Raymond Dimmitt, Former Railroad Agent, Dies

Raymond J. Dimmitt, former Nickel Plate railroad agent at the Hibbard station, died Tuesday, Nov. 13, at his home, 204 Cherry St., Argos, following a two-year illness.

Mr. Dimmitt was born in Argos on Aug. 5, 1889, and worked as a Nickel Plate agent for 32 years. On Jan. 6, 1908, he was married at St. Joe, Mich., to Pearl Crabb who survives.

Other survivors include a daughter, Mrs. Frank McGovern, Burr Oak, and a sister, Mrs. Lela Ludwig, Argos.

Funeral services were held Friday afternoon at the Harry Price Funeral Home in Knox with Rev. Rufus Gerkin officiating. Interment was in Oak Park Cemetery at Knox.

WILLIAM E. COVINGTON

Pensacola, Fla. — Navy Ensign William E. Covington, son of Colonel and Mrs. W. E. Covington of Culver, made his first solo flight in a military aircraft Oct. 12.

The flight was made at the Saufley Field Naval Auxiliary Air Station, Pensacola, Fla., where he is undergoing basic flight training. The solo followed 12 flights of dual instruction.

The flight marks the first big step toward designation as a qualified military aviator, eligible to wear the gold wings.

Ens. Covington is a graduate of the Naval Academy, Annapolis, Md.

WESTERN PACIFIC—Marine Private First Class Samuel M. Medbourn, Jr., son of Mr. and Mrs. Samuel M. Medbourn, Sr. of East Shore Drive, Culver, is serving in the Western Pacific with the Marine Corps.

4-H'ers Receive Awards At Farm Bureau Meeting

Over 140 people of the Union Township Farm Bureau and 4-H Clubs with members of their families met at the Lions Den Saturday evening for a turkey potluck supper and program.

Rev. W. S. Chisholm read scripture and gave thoughts on thankfulness for our free country and the friendliness we have for each other, following which he offered prayer.

William Lake entertained with interesting pictures and recited appropriate poetry.

While the 4-H'ers received their awards and a check for \$50 from the Farm Bureau, the Pet and Hobby Club held their meeting with Mrs. Ferris Zechiel.

The Farm Bureau held a short business meeting and the nominating committee presented their slate of new officers. Those elected for 1963 were Rev. Lawrence White, chairman; Oscar Zehner, vice-chairman; Mrs. Wayne Kline, woman's leader; and Mrs. Adrian Snapp, secretary-treasurer.

CROP Corn Or Cash Canvass Now Underway

Christian Rural Overseas Program's, (CROP), annual county-wide canvass for corn or cash began yesterday following the kick-off dinner Monday evening, Nov. 19, at the Plymouth Church of the Brethren.

Fifty-four participated in the meal sponsored by the banks of Marshall County. Owen Price, chairman of the county board, Bourbon, was in charge of the meeting.

Mr. and Mrs. Orville Sherman of Mexico, Ind., presented moving pictures of their work in Greece where CROP supplies were distributed.

Supplies for the canvass were given out. Eight townships were represented. The canvass will continue until Nov. 27 or until completed and County treasurer is Harry Rohrer, 301 W. Jefferson, Plymouth. The goal for Marshall County is 4,000 bushels of corn or \$4,000. If each farmer or contributor gives one more bushel or one dollar more than he has given in former years it is estimated that this would increase the total giving in Indiana by \$40,000.

One bushel or one dollar will send from 300 to 400 pounds of surplus food to feed hungry people. Let us give thanks by sharing with the hungry people of the world.

Mom's Day

Seven little lunch bags
On the table in a row.
Soon the bus will come
And off to school they'll go.

There's faces to wash
And the combing of hair.
It seems that I'm wanted
At once everywhere.

I've sewed on a button,
I've mended a tear.
I've answered the question,
"Mom, what can I wear?"

Is that the bus coming over the hill?
"Mom, where are my shoes?"
"Can I have a dollar
To pay my class dues?"

I've found the lost cap
He left on a chair —
T'was under the bed,
Now, how'd it get there?

Well, the bus is gone,
It's quiet once more.
I've waved them good-bye
From the kitchen door.

What's that on the table?
I might have known
A forgotten lunch bag
Sits there alone.

Now the day is over
The bus is coming down the road
Bringing home again
Its happy, noisy load.

I have their supper ready,
A surprise for a treat —
For the first thing I'll hear
Is, "Mom, when do we eat?"

"Mom, where are my books,
I have to study for that test.
There'll be a prize from the teacher
For the one who does the best."

"Now it's bedtime for all of you
So up to bed you go."
"Aw, Mom, it isn't late yet
Can't we watch just one more show?"

Well, they've all gone to sleep
And now I can rest
And thank God above
For how I've been blest.

Editor's Note: The above poem was written and contributed by Mrs. Maxine Herr, a Culver resident living on Route 2.

United Fund Workers Enjoy Victory Dinner

General and Mrs. Delmar T. Spivey were hosts to over 60 United Fund workers in the cadet dining hall on Monday evening, Nov. 19. This courtesy has been an annual observance for a number of years. The United Fund board is indeed grateful for the continued support given to this worthy cause.

Ronald McKee reported that the fund had reached the \$7,000 goal with a slight balance. Culver and Union Township should be very proud of this achievement. Since the organization's inception it has never failed in its annual drive.

Sponsor Benefit Card Party

You are invited to a Card Party which will be held at the Lions Den Thursday, Nov. 22, 8:30 p.m.

This event is being sponsored by the Maxinkuckee Junior Woman's Club in aid of community federation projects. Donation to the Card Party will be \$1.00 per person. Tickets are available from any club member or at the door.

Another feature of the evening will be a Holly Shoppe with hand-crafted Christmas decorations, gift items, and holiday foods.

Mrs. Jerome Zechiel, Jr. is general chairman and also chairman of the decorations committee. Assisting her with decorating are Mrs. Warren Curtis, Mrs. John Hoesel and Mrs. James McCombs.

Mrs. Ted Strang is being assisted by Mrs. James Bonine and Mrs. Bernard Busart on the ticket committee.

Mrs. Hugo Anderson and her committee, Mrs. Loren Voreis, Mrs. George Hopple, Mrs. Robert Lindvall and Mrs. Kenneth Martin, are in charge of refreshments.

Serving as chairman of the Card Party is Mrs. Roger Thews, with Mrs. Jack Campbell, Mrs. Edward Schultz and Mrs. William Herrmann assisting.

Publicity for the affair is being handled by Mrs. Robert McKinnis, chairman, Mrs. Dale Heiser, Mrs. Roy Nicodemus, Mrs. James Cox, and Mrs. Charles Edgington.

Mrs. William Snyder is president of the organization.

Morehead Grants Offered Yearly To Two CMA Cadets

Two Culver Military Academy students will be eligible each year for all-expenses paid scholarships to the University of North Carolina on grants by the John Motley Morehead Foundation of Chapel Hill, N.C.

Culver is the first independent secondary school in the middle west and the 14th in the country to be granted the privilege of nominating students to Morehead Scholars.

Announcement of the arrangement was made jointly by John L. Morehead, vice-chairman of the Board of Trustees of the Morehead Foundation, and Major General Delmar T. Spivey, USAF (Ret.), Culver superintendent.

The purpose of Morehead scholarships is to attract to the University of North Carolina at Chapel Hill outstanding young men who will add to the distinction of the University.

The scholarships are awarded on merit with no consideration of financial need. Particular attention is given in granting scholarships to academic standing, character, leadership, and ambition.

Once a student becomes a Morehead Scholar at the University of North Carolina, the scholarship is renewable for three additional years. The Morehead Scholars have no obligation to the Morehead Foundation in any way and need only to meet the requirements of all students of the University to retain their scholarships.

The scholarships pay all expenses at the University, including tuition, books, room and board, and other incidental costs.

The Morehead Scholarship program was inaugurated in 1953. The major portion of the program is designed to provide opportunities for outstanding male graduates of North Carolina high schools to attend the University of North Carolina at Chapel Hill. A maximum of 42 high school graduates from the state are accepted as Morehead Scholars each year.

The 14 independent secondary schools participating in the program are each entitled to nominate two students each year to become Morehead Scholars. These schools, with the exception of Culver, are located in the South and East.

To date 325 Morehead Scholars have been appointed. They have compiled an outstanding record in every part of the University of North Carolina's total program. For instance, 70 per cent have been in the top quarter of their class at the University; 27 per cent of those eligible have been elected to Phi Beta Kappa; 55 per cent have participated in student government activities, and 25 per cent have engaged in varsity sports.

The Culver candidates for Morehead scholarships will be selected by an Academy committee each year. Seniors selected during the

present academic year will fly to the University of North Carolina for interviews and inspection March 3-5. All expenses of the visit will be paid by the Morehead Foundation.

The Morehead Foundation was established in 1945 by John Motley Morehead, a scientist and business executive of Rye, N.Y. Mr. Morehead was graduated from the University of North Carolina in 1891 and received an honorary Doctor of Laws degree in 1926. In addition to his work in business and education, he has served in a number of high ranking governmental positions and participated in many humanitarian causes.

John Motley Morehead is chairman of the Foundation board and John L. Morehead, president of the Leaksville Wollen Mills, Inc. of Charlotte, N.C., is vice-chairman. Executive secretary of the Foundation is Roy Armstrong, who was director of admissions at the University of North Carolina for 18 years before assuming his present position in 1958.

"El Cid," Movie Masterpiece, Now At El Rancho

"El Cid," the screen spectacle picturing the battlefield exploits and great romance of Spain's 11th Century warrior-hero, is on many of the nation's lists of the year's 10 best films.

This motion picture with Charlton Heston and Sophia Loren costarred and in Super Technirama Technicolor will open a week-long engagement, beginning today, Nov. 21, at the El Rancho Theatre.

The Samuel Bronston presentation marks the first time that the tale of the Spanish warrior and the beautiful Chimene has been brought to the screen, but for centuries the exploits of El Cid have captured the imaginations of poets, dramatists, and balladeers.

It was El Cid who united Christian and Moor in a final, successful offensive against the great Islamic hordes which crossed the Mediterranean intent upon swallowing up the land that was to become Spain and then making a dagger-like thrust into the very heart of Europe.

"El Cid" is gigantic in scope, a masterpiece of motion picture making, and promises a memorable evening, here now through Nov. 28 at the El Rancho Theatre.

THOMAS OTT NAMED PHI BETA PI SECRETARY

Thomas Ott, sophomore student at Washington University School of Medicine, St. Louis, has been elected secretary of Phi Beta Pi medical social fraternity.

Ott is the son of Mr. and Mrs. Robert W. Ott, 404 South Main St., Culver. He is a graduate of Culver High School and Southern Methodist University.

Civil Air Patrol Offers Program Of Education

According to law Civil Air Patrol is an official auxiliary of the United States Air Force. Its prime mission is to offer a program of aerospace education to the air-minded youth of the United States.

How Does CAP Help You?
CAP's job does not stop with aerospace education. Included in the training program are classes in radio communication, leadership, administration, first aid, search and rescue, journalism, basic military training, and many others. It is a sure bet that one or more of these phases of CAP is helping, right now, to better our community.

Probably the most rewarding part of CAP is that it offers today's teenagers a chance to get training in leadership and team work. In the words of J. Edgar Hoover: "The service the Civil Air Patrol has rendered our nation — reflects most creditably upon the ideals and goals of its founders. I believe that its cadet program is a unique contribution in the fight against juvenile delinquency."

How Do You Join?
To join CAP you must be a citizen of the United States. Age limits are 13-18 years for the Cadet program, 18 or older for The Senior program. Phone VI 2-2035 for more information.

The Civil Air Patrol is indeed "Keeping Pace With Those Who Keep Peace."

Adopt-A-Patient Plan Announced For Mental Health

Mrs. Arnold Schurr, of Bremen, chairman of the Adopt-A-Patient Committee of the Marshall County Association for Mental Health, has announced a new category of hospitalized patients will be available for adoption.

Normally a patient is considered for participation in this program if he or she has not had a visitor or any correspondence for a period of at least six months.

Under the new plan which has been tested upon the recommendation of the psychiatrists, patients, who do have contact with their families but would be aided by an additional contact, will be eligible for the program.

Due to the expansion of the Adopt-A-Patient program many additional adopters will be needed. Currently 3,119 Indiana citizens are participating in this program and there are a total of 3,755 patients eligible for adoption. The goal of the Indiana Association is to obtain three adopters for each eligible patient, therefore 8,046 more adopters must be recruited.

Complete details on the Adopt-A-Patient program may be obtained by contacting Mrs. Schurr at her home in Bremen.

Union Township director of the Marshall County Association for Mental Health is Mrs. Don Parson.

Mrs. Kenneth Campbell Entertains Members of Home and Hobby Club

Mrs. Kenneth Campbell entertained in her home on Tuesday afternoon for members of the Home and Hobby Club and read the hostess verse to open the meeting. The president, Mrs. Herbert Blocker, read an article "Stop, Count Your Blessings" and for devotions, Mrs. Hellen Keller gave a recipe for spiritual cake, read the 100th Psalm and offered prayer. Mrs. Cleo Ringle gave the history of the song of the month and led group singing.

Fourteen members answered roll call with a suggestion for a Christmas project for the club. It was decided the club would buy clothing for patients at Westville, a gift for their adopted resident at the County Home, and will investigate the possibility of making diapers for a South Bend hospital.

Mrs. Blocker announced Officers Training School was held Nov. 16 at the E.U.B. Church in Plymouth. Mrs. Ben McFarland presented the lesson on "Understanding Teenagers." Mrs. Chaney Dennie conducted an installation service for the new officers.

Mrs. Campbell served lovely refreshments to the 14 members and five children. Mrs. Dennie will be hostess for the Christmas meeting on Dec. 11. A potluck dinner will be served at noon. There will be a 50¢ gift exchange as well as a baked goods exchange.

Rebekahs Honor Mrs. Harry Johnson At Reception

Cloverleaf Rebekah Lodge of Leiters Ford honored Mrs. Harry L. Johnson, District Deputy President of District 23, with a reception in the Leiters Ford Lodge Hall Thursday evening, Nov. 15.

Boy Scouts Kip Kistler and Kenny Olin of Leiters Ford presented the American Flag and the Christian Flag. Mrs. Johnson, wearing a white orchid given her by her husband, was escorted into the hall by Marie Reichard, past District Deputy, while Mrs. Mildred Burkett of Richland Center played, "Faith Unlocks The Door," and Mr. Johnson was escorted by Mrs. Hazel Overmyer, past District Deputy.

A Lei, flown in from Hawaii, was presented to Mrs. Johnson from her lodge by Mrs. Hazel Overmyer. Rev. Theodore Roberts of the Leiters Ford Methodist Church gave the invocation following which Kip Kistler played two solos on the trombone, accompanied on the piano by his mother, Mrs. Wayne Kistler.

Geraldine Peterson, daughter of Mr. and Mrs. Dale Peterson of Richland Center, presented a tap dance and song routine, and Mrs. Fred Velton gave a reading entitled, "Naughty Zell." A program, "This Is Your Life," was given by Mrs. Beatrice Webster of Hazel Crest, Ill., Mrs. R. O. Bowers, Waukegan, Ill., and Frank Lamson, North Chicago, Ill., sisters and brother of Mrs. Johnson.

Mrs. Edith Overmyer, Junior Past District Deputy of the Richland Center Lodge, presented Mrs. Johnson the District Deputy pin. Mrs. Verda Karn, Past District Deputy of the Tyner Lodge,

presented Mrs. Overmyer the Past District Deputy pin. At this time Mrs. Mildred Burkett sang, "Make Me A Blessing."

Mrs. Johnson then introduced her own family and her official family as follows: Mrs. Carlisle Decker of Elkhart, president of Rebekah Assembly of Indiana; Mrs. Rachel Harper, Elkhart, Chaplain of Rebekah Assembly; Mrs. Edith Overmyer, past District Deputy; Anna Mae Rice, Burr Oak, vice-president; Mrs. June Winn, Maxinkuckee, secretary; Mrs. Ellen Poppe, Culver, treasurer; Mrs. Alice Mikecell, Culver, warden; Mrs. Fay Keefer, Maxinkuckee, conductor; Mrs. Roxie Hott, Leiters Ford, guardian; Mrs. Ula Davis, Bourbon, musician; Mrs. Wanda Braner, Tyner, chaplain; Mrs. Treva Pyle, Warsaw, Flag bearer; Mrs. Sylvia Shaffer, Burr Oak, Christian Flag bearer; Mrs. Florence Jeffries, Rochester, right supporter to DDP; Mrs. Verda Karn, Tyner, right supporter to VP; and Mrs. Mary Porter, Burr Oak, left supporter to VP.

A beautiful rendition of "Deep Purple" was played on the piano by Mrs. Fred Dittmire of Leiters Ford. The benediction was given by Rev. Roberts. To make this reception a memorable occasion to remember, over 100 guests assembled from Rochester, Culver, Warsaw, DeLong, Maxinkuckee, Kewanna, Burr Oak, Tyner, Richland Center, Bourbon, Leiters Ford, Elkhart, and from Waukegan, North Chicago, and Hazel Crest, Ill. The hall was decorated in shades of lavender streamers, with the motto for the year, "Love, Loyalty, and Faith," and Mrs. Johnson's first name "Mildred" in silver, hung on the streamers.

Refreshments were served with Mrs. Omer Reichard and Mrs. Charles Moon presiding at the tea table.

Mrs. Johnson opened the many gifts she received from friends and lodges.

Girl Scout News

By Pam Thompson

Girl Scout Troop 143 held their regular meeting at St. Mary's Catholic Church Nov. 13 from 4:15 to 5:00 p.m. The meeting began by the singing of songs and repeating of the Girl Scout laws.

Mrs. Shirley Amond Guest Speaker At Tri Kappa Meeting

The regular meeting of the Epsilon Nu Chapter of Tri Kappa was held Monday evening, Nov. 19, at the home of Mrs. Melvyn A. Estey.

Mrs. Shirley Amond, remedial reading teacher of the Culver Public Schools was a guest of the Sorority. She thanked Tri Kappa for the remedial equipment they have recently given to the schools and explained that controlled reading brings about marked improvement in interpretive skills. Comprehension improves as the reader becomes more proficient visually and reads easily and comfortably. Because there is no possibility of rereading, he learns to concentrate, read aggressively and accurately, organize his thoughts rapidly, and remember well.

Items donated to the school reading program by Tri-Kappa are the Tachist-O-Flasher and Tachist-O-Filmstrips. They permit the fundamental perceptual skills of reading to be taught effectively to students of widely varying ages and abilities. These materials are designed to help increase attention span, perceptual span, speed of perception, speed of recognition, and accuracy of recognition.

Finally, they are presenting to the school the SRA Reading Laboratories for each grade level. These labs provide multilevel reading instruction to accommodate the vast range of individual differences in reading ability. The multilevel reading materials meet the needs of each pupil by providing him the opportunity to progress as fast and as far as his own learning rate and capacity permit. All materials are integrated; each Reading Lab is carefully designed as part of a sequential pattern to provide an organized basic reading program.

This is all quality equipment which has been time-tested. It should help improve the quality and type of help now being given to some 75 pupils in grades one through twelve. This fine donation by the Tri-Kappas should enable an unlimited number of grade students to participate in a self-help program, etc.

Mrs. James Piersol reported on the financial success of the Mental Health Coffees held on Wednesday, Oct. 24. Again, Tri Kappa wishes to thank the entire Culver community and the Culver Inn, M & M Restaurant, and the Coffee Shop for making this success possible. All proceeds are used for local charitable and scholastic projects.

Tri Kappa again extends an invitation to participate in their Bridge-A-Rama. Contact any local member if at all interested.

The Christmas meeting will be a gift exchange at the home of Mrs. Robert Bolton Jr.

Delicious refreshments were served from an attractive buffet table decorated in the Thanksgiving motif. Assisting hostesses were Mrs. Clarence Bair Jr. and Mrs. Maurice E. Nelson.

Tri Kappa was indeed happy to welcome back two of their members, Mrs. Robert Rust and Mrs. Luis Benedicto of Venezuela, the former Kathy Kraning.

Maxinkuckee Rebekahs Enjoy Friendship Night

The Maxinkuckee Rebekah Lodge observed Friendship Night Monday evening, Nov. 19.

Fay Keefer opened lodge in regular form and introduced Mildred Johnson, district deputy president; Anna Mae Rice, district treasurer; and Edith Overmyer, past district president. Appointive officers of the district were Mary Porter and Alice Mikesell.

After the regular business of lodge, Fay Keefer read two poems which she composed and a playlet was given by Ruth Mahler and Carrie Curtis.

Door prizes were awarded. Refreshments were served at tables decorated in keeping with Thanksgiving.

Guests attending were from Rochester, Culver, Burr Oak, Leiters Ford, and Richland Center.

V. F. W. Ladies Auxiliary Send Christmas Donations

The V.F.W. Ladies Auxiliary met Monday evening, Nov. 19, at the Post Home with president Mrs. C. Art Bennett presiding.

During the business meeting, Christmas donations were sent to the five Indiana Veterans' Administration Hospitals and Healthwin Hospital.

Members are asked to take gifts for mental health patients to Trone's Store.

The next meeting, Dec. 2, at 7:30 p.m., will be a potluck supper with a gift exchange and a white elephant sale.

Mrs. Ward McGaffey won the attendance prize.

Following the meeting, refreshments were served by Mrs. William Baker, Mrs. Adeline Rowe, and Mrs. Fern Unger.

Mrs. E. W. Carter and Mrs. D. Hatten were Sunday dinner guests of their sister, Mrs. Elizabeth Day, in South Whitley.

Grace Church Observes Annual Thank Offering

The annual Thank Offering service of the Grace United Church was held last Sunday morning, Nov. 18, at the regular worship hour.

Those taking part in the service were Mrs. Evert Hoessel, who had charge of the call to worship and prayer, Miss Florence Page, and Mrs. Delbert Jordan, who read the Scripture responsively. The meditation and ingathering of the offering was conducted by Miss Clara Stahl. Mrs. Emil Lewis, Mrs. Harold Baker, Mrs. Howard Albert, and Mrs. Donald Osborn served as ushers.

Reverend Harold W. Hohman preached a very timely sermon on the subject, "A Holy Waste." He used for a background for his sermon, the incident of the alabaster box, broken by Mary for the purpose of anointing Jesus. The pastor used this illustration to show how acts of giving or sacrifice may be lifted from the realm of the dutiful into the realm of the beautiful.

The choir, under the direction of Mrs. A. Judson Dillon, sang "Because I Have Been Given Much."

The Thank Offering is an institution of the Evangelical and Reformed Church for over 50 years. It was founded by Mrs. A. K. Zartman, wife of a Reformed minister in Fort Wayne, with the idea that women of the church give a penny a day and a prayer for missions. This idea spread rapidly to churches all over our country and to mission fields. When the Reformed Church and the Evangelical Synod Church merged in 1934, the Thank Offering was carried over into the new organization. With the recent merger of the Evangelical and Reformed Churches and the Congregational Christian Churches, plans are being made to carry on the Thank Offering department in some form in the new organization.

The Thank Offering represents the second mile of giving. It is a gift above and beyond any budget or challenge. Last year the Thank Offering of the whole Evangelical and Reformed Church amounted

to over \$200,000. It is carefully budgeted and used as a special gift offering to many worthy causes.

Mrs. Kenneth Kraning, 834 West Shore Drive, accompanied by her daughter, Mrs. Luis Benedicto of Venezuela, who is here with her parents for a two months' visit, and Mrs. C. Glenn Coolman were recent Fort Wayne visitors where they called on Mrs. Russell R. Hippensteel who was then in the Lutheran Hospital, recovering from bone surgery.

They also visited and had dinner with Dr. and Mrs. Foster Sheller, who are now residents of the summit city.

Mrs. Charles E. Glass of Fort Wayne came to Culver Tuesday evening to attend the Wednesday funeral of her cousin, Mrs. Olive Voreis. Mrs. Glass will remain over the Thanksgiving weekend visiting her daughter, Mrs. Chester W. Cleveland, and her brother-in-law, Harry Lackey, who is a patient at Parkview Hospital in Plymouth.

Thanksgiving Day will be a happier, more meaningful day...

It's a story we all know and love—the first Pilgrim Thanksgiving. The excitement in their little homes must have been pretty much as it is today—the tantalizing smells of roast turkey and pumpkin pie—the bustle and rush of eager children—it must have been a wonderful day!

But before the Pilgrims sat down to their feast they observed the true meaning of Thanksgiving. They all gathered together in their meetinghouse to give thanks for the good they had received, for survival through a long year of hardship, and to

pray for the strength and courage to keep their faith in this strange, new land.

This Thanksgiving, why not take your family to your house of worship. A quiet hour of prayer and thanks will make your holiday so much more meaningful.

Wherever you are . . . whatever your beliefs may be . . . take time to offer your words of thanks . . . just as the Pilgrims did more than 300 years ago.

Worship together this week

Students' Views On Election

(Continued from Page 9)

worked hard. Homer did not vote on many of the things and the people wanted to be represented.

Vicky Lutz: Those who were elected deserved it, because they worked hard for it. I'm sure they will make it worth while.

Brenda Baker: Birch Bayh won because he worked hard, he wanted it so much, he got out and worked. He wanted to show the people what he'd do if he got the office, which he did. I'm sure he will do well and work hard now that he is holding the office.

Nick Knoezer: Bayh, the younger man, was the harder worker, thus, this paid off.

Bonnie Parker: Birch Bayh won because he is the better man. Indiana is ready for a more qualified person to do our job, and I believe Birch Bayh to be this man.

Sherrill Edgington: The minority party naturally has greater pull in an off-year election. This was an unusual election because many Democrats did get more offices in an off-year election when they weren't the minority party. For this reason I would say Birch Bayh won because of the pull of the majority party in office, not so much on which man is better.

Linda Carl: It seems like Capehart didn't do much in his eighteen years in Congress. People thought it was time for a change.

Elia Briones: We needed a new Senator. I don't mean that Capehart was not a good Senator, but that we should change parties once in a while. If we elect a Senator for many terms, he may get too much power.

Carol Overmyer: I do not feel that Capehart was incapable of being in office, but I do feel if he had tried a little harder he could have won. I say hurrah for Bayh. He got out and worked. He's the man I feel will attend more than forty-two percent of the meetings in a year. If he worked this hard to get in office, he will certainly work hard to stay there.

Charles Snyder: I think Bayh is a good guy, and will run things ok.

Ned Davis: I don't think Capehart had a chance in the first place and was lucky to get as many votes as he did.

Mike Cibak: I don't have an opinion, to be truthful about it.

Martha McAllister: I think they were both intelligent and capable men, but fortunately, the most capable man won.

Dennis Pollock: Time will tell.

Michael D. Wallen: "Bayh, Bayh. He's our guy!"

Manuel G. Briones: "Most precious gems lie deep in earth or sea, and with toil are sought. Great knowledge with great labor must be brought, and these must plow or sow who hope to reap." by Bishop John Lancaster. I think we must bring great knowledge and great labor in the next election to succeed. Hurrah for Capehart!

Marcia Paul: I am glad that people picked the one they wanted.

Patty Wentzel: I don't have an opinion.

Ellen Wallace: I think they're both fine men.

Lucy Osborn: I think something was fishy, but I'm sure Mr. Bayh will do a good job.

Bob Carter: Bayh, Bayh, Capehart!

Greg Yapp: Wait until the next

election, the Bayh, Bayh, Democrats.

Larry Linhart: In the end, the money won out, but Bayh will probably do O.K.

Mike Geiger: I think the best man won. Why? I am a Democrat.

Gloria Bean: I think the people made a good choice.

Bonnie Good: I have varied opinions on this subject. Since Bayh did considerable talking about "helpless Cuba" and Capehart started getting the "big head" I think another candidate would have been proper.

Doug Lindvall: It was rigged!

Bob Albert: I'll give you a ton of horse feathers if it was, Doug Lindvall!

Joan Dillon: I'm a Republican, so . . .

Debbie Henderson: I'm a well-informed citizen, so who won?

Jane Ives: Well-uh—

Jim Boswell: "Hey look him over, he's our kind of guy, his first name is Birch, his last name is Bayh."

Valerie Gunder: I'm sure the people knew what they were doing when they voted.

Linda Nelson: I like the outcome of Bayh getting it. We will surely have good representation in the future.

Geg Harmon: I think they should forget about it.

Sharon McGaffey: Beats me!

Judy Price: Just wait six more years, Birchie will go "Bayh, Bayh."

James Westcott: I don't really care.

Wanda Warren: I think everything will turn out O.K.

Donna Rodgers: It doesn't make much difference to me.

Charlene Lucas: Actually, I was quite surprised that Bayh came out the winner, but was very pleased that he did. I feel over confidence and lack of campaigning on the part of Capehart was what defeated his cause. The American citizens made their choice. Only time will tell if it was the right one.

Susie Gardner: I am very happy about the results of the election, and I'm sure the people will be well satisfied with Bayh's actions in the Senate.

Janet Beck: I liked it, myself!

LaDonna Darosei: I'm not a politician!

Hershel Odle: Capehart's years are over.

Don Shepherd: I'm glad Birch Bayh won. He is a better man.

Linda Behmer: The trend of most of the United States is toward electing younger men. Therefore Bayh won over Capehart, as he is younger.

Latham L. Lawson: Public relations—before the campaign, Capehart failed to keep his name before the people, to keep them informed of his labors.

Well, as you can see some of the students have taken the elections pretty seriously. We hope that by showing you how interested some of the students of Culver High School are about politics, that this will stimulate you, the citizens of America, to be more politically minded.

Teaching Voters Of Tomorrow

The Culver high school Senior Civics Class has been studying the election this past week. Amid rousing songs, fiery speeches, and heated discussions the state candidates for senator, congressman, and Superintendent of Public Instruction were nominated and campaigned for by individual students.

All through the halls, seniors wearing campaign buttons for their favorite candidate were seen. Campaign signs and posters were evident on lockers, and the various campaign songs became familiar to all the high school through constant repetition.

In the classroom, voting requirements, voting methods, electoral processes, and the general election were studied in detail. Also in the classroom, the many speeches and debates were held through which the seniors became acquainted with the candidates.

Outside of class, much research was being done by each student, and the party headquarters were visited frequently. Also, the libraries became frequent stopping places as the class was given the assignment of writing an informational theme on the electoral college.

The climax to this hard work came on election day as the class cast their ballots along with registered voters all across the nation. The class elected Homer Capehart for state senator and John Bradamas as representative of the third district. The class as a whole, voted Republican on the state level, Democratic on the county level, and was split almost evenly on the local level. Only five members were in favor of the school reorganization plan, and only one ballot was void and had to be eliminated.

The entire campaign and election proved to be an exciting experience for all involved. The seniors learned that campaigns can be fun, but that they should be ended with a wise, serious vote. In order to help achieve this last step, they held a personal campaign to improve the voting per-

centage of Union Township. They hope their efforts were not in vain.

AUTOMATIC — A machine laying a gas pipeline fascinated Mary "Bunch" Francis, columnist of The Westville Indicator. Describing it she wrote: "Zip, a trench is dug, Zip, the pipe is put in the trench. Zip, the trench is filled with dirt. It would take a

big crew of men days to do the same thing." Then, she added, "Of course, man has to invent and operate the machine so the work could not be done without man and his brains."

Twenty-two Boy Scouts attended the mobilization call and hike held last Saturday, Nov. 17. The Beaver Patrol found "Oscar - the lost child," using map and compass.

The Nov. 19 meeting was held at the Fellowship Hall of the Methodist Church with 21 Scouts attending. Compass change was the pre-opening game and the opening ceremony was conducted by the Beaver Patrol. Patrol Corners were held with the Scouts studying map signs and working on advancement requirements. Afterwards, a map sign relay was held with the Panther Patrol winning. A campfire period with songs and a game was conducted. The humming of taps closed the meeting.

A Green Bar meeting will be held Wednesday, Nov. 21, at the home of John Cook. Next month's meetings and activities will be planned.

On Saturday and Sunday, Nov. 24 and 25 an overnight will be held at Tippecanoe State Park. The highlight will be a "treasure hunt." All Scouts that are attending are to meet at the Methodist Church on Saturday morning at 8:30. Bring your meal fee at this time. Check with your patrol leader if there is any question about what equipment should be taken. Remember to take along a full canteen of water.

Next Monday, Nov. 26, the patrols will be in charge of mapping demonstrations.

BASEBALL RARITY — The Lawrenceburg High School baseball team in a game with Brookville, executed a triple play, something that no major league team accomplished in the 1961 season and only one team, Washington, achieved in 1960. Brookville had runners on first and second in the sixth inning. Both were off and running as a Brookville batter lined out to Lawrenceburg shortstop, Joe Eckert. The shortstop flipped to his second baseman, John Broughton, doubling the runner who had left second. Broughton in turn threw to first baseman Tom Caldwell catching the runner who had left first. Despite the feat Lawrenceburg lost 3-2.

Miss Gerry Rose Lewis spent the weekend with Mr. and Mrs. Tom Shank at Winamac.

Mrs. Oscar Clements and two friends of Hammond visited Saturday afternoon with Mrs. Charles Good.

Harold Scott and daughter, Kathy, and Miss Virginia Mahler were business callers in South Bend Saturday.

Miss Carole Taiclet of Indianapolis was a weekend guest of her parents Mr. and Mrs. Louis Taiclet. Guests recently in the Louis Taiclet home were Mr. and Mrs. Chester Taiclet and Dennis of Warren, Ohio; Louise Pugh of Youngstown, Ohio; and Edward Hyde and Clarence Schwegman of Oxford, Ohio.

Mr. and Mrs. William Gene Nicholson and sons of Knox were guests Sunday of Mr. and Mrs. James Doty.

Guests Sunday in the Charles Freel home were Mr. and Mrs. Charles Hardin and Eddie of Culver; Mr. and Mrs. Gene Cannedy and family of Chicago; Mr. and Mrs. Gene Siler and son of Elkhart; and Ray Kreischer of DeLong.

The Silver Shoe Saddle Club met Saturday night at their club house at Lawton where 25 members and their families enjoyed a Thanksgiving supper. Mrs. Lillian Brucker prepared the turkey. The club presented Mrs. Delores Shaffer with a birthday gift. Names were drawn for Christmas and the next meeting will be held Dec. 16 at Lawton.

Mrs. Ed Milo returned home Monday from St. Joseph Hospital at Logansport after undergoing an emergency appendectomy Tuesday night. She is steadily improving.

The WSCS of the Methodist Church will sponsor a Bazaar and ham-loaf supper Wednesday evening, Nov. 28, at the Church basement beginning at 5 p.m.

Joey and Eddie Milo spent last week with their grandparents, Mr. and Mrs. Mike Milo, while their mother was in the hospital.

TOPSY-TURVY — After erection of the Methodist Church tent to shelter a food stand at the Carroll County Old Settlers meeting it was discovered the rain repellent side was underneath. The tent was taken down and the canvas turned over. Then it was found that in weighting down the edges of the tent the workers had used some sand bags belonging to a neighboring concession and these had to be returned. Before the tent was properly in place the erectors had eaten most of the hamburgers intended for expected customers.

Tum — tum — te — te — tum — Those are the drums beating out the message that it is time again to roundup all the excitement flying around the reservation.

What's this I hear about all of the John's in Sharon McGaffey's life? I understand, though, that the one from Pennsylvania is in the lead.

Cupid must be working overtime around the halls of C.H.S. especially in the sophomore class. Let's see, there's Kathy Easterday and Paul Liette; Valerie Gunder and George Wright; and Carolyn Snyder and Dick Knoerzer.

If Judy Kimmel has the appearance of being in another world, it is altogether possible. Chuck Reed came home last weekend and among other things has given Judy his ring. Congratulations!

Say, didn't I see Tom Boswell and Jim Carter in town over the weekend? There must be something which lures all of these college men home like this. Could those something's be Cheryl Dillon and Barbara Overmyer?

What's this — Bev Barshes — knitting? Could this mean — Bob White? Him-m-m.

Paul Liette, may we impress upon you that "crime doesn't pay?" If we can't, maybe Mr. Kepler can!

Geo, those sophomores really are getting their exercise and Layne Zechel seems to be the one who is pressing the issue. Really Layne, three miles is too far to walk! Right, Sue Cole, Vera Smith and Barb Overmyer?

Ned Davis, have you ever considered becoming a chef? (His specialty is scrambled eggs — raw and all over the wall)

What's this I hear about Mr. Hambrick having "MONK-JETS" in the Glee Club? For farther information look for Bev Barshes, Joan Dillon, Sharon McGaffey and Judy Kimmel. (You can be sure they're around if you hear a whirrrrr.)

Two teams of sophomore leaf-rakers have proved that, time-wise, the shortest distance between two points is not a straight line. (Serves 'em right for trespassing in people's cornfields.)

By the way, if anyone has any questions about fording streams via beaver dams, you might consult either Dave Lemar or Jim Lewis. Was it really successful, boys?

It seems Jim Boswell has trouble getting one thing off his mind. Hasn't Mr. Crabb convinced you yet?

Tum — tum — te — te — tum The drums are playing again because hazy skies are interfering with the smoke signals. Come around next week when you hear a tum — tum — te — te.

How To Get The Most Out Of A High School Education

By Lucy Osborn
Co-Editors' note: The following theme was submitted to Mrs. Robert Kline as a part of the requirements of English 11. It shows serious thinking on the part of its author and we feel that it can prove beneficial to our readers.)

How can we, as high school students, get the most out of our high school career? In the United States everyone is offered an elementary and a secondary education. Regardless of color, social standing, or wealth, each of us has an equal opportunity. Yet some students get comparatively little out of their education, while others get very much. Why? It is true that the answer lies with the individual, how he takes advantage of the opportunities offered to him, and how great an effort he makes.

So many opportunities are offered to us that we take many of them for granted, such as the chance to go to school. This should be regarded as a privilege, not a duty. Guidance is also often taken too lightly. Most schools have guidance counselors. Students should utilize their counselor's knowledge. Planning is an important part of a good education, and with the help of those older and wiser than themselves, students should be able to plan an education that will be suitable to them and that will match their capabilities.

Students should take their studies seriously, for knowledge is a priceless gift. It is something which one will keep for his entire life. It will help to give others a good impression, to help one while rearing a family, to help one earn a living, and it will bring many pleasures which would otherwise be lost.

Learning is not the only thing which is involved in a well-rounded education. One can be brilliant as a student and still be a failure if he cannot get along with others, for of what good is knowledge without other people with whom to share it? For this reason extra-curricular activities are invaluable. When participating in extra-curricular activities, a student comes in contact with other people. In order to get along with these other students, he must learn to co-operate, compromise, and share. This should help him to broaden himself and learn to live in harmony with others.

Guidance, instruction, and extra-curricular activities, all these are offered to us if we will but take them. Many do not realize the importance of their high school education. This is the foundation on which we begin to build our lives. Our futures will be dependent on how firmly we build that foundation.

Pep Club Is Organized

By Lucy Osborn

Culver High School's new pep club has had several meetings already this year. The organization of the club is different from what it has been in the past. Now any student in the grades seven through twelve may join the pep club. Within this club there is a pep block which consists of 125 girls. The pep block will only be formed at home basketball games.

The club is going to try to instigate several new activities and revive some old ones. The pep club is going to sponsor a basketball homecoming which will be December 21, when Culver plays Walkerton. There will be a homecoming queen and her court. All candidates for the queen and court must be members of the pep club. A princess from each of the top four grades will be selected, and from these four girls a queen will be chosen. The cheerleaders will not be eligible. There will be a dance after the ball game.

In the spring the pep club hopes to have a dinner for all those who participate in athletics. The club has already sponsored a pep rally which was held before the first ball game. There was a bonfire and poster competition, with all high school organizations invited to make posters. The club with the best poster won a loving cup.

Carolee Easterday, a senior, was elected president of the pep club for this year. The other officers are Carmen Greiter, vice-president; Cathy Carrothers, treasurer; and Valerie Gunder, secretary. Carolee and the other officers in collaboration with the club's sponsors will write a constitution for the new pep club.

Grades Active In Science

By Sherry Croy and Bonnie Saft

Mrs. Melton's Kindergarten: Mark Fritz has entered Kindergarten. Mark was struck by a car in August and was unable to come to school until now. They are glad to have him. Jimmy Bickel served delicious cup cakes to the afternoon group on Monday, November 12. It was his sixth birthday. The room is decorated with pictures of Indians and their pottery. The children have learned three new Thanksgiving songs. Several children have been ill with colds.

Mrs. Keyser's First Grade: The students have been reading airplane stories in their blue story books. This got them interested in airplanes and they have pictures of taking a trip by plane and have seen some filmstrips. In numbers they have been learning to tell time and to count from one to forty. For Thanksgiving they talked about how the Indians lived and the Pilgrims' celebration of the first Thanksgiving Day.

Mrs. Allen's Second Grade: Richard Systma was eight years old Monday, November 12. His mother brought the class a treat. They have made barometers to indicate the changes in weather. They have been discussing Indian living and the way the Pilgrims lived.

Miss Page's Second Grade: The class has made a weather predictor to use in school and later at home. Mike McFarland brought some large tadpoles to show to the children. Bill Miller will be eight years old Tuesday, November 20. In oral spelling nine children have headmarks so far.

Mrs. Shirrell's Second Grade: For Thanksgiving the students are writing stories and drawing pictures of things for which they are thankful. They are also studying about the first Thanksgiving. The four food groups have been studied in health class, and posters are now being made.

Mrs. Carter's Third Grade: The room has been decorated with Thanksgiving pictures. Elizabeth Mellon was nine years old Wednesday, November 14, and she treated the class with candy bars. Bruce Heiser has been home with a cold. The students enjoyed the story of "Black Beauty." In English they are learning to write paragraphs. They are reading about sheep and other wool-bearing animals in Social Studies.

Mr. Herban's Fourth Grade: This week the class is writing letters, which will be sent through the mail, to anyone from whom they want to hear. Anita Wojtowicz made a chart showing the parts of the ear. Everyone in the class is going to tell a story about something interesting that has happened to him.

Mrs. Schrieker's Fifth Grade: Kris Strang brought a garter snake to school. The room is divided into groups which are acting out stories that have been studied. This is also a form of review to help with the Unit Test. Oral book reports are being given. In science the students made carbon dioxide and found that it puts out a fire. They also made dough and heated it to see the bubbles of carbon dioxide form. This helped

Reading is the "Key to Knowledge" was the theme carried out in the last meeting of the Culver Sunshine Society. Martha McAllister led the members in the Sunshine song, and Pam Phelps led the creed.

The program committee, headed by Linda Behmer, presented an interesting and informative program connected with books and reading. Each member of the committee gave a short book review of one of his favorite books, and a list of books that all college-bound students should read was shown to the members of the society.

The finance committee met on Nov. 13 to decide on the kinds of candy that the Sunshine girls will be selling.

The Sunshine officers have met and are deciding on a band for the annual Winter Formal, announced in the near future. Committees for this dance will be

the pupils to realize what makes a cake rise in the pan when you bake it.

Mr. Vondra's Fifth Grade: Eric Hughes performed a successful experiment with ammonium chloride. He dipped a piece of cloth into some of this solution and the cloth would not burn. James Pellegrini left our class last Friday. He is going to live with his grandmother in Arkansas. Larry Miller found out that the "craw-dad" he brought to school on Monday was a crustacean.

Seniors Select Class Colors

By Jane Ives
Kelly green and cream have been selected by the seniors as their class colors. The seniors will be measured for caps and gowns, and have already ordered their announcements and invitations for commencement. Of course, the seniors are still working very hard for that much deserved Senior Trip.

The juniors are busy with plans for their next dance. Their first one was a big success. There were over two hundred people in the Lions Den. As a result the next dance after the ballgame will be held in the gymnasium.

Thus far this year the sophomores have made approximately \$250 on their leaf raking. They are continuing with their fudge sales, and plans for a sophomore show are getting underway.

The freshmen are working on their fudge sales, the first important step toward their much wanted Senior-Trip.

The seventh and eighth grade spelling contest was held in the gym 8th period Friday, Nov. 9. Each class had 15 members to represent them, and two boys remained until the end. Mrs. Coke Smith pronounced each word and Mr. Cole used it in a sentence. The game ended in a tie between Steve Bair of the eighth grade and Donald Gardner of the seventh grade. The final word given was "anthracite."

Junior High Downs Richland

By George Ogden
Wednesday, Nov. 7, the junior high basketball team opened their season against Richland Center. The "A-team" defeated Richland Center 29-15. The "B-team" did not play because Richland did not have a "B-team."

The junior high Indians were led by Phil Scruggs and Paul Hatten with eight points each. Other scorers in the game were Kerry Haenes, who contributed five points, Fletcher Mattox with four, and Stewart Lowry who also scored four points. Ray Shepard and Leon Sims also played, but were held scoreless in the game. The next junior high game was with Bourbon, and was played on the Culver home floor on Thursday, Nov. 15.

The freshman basketball team has begun practice, but they have not yet played a game. The freshman team consists of Andy Lowry, Ron Babecek, Mark Lowry, Mike Hansen, Bruce Lindvall, Larry Washburn, Randy Wakefield, Alan Mahler, Frank Shepard, and Bob McFarland.

Seniors Invent "Culverizer"

By Carmen Gretter and Peggy Herr
Seniors — If you are one of those people who get exhausted and have that parched feeling resulting from a hard day at school, remember the senior coke machine in the gymnasium. By the way, the cokes and goodies were sure tasty during the first basketball game. The seniors were all over the place selling, and we hear they did very well. Their personal cards and invitations for graduation were ordered last Friday.

JUNIORS — Congratulations, Juniors! Your first dance could not have been better. "November 26 — please hurry up!" This is the plea heard from many juniors. They seem to want their rings pretty badly. The junior class won the loving cup for the best poster entered in the contest at the pep rally. The poster represented a "Culverizer." A "Culverizer" is a machine which mashes, bashes, smashes, or grinds, depending upon the button pushed, the Culver opponent. A meeting for all junior girls was held November 7 at the American Legion Post. The girls were the guests of the American Legion Auxiliary at a program concerning Hoosier Girls State.

SOPHOMORES — "Oh boy, it's raining! We can quit raking these leaves now!" "I'm beginning to get a leaf phobia!" "Oh well," as the sophomores say, "Leaves in the dump is money in the bank."

FRESHMEN — We surely hope the freshmen had a good time taking their Iowa Development tests. Each class before them has had the same privilege. They had a fudge sale Nov. 9.

SEVENTH AND EIGHTH GRADES — The seventh and eighth grades had an exciting time Friday, Nov. 9. There was a spelling bee among the best spellers of the two grades. The seventh grade contestants were Jim Taber, Stew Lowry, Andy Hodgkins, Edward Ricciardi, Don Gardner, Greg Anderson, Philip Edgington, Christine Stevens, Susan Donnelly, Ruth Benner, Lynn Mackey, Joan Kosterman, Suzi Riester, Susan Thewa, and Cathy DeWitt. They did their best against Linda Baker, Tina Teach, Patty Overmyer, Lela Donnelly, Cheryl Zink, Bill Pietka, Paul Hatten, Steve Bair, Elaine Epley, Vickie Smith, Marsha Paul, Janet Salyer, Susie Lundberg, Janita Mangun, and Dave Crabb who were representing the eighth grade.

Personality Enters Art

By Diane Boots
Last Friday, the art department had as its guest Professor Richard Calmere Jr. from Valparaiso College. Professor Calmere gave a fine hour-long lecture. He talked on art in different phases and about the artist, his life, and his works. After his lecture was finished, there was a question period. Questions were asked about grades, college classes in art, and the many things a person interested in art would like to know. Following the lecture, refreshments were served in the art room.

The seventh and eighth grades are now working on Christmas cards. It is being stressed that these cards be made similar to their personalities.

The high school art classes are working on indigo ink sketchings. Several of their sketchings can be seen around the school. There are several charcoal drawings in the library downtown.

Contest Music Selected

By Jan Scruggs and John Behner
Sharon Norris, Carol Overmyer, and Jim Boswell accompanied Mr. Hambrook to Chicago the weekend of Nov. 10 for the purpose of choosing ensemble music for the upcoming instrumental contest. The contest will be held Jan. 26.

In the morning the director and students visited the world's largest record store and participated in a guided tour of the world's largest instrument repair shop.

The afternoon was spent searching for the proper ensemble music.

A definite time and date have been set for the Christmas program. It will be given Dec. 2 at 3 p.m. EST.

"Little Things" Stressed By Honor Society

By Valerie Gunder
The National Honor Society held a meeting to discuss the rules of their organization. It was stressed that the members remember that they are to set examples for the rest of the school as they are honor students. Mr. Miller, the sponsor, pointed out that it is the little things, such as not "crashing" the cafeteria line, that are noticed the most, and that honor society members must be a worthy example at all times. Mr. Miller announced that the members should stop at his office and pick up the Constitution of the society if they do not already have one. Betty Ricciardi, Jane Ann Ives, and Eva Norris made the poster for the National Honor Society at the Pep Rally.

Nick Knoerzer has a fine, hard-working Tomahawk staff this year. Friday, Nov. 9, was the deadline for Tomahawk orders to be in. The activity pictures were taken on this same day.

The first basketball game of the season is always hectic for our Ushers Club, but they handled the situation quite well. Good job, kids!

Student Council Meets To Discuss Teen Canteen

By Cheryl Dillon
Recently, a meeting was held in the Lions Den to discuss whether or not the teenagers of the community would be interested in having a teen canteen, or teen center. The high school members of the Student Council were in attendance in order that the representative from other civic groups could hear the views of the young people.

Several ideas relating to the operation of a possible teen canteen were discussed. It was emphasized that the canteen be governed by the teenagers, perhaps a board with representatives from all the grades with limited assistance and guidance as would be needed for the proper functioning of such a project. Rules of conduct, and ways of providing income would be set up by the young people themselves.

The Lions Den was discussed as being the initial location. It was thought that for canteen purposes reasonable changes in decorations and the management of facilities could be made. It was noted, however, that the teenagers' goal might be to provide another place. Of course, the attaining of this goal would depend upon the success and popularity of the canteen. Several canteens have proved to be quite profitable for the teenagers and, in such a case, new equipment, as well as location, might become realities. Since the starting of a canteen would be quite a financial undertaking, assistance would be given in helping to get things underway. It was stressed that the project would have to be a cooperative effort of the entire community, not only in the beginning but also in carrying through, including parents, if it were to be a success.

All the activities of the teen center would depend upon what they were willing to work to attain. Several possible activities were mentioned, including games, dancing, ping pong, cards, stage skits, and a variety of other en-

tainment provided by the young people themselves. A place for reading or just plain talking could be furnished.

Although the teenagers would decide when the canteen would be open, the consensus of opinion of those at the meeting was one or two nights a week.

The main purpose in presenting this information is to see if the students would be interested in such a canteen. Most of its success would depend upon the attendance and support of the young people. Now is the time to give your opinion, whether it be for or against this project, for no definite steps have been taken. In a couple of weeks the teen canteen will be the topic of a roving reporter's question and shortly after that a more representative poll will be taken. Be thinking, "Am I interested in a teen canteen?"

Bayh! Bayh! Capehart! Homer was defeated!

In case you are wondering what this is all about, just ask some of the C.H.S. students what they think of the 1962 Senatorial results. Yes, these are some of the answers the Schoolbell reporters received when they presented this question to the student body. As you read on you will see the opinions given by some of the students. We hope that these opinions will be of some interest to you.

DIAL MOM — The telephone rang recently in the Marion Smith home at Paoli and Mrs. Smith answered. "Mother," said the caller, "how do you make potato salad?" Mrs. Smith told the Paoli News the caller was her daughter, Betty, who lives in San Francisco. Mrs. Smith said she ran up some tolls giving her daughter the recipe along with the news from home.

TRUE ADAGE — There's something to the adage, "great oaks from little acorns grow," says John Klinger, president of North Vernon's Union Bank and Trust Co. Klinger told Richard Mayer Jr., editor of The North Vernon Sun, that since a school savings program was started four years ago, youngsters in the county have saved over \$40,000. Under the program school children purchase a quarter stamp when they have saved up that amount. They paste the stamps in a book and when the book is filled it is deposited in the bank.

CMA Chosen As Testing Center For SSAT Tests

Culver Military Academy will be a testing center in the nationwide administration of the Secondary School Admission Tests (SSAT) on Saturday, Dec. 8.

Major General Delmar T. Spivey, USAF (Ret.) Superintendent, said over 23,000 candidates are expected to take the SSAT during the 1962-63 year, an increase of 10 per cent over last year.

More than 300 independent secondary schools in the United States require candidates to take the SSAT, which is designed to assist in the selection of students for admission to grades 7 through 11. The examinations consist of a General School Ability Test and a Reading Test to measure the student's ability to solve arithmetic problems, to use words and to understand what he reads.

These tests are developed and administered by Educational Testing Service under the direction of the Secondary School Admission Test Board, an association of independent (private) secondary schools. ETS, a nationwide nonprofit educational organization, also develops tests and

testing programs for the College Entrance Examination Board as well as for appropriate professional groups and government agencies.

Interested parents and counselors may obtain a revised edition of the guidance booklet, "Admission to Independent Secondary Schools" by writing: Secondary School Admission Test Board, ETS, Princeton, N.J. Application forms may be obtained from the same address. Completed applications and the test fee for the Dec. 8 test administration must be received in Princeton by Nov. 24.

HOW TO TRAVEL IN LUXURY WITHOUT REALLY FLYING

The exciting new '63 Chevrolet has captured the silence and effortless ease of jet flight and translated it to highway travel. Every new Chevrolet, whether it's a luxury Impala, a low-priced Bel Air or a Biscayne, now has self-adjusting brakes, a Delcotron generator to extend battery life, and the ingenious new flush-and-dry system. A test drive of a few miles will amaze you. This '63 Chevrolet is a quality automobile, built to travel with the very best. When you're driving a Chevrolet, you don't take a back seat to anyone!

Babson Discusses Salesmanship

Salesmen Are A Powerful Group

Babson Park, Mass. — I was amazed, and even shocked the other day when I saw the results of a survey of college students and their job preferences. Of those polled who had made a definite decision, only 5% intended to take up selling as a vocation. Worse yet, many of the students made it clear that they looked down upon salesmanship as an inferior occupation, and some even felt that it is hardly "decent."

Salesmen Are Today's Vips

Few seemed to realize that there are vast areas of sales activity besides counter clerking and door-to-door canvassing. Most of these youngsters would be astonished if they knew that those salesmen who call at their homes to sell life insurance, books, household goods, etc., comprise only about 2% of the total sales force of this country. The great mass of salesmen — the other 98% — are selling to the nation's millions of retailers and corporations. These people are king-pins in our free economy and, along with those who sell advertising, they create and satisfy enough new wants to keep our economy in high gear. The salesman is a mighty powerful person.

It should be made clear to our young high school and college students that sales work has a special appeal to those with persistence and ambition, because their earnings will be in direct proportion to ability and hard work. An experienced salesman gets a tremendous kick out of his job because he realizes that everybody's standard of living can be raised by his efforts. He also learns that if only a thousand customers buy a pro-

duct, without salesmanship, it may cost \$10; but that, with imaginative selling and the consequent mass production, the consumer may get the same article for perhaps \$2, or even less.

Answer To Overproduction

One of the major fears of business right now is overproduction. So, naturally, the Number One Problem is how to dispose of the enormous volume of both heavy and consumer items our industrial complex is capable of turning out. The answer is live-wire salesmen. I am not referring to the few get-rich-quick boys who only want to make a fast buck. They are here today and gone tomorrow. I do mean those talented salesmen who learn how to get close to a prospect, how to gain his confidence, and how to give him real service. It is such men — and women too — who make up the great and important backlog of our merchandising empire.

A top-notch salesman has the true spirit of a missionary, — boundless courage, complete honesty, unlimited energy, firmness, and outstanding adaptability. The good salesman must be able to rise above extreme frustration, to organize his own work program, and to operate under relentless pressure. No salesman is a clock watcher; he only wishes his working day were a bit longer. In view of the wonderful qualities that a good salesman must have, you can't blame me for being shocked that only 5% of the college youngsters in that survey seriously considered this glamorous field in their job preferences.

Sales Incomes

Exceptionally Good

Whether a young man begins as a manufacturer's representative, wholesale marketer, specialty salesman, sales engineer, or retail merchandiser, his opportunities will be exactly what he makes them. If he is a good worker, he will probably want to work on commission. Then it will be entirely up to him whether he makes \$25 a week or \$250. Whatever the starting guarantees offered to college seniors, the average after five years is about \$8,000. The average in sales management ranges between \$12,000 and \$15,000 in middle-sized companies, with some earnings reaching well above that level.

Salesmen as a group need no labor unions, since their hours and their earnings are dependent upon their own ambition. Young people should be aware, however, of the fact that salesmen are often the ones who work up to the top executive posts. Looking ahead over the next decade, I believe that an enterprising young man entering the sales field at this time will have an excellent chance to get ahead rapidly, and at the same time to make an all-important contribution to our economy.

Attendance at Sunday services was 62. The choir sang a Thanksgiving song at the worship service. The children of Mr. and Mrs. Herbert Blocker and Andrew J. Castleman, son of Mr. and Mrs. Rex Castleman, were baptized with water which Mr. and Mrs. William Lake dipped from the River Jordan and brought back with them on their recent trip.

The Rev. Theodore Roberts will be preaching next Sunday morning, Nov. 25, at Poplar Grove and Rev. Kuhn will be preaching at Richland Center in the Group Ministry sponsored pulpit exchange.

Mr. and Mrs. William Lake will show their pictures of the Holy Land at the church at 7:30 next Sunday evening, Nov. 25. The Fellowship Class will serve coffee, milk and doughnuts in the basement following the films. A cordial welcome is extended to all.

Friends and members of the congregation are invited to attend the 6:30 p.m. candlelight wedding on Thanksgiving night of Miss Mari Edd Allen and Jim McCune.

Mrs. Louis Ecker and Mike arrived Saturday night from their home in Columbus, O., to spend the week with her parents, Mr. and Mrs. Merle McCune. Mr. Ecker will arrive Wednesday night.

Mr. and Mrs. Howard Olsen and Lark of South Bend spent Sunday with Mrs. Olsen's parents, the Rev. and Mrs. W. Ray Kuhn, and Carol. Mrs. Kuhn has been ill for several days.

The spirit of Thanksgiving takes root in the heart of a child in the same gradual fashion most of us have experienced.

First there is excitement and anticipation which abundance awakens in our minds.

Then comes the pensive moment when we realize that all this abundance is Someone's gift to us.

Next we know the prayer of gratitude that flows from willing lips and a thankful heart.

Finally — and supremely — there is the sense of confidence, of trust, in a God whose Love is everywhere so manifest.

The hope of your neighborhood churches is that your family's observance of this traditional feast may encourage the spiritual growth of your children . . . and renew your own precious faith.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. With out a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

We shall always remember with deep gratitude all the comforting expressions of sympathy. From the family of **EDWARD WOODWARD** 47n

If the world's population could be divided into groups of one thousand each, with equal representation of all races and nations, each group would contain:
60 Americans
80 avowed communists
370 under communistic domination
6 people earning half the income of entire 1,000
barely half of the entire group would be able to read or write their own name.

There is a wicked inclination in most people to suppose an old man decays in his intellects. If a young man or middleaged man when leaving the company does not recollect where he laid his hat, it is nothing; but if the same inattention is discovered in an old man, people will shrug up their shoulders and say, "His memory is going." — Samuel Johnson

Order Multiflora Rose Now For Spring Delivery

The Division of Fish and Game of the Indiana Department of Conservation, will again have Multiflora Rose seedlings available to landowners in Indiana for spring planting in 1963. People with five acres or more land located outside of city limits, who wish to plant Multiflora Rose seedlings next spring, may obtain them through the Division of Fish and Game for \$6.00 a thousand or \$7.00 per hundred. Application forms may be obtained by writing to: Living Fence, 605 State Office Building, Indianapolis 9, Indiana.

Seedlings will be shipped next spring as soon as weather conditions will permit planting. Seedlings for the north half of the State will be shipped from the Jasper-Pulaski State Nursery located near Medaryville. Seedlings for the south half of the State will be shipped from the Vallonia State Nursery located near Vallonia.

Seedlings may also be obtained through the "Farm Game Habitat Program". Landowners who are interested in improving living conditions for wildlife on their farms by planting seeds and grain furnished free through this program may also get the Multiflora Rose seedlings free of charge.

If we are to have an increased population of wildlife, we must first start to create more and better habitat. Eight Habitat Biologists will work with Indiana farmers and all Conservation agencies to help improve living conditions for Indiana wildlife.

Farmers Plan Now To Cooperate In Farm Game Program

The Division of Fish and Game's Wildlife Habitat Biologists have just completed inspections of over 300 seed and grain plantings on farms that are cooperating in the Farm Game Program.

They report that seed and grain planted last spring are doing well due to ideal weather conditions this past growing season. Tree seedlings and shrubs that were

planted have a very high survival. Almost all of the sorghum food plots have reached maturity. Farmers who planted Sericea Lespedeza should not be disturbed over the fact that it has not made much growth this year, for this legume is a "slow starter" and will show up well next summer.

The Conservation Department has furnished several tons of Sericea Lespedeza, Korean Lespedeza, Fescue and Early Amber Sorghum. Also several thousand Pine and Multiflora Rose seedlings were planted to help wildlife and carry out good soil management practices.

Wildlife biologists are now working with landowners in drawing up plans to carry out good wildlife programs on their farms, which will be planted next spring. The Division of Fish and Game furnishes free of charge, all the seed, grain, and tree seedlings to help Indiana's wildlife.

The Farm Game Program is planned to help wildlife on all types of farms, and will not interfere with the landowners normal farming operations. To have more wildlife the habitat must first be improved. By improving living conditions the carrying capacity of the land will automatically be increased.

Landowners interested in obtaining free seed, seedlings, and the services of a wildlife biologist, should write to: James A. Hughes, Project Leader, Room 605 State Office Building, Indianapolis 9, Indiana.

CEREAL LEAF BEETLE QUARANTINE IN EFFECT

John J. Favinger, Director of the Division of Entomology, Indiana Department of Conservation, has stated that the Indiana Cereal Leaf Beetle Quarantine has been promulgated and is now in effect in Hudson Township, LaPorte County and German, Clay and Harris Townships and those portions of Olive and Warren Townships lying north of U.S. Highway 20 in St. Joseph County. The quarantine regulations are identical to those already being administered by the Plant Industry Division of the Michigan Department of Agriculture in Berrien and Cass Counties.

The known United States distribution of the cereal leaf beetle (*Oulema melanopa*) is confined to the above areas. The insect is a serious pest of grains and grasses

over most of Europe and parts of Africa and Asia. This quarantine action is the first step in a program to control and contain the present known infestation until current research programs by Purdue University, Michigan State University and the United States Department of Agriculture reveal more knowledge as to the habits and behavior of the cereal leaf beetle under Corn Belt conditions.

The Division of Entomology and cooperating agencies will conduct an intensive survey when the larval stage of the pest is evident next spring in order to determine the full extent of the infestation.

Commodity treatments have been approved to permit potentially infested material such as grain, baled hay and other products to move safely in commerce with a minimum of delay and inconvenience. A temporary field station has been set up along the Chicago Trail near New Carlisle by the Division of Entomology in cooperation with the Plant Pest Control Division, United States Department of Agriculture, to facilitate necessary inspection and fumigation procedures.

Farmers and processors in the regulated area can contact field personnel of the Division of Entomology at the Cereal Leaf Beetle Station, R. R. 2, New Carlisle and by phone as soon as it is installed (about December 1) New Carlisle 654-7702. Prior to that time the St. Joseph or LaPorte County Agricultural Extension Service will take messages which will be given as prompt attention as possible.

MONTEREY 4-H ACHIEVEMENT NIGHT

The Tippecanoe Boys' Industrial 4-H Achievement was held Tuesday at the Monterey School Cafeteria. A film was shown by the Standard Oil Co. and colored slides of the Pulaski County Fair.

Miss Charlotte Ruth Brucker was the high point girl of the club, and she received a trophy presented her by Standard Oil Co. Thomas Leonard, high point boy of the club, received a trophy presented by Charles H. Brucker, Jr.

Project money, record books and year pins were handed out to all 4-H Club members. Mrs. Olson presented a trophy to Barbara Ann Brucker for State Fair Electric and Food preservation, and to Thomas Leonard for Photography and Home Grounds. Barbara also received a medal from the Kerr Corp., a medal for district judging and a Junior Leadership pin.

Charlotte Ruth and Barbara Ann Brucker both received trophies for the 4-H Horse project, when they showed their horses at the State Fair. Refreshments were served.

Culver Indians Defeat Tyner By 61-50 Score

Team Travels To Plymouth Tonight

By EARL D. MISHLER

The Culver Indians scored their first home victory in two seasons Friday night by defeating a scrappy Tyner team, 61-50. The triumph evens the Indians' season record at 1-1, and marked the losers' fourth straight defeat.

Coach Gene Crosley's crew started slowly, hampered by numerous personal fouls. The visitors capitalized on their free throw chances in the first half and stayed close to Culver. The half ended 29-27, Culver.

However, the Indians wisely switched to a zone defense in the third quarter to minimize the fouls. Led by the timely scoring of sophomore forward Dave Lemar, the hosts pulled away to a 48-37 third period lead.

The Redmen fought back to within four points midway in the final stanzas, but a quick Indian surge stretched the lead out again.

Balanced scoring was the feature of Culver's first victory of the season. Thad Overmyer led all scorers with 14, while Lemar and Rick Ervin added 12 points each. These three boys also were strong rebounders throughout the contest. Paul White and Sam Lowry tallied ten and nine points, respectively. Tyner's Gary Klinedinst tallied 12 markers in a losing cause.

Coach Jim Cox's scrapping B-Teamers scored their second straight victory, 33-26. Featuring a two-platoon system, the Papooses were led by Jim Lewis, Andy Lowry and Bruce Lindvall with six points apiece. Steve Matz of Tyner took game honors with seven points.

Tonight Culver travels to Plymouth for their first important game of the season. Tip-off is at 6:45 p.m.
