.

In the Kindergarten Class, Colleen Artist had a birthday last Thursday. Anne Castel also brought cookies to share with the morning group. Jeffery Jones treated the afternoon class. Luckily, very few of the children have been out with colds.

Mrs. McLane's class has finished their first reading book, "Fun, With Tom And Betty." In Science, several boys and girls have brought leaf booklets. They have been studying the different kinds of leaves. Kurt Lucas was six on Sept. 23, and the class celebrated with a party.

In Mrs. Allen's second grade class there were two birthdays celebrated this week. Both Steven Carter and Linda McKee had parties, which of course called for refreshments. Teena Anderson, brought a cocoon for the class' observation.

A chipmunk visited Mrs. Sellers' third grade on Monday. Jack Cambell brought Mr. Chipmunk to school in a cage. Jack caught him, with the help of his cat, in his front yard.

Mrs. Carter's class has started a rock collection. In Art they are painting scenes with water paints. They also made folders for their written work. Craig Walker was the winner of the spelldown last week.

Tuesday, Mr. Horban's fourth grade had a quiz in Social Studies. They carried it out like a spelldown. All the children enjoyed themselves and added to their knowledge at the same time. It was the boys against the girls, the boys won. Gary Yeazel and John Houghton showed the class about the way a switch operates in completing an electrical current. Each member of the class is going to make up a word list of new words learned in school, and

in their outside reading.

In Mrs. Schrieker's class Kris Strang and Margaret Ruhnow made a poster for the class showing faces of happiness, love, anger, hate, fear, and loneliness. Mrs. Schrieker read a story, "Henry the Penguin," to the class. Then for their writing lesson they had to write a paragraph about him. Danny Thomas is back with the class after a trip to North Carolina. He sent the class a card while he was gone. David Campbell has been ill.

## Junior Play Is "Jump Over The Moon"

By Lucy Osborn And Paul White

"Hey diddle, diddle, the cat and the fiddle, The cow jumped over the moon . . ."

This may be just a nursery rhyme to you, but to Culver High School's junior class, it means a lot more. "Jump Over The Moon" is the title of the three act comedy which the juniors will present October 19, in the Community Building.

The play, which is being directed by Miss Ruth Shanks, and Mr. Latham Lawson, has a cast of 11 characters. Miss Shanks explained how the cast was chosen.

After all the juniors who wished to be in the play had auditioned for the desired roles, the two directors began the difficult task of selecting the actors.

One of the most important factors to consider was the type of voice of each individual. Voices must be heavy enough to be easily heard, and they must also match the type of character. For example, someone who is to play the part of an older person, should have a mature voice.

The cast must look good together. Those who are picked for this type of play might not have been given a part in a different play and vice versa.

The actors must be willing to co-operate with each other and the directors. Those who get the larger parts should have at least a "B" average in their schoolwork, and no one may be chosen who is failing in any subject. The other extra-curricular activities of the actors are also considered. Those who have the main parts need to have enough free time to memorize their parts.

In this year's play Beverly Barbshes plays the part of Louise Parker, a mother who has taken a second career. Cy Parker, her husband, is played by Dave Frain. Vicki Parker, Louise's daughter, is an over-zealous psychology student portrayed by Pam Phelps. Bob Carter plays Bob Parker, Vicki's brother. Other members of the cast are: Charles Snyder as the delivery man, Tom Yocom as Herman Sherman, Janeen Scruggs as Mimi Walker, Lucy Osborn as Mrs. Adele Walker, Sharon McGaffey as Fran Johnson, Jim Jones as Dr. Underhead, and Karen McDonald as Miss Hatcher.

The play begins as Louise Parker enthusiastically adopts a baby chimpanzee to be raised for purposes of psychology. Daughter Vicki, being a psychology student, is enthused about "Operation Zoo". However, son, Bob, a senior in high school, is dubious about his new brother and Cy, the father of the family, stubbornly refuses to be Harry's proud father. As the play proceeds, it becomes utter chaos and confusion. Cy is bitten, scratched, used for target practice, and catsup assaulted by Harry.

Vicki, trying to end the feud between Cy and Harry, hypnotizes Cy and her boy friend telling them they are Chimps. As a result everything goes wrong and the whole family "jumps over the moon."

We are sure the play will be more fun than a barrel of monkeys, so drop in Friday night and enjoy the entertainment.

 "Long distance calling." Well, that is becoming a pretty familiar sound to Sharon McGaffey. An admirer from Pennsylvania calls her quite often; could it be Johnnie?  
 Carmen Gretter is very happy — in fact very, very happy. The reason? You guessed it; Bob is back from California. Greetings, Bob, from the Teepee.  
 What! The grade school halls are becoming a rogues' gallery! No, it is only the pictures of the Class of '63 as sixth graders. For some enlightening views of the upperclassmen, take a look next time you go to the library.  
 Well, that's all for now, kids. But, never fear — we'll be back again next week with some more inside stories (and outside stories, too; so don't forget to tune in—same time, same teepee! Au revoir.

**Music! Music!! Music!!!**

By Jane Ives  
 Things have really been hopping these last few weeks in the various departments of the high school. The music department is no exception. A schedule of events planned by the music department for the coming year is as follows:  
 December 2 — Christmas Festival of Carols which will feature the vocal and instrumental departments.  
 January 26 — Instrumental and Ensemble district contest at Plymouth, Indiana.  
 February 2 — Piano, Vocal, and Ensemble district contest (The community is invited to note that these two contest dates have been reversed from what they have been in the past.)  
 February 16 — State Solo and Ensemble contest at Butler University, Indianapolis, Indiana.  
 March 24 — Winter Band Concert featuring the senior band.  
 April 7 — Spring Concert featuring the junior band and choirs.  
 April 9 — Sixth grade band concert.  
 The senior band is planning two concerts at other county schools. These concerts will be presented sometime in the spring.  
 The senior band is also planning an all day pleasure trip. The date has not been set.  
 The seventh grade and eighth grade general music students, under the direction of Mr. Richard Hambrook, are busy too. The month of September has been spent mainly in orientating the seventh grade general music class in the mechanics of music. The seventh graders also plan to start on the rhythms and sounds of

**Grading System Is Revised**

By Carolee Easterday  
 This year the administration and a member of the mathematics department have devised a new numerical system for averaging semester grades. This new way is mathematically equivalent to the old four point system but it is a lot more fair. In the old system, the student who received a B- got the same amount of credit as the student who earned a B or B+ — That system did not give justice to the student who earned the B+ and it gave undue credit to the one who earned the B-. The new system is the same eleven point system that has been used for the six weeks grades.  
 The grade requirement for membership in National Honor Society has always been a B average which was 3.0. The synonymous figure in the eleven point system is 8.0. This does not include a B- average as the old system did. Students who are in Honor Society and have a B- average will remain in Honor Society, and all names on the list of new members selected last spring on the four point system will be honored.  
 In previous years, to receive an honor sweater, a student had to maintain a grade index of 3.6. The analogous figure is 9.58.  
 To be chosen for membership in the National Honor Society, a student does not have to just have a B average, but he must also have high moral standards. All students chosen to receive academic honors are selected by a faculty committee consisting of Mr. Jack Miller, Mr. James Cox, Mrs. Robert Kline, and Miss Mildred Lindvall.  
 The Honor Society initiation will be held at 3:05 p.m. on Friday, October 5. One senior, two juniors, and 20% of the sophomore class will be initiated. The school wishes to extend an invitation to the public to attend this initiation.  
 The senior band wishes to welcome all new senior band members. Kay Thomas and Debbie Henderson deserve thanks for changing respectively to the baritone sax and the alto clarinet. These instruments were greatly needed in the band. Also, Sue Cole is now playing a piccolo. This really helps to round out the flute section. Congratulations to Rex Crump who has just started band as a Sousaphone player.  
 Thad Overmyer directed the senior band last Monday. Have a little trouble, Thad?  
 Now for a look at the grade school music department. Five hundred twenty new names are presenting a small problem to our new grade school music teacher, Mr. Garber. Quite a tough job, wouldn't you say?  
 The first and second grades are learning musical questions to develop listening, while the fourth, fifth, and sixth grades are beginning the fundamentals of music. In addition to all of this, each grade is learning some new songs.  
 Mr. Garber and Mr. Hambrook plan to correlate the music program of grades one through 12.

## Do You Remember 'Way Back When?'

Highlights of Culver News  
of 10, 20, 30, 40, and 50  
Years Ago This Week

### OCTOBER 1, 1952—

The Culver Military Academy Memorial Chapel was the pretty setting for the All-Community Service of Thanksgiving and Dedication last night marking the completion of the Revised Standard Version of the Holy Bible. A large and representative audience of protestant churches throughout the community participated in the service, one of 3,000 held throughout the United States and Canada.

Mrs. Mildred Joan (Norris) Thompson, 28, daughter of Mr. and Mrs. Everett Norris, died Friday in Indianapolis of bulbar type of polio.

James Patrick Murphy, 45, died suddenly of a heart attack Saturday morning in a lunch room in Plymouth.

William Thomas, 64, of Delong, died Tuesday night after a 10-year illness.

Miss Dorothy Elaine Dunlap of Argos and Clarence Virgil Garn of Culver were married Sept. 28.

A progress report on the current construction of the sewage disposal plant and the laying of the sewer lines for the joint use of the town of Culver and the Academy shows that work is far ahead of schedule and barring unforeseen circumstances, should be completed within the next few weeks.

### OCTOBER 7, 1942—

Mrs. Trula McKee announces the engagement of her daughter, Miss Rosemary Nye, to Sgt. Robert Cuomo of New York City.

A marriage license has been issued to Robert H. Bailey of Knox and Violet Maxine Crossgrove of Culver.

Mrs. Dale Davis, who is employed at the Kingsbury Ordnance Plant, received a special pin Thursday in recognition of a suggestion she made for an improvement in operation that had been accepted by the plant.

Mrs. Lester Smith has Red Cross yarn for sleeveless sweaters. Anyone wishing to assist in this project is asked to get in touch with her.

### OCTOBER 5, 1932—

The J. H. Belden cottage on the East Side of the Lake was destroyed by fire Thursday night from flames that started from an unknown source with a resulting loss of between \$6,000 and \$8,000.

Dr. Barton Warren Everman, co-author of an exhaustive survey of Lake Maxinkuckee, died last Tuesday at Berkeley, Calif.

Major H. W. Walmer was elected post commander of the William Alexander Fleet Post of the American Legion at its meeting Thursday night.

John Kuhn of Leiters Ford was painfully injured Saturday morning while unloading gravel when the crank slipped and struck him in the face tearing a piece of flesh out of his face.

### OCTOBER 4, 1922—

For nearly a week the thermometer has reached 80 and above during the afternoon. "Unusual," everybody says.

Mrs. Daniel W. Marks died Saturday, Sept. 30.

H. L. Crismond of Long Point was struck by a car driven by Howard Flath last Thursday, and he was sorely but not seriously bruised.

Walter Crum, a former resident of near Burr Oak, met tragic death on Saturday night on the Nickel Plate Railroad. He was employed as a night watchman and while on duty guarding a burning freight car on a siding he is supposed to have fallen asleep and been struck by a train and thrown into the burning car. He was so badly burned that he died two hours after being discovered.

### OCTOBER 3, 1912—

The funeral of Thomas Stratton, who died suddenly on the Vonnegut farm last week, was held at the East Washington Church Thursday afternoon.

The body of the two-months-old son of Mr. and Mrs. Frank Jones was brought to Culver Tuesday evening from LaPorte where Mrs. Jones had been visiting her husband when the child died of cholera infantum.

William Loudon sends The Citizen apples of the Grindstone and Stark varieties which he has kept in a sound condition since the Fall of 1911.

John W. Crowley has sold a lakefront lot in South Culver to Ira Faulkner and brother for \$325.

Captain F. L. Hunt has purchased the J. B. Chaney residence property on Faculty Row at the Academy for \$3,000.

The fronts of the Zechiel Meat Market, Rector's Pharmacy, and Porters' Restaurant have all received a fresh coat of white paint with green trimmings.

The County record for an assemblage of automobiles seems to have been broken at the Bremen Fair Thursday, when over 300 cars, by actual count, were on the grounds.

Making a living wage hardly seems worthwhile if you must risk your life by speeding to and from work. Morning and evening rush hours on many highways are the worst times of the day for accidents. Some accidents are caused by motorists who start to work too late, yet rush to get there on time; others are caused by drivers who become impatient to reach home and take chances in heavy after-work traffic.

and family, of near South Bend, Mr. and Mrs. John Plante and family of Culver, and Mr. and Mrs. C. C. Mikesell attended the Homecoming at Zion Gospel Chapel Sunday.

Mr. and Mrs. Arnold Adams of Kewanna were guests Monday of Mrs. Floy Leap and daughter.

The Zion Church L. M. S. will meet Wednesday evening, Oct. 10 with Mrs. Mae Kline.

The Zion Gospel Chapel held their annual Homecoming and Rally Day Sept. 30. Following Sunday School and worship service a bountiful dinner was served at the noon hour. The program in the afternoon began with group singing following which a program was given consisting of horn duets, piano solo, vocal solo, vocal duets, the welcome by Sally Kline, and songs and Bible drill by the children. Guests were pre-

## Babson Discusses Need For Gold

### Supply Should Be Increased

Babson Park, Mass. The history of gold dates back to very ancient times. Bible students will remember how the "Wise men" 2000 years ago brought "gold, frankincense, and myrrh" to the Christ Child. The temples of Mos-

es, Mecca, and Buddha are decorated in gold. Gold has always been sought after because it has an indestructibility, scarcity, and beauty which no other metal possesses. The world is getting "smaller" due to advances in transportation and communication. Some day an international currency system will be inevitable, and gold will probably be the basis. The present excitement over Telstar is further proof of what lies ahead.

### Devaluation Of The Dollar

Gold is widely discussed at this time because of its relation to the value, and possible devaluation, of our dollar. Some people talk as if "by a nod from the President", the world's economic troubles would cease, but it is not so simple. Among the reasons: (1) All the other leading countries would also "devalue" their dollar (or equivalent) . . . (Franklin Roosevelt learned this 25 years ago); (2) there is now no agreement among the nations as to an international currency and its relationship to their own domestic currency; (3) the question as to our own budget and deficit must be resolved in advance; (4) the other nations could raise their tariffs against us; and finally, (5) President Kennedy proclaims he will prevent devaluation with a big "No".

For these and other reasons, I now believe that this "devaluation" talk will be harmful to the stock market and surely to the price of good bonds. On the other hand, devaluation would increase our "paper" reserves and automatically reduce our aid to underdeveloped countries.

Theoretically, agreements could now be made with the large banks of other countries which would, for the present, quash all talk of devaluation. This could be helpful to the U.S. stock market, especially if the bankers will take President Kennedy seriously.

### Fear Of Losing Gold

Many people feel that the very talk in Congress of "devaluation" would cause foreign banks to withdraw their gold. But without the consent of Congress, President Kennedy could — by Executive action — put an embargo on gold. This, of course, he would do simultaneously with recommending "devaluation" to Congress. With all the President's other troubles, I doubt if he would now do either.

### Only Two Real Political "Cures"

After several weeks of no gold loss, foreign gold stock have again occurred. This loss simply points up the ineffectiveness of government efforts so far. Indeed, the

immediate impact of our problem has been blunted by certain fortuitous developments in recent weeks. Collapse of the Canadian dollar caused a sharp demand for American dollars. France repaid us some \$300 million in remaining Marshall Plan loans.

However, there is an end to this type of one-shot relief. What is needed is a cure for the causes. Proposed hiking of interest rates for foreign deposits held here is a step in the right direction — but again it is a palliative. No matter how much we pay foreigners to hold dollars here, it will not prevent them from converting to gold if they lose confidence in our dollar. We have got to cut our foreign outlays or build up our favorable trade export surplus high enough to cover them. There is no other way.

### My Personal Solution

If I were President Kennedy I should be honest with all nations of the world and make an active effort to increase the supply of gold. This would help Canada and also Africa in their present difficulties. It also might be considered a friendly gesture by Russia, which has much gold underground. This would lower the free market for gold, which is what we should have.

Then as the supply of gold increased, our dollar would be slowly devaluated without hurting any country. Of course, the "silver states" might put up a cry against this. But I think that missile and electronic developments could fully offset their fears. The world needs more gold. There should be some honest, slow change in the price of gold through increasing its supply in keeping with the growth in populations and trade activities.

### MICHAEL OVERMYER SELECTED FOR PURDUE UNIVERSITY BAND

Michael Overmyer, a freshman student at Purdue University, has been accepted for membership in Purdue's "All-American Marching Band." He will appear with the Band at all home football games and will travel with the band to the Notre Dame — Purdue game in South Bend (Oct. 6) and to the Michigan State — Purdue game in Ypsilanti, Mich. (Nov. 10) where he will appear on a national television network.

Michael formerly played trumpet in the Culver High School Band directed by Mr. Richard Hambrook.

Professor Al G. Wright, Director of Bands at Purdue, feels that Overmyer's acceptance into the Purdue Band was due in a large part to the fine training he received in the local High School Band.

He is the son of Mr. and Mrs. Glenn Overmyer of Route 2, Culver.

The Purdue "All-American" Marching Band is the nation's largest University Marching Band, and is rated by football fans as one of the nation's finest.

Overcoming fear will be a theme dealt with at Christian Science services Sunday in a Lesson-Sermon entitled "Unreality."  
Opening the Scriptural selections is this verse from Isaiah: "Fear thou not, for I am with thee; be not dismayed; for I am thy God; I will strengthen thee; yea, I will help thee, yea, I will uphold thee with the right hand of my righteousness."  
A correlative citation to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "Whatever is governed by God, is never for an instant deprived of the light and might of intelligence and life" (p. 215).  
The Golden Text is from II Timothy: "God hath not given us the spirit of fear; but of power, and of love, and of a sound mind."  
Next Sunday attend the Church of your faith.

# STORY

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Culver Edges Bourbon, 5-4, To Cop County Title

Culver gained a 5-4 decision over Bourbon to win the county baseball championship in a play-off contest at Bourbon Monday. Both teams had ended the regular season schedule against county competition with identical 5-1 records.

It was the second victory of the autumn campaign over Bourbon for coach Gene Crosley's Indians, whose only loss was a 6-4 verdict to West High. Bourbon was last season's county champion.

Bourbon grabbed an early lead in the contest, scoring single runs in the first and second innings. Culver, however, retaliated with three runs in the fourth in a rally climaxed by a two-run homerun wallop by Paul White.

The winners added another pair of runs in the fifth on a two-run single by Sam Lowry. Lowry, who went three-for-three at the plate, was the winning pitcher in the contest. Steve Shively handled the pitching chores for Bourbon, also banging out three hits for four trips to the plate.

Condensed scoring:  
Culver (5) — Lewis 110, Li-ette 300, Ervin 422, S. Lowry 313, White 312, Lamar 200, Boswell 300, A. Lowry 200, Carter 200, Totals 23.5.7.

Bourbon (4) — Trowbridge 400, Sharpe 110, T. Gochenour 400, Shively 403, Booz 411, L. Gochenour 300, Craig 322, Metheny 302, Berger 300, Totals 29.4.8.

## CMA Eagles Lose To South Bend John Adams

Culver Military Academy's football team, 1-1 for the season, goes after the game it wants to win most Saturday when Fort Wayne Bishop Luers High School plays here in a 2:15 p.m. homecoming contest.

Smarting from last season's 47-13 shellacking at Fort Wayne, the Eagles can be expected to go all out against Luers in a bid for their second victory of the young season.

Culver evened its season Saturday night when Coach Russ Oliver's eleven was beaten at South Bend by John Adams, 25-12, in an area-televised game. The Academy squad led Adams at halftime, 12-7, but the South Bend team nailed down its third decision in four games with two key touchdowns in the third and fourth periods. A final score by Adams on an errant Culver lateral put the game out of reach.

Although Adams moved ahead with a first period score, an alert and spirited Academy team struck back with two second period touchdowns. Mixing their attack with ground and air maneuvers, Culver moved from its own 42 to the Adams 32, where quarterback Joe Williamson hit Dick Swenumson with a touchdown pass. A team that scored five out of five extra points in the opening victory against Bremen was to be denied Saturday night, however, as Culver missed both placement attempts.

With time rapidly expiring in the half, Adams fumbled on the first play from scrimmage following the kickoff. Culver ran one play, and then a methodical Williamson called two plays at one time, eliminating the necessity of a second huddle to save time. From the three-yard-line Williamson got his team up on scrimmage without the huddle and flipped a pass to end Chris Carson for the score as the half

ended.

But Adams did its halftime work well. The South Bend team broadened its attack by penetrating Culver's pass defense, which also opened the line for ground plays. With 3:27 left in the period, Adams scored to make it 13-12. In the fourth period Adams scored again but missed the extra point. Trailing 19-12 with chances still alive for a tie, the Eagles attempted a pass play that misfired. Adams' end Bruce Montgomerie retrieved the elusive ball and raced 38 yards for the final touchdown.

## Culver Hunters Will Hunt On Crane Depot

Carol G. McFarland and Paul S. Ulery, of Culver, are the lucky winners of the privilege to hunt deer on the Crane Naval Ammunition Depot, during the special deer hunt that is scheduled for this area. No Culver residents' names were drawn for the Camp Atterbury area.

There were 450 names of hunters drawn, plus 30 alternates for the Crane Area out of 4,942 applicants. Eight hundred and fifty names were drawn out of 2,540 applications for the Atterbury area.

The local hunters will be notified by mail.
