Christmas Concert Greatly Enjoyed By Capacity Crowd

A fine concert of Christmas music, under the able direction of Richard O. Hambrook, was heard by a capacity crowd in the Culver Community Building Sunday afternoon, Dec. 2.

In the auditorium made festive with trees, greens, and colored lights, more than 300 students presented the program, "Festival of Carols." The Junior Band, first to perform, showed good balance and responsiveness, especially in the "Little Christmas Suite." Grundman's "Three Songs for Christmas," sung by the 7th and 8th Grade General Music Classes to the accompaniment of the Senior Band, was obviously enjoyed by both audience and performers.

The Senior Band played the fantasy, "A Christmas Festival" by Leroy Anderson. This proved to be a clever and interesting intermingling of seven favorite Christmas songs, beginning with the brilliant colors of the low brasses introducing the familiar "Joy To The World." The selection was done with excellent musicianship, and Mr. Hambrook and his group made the most of the spirited finale.

After the band played the popular "Winter Wonderland," sweaters were presented to the following eligible seniors: Sheryl Hohman, Larry Miller, Barbara Hatten, Bonnie Parker, Dennis Shock, Carol Overmyer, Charlene Lucas, Nick Knoerzer, Pat Kline, Janice Neidlinger, Wade Logan, Sherrill Edgington, and President of Band, Thad Overmyer.

The Girls' Glee Club then sang "Shepherds Hurried To Bethlehem" and "Alleluia, Christ Is Born," accompanied by Loretta Berger.

The final portion of the program was Nobel Cains' Christmas cantata, NOEL! NOEL! done by the High School Mixed Chorus. This contemporary work consisted of the Christmas story in eight parts with effective narration done by Dennis Shock. The soprano soloists were Lucy Osborn, and Carol Overmyer. A lovely Pastoral was arranged for flute and oboe by Mr. Hambrook and beautifully executed by oboist, Diane Davis, and flutist, Jeannie Adams. The accompanists for the cantata were Sharon Norris, Martha McAllister, Diane Davis, and Paul White, piano; Lois Newcomb, chimes; and Mr. Hambrook, organ.

FORMER CULVER RESIDENTS INJURED IN AUTO CRASH

Mrs. Larry Poling and son, Timmy, former Culver residents where Mr. Poling was employed as a linotype operator at The Culver Press, Inc., suffered injuries in an auto accident Sunday morning on their way home from Sunday School in Columbus, Ohio, where they reside at 1805 E. Moler Road, Zone 7.

Timmy, who is two and one-half years of age, suffered a badly cut face inflicted upon impact with the auto windshield and Mrs. Poling received a bruised knee and suffered from shock. The Poling auto was a total loss.

Mr. and Mrs. Glenn Doll and Mrs. Robert May were in Columbus Sunday to be with the Polings and report that both of the injured are improving satisfactorily at their home.

Bookmobile Schedule

The Marshall-Starke County Bookmobile will be in this area on the following date: FRIDAY, Dec. 7.

Burr Oak, Curren's Grocery — 3 to 4 p.m.

The newspaper is the only medium that works 24 hours a day to bring the advertiser's name to the public.

John W. Henderson To Speak At Scout Court of Honor

DEAN JOHN HENDERSON

A Court of Honor and recognition dinner will honor five new Eagle Scouts of Argos Troop 255 on Saturday, Dec. 8.

Dean John W. Henderson, administrative staff member of Culver Military Academy, will be the guest speaker at the dinner which will be held at 7 p.m. in the Argos Community Building.

Through his many years service to Culver and in Y.M.C.A. and Boy Scout movements, Dean Henderson is known to thousands of boys. He came to Culver as secretary of the Y.M.C.A. in 1919 and was "Y" secretary until he went into admissions work in 1932. He was named Director of Admissions in 1934 and Dean of Admissions in 1951. Upon his retirement in 1959 he was given the title of Dean of Admissions Emeritus and was named special assistant to the Superintendent. He has continued to work with the Culver Fathers Club and Mothers Club.

Those receiving Eagle awards will be:

Cary L. Davis, 14, son of Mr. and Mrs. Carl Davis, Route 1, Argos. He plans to be a farmer and is being sponsored by County Agent R. C. Harvey.

John W. Kerrigan, 14, son of Mr. and Mrs. George Kerrigan, 451 State St., Culver. John plans to be an electrical engineer and will be sponsored by C. G. Johnston, NIPSCO electrical engineer.

Michael A. Ringle, 14, son of Mr. and Mrs. Richard Ringle, Route 2, Argos. He plans to be an electrical engineer. He is being sponsored by Clayton Robinson, Marshall County R.E.M.C. manager.

Timothy O. Schultz, 13, son of Mr. and Mrs. Edward Schultz, Route 3, Argos, plans to be a mechanical engineer. He is being sponsored by Morten Gunderson, mechanical engineer from NIPSCO.

Patrick P. Thomas, 16, son of Mr. and Mrs. Merle Drake, 221 South Maple, Argos. Patrick plans to join the U.S. Navy. He is being sponsored by Eugene Chipman, attorney and U.S. Naval reserve officer.

F. Jay Mimitz, vice-president of Tri-Valley Council, will also speak at the meeting. The public is invited to attend the Court of Honor and potluck dinner.

Culver Stores To Remain Open For Holiday Trade

Culver stores will observe new opening hours during the Christmas holiday season, beginning Dec. 14.

Friday and Saturday, Dec. 14-15 stores will remain open during the evening hours.

The week of Dec. 17, stores will remain open every night during that week.

On Monday, Dec. 24, stores will observe the usual closing hours.

C of C Will Sponsor Santa Claus Day Saturday, Dec. 15

The Culver Chamber of Commerce will again sponsor the annual Santa Claus Day, to be held Saturday, Dec. 15. Announcement of the event will be found in an ad appearing in this issue of The Culver Citizen. Particulars of the day will be announced next week. Ed Amond was appointed chairman of the Santa Claus Day.

Other business discussed at the Monday luncheon meeting of the chamber concerned the raising of funds to pay for the new Christmas decorations, which were added to the ones purchased last year. Fred Adams was appointed chairman of the fund raising committee.

A nominating committee, consisting of Fred Adams, Andy Vernum, and Wilber Taylor, was appointed. Nominees for officers for the year 1963 will be presented at the chamber's January meeting.

A resolution thanking the city employees, the Northern Indiana Public Service Co., The Indiana Bell Telephone Co. and The State Exchange Bank, for their help in putting up the Christmas street decorations, was passed.

The chamber wishes to thank Cadets Jim Craig and Reeve Little for the fine musical program presented at the Monday meeting.

Fire Destroys Interior Of Garage

Fire completely destroyed the interior of the garage at the home of Col. Gerald J. Graham, 831 Lake Shore Drive, early last Thursday morning. The Culver Fire Department received the call about 12:35 a.m. The cause of the blaze is unknown.

The contents of the garage, which included camping equipment, cook-out grills, summer lawn furniture and other lawn and summer equipment, was a total loss. The Grahams' two cars were not in the garage at the time of the fire.

The quick action of the fire department is credited to saving the Graham home, which is a few feet from the garage, and also a neighbor's home. With the exception of two holes on the roof, and at the end of the garage, the fire was contained within the garage.

Col. and Mrs. Graham wish to express their sincere gratitude to the Culver Fire Department for their prompt action in arriving at the fire and allowing for no more damage than there was.

The Culver Fire Department was called Sunday afternoon shortly after 2 p.m. to extinguish a grass fire on West Jefferson St. The fire was near the home of Phil Wallstead. No property damage was done.

The Culver Fire Department was called to the farm home of Adam Kline, living south and east of Monterey, Tuesday evening about 7 p.m. A large shed, surrounded by other farm buildings, including a large bank barn, had caught fire from an unknown source. A shift of the wind as flames licked the bank barn, was all that saved it and other buildings. Fire departments from Culver, Monterey, Leiters Ford and Winamac were on the scene.

The shed was completely destroyed. Also lost was 100 tons of hay and two calves. The large bank barn was slightly damaged. The loss was covered by insurance.

SUSAN SHEI PLACES 5th IN TWIRLING CONTEST

Miss Susan Shei attended the last of the three-month Twirl-A-Thons at Springfield Township Nov. 10 where she participated in the 10-year-olds' advanced group. Susan placed fifth in a group of 12 contestants.

Miss Shei is the daughter of Mr. and Mrs. Kenneth Shei, Route 2, Culver, and is in the fourth grade in the Culver Public Schools.

Christmas Opera To Be Presented At CMA Saturday

TOMMYE LOU BEAVERS

Theater '63 of Culver Military Academy will present Gian-Carlo Menotti's prize winning opera, "Amahl and the Night Visitors" this Saturday evening, Dec. 8 at 7 p.m. and 8:30 p.m.

Tommye Lou Glaze Beavers, Miss Indiana of 1960, is featured in the cast of 40 singers and 20 musicians. The production has been staged by William J. Martin, Director of Theater at the Academy and will be conducted by Edward T. Payson, Chairman of the Music and Arts Department. The orchestra will include ten members of the South Bend Symphony.

Also participating in the production, as members of the chorus, will be 17 Culver High School girls.

The opera was originally composed for Television, and has been a regular yearly feature ever since. But Menotti wrote it for the stage and it has been widely produced by theater groups all over the country. It is particularly suited for children, being the story of a crippled boy who is visited by the Three Kings on their way to pay homage to the Christ Child.

This will be Tommye Lou's first public appearance at Culver since performing in Wonderful Town two years ago. Also featured in the cast are Cadets Walter Smith playing Amahl in the 7 p.m. performance, and Lanny Bray who will perform the strenuous role at 8:30 p.m.

Admission is \$1.00 for adults and \$.50 for students. Tickets may be had by phoning VI 2-3311, ext. 303, or may be purchased at the box office Saturday evening.

Osborn's Seed & Equipment Co. Is Robbed

The Osborn Feed and Seed Company, of Burr Oak, was broken into sometime over the weekend. Taken was a cash register valued at \$150, and about \$20 in currency. Nothing else was missing. Entry to the company's office was gained by breaking a window on the north side of the building.

Marshall County Sheriff, Jerry Greenlee and State Detective Sgt. Robert Wilson are investigating the theft and break in.

UNITED FUND DRIVE STILL SOLICITING

The 1962-63 United Fund drive is still in operation. If you have not given, and would like to make a donation, please contact your neighborhood solicitor or Ron McKee at The State Exchange Bank.

Pledges and donations are expected throughout the month of December.

CMA Fund Raising Campaign Nets Over Three Million

Gifts totaling \$3,219,245 have been received by Culver Military Academy in the current fundraising campaign, Major General Delmar T. Spivey, USAF (Ret.), superintendent, announced Monday.

The gifts from more than 2,400 alumni, parents, friends, and foundations have been received under Culver's Program for Excellence. The program is designed primarily to provide endowed funds to improve teachers' salaries and to expand financial aid to outstanding candidates for admission to Culver.

"The Program for Excellence will continue," General Spivey said, "until it reaches its goal of \$4,995,000."

"Culver and those who believe in the school and have benefited from it have accomplished much during the last year in conducting the Program for Excellence," General Spivey said. "The amount of money realized to date is among the largest sums ever realized by an independent secondary school."

General Spivey praised the work of hundreds of volunteer alumni who have helped conduct the program. He gave particular credit to two alumni volunteer chairmen, Dale W. McMillen, Jr. of Fort Wayne, Ind., general chairman, and Colonel Cass S. Hough of Rogers, Ark., national chairman of the general gifts division.

"To a large degree a school can be only as good as its alumni," General Spivey said. "We are proud of the loyal, dedicated Culver men who have done so much on this program and have contributed to it so generously."

The Program for Excellence is one phase of a long-term fundraising program Culver is carrying out to maintain its position in the forefront of independent secondary schools. Since the effort was started in 1958 Culver has received \$5,346,000 in gifts towards a long-range goal of \$12 million.

Culver is operated by the non-profit Culver Educational Foundation. During the academic year 850 boys are enrolled in a college preparatory program in grades 8 through 12. Each July and August Culver conducts an eight week education and camping program for 1,600 boys between the ages of 9½ and 18.

Wrap Christmas Packages Securely

Here's a sure fire way to get all of your Christmas gift packages delivered before Christmas day.

Wrap them securely — address them correctly — mail them early! Pack your Christmas gifts in strong corrugated cartons. Cover them with heavy wrapping paper, and tie them with strong cord. Be sure to use plenty of tissue or old newspapers in the cartons to protect your gifts in transit. Always put an extra label inside each package listing both the recipients and your name and address.

Be sure each Christmas card and parcel is clearly and accurately addressed. Christmas cards and gifts to most distant points should be mailed within the next few days.

If you have articles of unusual size or bulk, better check with the post office before attempting to mail them. Limits on size and weight of packages varies, depending on where you mail them from. Your co-operation now will make it a merrier Christmas for everybody.

TRI KAPPA PECANS on sale at The Citizen's front counter. Please help the sorority raise money for charitable purposes. Only \$1.75 a pound for shelled whole meats and \$1.50 for broken pieces. 401ft

Stamp Exhibit To Be Held Dec. 8-9 At Plymouth

The third annual stamp exhibit, sponsored by the Marshall County Stamp Club and the Marshall County Historical Society, will be shown, without admission charges, at the Historical Museum building in Plymouth on Saturday, Dec. 8 and Sunday, Dec. 9 during the regular museum hours. Visitors may view the stamps from 2 p.m. to 5 p.m. and from 7 p.m. to 9 p.m. on those days.

Each year many unusual and beautiful stamps are exhibited by their collectors and several outstanding displays are scheduled for the coming show. Invitations have been extended to many philatelists of this county to exhibit their collections and a wide variety will be on view.

Anyone desiring to show his collection may do so by contacting Mrs. Arthur O'Keefe, curator at the Historical Museum, for details.

Rev. J. C. McLeod Is Guest Pastor At CMA On Sunday

Northwestern University's dean of students, the Rev. Dr. James C. McLeod, will deliver a guest sermon at Culver Military Academy during 10:30 a.m. chapel services Sunday, Dec. 9.

Dr. McLeod is one of a series of distinguished clergymen of all faiths who address members of Culver's cadet corps of 850 boys during the academic year. Services are conducted by the Rev. Allen F. Bray III, Academy chaplain, and Dr. McLeod will speak on the subject "Point of No Return" during his Dec. 9 sermon. He will also meet cadets and faculty informally at an open house at the home of Chaplain Bray from 2 to 4 o'clock that afternoon.

Appointed dean of students at Northwestern in 1952, Dr. McLeod earlier was named the first university chaplain and associate professor of history and literature of religions in 1946. He became full professor in his field in 1950, and he was also guest preacher to the Presbytery of Glasgow, Scotland. Formerly, Dr. McLeod was chaplain at Alfred University, Alfred, N.Y., and minister to students at Ohio State University.

Illegal passing is among the most dangerous of traffic violations, says the Chicago Motor Club. Never pass on hills, curves, at intersections, and whenever a solid yellow line is painted on your side of the highway center line. It is important to remember, however, that the absence of a yellow line does not automatically give you the right to pass. If there's any doubt about your ability to pass safely, stay in your own lane.

Area Towns Visited By Thieves Over Weekend

Thieves were busy in neighboring cities over the weekend. Plymouth experienced a jewel robbery and in Toto, two men were robbed.

The display window of the O & H Jewelry Store, Plymouth, was cut with a glass cutter to open a hole large enough for thieves to reach in and take over \$800 worth of jewelry. The theft was discovered by a passerby Sunday morning. Larry Odle, owner of the store said only the better jewelry pieces were taken, leading officers to believe the theft was accomplished by professionals.

Missing were eight watches, six rings, and several other items of men's jewelry.

In Toto, two gunmen followed David Weinberg, owner of the Weinberg Store, and his son, Harold, into the Weinberg home and robbed them of \$1,900 in cash. The thieves had their faces covered by ladies silk stocking masks. The robbery took place about 7 p.m. Sunday evening.

David Weinberg suffered a deep gash on his head, as he scuffled with one of the robbers. The robbers carried small automatic pistols. The thieves escaped by running across a field to their waiting car, which was parked next to the Weinberg warehouse. Bill Bailey, of Knox, warehouse watchman, gave police a description of the car, a tan 1962 Buick station wagon, and the license plate number. It was later learned the license plates had been stolen in Indianapolis.

The thieves were scared away, after getting the money by Dr. Howard J. Henry, who entered the front door of the Weinberg home. It was not known what direction the thieves took in making their escape.

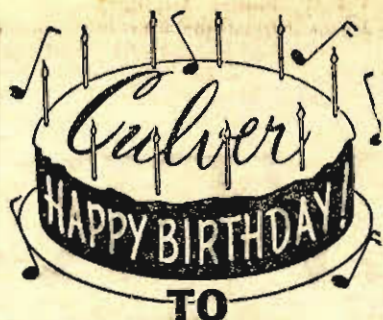

STATE HIGHWAY COMMISSION TO HOLD HEARING ON US 30

A public hearing will be held in the Kosciusko County Courthouse, circuit court room at Warsaw on Wednesday, Dec. 12, at 2 p.m. concerning highway improvements for U.S. 30, as proposed by the Indiana State Highway Commission. The route section to be considered begins at the Marshall-Kosciusko County line extending easterly, bypassing Warsaw and terminating about 1/4 mile east of that city. The new construction will extend over 14 miles.

WHAT'S THE HURRY?

Margo Overmyer Becomes Bride Of Donald L. Reed

MRS. DONALD L. REED

Mrs. Ruth Overmyer, West Jefferson St., Culver, wishes to announce the marriage of her daughter, Margo Elaine, to Donald L. Reed, son of Mrs. Edna Reed, East Mill St., Culver, and the late Dr. Donald Reed. Ford Overmyer of Culver is the father of the bride.

The marriage took place Nov. 17, 1962, at the Immanuel Evangelical Lutheran Church in Donaldson. Rev. James F. McGee performed the ceremony in the presence of the immediate families of the bridal couple.

Mr. Reed graduated from Culver Military Academy in 1960 and the bride is a 1962 graduate of Culver High School. They are both attending Indiana University Extension classes, and will reside at East Mill St., Culver.

Past Matrons Set Christmas Party For December 14

The Eastern Star Past Matrons will meet for their Christmas Party at 7:30 p.m. on Friday, Dec. 14, in the home of Mrs. Judson Dillon.

Assisting hostesses will be Mrs. C. B. Lennon, Mrs. O. T. Smith, Mrs. C. B. Miller, Mrs. Jack Easterday, Mrs. Florence Banks, and Mrs. William Easterday.

There will be a one-dollar-gift exchange.

Entertains S.K. Club

Miss Bess Easterday entertained in her home Friday evening for the members of the S.K. Club and two guests, Miss Elizabeth Muncaster and Miss Margaret Swanson. Following a dessert course bridge was enjoyed at two tables. Prizes were won by Miss Thelma Smith, Miss Muncaster, and Mrs. A. Adams.

DETAILS OF '63 FEED GRAIN PROGRAM ANNOUNCED

The 1963 voluntary feed grain program will generally follow program provisions for 1961 and 1962 crops by giving feed grain producers an opportunity to participate in the program by reducing acreages and to receive payments. Carl W. Price, Chairman, Agricultural Stabilization and Conservation Committee, has announced. As in 1962, the program

will apply to corn, grain sorghum, and barley.

By participating, farmers will receive diversion payments for shifting acreage from production to a conservation use and in addition they will receive price support payments on the normal production of the 1963 feed grain acreage. They will also be eligible to obtain price-support loans and purchase agreements for the actual 1963 feed grain production. Rates for diversion payments are somewhat smaller than in previous years, but this decrease will be more than offset for most farmers by the price-support payments.

A major change from previous programs, Mr. Price emphasized, is that to be eligible for any payments or price support on any of the three feed grains included in the program, the farmer must di-

vert the total acreage for which he signs up.

The chairman explained that farmers may take part in the program by reducing the total of their 1963 feed grain acreage (corn, grain sorghum, and barley) by at least 20 per cent. The maximum diversion is the higher of 40 per cent of the base acreage or 25 acres, provided this is not more than the base acreage. The acreage of the three crops (1959-60 average acreage, as adjusted) will be combined into one total feed grain base for each farm, and the farmer may choose to divert one or more of the feed grains, with the diversion payment being made at the per-acre rate applicable to be particular grain or grains diverted.

Farmers who have planted their 1963 barley crop this fall will be able to take part in the

1963 program by reducing their total feed grain acreage by at least 20 per cent.

Price support to participating farmers will be available partly through loans and purchase agreements and partly through the price-support payment. Loans and purchase agreements will reflect a national average price of \$1.02 per bushel on corn, \$1.62 per cwt. on grain sorghum, and 79 cents per bushel on barley. In addition, price-support payments will be made on the normal production of the 1963 feed grain acreage at the rate of 18 cents per bushel on corn, 29 cents per cwt. (16 cents per bushel) on grain sorghums, and 10 cents per bushel on barley.

MEN'S and BOY'S APPAREL

By Mrs. Floyd Carrothers
Phone Viking 2-2028

There will be Ladies Aid Thursday afternoon in the E.U.B. Annex.

Mrs. Dewey McDonald entertained in her home Thursday morning with a breakfast party for Mrs. Twyla White and nephew, Jim White, of Knox; Mrs. Charles Albert and grandson, Bryant Craft; Mrs. Chester Davis of Culver; Mrs. Elvia Ramsey of Warsaw; Mrs. Pauline VanMeter of Kewanna; Mrs. John Tibbetts, Mrs. Harry Sheppard and Mrs. F. E. Carrothers of Burr Oak. Rolls, doughnuts, fruit, coffee and tea were served and each guest received a gift.

Mr. and Mrs. Bert Cramer Jr. were Sunday afternoon guests of Mrs. Cramer's parents, Mr. and Mrs. Wilbur Haney, and Mrs. Cramer's sister and family, Mr. and Mrs. Dale Gagnon, Janet and Lorene, at Sidney. In the evening they all attended church at the E.U.B. Church at Packerton where Mrs. Cramer and Mrs. Gagnon sang a special.

Mr. and Mrs. John Thompson entertained with a birthday dinner in their home Sunday in honor of their daughter Pamela's eleventh birthday. Guests were Mr. and Mrs. Neal Shock, Linda, Jan and Jane and Mrs. Sue Shunk, of Burr Oak; Mrs. Inez Thompson of Ober; and Kim and Paula Sue Thompson.

Mrs. William Shunk, Miss Jean Elkenberry, Linda, Jan, and Jane Shock, Pamela Thompson and Cathy Jo Carrothers were in Chicago Saturday visiting various places of interest.

Mrs. Marie Schipplock visited her daughters, Marlon and Mary Edle Schipplock, at South Bend from Wednesday until Sunday evening.

Sunday guests of Mr. and Mrs. Arthur Prosser were Mr. and Mrs. John Matiya and family of Markham, Ill.

The E.U.B. Circle Party has been changed from Friday, Dec. 21, to Friday, Dec. 14.

Thursday evening callers of Mr. and Mrs. Lloyd Maxson, Bud, Doris, and Suzanna Ayres were Mr. and Mrs. Jack Thomas of Plymouth.

Sunday dinner guests of Mr. and Mrs. Lloyd Maxson and family were Mr. and Mrs. Jacob Kuchel and Juaneta of Grover-

town and Mrs. Ray Kuchel of Route 2, Culver. Afternoon callers were Mrs. Lowell Ayers, Roger and Victor of Plymouth.

Sunday guests of Mrs. Bertha Jones were Mr. and Mrs. Floyd Jones; Mr. and Mrs. Ed Walker, Debbie, Karen, and Gregg of South Bend; and Mr. and Mrs. Tom Jones and Dennis of Grovertown. Tami Raye Garrett spent Saturday night with Mr. and Mrs. Tom Jones and Dennis at Grovertown.

Thursday guests of Mrs. Floyd Carrothers were Mrs. W. D. Crossgrove of Route 1, Plymouth, and Mrs. Elvia Ramsey of Warsaw.

Sunday dinner guests of Mr. and Mrs. Wallace King and Sharon were Mr. and Mrs. Gene Palmer of South Bend. Afternoon callers were Mr. and Mrs. Harry Kirk and daughter Peggy of Chicago.

ASC Explains '63 Wheat Program

Here's a term that farmers are being urged to keep in mind if they intend to participate in the 1963 Wheat Stabilization Program. The term is "cross-compliance," and the ASC County Committee is anxious that it be understood fully so that farmers may get all the benefits of the wheat program.

Failure to comply with the cross-compliance provision of the wheat program would result in loss of the diversion and price-support payments available to

growers taking part in the program, as well as loss of eligibility for the regular wheat price support.

"Cross-compliance" means that a farmer who participates in the 1963 Wheat Stabilization Program by diverting wheat acreage on one farm will have to comply with the allotment — or small farm base, if this is larger — on other farms in which he has an interest in the wheat crop in order to be eligible for any program payment or price support.

The requirement is only common sense: It's intended to prevent paying a producer for reducing wheat on one farm and then having this reduction offset by a boost in the wheat acreage on another farm in which the same producer has an interest in the wheat crop.

So be sure to get all the facts about cross-compliance, and then cooperate with all the program provisions if you want to be eligible for wheat payments and price support.

NICE Neighbors — To demonstrate their neighborliness Washington County friends of Arthur Maudlin pitched in and helped build a new barn to replace the one destroyed by fire at his farm home east of Salem and then, through donations from their own crops, replaced most of the 2,000 bales of hay and straw lost in the blaze.

Pollsters found 12% fewer Americans drinking alcoholic beverages today than in 1945.

French Work To Be Presented At CMA Chapel On Sunday

Milford H. Myhre, organist and associate instructor in music at Culver Military Academy, will play the complete work of Olivier Messiaen's "The Nativity of the Saviour" in a Memorial Chapel recital at 4 p.m. Sunday, Dec. 9.

The recital will replace Christmas Vespers held at the Academy the past two years.

Myhre's decision to play the complete work will mark the first time it has been given in its entirety at Culver and quite possibly in the state of Indiana. The work is rarely given in its entirety and requires one hour and 15 minutes to play.

Myhre, who studied the composition in France with world-famous concert organist Andre Marchal, said of Messiaen's "La Nativity du Seigneur": "Although not composed for a religious service, this set of nine meditations on the events relating to the birth of Christ can serve to deepen one's appreciation for that profound event. From the sublime repose which issues from the opening chords of 'The Virgin and the Child' (No. 1) to the incredible turbulence and fervor of 'God Among Us' (No. 9), the listener is enveloped in wondrous sonorities steeped in mystical significance."

"Not only are abstract concepts of Christian faith portrayed (No. 3, 'Eternal Purposes,' No. 4, 'The Word,' No. 7, 'Jesus Accepts Sorrow'), but also vivid and unusual musical images of traditional Christmas personalities (No. 2, 'The Shepherds,' No. 6 'The Angels,' No. 8, 'The Wise Men')."

Portions of this work were last heard here in a recital by Myhre in December, 1957.

Messiaen was one of a group of young French composers known as "La Jeune France." Of the group, Messiaen proved to be the most original thinker and the most forceful creator. His music is highly complex, utilizing poly-modal and polyrhythmic devices, intricate rhythms derived from Hindu sources, and the modes and melodic lines of plain songs.

Of all the influences in his work, the Catholic Church is believed to be the most profound. Deeply religious, Messiaen has made his music the voice of his innermost spiritual and religious feelings. Most of his works are neo-mystic, drawing their programs from Catholic liturgy or scriptures.

A key to understanding Messiaen's music may lie in what the composer called the influences that shaped his career.

"My mother," he said, "the poetess, Cecile Sauvage; my wife, the composer Claire Delbos; Shakespeare; Claudel; Reverdy

and Eluard; Hello and Dom Columbia Marmion (dare I speak of the Holy Scriptures, which contain the only truth?); birds; Russian music; the great 'Pelleas and Melisande'; plain song; Hindu rhythms; the Mountains of Dauphine; and, finally, all that pertains to stained glass windows and rainbows." Messiaen's symphony "Turangalila" was written in 1948 and introduced the next year by the Boston Symphony Orchestra under the direction of Leonard Bernstein.

Civil Air Patrol Gives Proficiency Certificates

About 2,000 Certificates of Proficiency are awarded to CAP members each year. This certificate is the highest award given by the United States Air Force to any Civil Air Patrol member. It denotes to completion of the Civil Air Patrol training program which covers a wide and vast range of subjects from military drill to elementary rocket technology.

This training program is so valued by the Air Force that it has granted certain priorities to CAP members who hold the Certificate of Proficiency. Holders may enlist in the Air Force as an Airman Third Class and not have to go through basic training. In AFROTC units, CAP members holding a Certificate of Proficiency will receive priority consideration. Female cadet holders may apply for USAF Officer Candidate School and the Certificate of Proficiency may be used in lieu of two years college.

The certificate is also valued by the cadet while he or she is still a cadet, for without it he can not participate in any of the special activities of the CAP which are open to him. One of these is the International Air Cadet Exchange. Every summer several cadets from each state spend four weeks visiting a foreign country in Europe, Middle East, or South America. All costs are met by the sponsoring foreign agency and the US Air Force.

Another program is the Jet Orientation Course. Here CAP cadets are provided with about ten days of academic and flying training in jet aircraft. In the past years it has been held at Perrin Air Force Base, Texas.

For girls only, there is the Hostess Training Course. Each summer several girls attend, for one week, a hostess training center and go through the course with regular stewardesses.

MORE DRUMSTICKS — Indiana's turkey production is growing. Latest figures from the Department of Agriculture show that in 1961 5,736,000 pounds of turkeys were shipped by truck to six major markets.

Immanuel School Holds Open House

By Maynard G. Tittle
 More than 200 people attended Open House at Immanuel Elementary School, 317 West Monroe St., Plymouth, Sunday afternoon, Dec. 2. In addition to those from Marshall County, visitors came from Letters Ford, Koontz Lake, Knox, Winona Lake, Lakeville, South Bend, and Elkhart.

One of the most frequently heard comments from guests was a commendation of the efficiency and courtesy of pupil guides. Pupils serving as guides to show visitors through the building were Michael Goble, Larry Wallace and the Misses Roselyn Helms, Carol Kline, Betty Riemenschneider and Pat Young.

Decorations combined the school colors of blue and gold and the thought of Colossians 2:3, which mentions that all the treasures of wisdom and knowledge are hid in Christ. The backdrop for the refreshment table had the words, "Immanuel Elementary School — a key unlocking treasures for the children." It was decorated with a scattering of blue keys. The backdrop was made by the pupils, under the guidance of Mrs. Roy Murdick, Marshall County Child Evangelism director.

The cloth on the refreshment

with a nylon marquisette and decorated with gold bows. Blue and gold candles and a floral arrangement of large bronze mums accented with blue pompons centered the table. Guests were served a wide variety of cookies, mints, nuts, and coffee, tea, or punch.

The principal's office displayed a mobile of the contributing factors in the education of a child. These included the home, the church, the school, the town in which he lives, and every individual with whom he comes in contact.

A number of floral tributes were received, expressing best wishes and congratulations from neighbors of the school and other friends.

In keeping with the theme of treasures in Christ, a folded card in the shape of a treasure chest with appropriate reading inside was given as a memento to each guest.

HOUSING SHORTAGE — So many Harrison County people are getting into the harness racing game that there's a shortage of stalls at the fairgrounds. The Corydon Republican reports. There was a shortage of about 15 stalls for winter quarters for the trotters and pacers.

THE SCHOOL BELL

PUBLISHED WEEKLY BY THE PRESS CLUB OF CULVER HIGH SCHOOL

By Joan Dillon

Although it is rather hard on the feet, we'll be standing around the smoke-receiver set this week; I find it worse sitting, though, after all of the turkey and sweet potatoes, pumpkin pie and cranberry sauce! Yes, I really do need to stretch after all of the feasting!

Thanksgiving brings vacations, and vacations bring college kids, relatives, and friends from many distant villages and reservations. Yes, Purdue, I.U., Wabash, DePauw, Indiana Central, Hanover, Valparaiso and many other wigwams of learning dumped their population into our laps — ugh — much to the delight of many young maidens and braves around Culver! It had been many moon since the faces of some of our graduates have been seen! We were glad to have you-all back, kids.

Beware! You may find yourself in a very mouth-watering situation. Why? Because the Sunshine girls are after everyone to buy their turtles and mints.

Bonjour — comment — merci — deux — trois — quatre — ou! — No, Mme. Smith was not holding French classes over our four-day vacation, but many teens from her department made good use of our lab facilities.

la — la — la — We had a well practiced girl's glee club as the maidens had faithfully returned after school to the music building to perfect their songs. We were able to hear this group and various others perform at the program last Sunday.

"Say, where is everyone going?" — Not everyone! but the juniors seem to be migrating in the general direction of Miss Shanks' room. The rings have finally arrived! They certainly are sharp. Lucky juniors. Of course, the seniors will be having their moment of glory in the near future. Senior pictures are to arrive this week!

Layne Zechiel, you didn't have another flat tire on that leaf-raker's wagon! How about it? Can someone loan the sophomores a trusty, little red wagon?

"Hurry! We don't want to be late to class!" — "Oops! tardy." — "Gee, three minutes just isn't long enough for a between-class break!" — "What do you think of those extra five minutes of class time?" — (censored!) Perhaps we should explain that there has been a slight change in our school schedule. The class periods have been lengthened by five minutes. Our five minute breaks have been shortened by two minutes. Give us time; we'll get used to it!

Cupid must have followed the winter habits of the bear and taken to hibernation. No new couples have been spotted in the halls of C.H.S.

Juniors, your dance in the gym (a couple of weeks ago) was great! Lots of elbow room for our "twisters." According to the judges, the combination of Judy Kimmel and Wade Logan is the best.

What's this about portable parties? For more information, contact Tom Yocom.

Indians and Paposos, you

played two swell games with the Plymouth Pilgrims. Keep up the good work!

It seems every high school has its few non-conformists. Most C.H.S. students spend the noon hour talking to friends, eating, and doing various errands. But not our Dave Lemar! He spends his noon hours climbing out of windows and trying to figure out how to get back in! He has just become the newest member of the "Window-ledge sitters of America." In fact, I think he may have become president of the society. He is probably the only member!

Well, before the sun sets, I had better start my run through our X-country course to wear off some of my Thanksgiving turkey. See e e . . . pant . . . you u u . . . next . . . we e eek . . . pant

Three Seniors Receive Letter-Jackets

By Tom Yocom

The Culver Indians have more than active minds and healthy bodies to show for their participation in sports. Many boys recently received the awards they have earned by participating in basketball, baseball, cross country, and track. Three boys now have their letter-jackets. To wear one of these jackets a boy must have earned four major letters, and he must be a senior. The three who possess such jackets at Culver are Rick Ervin and Dennis Shock who each earned their jackets with the required four major letters, while Wade Logan had five at the time the jackets were ordered.

The second highest award an athlete can win at Culver is a medallion, which requires three major letters. The athletes winning medallions were seniors, Thad Overmyer and Frank Keiser; juniors, Bob Carter and Tom Yocom; and sophomores, George Wright and Paul Liette.

Junior, Paul White earned his fifth major; junior, Sam Lowry, his fourth; sophomore, Jim DeWitt, his first; and freshmen, Bruce Lindvall and Andy Lowry, their first. Dick Knoerzer gained a minor letter. Freshmen numerals went to Ron Babcock, Mike Hansen, and Richard Lutz.

Band To Play "Pop" Tunes

By Linda Behmer

The seventh and eighth grade music classes have finished making their musical instruments. There were many varied kinds of instruments made. The most common were drums and banjos. They have also been practicing Christmas music for which the senior band is accompanying them.

The concert held December 2 was well organized. All of the different groups which participated practiced diligently. Also, the committee on decorations made a great transformation of the gymnasium.

The sixth grade band received their first "band" selection. They were quite surprised and pleased to hear the blending of their different parts.

The senior band is playing for the basketball game December 7. They plan to feature some of the latest "pop" tunes. They did a nice job their first performance, and we are looking forward to hearing them again.

Many music students are beginning work on their contest pieces. Time always goes quickly when one needs it to practice for a contest.

Library Is Tended By Students

By Carolee Easterday and Lucy Osborn

Through the generosity of some and the hard work of many others, our school has come to have a fine library. Mr. Fred Stettbacher, the head librarian, told us of the numerous improvements which were brought about because of these people.

Several new volumes have been added to the library. Mrs. Floyd Annis and Mr. and Mrs. Shelton Kaiser have donated two books to the library in memory of Mr. Floyd Annis, a former principal of Culver High School. Also, Mr. M. R. Robinson and Mrs. Homer Albert have presented books for the use of the students. Other new additions are three reference books, several books concerning music, and about one hundred and fifty books for history students and those in the junior and senior English classes.

A vertical file is being organized to assist students in finding magazine articles. This will eliminate the cumbersome magazine file used previously.

The library has been rearranged for the convenience of the students. The facilities for the high school pupils are now found in the back of the library while the children's books are in the front. This arrangement will enable the high school students to study without interruption from the younger pupils.

The library is tended by student librarians. This year there are 15 assistant librarians, more than there ever have been before. Two of these assistants, Susie Gardner and David Frain, attended a workshop for one week this summer at Indiana University.

Candy Sale Is Underway

By Carolyn Covington and B. J. Lawrence

The finance committee of the Culver High School Sunshine Society has launched its annual money-making project of selling candy. This year the members are selling three different kinds of candy consisting of party mints, chocolate "Katydid's," and peanut brittle. Cheryl Dillon, chairman of the finance committee, is in charge of the sale with Pat Kline of the senior class, Lucy Osborn of the junior class, and Peggy Herr of the sophomore class assisting her. This candy can be obtained from any Sunshine girl.

Plans are now in "full swing" for the Sunshine Hi-Y Winter Formal. The Sunshine girls have chosen Bob Flora's Band to provide the music for the dancing of the big occasion. The committees and chairmen are now being selected so that ideas for decorations and refreshments can be considered.

The Hi-Y boys will be working jointly with the Sunshine girls on committees, and hope to make this year's Winter Formal the best one held yet. Eighteen new members were initiated into Hi-Y on Thursday, Nov. 29 in a formal candlelight ceremony. The service was conducted by the Hi-Y officers, and refreshments were served after the meeting.

The Pep Club and National Honor Society are at present engaged in similar projects. The Pep Club officers have been given the duty of writing a constitution by which the club will be regulated in the future. All rules will be set down in the articles of this new constitution.

The National Honor Society members are concerned with amending and bringing their present constitution up-to-date. The president, Cheryl Dillon, and the sponsor, Mr. Miller, have proposed the amendments. These amendments will be presented to the society members for approval in the near future. Sue Cole and Kay Thomas have been assisting the president in the typing of the amendments.

Rocks Displayed in Hobby Study

By Dawn Walter

Mrs. Keyser — Keith Kowatch had a birthday November 17, and treated the room to cupcakes and chocolate milk. The class has had a reading test over all the pre-primer books. They are now ready for their first hard-backed book. Randy Overmyer brought some peacock feathers to school. One had a very strong quill so all the children wrote their names using the quill and ink.

In the second grade two students celebrated their birthdays. David Wolverton of Mrs. Shirrel's room and Mark Weaver of Mrs. Allen's class recently turned eight years old.

Miss Henning — Six students have not missed a spelling word so far this year. They are Brad Bennett, Rusty Chisholm, Pam Hartz, John Matzat, Ned Overmyer, and Denise Shidler.

Mrs. Carter's class has a new girl. She is Susan Albertson from Rensselaer, Ind. Melvin Walter had a birthday last Saturday. Shirley Krsek won the spell down which was held. Douglas George gave a very interesting book report on insects. The class has learned to say in unison the first ten lines of "The Song of Hiawatha."

All of the students in Mr. Horban's room are working on a large scrap book called "Pictures around the World." Nancy Reichley, Diana Crabb, and Sandra Burkett have completed a large chart on how to take care of books. It is posted in the room. All the children have now finished telling stories about some interesting things that happened during their life. Mike DePoy gave an interesting experiment on how to filter water. He used sand and gravel and to the students' amazement he changed dirty water into clean, clear water.

Mrs. Schrieker — Mr. Judd Stinchcomb spoke to the three sections of fifth graders about

rocks. He also brought many pieces of jewelry and polished rocks to show the students. They were most interesting as they had just finished a unit in science about hobbies. The class had a hobby show last week. All fourth and fifth graders were invited to visit it. They had a rabbit, turtles, and a chipmunk. Kris Strang brought her spinning wheel; and Carolee Zehner, the class artist, brought some pictures. They also had stamps, coins, and a collection of army men. Margaret Ruhnow and Mike Stevens are still representing the class in the fifth grade spelling bee.

Mr. Wagner's sixth grade class has a new boy named Steve Albertson. Steve comes from Rensselaer. His hobby is collecting match books; he also likes kickball. Tuesday the bookmobile came to the school. The sixth grade class got to see the wonderful variety of books which the bookmobile has.

Mr. Garber (Music Department) — All classes are preparing for the Christmas program which will take place on December 13 at 3:00 in the school gymnasium. The program consists of the Bible Story along with familiar and some not so familiar carols.

TEEN DISCUSS Teen Canteen

By Florida Baker, Diane Tanner, Sharon Wright, Karen McDonald
A recent question which has been the topic of much discussion in some of Culver's civic organizations has been the one concerning whether Culver should have a Teen Canteen. As a follow-up to the feature story which was written last week, we have asked many Culver teenagers for their opinion on this possible canteen, and whether they thought Culver should organize one. These are the answers we received.

Martha McAllister — I think it is about time someone realized the fact that a Teen Canteen would contribute greatly to the type of entertainment the teenagers have. Instead of complaining about where they go and what they do, adults should see that teenagers have a decent place to go for decent entertainment.

Janet Parker — I agree with Martha. All the kids do around here is run around. They should at least have a decent place to go.
Carol Mevis — I'll go along with everybody else. It is a good idea.

Charles Snyder — Three cheers for a Teen Canteen! Too often the question, "What's there to do?" is asked with no real answer. I hope everybody realizes before it is too late, the need of good, clean recreation for youth ever-increasing number of youth approaching high school age.

Paul White — I think a Teen Canteen would be great and is something the town of Culver should have had long ago. Many times people complain about students causing trouble. Well, if there would be something to do for the students, much of the trouble would be eliminated.

Ned Davis — Good thinking Paul! I agree!

Bonnie Saft — I think it is a great idea. It would give the teenagers someplace to go and would keep them out of trouble.

Tim Wharton — It is a swell idea if it gives the kids some place to go.

Janice Vandermead — It is a swell idea.

Tom Easterday — I do not really think we need one. I doubt if the kids would support it very long.

Julia Funk — I think Culver should have one.

Linda Carl — Yes, it would keep the kids off the street and give us something to do.

Susie Gardner — I think we need a canteen. The thought of it

Jerry Huffer — I do not know. Let's try it and find out if it is going to work. If not, drop it.

Pat Kline — I think it would give the kids something to do and keep them out of trouble. I think it is a O.K. with me.

Richard Warner — I believe it would be a good experience for Culver.

Diane Walters — I think it would be neat because we haven't anything to do or anywhere to go.

Jim Jones — This is what Culver needs.

Barb Hatten — A very good idea.

Vicky Lyons — I think it is a good idea, and will be good for everybody.

Marty Ruhnow — Let's have one.

Carole Barton — I think it would be a great idea. It would give the teenagers something to do and someplace to go in their free time.

Shari Croy — Yes, it sounds neat to me!

Cindy Kemple — I think it would do the students at Culver good to do something for themselves.

Tom Yocom — I think it is a good idea. It should give the kids something to do other than what everyone says they do.

Eva Norris — I think it is a very good idea. It will give the teenagers the fellowship they need.

Debbie Henderson — I think that it's a very good idea. It will give teenagers something to do that is for once, for a good reason.

Judy Price — It would be great!

Valerie Gunder — That is the best idea I've heard in a long time.

Joan Dillon — It has its advantages.

Leona Schmidt — A good idea.

Carolee Easterday — I think it would be a very good idea if it were open at night, on weekends and during vacations for dancing and games. I think it would be necessary to have a student government and the co-operation of both students and parents, though.

Linda Shock — Provided the right arrangements were made, I think it would be great.

Anita Yeazel — I think it would be great and a lot of fun for everyone.

Charlene Lucas — I think it would be one of the best things that happened to Culver if the teenagers will work to make, and keep, it a success. From past experience, I will say that I have a few doubts as to whether they would do this. However, I think it is worth the chance. I'm willing to try it!

Vicky Lutz — Yes, I think it would be an excellent idea.

Bev Barshes — It would keep the kids off of the streets.

Sharon McGaffey — It would be fun and it would also give the teenagers something to do besides drive around or walk the streets.

Janice Neidlinger — It would be fine if it didn't become a teenage hang out.

Marge McGaffey — Yes, it would help out.

Mike Cibak — I don't know if we need one or not.

Gregg Yapp — It is a good idea, if the kids will use it.

Susie Personette — I really like the idea.

Carol Tanner — We need one badly.

Jan Wagner — Yes, we need one. It would help Culver a great deal.

Jim Wescott — I like the idea.

Joan Heiser — It would give the teenagers something to do.

Lucy Osborn — I think it is a good idea, but I don't know whether it would be used or not. It's worth a try.

Sue Cole — A canteen is just what this town needs.

There are good arguments given for both sides of this question. However, an over-whelming

majority of the students have stated that they feel Culver does need a Teen Canteen, and that they do want one. We hope these opinions stated in this article will help in the making of a decision as to whether this project should be undertaken.

Art Students Work With Ceramics

By Beth Sperry

There have been many wonderful art displays on the high school bulletin board recently. Among them, the newly adopted "picture of the week" can be seen. This week Susy Spencer had the featured drawing which was done in Indian ink.

The high school art students are working with ceramics and are making slab pots. The sixth grade is also working with clay.

The art department will be putting up many fine pictures around the stage before the homecoming game.

Shop Teacher Hails From Kansas

By Sue Cole and Charles Snyder

For this week's teacher interview, we ventured over to the industrial arts shop. There we found Mr. Gary Unruh, one of Culver's newer teachers.

Mr. Unruh's hometown is Hillsboro, Kansas, where he went to high school. He went to Bethal College, a liberal arts school in Newton, Kansas. He and his wife have been married for one and a half years and are now residing at 712 Peru Court, Culver.

He told us he worked his way through school by "following the harvest. He explained that he and a group of others started in Texas and worked up to Montana by helping with the harvesting.

He has had two years previous teaching experience at a state-supported school for juvenile delinquents in Ontario, Canada. There he taught science, math, and industrial arts. He likes to make odds and ends around the shop and he also likes to read.

He gave us a tour around the shop which proved to be very interesting. He showed us the progress made by his students. Their projects vary greatly, ranging from planters to a stage-coach.

He said that the only regret in his life is that there just are not enough hours in a day. Though he does not watch much television he claims to get a laugh or two from "The Real McCoys."

Juniors' Class Rings Arrive

By Sharon McDonald and Kay Thomas

Junior Class News: There will be a junior class meeting Friday, November 30, to decide where the next after-the-ballgame dance will be held. The last dance was in the gym, with over 200 people attending.

"They are finally here!" This was the remark made by the juniors when their class rings arrived last Tuesday, one day later than expected.

Sophomore Class News: Those who were lucky got a chance to catch up on their sleep over Thanksgiving vacation — but not the sophomores! Even though it was a little chilly on Friday, they were out raking leaves, leaves, and more leaves!

Freshman Class News: The spirit 'n lively freshman class has been having its fudge sales every other Friday; they have been quite successful. They are going to have another sale this Friday.

Highlights of Culver News of 10, 20, 30, 40, and 50 Years Ago This Week

DECEMBER 3, 1952—

A. R. McKesson is the newly elected president of the Culver-Union Township Chamber of Commerce. Mr. McKesson brings a wealth of experience to the office. He has headed the organization before.

Local services, marking the observance of the 100th anniversary of the founding of the Emmanuel Evangelical United Brethren Church, will open this evening.

Mr. and Mrs. Theodore Weiger announce the engagement of their daughter, Fay Ellen, to Donald Gilbert.

Mr. and Mrs. Robert Melton are the parents of a daughter, born Monday, Dec. 1, at Parkview Hospital.

Mrs. Lorene Brown and Clair Bennett exchanged wedding vows in their home Saturday evening. The double ring ceremony was performed by Rev. Meredith Sprunger.

DECEMBER 9, 1942—

Charles Ferrier has been elected Worshipful Master of the local lodge of Masons for 1943. He succeeds William R. Easterday.

Large Christmas wreaths have been placed on the boulevard light poles in the two business blocks and festooning has been draped across the main intersection.

Postmaster Fletcher Strang has received word that he has been

reappointed Culver's postmaster by President Roosevelt after the Senate has given its approval.

Citizenship was conferred on Julia Rossa by Judge John W. Kitch.

Lt. Tom Marshall, son of Mrs. Lottie Duddleson who has been stationed at Kelly Field near San Antonio, Texas for several months, has received a commission as captain and has been transferred to an advanced flying field at Lubbock, Texas.

Accidents on the state highway system during the month of October decreased 58 per cent in comparison with the month of the preceding year.

DECEMBER 7, 1932 —

John G. Baker was fatally injured in an automobile crash at Dillon's corner Tuesday morning and died this morning in the Argos Hospital. Two other Culver men, Arthur Bryan and Christopher Lolmaugh, riding in Bryan's car, were injured.

Mrs. Cary Cummins was rushed to the Plymouth hospital Tuesday morning with appendicitis.

Mrs. John W. Cromley suffered a broken hip Sunday night when she fell while on her way to church.

A slot machine was stolen Saturday night after closing hours from the Buse & Keller pool room at Monterey.

Mrs. Anna Elizabeth Heine, 72, died Friday, Dec. 2, after a prolonged illness.

A meeting to be held in Indianapolis has been called to boost a plan for the State to build good roads. The convention will contemplate a bond issue of \$3,000,000 and a tax levy of one-tenth per cent on the two billions of taxable property of the State.

Mr. and Mrs. Lucas Duddleson are the proud parents of a son born Dec. 3.

Jehovah's Witnesses To Attend Assembly

Jehovah's Witnesses in Plymouth are making preliminary plans to attend a semi-annual circuit assembly Jan. 4-6 at the Niles Junior High School, Niles, Mich.

Sponsored by the Watchtower Bible and Tract Society of New York, world headquarters and governing agency for Jehovah's Witnesses, the conference is expected to attract some 1,000 ministers and their families from 18 congregations in southwest Michigan and northern Indiana.

According to Mr. Spangler, "the assembly is not a revival, but is arranged to assist Jehovah's Witnesses improve their service to the community through Bible education."

The theme of the meet is "Spread the Word of Life."

Appearing on the program daily will be Angelo Catanzaro, recently appointed district supervisor for three midwestern states. The entire convention will operate under his direction. Mr. Catanzaro, who is from Brooklyn, N.Y., will conduct a mass baptism ceremony for new ministers during the assembly, and on Sunday afternoon he will deliver the principal talk of the conference, "The Bible's Answer to Our Program of Survival."

The Dec. 3 Scout meeting, Board of Review, and Troop Committee meeting was held at the Methodist Church Fellowship Hall. Twenty-three Boy Scouts were present at the meeting. "Wastebasket" contest was played for the opening game and the Wolf Patrol won the game. The Assistant Scoutmaster gave demonstrations on personal fitness and the Scouts followed by doing push ups, sit ups, and several others. A uniform inspection was conducted with the senior leaders inspecting the Troop. The following Scouts went before the Board of Review and advanced in rank: Greg Easterday and Tom Bocoek passed their First Class and Steve McCombs and Jeff Adams passed their Second Class. The closing game was chain tag and the meeting was closed with the Scout Benediction.

The Beaver Patrol won patrol competition for November. Congratulations!

Saturday, Dec. 8, half of the Green Bar members will meet at Easterday's Construction Co. to build deer feeding stations to be set up at Keith Faulkner's woods. The other Green Bar members will meet at the Standard Service Station to begin our Christmas tree sales. Members will meet at both places at 8:30 a.m.

As our annual "Good Turn," the Troop will again give a free Christmas tree to each church in the area that wishes one. Send a representative from your church to the Standard Station.

INDIANA HOLSTEIN JOINS "IRON GRANDMA" CLAN

Brattleboro, Vermont — A 14-year-old Registered Holstein cow owned by John A. Newman and Sons, Culver, joined the select "iron grandma" class recently with an official career record of 207,570 pounds of milk and 7,762 pounds of butterfat.

Culver Dictator Eden Iris 292-8417 (GP) ranks as the 170th cow to top the 100-ton mark in the official production testing programs of The Holstein-Friesian Association of America.

She has averaged more than 47 pounds of milk a day for every day, milking and dry, since her second birthday in 1950. Her cumulative total is more than eight times the lifetime output of the average U. S. dairy cow.

She hit her peak as a 6-year-old with a 364-day total of 24,081 pounds of milk and 900 pounds of butterfat.

Weighing and testing of all of her production have been supervised by Purdue University as part

of the official breed improvement work of the national Holstein organization.

As an added claim to fame, the Indiana cow is classified "Good Plus," third highest designation in her breed's official program for measuring type.

She scored 81 of the 100 points representing theoretical physical perfection in body conformation and breed characteristics.

Conservation Dept. To Hold Hearing On Fish Spearing

The division of Fish and Game of the Indiana Department of Conservation announced today that a public hearing on proposed changes of the fish spearing laws will be held December 11. The hearing will be held at 10:00 AM in Room 602 of the State office Building.

The proposed changes generally limit spearing in streams to large rivers only, and set up a closed season on lakes and impoundments from April 1 to July 16. In addition, creel limits have been set up for some species which may legally be taken. The specific proposed changes are as follows:

It shall be lawful for any person to take certain fish by means of a fish spear, gig, spear gun, or underwater spear, in specified large rivers of Indiana. Fish which may legally be taken are carp, gar, bowfin (dogfish), shad, buffalo, and any species of sucker. No other species of fish may be taken in this manner. These species may be taken in any stream having an average discharge of 1,500 cubic feet per second which includes the subsequent stream portions:

1. West Fork of White River— from its junction with the East Fork upstream to the dam in southwestern Marion County. (This is the dam below the Harding Street generating plant of the Indianapolis Power and Light Company.)

2. East Fork of White River— from its junction with the West Fork upstream to the dam at the south edge of the city of Columbus in Bartholomew County.

3. Wabash River— from its junction with the Ohio River upstream to Indiana Highway 13 at the south edge of the town of Wabash in Wabash County.

4. Tippecanoe River— upstream from its confluence with the Wabash River to the Oakdale Dam (which forms Lake Freeman).

5. Maumee River— from the Anthony Boulevard bridge near its head (formed by junction of the St. Marys and St. Joseph Rivers at the city of Fort Wayne)

downstream to the Indiana-Ohio state line. (Note: neither the St. Marys River nor the St. Joseph River — the latter in Allen and Dekalb counties — will be open to spearing.)

6. Kankakee River— from the Indiana-Illinois state line to the Indiana Highway 55 bridge south of the town of Shelby in Lake County.

7. St. Joseph River (Elkhart and St. Joseph Counties) from the Indiana-Michigan state line where the St. Joseph River enters Indiana in Elkhart County downstream to the Indiana-Michigan state line where it leaves Indiana in St. Joseph County. (Note: this is the entire length of the main stream of this river in Indiana.)

Taking fish by means of fish spear, gig, spear gun, and underwater spear shall be illegal in all other sections of these streams and in all other streams of the state in their entirety. However, taking of carp, gar, bowfin, shad, buffalo, and any species of sucker with pitchforks and bow and arrow will be permissible during daylight hours on any waters of the state.

All lakes, ponds, impoundments, and excavations shall be closed to the use of fish spear, gig, spear gun, and underwater spear from the first day of April to the sixteenth day of July, both dates inclusive.

The creel limits for all waters of the state are the same and are as follows: carp, gar, bowfin, and shad—no limits; suckers (of one or more species—an aggregate of 15 fish; possession limits shall be: suckers, an aggregate of 30 fish of one or more species; buffalo, an aggregate of 8 fish of one or more species. There is no possession limit on carp, gar, bowfin, and shad.

PROPERLY PARKED — The editor of The Danville Gazette recently spied a smooth haired fox terrier with its leash tied to a parking meter on a downtown street. The dog's owner had deposited the proper amount in the meter, apparently to make sure the pooch would not be towed in.

S. S. Manager Warns Against Fake Advertising

Cornelius R. Schafer, social security district manager in South Bend, recently warned the public to be wary of advertisements promoting the sale of books that promise to tell how to "get around" certain provisions in the social security law.

Some of these advertising materials, Mr. Schafer noted, say that, books offered for sale at \$1.95, \$2.99, \$3.99, and sometimes \$5.00, will also show "How to get twice as much social security," or even, "How you can get social security for doing absolutely nothing."

"Actually," Mr. Schafer said, "these books cannot tell the reader anything basic about the social security law that he would not

find in the free booklets and leaflets available at the South Bend Social Security District Office."

In fact, if advice contained in some of the books were followed it might result in extensive investigation by this office and thus delay social security payments rather than expedite their issuance. Further, following some of the advice might place the individual in a worse rather than a better financial position.

"If a resident of the Culver area has any questions about his social security benefits," the social security district manager said, "I suggest he come in and talk to someone in our office. We may not be able to tell you how to 'earn a million dollars a year — while collecting social security' (as the promoters of some sensationally advertised books suggest they can do). But the people in our office will be glad to give you full and realistic information tailored to your particular situation."

This correlative citation will be among those read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 275): "All substance, intelligence, wisdom, being, immortality, cause, and effect belong to God. These are His attributes, the eternal manifestations of the infinite divine Principle, Love."

The Evening Star

The brilliant evening star is a symbol of many things to many folk. Mariners hail it as a good omen, for it usually forecasts a clear, calm night and smooth sailing. The shepherd tending his flock on a desolate hillside gratefully notes its appearance in the heavens, for its friendly light offers an intangible sort of companionship during his lonely vigil. To many, the star is representative of God's infinite power and wisdom.

Just as this star touches hearts in countless different ways, so may the Church bring to those in all walks of life, peace and comfort which lead to a happier, more fruitful pattern of life.

Let us make the Church our guiding light. We can brighten our lives if we accept the teaching of the Scriptures as guideposts along the pathway to future endeavors.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. These are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

NIPSCO's Tax Bill Is \$192,328.56 In Marshall County

Northern Indiana Public Service Company has contributed more than \$ 1/2 million dollars this year in real estate and personal property taxes toward the successful operation of Indiana's cities, schools, towns and counties, Dean H. Mitchell, NIPSCO chairman and president, has announced.

The utility's November installment of \$4,261,990.98, added to the spring payment of \$4,261,990.98, brings the company's total state and local property tax bill for 1962 to \$8,523,981.96. "This makes NIPSCO one of the largest single tax payers in the state of Indiana," Mitchell said.

The company's tax payments this year are \$617,117.22 higher than in 1961.

John E. Nikoloff, Plymouth district manager, said that total local taxes paid by the utility in the Plymouth area in 1962 amounted to \$299,293.24, of which \$76,348.26 went to Starke County; \$28,616.42 to Fulton County; and \$194,328.56 to Marshall County. The city of Plymouth received \$95,739.42; the city of Rochester, \$12,978.16; and Knox received \$16,665.52.

Ball State College Enrollment Now At All-Time High

Ball State Teachers College enrollment has reached an all-time high of 8,371 students taking college-level courses the fall quarter. Now the third largest institution of higher learning in Indiana, the college is enrolling its students from 85 of the 92 Indiana counties, 29 states, and 15 foreign countries.

While the majority are working on undergraduate or graduate degrees in some phase of education, ranging from the Bachelor's and master's degree through the Ph.D. and Ed.D. degree, a sizeable number are enrolled in business administration, liberal arts, dietetics, medical technology, and two-year secretarial programs. In addition, others are completing pre-professional academic requirements in law, medicine, engineering, dentistry, social work and the ministry.

The college has grown 346 per cent over its post World War II enrollment and predicts an enrollment of 17,000 by 1972.

The fall quarter there are 1,256 graduate students taking courses on the campus, 35 auditors and 326 special students who are studying French, special music or ballet at the non-academic level. This makes a total of 8,697 students enrolled.

Culver students enrolled are Emily A. Allen, sophomore; Linda L. Banks, sophomore; Joan C. Barshes, junior; Betty J. Hosmer, sophomore; Betty L. (Kose) Knans, junior; Daniel R. Little,

Academy Sports

Culver Military Academy will attempt to get its basketball squad into the victory column this weekend with a pair of games against Crown Point and Pike High Schools.

The Eagles, with only one letterman returning and in the throes of a rebuilding year, dropped their opening games of the season last weekend to Howe Military School, 52-42, and LaPaz High School, 58-43. The contests this weekend will bring Crown Point to Culver for an 8 p.m. contest and will send the Academy quintet to Pike on Saturday.

Playing without Head Coach Chet Marshall, who has been ill, Culver was unable to get going against either Howe or LaPaz, both of which had the experience of having played several games. Howe's triumph over Culver gave them a 3-3 record while LaPaz upped its winning record to 4-1. John Teeter, Eagle captain, led the scoring in both contests but Culver was unable to get another man in double figures in either game. At Howe, Culver fell behind 17-6 in the first quarter and trailed by 12 points at the half. The Cadets were unable to close the gap in the second half.

Against LaPaz in their home opener, the Eagles had some difficulty with the Vikings' defensive press. LaPaz increased its lead in every period and Culver never threatened. Teeter had 21 and 22 points respectively in the two games. The Academy junior varsity provided some consolation by winning both "B" games.

In wrestling, the Academy grapplers got off to a good start by beating Penn., 25-23. Looking to a season better than last year's 6-6-2 record, Coach Colin Stetson's youngsters avenged one of their losses from the 1961-62 card. Co-Captain Vance Cannard, one of the top cadet wrestlers, got his season off on the right foot with a decision in the 145-pound class. Cannard had a 12-3 record last year.

Other Culver winners were: Mark Brewer, Chuck Longfield, Wendell Jacobs, Mike Thrower, Mike McCullough, and Dave Miller.

Special Deer Hunts Net 1,086 Deer

The Division of Fish and Game announced that 1,086 deer were killed on Camp Atterbury and Crane Naval Ammunition Depot during the controlled deer hunts held Nov. 22, 23, and 24. Six hundred seventy-five were taken on Crane and 411 at Atterbury. Approximately 1,700 hunters participated in these hunts and took home many fine specimens. The largest deer from Crane was a 3½ year old, nine point buck that weighed 217 pounds field dressed. Nelson Myers, 192 Larrimer St., Crane, was the proud hunter. The largest set of antlers was a 12 pointer. At Camp Atterbury the heaviest buck weighed 208 pounds field dressed.

Deer hunters, successful and unsuccessful, are reminded that they are to complete and return the questionnaire portion of their license to the Department of Conservation.

Hunters who hunted on the Jefferson Proving Ground area, near Madison, had better than the average success. Taken from the area were 263 bucks and 225 does for a total of 488 deer. The season for the proving ground was from Nov. 22 to Dec. 1.

There were 1,400 hunters in the area during the hunting season. Jack Dew, public information officer, estimated that 46,593 pounds of field-dressed deer was hauled off the area. This set the average of 95 pounds per deer.

The largest was a 176-pound buck bagged by Dew. The buck with the largest number of points, 18, was taken by Bill Sanders, of Brazil.

MR. AND MRS. ROBERT CRUMP

Mr. and Mrs. Robert Crump of Hibbard will observe their 60th wedding anniversary with an open house in their home on Sunday, Dec. 9, and will be happy to receive their many friends between 2 and 4 p.m.

Mr. Crump was born Dec. 4, 1878, in Granville, Ohio, and moved near Winamac when he was six years old. Mrs. Crump was born in Winamac and met Mr. Crump when they were schoolmates at the OK School in Tippecanoe Township, Pulaski County. They were married Dec. 7, 1902.

The Crumps have lived in Hibbard since 1914 and are well-known in the county for their fiddle and piano duets at many square dances in the area. Mr. Crump's first violin was made from a cigar box. Mr. Crump, who had a livery stable at Hibbard for many years, later operated a garage and also drove a school bus between Hibbard and Culver for 26 years.

The Crumps have 10 children, 24 grandchildren and 10 great-grandchildren. Their five daughters, all graduate nurses, are Mrs. Hilda Fuzy, Fort Wayne; Mrs. Viola Alcock, Plymouth; Mrs. Edna Reed, Culver; Mrs. Opal Grove, Plymouth; and Mrs. Rosemary White, Bass Lake. The couple's five sons, Alvin and Lyman, both of Evanston, Ill.; Leonard, Formosa; Chester, Hibbard; and John of South Bend; are all members of the Masonic Lodge.
