Town Board Topics

After holiday business of the Culver Town Board, which met Tuesday evening, Sept. 8, was on the light side. Members of the official town administration were present to make reports of their various departments but no new business was presented from the floor by citizens of the town.

The resolution and petition concerning the vacating of the two small alleys which has been before the board for the past three meetings was read, with the board taking a favorable vote to vacate the alleys in question. Action of the board and the legal papers concerning the description of them will now be filed with the county auditor for final action.

Ordinance No. 186, which regulates the burning of trash and garbage in the Town of Culver was presented to the board. Many weeks of study have gone into the drawing of such an ordinance in order to arrive at an over-all solution to the problem and also to have the ordinance contain regulations which would cover any situation. The ordinance was read and passed on first reading. (The official ordinance as passed can be found in this issue of The Citizen.) The document contains regulations governing the burning of trash and garbage within the corporate limits of Culver. It also contains a section regulating the burning of trash, leaves, etc., on any paved street.

This regulation was included in the ordinance because of the damage done to paved streets when such burning is done. Burning leaves or trash on paved streets takes the life out of the pavement and soon the area has to be patched. This means extra expense to the town.

Culver Military Academy furnished the town clerk with a list of units using the town sewage system, which the board accepted and which will be kept on file for the purpose of making sewage charges.

Dave Burns, fire chief, reported the cleanup work being done on the Mabel and Bess Pura property was progressing satisfactorily. He also reported the Park 'N Shop Super Market had built an incinerator, that the Farm Bureau Co-Op was making plans to build some sort of a device to take care of the cob and husk situation from their operations and that other property owners in that area were cleaning up their properties, which will relieve the fire hazard and other annoyances. Street Commissioner Don Mikesell reported that 12 blocks of Culver streets have been paved. He stated that as much of College Avenue was paved as there were funds to pay for the work and materials. It will possibly be finished next year. Glenn Overmyer, Union Township Trustee, met with the board and presented proposed agreements which will be entered into after the passing of the two taxing units' budgets by county and state tax commissions.

Administrative Appointments Announced At Culver Academy

JOHN W. BAYS

ROBERT MATSON

ROBERT A. REICHLEY

EDWARD A. STEPHENSON

Four appointments in the administrative organization of Culver Military Academy are announced by Major General Delmar T. Spivey, USAF (Ret.), superintendent.

The changes affect the operation of the Culver Summer Schools and the department of development.

Rear Admiral John W. Bays has been named full-time director of the Culver Summer Schools. He previously divided his time as director of the Summer Schools and director of development.

Robert Matson, who has been director of public relations since 1957, has been appointed director of development.

Robert A. Reichley will succeed Matson as director of public relations.

Col. Edward A. Stephenson, formerly commandant of cadets, is now special assistant to the superintendent in charge of fathers and mothers organizations and will assist the director of development in fund-raising activities.

The appointment of Admiral Bays as full-time director of the Summer Schools reflects the growth and importance of the four schools during the last half century. Founded in 1912, the Culver Summer Schools have grown to be the largest recreational and educational programs of their type in the nation. Last summer, 1,630 students attended the naval, woodcraft, horsemanship, and theater schools.

Admiral Bays is a graduate of Culver and the U.S. Naval Academy, and has done advanced study at Indiana University. He served with the U.S. Navy from 1927 until 1946 and compiled a brilliant record during World War II. Following his retirement,

he served for three years with the Foreign Service Administration of the Department of State before joining the Culver staff in 1949.

In his new position, Admiral Bays will plan for the continued improvement of the schools and will be in charge of admissions, assisted by Peter Trone, who will work in conjunction with Dean of Admissions Frank M. Bryant.

As director of development, Matson will organize and direct a coordinated program of development involving fund raising, public relations, alumni and parent activities, and long range planning and development of the physical plant. Matson formerly was a public relations representative for Republic Steel Corporation, Cleveland, for seven years and was assistant public relations director of General Tire and Rubber Company for three years.

He is a graduate of Kent State University and was born in Akron. He formerly lived in Hudson, Ohio, before joining the Culver staff.

Reichley joined the Culver public relations department in 1960 after 10 years as a general reporter and desk man for the York (Pa.) Dispatch. He was named assistant director of public relations in 1961 and editor of the Culver alumni magazine in 1963. Reichley was named a Newspaper Fund Fellow for graduate study in journalism at Syracuse University last summer.

A graduate of Ursinus College, Collegeville, Pa., and York (Pa.) Junior College, Reichley will continue as editor of the magazine. The public relations department is responsible for all newspaper, radio, and TV contacts, several alumni and employee pub-

lications, and two student publications.

Col. Stephenson will have the responsibility of handling affairs of the parents' organizations as well as assisting Matson in conducting the annual giving program. His duties as commandant will be taken over by the professor of military science, Lt. Col. William B. Scruggs. Col. Stephenson is taking over duties performed by John W. Henderson, dean emeritus of admissions, who will continue working this year in the development department as a special consultant to the superintendent.

A member of the Culver staff since 1942, Col. Stephenson held various positions in the military department before assuming the job of commandant. He is a graduate of the U.S. Military Academy, and he also attended the University of Missouri. He was born and attended high school in Columbia, Mo.

Janice White, Age 22, Killed In Auto Accident

Mrs. Janice White, age 22, Rural Route, Knox, died at 11 a.m. Tuesday, Sept. 8, at Memorial Hospital in South Bend of injuries received in a truck-auto accident at 7:10 the same morning.

Mrs. White was a passenger in a 1960 model car driven by Mrs. James D. Smith, Rural Route 3, Knox. The women were en route to work in Plymouth when they collided with a milk truck operated by Charles Davis, 28, Rural Route 2, Bourbon, which he was backing from the driveway of the Raymond Broeker farm on State Road 8, about one and one-half miles west of State Road 17. Mrs. White was seated at the point of impact which caused the auto to swerve across the highway and into a field on the north side.

Mrs. White was taken by the Easterday-Bonine ambulance of Culver to Parkview Hospital in Plymouth and then transferred to the South Bend hospital where she died of a severe concussion of the head, contusions of the neck, and a fractured right shoulder. Mrs. Smith was treated at Parkview for a lacerated nose and left knee and released.

Deputy Sheriff Deane Baker investigated and reported the Smith auto a total loss and estimated the damage to the Davis truck at \$700. Prosecutor Eugene N. Chipman said the grand jury will be called next week to hear reports by the sheriff's office and his department and also make an investigation into the fatal crash. Davis will appear in the court of Justice of Peace James Yeazel at a later date on a sheriff's department charge of failure to yield the right-of-way.

Budget Hearings Will Be Held On September 14-15

The Marshall County Tax Adjustment Board will meet on Monday, Sept. 14 and Tuesday, Sept. 15, 1964 with the County Auditor. Hearings on budgets of the various taxing units of the county will be held.

The Board will hear various taxing unit officials at the time shown below as to all items of the budget of that unit after which any taxpayer affected by the proposed levy in the budget under consideration will be heard.

Schedule for hearings on the Culver area taxing units are as follows: (All times Daylight Savings Time)

Monday, Sept. 14: West Twp., 11:30 a.m.; Green Twp., 1:00 p.m.; Walnut Twp. and Argos Community Schools, 1:30 p.m.; Argos Town, 2:00 p.m.

Tuesday, Sept. 15: Culver Town, 9:00 a.m.; Union Twp. and Culver Community Schools, 9:30 a.m.

Library budgets for Culver, Argos and other Marshall County towns will be held immediately following each of the town budgets.

HOSPITAL NOTES

Mrs. Myrtie Houghton Cowen has returned to her home on State Road 17 North after recent hospitalization at a Lafayette hospital. She was visiting her son, Tom Houghton, at Lafayette when she became seriously ill and was hospitalized. She is reported to be improving.

Mrs. Norris Wharton, 1355 East Shore Drive, was taken Monday by Easterday-Bonfine ambulance to Parkview Hospital in Plymouth where she underwent emergency major surgery the same evening. She is recovering satisfactorily in Room 124. Mrs. Wharton is well-known in the Culver and Maxinkuckee areas as she and her husband operate the Manor Market at the above East Shore address.

William R. Easterday, 311 W. Washington St., Culver, was taken to Parkview Hospital early Friday morning for observation and treatment. He is reported getting along satisfactorily and his room number is 214.

Culver Streets Get Paved

Twelve blocks of Culver streets were resurfaced last week by the McMahan Construction Company, Rochester.

Those receiving surfacing materials were: two blocks of Neva Gorda St., two blocks of South Plymouth St., one-half block of East Hawkins Court, one block of Mill St. between Main and Ohio Sts., one-half block of East Madison St., one block of Cass St. between Main and Ohio Sts., and five blocks of College be-

tween North Plymouth and Forest Place.

Funds received from Indiana State gasoline tax and tax levy were used to pay for the resurfacing.

The Culver Town Board hopes to add additional streets in next year's street program.

Attendance at Sunday services was 72. The Rev. Leon Starke was the guest speaker and the Rev. W. Ray Kuhn preached at Maxinkuckee and Santa Anna.

Invitations were read from the Burton Church to attend a meeting at that church on September 9, at 7:30 p.m. to hear Miss Neida Enyart speak on her trip to Bolivia and from the Kewanna Methodist Church to attend their 125th anniversary observance Sept. 13. Announcement was made of the South Bend District Youth Rally to be held at Grace Church in South Bend Sept. 12.

Mr. and Mrs. Everett Norris, Eva and Mary, took Sharon to North Manchester Sunday afternoon where she began orientation classes on Monday, preparatory to entering her Freshman year at the college.

The Rev. and Mrs. W. Ray Kuhn and Carol, Mrs. Mildred Overmyer and Darold were guests in the home of Mr. and Mrs. Owen Price of Plymouth Friday evening, when they entertained the Marshall County Migrant Committee and their families at a farewell supper honoring Miss Myrna Reyes who will be returning to Scarrett College at Nashville, Tenn. A movie of Mexico was shown during the evening.

Waterfowl Hunting Season Dates Set

The Division of Fish and Game announces the selection of open hunting season dates on geese, ducks and coots.

The 70-day open season on geese, the same as last year, will be split. It will extend from sunrise, Oct. 17, to sunset, Dec. 16; and the second period from sunrise, Dec. 25, to sunset, Jan. 2.

The daily bag and possession limit is 5. The daily bag and possession limits may not include more than: (a) two Canada geese; (b) two white-fronted geese; or (c) one Canada goose and one white-fronted goose.

The 36-day split duck and coot hunting season includes the periods from sunrise, Oct. 31, to sunset, Nov. 26, and from sunrise, Dec. 25, to sunset, Jan. 2. The basic bag limit on ducks, other than mergansers, is four daily and the possession limit is eight. The daily duck bag may not include more than: (a) two wood ducks; (b) two mallards, and (c) two canvasbacks or redheads or one of each. The possession limits are the same except for allowing four mallards.

The limits on all species of mergansers will be five daily and ten in possession, of which not

more than one daily and two in possession may be hooded mergansers.

The limits on coots will be ten daily and 20 in possession, up from eight and 16 last year.

Attendance at Sunday School was 87 and was followed by services with Rev. W. Ray Kuhn. The W.S.C.S. will meet at the church Thursday afternoon, Sept. 17, at 1:30. This is a social meeting. The Home Builders Class are sponsoring a fish fry at the Argos School cafeteria Sept. 19. The community party was held at the church Friday evening. The remodeling of the church was discussed.

Mr. and Mrs. Robert Kepler and sons attended the Sellers reunion at Bourbon Park Sunday. Mr. and Mrs. Roscoe Metheny of Bourbon spent Monday with them.

Mr. and Mrs. Philip Peer and Steven spent the weekend at the State Fair and brought Beverly Peer home after she attended the State Fair School.

Special Controlled 1964 Deer Hunts

Camp Atterbury, Crane U.S. Naval Ammunition Depot, and Jefferson Proving Ground will conduct deer hunts again this year in cooperation with the Division of Fish and Game. The announcement was made jointly by Donald E. Foltz, Director of the Department of Conservation and Commanding Officers of the three military installations, Lt. Colonel Kenneth R. Welton, Camp Atterbury; Captain E. R. Pettibone, Crane U. S. Naval Ammunition Depot; and Lt. Colonel Keith L. Warren, Jefferson Proving Ground.

Over 300 state residents will be permitted to hunt deer unescorted in the north end of Jefferson Proving Ground, Monday

through Friday, November 30 through December 4, this season.

The Camp Atterbury hunt will allow 300 state hunters within the Installation on each of the first three days, November 26, 27 and 28 and forty each day during the last week including November 30, December 1, 2, 3 and 4. Camp officials will provide one escort for several hunters.

Crane officials will again give the archers a chance to redeem their poor showing of a few years ago when 100 archers killed three deer and two of them were by automobiles. A newly organized archery club composed of Depot employees was instrumental in securing a second chance for the bow and arrow enthusiasts.

A total of 30 archers, who are not employed on the Depot, will be permitted to hunt on each of four consecutive Saturdays, October 31, November 7, 14, and 21.

During the first three days of the gun season, November 26, 27, and 28, 250 state hunters will be permitted on the installation each day. One Depot employee will be assigned to each state hunter as an escort.

Each hunter, archery and gun, will be permitted to take two deer of either sex and of any age. The metal seal provided with the license will go on the first deer and a special tag provided at the checking station will be placed on the second. All Jeer will be checked through a checking station for the purpose of gathering biological information.

The state hunters, those who are not employed on the military installations, will be selected by a public drawing from those who make application. The complete details for making application will be announced shortly by the Division of Fish and Game.

Fousts Return From Scouting Conference

CARL F. FOUST

Carl F. Foust of Culver, Scoutmaster of Troop 290, chartered to the Methodist Church in Culver, has just returned from participating in a Farm-City Conference at Philmont Scout Training Center, Cimmaron, New Mexico, for which he received a scholarship from the National Council, Boy Scouts of America.

The scholarship for himself and Mrs. Foust was awarded on a basis of outstanding leadership in Scouting, Church, Civic, and other community organizations.

The National Rural Scouting Committee of the Boy Scouts of America launched this program eight years ago as a means of paying tribute to the thousands of services and community minded men across America who give so much of their lives as volunteer leaders to boys through the Scouting movement. Only 160 men from all 50 states received such scholarships.

The purpose of these conferences is to study the newest and most effective program ideas and outreach methods to the changing population characteristics of our times. These scholarships are made available by the Sears-Roebuck Foundation, the National and State Associations of Soil and Water Conservation Districts and members of the National Rural Relationships Committee of the Boy Scouts of America.

Commenting on the conference, Joseph A. Brunton, Jr., Chief Scout Executive of the Boy Scouts of America said, "A meeting of this kind brought an exchange of ideas which emphasized the importance in our spaceage of making Scouting available to all farm, village, and city boys. The Scoutmasters' relationship to members of a troop can help them meet the challenges of today's rapidly moving world in which they will be leaders tomorrow."

Mr. Foust has been Scoutmaster of Troop 290 for the past three years and prior to becoming Scoutmaster served as Assistant Scoutmaster. He is a member of the Culver Methodist Church, Charter Member of the Culver Junior Chamber of Commerce, Maxinkuckee Fish and Game Club, and Indiana Conservation Council.

Troop 290 carries out a full program of Scouting activities. It holds weekly meetings, monthly hikes and overnight campouts, and attends camporees, Scout-O-Ramas, and last year won the National Camping Award.

S/Sgt. E. G. Krouse, Marshall County Marine Corps recruiting officer, announced last week the recent enlistment in the Marine Corps of Gary U. Gretter, eldest son of Mr. and Mrs. Urban Gretter of 322 Lake Shore Drive, and James A. Westcott, son of Mrs. Mary L. Westcott, 315 West Jefferson St. These enlistees will undergo 10 weeks recruit training at San Diego, Calif., and four weeks of advanced individual combat training at Camp Pendleton, Calif., before returning home for a 20-day leave.

GREAT LAKES, ILL. — Robert K. Kelsey, 18, son of Mr. and Mrs. Charles R. Kelsey of Route 1, Monterey, recently completed basic training at the Naval Training Center, Great Lakes, Ill.

The nine-week training includes naval orientation, history and organization, seamanship, ordnance and gunnery, military drill, first aid and survival.

During the training recruits receive tests and interviews which determine their future assignments in the Navy. Upon completing the program they are assigned to service schools for technical training or to ships and stations for on-the-job training in a Navy rating specialty.

Naval training produces the power in seapower by supplying personnel to man the ships, planes and shore stations of today's Navy.

Pfc. William T. Cook and Mrs. Cook returned yesterday to their Lawton, Okla., home after an 18-day leave spent visiting the former's parents, Mr. and Mrs. Charles Cook, and brother and Mrs. Cook's Plymouth relatives.

ASSOCIATION HUNTING PEARL HARBOR SURVIVORS

A nation wide campaign is underway to locate and register survivors of the attack at Pearl Harbor on December 7th, 1941.

Directed by the Pearl Harbor Survivors Association, this campaign, known as operation S.O.S. (Search Out Survivors), is attempting to reach some 40 to 60 thousand persons who were in military uniform at Pearl Harbor on that historic date.

Founded in 1958, the Association has grown from 11 members to upwards of 12,000 representing every state in the union, most states having their individual chapters.

The Pearl Harbor Survivors Association has received the official endorsement of the President of the United States and the Chiefs of Staff of the Armed Forces.

County Republicans Hear Bontrager At Culver Kick-Off Meeting and Corn Roast

GOP CANDIDATES ENJOYING THE CORN ROAST AND HAMBURGERS last Friday evening included left to right, Robert Miller, candidate for Third District Congressman; D. Russell Bontrager, candidate for U. S. Senator; William Erwin, candidate for state senator; and Otis Bowen, candidate for re-election as state representative.

Union, Green and West Township Republican organizations were hosts to approximately 450 persons at a corn roast and hamburger fry, held in the Culver Town Park last Friday evening. The event kicked off the Republican campaign in Marshall county. Attending were national, state and county candidates.

The evening's main address was given by State Senator D. Russell Bontrager, the Republican nominee for U.S. Senator. William Erwin, Bourbon, candidate for joint state senator for Marshall-Kosciusko counties introduced the main speaker, Robert Tucker, Argos, introduced Robert Miller, South Bend, candidate for Third District Congressman. Visiting party officials and County candidates were introduced.

The purpose of the Association is to serve as a living reminder of the necessity for eternal vigilance. As survivors, we must assume the responsibility to see that such a disaster as Pearl Harbor is never repeated!

Senator Bontrager called for denial of U. S. foreign aid to nations one or more years behind in payment of their assessments to the United Nations.

Bontrager said denial of U.S. foreign aid would force these nations to pay their U.N. delinquencies and thus insure preservation of the financial solvency of the U.N.

"Why should 41 nations of the world be permitted to keep their hands in the pocketbooks of every American taxpayer when they refuse to assume their financial obligations to the United Nations?" Bontrager asked.

"The administration also should take a second look at its policy of selling wheat to Russia — another nation which refuses to pay its share of the U. N. operations.

"At this very moment, Russia owes the United Nations \$52,623,137 and boasts proudly to the world that it has no intention of paying this debt."

Bontrager attacked critics of presidential candidate Barry Goldwater's stand on the social security program. The recently-voted five per cent increase in social security checks to retirees are short 83 cents on each \$10, compared to benefits received in 1959. The federal government is receiving a larger percentage from the individual, he said.

Bontrager said the Republican candidates want to give retirees a full dollar in their retirement checks from the government and not a token payment.

The Zion Gospel Chapel will hold their annual Homecoming Sunday, Sept. 27, with Sunday School at 9:30, followed by preaching at 10:45, and a basket dinner at noon. Guest speaker for the afternoon will be Rev. Dennis Letts of Winona Lake. He will bring special music and a program will be put on by the classes of the church.

Mr. and Mrs. Jesse Sims and son entertained at dinner Sunday for Mr. and Mrs. Manson Leap and family, and Mrs. Floy Leap and daughters, of Letters Ford; Mr. and Mrs. Arnold Adams of Kewanna; Miss Luanne Adams of Elkhart; Mr. and Mrs. Lorain Sims and daughters of Warsaw and Mrs. Alta Olson of Culver. The dinner honored the birthdays of Eva and Treva Leap and Mrs. Olson.

Mr. and Mrs. Clyde Overmyer spent Wednesday with relatives at Culver.

Miss Phyllis Shaffer has returned to school at Muncie after spending the summer with her parents.

Mr. and Mrs. Loren Shaffer and family and Ann and John Leap spent Saturday at the State Fair at Indianapolis.

Patsy Leap is spending this week at home with her parents, Mr. and Mrs. Manson Leap, and family after working at Lightning Dude Ranch at Bass Lake. She will be returning to school at Indiana University at Bloomington next week.

Mr. and Mrs. Earl See visited their daughter, Mrs. Dorothy Kistler, in the hospital at South Bend Sunday.

McAllisters Return From Vacation

James McAllister and daughters, Martha, Brenda and Linda, recently enjoyed a two-week vacation trip to Florida and Texas. They visited the former's sister and brother-in-law, Mr. and Mrs. Ervin E. Csgood at Sarasota, Fla., and his father and stepmother, Mr. and Mrs. J. B. McAllister, and another sister and brother-in-law, Mr. and Mrs. Douglas Lovvorn all at Stamford, Texas. Mr. McAllister, Brenda and Linda, returned home Sunday and Martha remained in Texas where she will enter The University of Texas at Austin, on Sept. 14.

COUNTY NOMENCLATURE —

When LaPorte County was organized in 1832 it was given the French name, "La Porte," meaning "The Door." Bordering on the state of Michigan it is the doorway from Indiana to the north country.

The life of Abraham will be reviewed next Sunday at Chris-

tian Science churches to show how "faith is the substance of things hoped for, the evidence of things not seen" (Heb. 11).

The subject of the Bible Lesson is "Substance," and the Golden Text is from Galatians 3: "They which be of faith are blessed with faithful Abraham."

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include a description of Abraham as an example of "Fidelity; faith in the divine Life and in the eternal Principle of being. This patriarch illustrated the purpose of Love to create trust in good, and showed the life-preserving power of spiritual understanding" (p. 579).

NO BULL — It wasn't a bull and it wasn't a china shop but the destruction was terrific when a buck deer invaded two business establishments in the Putnam County town of Cloverdale. The animal first leaped through the front window of the Murphy Liquor store and rampaged around breaking a number of bottles of expensive alcoholic beverages. It left the liquor store and plunged through a window of the Sargent 5 and 10 cent store where it wandered about destroying a large amount of merchandise. It was headed for a filling station when it was shot and killed. Damage estimates ranged as high as \$5,000.

New Faces

They're newcomers. They moved into the neighborhood just last week, and this is their first Sunday in our church.

Very soon they'll be making friends, and joining in many worthwhile church activities. Mr. Jones may develop his talent for organization, or fund-raising, or youth leadership. His wife may find her place in one of the busy organizations for women, or discover that she loves to teach. The children will settle happily into Sunday School classes suited to their age group.

Above all, this young family will share in the secure feeling of Christian fellowship and spiritual well-being that comes from serving God and His Church. They will be

better people, better neighbors and better citizens because of their decision to put God's work first.

THE CHURCH FOR ALL

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

HINTS ON HEALTH

by the
INDIANA STATE MEDICAL ASSOCIATION

HARM ON THE FARM

AGRICULTURE is the only major industry to show a death rate increase in the past 20 years. Mining, quarrying, construction, transportation — all have shown significant reductions in the occupational death rate. And industries other than agriculture have progressed rapidly toward establishing programs for safety, encouraged by both management and labor.

Since farming is a comparatively individual activity, there has not been any organized advance in safety recognition and supervision.

The seasonal harvesting of hay, grain and corn, filling silos, repairing buildings and equipment, and the presence of children on vacation from school causes a sharp rise in rural accidents.

A third of all agricultural accidents occur during routine work on the farm such as chores, milking, cleaning the barn, caring for animals, manure spreading, tilling the fields and repairing of fences.

And the modern mechanization of farms has only added to the hazards. Tractors, harvesters, binders and reapers are taking the place of the horse and adding to the serious, mutilating and sometimes fatal accidents.

The most common piece of equipment on the farm, the tractor, is the cause of most accidents. Frequently driven by young boys, the tractor may topple over a steep hillside when forced into maneuvers for which it was not intended.

The mechanization of farms is saving much labor. But it also intensifies the need for controlled know-how.

"New shoes hurt the most when a father has to buy them for five kids at the same time."

There will be preaching services next Sunday following Sunday School. Sunday School attendance last Sunday was 55.

Mr. and Mrs. Eldon Davis and family enjoyed a vacation trip to the Wisconsin Dells, O'Hare Field, and the Brookfield Zoo the weekend of August 28. They were overnight guests in the home of Mr. and Mrs. Frederic Clauson in Oregon, Ill. on Friday. Ned Davis assisted his grandparents with the chores during their absence. On Sunday evening Ned and Diane Davis and Miss Wanda Warren of Culver were luncheon guests.

Mrs. Ida O'Brien of South Bend, Mrs. Carrie Cowen of Tippecanoe and George Cowen of near Argos were callers last week in the Guy Davis home.

The W.S.C.S. held their first meeting of the new program year with Mrs. Wilbur McIntyre, Wednesday evening, with a good attendance. During the program a filmstrip "Missions Follow The Indian Trail" was shown. The ladies plan a supper at the church for Saturday, Oct. 3.

A workshop for the South Bend District for Program Planning Committees and officers of local societies will be held Wednesday, Sept. 16, at the Grace Church in South Bend. Registration will begin at 9 o'clock. All officers and members are urged to attend.

Mrs. Leota Slonaker Young, one of the oldest citizens of this community passed away Thursday, Sept. 3. Funeral services were held on Saturday with burial at Leiters Ford.

Mr. and Mrs. Eldon Davis entertained at a buffet luncheon Sunday evening in honor of Ned Davis who will leave Friday to enter Purdue University. Present were Mr. and Mrs. Don Davis, Diane and Kent; Miss Wanda Warren of Culver; Mr. and Mrs. Whitney Kline; Mr. and Mrs. Paul R. Winn; Mr. and Mrs. Paul E. Winn and family and Mr. and Mrs. Guy Davis. Two films were enjoyed following the luncheon.

The regular quarterly family night of the local church will be held on Sunday evening, Sept. 27.

Mrs. Guy Davis attended the Past President's Club meeting of the Marshall County Home Demonstration Association held in the Fellowship Rooms of the Argos State Exchange Bank Tuesday. Mrs. Bonnie Bunch was hostess. Next meeting will be held in December with Mrs. Al Humphrey of near Plymouth.

MRS. ESTHER McFARLAND RAISES BIG ONES!

Mrs. Esther McFarland has some really BIG specimens growing in the garden of her home located at 304 East Jefferson Street. She reports that the sunflowers have now attained a height of 15 to 16 feet.

She raises only non-acid tomatoes and weighed one of the red variety which tipped the scales at an even pound while one of the yellow variety weighed a total of one pound and four ounces!

'SUBSTITUTION' UNDER 1965 WHEAT PROGRAM DISCUSSED

One feature of the 1965 Voluntary Wheat Program which was not available in 1964 is the so-called "substitution" provision, Carl Price, Chairman, Marshall County Agricultural Stabilization and Conservation Committee, pointed out recently.

This means that, as provided by the authorizing legislation, a producer who has both a wheat allotment and a feed grain base, and who signs up for both programs, will be eligible to grow wheat on feed grain permitted acres, or grow feed grains on all or part of the wheat permitted acres.

Such a producer would take part in the 1965 Program relating to wheat and feed grains exactly as he would without the substitution provision except that the acreage of either wheat, or feed grains could be greater. The diversion payment such a producer would earn under the Programs, while using the substitution provision, would depend upon the crop actually diverted from production into an approved conserving use. In other words, if the farm's wheat acreage exceeded the wheat allotment, the participating producer would receive diversion payments based on the rate applicable to the feed grain reduced.

The Chairman explained that a producer who plants wheat in lieu of feed grains may put this wheat under loan, but he will not be eligible for additional certificates

Co-Administrators' Notice Of The Sale Of Real Estate

Pursuant to an Order of the Marshall Circuit Court, heretofore made and entered, the undersigned, Co-Administrators of the Estate of Frances Mahan, deceased, will offer at private sale, for the best obtainable price, for any sum not less than the appraised value, on THURSDAY, SEPTEMBER 24, 1964 BETWEEN THE HOURS OF 10:00 A.M. AND 3:00 P.M. DST AT THE LAW OFFICE OF W. O. OSBORN, ATTORNEY IN THE STATE EXCHANGE BANK BUILDING, CULVER, IND. the following described real estate:

because of the substitution. Likewise, a producer who plants feed grains on wheat-allotment acreage may put this feed grain production under loan, but he will not be eligible for feed grain program price-support payments on this acreage. A producer not eligible for the benefits of both programs may still obtain the benefits of the program in which he is eligible.

Substitutions may also be made as between wheat and oats and rye if a separate oats-rye base acreage is established for the farm. Growers who are interested in this option are urged to discuss the matter with the ASC County Committee at the time of signing up for the 1965 Wheat Program.

The signup period extends through October 2.

BALL STATE SENIORS BEGIN PRACTICE TEACHING

MUNCIE, Ind. — Two Ball State Teachers College seniors from Culver are among 177 full-time student teachers who will be in Indiana public schools this fall to get practical experience in teaching and meeting all the extra challenges that a teacher faces each day.

Full-time student teachers will report to their assigned classes on Sept. 21, according to Dr. E. Graham Pogue, director of student teaching.

MEDICAL SOCIETY

COMMENDS DR. KUBLEY

The Marshall County Medical Society at its regular meeting on Sept. 2, 1964, passed the following resolution:

WHEREAS, on April 9, 1964, James Bergman fell to the ground apparently dead of a cardiac arrest;

WHEREAS, James Kubley, M.D., administered closed chest and open chest cardiac massage until the patient could be properly resuscitated in the Parkview Hospital;

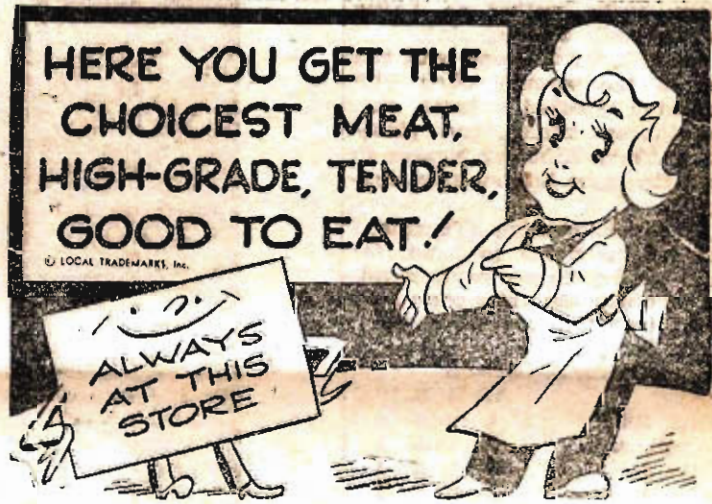

THEREFORE, the Marshall County Medical Society commends Dr. Kubley not only for maintaining high medical standards, but in demonstrating them with excellent resourcefulness and perseverance.

The society also stated that any recognition of Dr. Kubley in this situation calls for honorable mention of Mr. Wade Wyatt and Manford VanGilder who administered mouth-to-mouth resuscitation.

Culver Topples LaPaz, 8-3, In League Opener

Weirick Delivers Clutch Base Hit

By EARL MISHLER

Culver's Indians began their bid for a third consecutive Marshall County Fall Baseball Championship last Thursday by defeating their toughest competitors, LaPaz, 8-3, in an eight-inning thriller on the away diamond.

Reserve outfielder Jim Weirick claimed the hero's role with a two-run single in the eighth off loser Dan Harbough, who had pitched the vikings to the County title this Summer. It was the third time this year that Weirick had delivered the key hit in similar situations.

Leading the Culver offense was the long-ball hitting of Andy and Stu Lowry. The big junior catcher stroked a two-run triple in the first inning, then doubled to start the game-winning five-run rally in the eighth. Freshman second-baseman Stu stroked a double and a two-run homer, the latter blow coming after Weirick's hit to ice up the game. It was the first high school round-tripper for S. Lowry, who had failed to get an extra base hit throughout the entire Summer season.

Senior right-hander Paul Liette went the distance for his first Fall triumph. His control was sharp, as he walked no LaPaz batters while fanning nine.

Liette had a 3-1 lead with two out in the seventh when Phil Thornton stroked a home run, Jan Quivey tripled, and pinch-hitter Terry Ritenour singled to send the game into an extra inning.

Tomorrow evening (Thursday) the Indians travel to Tyner for their second County engagement. Next Monday the Tribe plays host to West on the local diamond.

Yacht Club News

By PEG CLYNE

The sailing season bowed out during a busy and beautiful weekend. Background music (?) was provided by the frantic hum of motors pulling the skiers in their swan-song performances. The long white piers which had stretched out so happily into the water were disintegrated, and the bony pieces were piled ingloriously on the shore. Many of the sleek scows were consigned to hibernation in dark corners.

Mrs. Don Speer, Chairman of the Social Committee, piloted the MYC members to the South Seas for the theme of the annual Awards Dinner which was held at The Culver Inn on Saturday. Each guest received several brightly colored leis which looked very apropos as they sipped "poi" from real coconuts. The tables were gay with vari-colored hurricane candles.

After a delicious dinner, the Junior Fleet stepped into the spotlight. Mr. Rupert Esser made the presentations to the Junior Skippers.

Sailfish Race Winners were: Jeff Grund (July 4), Tom Kneisley (July 11), Jeff Michels (July 18 and 25, Aug. 29) and Charles Ray (Aug. 1, 15 and 22).

A Miniature Campbell Trophy was awarded to Steve Speer for being Sailfish Season Winner in 1963.

Tom Kneisley received the Sail-

fish Runner-up Trophy.

The Campbell Trophy was awarded to Jeff Michels who was 1964 Sailfish Season Winner.

SKYLARK Race Winners were Fritz Muehlhausen (Aug. 29), Steve Speer (July 4, 11, 25, Aug. 1, 15, and 22).

1964 SKYLARK Season Runner-up went to Fritz Muehlhausen.

The 1964 SKYLARK Season Winner was Steve Speer, who received the Campbell Trophy donated this year.

Junior Fleet Skippers who sailed in three or more races received trophies engraved with their names and the season. They were Carol Schilling, Joanie Schilling, Rick Baxter, Phillip Schmoll and Greg Schmoll.

Stevie Speer presented a special gift from the Junior Fleet to Mr. Esser and Jeff Michels presented a gift to Kathy Clyne for their work with the Junior Fleet Series.

Commodore Gunder commanded the microphone to make the presentations to the Senior Fleet. Jerome Zechiel proved to be the lion of the occasion as he made his way to the speaker's table to receive many awards.

Tune-up Series Winner: Jerome Zechiel.

Moonlight Race Winners: Ken Bateson (July 18) and Tad Lau-

derback (Aug. 15).

Saturday Series Race Winners: Bud Suverkrup (Aug. 15), Joyce Speer (Aug. 22), The Beckers (Aug. 1 and 29), Jerome Zechiel (June 27, July 5, 18, and two races the 25th).

1963 Saturday Series Season Winner: Jerome Zechiel, received the Miniature Winslow Trophy.

1964 Saturday Series Runner-up: Bud Suverkrup.

1964 Saturday Series Season Winner: Robert C. Winslow Trophy: Jerome Zechiel.

Sunday Series Race Winners: Ken Bateson (July 12), Rupert Esser (Aug. 8) Bob Hollowell, Jr. (Aug. 16) and Jerome Zechiel (July 12, Aug. 8, 9, 23 and 30).

1963 Sunday Series Season Winner: Miniature Winslow Trophy: Bob Hollowell, Jr. (Jubilation).

1964 Sunday Series Runner-up: Jerome Zechiel, (Penny III).

1964 Sunday Series Winner: Robert C. Winslow Trophy: Bob Hollowell, Jr.

The L. Ford Memorial Trophy donated by the Ford family which is presented to the winner of the first Sunday race was claimed by Jerome Zechiel.

"Zeke" also received the Henry Bliss Memorial Trophy donated by Mrs. Betty Bliss and which is presented to the winner of the last Sunday race.

The Best Girl Crew is selected

by the judges and the Frances and Dale Riggs Trophy was awarded to Kathy Clyne, crew of Penny III.

The Best Boy Crew is also selected by the judges and Earl Breech claimed the Frances and Dale Riggs Trophy for his work on Jubilation.

The Winslow Family Trophy which is awarded to the Junior Skipper who has made the greatest improvement in two years went to Howard Ray.

The Frank and Charlotte Gates Trophy for Sportsmanship is awarded by the judges and this year Bud Suverkrup is the proud owner.

Chief Timer Award was given to Joseph N. Clyne; Chief Judge's Award went to Norman E. Bateson; the Secretary-Treasurer Award was given to Laura L. Gunder.

After Richard L. Gunder received the Commodore's Award, all the MYC members gave him a standing ovation for his earnest devotion to duty this summer of 1964.

The MYC Golf Tournament was very successful and the awards were made at the banquet. Allen Becker received the trophy for the Low Net Score: C. H. Bradley, Jr. for the Men's Low Gross Score; Janis Thompson for the Women's Low Net Score and Jane Lathrop for the Women's Low Gross Score.

A gorgeous bouquet combining the sunny yellow of summer and the orange tones of fall was presented to this correspondent for reporting efforts.

The new officers for the year 1965 were presented to the members. Ed Becker will assume the duties of Commodore; Capt. Robert Bolton will be Vice-Commodore; Dale Riggs is the new Rear Commodore and Laura Gunder will again be Secretary-Treasurer.

This has been a good summer in spite of the calm sailing days and we are already looking forward to getting together next summer.
