## Homecoming At Academy This Weekend

Culver Military Academy is preparing for one of its three biggest weekends of the academic year, Friday, Saturday, and Sunday (Oct. 26-28) when hundreds of parents will be on campus for Fall Festival and Fathers Weekend.

This weekend compares in importance with Mothers Weekend in the spring and commencement in June since on all three occasions upwards to 1,000 parents and guests visit the Academy. Fall Festival this year will present a full program of social, theater, sports, and academic activities for Culver visitors.

Key events include a concert by Dick Schory's Percussion Pops Orchestra at 8:15 p.m. Friday, the Culver-Hobart River Forest Football game at 2 p.m. Saturday, Superintendent and Mrs. Delmar T. Spivey's tea for parents, faculty and guests at 4 p.m., the formal Autumn Ball at 9:30 p.m. Saturday, and religious services and a full garrison parade Sunday morning.

Parents will begin arriving on campus Friday when members of the faculty and counselors will be available for conferences. A Father-Sons Banquet in the Dining Hall will be held at 6:45 p.m. preceding the Schory concert in the Eugene C. Eppley Auditorium.

Saturday at 9:45 a.m. Superintendent Spivey will greet all parents at a meeting in Eppley Auditorium. The meeting will adjourn in time for parents to witness a series of military exhibitions beginning at 11:45 a.m. on the Riding Hall Terrace. Afternoon activities will center around the football game in which Culver will go after its fourth victory in a row. The Warren Bills Orchestra will play for the Autumn Ball from 9:30 until 1 a.m.

Because of the anticipated large crowd of guests, religious services Sunday will be divided. The Rev. Allen F. Bray III, Academy chaplain will conduct services at 9:15 a.m. for the Infantry Battalion and Band and at 10:30 a.m. for the Cavalry Squadron and Artillery Battalion. A garrison parade with fathers in the reviewing line will be held at 11:50 a.m. on the Riding Hall Terrace, and a special demonstration by the public speaking class at 2 p.m. in Eppley Auditorium will end the weekend festivities. The demonstration, conducted by students of W. J. MacQuillan, will consist of choral reading, monologue, and dialogue.

## Lake Maxinkuckee Access Area Is Being Improved

The State Conservation Department, after several years of inaction, decided to do something about the Lake Maxinkuckee Access Area, located on West Shore Drive. This past week access personnel made some very much needed improvements. The launching area was widened to a 20-foot width, which will allow for two boats to be launched at once, thus helping to eliminate the congestion caused when the area is being used over and above its capacity.

Cement slabs were laid on the launching ramps, which will make boat launching much easier and trailers will not be sinking into the soft mud. Another improvement planned for the area is additional space so that cars and trailers can be parked off the road, which has become a traffic hazard during the summer months. The local Chamber of Commerce and the Lake Association have petitioned the county commissioners to lower the speed limit in that area in an effort to help eliminate the traffic hazard on the road.

## Indiana Bell's Culver Office Changes

Indiana Bell Telephone Company today announced changes in its Culver Business Office operation which manager David Orr said "will provide more convenience for our Culver customers."

The local office on Lake Shore Drive will be discontinued beginning Monday, Nov. 5. Special equipment will enable South Bend service representatives to handle Culver customers' calls to VI 2-3301 for information regarding telephone service.

"Customers will continue to dial the same number and they may expect their calls to receive the same courteous and efficient response to which they are accustomed," said Orr.

Regarding payment of telephone bills, Orr said that customers who prefer to make their payments in Culver may do so at Kline's Appliance and TV Store at 120 N. Main Street. Kline's business hours are 8:00 a.m. to 5:30 p.m., Monday through Saturday.

"For those who usually handle their statements by mail," said Orr, "self-addressed envelopes will be provided to send the payment to our South Bend office."

Orr stressed that the new arrangement will assure continued good service for Culver customers.

"Closing our Business Office and establishing this new plan means we will be available to customers through the noon hour, which has proven to be a popular time of day for customers to conduct their telephone business in all our offices throughout the state," he added.

Orr also pointed out that Kline's store hours will allow one more day in the week — Saturday — for customers to handle their telephone statements.

Orr said the November 5 change will not affect the company's installation and repair service in Culver.

## Reformation Day Service Next Sunday

The Union Township Council of Churches will sponsor a community Reformation Day service on Sunday evening, Oct. 28, at 8 p.m. in the Grace United Church of Christ, Plymouth and Cass Streets in Culver.

The Rev. Charles L. Haney, former pastor of the Culver E.U.B. Church, has been chosen to preach the Reformation Day sermon, while other pastors of the community will conduct other portions of the service.

The Culver High School Mixed Choir has responded to the invitation to be present and will sing two anthems. Richard O. Hambrook, their director, has chosen the anthems, "Come Thou, Holy Spirit" by Tschesnokoff and "For All the Saints" by Ralph Vaughan Williams.

All the people of our community are cordially invited to attend this service which commemorates the origins of Protestantism.

## CUB SCOUTS OF PACK 290 TO MEET TUESDAY

The October pack meeting of the Cub Scouts will be held in the Lions Den at 7 p.m. on Tuesday, Oct. 30.

The Bobcat ceremony will be the main event of the evening and all new Cub Scouts, along with their parents, are urged to attend.

## School Instruments Repaired

Left to right — Back row: Loretta Berger, Jane Ives, and Cindy Lemar. Front row: Valerie Carter and Pam Fish.

Left to right: Jim Boswell, baritone; Rex Crump, sousaphone; Sheryl Fisher, baritone saxophone; and Andrea Siple, bassoon.

Shown in the pictures above are the fortunate students who were issued "like-new" instruments during the opening days of school this year.

Richard O. Hambrook, Culver High School Band Director, had nearly all the school's instruments repaired or overhauled this past July and August. An expenditure of a little over \$1,400 was spent to repair the following instruments: 2 baritone horns — overhauled; 1 baritone horn — valves replated; 3 French horns — overhauled and 1 new case; 1 baritone saxophone — overhauled; 1 piccolo — overhauled; 1 oboe — overhauled; 1 new orchestra bell bar; 1 new bassoon; 1 new sousaphone; 1 new stereo record player with head phones for private listening. All the other woodwind instruments were given overhauls or minor repairs. The students appreciate the ease in blowing of these instruments.

After much thought and consideration the rental was increased from \$2.50 per year to \$10 per year. The money is collected by the High School Office and is put in a special instrument repair or maintenance fund. During the year when a school owned instrument needs repair it will be repaired immediately. No students have been dropped from band classes because of the increased rental this year. Many parents and students do not realize that a baritone saxophone overhaul costs about \$100; a flute and clarinet about \$29; French horns and baritones \$65; and Sousaphones about \$210. Many of these repairs are needed every three to five years.

Many thanks need to go to Mr. Hambrook and School Officials for the hours in figuring and meeting with music repair men so as the most repair work could be accomplished for the dollar. Thanks to Doug Kosterman, Larry Fisher, and John Behmer for assisting in repairing all the school owned instrument cases. This in itself has saved the school for the time being over \$500 in new cases. An expenditure of only \$8

for industrial tape, glue and nails; and muscle and time saved the difference. Thanks boys!

All of these instruments and equipment will be seen in the Annual Christmas program on Dec. 2, 1962. "A Festival of Carols" is planned by the bands and choirs. Be sure to mark this date on your calendars now.

## Friday Concert At C.M.A. Open To Public

Dick Schory's Pops Percussion Orchestra will present a special concert at Culver Military Academy at 8:15 p.m. Friday, Oct. 26, in the Eugene C. Eppley Auditorium.

The concert is part of the Fall Festival Weekend at the Academy, but the concert is open to the public. There are no reserved seats, but orchestra seats sell for \$1.50. Other seats are on sale at the Academy for the price of \$1.

Schory will bring a unique kind of "pop" entertainment in his Friday concert here. He uses 19 musicians sporting themselves among 119 instruments. His percussionists double on many instruments and are augmented by a brass choir of trumpets, trombones, French horns, and tuba.

A recording artist with RCA Victor, Schory will present a program that includes pop ballads, show tunes, original works, and favorite light classics.

## MISS VERDA ROMIG IN SOUTH BEND HOSPITAL

Miss Verda Romig, who had been ill at her home for ten days, was taken to the South Bend Osteopathic Hospital last Thursday evening for observation and treatment. Tests revealed that her illness is hepatitis and she will be confined to the hospital for some time. She is in room number 313.

## Trick Or Treat For UNICEF On Halloween

### Local Children To Make Drive

Many children of the Culver community will again collect for the United Nations International Children's Emergency Fund. The drive will be held Monday, Oct. 29, from 6 p.m. to 8 p.m. with headquarters at the Culver Library basement.

UNICEF helps governments develop programs for the welfare of their children. Fifty-seven million children and mothers in more than 100 countries and territories benefited from UNICEF aid in 1961. Many more need help. Three-fourths of the world's children live in countries where there is inadequate food and medical care.

UNICEF depends on voluntary contributions from governments, private groups and individuals. Its Board, with representatives from 30 nations, allocates aid on request from governments who match this two and one-half times.

Through UNICEF a little goes a long way. One cent can mean five glasses of milk or a child protected from tuberculosis. Ten cents provides 50 vitamins to combat malnutrition.

This annual event is sponsored by the Maxinkuckee Federated Junior Women's Club in cooperation with other organizations of this community.

## Three-Way Bonanza Is Yours For The Taking!

Why not sign up for the Culver Bridge-a-Rama today? You benefit three ways: have fun; put your name "in the pot" for a nice cash bonus; and at the same time, you are helping raise cash for Civic improvements, scholarships and charity.

You need not have a full table. If you need a partner or another couple to complete your group, your Culver Tri Kappas will arrange it for you.

See last week's Culver Citizen for further information and details of rules. Time is running out so don't delay. We should have the whole thing set up by November 1, in order to send you your schedule of opponents. Call a Culver Tri Kappa today for your entry blank.

## Funeral Services Held Sunday For George J. Smith

George J. Smith, age 42, of Route 1, Winamac, died Thursday afternoon at the Veterans Hospital at Fort Wayne, following an illness of five months.

Mr. Smith was born in Detroit on May 30, 1920 and was married Feb. 12, 1944 in Chicago to Wilma Long, daughter of Mr. and Mrs. Cloyd Long, formerly of Culver. He had resided in the Winamac area for 18 years.

A farmer and factory worker, Mr. Smith was a veteran of World War II and a member of the V.F.W. and Winamac Presbyterian Church.

In addition to his wife survivors include two sons, Rodney and Terry, both at home; and a stepmother, Mrs. Frank Skinner, of Ortonville, Mich.

Funeral services were held at 2 p.m. Sunday at the Kennedy and Braman Funeral home with Rev. C. Frederik Sanford of the Presbyterian Church officiating. Burial was in the Pulaski Presbyterian Cemetery. Military services were in charge of the Winamac V.F.W.

## Bob Yeazel Opens TV and Radio Repair Shop On Academy Road

Bob (Wayne) Yeazel has opened a TV and Radio repair shop in the building formerly occupied by the Behmer Radio Service, located on Academy Road.

Mr. Yeazel started his career in electronic service. He has been service manager for several reputable dealers and distributors. He has serviced color television sets since they were offered to the public, and has specialized in color TV since 1957. He also has received all the top awards from R.C.A. that can be given to a service repairman.

Mr. Yeazel has lived in Culver for 15 years. He is the father of five daughters and one son. He will be looking forward to meeting Culver residents at his new location on Academy Road.

### SAVINGS BONDS REPORT

Paul Swearingen, Chairman of the Marshall County U.S. Savings Bonds Committee, has received a report revealing that the county's Savings Bonds Sales for September were \$63,312.00 compared with \$57,133.00 for the corresponding period of last year. The state's sales for September were \$9,996,415 and \$9,133,899 for the like period of 1961 — a gain of

9.4 per cent. Fifty-nine of the state's ninety-two counties reported sales gains for the month.

**Crescent Class Holds October Meeting**  
The October meeting of the Crescent Class of the Grace United Church was held in the church social rooms last Wednesday evening, Oct. 17.

The business meeting was called to order by the president, Mrs. Herbyn Maynard. The class song, "How Great Thou Art," was sung by the group. Cleo Kingle read a scripture lesson from the tenth chapter of St. John and Reverend Hohman led in prayer. Mrs. Maynard then gave some thoughts from an article, "Life in 1849."

"Happy Birthday" was sung to Wilfred Craft, Edna Stahl, and Mrs. E. E. Zechiel. Mrs. Craft, chairman of the ways and means committee, announced a Bean Supper for the public which will be sponsored by the class on Nov. 14. The class is also working on the project of redecorating the church basement.

Mrs. Errol Culter and Miss Esther Stahl were appointed as a nominating committee to report at the next meeting which will be Nov. 28.

After the business meeting the hostesses for the evening, the Misses Edna, Clara, and Osie Stahl, had charge of the social hour. The mystery package was won by Mrs. Fred Zimmerman. Cleo Kingle read an article, "Thoughts For Better Living," by Rev. Don Jennings. Several clever games and contests were arranged by the hostesses.

A decided October tinge of Autumn was in the air as refreshments of doughnuts, delicious hot spiced cider and coffee were served from tables gay with yellow and white chrysanthemums.

**Culverites Visit Former Teacher In Southern Indiana**

Mrs. Shelton Kaiser, Mrs. Harold Hohman, Mrs. D. H. Smith, and Mrs. E. E. Zechiel spent a couple of days in Southern Indiana last week. They called on Miss Elizabeth Fletchall of Poseyville. Miss Fletchall will be remembered by friends here as a teacher in the Culver High School for many years. While Miss Fletchall is not able to teach, she is able to be up and about the home and was very happy to see Culver friends.

The group visited other relatives and friends and stopped at the Lincoln Memorial and Spring Mill Park, both beautiful historic spots of Indiana.

**Music and Art Group To Observe Guest Night**

Guest night will be observed at the meeting of the Music and Art group of the Culver City Club Thursday night at 8 p.m. in the Bank Auditorium.

"Fall Fashions" will be the theme of a talk by Ray Plotner of the Golden Rule Department Store in Logansport and new fall fashions will be modeled by Mrs. Wilber Taylor, Mrs. Earl Dean Overmyer and Miss Sally Muncaster.

Members are urged to attend and bring a guest.

**Culver City Club General Meeting Set For November 1**

General meeting of the Culver City Club will be held Thursday, Nov. 1, at 8 p.m. in the Bank Auditorium with the Music and Art group as sponsors.

Miss Elizabeth Muncaster will present the thought of the month, and "Ceramics" will be the subject of the guest speaker, Mrs. Lila Casterline Smith.

Hostesses for the evening are Mrs. George Ogden, chairman, Miss Osie Stahl, Mrs. Troy Babcock, Mrs. Lillie Buswell, Mrs. Robert Osborn, and Mrs. James Shearer.

**Entertains Ace of Clubs**  
Mrs. Raymond J. Ives entertained in her home Monday evening for the members of the Ace of Clubs. A dessert course was served following which pinochle was enjoyed. Mrs. Charles Ferrier was winner of the traveling prize.

**Entertains Officers Of Federation Of Clubs**

Mrs. George Phillips, 13th District President, was hostess Monday evening for dinner at the Culver Inn for State Indiana Federation club members and guests.

Present were Mrs. Vernon Childs of Hebron, State President South Bend, 2nd vice-president of I.F.C., Mrs. Stanley O'Hair of I.F.C., Mrs. Andrew Russell Jr. of Gary, 3rd vice-president of I.F.C., Mrs. Claude Steele, Knox 13th district parliamentarian, Mrs. Wilber Taylor, 13th district Secretary, Mrs. William Snyder, president of Maxinkuckee Jr. Woman's Club, Mrs. Ray Kline, Mrs. Harry Medbourn and Mrs. George Ogden.

During the evening Mrs. Phillips held open house to honor her guests. Approximately 50 local clubwomen called to meet these guests. Refreshments were served from a table decorated in the fall motif.

Mrs. Childs, Mrs. O'Hair and Mrs. Russell were overnight guests of Mrs. Phillips.

**Celebrates 86th Birthday Anniversary**

Mrs. J. L. Hoesel was guest of honor at a dinner Sunday in the home of her son, Evert Hoesel, and Mrs. Hoesel.

Other guests included her grandchildren and great-grandchildren, Mr. and Mrs. John Hoesel, Sara, David, Jim, and Richard Hoesel, all of Culver, and Stephen, Kathy, and Kim Hoesel of Warsaw.

### Attend Annual District Convention Of Indiana Federation Of Clubs

The 51st annual convention of the 13th District, Indiana Federation of Clubs, was held Tuesday, Oct. 23, at Westminster Hotel at Winona Lake with approximately 200 club women attending from Elkhart, Fulton, Kosciusko, LaPorte, Marshall, Starke, and St. Joseph Counties.

After the registration at 9 a.m., Mrs. George Phillips of Culver, 13th district president, called the meeting to order. A musical prelude by Mrs. Everett Perry was followed by devotions by Rev. Walter Scott of Warsaw, Mrs. Paul Rush, of Mentone, Kosciusko County president, extended greetings to all and Mrs. Chester Orr, Hamlet, president of Starke County Federation, responded.

Mrs. Ted Strang, District Safety Chairman, led the group in giving the Pledge of Allegiance to the flag after which the group sang, "God Bless America." Mrs. Phillips then introduced state and district officers attending after which she conducted the business.

Mrs. Granville Deaton of Akron was elected first vice-president of the 13th District to fill the vacancy caused by the death of Mrs. Lyman Baker. Mrs. Claude Steele of Knox installed Mrs. Deaton. A memorial service was conducted for deceased members of the district clubs by Miss Mary Cragmille of Bass Lake. She was assisted by Mrs. Ware Edgar who sang a solo.

Mrs. Roger Klinger, Elkhart, third vice-president of the District, gave the report of the Junior Clubs and Mrs. Andrew Russell, Jr. of Gary talked on the subject, "The Junior Club Woman — Her Place, Her Price, Her Purpose."

Mrs. A. W. Kirkman of Michigan City, second vice-president, introduced the department chairmen who gave their reports. A vocal solo was sung by Mrs. Robert Allen and Mrs. Stanley O'Hair of South Bend, second vice-president of the State Federation, gave a talk titled, "Spelling Our Name With Stars."

Luncheon was served in the hotel dining room and the afternoon session opened with several vocal numbers by a group from the Warsaw High School. The County presidents' reports were given and Mrs. Vernon Childs of Hebron, state president of the Indiana Federation of Clubs, addressed the group using as her subject, "Accentuate the Positive." After the reading of the Resolutions, the gavel was presented to the Bourbon Reading Club for having the largest attendance.

An invitation was extended by the Marshall County president, Mrs. Conda Martin of Bourbon, for the 1963 convention to be held in Marshall County. The place to be announced at a later date.

### Mrs. Donald Reed Hostess To O.E.S. Auxiliary

Members of the Order of Eastern Star Auxiliary met Tuesday evening in the home of Mrs. Donald Reed with 16 present. Assisting hostesses were Mrs. Owen Banks, Mrs. Cleo Ringle and Mrs.

The session closed with the Club collect.

Serving as pages during the convention were Mrs. Richard Hooker and Mrs. Robert Shoemaker of Argos.

Attending the convention from Culver with Mrs. Phillips were Mrs. Wilber Taylor, Mrs. M. R. Robinson, Mrs. Harry Speyer, Mrs. C. L. Shively, Mrs. Earl Dean Overmyer, Mrs. Dale Heiser, Mrs. Ted Strang, Mrs. Hattie Krueger, Mrs. A. N. Poppe, Mrs. Moehlenkamp, Mrs. George Ogden, Mrs. Harry Medbourn, Mrs. William Snyder, Mrs. William Easterday, Mrs. Donald Davis, and Mrs. Raymond Kline.

### Mrs. George Phillips Attends Seminar At Purdue University

Mrs. George Phillips, president of the 13th District of Indiana Federation of Clubs, which includes seven counties, is in Lafayette today and Thursday, Oct. 25, attending a seminar at Purdue University on Community Cooperation Improvement with the National University Extension Association and the Sears Roebuck Foundation.

Mrs. Phillips was accompanied by Mrs. C. R. Graham of Bourbon, who is the past State president of the Indiana Federation of Clubs, and who has been recently honored by an appointment from the Washington headquarters as the general chairman of the Crafts Division of the General Federation of Women's Club.

Citizen want ads up to 25 words only 75 cents.

Merle McCune.

Mrs. Jack Spencer, president, opened the meeting with an appropriate thought and conducted the business, following which delicious refreshments were served by the hostesses.

The remainder of the evening

was spent at cards with the bridge prize going to Mrs. Jerome Zechiel Sr., and flinch prize to Mrs. E. W. Carter. The mystery package was drawn by Miss Edna Stahl.

The November meeting will be held at the home of Mrs. Donald Parson.

## November Films At The Culver Public Library

"Anger At Work," explanation of one of mental mechanisms of man's personality, the headache switch. Involves displacement of anger, resentment and frustration onto others, and which impairs one's efficiency.

"Borderline," Thirty-minute film of case study of a 15-year-old girl in a remedial center for adolescent girls.

"Centralization and Decentralization," shows and discusses the advantages and disadvantages of both centralization and decentralization in our government.

"A Chance to Play," deals with the problem of the lack of community recreation areas and its resulting impact on the country today.

"Citadel City," color film of a tourist view of naval citadel Halifax, Nova Scotia. Gives historical background and present day activities.

"Edgar Allen Poe," the gifted writer is presented against the history and development of 19th century literature. Original paintings are used to illustrate each of his major works.

"Golden Twenties," the longest film in this group, 68 minutes, recaptures the exuberant and extravagant tempo of the jazz age. Emphasizes the fashions, fancies and feelings of this decade.

"Great River of the West, Columbia," has been photographed in color. Presents historical events, natural resources, and magnificent scenery.

"Industry on Parade Series Film."

"Leaving it to the Expert," what is the role of the expert in modern society?

"Lentil," a tale of a little boy and his harmonica.

"Poland, Land Under Communism," uncertain life that surrounds rural and urban population of present-day Poland.

"Science of the Sea," in color using animation and live photography, the film deals with the work of the oceanographer.

"Taxco, Village of Art," describes the blending of primitive and modern cultures in the creation

of colorful patterns of living art in the ancient Mexican village of Taxco.

"Television, How it Works," fundamentals of television broadcasting and reception are shown from transmission to electron beams in a camera to the image on a television screen.

"To Your Health," clever and entertaining this film is the best made this far in the field of alcohol education.

"Union of South Africa," compares three ways of life in the Union of South Africa; the native tribes in the reserves, the Boer farms, and the mining communities.

An announcement will be made later as to the date of the public showing of these films.

**Bookmobile Here Nov. 8**

On Thursday, November 8 the Marshall-Starke County Bookmobile will be parked near the library from 1:30 to 5:30 p.m. This will give the public an opportunity to visit the new bookmobile which is to serve the rural communities in Marshall and Starke counties.

There will be six stops in Union Township for the Bookmobile.

These include Rutland, Hibbard, Burr Oak, Culver Elementary building, Campbell's Boat Landing, and Maxinkuckee Landing.

A full schedule pertaining to stops and time will be listed in next week's Citizen.

### Fishing Tips

Some fellas sing in the shower, but fishermen think about new ways of enjoying their favorite sport — and for some it's the only sport. Well, one way of keeping lures straightened in the tackle box so you can get at them is to string your lures on shower curtain rings. Different rings can be used to keep different size lures and that way everything will be in apple pie order in

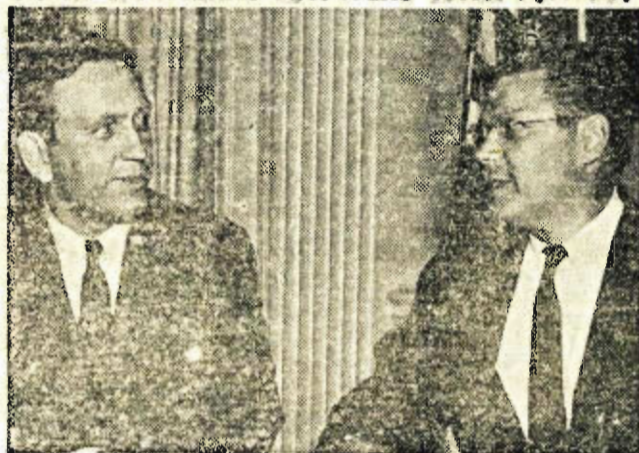

your tackle box — for a while anyway.

Fall nights can be warm nights. Never too warm for night fishing, of course, but warm enough to attract those pesky insects that always seem to come around when nobody needs 'em. Try soaking a gunny sack or two with kerosene and put it at the very end of your boat, dangling overboard. It makes a good insect repellent. Just be careful when you light up your pipe or cigarette.

# THE SCHOOLBELL

PUBLISHED WEEKLY BY THE PRESS CLUB OF CULVER HIGH SCHOOL

By Beverly Barshes, Valerie Gunder and Linda Behmer

Well, here we are back again with all the unusual happenings of good ole C. H. S. The smoke signals are rather light this week, since we have been having a lot of rain.

The seniors can vouch for the fact that it has been raining. If you don't believe us just ask the two boys who took the flag down the other day. Got a little wet, didn't you Wade Logan and Nick Knoerzer?

Speaking of senior boys, we are sorry to hear that Martin Rubnow is leaving us to join the Army. We sure wish him luck.

The sophomores seem to be having a lot of fun raking leaves. For instance, riding horses, dumping leaves where they do not belong, and falling out of wagons. You might ask Dave Lemar, Paul Liette, and Pam Crozier about these weird little happenings.

If you think the seniors and juniors looked a little dazed last Tuesday, it was because they had just taken the P. S. A. T. (The name of the test, Preliminary Scholastic Aptitude Test, is enough to put anyone in a daze!) Anyway, at the end of the two hour period everyone was doubtful that he knew anything at all!

We have heard that the coach must take a stick and chase the boys out of the gym after basketball practice. This is really great... all this enthusiasm!!!!

Mr. Hambrook, are you really raising snakes now instead of directing music? Carol Overmyer seems to have that impression.

It seems that Joan Dillon, who interviewed Mr. Zellers for the "Schoolbell," had quite the wrong impression of this new teacher's age. Just because he teaches ancient history doesn't mean he lived then, Joan.

Really, Mr. Lawson, if you aren't careful you are going to hit someone when you start getting excited during your lectures. I understand some of the civics majors would like to cash in their front row seats.

Mrs. Kline? ? ? Do you think that if one of your senior English students produced a really outstanding conversation between a couple of pilgrims that it could be added to the "Canterbury Tales," or maybe its author could be buried in Westminster Abbey?

Attention! Attention! all pro-football managers! Somewhere in this wee town of Culver there is a stupendous leaker. His football was found on top of the Post Office, but he is yet to be located.

Has anyone heard about Carmen Chester's "Lady Bug Zoo" in the French Lab? It seems one of Carmen's beloved little creatures became ill. We all send our regrets to Carmen.

"Hi! Glad to meet you. I'm Sheryl, that's Cheryl, that's Sherrill, and that's — no not Sheryl, believe it or not — that's Martha." With three varsity cheerleaders with the same name — each spelled differently, no less — the cheerleaders from visiting schools may get a little confused! But we are proud of Sheryl, Sherrill,

man, Cheryl Dillon, Sherrill Edgington, and Martha McAllister. Congratulations girls. Keep up the good work.

The B-Team yell leaders for this year are Lonnie Darosci, Kathy Easterday, Linda Thurin, and — we have a male on the squad this year — Larry Banks!

You won't believe it! Out of the three freshman cheerleaders elected, two of them have the same name. What is the common name? Yep, you guessed it, Cheryl and Sheryl. The full names of our Freshman cheerleaders are Cheryl Harmon, Sheryl Fisher, and, of course, Holly Thompson. Congratulations again to each of you. We are looking forward to the coming basketball season.

AH! Groan! It seems the cheerleaders are getting in shape. In fact, the Varsity cheerleaders journeyed to Indiana University on Oct. 20, to a state-wide Cheerleaders' Day. They even had a chance to win a trophy.

Certain undercover agents tell us that Jim DeWitt seems to be having a pretty tough time in World History. He can never say what he means, but at least he keeps the class lively!

Well, it just started raining again and our fire has gone completely out. We will have to quit for now, 'cause it will take another week to start the fire again.

## Leaf Raking In "Full Swing"

By Dawn Walter

The freshman took the Preference Tests Tuesday and Wednesday, Oct. 16 and 17. These tests attempted to point out the main interests and abilities of each student. The results will be helpful in determining the best course of study needed for the ensuing years.

The sophomores will rake leaves on Saturdays beginning at 9 in the morning, and during the vacation connected with Teacher's Institute. Anyone wanting their yard raked should contact Jim Boswell. They have their fudge sales on the last Friday of every month.

The juniors would like to thank Lucy Osborn and Pam Phelps in their make-up management and Betty Riccardi for her art work in the Junior Play. They would also like to thank Jim Hopple and Rex Crump for their hard work in the stage management.

According to a recent survey, newspaper advertising influences purchasing most, 81% of the people made purchases because of newspaper ads, only 4% because of television.

## Halloween Is Theme Of Grades

By Bonnie Good

Pumpkins, black cats and flying witches seem to be the predominant figures in the grade school. Many classes are planning their Halloween parties, so — before long we will be seeing spooks all up and down the halls. Although the general atmosphere is filled with ideas about Halloween, the classes have not forgotten to study.

In Mrs. Barton's first grade the students are painting pretty pictures, and learning their "tens" in numbers.

Mrs. McLane's class just finished the "Little Red Story Book." They also had an apple tasting party where everyone enjoyed apples.

Mrs. Keyser's first grade just completed their "Little Red Story Book" and are working on their word lists. The students in this class have a very interesting project; they are watching a caterpillar spin its cocoon.

Both Mrs. Allen's and Miss Page's second grades are starting a new book, "We Are Neighbors." Miss Page's room has a very lovely rock collection, which has been added to their science table.

The second grade class of Mrs. Shirrell was intrigued by a humming-bird's nest which Karen Dolahan brought to science class. The nest was so tiny it was hard to believe a bird could fit into it. Carol Overmyer celebrated her birthday by bringing her classmates a treat. Daniel Andrews has moved to Texas.

Mr. Horban, who teaches the fourth grade, has poets in his class. Everyone has been writing poems or myths. They have also been interested in a meteorite which Dave Williams brought to school.

Miss Mahan's fourth grade has a lot of good spellers. Three students received gold stars, and seven received silver stars.

Mrs. Keller's fourth grade is busy working in arithmetic workbooks. There are nine girls who name and spell the names of seven continents and four oceans.

The fifth grade students in Mr. Vondra's class are acquainting themselves with the Northeastern part of the United States. As a part of this study, maps are being made.

Miss Henning is very proud of her students, as six of them have not missed a spelling word in six weeks.

Everyone in Mrs. Carter's class sent a get well card to Olga Ruiz who was in the hospital for an eye operation. They hope Olga will be back soon.

## "SCHOOLBELL"

By Larry Linhart

Have you ever wondered how the Culver "Schoolbell" received its name? First, a little background history is needed to understand how the "Schoolbell" came into existence.

In 1931, Mr. Robert Rust came to Culver and was the teacher of Journalism. He, and his class, thought it would be a good idea if the public was informed of school interpretation. This was the original purpose of the "Schoolbell." Perhaps the purpose is best described in the first issue of the "Schoolbell," which said in part: "In this issue, the Culver 'Schoolbell' makes its initial bow. The purpose of this page is threefold: to acquaint people with school activities, foster school spirit, and present student opinion. Edited entirely by students with the assistance of a faculty advisor, we hope it will give a true glimpse of school life and we hope that it will guide the true spirit of Culver High School."

The original press club's activities were many. They held meetings and had a lot to do with bringing the National Scholastic Press Association to Indiana, a feat yet to be accomplished again. They also started another edition which was distributed monthly, called the "Chronicle." This was published for two years, but proved financially unsuccessful.

The "Schoolbell" was the first attempt of any school in Northern Indiana to assert the excepted media of the public. With wholehearted preparation, the "Schoolbell" was first published in December of 1931.

Contrary to some beliefs, the "Schoolbell" received its name somewhat as a contest. When the students thought of having this paper, they needed a worthy name for the paper. Many names were submitted, and as a group decision, "Schoolbell" was accepted over such a name as the "Chroni-

cle." This new name was a symbol of the ringing out the news as a schoolbell rings out the starting of school.

## Hi-Y Makes Plans

By Beth Sperry and Vicki Lyons

The Hi-Y is being reorganized and is planning more activities for this year. Invitations inviting new members to join are being issued. The Hi-Y boys hope to have a full and prosperous year with Mr. Cox, their new sponsor.

The Sunshine Society is getting ready for the coming school year. Tuesday, Oct. 16, the chairman of the standing committees met to select their members. These committees are in charge of all the projects for the year and each Sunshine member is on one committee.

The Science Club has not yet elected its officers, but they hope to soon. At the last meeting, projects and experiments for this year were discussed.

The Tomahawk Staff is getting everything in order to begin work on the new yearbook. The main point at this time is to select a cover design and color.

## Marching Boys' Band Organized

By Sue Cole

Did Culver hire another band director? No, that was Carol Overmyer, our newly elected student director, taking over while Mr. Hambrack was kept occupied with the boys marching outside. You did very well, Carol.

The town has been serenaded lately. It is good to see and hear the Culver Senior Band boys out marching. (They have to keep in shape!). The boys are practicing for the Halloween Parade. In case you have been wondering who the snappy drum major is, his name is Thad Overmyer, our band president. I can hardly wait to see the costumes these boys will have on that night. This boys' band also has a new bass drummer. How do you like it, Dick Mackey?

Last week, several memorable events occurred to "keep the place jumping." First, a blue racer snake was discovered next to the piano while Carol Overmyer was playing. We thank Mr. Kepier for giving the snake a "happy home" in the biology room. Later in the week, a bee stung Mr. Hambrack on the hand while playing the piano for the eighth grade boys. The biggest surprise came when a couple of the brass instrument players of the Senior Band were discovered practicing organ fingerings on a piano in one of the practice rooms.

The Senior Band has been hearing some very interesting records concerning brass instruments on the school's new stereo record player. We soon hope to hear records on "The Young Persons Guide to Symphony Orchestra."

The eighth grade general music class has been making primitive instruments. They are due in a few weeks.

The seventh grade general music class has been learning two songs. One is "I Love A Parade," and the other is "Stout Hearted Men." After learning these songs, the percussion section will be added to the singing.

Mr. Hambrack informed the general music classes of the new music books in the school's library.

The music students have rented, all but two school owned instruments. Three new students starting to play on school owned instruments are the following: seventh grader Patsy Behnke on bassoon, sixth grader Russel Teach on Sousaphone, and sixth grader Pam Welsh on Sousaphone. We thank these students and wish them good luck.

Music students have been singing for solos and ensembles for instrumental, piano, and vocal contests. Accompanists, get ready!

Only 62 more days until Christmas. The Christmas music has arrived, and everyone is hard at work. There will be a cantata presented for the public called "A Festival of Carols." This program will be presented by six musical groups. It will contain all your favorites.

It surely is pleasant to see Mr.

Garber, the grade school music teacher, back again. He was absent due to illness. The grades have been given some tests on music. Mr. Garber has also been testing voices.

## "This and That" About Education

When our young people receive their diplomas, are they ready to occupy a position in our vast occupational opportunities? To be educated is to be fit for a calling by systematic instruction. Do many parents think school is a necessary evil for their children? Do they think that because they had to withstand the 12 years, that their children must also endure the doleful years of school? Students need to be encouraged by their parents to grasp and attain the most from their school experience.

Because parents had a particular weak subject area, is no reason that one of their children will have the same weakness. When children are told by parents that English is too difficult for anyone to comprehend, then the student is already defeated. He probably will be placid when the teacher tells him that almost anyone may attain a workable knowledge of English. This same attitude by parents carries over into mathematics, languages, history, and others. Let the student investigate a particular subject for himself with no delusions beforehand from his parents.

When the student is encouraged at home and free from outside prejudices, then he is more capable to perform the job of developing and cultivating his moral and mental capacities. Through training and discipline the student will be ready for the opportunities that await him. By training we mean the exercise or practice to gain skill in all subjects. By discipline we mean the systematic training and right conduct which will cultivate the student.

When the student graduates, he will need to be able to express himself intelligently. If he goes on to college, the style of language that he uses will affect his work in every subject. If he goes to apply for a job, he will find that the personnel manager will notice every little phrase which is unintelligible.

When the graduate communicates with friends, relatives, and business associates, he will find himself more respectable when his thoughts are transferred clearly to another person.

Actually school is not just learning so many rules, but it is the process of cultivating ourselves until we naturally respond with the correct statement or answer. This is true because the rules have guided and molded us into this state of being.

Therefore, we see that the ability to express ourselves intelligently will be one of the most important abilities that we may gain from school. Students, par-

ents, and teachers need to work together in order that each student will be qualified to enter into a position of worthiness in our society.

## Basketball Practice Gets Underway

By Bob Carter

Once again the eyes of C.H.S. and all of Culver turn to basketball. Twenty-two boys come to practice every night after school. This rigorous sessions lasts until at least 6 p.m.

This year Coach Cox is taking command of the B-Team and we wish him the best of luck. Coach Crosley is head coach and will have control of the Varsity.

## Students Display Art Work

By Diana Tanner

Our new bulletin board is completed! Since Monday the art department has displayed its work to the high school students. The pictures on this new bulletin board will be changed every two or three days for the students' interest.

The art students, leaving the shading and pencil drawings they have been studying, are entering the color aspect to help enhance their future art work.

It is planned that several murals concerning the seasons of the year will be developed.

## Do You Remember 'Way Back When?'

Highlights of Culver News of 10, 20, 30, 40, and 50 Years Ago This Week

### OCTOBER 22, 1932 —

The front page of this week's issue depicts construction activity on the Culver school building over 49 years ago, photo of which was loaned to The Citizen by Charles McLane. Present construction is progressing on the site adjacent to this old building which will soon be razed to make way for the new east wing of the 22-room elementary school.

Homecoming at the Academy will be this coming weekend with the highlight of the celebration being the football game with Western Hills of Cincinnati, Ohio. Miss Joanna Belle Snyder, daughter of Mr. and Mrs. Paul Snyder, became the bride of Virgil Dale McCann of Plymouth in a Sunday ceremony at the Methodist Church.

The marriage of Thurman W. Condon of Culver and Marie Ducker of Plymouth took place Saturday evening.

Dale Davis, veteran Culver Citizen printing foreman, will be one of the topic leaders at the fifth annual Newspaper Mechanical Conference at Indiana University next Saturday and Sunday.

Mr. and Mrs. William Greene are the parents of a daughter, Connie Dianne, born Oct. 15.

Mr. and Mrs. Robert Lindvall announce the birth of a daughter, Brenda Sue, on Oct. 21.

### OCTOBER 28, 1942 —

Word has been received that Oscar Mikesell, son of Mr. and Mrs. Claude Mikesell, has been promoted to Sergeant. He has been stationed at Camp Shelby, Miss.

Tech. Sgt. Dwight Griffith, who has been stationed at Camp Dawson in West Virginia for several months, has been transferred to Fort Knox, Ky.

A marriage license has been issued to Joseph R. Kaminiski of Bass Lake and Marie Wikman of Culver.

Mr. and Mrs. Nicholas Molnar announce the arrival of a son on Oct. 27. Mrs. Molnar is the former Rose Drnek.

Innoculation for diphtheria was held for the high school, grades, and preschool children Monday. Vaccination for smallpox will be given on Nov. 23.

Optimism reaches its full flower when a Bremen woman advertises the loss of two \$5 bills and offers a reward for their return.

The explosion of an oil stove in the kitchen of Lewis Kepler's new residence in Vandalia Park created excitement in the neighborhood yesterday. Two of the Kepler youngsters were in the room at the time and the door was locked. Clifford Waite extinguished the fire after the door had been broken down and the children rescued.

Lloyd Zehner was seriously injured Wednesday when a mule kicked him.

## Demos Hear Gov. Schricker At Culver Rally

Union Township Democrats, candidates for county and township offices, and state candidates enthusiastically listened to former Governor Henry F. Schricker, of Knox, as he addressed a large gathering last Thursday night at the Culver Catholic Church. Gov. Schricker was introduced to the

audience by Senator Marshall F. Kizer. Governor Schricker brought out the great heritage the members of the Democrat Party enjoy. He dwelt long on the necessity of electing men of integrity and pointed out that with a few exceptions, Democrats in Indiana could point with pride to the many public servants they had supplied over the years.

He complimented the Marshall County Democrats for the high caliber of men on their ticket this year.

The evening program started

with a free meal of Sloppy Joe sandwiches and all the trimmings, along with a musical program. The meal was prepared by the Democrat women of Union Township and was served by township and county candidates. Mrs. John White, Marshall County Vice-Chairman acted as chairman for the evening in the absence of Ernest Bixel, Mrs. Vivian Rankert, of LaPaz, president of the Marshall County Women's Club introduced the county officers who live in Union Township.

### OCTOBER 24, 1912 —

Henry Zechel has a dwelling under construction on his farm west of town which is to be occupied by his son, Willard.

Mr. and Mrs. Earl DeMont announce the birth of a daughter on Oct. 11.

A son was born Oct. 17 to Mr. and Mrs. Monton H. Foss.

S. E. Medbourn last week bought the big ice house owned by J. O. Ferrier for the past five years.

Mrs. Sarah N. Odell, age 80, died Sunday at the home of her son, Albert, near the North Union Church.

C. W. Newman & Sons are delivering 1,000 bushels of potatoes to the Academy at 40 cents per bushel.

The new onion storage house will be dedicated Saturday night with a Halloween-leap year party.

Roy Warner and Jesse Crabb have bought the grocery and dry goods store of Fannie Walsh at Maxinkuckee and Jesse Rhoads is back again in the pressing and cleaning shop.

J. A. Holem shot a cormorant at Twin Lakes last week. It was a fine specimen, its wings spreading 54 inches. The bird is a habitant of the coast in most parts of the world. It is a fish eater and rarely gets inland.

R. C. McFarland's well-drilling outfit has been brought from Warsaw to Culver to put down two 6-inch wells, one for the town pumping plant and one for the Academy.

## Be Sure Your Vote Counts — Here's How To Do It

Due to the fact that Nov. 6 is election day and that it is important that every voter go to the polls and cast his ballot for whom he chooses, it might be well to list a few of the do's and don'ts in marking your ballot. Every election brings out the fact that many of us do NOT know how to vote or mark our ballots so they will be counted.

The following are the most important do's and don'ts in voting for your choice:

1. Voter must announce his or her name and address on the voter's poll at the poll clerk's table.

2. Voter must get ballots and a blue pencil from the poll clerks in the election room.

3. Ballots must have the initials of the poll clerks or assistant poll clerks on the lower left hand corner of the back of each ballot in ink.

4. To vote a straight ticket — If a voter desires to vote a straight ticket, the voter must mark an X inside the emblem of the party for whom he desires to vote. **NO OTHER MARK SHOULD BE MADE ELSEWHERE ON THE BALLOT.** A mark on a ballot other than described above shall be interpreted as a distinguishing mark and the ballot shall be void.

5. Mixed Ticket — If a voter does not desire to vote a straight

ticket he must not mark an X in the large circle containing the emblem of any party, but must make an X inside the small squares to the left of the name of each candidate for whom he desires to vote. Your vote will not count if you vote for different political candidates running for the same office unless instructions contained on the ballot says "Vote for any three." This rule applies only to those not voting a straight ticket.

6. No mark other than an X inside the circle or square should be placed on the ballot. **A BALLOT IS VOID AND WILL NOT BE COUNTED IF THE VOTER —**

(a) Attempts to erase any mark on the ballot.

(b) Crosses out, scratches out, or blocks out any mark or name on the ballot.

(c) Writes any name or anything whatever upon the face or back of the ballot.

(d) Marks a ballot for any candidate with a check mark or any mark other than X.

(e) Marks a ballot with anything other than the blue pencil procured from the poll clerks; or

(f) In any way marks the ballot other than in the prescribed manner.

7. After the voter has marked his ballot and before leaving the voting booth, the voter must fold each ballot separately so that the face of the ballot can not be seen but the initials of the poll clerks can be seen. Folded ballots must pass through the ballot box opening.

8. If a voter accidentally, or by mistake, ruins a ballot it should be returned to poll clerks and if poll clerks are satisfied it was not intentional, another ballot of the same kind may be procured. The mutilated ballot shall then be destroyed by the voter in presence of the board.

## Goose Seasons On State Game Areas Are Announced

Goose hunting at Jasper-Pulaski is on a reservation basis. Address all requests to Jasper-Pulaski Game Farm, Medaryville, Indiana. At present, all dates are filled until November 2nd. Also, all Saturdays are filled during November. Applicants should include their names, addresses, and state hunting license numbers. Give the preferred date and at least three alternate dates. A minimum of two hunters and maximum of three hunters are assigned to each pit. One person can apply and include the names of two other hunters. Successful applicants will be notified and receive copy of rules and regulations. A deposit of \$3.00 is required per pit.

The opening date for goose hunting at Willow Slough will be announced at a later date after the population has built up sufficiently for pit shooting. Drawings are held each morning with no reservations accepted.

Goose shooting at the Kankakee State Game Preserve and Tri-County State Fish and Game Area will begin at noon, November 2 (C.S.T.), at the same time as duck hunting.

 An assuring message about immortality will be brought out at Christian Science services Sunday in a Lesson-Sermon on the subject "Probation After Death."  
 Opening the Responsive Reading will be these verses from the Bible (John 14): "Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself: that where I am, there ye may be also."

One of the citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (p. 487): "The understanding that Life is God, Spirit, brings us our days by strengthening our trust in the deathless reality of Life, its almightiness and immortality."  
 The greatest of faults is to be conscious of none.

The Hand of Trust

Almost every frightening step of childhood is marked by a singular emblem of trust. A child's trembling fingers grope upward. A parent's warm grasp is felt. And youth steps forward into new paths, fear melting into confidence.

God must count on parental hands to lead His little ones to Him. For religious training is part of the vast unknown until Mother and Dad begin to lead their child each week to Church.

Yes! God counts heavily on our hands. There is no one else into whose palm our child's fingers slip so readily. No others can teach the early lessons of faith and prayer so simply, nor illustrate them so vividly at home.

Indeed, that loving hand of trust which leads a child to Church seems in turn to be clasped by the hand of God.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

A total of 31 Boy Scouts attended the October 22 meeting. Shuttleblock relay was played with the Panther and Wolf Patrols each winning a game. Demonstrations on bandages were held. Following the demonstrations each patrol went into patrol corners and studied leaves and bandages. The closing game was a crab race won by the Panther Patrol. The meeting ended with the Scoutmaster's Benediction.

A Green Bar meeting will be held at Steve McCombs' home this Thursday, Oct. 25 at 7:15. We will plan next month's meetings and activities.

The campout planned for this weekend has been changed to one overnight to be held Friday and Saturday, Oct. 27 and 28, if the weather permits. Parents are invited to the campsite on Sunday at 1:30 to witness the Rally Events. All Scouts who are going and haven't contacted the Scoutmaster must do so by Thursday. Those that are attending the outing are to meet at the church at 9:00 sharp Saturday morning with their personal equipment.

Next Monday the Troop will help with the Unicef campaign. All members are to meet at the Library basement at 6:00 to assist in this worthwhile project.

Common first aid will be the Scoutcraft demonstration at next Monday's meeting.

**SAFE DEPOSIT** — A Delphi youngster, Mike Little, had accumulated two nickles and when it came time for his afternoon nap he looked around for a safe place to hide his fortune. The Delphi Citizen reports that the little boy finally hit upon what he thought was a happy solution. He put the nickles in his mouth and went to sleep. But when he awakened they were gone. He had swallowed them. A doctor said the lad would suffer no ill effects.

SCHRADER BROS., Auctioneers CARL NEWCOMB

JAMES WHITCOMB RILEY, BORN 1849, GREENFIELD, INDIANA

HE became poet laureate of Indiana. He is one of the world's most famous literary figures. But, to his friends, James Whitcomb Riley was just "Jim"... a Hoosier who loved a good joke. But once his sense of humor got a little out of hand.

As a newspaperman in Anderson, Jim argued with friends that any sort of poem would be published and acclaimed if it were written by a well-known poet. To prove his point, he gave a poem he had just written... entitled "Leonainie"... to an editor friend in Kokomo who agreed to print it as "an hitherto unpublished poem of the lamented Edgar Allan Poe."

It became a sensation... discussed in papers in New York and other cities. But the hoax was finally exposed, and Jim's joke landed him in hot water. He proved his point, but he got fired for his efforts!

That was in 1877 when "Jim" was just starting on his career. And, that same year, another "career" was beginning... Indiana's first telephone was installed. The wires were only a few blocks long, one had to shout to be heard, but it worked!

From that one crude instrument, telephony in Indiana has grown to over one million Indiana Bell phones today... an indispensable communications network.

The 8,000 Indiana Bell employees, and the 21,000 Hoosiers who share in the ownership of the Bell System can be proud of their contribution to the world's finest, most advanced, communications services. And they will be prouder still of the remarkable developments that are coming soon to benefit all Americans.

**THEN and NOW**

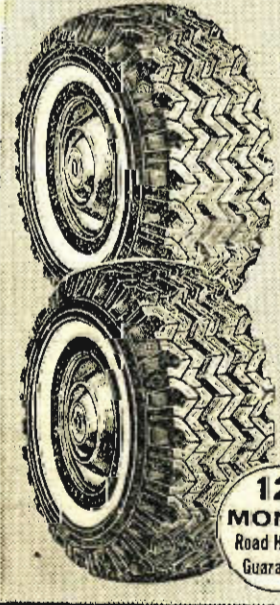

The early phones were crude, temperamental, and hardly things of beauty! A far cry from the new Princess Phone now available from Indiana Bell. It's little, lovely, and it lights up! For your desk, chairside table or bedroom.

### Academy Sports

Culver Military Academy, with its best football team in four years, goes after its fourth victory in a row Saturday before an anticipated large Fall Festival weekend gathering of parents and guests.

The opponent for the 2 p.m. game here will be Hobart River Forest, one of three teams that added blemishes to the Eagles' record last year in a 6-6 tie. Coach Russ Oliver's eleven goes into the game with a 4-1 record after adding St. John's Military Academy as its latest victim, 22-7, Saturday at Delafield, Wis.

Facing a bigger St. John's outfit in its annual military school rivalry, Culver jumped on the Wisconsin team on the opening kickoff. Halfback Tom Lloyd ran 75 yards with the kickoff for a touchdown and Art Miller kicked the extra point. St. John's bounced right back with a touchdown of its own a few minutes later, but Culver was in control the rest of the way.

Chris Hinkle, "the horse" of the Academy's offensive machine, broke the 7-7 tie with a second period touchdown on a three-yard run. Doug Jackson scored in the third period on a pass from Dick Swennumson and Miller kicked another placement. The final score was a two-point safety in the last period.

### Culver C. of C. Joins Others Sponsoring Clinic

The Culver, Bremen, Plymouth, Walkerton and South Bend-Mishawaka Chambers of Commerce are jointly sponsoring the I-4-2 Legislative Study Clinic being held at South Bend in the State Park Room of the Pick-Oliver Hotel, Thursday, Oct. 25. The series of 23 area clinics are being conducted by the Indiana State Chamber of Commerce. Staff specialists of the State Chamber related the clinic's theme, "Help Build A Better Indiana," to the subjects of Taxation, Education, Personnel and Labor Relations and Unemployment Compensation. The discussions will tie in the

needs on these subjects to the actions of the coming General Assembly in January.
