## Senator Kizer Will Address Culver C of C

### SENATOR MARSHALL KIZER

State Senator Marshall F. Kizer of Plymouth, will be the guest speaker at the Culver Chamber of Commerce meeting to be held Monday, Oct. 14. The meeting will be a luncheon meeting, beginning at 12 noon at The Culver Inn.

The subject of Mr. Kizer's talk will possibly be on the recent General Assembly and his views concerning the various tax legislation passed by that body, which will prove interesting to his listeners.

Members of the Chamber are urged to attend.

Larry E. Seese, YN3, son of Mr. and Mrs. R. V. Seese of Colorado Springs, Colo., former Culver residents, is presently on a cruise of the Orient aboard the USS Buck, a naval destroyer. He was formerly stationed at San Diego Naval Base.

The "Buck" has put into port at Hawaii, Guam, Wake Island, Sasebo, Japan, Hong Kong and is now on Formosa Patrol. They will return to the States in late November.

Yeoman Seese's address is Larry E. Seese YN3, USS Buck (DD-761), c/o Fleet Post Office, San Francisco, Calif.

## Indiana Sales Tax Will Go Into Effect October 23

Constitutionality of the Indiana Sales Tax Law has been upheld by the Indiana Supreme Court. In view of the court opinion, the Indiana Department of Revenue is planning to put the tax into effect at 12:01 a.m. on Oct. 23, 1963.

Under the law every retail merchant making sales at retail is required to secure from the Indiana Department of Revenue a "Registered Retail Merchant Certificate." If you have not already filed your application for this certificate, you should file immediately. Forms with instructions are available at the Department of Revenue, its field offices and at your local banks.

You can't browbeat customers but you can persuade them with Culver Citizen Classified Ad. Call VI 2-3377.

**10% DISCOUNT ON CHRISTMAS CARDS** ordered at The Citizen office before October 31. In order to make your selection in the privacy of your home, we will lend you for overnight or week-end perusal the sample books which offer a complete line in a wide variety of styles and prices. 37tfac

## William Rockhill, Native Of Culver, Dies At Age 36

William O. Rockhill, age 36, died Wednesday morning, Oct. 2, in St. Johns Hospital, Santa Monica, Calif., following an illness of six months.

Mr. Rockhill was born in Culver on Jan. 28, 1927, and moved, with his mother, to St. Petersburg, Fla., when he was 12 years old. He resided in Pacific Palisades, Calif., for the past 8 years.

Surviving are his wife, June; two daughters, Narda and Heather at home; his mother, Mrs. Pearl Rockhill of Arcadia, Calif.; his father, Lester Rockhill of Oakland, Calif., and a brother, Donovan, Bakersfield, Calif.

William O. Osborn of Culver, uncle of Mr. Rockhill, attended the funeral services which were held Friday in Pacific Palisades.

## Celeste Holm At Eppley Theater October 16

CELESTE HOLM

Celeste Holm, well known theater, motion picture and television actress, will be seen in "With Love and Laughter" as part of the concert-theater series Wednesday, Oct. 16, at Culver Military Academy.

The 8:15 p.m. performance will be held in the Eugene C. Eppley Auditorium and will be attended by Academy faculty and cadets and the general public.

Posing the question "has the relationship between men and women changed?", Miss Holm will pursue the answer through music, comedy and drama, with the assistance of Broadway and Hollywood performer Wesley Addy.

Miss Holm's performance will draw from the writings of Saroyan, Shaw, Shakespeare, Thurber, Rogers and Hart, Oscar Hammerstein, II, and others.

Star of the production "Oklahoma!", Miss Holm is one of the busiest actresses in the theater today. She won an Academy award for "Gentlemen's Agreement" and has appeared in such films as "Come to the Stable," "All About Eve," "Tender Trap," and "High Society." On stage she appeared in "Affairs of State" and the recent "Invitation to a March."

### THOMAS BOSWELL ENROLLS AT DEPAUW UNIVERSITY

Thomas Boswell, son of Mr. and Mrs. Hampton Boswell, 433 Harding Ct., Culver, has enrolled as a sophomore for the fall semester at DePauw University in Greencastle, Ind.

Beginning its 127th academic year, DePauw is a coeducational liberal arts college with a total enrollment this year of over 2,300 students from approximately 40 states and 17 foreign countries.

Miss Barbara Hatten returned to Memorial Hospital School of Nursing at South Bend Sunday evening after spending the week-end with her parents, Mr. and Mrs. Harold Hatten, and Paul.

## Five C.M.A. Employees Receive Service Awards

Five veteran employees of Culver Military Academy were awarded 25-year service watches by Major General Delmar T. Spivey (right), Academy superintendent, in ceremonies recently. Honored were, left to right: Wallace Starr, library custodian, 32 years; Albert Hosimer, boat department, 37 years; Sara Riewoldt, library staff, 25 years; Harold Scott, dining hall, 40 years; Wilfred C. Craft, boat shop, 44 years.

## Culver Fire Dept. Makes Two Runs

The Culver Fire Department was called to the Maxinkuckee Fish and Game Club property located west of Culver on State Road 10, last Thursday about 3:30 p.m.

Allen Weaver, who has been digging marl on the property north of the fish hatchery property, has been using the hatchery roads as an outlet. In building the roads back to the digging operation, he used corncocks to help soak up the moisture in the marsh area. His truck became mired in this makeshift road and the exhaust from his truck set the corncocks on fire under his truck. The fire was extinguished before damage could be done to the truck.

Saturday night, about 9:15, an alarm was sent to the local Fire Department that a fire had been discovered in the Amond Building. This alarm proved false. It is thought the person turning in the alarm was a youth who did it as a prank.

It might be well to advise such pranksters, if they are juveniles and apprehended, the fine is from \$18.75 to \$42.75, and the culprit must appear in Juvenile Court.

If an adult pulls the prank, it can mean more expensive fines, as well as a jail sentence.

We have been informed that full prosecution will be dealt out for such pranks if the offender is caught.

## Postmaster Lists Dates For Mailing Overseas Parcels

The Post Office Department has requested all mailers of Christmas parcels for overseas delivery to observe the following dates:

Parcels addressed to the Far East should be mailed before Oct. 15.

Parcels addressed to the Near East and Africa should be mailed before Nov. 1.

Parcels addressed to Europe, South and Central America should be mailed before Nov. 10.

Parcels addressed to our Armed Forces (APO or FPO) should be mailed before Nov. 20.

These dates are for mailing by ordinary parcel post rates. Air Mail parcels may be mailed as late as Dec. 10 and still be delivered before Christmas.

The Post Office Department also urges all mailers who are unfamiliar with the various size, weight and customs forms for overseas parcels to inquire at the local post office for particulars before presenting their parcels. Considering the long distances and many handlings necessary, it is important that parcels be packed extra securely.

## Hibbard E.U.B. Church To Observe 50th Anniversary

In commemoration of the fact that the Hibbard Evangelical United Brethren Church building was dedicated Dec. 13, 1915, the church will mark its 50th anniversary with special services on Sunday, Oct. 13.

Sunday School at 10 a.m. will be followed by the Morning Worship at 11 a.m., during which Rev. John Davis of Roanoke, Ind., a former pastor, will bring the message.

A carry-in dinner will be served in the church social rooms at noon, and Rev. Walter Adams of Bellevue, Ohio, also a former pastor, will be the guest speaker at the afternoon service which will begin at 2:15 p.m.

Special musical selections will be presented during the three services by Stuart Lowry and Mike Wyant, Miss Jill Overmyer, Rev. Bruce Price, Mr. and Mrs. Albert Quivey of Lowell, Ind., Rev. Thomas Rough, Mrs. Walter Adams, and Rev. and Mrs. John Davis. Charter members will be honored.

The Rev. Bruce Price, pastor, cordially invites the public to attend all the services.

## Don't Burn Leaves On Pavement

Chief of Police Don Mikesell cautions people not to burn leaves on blacktop streets or highways. The practice is very damaging to the blacktop. The heat from the burning causes the blacktop to deteriorate and soon a large chunk hole appears.

As Culver, like all small communities, does not receive enough funds from state gas tax refunds to do only a limited amount of re-surfacing each year, the funds taken just that much from the new re-surfacing funds. Help our city officials to protect our streets in an effort to make our street funds go farther. Don't damage our hard surface streets by burning leaves on them.

## Hospital Notes

Mrs. Cecil Baker, 613 Obispo St., Culver, has returned home after being a patient in Parkview Hospital at Plymouth.

**FIRE DEPARTMENT** calls should be made to Viking 2-21:1.

**UNITED FUND** — an organizational and budget meeting will be held Monday, Oct. 14, 7:30 p.m. in Bank Auditorium. All interested parties are invited to attend. 41n

## Road 10 From New 17 to South Queen Resurfaced

State Road 10, from new 17 to South Queen Road was resurfaced this week with a layer of asphalt mix. W. L. Carrothers, state highway superintendent stated that the improvement was part of the highway maintenance program.

In his maintenance allotment, there was approximately 2000 tons of asphalt mix remaining in this year's program. It was decided to resurface this stretch of highway with the material left, letting it go as far as possible. State Road 10 needed the repair as in several locations the road base was breaking up.

## New Faculty Members Of CMA Staff

DR. ARMANDO F. PEREZ

MISS MARGARET GARLAND

An exile who once practiced law in all of the Cuban courts has become an instructor in Spanish at Culver Military Academy.

Dr. Armando F. Perez is among 10 new faculty members appointed for the 1963-64 academic year at Culver. He left Cuba in June, 1961, after fighting against the regime of Fidel Castro.

A graduate of Havana Institute, Dr. Perez earned his law degree from Havana University in 1957. He practiced law in all of the Cuban courts and also operated his own finance company in Havana before he was forced to flee the island in 1961, leaving behind his home, automobile, and nearly all of his possessions.

Dr. Perez worked as assistant to the vice president of the Purdue University Airport until September, 1961, when he began

teaching Spanish in the Lafayette area at Chalmers and Reynolds high schools. Prior to his appointment by the Academy, Dr. Perez attended a University of Iowa summer course for the teaching of Spanish.

In another Academy appointment, Margaret R. Garland has been named assistant librarian. Miss Garland is a native of Henry, Mich., and attended public school in Petoskey, Mich. She is a graduate of George Peabody College, Nashville, Tenn., and has spent summers studying at the University of Michigan and Bayview (Mich.) College of Liberal Arts.

Miss Garland taught history at Newport News, Va., and was assistant to the librarian at Newport News Junior High School until 1958. She was librarian at the Bishop's School, La Jolla, Calif., prior to her appointment at Culver.

## Game Seasons Announced

The Indiana Department of Conservation has set the 1963 hunting season for small game by Discretionary Order. The seasons and bag limits are as follows:

**PHEASANTS:** Nov. 10 through Dec. 7, 1963. This is an increase of one week over the 1962 season. Surveys made by Division of Fish and Game biologists indicate that there are more cocks available in the spring than are necessary for successful reproduction. This additional week provides more hunting opportunities without hurting the population. The bag limit will be the same as last year, 2 cocks per day and 4 in possession.

**QUAIL:** Nov. 10 through Dec. 20, 1963, with a bag limit of 14 per day and 30 in possession after the third day.

**RABBIT:** Nov. 10, 1963 through Jan. 10, 1964. The bag limit is 5 per day and 10 in possession.

**HUNGARIAN PARTRIDGE:** Nov. 10 through Dec. 20, 1963, with a bag limit of 5 per day and 10 in possession.

Since Sunday hunting is prohibited in Indiana the first day will be Nov. 11, and hunting will begin at 8:00 a.m. in those counties using Central Standard Time or 9:00 a.m. in those counties using Eastern Standard Time. This time schedule applies to the first day only.

In addition to setting the dates and bag limits, the 1963 regulations prevent the hunting, shooting, killing, capturing or pursuing of rabbit, quail, Hungarian partridge, or pheasant by means, aid or use of a motor-driven conveyance or motor vehicle.

## Two Instructors From England Join CMA Language Staff

JOHN W. CHADWICK

JOHN LAYCOCK

Two instructors from England have been named to the faculty at Culver Military Academy for the 1963-64 academic year.

John W. Chadwick, instructor in French, and John Laycock, teacher of English, bring to five the number of faculty members from English preparatory schools who have taught at Culver since 1961.

Chadwick taught for 13 years in English preparatory schools, eight of them at Hollingsbury Court School and five at Heudon Preparatory School. He is a grad-

uate of Brighton College, Sussex, and Southampton University, London. During World War II, Chadwick served with the Royal Air Force as a warrant officer.

Laycock received his master's degree from St. Andrews University, Scotland, last June. While at St. Andrews he was editor of the weekly newspaper and a member of the cross country squad. Laycock was in the United States for several months during the summer of 1962 when he worked with the advertising department of a national food store chain in Philadelphia.

By GREG EASTERDAY,  
Troop Scribe

"Dodge ball" was the pre-opening game of Troop 290 on Oct. 7. The Flaming Arrow Patrol conducted the opening ceremony with 21 Boy Scouts present. Announcements were given after which patrol corners were held giving each Scout a chance to pass Second and First Class requirement. A uniform inspection was held followed by a campfire program and "Swat 'em." The playing of Taps closed the meeting.

Honor patrol for the month of September went to the Flaming Arrow Patrol.

Remember, next Monday is the Board of Review, so let's all get working and advance in rank.

First aid classes will begin next Tuesday, Oct. 15. You will be able to pass Second and First Class first aid and first aid merit badge and will be able to complete Red Cross first aid requirement. These weekly classes will be conducted by Mr. Wilbur Kelso who is a qualified Red Cross instructor and will last at least six weeks.

Rally overnight campout will be held Saturday and Sunday, Oct. 19 and 20. Bring your meal fee next Monday if you plan to attend.

"A great many people are already working a four-day week. It just takes them five or six to do it." — Ray Winans, West Springfield (Mass.) Record.

## County CROP SUNDAY Set For November 10

The County CROP Board met recently with Township chairmen to make plans for the canvass this fall. Wayne Kline, Route 1, Culver, will serve as Union Township chairman.

Plans were completed for a county-wide kick-off banquet for all township chairmen and canvassers Friday, Nov. 8 at 7 p.m., at the Plymouth Church of the Brethren. Mr. Robert Lapham who has distributed food in Lebanon, will speak and present pictures. Canvassers packets and materials will be distributed. There will be no charge for the meal. All who are interested in CROP are invited. Reservations should be made for the meal by Nov. 5 with Rev. Arthur G. Heisler, 207 E. Center St., Bourbon, (Tel. FI 2-5845).

CROP, the community-wide food appeal of the churches, is a channel for contributions of commodities or cash to meet some of the urgent needs of people in other lands who face overwhelming poverty and disaster.

Sunday, Nov. 10, has been designated as CROP SUNDAY in Marshall County.

Since Union Township CROP is in the local United Fund, there will be no CROP canvass in Union Township. However, those who wish to make a contribution to CROP may leave corn or cash at the Culver Elevator.

The CROP goal for Marshall County this fall is 5,000 bushels of corn or cash totaling \$5,000. The possibility of sending a car of corn from our county is being considered.

Miss Pamela Phelps  
Installed As Advisor  
Of Rainbow Girls

Miss Pamela Phelps was installed as worthy advisor of Assembly No. 61, Order of Rainbow for Girls, Saturday, Sept. 28, at 7:30 p.m. in the Masonic Temple with Miss Carolee Easterday, retiring worthy advisor, as the installing officer. Other installing officers were Mrs. Donald Reed, marshal; Mrs. Judson Dillon, chaplain; Miss Marsha Lindvall, recorder; Mrs. Jack Spencer, soloist; and Mrs. Chauncey Lennen, musician.

Mr. and Mrs. H. Wilton Landrum, Grand Lecturer and District Deputy; Mrs. Donald Parson, Worthy Matron of Emily Jane Culver Chapter 484 of the Order of the Eastern Star; Herbyn Maynard, Junior Past Master; Henry H. Culver, Masonic Lodge No. 617; and Mrs. Roger Thews, Mother Advisor, were introduced as guests seated in the East.

Miss Pamela Phelps, worthy advisor elect, was escorted behind the altar to take her vows. After which Mrs. Jack Spencer, installing soloist, sang "My Task" to her.

Other officers installed were Martha McAllister, charity; Joan Dillon, hope; Kathy Easterday, faith; Eva Norris, treasurer; Jeanne Adams, chaplain; Carolyn Snyder, drill leader; Judy Thews, love; Becky Easterday, religion; Suzy Spencer, nature; Cathy Carrothers, immortality; Loretta Berger, fidelity; Judy Price, patriotism; Diane Davis, service; Valerie Gunder, confidential observer; Janet Manchester, outer observer; Sharon Norris, musician; Molly Norris, choir director; Elaine Kaiser, Hoosier Promise; Carolyn Saft, historian; Holly Thompson, prompter; and Jane Ives, rose lecturer. Miss

Lucy Osborn will be installed at a later date as worthy associate advisor.

After Miss Phelps welcomed all the guests, Mr. and Mrs. Orville Phelps, parents of the worthy advisor, were escorted to the East where Miss Phelps presented her mother with a red rose corsage and her father with a boutonniere. Mrs. Spencer sang "You're My Everything" in their honor. Following the song, Miss Phelps introduced the rest of her family.

"Faith and Prayer Go Hand in Hand" is Miss Phelps' motto with her watch-words being Faith and Prayer; her colors, red and white; and her flower, the red rose. Dr. Meredith Sprunger of Fort Wayne spoke on her motto.

While Miss Carolee Easterday was escorted behind the altar to sign the Bible, Mrs. Spencer sang "The End of a Perfect Day." During the closing of the Assembly, Miss Phelps knelt at the altar as Mrs. Spencer sang "The Lord's Prayer."

Refreshments were served in the social rooms following the installation by Mrs. Raymond Manis, Mrs. Jack Easterday, Mrs. Richard Gunder, Janet Zechiel, and Sarah Beth Hoesel.

**Culver City Club Hosts Senior Class**  
 The first general meeting of the Culver City Club for the Fall season was held on Thursday evening, Oct. 3, at the Bank Auditorium with approximately 75 members and guests attending.

Members of the senior class of Culver High School were special guests for the evening.

Mrs. Earl Dean Overmyer, president, opened the meeting and welcomed the guests and Paul White, president of the senior class, responded.

Mrs. Donald Davis gave the thought of the month after which

the guest speaker, Mrs. John R. Kennedy of Michigan City, was introduced. Mrs. Kennedy was accompanied by her husband and together they presented a most interesting program of slide pictures and a discussion of Mrs. Kennedy's recent Rocirucian Egyptian Tour. Mr. and Mrs.

Kennedy were both in Egyptian costumes.

Following the program, refreshments were served from tables attractively centered with Fall flowers and leaves.

Hostesses were Mrs. Donald Reed, Mrs. H. L. Werner, Mrs. Clarence Epley, Jr., Mrs. Jack

Spencer, Mrs. W. C. Hansen, Miss Osie Stahl, and Mrs. Joseph Anderlohr.

# Engagements

Esser-Shorney

MISS ERIKA ESSER

Mr. and Mrs. Rupert Esser of Logansport and 324 South Shore Drive, Culver, announce the engagement and forthcoming marriage of their daughter, Erika Elisabeth, to William Gordon Shorney of New York City.

Mr. Shorney is the son of Mr. and Mrs. G. Herbert Shorney of Oak Park, Ill. He is a graduate of Denison University and a member of Phi Gamma Delta Fraternity. He has served three years in the Army and is now associated with the Irving Trust Company in New York City.

Miss Esser is a graduate of DePauw University and is a member of Kappa Kappa Gamma and Tri Kappa Sororities. She is Assistant Personnel Director of the Marine Midland Trust Company in New York.

The couple will be married in Trinity Episcopal Church in Logansport on December 28, and will live in New York City.

Mr. and Mrs. Rupert Esser spent the weekend of Sept. 28 in Oak Park where they were the houseguests of Mr. and Mrs. G. Herbert Shorney.

The Essers are well-known South Shore Lake Maxinkuckee summer residents.

Mrs. Robert Rossow Celebrates Birthday

Mrs. Robert Rossow of Faculty Row has as her houseguest, her very dear friend, Mrs. Evelyn Ervin, of Los Angeles, Calif., who arrived in Culver last Friday and is leaving today, Wednesday, Oct. 9, for her California home.

Mrs. Ervin's visit was timed especially to help celebrate the birthday anniversary of Mrs. Rossow, which occurred last Saturday, Oct. 5.

Cap and Mrs. Robert Bolton, also of Faculty Row, honored Mrs. Rossow and her guest at a beautiful birthday dinner party Saturday evening in their home. Later the guests enjoyed the performance of the Alvin Ailey Dance Theatre at the Eppley Auditorium on the Academy campus.

Culver Rebekahs Attend Walkerton Lodge

Nine Culver Rebekahs met Tuesday evening at 6:30 p.m. for a short business session in the Lions Den. After closing the session, all were guests of the Walkerton Lodge in Walkerton.

All Culver members introduced themselves and were welcomed. Mrs. Donald Mikesell, banner bearer of the Ladies Auxiliary of the State of Indiana, was taken to the center of the floor, introduced, and welcomed.

After the close of the meeting, refreshments of cheesecake, crackers, mints, and coffee were served and all enjoyed a social evening.

Those attending from Culver were the Mesdames Callie Culter, Alice Mikesell, Zazel Mishler, Margaret McGaffey, Trula McKee, Pearl Onesti, Ellen Rosenbaum, Patricia Ruby and Tot Strang.

American Legion Auxiliary Entertains For Juniors

The regular meeting of the American Legion Auxiliary was held Wednesday evening, Oct. 2, at the Legion Home when 30 girls from the junior class of Culver High School were guests.

The Misses Pamela Phelps, Betty Ricciardi, and Sue Gardner told of their experiences when they attended Girls State at Indiana University during the summer.

Mrs. Daniel Bieker presided at the meeting and introduced the district president, Mrs. Mildred Parks of Nappanee, who was a guest.

Mrs. Jack Taylor, Girls State chairman, was in charge of the

program. During the social hour refreshments were served from a table decorated in the Halloween motif.

The Clarence Klines Return From California Vacation

Mr. and Mrs. Clarence Kline have just returned to their home at 11 Venetian Village, Culver, from a four-weeks' vacation trip to California, which they made by jet plane from O'Hare Field in Chicago.

While in the Golden State, the Klines visited their daughter, Mrs. Fred Hannabach, Mr. Hannabach, and sons of Burbank; Mrs. Kline's sister, Mrs. Dollie Lind, a patient at the Hillcrest Convalescent Hospital in Long Beach; and Mr. and Mrs. Earl M. Brown, also of Long Beach.

While visiting with the Browns, Mr. Brown became very ill and had to be hospitalized where he underwent surgery. He is now home and feeling well again.

The Klines enjoyed a visit with Mr. and Mrs. Guy Kline and son in their beautiful home in Rolling Hills, Calif.

While in California, the Klines experienced some unusual weather — a thunder storm with lightning, three days of rain, and a week of very warm weather with temperatures ranging from 100 to 112 degrees, breaking heat records in that area for this late in the season.

Mrs. C. R. Crawford of Farmington, New Mexico, Mr. and Mrs. Jack Reinhold and son Eric, and Mr. and Mrs. Jim Reinhold and daughter Shelley of Star City were Sunday guests of Mr. and Mrs. L. J. Reinhold.

Miss Gerry Rose Lewis spent the weekend with Mr. and Mrs. Tom Shank at Winamac.

Dorcas MacDonald of Niobrara, Neb., was a weekend guest recently in the home of Mr. and Mrs. Milo Lewis. Mrs. MacDonald's graduating class of 1931 held a reunion Sunday at the Lewis home.

Mr. and Mrs. Ted Woodward and family of South Bend spent the weekend with Mr. and Mrs. B. W. Woodward.

Mr. and Mrs. Ted Woodward of South Bend, Mr. and Mrs. Max Woodward, and Mr. and Mrs. Bill Bauer attended the football game Saturday at Purdue. That evening they were guests of Mr. and Mrs. John Woodward.

The Tippi 61 Home Demonstration Club will meet Monday evening, Oct. 14, at 8:30 p.m. at the home of Mrs. Carol Master. Mrs. Robert Zehner will serve as co-hostess.

Cheerleaders were elected Thursday afternoon at the high school. The new cheerleaders for the coming basketball season are Sherry Carson, Jackie Hart, Trudy Hall, and Judy Burkett.

The high school will sponsor a carnival again this year. It will

be held in the gymnasium on Oct. 22.

The Senior class will give their play Friday evening, Oct. 18, beginning at 7:30 p.m. Tickets may be purchased from any senior.

Donnie Shaffer suffered second and third degree burns on his hands when he fell against a stove in his home Thursday evening. He was taken to the Pulaski County Memorial Hospital for treatment and released. Donnie is the year-old son of Mr. and Mrs. Roy Shaffer.

Mr. and Mrs. Harold Posthuma and family visited Saturday evening in the Carl Coffin home at Knox.

Mr. and Mrs. Thomas Paulsen of San Pierre visited Saturday evening in the home of Mr. and Mrs. Don Good.

Mrs. Robert Zehner and Miss Mary Zehner were in South Bend on Saturday to attend the wedding of Miss Patricia Hartman, daughter of Mr. and Mrs. H. J. Hartman.

Mrs. Hazel Good visited Saturday with Mrs. Dora Good and Mrs. Etta Sellers at Knox.

Mr. and Mrs. William Rosenbahr Jr. and family of Hammond spent the weekend at Hartz Lake.

Brad, Brenda, Blaine, and Brent Keller and Linda Reinhold were guests on Monday of Cindy Posthuma to help her celebrate her 4th birthday.

Persons past age 62 may have an asset they're overlooking — they should check up on their rights by visiting a social security office.

## Looking Ahead

President  
National Education Program  
Searcy, Arkansas

### MODERN GOLD RUSH

It's no wonder that we have almost ceased to hear jokes about what lies buried at Fort Knox. The quips were common in 1949, when a peak of more than \$24.5 billion in gold was secured there. But the gold is rushing outward to the rest of the world which has claims because of a more favorable balance of payments at a present rate of more than \$3 billion per year. This is no longer laughing matter with the U.S. Treasury Department, whose officials recently hailed increased interest rates from the Federal Reserve Banks and restrictions on foreign investments as measures that may help keep our dollars at home.

President Kennedy was warmly greeted by thousands in the streets of Europe, but it is reliably reported that he got a more sober message from European bankers. The essence of it: Europe cannot be expected forever to prop up the dollar while the U.S. itself pursues policies that undermine it continually. The cry of "myth" from the White House academic economic staff (Keynesian) will not suffice to pull these chestnuts from the fire. It is going to take some real courage and real work to get the country moving again toward a sound dollar.

### Time of Crisis

The facts are that our treasure of gold has reached its lowest point since 1939. It has been

drained from its peak of \$24,691,000,000 (September 1949) to a low of \$15,733,000,000 at the end of June. Against this reserve are billions of short term debts owed to foreign accounts which some experts will guess as high as \$35 billion. Our dwindling gold stock must back up both our own currency and that owned by our Allies in Europe, who more and more seem to prefer our gold to our dollars. The fiscal situation gets more precarious day by day.

At this writing there are rumors of secret crisis meetings of monetary experts in Washington as well as in the capitals of Europe. The half-way measures already announced are hardly expected to reduce the balance of payments by more than \$1½ billion or so. This is only a drop in the bucket when the flow of the whole stream needs reversing.

### Speeches Not Enough

The President has promised the nation a speech on this problem soon. After much hoopla about it last year, the measures taken succeeded only in holding the balance of payments deficit to some \$2,200,000,000 and resulted in a prediction that 1963 would bring a balance. Well, this problem is still going to require a great deal more than speeches. The outflow rate for the first three months of the year was well over \$3 billion. There are predictions the rate may be up to \$3.5 billion in the quarter just ended.

It is to the credit of Treasury Officials that they have avoided suggesting various "painless" schemes that might be thought up. There are no painless remedies for honest debts. The Treasury wants to show the international bankers that this country

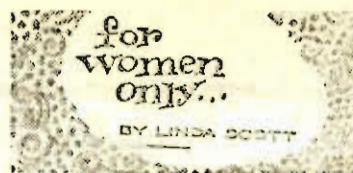

is going to exercise the discipline required of an honest debtor and not claim bankruptcy. But it will be required that Congress and the rest of the nation's leadership realize that our gold outflow is not an isolated, unrelated phenomenon, but that its real solution awaits the proper answer to several related problems.

### The Problem Brought Home

Such as expanding and enlarging our foreign trade. Our trade itself has been showing a balance of exports over imports, but we could do better. We shall probably not do better, however, unless we can meet the competition of foreign countries in the market places of the world. This complicated question reaches right down to the need for machine tools that help make our factories efficient. It comes right down to the costs of materials, of labor, of overhead. It asks whether our unions are demanding more than their share of the income from increased productivity.

There is general agreement that a tax cut would make a more prosperous, active America with stronger dollars, if — and only if — we can bring our government spending into line with government income. Many of our National leaders have not yet understood what some of Europe's bankers know: that we have been too free and easy with inflating and printing currency. Foreign bankers understand well enough that when a nation has too many liquid assets, some of it is bound to spill over. They see us monetizing our increasing debt, a people unwilling to live within our budget or cut back our spending. That is why they want gold, not dollars.

It Pays To Advertise

If the children are inclined to wash and run, leaving towels on the floor instead of on the rack, you can foil them by sewing snap type fasteners to the ends of the towel. Drape the towel over the rack, snap the fasteners and it's there to stay. Another method: secure the towel with safety pins.

It's possible to keep your personal telephone directory up to date and neat appearing too, if you write the numbers in pencil even though you may write the names in ink. By erasing numbers and penciling in new ones whenever changes occur you avoid cluttering up the book with corrections.

Rust stains on porcelain and in clothing or other fabrics are caused by iron in the water supply. Non-abrasive compounds made expressly for the purpose should be used to remove rust stains on porcelain. Use liquid bleach to remove stains in fabrics, following directions for proper solution. One water conditioner manufacturer, The Lindsay Co., St. Paul, Minn., has come out with a home conditioner that solves the problem before it starts by removing iron from water at the same time it is softened.

Dull scissors can be sharpened quickly by cutting sandpaper with them, using two pieces of sandpaper placed back to back with the rough sides showing. Similarly, pinking shears can be sharpened by cutting through a double fold of aluminum foil several times.

**NO KNOCK** — This was gleaned from the column of Robert Cloyd Jr., editor of The Lafayette Leader: "Opportunity doesn't knock these days. It rings the telephone and asks a silly question."

**MORE MILK FOR  
YOUR MONEY**

Smart shopping can help a family get considerably more milk for its money, points out Jan Armstrong, consumer marketing specialist at Purdue University.

And since milk contains so many vitamins and minerals necessary to maintain good health, make it one of the first foods you put on your shopping list, she urges.

Examine your milk buying practices to find ways to ease milk money out of a tight food budget.

In some cases you can save money by carrying your own milk supply from the store instead of having it delivered. Or, you may receive a discount from some companies on delivered milk if you order a certain number of quarts regularly. However, not all companies follow a discount plan.

In some places, milk sells for less in two quart or gallon containers than by the quart or pint.

You may find a different form of milk satisfactory to use as well as more economical. As a rule plain fluid skim milk, buttermilk and canned evaporated milk are cheaper than fresh whole milk.

Nonfat dry milk is a milk bargain. It can be turned into re-constituted fluid skim milk at less than the cost of fresh skim milk.

# COMMUNITY HOME SCHOOL THE SCHOOLBELL

PUBLISHED WEEKLY BY THE PRESS CLUB OF CULVER HIGH SCHOOL

## Papcooses Today — Braves Tomorrow

By Jane Ives and Jeanne Adams

To unite into a group or form a club seems to be a basic urge for all age groups, and here at Culver, we have extra-curricular activities to meet almost any impulse. Culver's program is generally rated as one of the best in the state.

Extra-curricular activities may be divided into four distinct groups — service, character building, educational, and honorary. Most C.H.S. students belong to several of these groups which are preparing us to be better citizens.

As you can see, each club serves a distinct purpose, both for the student and for the school, thus allowing each student to find a sphere of interest that fulfills his needs.

We believe that each student is entitled to certain rights as a growing person. These rights include: the right to inform ourselves, the right to govern ourselves, the right to gain in understanding, the right of self-expression, and the right to grow in stature.

By taking a closer look, we can see how each of these rights are carried out in each of the various extra-curricular activities.

While the clubs are under faculty supervision, the students elect their own officers and train themselves for future community leadership by running the clubs themselves.

It is interesting to note that the majority of the clubs stress service to others instead of the "what's in it for me" motive.

Just how important a role the music department plays in the life of the student body is shown by the amazing participation. Music is a wonderful form of self-expression, one of the rights to which, we believe, each student is entitled.

The diversified athletic program offered at our school builds body, sportsmanship, and character.

Stop to think! What if, all of a sudden, for no reason at all, it was decided to discontinue all extra-curricular activities? What would happen? We think that soon there would be a lot more juvenile delinquency! What would there be to do except walk the streets or run around in cars.

We have such a busy time trying to be members of all the clubs and organizations in Culver High School, that many a teacher and parent have been known to exclaim, "You don't put enough time on your curricular work. Extra-curricular activities are a waste of time!" It may very well be that enough time isn't spent

on curricular work, but it most certainly is not a fact that extra-curricular activities are a waste of time!

They are a necessity to every student, but each student should, in regard to curricular activities, be careful that the "tail doesn't wag the dog."

## Funds Raised For Awards

By Charles Snyder

In order to raise funds, the National Honor Society and the Student Council sponsored a spaghetti supper. The supper was held on Saturday, Oct. 5, in the school gym. Mr. Cole and Mr. Miller, sponsors of the organizations, donated their time, along with the student members, to make the supper a success. The money earned from this project will be used in the purchasing of awards and membership pins given to deserving students at the annual high school achievement day later in the spring. The proceeds will also purchase the senior scholastic honor sweaters. There are five seniors eligible to receive sweaters this year.

The Tomahawk Staff would like to remind anyone who would like to purchase a yearbook to turn in his deposit to either Joan Dillon or Jane Ives. The deposit of at least one dollar is due by Oct. 9. All remaining money is then due to be turned in by March 2, 1964.

The Projector's Club is in its usual busy schedule. The members of the club must sacrifice some of their time in order to show films in the grade school, as well as for many of the high school classes.

With the basketball season underway, the Usher's Club is looking toward the home games which are coming up soon. The club will have two class plays to usher this year, as the senior class will present a play in February.

... Braves and maidens, this is Station CHS on your Teepee Transistor, the sound of the "happy tom toms." These are your happy-go-lucky dj's taking time to give you the inside stories concerning your fellow scholars.

Witch doctor Linda Nelson can be seen wearing a bear's tooth charm around her neck. This tooth serves the definite purpose of warding off all wolves... except one!! Linda is contentedly abiding by our traditional tribal custom of brave-dates-maiden!

We have a want-ad for two efficient wall-washers. To fill the bill we suggest Dave Lemar and Bob Albert. They have proved their skills by scrubbing down the cafeteria walls. Why? Well, they tried the area of interior decoration by the method of modern art. Their paints were substituted by pumpkin pie and whipped cream. We've considered Dave's ability on the basketball floor and wonder how he happened to miss his aim and hit Bob's face and collar; if you are also interested in their neck-washing service, contact these guys.

There were a half dozen juniors late for Bob White's hayride because of Junior Play tryouts. (They insist "better late than never" though!) The evening was clear and cool and perfect for the party. There were a few new and interesting couples at the White wigwam that night, too. The party-goers were finally introduced to that special brave of Sharon Eustis, Tom Dickinson. (He journeyed many miles from a far away reservation for the occasion. His stomping grounds are Hebron.)

We understand Gale Vander Meade didn't illustrate his bowling abilities well either. What did you say your score was, Gale?

Could it be Greg Harmon, Dick Mackey, and George Wright are "teacher's pets?" After all, they were issued special seats for a temporary class situation.

Monday mornings are surely miserable, aren't they Lon Hatfield? (He started the week off with a big "trip" ... up the steps!!!)

A funny thing happened after baseball practice the other night. It seems Mike Eustis and Mark Kosterman prefer killing two birds with one stone by washing their uniforms and showering at the same time. Of course, other team members promote such activities vigorously!

Jeanne Adams has proved she definitely does need glasses of some sort. She defends herself by insisting contacts are small and easily displaced!

For sale: Four bald tires and one set of used (very used!) brakes! Bob Albert made use of the necessary equipment when he peeled out of the Frosty Cream and squeaked to a halt to avoid hitting ... ???

Many sophomore girls have exceptionally blistered feet and bruised ankles. These injuries resulted from their attempting to shuffle around in their fathers' shoes. Linda Sparling, were your

in those ventilated shoes????!!

The French III class enjoyed Paul White's booming voice when he sang a solo part in "Pour Vous Connaitre" (Getting to Know You) Was that planned or was it an accident, Paul!!

Dave Lemar has been promoted to the status of an inspector. The trouble is he's trying to inspect without a search warrant. The maidens, however, have been insisting on their Constitutional Rights!!

School is a place for learning, and if Judy Price doesn't learn anything else, we believe she'll never hang her head over a busen burner in chemistry class again. She did a fabulous job of singeing her locks!

Tom Yocom has again proved that "necessity is the mother of invention" by using an "elevated seat" in fourth period study hall. This has proved to be a wonderfully "soft" solution to a "hard" problem!!

True, Al Hyland isn't in track, but he most certainly gets his share of exercise. Since his "wheels" have been "rolled from under him," he periodically walks to the Burr Oak reservation to see his favorite maiden, Kay Overmyer.

Judy Thews' hayride party turned out to be quite an affair. The usual custom is straw-throwing, but those sophomores are non-conformists. Nope, straw isn't good enough so the third classmen pitched shoes out of the moving wagon! It also seems that while a chaperone had his head turned, other "secret" activities

took place. Anyone interested in finding out should check with Judy and her friends.

Various former Indian maids and braves have recently shown their faces in the vicinity of the old stomping grounds. It was grand seeing them again.

Bob Eustis seems very interested in this "Teepee." Do you suppose he's been up to something "shady?"

Be on the lookout for Kathy Easterday who now is officially a member of the licensed driver's ring. Dick Mackey also has joined its ranks.

Mug shots have been taken of all CHS inmates for the annual mug book. The results may be seen in the '64 TOMAHAWK.

Blowing leaves are causing much interference in our frequency wave, so we will bid you adieu. Tune in next week, same time, same station!!

## JIM CRAIG NAMED CLASS PRESIDENT AT HANOVER

By Pam Fish and Cindy Kemple  
Mrs. Melton: Our Kindergarten program has been changed. Now all five-year-olds will be in school for the entire year. This will permit the children to become more adjusted to the regular school program. It will also help teach the children to work with larger groups. We are learning the color names, how to color inside the lines, and how to cut on the lines.

Mrs. McLane: Friday, Sept. 27, we took a trip to find seeds to fill the Fall Corner that we are making.

Mrs. Barton: Tami Woodward had a birthday party in her home, Sept. 28. She invited six guests and her mother served them ice cream and cake. The students also enjoyed the games that were played. We are now reading "My Little Red Book," which is the first reader for the children.

Mrs. Allen: It seems that one of Mrs. Allen's pupils has had a slight mishap. Brent Lindvall now has a broken arm due to a misguided ball thrown by his bigger brother, Bruce.

Mrs. Shirrell: Mark Kepler celebrated his seventh birthday Sept. 23.

Miss Mahan: We have a new student, Faith Ann Jefferies, who came to us from Argos. However, we have lost Mark Bradford, who moved to South Bend. We are now learning to play our new song flutes.

Mr. Vondra: We have just completed an Indian display containing dolls and arrowheads.

Mr. Frettinger: We have completed two spell-downs since school started. Sandra Burket won the first and John Adams won the second.

Sixth Grade: We are studying the Middle East this week. Four letters written by a Rochester boy who served 15 months there have created much interest. This young man completed his service on Oct. 6. An effort is being made to get him to show his pictures that were taken in Asia. He has a very valuable and interesting assortment.

## Biography Of Tom Yocom

By Sharron McGaffey and Bev Barshes

Back in the Dark Ages, around April 8, 1946, a little blonde-headed savage made his first appearance in the village of Winamac, Ind. Equipped with bougous, darling blue eyes, and 10 pounds of weight, he was ready to take on the world. The proud parents of this spanking-bright baby boy christened him Thomas Alan Yocom. The name originated from a long line of some very well-known people. In fact, the first horse thief that was hung had the name of Thomas Yocom. No relationship of course, but what a coincidence!!

Time proceeded on and on, with an adventurous boyhood life of going down the river, swinging from trees, and just plain getting into any kind of mischief available. His first year of grade school was spent in Evansville, and then the Yocom family moved their caravan north to the thriving town of Culver, where they still reside.

It was a Huckleberry Finn life for him and he was happy and contented, until he discovered that girls were actually girls. This observation was made in the fifth grade. He may have lost his best football kicker, but he gained his first date. The whole affair seemed mighty young, but he didn't mind too much since he made what he thought was a spectacular tackle. Oh, that young love is utterly romantic.

In 1960, Tom started his high school career. In these three years he has participated in track and cross country. He has become Culver's high point man in track and low point man in cross country. (You cross country fans will understand this). He now holds the current cross country course record. Basketball has also been a favorite of this athlete, and he devotes most of his spare time to playing and practicing. Getting up at 5 a.m. every morning, just to run around and keep physically fit, shows just how much a guy will sacrifice to stay in athletics. Of course, to relax from the everyday strain of school (?), he likes to ride his horses. In this field of pleasure he was elected president of the Saddle Club for the last two years.

The Junior Class Play was the next great event that took place

in his life. It has become quite evident that he's not only a musician, a horse-rider, an athlete, and a lover of a certain young girl, but also an actor. Herman Sherman was the name, and if you don't remember the play, or if you didn't see it, he did a mighty fine job.

Among his group of pet peeves, we have selected one that deals with school. Tom does not believe that they should ban the wearing of sweatshirts. His belief is based on the same principle that just because we don't like people we aren't about to abandon them completely. Besides, Tom owns a total of 13 sweatshirts, and it's a shame to waste them.

Tom's future plans are yet to be decided, but he hopes to attend some college or university. He feels that education is the best policy.

## CLASS NEWS

By Vicki Lyons and Nora Sheppard

In the senior class, all are debating over what to choose for their class flower, motto, and colors. At the class meeting, held two weeks ago, the seniors chose Janet Beck and Bob Carter to help in selecting the cheerleaders.

Some of the seniors weren't satisfied with their proofs so they headed for Rochester Monday, Sept. 30. While those few are waiting for their proofs, the others are waiting to receive their pictures which they hope will arrive the first or second week of December.

The junior class held tryouts for the play, which will take place Nov. 1. The name of the play is "Mother Is A Freshman." The cast consists of: Jane Ives, Kathie Easterday, Cindy Kemple, Peggy Herr, Linda Thurin, Donna Rogers, Suzanne Spencer, Cathy Carrothers, Kay Thomas, Jim Lewis, Paul Saft, Paul Liette, John Behmer, Jim Boswell, and Dave Lemar. The stage hands are Hugh Hariz, Steve Utery, and Gale Vander Meade. Good luck to the juniors.

Kay Thomas and Greg Harmon were the two juniors chosen to represent the class in selecting the cheerleaders.

The sophomores are planning their annual leaf rake and also their movie. At their class meeting held last Friday, the sophomores chose Marsha Guise and Larry Washburn to represent their class to elect cheerleaders.

The freshmen have had two fudge sales so far this year, and they have made the total amount of \$30.00. At their class meeting last Friday they selected Marlene Morrison and John Milner to help choose the cheerleaders.

Eighth grade students are more than a little excited over the arrival of their new lockers, which should be installed by the beginning of next week.

The eighth grade cheerleading tryouts will be held the week following high school tryouts. The cheerleading committee consists of Ruth Benner, Phillip Edgington, and Susie Riester.

The eighth graders are also busy learning titles of various types of specialists in word study. The seventh grade also had a class meeting last Friday, and they elected an acting president who is Jeff Adams, and an acting vice-president who is David Curtis.

George Tanner, Vicki Morrison, and Debbie Triplett will be on the committee to help elect the cheerleaders.

## MUSIC AND ART NEWS

By Dick Mackey

All the high school art classes are learning perspectives this six weeks. They are drawing still lifes. Next they will start on ceramics. The students in second year art are helping the remedial reading class by making posters and flashcards. This is to help the grade students learn to read.

Grade school artists have been working in water colors. The students have been learning how to paint a wash and how to make three values of one color. The first graders used "magic crayons" (Pavons) which color like regular crayons but when moistened with water are changed to water colors. A major project for the fifth graders is coming up as they learn the process of print-making.

The band is practicing marching frequently this fall. This year they are planning to march at a few of the home basketball games. Beverly Barshes is the newly elected drum-majorette.

## Was That Ever Embarrassing!

By Paul White, Linda Thurin, Karen DeWitt, and Pat Ogden

For this week's "Roving Reporter," we asked the students what their most embarrassing incident was. Some of the replies proved to be very interesting!

Tom Yocom: If you mean this week, it was when I fell asleep studying for a world history test! (By the way, when I woke up, my wallet, watch, and medallion were gone!)

Dawn Walter: When Mr. Miller gave me a 500 word theme on "Why I Should Not Talk in Class" and when he wasn't looking, I opened my big mouth and got 500 more!! How are you doing on yours, Felix and Terry Lewis?

Darlene Taylor: When I missed the turn and ran into a stop sign, knocking the sign over and damaging the car.

Chip Wallstead: Having some certain nosy person write about Mike Eustis and me the night we walked some girls home.

Claudia DePoy: This certain boy I am going with from Tippecanoe.

Wesley Huffer: When I was swimming, trying to save a girl. Melvin Jackson: While carrying three bags of groceries, my belt came loose!

Phil Scruggs: Falling in a fountain at Chicago.

Tom Bocock: When I was born. Carolyn Covington: The accident that happened on the way to the Army-Navy football game.

Joy Binion: Once at Brookfield Zoo, the keeper let me walk in to feed a kangaroo and somehow locked me in for a minute.

Greg Harmon: When I went to the State Fair this year, I was looking at some of the Army tanks, etc. Then a man came to me with a piece of paper to enlist for the Army.

Jim Lewis: Getting lost in a crowd of 30,000 people at Comiskey Park in Chicago. Especially embarrassing was the fact that a cop asked me if I needed any help, and if I didn't, to please get off the car that I had been standing on.

Dave Lemar: Walking home from baseball practice without any pants! (?)

Lucy Osborn: It's too embarrassing to tell!

Lori Bohm: When I went to pick something up at a meeting, and my slip ripped!

Marsha Wentz: When Jon S. calls me by my nickname in front of my classmates.

Linda Sparling: This year, when I had to wear one of my father's shoes to school.

Patty Wentzel: When I had to get up in front of the general business class and read my report.

Karen DeWitt: When Mr. Kepler bawled me out for talking, and I wasn't!

Andrea Siple: When Mr. Crossley called Andy Lowry's name and I went up in front to get the paper! ! !

Gloria Baker: When my nickname is yelled clear across main street by a certain party! Extra embarrassing. . .

Leonard Richards: When I pass my civics tests.

Janet Heiser: When Rex Shaw and I gave a skit at camp. It was about a honeymoon couple. . .

Susan Helber: The time last year when I got bubble gum caught in my braces in algebra class.

## Mr. Ulrich Is Interviewed

By Marsha Guise and Lois Newcomb

Most of the Culver braves and maidens have probably noticed a new face presiding over the domains of the science room. It's Mr. Ulrich, our new junior high school science teacher.

Mr. Ulrich went to Kokomo High School, Kokomo, moving there from Florida. On completion of high school, he headed for Ball State Teachers' College to receive his college education. Culver is his first teaching assignment and one we're sure he'll never forget.

Students, beware! Our teacher's pet peeve is a noisy classroom. So far he's found the students quite well behaved. Discipline prevails about 95% of the time.

## ENROLL AT INDIANA STATE COLLEGE

Thirteen Marshall County students are among the nearly 6,800 students currently enrolled for the first semester at Indiana State College at Terre Haute.

Over the last decade, a new enrollment record has been established each year at Indiana State. The enrollment just ten years ago in 1953 was 1,886. This fall's figure is 14 per cent higher than last year's enrollment of 5,941.

College officials are predicting an enrollment of 13,146 on the campus here in 1972.

Local students currently enrolled are Linda Lou Banks, Route 2, Culver, and Sherrill Louise Edgington, 286 South Shore Dr., Culver.

**RIGHTLY PROUD** — There were several proud mothers and fathers at the Reelsville High School graduation exercises this year but none more proud than Mrs. Ruth B. Hammond, Route 2, Greencastle. She watched as her 16th and youngest child, Katherine Hammond, was handed a diploma. Mrs. Hammond, a widow since 1949, has seen all but one of her 17 children graduate from Reelsville High. All the children were active in high school affairs. Her six sons were basketball lettermen and all 10 girls were cheer leaders. Katherine, the last to graduate, was the school's beauty queen at last year's Putnam County Fair, and was co-editor of the school year book.

## PMA CHANNELS MILK TO OTHER STATES

During the first 15 days of this month some 4,185,000 pounds of milk in excess of the Chicago market's requirements were sold by Pure Milk Association into Class I (bottled) milk channels outside the marketing area, reported Harry L. Edwards, director of marketing for PMA.

Edwards said producers for the Chicago market benefited from the fact that this milk was sold at the Class I price with its premium for Grade A milk, instead of at the manufacturing milk price. He said the milk was purchased by handlers who buy from PMA during short periods of the year.

Of a total of 93 loads shipped outside the Chicago market, 57 went to handlers in 11 states namely, Alabama, Arkansas, Florida, Iowa, Kansas, Kentucky, Louisiana, Missouri, Ohio, South Carolina and Virginia. Florida took the largest number of loads — 14.

Edwards explained that the stepped-up demand for milk for those states was due largely to poor weather conditions which reduced production in those areas.

Saturday evening dinner guests of Mr. and Mrs. Robert Riewoldt were Mr. and Mrs. Earl Eckman and Mr. and Mrs. Charles Ferrier.

## Bible Wisdom Of Child Guidance

Recently a study group examined a number of old books to discover how times and customs have changed. They found, for example, in travel books that new ways of transportation have made old ways obsolete. Designs of vehicles, furniture, and fashions have undergone frequent changes. New discoveries have disproved or enlarged upon theories in old science books. But one book, the Bible, has neither changed nor been disproved since it was written. As a guide for daily living it has stood the test of all new inventions and the discovery of natural and spiritual laws. In fact, as knowledge increases, a better understanding of Bible truth is revealed. Through every age it continues to inspire and convert.

The Bible is so simple a child can find value in it; so profound no one has ever probed its depths.

### "STAY IN YOUR CAR" WARNS CHICAGO MOTOR CLUB

Unless the rainfall that accompanies a severe electrical storm is so severe as to limit driver visibility, there is no need for a motorist caught driving in the midst of such a storm to stop his car, according to Gordon Lindquist, of the Chicago Motor Club's safety and traffic engineering department.

"Even if you are forced to pull over and wait the storm out, one of the safest places to be is right in your car," he pointed out.

Lindquist said that since rubber tires insulate a car and keep the current from becoming grounded, there is little danger that lightning can harm the passengers. "Of course, if there is a sturdy building nearby, it is much better to seek shelter there," he added.

If you do decide to pull over and wait out a storm in your car, the motor club offered the following safety tips:

Don't park under a tree or pole which, if struck by lightning, may fall on top of the car.

Try, if possible, to avoid parking under overhead power lines strung along the roadside. Dur-

ing severe storms many of these wires are downed.

Park on high land where water won't accumulate.

Although you are safe when you remain in your car, it is impossible to tell whether a

downed wire is live or dead.

To be on the safe side, simply sit tight and wait, but avoid touching any metal parts inside the car.

If you have to summon help, use a wooden or plastic object to

depress your car's horn button or ring.

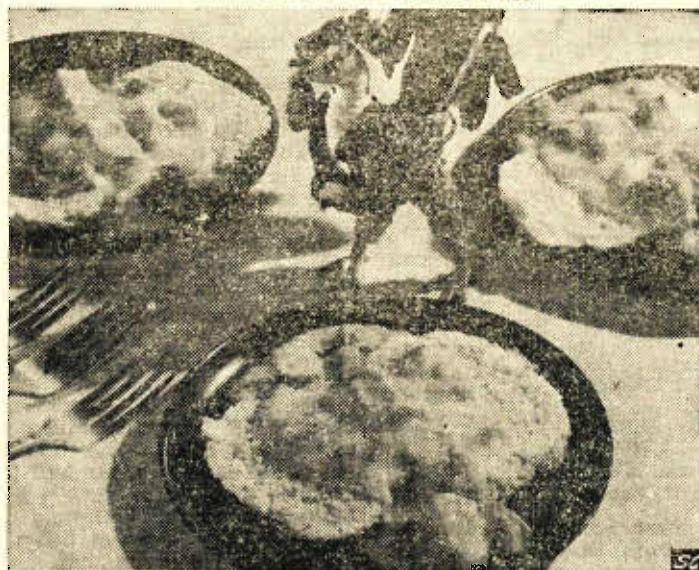

Mr. and Mrs. Monroe Lawrence of Yuma, Ariz., were guests the past week of the former's mother, Mrs. William O'Connor, and also visited other relatives and friends in this area. They plan to leave for home tomorrow.

Miss Carmen Gretter, Miss Patricia Kline, and Miss Carol Oy-

ermyer, all freshman students at Vincennes University, Vincennes, Ind., spent the weekend with their respective parents, Mr. and Mrs. Urban Gretter, Mr. and Mrs. Wayne Kline, and Mr. and Mrs. Albert Overmyer.

**HENS AT WORK** — The Johnson County News says a "hen house" might also be called an "egg plant."

## Chicken 'N Biscuits

Flavorful Chicken à la King tastes even better on a crusty biscuit. Easy-to-make drop biscuits are made with corn muffin mix. You just add egg and milk for a golden biscuit with the crunchy, corn-flavored goodness that does the most for Chicken à la King.

### CHICKEN À LA KING ON CRUSTY BISCUITS

Makes 8 servings

#### Crusty Biscuits:

One 12-oz. pkg.  
(2 cups) Flako  
Corn Muffin Mix  
1 egg  
1/3 cup milk

#### Chicken à la King:

1/3 cup butter or margarine  
One 4-oz. can mushroom stems and pieces, drained  
2 tablespoons chopped green pepper  
1/3 cup all-purpose flour  
1/2 teaspoon salt  
Dash pepper  
1-1/3 cups chicken broth  
2 cups cut-up cooked chicken

Heat oven to hot (400°F.). Empty contents of corn muffin mix package into bowl. Add egg and milk. Blend only until dry ingredients are thoroughly moistened. Drop by tablespoonfuls onto a greased cookie sheet. Bake in preheated oven (400°F.) about 15 minutes.

While biscuits are baking, prepare Chicken à la King. Melt butter in saucepan. Lightly brown mushrooms and green pepper in butter. Blend in flour, salt and pepper. Add broth gradually, stirring constantly until thickened. Add chicken and heat thoroughly.

Split biscuits in half horizontally. Spoon on Chicken à la King.

PLEASE PARDON OUR BIAS, BUT . . .

This newspaper, we believe you will agree, has always been generous in allocating space to the celebration of all manner of "weeks" — from National Pickle Week to Employ the Handicapped Week.

Therefore, we feel we should be forgiven for a small toot on our own horn in behalf of National Newspaper Week, which this year is being celebrated during the October 13 to October 19 period.

There could not be a more fitting slogan than the one chosen for 1963. It is: "Newspapers Make a Big Difference in People's Lives."

Most readers are certain to subscribe to that statement, especially those who have been deprived of their newspapers by strikes and have found out how truly dependent they are on their newspapers.

For the newspaper — particularly the hometown newspaper — is much more than a gatherer and dispenser of news. It is a frontline fighter in the never-ending struggle to preserve our freedoms; it is a relentless foe of corruption; it is a watchdog of the public treasury and it unfailingly exposes any menace to national or community well-being.

And, best of all, anyone who finds fault with that appraisal of the virtues of a community newspaper can so express himself right in the letters-to-the-editor column of those very newspapers — including this one.

## Babson Calls For Practice Of Old Fashioned Thrift

### Important Thing: Learn To Save!

It is amazing to me how many people today seem quite happy to "live it up" without any regard for their pocketbooks. Our so-called "welfare state" has made people take the problems of unemployment and old age security far too lightly. When I talk to young people, I find they are giving little or no thought to their financial futures. The result is that they never accumulate even the few dollars they need to start them along the road to sensible budgeting and a program of successful investment.

**Thrifty Men Come Out Ahead**

My father — I have never forgotten — used to warn me that the man who spends less than he gets will be an employer, but the man who constantly spends all that he gets will always be an employee. The importance of saving, my father insisted, was in no way related to how much a man had or how much he brought home on payday. He believed that a poor man who saved something was far wiser than a wealthy man who had no system of saving whatsoever.

I have often thought about my father's words. And I have noticed that partners in business and partners in married life always get along better when they have some cash in the bank. A great many of life's troubles begin when bills come in and there is nothing to pay them with. I decided when I was still very young that I would rather tell my dollars where to go than ask where they had gone.

**ABC Of Independence**

Step number one in beginning an investment program is to set aside some of your income every single week. This involves budgeting regularly and intelligently, putting first things first. It is obvious, for example, that it is better to pay the grocer than the doctor, even though food costs may be fairly high. Household labor costs and general expenses are also high today, plus insurance, taxes, repairs, etc. But oftentimes children or other members of the family can help lessen expenses by doing more of the chores and/or by bringing in

some extra money from outside jobs.

My observations of present conditions indicate that a man with a family of four bringing home earnings of \$5,000 (after income and social security taxes) ought to try to hold his living costs under \$5% of that total. About 43% would go for food and clothing, and 39% for housing and transportation. I have said before — and I still believe it is true — that many families are paying too much for transportation. This is particularly true of those in the lower income brackets. Unless they buy more for cash and less on credit, they will never get started on a sensible financial basis for the future.

Even with reasonable allowances for benevolence and church and for personal and miscellaneous items, there should still be at least 5% left for insurance, savings accounts, and investments. — or, more specifically, about \$250. I heartily advise you to put half this amount into life insurance and the other half into savings. Starting on such a tight budget, I would definitely not make any provisions at this time for speculative investment.

**Start Budgeting Early In Life**

One of the most important things in a man's life is to learn early to budget and save. Failure to do this is responsible for the sad fact that close to 30% of the men 55 years old right now are not self-supporting. Most of them have made enough money between the ages of 30 and 50 to keep themselves and their families in comparative ease for life if they had only followed a definite plan of saving. It seems senseless to me to work the best part of your life to earn a few dollars if these dollars are going to earn nothing for you afterward.

Only by way of labor and saving is important capital built up. Those who consume less than they produce can turn their surplus back into productive channels that will increase the nation's wealth. Investments of various sorts, including bank deposits, can build up independence for you and educate your children. In addition, savings provide the capital for commerce and industry to generate new productive facilities and thus open new employment opportunities.

"Like Aunt Emma's fragile chinaware, about the only way to keep from breaking New Year's resolutions is to put them away and never use them." — Ron L. Coffman, Grove City (O.) Record

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

### WATER TREES AND SHRUBS

Chances are your trees and shrubs will need extra water sometime this year, according to Don Scheer, Purdue University extension horticulturist.

It's easy to forget about water — it's so simple. But the fact is that plants are made up of about 90 per cent water and rainfall is short sometimes every year.

Trees and shrubs get almost all of their water through their roots — roots which are below the surface — so you must water deeply, says Scheer.

For small trees and shrubs that were set out recently, an easy way to water is to flood the area around each plant, then let the water soak in completely. Add water and let it soak in about three times.

Watering large trees is more of a problem. Here one of the best ways to water is to use a soil spear, which you attach on the end of your hose and spear in the ground.

**HAPPY ENDING** — After a Bartholomew County weekly, The Hope Star-Journal, published a story about the theft of the bicycle which 12-year-old Norma Lortz had purchased from earnings as a newspaper carrier a penitent thief returned the bike. The girl uses it in making her newspaper deliveries.

### INDIANA FARM LAND VALUES HIT NEW PEAK

Indiana farm real estate values hit a new high as of July 1, report state-federal agricultural statisticians at Purdue University. Their index reached 113 on that date. The previous high was 110 on March 1.

The average value per acre of Indiana farm land and buildings during the new base period of 1957-59 is estimated at \$243 an acre.

advanced to a high point in November, 1959, when the index stood at 107. But by July, 1961, it had dropped to 102. Since that date the index has risen steadily.

This rising trend is explained in part by a pickup in demand for farm land and a continuing restricted supply of offerings, according to the statisticians.

**IT WASN'T BEES** — Employees in the parcel post division of the Indianapolis post office heard a buzzing in a package accepted for mailing. They suspected it might contain a bomb or perhaps a hive of bees. But through a telephone call to the person who had mailed the package it was learned it contained a battery powered automatic tooth brush which was evidently set off when the lever jostled to the "on" position.

# Soccer League Proposed, Meet Set For Oct. 16

Coaches and school administrators from Marshall County will be invited to attend a soccer game at 4:45 p.m. Wednesday, Oct. 16, at Argos High School in the hope that enough schools will be interested in the sport to promote formation of a league next year.

If organized, the league is believed to be the first official competition in soccer in Indiana history.

Interest in soccer was created by Ralph Powell, athletic director and basketball coach at Argos High School, who sees two benefits in organizing the sport in a state known nationally for its basketball teams.

"Many schools need an additional fall sport," says Powell. "Football, in many cases, is too expensive. Also, it leaves out many students not big enough to make the football squad. Secondly, it is my belief that soccer is an excellent conditioner for basketball. Nearly all of my basketball team is out for soccer."

Powell believes so strongly in the value of soccer that he has been willing to give up a portion of basketball practice each afternoon since Oct. 1 to have his players competing in soccer.

"The starts and stops, bursts of speed, and reflex moves are often the same in soccer as they are in basketball," says Powell. "I've given up one hour and 15 minutes each night to have my basketball players out on the soccer field. Then we go into the gym and practice shooting."

The efforts of Powell and Chester Marshall, basketball coach and athletic director at Culver Military Academy, have resulted in what are believed to be the first interscholastic soccer games played in Indiana. To date, three games have been played (another is scheduled at Culver Oct. 9th) between Powell's Argos booters and an all-star team from Culver, where 10 soccer teams play as an intramural sport. Culver has won two of the games; the third resulted in a 2-2 tie. In each case, a surprisingly large number of spectators turned out for the games and enjoyed the competition.

Powell and Marshall agree that Indiana schools have overlooked for too long a sport that many eastern schools have found valuable for many years. Says Powell:

"The sport is easy to initiate — you can give first-graders a ball to kick around. It is inexpensive to start since practically no equipment is needed. I've found that because of the long and highly-organized summer baseball program, our kids want something new in the fall. Soccer is the answer, to say nothing of its value for our basketball program. Even many of the defensive moves are the same in the two sports."

If Powell and Marshall can promote sufficient interest — they say four teams are enough but they are looking for more — they hope to organize a league next fall. In the meantime, Argos and the Academy are continuing to play inter-school games through October.

## SPORTS NEWS

By Dave Frain

On Friday, Sept. 27, Culver's fleet-footed Cross Country runners engaged themselves in a 3-way meet with Monterey and Richland Center. Culver came in first with the individual winner being Tom Yocom of Culver with a record setting time on the new course of 10:17. Other Culver men participating were, G. Wright, second man for Culver who placed third in the meet, followed by P. Hatten who scored fourth in the meet. Other placed winners for Culver were P. Seruggs, D. Lindvall, D. Haenes, and R. Babcock. The final scores for the meet were Culver, 23; Monterey, 47; and Richland Center, 63.

Again on Monday, Sept. 30, Culver was host to the Winamac Cross Country team. Tom Yocom was again the individual winner, this time beating his own previous record. His new record for the course is now 10:14. Other men scoring for Culver were G. Wright, P. Hatten, D. Haenes, D. Lindvall, R. Babcock, N. Davis, and J. Jones. The final tabulation was Culver 21, Winamac 41.

Also on Monday, Sept. 30, Culver's fine baseball squad ended their fall season. The final game was a playoff for the County Championship against LaPaz at Plymouth. Jim Boswell started Culver off on the right foot with a homer in the first inning, followed by a triple from pitcher, Sam Lowry. Culver gained two runs in the first inning, with LaPaz scoring only one run. In the fourth inning, Hyland prevented LaPaz from scoring by a great defensive double play. Culver then scored two runs in the sixth on a double by catcher Paul White and five runs in the seventh on a three-run single, also by White. LaPaz managed to score four more runs in the seventh inning to make the over all score Culver 9, LaPaz 5. This is the second consecutive County Championship won by Culver.

## Academy Sports

Culver Military Academy's football team goes to Fort Wayne Friday night to take on a team the Eagle coaching staff says is better than top-ranked Lebanon, the club that walloped Culver 25-0 two weeks ago.

The opponent for Friday's 7:30 p.m. contest is Bishop Luers High School, a big and fast-moving outfit that pounded Culver 47-13 two years ago. Scouting reports make Bishop Luers the favorite, even though the Academy got back on the winning track by blasting Hobart River Forest last Friday night. The Hobart win placed the Eagle record at 2-1.

Using new plays that employed hard-charging fullback Chris Hinkle as a decoy, Culver battered River Forest in the Cadets' biggest victory of the young season. Charlie Rosenberg was the man who was set up by the Hinkle decoy, and strategy paid off when he scored a first period touchdown on a seven-yard end sweep.

Culver added two more TDs in the second period on a four-yard keeper play by quarterback John Baker and then the Eagles unloaded the "bomb," a 79-yard touchdown pass from Hinkle to Fred Schumacher. The Academy's final score was 28-0.

At the close of the fall season, pitcher Sam Lowry has won seven games and lost just one. Other pitchers include P. Liette, who has a 1-0 record and J. Lewis who has a 2-0 record. The overall total for the games won and lost is 10-1. The over-all season, both summer and fall baseball is Lowry 16-2, Liette 6-0, Lewis 5-0.

Jim Boswell led the team in batting averages with a .500. Second was pitcher S. Lowry with a .415. Sam also led the team with 17 hits and 13 R.B.I's. P. Liette was next with a .316 followed by A. Hyland, who had a .308.

Basketball season officially began Tuesday, Oct. 1. The tryouts for the team were held on this date. A large number of boys turned out for tryouts.

emy's final touchdown came in the fourth period on a 20-yard run by Hinkle. It was River Forest's fifth consecutive defeat.

In other sports, Coach Dave Burke's cross country team met defeat after five straight victories. At the tough Logansport meet Wednesday, Culver made its best showing in history by finishing fourth in a talented field. Valparaiso won the meet in a field of 26 teams. Top cadet was Joe O'Flaherty, who was ninth with a time of 10:04.

Saturday in West Lafayette, the Culver harriers hit the skids against two of the top teams of the state. West Lafayette won the meet with 26 points, Ashley was second with 38, and Culver finished third in the triangular affair with 64 points. O'Flaherty was fifth with a good time of 9:49, but state champion Mark Gibbons of West Lafayette turned in a 9:30.2.

# '64 Jet-smooth Luxury CHEVROLET

'64 Chevrolet Impala Sport Sedan

## Besides looks, ride and power - what's so special about it?

(it's so reasonably priced)

Kind of leaves the high-priced cars some explaining to do, wouldn't you say? Long and luxurious—with a fresh-christened look. Richer roomy interiors with subtle new blendings of colors and fabrics. Like the ultra-soft vinyl upholstery in the new Chevrolet Impala Super Sport Series.

A choice of seven engines, no less, with output all the way up to 425 hp.\* And a choice

of four smooth transmissions to go with them.

And underlying it all, the opulent feel of this '64 Chevrolet Jet-smooth ride.

Matter of fact, the most noticeable difference between this beautiful new 1964 Chevrolet and the high-priced cars is the price itself.

Let your dealer show you how much luxury that reasonable Chevrolet price now buys.
