Hospital Notes

Mrs. Theodore Weiger, 921 Academy Road, Culver, was released from Parkview Hospital at Plymouth Tuesday afternoon and was taken by Easterday-Bonine Ambulance to the home of her daughter, Mrs. Donald Gilbert in Plymouth. Mrs. Weiger has been a patient at Parkview since Sept. 20 when she was injured in an auto accident in Culver.

V.F.W. MEMBERS TO REPAIR TOYS FOR NEEDY CHILDREN

Members of the Veterans of Foreign Wars, Post 6919, will repair toys again this year to give to the needy children in this area at Christmas time.

Anyone having repairable toys which they would like to donate for this worthwhile project, may leave them at the Post Home, 203 E. Washington St., Culver, or phone VI 2-2255 and the toys will be picked up.

CLOSED VETERANS DAY

Notice has been received from the Auditor's Office that the Marshall County Court House at Plymouth will be closed on Monday, Nov. 11, for Veterans Day.

Local Merchants Give Culver Indians Send-Off

The center pages of this week's issue of The Citizen carries the traditional congratulatory ads of the local merchants and business firms expressing their best wishes to the Culver Indians basketball squad on their approaching 1963-64 season.

Last week's issue published a summary of the team members, complete with a schedule of the games, by The Citizen's reporter, Earl Mishler, who will record each of the game's events for The Citizen's sport enthusiasts.

The State Exchange Bank expresses their wishes for a highly successful season on the back page of this issue of The Culver Citizen.

NEW DOOR INSTALLED AT THE CULVER PRESS

An attractive new front door is being installed this week at The Culver Press Building. Since the mail slot in the old door is being eliminated a Citizen News Box has been mounted on the outside of the building and news items for The Citizen may be dropped in the News Box after office hours.

Annexation Draws Many To Town Board Meeting

Approximately 35 persons, who have been affected by the proposed annexation measures recently passed by the Town Board, attended the Culver Town Board meeting Monday, Nov. 4.

Attending the meeting was the town attorney, Mr. Flaeger, of the law firm, Stevens and Wampler, Plymouth, who handled the legal matters concerning the annexation. Some of those attending were there to have questions answered which pertained to their immediate interests and others were there to protest the annexation of their particular area.

Reasons for protesting by some were 1. the tax rate would be higher for those being annexed than they pay now; 2. that to bring to the annexed areas, the town services would cost more than the Town of Culver could afford at this time; and 3. that city services to some of the properties being annexed are not needed since they have their own private services and it would be repetition of those services which would be costly to the town and to them individually.

During the meeting it was suggested that the Town Board reverse their decision to annex the proposed areas. The Town Board took no action on this proposal.

The town board in their stand for annexation of the proposed areas feels the action is long overdue for the continued growth of Culver. The property to be annexed is contiguous to the Culver Corporation and contains several residences and housing areas which should be part of the town of Culver; also approximately 95% of the residents and establishments in the annexed areas now receive fire protection, police protection, water and sewer service and city electric service. The Board points out these services are being furnished to those areas to be annexed at a lower rate of taxation than Culver residents pay for the same services and if they receive the benefits of these services, those that receive them should pay their fair share.

Whether or not, after the meeting Monday night, there will be remonstrances filed to repeal the annexation proceedings, will remain to be seen. It is rumored there will be. Those who wish to remonstrate have 30 days to do so following the last legal publication day of the ordinances.

School Board Votes To Hire Purdue Survey Services

The Board of School Trustees of Culver Community Schools in its Monday evening meeting discussed at some length the recommendation made by an Aubbeenaubee Township committee of patrons on Oct. 22, urging the use of a professional educational survey. Because of the immediate and long-term needs for a development of additional school facilities and a comprehensive educational program, a detailed study by such a survey team could provide an objective, broad analysis of desirable plans and long-range policies. With this in mind, the School Board by a 4-1 vote passed a motion presented by Eldon Davis and seconded by Glenn Overmyer to secure the services of Purdue University for such a survey.

Superintendent Frank McLane informed the School Board members that several projects had been completed. The area adjacent to the parking area west of the Culver Elementary Building had been graded to make an added driveway from the bus loading platform to the street west of the school grounds. The new gasoline pump near the bus area had been put in use so that fuel for school-owned busses can be available at the school. The underground tank had been furnished by Marathon Oil Company, which had submitted the lowest bid on gasoline. Previously the gasoline had been purchased at the regular retail price of 32.9¢ less the four cents federal tax for a net cost of 28.9¢. With the use of the bulk supply now purchased on the basis of bids, the net cost is 21.9¢.

Several items of playground equipment previously moved to the Culver school grounds from North Bend School have been installed by the school maintenance men and are in service on the playground.

During the Monday evening meeting, the School Board members discussed with Vernie Bowler of Aubbeenaubee Township, Ed Davis of Union Township, and Edward and Ruby Torok of North Bend Township the meeting of the State Reorganization Commission with the Marshall and Starke County Reorganization Committees to be held at Fulton High School on Thursday. These residents of the Culver Community Schools area will be members of a group of patrons who will attend the Fulton meeting to present objectives to a proposed division of North Bend Township.

The Culver Town Board will be Republican controlled for the next four years as the result of Tuesday's town election. Edgar (Tone) Shaw, who defeated Walter Johnson for trustee of the First Ward, is the only Democrat to win in Tuesday's election.

The vote was heavy Tuesday in spite of the rainy weather. There was a total of 744 votes cast: 268 straight Republicans votes were cast and 236 straight Democrat votes. Approximately 23 votes were mutilated and had to be discarded. There were approximately 217 voted split ballots.

Both parties and their candidates waged a strong campaign during the last six weeks. Popularity, personalities, and past records had a hand in the results. The annexation problem had little to do with this election as those who are being annexed could not vote because of the 30 day period which is allowed for possible remonstrance proceedings.

The official count in Tuesday's election is:

Trustee First Ward	
Edgar (Tone) Shaw (Dem.)	377
Walter Johnson (Rep.)	343
Trustee Second Ward	
Wilfred Craft (Rep.)	390
Bernard Busart (Dem.)	320
Trustee Third Ward	
Theodore L. Ervin (Rep.)	406
Charles Cook (Dem.)	306
Town Clerk-Treasurer	
Ruth B. Lennen (Rep.)	363
Ruth Overmyer (Dem.)	346

Trick-Or-Treaters Collect \$145 For UNICEF

Forty-six young people participated in the Trick-or-Treat for UNICEF program Halloween Eve and collected \$145.

The Maxinkuckee Federated Junior Woman's Club and other local organizations wish to thank all the school children who participated, especially the two young men who collected over \$40 between themselves, and the residents of the Culver community for their cooperation.

They also especially thank Quality Grocers, Culver City Drug Store, McKinnis Pharmacy and the Park 'N Shop for generously donating the candy bars for the Trick-or-Treaters.

Major General Lloyd Moses Visits Culver Military Academy

Two major generals talked over a cadet movement with cadets at Culver Military Academy recently. Major General Lloyd Moses, deputy commanding general of the Fifth Army, Chicago, visited Culver and was escorted by Major General Delmar T. Spivey, USAF (Ret.), who is Academy superintendent.

General Moses visited ROTC classes, student dormitories, and stopped here to talk over squadron drill with members of Culver's famed Black Horse Troop.

C.M.A. Student Wins Legion of Valor Award

ARTHUR D. HAYWARD

A Culver Military Academy student, Arthur D. Hayward of Sikeston, Mo., has been awarded the Bronze Cross for outstanding achievement by the Army and Navy Legion of Valor.

The award covers 12 military schools in 13 Midwestern states within the Fifth U.S. Army area. The Bronze Cross was presented to Hayward by Col. A. S. Buynowski, deputy commander of the Sixth U. S. Army Corps, with headquarters at Battle Creek, Mich.

To be eligible for the Bronze Cross, Hayward academically had to be in the upper one-fourth of his graduating class, upper one-fourth of his ROTC class, and recommended by the professor of military science, and the dean of the Academy. He competed with nominees from other military schools within the Fifth Army area, and thus became the third Culver cadet in four years to win the Cross. Previous winners from Culver were Donald S. Kohla in 1960 and B. G. O'Reilly in 1961.

Each year the Army and Navy Legion of Valor awards the Bronze Cross to members of the ROTC and National Defense Cadet Corps within Army areas. The award committee of the Legion of Valor makes the final selection based on one award for outstanding achievement within the Fifth Army encompassing the states of Michigan, Indiana, Illinois, Missouri, Wisconsin, Minnesota, Iowa, North and South Dakota, Wyoming, Colorado, Nebraska, and Kansas.

Hayward is the son of Mr. and Mrs. Joseph Hayward, of Sikeston. He is a top-ranking cadet

academically, having placed first in his class of 195 last year. He is a semi-finalist in the National Merit Scholarship competition, an officer in the cadet corps, editor of the student newspaper, and a member of the band.

Medical Self Help And First Aid Courses Available

Dr. Otis R. Bowen, Bremen, Medical Advisor to the Marshall County Civilian Defense, has recently announced that the classes for medical Self Help training course combined with Red Cross First Aid Course will be restarted in any of the towns in the county providing there are enough who desire to take the course.

The course will consist of nine classes which will meet one night a week. Last winter classes in Bourbon, Bremen and Plymouth were completed and those who took the course and received their diplomas were very enthusiastic about their interest and about the value of the course.

Dr. Bowen stated that it was brought to his attention that there were several clubs interested in taking these classes as a project. He requests that anyone interested and anyone who can speak for the various clubs or anyone who can get a group of several people together who are interested in taking the course contact either Dr. Bowen, Bremen, or Mr. Victor Winrotte, Plymouth.

Instructors have been added and the course has been made even more interesting than previously.

The catastrophe in Indianapolis the other night with approximately 400 either killed or injured should make us all want to be a little bit better prepared in first aid and medical self help training. These classes can be started in the real near future providing some group of individuals or a club expresses their interest in starting one.

Culver To Have Eight More Long Distance Circuits

Indiana Bell has started an equipment installation project to expand long distance facilities in its Culver telephone building.

David S. Orr, local telephone company manager, said the project will add eight more circuits between Culver and South Bend. It will cost \$26,200 and is scheduled for completion early in December.

Mother Of Mrs. James Miracle Dies At Age 84

Mrs. James Miracle, State St., Culver, received word Sunday night of the death of her mother, Mrs. Elisha T. Lawson, of Hampton, Va., following an illness of a few months. Born in York County, Va., Mrs. Lawson was 84 years of age at her death.

Mrs. Lawson is survived by her daughter, Mrs. Miracle; a son, I. Earl Lawson Sr., Hampton, Va.; five grandchildren — Mrs. Richard Hanson, Wilmington, N.C., I. Earl Lawson, Jr., Hampton, Va., and Thomas, Laura and James Miracle, Jr., Culver. She also had four great-grandchildren of Wilmington and Hampton; a sister, Mrs. S. A. Carmine, Richmond, Va.; a brother, Reginald Forest, Messick, Va.; and nine nieces and nephews.

Funeral services were conducted Tuesday afternoon, Nov. 5, at 2 p.m. from Central Methodist Church of Hampton of which she had been a member for many years. Interment was made at Messick Cemetery, Messick, Va.

Due to Mrs. Miracle's illness none of her family were able to attend the funeral services.

General Ashworth Cited For Work On Swift Strike

Brig. Gen. Robert L. Ashworth, deputy commander of Fort Jackson, S. C., was cited Thursday as "a golden asset from the moment of his selection" as chief umpire for Joint Exercise Swift Strike III.

General Ashworth is the husband of the former Betty Lee Harper, daughter of Mr. and Mrs. Hugh Harper of Culver.

In a Certificate of Commendation from Gen. Paul D. Adams, commander in chief of the U. S. Strike Command, Gen. Ashworth was lauded for his "intelligence, courage, and candor at every turn."

As chief umpire of both ground and air operations of Swift Strike III, Gen. Ashworth conducted a pre-exercise school for umpires and prepared a detailed control plan for use during actual maneuvers. During the four-month-long exercise, he and his staff of umpires acted as impartial officials, observing and evaluating efforts of the opposing forces.

The award was presented to General Ashworth by Major General Charles S. D'Orsa, commanding general of Fort Jackson, in the Post Conference Room Thursday morning.

Deckards Open New Plymouth Super Market

Today, Nov. 6, marks the grand opening of the new and ultra-modern Deckard's Super Market located at the corner of Jefferson and Kingston Roads, Plymouth.

The new Plymouth food merchandising firm is owned by a three-man corporation made up of Roy, Richard, and H. L. (Joe) Deckard and will be jointly managed by the three men. Dick Deckard, former Culver resident, is in charge of the meats, and groceries and produce is under the supervision of the other two members of the establishment.

The store is an A-plan IGA store with 3,500 discounted items and various shopping conveniences to fill the needs of the most discriminate shoppers.

DUPLICATE CLUB WINNERS AT THE CULVER INN

The Culver Inn Duplicate Club winners for the Scramble Mitchell game played Wednesday, Oct. 30, were: first place, E. G. Fry of Winamac and A. L. Jonas of Knox. Second place winners were Mrs. W. O. Gollnick and Mrs. W. G. Gregory, both of Culver.

Thursday, Oct. 31, results were: first place winners, E. G. Fry of Winamac and Mr. Holt of Donaldson. Mrs. W. O. Gollnick and Mrs. A. K. Walmoth, both of Culver, were second place winners.

The six-series game resulted in the following placings: first, A. L. Jonas of Knox, 58.4 per cent; and the following Culver residents in second, Mrs. Dale Jones, 57.5 per cent; third, Mrs. Ted Ervin, 57.2 per cent.

Miss Annamay S. Humes And Lloyd V. Maxson Speak Wedding Vows

Miss Annamay Sue Humes, daughter of Mr. and Mrs. Erwin Humes of Route 2, Culver, exchanged wedding vows with Lawrence Vernon Maxson, son of Mr. and Mrs. Lloyd Vernon Maxson, also of Route 2, Culver, in a six o'clock evening ceremony on Saturday, Oct. 26, at the Eagle Creek Church parsonage with Rev. Claude Kaiser officiating at the double-ring ceremony.

For her wedding, the bride selected a ballerina-length gown of white satin covered with layers of lace. The nipped-in waistline was accentuated with a satin cummerbund featuring a large back bow with streamers extending to the hemline of the dress. Her shoulder-length veil fell gracefully from a crown of small yellow flowers. White carnations and tiny rosebuds composed her bridal corsage.

Mrs. James Humes, sister-in-law of the bride, was matron of honor. She wore a ballerina-length gown of turquoise nylon over net, featuring a lace jacket. She selected white accessories and a corsage of yellow and white carnations.

The bride's mother appeared in a light blue taffeta dress with black accessories. The mother of the bridegroom chose a light grey crepe dress with black and white accessories. Both mothers wore corsages fashioned of yellow and white carnations.

A reception and wedding supper for 150 guests was held following the ceremony at the Washington Township Fire Station which was decorated with pink and white streamers and white wedding bells. Following supper, dancing was enjoyed to the music of the Don Hattery Band. Guests attending were from Lakeville, LaPaz, Plymouth, Knox, Culver, and Ober.

Assisting at the gift table were Mrs. Joan Humes, Mrs. Doris Humes, Mrs. Barb Humes and Mrs. Lowell Ayres Jr.

The newlyweds will be at home at Route 3, Plymouth.

Order of Eastern Star Honors Mrs. Ransford

Stated meeting of the Emily Jane Culver Chapter Order of Eastern Star was held Tuesday evening in the Masonic Hall and honored Mrs. Nettie Ransford, a prominent Eastern Star member from Indianapolis.

The chapter room was decorated with chrysanthemums. In the East was a picture of Mrs. Ransford and the secretary's book was opened to the minutes of the meeting which she attended at Culver in 1925 as Grand Secretary.

Mrs. Donald Parson, worthy matron, conducted the business meeting and read an article on the life of Mrs. Ransford and her many activities in the Star. In the absence of the worthy patron, Mrs. Maynard, served in the East and Cloyd Miller served in the West.

After the closing march refreshments were served in the social rooms from a table decorated with squash, apples, and Indian corn. The refreshment committee included Mrs. Edgar Shaw and Mrs. Clyde Shively.

Engagements

McKee-Gochenour

Mr. and Mrs. James L. McKee of Brook, Ind., announce the approaching marriage of their daughter, Barbara Alice, to Richard D. Gochenour of Rossville, Ind.

The wedding will take place Nov. 23 in the Brook Christian Church.

Miss McKee is a niece of Mrs. Trula McKee of Culver.

Culver Home Demonstration Club Meeting Held Friday

The Culver Home Demonstration Club met at the Burr Oak E.U.B. Church Annex on Friday, Nov. 1, at 2 p.m.

The meeting opened with the president, Mrs. Wilfred Craft, reading the thought of the month. Mrs. A. N. Poppe gave the devotions reading from the "Ideal Harvest Book" and "Praying Hands." The club creed was then repeated in unison.

Mrs. Guy Davis, song leader, gave the history of the song of the month, "Over The River and Through The Woods," and led the singing of it with Mrs. Whitney Kline at the piano. The birthday song was sung to Mrs. Raymond Lowry, Mrs. Roy Wickizer, Mrs. Harry Sheppard, Mrs. Ora Reed and Mrs. Lillie Buswell.

The lesson "Detecting Communism," was given by Mrs. Delbert Jordan and Mrs. D. Hatten and was followed by a short discussion.

Twenty nine members answered roll call to "A Stuffing That I Like." The business meeting was conducted by the president.

Gifts for the Marshall County Mental Health are to be unwrapped but please enclose the ribbon and paper. They must be brought to Mrs. Joe Boetsma Jr., 317 S. Ohio, before Dec. 2.

The meeting closed with the singing of the Club Prayer. A social hour followed with delicious refreshments served by the hostesses, Mrs. Adrian Snapp, Mrs. Sam Woods, Mrs. Fred Plantz and Mrs. Dessie Blanchard. Mrs. Jerome Zechiel, Sr., drew the door prize.

Junior Woman's Club To Observe 12th Anniversary November 11

The Maxinkuckee Federated Junior Woman's Club will celebrate the organization's 12th anniversary on Monday, Nov. 11, at 8 p.m. at The Culver Inn.

The meeting will honor charter members and past presidents of the Junior Woman's Club.

Program chairman is Mrs. Ronald Williams and co-hostesses are Mrs. Dale Heiser and Mrs. Kenneth Martin. Reservations are to be turned in to Mrs. Dale Heiser by Friday, Nov. 8.

Culver Couples Attend Saturday Army-Air Force Chicago Football Game

Mr. and Mrs. Ralph Osborn Jr. and Mr. and Mrs. Fred Adams attended the Army-Air Force football game on Saturday at Soldiers Field in Chicago. The two couples were the Friday overnight guests of Mrs. W. C. Baker at Kenilworth, Ill.

Several Academy couples attending this outstanding sports event were Gen. and Mrs. Delmar T. Spivey, Col. and Mrs. W. E. Covington Jr., Mr. and Mrs. Mel-

vyn A. Estey, Dr. and Mrs. Russell Blair, and Mr. and Mrs. Gerald J. Graham. Colonel Covington was a classmate of Gen. John Lampert, superintendent of the United State Military Academy, West Point, N. Y., who also attended the game.

V.F.W. Auxiliary Meeting Held Monday

The V.F.W. Ladies Auxiliary met in the post home Nov. 4 with ten members present. A note of thanks from Hoosier Boy's Town was read.

The hospital chairman, Mrs. Norman Baker, reported fruit cake sales are going well. Contributions were made to Marshall County Mental Health Association and Marshall County Tuberculosis Association.

Following the meeting refreshments were served by Mrs. Forest Geiselman, Mrs. Shirley Carter and Mrs. Richard Butler.

Mrs. Homer A. Ellison To Speak At Meeting Of Culver City Club

The general meeting of Culver City Club will be held at 8 p.m. Thursday, Nov. 7, at the Bank Auditorium when Mrs. Homer A. Ellison will be the guest speaker using as her theme, "The Art of Self Defense."

Mrs. Ellison, who has been Safety chairman of the Indiana Federation of Clubs since 1960, is in her 35th year in Federation work. She started in a Junior Club in Philadelphia, Pa., and later was active in Pittsburgh, Pa., and Rochester, N. Y.

Mrs. Ellison has also been Safety chairman of the 12th District in Indiana and of Allen County Federation since 1950. She is a member of the Fort Wayne Chamber of Commerce Safety Council, Governors Safety Council, and a former member of Presidents Safety Council. She is presently president of the Allen County Federation of Clubs.

Mrs. Ellison is active in Plymouth Church, South Side Reading Club, and the Cedar Creek Women's Club.

As a result of a friend being knocked down and robbed about a year ago, she has sponsored classes in art of Self Defense (Judo) and recently graduated in the 3rd Class of this Art. She is well qualified to present methods of protection to the ladies of Culver City Club and all members are urged to be present for this interesting program.

Mrs. Wallace Helber will be chairman of the hostess committee and will be assisted by Mrs. Jesse Sims, Mrs. George Phillips, Mrs. Harry Medhurst, Mrs. A. N. Butler, Mrs. Eugene Benedict, and Mrs. Raymond Kline.

Entertain With Fall Coffee At The Culver Inn

Mrs. Ronald J. Gleason, Mrs. E. V. Boblett, Mrs. W. H. Schutte, Mrs. Frank Walzitis, and Mrs. W. O. Gollnick entertained their many friends at a delightful coffee at The Culver Inn last Friday morning between the hours of 10 and 11:30 o'clock.

The Inn was most festive in its many colorful Fall decorations. The coffee table was effectively decorated in the Fall motif and centered with a cornucopia basket filled with glazed grapes of various colors.

Margaret McBenah visited Sunday in Chicago with Mr. and Mrs. Jerry Staten and Joey.

Rainbow Girls Initiate Three New Members

At 7 p.m. on Monday, Nov. 4, Assembly number 61 of the Order of Rainbow for Girls held an initiation in the Masonic Hall for Miss Mary Beth Ives, Miss Karen Banks, and Miss Lyn Mackey.

Miss Pamela Phelps, worthy adviser, conducted the meeting and welcomed all members and guests. To close the meeting the beautiful Rose Lecture was given by Jane Anne Ives.

All present were cordially invited for refreshments in the social rooms following the initiation.

Wednesday afternoon callers of Mrs. Floyd Carrothers were Mrs. Rose McGown and Mrs. Leyoma Carrothers of LaPaz, and Mr. and Mrs. Wallace King of Culver.

Sunday guests of Mr. and Mrs. F. E. Carrothers were Mr. and Mrs. Thomas J. Piper, and Mr. and Mrs. W. D. Crossgrove and Cynthia Lynn of Route 1, Plymouth.

Mrs. Neal Shock and Linda attended High School Day Thursday at Bloomington.

Sunday evening guests of Mr. and Mrs. Neal Shock, Linda, Jane and Jan were Mr. and Mrs. Bob Overmyer, Carol and Randy of Route 2, Culver.

Thursday evening callers of Mr. and Mrs. Harry Sheppard were Rev. and Mrs. Ross Cook, Rita, Diana and Gerry of Roanoke, Ind.

The E.U.B. Ladies and Men made 310 1/2 gallons of apple butter this year. One of the advantages of making apple butter this year was the automatic stirrer made by the late George Dolph and now owned by Ed. Dolph of near Teegarden. It is turned by a long handled crank and has wooden paddles like the old fashion-

ed butter churns, which stir the apple butter all the time you are turning the handle. Mr. Dolph sent the stirrer with Mrs. Dale Hildebrand for us to use. We were more than glad for the kindness and help in everyway during the apple butter making.

Mrs. Bert Cramer Jr. went to Sidney Tuesday to get her girl

friend, Miss Joan Pyle. Enroute home they called on Mrs. Dale Gagnon and family and Mrs. Wilbur Haney in Sidney. On Wednesday, Mrs. Cramer and Miss Pyle called on Mrs. Cleo May at Culver. On Sunday Mr. and Mrs. Cramer took Miss Pyle back to Sidney and called on Mr. and Mrs. Wilbur Haney.

Make This Hunting Season Accident-Free

A single hunting accident is one too many. So, to make your hunting season pleasant, don't take chances with firearms, urge Purdue University farm safety specialists.
 For an accident-free hunting trip, they further recommend:
 Treat every gun with the respect due a loaded weapon.
 Guns carried into camp or home, or when otherwise not in use, must always be unloaded. Unattended guns should be unloaded.
 Always be sure barrel and action are clear of obstructions.
 Carry your gun so you can control the direction of the muzzle even if you stumble. Keep the gun safe on until you are ready to shoot.
 Be sure of your target before you squeeze the trigger.
 Never point a gun at anything you do not want to shoot.
 Never climb a tree or fence or jump a ditch with a loaded gun.
 Never shoot a bullet at a flat, hard surface or the surface of water.
 Avoid alcoholic drinks before or during shooting.

YOU MAY BE ENTITLED TO SOCIAL SECURITY INCREASE

According to Mr. Cornelius R. Schafer, District Manager, South Bend, Ind., Social Security Office, a good number of those persons now receiving old-age social security payments may be entitled to an increase. A person's benefits are based on his earnings up to the time he signed up for them. However, if he continues to work after that, the money he earns may entitle him to a higher monthly amount. In order to get an increase of this kind, a formal claim must be filed.
 Mr. Schafer said that he recently came across a situation in which a person lost several hundred dollars because he failed to put in a timely application. All such applications have a restricted retroactivity so that an undue delay in filing can result in loss of payments. Mr. Schafer encouraged people who worked after they originally signed up to get in touch with the Social Security Office. This office can then determine whether there is any entitlement to an increase. Self-employed persons should be ready to submit a copy of their 1962 tax return.
 Mr. Schafer emphasized the fact that not all of those who worked after they began receiving benefits would be eligible for an increase. But he also pointed out that there is nothing to lose by making an inquiry, and in some cases this may result in a higher benefit. Persons who would like to check on the possibility of receiving higher monthly payments can write or visit the Social Security District Office located at 335 N. Lafayette Blvd.

WANTED BY THE FBI

EDWARD HOWARD MAPS

Edward Howard Maps, "beatnik," firearms expert, college graduate, artist and sculptor, who is charged with brutally slaying his wife and four-month-old daughter, is one of the FBI's "Ten Most Wanted Fugitives."

Firemen attempting to extinguish a blaze in Maps' Stroudsburg, Pennsylvania, home on January 21, 1962, found the infant dead of smoke inhalation, and Maps' young wife dying of a fractured skull and cerebral hemorrhage. At least ten fires had been set in the home and the gas oven was turned on.

Maps was missing but allegedly telephoned two neighbors shortly after the crimes were discovered, threatening one with being "next." A Federal warrant charging Maps with unlawful interstate flight to avoid prosecution for murder and arson was issued on January 23, 1962, at Scranton, Pennsylvania.

Generally known as an artist and sculptor, he is a nonconformist who shuns ordinary footwear, going barefoot in the summer and wearing sandals without socks during the winter. A sloppy dresser of unkempt and untidy appearance, he was discharged from the Marine Corps as a schizophrenic.

A white American, born on June 29, 1922, at Passaic, New Jersey, Maps is 5' 8" tall, weighs 170 pounds, has a ruddy complexion, broad shoulders, a barrel-chested build and is unusually strong. His eyes are brown, he has bushy, curly graying-black hair and sometimes wears a full beard and mustache.

Consider Maps armed and extremely dangerous. Please immediately notify the nearest FBI office of any information concerning his whereabouts.

Films Available At Culver Library During November

The following 16mm films are on deposit from the Indiana Library Film Circuit in this library during the month of November. You are invited to reserve the films for showing to your organization, club, church group, etc. Information on these and other films which will be available in succeeding months may be obtained from the librarian.

"AND A VOICE SHALL BE HEARD" - 22-c-s- Using the city of Syracuse, New York, as an example, the film shows how a well trained, well equipped Civil Defense Organization can spring into action when an atom bomb strikes the city and minimize the devastating effects of fires, radiation, and panic. (Loaned by General Electric)

"ASSIGNMENT CHILDREN" - 20-c- An account of Danny Kaye's world tour on behalf of the U.N. Children's Fund in 1953. Presents Danny in the role of a modern Pied Piper. UNICEF lecturers give inoculations to the children and their parents and teach them how to avoid disease. (Association Films)

"ATOM GOES TO SEA" - 12-b&w-s- This film attempts to answer important questions concerning the use of atomic power as a

moving rather than a destructive force. Animated sequences explain the principle of nuclear propulsion used in the submarine. Sea Wolf and other scenes show the scientific and mechanical developments which have aided in the submarine's production. (Loaned by General Electric)

"AWAY FROM IT ALL" - 15-c-s- Introduces you to the newest addition and most easterly link of the National Parks chain — Terra Nova Park, Newfoundland, facing beautiful Bonnavista Bay and commanding sweeping views of the Atlantic. Through this film you see the purpose, planning and dimensions of the parks system. (Loaned by Canadian Travel Film Library)

"ESKIMO FAMILY" - 17-c- This film follows Anakudluk and his family on the annual trek from winter camp to spring hunting grounds, giving a fresh and at times intimate insight into the day-to-day life of an Eskimo family. (Encyclopaedia Britannica)

"FESTIVAL IN SOLVANG" - 15-c- Tells of a California village whose Danish inhabitants faithfully retain much of their old World Heritage with each succeeding generation. Shows their colorful once-a-year festival. (Coast Visual)

"FROM TEN TO TWELVE" - 26-b&w- The latest in the "Ages and Stages Series." Once again we see and hear active children in real life situations, hear their noisy shouts, witness their bursts of anger and watch their spirit of cooperation. (McGraw-Hill)

"THE HONEYBEE" - 6-c- Honeybees are seen as typical social insects. They cooperate with each other, divide their labor, and live in a common community. The film studies the honeybees life-cycle of complete metamorphosis and their values to man. (Coro-

"TURKEY: NATION IN TRANSITION" - 27-c- This is the eighth film in Julien Bryan's series on the nations of the modern world. The title is important, for it indicates a new approach. This is not only a thorough study of the land of Turkey itself, but also a study of a nation mid-way in its economic and social development, a nation face-to-face with all the enormous problems which the world's underdeveloped countries must eventually solve. (International Film Foundation)

"WHITE HOUSE, PAST AND PRESENT" (Print 1) - 13 1/2-c- Tour through the White House with historical description of the furnishings, rooms and decorations. (Coronet)

Academy Sports

Two weeks ago when Culver Military Academy played Lafayette Central Catholic, all of the post-game statistics favored the Eagles but Culver lost the football game.

Today, the situation was reversed. Bloomington University School won last Saturday's statistical battle, but the Cadets walked off with a 15-0 victory, their fourth in seven games.

Although held to only three first downs and no net yardage in rushing, Culver blanked the Bloomington visitors partly through a good aerial attack and at least one good break. While Bloomington was rolling to 11 first downs, the Academy racked up the TDs, one on a 39-yard pass play, John Baker to Fred Schumacher, and a second when linebacker Mike Thrower intercepted a Bloomington aerial and raced 85 yards for a touchdown. The interception halted a Bloomington bid to tie the score in the second quarter, and the visitors never threatened again until the final minutes of the game. The contest ended with Bloomington on the Culver four.

One other score was recorded in the third period when 250-pound center Mike Turnbull blocked a Bloomington punt at the 24. The ball rolled into the end zone where it was recovered by a Bloomington player to award two points to the Academy.

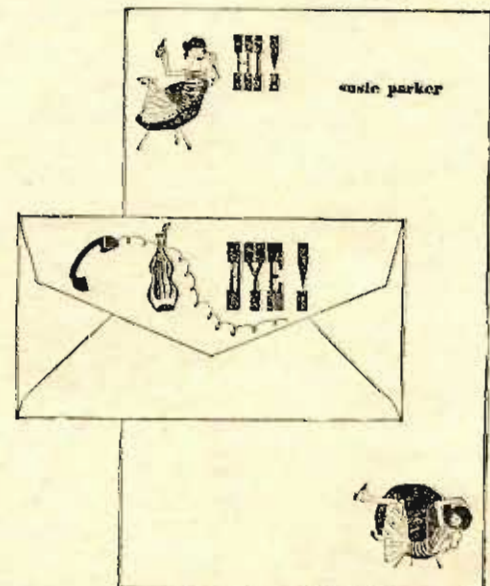

Coach Russ Oliver's football squad will end its 1963 season Saturday in a 2 p.m. game against Schlarman High School at Danville, Ill. The game was originally announced as scheduled for Culver.

Twelve Boy Scouts, five guests and the Scoutmaster attended the District Scout Rally and Deer Roast held at Myers Lake Scout Reservation on Nov. 2. Numerous games were played and deerburgers were enjoyed by all.

"Swat 'EM" was the pre-opening game of the Nov. 4 meeting of Troop 290. The meeting was opened by the Flaming Arrow patrol, followed by announcements given by the Scoutmaster. Next semaphore instruction was given by Dean Smith, after which was patrol corners where semaphore was practiced. Games were enjoyed with the Beaver and Panther Patrol winning one "Semaphore Contest" each. Another game played was "Tiger in a Cage." The meeting was closed with the Scout Benediction.

Honor patrol of the month of October went to the Panther Patrol.

Remember, next Monday is the Board of Review, so all should be working to advance in rank.

First aid classes will be held every Tuesday at 7 p.m. so Scouts will be able to pass Second and First Class first aid requirements and the first aid merit badge. These weekly classes are being conducted by Wilbur Kelso who is a qualified Red Cross instructor.

There will be a Court of Honor on Monday, Nov. 18.

The Tippecanoe overnight will be held Saturday and Sunday, Nov. 30 and Dec. 1.

On Saturday, Dec. 7, there will be a Junior Leader Training Conference at the Plymouth Conservation Club for afternoon and evening sessions. This is for the Troop leaders only.

We are looking for boys between the ages of 11 and 18 years of age, that are interested in fun, adventure, camping, and new fields of interest, to join our Troop and the Boy Scouting program. Troop meetings are held every Monday at 7 p.m. at the Methodist Church. Come and join us next Monday!

PRODUCTION RECORD

Culver Lad Dietator Happy 391408, an eight-year-old, owned by John A. Newman & Sons, Culver, produced 17,665 pounds of milk and 679 pounds of butterfat in 343 days.

Purdue University supervised the weighing and testing of production as a part of the official breed improvement programs of The Holstein-Friesian Association of America.

In announcing the new record, a spokesman for the national Holstein organization said that it compared to the average cow's annual output of 7,211 pounds of milk containing 270 pounds of butterfat.

PUBLISHED WEEKLY BY THE PRESS CLUB OF CULVER HIGH SCHOOL

Junior, Senior English Classes

(EDITORS' NOTE: The following article was submitted by Mrs. Robert Kline in response to a request by the editors. It is an explanation of her English classes.)

The ideal situation for junior English classes would be separation of those students who plan to go to college and those who do not. We are unable to make this separation at the present time because of scheduling problems. If this were done, however, a more practical approach to the subject could be made, benefiting both groups.

Because more than half of the members of the junior class plan to attend college, a great proportion of the time spent in class is directed again to the college-bound student. The junior English class does a more concentrated study of the language than the senior class, for some points of grammar are first encountered during this year. Thus, acquainting the student with additional knowledge of English is a large part of the junior program.

Written composition is again stressed and the juniors write four to five themes every six weeks. During the junior year, each student will also write a research paper.

The juniors read literature by American authors, thus paralleling their United States history course. This year the class is using an anthology of American literature and each member is required to read at least six American novels assigned by the teacher.

The purpose of the senior English class in Culver High School is to prepare students for college. Emphasis is placed on the ability to understand the ideas of others and to express one's own effectively. Throughout the year this is accomplished by writing, reading, and speaking.

A thorough review of grammar, syntax, and punctuation is held during the year. Although this review is intended to refresh a student with the basic mechanics of his language, it is not an effective substitute for the practice of writing. Thus, each student receives practical application of mechanics through a weekly composition and sometimes a daily paragraph. Various kinds of writing are assigned during the year, with special emphasis placed on exposition since most student writing in college is in the form of essays, reports, term papers, and examinations.

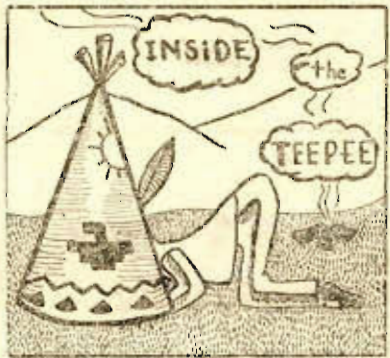

The class uses a composition book which gives writing samples, critical analyses of these samples, and suggestions for student compositions. Subjects for compositions are also taken from class discussion and material read. Many of the compositions are assigned several days in advance, whereas other compositions are written in the class period itself.

The reading material for the seniors in English consists of material from English literature. This year the class is using an anthology of English literature plus nine English novels. Logical analysis, problems of society, and intellectual issues are discussed in relation to the reading

material.

Because oral composition reinforces writing in the development of accurate and coherent expression, some instruction in speech is given in the senior year. In addition to these formal speeches, classes are held on an informal basis and each student has opportunity to express his ideas verbally before the other class members.

The senior English class is primarily a practice ground for those entering college. It serves as a general review of the language and a preparation for college work.

Seven suns have fallen in the West; another week has passed! The hidden braves and maidens of C.H.S. now reveal their secrets! The leaves are falling; the trees are bare; cider and pumpkins everywhere. (Poetic, isn't it?)

Hark . . . Chief Crosley's war party shall soon meet the Braves of Aubbee! The War God predicts heap big victory for orange and black "Swift Feet."

Also, one of the instigators of an ancient "BB" society has recently discovered a SHARP brave dressed in blue, haven't you, Miss Boots?

Oh, happy day? Jerry Nelson was back in town over the weekend. Cathy Carrothers could possibly fill in the details.

Wanda Warren has recently been singing her new theme song, "Row, Row, Row your Boat!" Gosh, Wanda, did you actually drink three malt glassfuls of water one right after the other?

Wheeee . . . There is no need for alarm, for Holly Thompson says there were "only" seven girls in Mr. Mikesell's car, and they were just chasing boys!

Say, Tom Yocom, what were you doing at Linda Nelson's house Wednesday night? Just playing football, perhaps?

What's this? Patty McCombs has a new name? Tell us, Patty, is it "BB" by chance?

Hey, Pam Fish, since when did you learn how to drive a tractor? Could it be that you tried to learn how to drive the tractor so that some of the sophomore girls could still rake leaves while the boys went to basketball practice? Nice try, Pam, but from now on please leave the driving to the boys. The town will be safer that way!

Shaving cream and more shaving cream . . . Karen DeWitt and Pam Fish's party turned out to be a regular panic last Saturday night when the shaving cream from the scavenger hunt was used by a group of amateurs to shave Steve Guise.

The two wagons used for the MYF hayride last Wednesday night were filled to capacity with some of the junior girls standing. Not that they remained

standing, but at least they tried. For more information about this incident, just ask Carolyn Snyder!

A certain sophomore boy did not have to face any consequences after he broke the oil line on his father's car. He was pretty lucky, especially since he hasn't had his license very long.

SPORTS NEWS

By Larry Linhart

Since Oct. 1, coach Gene Crosley has been hard at work with the basketball team. Every evening, they put long, hard hours into practice and, in time, it will pay off. The "Indians" will be strong this year with veteran lettermen Paul White, Sam Lowry, Ned Davis, Jim Boswell, and Dave Lemar. Also this year, the "Indians" received some added height to the team with a veteran basketball player from Valparaiso, Bob Eustis.

The Culver Cross-Country team ended its season this year with the Section Meet. This year, the team turned in a good record of 14-7, the best record in the last few years. The Culver Cross-Country team is to be commended!

Fads and Fashion

By Carolyn Snyder

This week a survey was taken on the subject of going steady. Inevitably, after you have been dating for awhile you face the question of whether or not to go steady. Perhaps you have many of the same views as other students do on the subject.

What does going steady mean? When this question was asked many different opinions were expressed. Some said that going

steady assures you of a date for all the social activities and is a sure way of being part of the crowd. It means that you really care for someone and you want to be with them. While others said it was too confining; that your teen-age years are the time to be free and date all different kinds of people. So you can see that going steady is a social custom that has different meanings to different people.

Going steady has advantages. It means security. It is cheaper than dating someone different every week because you spend more evenings in your home with your steady, instead of going places that cost money. You become part of the crowd and have someone with which to share your spare time.

Although there are advantages the students expressed many disadvantages in going steady. They said that going with one person all the time prevents you from meeting and enjoying varied personalities and most people think it is lots more fun to "play the field" anyway. The main disadvantage implied was that all good things must come to an end and when you break up, someone is always hurt.

On the average, by our survey, students felt that the disadvantages of going steady outweighed the advantages. They felt that it depended on the individuals concerned, but that in most cases, going steady should be reserved for people who have graduated from high school and are more mature and able to accept responsibilities.

Colleges and Careers: Purdue University

By Holly Thompson and Janet Branaman

The need for schooling after high school is becoming increasingly apparent. Our counselor is aware of the differences both in academic potential of a student, and in requirements of the different programs in the past high school educational program. No one university can hope to meet all the needs of every student. However, in a large university such as Purdue, there is available a variation of educational programs offered at different levels which demand different backgrounds to achieve success.

The three different types of curricula offered are:

1. Four-year programs leading to the baccalaureate degree.
2. Two-year programs leading to an associate degree.
3. Non-degree programs designed to provide training in certain industrial areas.

A few of the programs offered are: ENGINEERING, which includes industrial, mechanical, and chemical fields; AGRICULTURE, which includes agricultural education, horticulture, and soil and crop science; HOME ECONOMICS, which includes fashion retailing, vocational home economics teaching, and art and design; SOCIAL SCIENCE, and EDUCATION, which includes American Government and politics, English literature, French, German, Spanish, and Russian; and SCIENCE, which includes mathematics, physics, and chemistry.

All applicants to universities such as Purdue will be required to have the results of the Scholastic Aptitude Tests of College Entrance Examination Board sent to the university by the educational testing service. These tests are to be taken the December before entering college.

Purdue will also require all applicants to take the College Board Achievement tests in English, mathematics, and chemistry. These tests will be used as placement examinations; they should be taken in March.

Six Culver students entered Purdue this last fall. If you have any questions or plans about Purdue or any other university, Mr. Miller will be glad to help any student who comes into his office with such requests.

Shall I force my child to go to Sunday School and Church?

Yes, definitely!
 Startled? Why? How do you answer Lucy when she comes to the breakfast table and announces, "I'm not going to school today?" You know, Lucy goes.
 How do you answer when Lucy comes in besmudged with dirt and says, "I'm not going to take a bath?" You know, Lucy bathes.
 How do you answer when Lucy, threatened with illness, says, "I'm not going to take that medicine?" You know, she takes it.
 Why all this timidity, then, in the realm of spiritual guidance and moral training? Going to wait and let her decide what Church she'll go to when she's old enough? Don't fool yourself. By that time she'll probably believe that a decision neglected by her parents during her first twenty years might not be necessary at all. You didn't wait until she was "old enough" to decide she should go to school.
 Afraid she'll later succumb to the old story about "... too much religion when I was young ... parents made me go?" This tale is obviously false. Just because she takes a bath tonight doesn't mean she'll discontinue them at the age of twenty-one.
 What shall I say to Lucy when she announces she doesn't like Sunday School and Church? That's easy. Be consistent.
 By firmness and example you can show her that church-going is a necessity. And in later years, she will thank you for bringing into her life the greatest values a mature person can possess — Christian habits and ideals.

THE CHURCH FOR ALL - ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Mr. and Mrs. Bob Lake and daughters of Tulsa, Okla., arrived at the Orvin Lake home Saturday for a week's visit with relatives and friends.

Mr. and Mrs. Ellis Clifton were Sunday dinner guests of Mr. and Mrs. John Strycker.

Mrs. Glen Quivey and Lois of Wabash were weekend guests of Mr. and Mrs. Leslie Mahler. Mr. and Mrs. Martin Mahler and family were also Sunday dinner guests.

Sunday dinner guests of Mr. and Mrs. Harry McPherron and Kathy were Mr. and Mrs. Tom McPherron and family of Lakeville and Mr. and Mrs. Larry McPherron of Lafayette.

A familiar landmark was razed last week when the store building on the Lawrence Hissong farm at the corner of Pine and W. 18 B Roads was torn down to make way for a new building being built by the Maxinkuckee IOOF Lodge on land deeded to the lodge by Mr. and Mrs. Hissong. The original building was built in approximately 1895 by the Farmers Mutual Benefit Association to house a store and a meeting place for the Association.

Visitors during the week in the Lawrence Hissong home were Mr. and Mrs. Wayne Hissong and family of Letters Ford, Mr. and Mrs. Loren Hissong and Mary Lynn of Argos and Mr. and Mrs. Herbert Blocker and family.

SUPER SALESWOMAN — A Perrysville grade school teacher without mentioning names sold The Cayuga Herald of a transaction between two little girls in her class. One of the girls, said the teacher, was exhibiting a nickel which she said she had "earned." The teacher questioned the girl about the coin and the child told her she got it by selling a piece of chewing gum to a classmate. Further questioning developed that the young saleslady had herself chewed the gum all morning before she sold it.

Students List Favorite Subjects

By Bonnie Saft and Karen McDonald

There is a large variety of subjects offered in Culver High School. Each subject has its distinct characteristics and is designed to broaden the students' experiences in different ways. Some are well liked, while others are not. This week many of the students were asked which class they preferred and why.

Art Altman: Second period study hall . . . goof off period!

Valerie Gunder: I like 6th period U. S. History class. I bet you can't guess who the teacher is!

Hugh Haritz: 8th period because we only have 25 minutes of school left for that day.

Terry Lewis: 2nd period study hall. It's a regular panic!

Paul Liette: 8th period on Fridays, because I can look forward to two days of vacation from school.

Doug Lindvall: 9th period — "basketball practice"

Richard Warner: Any period except the first eight.

Hershel Odle: 8th period, every other Monday, because Bob Albert is in Hi-Y.

Dick Knoerzer: From 11:40 to 12:35.

Wanda Warren: 7th period because it's different. I have book-keeping.

Linda Thurin: 5th period home ec, because we get to eat the food the 4th period class makes.

George Wright: 8th period when we have choir. I like to hear the director blow the whistle.

Patti McCombs: I like all my classes, but I guess English is best, because I like to write themes, paragraphs, etc.

Ed Matson: Chemistry because I got my best grade in this subject.

Cheryl Walter: Gym because you don't have to just sit all period cramped up and have to keep quiet. In gym you can grab most of the time.

Patty Overmyer: I like them all but I like biology best; we're going to grow bacteria.

Suzanne Overmyer: Biology. I like looking at slides on the microscopes.

Elvira Briones: Latin, because it is lots of fun learning of the ancient gods and goddesses.

Cathy Schmidt: Biology because you don't have to just sit and be quiet.

Pamela Crozier: I like Latin best because you can never tell what will be happening next.

Carolyn Saft: English, because I like the teacher.

Diane Nelson: I like English the best because of the paragraphs and themes we have to write on are a riot.

Tina Ferrier: I guess I like French and English best because they're awfully interesting and there's something different every day.

Tom Yocom: Trig, because I'm not taking it. Actually I like physics best, (when I can understand it)

Betty Ricciardi: French and senior English because I enjoy working with languages.

Dan Weaver: All of them.

Linda Shock: I like world history best because the study of our world and its people is so completely fascinating to me. (sure Linda!!)

Carolyn Covington: English III, everything in that class is fair and square. Mrs. Kline is both a nice and smart teacher. I enjoy being in her class.

Lonni Darocsi: Bookkeeping because the good grades I get in this class help bring up the not so good grades that I get in a certain other class.

Paul Saft: I like U.S. History class because there is never a dull moment with Mr. Lawson.

Charles Snyder: I like senior English because without clear communication you can't study other subjects like physics and trig.

Marsha Paul: I like biology because you learn about different kinds of insects.

Susie Gardner: I am enjoying all my subjects this year because there is so much to learn. If I must choose one, I would pick Chemistry since it is the most challenging for me.

Steve Albertson: Science is my best class because it is so interesting.

Sharon Eustis: My favorite class is bookkeeping because I think it is very interesting and I enjoy it very much.

Jerry Schrimsher: I think Shop is fun because I like to work with tools of every kind.

Larry Humes: I think shop is much fun, too!

Joan Kosterman: I like English because Miss Overmyer makes it so interesting. She makes us think, learn, and still get a lot of fun out of it.

Larry Linhart: Senior English because it's the most challenging.

LaDonna Darocsi: Study Hall — time for goofing off!

Ronetta King: I like English best because one of my favorite subjects is English and my teacher makes it very interesting.

Patty Wentzel: I like General Business because I like to learn about different businesses and what all they do.

Elaine Epley: I like Latin because you learn so many different things about other people back in the times before and after Christ. I also like the teacher.

John Milner: I like noon hour because there is no work, and you can have fun and it is interesting. I think it's my best class.

Lucy Osborn: English is my favorite subject because it is so practical and can be made very interesting.

Barbara Overmyer: I like U.S. History best, because of the person who sits next to me.

Jan Scruggs: I stand on the 5th amendment! Besides I think I like them all.

Kay Overmyer: Mr. Dillman's Senior Math class because we're always learning something new.

Mary Ann Shock: Miss Shank's Secretarial Class because we're learning everything a secretary should know when you work in an office or some big business.

Nora Sheppard: Miss Shank's Secretarial Practice because you're on your own and can use your own initiative. It's not the old hum-drum of doing one thing, it's a mixture of math, English, etc.

Gregory Yapp: Study Hall because I can catch up on the sleep I lost last night when I did my homework.

Sentry Safety Council

Pupil Health-Safety Tips

Schooltime is a good time to make sure youngsters are in top physical condition and to review safety precautions. As an aid to parents, the Sentry Safety Council of the Sentry Insurance companies has compiled these tips:

- Make certain children are adequately protected against diseases such as polio, smallpox, diphtheria, whooping cough, tetanus. If immunized earlier, booster doses may be needed.
- Have vision checked by specialist. Youngsters with a vision problem may learn to use only one eye. The other eye will then grow lazy and vision may be permanently impaired.
- Busy school days should start with sit-down breakfasts.
- Insist on regular sleep hours.
- School is an abrupt change to a first-grader. Explain what he can expect in school; take him for an advance visit. If he will be walking to school, take him by the hand and walk over the best route pointing out safe ways to cross intersections he will encounter daily.
- Children riding on a school bus should respect the authority of the driver; always remain in their seats; never crowd or shove when boarding or alighting from bus.
- The Sentry Safety Council reminds bike riders to keep to extreme right of road; ride single file; obey traffic signs; ride alone; never stunt ride.
- Caution youngsters not to hitch-hike and never, never to accept rides from strangers.

Finally, today's first-graders will be college freshmen in a few short years. The Sentry Safety Council says schooltime is a good time to review the family's insurance program to make sure their college education will be guaranteed.

hold, Mr. and Mrs. Richard Young, Mr. and Mrs. Fred Dilmire, Mr. and Mrs. Clarence Sellers, Mr. and Mrs. Ron Reinholt, all of Leiters Ford; Mr. and Mrs. Dick Decker of Valparaiso; and Mr. and Mrs. Tom Reinhold of Monterey.

Mr. and Mrs. William Freel and daughter of LaPorte were guests Sunday of Mr. and Mrs. Charles Freel.

Mrs. Jim Scott and family of Park Forest, Ill., and Mr. and Mrs. Nolan Shaffer visited Sunday afternoon with Mr. and Mrs. Roy Shaffer and helped Lori Shaffer celebrate her third birthday.

Mrs. Charles Brucker and daughters, Barbara and Charlotte, visited Friday evening with Mrs. Ruth Overmyer.

Mr. and Mrs. Alan Winters and daughter Kim of Muncie were guests over the weekend of Mr. and Mrs. Carl Winters. Mr. and Mrs. Delbert Hunnicutt of North Judson were guests on Monday evening in the Carl Winters home.

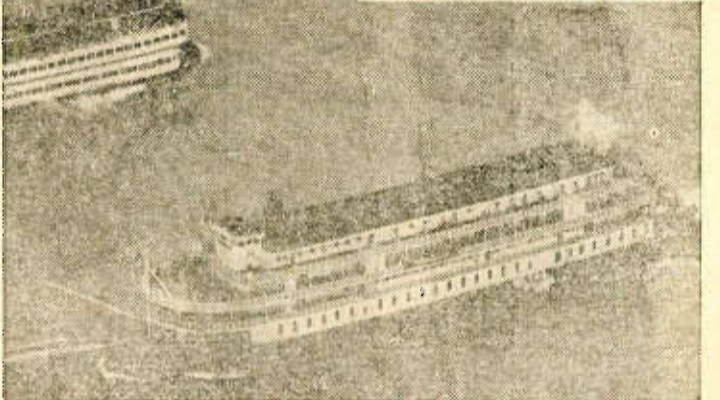

FLY GIRL — At the age of 16 most young people are looking forward to getting an automobile driver's license but not Miss Ingrid Rathbun. She recently celebrated her 16th birthday soloing in two different airplanes and as yet she hasn't learned to drive a car. She is the daughter of Mr. and Mrs. Carl Rathbun, Route 5, Portland.
