Town Board Happenings

The Culver Town Board appointed Howard Hilles, Plymouth attorney, as the Culver Town attorney at the Board's regular meeting last Monday evening. Mr. Hilles sat in on the board meeting, answering legal questions for the board as they arose.

Bids on the proposed new four-inch water line to be laid between Cass Street and Lewis Street on North Slate Street were presented by Ray Houghton and Don Stubbs. Verl McFeely, water commissioner, by order of the town board had asked for bids just on digging the water line trench and bids for both the digging and the laying of the water line.

Mr. Houghton bid only on the digging. His bid was for \$450. Mr. Stubbs' bid on the digging was \$510 or \$925 for both digging and laying the line. In the rest of saving time and getting the line in, the board awarded the contract to Don Stubbs, who with the aid of water commissioner McFeely, is to dig the trench, lay the pipe and back-fill the dirt.

In discussing the North Slate Street water project, it was brought to the board's attention that the water line on South Slate Street was in nearly as bad a condition as on North Slate. It was pointed out by Mr. McFeely that in the very near future this area would require larger water mains to insure adequate water pressures for all users on the line.

The newly proposed dog ordinance, which will be an amendment to Ordinance 133, was presented by the town attorney for the board's approval. The new ordinance retains all the regulations found in Ordinance 133, but with these exceptions: The cost of Culver city dog tags will be \$1.00 for each male dog or spayed female, \$3.00 for each unspayed female, and \$5.00 for each additional male or female dog.

The ordinance was passed by the board and will be in effect as soon as it has been published the required number of times, which in this case, will be twice in the Culver Citizen.

An agreement between the owners of Maxinkuckee Highlands addition was signed by the board. The area will be annexed into the Town of Culver under these conditions: The owners are to lay all storm and sewage sewers and water lines in the addition. Sewers are to be large enough to adequately take care of surface water and sewage.

The board announced that a two-year contract for the Beach Lodge had been awarded to William Washburn. Only one bid had been received for the operation of the lodge which had been rejected.

Odds and Ends: Dr. Joseph Howard asked the board if some arrangement could be made to take care of the surface water situation in front of his office on Old 17. Because of the low spot in the street, water stands and creates a hazardous condition after a rain.

Verl Shaf reported the view from South as it joins Old 17 was obscured by brush which created a traffic hazard and should be removed. Charles Rhodes and Paul Snyder Sr., discussed with the board the possibility of improving East Madison Street for traffic. The public doing business with the firms located on the street and the Park 'N Shop on east, are using the street more frequently. They asked that some improvement be made such as chuck holes being filled and stone laid on the street to allow for better driving.

Hospital Notes

Mrs. Harold Hatten, 521 S. Main St., Culver, returned home Tuesday from Parkview Hospital at Plymouth where she underwent major surgery on Tuesday, April 28.

Mrs. Earl Dean Overmyer North Shore Drive, Culver, was admitted to Memorial Hospital at South Bend last Wednesday and underwent surgery on Thursday morning. She is recuperating at home after being released from the hospital yesterday.

CHS Musicians To Present Spring Concert Sunday

Attention all music lovers! For your enjoyment, the Music Department of Culver High School will present a Mother's Day Spring Concert this Sunday, May 10, at 2 p.m. in the school gymnasium. The refreshing program will feature the beginning band, junior band, senior band, and high school mixed chorus.

The novice beginning band will play several songs including "Manhattan Beach," the snappy "Thunderer" march, "American Patrol," "Polka," and the familiar "Buffalo Gals."

The progressive junior band will demonstrate their instrumental abilities by playing the lively "Bossa Nova," the tricky-rhythmed German hymn "Kirchenlied," "Fantasy for Band," and "Hey, Look Me Over" from the production "Wildcat." Student director Mike Wynn will lead the junior band as they play the Appalachian folk song "Black is the Color of My True Love's Hair."

The impressive senior band will play a variety of tunes including "Danzon," the peppy "Liberty Bell" march, "A Trumpeter's Lullaby" featuring senior cornet player Ned Davis, and selections from the academy award winning "West Side Story." Baton in hand, student director Diane Davis will conduct the band in the enlightening "Bandology March."

The high school choir will sing "Salvation is Created," the smooth styled "Stars are with the Voyager," "The Christ Theme" from the forceful movie "Ben Hur," and selections from the popular "Guys and Dolls." The choir will sing "They Call It America" with band accompaniment.

Everyone is cordially invited to attend this combined Mother's Day salute and spring music program. Admission is free.

The entire afternoon concert is under the direction of Mr. Harry Fouts, music director.

Survey Head To Address C of C On Culver Schools

A. T. Lindley, of the Purdue University survey department, will address the Culver-Union Township Chamber of Commerce at their noon luncheon meeting, Monday, May 11, at the Culver Inn. Mr. Lindley will project the findings contained in the recent survey conducted by his staff on the Culver Community School Corporation. Mr. Lindley and his associates were engaged to conduct the survey of the School Corporation to determine the present needs and the needs for the immediate future of the school system. His findings, based on very careful study will be very interesting to hear.

Chamber of Commerce members are urged to attend. The public is also invited to this meeting. Those who are not Chamber members will be required to call in their reservations to the Culver Inn, not later than Friday, May 8. Luncheon plates are \$1.50 plus tax.

Mr. Lindley has been in the past associated with the school systems of Fort Wayne and Lafayette before joining the Purdue University survey department. His experience and study of school systems has made him an authority in this type of work.

BOY SCOUT TROOP 290 TO HOLD PAPER DRIVE ON SATURDAY, MAY 23

If you have begun your spring cleaning and don't know what to do with your newspapers and magazines, just tie them in bundles and sit them out by the curb on Saturday, May 23. Culver Boy Scout Troop 290 will hold a paper drive beginning at 9:30 a.m. on that date. The Town of Culver, Academy homes, and the homes around the lake are areas that will be covered.

So, don't throw your paper away —

Grow Up and Go Home!

Some mighty practical advice to teenagers was voiced recently by Judge Phillip G. Gilliam of Denver. And what he said might help a lot of us adults do a better job of living, too. Here it is:

Always we hear the plaintive cry of the teenager: "What can we do? Where can we go?" The answer is, GO HOME!

Hang the storm windows, paint the woodwork, rake the leaves, mow the lawn, shovel the walk, wash the car, learn to cook, scrub some floors, repair the sink, build a boat, get a job.

Help the minister, bishop, priest or rabbi, the Red Cross, the Salvation Army, visit the sick, assist the poor, study your lessons. And, when you are through — and not too tired — read a book.

Your parents do not owe you entertainment. Your city or village does not owe you a living. You owe the world something. You owe it your time and energy and your talents so no one will be at war, in poverty, or lonely again.

In plain simple words — GROW UP; quit being a crybaby. Get out of your dream world and develop a backbone, not a wishbone, and start acting like a man or a lady.

You're supposed to be mature enough to accept some of the responsibilities your parents have carried for years. They have nursed, protected, helped, appealed, begged, excused, tolerated, and denied themselves needed comfort so that you could have every benefit.

IN HEAVEN'S NAME — GROW UP AND GO HOME!

"Guys and Dolls" At CMA Eppley May 9, 16, 30

Fourteen high school girls from the Culver area will have parts in the Theater '64 production of the Broadway hit, "Guys and Dolls," to be given in three performances at Culver Military Academy.

The show is directed by William J. Martin, holder of the Hough Family Chair of Fine Arts at the Academy, and will be presented for the first time here at 8:15 p.m. Saturday, May 9, in the Eugene C. Eppley Auditorium. Other performances are scheduled for May 16 and 30, but season tickets held by Concert-Theater Series subscribers will be good only this Saturday.

Martin said there will be no reserved seat tickets for the May 16 and 30 performances, however \$1 general admission tickets are on sale for those nights.

Lucy Osborn, a senior at Culver

High School and daughter of Mr. and Mrs. Ralph Osborn, Jr., will play one of the four key roles in the musical. Others with leading roles are cadets Clay Bodine and Robert Marsh, and Jan Bray, wife of Academy Chaplain Allen F. Bray, III.

Included in the cast are Jane Ann Ives, Sue Cole, Diane Davis, Susan Helber, Debbie Henderson, Martha McAllister, Lois Newcomb, Jan Scruggs, Andrea Siple, and Rene Schultz. Area girls who will dance are Cathy Nitzell and Mary Strow, Culver; Cathy Carrothers, Burr Oak; Bonnie Bollini, North Judson; and Karen Nichols, Knox.

Music and lyrics for "Guys and Dolls," which had a long run on Broadway and was later made into a motion picture, were written by Frank Loesser. The book is by Abe Burrows. A full pit orchestra will be under the direction of Edward Payson, chairman of the music and art department at Culver.

Set your house plants in trays containing moist gravel to keep the humidity high, Purdue University horticulturists say.

Open Forum On Libraries To Be Held May 18

Will you be a friend? A friend of our libraries, that is?

These libraries are the major means of providing adults with information, students with knowledge, children with inspiration, and all of us with pleasure. Yet many in our communities do not understand what our libraries have to offer, how they operate, or what their needs are.

In order to answer people's questions about library services, costs, importance to our educational system, and any other aspect of this subject, there will be an Open Forum On Libraries on Monday, May 18, at 8 p.m. in the Lincoln Junior High School Auditorium at Plymouth.

This will be sponsored jointly by the American Association of University-Women (Plymouth Branch) and the Starke-Marshall Libraries. It is open to anyone in any community who wishes to attend. It is hoped they will bring their questions and air their views — pro and con. There will be a panel of both professional and lay people there to give you facts and information on the questions raised.

All interested members of the community are urged to bring their friends and neighbors and attend this interesting and profitable meeting.

Bridge-A-Rama Semi-Finals Over

Winning couples in the Tri Kappa Bridge-A-Rama semi-final playoffs were Jack Easterday and Dr. Duane Powers; and James McAllister and Donald Parson. These couples will play the final game to determine the championship couple of the tourney. The pairings for the semi-final play were Mrs. Ed Schultz and Mrs. Jack Campbell against Jack Easterday and Dr. Duane Powers, Mrs. Barrett Irvine and Mrs. Walter Gollnick against James McAllister and Donald Parson.

The Tri Kappa Bridge-A-Rama started last fall. Ten sessions were to be played during the win-

ter with the winning couple from each table representing that group in the first round play-off. The next plays were to be elimination sessions with the winning couple receiving first prize, second couple winning second prize.

Women's Guild To Meet At Grace Church

Members of the Women's Guild of the Grace United Church of Christ will meet at 7:30 p.m. on Thursday, May 14, in the church social rooms.

Miss Thelma Smith will be chairman of the program which will be entitled, "Understanding Our Community." Others serving on the committee include Mrs. Judson Dillon, hostess; Mrs. Lawrence Lindvall, Sr.; Mrs. Ada Cromley, and Mrs. Walter Johnson.

BIRTHS

Mr. and Mrs. Larry Poling of Columbus, Ohio, former Culver residents, announce the birth of a daughter on Monday, May 4. The baby weighed seven pounds and has been named Kelly Ann. Mr. and Mrs. Glenn Doll of Culver, maternal grandparents of the baby, spent the weekend with the Polings. Mr. Doll returned home Tuesday evening and Mrs. Doll remained in Columbus.

Visitors to Culver judge it largely by the people they meet here. What do you do to make Culver more attractive to visitors and newcomers?

War Mothers To Meet

Members of the Culver Mothers of World War II will meet at 7:30 p.m. on Monday, May 11, at the home of Mrs. Elza Hawkins.

§-§-§

Dale Davis and Mr. and Mrs. Bill Warren Jr., Rusty and Michelle arrived Saturday morning to join Mrs. Davis in spending the next two weeks visiting their daughter, Mrs. Fred Ditmire and family and other relatives and friends.

Mrs. Austin Reed of Bourbon was a Monday evening guest of Mrs. Trula McKee.

Mrs. A. N. Poppe Hosts May Meeting Of Home Demonstration Club
 Twenty-nine members and a guest, Mrs. Charles Haney, were present at the Culver Home Demonstration Club meeting held Friday afternoon, May 1, in the home of Mrs. A. N. Poppe. Assisting hostesses were Mrs. George Kerrigan and Mrs. Hattie Krueger.

Mrs. Wilfred Craft, president, opened the meeting by reading the thought for the month. For the devotional period, Mrs. Krueger read articles about three mothers of the Bible, including Hannah, mother of Samuel; Ruth, mother of Obed, who left her own land to go with her mother-in-law, Naomi; and Mary, the mother of Jesus.

Mrs. Ferris Zechiel gave the history of the song of the month, "Love's Old Sweet Song," and led the group in singing. The birthday song was sung to Mrs. Nellie Baker, Mrs. L. B. Hackett, Mrs. Ora Overmyer, and Mrs. Whitney Kline, and the anniversary song was sung to Mrs. Errol Culter.

During the business meeting, Mrs. Kerrigan conducted a survey for the County Program Planning Committee. Also, it was announced that May 2 through 9 is Indiana Home Demonstration Week and in observance of this a May Coffee is being held this morning at the Church of the Brethren in Plymouth.

A special program honoring all members who have belonged to the club for 25 years or more was presented by a committee including Mrs. Kerrigan, Mrs. D. Hatten, Mrs. Raymond Lowry, Mrs. Herman Siems and Mrs. Harry Leffert. The honored members were Mrs. Gertrude Behmer, Mrs. Dessie Blanchard, Mrs. William Kline, Mrs. Nellie Baker, Mrs. Eva Heiser, Mrs. Whitney Kline, Mrs. Delbert Jordan and Mrs. Guy Davis.

A HANDY NEWS BOX by The Citizen's front office door welcomes your news items for next week's paper 24 hours a day.

Mrs. Richard Behmer, accompanied by Mrs. Whitney Kline, sang "Mother Machree," and Mrs. Hatten read two poems, "A Little Mother," and "Occupational Therapy."

Mrs. Siems conducted a program, "This Is Your Life," for each honored member and as their individual life was read Mrs. Lowry presented them with a small plant from a table centered with a Maypole in pastel colors. The program was concluded by the group singing, "Oh, Motherhood, The Beautiful."

Delicious refreshments were served during the social hour. The next meeting will be on June 5 in the home of Mrs. Wayne Kline.

Mrs. Jerome Zechiel was the recipient of the door prize.

Order of Eastern Star Observes Mother's Day

Stated meeting of the Order of Eastern Star was held Tuesday evening in the Masonic Hall and Mother's Day was observed. Mrs. H. Maynard, worthy matron, was in charge of the meeting and as each member entered the Chapter room she was given a corsage of lilacs.

The Chapter room was decorated with a profusion of dogwood, lilacs, tulips and violets with the East appropriately decorated with a huge Mother's Day card on a background of red.

After the business Mrs. Maynard told of attending Grand Chapter at Indianapolis follow-

Mrs. Roger Thews, soloist, accompanied by Mrs. Cleo Ringle, organist, honored all mothers with a song, "Cross My Heart, I Love You," following which a

poem, "A Boy's Tribute," was read by the Worthy Matron.

A gift from the Worthy Matron and Worthy Patron was presented to Mrs. Roy Wickizer, mother with the oldest living child; and to Mrs. Verlin Shaffer, mother with the youngest child.

H. D. Maynard, worthy patron, told of thoughts he brought from his visit to Grand Chapter.

The meeting was closed with the usual closing march and refreshments were served by Mrs. Paul Saft, and Mr. and Mrs. Roy Price.

Last night at the Lions Den, The Kelly Shop presented to the high school girls of Culver and Aubeenaubee a summer fashion show and coke party.

In a garden setting, the four varsity cheer leaders of Culver, Misses Kathy Easterday, Valerie Gander, Lonni Darosci, Martha McAllister and the senior cheer leader of Aubeenaubee, Miss Barbara Hunneshagen, modeled some 50 changes in a fast presentation of the latest styles.

Fashions shown ranged from the one-piece shift dress, to night-time wear; from mix and match coordinates of skirts, shorts and slacks to the latest in swim wear, that will be seen this spring and summer in all resort areas.

It is apparent Culver does not lack the latest in fashionable summer wear.

By Terry Powers, Troop Scribe

Boy Scout Troop 290 met at the Methodist Church Fellowship Hall on Monday, May 4, with 17 members present. The pre-opening game was soccer. The Flaming Arrow Patrol conducted opening ceremony and then we discussed Camp-O-Ree plans. Our Scoutmaster made announcements and congratulated the Troop upon winning a blue ribbon at the Scout-O-Rama and the winning of "Honor Patrol" by the Beavers during April. We had patrol corners and the meeting was closed with the Scout Benediction. The Webelos attended and participated in the Troop meeting.

Your fee for the Camp-O-Ree must be turned in next Monday, if you have not already done so. Let's have 100 percent attendance and bring home three blue ribbons! The Camp-O-Ree is May 15, 16, and 17.

Order of the Arrow elections were held Monday and the following Scouts were nominated: Jeff Adams, John Cook, Greg Easterday and Steve Kelly. The two winning Scouts will not be known until the "tap-out" at the Friday evening campfire at the Spring Camp-O-Ree.

A Board of Review will be held next Monday, May 11.

Brother Of Mrs. Nellie Baker Dies At Age 82

Services are being held at 2:30 p.m. today, Wednesday, May 6, at the Riverside Church of Christ in South Bend for William J. Kline, 82, 2421 Walnut St., South Bend, who died in South Bend's St. Joseph Hospital Sunday following a nine-year illness.

The Hollis Funeral Home is in charge of arrangements. Rev. Sherman Nicholas, former pastor of the Riverside Church where Mr. Kline was a member, will officiate and burial will be made in the Oak Hill Cemetery in Plymouth.

Mr. Kline was born at Inwood Aug. 10, 1881, and was married in Plymouth June 21, 1900, to Dessie Rish who died Jan. 7, 1961. He was a retired contractor.

Survivors include eight daughters; four sons; two brothers; six sisters, including Mrs. Nellie Baker of Culver; 56 grandchildren; 84 great-grandchildren; and four great-great-grandchildren.

4-H News

By Melissa Guise

Members of the 4-H Club had their fifth meeting on April 30. Mothers of the members came to the meeting. Patty Liette led the club in the Pledge to the Flag. Mary Alice Zehner led the 4-H Pledge and Karen Zechiel and Sandra Lewis gave a demonstration on being safe while playing. Mary Jo Fishback had recreation. Mary Alice Zehner, Shari Scott and Mary Ann Easterday brought refreshments. Jane Shock gave a health and safety report about poisons.

By Joan Kosterman

The senior girl's 4-H club, the Shamrocks, held their fourth meeting on April 29, at 4 p.m. at the school.

Club president, Sharon Norris, called the meeting to order. The Pledge to the American Flag was given by Karen Krsek, and the Pledge to the 4-H Flag was given by Lyn Mackey. Roll call and the reading of the minutes by Susan Thews then followed.

Plans were discussed for our May 2, Record Hop. Then we had Health and Safety and songs. The meeting was adjourned and refreshments were served.

Mothers Weekend At The Academy Begins Friday

One of the biggest athletic days in the history of the school and the opening of the student production "Guys and Dolls" are among the highlights of the annual Mothers Weekend on Friday, Saturday, and Sunday, May 8-10, at Culver Military Academy.

Approximately 800 parents will begin arriving on campus Friday morning. The weekend ranks along with commencement activities and Fall Festival in the number of guests it will attract to the Academy.

Most of Friday will be taken up with parents' visitations to their sons' academic classes, however mothers will be guests of honor at a special dinner at 6:45 p.m.

Saturday offers the fullest schedule of the weekend. There are invitational tournaments in tennis and golf, crews from West Virginia and Chicago will compete against Academy oarsmen, and there is a doubleheader baseball game. Sports activities begin at 1 p.m. Superintendent and Mrs. Delmar T. Spivey will be host to parents at a 4 p.m. tea, and at 8:15 p.m. Theater '64 will present its version of the Broadway musical, "Guys and Dolls."

Due to the anticipated overflow crowd, Sunday's chapel program will be divided with a 9:15 a.m. service for the mounted services and a 10:30 a.m. service for the infantry. Sermons will be delivered by the Rev. Allen F. Bray, III, Academy chaplain. The corps will stage a special parade, with mothers in the reviewing line, at 11:50 a.m.

UNION TOWNSHIP FARM BUREAU MEETING HELD AT LIONS DEN

The Union Township Farm Bureau met Saturday evening, April 25, in the Culver Lions Den with approximately 70 people present. Mr. and Mrs. Adrian Snapp and Mr. and Mrs. Jacob Siple were in charge of the pancake and sausage supper which was served.

The feature of the evening's program was a talk by Hermann A. Beck of the Soil Conservation Service, Plymouth, who showed slides of ruins in Iraq, Iran and Egypt where he had been. These were once flourishing cities but with the decline of the land and irrigation the cities were left barren. Civilization has fallen because of the land and water in all places where it once flourished, he said. Dean Manchester, also of the Soil Conservation Service assisted him.

The Pet and Hobby club met with Mrs. Ferris Zechiel and were given flower seeds. They also made little lambs of paper and cotton. A piano solo, "Brahm's Waltz in A Flat," was given by Miss Linda Snapp.

The Chairman, Lawrence White, introduced several business men from Culver to the audience, together with Maurice Curtis from the Co-op and Alton Carothers for the board of County Directors.

Rev. Clyde Beckner read the 108th Psalm for devotions and talked on Soil Stewardship.

CUB SCOUT PACK 290 PRESENTS AWARDS AT APRIL PACK MEETING

The April Pack meeting of Culver Cub Scout Pack 290 was held Tuesday, April 28, in the Fellowship Hall of the Methodist Church. After the opening ceremony by Den 6, the attendance was taken with Den 4 receiving the banner.

Awards were presented to the following Scouts: Marty McCombs and David Reichley, Wolf; Gary Strang, Silver Arrow under Wolf; Robert Taber, Gold Arrow under Wolf; David Wolverton, Larry Babcock, Rodney Triplet, Bear badge; Rodney Triplet, Gold Arrow under Bear; Mike Powers and Jim Davis, Lion. Jeff Zechiel and Mike McFarland received a recruiter strip.

Many different and stylish race cars were entered in the Pinewood Derby Race Rally. Each of the den winners received a Cub Scout

coin purse for his efforts. The Pack champion, Tim Kline, was awarded a trophy with a small car mounted on it.

Den 2 led the Pack in the closing ceremony by singing, "Good Night Cub Scouts."

Congratulations Cub Scouts of Pack 290 on the fine showing you made at the Scout-O-Rama!

Culver Boy Scouts, Cubs Rate High In Scout-O-Rama

A throng of nearly 9,000 people filed through the Plymouth National Guard Armory during the two-day Scout-O-Rama extravaganza last Friday and Saturday to view the colorful exhibits and displays of crafts, skills, and projects put on by the Scouts of Menominee District.

Of the 28 displays, Culver Boy Scout Troop 290 and Culver Cub Scout Pack 290 were awarded blue ribbons for top ratings in neatness, development of subject, attractiveness, and conduct of the Scouts tending the booths.

The local Troop exhibit was based on the astronomy merit badge with displays of the moon, constellations, charts and Scout-made models of the stars, planets, sun and moon in relation to the earth. Two telescopes were set up outside to observe the stars and "green cheese," direct from the moon, was awarded to "lucky" winners.

The Pack's theme was Indian Lore with all dens contributing belts, drums, buckskin, and many other items pertaining to the Indian's way of life. Den 6 and the Webelos constructed and painted totem poles that decorated the booth. Dens 2, 4, 5, 8, 9 and 11 made shields with Indian designs. The Cubs decorated bracelets during the hours of the Scout-O-Rama which were given to the people stopping at their booth.

Troop and Pack 290 are sponsored by the Culver Methodist Church. Carl F. Foust is Scoutmaster and James McCombs is the Cubmaster.

Tender evergreens can be protected from winter sun injury by constructing a burlap screen on their south side. Purdue University horticulturists say burlap can also be wrapped around the trunks of newly transplanted or tender shade trees.

Local Cub and Boy Scouts Participate In Scout-O-Rama

AN INVITATION TO "SEE THE STARS" was voiced by these Boy Scouts of Culver Troop 290. Their exhibit on astronomy was awarded a blue ribbon for their proficiency in displaying and demonstrating the subject. Left to right are Steve Kelly, John Cook, Carl Strang, Richard Brown, Greg Easterday (partially hidden), Ed Behnke (with sign), Mr. Marshall Brown, Troop committee chairman, Jeff Adams and David Kelly. Many other Troop members also took part.

DEN MOTHERS Mrs. Ted Strang and Mrs. F. L. Babcock (l. to r.) are shown with three busy Cub Scouts — (l. to r.) Larry Babcock, Bryce Hinkle and Gary Strang. The theme of their exhibit was Indian Lore and was one of the most colorful booths at the Scout-O-Rama.

HOUSEHOLD HINTS

by Joan March Worden

Kitchen cabinet chaos? Make believe you are a supermarket manager and code your supplies to make a place for everything. But first follow these three steps.

1. Clean the cabinets one by one. Take everything out and organize contents on a large table: soups, juices, fruits, vegetables, baby foods, bottled and canned beverages, spices and herbs and whatever other staples you like to keep on hand.

2. Meantime, while the cabinets are still empty, dust them thoroughly, then wash shelves with a cellulose sponge dampened with a pine oil cleaner and warm water. This treatment will clean, disinfect and deodorize all at once. Dry shelves with paper towels.

3. Line shelves with washable plastic shelf paper. The next step is the big one—coding your own galley for the shipshape look.

4. Code your shelves in either of two ways: Color-code by taping magic tape at the front of each shelf as you open the cabinet door. For example, a swatch of red tape means soups on that section of the shelf, blue tape signals baby food. Another way of labeling shelves is to write the contents on transparent tape. Obviously, most-used foods should be on the easy-to-get-at shelves, inventory and unexpected-company supplies can be stored in less accessible spaces if you're short of room. Be an optimist and encourage the family to put everything in its place.

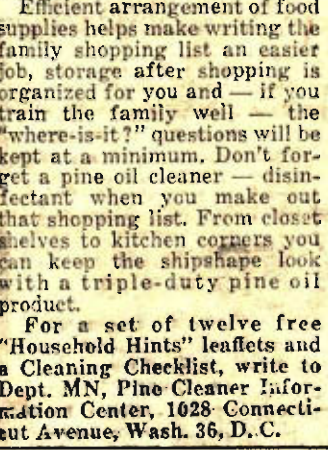

Efficient arrangement of food supplies helps make writing the family shopping list an easier job, storage after shopping is organized for you and — if you train the family well — the "where-is-it?" questions will be kept at a minimum. Don't forget a pine oil cleaner — disinfectant when you make out that shopping list. From closet shelves to kitchen corners you can keep the shipshape look with a triple-duty pine oil product.

COMMUNITY HOME SCHOOL THE SCHOOL BELL

PUBLISHED WEEKLY BY THE PRESS CLUB OF CULVER HIGH SCHOOL

Johnson Is Favorite In Student Poll

By Lucy Osborn and Paul White
On Tuesday, April 28, the students of Culver High School held their annual school election to choose their class and club officers for the 1964-65 school year. The seniors served as the election board members, and administered the ballots at the poles. All members from grades 6 through 12 were allowed to vote, making a grand total of 473 voters.

For the first time in several years, the student voters were given a Presidential preference ballot and were allowed to cast their votes for the President of the United States. The parties of the candidates on the ballot were not designated. It should also be pointed out that history has proven the President in power usually carries a noticeable advantage over other Presidential candidates.

Out of the possible 473 votes, Lyndon B. Johnson polled 47% of the votes with 223 votes. Richard Nixon, Indiana's old favorite, polled 16.6% with 76 votes. Third was Henry Cabot Lodge with 11.8% and 56 votes. Barry Goldwater had 9.8% with 47 votes; George Wallace had 4.6% and 22 votes; Margaret Chase Smith had 4.4% with 21 votes; Nelson Rockefeller had 1.5% with 7 votes; George Romney had .8% and 4 votes; William Scranton had .6% and 3 votes; and Harold Stassen had .2% of the votes with 1 vote. There were 2.7% or 13 votes which were write-in ballots.

In the overall election, the Democrats polled 251 votes making up 53% of the total votes. The Republicans received 215 votes making 45% of the total votes. There were 1.5% of the votes cast for independent candidates.

These results proved to be very interesting compared to a recent National Student Poll which took in some one million junior and senior high school students. Out of this election Johnson emerged with 53% of the votes, followed by Lodge who polled approximately 14% of the votes. In this poll, the Democrats took 62.2% of the total votes while the Republicans received 37.2%. An interesting point in this election was the fact that Robert Kennedy drew a total of 52,739 write-in votes.

What is the significance of these figures? Well, the Republicans could be losing their power in Indiana. The Republicans also seem to be unable to find a favorite Presidential candidate whom they wish to back wholeheartedly. The result? — Only time will tell.

An Editor's Comment

By Paul White
That time of year is again approaching Culver High School — the time of graduation. As the seniors leave high school and seek new horizons, the underclassmen will be quickly moving in and taking over the jobs left vacant by graduating seniors. During these graduation exercises, Culver High School will be donning a new set of armor with which to fight the challenges of the up-coming seniors and underclassmen.

This transformation is also taking place among the Schoolbell and its staff as Lucy and I prepare to close this wonderful year with our final edition of the Schoolbell. Yes, we too will be soon turning over our jobs to Jane Ann and Cathy. As I look back over what has been the best year of my high school career, I recall many experiences and highlights — one of them being my job as co-editor for the Schoolbell. I must say this task has been one of the most rewarding and enjoyable duties I have ever had the privilege of performing. It is impossible to count the number of ways in which this assignment has helped me as an individual. This experience has been immeasurable to me.

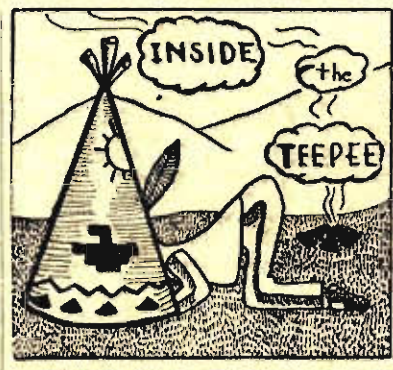

I would sincerely like to thank Lucy for the kind cooperation and unlimited help that she gave me. There were several times when a basketball practice or game would present a conflict in our Schoolbell schedule. Lucy would then willingly and energetically "dig in" and help me out of the jam. Sometimes she would do the major portion of the assignments when I became very busy even though she usually was busier herself. It was also nice to have a woman's viewpoint on several issues throughout the year. It was a most pleasant and enjoyable year working with you, Lucy, and thanks again.

As for our chief editor, Mr. Miller, I would also like to thank him for his much needed guidance and aid. He kept us up-to-date and well informed on articles or stories that should be covered. When we needed advice or new ideas, we were always able to consult "Mr. Editor-in-Chief." This, of course, was not his only responsibility. He also had the final editing and proof-reading job before the articles could be sent to the newspaper office.

I would now like to thank my staff members for their fine cooperation and for a job well done. They all deserve a great deal of thanks and credit for helping to make this Schoolbell year a great success. I realize many of the assignments were rather hard, but they did an excellent job in fulfilling them. Congratulations to Jane Ann and Cathy on their selection as co-editors for next year. Good luck to all of you and do as well for your new co-editors as you did for Lucy and I.

It is really very hard to convey how much I have gained from this past Schoolbell experience. I sincerely enjoyed my reign as co-editor and hope I was able to bring honor and glory to good old CHS.

All grades of meat are good for some purpose, remind Purdue University food specialists. When planning a meal, decide the type of meat dish to be served. Then select the meat cut and grade needed.

"We've been workin' on our homework. All the live long day! We've been workin' on our homework. Just to pass!" . . . Dum de-dum Oh, come on kids, it isn't that bad is it? Oh! It is? Well — sorry we asked! But cheer up! Only 22 more days or drudgery and then you can change your tune to "Happy Days Are Here Again". It seems Dave Lemar changed his tune mighty fast last week-end when he turned around and came face to face with the victim of one of his familiar "cuts" — oh well — we all gotta go sometime. Dave!

It looks like spring has finally sprung . . . keep your fingers crossed friends . . . and cupid has been hard at work as this is his busiest season! One of his victims in Hugh Hartz . . . only Hugh's not telling who the lucky gal is . . . oh come on Hugh . . . have a heart! We also hear that a certain freshman girl with initials L. B. has been seeing quite a lot of a certain junior boy with initials J. V. H. — what's the scoop kids?

Vera Smith and Sheila Fish seem to have acquired some new jewelry in the form of boys' class rings — oops! Almost forgot to add Sharon Wright's name to the list — of course she's so busy riding around in that shiny little Corvette it's hard to catch a glimpse of her trophy.

Hey, what's this we hear about Linda Sparling and a certain senior guy — what? — oh plural! Sorry! We mean certain senior boys!

Now everyone knows that curfew in this town is 11:00 except a couple of sophomore girls. We promise we won't mention any names if you promise to be in by 11 next time.

Tell us Diane Davis, how does one go about getting caught in an elevator door? Does it require much practice or does it come naturally?

Congratulations Jon — you've finally reached your goal of throwing the shot more than 40' at the ripe old age of 17!

We hear that another junior boy deserves a pat on the back. Gary Wallen won first place in the Endurance Run he raced in Sunday. Congratulations Gary!

Speaking of races, it seems it only took Valerie a short time to walk 10 miles from Bass Lake to Culver. Ten miles is a long way, but her guy said "walk" and she did.

The latest from the grapevine is that another junior girl is having a little trouble with her fella. It seems that Dick didn't show up at Lonni's house last weekend until 8:30 Sunday night. Needless to say — Lonni was a little disturbed! Cheer up kid — we know there must be a good explanation!

Monday Is #@?*

By Sue Cole and Jan Scruggs
Instead of our telling what we think Monday is, we shall let Monday speak for itself.

Hello! My name is Monday. Some people call me misery. Color me blue. To mention just a few, the following are some expressions I have heard people call me:

MONDAY — is the day people have to get up early after staying out all weekend.

is the day students have to take that first look of the week at books . . . and teachers. That's blank! (Oops, that comes later.)

is a day for flunking quizzes and tests and botching speeches. is the day people's eyes start to go somewhere . . . they have two bags packed.

is the day everyone starts to try to be good all during the week as the preacher suggested. After Monday everyone can forget about trying and have fun.

is a rainy day during vacation. Blah!

is the day you get well after being sick all weekend. is a day for all weathermen to cry. Their forecasts never come out right.

is the day to realize there are four more days of school left this week. is the day to get report cards. is the day privileges are taken away.

is the day teachers get looks even more blank than usual. That's blank! (Ah, that's where it goes.)

is when you cut yourself while shaving. is the day someone tells you your best friend had a date with your steady.

is a day you run out of gas in the middle of nowhere. is the day you start your diet. is when you have a flat tire, but don't have a spare.

is the day you drop your lunch tray.

SCHOOL MENU

By Carolyn Reynolds and Ann Waite
(Beginning Monday, May 11)

MONDAY: Creamed dried beef on biscuit, green beans, cole slaw, peaches, bread, butter, and milk.

TUESDAY: Hamburger and spaghetti, asparagus, celery sticks, Jello with pears, bread, butter, and milk.

WEDNESDAY: Barbecued hot dog, corn, macaroni salad, graham cracker pie, and milk.

THURSDAY: Parsley potatoes, chicken, bean salad, fruit cup, bread, butter, and milk.

FRIDAY: Fish sticks, baked beans, cabbage salad, plums, bread, butter, and milk.

is the day your popsickle falls off the stick.
is the day your hose get a million runs in them.
is the day you must come back to reality and face the terrible truth.
All in all, besides being the lousiest day of the week, Monday is @?#!.

Spring Music Festival

By Jeanne Adams

Friday afternoon, April 24, all the members of the Culver Senior Band and Choir journeyed to Argos for the purpose of practicing for a concert to be performed that night.

The band practiced their music (?) first. After many squeaks and squalls, the band finally shaped up under the direction of Mr. Fouts and Mr. Doherty.

Next on the agenda, after a much needed coke break, the choir began its practicing. After an hour or so of diligent practicing, the choir sounded fine under the leadership of Mr. Fouts and Miss Olin.

That night at 8 p.m. the concert began with the band playing "The Star Spangled Banner." The rest of the band's repertoire was: "Liberty Bell March," "Overture Militaire," "Beguine Festival," "Overture For Winds," "Ballet Parisien," "West Side Story," and "Bandology."

The choir then came on strong with "The Christ Theme" from "Ben Hur." The rest of the numbers presented by the combined choirs were: "The Stars Are With The Voyager," "Salvation Is Created," "I'll Never Know A Lonely Day," "If Thou Be Near," "Oh Dear, What Can The Matter Be," and selections from "Guys and Dolls."

The finale was "They Call It America," presented by the combined bands and choirs.

The Beginning Band, Junior High Band, Senior Band, and the chorus are now practicing for a concert to be given May 10, at 2:30 p.m. in the gymnasium.

The Shadow

By Linda Thurin

My victim is a 6 foot, 195-pound junior boy. He belongs to Hi-Y, is on the track team, and was one of the stars in his opinion of the basketball team this past season.

His day began with a study hall first and second periods. He spent the second study hall studying his U. S. History and reading a library book in between talking to Al Hyland. Later on he began looking through the new Tomahawk and stopped to admire each of his pictures.

Elections were held that day, so during the first half of third period, he voted. After finally getting to English class, he tried to intelligently answer the questions that Miss McCoy asked him.

Fourth period brought another study hall. This time he actually studied!

After bounding down to the cafeteria, he managed to choke down the sauer kraut and wieners. The rest of the noon hour was spent goofing off as usual.

In fifth period chemistry, he

started his experiment with the usual question — "What are we supposed to do?" He was fairly quiet all hour (amazing). He even handed someone the acid instead of throwing it.

He listened patiently to Mr. Bortorff in sixth period U. S. History. Even though he hadn't worked too hard in his study halls, he managed to answer correctly. After the lesson ended, he started a discussion on Charles de Gaulle.

He started out quietly in algebra class seventh period. He sat at his desk with his mouth open in a big yawn and scratching his chin with his algebra paper while Mr. Dillman explained a problem. (The yawn continued throughout the whole explanation.) Then he began racking his brain trying to figure out the problems on the test. He stopped only to complain that Kay Thomas' whispering was too loud. The last few minutes he just sat with a blank look on his face.

In case you haven't guessed who this character is, it's Dave Lemar. If you don't know Dave, you are missing something. (The trouble is, I haven't figured out what you would be missing!)

CLASS NEWS

By Charles Snyder

On Tuesday, April 29, all students went to the polls in the high school election and voted for next year's organization and class officers. As in years past, the seniors carried out the duties of administering the votes.

The officers for next year's senior class will be Paul Liette, president; Jim Boswell, vice-president; Peggy Herr, secretary; and Kay Thomas serving as treasurer. Representing the seniors on the student council will be Jim Boswell and Lonni Darosi.

President of the junior class next year will be Bruce Lindvall with Andy Lowry as vice-president. Molly Norris will be secretary and Janet Manchester will be treasurer. Junior student council representatives will be Andy Lowry and Diane Davis.

Serving the sophomores next year will be Bill Pletka, president; Bob Crow, vice-president; Diane Nelson, secretary; and Brenda McAllister as treasurer. Sophomores to be on the student council are Paul Hatten and Suzanne Overmyer.

Susie Reister will be president for the freshmen next year with Terry Gentry, vice-president; Susie Thews, secretary; and Phil Edgington, treasurer. Student council members will be Don Gardner and Susie Donnelly.

For the eighth grade Perry Smith will be president and Richard Snyder will serve as vice-president. Their secretary will be Sally Ricciardi and the treasurer will be Steve Kelly. Representing the class in student council will be Jeff Adams and Peggy Shel.

The officers for the seventh

grade will be Earl Williams as president; Eric Hughes as vice-president; and David Hoesel as treasurer.

Culver Students Receive Recognition

By Joan Dillon

On the evening of Wednesday, April 22, the Culver Lions' Club sponsored the annual achievement awards banquet. Those in attendance included Lions' Club officers, Mr. John Weathers who was the speaker, Mr. Kenneth Cole, Mr. Jack Miller, students who were to be honored, and approximately 40 club members.

After a delicious swiss steak dinner, the program chairman, Mr. John Mars of Culver Military Academy, introduced Mr. Cole, who announced the students' names and achievement, and Mr. Miller, who presented the awards.

Each year the Culver Lions recognize outstanding senior students in each departmental study area. The Art and Latin awards do not necessarily go to a senior, rather to any one outstanding student. The presidents and leaders of school organizations are also recipients of medals.

Sixteen students, representing 20 departments, were presented with awards. The students are as follows:

ART AWARD: Linda Shock received the Art Award for her exceptional art work.

AUDIO-VISUAL: Jim Easterday has done the most work and service in visual aids.

BAND AWARD: Lucy Osborn was selected as the most outstanding senior band student.

CHOIR AWARD: For his outstanding performances in the music department, Paul White received the Choir Award.

COMMERCIAL AWARD: Bonnie Saft is the senior who has taken three or more courses in the commercial area.

ENGLISH AWARD: Betty Ricciardi is the exceptional English student in the senior class.

FRENCH AWARD: Betty Ricciardi was given an award also for being the senior student studying the highest level of French offered.

HI-Y AWARD: The president of the Hi-Y Club this past year has been Rob Carter.

NATIONAL HONOR SOCIETY AWARD: Sam Lowry has been the president of the Culver chapter of the National Honor Society this past year.

SCHOOLBELL AWARD: The co-editors of the school news section are Lucy Osborn and Paul White.

SCIENCE AWARD: The exceptional third year senior science student is Sam Lowry.

SOCIAL STUDIES: Susie Gardner is the senior having done outstanding work in social studies, and she appears to have the most interest in the subject.

STUDENT COUNCIL: Martha McAllister is president of the Student Council.

SUNSHINE SOCIETY: The president of the Sunshine Society this year has been Janet Beck.

TOMAHAWK AWARD: Janet Beck was editor of Culver's yearbook, the TOMAHAWK.

USHERS' CLUB AWARD: The president of Culver's Ushers' Club is Cindy Kemple.

After honoring the 16 Culver students, Mr. John Weathers of South Bend was introduced. Mr. Weathers gave an interesting and informative speech, the subject matter of which concerned data processing.

SUNSHINE SOCIETY: Monday, April 27, the Sunshine Society and Hi-Y met jointly to hear a talk given by Miss Christina Hughes about the Peace Corps. Miss Hughes, a qualified nurse, is one of 24 people working for the Public Health Team in Bolivia. The six other nurses in the group range in age from 20 to 66.

Miss Hughes was trained at the University of Washington for a 15-week period. Her college courses included 164 hours of U. S. History, 150 hours of Latin and American History, and 287 hours of Spanish. She started her work at 7:30 in the morning and many times worked straight through until 10 o'clock at night.

Highlights of Culver News of 10, 20, 30, 40, and 50 Years Ago This Week

MAY 5, 1954—
A Sunday afternoon fire of undetermined origin completely destroyed the barn at the farm home of George Overmyer, one mile north of Culver on State Road 17.

Mrs. Myrta Williams Luckenbill, 74, died Wednesday at her home in Leiters Ford following a four-year illness.

Four-year-old John C. Lucas, son of Mr. and Mrs. John E. Lucas of Route 1, escaped serious injury Saturday when he fell in front of one of the rear wheels of a tractor. The lad was riding on his father's knee as they were returning from the field. The wheels did not pass over the boy, but rolled against his hips.

Peter Onesti of Chicago has purchased the Lakeside Grocery and is assuming proprietorship today.

E. E. Furry, Lake Maxinkuckee summer resident, is the new president of the Indiana Bus Operators Association.

The weather has been most unusual — we had snow flurries on Monday, May 3. The thermometer showed 29 degrees, three degrees below freezing, on Tuesday morning and when the election polls opened at 6 a.m., it was only up to 31 degrees. A 3/4-inch crust of frozen ground was discovered in one garden.

MAY 3, 1944—
Culver has the natural asset of being located on the most beautiful lake in Indiana, but more than that is needed to keep the town attractive. Each citizen must see to it that his property is cleaned up, trees and shrubs trimmed, and buildings kept in good repair.

The members of the cast that presented the senior play, "Three Dots and a Dash," were Don McKee, Ulla Eckman, Virginia Miller, Ruth Mattox, Lee Stoughton, Dale Heiser, Margaret Doll, Sue Goheen, Dolores Leland, June Croy, and Virgil Alberts.

Those present to help George Listenberger celebrate his birthday were Edward Davis, Dick Flagg, Donald Davis, Ritchie Dean Mikesell, Allen Crabb, Jerry Jones, Jimmy Talley, Tom Huffer, Charles Porcher, Vern McKee, and Jack Dunbar.

Mr. and Mrs. Herman Ault of Argos announce the marriage of their daughter, Olive, to John A. McVey, son of Mr. and Mrs. Frank McVey, of Knox.

MAY 2, 1934—
Capt. J. H. Bishop underwent an appendectomy.

A farewell party was held at the Evangelical Church for Rev. and Mrs. J. H. Rilling, who are leaving May 3 for South Bend.

Marcille Leland topped the typing classes at high school; Eloise Stinchcomb was second.

Donald Overmyer was the star of the senior play, "Tommy."

Interest in the primary election has been increased by a contest in the Democratic party over precinct committeemen for Union Township.

Mr. and Mrs. J. E. Lindahl and children, Jack and Mary Gray, returned after spending the winter in Florida.

Jesse Robinson and Almeda Born of Chicago were married Saturday.

Temperatures reached 75 degrees Monday after dropping to 30 on Friday.

APRIL 30, 1924—
Over 350 citizens have signed a petition requesting free mail service within the corporation limits.

The petition of 11 families living southeast of Lake Maxinkuckee for Indiana Bell Telephone service has been granted and installations will be made within two months.

Miss Ruth Behmer, who has been teaching music in the public schools at Morris, Ill., announces that she has signed a contract for next year.

W. E. Easterday and Rev. F. B. Walmer will attend the annual conference of the Evangelical Church at Indianapolis next year.

MAY 7, 1914—
Another of the Five boys, Earl, evangelist, is to be married soon. The bride-to-be is a Kentucky girl.

The Post Office lobby will hereafter be closed all day on

Sunday until Sunday train service is restored.

Jacob Cromley, living south of the Lake, has bought a new Ford and Colonel Gignilliat is driving a large new Cadillac.

The young ladies of Mrs. Eisenhard's class of the Reformed Sunday School gave a miscellaneous shower on Tuesday evening for Miss Blanche Leighty, whose marriage to Manford Lucy will occur shortly.

The terrace in front of the Methodist Church has been sodded. A commodious porch, has also been built on the rear of the parsonage.

Herman Sayger has resigned his position as night telephone operator and Clara Wiseman has taken his place. In preparation for the summer business, Vera Zechel and Leona Geiselman have been added to the force.

The Logansport Gate will be formally dedicated and presented to the Academy and the inscription tablet will be unveiled on May 20, according to the plans now underway. Logansport will send about 2,000 persons to spend the day at the Lake and to fraternize with their former rescuers. Governor Ralston has been invited to be present.

Plan to locate a vegetable garden in the full sun, close to the house and water supply. Purdue University horticulturists recommend soil which is fertile and well drained, and an area protected from cold winds. Don't plant near trees that might shade or rob the garden of nutrients and moisture.

CALCIUM ALLOWANCE IN YOUR DIET

A Purdue University research biochemist said today that fewer than 15 per cent of Americans over 65 years of age consume the recommended calcium allowance in their diet.

Dr. L. V. Packett, discussing the changing calcium needs of man with aging at the Water Conditioners Conference, said that of this 15 per cent, more than 25 per cent consume less than 25 per cent of the recommended allowance.

"The remarkable example of the adaptability of man is that some people adapt to such low levels of calcium and live to a ripe old age," he asserted.

Dr. Packett said that the amount of calcium that adults need to consume daily has not been established, because of physiological variation in individuals. Today's average family diet in America provides one gram of calcium daily per person, a marked increase over 50 years ago.

This increase, the biochemist pointed out, results largely from a larger consumption of milk and milk products, such as cheese. It is impossible to meet the daily recommended requirements for calcium without some milk or milk product in the diet, he added.

After the growth stage of life, when calcium needs are high, we have no sure way of determining the proper level of calcium for a given age group, Packett asserted.

"With the tremendous loss of bone to the extent that a large segment of our aged people have less than half the bone mass than they had in their youth, we have reason to believe we have failed somewhere in supplying the body with the proper amount of calcium," he said.

Osteoporosis, a defect in the calcium metabolism shown as a wasting away of the bone cells, results in the weakening of bone strength, spontaneous fractures and severe backache.

"Since some persons with osteoporosis respond to dietary calcium by increased calcium balance and relief or cured backache, it is reasonable to assume their calcium need is greater," he said.

"Whether the added calcium is needed to compensate for a hormonal abnormality is not known. In many cases added calcium in the diet has no effect. However, these persons are often aided by estrogen therapy.

"Thus it can be seen that man's calcium requirement is not a simple and set amount to be consumed daily. It is complicated by the presence of other minerals and nutrients, absorption, duodenal ulcers, kidney function,

age, sex and inactivity. Its ultimate incorporation into bone tissue is dependent upon protein synthesis and a complex coordinated hormonal relationship."

Bowls of shiny red apples or nuts are decorative as well as useful, note home furnishings specialists at Purdue University. They serve as a bright color accent as well as a nutritious snack right at your fingertips.

Knit garments will give you the most satisfaction if you will follow the manufacturer's instructions for cleaning, observe Purdue University clothing specialists. Some knits can be hand washed, others must be dry cleaned. Read the label!

Films Available During May At Culver Library

The following 16 mm films are on deposit from the Indiana Library Film Circuit in this library during the month of May. You are invited to reserve the films for show to your organization, club, church group, etc. Information on these and other films which will be available in succeeding months may be obtained from the librarian.

1. **BRASILIA - 13-c** — A documentary on the building of Brazil's new capital, which was planned in advance as a unit and built in three years. Brasilia's importance in stimulating the development of vast, rich Central Brazil is made evident. (Int. Film Bureau)

2. **CITY OF MANY FACES - 13-c-s** — Mountain-fringed, poised on the Pacific, Vancouver is by nature endowed with beauty — a great seaport which harbors ships from distant shores and with an airport which swarms with airliners from around the world. There is a constant flow of activity which engages Vancouverite and visitor alike — summer skiing, yachting, football, plays and concerts, the zoo at Stanley Park, and the spectacular sights and sounds of the Pacific National Exhibition. (Loaned by the Canadian Travel Film Library)

3. **COPPER, STEWARD OF THE NATION - 12-c** — Explains how the lure of riches brought civilization to the Southwest. (Avalon Daggett)

4. **EAST AFRICA - 22-c** — Presents a comprehensive picture of life in the three provinces of East Africa-Kenya Colony, famous for its big game safaris; Tanganyika, where mighty Kilimanjaro looks down on multitudes of wild game; and Uganda, a British protectorate, home of an advanced native civilization. (Paul Hoefler)

5. **FIRST AID ON THE SPOT - 10-b&w** — Features six common types of injuries or disabilities and demonstrates the first-aid technique approved by the American Red Cross for handling each. Covers treatment of extensive burns, control of bleeding, care of wounds, splinting a fracture, artificial respiration, and treatment for shock. (Encyclopaedia Britannica)

6. **FOUR RELIGIONS - 60-b&w** — Precepts of Hinduism, Buddhism, Islam, and Christianity. With historian Arnold Toynbee. (McGraw-Hill)

7. **FRASCAN, AN SPS-42 - 7-c-s** — Shows the use of three dimensional radar on some of our Naval vessels. The USS-Galveston is the filmed example. (Loaned by Hughes Aircraft Co.)

8. **FROG WENT A-COURTIN' - 12-c** — An iconographic version of the Scottish ballad as retold by John Langstaff with illustrations by Feodor Rojankovsky. The story is about a frog, a mouse, and their friends. (Weston Woods)

9. **THE GIFT OF TSAI LUN**

PAPER - 33-c-s — This sets the historical background with scenes depicting the invention of paper-making and transitory scenes showing early writing materials. A complete, comprehensive story of the modern papermaking process follows. (Loaned by Hammermill Paper Co.)

10. **GRAND CANYON - 28-c** — Supplies visual impressions of the Grand Canyon to the musical background of Ferde Grofe's Grand Canyon Suite. (Walt Disney)

11. **GREEN GOLD - 29-c-s** — A stirring family story of a boy's struggle to convince his Dad that more good grass farming pays off quickly — through both livestock and enriched soils. (Loaned by Farm Film Foundation)

12. **HE ACTS HIS AGE - 13-b&w** — One of the "ages and stages" series. Examines play habits of children from 1 to 15, emphasizing the characteristics of each age group. (McGraw-Hill)

13. **JAPANESE FAMILY - 23-b&w** — Produced by Julien Bryan. All the adult members of the Kawai Family, including the grandmother, are shown at work on the weaving of beautiful silk brocades on hand looms in Kyoto, Japan. There are also scenes of their home life and their recreations, including a puppet show in Osaka and the New Year celebrations. Authentic Japanese background music is performed on native instruments. (McGraw-Hill)

14. **MOUNT VERNON IN VIRGINIA - 22-b&w** — As the music of the harpsichord provides a subtle period background, one roams through Mount Vernon reminiscing and sharing the joys and comforts of George Washington's loved and well-appointed home. For general interest, patriotic and historical groups. (McGraw-Hill)

15. **OFFICE COURTESY - MEETING THE PUBLIC - 12-b&w** — Dramatizes techniques for office workers in meeting and working with persons outside the company. Reveals how the employee's attitude may have considerable effect on his company's success. Useful to adult groups interested in personnel management. (Encyclopaedia Britannica)

16. **STEPHEN FOSTER AND HIS SONGS - 16 1/2-c** — Presents the more important and familiar songs of Stephen Foster, and tells the story of his life and music, and its relation to American history. (Coronet)

17. **TITAN: STORY OF MICHELANGELO - 67-b&w** — Without the use of actors the film traces the life of Michelangelo against settings of 16th century Renaissance Italy. (Contemporary Films)

18. **THE YELLOW LEAF - 27-b&w** — A sympathetic study of the problem of an elderly widow who is forced to leave her daughter's household to live in a home for the aged. (McGraw-Hill)

Mr. and Mrs. Richard Hagan and family attended a family gathering at the Clarence Hagan home in Argos Saturday evening

to compliment Miss Suzanne Hagan, student at Wheaton College, who was spending the weekend with her parents. Immediately following the close of school at Wheaton, Miss Hagan will begin summer employment at a hospital in Chicago.

Mr. and Mrs. Oscar Zehner and family spent Sunday evening with her parents, Mr. and Mrs. Dean Newcomb, in Rochester to celebrate the May birthdays of Mrs. Zehner, Carole and Vance. Vance is recovering satisfactorily from third degree burns of the right leg which he suffered two weeks ago when the wind blew burning paper from a trash fire against his trouser leg.

Indiana's Trout Season Now Open In Streams, Lakes

More than thirty-thousand newly released rainbow trout tempted anglers seeking the wary rainbow when Indiana's trout stream season opened last Friday, May 1. Over 30,000 rainbow trout seven to 13 inches long have been released in streams generally located in northeastern Indiana.

For the first time this year, the Indiana Department of Conservation has published a free brochure describing the location of all trout streams and lakes and the particular sector of the body of water that has been stocked. With this information in hand trout fishermen will know the precise location of stocking programs and will likely enjoy greater success.

The free booklet also contains information on trout fishing regulations, fishing tips and information for securing the necessary \$2.00 Trout Stamp. A copy of this publication may be had from County Clerks who sell Trout Stamps or, the Division of Fish and Game, Indiana Department of Conservation, Room 605, State Office Bldg., Indianapolis, 46029.

This year the Department of Conservation has purchased large brown and rainbow trout which have been stocked in the larger trout streams of northern Indiana. The northeastern Indiana Trout Association has also made a purchase of large sized rainbows in cooperation with the Department of Conservation. All of these were stocked in public trout streams.

Trout lakes were stocked last fall with 26,400 legal size rainbows. Lake fishing for trout is allowable all year long while stream fishing is limited to May 1 through Aug. 31. Five trout may be taken from lakes each day while 10 may be taken from streams daily — all must be at least seven inches. Anyone fishing for trout must have a \$2.00 - 1964 Trout Stamp.

"Surely your turning of things upside down shall be esteemed as the potter's clay." This verse from Isaiah (29:16) will be a major theme at Christian Science churches this Sunday. The subject is "Adam and Fallen Man," and the responsive reading opens with Genesis (1:27): "God created man in his own image." The Lesson will conclude with these lines from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The great truth in the Science of being, that the real man was, is, and ever shall be perfect, is incontrovertible; for if man is the image, reflection, of God, he is neither inverted nor subverted, but upright and Godlike" (p. 200).

Give your faded straw hat a new look — rub it with a cloth dampened in denatured alcohol, recommend Purdue University clothing specialists. Stiffen a tired straw with a light coat of clear shellac.
Refinishing furniture? Purdue University extension home furnishings urge using a top quality finish that is fresh. Shellacs or varnishes that have been opened more than six months usually will not dry well.
Fertilizing house plants during the winter, Purdue University horticulturists say, may cause them to grow straggly since light intensity is low.

THE CHURCH FOR ALL • ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

To keep from boiling over, rub vegetable shortening or lard around the rim of the pan.

Cook your roast with the fat side up. Juices will soak down into the meat and keep it basted and moist.

When the menu includes foods that call for different oven temperatures and timing, the modern answer is two ovens or a 2-in-1 such as Magic Chef's Chateau range which comes with two fully-equipped bake and broil ovens and a rotisserie accessory.

Surprise your guests with oval ice cubes. Just fill a plastic egg tray with water and freeze.

When entertaining, use the range clock timer as a signal to put on vegetables or potatoes. It eliminates clock watching, saves trips to the kitchen.

To remove vegetable stains from aluminum pots, fill them with water up to the stain line. Add a heaping teaspoon of cream of tartar for each quart of water and boil.

Purdue University extension horticulturists suggest giving your house plants a quarter turn every time you water them so they'll receive equal light on all sides.

When dusting cake pans for chocolate cakes, use cocoa instead of flour. Result—no white particles clinging to your finished masterpiece.

You can remove the layer of starch collected on the bottom of your iron with baking soda. Apply the soda to your cold iron with a lightly dampened cloth or sponge.

A large corsage pin is an ideal stopper for small cans of oil or tubes of glue. It also keeps the hole unclogged.

Here's a novel gift idea. Cover bricks with a pretty pattern of adhesive backed shelving paper. Used singly, a brick is an unusual doorstop—in pairs, they make handsome bookends.

One manufacturer of water conditioners has thought of everything. New Lindsay models feature a vacation bypass lever. A flick of this lever when you leave on vacation or long weekend turns off the conditioner and permits unsoftened water to flow into the house water lines.

Try cleaning diamonds, shining silver, gold or any metal jewelry with toothpaste and an old soft toothbrush. It gives a nice luster.

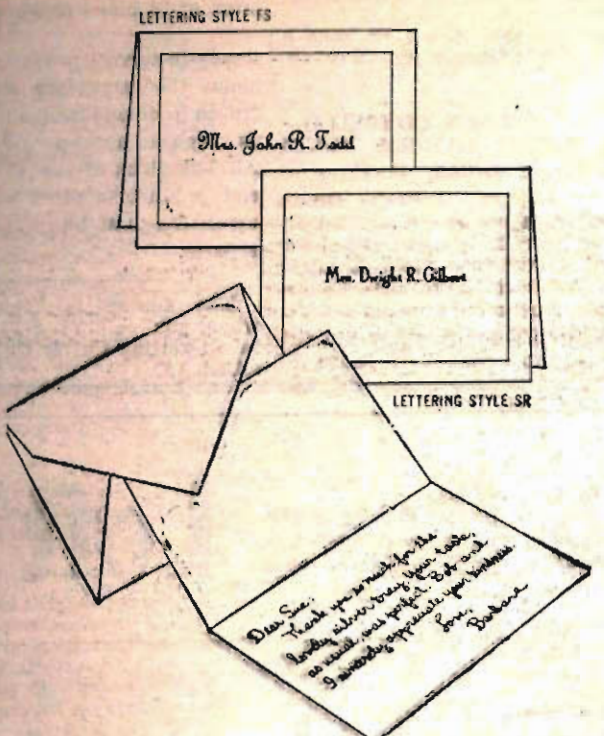

A pretty glass turned over the salt and pepper shaker will help keep salt dry and pouring freely during humid weather.

When a rooster's comb freezes, cut off the frozen portions promptly, advise Purdue University poultry scientists. If the frozen portions are removed cleanly and the rooster isolated for a few days, healing is usually rapid.

Babson Discusses Castro and Cuba

How Will Cuban Problem Be Solved

As I am dictating this column only about 350 miles from Cuba, I cannot get the problem off my mind. The only time that I ever saw Castro was after he over-

Roger W. Babson

threw Batista and was given a big reception in New York, with an honor guard marching along Broadway and a ticker-tape demonstration. As I remember, he was later invited and accepted an opportunity to speak at Harvard University. Therefore I cannot forget that this was the same Castro who is now causing us so much trouble in Cuba.

Has Castro Changed?

As I look back upon the former years, I do not remember that Castro talked Communism or had begun to take over any property in Cuba, especially plantations owned by United States companies. Since then, he has been taking over all properties in Cuba regardless of who owned them; this applies to the city property in Havana as well. Now the question is: Has Castro changed and become thoroughly Communist, or has he simply fooled us from the start?

My impression is that Castro was not truly a Communist when he was cheered in New York, but that he found Communism was the only means whereby he could control Cuba. Therefore, he turned Communist and took over all the property which he needed to carry out his plans. Personally, I feel that that was the time President Kennedy should have stepped into the picture; it seems to me we made a great mistake then.

What About Russia?

When Khrushchev saw what was taking place in Cuba he sent one of his top men to visit Castro. This official representative of Russia spent two or three months with Castro and finally convinced

him that he had gone so far it was necessary to adopt a purely Communist Government, similar to what existed in Russia. Here again, President Kennedy had an opportunity to argue with Castro. Meanwhile, Khrushchev saw his opportunity and shipped technicians, soldiers, and missiles into Cuba. This was really the time that our worst troubles began.

Russia's move was criticized so violently by the press of the United States and by members of both political parties that Russia agreed to withdraw all missiles which could reach our large cities. Whether this has yet been done completely, no one actually knows. We are dependent in large part on what travelers tell us, as our aerial photographers sometimes get shot down. Hence, we do not know whether all long-range Russian missiles have been withdrawn, or not.

These were attempted by the United States and were successful for a short time only. Soon Canada, England, and other countries decided it was to their advantage to sell goods to Castro and deliver them in their own ships — which, under international law, our ships could not hold up in a blockade when no war had been declared. This is the condition today.

Meanwhile — notwithstanding the damaging hurricane — Cuba is harvesting a fine crop of sugar,

which she is able to sell at a high price. This enables Castro to buy a fleet of buses, much needed machinery, as well as wheat and other commodities — giving long-term notes in exchange. Some nations guarantee these notes payable on installments over a ten-year period. Thus, with Russia's help and that of other nations hungry for trade, Castro appears to be in good shape at present.

What About The Future?

All the above has made Castro pretty cocky, resulting in his cutting the supply of fresh water from our base at Guantanamo. Many Americans, under the lead of Republicans, are demanding that we take aggressive action. President Johnson, however, hopes that his campaign for election can be based upon "peace and prosperity." The American public is thoroughly provoked with Castro, but they do not want to risk war with Cuba.

This is bound to be a hot question, politically. When we know who the Republican candidate will be, I will write another column on Cuba. I hope readers will remember that we believe Cuba has enough long-range missiles stowed away in her hills to annihilate not only any Florida city, but perhaps any other city on our Eastern Seaboard. My readers will be hearing much more about Cuba between now and the November elections.

Largest Sports Weekend In CMA History May 8-9

More than 250 athletes from three states will be on campus Friday and Saturday, May 8-9, in what will be the largest sports weekend in the 71-year history of Culver Military Academy.

The high school teams will be competing in the Col. James H. Bishop Memorial Tennis Tournament, The Culver Invitational Golf Championship, a five-crew race on Lake Maxinkuckee, and a doubleheader baseball game between Gary Horace Mann and the Academy. Including athletes from the Academy, a total of 307 boys will be in action at the height of the two-day program early Saturday afternoon.

In importance, the Bishop Memorial tennis tourney is expected to occupy state-wide attention. The tournament is named in memory of Col. Bishop, a Culver instructor who was president of the U. S. Lawn Tennis Association and the father of the Junior Davis Cup program. It will attract 4 teams, including some of the top scholastic tennis players in Indiana, in singles and doubles competition.

The Bishop tournament begins at 10 a.m. Friday and will conclude early Saturday afternoon when the singles and doubles champions will be named. The top team will receive the Bishop Memorial Trophy. Pre-tourney favorites include Peru, which won the event last year, and Indianapolis Shortridge. Some of the other teams entered, in addition to Culver, include: Indianapolis Broad Ripple and Sacred Heart, Warren Central, North Central, Wood, Wayne Central, Logansport, Huntington, Wabash, Elwood, Rochester, Frankfort, Lafayette Jeff, Anderson, Marion, Plymouth, and Michigan City.

LaPorte again is expected to be the favorite in the 10-team Culver Invitational golf championship. Four-man teams from 12 schools will take part in the 18-hole medal play tourney begin-

ning at noon on the Academy course. The teams entered are: Plymouth, South Bend Riley, Bloomington University School, West Lafayette, Niles (Mich.), LaPorte, Rensselaer, Elwood, Griffith, and the Academy.

In crew, oarsmen from Parkersburg Central and Wheeling Central Catholic, W. Va., and Chicago's Lane Tech and Weber high schools will face the Academy in a series of races on Lake Maxinkuckee beginning at 2 p.m. The race is the largest since Culver was host to the Central States Schoolboy Regatta two years ago. Horace Mann School of Gary will round out the athletic competition as it faces the Eagles in a baseball doubleheader beginning at 1:30 p.m.

Along with the 250 visiting athletes, the Academy expects to have 800 other visitors on campus for its annual Mothers Weekend program.

PLYMOUTH FIRM MOVES TO NEW LOCATION

The Plymouth firm of Umbaugh and McQueen moved Friday to a new location at 115 W. Garro St., which was the former Pilot Company Building across from the Post Office.

The announcement was made by Herschel J. Umbaugh who purchased the building last fall and has remodelled it into attractive office space.

Umbaugh opened his Certified Public Accounting offices in Plymouth in November, 1950, and entered into partnership with

William T. McQueen in June, 1959.

The company plans to have a public Open House on May 18, Umbaugh said.
