Aubbeenaubbee Announces Plans For Graduation Of Class of 1963

MARTHA ANN LANGENBAHN
Valedictorian

PATSY PAULINE LEAP
Salutatorian

Kenneth R. Olin, principal of Aubbeenaubbee High School at Letters Ford, has announced plans for graduation and the Valedictorian and Salutatorian of the Class of 1963.

Commencement exercises for the Class of 1963 will be held at 8 p.m. on Thursday, May 23, in the school gymnasium with Dr. Merle T. Strom, Ball State Teachers College, as speaker for the event.

Baccalaureate will be held on Sunday, May 19, at the school. Rev. Lewis Haskell of Attica will be the speaker at this Sunday afternoon service scheduled for 2:30 o'clock.

Martha Ann Langenbahn, daughter of Mr. and Mrs. Henry Langenbahn, is the Valedictorian. Martha maintained a 3.963 average for the four years. She is a member of the National Honor Society of which she is vice-president. She has also served as class treasurer for the last two years, and received the "Home-maker of Tomorrow" award. Martha is editor of the newspaper and served on the annual staff. She is planning to attend Manchester College at North Manchester.

Patsy Pauline Leap, daughter of Mr. and Mrs. Manson Leap, is the Salutatorian. Patsy maintained a 3.815 average. She has been cheerleader for four years, president of the senior class, president of the National Honor Society, D.A.R. Award and active in school band. She plans to attend Indiana University.

Jaycee Queen To Receive A \$200 Scholarship

Patrick Hallinan, chairman of the Jaycees Ball, has announced that the first annual Jaycees Ball will be held on June 15, at The Culver Inn. The selection of the Jaycee Queen will be held in conjunction with the ball.

The queen candidates have been selected from the Culver, Aubbeenaubbee and Monterey High Schools. The judging of the contestants will be based on the total donations solicited for the young ladies.

The young ladies will be competing for a first prize of a \$200.00 college scholarship; a second prize of a \$100.00 U. S. Savings Bond; and a third prize of a \$50.00 U. S. Savings Bond.

Further details of the contest and the annual ball will appear in The Citizen. Watch for these details.

Money Tree Presented To Ruth Bodey

Observes 25 Years In Local Business

Customers and friends of Mrs. Clifton Bodey presented her with a money tree on Tuesday in observance of her 25th anniversary as owner and manager of the Silhouette Beauty Salon at 313 N. Main St., in Culver.

Ruth, as she is more familiarly known by her many friends, graduated from Culver High School and took the training for her work at the Tobias Beauty School in South Bend. Following graduation she worked for a year for Clea Easterday, now Mrs. Robert Berger, who operated a beauty shop on the second floor of the Bank Building.

After a year Mrs. Bodey rented two rooms from Lena Medbourn, at the present location on North Main St., and started her own shop on April 9, 1938. In 1940 Mr. and Mrs. Bodey purchased the property from Miss Medbourn and have also made their home there since that time.

Mrs. Bodey is a charter member of the Plymouth Unit 51 of the Indiana Hairdressers and Cosmetologists Association. Mr. and Mrs. Bodey are members of the Culver Methodist Church and have one daughter, Mrs. Jack Rich, who resides in Peru.

In discussing her experiences Mrs. Bodey stated, "There have been many changes made in beauty work since I started 25 years ago." In this day of beehive and pouf styles, that is certainly not hard to believe.

The Citizen also extends congratulations to Mrs. Bodey.

Businesses Will Close For Good Friday Services

The Culver Chamber of Commerce will cooperate with the Council of Churches by asking all business places to close during the annual Good Friday luncheon and joint services which will be held at the Grace United Church.

Stores and offices will be closed from 12 noon until 2 p.m. The luncheon will be served at 11:30 a.m. to men and women of the Culver community. The church services will start at 12:45 p.m.

The Good Friday services are being sponsored by the Culver-Union Township Council of Churches. Rev. Harold W. Hohman, pastor of the Grace United Church, will arrange the service with Rev. Walter Chisholm, pastor of the Emmanuel Evangelical United Brethren Church delivering the message.

THE MEANING OF EASTER

Francis Gibbons Home Destroyed By Fire Tuesday

Fire, which is believed to have started from a defective chimney, totally destroyed the home of Francis Gibbons, located three miles east of state highway 117, on highway 110, Tuesday afternoon.

The fire was discovered by workmen in a passing highway truck. Seeing the fire, the men ran to the house to give the alarm to Mr. and Mrs. Gibbons. They were unaware their home was on fire. The highway workers made an attempt to put out the fire with a garden hose. Unable to curb the flames, an alarm was sent to the Culver, Argos and Aubbeenaubbee fire departments, who responded with equipment and tanker trucks. Culver received their call about 1:10 p.m.

All of the upstairs furnishings were destroyed by the fire. Some of the downstairs furnishings were removed, until fire and water made it too dangerous. The house was covered by insurance.

The 9-room home which was over 100 years old, was a landmark on highway 110. The home and the farm was known as the Teddy Gibbons place.

Scout-O-Rama Ticket Sales In Progress

Local Boy Scouts and Cub Scouts are now selling tickets for the Menominee District Scout-O-Rama to be held Saturday, May 11, at the National Guard Armory in Plymouth.

A Scout-O-Rama is an activity-filled panorama of colorful booth exhibits and demonstrations presented by Cubs, Scouts, and Explorers showing the varied scouting skills, crafts, and activities.

All tickets will be 50 cents per person. Participants and children, under eight years of age, if accompanied by an adult, will be admitted free. A 50 per cent (25 cents per ticket sold) commission on each ticket sold will be returned to the local unit. Wonderful prizes are available for the Scouts to earn.

When members of Boy Scout Troop 290 or Cub Scout Pack 290 call, support this great show — the biggest Boy Show of the year and worth every cent of the ticket price.

LATEST TITLES OF BOBBS-MERRILL books, many best-sellers among them, are on sale at The Citizen office. Drop in and look them over.

Receives Coveted Scout Award

DURING PALM SUNDAY MORNING WORSHIP SERVICES at the Culver Methodist Church, Dean D. Smith, a member of Boy Scout Troop 290, received the God and Country Award. Rev. Dr. Ronald Williams is awarding the coveted medal to Dean as his parents, Mr. and Mrs. Thomas McNulty, look on proudly.

Good Friday and Easter Sunrise Services Listed

Plans for the observance of Holy Week in the churches of Culver include two traditional union services.

Good Friday Service

The traditional Good Friday Service, sponsored by the Culver-Union Township Council of Churches, will be held at the Grace United Church of Christ with a luncheon served by the ladies of the church in the church dining room at 11:30 a.m.

This will be followed at 12:45 p.m. by the devotional service in the sanctuary of the church when Rev. Walter Chisholm, pastor of the Culver Emmanuel Evangelical United Brethren Church, will be the speaker using as his theme, "The High Priest."

Tickets for the luncheon, which is open to the ladies as well as the men, may be obtained for \$1 from the Sunday School superintendents of the various churches or may be purchased at the door.

Sunrise Service

The traditional Easter Sunrise Service, sponsored by the Youth Committee of the Council of Churches, with Mrs. Shelton Kaiser as chairman, will be held at 6:30 a.m. Easter Sunday at the Culver Methodist Church.

This program is open to the public and will be given by the young people of the various churches.

A breakfast for the young people will be served following the service.

God and Country Award Goes To Scout Dean Smith

Impressive Rites Held Palm Sunday

A special service was held at the Culver Methodist Church during the Palm Sunday morning worship of April 7 for the presentation of the God and Country Award to Dean D. Smith. The ceremony was conducted by the pastor, Rev. Dr. Ronald C. Williams. Dean is the son of Mr. and Mrs. Thomas McNulty, 918 Baker Street, Culver.

The God and Country Award is a church award authorized by the Boy Scouts of America through the National Protestant Committee on Scouting. The fulfillment of the requirements for this coveted award represent a year of active service on the part of the candidate, Scout Dean Smith.

A Scout must be of the rank of First Class before he can receive this award. Dean received the highest award in Scouting — the Eagle Rank — last July 30. He is a member of Culver Troop 290.

Scoutmaster Carl F. Foust presented the candidate for the award. Assisting in the service were Boy Scouts Jeff Adams, John Cook, Greg Easterday, Tom Osborn, Terry Power, Steve Snyder, and Carl Strang, each of whom have received assignments working toward the God and Country Award.

Dean presented pins to his parents and to Sam Allen, institutional representative from the official board of the Methodist Church.

Letters of congratulations were received from Bishop Richard C. Raines (Bishop of the Indiana area of the Methodist Church), and the Rev. John Wolf (district superintendent of the Methodist Church). A special letter from the White House, conveying President Kennedy's personal regards, was presented.

Good Friday Sacred Concert At CMA Chapel

THOMAS CULTICE
Guest Baritone

A mixed chorus of 65 voices, professional soloists, and a guest harpist will mark the observance of Good Friday with a sacred con-

cert at 8:15 p.m. Friday, April 12, in the Memorial Chapel at Culver Military Academy.

The chorus of select cadets from the Academy's chapel choir, a large number of young ladies from the towns of Culver and Argos, and several Academy faculty wives and daughters will sing Gabriel Faure's "Requiem." The performance will be under the direction of Donald R. M. Paterson, Academy choirmaster, and the public is invited to attend.

Assisting the choir will be two professional soloists. Miss Linda Thurston, Columbia, Mo., will sing the soprano solo and guest baritone will be Thomas Cultice, of Culver. Miss Thurston is a graduate of Stephens College and is a graduate student at the University of Missouri at Columbia. Cultice is a graduate student at the University of Indiana.

Accompaniment will be performed by Milford H. Myhre, Academy organist, and will be augmented by parts for harp from the original score. Guest harpist will be Miss Margaret Pilarski, of South Bend.

This particular musical setting of the Requiem (Mass for the Dead) is unique in musical history. Unlike the versions by Verdi and Berlioz, which are characterized by immense power and dramatic emphasis created by gigantic performing forces, the Faure, written in 1887, is refined, serene, and contemplative.

It is colored by a subtle and highly original harmony and is pervaded by a purity of melodic line. These qualities have been the cause for the frequent reference to Faure's "Hellenic" style, recalling the balance and clarity of ancient Greek art.

Gabriel Faure (1845-1924) lived most of his life in Paris as professor of composition (and as director from 1905 to 1920), at the Paris Conservatory. He was a celebrated organist and teacher, and among his pupils were Paul Dukas, George Enesco, and Maurice Ravel. Undoubtedly his most famous living student is the distinguished and remarkable French musician Mlle. Nadia Boulanger, whose influence on composers and performers of the twentieth century has been enormous. In the earlier part of this century Mlle. Boulanger brought the Faure to the United States and conducted its first performance in this country.

Ben Barclay Dies

Mr. and Mrs. Edgar Shaw received word last week of the death of Ben Barclay of Palm Desert, Calif., who died Wednesday, April 3, at his home following a short illness.

Mr. and Mrs. Barclay were residents of Culver 42 years ago and Mr. Barclay was employed in the Quartermaster Store at Culver Military Academy.

Surviving are his wife, Helen, a son, Richard, and three grandchildren.

IT'S

Easter

Time of happy hearts and smiling faces . . . time for the family to blossom out in new spring clothes . . . to stroll in the Easter parade . . . to join friends and neighbors at church, where exultant voices rise in the triumphant hymns of the Day. We greet you at this wondrous season with the wish that the glorious story of the miracle of Easter, so many years ago, may inspire each and every one of us with its message of hope, faith and life renewed.

Let's Use A Little Public Relations In Our Traffic Problems

In a very few short weeks, summer residents will be returning to their homes here in Culver for the summer season. Tourists will be traveling through, some will remain for a day, a week or a month. The summer activities at the Academy will be in full swing, with June graduation exercises and the opening of Culver Summer Schools. These functions bring additional people to the Culver area. It also will bring additional cars and create a considerable increase in traffic flow on all of Culver's streets and the lake highways.

It is the responsibility of everyone driving a car, that the drivers take extra precaution and use extra courtesy in their driving and parking. We don't want any serious accidents that might mean the loss of a life or permanent injury to pedestrians or motorists.

The influx of summer visitors also brings extra business to Culver and Culver merchants. This is the only opportunity Culver merchants have to off-set the huge cost of winter operation, with its increase of fuel bills, electric bills and general business fall-off. It is reasonable then to assume that trading in Culver should be made as easy for the customer as possible. This means only one thing — thoughtfulness of the other person and an unselfish attitude toward our own personal desires. We can assume that a good public relations program would be part of the answer. Traffic courtesies in the business section can be an important part of this public relations program. The elimination of double parking, which causes not only a traffic hazard in the smooth flow of traffic, but is dangerous to pedestrians as well, should be enforced.

The elimination of taking up a parking space in front of a business establishment for hours, or even days on end, could help in this public relations program. This practice forces customers to park long distances from the business they want to patronize, and does no good to their mental attitude. If a car must be parked in the business section for long periods of time, it would be better public relations to park on an off street, a few steps from your residence or business, leaving that space for a customer who wishes to spend his money in Culver.

The more dollars spent with our merchants, the more prosperous our community is going to be.

Attendance at Sunday services was 60. William Lake gave a talk on "The Budding Fig Tree, Israel" preceding the church service. There will be a special Easter offering next Sunday which will go to World Service. The orchestra will play.

W.S.C.S. will meet Wednesday, April 10, at 7:30 p.m. with Mrs. Mildred Overmyer. Mrs. Frank Cowen will give the lesson. Communion services will be held at the church Thursday, April 11, at 7:45 p.m.

Sunday evening services at Letters Ford marked the close of a week of special services sponsored by the Tippecanoe Valley Group Ministry. The Rev. Ronald Williams of Culver was the guest speaker.

The Youth Group will attend Sunrise services at the Argos Methodist Church next Sunday morning at 6:30 a.m. Miss Charla Cowen will appear on the program.

Stanley Curtis, son of Mr. and Mrs. Forrest Curtis, who is a student at Purdue University, was one of a group of 237 from the University honored at a banquet

for scholastic achievement. Ronald Leffert, son of Mr. and Mrs. Gerald Leffert of Argos, was also among the group.

Academy Sports

Tennis and track meets of Culver Military Academy got the spring sports season off on a victorious note last weekend when both Eagle squads swamped Fort Wayne Central Catholic High School.

The events were the first of an extensive spring sports calendar — perhaps the largest in Academy history. Culver teams in five sports are scheduled for action on 55 dates through April and May, and many of these events involve more than one opponent. In total, Culver probably will see action against 75 opponents this season.

After warming up with a successful indoor track season in which Coach Dave Burke's squad lost only one meet against tough Fort Wayne North Side, the harriers jumped on Fort Wayne Central Catholic on Saturday, 76-33. The Eagles got away to a good start by sweeping all three places in the first event, the high hurdles, as Culver runners Chris

Hinkle, Charles Keyser and John Gillespie crossed the finish line in that order.

Culver's ace miler Joe O'Flaherty, who has done a 4:39 indoors, ran a 4:40.8 in his first outdoor victory this season. Coach Burke hopes O'Flaherty will go under the 4:30 mark this season to make him one of Northern Indiana's top schoolboy milers.

Gillespie was a double winner in the 100-yard dash and the 180-yard low hurdles and also participated on the winning half-mile relay team.

In tennis, Culver swamped Fort Wayne by winning all but 11 games in the six individual matches and the two doubles events. Chris Canlis, Rich Ossanna, and Guthrie Packard shut out their opponents.

The sports calendar this weekend marks the opening of the baseball season. Warsaw is here for two games beginning at 1:30 p.m., while the track team hosts West Lafayette at 1:15 p.m. and the tennis team is host to Fort Wayne Concordia at 1:30.

Mr. and Mrs. Lowell Cripe and Linda of Elmwood, Ill., were Saturday overnight guests of the Rev. and Mrs. W. Ray Kuhn and Carol.

There will be preaching services next Sunday following Sunday School. Attendance last Sunday, 55.

The regular meeting of the W.S.C.S. was held Wednesday afternoon with Mrs. Harry J. Overmyer. The lesson, "A Sign Unto You," was given by Mrs. Clyde Beckner. The election of officers was held with the following officers elected: President, Mrs. Guy Davis; Vice-president, Mrs. Robert Kline; Recording Secretary, Mrs. Whitney Kline; Treasurer, Mrs. Ernest Brockey. Lines of work: Children's, Mrs. Don Davis; Christian Social Relations, Mrs. Wilbur McIntyre; Literature, Mrs. Paul E. Winn; Missionary Education, Mrs. Walter Van Meter; Promotion, Mrs. Clurriel Mikesell; Spiritual Life, Grace Burton. Student Work, Mrs. Clyde Beckner; Supply, Mrs. Clarence Kline; Youth Work, Mrs. Harry J. Overmyer; and Local Church Activities, Mrs. Wayne Kline.

A miscellaneous shower for Mr. and Mrs. Larry Carpenter of Argos will be held in the fellowship rooms of the local church Sunday evening, April 21. Mrs. Carpenter is the former Connie Feltis and their marriage took place recently at the local church.

Sympathy of local friends go out to Roy Hay of Logansport in the recent death of his wife, Sarah Hay. Funeral services were held in Logansport Wednesday. They were born and reared in this community. Roy is in very poor health and is blind.

A baby boy was born to Mr. and Mrs. Jim Kline, Saturday, April 6, at Silver City, New Mexico. He has been named Gary James and his grandparents are Mr. and Mrs. Robert Kline and Mr. and Mrs. Ernest Brockey. Jim and Nancy are students at New Mexico Western College and is their second son. Mrs. Ernest Brockey took a plane to Silver City Saturday to be with them two weeks.

By DAVID KELLY, Troop Scribe

On Saturday, March 30, 12 Junior and senior leaders of Troop 290 attended the Junior Leader Training hike. The hike was approximately 13 miles — to the Tippecanoe River and back to Culver.

A Board of Review and Order of the Arrow elections were held at the April 8 meeting of Boy Scout Troop 290 with 34 present. Opening ceremony was conducted by the Wolf Patrol and physical fitness exercises were demonstrated by the Panther Patrol. Patrol corners were then held with advancement instruction being given. Order of the Arrow elections were conducted by Richard Kelso, Dean Smith and David Kelly. Candidates were voted up-

given into the O.A. Tap Out ceremonies at the Spring Camp-o-ree on June 7. David Kelly went before the Board of Review and passed his Eagle Bronze Palm. "Over and Under" relay was played with the Wolf Patrol winning. A map sketching contest was conducted with the Wolf Patrol winning again. The closing game was "Hit the Leader" which was also won by the Wolf Patrol. The meeting closed with the repeating of the Scout Benediction.

Jr. Leader Training session No. 5 will be held Friday, April 12 at 7 p.m. at the Methodist Church.

The "Proof of Spring" Troop hike will be held Saturday, April 13. Scouts are to meet at the Methodist Church at 8:30 a.m. We plan to return by 5:00 p.m. Contact your patrol leader if there is any question about proper equipment and meal preparation.

Your second \$5.00 installment toward the canoe trip and summer camp is due this month. If you haven't made reservations to attend camp this year, you have just four weeks to do so!

Let's break all Scout-O-Rama ticket sales records of the Troop by selling at least the quota for each boy — which is 10 per Scout.

week to the Scoutmaster.

Motorists who travel the same route day after day may take too much for granted, warns the Chicago Motor Club. Usually the tourist on a strange road is inclined to watch for road signs and markings. Frequently, however, motorists who drive more by habit than by direction ignore basic traffic safety. Even in familiar surroundings, it always pays to be alert.

The Chicago Motor Club says that when you drive too fast for conditions, you reduce your chances of avoiding an accident. When weather or traffic conditions are hazardous, reduce your speed accordingly.

Ira J. Faulkner, Lifetime Resident, Dies At Age 85

Ira J. Faulkner, age 85, Route 2, Culver, died suddenly at his home at 1:15 p.m. Thursday, April 4, following an illness of a few days.

Surviving with the wife, Mrs. Vernis Faulkner, are four daughters, Mrs. Evelyn Trapani, Burbank, Calif., Mrs. Genevieve Kelly of Culver, Mrs. Mary Tetric, Jonesboro, Ind., and Mrs. Millie Eakins, also of Jonesboro; a son, Mark Hix, Jonesboro; four brothers, Harley Faulkner, Marion, Milo Faulkner, Danville, Ill., Lawrence Faulkner, Marion, and George Faulkner, also of Marion; a sister, Mrs. Estella Boyd, Marion; 13 grandchildren; and 6 great-grandchildren.

Mr. Faulkner was born August 25, 1877, in Kosciusko County, Ind., and was a member of the Culver E.U.B. Church. He was best married to Isa Finney in 1901. She preceded him in death in 1922. He was then married to Ella Boss in 1924 and she preceded him in death in 1936. In 1942 he was united in marriage to Vernis Hix, who survives. He is a lifetime resident of this area.

Services were held at 2 p.m. Sunday, April 7, at the Culver E.U.B. Church with the pastor, Rev. Walter Chisholm, officiating. Burial was made in the Maple Grove Cemetery at Argos.

The Easterday-Bonine Funeral Home was in charge of arrangements.

Mrs. Ida Dale Dies After Long Illness At 77

Mrs. Ida A. (Carl E.) Dale, age 77, Route 4, Rochester, died at 3:15 p.m. Wednesday, April 3, at the Woodlawn Hospital in Rochester after being in failing health for the past 12 years.

Surviving with the husband are a nephew, Carl G. Backman, who was raised by the couple, and several other nieces and nephews.

Born Dec. 9, 1885, in Chicago, Mrs. Dale was married in September, 1912, in Omaha, Nebr., to Mr. Dale and they resided in Chicago until 1950, when they moved to their present home near Delong.

Mrs. Dale was a member of the Order of Eastern Star, Paul Revere Chapter, Chicago.

Services were held at 2 p.m. Saturday, April 6, in the Easterday-Bonine Funeral Home with the Rev. Theodore Roberts, pastor of the Letters Ford Methodist Church, officiating. Burial was made in Letters Ford IOOF Cemetery.

COURTHOUSE TO BE CLOSED GOOD FRIDAY
The Marshall County Courthouse at Plymouth will be closed on Friday, April 12, in observance of Good Friday, by order of the Marshall County Board of Commissioner.

Watch out for school children, especially if they're driving.

Firemen Make Eight Runs In Five Days

Grass and woods fires are still plaguing Culver firemen, who answered eight calls in five days. Fortunately no serious damage has been recorded, but Culver firemen and their fire chief, David Burns, urges that those burning leaves, trash and dead grass, take extra precaution in doing so.

Last Thursday at 2:55 p.m. firemen were called to fight a grass fire at 724 East Shore Drive. At 8:10 p.m., same day, the fire department was called to the railroad right-of-way near the Rudolph Resar farm where line poles were burning.

On Friday, April 5, at 12:45 p.m. the department was called to the Lake outlet for a grass fire, and, at 1:55 p.m. to east side of the cemetery for a grass fire that had burned out of control.

April 6, Saturday at 1:42 p.m. the department made a run to the Rossie Moore residence in Burr Oak for a grass and dump fire. They were called back again at 5:10 to the same location. At 8:00 p.m. the department made a run to the CMA bird sanctuary to put out a grass fire.

April 7, Sunday at 1:42 p.m. the department was called to the junction of highways 8 and 17 to put out a grass and woods fire.

Hospital Notes

Mrs. Evert Hoesel entered Parkview Hospital in Plymouth where she underwent major surgery Monday, April 8. She is improving satisfactorily and allowed visitors.

AMERICAN RED CROSS OFFERS SCHOLARSHIP TO NATIONAL AQUATIC SCHOOL
The Marshall County Red Cross is again offering scholarships to the 1963 National Aquatic school to be held at Camp Limberlost, Lagrange, Ind., from June 9 to the 19.

Men or women, 18 years of age or over, who are certified by a physician to be in sound condition and who plan to use this training to teach others, are qualified for these scholarships.

Applications must reach the Marshall County Red Cross Chapter, Plymouth, not later than May 15.

AUTO LICENSE BUREAU TO BE CLOSED FRIDAY AND SATURDAY, APRIL 12-13

The State Bureau of Motor Vehicles will be closed Good Friday and Holy Saturday, April 12 and 13.

The Marshall County Branch at Plymouth will observe the State closing dates, Friday & Saturday, but will remain open all day Thursday, April 11, for the convenience of Marshall County residents.

Don't Forget The Easter Egg Hunt This Saturday

Children, who will attend the Culver Jaycee Easter Egg Hunt, to be held Saturday, April 13, are urged to bring a sack or basket with them so they will have something to place the eggs in, as they find them.

Children are asked to be at the train depot in the Town Park, promptly at 2:00 p.m., as the affair will start on schedule. In case of rain the event will be held the next day, Sunday, April 14, at 2 p.m., same location.

Children up to and including 8-year-olds are eligible to participate. Children finding the gold and silver colored eggs will receive Easter rabbits and Easter baskets as prizes. Eggs which have numbers on them will also receive prizes. There will be plenty of eggs for everyone.

Girl Scout News

By KATHY TASCH, Scribe
Troops 52 and 143 opened the meeting jointly with the flag ceremony at St. Mary's of the Lake Catholic Church on April 9. Troop 52 held a short open opinion meeting. For refreshments there were jelly beans in little baskets. Practicing of the puppet show was done also.

SCHOOLBELL NEWS

"Members of the speech class, today I am going to discuss a topic of great importance to all of us . . ." Yes, the seniors in English are still hammering away at the podium trying to gain poise and confidence in public speaking. However, to hear some of the seniors talk, it is surprising that some of them haven't had a nervous breakdown before giving their five minute dissertations. We might add that if any of you see some senior standing in front of a mirror talking to himself, don't be alarmed, he is probably only rehearsing his speech!

We have decided that it is a good thing April Fool's Day comes only once a year, because we are afraid Mr. Stukenborg's fifth period algebra class couldn't take too many more disappointments. The poor class planned and executed a very clever April Fool's joke, but Mr. Stukenborg didn't cooperate! The would be joke sort of "fell-through" when Mr. Stukenborg didn't even notice anything unusual. Oh, well, you can't win them all!

The math teacher was not the only victim of student jokes, however, Mr. Zellers got the full April Fool's treatment from his World History class — only his was a day late. This teacher became involved in the "Case of the Missing History Book," but after a few threats, found his book back on the desk where it belonged. We might add that as usual, the teacher had the last laugh, Mr. Zellers treated his laughing students to a nice short quiz! Funniest thing!

What? Dick Knoerzer is a pro-basketball player? Really, Dick, can one little knee guard make you a better shot, or is there something more behind this story?

The seniors are already begin-

ning to question if the school is going to be able to get along without them for five days. The Senior trip is only two weeks away. Needless to say, everyone concerned is getting quite excited. Oh, if anyone would like to know exactly how long the seniors will be gone — to the hour — just ask Sharon McGaffey. She knows!

Jim DeWitt owns the telephone company? Oh, excuse us, we must have gotten our wires crossed. He only spends most of his time, and money, making calls in telephone booths. Why have you become such a communications expert, Jim?

Anyone for bowling lessons? If so, contact Rick Irvin, or better yet, contact Pam Phelps. Rick and Pam have gone bowling the last two Friday nights. What did you say your score was, Pam?

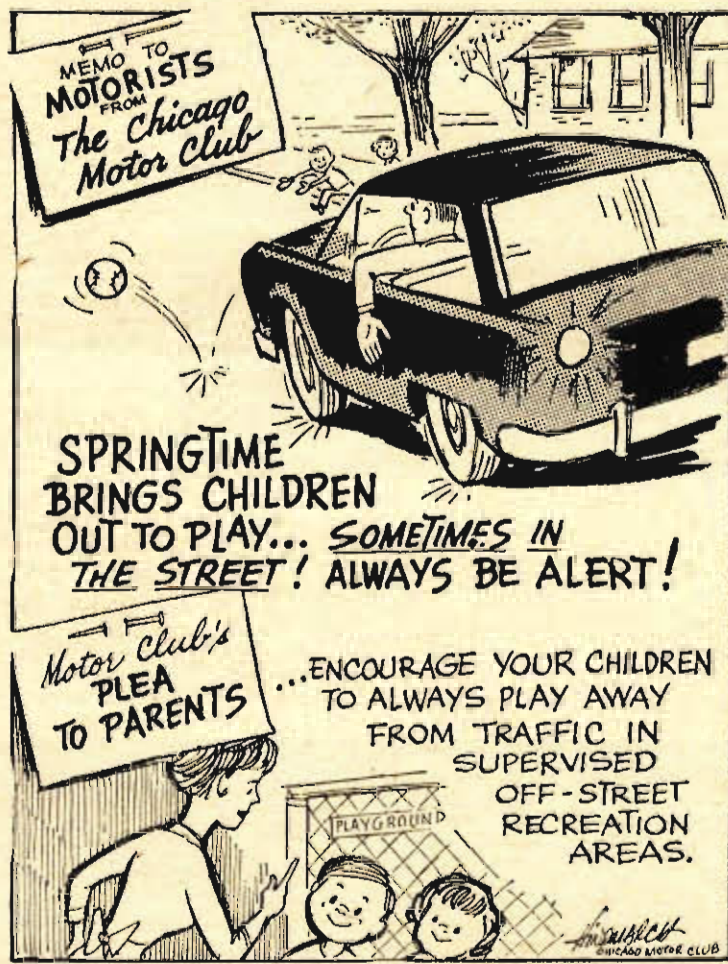

Will someone please shut that thing off! Poor Bob Carter just can't seem to win these days. Most boys can casually honk at a car-load of girls and get into no difficulty whatsoever, but not our Bob. He honks at a car-load of girls, and winds up with a stuck horn! Better watch that, Bob, disturbing the peace, you know!

"But I don't know a 'Carol' who lives in Louisville." Nick Knoerzer found himself in a very embarrassing situation on his birthday last week. He says he received a birthday card from a girl that he has never even heard of. The whole thing sounds rather suspicious, but we do believe you, Nick. (We think). By the way, she signed her name "Carol," and she lives in Louisville, Kentucky. Anyone know her?

Well, while the members of Culver's "Blood-Hound-Club" are trying to track down this mysterious "Carol," we will remind everyone to buy a ticket to the dance, April 19, sponsored by the Saddle Club.

Tune in next week everyone for further developments in the "C. H. S. Confusion and Conflict" series. Next week's episode will include the answer to that all important question which is being asked across the nation . . . We ask you, does anyone know how to do the Bossa-Nova?

On May 5, at 3 p.m., the Culver Junior Band will give a concert commemorating National Music Week.

Receives Cap From School of Nursing

LINDA LEE KOSE

Linda Lee Kose, daughter of Mr. and Mrs. William W. Kose of Culver, was one of 37 students to receive her cap at Memorial Hospital School of Nursing on Wednesday evening, April 3, in the First Methodist Church at South Bend.

Miss Florence G. Young, director of the School of Nursing, presented the caps and Miss Sally Sausaman, vice-president of the senior class, assisted in the candle-lighting.

Miss Kose is a 1962 graduate of Culver High School and received the Tri Kappa Nursing Scholarship. Her big sister, Miss Jean McCoige, a junior at the School of Nursing, was a 1961 Culver High School graduate and also received the Tri Kappa Nursing Scholarship that year.

Open house was held at the Navarre Residence, where the Freshman class lives, and refreshments were served to the parents and guests at the new nurses' residence.

Scholars Go To Warsaw Contests

By Martha McAllister

On Saturday, March 30, several of the top students of C.H.S. ventured to Warsaw to represent Culver in the annual academic placement tests which were given at the new Warsaw High School. Culver students were entered in the mathematics and Latin sections of the tests.

Eight students from the mathematics department participated. Lois Newcomb and Bruce Lindvall entered the Algebra I contest while Sue Cole and Paul Saft entered the geometry contest. Lucy Osborn, Sam Lowry, Cheryl Dillon, and Linda Behmer all took the Comprehensive Mathematics test. Lucy and Sam took the level for students having had six semesters of algebra, and Cheryl and Linda took the test for those having had eight semesters.

In the Latin department there were four students in Latin I. Diane Davis and Lucinda Ricciardi were chosen to participate while Eva Norris and Pat Ogden entered the Latin II portion of the test.

The official results will not be received for about two weeks, but it is certain that most of the students who entered received firsts, seconds, and thirds, which is very outstanding. Cheryl Dillon received a first in the Comprehensive Mathematics test and Bruce Lindvall received a first in the Algebra I competition. There were around 90 students participating in the mathematics portion of the contest. The exact number of students participating in the Latin section is not known, but the number of Latin I students outnumbered the number of Latin II students by about 30. Congratulations to all students who participated in the contest from everyone at C.H.S.

Spring Music Festival Planned

By Diana Walter

The Argos and Culver Music Festival is to be held April 26, in the Culver Community Gymnasium. Both band and choir will perform many varied selections. As the usual custom, a nominal charge of 50 cents for adults and 25 cents for students will be charged. Band and choir students will be selling tickets after April 8.

Tables Turned On Co-Editors

By Carolee Easterday

What would you do if you were reading the "Schoolbell" and halfway through the "Shadow" you realized that YOU were the victim? Our co-editors, Charlene Lucas and Cheryl Dillon, like to make this Shadow assignment because the readers usually get a good laugh out of it, so why not turn the tables and spy on THEM while they are hectically typing out the Schoolbell articles on Thursday nights?

The time is 7:00 p.m. and since this is the week to do it at Cheryl's house, Charlene has just driven into the driveway. With typewriter in one hand, purse and books in the other, and the remaining paraphernalia between her teeth, she stumbles up to the door which Joan Dillon opens for her. Cheryl is still eating. Both are dressed in slacks and sweat-shirts.

Between mouthfuls, Cheryl greets Charlene and tells her to sit down and wait a minute. Before long, like all girls, they are engaged in conversation, but they soon realize that they must get busy, so they take Charlene's things to the dining room where Cheryl has already collected her typewriter, dictionary, pencils, typing paper, and the finished assignments.

They decided during school who was going to edit which articles, so they get right down to work. All is quiet for the next few minutes except for the scratching of their pencils as they cross out and rewrite. Pretty soon Cheryl starts chuckling and Charlene looks up to see what is so funny, so Cheryl passes the article across the table for her to read. As Charlene passes it back, she makes a comment about how well some members of the staff write. All is quiet again as they resume their editing. Soon, however, Cheryl throws down her pencil in disgust and complains to Charlene about the terrible job someone has done on his assignment. She has had to rewrite almost the whole article. It isn't long before they get into a heated discussion about some of the articles that have been turned in to them.

Mrs. Dillon decides that this is a good point for them to take a break, so she gives them each a coke. Soon they realize that it is getting late so they return to their work. The only sound for awhile is the clattering of their typewriters.

As they finish, they begin talking about some of the incidents that were mentioned in the "Teepee." It is now 11:00 p.m. so Charlene gathers her belongings and leaves. Cheryl goes up to her room, and Charlene stops at the bowling alley on her way home for some nourishment before she STARTS her homework. One more issue of the "Schoolbell" is ready for the printers.

Sports News

Culver got off to a good start in their first track meet of the season with Mentone. It was a very close meet which was not decided until the very last event. Culver took 4 first places to Mentone's 7, 6 second place finishes to Mentone's 7, and 6 third place standings to Mentone's 5. Noteworthy performances were turned in by several of the boys. Tom Yocom had his best broad jump of his career when he jumped 19 feet 7 1/2 inches. Bob White gained a double in the high jump and low hurdles. Dave Lemar's shot put bettered last year's best throw, and a 1-2 finish in the 440-yard dash was accomplished by Paul White and Frank Keiser. Jim Weirick's fine finishing kick in the half mile, and the victory by our very promising mile relay foursome of Paul White, Ned Davis, Frank Keiser, and Tom Yocom were performances worth seeing.

Although losing to Mentone, Culver has gotten off to a great start, and the next meet with Tippecanoe here on April 5, should be a promising one.

Art Heyman of Duke heads the 1963 National Association of College Basketball Coaches All-American team, which also includes two members from the nation's number-one-ranked squad, the Cincinnati University Bearcats. Heyman polled 2,171 total points in the selections made for the Wheaties Sports Federation by over 400 coaches across the country. Joining him on the first team are Ron Bonham and Tom Thacker of Cincinnati, Bill Green of Colorado State, and Gerry Harkness of Loyola of Chicago.

Easter Coming In Grade Rooms

By Pat Ogden and Betty McFarland

Mrs. Melton's Kindergarten — Beth Adams treated the morning group to cookies as a celebration of her birthday. Wayne and Wendell Bean celebrated their birthdays April 3. The children have read a story about the "Little Lazy Boy and the Easter Bunny," then they made pictures to tell the story. It was surprising how many details five-year-olds could remember to put in their pictures. The kindergarten is also decorating their room with Easter decorations. Their Easter Egg tree has blossomed and sprouted leaves.

Mrs. McLane's first graders have finished their reader, "On Cherry Street," and finished their word list. Both Mrs. Barton and Mrs. McLane's students have been making Easter rabbits and other decorations.

Mrs. Keyser's First Grade — Mark Voreis treated the class to cupcakes and bubble-gum on his birthday, March 28. The room is being decorated for Easter. The windows resemble greenhouses, as there are corn, wheat, beans, grass, and flowers growing. They started their "garden" from seeds brought in by the children. They are enjoying learning to use a ruler, too.

Mrs. Shirrell's second grade is looking forward to Easter in their room. Easter baskets, bunnies, decorated eggs, and other decorations are being made for their "Bunny Land." Evan Lowry brought a daffodil plant which has blossomed beautifully. The class enjoyed the ice cream and cake Mel Thomas served them on his eighth birthday, March 25. The shamrock cake Mrs. Babcock brought for St. Patrick's Day was also enjoyed.

Miss Page's second grade — Ruth Zehner celebrated her eighth birthday, March 11. Chet Marshall brought a slate which a member of his family had used in school a number of years ago. The students have discovered that Spring is finally here! One of their cocoons hatched. It is a beautiful male Prometheus moth. The class would like to thank Mr. Kepler for his help in identifying and mounting it.

Mrs. Carter's third grade — The children are getting lots of practice in multiplication and division. They learned how to do string painting in art and also made Easter scenes to decorate the room. Marbles seem to be the most popular game. Some children are good shots and win quite

a few of them. Their Post Office is proving very interesting as they are sending letters to each other. Elizabeth Mellon gave a report on her visit to the Museum of Science and Industry in Chicago. They are also doing some interesting experiments in evaporation.

Mrs. Keller's fourth grade — In science, the class enjoyed seeing walrus and shark teeth. They also viewed a baby catfish through their magnifying glass. Deborah Martin and Dennis Reinhold have had birthdays this week.

Miss Mahan's fourth graders have had some rare visitors. The students enjoyed seeing three chinchillas which Hall Wilson brought to class. One was an unusual white one. Mary Ann Taylor brought some beechnuts from Michigan. There were enough for everyone to have a taste; many children had never seen them before.

Mr. Horban's fourth grade — Anita Wojtowicz entered the science fair at Manchester College, March 30. The class is now studying plants in science, and to help their understanding, they are doing many experiments with plants and seeds. David Williams gave a very good report on atomic energy. Angela Liette, Nancy Reichley, Mary Wieringa, and Doug Prouty had very good written reports on animals.

Mr. Vondra's fifth grade class has sent out letters to three different cities within the United States in an effort to become better acquainted with parts of our country. The children in Mrs. Schrieker's room have been busily working on their Science projects.

Mr. Wagner's sixth grade — The room is decorated for Easter by Linda Slusher, Sandy Baker, Nancy Porter, Janet Zechiel, and Linda Miller. George Tanner brought a crawdad for the class to see. They are growing iris onion plants.

Mrs. Manis's sixth grade class is planting a tree in the school yard, and the children are composing poems and stories to be read at the planting. The tree is to be planted on the Thursday before Arbor Day.

Janitors Kept Busy

By Lucy Osborn and Paul White

"Will a janitor please report to the study hall? There is a leak in the radiator that needs to be repaired."

This is just one of the many jobs that keep four of Culver High School's "behind-the-scenes" workers very busy. Yes, we are referring to our four loyal janitors who work so hard to keep our school in tip-top condition but do not receive many thank-yous for their services. These four men whom we are proud to have with us in Culver High School are Red Kowatch, Vern McKee, Roy Davis, and Al Sytsma.

Being the janitor of a high school is no easy task. Continually during the summer, as well as the winter, there are jobs that must be done. Along with sweeping and cleaning the restrooms, halls, and classrooms comes the never ending task of general maintenance and repair. In the winter, the firing of the furnace takes place in the very early hours of the morning. After firing the furnace, Al, Roy, and Red then hop into their buses, pick up school children, and bring them to school in time for their classes. Whenever there are leaks or broken desks to fix, there is always a janitor handy to take care of the problem.

The busiest time of all for our janitors comes during the summer. At this time, the rooms are cleaned from top to bottom, the floors are all scrubbed and waxed, the windows are washed, and some of the furniture is refinished. The janitors also take care of any remodeling and painting that needs to be done.

When the custodians were interviewed, it was found that all of them attended Culver High School with the exception of Mr. Davis who went to Riley in South Bend.

Red Kowatch and Vern McKee both played on the basketball

team during their high school career. Red played on one sectional championship team in his senior year and Vern played on two in his freshman and sophomore years. Vern also played two years of baseball, two years of softball, and ran two years of track.

It seems that our custodians have a variety of hobbies. Golf, baking, fishing, and electronics are some of them. All the janitors like their job mainly because they like being around the students. They also like the work and the Culver school system. When asked which subject they liked the best when they were in high school, mechanical drawing, social studies, shop, physical education, agriculture, and home economics were among them.

Mr. Kowatch has been working here the longest, a total of nine years. Al Sytsma has been here four years, while Vern McKee and Roy Davis have been here for two and one year respectively.

To the question of whether or not he had noticed a change in school children since he was in grade school, Mr. Kowatch replied that the children seem to like milk now. He said that when he was in school they'd try to throw it away. He also stated that the co-operation of the students with the janitors is good, but he wishes that the students wouldn't mess up the study hall so badly.

When asked what changes in

the school have been made since they went to school, both Vern and Red told us that the subjects are tougher and that there are more modern facilities. Al Sytsma replied that we no longer have an agriculture course, but realizes that there are not enough interested farm students to have such a course. Red also replied that there are still two of his grade school teachers teaching at Culver.

Since Roy Davis graduated from a much larger school, he noticed many differences in Culver compared to South Bend Riley. Because there were 350 students in his class, Roy said that he never really knew many of the students as well as the students at Culver know each other. He thinks that at a smaller school a person would be able to learn more. One thing that Roy liked very much at Riley was participating in the band and orchestra. He also suggested that a blacktopped playground would help keep children from dragging in so much sand and dirt.

Through this special interview with our janitors, we hope that you will become better acquainted with them and give them your whole-hearted co-operation.

METROPOLITAN LIFE INVESTS \$601.1 MILLION IN STATE OF INDIANA

Metropolitan Life Insurance Company assets invested in Indiana amounted to \$601.1 million at the end of 1962, says Sanford Snyder, local Metropolitan representative.

Metropolitan contributed significantly to demands for capita in Indiana to finance industrial expansion and research; to help meet the needs of large and small businesses; and to spur the trend towards home ownership. For example, more than \$327.8 million was invested in corporate securities in Indiana, and Metropolitan mortgage loans in the state amounted to \$201.2 million.

The company's holdings of U.S. government bonds — apportioned to Indiana on the basis of its population — amounted to \$27.2 million. Other Metropolitan assets attributable to Indiana amounted to \$44.8 million.

Artists Work With Water Colors

By Nora Sheppard
The high school art classes are planning a trip to Terre Haute for the annual High School Day. They will leave Culver about 6 a.m., and will spend the day visiting the campus of Indiana Teacher's College.

This week the classes are bringing to a close their work with the "wet brush" technique as related to water coloring. Watch for the paintings that the art classes will finish and hang up by the high school office.

Don't be alarmed, as the weather turns to warmer trends, when you see students wandering outside. If you observe closely, you will see brushes, water, paper, and drawing boards in the arms of the students. They will be fulfilling an open-air painting assignment given them by their art teacher.

Wool Payments Apply To Sales Before April

Wool growers were reminded today that the 1962-program payments, to be made this summer, will be made on wool and unshorn lambs which are marketed before March 31, 1963. That is the closing date for the 1962 program.

Carl W. Price, chairman, agricultural Stabilization and Conservation County Committee, also pointed out that applications for such payments under the 1962 Wool Program are to be filed before the end of April, 1963.

He emphasized that the information on payment applications is to be supported by adequate records on the sales. For instance producers' sales records for shorn wool should show name and address of buyer, date of sale, name and address of producer, net weight of wool sold, and net proceeds to producer after normal marketing deductions.

Payments to producers for the 1962 marketing year will follow the same methods employed for previous years. Shorn wool payments will be equal to a percentage of each producer's cash returns from wool sales. The percentage — to be announced later this year — will be that required to raise the national average price received by all producers for shorn wool during the marketing year up to the incentive price of 62 cents per pound.

Lamb payments will be made to each producer who sells lambs that have never been shorn. The payments will be at a rate per hundredweight of live animals marketed to compensate for the wool on them on a basis comparable to the incentive payment per pound of shorn wool.

Mr. Price reminded growers that the 1963 marketing year will be a 9-month one — extending from April 1 of this year through Dec. 31, 1963. After 1963 the marketing year will be on a 12-month calendar-year basis, in line with recommendations by producers. Payments for 1963 and later marketing years, therefore, will be made beginning in July, as for 1962 and previous years.

Miss Sally Medbourn and her fiance, Charles Mott, were guests over the weekend of her parents, Mr. and Mrs. Samuel M. Medbourn, and her grandmother, Mrs. Harry Medbourn of East Shore Drive. 423 S. Michigan St., Plymouth
Sunday School 10:30 a.m.
Morning Worship 10:30 a.m.
The meaning for today of Christ Jesus' complete triumph over the flesh will be emphasized this Sunday at all Christian Science churches.

Golden Text: "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit" (Romans 8:1).
The Bible Lesson is entitled, "Are Sin, Disease, and Death Real?" Related readings include this passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 233): "Every day makes its demands upon us for higher proofs rather than professions of Christian power. These proofs consist solely in the destruction of sin, sickness, and death by the power of Spirit, as Jesus destroyed them."

Girl Scout News

By PAM THOMPSON
Girl Scout Troop 143 held their regular meeting April 2 at St. Mary's of the Lake Catholic Church.
To begin the meeting, the Girl Scout Laws were repeated in unison. Mrs. Frances Welsh then taught some new songs to the members for a future Girl Scout program. Girls also worked on waste paper baskets which they are making.
The meeting was closed in the usual fashion.

SUNRISE IN HOLLYWOOD

This is the city where pretense is a profession . . . where emotion is an art. This is Hollywood's famous Bowl at sunrise on Easter morning.

Thousands raising their hearts and prayers to the Lord of Reality . . . of Truth!

Don't be deluded by the artificiality which sometimes claims the center of life's stage. There is a hunger in the souls of men which our air of well-being cannot hide. There is frustration, futility, despair—and man's calculated unconcern cannot disguise it.

To our churches—to worship, hymn and prayer—we turn when we tire of dreaming and pretending. Can we claim any glory greater than that we are the children of God? Can we own any allegiance bolder than that we are the disciples of Jesus Christ . . . Risen, Victorious?

Easter is the climax of life's drama . . . on which the curtain never falls!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Electricity Helps Gardeners Achieve an Early "Spring"

Heated soil speeds up early seed germination. Thermostat controls heat in window boxes. Plants bloom sooner, can be set out weeks earlier.

Impatient garden clubbers and commercial growers anxious to get to market, can both take heart: Now there is a way to speed up the spring growing season.

Electricity provides the answer in the form of a thermostatically controlled soil heating cable which you can plant in hotbed, cold frame, window box or flat. Strung in equal loops, throughout the full planting area, the cable will dissipate a heat of 3 watts per lineal foot, accelerating plant growth. This should enable you to transplant weeks earlier in the spring.

Built into this Easy-Heat soil cable is a pre-set soil thermostat which maintains growing temperature at a uniform 70°.

You plug the unit into any 120V outlet—and forget it. Electric current shuts off automatically when soil is right for achieving proper growth of seeds, bulbs, vegetables or flowers.

It might be an interesting project for your garden club to find out just how many green thumb reputations are created by "planting" electricity along with the sprout bulbs or the seed.

Children as well as adults should heed this month's Chicago Motor Club poster theme, "Signal For Safety." Children should remember that when they are riding their bicycles, especially in the street, they too are subject to all rules of the road. One of these rules is to signal when making either a left or right hand turn. This allows both the motorist who is approaching and the motorist behind sufficient time to anticipate the cyclist's next move. Always be safety conscious and courteous when riding your bicycle. The April safety poster was distributed by the Chicago Motor Club to some 33,000 grade school classrooms in the Club's Illinois and Indiana territory.

A Look At CAP

The Air Force will go to almost any extent to help the Civil Air Patrol carry out its mission. Many Air Force officers and enlisted personnel teach aero-space education classes, first aid classes, survival classes, drill and leadership classes, and many others. The Air Force also encourages reserve personnel to work with local CAP units, as do the other services; and all award points toward retirement which help some keep up their commissions.

A prime example of this cooperation can be found at Bunker Hill Air Force Base. Lt. Colonel Gerald Eastburge, Rochester, Special Project Officer For Emergency Services, with the help of Air Force officers on the base, set up a special school to train a CAP emergency unit. Classes started January 8 and have continued every other Sunday afternoon. The instructors for the classes of the school are Air Force officers and enlisted men.

The school will graduate its first students, both seniors and cadets, in a few weeks. Some will go back to their local units and start classes of their own. Others of them will make up the personnel of an emergency unit based at Bunker Hill Air Force Base. Classes being taught are first aid, survival, navigation, weather, communications, and search and rescue operations.

FIRE DEPARTMENT calls should be made to Viking 2-2121. Note this number near your home phone.

Culver Youths Try Physical Fitness Hike

The sudden wave of interest in physical fitness which has swept the country recently, manifest itself in Culver Saturday morning. Four Culver High School basketball players took off on a physical fitness hike from Culver to South Bend, a distance of about 40 miles. Starting about 6:30 a.m. Saturday morning, Jim Boswell, Dave Lemar, Rick Ervin and Dennis Shock headed north to their destination.

The boys, walking highway 17 to Plymouth, arrived in that city about 9:40 a.m. They headed north on U. S. highway 31 towards their goal. They were cheered on their way by passing motorists, who either knew the boys or of the feat they were trying to accomplish. They arrived at the South Bend city lim-

Conservation Dept. Seeks Record Indiana Fish

Spring fishing is just around the corner. When you catch that big one, tell the Indiana Department of Conservation.

An official list is being made of the biggest fish caught in Hoosierland — and you may be the one to head the list.

Records are being established in each of the following categories: largemouth bass, smallmouth bass, spotted or Kentucky bass, bluegill, redear, rock bass, yellow perch, crappie (any species), white or silver bass, walleye, sauger, rainbow trout, brook trout, brown trout, northern pike, muskellunge, freshwater drum (better known in Indiana as white perch), channel catfish, flathead catfish, bullhead (any species), carp, and bowfin (or dogfish).

To be considered as an official Indiana record, the fish must have been caught legally by hook and line from Indiana waters. Catches from pay lakes, the Ohio River, and commercial fishing nets are not eligible. Entries from private lakes and farm ponds will be accepted.

Entry blanks which indicate all the information needed should be available at bait and sporting

goods stores and Conservation Officers. Completed entries or inquiries can be addressed to the Indiana Department of Conservation, State Office Building, Indianapolis 9, Indiana.

Information needed includes: name and address of angler, date caught, county and type of water where catch was made, length, weight, girth, and name of tackle and lure. The signatures of two witnesses (not relatives) who saw the weighing and measuring are needed, as is a photograph of the fish.

Anyone fishing in Indiana is invited to send in this information on a big fish. The fisherman who reports the largest fish, by weight, in any of the various categories will be honored in 1963. An impressive certificate suitable for framing and a colorful Record Fish Award armpatch will be given to the top anglers.

Records are made to be broken. Anyone who catches and reports a larger fish than the current record will become the new record holder. The Record Fish list will be kept continuously by the Indiana Department of Conservation. Fish identification experts will make sure each entry has been placed in the proper category.

Divisions

Largemouth bass, smallmouth bass, spotted bass (Kentucky), bluegill, redear sunfish, rock bass (goggle-eye), yellow perch,

crappie (any species), white bass (silver), walleye, sauger, rainbow trout, brook trout, brown trout, northern pike, muskellunge, freshwater drum (white perch), channel catfish, flathead catfish, bullhead (any species), carp, bowfin (dogfish).

To be considered as a Record Fish for Indiana in any of the above divisions:

1. Fish must be taken legally by hook and line from Indiana waters (Ohio River not included).

2. Fish may have been caught in either public or private fishing waters where no charge is made for fish taken.

3. No fish eligible for entry caught prior to August 1, 1962. Entry must be made within six months after date caught.

4. Photograph of fish must accompany entry.

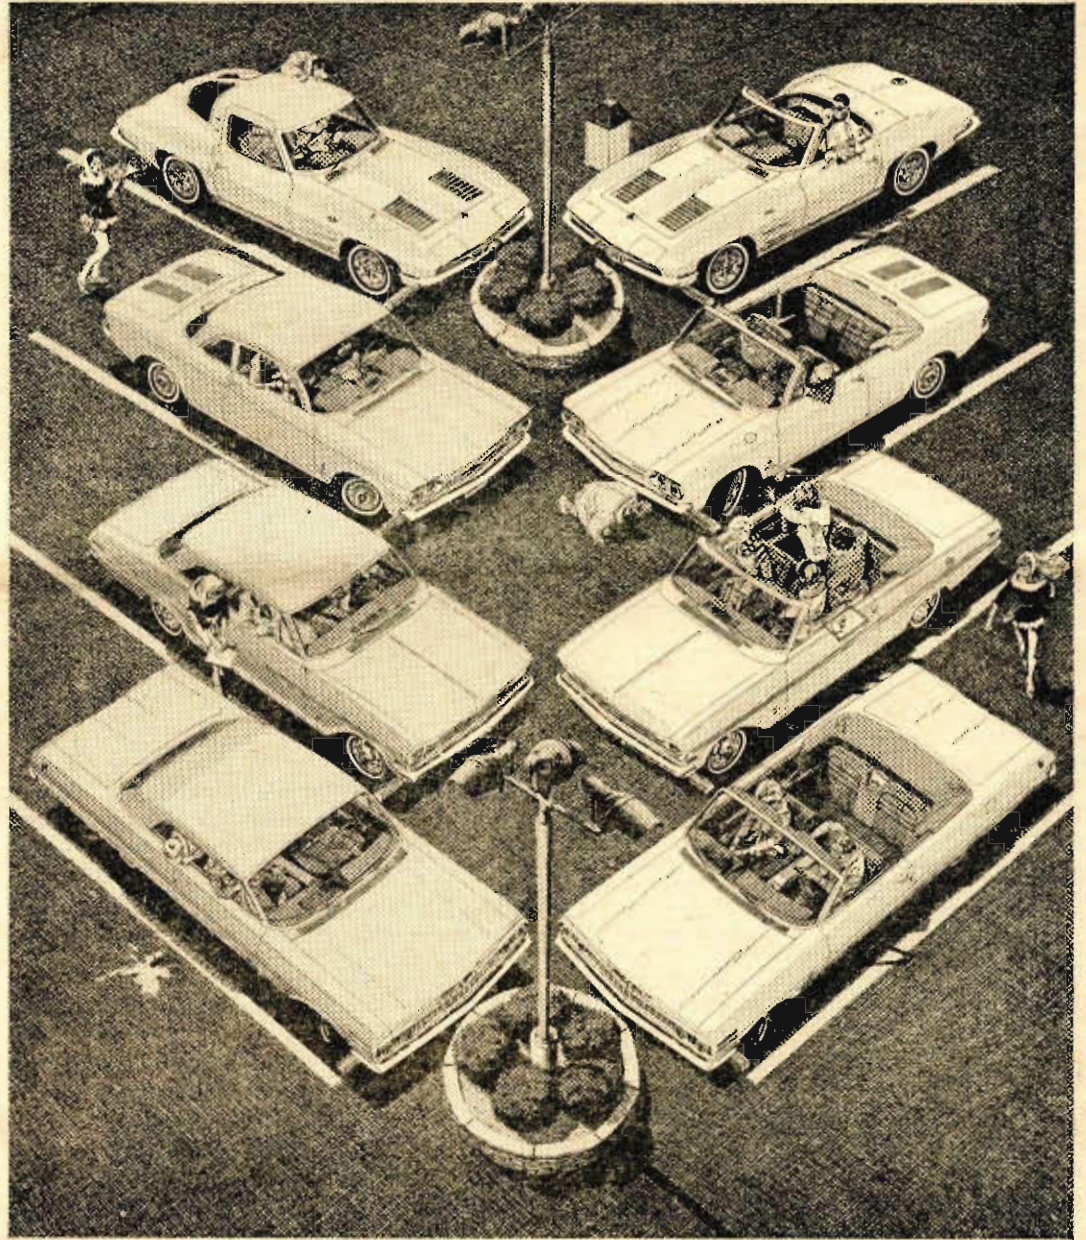

5. Weight to be taken before freezing fish.

6. Entry must be accompanied by signatures of two persons (not relatives) who witnessed weighing and measuring.
