CULVER, INDIANA, WEDNESDAY, JULY 22, 1964

## Town Board Topics

The Culver Town Board got a breather from complainers at their meeting last Monday night. The meeting was relatively quiet. No groups showed up to present their complaints and the individuals who were there were on business which needed Town Board action. Town Board president, Ted Ervin asked for new business to which Chief of Police Don Mikesell replied he had a complaint. He stated that a resident had complained to him that his sleep was being disturbed by the early morning singing of the robins around his home and wanted some action to curb the disturbance. The Board took the view that robins are protected birds and the Board had no jurisdiction in the matter.

Reports on the mowing of weeds was given. Property owners having a weed problem had been contacted and all promised to get the weeds mowed. Those property owners who could not be contacted personally will have letters sent to them requesting they mow the weeds on their property. A time limit of 10 days will be given, after which if the weeds are not mowed the Town will mow them and place the charge as a tax lien on the property.

The Culver Town Board, the Township Advisory Board and the Township Trustee met recently to discuss the prospects of the purchase of a new fire truck for the Culver-Union Township Fire Department. President Ervin reported the groups agreed to the purchase of a new fire truck at the cost of \$22,500. The cost will be divided equally between the Township and the Town. The payments for the truck will be spread over a three-year period.

The truck, which the new one will replace, has been in use for 19 years and is in a condition where expensive repairs are needed and an entire new pumping system installed. Total cost of such an operation is prohibitive. With all the repairs needed, the truck would still be an old one and continuous repairs would be required. The old truck does not meet the state fire marshal's regulations. For the fire department to serve both Culver and Union Township, the law requires that two trucks be on hand at all times.

A rough draft of the proposed ordinance which would control the burning of garbage and trash inside the Culver Corporation limits was discussed. In order to include in the ordinance features which will best suit everyone concerned, the Board voted to make a further study of the time element concerning the burning of trash and garbage and the areas in which no burning would be allowed due to fire hazards. The ordinance will prohibit the burning of all garbage at anytime or anywhere inside the corporation limits.

Regarding the vacating of the alley between Dr. Reed and Walter Johnson's property, the board asked that a legal description be secured and forwarded to the Town Attorney so a petition could be prepared to further the vacating action.

The first reading of the ordinance which would prohibit the

## Burning Tires Cause Much Excitement

The Culver Fire Department was called to the Bess and Mabel Pura property Tuesday, July 21, at 11:40 a.m. to extinguish a fire which had spread to a pile of old tires. Herb Garn had been burning trash on another property which spread to the tires before he could control it.

The fire made a cloud of black smoke that could be seen for miles. The firemen did save the old shed on the back of the property. Otherwise there was no damage done.

This same area has been ordered cleaned up by the town board and the state fire marshal. It won't take so much cleaning now to get the area in shape. The area was formerly a junk yard.

## BAND CONCERT POSTPONED TO WEDNESDAY, JULY 29

The Culver High School Band concert, scheduled for Tuesday, July 28, has been postponed because of the Circus which will be here on that date.

This final concert of the current summer season for the High School Band will be held in the Culver Town Park on Wednesday, July 29, at 7:30 p.m. Some of the selections which the band will render include, "Cha Cha For Band," "Athletic Festival March," and "Pastels."

use of intoxicating beverages in the Town Park was read. The board passed the ordinance and waived the second and third readings. The ordinance, which is published elsewhere in this issue of The Citizen, prohibits the use of intoxicating beverages in the Town Park and signs are to be erected stating this fact. Violations of the ordinance can mean a fine from \$1.00 to \$10.00.

Wayne Mattox, Culver postmaster, discussed with the Board conditions concerning certain streets in town in regard to mail service. Mr. Mattox asked the board to improve certain streets, and by doing so, the postal department could give mail service to the patrons. Under existing conditions, by postal regulations, he was unable to do so. The board informed Mr. Mattox streets that were to be paved, resurfaced, or repaved with an oil mat, had not been selected as yet. But such streets would be considered.

The McMahon Construction Company, Rochester, presented the only bid for paving materials to be used in the street construction program this summer. The bid was accepted. The board made arrangements to meet with personnel of the construction company and a tour of inspection be made of Culver streets to determine just what streets could be repaved with the material purchased.

Lester and Ray Houghton met with the board to discuss the annexation of the Houghton Addition which lies north of College Ave. The area comprises eight lots.

## The Citizen's Advertising Rate Schedule Changes

Effective August 1, 1964, The Culver Citizen display advertising rates will be increased by 10 cents to 70 cents per column inch. This rate advance, the first since July, 1953, is necessitated by evermounting production costs. In the last 11 years, labor costs have risen 30%, while material costs have gone up over 20%.

The rates for classified ads have also been increased. Classified ads of 25 words, or less, will cost \$1.00 per week, \$1.80 for two weeks, \$2.40 for three weeks, and \$2.80 for four weeks — these rates are cash with order, add 50 cents if charged.

Classified ads, up to 50 words, now cost \$2.00 for the first week, \$3.60 for two weeks, \$4.80 for three weeks, and \$5.60 for four weeks, if paid at time of insertion. If charged, 50 cents must be added to the cost.

Cards of Thanks, In Memoriams, and Obituaries will now be published for \$1.50 each. Service charges for blind ads in care of The Citizen remain at \$1.00 per ad insertion.

Front page reading notices, up to 25 words, now will cost \$7.50 per insertion and extra words will run an additional 25 cents each. Non-profit organizations will now pay \$5.00 per front page reading notice.

Please feel free to ask for our help in preparing effective ads and, also, make good use of our mat service to illustrate them. Simply phone VIKING 2-3377 and an ad representative will call at your convenience.

## Several Appear In J.P. Court

Michael Fitterling's Justice of Peace court has had a full docket the past couple of weeks. The following judgments were handed down by Mr. Fitterling's court:

Ned Crum, Route 2, Culver, charged with speeding on Main Street, Culver. Fined \$1.00 and costs totaling \$18.75. Arresting officer Shore patrolman, James Cox. Court appearance July 11.

James Hopple Jr., East Shore Drive, charged with speeding. Fined \$1.00 and costs, totaling \$18.75. Court appearance July 11. Arresting officer shore patrolman, James Cox.

Leslie H. Steidel, Route 1, Culver, charged with speeding on East Shore Drive. Fined \$1.00 and costs totaling \$18.75. Court appearance July 10. Arresting officer shore patrolman James Cox.

Robert W. Dewitt, Indianapolis, charged with operating a motorboat in excess of 10 miles an hour after dark on Lake Maxinkuckee. Fined \$1.00 and costs totaling \$17.00. Arresting officer, Conservation Officer J. G. Keiser.

William Skoglund, LaGrange Park, Ill., charged with speeding in CMA School Zone. Fined \$1.00 and costs totaling \$18.75. Arresting officer shore patrolman James Cox.

Tom G. Wilson, Rochester, charged with disregarding stop sign at east junction of State Roads 10 and 17. Fined \$1.00 and costs totaling \$18.75. Court appearance July 20. Arresting officer Chief of Police Don Mikesell.

## Theodore Ervin Resigns From Town Board

Theodore Ervin, president of the Culver Town Board, in a letter addressed to the Board, tendered his resignation as a member of the Culver Town Board last Monday evening. The action is to take effect as of July 31 or within 30 days following date of letter.

The reason Mr. Ervin gave for his action is a situation over which he has no control. He has been an employee of the Studebaker Corporation, South Bend, as a draftsman. Studebaker has moved from South Bend and in doing so, informed Mr. Ervin he would be terminated. Every effort was made in the interests of keeping Mr. Ervin on the Studebaker payroll in South Bend, but to no avail. His term of employment ends as of July 31.

Mr. Ervin, in the best interests of himself and his family, has accepted a similar position with the Pontiac Motor Division of General Motors, located at Pontiac, Mich.

Mr. Ervin was elected trustee of the Culver Third Ward in the election of last November. Taking office on January 1, 1964, he was elected president of the board and has served admirably in that position. His resignation will certainly be a loss to the board and Culver.

## Disregarding Stop Sign Causes Accident

Two vehicles were involved in an accident at the east intersection of State Highways 17 and 10, Sunday afternoon about one p.m. A 1963 Chevrolet sedan driven by Tom G. Wilson, 18, of 424 W. 9th St., Rochester, crashed into a 1963 Chevrolet driven by Julia Ruth Funk, Route 2, Culver.

The Wilson car driving east on Highway 17, failed to stop at the stop sign. The Funk car was in the intersection when the accident took place. The cost of the damage to the Funk car is approximately \$150, to the Wilson car, approximately \$50. Skid marks on the highway showed the Wilson car skidded approximately 50 feet.

Chief of Police Don Mikesell investigated the accident. Charges of disregarding a stop sign were placed against Wilson, who will appear in J. P. Court to answer the charges.

## NEW PARK EQUIPMENT PURCHASED BY THE JUNIOR WOMAN'S CLUB

Some new park equipment, for the enjoyment of the children, has been donated to The Culver Town Park by the Maxinkuckee Junior Woman's Club.

Cowboys and safari leaders can rock and race on Game-Time's all aluminum Saddle Mates, (a pony, donkey, turtle, and pelican) which will not burn, chip, crack or rust.

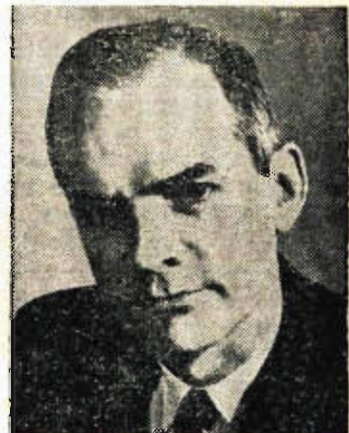

They are indestructible... cast in one-piece aluminum and finished with colorful baked epoxy paint to withstand the rough and tumble activity of eager youngsters.

Beautifully decorated and fitted with Game-time's non-compressing spring, they are designed for children up to 85 pounds. The Saddle Mates are mounted in pairs so that children can race competitively.

This project was made possible by using proceeds from the Holy Shoppe which is held annually in December.

## Governor Welsh At CMA Sunday For Homecoming

### Many To Attend 3-Day Program

MATTHEW E. WELSH

Indiana Governor Matthew Welsh will visit Culver Military Academy Sunday, July 26, in conjunction with the Indiana Society of Chicago day at the Academy and the Summer Schools annual homecoming celebration.

Governor Welsh will visit the campus and conclude his day here by reviewing a parade in his honor. Maj. Gen. Delmar T. Spivey, USAF (Ret.), Academy Superintendent, will be host to the Governor during his stay here.

Marching in the 6:30 p.m. parade will be the students of the Naval School which is celebrating its sixty-third anniversary; the School of Horsemanship, fifty-seventh year; and the Woodcraft Camp, fifty-second year. The Culver Summer Schools are the largest and oldest continuing educational institutions of their type in this country and have a current enrollment of 1,630.

The Indiana Society of Chicago is a 59-year-old social group of native and adopted sons of Indiana. Leigh R. Gignilliat Jr., a member of the Board of Directors of the Culver Educational Foundation, is president of the Society. Superintendent Spivey is an honorary vice-president and The Rev. Allen P. Bray, Academy chaplain, is the honorary chaplain.

The three-way Homecoming celebration is expected to draw over 1,000 alumni, parents and

## Famed "Moonlight Serenade" Was A Huge Success

The Culver Military Academy's famed "Moonlight Serenade" lived up to its past grandeur last Saturday and Sunday evenings, July 18 and 19. The weather was perfect, and a full moon was high in the sky, adding to the beauty of the schooner O. W. FOWLER, with its lights, and flags surrounded by small craft with their red and green clearance lights. It made a beautiful setting on the calm waters of Lake Maxinkuckee.

The small craft following the Fowler were in larger numbers this year on both nights of the "Serenade." The dock and shore decorations also seemed to be more elaborate. Those who watched from shore were in far greater numbers, due to the warm weather. Last year the weather was very chilly.

The people of Culver and visitors are very appreciative of the Moonlight Serenade. The large numbers who watch it will attest to that.

## What Has Happened To The Evergreens In The Town Park?

This week we were curious as to why the evergreens planted on the north side of the Beach Lodge were turning brown. Just a few of the trees show any green in their foliage. They were planted in April and were a gift of Mrs. N. S. Norris. At the time they were planted the trees were in good shape and thriving.

After looking at them, it appears they are dying. Evergreens when transplanted take constant watering the first year to get them started. Whether these trees are dying from lack of water or improper care, we don't know. It seems to us that when trees and shrubs are given to beautify the park, every effort should be taken to insure their growth and care. Just whose responsibility this is, is a question. Perhaps with the establishment of the new park fund steps can be taken to hire someone to take care of the greenery in the park.

The flower beds that are being kept up by the various women's organizations are beautiful. The flowers have drawn very favorable comment and are appreciated by all who see them. The ladies take time to work on their flower beds in the park, which explains why they are beautiful.

We hope the evergreens come out of their present state, but they don't look like they will.

## Earl C. Overmyer Dies Suddenly Thursday Evening

Earl C. Overmyer, age 67, of Route 2, North Union Road, Culver, died suddenly at 6 p.m. on Thursday, July 16. Mr. Overmyer suffered a heart attack in the business district of Plymouth and was pronounced dead on arrival at Parkview Hospital.

He was born on Feb. 28, 1897, in Culver, to Albert and Della (Osborn) Overmyer, and was married on Nov. 8, 1917 at Wheaton, Ill., to Anna Schweidler who survives.

Mr. Overmyer was a resident of Culver most of his life and was a retired millwright and farmer. He was a member of the Burr Oak Church of God, the Henry H. Culver Lodge No. 617 F & A M, the Emily Jane Culver Chapter, Order of Eastern Star, and the South Bend Scottish Rite.

Surviving with the widow are two brothers, Dewey and Albert Overmyer, both of Culver; and two sisters, Mrs. Laura Heiser, of South Bend, and Mrs. Goldie Currens of Burr Oak.

Funeral services were held at 2 p.m. Sunday, July 19, at the Burr Oak Church of God with Rev. Warren Sorenson, pastor, officiating. Burial was made in the Culver Masonic Cemetery with the H. H. Culver Lodge giving the Masonic graveside service. Eastern Star Memorial services were conducted Saturday evening at the Easterday-Bonine Funeral Home which was in charge of arrangements.

## Funeral Services Held Saturday For Weaver Infant

Steven Eugene Weaver, one-day-old son of Mr. and Mrs. Robert Weaver of Monterey, died Saturday morning, July 18, at the Winamac Hospital. The infant was born at midnight on Thursday, July 16. Mrs. Weaver is the former Patricia Lutz of Culver.

Graveside services were held Saturday at St. Ann's Cemetery in Monterey.

Surviving with the parents are the maternal and paternal grandparents, Mr. and Mrs. Ellis Licht of Culver, and Mr. and Mrs. Paul Weaver of Monterey.

## Mrs. Ruby Morlan Killed In Auto Accident Friday

Mrs. Ruby C. Morlan, 68, of 704 W. Market St., Nappanee, was killed in a two-car auto accident at 11 p.m. Friday, July 17.

Mrs. Morlan and her husband, Clyde A. Morlan, former residents of Culver who moved to Nappanee about two months ago, were enroute home after visiting friends in Culver when their car was hit broadside as Mrs. Morlan tried to turn onto Indiana 19 about a mile south of Nappanee.

Mr. Morlan, who suffered multiple head and face cuts, a left wrist fracture, left-knee injuries and shock, was taken to Elkhart General Hospital, Omer Mullet, 21, Leesburg, and his brother, Allen, 20, were injured in the other car.

Mrs. Morlan was born Dec. 27, 1895, and was married in 1916 to Raymond Mikesell who preceded her in death in 1936. She was married to Clyde Morlan in February, 1943.

Surviving with her husband are a daughter, Mrs. George (Peggy) Flowers, Nappanee; a step-daughter, Mrs. Clarence (Willo-dean) Keel, Route 3, Argos; a step-son Devon Morlan, Bourbon; a sister, Mrs. Albert See, Peru; nine grandchildren; and three great-grandchildren.

Mrs. Morlan was a member of the Culver Methodist Church where funeral services were held at 2 p.m. Monday. Rev. Ronald C. Williams, pastor of the Culver Methodist Church, and Rev. Donald Ruhl of Nappanee officiated at the services and burial was in the Culver Masonic Cemetery. The Grossman Funeral Home of Argos was in charge of arrangements.

## The Paul Winns Are Outstanding PMA Dairy Couple

Mr. and Mrs. Paul E. Winn, Route 1, Culver, have been chosen as the 1964 outstanding young dairy couple of District 18, Pure Milk Association, according to District Director Harold L. Smith of Akron.

District 18 includes over 500 dairy farmer members in PMA in 20 northern Indiana counties. The Association has a total membership of nearly 12,000 dairy farmers.

A district judging team selected Mr. and Mrs. Winn to represent the area in competition with outstanding young dairy couples from the other 17 PMA districts in Wisconsin, Illinois and Indiana. The competition for the Association title will be held Aug. 17-18 at the Pick-Congress Hotel, Chicago.

The couple which wins the title of outstanding young dairy couple of Pure Milk Association and the runnerup couple will each be awarded an all-expenses-paid trip to the annual convention of the National Milk Producers Federation at Las Vegas, Nev., next Dec. 6-10.

Both couples will represent PMA as Young Cooperators. Part of the NMPF convention program is exclusively for Young Cooperators — an organization sponsored by the Federation to build leadership among young people in dairying. This is also the purpose of PMA's outstanding young dairy couples contest.

Winn is 29 years of age. He operates a 400-acre farm and milks 45 cows in a herd of 73 Holsteins of which he is 50 per cent owner.

He is a member of the Monterey Local of PMA and has served on the auditing committee.

Winn has been a member of The Marshall County Dairy Association for 10 years. He is currently serving as vice-president and was a director for a year and a half. He is vice-president of The Marshall County Rural Electric Cooperative and is this year's voting delegate to the national convention of the Coop at Dallas, Texas. Winn also is a member of the Culver Junior Chamber of Commerce.

The Winns have two children: Linda, 3 1/2 and Neil, 1 1/2.

Both he and his wife, Joyce, are graduates of the Culver High School and are members of the Mt. Hope Methodist Church where he is Sunday School superintendent.

guests to the Academy. Festivities start Friday night at a supper in the Dining Hall at 5:30 followed by a boat ride.

Dedication of the Woodcraft Cabin highlights the Saturday activities. The cabin is a gift from the Culver Summer Schools Alumni Association and it will be officially received by Rear Admiral John W. Bays, director of Summer Schools.

Other activities Saturday include a track meet on the athletic field and a gymkhana — games on horses — in the Riding Hall at 2:30 p.m.

A Woodcraft Council Fire in the Council Ring will start at 7:30 p.m. The popular Council Fires have been a highlight of the summer for the past 30 years.

Religious services will be conducted Sunday morning at 10 and 11 o'clock. The first service is for Woodcrafters and their parents and friends and the later service is for Naval and Horsemanship Schools.

The Sunday afternoon band concert, under the direction of Capt. John S. Kitts, will be held at 3:30 this week instead of the usual 4 p.m. The 85 musicians in Summer Schools Band will perform in Eugene C. Eppley Auditorium and will be joined during the concert by former Bandmen.

The public is invited to attend all campus activities.

### ATTENDING SCIENCE RESEARCH PROGRAM AT INDIANA UNIVERSITY

Harold Eustis, 103 S. Ohio St., Culver, is taking part in a six-week research participation program for high school seniors-to-be, being held through Aug. 7 at Indiana University under auspices of the National Science Foundation.

Participants in the program were among selected students who took part in an earlier two-week I. U. Summer Institute for High School Science Students, also sponsored by the NSF. They are working as assistants in research projects under direction of University scientists.

Eustis is engaged in a project in anatomy and physiology on the I. U. Bloomington campus.

### New Arrivals

Mr. and Mrs. K. W. Loser, 909 Country Club Drive, Warsaw, announce the Friday, July 17, arrival of a son, Jeffrey William, at the Murphy Medical Hospital in Warsaw. The new arrival weighed 8 pounds, 3 ounces. Mrs. Loser is the former Janet Sue Zechiel, daughter of Mr. and Mrs. Alvin Zechiel of Culver, maternal grandparents. Mr. and Mrs. Clifford Loser, Country Club Drive, Warsaw, and former Culver residents, are the paternal grandparents.

Mr. and Mrs. Ronald Leffert of Culver are the parents of a daughter born Friday, July 17, at Parkview Hospital in Plymouth.

Mr. and Mrs. John Edward Rosebaum of Hanna are the parents of twin sons, John Douglas and Edward Duane, born Sunday, July 19, at the Osteopathic Hospital in South Bend. One twin weighed seven pounds, three ounces, and the other weighed seven pounds, five ounces. Mr. and Mrs. David Burns and Mr. and Mrs. John P. Rosebaum, all of Culver, are the maternal and paternal grandparents of the twins.

#### Mr. and Mrs. Fred Banks Honored On Silver Wedding Anniversary

Mr. and Mrs. Fred Banks were guests of honor Thursday evening, July 16, at a surprise reception in their home on Tulip Road. The affair honored the Banks' 25th wedding anniversary and was planned and arranged by their children, Lamoine, Randy, Alan, Karen, and Ricky, assisted by the Misses Jean Warner and Gloria Baker.

Punch and a beautifully-decorated cake were served to 37 guests from Culver and Indianapolis by Miss Banks, Miss Warner, and Miss Baker from a table decorated with yellow and silver appointments.

#### Tri Kappa Initiates Four New Members

Tri Kappa Sorority met at the home of Mrs. Walter J. Muehlhausen, 2002 East Shore Drive, Monday evening, when formal initiation was held for four new members of Epsilon Nu Chapter.

One of the new members, Pamela Phelps, is the daughter of a Tri Kappa, Mrs. Orville Phelps.

The other new members are Mrs. George Phillips, Mrs. John Maier and Mrs. Frank Setzler.

Those in charge of the impressive ritualistic initiation rites were Mrs. Kenneth K. Kraning, Mrs. John W. Henderson, Mrs. Charles W. Crowe, Mrs. Samuel M. Medbourn, Mrs. John W. Oldham, and Mrs. Lester Snyder.

Mrs. Fred Adams and Mrs. Robert Rust provided music during the initiation ceremony.

A short business meeting was held. Mrs. Robert Bolton Jr. announced the final plans for the "Christmas in August" Bazaar, which Tri Kappa will give at the Culver Inn, Friday, August 7 from 10 a.m. to 4 p.m. Luncheon will be served by the Culver Inn and reservations are urged. Call either Mrs. Lester Snyder or Mrs. Richard Middleton. Baked goods will also be on sale.

The state wide organization conducts charitable and scholastic projects in addition to its social activities. Mrs. Melvyn A. Estey is president of the local chapter.

Delicious refreshments were served on an oblong table, covered with a handsome all-over hand-embroidered sheer linen cloth made in France. This beautiful cloth has been used at previous Tri Kappa initiations.

The table was centered with an antique crystal and silver epergne filled with the traditional white carnations. Two tall silver candelabra completed this lovely table setting.

Mrs. C. Glenn Coolman presided at the refreshment table.

Assisting hostesses were Mrs. David L. Burke, Mrs. Maurice E. Nelson, Mrs. George Ogden, Mrs. John F. Edgell and Mrs. C. Glenn Coolman.

Out of town Tri Kappas attending were Mrs. John Ward,

Elwood and Mrs. Herbert Bunch of New Castle.

#### §-§-§ Mrs. James McKinney Hosts Golden Keys

The Golden Key Home Demonstration Club held their regular monthly meeting at the home of Mrs. James McKinney Tuesday evening, July 21.

The history of the song of the month, "America, The Beautiful," was read by Mrs. Ronald Garber.

Mrs. John Plante was elected to serve on the 4-H Council.

The lesson on "Advertising" was presented by Mrs. Walter VonEhr.

Mrs. McKinney served delicious refreshments to the eight members and two children who attended the affair.

Mrs. Richard Woodward won the door prize. The next meeting will convene Aug. 18 at the home of Mrs. Ray Cox.

#### §-§-§ The Eldon Davises Host Cowen Reunion

The 42nd annual Cowen Reunion was held Sunday, July 19, at the country home of Mr. and Mrs. Eldon Davis with 73 persons present.

Those coming the most distance to attend were Mr. and Mrs. Burnell Dykes and two daughters of Gainesville, Fla. The oldest person present was George Cowen of Argos. The youngest family member attending was Christina Louise Fields, daughter of Mr. and Mrs. Gary Fields of Mount Hope. Emery Davis of South Bend was the winner of the Aunt Rene prize.

The 1965 reunion will be held at the spacious farm home of Mr. and Mrs. Guy B. Davis. Officers elected for this yearly affair are:

### THE DON MCKEE FAMILY, FORMER CULVER RESIDENTS, INVOLVED IN ACCIDENT

Mr. and Mrs. Don McKee and daughters, Susan and Marcia, of Nappanee, former residents of Culver, were involved in an auto accident at 8:40 p.m. Saturday on East Jefferson Street in Plymouth.

The accident occurred when Cecil Burris of Warsaw, driving east, smashed into the rear of the McKee car when McKee stopped his vehicle to make a left turn onto the old Jefferson Road. Burris was charged with reckless driving and will appear in the Justice of the Peace traffic court on charges filed against him.

Mrs. McKee and Marcia, and Burris were admitted to Parkview Hospital for examination and treatment. Mrs. McKee sustained whiplash of the neck and contusions of the right shoulder. Burris sustained abrasions of the left elbow, forearm and knee.

Damage to the McKee car, including the entire rear of the vehicle, were estimated at \$400 by Policeman Denny Dreibelbis, who investigated the accident. Damage to the Burris car, including the entire front of the car, was estimated at \$450.

A surprise house-warming was given for Mr. and Mrs. Ronald Tusing and family Thursday evening. Those present were Mr. and Mrs. Verlin Shaffer, Mr. and

Mrs. James Bonine, Mr. and Mrs. James McCombs, Mr. and Mrs. Roy Nicodemus, and Mr. and Mrs. Richard Wright and family. The couple opened their many lovely gift-wrapped presents and afterward delicious refreshments were served. The Tusings now re-

sided at 104 Lake Shore Drive, Culver.  
 Miss Barbara Hatten, student nurse at Memorial Hospital School of Nursing in South Bend, spent Saturday night and Sunday visiting her parents, Mr. and Mrs. Harold Hatten, brother,

Paul, and the Hattens' house-guest, Miss Karen Banks.  
 Sunday dinner guests of Mr. and Mrs. Charles Ferrier and Tina were Mrs. Clark Ferrier and Miss Bess Easterday. The occasion honored the birthday of Mrs. Clark Ferrier.

**Flame Cultivation Demonstrated On Neidlinger Farm Near Culver**

THE GAS WAS TURNED LOW when this picture was taken prior to a flame cultivating demonstration on the Don Neidlinger farm near Culver. Pointing to the flames coming from the nozzles is Jack Spencer, as C. R. Hayden, gas representative, watches. Carl Heiser is seated on the tractor in preparation for driving for the demonstration. When in operation the flames cover 23 inches.

A new weed killer, well known to Culver-area farmers, was demonstrated last Monday on the Don Neidlinger farm near Culver. Flame spitting nozzles, connected to an LP gas tank and attached to the back of a tractor, traveled down a few rows of soybeans, demonstrating the killing ability of the arrangement on "nut grass."

Mr. Neidlinger had been unable to control the nut grass by other methods and so the flame demonstration was given with the aid of Jack Spencer, local Tullahoma L.P. gas agent, C. R. Hayden, representative of the company, and Carl Heiser.

The arrangement consists of an LP gas tank on the back of a tractor, to which pipes, leading to nozzles or flame spreaders, have been attached. As the tractor is driven over the field, the gas is turned on, the nozzles lowered and the scorching heat kills the weeds, but not the soybeans. Flaming can be used on corn, alfalfa, sorghum, mint, and potatoes.

The heat, which reaches 1500 degrees Fahrenheit, turns the moisture in the weeds to steam, causing the cells to explode and the weeds to die. The nozzles are adjustable and can be set to kill weeds either between the rows or in the rows. Mr. Hayden stated that the process will kill 75 per cent of the weeds and control the other 25 per cent.

Mr. Hayden explained that the method will not kill corn due to corn having several layers of growth and it is well insulated. This is also true of other crops. Also, this type of cultivating is cheaper and more effective. Purdue and Illinois are two of 12 universities testing flame cultivating.

Carl Heiser flamed 200 acres of corn on his farm to control nut grass and reported good results although it was not done too early. Mr. Hayden stated that weeds and grasses under 1 1/2 inches high are easy to kill with flame cultivation. But if the operation is delayed and the grasses get four or five inches tall, more than one flaming may be necessary.

Mr. and Mrs. Joseph Anderlohr and son, Joe, entertained over the July 11-12 weekend for Mr. and Mrs. Ralph Farthing and Mr. and Mrs. Ralph Szymanski, all of South Bend. A cookout was enjoyed in the Culver Town Park by the group who were joined by the Joseph Baillie family of Marblehead, Mass., who have vacationed for the past two weeks with the Anderlohers.

Herbert Bunch of Newcastle was the weekend guest of Mr. and Mrs. Robert Riewoldt and his wife and daughter, Mrs. Bunch and Lisa, who are spending several weeks with Mrs. Bunch's parents. On Sunday they were all dinner guests of Mr. and Mrs. Robert Staley and daughter, Susan, in South Bend.

Mr. and Mrs. Earl Eckman en-

tertained at a cookout Saturday evening for Mr. and Mrs. Robert Riewoldt and Mr. and Mrs. Charles Ferrier. Following the supper tripoly was enjoyed.

Mrs. Vaughn Albert and family of Indianapolis spent last week with her parents, Mr. and Mrs. Arthur Hatten, and also visited with other Culver friends and relatives. Mr. Albert joined his family here Friday evening and all returned home Saturday.

Mr. and Mrs. Harold Hatten and their son, Paul, entertained with a picnic Friday evening, July 17, in their home on South Main Street for Mrs. Vaughn Albert and family of Indianapolis. Other guests attending were Mr. and Mrs. Arthur Hatten and Mr. and Mrs. Irwin Hatten and family.

Miss Karen Banks of Culver and Miss Mary Albert and Fred Albert of Indianapolis were Friday overnight guests of Mr. and Mrs. Harold Hatten and Paul.

Miss Karen Banks was a weekend houseguest in the Harold Hatten home.

Fifteen family members honored Mrs. Dorothy Clauson at her home Monday evening in honor of her birthday, which is today, July 22. Delicious potluck re-

**Dr. R. C. Williams Selected For Jaycee Publication**

The Junior Chamber of Commerce of Culver announced today that Dr. Ronald C. Williams has been selected for inclusion in the 1965 edition of Outstanding Young Men of America. Dr. Williams was nominated earlier this year by the Jaycee Chapter and has been selected by a thirteen man National Board of Editors for the publication.

Doug Blankenship, past U.S.

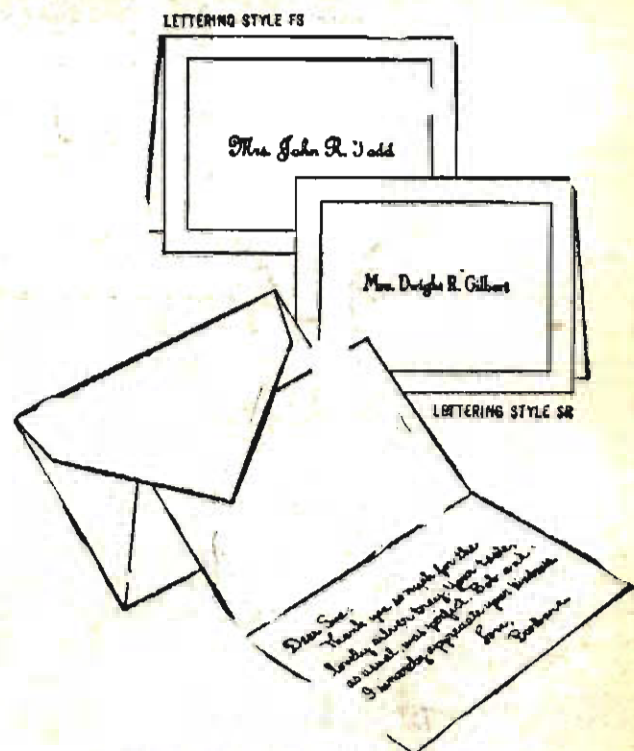

Jaycee president who is serving as chairman of the Board, stated that men were selected between the ages of twenty-one and thirty-six who "had distinguished themselves in one or more fields of endeavor to the point of being outstanding."

Outstanding Young Men of America is an annual biographical compilation of approximately 10,000 young men of outstanding rank throughout the country. Nominees for the book come from many sources, however, majority of the nominations made by Junior Chamber of Commerce chapters and College Alumni Associations.

# What Is A World's Fair?

On Wednesday, April 22, 1964 the New York 1964-1965 World's Fair presented to the world the largest and most comprehensive showcase of human accomplishments ever brought together in a single area.

Fairs are many things to many people. To most, they are fun. The industrialist, the farmer, the engineer and the electrician, the scientist and the artist have products on display. The restaurants, the rides, the dancing and the gaiety are all part of a giant international show designed to please everyone.

Robert Moses, president of the New York 1964-1965 World's Fair, describes the Fair fondly and decisively as Olympic Games, where the peoples of the world send over their best products, scientific developments, art and culture for open examination and competition in much the same way as athletes are sent to compete in the many and varied events of an Olympic schedule.

A World's Fair must be a joining of all peoples of all nations, without protocol, striped trousers and portfolio. An industry, a state or a nation simply sends the best it has to offer and submits it for public information, interest and approval.

Fairs can be traced back in history to the Phoenicians and beyond. And there are many kinds of fairs, such as county, trade, industrial, cattle, art and church fairs. Name it and there's a fair to accommodate it.

Bob Considine, famed correspondent who narrated Film for New York World's Fair, summed up the exposition this way:

"The Fair will show us the image of ourselves."

"This is what you are . . . these are your arts and skills, your industry, your gains, your wealth and greatness, your hopes and dreams."

"That we depend on one another, people unto people, nation unto nation, and resolve that on this plot of land will be born anew a great idea: that this understanding will come through people on earth."

Four 400-plus hitters and a 2-man pitching staff with a combined record of 26 wins and 4 losses highlight the 1964 All-American baseball team, selected by the American Association of College Baseball Coaches. Leading hitter on the squad, named annually by the coaches for the Wheaties Sports Federation, is junior outfielder Fred Reichardt of Wisconsin, who ranked second in the nation during the 1964 collegiate season with a .443 average. Joining him in the over-400 circle are All-Americans Donnie Kessinger, Mississippi shortstop, .432; Bill Marovic, West Virginia outfielder, .416; and Ken Suarez, Florida State catcher, .412.

Named to the 2 pitching spots on the

all-star squad were Southern Cal's Walt Peterson, whose 16-3 record was tops in the nation for victories, and Keith Weber of Missouri, who won 10 and lost 1 while compiling a sparkling 0.66 earned run average.

First baseman Randy Schwartz of UCLA (.386); second baseman Al Coutts of Los Angeles State (.343); third baseman Dave Harvey of Missouri (.371); and outfielder Billy Scripture of Wake Forest (.343) round out the selections.

In all, the squad, comprised of six juniors and four seniors, boasts a combined batting average of .393. Scripture is the only repeater from last year.

David T. Frain, son of Mr. and Mrs. Charles Frain, 451 Forest Place, Culver, is attending the Fifth Quadrennial General Convention of the Evangelical United Brethren Church at Albright College, Reading, Pa., July 18-23. David is a member of the Culver Emmanuel Evangelical United Brethren Church and is attending the Convention as a delegate from the Indiana North Conference. He is Faith Commission Chairman of the Youth Fellowship of the Conference.

Designed for persons having leadership responsibility in the annual conferences throughout the denomination, the Convention provides its participants an opportunity to explore the mission of the church as it relates to their local community and throughout the world. Its program focuses upon the quadrennial theme of the denomination, "Jesus Christ Renews His Church." The 1,000 delegates to the Convention include both youth and adult representatives from their respective conferences.

The program features addresses by leading clergymen and Christian laymen; Bible study discussion groups related to the general theme; age-level work groups; functional groups in the areas of Christian Social Action, evangelism, Christian education, stewardship, and missions; and youth fellowship business sessions.

**(Culled from the July Issue of the CMA Messenger)**  
 These past weeks all roads have led back to Culver with vacationers returning from as far as France (the Kemp Moores) in time for summer school. There are guests galore in faculty homes. The Tom Bakers take the early cake with friends from Rhode Island. At last count they had ten children and four adults on home base . . . Spending time with the John Bays, former Culver gal-around-town Martha Lou Kitts is here with her three daughters catching up on family news with the John Kitts. After her stay here she joins husband Len at Dartmouth . . . Betty Bryant, after frolicking with son John on leave, headed for Pittsburg once again to spend time with her mother . . . One time Culverites, the Hop Peffers, stopped by to check in with old friends. They were enroute back to Aurora after a visit with the Larry BeBouts.

It's twin boys for Mary and Gene Schlecker. They were born June 30 in Bloomington with Gene, on the Naval staff, racing down from Culver to accept congratulations. The boys' names are Steven Charles and Michael Lawrence. Mary and daughters and new babes expect to "camp out" at the KK Cottage starting this week.

It was a hot time in the old town last weekend when Danny Baker invited his college crowd to weekend festivities at the Milan Bakers . . . Fun-O-Rama, teenage style, for a number of faculty families who have taken in Bill Martin's Theater girls. Bill does splendidly as dear old dad to the group . . . Robert Middleton and family of Hinsdale, Ill., spent the July 4 weekend with their parents, Mrs. Flo Mahler and Mr. and Mrs. Phillip Middleton.

Kathy Kline underwent emergency surgery late Saturday night in Parkview Hospital, Plymouth, where she had been a patient since last Wednesday. The latest report is that she is recuperating satisfactorily but will be away from the office until August 1.

On July 8 the members of the Development department surprised Wilma Snyder with a birthday cake and coffee plus an abundant supply of cards and best wishes. The following day we all had a belated party for Betty Towson, who had managed to keep her June birthday date a secret.

Our sympathy to the family of Lester Smith. Lester, an employee in the powerhouse, was found dead in bed by his nephew on June 25. Lester had worked the day before and apparently hadn't been too ill.

John Bryan entered the Winamac Hospital June 17 and underwent major surgery, June 19. John is coming along fine and hopes to return to work shortly . . . Charles Hartle has returned to work after several weeks of recuperating from serious injuries suffered in an accident at his home.

Miss Carol Fisher left the office of the Purchasing department to work in Indianapolis. Mrs. Doris Cracraft has filled her position as receptionist and stenographer to Al Teach and Dave Shaw.

Due to the heavy work load during the weeks of our Summer Schools, several employees have joined the various departments. Under Ace Byrd's supervision in the new Woodcraft camp we have: John Coldiron, Gorman Patrick, Melvin Patrick, Marlon Swartzell and Gerald Walther. Dennis Shock is back this summer helping in the boat department. Willard Cole will be doing custodial work in the Officer's Camp area.

The new men helping in the Garden department are: Gregory Yapp, Frank Branham, Charles Carl, David Davis, James Hopple Jr., Jay Humes, Cecil Humes, John Mahler, Wayne Overmyer, Carl Spoor, Gerald Swartz, and James Weirick. Herbie Maynard is back again this summer as one of the electricians. Welcome, of course, again to "Ace" Byrd who is once again supervisor of the janitors in the new Woodcraft Camp. Games Montgomery has joined the Campus crew and Woodrow Williams is the new janitor at the Quadrangle.

We have a new ditto machine operator and pick-up girl, Karen McDonald, who has taken Beverly (Thomas) Knoerzer's place. Karen joined our office staff soon after her graduation from Culver High School this June.

Beverly Thomas Knoerzer paid Summer help includes: Emma

us a visit on July 7 and informed us that she and Nick are now happily settled in their apartment . . . Pat Birk, a former employee in the Commandant's office, also was a visitor . . .

June 9, our office had a luncheon for Beverly in the Ladies Clubroom. Since it also was Karen McDonald's birthday, a lovely dessert of birthday cake and strawberries was served.

Pat Hamilton was on a camping trip to Pinery Provincial Park at Grand Bend, Ontario, Canada, from June 4-7 . . . Mary Landis vacationed (around home) the week of June 28 . . . Hazel Cook, who underwent surgery on June 30, has now returned home and is recuperating nicely.

Phyllis Cunningham and family journeyed to Galesburg, Ill., July 2, where they spent several days visiting with relatives . . . Margaret and Earl Eckman (and friends) vacationed at Niagara Falls over the July 4 weekend.

Rochelle Drang received her Senior Band June 24 from the Methodist Hospital School of Nursing. Attending the services were Mr. and Mrs. Elgie Good and Bonnie and Mrs. Agnes Drang and family . . . Misses Mabel and Bess Pura attended the confirmation of their nephew Michael J. Pupkin in New York City. They also visited with their brother, Mr. and Mrs. T. A. Pura and son, at Jersey City, N. J., and sister, Mr. and Mrs. Sol Tobin and family at Columbus, Ohio, and attended the World's Fair.

Margaret and Lester Kimmel spent their vacation in the Smokie and Blue Ridge Mountains and other points of interest in the Virginias . . . Mr. and Mrs. Larry Poling and children, Timmy and Kelly Ann from Columbus, Ohio, spent a week's vacation with Eva and Glenn Doll . . . Orval and Opal Coby spent Friday helping their son, Larry Parker and wife move from Rochester to Monterey. Larry left for State Police School Sunday for eight weeks training . . . Mr. and Mrs. Basil Allen and family helped his daughter and family, Mr. and Mrs. William Kustern, move from Knox to Portland, Ind. . . Marquerite White and family spent vacations with her daughter, Mrs. James Klepinger, Mr. Klepinger, Ruth Ann and Jimmy.

Mrs. Wallace Starr spent her vacation with daughter Mrs. Vern Jones and family helping her move from Gaithersburg to Silver Springs, Md. . . Mrs. Leatha Riddle spent her vacation entertaining her two grandchildren, Harold and Debbie Whetstone of Elkhart, also Floyd's brother and wife, Mr. and Mrs. Aefe Riddle, of Detroit, Mich. . . Mr. and Mrs. Lester Kimmel and Mr. and Mrs. Ralph Geiselman spent Sunday, June 14, in Chicago. While there, Margaret and Frances were guests of Miss Jean Overmyer who took them on tour of "Old Town." Lester and Ralph attended the Cubs baseball game.

Lt. Col. William Scruggs made a trip into the deep south the latter part of June. He visited Opelika, Ala., and Atlanta and Thomasville, Ga. Col. Scruggs' mother accompanied him to visit and remained with her brother and sister in Opelika. The Colonel reports the weather relatively warm — temperature 98 degrees. Ethelynde has decided to visit the south in early August.

The Proutys visited the Great Smokies, the Sand Hills and Shores of North Carolina, and the Washington, D.C., area before returning on June 25. Major Prouty left for Camp Grayling, Michigan July 9 and will return about the 29th on the evaluation detail for Army Reserve and National Guard . . . Captain Lo Re will leave New York Sept. 1 for his European assignment so the family plans to leave on or about Aug. 1. They are presently hoping for concurrent travel to be authorized them.

S/Sgt. and Mrs. John Torr completed their move to the suburbs the first of the month. They now live on 16th B Road in a house belonging to Russell Overmyer, Route 2, Culver . . .

S/Sgt. Richard Wright and his family vacationed back East in and about Plistow, New Hampshire and had a great time.

Mrs. Elizabeth Porter recently enjoyed a two-week vacation when she journeyed by train to Leesburg, Fla., to attend graduation exercises of her grandson, Michael Biddle. She then traveled with the Biddle family to El Paso, Texas, where Michael is employed with the Kaster and Maxon Funeral Home. Together with the rest of the family she visited with her brother Calbert Woolfe and wife and spent one day in Juarez, Mexico. She returned by jet to O'Hare Field, accompanied by her granddaughter, Cassie Biddle. While on the trip she was able to see her great-granddaughter, Candy Williams.

Donie Whittaker celebrated his birthday June 10 with a birthday dinner and party at his home. Several friends were on hand to help Donie celebrate.

## Ice Cubes Offer 'Cool' Solution To Stain Removal Problem

What would you do if your husband or son got a ball point ink stain on his fresh new sports shirt? After letting off some steam, you may also want to consider removing the stain.

All you have to do, if the stain is fresh, is to sponge repeatedly with rubbing alcohol. If it's an old stain, you might need bleach with chlorine or sodium perborate bleach or hydrogen peroxide. Rinse well.

Or suppose you let a candle burn down too far and get a candlewax stain on a nearby dish towel or washable table cloth. Just rub the stain with ice and gently scrape. Then place the stain between clean white blotters or several layers of facial tissue and press with a warm iron to remove the remaining stain.

Helpful hints such as these have been introduced as a new

feature on the back of Surf detergent packages—laundry "recipes" that homemakers may clip out and save. They resemble the clip-and-save recipes that have long been a popular packaging feature for food products.

The Surf "recipes" consist of some two-dozen laundry hints on common washday problems. Each hint is printed on an easy-to-file, cut-out card and contains simple practical instructions for the laundering and cleaning care of various household items. One

clip-and-save card is printed on every regular-size Surf and a set of three cards on each giant-size package. The packages, incidentally, are distributed in rotation to assure that homemakers can get different hints with each purchase of Surf.

The hints do not include instructions on how to prevent husbands and sons from getting ball point ink stains on washable fabrics. Well, you can't have everything.

**STATE HOLSTEIN SHOW  
AT MARION JULY 25**

Purebred Holstein breeders throughout Indiana are grooming their prize animals for exhibition at the Indiana State Black and White Show, scheduled for Saturday, July 25, at the 4-H Fair Grounds, one mile east of Marion on State Road 18.

The show will start at 9:30 a.m., with Dr. John L. McKittrick of Ohio, a nationally known cattle judge, making the placings. There are 29 classes in the show, with ribbons for the first ten placings in the female classes, and in the first five placings in the bull and group classes. Special ribbons will be given for the first five 4-H animals in each class. There will be trophies for all the champions and all first place winners.

The show is open to all purebred Holstein breeders in Indiana and all qualified 4-H exhibitors. There is no entry fee and no admission charge to the grounds.

All dairymen in the state, whether owners of purebred or grade herds, are cordially invited to attend this state-wide Black and White show on July 25, and see the placings of some of the best purebred Holstein cattle in Indiana.

## Babson Discusses If Inflation Comes

### Says There Is More Inflation Ahead

Babson Park, Mass. - Most readers of this column are aware that since the panic-like stock market decline in the spring of 1962, the Dow-Jones Industrial Average has been marching upward, with only short halts, to successively new record highs.

#### Business Backbones The Stock Market

The rapid shrinkage in stock

Roger W. Babson

values in the dark days of 1962 undoubtedly had its beginnings in distrust of the politico-business outlook. Then, as paper profits began to vanish, selling pressure rose to crescendo, with investors hurrying to preserve what profits they had left, or to limit their losses. The market did regain its composure when investors realized that a business decline of the proportions indicated was not imminent. By that time, too, the "water" had been pretty well wrung out of the glamour and speculative stocks.

Thus it has been the sustained well-being of general business, powerfully assisted by consumer spending and residential building, which not only righted the stock market but launched it on a two-year advance, virtually uninterrupted, during which time the Dow-Jones Industrial Average rose from a low of 536 to a high of 830.

#### Are Inflation Fears Justified?

As I view the market now, many of the blue-chip stocks which have largely accounted for the two-year market advance seem fully priced, and real bargains are harder to find. This is understandable, since the Dow-Jones Industrial Average's climb of nearly 300 points outdistanced the gains of industrial activity and business profits in the same period of time. Business and profits may rise further over the near term, to be sure, but such additional gains are probably pretty well discounted. Hence we must look to another element to propel the stock market on upward. This may well be speculative enthusiasm stemming from fears of inflation. It has been said that a whiff of inflation psychology can stir investor buying impatience.

Those who feel we are in for more inflation have many arguments in their favor. Since the last business recession, U. S. monetary authorities have been pursuing a policy of keeping money and credit plentiful. To the extent this has exceeded the legitimate credit needs of business, the surplus represents an inflationary potential. In addition, consumers have been expanding their borrowings, both for installment purchases of durable goods and for new home mortgages. Such borrowings are inflationary to the extent that

purchasing power is boosted above the levels of earned incomes. The deficit operations of federal, state, and municipal governments are also inflationary; and we must not forget the steady inflation of labor costs.

#### Hedging Against Inflation

The danger of inflation is most acute during and following wars. Under normal conditions, deflation is more likely to prevail. In today's "semi-war" economy and prolonged prosperity, therefore, the tug-of-war between inflation and deflation leaves the situation in doubt. Conceivably, this stalemate could continue with neither side gaining a clear advantage, even though over the long run rising government spending and the unreasonable demands of labor suggest further inflation.

It has been my experience that the best time to hedge against inflation is when the stock market and real estate prices are depressed. Hence, although the current bull market may yet penetrate higher ground, the "real gravy" is largely behind us and the risk factor greater from here on in. It might therefore be better to have patience and "hold your fire." Profitable hedging against inflation requires careful timing and selection. When the prices of stocks and real estate are depressed, and when deflation rather than inflation is the

watchword of the day, then investors should have the courage to acquire inflation-hedge investments — carefully and selectively. I believe more inflation is ahead of us, but now is not the time to hedge against it.

"The time for thinkers has  
come. Truth, independent of doc-  
trines and time-honored systems,  
knocks at the portal of humani-  
ty."

These words from the opening  
preface of the Christian Science  
textbook (Science and Health  
with Key to the Scriptures by  
Mary Baker Eddy) will help set  
the theme of a Bible-Lesson on  
"Truth" to be read at Christian  
Science churches this Sunday.  
Responsive reading will in-

clude these verses from Psalms:  
"Truth shall spring out of the  
earth; and righteousness shall  
look down from heaven . . .  
Teach me thy way, O Lord; I  
will walk in thy truth; unite my  
heart to fear thy name."

Mr. and Mrs. Joseph Baillie  
and sons, John, Craig, Joe, and  
Edward, and daughter, Kathy,  
returned Friday to their home in  
Marblehead, Mass., after spend-  
ing the past two weeks with  
Mrs. Baillie's parents, Mr. and  
Mrs. Joseph Anderlohr, and  
brother, Joe Anderlohr. During  
their Culver vacation, the Bail-  
lies were entertained with sev-  
eral parties in Culver, South  
Bend, Mishawaka, and North  
Judson.

## Faith's Challenge

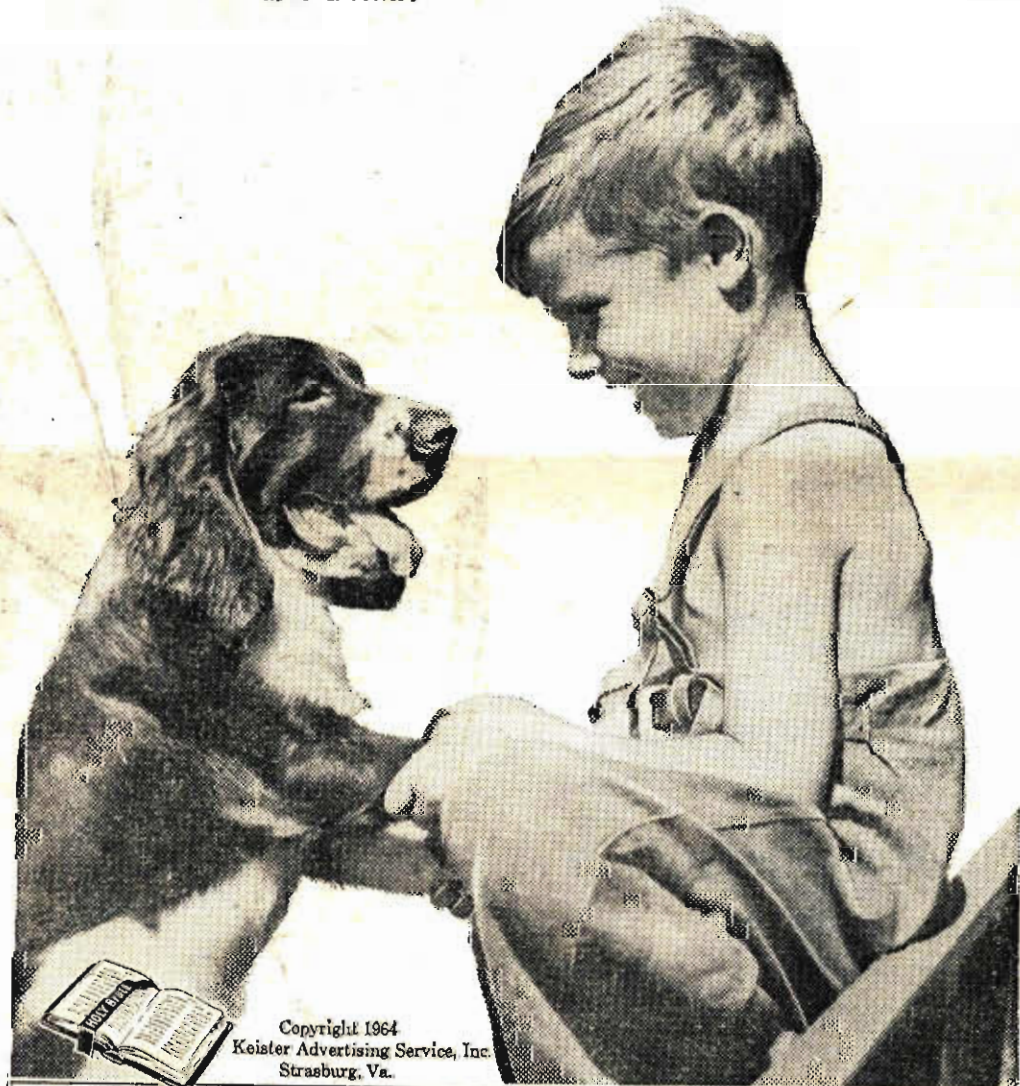

There is something very special about a boy and his dog. The dog so obviously wants nothing more than to devote his life to his small master. He takes his boy on faith . . . and, inevitably, the boy lives up to it.

For faith creates a challenge. If someone believes something good of you, you find yourself eager to measure up to that standard.

God looks for the best in all of us. Regardless of what may have happened yesterday we are, today, welcome in His Church. He has faith in us. Should we have less than faith in Him?

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest fac-  
tor on earth for the building of  
character and good citizenship.  
It is a storehouse of spiritual val-  
ues. Without a strong Church,  
neither democracy nor civiliza-  
tion can survive. There are four  
sound reasons why every person  
should attend services regularly  
and support the Church. They  
are: (1) For his own sake. (2)  
For his children's sake. (3) For  
the sake of his community and  
nation. (4) For the sake of the  
Church itself, which needs his  
moral and material support.  
Plan to go to church regularly  
and read your Bible daily.

# County Baseball Tourney Opens Thursday Evening

## Culver Enters With 11-6 Mark

By EARL D. MISHLER  
Culver's baseball Indians warmed up for the start of the Marshall County tourney by winning three of five games in a busy week of baseball. Coach Gene Crosley's boys took two games from Bremen, 4-3 and 6-0, split with Lakeville, 9-6 and 5-8, and lost in league action to LaPaz, 4-2.

Last Wednesday at home, the Tribe falled three runs in the eighth inning of the completion game against Lakeville for an 8-5 victory. Hits by Jim Boswell and Andy Lowry tallied runs, as Paul Liette hurled one inning to save the win for Bruce Lindvall, his third.

Liette also pitched the night-cap, and showed a strong arm and an even stronger heart as he went the distance in a 10-inning thriller, Towering Loren Riddle no-hit Culver in six innings of relief and tripled in the tenth to start the winning rally. The loss was Liette's fourth.

Thursday night Jim Boswell recorded his first high school pitching triumph, stopping Bremen at Culver on four weak hits, 4-3. Bruce Lindvall and Jim Lewis each had two hits to lead the attack. Boswell walked three and

fanned seven, allowing only one earned run.

Sunday afternoon LaPaz' Dan Harbaugh stopped Culver on 3 singles, 4-2. The Tribe's tight pitching continued behind Bruce Lindvall, but a 4-run inning created by two scratch singles cost Bruce the decision. Dave Lemar had two of Culver's hits.

Monday night lefty Jim Lewis was near-perfect in a five-inning stint at Bremen, as the Tribe dumped the Lions, 6-0. Liette mopped up the last two innings, as the senior duo combined for a two-hit shut out. Lewis retired the first twelve Bremen batters, and the only hit he allowed was a dribbler down the third base line. Boswell boomed two doubles, Lemar had a triple, and both contributed brilliant defensive plays to the victory.

Culver now has a disappointing record of 11-6, with a poor 3-4 mark in the County. But the chance remains for the Tourney title. Paul Liette will hurl the opener Thursday at Argos against Tyner's Redmen. Meanwhile, its LaPaz vs. Argos at Culver; Bremen vs. Plymouth at Bourbon; and West vs. Triton at Bremen. The semi-finals are scheduled for next Monday at Bourbon and Argos. (If Culver wins over Tyner, they face the Argos-LaPaz winner Monday at Bourbon).

## Yacht Club News

By PEG CLYNE  
Junior Fleet  
This weekend started with the Sailfish and Skylark races. Jeff Michaels was first and Tom Kneisley was second in a good Sailfish race.

The Skylark class is really growing. There were five boats this week and another is going to join us next week. Steve Speer was first again. Rick Baxter was second, Carol Schilling was third, Fritz Muehlhausen was fourth and Janie Schilling was fifth. They are all good sportsmen and are learning racing rules and skills quickly.

Senior Fleet  
There was enough breeze to make it an interesting race on Saturday. Jerome Zechiel (T-21) crossed the finish line well ahead of Bud Suverkrup (T-12) who was second and Rupert Esser (T-26) who was third.

There were eight boats in the Moonlight Race which was sailed under nearly perfect conditions. A nice wind and clear moonlight with music from the Moonlight Serenade in the background — how romantic can a race get? Ken Bateson with his fiancée crewing were first and will receive the special trophy.

Something has to be done about the lack of wind on weekends. Even the seaplanes and the small planes that were flying low couldn't stir up enough air currents to carry the "C's" around the course in the time limit. After working at it for two hot hours, the skippers had to give up and another called race was added to the long list this summer.

There will be two races scheduled next Saturday and two more on Sunday to try to make up the required races for the regatta.

There is also a Golf Tournament for MYC members only. This is an 18-hole Bankers Handicap, open to men and women golfers of any age, to be played on Maxinkuckee Golf Course from sun-up to 6 p.m. next Saturday, July 25. Trophies will be awarded to the winners by Bob Baxter, who is director of the tournament. Don Speer is chairman of the arrangements for the golf tournament. No skipper could play 18 holes in the morning — sail two races in the afternoon and have enough energy left to claim a trophy! It looks as though there will be two classes of Yacht Clubbers that

day — The Putters and the Flutters. Good luck everybody — the golfers swing while the sailors sway.

Bob Davis of Indianapolis who has his Thistle on the lake would like to have followed the fleet in the race Saturday but was not familiar enough with the course to spot the buoys. Without the flags, the buoys are almost as mythical as the starting line to those who are trying to follow the race with binoculars and it surely must be harder for the skippers to spot the buoys. What has happened to the buoy committee this year? (The same thing that has happened to their reporter who is always last-minute with the MYC copy?)

## ATTENDS CONFERENCE AT INDIANA UNIVERSITY

George C. Vondra, 514 School St., Culver, is among social studies teachers from throughout the country who attended Indiana University's recent two-day summer conference on "The Many Faces of Asia."

Some 60 teachers were present for the meeting, which featured special lectures in the areas of United States foreign policy in Asia, and the historical, political and cultural aspects of the Asian nations.

The conference was sponsored by the I.U. School of Education. Frederick R. Smith, associate professor of education, served as director.
