## Culver Indians Drop Friday's New Paris Game

### Two Games Here Next Weekend

By EARL D. MISHLER

Beginning their busiest month of the season, Culver's Indians dropped a 77-60 game to Elkhart County champion, New Paris, Friday night on the winners' home floor.

The host Cubs, now 15-1, boasted a tall and talented starting five that outshot and out-rebounded Coach Gene Crosley's lads.

New Paris started with a rash of baskets, building a 13-2 lead behind the shooting of Wayne Saider and the rebounding of the Hoffman twins, Tom and Dick. With Sam Lowry and Paul White finding the range from outside Culver cut the lead to 22-15 after the first period.

Thad Overmyer, the Indians' leading scorer and rebounder, got in foul trouble in the second period and the Cubs swept the backboards in an even more convincing fashion.

Throughout the second half, New Paris could not increase their margin to any degree but the Cubs were content to match Culver basket for basket. Only Lowry was a consistent threat throughout the game for the Indians, who never managed a serious threat to the hosts' 11th straight victory.

Snider, a 5'11" jumping-jack guard, tallied 26 points for the winners while Dick Hoffman, Fred Schrock, and Phil Weybright added 14, 13, and 12, respectively. Lowry became Culver's first 20-point man of the season with a 21-point effort. White added 17 for his best night since early in the season.

Culver's B-Team suffered through an ice-cold first period, and went on to drop a 53-46 game. Trailing 9-0 at the quarter stop, Coach Jim Cox' boys never quite caught up with the Baby Cubs. Jim Lewis tallied 16 points for the Papooses, but New Paris' Dick Kerwin took game honors with 17. Yet another Hoffman, Steve, scored 13 for the winners, while Doug Lindvall of Culver tallied 11.

Culver, carrying a Varsity mark of 4-10 and a 7-7 B-Team record, plays host to Royal Center this Friday and North Miami on Saturday night. Box score:

## 4-H Enrollment Night Set For February 14

The 4-H Enrollment Night will be held Thursday, Feb. 14, at 7:30 p.m. in the Culver Lions Den. It is sponsored by the Union Township 4-H Council.

A detailed list of projects will be given in next week's Citizen.

Minimum age for enrollment for all projects, except tractor maintenance, is 10 years of age on or before Aug. 1, 1963. Tractor maintenance minimum age is 12 years on or before Aug. 1, 1963.

It is necessary that the child bring along at least one parent in order to enroll, but both parents are most cordially welcome to attend.

Refreshments will be served at the close of the meeting.

## Dessert Bridge February 13 For Nurse Scholarship

### Tri Kappa Benefit At The Culver Inn

Tri Kappa will again sponsor its annual nursing scholarship for a Culver girl with a benefit dessert bridge party to be held at The Culver Inn at 7:30 p.m. on Wednesday, Feb. 13.

At the present time Tri Kappa has two local girls in the first and second years of nursing school. This present scholarship will help send the third girl. It is the organization's goal to concurrently keep three students in schools of nursing.

Donations for this bridge party are \$1.25 per person or \$5.00 per table and all proceeds will be used for this local nursing scholarship.

Many varied desserts will be served along with individual table prizes. Tickets may be purchased at the door of The Culver Inn or by calling Mrs. C. Glenn Coolman, Viking 2-3545, or Mrs. Robert Bolton, Viking 2-2636. They are also available at The Citizen office.

## Fire Destroys Local Rabbit Business

Fire of undetermined origin completely destroyed the rabbit hutches and all livestock of the Jerry Nelson rabbit establishment about 6:30 a.m. Monday morning. The 10 x 12 brooder house was located at the Nelson Equipment Implement Storage, north of the intersection of new Road 17 and State Road 10. The fire was discovered by a passerby, but by the time the alarm was sent in and the Culver Fire Department arrived, the building was a complete loss.

Destroyed in the fire besides the rabbit hutches, were 12 adult rabbits and an unknown number of baby rabbits, and feed. The establishment was owned by Jerry Nelson, 18-year-old son of Mr. and Mrs. Maurice Nelson. Jerry was raising the rabbits for the Easter trade. The loss is estimated at \$200.

Learn from the mistakes of others — you can't live long enough to make them all yourself.

## School Board Acts On Many Problems

The Board of School Trustees of Culver Community Schools met at the office of the Superintendent on Tuesday evening, Feb. 5. Representatives of a group of patrons who had attended the previous meeting were present to inquire about the School Board's decision regarding closing schools in periods of bad weather. Mr. Ced White, President of the Board, explained that the members had not changed the plans for school closings. He indicated that this would be a matter to be handled by establishment of long-range policies after complete study of all phases of the problem.

The patrons present indicated that the bus for their particular area did not have adequate heater facilities to keep the pupils warm. The School Board informed the group that this was one of the two remaining bus bodies in Union Township that were quite old and that it would be replaced by new equipment before a new school term would start. The board members agreed that attempts would be made to repair or correct the heater problem on the bus in question.

After taking action on claims for payment of a number of bills, the School Board continued its study of the new budget for 1963. Since many appropriation items on a consolidated school budget are based upon budget classifications quite different from those of a township school budget, the appropriations set up on the three township budgets had to be broken into new classifications. The work on the final budget was completed, and the superintendent will prepare the legal advertising for publication so that approval of the new appropriations can be secured from the State Board of Tax Commissioners.

The School Board appointed Mr. McLane to represent the Culver Community Schools Corporation at the meeting of the Marshall County Board of Finance on Wednesday, Feb. 13. This meeting will be held for the purpose of reaching an agreement on the deposit of public funds in the banks of Marshall County as required by law.

The board also sanctioned a revision of the contract for one school bus route in the Aubbeenaubee School district to provide for payment for increased mileage because of a recent change of the route. Such a change is required by law when the daily mileage exceeds that specified in the original contract with a bus driver.

In order that a definite agenda may be prepared for meetings of the School Board, it was decided that patrons who wish to have an interview or hearing with the board should call the office of the School Superintendent prior to the date of the meeting of such Board. A time then can be scheduled during the meeting for such a hearing. Such a plan would eliminate the possibility that an individual or group would have to wait an excessive length of time before having an opportunity to be heard during a meeting of the School Board. If the agenda already is over-crowded when a request is submitted, time will be provided for such a hearing in a later meeting.

The School Board voted to place the cash balance in the Cumulative Building Fund from North Bend Township in savings accounts in the State Exchange Bank and Leiters Ford State Bank, thus providing for accruing interest for this fund. Part of the money in this fund already has been invested in bonds.

Sunday dinner guests of Mrs. Trula McKee were Mr. and Mrs. Donavon Overmyer and sons, Mr. and Mrs. Eugene Thomas and children joined them in the afternoon.

## Fletcher Mattox To Receive High Eagle Scout Rank

### National Scout Week Is Feb. 7-13

C. FLETCHER MATTOX

February 7 to 13 is National Scout Week. Troop 290 of Culver will observe this 53rd anniversary of the Boy Scout movement through a variety of activities.

During the week, all Scouts will wear their uniforms to school. The Troop plans to take over the flag-raising ceremony at school. The Troop members will arrange a window display in Kline's TV and Appliance Store, and they will set up a campsite exhibit on the corner of Main and Washington Streets.

On Saturday, Feb. 9, 12:30 p.m., Menominee District (Marshall County) will sponsor a parade and a movie in Plymouth. All Scouts are invited to attend this free event.

On Scout Sunday, Feb. 10, the local Scouts will be special guests at morning worship services at the Culver Methodist Church, the sponsoring organization for Boy Scout Troop 290 and Cub Scout Pack 290.

Monday evening, Feb. 11, at 7:30 p.m., a Court of Honor will be held in the Fellowship Hall of the Methodist Church. The ceremonies will be preceded by a pot-luck supper starting at 6:30. Dr. Ronald Williams, pastor of the church will be guest speaker.

The main event of the Court of Honor will be presentation of the Eagle Scout award to C. Fletcher Mattox, son of Mr. and Mrs. E. Wayne Mattox of South Shore Drive. Fletcher, age 13, has been a member of the Troop for two years, and during that period has served as a patrol leader. He is currently assistant senior patrol leader and Troop quartermaster. Menominee District Scout Executive Richard Brown will present the award.

Also on Monday, Feb. 11, at 12 noon, an Eagle Scout luncheon is to be held in Plymouth, honoring all Scouts who earned the rank of Eagle in 1962. From Troop 290, Dean Smith, Richard Kelso, III, and David Kelly are eligible to attend this special function.

The public is cordially invited to attend the Court of Honor, and in other ways to observe the Scout Week activities.

### COURT HOUSE TO CLOSE FEBRUARY 12 AND 22

Glendyn C. Albright, County Auditor, has announced that the Court House at Plymouth will be closed on Tuesday, Feb. 12, and Friday, Feb. 22.

Frank Schmidt and son, Thomas, will spend Friday and Saturday in Indianapolis attending the state convention of the Indiana Farmers' Union. However, Thomas will serve as page to Senator Marshall Kizer on Friday.

## Supt. McLane Tells C of C Of Progress In School Unit

Frank McLane, superintendent of the Culver Community School unit, told Chamber of Commerce members, Monday at the chamber's regular noon luncheon meeting, that the unit contains approximately 1,200 students in grades 1 through 12. Mr. McLane discussed the budget problems of the new unit and stated that the valuation of the three townships was approximately \$14,800,000. The area of the three townships consists of 172 square miles.

Commenting further on the new school unit and its board, Mr. McLane brought out the fact that all decisions of policy and administration would be the decision of the board and not the individual members of the board. The board will represent the people. The individual board members will not form policy as individuals. Mr. McLane further stated he would be glad when the entire unit was able to have a unified high school.

Other business of the chamber to be acted upon was the publishing of the tourist pamphlets similar to ones issued by the chamber last year.

Mr. Rhodes, chairman of the retail committee, announced that Culver merchants would have "Dollar Days" on Feb. 28 - Mar. 1 and 2. Watch The Citizen for future announcements.

Don Davis, chamber president, has announced the chairmen of the following committees to serve for the 1963 term:

- Membership Committee — Andy Verman.
- Retail Committee — C. E. Rhodes.
- Program Committee — Jesse Sims.
- Special Events Committee — Don Trone and Robert Matson, co-chairmen.
- Road Committee — George Babcock.
- Publicity Committee — W. L. Thompson.

## Culver Lions To Hold Ladies Night On Feb. 13

Culver Lions Club will have Ladies Night, on Wednesday, Feb. 13. The meeting will be called to order at 6:30 p.m. at the Lions Den.

Entertainment for the evening will be furnished by the Flora Family, who will present a musical program. Party prizes will be presented to each of the ladies attending.

Lion president Harold Fitterling urges all Lions to attend and bring their ladies with them.

## Taylor's Ben Franklin Store Remodeled

Taylor's Ben Franklin Store has been undergoing an extensive remodeling and redecorating program the last few weeks. Old shelving has been replaced by peg board along the sidewalls of the store, allowing for a better display and arrangement of merchandise, making shopping easier for the customer. The center merchandise island also has upright peg board used for display purposes.

The new method of displaying merchandise, has allowed Mr. Taylor to increase the number of items found in the store. Also the new arrangement makes added room for shoppers. Merchandise can now be placed on display so that customers can see and examine it much better and it makes shopping easier.

## Hospital Notes

Alva Savage recently returned to his home at Rural Route 1, Culver, after a six-weeks' stay at Parkview Hospital in Plymouth and Memorial Hospital in South Bend. Mr. Savage would enjoy seeing his friends and neighbors.

## Funeral Services Held Yesterday For Bertha Jones

Funeral services were held at 2 p.m. Tuesday at the Burr Oak E.U.B. Church with Rev. C. L. McKinley, pastor, officiating. Burial was in the Burr Oak Cemetery.

The Easterday-Bonine Funeral Home was in charge of arrangements.

## Earl P. Johnson Dies After Four-Month Illness

Earl P. Johnson, 54, of Delong, died at 11:15 a.m. Friday at Parkview Hospital in Plymouth following an illness of four months.

Mr. Johnson was born Jan. 24, 1909, in Plymouth, Ill. After moving to Culver he was married on Oct. 3, 1946 to Myrtle I. Whitesell who survives. He spent the remainder of his life in the Culver-Delong area.

Surviving with his widow are five sons, Jacob B., of Culver, and Harry K., Robert S., Daniel F., and Earl D., all of Delong; five daughters, Mrs. Crae M. Howell of St. Mary's Ga., Mrs. Florence Testerman of Chicago, Mrs. Joan Banks of Huntsville, Ala., and the Misses Shirley Ann and Betty Jean Johnson, both of Delong; and a sister, Mrs. Myrtle Makuski of Ft. Meade, Md.

Mr. Johnson attended the Culver Bible Church where funeral services were held at 2 p.m. Monday by the pastor, the Rev. Paul King. Interment was in the Culver Masonic Cemetery.

The Easterday-Bonine Funeral Home, Culver, was in charge of arrangements.

## Col. Stephenson Completes Civil Defense Course

Left to right: Col. Edward Stephenson, Culver, and Roland Knox, Indianapolis.

Col. Edward Stephenson, Commandant of Culver Military Academy, has just completed a special civil defense course at the Department of Defense, Office of Civil Defense, Staff College in Battle Creek, Mich.

Colonel Stephenson, who lives at 163 North Terrace, Culver, completed a five-day course for shelter management instructors from Jan. 21 through Jan. 25, along with 48 other local and State civil defense officials from various parts of the country.

As part of the National Civil Defense program, millions of fallout shelter spaces found in existing buildings throughout the country and which meet certain standards will be marked by the Federal Government and stocked with food, water, sanitation, medical and radiological detection supplies and equipment. Personnel must be trained to manage the people who may occupy these shelters. The Shelter Management Instructor course conducted at OCD Staff College provides training in fallout shelter management to those persons who will return others to serve as shelter managers in case of emergency.

The duties and responsibilities of the manager are taught, together with the special staffing, skills and techniques that would be needed in community fallout shelters. Included in the one-week course is a period of actual shelter living, which provides practical experience to the instructors.

**DRAFTED** — A Lawrenceburg woman, Mrs. Bob Kittle, was on hand at 9 a.m., for a going-out-of-business sale at the store of her friends, Mr. and Mrs. Sam Gordon. She hoped to pick up a bargain or two and then go home. However, there was such a rush that the Gordons asked her to help out as a clerk. She stayed on and on and didn't get away from the store until 10 p.m.

## Peul Czeko, 75, Dies Tuesday In Culver Home

Peul Czeko, 121 Lewis St., Culver, died at 6:45 Tuesday evening, Feb. 5, in his home at the age of 75.

Born Sept. 25, 1887, in Hungary, Mr. Czeko served 10 years in the Austrian-Hungary Army and was a veteran of that army in World War I. Mr. Czeko was married in Hungary Oct. 17, 1911, to Anna Ramus of Hungary, and the couple came to the United States in 1920 where they lived in Cleveland, Ohio, for one year before coming to Culver.

Employed as a tailor at the Culver Military Academy, for 32 years, Mr. Czeko has been retired for the past 11 years.

Surviving with his wife, Anna, is a brother, Steve Czeko, of Cleveland, Ohio.

Mr. Czeko was a member of St. Mary's of the Lake Catholic Church where services will be held at 10 a.m. Friday, Feb. 8, with Rev. Joseph A. Lenk, pastor of the church officiating. Interment will be made in the Culver Masonic Cemetery.

The Easterday-Bonine Funeral Home is in charge of arrangements where the rosary will be recited at 8 p.m. Thursday evening, Feb. 7.

**UNDER PRIVILEGED** — "There are," says Robert Cloyd Jr., editor of The Lafayette Leader, "still a number of families who not only don't have a second car; they don't even own a boat."

## Tax Receipts Needed To Buy License Plates

Rosemary Bergman, manager of the Indiana Auto License Branch at Plymouth, advises that this year the County Treasurer has been unable to furnish the License Branch with the delinquent tax list.

Therefore, it is imperative that either the tax receipt or certificate of payment signed by the County Treasurer be shown at the time of purchase of the 1963 license plates.

In accordance to the Burn Statute 42-102 — No plates may be issued without presentation at the Branch of a paid tax receipt.

Mrs. Bergman also urges people to come in and buy their plate soon as the Bureau is about 100 plates behind in proportion to last year's sales. If patrons do not come in soon, there will be a terrific waiting line. At the present time, the Bureau is not too busy.

It was voted to support the State Junior project, the purchase of equipment for the Special Treatment Center for Congenital Defects, at Indiana University Medical Center.

Program chairman, Mrs. James Bonine, introduced Dr. Ronald Williams, Pastor of the Culver Methodist Church, who showed slides of Jamaica and Haiti, and presented some interesting highlights about them.

Following the meeting, the closing thought was given by Mrs. Robert McKinnis.

Refreshments were served by co-hostesses Mrs. Edward Schultz and Mrs. McKinnis.

## Mrs. Harold Baker Is Hostess To Home Demonstration Club

The Culver Union Township Home Demonstration Club met Feb. 1 in the home of Mrs. Harold Baker for a deftious potluck dinner. It was enjoyed by 29 members and three guests, Mrs. Maurice Baker, Mrs. Gertrude Stevens, and Miss Debbie Boetsma.

Assisting hostesses were Mrs. Tot Strang, Mrs. Jesse E. Pettis, and Mrs. Hattie Krueger.

A memorial tribute was held for Mrs. Charles Bush and was given by Mrs. Harry Leffert, followed by the singing of the Lord's Prayer by Mrs. J. Richard Behmer.

Club president Mrs. Wilfred Craft opened the meeting which was followed by the unison reading of the Club Creed.

The birthday song was sung to Mrs. Fred Plantz, Mrs. William Easterday, Mrs. Krueger, Mrs. Gertrude Behmer, and Mrs. Claude Newman.

Mrs. Guy Davis led the group in singing the song of the month, "The Old Oaken Bucket," accompanied by Mrs. Behmer at the piano.

The lesson on laundry was given by Mrs. Raymond Lowry and Mrs. Adrian Snapp.

Roll Call was answered with a favorite recipe for yeast bread or rolls.

Mrs. D. Hatten and Mrs. William Easterday will attend the music clinic Feb. 5.

A trip to Elwood, Ind., and the Patio and Flower Show in Indianapolis is being planned by the trip committee, Mrs. Leffert and Mrs. Lowry.

The meeting was closed by the singing of the club prayer.

Mrs. Nellie Baker won the door prize.

Twenty Boy Scouts were present at the Feb. 4 meeting of Troop 290. "Scouts to the rescue" was played and the Flaming Arrow Patrol won. A film on first aid was shown by Mr. Harold Bocoek. Patrol corners was held with test passing and Scoutcraft practice being conducted. "Kim's game" and "take-the-mat" was played with the Beaver Patrol sweeping both events. The meeting was dismissed with the Scout Benediction. Fletcher Mattox was appointed to the Troop office of Assistant Senior Patrol Leader. Congratulations to you Fletcher!

Scout Week begins Thursday, Feb. 7 to Feb. 13. Wear your uniform to school. A color guard from the Troop will be in charge of flag-raising ceremonies at the school. We will have a window display at Kline's TV & Appliance and a campsite exhibit on the corner of Main and Washington Sts. during this week.

A parade and movie will be held Saturday, Feb. 9 at Plymouth. All Scouts wishing to attend must meet at the Methodist Church at 12 noon sharp! The movie is free.

All Scouts who wish to attend the morning services on Scout Sunday at the Methodist Church are to meet at the front door of the church at 10:30 a.m. Be in full uniform.

Court of Honor and potluck supper will be held Monday, Feb. 11 beginning at 6:30 p.m. at the Culver Methodist Church Fellowship Hall. Please bring two covered dishes and own service for the potluck. The Court of Honor will be highlighted by an Eagle award.

**SWIMMOBILES** — A unique swimming pool on wheels has been conceived by the Eastern Motor Dispatch in Elizabeth, N.J., to help combat juvenile delinquency in that community. Two pools on wheels travel to under-privileged areas where as many as 240 youngsters are taught to swim every two weeks. The trucking company recently donated a unit to the city of San Juan, Puerto Rico.

**MISS BONNIE GOOD**

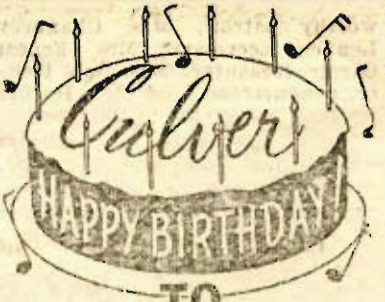

Miss Bonnie Good, senior student at the Culver Community Schools, and daughter of Mr. and Mrs. Elgie Good, Route 2, Culver, has been selected as the local entry in the state "Homemaker of Tomorrow" contest with the state winner receiving an Eastern trip and a \$1,500 scholarship.

Bonnie has participated in seven years of 4-H work and is a high school home economics major. She plans to enroll in the home economics school at Purdue University next Fall.

**POSTAL EFFICIENCY** — A service station attendant at Columbus, found a set of upper dentures in the station driveway. He put it away for safekeeping. After a few days he received a letter from a Michigan resident inquiring about the teeth. The letter was addressed only, "Shell Gasoline Station, Highway 46, near Columbus." Alert postal workers delivered the letter and the Michigander got his teeth back.

**HARD WORKER** — It was two years ago that the Rev. Toby Rendelman, pastor of St. Matthew's Lutheran Church at Delphi, told his congregation: "I'm going to roll up my sleeves and go to work on this new church project and I won't roll them down until it's completed. Anytime you catch me with my sleeves not rolled up I'll donate \$5 to the church building fund." The new church was completed recently. The pastor said he was caught only once with his sleeves down.

**WINTER WEATHER REQUIRES DIFFERENT DRIVING TECHNIQUES!**

HERE ARE A FEW SUGGESTIONS FROM THE CHICAGO MOTOR CLUB...

- ALLOW EXTRA TIME FOR BAD WEATHER DRIVING.
- CLEAN SNOW OR ICE FROM ALL CAR WINDOWS BEFORE ENTERING INTO TRAFFIC.
- USE REINFORCED TIRE CHAINS ON PACKED SNOW OR GLARE ICE.
- BEFORE YOU LEAVE ON A WINTER DRIVING TRIP CHECK ROAD CONDITIONS ON DAY OF DEPARTURE.
- TEST HIGHWAY TRACTION OCCASIONALLY BY GENTLY PUMPING THE BRAKE PEDAL.
- DON'T FOLLOW TOO CLOSELY. IT TAKES FROM 3 TO 12 TIMES AS FAR TO STOP ON SNOW AND ICE.
- NEVER RUN YOUR ENGINE IN A CLOSED GARAGE. CARBON MONOXIDE IS ODORLESS, TASTELESS, AND DEADLY. WHEN DRIVING ALWAYS KEEP AT LEAST ONE CAR WINDOW PARTLY OPEN.
- IF YOU SKID- DON'T PANIC! TURN YOUR WHEELS IN THE DIRECTION OF THE SKID. REMEMBER, GREATEST SKIPPING DANGERS EXIST WHEN IT IS JUST COLD ENOUGH FOR WATER TO FREEZE.

Indiana Bell Telephone Company recently announced a 1963 statewide construction program calling for an all-time record investment.

The company plans to spend a total of \$42,800,000 to continue the steady build-up of its facilities located in 86 Hoosier counties. The amount is more than eight per cent higher than the previous top Indiana Bell construction expenditure of \$39,484,000 in 1960.

The Indiana Bell announcement indicated a major portion of the year's construction will be carried out in the local area.

The company will complete approximately half of its two-year, \$12,000,000 service improvement and expansion program for metropolitan South Bend-Mishawaka-Osceola this year.

The busy year will bring the telephone company much closer to the completion of its preparations for the service improvement program authorized last fall by the Public Service Commission of Indiana. In addition to the two new central offices, highlights of the program include: (1) introduction of efficient, economical Suburban Service; (2) up-grading of city service to one- and two-party lines for all urban customers; (3) simplification of Direct Distance Dialing and improvement of Indiana Bell billing on DDD calls.

Largest single category in the statewide construction program is central office equipment. Indiana Bell plans to invest \$15,100,000 in more of the switching and circuit equipment making up this vital part of its communications system.

Additional "station" equipment — telephone sets and associated gear, most of which is installed on customers' premises — is expected to cost Indiana Bell \$13,000,000 in 1963. Expansion of telephone lines within individual exchanges and between neighboring communities linked on a local calling basis will use another \$9,300,000. The company's budget for purchase of new land and construction of new buildings is a \$3,700,000 item.

The remainder of the \$42,800,000 is earmarked as follows: Telephone service, transportation and office equipment, \$1,400,000; long distance telephone lines, \$300,000.

UPSETS — The editor of The Dunkirk News and Sun, Hugh Ronald, looking back over the 1962 college football season during which a number of favored teams were defeated, expressed this opinion: "Judging from the experience of the 'experts' this fall it's a lot easier to accurately rate the nation's top ten public enemies than it is the nation's top ten football teams."

### Films At Culver Public Library For February

**Adobe City:** Shows Santa Fe-lasa City of three cultures: Indian, Spanish and Anglo.

**Beaver Valley:** One of Disney's "True Life Adventure" series, showing the daily lives of the animals in a secluded valley.

**By Map and Compass:** Father and son making use of maps and compass to guide them on a cross-country hike.

**Cosmic Rays:** Deals with the mysterious radiations observed on Earth, and the dramatic new experiments necessary to increase our limited knowledge of the range, origin, and energies of cosmic rays.

**Family Album:** Shows the methods of triangle lighting telling how many lamps to use and where to place them for the best photographic results and it is equally effective with flash, flood, incandescent, or fluorescent lighting, for still photography or motion pictures with color or black and white film.

**Fishing The Foothills Province:** This film tours fishing grounds in many parts of the Province of Alberta to show the kind of sport to be had at the toss of a line.

**Fossil Story:** A fascinating story of the earth locked remains of animal and vegetable life that flourished hundreds of millions of years ago.

**From Sociable Sixes to Noisy Nines:** Points up the problems of children, age six to nine.

**Hong Kong; Free Port:** This colored film shows conditions of the Chinese refugees living in the colony of Hong Kong, the importance of the American consulate there, and demonstrates how cooperation among Americans, British, and the Chinese brings prosperity to the colony.

**Industry On Parade Series Film**

**Johnny Appleseed:** The life of a man of peace who helped to make the world a better place for all living creatures by making a mission of planting apple seeds in the vast, newly settled land of Ohio, Indiana, Illinois. Excellent for church and general groups.

**The Labor Movement, Beginning and Growth In America:** Illustrates early attempts at unionization under Sam Gompers, who succeeded the Knights of Labor. Shows how his leadership gave direction to the growth of American unionism.

**Letter From Indonesia:** Portrays Indonesia as a nation, her geographical location and size, her people and their mode of life, their reliance on our concepts of freedom in their struggle for independence. Concludes with a brief review of current educational social reforms following 300 years as a colony.

**Listening To Good Music:** Members of Fine Arts Quartet illustrate basic musical nature of the Spring Quartet.

**Nanook Of The North:** Robert Flaherty's epic feature film demonstrates the grim struggle for survival against menacing which Nanook and his family undergo in the Hudson Bay Country. Covers all phases of the life of the Eskimo.

### More Floor Space Added To Culver City Drug Store

The Culver City Drug Store has about finished their remodeling program. The room to the back of the drug store, which has been used for storage, has been divided by a partition. One side will still be used for the display of greeting cards, toys and other merchandise. The walls have been faced with peg board for better displaying of items.

The back entrance to the store is being remodeled so that easier access from the alley can be made to the store for those who wish to use it.

## 'Way Back When?

Highlights of Culver News of 10, 20, 30, 40, and 50 Years Ago This Week

### FEBRUARY 4, 1953 —

Foreman's Store will celebrate 25th anniversary this month, specifically Feb. 18.

Culver's new sewage disposal plant went into full operation on Monday afternoon of this week.

Miss Fay Ellen Weiger, daughter of Mr. and Mrs. Theodore Weiger, became the bride of Donald E. Gilbert, son of Mr. and Mrs. James Gilbert of Plymouth, in a two o'clock Sunday afternoon ceremony at the Culver Methodist Church.

Mr. and Mrs. William Lake wrote The Citizen of their most enjoyable trip in South America. Twin daughters were born Wednesday to Mr. and Mrs. Neal Shock of Burr Oak.

Mr. and Mrs. Donald Gross are the parents of a son born Sunday.

### FEBRUARY 10, 1943 —

Miss Doris Hughes and Ensign John Werner were united in marriage in the Elfinwild Presbyterian Church in Pittsburgh, Pa., on Jan. 29.

Miss Mildred Nelson became the bride of Lt. Jack W. Lowry, grandson of W. R. Easterday, on Sunday, Feb. 7.

The stockholders of The State Exchange Bank of Culver and Argos, Ind., have contracted to purchase all of the stock of the Farmers State Bank of Lapaz.

E. O. Byrd, who suffered a severe back injury several weeks ago, returned home from South Bend's Epworth Hospital Tues-

around. Shoes have been added to the list of rationed items, limiting each person to three pairs a year and standardizing styles.

Robert F. Foster, instructor at Culver Military Academy between 1916 and 1920, died Feb. 2 at Concord, Mass.

### FEBRUARY 8, 1933 —

James I. Barnes Co. of Culver was announced last week as the apparent low bidder for the construction of the Post Office at Plymouth.

A. W. Wagner, well known summer cottager, died Feb. 4 at his home in Decatur, Ill.

A charity basketball game between the Culver Independents and the Laporte Midgets has been arranged for Friday, Feb. 24, at the Community Building. The proceeds will go to the Union Township Central Relief Committee.

I. G. Fisher, superintendent of the Culver Water Department, died Monday at his home.

Jesse Robinson Jr. will fight in the finals of the Golden Gloves tournament at Lafayette Thursday night.

The worst storm of the winter has gripped the community. On Sunday the thermometer dropped to 9 degrees below zero and snow blocked the roads.

Eight persons, all from Monterey, were injured last week when their car struck a cement abutment on a bridge approach.

The William Alexander Fleet Post of the American Legion has drawn up plans for the erection of a club house and community center near the lake.

The depot pier has finally been removed to prevent its destruction by the breaking up of the ice in the spring. The sail boat pier will be taken care of in the same manner.

On Sunday morning thermometers marked 2 to 4 below zero, the second cold snap of the winter.

Marjorie Marie Zechiel, infant daughter of Mr. and Mrs. Earl Zechiel, died Feb. 4.

Steffen Rector has built himself a radio station at the home of his father, N. W. Rector.

Mrs. William Wisner, age 34, died at her home this morning.

### FEBRUARY 6, 1913 —

Jesse Crabb and Roy Warner have bought the Beck furniture stock which they are closing out preparatory to occupying the room as a movie theatre.

A Town Board that can make a record of having introduced electric lights and brick street paving will be long remembered.

John W. Cromley has sold his residence property on Main Street to William G. Zechiel for \$1,500. Mr. Zechiel will move into town next month.

The Town Board is considering the offer of a citizen who proposes to buy six or more acres south of the cemetery and turn it over to the town in due process of time and law as an addition

to present plat.

E. A. Poor will move from his present home into the little cottage on the next lot, formerly owned by Mary Butler. Mr. Poor has rented his residence to Charles McLane who will take possession March 1.

The recent freeze in California, specifically around Pomona, Riverside, Redlands, and Santa Anna, has caused a 50-per cent loss of unpicked oranges and nearly all of the lemons. Great heaps of fruit are being laid in the furrow and plowed under.

A number of cases of measles have appeared in the Culver Public School and seven houses have been duly quarantined.

Mr. and Mrs. R. C. McFarland of the East Side buried their 11-months-old son, Clarence Wayne, Friday afternoon.

contacts, and interpret radar scope presentations.

Guy H. Ott, son of Mr. and Mrs. Robert Ott, 404 S. Main St., Culver, recently discharged from the Navy, is now employed as city draftsman and building inspector at Hoquiam, Wash.

### FIRST CHURCH OF CHRIST SCIENTIST

423 S. Michigan St., Plymouth  
Sunday School 10:30 a.m.  
Morning Worship 10:30 a.m.  
The importance of understanding God as infinite Spirit will be emphasized at Christian Science church services this Sunday.

"Now the Lord is that Spirit; and where the Spirit of the Lord is, there is liberty" (II Cor. 3:17) is a Scriptural passage from the Lesson-Sermon entitled "Spirit."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this citation will also be read: "When we realize that Life is Spirit, never in nor of matter, this understanding will expand into self-completeness, finding all in God, good, and needing no other consciousness" (p. 264).

### HOOSIER TRUCKER HONORED

The latest edition of Home and Highway, a publication of Allstate Insurance Company, contains an informative article entitled, "The Changing Truck Driver." One of the outstanding drivers written about is Charles J. Espich of Fort Wayne. Espich, a former Driver-of-the-Year in Indiana, has covered two million miles without an accident or even a traffic sticker.

## DAVEY AND HIS DOG

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Our neighbor has a firm opinion about children and pets: "When a boy is old enough to assume responsibility for the care of a dog, it's time enough for him to have one."

But our Davey is growing up with his dog — his frolicking playmate today, his faithful friend and protector tomorrow.

Our neighbor has an opinion also about children and God: "When my son is able to weigh the claims of religion with a mature mind he can decide for himself whether he wants to go to Church."

What heritage would men have of Truth and Right and Freedom if each generation had not imparted its blessings to the next? It is the faith of our fathers which is ours to cherish, and to teach our children.

Let them grow up with that Christian Faith and it will have its rightful place in their lives.

**Izler Solomon Named Chairman Of Heart Fund**

Izler Solomon, conductor and music director of the Indianapolis Symphony Orchestra since 1956, has accepted the Honorary Chairmanship of the 1963 Heart Fund campaign in Indiana.

The announcement was made today by Dr. Charles Fisch, president of the Indiana Heart Association, who pointed out that the 1963 campaign goal for dollars to support heart research is \$616,500.

In accepting the honor, Mr. Solomon stated that music and science have a common denominator. "In music," he said, "we uplift the hearts and spirits of man, while in research we try to heal and give uplifting hope for heart and blood vessel diseases which effect this vital organ at the rate of over 900,000 deaths each year."

The 52-year-old director, hailed by music critics throughout the nation as "one of the greatest conducting talents in the world today," has headed other symphony orchestras in such cities as Columbus, Buffalo, Lansing, and New Orleans.

The state-wide Heart Fund campaign, which Mr. Solomon will chair began Feb. 1 and will reach a peak on "Heart Sunday," Feb. 24. On that date, millions of Heart Fund volunteers in Indiana and across the nation will call on their neighbors to seek contributions for heart research.

# Babson Discusses Florida Freeze

## Diversification Is The Answer

Babson Park, Mass. — The recent freeze was very severe. The newspapers say "worst in the century." Statistics show that a similar freeze came in 1899. Then nearly all citrus trees north of Orlando, Florida were killed.

This latest freeze hit the citrus belt or the central portion hard; but also, the southern portion where many of the vegetables are grown likewise had crops wiped out. The northern section of Florida, where the celery and other hardy crops are raised, suffers less damage from freezes.

**Florida Received Full Warning**  
There was no mistake on the part of the Weather Bureau; for three days it had warned Florida of the very cold air coming down from the Arctic regions. But what could the fruit and vegetable growers of Florida do about it? Only the Indian River area escaped.

The early crops had been picked. The second crop, including the Valencia oranges, were not ready to harvest. Many growers built fires; but these raised the temperature only 2 or 3 degrees. Growers who had adopted new schemes of spraying with water saw the spray itself freeze.

**The Loss Has Been Very Great**  
The loss has come not only to the growers; but to all the pickers, the cultivators, and the teamsters. It has thrown over a million out of work and thereby affecting all the merchants and storekeepers. Worst of all, it came at the Christmas season, when the people and the merchants planned on their best business.

The canning of juice has been the greatest hope of the grove industry. If fruit — even though frozen — could be rushed to the canners while it was still sweet, such juice could be saved; but the canners could handle only so much juice and were powerless to can the truckloads of fruit coming to them. I have been in the midst of the situation and will say that everyone — rich or poor — has helped freely in every possible way.

**Almost Every State Faces A Sudden Loss**  
When I was a boy in Gloucester, Mass., our most profitable "product" was granite and we knew it could not freeze! We had great quarries and we shipped the granite to Boston, New York, Washington, and Philadelphia.

for use in erecting the largest public buildings. We believed we had nothing to fear. Suddenly, the invention of cement came, and Cape Ann received a great economic blow. It was saved only by its fearless fishermen.

The cities which grew up and prospered from coal have suffered greatly since the oil and natural gas industries have flourished. When I was a boy, every Gloucester home was heated by coal. I went to the woods with my grandfather when snow was on the ground to bring home on a sled kindling wood for future use. Even the farms of New England, once so prosperous, have been gradually abandoned. The farm machinery introduced so widely for plowing, cultivating, and even for harvesting could not be employed on the rocky New England farms.

**What Is The Warning This Florida Freeze Gives To Every Section Of The U.S.?**

(1) It is the need to be ready for a change; especially now that we are on the verge of the Electronics Age. Every industry in every county of this great country is subject to change. (2) It is the knowledge that every community must diversify more. This should be the goal of every Chamber of Commerce. The watchword

should be greater diversification.

The only way Florida or any other agricultural or fruit state will lick climatic problems (for droughts and floods may be as serious as freezes) is by attracting more industries. But even these should be of different kinds. A city now dependent upon the steel industry, or the paper industry, or any other one industry may be greatly handicapped by foreign competition. Prime Minister Macmillan has been telling this to President Kennedy and he may be right in saying that we cannot have world peace without more freedom of trade. This may mean that the "have more" nations may need to give up more to the "have less" nations. This is what Mr. Macmillan was telling Mr. Kennedy in the Bahama Islands a few weeks ago. Florida and every other state should prepare for great changes ahead.

through license fees and other funds paid into Indiana's Motor Vehicle Highway Account by the state's automobile and truck operators.

Statistics compiled by the Highway Planning Survey Department of the State Highway Department show that \$476,580.66 went to the county for this purpose and \$108,531.65 was allocated for road work in these urban areas: Culver, \$10,850.38; Argos, \$9,325.19; Bourbon, \$10,599.67; Bremen, \$21,324.69; LaPaz, \$3,795.54; and Plymouth, \$52,636.18.

Marshall County and its towns and cities received \$558,210.99 from this account in 1961.

Across the state a total of \$65,223,441.95 went to Indiana's 92 counties and 550 incorporated cities and towns from this account for road improvement in 1962. According to the Bureau of Public Roads Indiana's trucking industry contributes 36.2 per cent of this highway improvement fund. That amounts to \$23,610,886.04 statewide and \$211,810.67 in Marshall County.

The account is collected through the state's motor fuel, tax, motor vehicle registration fees, civil penalties, Public Serv-

ice Commission fees, court fees and state police miscellaneous receipts. The total net receipts of this fund in 1962 were \$6,346,217.46 more than the net of the previous year.

After disbursements to the Indiana State Police (\$5,334,711.21); Office of Traffic Safety (\$60,205.73); Purdue University (\$55,556.60); State Highway Department (\$73,612,487.70); and to the Public Employees Retirement Fund (\$73,750.00) the remainder is then allocated to counties on the basis of the number of motor vehicle registrations and miles of roads and to the cities solely on a population basis.

This account is over and above that money going to county treasuries through property tax assessments of motor vehicles.

## Sectional Tourney Information Is Announced

For the benefit of sectional tourney fans, students and other interested parties, Kenneth L. Cole, principal of Culver Schools, has issued the following information, rules and schedules which will govern the Culver School community during the sectional tourney.

1. School will be absolutely normal (not dismissed) except if it is our lot to play in one of the afternoon sessions — Wednesday or Thursday — in which case school will be culminated, only that day, at 11:30 a.m. Should we (Culver) play in either the Wednesday or Thursday afternoon sessions, the fan bus will leave the school at 12:20 p.m. If Culver plays on Saturday, the fan bus will leave school at 11:30 a.m. and will not return until after the night session. Cost of riding on the fan bus will be 25¢ payable on the bus. A Pep Club Sponsor will collect the fare.

2. Tourney dates are Wednesday, Thursday, and Saturday, Feb. 27, 28 and March 2, 1963.

3. Only "all-day" tickets are for sale at 75¢ for all day. (no Friday games)

4. Place — Centennial Gym at Plymouth. (Note — Rochester is now in the Peru Sectional Tourney).

5. Game times: Wednesday, 1:15, 2:30, 7:00, 8:15; Thursday, 1:15, 2:30, 8:15 (only 3 games); and Saturday 12:30, 1:45, 8:15.

6. Doors open: Wednesday, 12:00 and 5:45; Thursday, 12:00 and 7:00; Saturday, 11:15 and 7:00.

7. Ticket Sales: (A) Tickets will be available only for the day Culver plays; (B) Culver ticket sales will open at 8:00 a.m. Friday, Feb. 22, 1963, for parents of ball players, members of Pep Club, faculty and holders of season tickets; (C) Tickets will be on sale for anyone in the Culver Community School area who is desirous of making a purchase — first come, first served — from 8:00 a.m. through 1:00 p.m. Saturday, Feb. 23, 1963, and from 8:00 a.m. through 5:00 p.m. on Monday, Feb. 25, 1963; (D) All sales will take place in the high school office; (E) Season ticket holders must have their season ticket with them in order to buy a sectional ticket; (F) All tourney times are the same as Culver time.

## Academy Sports

The basketball season has only three more weekends to go and no one can blame Culver Military Academy basketball coach Chet Marshall if he longs for the arrival of spring.

Already saddled with a losing season in which the Eagles have won only three games in 13 starts, Marshall and his staff were so close to snapping the slump Saturday night that they could taste victory. Against Merrillville, a club that had an impressive 12-2 record, the Academy led throughout the game. With two minutes left and in possession of the ball, the Eagles seemingly had it wrapped up.

Then it happened. With a rush of points, Merrillville pecked away at the Culver lead. Still, with 16 seconds left and again in possession of the ball, the Cadets were five points ahead and on the brink of springing an upset. But Merrillville scored again. Three points. In the final seconds remaining, the Eagles had the ball stolen and Merrillville pilfered a bad pass, with John Whetsell scoring the clincher on a three-point play. The Eagles were beaten 62-60 when they were unable to score in the two seconds that remained.

The Merrillville heartbreaker was the second loss during the weekend. Friday Culver hosted tough South Bend St. Joseph's and dropped a 79-63 decision. Underdogs all the way, the Eagles made a good show of it for three quarters — trailing by only seven late in the third quarter. But St. Joe pulled away to clinch its ninth victory in 14 games.

In other sports, the wrestling team won 46-10 over Manchester High School for its tenth victory in 12 matches, the swimming team was beaten 53-42 by a tough Kokomo squad that broke four pool records, and the rifle team lost its first shoulder-to-shoulder match of the season at Howe Military School.

In sports events Saturday, at-

team, which faces its toughest match of the year here at 2 p.m. against Logansport, frequently Northern Indiana champion. The basketball team is at Whiting High School in an 8 p.m. game, and the swimming team is idle because of cancellation of the meet here with Kimball High School of Royal Oak, Mich.

### Art Student Could Qualify For Ball State Workshop

By Judy Price

A workshop for high school art majors will be held July 29 through Aug. 2 at Ball State. To qualify, a student must be a sophomore, junior, or senior, and should have a general average of at least "B." It is possible that a Culver student could attend, if his entry was chosen the best from this district.

The high school art classes have been working on block sculpturing. These are free form designs which are carved from a mixture of plaster of Paris, plaster, and vermiculite. They can be seen soon on display through the school.

The art classes will soon begin a six weeks' study of art appreciation. For this phase of art, Mr. Smith has film strips which should stimulate the interest of his students.

### Studies Progress In New Semester

By Janet Rosebaum

Mrs. McLane's first grade is learning about different kinds of birds, what they look like, where they live, and how to feed them. They are making a bird booklet.

Mrs. Keyser's first grade had a reading test, with the following people making a perfect score of 75: Andy Ervin, Dennis Bush, Margaret Massa, Roberta Weaver, Coleen Hallinan, Marla Quivey, Bill Riester, and Anna Lemar. Now they are ready to read in their first reader.

Mrs. Page's second grade has a new girl in its room, Lisa McCan. They have started their new reader "Around the Corner" and have begun their new phonics book, "As Days Go By." They are learning cursive writing. They have learned to write six letters.

Mrs. Shirrell's second grade students are all back in school with the exception of Karen Dolahan, who still has the mumps. The students are happy with their new readers, "Around the Corner" and "As Days Go By." Todd Matson celebrated his birthday at school by treating his class with cake and ice cream. Each classmate was also happily surprised with a most unusual gift from Todd. He had brought back shells from Florida so he gave each one a nice shell collection.

Mrs. Carter's third grade are looking for interesting articles about the life of Abraham Lincoln. Craig Walker brought an article about the Mona Lisa, as well as a picture. It was enjoyed very much. In social studies the pupils have made lists of workers in the community. Some children had more than 100. The students are also learning many things about maps. Several children have been absent with the mumps.

In Mr. Horban's fourth grade Kent Lucas and David Williams demonstrated to the class methods of artificial respiration for accident victims. Last week all the girls in the class had their words correct in spelling.

Mrs. Keller's fourth graders are having a spelling contest with the boys against the girls. The girls are slightly ahead. The class is studying about the Indians of Peru, South America. Jane Shock had a birthday this week.

In Mr. Vondra's fifth grade Jan Price and David Hoessel are making maps of the United States. Rose Marie Triplet is spending a week in Florida.

In Mr. Wagner's room Steve McCombs has gone on a vacation to Florida. He has sent post cards telling about the places he has visited. The Bookmobile came Tuesday. Each sixth grade section received 20 books.

getter can fly again, watch out for that big, bad snow plow. He might get you if you don't watch out.

Snow, snow, snow, snow, all we see is SNOW! Yet, never fear, spring is right around the corner. Just 28 days of February, 31 days of March, 30 days of April, plus the rest of the days of the senior trip, it will be warm! What a comforting thought!

Even with all the cold weather, gobs of snow, and no school, the sophomores had their show. It was enjoyed by all who were able to plow and dig their way to the theater, and besides provided some "moola" for the eager, money-hound sophomores.

While speaking along these cultural lines, we might say that the C.M.A. clan is most appreciative of this year's final concert at C.M.A. In fact, many students "iked the "King of Swing" so well that they returned to see the evening performance. Great musician, that Benny Goodman. He sent chills up many a spine with his mellow mood music (In case you weren't this "sent" by the music and would like to be next time, ask Carmen Gretter how it all comes about. She will be most happy to fill you in.)

"Our Local Pigeon" just dropped in — he can't fly any more because of the icicles hanging from his wings — with a frosty news bulletin. It seems that as he was perched in the rafters at the Benny Goodman performance, he clued in on many couples sitting together. Danny Haenes and Marsha Guise, Ned Davis and Wanda Warren, — — — — — and — — — — —? Gee Zowie!!! Didn't expect him to reveal them all, did ya?

Once again Culver band members played their way to a music victory at a contest. Congratulations to all you participants and lots of luck for those whose "nerve runner-upper" is yet to come.

Dave Lemar seems to have a way with the girls: stepping on their shoes and running their nylon hose. Of course, everyone knows that this method always brings a sweet feminine smile and makes for the best of relations!! Dave did too until Joan Dillon informed him that it becomes quite expensive in the "long run."

"In the spring a young man's fancies turn to . . ." Well, Doug Lindvall fell for it all, disregarding the time of year. Some little female comet (Bourbon) has pierced his heart and put stars in his eyes.

From our trusty news sources we hear that Dick Knoerzer is right pleased with himself, and his fan belt. It just conveniently decided to break in some remote place between here and Knox. Funniest thing? Lonnie Darosci, George Wright, and Valerie Gunder all thought this most appropriate too!

These days, instead of using the age old excuse of arriving home late because of running out of gas, ya just say, "Gosh, Mom, we got stuck in a big ole snow-drift. Like it was really big and well, we just couldn't get out!" Like some people sure do things up right, huh? Pat Kline and Larry Miller think so.

Holly Thompson. Let's see. Holly begins with an H. Thompson begins with a T. What could a "B" stand for? It must mean something 'cuz she wears it all the time. (Many minutes pass, then finally light appears) Well, I knew I couldn't fool ya long; everybody knows it's a "B" for Bruce Lindvall.

Snow, snow, snow, snow, and more SNOW! With this last avalanche the signals are fa-ading and our news-carrying pigeons can't get off the ground and airborne. So, until our faithful news-

### Receives First Known Local God and Country Scout Award

DAVID KELLY, MEMBER OF BOY SCOUT TROOP 200, is seen receiving the God and Country Award from his minister, R. Warren Sorenson. Mr. and Mrs. Norman Kelly look on approvingly.

### God and Country Award Goes To Scout David Kelly

#### Impressive Rites Held Sunday

A special service was conducted during the Sunday morning worship of Feb. 3, at the Burr Oak Church of God, for the presentation of the God and Country Award to David Kelly. The service of presentation was conducted by the pastor, R. Warren Sorenson. David is the son of Mr. and Mrs. Norman Kelly, 310 College Ave., Culver.

The God and Country Award is a church award authorized by the Boy Scouts of America through the National Protestant Committee on Scouting. The fulfillment of the requirements for this award represented a year of active service on the part of the candidate, David Kelly.

The requirement schedule for the God and Country Award is a program of the development of Christian Faith, Christian Witness, Christian World Outreach, Christian Citizenship, and Christian Fellowship. During the course of the year David was required to complete projects in each one of these areas, as assigned by Pastor Sorenson.

The development of the Scout in these areas of growth help the boy to fulfill the Scout Oath and obey the Scout Law as well as be an active member of his church and his community. A Scout must be of the rank of First Class before he can receive this award. David received the highest award in Scouting — the Eagle rank — last Nov. 12. He is a member of Culver Troop 200.

Scoutmaster Carl F. Foust presented the candidate for the award. Also Assistant Scoutmaster Ronald McKee was present for the presentation.

Assisting in the service were Boy Scouts Tom Overmyer, Courtland Overmyer, Steve Kelly, and Randy Overmyer, each of whom have received assignments working toward the God and Country Award.

### Class Motto and Flower Selected

By Lonnie Darosci

**SENIORS:** At a recent senior class meeting the class chose its motto and flower, both by decisive votes. "We fear not the darkness ahead, for ours is the light of truth," is the quotation selected. The white rose is to be the class flower. The class had previously selected Kelly green and cream as its class colors.

**JUNIORS:** Plans are now being made for the junior class Ham Supper, which is to be March 16, 1963.

**SOPHOMORES:** The Sophomores sponsored their show Jan. 23 and 24. They are still using their fudge-making ability to sponsor sophomore fudge sales.

**FRESHMEN:** Our freshmen team was defeated by a much taller C.M.A. freshmen team. The freshmen fudge sales are in full swing.

**PERTINENT QUESTION** — The editor of The Putnam County Graphic, Kenny Bennett, asks, "You may be able to out-distance, out-maneuver, out-bluff and out-brag the other driver but can you outlive him?"

### The Offensive Attack

By Cheryl Dillon

(Editor's note: As one of the last writing assignments of the Civics class Mr. Lawson asked the seniors to write a theme giving their opinions about foreign aid to communist countries. This subject is a very controversial one; here is one student's views.)

Should the United States give foreign aid to communist countries? An almost automatic answer to this question on the part of most people is a forceful "No," followed by "Why should we support people who may one day use these very gifts against us?" Why should we?

Communist countries are actually controlled by a small minority of the entire population. The controlled people have few or no personal rights and are told what they can do concerning almost every aspect of life. If these people were to receive economic aid from the United States they would be able to raise their standard of living somewhat. For instance, agriculture in many of the "red" countries is extremely backward. If the country were to receive aid in the form of fertilizers as well as food the people would be able to eat and produce more. Hungry people are not happy people and it is only natural that if someone is starving and he receives food that he will be grateful. Granted, the Communist Party would reap some benefits. But the people would be able to think for themselves.

In a country where communism has taken a foothold, the people are usually poor, leaderless, and lacking of economic facilities. Communism and all of its promises appeal to people under such conditions as these. If given the proper aid and help in raising the standard of living, the people of such a nation might come to "stand on their own feet." If a man knows that his family and he will no longer be half starving, he is more likely to give public and governmental affairs more of his time. He is more likely to think and use his judgment than to turn to violence in order to survive. He is more likely to think of freedom and equality than to carelessly trade them for food. In this way United States' foreign aid might have a lasting affect upon a communist nation.

In advocating and defending freedom and democracy the United States should not limit it to the confines of her own boundaries. Freedom is freedom, whether it be freedom of Americans or freedom of the people of Poland, Yugoslavia, East Germany or any other country. The United States should lend her aid in reinstilling in suppressed peoples' minds the ideas of freedom and democracy. As shown before, aid to the family in the form of food is a good beginning to the rebirth of "light" in a man's mind.

Already some communist countries have come to depend upon supplies and markets of the Western world. Poland, for instance, is largely reliant upon goods from other than communist

### An Interview Over The Dishpan

By Joan Dillon

Friday, Jan. 25, Mr. Miller recognized Bonnie Good by presenting her with a sheaf of papers and the title of Culver High School's "Homemaker of Tomorrow." Many of us were wondering just what all of this meant, so I had an interview with Bonnie.

Last December, the senior girls in our Home Economics Department were confronted with another test. The only difference was that this test was not compulsory. Bonnie said she just felt that she may as well plunge into it, so she did. Four of our senior home economic students followed suit as did 410,466 girls from all over the United States.

What really happened is that Bonnie received a higher score on the test than the other girls in our school. Automatically Bonnie's test scores and essay on "Should Mothers Work?" (Bonnie says " . . . definitely not") will enter her in state competition.

Should Bonnie win the title of "State Homemaker of Tomorrow," she and Miss Reynolds, Home Economics instructor, will join other such couples on a trip to New York City, our country's capital, and Williamsburg, Virginia. The state winners will also receive a \$1,500 scholarship from General Mills.

Next spring the "Betty Crocker All-American Homemaker of Tomorrow" will be selected. Personal interviews and observations will aid in determining national winners.

I received much of my information concerning the "Homemaker of Tomorrow" selection from Bonnie. We were in the students' kitchen and she was slaving over a sinkful of dishes! I discovered our "celebrity" has participated in seven years of 4-H and has won some ribbons for her efforts. She is in her fourth year of home economics here at Culver. Bonnie plans to enter this same department at Purdue University next fall.

I sampled a cookie Bonnie had just finished baking, and I think she makes a pretty good "Homemaker of Tomorrow!"

To take away such aid would be to lose all influence that the United States and the free world might have through this aid. The people of one of these dependent countries know that they are not supporting themselves; they know they are receiving aid. Undoubtedly they know, or will soon find out, from whom this aid is received. Time itself chips away the barriers of secrecy and propaganda which the Communists have set up.

The fight for freedom cannot be defensive only. Just as in a war there must be offensive attacks too. Through foreign aid to communist countries, particularly in the areas where the Communists are yet lacking or behind, the United States is making a start at her offensive strategy. The struggle will undoubtedly be long and have many setbacks, but, with the "people" behind her, Freedom will win.

## "If Only I Were He"

By Carmen Gretter, Gloria Baker, Diana Boots, and Charles Snyder

Many times you have heard someone say, "If only I were he." This week the students were asked, "If you could trade places with any person for one day, who would you choose." Here are their replies.

Janet Rosebaum — I wish I lived in Delong in any one's place so I could see R.K.

Cathy Stratton — Jackie Kennedy, because she's got so much poise and is so beautiful. To me she is an ideal lady.

Jim Lewis — I would have liked to have been Warren Spahn on the day he won his 300th game.

Jim Boswell — I'd like to be Paul Hornung on pay day.

Bev Barshes — I'd like to be Mona Lisa, because she is so famous for her smile.

Mike Geiger — I'd trade places with Mr. Cole, then I could let school out like the rest of the schools in the county. Then I'd go back to being myself so I could enjoy the vacation.

Rick Ervin — I'd trade places with Paul White in study hall so I wouldn't have to sit by Jerry Nelson.

Paul White — I'd trade places with Rick Ervin so I could play center on the Basketball team.

Tom Yocom — I'd trade places with the team manager so I could get clean sweat socks twice a day if I wanted to.

Ned Davis — I'd trade places with the weather man so I could tell it to get warm.

Larry Linhart — I'd trade places with any lucky person in Florida. If you don't know why, step out doors!

Sharon McDonald — I'd trade places with one certain lucky girl, but I'm not telling who or why.

Bob Carter — I'd trade places with Paul White, so I could trade places with Rick Ervin, so I could play center on the basketball team, and therefore be a starlet.

Cheryl Dillon — Anybody come Thursday night, so I would not have to type up the Schoolbell!

Russell Prosser — Mr. Cole (Opinion of why . . . censured!)

Nick Hartz — Casper the Ghost, because I would have a lot of fun. AH HA . . .

Bonnie Parker — I'd like to be a certain person in California so I could be with Pat Dwyer.

Susie Tanner — I'd trade places with my sister, because she is in California where it is warm.

Charles Snyder — I'd like to be a mayor of Miami, Fla., because it is warm down there.

Holly Thompson — I'd trade places with Sheryl Hohman, because I think she is great.

Gloria Baker — I agree with Holly.

Patty Miller — I'd like to be Queen Elizabeth, because she is rich.

Steve Ulery — I wouldn't trade places with anybody for anything in the world.

Doug Lindvall — A Frenchman, so maybe then I could achieve an "A" in French.

George Ogden — I'd trade places with Mr. Stukenborg, so I could say 15 from 31 is 7 and get away with it!

Charlene Lucas — I'd trade places with Lucy Osborn, then I could play first flute and would not be fighting with Nick all the time!

John Kerrigan — I'd trade places with the President so we could have 8 days a week. (4 for fun, and 4 for fun.)

Mostly the students would like to change places with someone else because of wealth, glory, and even the weather. But since it is almost impossible to be someone else, we've all decided we will really have to just have a "ball" being the way we are.

## Students and Teachers Deemed Above Par

By Valerie Gunder and Sue Cole

The subject of our discussion for this week is Delbert Monroe Smith, better known around Culver High School as Mr. Smith. He is presently employed here as an art teacher.

Although he is an art teacher, Mr. Smith's main vocation is being a family man. Mr. Smith and his wife, Virginia, not only have four sons, but are proud grandparents.

Mr. Smith was born and raised in Mishawaka. He spent his adolescent years attending high school there. After finishing high school, he furthered his education

at Indiana State College. Due to a schedule mix-up Mr. Smith majored in English and studied art as an alternate.

Even though Mr. Smith was not actually in the service, he was a valuable worker in an ordinance plant.

Presently residing at North Judson, Mr. Smith taught there before coming to Culver High School.

Confronted with questions about Culver High School, its teachers and its students, he replied that he thinks the teachers and students are "above par."

As everyone else, Mr. Smith has his likes and dislikes. He commented that shrimp and Italian bread please him, but students that talk back made his stomach upset. We noted that his favorite colors are red, blue, and black. With this, we left Mr. Smith and his students deeply involved in sculpture work, his favorite aspect of art.

## Six Ensembles To Attend State

By Kay Thomas

Grades seven through 12 again had the opportunity of going to a matinee performance at the Epley Auditorium, Tuesday, Jan. 29. The matinee featured the fabulous Benny Goodman and his jazz ensemble. For a change of pace, there was a string quartet with which Mr. Goodman played a solo on his "licorice stick." This was the last matinee convocation of the school year. Everyone is anxiously looking forward to next year's matinee performances.

Hats off to all participants in the instrumental contest held at Plymouth on Saturday, Jan. 26. Culver received 28 first division medals and 27 second division medals. The first place winners in Groups I, II, and III will go on to State Solo and Ensemble Contest at Butler University Saturday, Feb. 16. Those eligible for state competition are: Pat Ogden, flute solo; Diane Davis, oboe solo; Lucy Osborn and Sue Cole, flute duet; Jeanne Adams and Carolyn Snyder, flute duet; a mixed clarinet quartet consisting of Janet Beck, Beverly Barshes, Eva Norris, and Debbie Henderson; and a quintet consisting of Sue Cole, Andrea Siple, Dick Mackey, Jane Ives, and Diane Davis.

The Senior Band has been diligently practicing on music for the winter concert to be given Sunday, March 24. Among the selections that will be played are: "Skip to My Flute," "Joshua," "Brighton Beach March," "Battle Hymn of the Republic," and "Hey, Look Me Over." The public is invited to attend this concert. There will be no admission charge. The Senior Band will also play for the Culver — Royal Center game on Feb. 8.

## Honor Roll? How?

By Cathy Carrothers and  
Lucy Osborn

"Let's see. That'd be 8.954603. No, wait, 8.945603. No, 8.9 . . ." In case you're wondering, that's poor Mr. Miller trying to figure out who's on honor roll, and honorable mention, and who just missed it by .001 of a point.

It's not really as bad as all that. If you'd like to see how it's done, just listen for awhile.

"Three B's and one A's, that's 34 . . ." Right now he's finding a student's total number of points. He does this by counting 11 points for an A, 10 for an A-, 9 for a B plus, etc. down to 0 for an F.

"34 divided by 4 . . ." Now he's finding the average by dividing the total number of points by the number of solids. All subjects are included except gym and band.

"That's 8.5 . . . honorable mention." In order for a student to be on honorable mention he must have between an 8.0 and a 9.55 average. To be on honor roll he must have a 9.56 to an 11 point average.

Now that you know how he did it, here is a list of students who are either on the honor roll or honorable mention for the third six weeks grading period.

Twelfth grade: Honor Roll — Linda Behmer, Cheryl Dillon, Carolee Easterday, and Charlene Lucas. Honorable Mention — Linda Carl, Sherrill Edgington, Barbara Hatten, Sheryl Hohman, George Ogden, Thad Overmyer, and Dennis Shock.

Eleventh grade: Honor Roll — Sam Lowry, Lucy Osborn, Betty Ricciardi, and Paul White. Honorable Mention — Janet Beck, Robert Carter, Sue Gardner, Larry Linhart, Martha McAllister, Pam Phelps, and Charles Snyder.

Tenth grade: Honor Roll — Sue Cole, Joan Dillon, Peggy Herr, Eva Norris, Ellen Pletka, Kay Thomas, and Linda Thurin. Honorable Mention — Jeanne Adams, Tom Boswell, Lonnie Darocsi, Kathy Easterday, Jane Ives, Dave Lemar, Jim Lewis, Pat Og-

den, Jim Weirick, and Larry White.

Ninth grade: Honor Roll — Diane Davis, Bruce Lindvall, and Lucinda Ricciardi. Honorable Mention — Jean Davenport, James Easterday, Dan Haenes, Andy Lowry, Mark Lowry, Judith Thews, and Holly Thompson.

Eighth grade: Honor Roll — Lela Donnelly, Marsha Estey, Patricia Overmyer, William Pletka, and Cheryll Zink. Honorable Mention — Stephen Bair, Linda Baker, Robert Crow, Ralph Geiselman, Paul Hatten, Elaine Kaiser, David Kelly, Fletcher Mattox, Susanne Overmyer, Robert Shirrell, and Cathy Welsh.

Seventh grade: Honor Roll — Ruth Benner, Katherine DeWitt, Susan Donnelly, Andy Hodgkin, Christine Stevens, Jim Taber, and Susie Thews. Honorable Mention — Gregory Anderson, Patsy Behnke, Jane Bray, Gary Davis, Phil Edgington, Terry Gentry, Brian Lindvall, Stewart Lowry, John Lucas, Edward Ricciardi, Suzi Reister, and Mike Wynn.

## Cub Scout News

The Cub Scouts of Pack 290 held their monthly meeting at the Methodist Church with 37 Cub Scouts and their parents attending. Stanley Prouty was in charge of the meeting in the absence of Cubmaster James McCombs.

Opening was by Den 9 presenting the flag ceremony. Den 1 put on a short skit concerning "The Story of the Pilgrims." All dens displayed crafts made at weekly den meetings in connection with the monthly theme "Freedom Festival."

Awards were presented to the following Cub Scouts; William Herrmann, Durwin Fritz, Steve Myers, Wolf patch; Durwin Fritz, Bob Ringer, Bruce Snyder, Steve Myers, gold arrow under Wolf; Jim Davis, Lynn Flora, Durwin Fritz, Bob Ringer, Bruce Snyder, Steve Myers, Silver arrows under Wolf. Also David Hoessel, Richard Brown, John Benner, Eric Hughes, and David White received Lion patches.

The Pinewood Derby miniature racing cars and track were received with enthusiasm. We will have a big race at the March Pack Meeting.

The annual Scout Parade and theater party will be held on Feb. 9 at Plymouth. All Cub Scouts, along with adult leaders, are to meet at the Washington School at 12:30. The Cubs are urged to wear their uniforms and to attend church on Sunday, Feb. 10.

The closing ceremony was by Den 11. Webelos are meeting at 6:30 on Mondays at the Methodist Church.

## Girl Scout News

By Kathy Tasch, Scribe

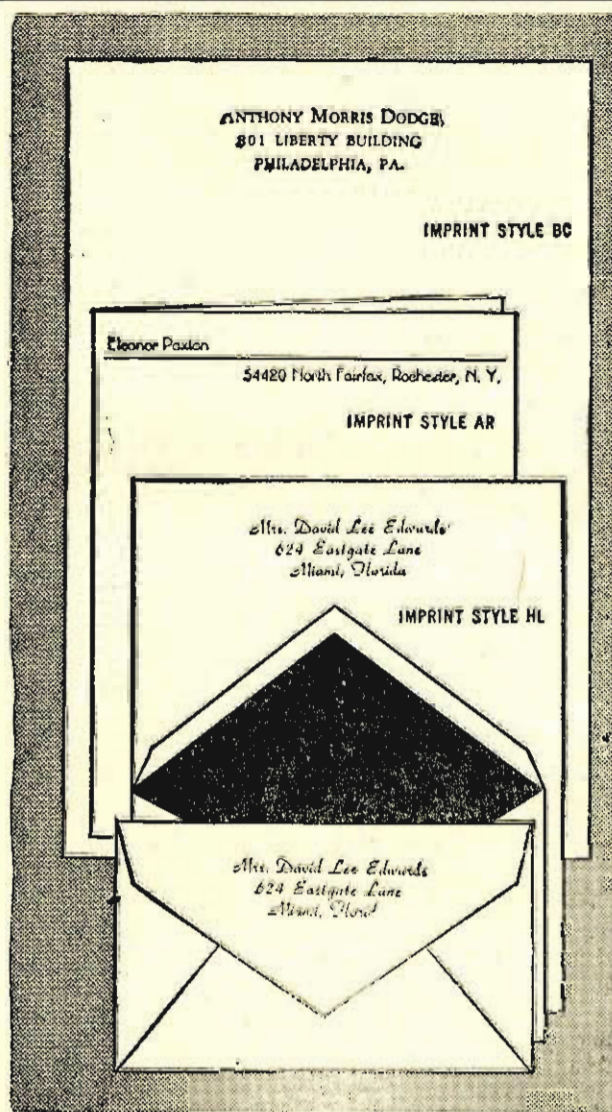

Troop 52 met at the home of Mrs. Robert Zechel on Feb. 5. Dues were paid and each girl repeated the Scout laws.

A Valentine party was planned and committees were appointed. A group of girls read a play for the puppet show which is to take place in the near future.

MODERN ANTIQUE — A Brown County family, Clarence Roberts and his four sons, have provided the county with a new covered bridge. Although most covered bridges are antiques, the Roberts family decided a new one would add to the beauty and attractiveness of the countryside so they built one over Diefall

Branch, a creek southeast of Nashville on Ind. 135. They gathered piles of native stone from the Roberts property near Nashville to build the abutments. They sided the bridge with rough-sawn lumber and roofed it with split cedar shingle. Clarence Roberts told The Brown County Democrat, every effort will be made to keep the bridge fitting for the atmosphere of Brown County.

### Road Officials To Attend Highway School At Knox

County road officials from a 10-county area will gather at the Knox House Hotel, Knox, Thursday and Friday, Feb. 14-15, to

review up-to-date methods and procedures involved in improved county road construction. Highway officials from Lake, Porter, LaPorte, St. Joseph, Starke, Marshall, Newton, Jasper, Pulaski and Fulton Counties are scheduled to attend the two-day session, sponsored by the Highway Extension and Research Project for Indiana Counties, a Purdue University co-operative venture. The area road schools on road materials and construction practice are being held for county commissioners, highway supervisors, assistant supervisors, road foremen and all other county officials interested in county road problems. The area road schools will be of special interest to newly elected commissioners and newly appointed supervisors.

# The Hoosier who refused to be President

THOMAS RILEY MARSHALL,  
 BORN, 1854,  
 NORTH MANCHESTER, INDIANA

**O**CTOBER, 1919. Woodrow Wilson lay stricken. The White House was shut off from the nation by a veil of mystery. The President's condition was concealed from the public, from Congress, from members of his cabinet. Even Vice President Thomas Marshall was not permitted to see or talk to him.

But there was talk up on Capitol Hill. Amidst the whisperings emerged a project to declare the President incapable of carrying on his official duties, and to elevate Marshall to the Presidency.

But Marshall refused. To consider such a step without the urging of the President himself was unthinkable. He remained loyal and devoted to Wilson. At a time when Marshall might have gained a lasting place among the nation's Presidents—by a simple nod of his head.

They should have expected this of Thomas Riley Marshall. For he never outgrew his faith in God and man. He never put ambition ahead of fair play.

But, for all his idealism, he was never stuffy. He kept his gift for plain speaking and delightful wit ("What this country needs is a good 5¢ cigar!"), throughout a career as lawyer, Governor of Indiana and two terms as Vice President of the United States.

Tom Marshall was born in North Manchester in 1854, the son of a country doctor. And he sometimes went on horse and buggy calls in the country with his father.

Just imagine what a help today's modern telephone system would have been to Tom's father. How such fast communication would have saved so much time—and so many lives. Now there are other communication aids. Answering-recording sets that can answer a doctor's phone and record the caller's message. Car radio-telephones that can keep him in touch with office or hospital.

Yes, doctors—and most everybody else for that matter—depend on some sort of telephone service. And it is so fast and efficient that you take it for granted. For there are some 8,000 Hoosiers working hard to keep it that way. The people of Indiana Bell are determined to maintain your telephone service as the finest

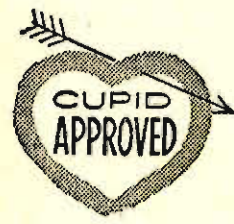

...IT'S FUN TO PHONE LONG DISTANCE!

What a wonderful way to keep in touch. It's the next best thing to being there in person. No need to wait for a special occasion—someone, somewhere, would be thrilled to hear your voice right now. And remember, long distance calling is more convenient—more economical, than ever before. Hoosier Night Rates apply if you're calling station-to-station and within the state, after 9:00 p.m.—every night in the week. Then you can talk twice as long and it costs no more. Try a call tonight.
