CHARLENE LUCAS
Culver

The young ladies pictured above are three of the ten contestants in the Jaycee Queen Contest. Photos of the other seven will appear in succeeding issues of The Citizen. Of the ten girls entered, seven attend the Culver High School, one attends the Culver Military Academy, one is a resident of Monterey, and one resides in Leiters Ford.

The honor of being the Jaycee Queen of the Ball, will go to the

young lady who receives the most votes. The girls receive four votes for every dollar they take in by donation or tickets for the ball.

The standings of the young ladies can be seen in Kline's Appliance Store windows. Dolls, with each girls name attached, resembling the contestant, are walking up the ramp. The doll nearest the top of the ramp is ahead with other dolls behind

the first one according to their standing. The color TV to be given away is also displayed.

The standing of the girls as of Tuesday morning are as follows: Pamela Phelps, 1st; Charlene Lucas, 2nd; Martha McAllister, 3rd; Johanna Hughes, 4th; Patricia Kline, 5th; Phyllis Shaffer, 6th; Carmen Gretter, 7th. Three girls had not turned in their votes by Tuesday. They were Cheryl Dillon, Judy Kimmel and Diana Brettmann.

To Attend Hoosier Boys' State

SAM LOWRY

Named Alternates

ROBERT CARTER

NED DAVIS

Sam Lowry and Paul White, Culver High school juniors, have been selected to attend Hoosier Boys' State under the sponsorship of W. A. Fleet Post 103 of the American Legion, Culver, according to M. R. Robinson, Boys' State chairman. Robert Carter and Ned Davis have been named alternates.

"The American Legion has sponsored many activities directed toward the social betterment of the American citizen, including Hoosier Boys' State," according to Ora M. Reed, post commander. "It is a school of government with a program of practical politics for junior boys from Indiana high schools. Each boy will have the opportunity of having actual experience in the problem of representative government as it operates in Indiana. To be selected to attend Hoosier Boys' State is one of the highest honors a high school boy can receive."

Sam Lowry, son of Mr. and Mrs. Arnold Lowry, Route 2, Culver, is a letterman in baseball and basketball, president of the National Honor Society, and is also a member of the Varsity Lettermen's Club. He is a member of the Hibbard Evangelical United Brethren Church. He ranks first academically in a class of 53.

Paul White, son of Mr. and Mrs. Jesse White, Route 1, Culver, is a letterman in basketball, track and baseball. He is president of the junior class and vice-president of Hi-Y. He is also a member of National Honor Society, 4-H, choir, Varsity Lettermen's Club, and Press Club. He is a member of the Evangelical United Brethren Church. He ranks third academically in his class.

Robert Carter, son of Mr. and Mrs. Shirley Carter, 608 North Slate St., Culver, is a letterman in baseball and basketball, vice-president of the Student Council, vice-president of the junior class, and a member of Hi-Y, Varsity Lettermen's Club, National Honor Society, choir, and Press Club. He is a member of the Culver Methodist Church. He ranks sixth academically in his class.

Ned Davis, son of Mr. and Mrs. Donald Davis, Route 1, Culver, is a letterman in cross country, basketball and track. He is a member of the band, chorus, and Hi-Y. He is a member of the Mt. Hope Methodist Church. He ranks 16th academically.

Dr. Howard Moves Offices To The Ikirt Clinic

Dr. Joseph D. Howard has moved his doctor's offices from the second floor of the Lions Den building to the building formerly occupied by the Ikirt Clinic at 917 Lake Shore Drive. The move was completed over the weekend.

The move will be a convenience to both Dr. Howard and his patients because there will be no stairs to climb for the patients and the clinic affords additional room for the Doctor's services. The arrangement of the rooms at Dr. Howard's new location will afford a reception room, laboratory, three examination rooms, treatment room, private office for Dr. Howard and a storage room.

Dr. Howard's telephone number will remain the same and at the present the name of the building will be changed to "Offices of Dr. Joseph D. Howard, M.D."

Alumni Banquet Plans Progress, Set For June 8

The officers and committee chairmen of the Culver High School Alumni Association met Wednesday evening, April 24, in the Bank Auditorium to complete plans for this year's banquet and dance to be held Saturday June 8, in the Culver Community Building.

The banquet will consist of a short business meeting after which a buffet supper will be served. The remainder of the evening will be spent dancing to the music of the Dick Swisher Band.

U. S. Game Agent To Be Lions Club Speaker

Charles L. Horner, U. S. Game Management Agent, of Bloomington, will address the Culver Lions Club at their regular dinner meeting, Wednesday, May 8.

Mr. Horner will discuss the waterfowl situation as it is today and present an identification movie. Mr. Horner has been a game management agent for the past 25 years. During that time he has worked in Missouri-Mississippi River bottoms, in the states of Louisiana and Wisconsin. His position requires that he spend several weeks in Canada, checking on nesting areas and waterfowl populations.

Bus Driver Bids Examined By School Board

The main item for consideration by the Board of School Trustees of Culver Community Schools on Tuesday evening, April 30, was the discussion of bids and applications of prospective school bus drivers.

Most applicants for assignments as drivers of the ten school-owned busses submitted similar proposals of \$7.25 per day. The School Board agreed to pay this amount for all routes except the one which will include a considerably longer route in the southwest part of North Bend Township.

The bids of present drivers of North Bend Township who own part of the bus equipment were accepted. These routes involve a minimum daily mileage of approximately forty miles, and the drivers' proposals were for a daily amount of \$14.

Though bids for five routes in Aubbeenaubee Township varied slightly on a per-mile basis, the School Board decided to offer drivers of four routes a daily rate of thirty-seven cents per mile for a minimum daily mileage of thirty miles. The shorter mileage made the per-mile rate somewhat higher than that of the longer routes in North Bend Township.

Since one Aubbeenaubee route will require that the driver will need to purchase a chassis, the two applicants were to be asked to arrange for such equipment before a decision would be made regarding the person to be contracted. The present driver for this route did not apply for the position for next year.

Two drivers of corporation-owned busses in Union Township will be needed in addition to those whom the School Board agreed to use. Interested applicants for these two routes will be considered later.

The School Board also gave final approval of entrance age requirements for kindergarten and first-grade pupils. A child will need to be five years of age before September first to be eligible to enter kindergarten starting with the 1963-1964 term. A first-grade pupil will be required to be six years of age before September first to be eligible to start in the first grade at the opening of the 1964-1965 term. Ages must be verified by a birth certificate.

Mr. and Mrs. Robert Hill returned home Tuesday from Del Ray Beach, Fla., where they have been visiting their friends, Mr. and Mrs. Joseph Baldwin, for the past four months.

Dr. Otis Bowen To Speak At C of C Meeting

Dr. Otis Bowen, Bremen, Marshall County's State Representative, will give the luncheon address at the regular meeting of the Culver Chamber of Commerce.

The meeting will be held Monday, May 6, at the Culver Inn beginning at 12 noon. Members are urged to attend.

ARRESTED AND FINED

Alfred B. Coleman of Chicago was arrested Thursday, April 25, by Conservation Officer Don Wainscott and charged with operating a motor boat on Lake Maxinkuckee carrying three people with only two life saving devices. Coleman appeared in the Justice of the Peace Court of Harry A. Smeltzer and paid fine and costs of \$17.

AUTO LICENSE BUREAU TO BE CLOSED TUESDAY

The State of Indiana, Bureau of Motor Vehicles Branch at Plymouth, will be closed all day Tuesday, May 7, because of the Primary Elections.

"The Driver Examiner will be absent from this Branch on May 8 to attend a Driver Examiner Conference being held at Indiana University.

ASCS REPRESENTATIVE TO EXPLAIN WHEAT PROGRAM

A county wide public meeting will be held at the Conservation Club house May 8 at 8 p.m. to assist wheat producers to understand the 1964 wheat program and to explain the eligibility of the farmer to vote in the referendum. An invitation is also extended to the business men and city people that are interested in farm problems.

It is planned to have a representative from the State ASCS office present to explain the program.

Paul T. Snyder, Sr., returned to his home on State Road 10 Monday afternoon from Elkhart Memorial Hospital where he underwent surgery last Friday. He is getting along satisfactorily.

BOY SCOUTS TO CONDUCT A CAR WASH ON SATURDAY

The Beaver Patrol of Boy Scout Troop 290 will conduct a car wash Saturday, May 4, at the lot in front of Park 'n Shop on the corner of Jefferson and Plymouth Streets. The boys will wash your car any time from 9 a.m. to 3 p.m. — \$1.00; \$1.25 with white wall tires.

College Glee Club To Give Concert At Leiters Ford

On Thursday, May 2, at 8 p.m. the Rose Polytechnic Institute male glee club will present a concert at the Aubbeenaubbee Township gym in Leiters Ford. This program is sponsored by the community and is free of charge. The public is invited.

The glee club will be on a three-day tour completing engagements in Elkhart, South Bend, Gary and Leiters Ford. While in Elkhart, they will have a video taping made at the WSJV TV station for television release at a later date.

Leiters Ford's own David Cripe, senior at Rose Poly, is one of the glee club's baritone. He is the son of Mr. and Mrs. Willis Cripe.

Rose Polytechnic Institute is a small, privately endowed men's college in suburban Terre Haute. The college offers BS and MS degrees in Chemical, Civil, Electrical and Mechanical Engineering; Chemistry, Mathematics and Physics. Rose Poly is the oldest private engineering college west of the Alleghenies, having been founded in 1874.

The Glee Club is a voluntary organization which rehearses two hours a week. Membership is open to all students who enjoy singing and no credit is offered. James L. Holler is director of the Glee Club.

LOUIS TAICLET ATTENDS PURINA ADVISORY SCHOOL

Louis Taiclet of Buckeye Feed and Supply Co., Monterey, was one of approximately 100 Purina dealer personnel selected from Indiana and Michigan to attend a Purina Feeding Advisory School April 16 and 17 at Fort Wayne.

The program centered around modern methods of feeding and managing hogs and poultry. Purina specialists conducted the sessions.

The theme of the school was "How to help farmers make more profits."

DECKARD SUPER MARKET CORP. TO BUILD SHOPPING CENTER

ARCHITECT'S DRAWING of the new Plymouth Plaza shopping center to be erected by the Deckard Super Market Corp. The center will be located at the corner of Kingston Road and Jefferson street road. Ground will be broken in about 10 days.

An announcement was made today by the Deckard Super Market Corporation of the purchase of 2.7 acres of land at the corner of Kingston Road and Jefferson St. Road from Warren and Anabel Senour for the erection of a shopping center to be known as the Plymouth Plaza. The center will be owned by Paul Grewe of Fort Wayne and the Deckard Super Market Corporation.

Richard (Dick) Deckard, of Kewanna, a member of the Deckard Super Market Corp., said ground will be broken in about 10 days.

The shopping center buildings will be composed of 30,000 square feet of floor space. The buildings will be the latest type of modern construction. Glass wall partitions will separate the three units to be composed of a Discount Store, a Super Drug Store and a Super Market. They hope to complete the unit by the middle of July or early August.

The black-topped parking lot will accommodate over 200 cars.

Harley L. (Joe) Deckard and family reside in Rochester. Roy Deckard and family and his son Richard C. Deckard and family reside in Kewanna. The senior

Deckards have operated grocery stores, then super-markets for years and Dick Deckard has grown up with the business. Previous to moving to Rochester, H. L. Deckard operated stores in Sturgis, and Benton Harbor, Mich., and Richmond. Roy Deckard was associated with his brother while in Sturgis, Mich., and had a store in Culver and now operates a super market in Kewanna.

The program consisted of a camp-fire and night projects on Friday evening and Scoutcraft skills and a rally on Saturday. The Troop's junior leader patrol topped all other troops in the rally events.

On April 29, Troop 290 met at the Methodist Church for their regular meeting. Soccer was the pre-opening game with 32 Scouts present. The opening ceremony was conducted by the senior leaders with announcements and uniform inspection following. Physical fitness exercises were demonstrated by JASM Dean Smith with the Troop working on them. Patrol corners were held with dues and attendance taken. "British Bull Dog" was played and then the meeting was closed with the Scout benediction.

Next week lashing demonstrations will be given by the Wolf Patrol. Turn in your Scout-O-Rama and camp money next week.

By DAVID KELLY, Troop Scribe

On Friday and Saturday, April 26 and 27, 11 junior and senior leaders of the Troop attended the Jr. Leader Training camp held at Myers Lake Scout Reservation.

LUCINDA RICCIARDI WINS SILVER MEDAL IN STATE LATIN CONTEST

Lucinda Anne Ricciardi, Culver high school student, won a medal at the awards program following the finals of the Indiana State High School Achievement Program held Saturday at Indiana University.

Forty-six of the students won first place honors and were awarded gold medals for their scholastic achievement. 91 students placed second and received silver medals, and 202 were awarded bronze medals for third-place honors.

Some 1,000 students competed in Latin, mathematics and Spanish in the finals — all winners of the 36 regional meets held March 30 throughout the state. Also receiving awards were honor students in English, the awards being made on the basis of their grades in the regional tests as no finals were conducted in this subject.

Miss Ricciardi won a silver medal in the first year Latin contest.

JEHOVAH'S WITNESSES CONVENE IN MISHAWAKA

A special Bible educational drive planned to contact 650,000 persons in the Michiana area in

the next six months will draw some 1,000 Jehovah's Witnesses to Mishawaka in May.

Mr. Stanley Spangler, presiding minister, said that the Plymouth congregation will join in the concerted circuit campaign with 17 other congregations in northern Indiana and southwest Michigan.

To spark the program, all congregations are scheduled to convene in Mishawaka for a circuit assembly May 3-5.

The Watchtower Bible & Tract Society of New York, sponsors of the meet and legal directive agency for Jehovah's Witnesses has arranged the convention. Theme of the assembly is "Right Kind of Ministers."

Stated for the Mishawaka High School, the meet is expected to attract some 1200 persons by Sunday afternoon at 3 p.m. At that time district supervisor Angelo Catansaro from Brooklyn, New York, delivers a public address "Who Will Win the Struggle for World Supremacy?"

Admiral J. Dreith To Deliver Sermon At C.M.A. Sunday

Rear Admiral J. Floyd Dreith, deputy chief of the U.S. Navy Chaplain Corps, will deliver a guest sermon at 10:30 a.m. chapel services Sunday, May 5, at Culver Military Academy. The public is invited to attend.

Admiral Dreith is one of a series of distinguished ministers of all faiths who have served as guest speakers before the Academy's corps of 850 this year. He will speak at services conducted by the Rev. Allen F. Bray III, Academy chaplain.

A Navy chaplain since 1937, Admiral Dreith has served in many parts of the world including duty in the Pacific during World War II. He first served aboard the USS ARIZONA in 1937 and five months later was transferred to the USS PENNSACOLA. He was in the Far East as chaplain on the USS BLACK HAWK and was assigned to the Naval Air Station, Seattle, Washington, prior to the outbreak of World War II.

Admiral Dreith left Seattle in March, 1943 for duty on the USS BUNKER HILL, a carrier which won the Presidential Unit Citation "for extraordinary heroism in action against the Japanese." He became executive officer of the Naval Training School for Chaplains at William and Mary College, Williamsburg, Va., and later assumed command of the school in 1945.

Since that time Admiral Dreith has served as assistant district chaplain for the Twelfth Naval District at San Francisco, received graduate instruction at Union Seminary in New York City, fulfilled a tour of duty for the tenth Naval District out of San Juan, Puerto Rico, served as post chaplain at the Marine Barracks at Camp Pendleton, Calif., and as assistant for planning, Chaplains Division, Bureau of Personnel, Washington, D.C.

Admiral Dreith was ordered to sea in 1957 with the U.S. Atlantic Fleet and in 1959 reported as officer in charge, Naval School Instruction for Chaplains at Newport, Rhode Island. He recently assumed duties as director of chaplains.

A native of Berthoud, Col., Admiral Dreith was graduated from Concordia College, Oakland, Calif., an institution which later awarded him an honorary degree of Doctor of Divinity. Chaplain Dreith's official residence is in Visalia, Calif., but he is currently living in Vienna, Va.

Mrs. E. W. Carter and Mrs. D. Hatten were Sunday dinner guests of their sister, Mrs. Elizabeth Day, in South Whitley, Ind. Other Sunday evening guests were their brother, Michael Bernhard, and Mrs. Bernhard, also of South Whitley, and Richard Day of Fort Wayne.

Spring rains can cause windshields to become splattered with mud and water, impairing visibility and driving efficiency, cautions the Chicago Motor Club. A spring auto checkup should therefore include an inspection of your car's wiper blades to make sure they are in top condition.

Scouts, Leaders Attend 2-Day Training Event

Eighty-two Scouts and leaders participated in a Junior Leader Instructor Training event this past Friday and Saturday at the Myers Lake Scout Reservation.

The training staff included key experienced junior leaders from several troops and Explorer Posts in Menominee District, Tri-Valley Council. They were: Greg Dawson, Troop 290, Culver, chairman of promotion and registration; Dean Smith, Troop 290, Culver, chairman of arrangements and equipment; Mike Ringle, Post 200, Argos, chairman, demonstration corp; and Dennis Cannon, Post 255, Argos, chairman, campfire and night project.

Craig Clouston, Post 220, Plymouth, chairman, "How To Teach A Skill"; Bill Clouston, Post 220, Plymouth, chairman, Scoutcraft skill; John Kerrigan of Culver, Post 200, Plymouth, chairman, Scoutcraft rally; Steve Bocock, Troop 290, Culver, chairman, cooking skill; and George Kerrigan of Culver served as the training event advisor. Other instructors from Troop 290 were David Kelly and Fletcher Mattox. Ju-

nior leaders of the Troop in attendance were: John Cook, Steve McCombs, Greg Easterday, Terry Powers, Tom Bocock, and Steve Kelly. Scoutmaster Carl F. Foust and Frank Sperry, both of Culver, also attended.

The trainees received instruction in how to teach second and first class Scout skills and how to conduct inter-patrol and troop rallies and campfires. Each junior leader received a certificate of qualification at the closing ceremony Saturday evening.

Lake Michigan Smelt Run Is On

The good word is spreading far and wide from the shores of Lake Michigan. The smelt run is on!

This silvery-colored fish inhabits the deep waters of Lake Michigan most of the year. In the spring the adults, which range from six to ten inches in length, enter shallow water in great numbers to spawn. At this time, fishermen catch smelt in nets along the piers and beaches.

Any fisherman with a fishing license can use one of the special smelt nets to catch smelt. Such a net shall not exceed twelve feet in length, six feet in depth, or have a mesh measuring over 5/8 inch from knot to knot. There is no fee for the use of the smelt net, and any number may be taken. The net can be used during

the months of March, April, and May but the actual smelt run generally lasts only a few weeks.

Why all the excitement over some little fish? Anyone who has enjoyed a plate of deep-fried, fresh-caught Lake Michigan smelt knows that this is real eating!

FORD SCORES TRIPLE SUCCESS OVER COMPETITION IN TOTAL PERFORMANCE TESTS!

Total performance is a feeling of complete ease at the wheel... reserve power when you step on the gas... of safety when you brake... of security in the way a car grips the road, takes to corners, responds to steering. It's a feeling

of comfort in the way you sit and see with instruments in easy view, controls in easy reach. Total performance is the mark of engineering excellence that makes every trip on any road a driving pleasure.

A Super Torque Ford finished first in a field of 44 cars at Riverside. The results prove the '63 Super Torque Ford can take plenty of punishment. Braking... steering... cornering... depend on Ford to deliver total performance!

A Super Torque Ford took first place in Class I and II at the Pure Oil Performance Trials in Daytona. These trials duplicate normal driving conditions as nearly as possible... and proved the practical side of Ford's total performance story.

Super Torque Fords finished 1st, 2nd, 3rd, 4th, and 5th in the annual Daytona "300," outperforming a field of 50 cars. Never before has one make dominated so completely a major U.S. 500-mile track event.

Marshall County Parking Clinic To Be Held May 7

If you have trouble backing into a 22-foot parking space, then plan to go to Plymouth on Tuesday, May 7. A Parking Clinic will be held on Walnut St. between West Garro and West Washington St. from 1 to 4 p.m., where expert training will be given parallel parking.

This Parking Clinic is sponsored by the Federation of Clubs. They are not the experts, but they will also be there to learn. The instructors are Marshall County Sheriff's Department personnel.

You need not belong to any club, and training is available to both men and women or anyone eligible, and is absolutely free of charge. You will learn to park your car safely, properly and quickly.

Parking Clinics are being used almost all over the country as a way to help drivers and increase safety consciousness. Even if you are an excellent driver, you may have drifted into some habits that are not good, and this will give an opportunity to do a little checking on yourself.

Several club women will be on hand to answer questions and help you in any way they can. A card of recognition will be presented to each person completing the instructions.

So get into your car and attend the Parking Clinic. Co-chairman of arrangements are Mrs. Herman Rettinger Sr., County Safety Chairman; Mrs. Conda Martin, President of County Federation of Clubs; and Mrs. Ted Strang, 13th District Safety Chairman, Culver.

A demonstration lecture program, titled "This Atomic World," will be presented in an assembly program at Culver Military Academy on Thursday, May 9.

The program, sponsored by the United States Atomic Energy Commission, is presented by the Oak Ridge Institute of Nuclear Studies, Oak Ridge, Tenn.

The Institute is a nonprofit, educational corporation of 39 southern universities, operating under contract with the Atomic Energy Commission. The traveling exhibits units, which visit hundreds of high schools throughout the United States each year, are designed to provide the public with a better understanding of atomic energy.

Harmon Smith, an exhibits manager who has received special training in nuclear science, will present the program. Mr. Smith holds a bachelor of science degree from Bowdoin College.

The demonstrations and lectures are designed specifically to acquaint high school students with the basic principles and uses of atomic energy and to stimulate their interest in science.

Subjects to be covered include atomic structure, the nucleus and radio-activity, radiation biology and fission and fusion. The uses of radioisotopes are also included. The application of these isotopes in agriculture, industry, and medicine is an important aspect of the non-military use of atomic energy. Projections for the use of the atom in rocketry and space travel are also discussed.

Following the assembly presentation of exhibits and visual aids, Mr. Smith is available for classroom sessions with science students.

Conservation Dept. Stocks Trout

Trout fishermen can expect the best fishing ever in Indiana this year. Over 21,000 big brook trout will soon be released in trout streams. Brook trout are famous for their willingness to bite. On the May 1 opening day brooks from seven to twelve inches in length will be ready and waiting.

In addition, more than 21,000 rainbow trout have been released in lakes and streams. Indiana anglers have known and appreciated the fighting ability of rainbows for many years. The rainbow just released are all over the legal size of seven inches and many are as big as ten inches.

Some of the brown trout stocked in streams in 1962 should still be there, older, wiser, and bigger. More than one lucky angler will fight it out with these

holdover browns. It might be you!

Stream fishermen should remember that the season opens, Wednesday, May 1. A catch limit of ten trout per day will be in effect. A \$2.00 trout stamp is required in addition to the usual fishing license.

Fishermen from Michigan and Ohio regularly come into Indiana for trout fishing. More Hoosiers should try their hand at some fancy fishing right in their own state.

A list of the lakes and streams stocked with trout is available free of charge from the Division of Fish and Game, Room 605, State Office Building, Indianapolis 9, Indiana.

ATTENDING CONVENTION

Mrs. George Phillips, accompanied by Mrs. C. R. Graham of Bourbon, left Sunday evening to attend the three-day convention of the Indiana Federation of Clubs at French Lick.

On Tuesday morning Mrs. Phillips was hostess to the 13th District breakfast and special guests were Mrs. Walter V. Magee, 3rd vice-president of the General Federation of Womens Clubs; Mrs. Vernon Childs, president of the Indiana Federation of Clubs; Mrs. David Martin, 1st vice-president of I.F.C.; and Mrs. Lee Curtis, president of the Mississippi Valley Conference of Clubs.

Following the Tuesday evening program Mrs. Phillips and Mrs. Graham held "Open House" in their rooms at the Sheraton Hotel for members of the convention.

Crowder Seeks I.U. Trusteeship

MRS. FRANK S. CROWDER

Mrs. Frank (Peg) Crowder, an Indianapolis alumna of Indiana University, Class of '35, has entered the alumni trustee election race. Her entry makes the contest a four-way fight. Her opponents are Dr. Miles Barton and Howard S. Wilcox, both of Indianapolis, and Davis Ortlieb, of Evansville.

A group of 15 women have nominated Mrs. Crowder for the post vacated by Mrs. William F. Maurer of Indianapolis.

Mrs. Crowder, the former Margaret Woodburn, is an active club worker and promoter of civic projects. Her great-great-grandfather, James Woodburn, was an early teacher in Indiana Seminary, which is now I.U. Her husband, Frank Crowder, LL.B., '34, is an Indiana Bell Telephone executive. They have four grown children.

A former president of the I. U. Women's Club, she is national chairman of the Alliance of Lady Lobbyists.

Mrs. Crowder, who will appreciate any support from I. U. Alumni residing in the Culver area, if elected, will devote all her time to the job as trustee. She states that I.U. Alumni can rest assured that the great potential of I. U. would be protected, improved and cherished.

CORKY MCKEE ON TOUR WITH COLLEGE CHOIR

Corky McKee, son of Mr. and Mrs. Garold McKee, Belle Glade, Fla., who is a freshman at Vanderbilt University at Nashville, Tenn., is on tour with the college choir. On Monday and Tuesday the choir was in Chicago where they sang at Christ Episcopal Church and the Veterans' West Side Hospital. Today they appear at Schulte High School in Terre Haute.

Garold McKee is a former Culver High School graduate and was student manager of the Culver Indians for several years under coach Paul Underwood. Mrs. McKee is the former Evelyn Rawls, native of Ft. Lauderdale, Fla., and was a great swimming star. Gerald is the stepson of Mrs. Trula McKee of Culver.

WILBUR R. KELSO IN COLLEGE PLAY

Wilbur R. Kelso, of Letters Ford, acted the role of "Wat Dreary" in the play "The Beggar's Opera," which was presented at Blackburn College, Carlinville, Ill., on Friday and Saturday, April 26 and 27.

The musical comedy by John Gay, presented with permission of Boosey and Hawkes of London

and New York, was presented in Dawes Gymnasium on the Blackburn campus at 8 p.m. each evening by the Blackburn College players, campus drama group.

Kelso, a freshman chemistry major at Blackburn, is the son of Mr. and Mrs. Wilbur Kelso Jr., Letters Ford, and is a graduate of Aubbeenaubbee High School.

Blackburn, a small liberal arts college in central Illinois, is famed for its work plan, in which each student works 15 hours per week in partial payment for his education.

Babson Discusses Hedges Against Inflation

Inflation Is A Serious Matter

Babson Park, Mass. — Many investors in stocks are holding them in belief of coming inflation. Although inflation would not help non-convertible preferred stocks and bonds, it should help many common stocks. On the other hand, inflation would be a serious matter to most railroad, public utility, and manufacturing companies, which would have to raise wages, pay more for their raw materials, and yet have difficulty raising prices. During the next few weeks I will discuss in this column some companies with inflation-hedge characteristics.

Only A Few Railroad Stocks Appeal To Me

Despite the plight of the railroad industry, the outlook is far from bleak for some of the major roads. Better earnings are show-

ing up with elimination of unprofitable passenger business, increased efficiency, cultivation of new business, and gradual exploration and development of large land holdings.

ATCHISON, TOPEKA & SANTA FE is the largest railroad system in the United States. It is no longer heavily dependent upon agricultural freight. Land holdings produce earnings from oil, lumber, coal, and metals.

UNION PACIFIC supplements its revenues from its well-balanced rail freight business with income from oil and gas production, and dividends from extensive investments — both rail and non-rail. Numerous parcels of land are owned in California, Colorado, Wyoming, and elsewhere.

NORTHERN PACIFIC serves the Pacific Northwest and the northern tier of states. Freight is diversified among manufactured goods, crops, forest products, oils, minerals. Land grants total over 2 million acres.

CANADIAN PACIFIC RAILWAY combines a vast transportation empire with a virtual kingdom of natural resources. Its transportation system spans from Asia to Europe, and includes steamship, air, and truck lines; plus hotels and a telecommunication system. Its natural resources include 51% control of CONSOLIDATED MINING & SMELTING COMPANY, ownership of 1 million acres of land, and mineral rights to about another 10 million acres, mostly in Alberta.

Roger W. Babson

Steel Companies

The steel industry also is under the pressure of rising labor costs. Nevertheless, the fundamental nature of this industry enables steel companies to increase their earnings.

The largest steel producer in the world is U.S. STEEL. The scope of its activities extends into mining, shipping, metals fabrication, and the production and distribution of cement and nitrogenous chemicals. Other properties provide manganese, coal, and limestone. Increasing emphasis is being placed upon taconite mining and facilities. Estimated domestic iron ore reserves are close to 1 billion tons in the Lake Superior region and in Alabama and Utah. Company holds foreign reserves of over 1 billion tons in Canada and Venezuela.

REPUBLIC STEEL is another domestic steel producer, specializing in alloys and stainless steel. Reserves of iron ore and coal are sizeable. Republic owns 50% of Reserve Mining Company, which supplies a large portion of its iron ore needs in the form of taconite pellets. It also holds an interest in Iron Ore Company of Canada. A considerable amount of money is spent for research, emphasizing heat-resistant high-tensile steel products for missiles and rockets.

BETHLEHEM STEEL CORPORATION constitutes that nation's second largest integrated steel producer. In 1962 ingot production came to 14.7 million tons, or about 15% of the industry output. Light steel products recently accounted for about 65% of sales. Company is also the largest U.S. shipbuilder. Capital expenditures in 1962 amounted to \$193 million, with \$373 million additional authorized on Dec. 31, 1962 and about as much again scheduled through 1965. Company has increased output of pelletized high-grade ores and has extensive iron ore, coal, and limestone reserves.

FEDERATED CLUBS HOLD CONVENTION

The 73rd annual three-day convention of the Federation of Clubs began Monday at the French Lick Sheraton Hotel with addresses by Dr. Preston Bradley, pastor of the Peoples Church in Chicago, and Charles V. Ferguson, senior editor of the Readers Digest magazine.

The speaker for Tuesday morning was Mrs. Walter V. Magee, 3rd vice-president of the General Federation of Womens Clubs, and the Tuesday evening session was highlighted by the program given by Baroness Maria Von Trapp.

CELEBRITY DAY—Indianapolis police on a single day recently dealt with some prominent names. On the list were Esther Williams, Tom Sawyer, Napoleon, Teddy Roosevelt and FDR. All were residents of Indianapolis and they just happened to bear the names of famous personages. The car of Esther Williams, the woman with the same name as that of the famous swimming star, was towed in when it was found blocking an alley. Eighty-eight year old Tom Sawyer was removed from the county jail to General Hospital when he developed a leg infection. Held on drunk charges were: Napoleon Alexander, Theodore Roosevelt Guinness and Franklin Delano Roosevelt Jenkins.

MAN DRIVER — A Dunkirk man, Ben Yeager, was unfortunate enough to get the family automobile involved in two minor accidents recently. Both the front and back fenders were damaged. His wife, Mrs. Florence Yeager, a member of The Dunkirk News and Sun Staff, is suggesting that the word "HIS" be lettered over the wrinkled fenders.

Culver Jaycees Meet In Regular Session

The Culver Jaycees met in regular meeting last Thursday evening, with the meeting being presided over by the president Sanford Snyder.

During the business session, the members discussed the Bond project and adopted it. The bond project which is of national scope for Jaycees, encourages each Jaycee to buy a "Series E Bond." Each Jaycee chapter is awarded points toward an award for the number of bonds purchased.

The members discussed the possibility of purchasing sound equipment for the chamber's use. A committee reported on the cost of the equipment, but no action taken.

A "Teen Age Road-E-O" as a project was discussed, and turned over to the traffic safety committee for further action. The project calls for students to be judged in their driving and parking skills. Awards are given to the boy and girl getting the highest score.

A MIRACLE

Did you ever hold in your hand a rose, a plant, or even a tiny seed and wonder where its beauty comes from? Or did you plant a seed and watch, day by day, and marvel at nature's way? How miraculous are the ways of nature; so beautiful that man can never fashion or create a rival.

Another word for nature, of course, is God. He creates. Beauty in all its forms comes from Him, and to us they are given; nature's bounties, we call them.

When you go to church this Sunday, say another word of "thanks" for all that is good, all that is beautiful; all that you possess!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

CONSERVATION OFFICER APPLICANTS TO TAKE TESTS

Men making application for the next Indiana Conservation Officers Training School will be given aptitude examinations in a preliminary screening at the State Fairgrounds in Indianapolis May 8. Donald E. Foltz, Director of Indiana Department of Conservation, said today.

Because of budget limitations, the Department's Enforcement Division has been operating 20 men under full strength for more than a year, Foltz said.

A 1957 state law stipulates that no more than half of the Conservation Officers can be of the same political faith. Of the present force, 59 are listed as Republicans and 42 are listed as Democrats.

Foltz said that an effort would be made to bring the Conservation Officer force up to full strength. The number of power boats licensed in the state is now nearing the 100,000 count, a big increase in the last few years for the Department to patrol and police. The Officers also enforce fish and game laws and are charged with detecting and suppressing forest fires.

"We are limited in the amount of funds available to put on new men because their pay comes from a portion of the \$2.50 the state receives for Hunting and Fishing licenses and the recent legislature kept that pegged so that we are 59th, or at the bottom of all states on fee charges," Foltz said.

Applicants for Conservation Officer must be 21 and not more

than 30, be 5 feet 9 inches tall, weigh 150 pounds, be a citizen and a resident of Indiana for at least a year.

All applicants will undergo a standardized aptitude test and physical examination, and top-tested qualified applicants will be considered for enrollment in the Conservation Officers Training School to be conducted in June, the Director said.

Trout Season Opens Today

Trout fishermen will find a bonus of big trout in northeastern Indiana trout streams when the season opens on Wednesday, May 1.

Over 980 rainbow trout ranging from one to three pounds in weight have been released. These trout were purchased from a commercial trout hatchery through the cooperation of the Indiana Department of Conservation and the Northeastern Indiana Trout Association.

These big trout were placed in the larger trout streams of Elkhart, LaGrange, Noble, and Steuben Counties. Over 42,000 rainbow and brook trout have also been released this spring in streams and lakes through the trout rearing program of the Indiana Department of Conservation.

Anglers will find sportsmen from Illinois, Ohio, and Michigan driving into Hoosierland to enjoy the good trout fishing. All Indiana fishermen are invited to share in the trout bonanza which will be at its peak during the month of May.

A free list of trout streams and lakes, as well as regulations, and fishing tips is available from the Division of Fish and Game, Room 605, State Office Building, Indianapolis 9, Indiana.

"Co-operating would solve most of our problems. For instance, freckles would be a nice coat of tan if they would get together." — E. M. Rensburg, Vista (Calif.) Press.

Loyalty Day To Be Observed By V.F.W. Ladies

The ladies of the V. F. W. Auxiliary of Culver will celebrate Loyalty Day, Saturday, May 4. In commemoration of that day they submit the following poem written by Commander-in-Chief Byron S. Gentry.

G I JOE

Born to independent freedom of his thinking and his ways;
With no military training in his school or working days,
He was thrust on moment's notice into war he didn't make —
Bitched and joked at situations regulations made him take.
What was "honorable profession, and the art of bearing arms,"
To the Germans and the British, was to him ideal for farms.
SNAFU, was the term he gave it, but he took it just the same,
Insubordinate by nature, he remained the way he came.
Thus they called him General Issue, just plain G I Joe, for short
As he shrugged at regulations and made discipline a sport;
Voiced his caustic observations without caring who might hear;
Viewed both officers and non-coms as a parson looks at beer,
Sergeants moved him to coin phrases which defy a writer's use;
While lieutenants were the object of his penchant for abuse,
Added to his native talents and the courage of his race,
Stubborn pride made him a soldier whom the Germans feared to face.
When the dawn parrage exploded its terrific missile shower,
Every G I cursed the "bastards who dared wake him at this hour"
When he learned his lines were severed, and his radios were jammed,
He accepted isolation with the comment "I'll be damned!"
At a far advanced command post, facing winter-quartered Huns —
Where intelligence reported but two horse-drawn heavy guns,
A G I surmised, with wisdom from his Country Uncle Seth,
"Christ! The Krauts are damned near working those two horses half
to death."
Where a small group manned machine guns in the midst of German
tanks —
Mowed down wave on wave of Germans from their endless charging
ranks:
"Take a breather!" called a German in good English, "We'll be
back!"
"Not unless you watch that traffic!" was a G I's answering crack
Thus the "brat who broke your window, and the "kid" who dunked
your cat;
Stuffed your paper down the drain pipe; or threw snowballs at your
hat
Called upon his love of mischief when his life was on the block —
Shrugged at hardship and disaster; laughed at battle's fearful shock.
Every ounce of him a Soldier — every inch of him a Man
When he fought your battle for you; ate with fingers from a can —
And the courage of his laughter dulled the panic of his fear —
When it came his turn for dying, he stepped up without a tear.

Two Local Art Teachers Attend Noted Convention

Two local art teachers, Mrs. Mary Allen, 670 West Shore Drive, Culver, who teaches art at Plymouth, and Helen Friesen, Culver art teacher, were among the 300 art educators and teachers who attended the annual convention of the Art Education Association of Indiana which was held in Bloomington April 19-20. Mrs. Allen was elected vice-president of the Association, and Robert Wadsworth of Terre Haute is president-elect.

The urgency of the convention was to focus and unify the purpose and importance of art in the school. Those attending the convention felt that the whole program of speeches, discussions, conversations, exhibits, and demonstrations were very worthwhile. The teachers left, inspired to make the purpose of art more felt in their communities. Following is a greatly summarized blend of the various speeches and conversations of the convention.

Art is important to everyone, not just to those pupils "talented" in art. Through working out

problems in art the child learns to answer situations in which there may be many possible "correct" answers. Art problems in which the outcome is predetermined (color sheets, copy work, etc.) do not serve this purpose.

Art is a qualitative structure in which the child, whether a first grader or a high school senior, develops his own symbols to reconstruct his environment. Through solving problems of this kind, the child achieves aesthetic enjoyment and a feeling of success that cannot in any way be measured.

Teachers of other subject areas, principals and parents should be involved in the art program. In some school situations art periods

are considered as the classroom teacher's "preparation period, or the art department is a dumping ground for those pupils who have little or no academic ability or desire. The teachers attending the discussions felt that the emphasis needed to be changed, so that any student taking art, whether academic or non academic, takes the subject to acquire an enriched outlook on life. Here again, no test can measure this value.

Art also serves as a tool of and is inherent in other school subjects, such as science, social studies, and history. So art is not a subject all by itself, but is a way of life that goes with civilization. A human being is the only animal capable of laughing at what is, weeping for what ought to be, and capable of reasoning with his surroundings to live for the future. Art is the visual expression of these things, and without the visual release and/or appreciation of these feelings, the human being suffers spiritual starvation.

Girl Scout News

Girl Scout Troop 143 held their regular meeting April 23 at St. Mary's of the Lake Catholic Church.

The meeting opened in the usual manner and then practice was held for the fly up of Brownies to Girl Scouts.

Notices were sent to the mothers concerning the Mothers' Tea to be held April 30 at 4 p.m. at the Catholic Church. The Girl Scout Cookies were received and deliveries are being made.

Refreshments were furnished by Velda Prosser and the meeting was closed.

PUBLICITY HANDBOOKS AVAILABLE FOR LOCAL ORGANIZATION CHAIRMEN

The Citizen has several copies of a Publicity Handbook, by The Sperry and Hutchinson Company, available for publicity chairmen of the various organizations if they will call at The Citizen office to pick up their copy.

This Handbook, a guide for publicity chairmen, was written for the men and women whose volunteer task it is to publicize the activities and projects of their clubs. It contains step by step directions for developing good publicity techniques both in writing and then channeling your club's news most effectively.

Academy Sports

When Culver Military Academy tennis coach C. C. "Ted" Clarno sized up this year's team a few weeks ago, he said he'd be surprised if the squad came up with a break-even season.

Today the tennis is coasting far ahead of the other spring athletic teams at the Academy with a 6-0 record, and Clarno acknowledges that perhaps he was slightly pessimistic in evaluating this year's squad.

"I'm pleased with the way things have gone," he says, "and our success is due mainly to some of the younger boys who have developed faster than we thought."

Latest victim of the Eagle net squad was Logansport, which felt

the full impact of a 9-0 Culver victory here Saturday. Culver not only blanked the squad but in three individual matches the Logansport players failed to win a game. It was the third shutout for the tennis team, which has been extended in only one match this season, a 4-3 triumph over Fort Wayne Concordia.

In other sports events this weekend, the golf team won two more in a triangular match over Griffith (12-3) and Northfield (15-0), the baseball team dropped a double-head to Greene Township, 10-9 and 4-2, and the crew finished out of the running in the tough West Virginia Centennial Regatta against two college freshman boats. The track team, defending its title in the Lime City Relays at Huntington, came in fourth.

The Academy linkmen ran

their record to 5-1 by whipping Griffith and Northfield. Griffith brought an 11-1 record to Culver and Northfield, which is just starting in the sport, was 2-3 before the match Saturday. Culver Captain Bob Hightower posted the low medal score with a seven-over-par 79.

Unearned runs cost the baseball squad its victory over Greene Township. Eight of the unearned came in the first game, and Greene Township had a big third inning when it scored eight runs. The visitors scored the winning two runs in the final inning of the second game.

At Parkersburg, W. Va., the crew ran into rough competition from freshman boats from Marietta (O.) College and Drexel Institute of Technology, Philadelphia. Placed in the heat with the college freshman crews because of its superior practice times, Culver finished third in a disputed

race over misplaced finish lines. But the Academy's commendable time of 5:34 for the mile course was far superior to that of any of the high school crews rowing in other heats.

In sports event Saturday, the baseball team faces St. John's Military in a 1:30 p.m. double-header here, the crew is host to Ecorse Boat Club of Detroit and Lincoln Park Boat Club of Chicago in a 1:30 p.m. race on Lake Maxinkuckee, while the golf and tennis teams are at Howe. The track team runs at Bremen in a 7 p.m. meet Friday.
