Marshall County 4-H Fair To Begin With A Parade

This year, for the first time, a parade will kick off the Marshall County 4-H Fair which will be held Aug. 5-10 at Argos. The parade, a special event, is being planned to commemorate the fact that this is the 25th year for the Fair to be staged at Argos.

Initial plans for the parade got underway when the parade committee met with representatives of the Township 4-H committees, Leaders and Junior Leaders in the courtroom of the Marshall County Courthouse.

Joe Gingerich, Argos, was elected 4-H coordinator.

In charge of staging the parade are Bruce Van Der Weele and Robert Shoemaker, both of Argos, who represent the American Legion.

Other members of the Parade committee are: Mrs. Arnold Florry of Tippecanoe, Mrs. Don Balsley of Bremen, Mrs. Richard Ringle of Argos, John Payne of Argos, Thomas Walker of Culver and Lewis Senff of Bremen.

The parade, which will precede the Firemen's Water Ball, will be held at 6 p.m., Monday, Aug. 5.

"4-H In Review" has been chosen as the parade theme. Mrs. Balsley will head the committee for the 4-H King and Queen who will be selected on a township basis.

Prizes will be awarded for the best entries in the parade.

Floats will be divided into two divisions, 4-H Floats and Open Class.

In the 4-H Float division the first prize will be \$35 and a trophy; the second prize, \$20 and a trophy and the third prize, \$15 and a trophy.

Each Township 4-H group is encouraged to have their own float in the above division. The 4-H Junior Leaders will also have a float of their own.

The Open Class Division is for other youth groups in the county. In this class the first prize will be \$25 and a trophy and the second prize will be a trophy.

Prizes will also be awarded for the best band marching units. \$25 and a trophy will be given for the first prize; \$15 for the second prize and \$10 for the third prize.

Anyone interested in having an entry in the parade should contact Bob Shoemaker, 121 Logan St., Argos, by July 20.

In event of rain the parade will be held Tuesday, Aug. 6.

It is hoped that the parade will become an annual affair.

SP/4 James P. (Phil) Sperry, son of Mr. and Mrs. James Sperry, 454 South Ohio St., Culver, is hospitalized in Germany following a recent accident which severely injured his right hand when it became caught in the fan blade of a motor. Phil, a member of the United States Army, has been stationed in Germany for the past 18 months, and would enjoy hearing from all his local friends, especially since he will be hospitalized for some time yet. Address correspondence to him as follows: SP/4 James P. Sperry 167-10-770, Surgical Ward E3A, 20th Station Hospital Nurnberg, APO 696, c/o Postmaster, New York, New York.

"We're all set for a soft landing, you understand, but we do hope the moon doesn't turn out to be made of cheese dip." — Louis Nelson Bowman, Tri-Country (King City, Mo.) News.

To Give Carillon Recitals In Four European Cities

MILFORD H. MYHRE

Carillon recitals in four European cities and one this month in St. Paul, Minn., will be given this summer by Milford H. Myhre, instructor in music at Culver Military Academy.

Myhre, a native of St. Edward, Nebr., has been organist and carillonneur at Culver since 1957 and is well known throughout the East and Midwest for recitals on both the organ and carillon.

Before leaving for Europe on June 20, Myhre will play a carillon recital and deliver a paper to the Guild of Carillonneurs in North America at its annual meeting June 16-19 in St. Paul. Myhre's recital will be played on the carillon at the House of Hope Presbyterian Church on June 16, and that evening he will deliver a paper to the Guild on the construction of carillon programs. He is vice-president of the Guild.

Cities in France, The Netherlands, and Belgium are included on his schedule of recitals in Europe. Most significant of four dates is Aug. 21 when Myhre plays a program in Nieuwpoort, Belgium, as part of the city's 800th anniversary of its founding. Myhre will also play in Tourcoing (Nord) France on June 30, Culemborg, The Netherlands, in the latter part of July, and Saint-Amand-Les-Eaux, (Nord) France on Aug. 18.

Myhre is familiar with European carillons having studied organ and carillon in France and Belgium. Following his graduation from the University of Nebraska, he attended the Royal Carillon School, Mechlin, Belgium, in 1953, and he studied organ at the studio of Andre Marchal, Paris, in 1955-56. He also attended the Sorbonne, Paris, in 1956.

Park Concerts To Start June 18

A program of light popular music will be presented by the Culver High School Senior Band Tuesday, June 18 at 7:30 p.m. in the Town Park at the basketball court.

Members of the audience will be invited to dance on several selections. Children and High School students are especially asked to attend this unusual park concert.

Richard O. Hambrook, band director, has selected the following numbers for your enjoyment: The National Anthem Sousa Thendara Overture Whitney Patricia Prado Port-au-Prince Wayne The Twist Ballard Grand Old Ivy Loesser Waves Of The Danube Waltz Selections Some Enchanted Evening Rogers & Hammerstein Cha Cha for Band Osner The Thunderer March Sousa

Jaycee Queen Contest Nears Count Down

Queen Will Be Crowned At Ball

The Jaycee Queen Contest is nearing the final run-off. The standings listed under the photos are as of Tuesday morning, June 11. The final count will be made at the First Annual Jaycee Ball, Saturday night, June 15, at the Culver Inn about 10:00 p.m. Votes may be cast up until that time. The girl winning the contest and crowned queen, will receive a \$200 scholarship; second runner-up, a \$100 U.S. savings bond; and third runner up, a \$50 U.S. Savings bond. Each girl will also receive a trophy.

The program for the ball, which is being sponsored by the Culver Junior Chamber of Commerce, is as follows: Dancing will start at 9:00 p.m. to the music of the Bob McFarland Combo; 10:15 the winner of the queen contest will be named; This will be followed by the giving away of the color TV set, followed by a buffet supper; dancing will then continue until 12:30. Ticket reservations for the ball can be made by calling Pat Hallinan, chairman, VI 2-3258.

Proceeds from the ball will be used by the Jaycees for community betterment. Some of the proposed activities include city park and beach improvement and a community survey.

(Photos and standings of the young lady contestants will be found on page 6.)

Culver Baseball Team Defeats Argos 8 to 7

By EARL MISHLER

Culver's baseball Indians successfully opened defense of their Marshall County summer baseball title last Thursday by defeating Argos on the local diamond, 8-7.

Dave Lemar's one-out single to center scored Sam Lowry from second base with the winning run off Dragon loser Bob Kimard. Lowry, whose double had tallied Paul White with the tying run, pitched 2-1/3 innings in relief to gain the victory. Junior right-hander Paul Liette started for Coach Gene Crosley's lads, but was knocked out in the fifth when Jerry Patton bombed a three-run homer.

Trailing 4-2 in the fifth, Lowry and Lemar each socked two-run singles for a 6-4 lead. But Patton's two-out triple tied the score in the seventh and Leland Cox's bloop single sent the visitors ahead, 7-6. White's single then started the winning rally.

Sophomore Andy Lowry also drove in two runs with a fourth inning double.

Monday night's scheduled game at West was rained out. Tomorrow night the champs play host to LaPaz, starting at 6 p.m. Culver batting:

	B	R	H	BI

Gala Strawberry Festival June 20 At Leiters Ford

The traditional Aubbeenaubee Township Strawberry Festival will be held at Leiters Ford, Thursday, June 20, at the school athletic field. The event, the 10th annual one, is expected to be attended by more than three thousand people.

There will be plenty of fun, eats and entertainment for the guests this year. A parade, bigger and better than ever, will wind its way from the starting point through the town and onto the athletic field. Prizes for the winning floats are \$50, first; \$25, second; \$15, third; and \$10, fourth. Besides the floats, the parade will include several marching units.

There will be rides for the youngsters and special prizes given away. This year two new attractions will be staged. A special prize will be given to the one coming the farthest distance and the square dance, which will last from 9 p.m. to midnight, in the school gym, will have live music.

The queen of the festival will be crowned by Miss Julia Jane Flannigan, the present Miss Indiana, Miss Flannigan is a Butler University Coed, from Lebanon. Young ladies, who are competing for the Queen of the Festival are: Christine Nelson, Judith Roe, Dani Master, Sandy Bulp, Ursula Szponar, Barbara Hunneshagen, Jeanne Cripe and Nancy Crill. The queen is chosen by the largest number of penny votes.

There will be games, entertainment, lots of food and drink and all the strawberries in every size and shape a person could desire.

The proceeds of the event will be used again this year, as in the past, to purchase needed fire and rescue equipment for the township volunteer fire department. This year's special goal is an ambulance. Emergency equipment for the ambulance has already been purchased from other festival proceeds. The firemen hope that enough money will be left over, after purchasing the ambulance, to add another portable water pump for use on grass fires.

If you have never attended this wholesome community get-together, do so. But we warn you if you do, you will return year after year to be part of this friendly affair.

William O. Osborn Named To CMA Board of Directors

WILLIAM O. OSBORN

William O. Osborn, president of the State Exchange Bank, Culver, and attorney for Culver Military Academy, has been named to the board of directors of The Culver Educational Foundation as an advisory member.

The appointment, announced by E. R. Culver, Jr., chairman of the board, marks nearly 60 years in which Osborn has served the Academy, the Foundation, and the Culver family.

Osborn first became associated with the school and the Culver family when, as a boy, he delivered newspapers to the family of the founder, Henry Harrison Culver, at the turn of the century. He became attorney for the Foundation 30 years ago and has taken an active part in many of the major developments as the Academy grew from an enrollment of 45 cadets in 1894 to its present enrollment of 850, largest boys' boarding school in the nation.

At the time the Academy was in its infancy Osborn also began his association with The State Exchange Bank. He became a cashier in 1906 and rose to president in 1951. He is also president of the bank's branch in Argos, president of the State Exchange Finance Company, and president of the Farmers State Bank, LaPaz.

The State Exchange Bank was started in 1901, with a capital of \$10,000 and resources of \$20,000 and since that time has grown, mostly under Osborn's leadership, to combined assets of more than \$23,000,000, exclusive of the Farmers Bank at LaPaz, which is operated under a separate corporation. Assets of the bank are extremely large for a town with a population of 1,600.

Hospital Notes

Harvey B. Bishop, Route 4, Plymouth, returned home Friday, May 31, after spending two months at the Veterans' Hospital in Fort Wayne where he underwent major surgery on May 16. Mr. Bishop is recuperating very satisfactorily.

"The opinions a man expresses at a party are often changed when he gets home." — George B. Bowra, Aztec (N.M.) Independent Review.

Honored At CMA Commencement Activities

One faculty member and five cadet residents of the Culver area were honored during recent commencement activities at Cul-Military Academy.

The faculty member honored is Assistant Dean John R. Mars, elected to membership in the Culver Chapter of the Cum Laude Society, a national organization dedicated to recognition of academic achievement. Dean Mars and Richard Freeman, New Orleans, La., joined 17 cadets and coed Kathryn Teach, also of Culver, in formal induction ceremonies into cum laude last week.

Dean Mars has been a member of the Culver faculty since 1941. He did his undergraduate work at Brown University and received masters degrees from Harvard University. He was also class president, an outstanding athlete, and the athlete with the highest academic average at Brown.

The five cadets honored were: Michael P. McCullough, grandson of Col. R. H. Shanks, North Terrace; Steven S. Piecuch, son of Mr. and Mrs. Stanley Piecuch, West Shore Drive; James Craig, son of Dean and Mrs. A. B. Craig, East Shore Drive; William Gleason, son of Lt. Col. and Mrs. Ronald Gleason, North Terrace; and William G. Osborn, son of Mr. and Mrs. Ralph A. Osborn Jr., State Street.

McCullough walked off with top honors from among a graduating class of 171. He won the Scholarship Medal as the student with the highest four-semester average during the last two years, and his average of 6.84 quality points was among the highest in recent years. McCullough, who will attend Harvard University next fall, was graduated cum laude with honors in English, German and Mathematics, and he won the Society of the 40 and 8 Medal for the senior with the highest ROTC grades during the third and fourth years.

Craig won the second John Henderson College Scholarship given by the Edward Arthur McFinger Foundation. Craig will attend Hanover (Ind.) College next fall. Piecuch, a new resident of Culver, shared the annual McDonald Watch award with Jay B. Ambrosini, Grosse Pointe Park, Mich., as the cadets who "exercised the greatest cultural influence with the corps," this year. The latter award is by vote of the faculty. Piecuch has won a scholarship to the University of Chicago.

During the presentation of military awards, Gleason was presented with the Association of the U.S. Army ROTC Medal as the junior cadet in the top 10 percent of his class in ROTC grades who has contributed the most through leadership to advancing the standing of the ROTC unit and the military department. Osborn received two awards during the commencement period. He was selected as the best new cadet in the Infantry and he was selected as the member of his ROTC class who shows the most outstanding leadership, military and academic, and who is deemed the best potential officer in his class.

Building Fund Discussed By School Board

Approximately 20 patrons attended the meeting of the Board of School Trustees of Culver Community Schools on Tuesday evening to participate in a discussion of a proposed Cumulative Building Fund levy. While no objections were expressed by patrons of Union and Aubbeenaubsee Townships, a number of North Bend residents spoke in opposition to the establishment of such a levy. Much of the objection to the levy was based on opposition to the consolidation of North Bend with the Culver Community Schools. A number of the objectors emphasized their feeling that their contributions to a school building program should be made on behalf of Knox's needs rather than those at Culver. Other patrons from North Bend who have children in the Culver School expressed their willingness to help pay for new facilities for Culver Community Schools in order to provide a quality program of education for their pupils.

During the discussion Board President Cedric White explained that the proposal to establish a Cumulative Building Fund was based upon recognition of the advisability of erecting a new high school within the next four or five years to serve the needs of from 350 to 400 high school pupils of the corporation. Mr. Vernie Bowen, the representative of Aubbeenaubsee Township on the Board of School Trustees, pointed out that the availability of funds raised by a Cumulative levy would make it unnecessary to pay interest on that part of the cost of a building program. This fact would make the long-range cost of a building program considerably less than it would have to be if part of the cost of a building would need to be raised by the use of a holding corporation. Actually the time during which a Cumulative Fund is being raised will result in an increase in the amount of the

Higher Benefits Possible Under Social Security Act

Increased social security benefits may be due retired workers who have had additional employment since their benefit was last figured, according to Cornelius R. Schafer, district manager of the Social Security Administration.

The Social Security Act permits refiguring a person's benefit under several different conditions. If refiguring a benefit results in a lower amount, the person's benefit is not reduced. If refiguring increases the amount, the increase usually is paid for a number of retroactive months.

If you have worked since your benefit was last figured and you would like to see if you are eligible for a higher benefit, fill in all the information in the box below and bring or mail it to the Social Security Office, 335 N. Lafayette Blvd., South Bend, Ind. You will be notified within a few weeks whether or not you are eligible for an increase in benefits.

AM I ELIGIBLE FOR AN INCREASE IN MY BENEFITS?

My Social Security number is: _____

I last worked on (date): _____

My signature: _____

My address: _____

My telephone number: _____

fund because of the accrued interest that will be earned during the period.

After all persons present were given an opportunity to express feelings regarding the proposal for the levy, the School Board continued its discussion of the matter. Following detailed consideration of the long-range building program, a resolution was adopted, requesting approval of the proposed 70¢ levy by the State Board of Tax Commissioners. It was agreed that the levy, if approved, could be lowered at the time that the budget for 1964 is published in August, if such a reduction seems advisable.

The remainder of the evening's business dealt with a review of needed maintenance work to be done during the summer at the Culver and Aubbeenaubsee buildings. Mr. McLane explained that an examination of the need for two storage areas in the Aubbeenaubsee building established the possibility that the maintenance staff of the school corporation could erect the walls needed to create such storage facilities in the lower hall of the building. Some of the work on furnaces and boilers probably will require services of contractors who are equipped to do that type of work.

ARTHUR HUGHES SERVES AS JUDGE IN NCTE PROGRAM

Arthur G. Hughes of Culver Military Academy, is serving as a judge in the 1963 National Council of Teachers of English Achievement Awards program. State judging committees, composed of English teachers from high schools and colleges, will evaluate the writing abilities and literary awareness of over 6,800 candidates.

Through the Achievement Awards program, now beginning its sixth year, the NCTE grants recognition to the nation's outstanding high school seniors for excellence in English. Recognition goes also to the English departments of high schools that have trained these students. NCTE will announce the finalists in December, 1963, and will send their names to every U.S. college and university with the recommendation that these students be considered for scholarship assistance.

The Achievement Awards competition is part of a comprehensive

Yacht Club News

By M. CLYNE

If the Tune-Up series is just a warm-up session for the summer regatta, we are going to have some exciting sailing in July and August!

The skippers of eight boats tested the fresh breeze as they jockeyed for a good starting position on the sparkling water. Pete Trone (T-88) crossed the line first and kept a good lead for two legs of the course. Ken Bateson (T-25) finally caught up with him and the two of them fought for first place until Ken pulled ahead around the third buoy.

Jerome Zecheil (T-21) overtook the lead boats and the three skippers had their crews out on the boards as they took advantage of the freshening wind. Ken Bateson gradually edged ahead and crossed the finish line well in front of Pete Trone who was followed by "Zeke." Wes Carr (T-124) took fourth place. It was a good race — and the skippers had rope burns to prove that "C" scow racing is boat plus skill plus hard work.

The final race in the Tune-Up series will start at 2 p.m., Sunday, June 16. Plans have been made for a new series of races to be held on Saturday afternoons, starting June 22. This regatta was planned primarily for those skippers who are new at racing, although it is open to all members of the Yacht Club.

Carbola DISINFECTING WHITE PAINT and new SUPER D DRY DUST

1. DISINFECTING WHITE PAINT. A durable bright white paint plus a powerful disinfectant. Kills germs, flies and other insects, with long-lasting disinfecting power — up to 90% fewer spider webs for 8 to 10 months. Non-flaking — in powder form. Just mix with water. (Carbola is not lime or whitewash.) Save work and money — paint and disinfect at same time with Carbola Disinfecting White Paint. Used by farmers everywhere since 1916.

2. NEW SUPER D DRY DUST. The first and only all-season Dry Dip, Litter Dust and Germicide! Use even during cold wet weather when liquids aren't practical. A bacteriostatic agent plus a deodorant, Super D controls ammonia odor by reducing growth of bacteria that break down urea in droppings. Super D also contains 2 effective pesticides, making it very effective against certain viruses plus insecticides for lice control. No other dry dip gives you the amazingly effective ingredients as in the New Super D Dust.

Get DOUBLE-BARRELED health protection for your flocks. Get Carbola Disinfecting White Paint and new Super D Dry Dust today!

Sally Medbourn and Charles Mott
Wed In St. Mary's Church Ceremony

MRS. CHARLES F. MOTT

St. Mary's of the Lake Church was the scene of a lovely wedding at 11 a.m. on Saturday, June 8, when Sally Anne Medbourn became the bride of Charles F. Mott of Urbana, Ohio.

The bride is the daughter of Mr. and Mrs. Samuel M. Medbourn, 694 East Shore Drive, Culver, and the bridegroom is the son of Mr. and Mrs. Charles L. Mott, Urbana, Ohio.

Rev. Joseph A. Lenk, pastor of the church, officiated at the double ring ceremony, and Mrs. Rose Strang, organist, played the nuptial music.

Given in marriage by her father, the bride was lovely in a gown of ivory taffeta Peau and re-embroidered Alencon lace. Panels of the lace fell from the waist on either side of the back into a chapel train. The bodice, trimmed with the re-embroidered lace, was fashioned with short sleeves and round neckline. Her headpiece was a Mantilla of ivory, trimmed in the matching lace of her gown. The bride carried a white orchid centered on a white Bible. Within the Bible she carried a handkerchief which had belonged to the great-great-grandmother of Mrs. Charles Mott and which had been carried by brides in the family down

through the generations.

Miss Susan Medbourn, sister of the bride, was maid of honor, and matron of honor was Mrs. Parker C. Bennett, Sikeston, Mo., cousin of the bride. Bridesmaids were Miss Mary Mott and Miss Teresa Mott of Urbana, sisters the bridegroom, and Miss Jane Childs of Morehouse, Mo., cousin of the bride. They wore street-length sheath dresses of silk organza over taffeta with floor-length over skirts to match in shades of soft pink over maize, and blue over green. Their picture hats of matching shades were trimmed in velvet with dainty flower arrangements at the back. They carried colonial bouquets of white daisies.

Norbert Mott, brother of the bridegroom, served as best man and ushers were Thomas and Joseph Mott, brothers of the bridegroom, George Bryan, Hans Schoellhammer, and Sam Medbourn, Jr., brother of the bride.

For her daughter's wedding Mrs. Medbourn chose a blue silk and chiffon suit with matching accessories. The bridegroom's mother was attired in a mint green linen suit with matching accessories. They each wore a corsage of sweetheart roses.

Immediately following the cer-

emony a reception was held at The Culver Inn for approximately 200 guests. Floral decorations were carried out in white and the punch table was centered with a white four-tiered cake topped with a miniature bride and bridegroom.

Following a short wedding trip to Lake Wappapello, Mo., the young couple will be at home in Bloomington, Ind., where the bridegroom will attend summer school at Indiana University. For going away the bride wore a powder blue silk suit, with white accessories, and an orchid corsage from her bridal bouquet.

The bride attended DePauw and New Mexico Universities and graduated from Indiana University in June, 1962. She taught at the Bi-National Center in Cali, Colombia, S.A. and since returning to the states has taught at Smithville, Ind., High School, in the language department. She is a member of the Tri-Delt Sorority. Mr. Mott graduated from the University of Dayton at Dayton, Ohio, and is doing graduate work at Indiana University where he has an associateship in the department of Economics.

Following the rehearsal Friday evening, Mr. and Mrs. Charles Mott entertained members of the wedding party at a buffet dinner at the Three Sisters Restaurant.

Culverites Attending
Federated Club Meeting
In Milwaukee

Mrs. George Phillips and Mrs. Wilber Taylor, accompanied by Mrs. C. R. Graham of Bourbon, are in Milwaukee, Wis., this week where they are attending the annual convention of the Federation of Woman's Clubs being held at the Schroeder Hotel.

On Monday they heard speeches by the Governor of Wisconsin and the president of the University of Wisconsin. Monday even-

ing they were entertained by Hildegard.

Today's program (Wednesday) features the Vice President of the United States, Lyndon B. Johnson, and the famous concert violinist, Mischa Elman.

The highlights of tomorrow's meeting will be a celebrity luncheon presenting the editor of "TV

Guide," who will be moderator of a panel including Pat Weaver, Raymond Burr, and Robert Young. Honored guests at this affair will be Billie Burke, Joan Crawford, and the astronauts and their families.

Friday morning's session will present Edward R. Murrow.

Miss Carol Cromley And Roy W. Olson, Jr. Exchange Wedding Vows

Miss Carol Cromley, daughter of Mr. and Mrs. Ira Cromley, W 20th B Road, Culver, and Roy W. Olson, Jr., son of Mr. and Mrs. Roy W. Olson, Sr., 1063 Foster Ave., Chicago, were united in marriage at 2:30 o'clock in the afternoon on Sunday, June 9, in the Culver Evangelical United Brethren Church.

Rev. Arthur Mathews of Chicago and Rev. Walter Chisholm, pastor of the Culver church, officiated at the double ring ceremony before the altar which was decorated with candelabra, palms, and small altar bouquets.

Louis Conradt of Princeton, Ill., organist, played the nuptial music and accompanied Gladys Lindberg of Skokie, Ill., who sang, "O Perfect Love," and "Oh, Jesus We Have Promised."

Given in marriage by her brother, Dale Cromley, the bride chose a floorlength gown of silk organza over taffeta fashioned with sprays of re-embroidered Alencon lace about the portrait neckline. The fitted bodice was accented with an organza bow and long sleeves. Sprays of lace and three bows adorned the side panel of the controlled skirt. A satin cap, edged with Alencon lace and trimmed with seed pearls, held her elbow-length veil which was fashioned with full layers of silk illusion. She carried a colonial bouquet of white carnations and red roses.

Miss Alice Cromley, sister of the bride, was maid of honor, and bridesmaids were Miss Joyce Burke of Hobart, Ind., and Mrs. Don St. Clair of Kewanna. They were attired in street-length gowns of American beauty rose organza over taffeta styled with fitted bodices, scooped necklines, and skirts with side detailing. They each wore a white pillbox hat with an American beauty rose veil and bow, and carried colonial bouquets of white pompons.

John Tahl of Chicago served as best man and ushers were Ken Gaydos of Niles, Ill., and John Cromley, brother of the bride.

For her daughter's wedding Mrs. Cromley chose a dark floral print dress with white accessories. Mrs. Olson wore a pastel blue dress with white accessories. Each mother wore a corsage of white carnations.

Immediately following the ceremony a reception was held in the church social rooms. American beauty rose bows adorned the white cover of the refreshment table which was centered with a four-tiered wedding cake topped with a miniature bride and groom.

Following their honeymoon at a cottage in Michigan the young couple will be at home at 1443 W. Berneau, Chicago. For going away the bride chose an aqua and white two-piece suit with white accessories and wore a red rose corsage from her bridal bouquet.

Out of town guests attending the wedding were from Greenville, S.C.; Princeton, Niles, Skokie, and Chicago, Ill.; Minneapolis, Minn.; Mishawaka, Hobart, Kewanna, Culver, and Rochester, Ind.

The bride is a graduate of Swedish Covenant Hospital and is now attending Moody Bible Institute. The bridegroom is a graduate of Wright Junior College, Moody Bible Institute, and Wheaton College. He will be employed for the summer in the office of the General Chemical Plant in Chicago, and in the fall will enter the School of Medical Technology at Memorial Hospital in Chicago.

Mr. and Mrs. Ira Cromley entertained at a wedding rehearsal dinner in their home Saturday evening for the members of the bridal party.

Tri Kappa Changes Meeting To July 1

The regular monthly meeting of the Tri Kappa Sorority, scheduled for Monday, June 17, is being postponed until Monday, July 1, at 8 p.m. in the home of Mrs. Walter Muehlhausen at 2002 East Shore Drive.

Assisting hostesses will be Mrs. Russell R. Hippensteel, Mrs. Robert Curtis, Mrs. Joseph Clyne, and Mrs. Walker Winslow.

Santa Anna

By Mrs. Guy Keppler

The congregations of the Hubbard and Burr Oak E.U.B. Churches gave a potluck supper in honor of Rev. and Mrs. L. R. McKinley Sunday evening in the Burr Oak E.U.B. Annex. There were 35 present. Reverend and Mrs. McKinley received an electric fan.

Monday guests of Mr and Mrs. R. D. Rogers, Gary, and Mark were Miss Tena Himes and Terry Wallace of Plymouth.

Weekend guests of Mr. and Mrs. Arthur Prosser, Russell, Laurel, and Velda were Mr. and Mrs. John Matiya and family of Morkham, Ill., and Miss Betty Prosser of Berwyn, Ill.

Mrs. Norman Dittmire left Saturday morning for Columbus, Ga., where she will visit her husband.

Mr. and Mrs. Lewis Jones, Mildred, and Jim attended the open house at the Associate Building Sunday.

Mr. and Mrs. Arthur Prosser, Russell, Laurel, and Velda, Mrs. Lewis Jones, and Mildred attended the graduation of Louis and Louise Hoover at South Bend's John Adams High School Wednesday evening and the reception in the Hoover home at River Park.

Friday morning guests of Mr. and Mrs. Wallace King and Sharon were Henry Kirk, Sr., and Henry Kirk Jr. of Chicago.

Mrs. Neal Shock visited Sunday with Mr. and Mrs. Clarence Rhodebeck and Mrs. Marie Grandford at Walkerton.

Mrs. William H. Gold of Gypsum, Colo., was the houseguest of her nephew, Robert McFarland, Mrs. McFarland, Mike, and Randy last week.

There will be Ladies Aid all day Thursday at the home of Mrs. Betty Overmyer, Route 2, Culver.

Friday evening dinner guests of Mr. and Mrs. R. D. Rogers, Gary and Mark, were Mr. and Mrs. Wayne Bishop of Burr Oak.

Mrs. Martha Vorets, and Mrs. Cleo Carrothers attended a breakfast party at the home of Mrs. Carol Miller, Route 3, Plymouth, Tuesday morning, June 4. Other guests were Mrs. Gladys Lehman, Mrs. Wanda Tripled and children, Mrs. Shirley Nifong and daughter, Mrs. Helen Lute and son, Mrs. Catherine Snyder, all of Plymouth, Mrs. Grace Miller, and Mrs. Opal Shock and children of Culver. Contests were held and prizes won by Mrs. Miller, Mrs. Shock, Mrs. Nifong, and Mrs. Carrothers. Refreshments were served.

Mr. and Mrs. Lloyd Maxson entertained the following guests Sunday in their home in honor of

Mr. Maxson's mother, Mrs. Laura Maxson, of Plymouth; Mr. and Mrs. William Bolenbaugh of LaPorte; Mr. and Mrs. Frank Holloway and son, Larry, Dick Clouse, Ronnie Epich, Mr. and Mrs. Aaron Maxson, Mr. and Mrs. Lloyd Finney, Mr. and Mrs. Porter Whaley, and Mr. and Mrs. Bill Whaley and family all of Plymouth; Miss Anna Humes and brother, Ronnie, of Route 2, Cul-

ver; and Mr. and Mrs. Raymond Kuchel, Mr. and Mrs. Lowell Maxson, Linda and Jim of Route 2, Knox. Mrs. Maxson received many nice gifts.

Mr. and Mrs. Floyd Carrothers were Sunday guests of Mr. and Mrs. T. J. Piper of Route 1, Plymouth. Mrs. W. D. Crossgrove and Cynthia Lynn of Plymouth called in the afternoon.

DISINFECTING
WHITE PAINT
and new
SUPER D DRY DUST

1. DISINFECTING WHITE PAINT. A double bright white paint plus a powerful disinfectant. Kills germs, flies and other insects, with long-lasting disinfecting power — up to 50% fewer spots, stains, for 3 to 10 months. Non-flaking — in powder form. Just mix with water. (Carbola is not lime or whitewash.) Save work and money — paint and disinfect at same time with Carbola Disinfecting White Paint. Used by farmers everywhere since 1946.

2. NEW SUPER D DRY DUST. The first and only all-season Dry Dip, Litter Dust and Germicide! Use even during cold wet weather when liquids aren't practical. A bacteriostatic agent plus a desiccant, Super D carbols ammonia odor by reducing growth of bacteria that break down urea in droppings. Super D also contains 2 effective germicides, making it very effective against certain viruses, plus insecticides for lice control. No other dry dip gives you the amazingly effective ingredients as in the New Super D Dust.

Get DOUBLE-BARRELED health protection for your flocks. Get Carbola Disinfecting White Paint and new Super D Dry Dust today!

THE CULVER PRESS, Inc.
Citizen Bldg. — CULVER

By DAVID KELLY, Troop Scribe

Twenty-eight Boy Scouts attended the Camp-O-Ree at Myers Lake Scout Reservation on Friday and Saturday, June 7 and 8. Steve Bocoek and Fletcher Mattox were inducted into the Order of the Arrow at the Friday night campfire and took their ordeal during Saturday. The four patrols received blue ribbons for their excellence in Scouting skills.

Thirty Scouts attended the June 10 meeting with the Panther Patrol conducting the opening ceremony. Long-term camp preparation was discussed by the leaders. "British Bulldog" was the closing game and the meeting was closed with the Scout Benediction. The following Scouts went before the Board of Review and advanced in rank: Steve Bocoek and Steve Kelly — Life and Jeff Adams and Terry Powers — First Class.

Members who are going on the canoe trip to Canada are to meet at the Methodist Church at 7 p.m. on Thursday to pack for the trip. We will meet at 6 a.m. on Saturday morning to leave on the trip.

Members who are attending summer camp at Camp Tamarack in Michigan are to meet at the Methodist Church with their gear at 12 noon on Sunday to leave for camp. Camp will dismiss at 2 p.m. on Saturday, June 22.

There will be no meetings of Troop 290 until Monday, July 1, because of summer camp and the canoe trip.

TO ATTEND PRINCETON SUMMER INSTITUTE

Ray C. Jurgensen of Culver Military Academy will attend a six-week program for teachers of mathematics in secondary schools, as well as in teacher-training colleges, which will be conducted by the Summer Institute Program at Princeton University. This program, held for the fifth straight year, will commence on June 24 and conclude on Aug. 2.

Under the sponsorship of the National Science Foundation, it is expressly designed to stimulate teachers of superior ability and initiative who will be able to give leadership, in their own institutions, for in-service or pre-service training of secondary school mathematics teachers.

"Children certainly grow up fast. Before you know it, the little girl in the frilly organdy dress is a grown woman in blue jeans."

— Harold S. May, Florence (Ala.) Herald.

News Items About Our Academy Neighbors

(Culled from the May Issue of the CMA Messenger)

Six faculty members, with wives and families bringing the number to 11, are Europe-bound sometime during the summer. . . Bob, Frances, and Susan Bolton, already in Europe, report from Paris that they're having a wonderful time, and everyone, including the car, which had second thoughts about the journey before they left, is doing well. They will be home before the rest of the crew leave here. . . Milford Myhre and Al Bunner will see Central Europe (plan as of May 1st!) from a rented panel truck which will be their home-away-from-home from the end of June to the first of September-if the funds hold out. . . Ruth and Dr. George Johnson are fulfilling a long-standing desire to see Europe and are sailing Aug. 29 on the "Empress of Canada" toward England and the Continent. Arrangements are being made for individual motorbus tours, rather than one fast-moving tour, of the Continent. They will board a Greek ship for a Mediterranean cruise then will be picked up by the "U.S.S. Independence" in Naples, and head for home, Nov. 22. Needless to say, they are thrilled! . . . A plane will take John and Mary Edgell to Iceland, where they will spend four or five days and then fly on to Oslo to begin a tour of Scandinavian countries, including a trip down

the Norwegian fjords. From Sweden their itinerary takes them on south to Germany where they pick up their car and continue rolling along to the Mediterranean, which they will cruise, 'round and about, perhaps paying a call on the Walkers — where ever they may be! Somewhere along the way the Edgells will visit England — John Hartley may expect them to call — and by mid-January they hope to catch a ship headed this way from Gibraltar. . . It's almost unnecessary to say that Tom, Charlotte, Craig and Wendy Walker will be in Greece, where for a year, Tom will be teaching English as a foreign language! The Walkers don't know the when, where and how as yet, but are attempting to learn Greek, anyhow, which may account for some of their peculiar expressions these days! . . . Brian Jones is riding East with Eric Anderson and will spend a few days in New England before enplaning for Old England, and a summer at home in Chesterfield. He'll return in the Fall.

The Naval Academy at Annapolis was the scene, April 21, of the wedding of Kay Covington and Lt. (j.g.) Charles Edward Thomas, of Los Angeles. Carolyn was her sister's maid of honor, and of course Bill gave the bride away. After the wedding Peggy and Bill gave a dinner and reception at the Officers' Club at Bowling AFB, near Washington. "Chuck" will be in the States, at Newport News, for two or three months while the newly-commissioned nuclear-powered submarine Thomas Jefferson, to which he has been assigned, is being readied for sea duty. During this time the newly-weds have rented a house in Newport News, but later, when the ship is readied, its Stateside home base will be New London, Conn., where they will set up permanent quarters. Its European base will be in Scotland. Their present address is 52 Cavalier Road, Newport News, Va. . . After a gay flurry of parties and the beautiful wedding of their son, Wally, to Miss Judith Mary Troike on April 27, Maj. Lou Stone and Mary are recuperating and visiting friends in Chicago. The young couple have returned from their honeymoon and are at the Stone's cottage for a few days.

A grand tour of the family brought Milford Myhre's parents,

Mr. and Mrs. I. H. Myhre, here to visit him for a week from St. Edward, Neb. After enjoying the spring view along the East Shore they went to Minneapolis to visit Milford's sister and then back home, sightseeing along the way. . . Mrs. Bess Patten, Tom Walker's aunt, from Los Angeles, is visiting Tom and family until Commencement, and helping in the preparations for the up-coming jaunt to Greece. . . Jane Matson, leaving Bob and the boys to "batch it" for the weekend, visited her parents in Cleveland the end of April. . . Mrs. Leigh "Shotty" Gignilliat, Jr., was Margaret Elliott's house guest when she was here for the Troike-Stone wedding. Other guests to the wedding, Mr. and Mrs. Charles R. Leetz and their son John, a Culver alumnus, were house guests of Betty and Charley Maull. . . Kathy Teach has won a two-week scholarship to I.U. this summer. She will be studying and observing treatment of retardation and speech therapy. . . Oh, there's happiness in the Ortmeier household these days! The reason is that Lore's mother, Mrs. Bertha Koop, of Maulbronn, Wuerttemberg, near Stuttgart, Germany, has flown to Culver for a few months' visit. . . Nancy and Harvey Firari and the children spent part of spring vacation visiting the Pete DeTroys in Oak Park, Ill. They report that the family is flourishing and that, though

another month remains before definite results of Gregory's eye injury will be known, it appears he is doing well.

The Dining Hall welcomes Vera Tweedie, prep room supervisor; J. B. Miller, swing shift man; Howard Justice and Donald Baker, dish pantry. . . Mrs. Eettie Edwards, of Baltimore, Md., is visiting Mr. and Mrs. Harold Scott for a few weeks. Mrs. Edwards is the mother of Mrs. Scott.

The Inn has a marvelous new cook named George Plumber from Donaldson. . . Irene Crum went on a short fishing trip and came back with not only lots of fish but a sunburn. . . Stella Beerwart has come back to work in our Bake Shop. . . Nancy Franz is working in the Shack and Ann Reppe and Helen Norman have joined the Housekeeping Crew. . . Marion Sutch and her family are moving to California next month.

H. B. Bishop, former employee of CMA, underwent surgery the week of May 1. "Bish" is at the Veteran's Hospital at Ft. Wayne, Room 3 - No. 526.

A Detachment party was held May 29 at the Three Sisters Restaurant to honor Col. and Mrs. Van Dusen and Master Sergeant and Mrs. Bocock. Both service members will depart for Korea in

July while Mrs. Van Dusen will move to Indianapolis and Mrs. Bocock will stay in Culver and keep the home fires burning. A replacement for Sergeant Bocock is expected in this summer. His name is Sergeant Claud Day-enport coming here from Hawaii. . . Summer plans for the detachment include ROTC Summer Camp at Fort Riley, Kan., from June 5 to Aug. 1 for Major Prouty, while Mrs. Prouty will attend classes at the University of Massachusetts during the summer and live at her home in South Hadley, Mass. Leslie Prouty will accompany her while Douglas will attend Woodcraft Camp here. . . Captain and Mrs. Lo Re will remain here taking leaves before and after Summer School. . . All the enlisted personnel will be taking leave during the month of June with the exception of MSgt. Westcott who is slated in August. . . Alma Densmore will be working at the Naval Building again this summer.

Margaret and Lester Kimmel were among those who helped celebrate the eighty-fourth birthday of Margaret's mother, Mrs. Charles Overmyer, at the home of Mr. and Mrs. W. Stokes of Mishawaka.

Boyd Montgomery is now working in the stables.

Mrs. Charles E. Glass returned Sunday to her home in Fort Wayne after visiting her daughter, Mrs. Chester W. Cleveland. Mrs. Glass spent last week visiting in Plymouth at the home of her brother-in-law, Harry Lackey, and her niece, Mrs. John Murphy.

Mrs. E. E. Zechiel returned to Culver last Tuesday after spending several weeks with her daughter and husband, Dr. and Mrs. Marion Sulzberger at Washington, D.C. They also spent a week in New York City.

Mrs. Urban Grotter flew to Fort Myers, Fla. on Tuesday, June 4, to be with her mother, Mrs. Fred J. Hoge, who is critically ill.

Mr. and Mrs. Clarence Kline, 11 Venetian Village, Culver, have returned home after spending several days last week with the latter's sister, Mrs. Al Kowecki, and Mr. Kowecki of Grand Rapids, Mich. While there they attended the Wednesday, June 5, commencement of their nephew, Tom, at St. Joseph Seminary.

Mrs. Margaret McDonald and daughters and Mr. and Mrs. Chester Davis attended the Sunday reunion of the William Mc-

Legion Clubhouse on State Road 10. There were 58 present.

Mr. and Mrs. Shelton Kaiser and Elaine have returned home after spending last week with Mrs. Kaiser's parents, Mr. and Mrs. Rolla Crum, at Bloomington, and with Mr. and Mrs. Wilbur Kaiser and family at Orleans.

Mr. and Mrs. Fred Adams and Dr. and Mrs. John Oldham left Saturday to vacation in Florida. Mrs. Adams' mother, Mrs. J. H. Prather of Palestine, Ill., is staying at the Adams home with the children during their absence.

Senior Livewires Plan Hayride For Friday, June 28

The Senior Livewires held their sixth meeting at the home of Andrea Siple on Monday, June 10. Pledges to the flags were given by Patty Overmyer and Paul White. Ten members were present.

For a money-making project, a hayride will be held Friday, June 28, at 8 p.m. which will start at the school building. Refreshments will be served after the hayride which ends at 12 midnight. The cost will be 75 cents per couple or 50 cents per person.

The meeting was adjourned by the president, Mike Overmyer, and refreshments were served.

Highlights of Culver News
of 10, 20, 30, 40, and 50
Years Ago This Week

JUNE 10, 1953—

David Michael Tittle, three-day-old son of Rev. and Mrs. Maynard G. Tittle, died Friday at a Columbia City Hospital.

Harold Sering, Culver High School coach for the past eight years, has resigned his local post to accept a basketball coaching position at New Haven, Ind.

Deane E. Walker, United States collector of customs for Indiana since April, 1951, has resigned from the post.

Andrea Kay Gunder, infant daughter of Mr. and Mrs. Richard L. Gunder, died Monday evening at Parkview Hospital in Plymouth a few hours after birth.

Plans are underway at Leiters Ford for the fifth annual Strawberry Festival set for June 18.

Peter Trone writes to his parents under dates of June 1 and 2 of his experience of witnessing first hand the Coronation of England's Queen Elizabeth.

Miss Victoria Ann Wynn and J. Bryce Bigley repeat marriage vows in a June 6 ceremony.

A/IC John W. Baker, son of Mr. and Mrs. Cecil Baker of Culver, has been highly honored by being chosen "Wing Airman of the Month of the 51st Fighter Interceptor Wing."

JUNE 16, 1943—

Miss Ellen Bates, daughter of Major and Mrs. F. W. Bates, received the degree of bachelor of arts at the University of Michigan.

Miss Sally O'Callaghan plans to go overseas with the American Red Cross.

Mr. and Mrs. S. W. Hopper are the parents of a daughter, Sharon Ann.

Miss Bernice Bernhard and Sgt. Raymond Kerr were united in marriage June 13.

The consumer may apply for home canning sugar beginning Monday, June 21, for the balance of the year. Twenty-five pounds per person per year is the maximum amount allowable for canning purposes.

The Moore Engineering Co. is moving its machine shop from Plymouth to the building formerly occupied by the Lake Shore Garage.

JUNE 14, 1933—

Raymond T. Burton, member of Jack Crawford's orchestra, was drowned last Wednesday in Lake Maxinkuckee.

The L. R. Easterday home was damaged by fire on Saturday evening.

A community service corps has been organized by 85 citizens to carry on all types of emergency work.

Arthur Reinhold of Monterey was critically injured in an automobile accident on Saturday night.

The members of the CHS senior class left early Monday for a two-day visit to the Century of Progress at Chicago.

The defense attorneys for the bank bandits' trial are asking for separate trials.

A rain and strong cooling winds Sunday night broke the heat wave that had had the community in its grasp for eight days.

JUNE 13, 1923—

A system of uniform state road signs has been worked out and adopted by the Indiana State Highway department.

George Rollins is fathering a community picnic to be held on the Academy grounds next Monday.

Arthur and Carl Castleman of Mishawaka are handling the Med-bourn ice in South Bend and Mishawaka.

Liberal contributions made by Culver businessmen have made it possible to engage Captain O'Callaghan's Culver Band for weekly summer concerts.

JUNE 19, 1913—

Sherman Overmyer, living south of Leiters Ford, was seriously injured in a runaway accident last Thursday morning.

Fred Kunn Jr. of Plymouth and Miss Nellie Fife of Bartlesville, Okla., were married last week.

Considerable corn was killed by the freeze of 10 days ago. Apples, particularly the winter varieties, are said to be dropping in large numbers.

Marion Jones and his wife were the victims of a short but eventful runaway while driving into town Thursday evening.

The county auditor paid out \$900 Monday for about 480 woodchuck scalps.

Mont Foss has traded his Ford runabout for a Flanders touring car.

Will Osborn has a new Ford touring car.

Willard Hissong, 48 years of age, suffered a sudden mental breakdown Saturday evening.

W. O. Osborn is the new member of the school board to succeed J. O. Ferrier.

Do not forget Sunday School services each Sunday at 10 a.m. Attendance last Sunday was 63. Paul Lewis of Richland Center was the guest speaker Sunday morning in the absence of the pastor.

Mr. and Mrs. Wayne Kline and Mr. and Mrs. Robert Kline attended the final session of the Annual Conference at Purdue Sunday. The pastor, Rev. Beckner, was ordained to Elder's orders at the ordination service Sunday afternoon. Mrs. Wayne Kline served as delegate for the local circuit last week.

The regular meeting of the W.S.C.S. was held in the Guy Davis home Wednesday afternoon. Plans are being made for the Homemade Ice Cream supper to be held at this place on Saturday evening, June 29. The local ladies are cooperating in the Annual Strawberry Festival at Leiters Ford June 20. The church is preparing a float to enter in the parade.

A surprise dinner party was staged for Mr. and Mrs. Guy Davis in honor of their 45th wedding anniversary which will occur on Friday, June 14. The occasion was held at the Three Sisters Restaurant near Culver. Those present were: Mr. and Mrs. Paul Mathias and son Richard of Bloomington, Ill.; Mr. and Mrs. Norman Davis of Argos; Mr. and Mrs. Emery Davis of South Bend; Mr. and Mrs. Dale Davis; Mr. and

Mrs. Don Davis, Ned, Diane and Kent and Mr. and Mrs. Eldon Davis, Paul and Eldonna. A son, Harold Davis and family of Lansing, Mich. were unable to attend.

The Misses Lynn Shumaker and Norma Leavitt of Indianapolis were guests in the home of the former's aunt, Mrs. Guy Davis and Mr. Davis during the Commencement activities at the Academy last week. On Friday, Mr. and Mrs. Davis, Ned and Diane Davis, motored to Indianapolis and attended the commencement of the Tudor Hall School held at the Second Presbyterian Church. Following the service they were guests in the Shumaker home.

RECEIVE NATIONAL GUARD PROMOTIONS

Monza Spyder Convertible

Monza Spyder Club Coupe

Come hill...

or high water

Vacations go smoother in a Chevrolet Corvair

Bring on those mountains! They're not so high and mighty when you've got Corvair's gummy six and rear-engine traction working on them.

You scurry up the meanest grades. You move with sure-footed agility on wet pavement, muddy lanes, gravel and other would-be miseries.

And with most of Corvair's weight on the rear wheels, you have easy steering, too. Fact is, the handling's so light and responsive we don't even offer power steering for the car.

And there's more to feel good about. No problems with your radiator boiling

over or going dry, because there's no radiator. Corvair's engine is air cooled. No concern about brake adjustments, either, because the brakes adjust themselves. Nothing much to think about at all except the good time you're having.

Like to do that in a sporty bucket-seated Monza Club Coupe or Convertible? Like to spring into summer with a 4-speed stick shift* and Spyder package* with its 150-hp Turbocharged engine? Your dealer's got just the Corvair and the Trade 'N' Travel deal on it to put you in a holiday mood.

DISINFECTING
WHITE PAINT
and new
SUPER D DRY DUST

1. DISINFECTING WHITE PAINT. A durable bright white paint plus a powerful disinfectant! Kills germs, flies and other insects, with long-lasting disinfecting power — up to 90% fewer spider webs for 6 to 10 months. Non-flaking — in powder form. Just mix with water. (Carbola is not lime or whitewash.) Save work and money — paint and disinfect at same time with Carbola Disinfecting White Paint. Used by farmers everywhere since 1916.

2. NEW SUPER D DRY DUST. The first and only all-season Dry Dip, Litter Dust and Germicide! Use even during cold wet weather when liquids aren't practical. A bacteriostatic agent plus a deodorant, Super D controls ammonia odor by reducing growth of bacteria that break down urea in droppings. Super D also contains 2 effective germicides, making it very effective against certain viruses plus insecticides for lice control. No other dry dip gives you the amazingly effective ingredients as in the New Super D Dust.

Get DOUBLE-BARRELED health protection for your flocks. Get Carbola Disinfecting White Paint and new Super D Dry Dust today!

Babson Concludes Inflation Series

Careful Investment Defeats Inflation

Babson Park, Mass. — Let me repeat: Inflation is a very tricky word. Most natural resources

Roger W. Babson

which I have mentioned in this column the past few weeks are helped by inflation. However, most railroads, public utilities, and corporations whose income is largely fixed by government and state commissions are handicapped by inflation. Therefore, wise investors should balance their portfolios so they will not be hurt — whether inflation comes or not. Personally, with the constantly growing government debt, I think the U.S. is headed for inflation; but it will come about gradually. If, however, speculators temporarily run up stock prices too soon in advance, beware of a market collapse to follow. Also, readers should remember cost of taxes when buying timber or other real estate.

Timberland Is A Good Investment

The primary asset of the paper industry is the millions of acres of land and growing timber they own. Most of the timber properties lie in remote regions of the U.S. and Canada. Timber growth is not circumscribed by union

regulations with regard to productivity and length of work week. The trees do not require holidays, vacations, coffeebreaks, and the myriad of other fringe benefits. Labor costs are a relatively small proportion of total costs. Book values of these companies are generally understated in relation to realistic timber values.

St. Regis Paper Company owns or controls over 5 million acres of timberland in the U.S. and Canada. It is a highly integrated producer of many products, including kraft and wrapping papers, containers, printing paper, pulp, lumber, and even packaging machinery.

Kimberly-Clark Corporation is the largest producer of cellulose wadding, and is a leading manufacturer of book and printing paper, napkins and towels, and cigarette and other specialty paper. Its affiliated companies produce newsprint. Kimberly is a highly integrated organization and controls some 11 million acres of timberland in the U.S. and Canada.

Favorites Among The Papers

The largest American manufacturer of newsprint is Great Northern Paper Company. Company's mills and some 2 1/4 million acres of timberland are concentrated in the state of Maine. While world-wide excess capacity in newsprint production has created problems, company has expanded modernized facilities and is placing increasing emphasis on specialty papers.

Scott Paper is heavily concentrated in the consumer-goods field, as an important producer of tissue, napkins, towels, wax paper, etc. Aggressive advertising and promotion have made Scott a leading brand name. Company owns valuable timberland (it is

self-sufficient in pulp requirement); and has a wonderful retail distributing organization.

Plywood Industry Is Growing

Despite intense competition in the plywood field, the growth of U.S. Plywood Corporation has been remarkable. Because of its wide distributing facilities throughout the U.S. and Canada, company is considered to be more of a seller than a manufacturer. In addition to distributing plywood, it sells doors and other timber products to the building trades. It maintains extensive timber stands on the West Coast, in New England, various South Atlantic states, and Canada.

The largest expense in house building today is labor. Plywood manufacturers are doing much to reduce labor costs. Another development to accomplish the same end is the building of "shell" homes, which my friend Jim Walters of Tampa originated.

Message To Readers

May I end with a message sent me by a famous Turkish Missionary. (Turkey could be a great battleground between Russia and the West. It holds the key to the Mediterranean Sea and the Near East oil lands.) Her message was: The world is full of both opportunities and problems for everyone to think about for years to come. I suppose I am an incurable optimist; because I believe so firmly that "This is my Father's world. O let me ne'er forget that though the wrong seems oft so strong, God is the Ruler yet!"

Though nations are uprising and battles rage fiercely all over the world, let us put our faith in our Captain, who is bound to win in the end. This especially applies to Cuba.

WHO'S AHEAD? — The five-year-old son of Richard W. Guthrie, speaker of the Indiana House of Representatives, was as puzzled as some grownups by the goings-on at the General Assembly session. The speaker's son, James, accompanied by his grandmother, Mrs. Wayne Guthrie, watched a House session for a while and then whispered to Mrs. Guthrie, "Who's winning?"

It Pays To Advertise

Monterey

By Mrs. Dollie Posthuma

Mrs. Carl Daniels and family of South Bend, and Miss Florence Faulstich, also of South Bend, were weekend guests of Mrs. Ruth Daniels.

Mrs. Daniels and family left Monday morning for Hollywood, Fla., where they will join Mr. Daniels and make their home.

Mr. and Mrs. Michael Faulstich and Anne of Plymouth were Monday guests of Mr. and Mrs. Lawrence Faulstich and celebrated Mike's birthday.

Mr. and Mrs. Howard Carlisle of Plymouth were weekend guests of Mr. and Mrs. Valentine Reinhold.

Miss Patty Hartman and John Durwalski of South Bend visited Friday evening with Mr. and Mrs. Winfred Hartman.

Guests Sunday afternoon of Mrs. Esther Miller were Mr. and Mrs. John Flagg of North Judson, and Mr. and Mrs. Arthur Olson of Winamac.

Mr. and Mrs. James Heilman of Hammond and Mr. and Mrs. Arch Wright of Palm Harbor, Fla., were Wednesday guests of Mr. and Mrs. Charles Good.

Mrs. Doris Keitzer, and Mrs. Phil Keller and Marsha visited relatives Monday at Logansport.

Mrs. Keitzer left Tuesday to visit relatives at Decatur, Ind.

Mr. and Mrs. Lloyd Overmyer and family were Sunday guests of Mr. and Mrs. Duane Downhour at Onward. Cindy and Kay Downhour returned home with the Overmyers to visit a few days.

Mrs. Dollie Posthuma and Mrs. Mildred Keller visited Saturday with Jerry Keller at Williamsport. Sunday evening Mr. and Mrs. Steve Pugh and family visited with Mr. and Mrs. Harold Posthuma.

The Silver Shoe Saddle Club will hold their horse show Sunday, June 16, at the Jog-Way farm, beginning at 10:30 a.m. Everyone is invited.

CHECK KITED — After a wind storm swept into northern Indiana, King D. Hester, a Marshall County farmer, found in his pasture a \$15 check written on the First Trust and Savings Bank of Kankakee, Ill. The check had been paid and returned to its writer, Alvin E. Palmer, whose address, as shown on the check, is Route 2, Kankakee. The wind apparently had wafted the check some 80 miles from the Palmer home to Hester's pasture. Hester took the check to The Culver Citizen office at Culver and eventually it was returned to Palmer. Despite its long flight the check was in perfect condition.

JOHN A. CLEVELAND, Business Manager
 W. L. THOMPSON, Editor
 MARJORIE FERRIER, Assistant Editor
 MARGARET McDONALD, Assistant Editor
 DALE DAVIS, Printing Superintendent

Culver Visitor
 3936 Iowa St.
 San Diego 4, Calif.

Editor CITIZEN:
 After leaving San Diego April 12 and traveling for 46 days I returned home May 29.

On May 16 I arrived in Culver and spent three happy days, visiting relatives and friends.

Friday, May 17, it rained all day, curtailing some of my visiting, but on this day I was privileged to meet John A. Cleveland and W. A. Thompson, business manager, and editor of the Culver Citizen. It was a pleasure to meet these gentlemen and talk over what to expect of a paper, such as The Culver Citizen, and how to obtain the same.

Relatives were kind to me and a special thank you goes to Donald Osborn and wife for transporting me to different places.

Because of the brief time spent in and around Culver, much of the visiting was done on the phone.

One night was spent in the beautiful Glen Snyder home, and two nights in the Donald Osborn home, where the David Osborn and Glen Osborn families were in for visiting.

One evening was spent in the W. O. Osborn home. Don't think it would be amiss to say "Mr. Osborn is first citizen of Culver." His hair is more gray, but otherwise he is about the same W. O. Osborn, as of 50 years ago.

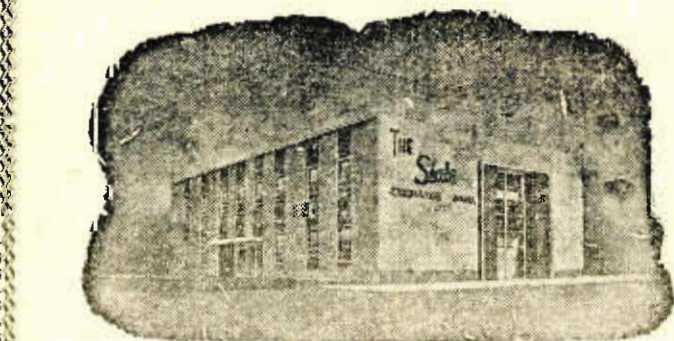

I have prided myself on looking, acting and feeling young for my years, have drank from Ponce de Leon's fountain of youth in St. Augustine, Fla., but after all this I would like to know Mrs. A. N. Butler's secret of appearing so young.

Just some thoughts of Culver and people.

WILLIAM J. SMITH

A2/C Donovan Osborn and A2/C Ronald Osborn left Friday evening to return to the Air Force Base at Lincoln, Nebr., after a ten-day leave with their parents, Mr. and Mrs. Gerald Osborn. Their cousin, Sandra Edwards, of Mendamin, Iowa, returned home with them after visiting here.

MEMBER FEDERAL DEPOSIT INSURANCE CORPORATION

sponsibility of trying to decide whether the \$5.7 billion next requested should be granted. There are some particularly difficult problems involved here, especially those calling for enough foresight to pierce the veil of the future. Thoughtful leaders in Congress and out are asking whether these vast government expenditures are useful or even desirable.

Varying Viewpoints

There was Senator Fulbright's implication that the unemployed should be given higher priority than the unexplored. One might consider whether this, as a national policy, would lead more to socialism than to full employment. Then former ASC Chairman Lewis Strauss attacked the space program as "colossally wasteful." Mr. Strauss questions the value of the moon as a missile site or observation post, and he predicts that the cost of the present program will run nearer to \$40 billion than to the estimated \$20 billion. The temporary propaganda value of a few weeks of headlines, he maintains, is hardly worth that amount of money.

Mr. Strauss has seen one of the government's research programs at close range, that of exploration into the mysteries of energy and the structure of matter. He is acquainted with the glamour angle of the atomic age, and he knows something of how far a billion dollars of research will take us. He is possibly familiar with the frustration that results from the necessity of making something practical out of a technological breakthrough.

Price of Knowledge

As of now, the big attraction that government space research has for this free people is simply that we do not know what we would like to know. The most practical uses of space (except for the military) are of less concern right now, although in time we may be able to claim more direct benefits. But the question remains whether we can be assured

of more overall national gain than loss after pouring many billions into the moon-shoot program. If such ventures prove worthless, this as well as other expensive research may tend to make us a high-cost nation trying to compete in a cut-price world.

Perhaps the biggest problem we face is that of keeping the bigness under control. We must not come to believe, whether we have success with space probes or not, that any kind of a problem can be solved by pouring big money onto it through the government. Our general experience so far, upon analysis, may provide evidence that we often have failed to achieve net gains by this method. The Soviet economy is out of joint at least partly because of its space program, although the system apparently does not count costs or concern itself about lost values.

Keep Control of Spending

We must not allow our government do-it-all programs to break us down (a thing the Russians themselves, incidentally, have sworn to accomplish). It takes no great imagination for citizens weary of giving away tax dollars to wonder what this nation could accomplish with \$20 to \$40 billion worth of federal aid to education or to medical research. No doubt tax cuts or payments on the national mortgage to that extent would strengthen the economy. Anyone can pick out a favorite terrestrial need that might seem worthy of national commitment.

By which token some minds can easily jump the gap that ought to exist between private and public activity. Spending \$20 billion plus is not likely to be undertaken by any private corporation nor by any of the states. If the federal government must

spend in this manner, let us do it only after much public soul searching, counting the possible consequences. If we take such steps without being aware of the dangers, we may one day be spending billions without having any choice at all, as the Russian people do. Billions spent in government research will indeed be profitless if the "spillover" brings loss of freedom.

SEVENTH DAY ADVENTIST
 M. G. Johnson, Pastor
 Worship Service 9:30 a.m.
 Sabbath School 10:30 a.m.

The Responsive Reading includes this verse: "The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore" (Ps. 121:8).

Mrs. Everett Norris is a patient in Elkhart General Hospital where she had major surgery Wednesday. Her room number is 317. It is anticipated she will be there until the end of this week.

TEMPLE OF FAITH MISSION
 Rev. B. R. Cross, Pastor
 Located west of State Road 35 on State Road 10 to California Township School and one mile north.

Among selections from the Christian Science textbook will be this sentence: "Divine Love always has met and always will meet every human need" ("Science and Health with Key to the Scriptures" by Mary Baker Eddy, p.494).

Many trees in the area were downed by the strong winds accompanying the storm which occurred about midnight Saturday night. The Ermel Wilhelm garage was also badly damaged. Rain gauges indicated over five inches of rain have fallen this past week.

Sunday School 9:30 a.m.
 Morning Service 10:30 a.m.
 Song Service 7:00 p.m.
 Evening Service 7:30 p.m.
 Fourth Sunday evening of each month there will be a full evening of spiritual singing and special music with vocal and instrumental numbers.

Poplar Grove

By Mrs. Carroll Thompson
 Phone Argos TWinoaks 2-5028
 Mrs. A. E. Alderfer accompanied Mr. and Mrs. Clifford Loser to Logansport on Sunday where they attended the Loser Reunion.

Pat VanSchoick of South Bend and Linda Stevens of Hales Corner, Wis., visited at the Eldon Cowen home Saturday afternoon.

To those who do not attend elsewhere. We welcome you.

The ads tell us we aren't really up to date unless we have a second car, a second TV, a second vacuum cleaner, even a second house. And obviously we're going to need a second mortgage, too.

The Junior Choir will practice at the Carroll Thompson home

Citizen want ads up to 25 words only 75 cents.

 Holy Communion distributed each weekday at 7:00.
 Confession: Saturday 4 to 5 p.m. and 7 to 9 p.m. Before Sunday Masses.

SOMETHING OLD

SOMETHING NEW

These—without anything borrowed or blue—can give to her Wedding Day the sure promise of happiness.

Something old? A faith in God such as has been the foundation of life for millions of Christians before her. A simple conviction found in the religious instruction she received as a child, nurtured in regular worship at Church, ready to go with her through the years.

Something new? A love for the one she has consented to marry. A tender devotion that will grow richer and deeper as they share the sunshine and shadows of life.

With these two—the "something old" that lives in her soul, and the "something new" that thrills in her heart—she comes to her husband. And if he comes to her bearing the same treasures, their marriage cannot fail!

VALUE OF SLEEP

THE rest of your days depends upon the rest of your nights." Whoever said that knew the value of sleep.

The average adult must spend about one-third of the 24 hours in sleep, to be in condition to live to the full the other two-thirds of the time. Many people can get along with considerably less sleep than the average, but extremes should probably be discounted.

People who try to get along on less than the customary seven to eight hours sleep are likely to be nervous and irritable, to lack the feeling of fitness, and often they become victims of some functional disorder. It has been demonstrated often that lack of sleep impairs the ability to do concentrated mental work.

It is now known just why man and animals fall asleep and waken. Apparently a general condition of the whole body requires and brings about this periodic change from one state to the other.

During sleep a number of bodily functions are slowed down. The rate of metabolism is reduced, the pulse is slower, the temperature lower, blood pressure is reduced, and breathing is slower. The body's energy during sleep is being used for the repair of tissues that have suffered wear and tear.

GARDEN SCHOOL SCHOLARSHIP AVAILABLE

One hundred thirty-seven 1963 Indiana State Fair garden school scholarships will be available to Hoosier 4-H club and Future Farmers of America members who enter garden or flower club and strawberry projects this summer.

Roscoe Fraser and W. Robert Amick, Purdue University 4-H staff members, said awards would be distributed on this basis:

Ninety-two garden or flower club trips (one for each county), 25 strawberry club trips (one each from the 25 counties with the largest strawberry club enrollment) and 29 to the top boys and girls in vegetable variety trials.

In addition to the State Fair trips, transportation and lodging expense paid trips to the National Junior Vegetable Growers' Association convention Dec. 8-13 in Pittsburgh will be given to outstanding students at the garden school.

Two new 4-H flower clubs — one for beginners, the other for advanced — will be organized.

Requirements for completion of these projects include identification of both domestic and wild flowers, exhibiting at the county 4-H show, and raising flowers.

General rules and suggestions for all projects may be obtained from county extension offices and vocational agriculture teachers.

The State Fair garden school will be held Aug. 23-29.

THE CULVER CITIZEN

DEMOS LEAD — A run down of the party affiliations of Indiana Governors shows that through the years Democrats have a slight lead, 19-17, over Republicans. The first Governor, Jonathon Jennings, who served from 1816 to 1822, was what was then known as a Jeffersonian Republican. The present day Republican party had not yet been established so he is not counted as a Republican. The first Democrat Governor was Ratcliff Boon who was elected to succeed Jennings. Then came a long line of Whigs and Democrats and it was not until 1880 that the Republicans elected their first Governor, Henry S. Lane. The Putnam County Graphic recently published a complete list of the state's Governors and their party affiliations.

A TV WATCHER — The editor of The Lafayette Leader, Robert Cloyd Jr., credits this remark to "the girl at the next desk." She said, says Cloyd, "Do you suppose this springlike weather we're experiencing means we're through with that freezy kid stuff?"

NIPSCO Part Of Nationwide Interconnected Power System

MAJOR ELECTRIC TRANSMISSION NETWORKS AND INTERCONNECTIONS IN THE UNITED STATES
Lines existing in 1963 — Lines expected to be built by 1970 —

Dean H. Mitchell, president of Northern Indiana Public Service Company, states that America's investor-owned electric industry is moving full speed ahead on an ambitious \$5 billion program to bolster a nationwide interconnected power system.

By 1970, the industry expects to have an additional 100,000 miles of high-voltage transmission lines in operation. Added to the 350,000 miles of line now spanning the nation, this will insure the United States' position as first in the world with electric power for years to come.

The U. S. now has more electric power capacity than the next five countries of the world combined — with almost three times the power capacity of second ranking Russia.

Nearly all major electric systems in the U. S., providing 97 per cent of the nation's electric energy requirements, are members of one of six principal interconnected groups, according to the NIPSCO chief executive.

The largest of these — the Interconnected Systems Group, of which NIPSCO is a member — combines the resources of 120 electric utility systems, extending from the Rocky Mountains to the Atlantic Coast, and from Canada to the Gulf of Mexico.

If any emergency were ever to arise at NIPSCO resulting in a loss of electric generating capability, power systems all across the interconnected system would automatically and instantaneously contribute additional power to NIPSCO until the emergency had passed.

"And our customers wouldn't notice anything, except perhaps a momentary flicker of their lights," he added.

NIPSCO's completely integrated electric system is interconnected with Commonwealth Edison Company of Indiana, Indiana & Michigan Electric Company, and Public Service Company of Indiana — helping to form an interconnected power network which blankets the State of Indiana.

Mitchell said that NIPSCO is investing about \$27 million this year and next in new electric production, transmission and distribution facilities. The company is now in the first stages of construction on a new tie-in near Monticello with Indiana & Michigan Electric Company's 345,000 volt line.

DECOY — Delphi's city clerk, Jesse Patrick, planted a real looking plastic mushroom among the evergreens at the city building. It served to attract a lot of mushroom hunters and a few days later Ervil Aldrich found a real 4-inch mushroom not far from the phony one.

Carbola
DISINFECTING
WHITE PAINT
and new
SUPER D DRY DUST

1. DISINFECTING WHITE PAINT. A durable bright white paint plus a powerful disinfectant. Kills germs, flies and other insects, with long-lasting disinfecting power — up to 90% fewer spider webs for 9 to 10 months. Non-flammable — is powder form. Just mix with water. (Carbola is not lime or whitewash.) Saves work and money — paint and disinfect at same time with Carbola Disinfecting White Paint. Used by farmers everywhere since 1910.

2. NEW SUPER D DRY DUST. The first and only all-season Dry Dip Litter Dust and Germicide. Use even during cold-weather when fluids aren't practical. A bacteriostatic agent plus a deodorant, Super D controls ammonia odor by retarding growth of bacteria that break down urine in droppings. Super D also contains 2 effective germicides, making it very effective against certain viruses plus insecticides for lice control. No other dry dip gives you the amazingly effective ingredients as in the new Super D Dust.

Get DOUBLE-BARRELED health protection for your flocks. Get Carbola Disinfecting White Paint and new Super D Dry Dust today!

Civil Air Patrol Sponsors Exchange

By THOMAS K. WALKER II
Twenty-two foreign countries will exchange civilian air-minded young men with the United States this summer during the International Air Cadet Exchange. The exchange is sponsored by the Civil Air Patrol, civilian auxiliary of the United States Air Force. This is the 16th consecutive year the United States CAP cadets have participated in the exchange and is one of the national highlights of CAP special activities.

One hundred forty CAP cadets selected from the 50 states, Puerto Rico and the District of Columbia will visit in 22 free nations. Great Britain will exchange 25 cadets with CAP, Canada 15, and all other countries will ex-

change groups of five. Each teenage cadet group is escorted by two male adult members of its sponsoring Air Force or aero club activity.

The Indiana Wing will play host to cadets from Turkey.

Purpose of the exchange is to foster international understanding, good will, and fellowship among the youth of the free world. The CAP cadets and their counter-parts from the foreign countries are selected for their extraordinary leadership, character, academic achievement and good citizenship merits. Many of today's aviation leaders are former participants of the International Air Cadet Exchange.

Cost of the exchange in this country is borne by the Civil Air Patrol and by the United States Air Force. The Air Force provides the major portion of the neces-

sary airlift for the exchange, including use of commercial airlines for state-side travel.

Visits both here and abroad are for approximately three weeks and will permit CAP cadet groups to visit such places as London, Paris, Tel-Aviv, Istanbul and Brazilia. They will soar in the Swiss Alps, cross the Arctic Circle in Norway, meet heads of states in various countries, and visit the Acropolis in Athens or the Colosseum in Rome.

Visiting foreign youth will arrive in New York City July 19 for three days of sight-seeing and entertainment, after which they leave for their 22 host states about July 22. Elaborate itineraries have been arranged by CAP wings in those states. The cadets will reassemble in Washington, D.C., Aug. 2 for a four-day visit in the nation's capital prior to leaving for their homelands. Planned highlight of this visit is

a tour of the White House and possible meeting with the President.

FIRE DEPARTMENT calls should be made to Viking 2-2121.

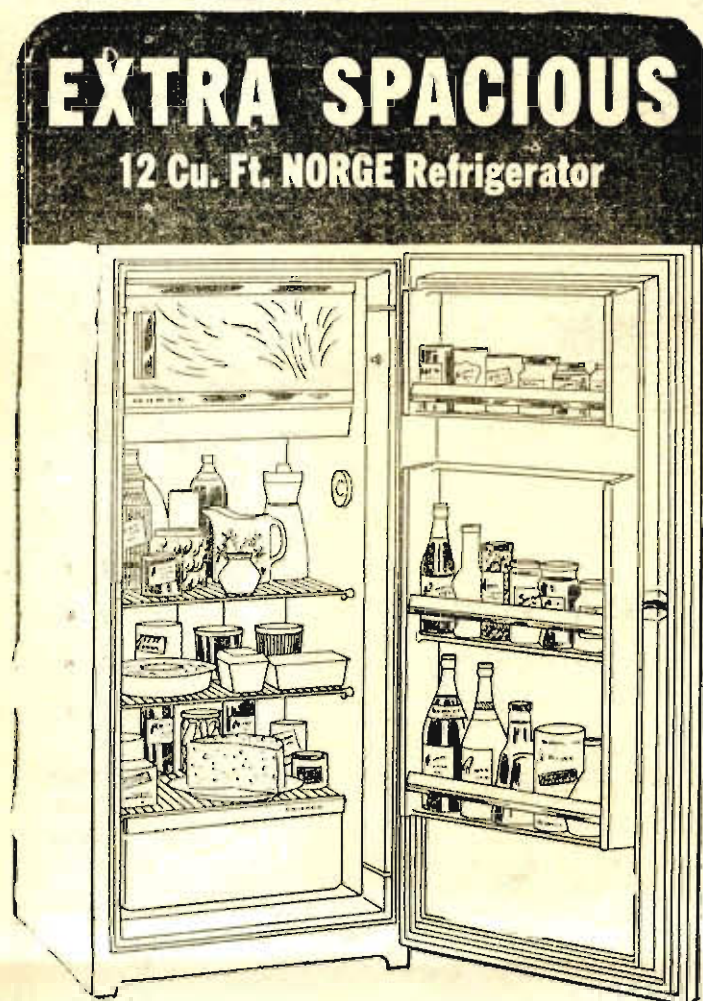

When you buy a new suitcase for vacation traveling, check the handle to make sure it is comfortable to hold and strong enough to carry a heavy load, advise clothing specialists at Purdue University.
