George Nearpass, Son Of Citizen's Founder, Dies

GEORGE NEARPASS III

George E. Nearpass, age 75, died Tuesday, Sept. 10, in a hospital in Milwaukee, Wis.

Mr. Nearpass, famed as "The Whistling Brakeman," worked part-time as a boy on the Culver newspaper, "The Marmont Herald," which was founded by his father, George Nearpass II in 1894.

Mr. Nearpass was married to Enola Glynn Nearpass, who preceded him in death. Survivors include three daughters, Mrs. Charles W. (Maxine) Hess, and Mrs. Leo (Mary Caroline) Vachet, both of Indianapolis, and Mrs. Jack (Joella) Imig, Milwaukee, Wis.; a son, George E. Nearpass IV, Indianapolis; a brother, Vance B. Nearpass, Hot Springs, Ark.; 12 grandchildren; and three great-grandchildren.

Funeral services were held Friday morning at the Shirley Bros. Irving Hall Chapel in Indianapolis.

Funeral Services Held Saturday For Harry C. Zartman

Harry Cleveland Zartman, 78, of Route 6, Rochester, died at 9:45 a.m. on Wednesday in the Woodlawn Hospital at Rochester following an illness of three years.

A retired farmer, Mr. Zartman was born July 9, 1884, in Fulton County to Adam and Mary Ellen (Brokaw) Zartman. He was married on April 26, 1902, to Flossie Fay Bick, and to this union nine children were born, three sons preceding him in death.

On Nov. 22, 1952, he married Mary Cartwright, who survives. Also surviving are two daughters, Mrs. Esther McFarland of Culver, and Mrs. Verl (Fern) Taylor of Claypool; four sons, Carl and Manfred of Rochester, Verl of Nappanee, and Lawrence of Michigan; two sisters, Mrs. Minnie Conger and Mrs. Nellie Charters, both of Rochester; 36 grandchildren; 60 great grandchildren; and one great-great grandchild.

Mr. Zartman was a member of the Maxinkuckee IOOF Lodge at Culver.

Funeral services were held Saturday at the McHatton Funeral Home at Warsaw with Rev. Fred Crown of Rochester and Rev. Ronnie Zimmerman of Warsaw officiating. Burial was in Mt. Zion Cemetery, near Rochester.

Attend Church Every Sunday

Fall Rally At Rollins Chapel Well Attended

The members of Rollins Chapel and their minister chose a very appropriate time of year for the rally of their church. The weather was perfect Sunday afternoon, Sept. 8, and in response to the invitations which had been issued to members of the community, the small chapel was taxed to capacity.

The minister of the church is the Rev. Ruben Jones of Gary, Ind. He has charge of the Culver-LaPorte mission of A.M.E.

From a portrait on the wall, the kindly eyes of a great friend of the community of a generation ago, who was also the donor of the chapel, Mr. Rollins, seemed to smile with approval as the members of the chapel greeted and made welcome the visitors.

Reverend Jones presided at the service and his brother from Gary led in prayer. Mrs. Nellie Jackson gave words of welcome and a response was given by the daughter of the visiting minister.

Reverend McGee, pastor of the Zion A.M.E. Church of Gary, gave a very inspiring address to the congregation and friends. He was accompanied by his choir which also assisted with the service.

The visitors present were represented by Miss Clara Stahl who thanked the committee and members for the invitation to attend and share in their rally.

Mrs. Nellie Jackson, assisted by Mrs. Agnes Cabell, was general chairman of the service.

Following the service, delicious refreshments of sandwiches, cake, watermelon, and coffee were served by the refreshment committee: Mrs. Rose Simmons; Mrs. Florence Watts, daughter of Mr. Rollins; Mrs. Ruth Scott; and Mrs. Alma Smith. Also assisting in setting up tables, serving the melon, and helping wherever needed were Roy Watts, Harold Scott, and Chauncey Simmons.

The minister and members wish to express thanks to all who helped with the service.

Tri Kappas Give Book Shelves To Town Library

The local chapter of the Tri Kappa Sorority is having new custom made book shelves installed for the children's corner of the Culver Public Library.

These attractive shelves will be built of oak wood and will be double faced. The shelves will be six feet in length, by 40 inches high, and 10 inches in width. These shelves will serve as a divider between the children's and teen-age sections of the local library, affording much needed shelving space for reading material in this section of the library.

Charles Ferrier of Lake Shore Drive will construct and install the shelves.

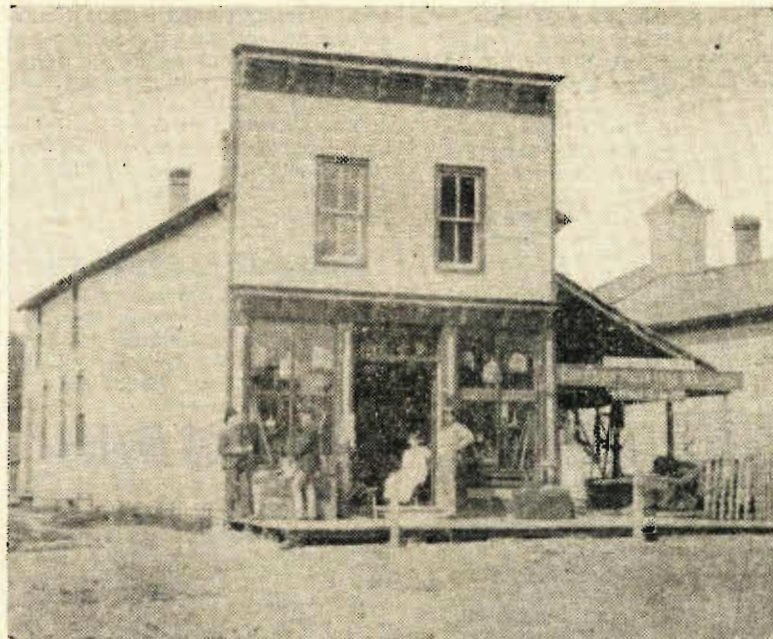

SUSAN THEWS, SUSAN SHEI ATTEND TWIRL-A-THON — BOTH WIN 8TH PLACE

Miss Susan Thews, daughter of Mr. and Mrs. Roger Thews, and Susan Shei, daughter of Mr. and Mrs. Kenneth Shei, attended the fourth annual Twirl-a-thon at the Civic Auditorium in LaPorte, Ind., on Saturday, Sept. 14.

Miss Thews won eighth place out of 11 contestants in her age group and Miss Shei won eighth place out of 14 contestants in her age group. Their teacher, Miss Connie Leavell, was awarded a trophy for having the most students participating in this Twirl-a-thon.

The next Twirl-a-thon will be held Saturday, Oct. 5, at Baker Junior High School in Michigan City, Ind. These Twirl-a-thons are sanctioned by NBA and sponsored by Mrs. Ben Thielbar of Michigan City.

Culver's Main and Jefferson Street Intersection Of 80 Years Ago

Believe it or not, this is how the present State Exchange Bank corner appeared approximately 80 years ago when Culver was known as Marmont. The above photo of the corner of Main and Jefferson Streets, looking northwest, shows the J. H. Koontz Hardware Store as it appeared in 1884.

Note the hitching posts, the board walk, and the "old town pump." Beyond the frame building, to the left, is the tower of the old school house which sat on the land now utilized by the first block of North Ohio Street.

The photo reproduced here and brought to The Citizen office back in July, 1949, by E. W. Koontz, former Culver resident, has been pulled from our files and reproduced again to supplement the other recent pictorial recordings of Culver's past.

Betty Lou Cole Dies At Age One Month

Infant Betty Lou Cole, one month of age, died at 1 a.m. Saturday, Sept. 14, at the home of Mr. and Mrs. Glenn Maxon, Route 1, Culver. The child was born on Aug. 8, 1963, and had been ill since birth.

Surviving are the parents, Richard and Anna Mae (Nallette) Cole, Route 1, Culver; six brothers and sisters at home; the maternal grandparents, Mr. and Mrs. Elvin Allen, Germfask, Mich., and the paternal grandparents, Mr. and Mrs. Ike Cole, Germfask, Mich.

The infant has been removed from the Easterday-Bouine Funeral Home in Culver to Germfask, Mich., for services and burial.

Water Works Will Receive The Award of Merit

The outstanding safety record of the Culver Water Department will be recognized by the Indiana Section, American Water Works Association, at the annual district meeting of the Indiana State Board of Health on Sept. 26 at South Bend Elks Club.

The local water utility will receive the Award of Merit from a representative of the Safety Committee of the A.W.W.A. state group.

Each year the Safety Committee analyzes the accident frequency rate of water utilities which, combined with the number of employees, determines their qualifications for the safety award. The district meeting also will feature presentation of John N. Hurty Service Awards for 25 years of meritorious service in the water industry in Indiana.

TRI KAPPA ANNOUNCES PLANS FOR SECOND BRIDGE-A-RAMA

The Culver chapter of Tri Kappa Sorority announces their second Bridge-A-Rama plans and schedule, starting Tuesday, Oct. 1, and ending April 30, 1964.

All proceeds are used for local charitable and scholastic projects. For complete details see page 5 of this paper.

Frederick Braden Joins Staff Of Kalamazoo College

Frederick R. (Fritz) Braden of 304 Fletcher, Kalamazoo, Mich., has been appointed assistant director for development at Kalamazoo College.

Mr. Braden is the son of Mrs. D. C. Braden of Ft. Lauderdale, Fla., and the late Mr. Braden, who were former residents of Culver. His wife is the former Laura Brooke, daughter of Mr. and Mrs. Frank Brooke of Culver.

Mr. Braden will direct the annual fund campaign and assist William J. Davis, new vice-president for development. He joined the college staff Sept. 3.

Braden has been employed in Kalamazoo since 1945. After a two-year period with Hammond Machinery Builders, he joined Saniwax Paper Co. There, he worked as assistant to the president, was elected secretary-treasurer and director in 1952 and later became a vice-president. He went to Kalamazoo College from Watling, Lerchen and Co., where he was an investment broker.

A graduate of the University of Indiana (B.S. in commerce and finance, 1924), Braden was employed by the National Carbon Coated Paper Co. in Sturgis for 17 years before moving to Kalamazoo.

He is past president of the Kalamazoo Area Safety Council, Southwestern Michigan Chapter of the National Association of Credit Management and the Exchange Club of Sturgis.

Mr. and Mrs. Braden have a daughter, Mrs. E. Sanford Jones of Arlington, Va., and two grandchildren.

Verl McFeely Wins 25-Year Water Service Award

Verl McFeely, water works superintendent of the Culver Water Department, has been informed that he will receive the John N. Hurty Service Award.

The award is being made as an honor for the 25 years of service Mr. McFeely has given the water department. The award will be made at the district meeting on Sept. 26 at the South Bend Elks Club.

To The Public: Info On Meals And Book Store

By Kenneth L. Cole

Because I think it better to properly and honestly inform the public than let them struggle along with an abundance of misinformation, I would like to present the following fact and comment for what it may be worth in the way of correctly informing the general public and the many patrons of the local school.

Over the past five years the Culver Public School Cafeteria has given needy children 5,092 free meals. These students are awarded meals without discrimination; that is, the principal of the high school signs a contract with the national school lunch program in which it is agreed that any needy child shall be fed without question — he is not to be held accountable for drunken parents, lack of parents, jobless parents, or any other parental circumstance.

Obviously, all of this means that the local public school seeks out and feeds lunchless children to the tune of over a thousand meals a year. The principal signs the national lunch agreement as part of the act of procuring surplus commodity foods which in turn enables all of the students to be fed for the ridiculously low price of 25 or 30 cents a meal. This price includes "seconds" on everything but meat dishes at no additional cost.

Some recent public behavior and reaction in connection with the school book store, which is run in conjunction with the book rental system, would lead one to believe that much is not known in regard to this school service. The book store and book rental system guarantees parents and students alike proper and uniform books and school supplies at a minimum figure. This too is governed by both agreement and law for a book store must be run on a minimum profit basis — only enough margin to guarantee against running in the red. Probably the most little known fact in connection with the book store is the service rendered needy children.

In the local public school over the past five years the book store has absorbed \$2,466.10 worth of uncollectible book rental and supplies accounts. This means that children from less fortunate homes have come to school and have been issued books the first day. Furthermore they have been issued pencils, paper, and the necessary tools to accompany the books. Had this not been the circumstance, they would have had to beg of the township trustee, to steal, or to do without books and supplies. Even though the book store cannot be operated with tax funds, it does directly or indirectly serve the total of the tax payers.

In the first three grades both students and teachers are guaranteed uniformity of paper, pencils, pens, etc., all as a part of the original book rental fee. This is an educationally sound practice and is a further service to the parents in that first, second, and third graders do not have to carry miscellaneous supply-money to school. Over all this unquestionably saves all parents of said students a little money and peace of mind in the long run. These same little ones are not likely to be involved in an accident going to the school book store.

According to the National Safety Council it is good school policy to keep school children on school campuses as much as is possible from the tardy bell in the morning until dismissal bell in the evening. As a matter of fact, one known advantage of the new consolidated schools which are now being built out in the country is their ability to have a captive audience student body.

Regardless of what has or will be said about public school cafeteria (Continued on Page 2)

Cynthia Allen To Teach In Bolivia

Miss Cynthia D. Allen, daughter of Mr. and Mrs. J. B. Allen of Culver, recently arrived in Bolivia to work as a Peace Corps Volunteer in a Bolivian university as a teaching assistant.

Miss Allen was one of 14 volunteers who departed from New York on Monday, Sept. 9, to join 108 other Peace Corps members already at work in the fields of public health sanitation, community development and agriculture. She had received two months of training at the University of California at Los Angeles.

The training program at UCLA included 10 hours of classes daily in language training, area studies, American government, teaching English as a foreign language, and physical training. Since the volunteers will teach their Bolivian classes in Spanish, a great deal of emphasis was placed on improving their fluency in that language.

Bolivia is suffering from a shortage of qualified specialists in mining, engineering commerce, health and other fields — a shortage partially due to the fact that the universities do not have enough faculty members to staff these departments.

In an effort to fill this gap, the Peace Corps is sending instructors and teachers in a variety of subjects to three Bolivian universities.

Most of the volunteers will be assigned to the two universities in Bolivia's capital city, LaPaz, LaPaz, with a population of 300,000, is located in the Andean area of Bolivia at 13,000 feet above sea level, the highest capital city in the world. Several others will be assigned to universities in Sucre, a colonial city, and Santa Cruz in eastern Bolivia on the edge of the jungle.

Miss Allen graduated from Culver High School, is a 1961 graduate of Indiana University, and taught last year at West High School.

LEGION DRIVE STARTS WITH KICK-OFF BREAKFAST

Breakfast was served to 18 Legionnaires Sunday morning at the Legion Home as a kick-off for the annual American Legion membership drive.

Members of the American Legion Auxiliary were in charge of the breakfast with Mrs. Ora Reed serving as chairman of the committee. Assisting her were Mrs. C. B. McKinney, Mrs. John Wagner, Mrs. Ivan Walker, Mrs. Martin Uebel, Mrs. Ruth Overmyer, and Mrs. Joe McCarthy.

Large Painting On Exhibition At Gates & Calhoun

A seven by twelve foot mural is on display in the new showroom of Gates and Calhoun on East Jefferson St., Culver. The mural was painted by Carl Flich of Amana, Iowa, whose paintings have been displayed in the main galleries of the East. One of his pictures entitled, "An Amana Funeral," has hung in the White House in Washington, D.C.

Mr. Flich collaborated extensively with Grant Wood whose painting entitled, "An American Gothic," is among the most famous in the United States.

Amana, Iowa, is a unique community of less than 2,000 whose products are famous throughout the United States and the Amana refrigerators are well known in foreign countries.

J. R. Neveln of 115 E. Washington St., Culver, was the first School Superintendent and established the first high school in Amana in 1934. He brought the mural from Amana.

THREE LOCAL STUDENTS NAMED TO DEANS' LIST AT INDIANA UNIVERSITY

Lloyd Holifield Jr., Marizetta Robinson and Kermit Zieg Jr., all of Culver, are among the nine Marshall County students who have qualified for scholastic recognition at Indiana University's Founders' Day program next May by being named to the Deans' Honors Lists this past semester.

Students in the Junior (Freshman) Division are so honored by earning a "B" grade average; sophomores and upperclassmen must earn an average of nearly "B" plus, or 3.3 out of a possible 4 point average.

Also to be recognized at Founders' Day, when the University marks its birthday with tribute to scholastic excellence, will be a similar group of students winning the honor the first semester of 1963-64.

Held Thursday At
Fellowship Hall**

The Woman's Society of Christian Service of the Culver Methodist Church met in Fellowship Hall at 7:30 p.m. Thursday, Sept. 12. Mrs. A. E. Adams opened the meeting with a devotional thought, and then presided at the business meeting.

For devotions, Mrs. Harry Speyer read an inspirational article entitled, "A Little Piece of Light."

Mrs. C. C. Clarno was in charge of the program on summer youth activities. Misses Jeanne Adams and Carolyn Snyder opened the program with a flute duet, "Sonata," by Handel. Dr. R. C. Williams then showed colored slides of Battleground and Pine Creek camps. This was followed by a round-table discussion of summer camp experiences by Mike Powers, Brenda Lindvall, Jeanne Adams, and Malcolm MacQuillan. Rev. Williams moderated the discussion.

Lucy Osborn told of her summer educational experience at Northwestern University in Chicago. To conclude the program Malcolm told of his week's experience at the Youth Ecumenical Encounter at Indian Creek Baptist Camp, and Jeanne described her trip as youth delegate to the annual conference.

After a vocal solo by Lucy Osborn, the group adjourned for refreshments. Mrs. Harry Speyer and Mrs. M. R. Robinson presided at a tea table decorated with red geraniums, arbor vine, and ivy. Mrs. Harry Edgington was chairman of the hostess committee.

Bernhard Family Dinner

The annual Bernhard family dinner was held Sunday in the home of Mr. and Mrs. D. Hatten with 32 in attendance.

Guests from Chicago were Mr. and Mrs. Peter Barak and Mrs. Anna Barak. Guests from Alexandria, Va. were Mr. and Mrs. Joe Bernhard and sons Ronald and Donald who were overnight guests of Mr. and Mrs. Hatten. Michael Bernhard, Mr. and Mrs. Robert Bernhard, Mrs. Elizabeth Day, Pamela and Randy Holler, Patty and Mike Lancaster, and Miss Ann Murphy were guests from South Whitley and guests from Fort Wayne were Mrs. Howard Aker and Richard Day.

Those attending from Culver were Ronald, Danny Dean, Jean and Donna May Gross, Mr. and Mrs. E. W. Carter, and Mr. and Mrs. Norman Kelly and children.

Connie, Steve and Dave. Randy Overmyer from LaPorte spent the weekend with Mr. and Mrs. Hatten.

Mr. and Mrs. Peter Barak and Mrs. Anna Barak were weekend guests of Mr. and Mrs. E. W. Carter.

Hibbard Ladies Aid
Enjoy Septemer Meeting**

Mrs. Irwin Overmyer opened her home to 14 members of the Hibbard E.U.B. Ladies Aid and a guest, Jill Overmyer, for their regular meeting Thursday evening, Sept. 12. She was assisted by her mother, Mrs. Lovina Cooper.

Mrs. Overmyer, president, opened the meeting with an appropriate thought after which devotions were given by Mrs. Richard Overmyer, who read from I Corinthians 3:7, and Mrs. E. W. Carter, who gave the call to worship and offered prayer. Mrs. J. Richard Behmer played "Where Cross The Crowded Ways Of Life," and accompanied the group in singing, "Bringing In The Sheaves."

Mrs. Carter explained the purpose and described the pattern of the theme for the evening, "He That Hath Ears."

Mrs. Richard Overmyer presented the first topic of "The Fields Of K.Y.N." by discussing the Kentucky Highland Mission. Mrs. Carter presented "Ybor City Latin Mission in Tampa, Fla." and "Spanish American Mission in New Mexico." The group then sang, "The Light Of The World Is Jesus," and a missionary offering was taken at the close of devotions.

The president conducted the business session and roll call was answered by stating "What the month of September means to me."

Plans were made and committees were appointed in preparation for the 50th anniversary celebration of the Hibbard E.U.B. Church to be held Oct. 13 with a basket dinner, morning and afternoon guest speakers, and special numbers.

A decision was made to hold a silent auction at the October meeting to be held at the home of Mrs. Howard Shock. The ladies will clean the church on Sept. 18 and 19.

Mrs. Shock had charge of the entertainment. The Lord's Prayer was prayed in unison after which delicious refreshments were served to conclude the evening.

Women's Guild Meeting Held At Grace Church

Members of the Women's Guild of the Grace United Church of Christ met Thursday evening in the church social rooms.

Mrs. Edward Easterday, president, opened the meeting with the words, "Who Is A Happy Person." A report was made by the Good Cheer committee and during the business Mrs. Donald Osborn was elected secretary; Mrs. Kenneth Tasch, assistant secretary; and Mrs. Bruce Ogden Sr., treasurer.

The program, which was changed to "Racial Justice," was discussed by Miss Clara Stahl, chairman, and her committee which included Mrs. Delbert Jordan, Mrs. Lester Brown, Mrs. Larry Lindvall Sr., Mrs. Max Fechner, and Miss Esther Stahl.

Following the group singing of, "Where Cross The Crowded Ways of Life," Mrs. Larry Lindvall read scripture verses from Romans, Acts, Johns, and First Timothy. Mrs. Fechner gave the prayer and Miss Esther Stahl announced the closing with the benediction.

To conclude the meeting refreshments were served from tables centered with bouquets of fall flowers and decorated in the autumn motif.

§-§-§ The Donald Osborns Host Fidelis Class Meeting

The Fidelis Class of Culver's Grace Church met Sunday evening with Mr. and Mrs. Donald Osborn.

The president, Shelton Kaiser, had charge of the business meeting and devotions were given by Mr. and Mrs. Osborn. The program of the evening's entertainment featured the showing of slides depicting the Western trip that Mr. and Mrs. Kaiser enjoyed this past summer.

§-§-§ Music and Art Group To Visit Sangreleña Boy's Home Tomorrow

Members of the Music and Art group of the Culver City Club will open their meetings for the year with a trip to Sangreleña Boy's Home on Thursday, Sept. 19. The group will leave from the Methodist Church at 10:45 a.m. Mrs. George Phillips is in charge of arrangements. Luncheon will be served and in the afternoon the group will be conducted on a tour of the home.

§-§-§ Mrs. Robert Bolton Entertains Tri Kappa At Regular Meeting

The regular monthly meeting of the Epsilon Nu Chapter of Tri Kappa was held Monday evening, Sept. 16, at the home of Mrs. Robert Bolton Jr. on Faculty Row.

The installation of new officers preceded the business meeting.

Plans were announced for the second Bridge-A-Rama which Tri Kappa will sponsor, beginning Tuesday, Oct. 1.

After the business meeting adjourned, a social hour followed.

Delicious refreshments were served from an oblong table which was covered with an exquisite cloth of cutwork and embroidery and edged with a deep Venetian lace border. The table was centered with a beautiful centerpiece of large yellow gladioli. Candelabra completed this effective table arrangement. Mrs. John W. Henderson presided at the silver coffee service.

Mrs. John A. Cleveland and Mrs. Jack Campbell were assisting hostesses.

The new 1963-64 Tri Kappa officers are Mrs. Melvin A. Estey, president, Mrs. Samuel M. Medbourn, vice president; Mrs. James Piersol, corresponding secretary; Mrs. John R. Mars, recording secretary; and Mrs. Orville Phelps, treasurer.

§-§-§ Order of Eastern Star Observes Obligation Night

The regular stated meeting, featuring obligation night, was observed Tuesday evening, Sept. 17, by the Order of Eastern Star in Masonic Hall.

The secretary's desk was decorated with a floral arrangement of asters and petunias and the East and the piano were graced with asters and mums.

The meeting was opened by Worthy Matron, Mrs. Don Parson, after which she read an article on the obligations of an Eastern Star member. The Worthy Patron, Don Parson, led the chapter in repeating the obligations. Mrs. Chauncey Lennen, accompanied by Mrs. Cleo Ringle, sang, "My Task."

After the closing ceremonies, refreshments were served in the club rooms by Mrs. Hampton Boswell, Mrs. William Easterday, and Mrs. E. Kemp Moore.

Dr. Ronn Minne' Named To Program Of Scientists

The chairman of Culver Military Academy's science department has been appointed to a nation-wide Program of Visiting Scientists in Chemistry for High Schools.

Dr. Ronne N. Minne', who also holds the Eppley Chair of Chemistry at Culver, is one of 53 college and secondary school scientists named to the program by the sponsoring American Chemical Society.

Under the high school program of the American Chemical Society, schools throughout the nation may request visiting scientists from the 1963-64 list. Scientists will visit the school for the usual length of three days, during which time they will speak to the students and meet informally with the science faculty. Visiting scientists may also meet with students and faculty of other schools in the community and, where appropriate, deliver talks to service clubs and civic organizations.

Dr. Minne's major field of research is co-ordination polymers and, at present, he has an Office of Naval Research grant for work in this field. His topics for lectures and discussions as a visiting scientist are: transition metal chemistry, polymer chemistry, the periodic table and orbital theory, and the CHEM Study Program.

A member of the Academy faculty since 1954, Dr. Minne' did his undergraduate work at Northwestern University and received a master's degree from the same institution in 1950. He took his doctorate at Harvard University where he had DuPont and National Science Foundation fellowships. It was at Harvard that Dr. Minne' began basic research on polymers, which he continued upon his return to Culver. The Naval research grant two years ago was one of the few ever given a U.S. secondary school teacher.

Dr. Minne' has been chairman of the Academy's science department for two years and last year was named to the Eppley Chair of Chemistry.

Scottish Rite Will Salute DeMolays At Fall Convocation

C. C. "Buddy" FAULKNER
Executive Secretary
Indiana DeMolay Foundation

Arthur H. Tyler, 33°, Commander-in-Chief, South Bend Consistory, Valley of South Bend, has announced that the 100th Convocation of the Valley would be held in October. A special feature will be a DeMolay salute program on Oct. 26, honoring "The Order of DeMolay" and the work of the Indiana DeMolay Foundation, Inc. All DeMolay Master Councilors, Senior Councilors, Chapter Dads, and DeMolay Legion of Honor Members in Northwest Indiana, as well as many Masonic and DeMolay leaders will be invited to be guests at the closing banquet.

Tyler noted that the order started with a group of nine boys in Kansas City, Mo., in 1919, and that this one chapter attained a membership of over 1,000 members. The growth of the Order has been phenomenal. Indiana alone has 115 chapters with over 11,000 active members. He also emphasized the fact that the Order is not a junior Masonic organization and that Masonic parentage is not required for membership. The Masonic fraternity, however, does sponsor each DeMolay Chapter in much the same

manner as other organizations sponsor other youth groups, and provides advisory council and meeting places. In Indiana all DeMolay Chapters meet under the sponsorship of one of the several Masonic organizations.

Tyler called attention to the fact that Indiana is the first state in the nation to set up a State organization for DeMolay. A non-profit organization known as the "Indiana DeMolay Foundation, Inc." was set up in 1957 and is supported by all Masonic Groups in Indiana. Policy wise it is administered by a 25 man Board of Directors, and the active administration is in the hands of an Executive Secretary, C. C. "Buddy" Faulkner of Indianapolis. Faulkner, a former DeMolay, has done such an outstanding job in Indiana that the work of the Foundation has received national attention and the plan is being copied and studied in several other States and Canada.

All Scottish Rite Masons are invited to participate in this Salute Program.

PRODUCTION REPORT

Registered Holstein cows from this area are prominently mentioned in an official production testing report received recently from Holstein-Friesian Association of America headquarters at Brattleboro, Vt.

Culver Lancelot Dictator Gail 4463166, a four-year-old, produced 17,243 pounds milk and 708 pounds butterfat in 365 days. Culver Della Dictator Lena 416-1609, a six-year-old, had 16,809 pounds butterfat in 364 days. Both are owned by John A. Newman and Sons, Culver.

According to the national Holstein organization, the new production figures compare to an annual output of 7,211 pounds of milk and 270 pounds of butterfat by the average U. S. dairy cow.

Purdue University supervised the weighing and testing of the Holstein records as part of the breed's nation-wide herd testing programs.

Highlights Of
The Summer

By Cindy Lemar, Judy Price, and Karen McDonald

"Where have you been all summer? It seems like ages since I've seen you."

"Well, I was . . .

Tom Yocom: Hunting squirrels with Jim Lewis.

Tom Schmidt: Playing cards with Paul White and . . .

John Milner: Doing nothing.

Sue Cole: Enjoying some free time.

Gayle Vander Meade: Not going to school.

Diana Boots: Visiting Dartmouth College and meeting a few interesting people. (boys maybe?)

Jane Ives: Attending summer school at the Academy.

Carole Schlachach: Driving Mr. Miller nuts.

Janet Branaman: Working at the Park n' Shop Supermarket.

Steve Bair: Bothering community property.

Russell Prosser: Going to Raceway and U. S. 30 dragstrip.

Ricky Burns: Going to a dance and nightclub.

Debbie Walter: Going to Lake County Fair.

Lou Bohm: Moving to Culver.

Mark Lowry: Buying a couple horses.

Marsha Guise: Riding around in an M.G. with Barb Mikesell and two other people.

Diane Davis: Going to I.U.

Barb Mikesell: Going to the Rochester fair in an M.G. with Marsha Guise and two other people.

Larry Washburn: Going to Bremen every Friday and Saturday.

Judy Thews: Staying in Indianapolis for a weekend.

Loretta Berger: "The wedding" (not mine, of course.)

Manuel G. Briones: Going to church early one day and seeing a car in a ditch beside the road . . . but the man was asleep, not dead (very much alive . . .)

Mary Ann Shock: When I went to Chicago for a weekend and saw a lot of interesting museums and other things!

Dean Smith: Wilderness canoe trip in Canada and Naval School.

Vickey McKinnay: M.Y.F. dance.

Bob Carter: Going to the Bremen dances and the Tippy dances.

Karen Ruhnow: Getting out at night.

Bonnie Salt: Watching the high school baseball team play their games.

Curt Hatfield: I got to drive a scooter.

Terry Bennett: I went to Canada.

Susie Gardner: My most enjoyable experience was a wonderful week in Harris City of Freedom County at Girls' State.

Steve Albertson: Went fishing in Canada with my grandfather.

Sharon Eustis: Flying by jet to Massachusetts and getting to know the kids in Culver.

Barb Overmyer: Going squirrel hunting with Linda Nelson.

Linda Shock: Living at my home away from home, and goofin' off with Jan!

Steve Ulery: Chasing girls until I got caught.

Dave Lemar: My fulfilled summer consisted of staying in Culver. Isn't that enjoyable and exciting?

Suzzy Spencer: Playing tennis with Jan Scruggs (who, incidentally, has the hairiest tennis ball I've ever seen).

Louie Darocsi: What summer? I don't remember any summer. Do you remember having summer?

Paul White: Hoosier Boys' State.

Patty Overmyer: A trip to Washington, D. C.!!!

Tina Ferrier: I had too many to write them all down.

Elaine Epley: Gettysburg (??)

Sam Lowry: It would have to be HBS and my two home runs in one game. Ha! Ha!

Wanda Warren: I'm enjoying high school very much this year.

Betty McFarland: My journey to Turkey Run (including a fall down a steep hill!!)

Bob Eustis: Wanting Dave Lemar to make errors in baseball games.

Picnic Time
For Teachers

It's picnic time again for the teachers of Culver Community Schools, which includes teachers from the Amblesham and North Bend schools as well as from Culver. Both the husbands and wives of the teachers were invited to the potluck picnic supper.

The picnic was held Thursday evening, Sept. 5, at six o'clock in the west pavilion of the Town Park with 75 people attending. This was a get-acquainted project for the teachers.

The chairman of this event was Mrs. Sam Allen, second grade teacher at Culver School. Mrs. Allen's co-chairmen were: Miss

Violet Overmyer, English and Carolyn Reynolds, home economics teacher. All chairmen were from Culver School.

THE NEW C.H.S.

By Martha McAllister and Sharon Eustis

As everyone knows, Culver High School is always striving to make new improvements. This year we have an unusual number of new faces and changes within the walls of this institution!

First of all, we would like to extend a welcome to the new high school and grade school teachers. The new high school teachers are: Norman Tanksley Library and English; Mrs. Barbara Hughes, English; Mrs. Lynda Ulrich, General Studies; Phillip Hughey, Physics and Mathematics; David Ulrich, General Science; Mrs. Dorothy Huff, Latin; and Harry Fouts, Band and Vocal director.

In the grade school, the new teachers are: Kenneth Overstreet, sixth grade; Mrs. Robert Rust, a former teacher, grade school music; Mrs. Linda Abel, fifth grade; Loren Carswell, sixth grade; Mrs. Martha Mishler, third grade; Mrs. Jeanne Epley, Remedial reading and speech; and David Frettinger, fifth grade. We hope these new teachers will enjoy their first year at Culver.

Perhaps you have encountered some unfamiliar faces as you wonder through the halls. Don't be alarmed, they won't bite! These strange faces are merely new students who have come to our wigwam from distant teepees. All of the braves and maidens of C.H.S. wish to welcome them to our tribe.

Fortunately, one of these new students is an "expert" basketball player! (Just ask him, he'll tell you!) Seriously, we are extremely happy to have Bob Eustis playing with our Indians.

Another improvement has been made in the area of appearance. The band building has been freshly painted to inspire our many talented musicians and vocalists. Besides this, each of the practice rooms have been painted a pretty, bright color, each one different! How's that for originality!

We must not forget to mention the drastic change in the equipment of the cafeteria. There are new spoon and fork holders, and besides this, you no longer have to carry that heavy napkin all the way to the table thanks to the new napkin dispensers!! What will they think of next?!

As usual, the school library has received several new books which should be of assistance throughout the year. Speaking of books, the English students are overjoyed with their new textbooks, workbooks, and Advanced Composition books. Seriously, the books appear to be very interesting but, oh, what bright colors!

Oh, yes, we simply couldn't forget to inform everyone that our new Senior class is undoubtedly the greatest ever!! (This has been a paid political announcement!)

Lastly, we would like to congratulate our new co-editors, Lacy and Paul, and wish them lots of good luck.

As you can plainly see, there are many terrific changes and improvements in C.H.S. this year, some of which we may have failed to mention, but we feel we have pointed out the main ones. Look around you and take notice of the many things your school does for you!

SPORTS NEWS

By Larry Linhart

During the last two weeks, Coach Crosley has been working the cross-country team every night. His time and effort paid off on Sept. 10 when the cross-country team journeyed to North Caston for the first dual meet of the season.

After the gun sounded the start of the two mile course, it became evident that Culver would do rather well since Culver ran the first mile taking the first seven spots. The last mile of the course, two North Caston runners slowly moved into the first seven positions. After the two mile course was finished, Culver had runners in spots one, two, three, five, and six.

Tom Yocom had the winning time of 10:42 with George Wright 10:46, Paul Hatten 11:13, Jim DeWitt 11:28, and Phil Scruggs 11:40.

"The man who quits complaining about his wife's cooking proves that she's learned better — or he has." — Kenny Bennett, Greencastle (Ind.) Putnam County Graphic.

Seniors' Great
Expectations . . .
\$3,500!!!

By Pam Phelps, Eva Norris

The seniors held a class meeting Friday, Sept. 6, in the school cafeteria. A representative from the Curtis Publishing Company was present to help the seniors with their magazine sales. He explained how to fill out the subscription blanks, manage the selling teams, and demonstrated several methods of selling. The class voted to set their goal at \$3500, \$500 over last year's class sales.

This year there are special offers on: "Life," "Ladies' Home Journal," "Saturday Evening Post," and "The American Home." Each senior who sells two subscriptions to the "Saturday Evening Post" will receive a pair of dolls like those displayed in the trophy case.

Open territory began Friday, Sept. 13. Sales will end Monday, Sept. 23.

Friday, Sept. 13, the junior class held its first meeting. The five-dollar deposit for junior class rings was due on this date.

Happiness is hard to pin down. People look for it in every direction, but it's basically spiritual. You discover that the only real happiness comes from God — and from learning to live in obedience to His love. There's a one-hour public lecture coming on this theme by Roy J. Linnig of The Christian Science Board of Lectureship. It's titled "The Science of Happiness." You're invited.

nowhere and stuck itself on the bottom of the canoe; meanwhile the kids disappeared around the bend leaving Mr. and Mrs. Robert Kline behind. Oh, well, we all can't be experts!

If anyone has been wondering why Cindy Lemar and Janet Parker have been groaning excessively lately, it's because the two girls went horseback riding at C.M.A. the other day and had a slight mishap. It seems like that old Dapple Gray wasn't in the mood to be ridden that day — so-o-o . . . thump, thud. Off went the two sophomores onto the hard, hard ground. Come on you two — quit "horsing" around! Snort!

Question of the week: Jim Lewis. Why aren't you taking French III this year??? Well, as the sun slowly sinks into the west (poetic, isn't it?) — we'll say so long for now, but never fear — there's always next time.

An Interview With Mr. Hughey

By Cathy Carrothers

"What does F-KL stand for?" "I don't know, that's new to me."

This may be a common statement heard among the students who are taking their first year of Physics. Not only have they been introduced to a new field of study but also to one of our new teachers, Mr. Hughey.

Mr. Hughey attended Franklin High School in Franklin, Ind., where he played football, baseball and was an avid basketball fan.

After he graduated from Franklin High, Mr. Hughey became an engineer. During his two years in this field he realized he was just not meant to be an engineer so he attended St. Joseph Teacher's College. It was not long before he realized that this was the career he most enjoyed. Perhaps this is the reason he has been so heartily welcomed here at Culver and was so well liked by his former students at West High.

While interviewing Mr. Hughey, I found that he has two pet peeves; one is popping gum, the other cracking knuckles!

His image of an ideal student is one that is eager to learn and enjoys what he is learning.

Mr. Hughey has formed a very positive view of Culver High School, and I quote, "The kids are tremendous." So students, let's not disappoint him.

News Of The Grade School

By Ann Wagoner and Janet Crow

Mrs. Keyser: We have a total of 31 students this year, 18 girls and 13 boys. Lily McApine entered our room this week also. Bob Ervin brought a sand dollar to share, and we read some books about the sea. Borden Smith brought some starfish, and Kim Flosenzier, Richard Linhart, Leslie Cleveland, and Jeff Heiser brought sea shells. Our Phonics sound this week is "T". We are all looking for pictures that begin with this letter.

Mrs. Allen: We also have 31 students this year. Betty Dollahan came from California Township and Patricia Etheredge came from Chicago. We have been doing experiments on how we learn through the senses of taste, smell, feeling, sight, and hearing.

Mrs. Mishler has 17 boys and 13 girls, making a grand total of 30 students. Her one new student is Edward Heise, previously from Monterey. For a science project the students are all making a butterfly collection. They are also talking about pets and making a bulletin board on this subject.

Mrs. Henning has 30 boys and 13 girls in her third grade class. There are 17 boys and 13 girls. She had one new boy, Neil Huys, from South Bend.

Mrs. Carter: We have 30 students also, 17 boys and 13 girls. David Pennington is absent because he was struck behind the ear by a golf club. We hope to see him back soon. We have started a rock collection, and Friday is our day to show and tell. Also of interest are several new science books in our room for any student who wishes to read them. In Arithmetic we are reviewing numbers from 1 to 100 and also many additional facts.

In Mrs. Keller's class, which has 25 students, there are 11 girls and 14 boys. There are no new pupils in her group. These students are learning to name and spell the seven continents and the four oceans.

Mr. Overstreet, who has 24 pupils, is in his first year at Culver. He teaches Arithmetic and Social Studies and is living at Rochester. Welcome to the Culver teaching staff, Mr. Overstreet!

Mr. Carswell: We have two new students this year. Alan Huys and Jimmy Myers of North Bend have joined our class. We have some special projects in the plans for the future, but as yet, none have been started. We have a new science table that we will be using for experiments in which the students will be taking part.

Americans' move to suburbia is common knowledge, but here are the figures from the Bureau of the Census. Between 1950 and 1960 central cities increased in population 19.8 per cent, while urban fringes (suburbs) increased \$1.4 per cent.

The Shadow Strikes Again

By Carolyn Snyder

The Shadow still seems to be operating in "63", for he is still catching students. This week's victim is 5 feet, 4 inches tall. She has hazel eyes, brown hair, and is often seen wearing a big smile.

I first encountered my victim as she was going to her locker. After gathering her books together, she hurried off to history. My spy informed me that my victim was kept pretty busy listening to Mr. Zellers explain the heritage of the Colonial Period.

Second period came and my victim rushed to French class. She was reported cramming her lesson during the first few minutes of class but luckily, Mrs. Smith surprised her students with a movie. Phew! Was that ever a relief to my painstaking friend!

"One millimeter equals a . . . uh" This clamor came from the area in which my victim sits during third period study hall. It seems she was busy trying to learn her chemistry.

During chemistry my victim listened to Mr. Kepler, talked to everyone around her, and even asked Mr. Kepler several questions about the lesson.

When the bell finally rang, she hurried out the door. The next time I saw her, she was in the study hall busily collecting \$5.00 (each) from various members of the junior class. At 12:20, she accumulated all the money she had collected and headed for the English room. Of course, she had to converse with everyone she met along the way.

English went fairly well for my victim (or so it seems).

By sixth period things were beginning to drag for my victim. She greeted me (but not in her usual cheerful way) and we walked to the band building.

One sour note and 55 minutes later . . . Band was finally over and only one more class to go!

As she trudged up to Algebra, I could hear my victim sighing about her aching feet.

Considering all circumstances, things seemed to go surprisingly well in Algebra. She was actually the only one who could answer that tough Algebra problem. (MY tired, weary victim?) Good girl!

Eighth period finally rolled around and she was off to the "Tomahawk" meeting. From here I lost track of her until the bell rang. It was then that I spied her grabbing up her books and running towards the door.

If you are wondering by now who this kind, tender-hearted person is, look no farther, because this has been a day in the life of Kay, Kay Thomas!

Smile! The Shadow may be following YOU!

Naval ROTC Test To Qualify Set For December 14

Applications are now available for the Navy's eighteenth annual NROTC qualification test, according to Mr. Miller (counselor) at the Culver High School. The nationwide examination will be given Saturday, Dec. 14, 1963, and all eligible male high school seniors and graduates may apply.

On the basis of this test, personal interviews, physical examinations, and other factors, Mr. Miller explained, over 2000 young men will be given college educations as midshipmen in NROTC units in 52 well-known colleges and universities throughout the country.

Registrations for the test will close Friday, November 22. Informational bulletins and applications are available from Mr. Miller or the nearest U. S. Navy Recruiting Station.

A successful applicant receives financial aid for four years of college. This includes tuition, books, uniforms, miscellaneous expenses, and a \$50 per month retainer fee. After successfully completing college degree requirements and naval science training, NROTC midshipmen become commissioned officers in the U. S. Navy or Marine Corps.

During their training, Regular NROTC midshipmen enjoy three summer cruises with various naval units, including visits to foreign ports. These cruises help them learn more about the variety of interesting and challenging opportunities available to them as naval officers.

Male citizens of the United States, who will be over 17 but not yet 21 on June 30, 1964, and who are now high school seniors or graduates, are eligible to apply for the Dec. 14, 1963, NROTC qualifying test. Those who attain qualifying scores will be interviewed and given physical examinations next February.

GOOD PAY — The trucking industry's average wage, including those in Indiana, is 27% higher than the average wage for all private industry. Department of Commerce figures show that the average annual wage for highway freight transportation and warehousing employees is \$6,123.00 compared to \$4,827.00 for all private industry employees.

Do You Remember 'Way Back When?

Highlights of Culver News
of 10, 20, 30, 40, and 50
Years Ago This Week

September 16, 1953—

Culver acted as host last Thursday to 45 prominent municipal authorities who came here to inspect Culver's new \$450,000 sewage treatment plant and to attend the annual fall meeting of the north section of the Indiana Sewage and Industrial Wastes Association, over which Don Hand, president of the Culver Town Board, presided.

The state-wide stalemate between the Indiana Bell Telephone Company and its workers, including 21 operators at the Culver exchange, worsens as the strike begins its ninth week.

"Fill the barrels!" That's the challenging slogan that is being heard for the first time today as the September drive gets underway to collect enough money to resume operation of the Marshall County Red Cross Blood Bank.

Double funeral services were held Monday at the Leiters Ford Methodist Church for James E. Sanns, age 65, who died Friday at the Fort Wayne Veterans Hospital after a several-months' illness, and his wife, Neoma Hartle Sanns, age 50, who died Saturday at Woodlawn Hospital in Rochester after being ill about a month.

Miss Mary Josephine Works of Salem, Ohio, and John William Henderson Jr., son of Col. and Mrs. John W. Henderson, were married Saturday evening in Salem.

Mr. and Mrs. Claude P. Mike-sell will observe their 50th wedding anniversary Friday evening with an open house at their home on West Washington Street.

Miss Sally Anne Keller of Monterey and Warrant Officer E. E. Griffin of Florida were married Saturday.

Miss Barbara Ann Doll and Allen F. Wallstead were married Sunday afternoon at the Burr Oak Church of God.

Mr. and Mrs. Henry L. Cooper celebrated their golden wedding anniversary Sunday at their home at 263 Winfield Street.

September 22, 1943—

George Faulkner, 83, Route 2, died at his home here.

The population of Lake Maxinkuckee was increased when 4,500 Rock Bass minnows were placed in the lake.

Guest night at the Lions Club featured talks by Col. Robert Rossow of the Academy and Marine Sgt. Gene Martin, who recently returned from the South Pacific.

The Marshall County tax rate will be 26 cents on taxes to be paid next year. The rate this year is 28 cents.

Mrs. Charlotte Jordon, 73, former Leiters Ford resident, died at the Culver home of her daughter, Mrs. Max Fechner, after a short illness.

Mr. and Mrs. Charles Rees of South Bend are the parents of a daughter born Sept. 20. Mrs. Rees is the former Miss Mary Reed, daughter of Mr. and Mrs. N. E. Reed of this city.

September 20, 1933—

Col. Howard F. Noble, former member of the Academy staff, died at Shreveport, La., after a brief illness.

Paul Snyder sold the Main Cafe to Mrs. A. E. Thessin.

Registration at the Academy now stands at 346 as the new term opens. This is an increase over recent years.

A committee is being formed to handle the NRA in Culver and

consider complaints of violations of the new code.

James Fleishman, one of the four men charged with operating a confidence game on Joseph Schweidler, has been arrested in Peoria, Ill.

Mr. and Mrs. Dale Jones announce the birth of a son Sept. 18.

Mr. and Mrs. Melvin Shriver are the parents of a daughter, Donna Mae, born Sept. 16.

The PTA held its first meeting of the year with President Carl Adams presiding.

I. D. Howard announces the opening of the Culver Theatre with Mary Pickford in "Tess of the Storm Country."

The Academy opens with an enrollment of 690.

Property owners on College Avenue are still debating whether or not they wish to give up land for a street. There was no remonstrance against the paving of Obispo and Batabano Streets.

C. A. Rockwood, former member of the Academy faculty, was drowned in Wisconsin while on a hunting trip.

Paul Snyder and Byron Cook left for Kalamazoo, Mich., where they will attend college.

Miss Mildred Stabenow has enrolled at the University of Illinois.

Harold Robinson has entered DePauw University.

September 25, 1913 —

Five hundred dollars has been appropriated by the Logansport council for the erection of a bronze memorial gate on the Culver Military Academy campus in commemoration of the valiant services rendered by Culver officers and cadets in saving the lives of Logansport people during the March flood. Plans for this gate have been approved by the board of public works and the officers of the Academy.

Dr. Buttner is relocated in the office he occupied before going to Cuba and has resumed his practice.

Marion Jones has nearly completed his new barn and is setting the foundation for a house.

The J. H. Petro Grocery and market at Maxinkuckee landing is being moved to Lapaz where the Petros will engage in the same line of business.

A marriage license has been issued to Clarence H. Petro of Maxinkuckee and Ruby May Brugh of Culver. They will live in South Bend.

Mr. and Mrs. Will McLane returned Monday from a 10 days' visit in Indianapolis and leave today for their new home in Los Angeles, Calif.

Bert Rector leaves Sunday to enter the Indiana Dental College at Indianapolis.

D. H. Smith has purchased William Foss' harness shop and shoe repairing business.

Carter Smith is raising and otherwise improving his laundry property at the foot of Washington Street.

EARLY CITIZENS — Workmen excavating for a new home to be built in Warrick County, a few miles east of Boonville, uncovered the skeletal remains of two Indian women believed to be members of a tribe which roamed southern Indiana more than a thousand years ago. Dr. Glenn Black of Evansville, director of Angel Mounds excavations, said one of the skeletons appeared to be that of a woman about five feet, four inches, in height and between the ages of 35 and 40. The other skeleton was that of a much older woman, he said. A number of Indian arrowheads and stone implements have been unearthed in recent years in the same neighborhood.

MORE WHEELS — The latest national trucking publication shows that there are 11,669,225 trucks of all types registered in the United States. Of that number, Indiana has 252,655, ranking the Hoosier state eighth in that respect, California, with 1,116,855 leads.

Public Hearing On 1963 Upland Game Regulations

The public hearing for pheasant, quail, Hungarian partridge and rabbit regulations and proposals will be held on September 24, 1963 at 10:00 a.m., C.S.D.T. in room 602, State Office Building, Indianapolis, according to an announcement received from the Division of Fish and Game of the Indiana Department of Conservation.

Early reports received from surveys indicate that quail and Hungarian partridge populations are approximately the same as last year, with the numbers of pheasant and rabbit somewhat above 1962 in the best range.

Biologists plan to make the following regulation proposals at the hearing:

Pheasants: — November 10 through December 7, 1963. This is an increase of one week over the 1962 season. Surveys made by Division of Fish & Game biologists indicate that there are more cocks available in the spring than are necessary for successful reproduction. This additional week will provide more hunting opportunities without hurting the population. The bag limit proposal will be the same as last year, two cocks per day and four in possession.

Quail: — Nov. 10 through December 20, 1963, with a bag limit of 10 per day and 30 in possession after the third day.

Hungarian partridge: — Nov. 10 through Dec. 20, 1963, with a bag limit of 5 per day and 10 in possession.

Rabbit: — November 10, 1963 through January 10, 1964. The bag limit proposal will be 5 per day and 10 in possession.

The proposals for quail, partridge and rabbit are the same as in 1962. Since Sunday hunting is prohibited in Indiana the first day will be November 11, and hunting will begin at 8:00 a.m. in those counties using Central Standard Time or 9:00 a.m. in those counties using Eastern Standard Time.

Editor, CITIZEN:
There is a house one mile west of Burr Oak, just north of Nickel Plate railroad track, that is dear to my heart.

What is said to have been a very cold day, Feb. 1, 1884, I was born in that house.

Dr. O. A. Ren, now deceased a long time practitioner in Culver, delivered me. Price was seven dollars.

This house was built about 1882. In 1890 there was an L added on the west side, doubling the floor space. The father of Carl Adams, cashier of The State Exchange Bank, built the addition. At this time he lived in Huntington, Ind., and was later a resident of Culver. We called him "Uncle Emmons Adams."

With the exception of four years, living in the Mount Hope neighborhood, I lived in this house until I was 19.

One mile east lived the Aaron Burns family, the only one now living is Russell of Plymouth.

Forty rods west resided the John Voreis family, none of which are now living.

Mr. and Mrs. Frank McGovern now live in this house. They have been kind and gracious to me. On three occasions they have allowed me to go through the house.

Only last May, while visiting the house, Mr. McGovern, said, "If you come again, we will let you sleep in that bedroom where you were born and we will not

charge you."

Thank you, I think it would be thrilling.

Old Car Display Well Attended

By ROTH CLINE

The Culver Community was fortunate to be able to see a most outstanding display of historic automobiles last Sunday afternoon on the ample Culver Inn parking lot. The old automobiles, put on display by the Pioneer Automobile Association of South Bend and the Lafayette Historic Auto Club, delighted a most enthusiastic crowd of several hundred persons.

Every conceivable model was there, from a 1910 model "T" Ford Roadster, with jump seat, to a 30-year-old right-hand-drive Rolls Royce.

Among the most outstanding was a 1910 Buick Touring Car. Only the tonneau (back seat) passengers were favored with the protection of doors on this car and as one young onlooker said, "less that half doors at that." This high topped model with its wide expanse of glass windshield and gas headlamps was trimmed in highly polished brass. Besides all this, there was no excuse for its driver not knowing what gear he was in, as each position was number — 1, 2 and 3 for low, medium and high — and oh yes "R" was for reverse and "N" neutral.

Other models were beautifully refurbished Cadillacs and Packard Touring cars with extra tonneau windshields in deference to the lady passengers who objected to the wind currents disrupting their coiffures. Also a 4-cylinder Dodge Touring brought back fond memories to many. Among the others was one of the first Chrysler Imperial Sedans, looking like the day it left the assembly line. A Chrysler Roadster with rumble seat reminded this writer of one he used to drive. A Velle (pronounced VEE-LEE) 2-door sedan attracted as much attention as it did when new because not many were manufactured.

Many wishful lookers were attracted to the Model "A" Ford as it was the best known car displayed. The Model "A" was a sturdy workhorse and is possibly the most likely car to be rebuilt, as parts are still readily available.

But the car that touched most hearts with loving nostalgia was the lovely Henry Ford built Ford

Model "T." There in all her glory, however lowly, were most models from the 1910 roadster thru 1927 (when she was displaced with the "A"). Hand cranked models with the wire choke handily sticking through the radiator, bright brass trimmed models with gas headlamps, roadsters, tourings, sedans and coupes all lovingly restored, pampered and admired — and how did we shift gears on these endearing Fords? — Why there was a foot pedal on the left that you pushed down to start out and then let up to high when you got her going, another middle pedal if pushed would reverse the car and the right hand pedal was the brake. Simple — but an engineering feat never equaled by any other manufacturer.

With our eyes dripping with nostalgia as we sadly started to leave, our attention was diverted by two women talking about the jump seat Model "T."

"Look, Mae, they were gear driven," said the first lady.

"What do you mean gear driven?"

The answer, "See THESE gears" said the first lady pointing to the small fragile gears attached to the little car's right front wheel which drives the speedometer.

Well, that should prove that everybody had a good time figuring out the workings of the cars of yesteryear.

Chairman For Mental Health Re-Appointed

MRS. GEORGE MURPHY

Mrs. George Murphy, Kentland, a former Mrs. America, has been reappointed to serve as state Christmas chairman by Mrs. Wilbur F. Pell, president of the Indiana Association for Mental Health.

Mrs. Murphy was selected to serve in this capacity last year because of her participation in the county gift project.

The Newton County resident led the Christmas gift project during its most successful year. As chairman of the state Christmas committee, she will direct the collection of Christmas gifts for all patients in state mental hospitals and schools for the retarded. She will work with the regional chairmen to arrange Christmas parties in all institutions in December. Plans are being made by Mrs. Murphy to call special attention to the one-half millionth gift which will be contributed by a Hoosier to a mental patient.

Indiana was the first state association to conduct a statewide Christmas project.

Bids On U. S. 31 By-Pass Around Peru To Be Opened

The Indiana State Highway Commission will open bids on Sept. 24 for the first part of a two-stage project which will iron out one of the major kinks in U. S. Highway 31 near the Miami County community of Peru.

The proposed project, scheduled for completion in the fall of 1965, will consist of more than 4 miles of controlled limited access, dual-lane super highway forming a by-pass around Peru.

The project will include five bridges spanning the Wabash River, Wabash R.R., U.S. Highway 24, the C&O R.R., Prairie Ditch and later the Eel River. The second stage of the project is tentatively scheduled for bid opening in October and, when completed, will replace the hazardous narrow bridge now spanning the Eel River with a modern dual-lane structure.

Construction of the by-pass will start 2.03 miles south and extend to a point 2.48 miles north of U.S. 24 in the first stage. The second stage will extend northward by-passing the town of Mexico and rejoining U.S. 31, 2.75 miles north of the community.

At the point where the new construction spans the Wabash River and U.S. 24, a single quadrant interchange will be built to link north-south traffic to U.S. 24. The interchange will be installed north of the bridge and include appropriate signals for both intersections.

All bridges will be dual-lane, one-way twin structures of extended steel girders. The Prairie Ditch bridge will be the only bridge included in September bidding for the road contract. The other three bridges will be offered as separate contract structures next month.

Completion of this project will constitute another step in long-range plans to build a modern, safety-engineered dual-lane highway connecting Indianapolis and South Bend and eliminate a difficult and hazardous stretch of road.

Morning Worship 10:30 a.m.

The Christian Science Bible Lesson for this Sunday is on the subject of "Matter."

Scriptural readings will include this verse from I John (2:17): "The world passeth away, and the lust thereof: but he that doeth the will of God abideth forever."

A related passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be read: "Christianity causes men to turn naturally from matter to Spirit, as the flower turns from darkness to light. Man then appropriates those things which 'eye hath not seen nor ear heard'" (p. 458).

FROM OUR OLD FAMILY ALBUM...

What nostalgic memories this picture brings. Every Sunday morning we used to drive to Church in Pop's old "flivver," picking up the Parson on the way.

Today I live in a great city. I ride commuter's trains, and dictate letters, and spend endless hours "in conference."

But I've never forgotten our Church in the field. It plowed deep furrows in my life, and planted the seeds of real happiness.

Now I worship in a big city church. You might think it would be different; but it isn't. Folks are just as friendly. The Truth is just the same. And God is just as close.

You see, in the country or in the city, Christians are conscientious people trying to be better. And for folks like you and me who worship God, the Church—big or little—is home.

News Items About Our Academy Neighbors

(Culled from the August Issue)
Bernice Martin has returned after two weeks vacationing with relatives in Louisiana and Texas. Mary Patrick of Monterey joined Office Service staff on July 16.

Lt. Col. Scruggs, the new PMS & T, has arrived at the Academy and will take up residence at 614 North Plymouth Street. Colonel Scruggs' family consists of his wife Ethlynde; two daughters, Harriet and Mary Francis; a son William; and his mother, Mrs. Hattie Scruggs. Harriet and Mary Francis will attend winter school here at the Academy. Sgt. Davenport will report in about August 10. Major Prouty has returned from Fort Riley and has taken leave to visit his parents in Fayetteville, N.C. From Fayetteville he travels to South Hadley, Mass. where his wife, BJ, and daughter, Leslie, have been staying this summer. The Proutys will return to Culver in mid-August. SFC Jim Goree and family were weekend visitors of Sgt. Major and Mrs. Sprouse. Sergeant Goree is stationed with the reserve in North Carolina.

Mr. and Mrs. W. H. Schutte's son, Bruce, and daughter, Lynn, with her husband and children spent a long weekend together recently. It is the first time since last Christmas that everyone had been home. Bruce completed the summer term at Oklahoma University and is spending some time with old friends in Pittsburg. Darlene Brock is the very proud owner of a bright red new Rambler.

Late summer sees the John Edgells off on their long awaited European junket. Stops at Quantico, Va., for a visit with Mary Ester Platt and husband and a visit with John's mother in New York City will keep them busy before they take a flying start on their holiday. Virginia Rays is in the east on her annual summer sabbatical attending workshop classes in dance at Connecticut College for Women. From there she will work her way south to Annapolis and thereabouts. The Covingtons, just back from their vacation in the Carolina mountains, spent time with Coy's family in Rockingham, N. C., and came back via Fort Belvoir, Va., and visited with the Clifford Dawsons. Betty Brown, after a round of Culver parties, jetted to Hawaii with stops in Seattle and points west. Also on the move, the Allen Brays have moved around the corner and into their new house, the former Mather manse.

Nate Stroup, son of Mabel Bishop, and wife, Gail, brought the patter of small feet to the big white house on the circle. Sons Paul and Jimmy did the patter-ing, Mabel the enjoying. The Henderson house once again was abounding with patter and chatter. Bill Henderson and wife and children checked in from Columbus about the time that Mary Alice Hassett and husband and children checked out. The McNab family is due in next. Helen Jane McKinstry and family are in their cottage on the east shore. Things were never livelier than at the Rossow house. As Bob and Barbara Rossow departed for Washington, D. C. Nancy Ryan and daughter and friend, Jean Harris and daughters brought a ray of California sunshine and

Dinner guests of Mr. and Mrs. Emil Lewis and family on Sunday, Sept. 8, were Dr. and Mrs. Glen Hawkins and daughters, Cindy and Nancy, Mr. and Mrs. Robert Hawkins and Marcia, and Mr. and Mrs. Steve Knox and Robbie, all of South Bend; Mr. and Mrs. Jack Worner of Indianapolis; and Mr. and Mrs. Lloyd Hawkins.

Mr. and Mrs. Frederick R. Braden of Kalamazoo, spent Sunday with the latter's parents, Mr. and Mrs. Frank Brooke, on their 57th wedding anniversary.

Mr. and Mrs. Herman Mackey and children of Noblesville were the weekend house guests of W. L. Thompson.

Wilbur Geiselman, Peru Court, and W. L. Thompson, East Shore Drive, will leave Friday for Vermillion Bay, Ontario, Canada, where they will fly-in to an unnamed lake for a week's lake trout fishing.

Mr. and Mrs. Wilbur Ford of Fort Myers, Fla., were the Monday overnight guests of Mr. and Mrs. Maurice E. Nelson of Lake Shore Drive.

ball and queen for the month. Nancy's husband, Dick, will wing in the middle of the month and drive his family home. Perry Smith is the host with the most these days, entertaining a former Woodcraft Camp tentmate, Richard Hauer, from Fowlersville, Mich. Perry spent 10 days at the Hauers and now it is turn about. Virginia Smith is just back from her parents 50th wedding anniversary in Ashland, Va. Virginia trained down to share the big day with her two brothers and two sisters and her folks, the J. C. Stiles. The Smith clan expects to make the trip again after Summer Schools so the youngsters can visit with their grandparents. A frequent summer visitor, Mrs. Carl Anderson, spent three weeks visiting with her sister Phyllis Roos. The Andersons have a son in Naval School, so Culver is a family thing for them. John Roos is currently enrolled in a three week Latin workshop at Chapel Hill. Great sadness took Ruth Graham and her family to Atlanta for her father's funeral.

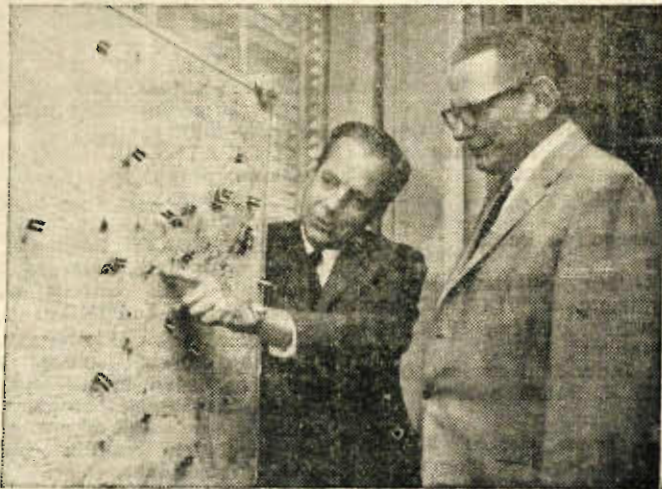

The Dick Littles leave at the close of Summer Schools for a year in Cambridge. Dick will be studying under a Science Foundation grant at Harvard. First stop in the east for them will be with Lorrie and Gordon Bell in Gardner, Mass. Going back to Hometown, USA, the Raymond Wheats head Texas way. Ray is going back to Sul Ross State College in Alpine, Texas, where he did his undergraduate work and received his master's degree. Son John will enroll again at the University of Texas. Wilma reports that their older son, Jim, an apprentice musician in the Navy left this week with a 16-piece show band to do a tour of South America. The group will stop at all ports on the east and west coast and will be home in time for Christmas leave. Another family heading south - to Bloomington, that is, — is the Gelf Schlebeckers. They will make their home at 2305 East Third Street, Bloomington.

SEPTEMBER TERM, 1963
CAUSE NO. —

In the Matter of the Application of Gladys E. Horgeshimer, for an Order Changing her name to Gladys E. Hosimer.

Notice is hereby given that on the 12th day of September, 1963, a Petition was filed in the Marshall Circuit Court, at Plymouth, in Marshall County, Indiana, by Gladys E. Horgeshimer, praying for an order of court changing her name to Gladys E. Hosimer. Any person desiring to object to the granting of said petition may do so by filing said objection in writing with the clerk of said court not later than the 9th day of November, 1963. Dated this 12th day of September, 1963.

John L. Buehler (right), Indianapolis industrialist who will serve as Indiana state chairman of the 1964 March of Dimes, gets a top-level briefing on the nationwide network of some 70 treatment centers from Dr. William S. Clark, director of the medical department of The National Foundation. Mr. Buehler's appointment was announced in New York recently by Basil O'Connor, president of The National Foundation.

**EUGENE BENEDICT JR.
TO ATTEND DIVISION
OF OPTOMETRY AT I.U.**

Eugene G. Benedict Jr., 18 B Road in Culver, has been accepted for admission to the Division of Optometry at Indiana University.

In all, 32 students completed the pre-optometry requirements last school year and qualified for admission, according to Henry W. Hofstetter, chairman of the program. The group is scheduled to complete optometry studies in 1966.

Benedict previously has attended MacMurray College in Jacksonville, Ill., and Indiana University.

**MARSHALL COUNTY BOND
SALES DOWN IN JULY**

Harold Rose, Chairman of the Marshall County U. S. Savings Bonds Committee, has received a report revealing that the County's Savings Bonds Sales for July were \$78,798 compared with \$132,421 for the corresponding period of last year. The state's sales for July were \$13,273,001 and \$12,337,365 for a like period of 1962, a gain of 7.6 per cent.

Forty-one of the state's ninety-two counties reported sales gains for the month when compared with sales of July 1962.

Culver Indians Lose In County League To LaPaz

Beat North Caston By Score Of 11-5

Culver vs. North Caston
Coming from behind with a six-run sixth inning the Culver Indians extended their win streak to five games on Tuesday, Sept. 10, when they played North Caston.

Paced by Sam Lowry's fine relief pitching and two triples the Indians were able to over come an early Comet lead to win 11-5. Sam pitched three innings of scoreless ball in relief of Paul Liette.

Paul chipped in with two hits, one of which was a sixth inning single sending in the tying and winning runs.

Andy Lowry aided the Culver cause with a three run triple in the sixth inning. Jim Lewis snapped out of a recent batting slump with a three for three performance at bat including a triple and two singles.

Culver vs. LaPaz
In quest of their third Marshall County League victory at LaPaz on Monday, Sept. 16, the Culver Indians found runs mighty hard to come by and were shutout by LaPaz 1-0. This was the first time in 24 games the Indians have failed to score at least three runs.

Sam Lowry lost his first game of the fall season even though he pitched one of his better games. Sam gave up only three singles while striking out eight Vikings.

Paul Liette with two singles was the only Culver batter able to get to Dan Harbaugh, winning LaPaz pitcher, with any regularity. Culver now stands 5-1 for over all season and 2-1 in the county league.

Games have been added to the schedule for Sept. 20, at home against South Caston and a return game at South Caston on Sept. 25. The rained out game at West Township has been rescheduled for Sept. 26.

CMA Eagles Open Football Season Friday Night

Culver Military Academy moves into its 24th football season under Coach Russ Oliver at 7:30 p.m. Friday night, Sept. 20, when the Eagles travel to Bremen High School.

The game is the fifth in the Culver-Bremen series, and while Bremen has never beaten the Cadets, all but last year's 35-0 victory by the Academy eleven have been closely-contested. Twice, in 1960 and 1961, the Eagles won cliffhangers, 16-14 and 12-6, in the last few seconds of the contests.

This year Oliver has eight returning lettermen from last year's excellent squad that won seven games and lost only to South Bend John Adams, 25-12. The number of returning lettermen is less than usual, but compensating for the lack of experience is the performance of several new players.

Heading last year's veterans are fullback Chris Hinkle, the leading ground gainer with 542 yards on the ground alone and six touchdowns, and Mike Thrower, a sparkplug in last year's top defensive unit. Oliver considers Hinkle, son of 1937 Vanderbilt All-American Carl Hinkle, the best college prospect from Culver in many years. A native of Little Rock, Ark., Hinkle weighs 195 pounds and moves well. He runs the 100, 220, and high and low hurdles with the Culver track team.

Thrower, of Fort Bragg, N.C., is a starting guard on offense, but his defensive work is the thing he does best. He helped bolster the 1962 defensive team that scored two touchdowns and two safeties.

Other returning lettermen are: end Murvel "Butch" Pretorius, Spring Valley, Ill.; tackles Dave Miller, Hobart, Ind., and Eric Carlson, Seattle; guard Bill Schoo, Chevy Chase, Md.; halfback Jerry Anderson, Tucson, Ariz., and quarterback Lander Carter, Fox Point, Wis.

Oliver's starting lineup for the Bremen game will include Pretorius and Joe Lacey, a reserve letterwinner from Arlington, Va., at ends; Miller and Carlson at tackles; Thrower and Schoo at guards, and 255-pound Mike Turnbull, a newcomer from Grosse Pointe, Mich., at center. John Baker, senior quarterback from Aurora, Ind., will guide the T-formation, and other backs will be Hinkle at fullback, and Anderson and Jim Shull, senior from Mt. Clemens, Mich., at halfbacks.

The Culver varsity schedule:

Friday, Sept. 20: Bremen High School, at Bremen (7:30 p.m.)

Saturday, Sept. 28: Lebanon High School, at Culver (2 p.m.)

Friday, Oct. 4: Hobart River Forest High School, at Hobart (7:30 p.m.)

Friday, Oct. 11: Bishop Luers High School, at Fort Wayne (7:30 p.m.)

Saturday, Oct. 19: St. John's Military Academy, at Culver (2:15 p.m.) Fall Festival and Homecoming Weekend.

Saturday, Oct. 26: Lafayette Central Catholic High School, at Culver (2 p.m.)

Saturday, Nov. 2: Bloomington University School, at Culver (2 p.m.)

Saturday, Nov. 9: Schlarman High School, at Culver. (2 p.m.)

VETERANS' ON-THE-FARM TRAINING SCHOOL HOLDS ANNUAL ALUMNI BANQUET

The 11th annual Veterans' On-the-Farm Training School alumni banquet was held in the Culver Lions Den Monday evening, Sept. 9.

The president, Harry Carr, Argos, returned thanks preceding the banquet which was served by the Burr Oak Church of God ladies to the 34 present. Mr. Carr presided at the business meeting.

Officers elected to serve for 1964 were Carroll Thompson, president; Ben McFarland, vice-president; Bill Heck, secretary-treasurer; Willard Zechiel of Culver, who was the class instructor, spoke briefly, commenting on the farm outlook and the impact of the wheat referendum.

SCHOOL MENU

By Carolyn Reynolds and Ann Waite
(Beginning Monday, Sept. 23)

MONDAY: Pork and gravy, mashed potatoes, cabbage salad, apple sauce dessert, bread, butter, and milk.

TUESDAY: Chili, celery sticks, crackers, peanut butter sandwich, pumpkin squares with whipping cream, milk.

WEDNESDAY: Scalloped potatoes with ham, Harvard beets, pineapple with cottage cheese, bread, butter, and milk.

THURSDAY: Hamburger and dressing, peas, lettuce salad, fruit cup, bread, butter, and milk.

FRIDAY: Baked beans, potato chips, cheese salad or peanut butter sandwich, vanilla pudding with cherry sauce, milk.

Ray Warstler served as auctioneer for the usual white elephant sale and Pete Freuhauf, Jake Elliott and Rich Mochel provided music for the remainder of the evening. The next meeting will be held at the same place next year on the first Monday evening after school begins.
