School Trustees Continue Interviews

The Board of School Trustees of Culver Community Schools on Monday evening continued its interviews with prospective architects for a new high school. Mr. Harry Burkhart, representing Maurer and Maurer of South Bend, presented a review of several new high schools designed by his company during the past few years.

Using colored slides, Mr. Burkhart showed variations in plans used for erection of Washington High School of South Bend, Winamac High School, Plymouth High School, and the recently completed Marian High School in Mishawaka.

During the conference, Mr. Burkhart also discussed methods of financing new school facilities, including the non-profit local holding corporation and the private lease-purchase plan.

Additional matters considered by the School Board included a review of bids received for the North Bend and Ora buildings. The School Board members approved acceptance of a bid submitted by Mr. Jeff Jeffries and Mr. James Zehner of the Monterey area for purchase and removal of the North Bend building. Since no bid received on the Ora building was as large as the two-thirds of appraised value required by law, further steps will be taken to secure an acceptable bid for that property.

United Fund Kick-Off Set For Oct. 12

The kick-off meeting for the 1965 United Fund Drive to raise next year's quota of \$7,000 will be held on Monday evening, Oct. 12, at the State Exchange Bank Auditorium, according to the decision made by the United Fund board of directors at their meeting last Monday evening. The drive will end on Monday, Nov. 9.

The kick-off meeting will include area captains, their solicitors, and United Fund directors. Refreshments will be served after the meeting.

The directors, at last Monday evening's meeting, discussed the various requests from those organizations which the United Fund supports and set the quotas which will be given if the fund goes over the top.

Fifteen charitable organizations are included in this year's list. They are: Pollo Foundation, American Red Cross, Culver-Union Township 4-H Clubs, Salvation Army, CROP, Mental

discussed, and the School Board approved a uniform fee for rental and reimbursement of janitors for use of the two gymnasiums.

Permission also was granted for Mrs. Jeanne Epley, remedial reading teacher at Culver, to attend a reading clinic to be held at Indiana Central College on Nov. 5 and 6.

Dr. Oscar Wesson Improving After Friday Airplane Crash

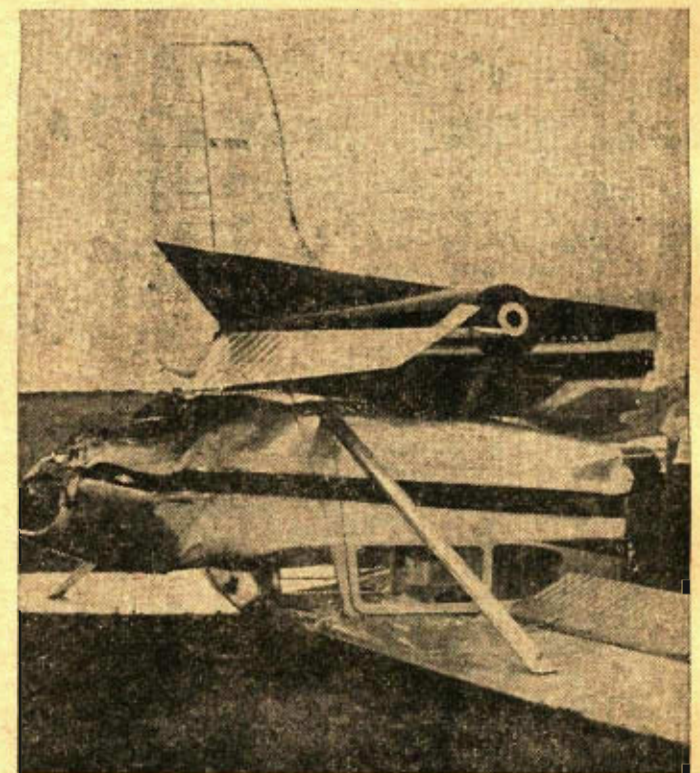

Photo of the plane following the crash in which Dr. Oscar Wesson was seriously injured. Note fuselage upside down and broken in half with tail assembly lying on top.

Dr. Oscar Wesson, Culver, who was seriously injured in a plane crash at 11:15 a.m. Friday morning, Sept. 25, will return home this weekend from Memorial Hospital in South Bend, if he continues to improve as rapidly as he has in the last few days. Dr. Wesson was injured when the plane he was flying crashed as it hit utility lines as he was attempting to land.

Authorities report the plane hit the wires throwing it out of control. It traveled about 200 feet before it crashed to the ground. The nose wheel came off as he hit the ground causing the plane to flip over on its back, breaking it in two with the tail section landing on top of the fuselage. Dr. Wesson had taken the plane up from the air strip, which is located on the Harold Miller farm, southwest of Culver, circled the area several times and was coming in for a landing, approaching the strip from the north. The utility line borders the strip on the north.

Roy Jackson and Bruce Ogden, who were working in a nearby corn field were the first to reach the wrecked plane. Dr. Wesson was rushed to Parkview Hospital for emergency treatment and then on to Memorial Hospital in South Bend by the Easterday-Bonine ambulance.

The cause of the accident is not known. Dr. Wesson had flown the plane, which was a two-seater single engine Cessna belonging to Jack Easterday of Culver, several times and was familiar with the field. He has had his pilot's license since 1951 and is an experienced pilot.

Dr. Wesson's injuries consisted of a slight concussion, severe cuts on the face, a broken nose and right cheek bone, a broken bone in his right wrist and other cuts and bruises. There were no internal injuries.

Chief of Police Don Mikesell and Sheriff Jerry Greenlee investigated the accident.

NATIONAL 4-H CLUB WEEK Sept. 26 to Oct. 3

National 4-H Club Week — Sept. 26 to Oct. 3 — Marks 50 Years Of Cooperative Extension Service

Extension Service of the State Land-Grant College and University and the U.S. Department of Agriculture Cooperating

National 4-H Club Week recognizes the 50th anniversary of the Cooperative Extension Service — of which the 4-H youth program is a significant part.

Since 1914, when the Smith-Lever act authorized Extension, and federal legislation first helped finance and conduct 4-H Club work, about 22,830,490 different young people have participated in the "learn by doing" program — now spread far beyond rural areas.

The 4-H Club program is a part of the national educational system of cooperative Extension

work in which the U. S. Department of Agriculture, the State land-grant colleges (in Indiana this is Purdue University) and the counties share.

Marshall County Extension Agents, R. C. Harvey, Agriculture; Mary Ellen Howkinson, Home Economics; and Zale Frey, Youth; give county leadership to the 4-H program. One hundred and sixty men and women serve as 4-H leaders assisted by 160 older club boys and girls called Junior Leaders.

Boys' and girls' club work originated as a program to teach

elementary skills in agriculture and homemaking. Today, more than 53 per cent of the Nation's 4-H members do not live on farms. Now 4-H offers challenging educational experience to these suburban and non-farm youth as well as to farm boys and girls.

If you wish to join 4-H, select one or more of 31 projects available and contact the County Extension Office in the Courthouse Annex or a 4-H leader in your Township.

Mrs. W. O'Connor Dies In Arizona

Mrs. William (Margaret) O'Connor, former long-time Culver resident of Route 2, died Tuesday, Sept. 29, at Yuma, Ariz., after suffering a stroke the previous Thursday.

Well-known in the Culver area, Mrs. O'Connor had recently gone to Arizona where she made her home with her son, Monroe Lawrence, at 2457 8th Place in Yuma.

Services are scheduled for tomorrow, Thursday, Oct. 1, at the Johnson Funeral Home in Yuma and burial will be made there.

Surviving with the son are a sister, Mrs. June Lawrence of Plymouth; a brother, Welcome Low, of St. Louis, Mo.; three granddaughters; and nieces and nephews.

Mrs. Cora Turnbull, Former Resident Of Rutland, Dies

Mrs. Cora B. Turnbull, 94, 810 Flossmoor St., Waukegan, Ill., died at 1:35 p.m. Thursday, Sept. 24, at the Victory Memorial Hospital, Waukegan, Ill., following an illness of three days in the hospital.

Mrs. Turnbull was born April 19, 1870, in St. Joseph County, Ind., to Harvey and Nancy (Houston) Walters, and was married in 1890, to Perry Turnbull, who preceded her in death in 1935. She had been a resident of the Rutland area, northeast of Culver, until going to live with her daughter in Waukegan 29 years ago.

Surviving are three daughters, Mrs. Hazel Johnson, Waukegan, Ill., with whom she made her home, Mrs. Dessie Zubbe and Mrs. Gertrude Smith, both of South Bend; a son, Claude Turnbull, Bowling Green, Mo.; 17 grandchildren, 29 great-grandchildren and four great-great grandchildren.

Funeral services were held at 2 p.m. Saturday, Sept. 26, at the Easterday-Bonine Funeral Home, Culver. Rev. Harold Hohman, pastor of the Culver Grace United Church of Christ, officiated, and burial was made in the North Union Cemetery, northwest of Culver.

CMA Teachers Contribute To New Textbook

Two Culver Military Academy mathematics teachers have contributed to a new textbook to be used mainly by college preparatory students.

Ray C. Jurgensen, department chairman and Eppley chairholder in mathematics and Alfred J. Donnelly, holder of the William Pitt Oaks chair of mathematics, have written sections of a new integrated mathematics book entitled "Modern Introductory Analysis."

The book is published by Houghton Mifflin Company, which two years ago published "Modern Geometry," a text written by Jurgensen, Donnelly and Mary P. Dolciani, associate professor of mathematics at Hunter College, New York.

Jurgensen, a member of the School Mathematics Study Group writing team on geometry, will speak Oct. 5 to members of the Greater Dayton (O.) Council of Mathematics Teachers on the subject: "Modernization of the Mathematics Program." He will emphasize geometry during his talk.

A third Academy instructor, Harvey E. Firari, was one of eight teachers brought to Cambridge, Mass., to discuss ways to improve student writing. This is the second time Firari has been invited East to serve as a consultant on composition. Main purpose of the meeting was to plan an institute to bring together elementary and secondary school English teachers in the hope of improving the teaching of writing. The Cambridge meeting was sponsored by the Commission on English and the Council for Public Schools, Inc.

SOPHOMORES BEGIN LEAF RAKING PROJECT SATURDAY, OCTOBER 10

Tri Kappa Lists Rules For '64-65 Bridge-A-Rama

The following schedule and rules are listed for the benefit of prospective players in the 1964-65 Tri Kappa Bridge-A-Rama.

1. Contestants enter by couples. A contestant retains the same partner throughout the season.

2. The season shall start Oct. 1 and end May 15, 1965.

3. The season shall consist of 10 sessions of competition.

4. Each session shall consist of 20 hands of play.

5. Contestants may enter in groups formed of from two, four, six, or eleven couples as they so prefer.

6. It is suggested that one session of play be held every two weeks in order to complete the season by May 15. A session may be played at the convenience of you and your opponents anytime within the scheduled period of play. Please avoid being late in completing your 10 sessions.

7. It is expected that each couple will take turns in acting as hosts.

8. Players must agree to follow the rules made to keep the contest uniform.

9. A registration fee of one dollar per person must accompany each entry form.

10. At each session the hostess must collect 50¢ from each player. This money is to be turned in to Tri Kappa along with the score sheets. If anyone prefers to pay for all his 10 sessions when he enters, he shall be furnished with a "Paid in Full" receipt.

11. An absence which has or will interfere with scheduled progress may be compensated for by the use of a substitute or play ahead of schedule.

12. Refreshments, if any, shall be kept simple.

13. A "Play Off" party for cash prizes will be played the last two weeks in May.

14. Total prizes of \$120 will be divided into first couple prize, \$60; second couple prize, \$40; third couple prize, \$20.

15. Score sheets, schedules, and copies of rules will be furnished by Tri Kappa and procured from the chairman of Bridge-A-Rama, Mrs. Walter Muehlhausen, phone VI 2-3088 (after October 7), or from Mrs. Joseph Clyne, phone VI 2-2946, or Mrs. Russell Hippensteel, phone VI 2-3064 (October 1 to 7).

Blair and King Named Eppley Chairholders

Two distinguished teachers have been named Eugene C. Eppley academic chairholders at Culver Military Academy, Major General Delmar T. Spivey, USAF (Ret.), superintendent, announced today.

Dr. Russell Blair, master instructor in Russian, will become Eppley chairholder in foreign languages, and Dr. David B. King, who is on leave of absence from Oregon State University, will be Eppley chairholder in history.

The Eppley endowed chairs were set up in 1958 by the Eugene C. Eppley Foundation, Omaha, Neb., to bring outstanding teachers to Culver in the fields of English, mathematics, physics, chemistry, foreign languages, and history. Five of the chairs are permanent appointments while the Eppley history chair is awarded annually to a visiting college professor.

Dr. Blair has been a member of the Culver faculty since 1958. He is a graduate of West Point Military Academy and served as a major in the U. S. Army until 1950. A Philadelphian, he received his master's degree in education from the University of Pennsylvania in 1951 and remained there as a research linguist in Slavic and East European languages until 1957. He was awarded a master's degree in languages in 1952 and his doctorate in 1956.

Dr. King's field is modern European history. He formerly taught at Stanford University for three years before his appointment at Oregon State in 1962. He prepared for college at Culver Military Academy and received his bachelor's degree from Hamilton College, Clinton, N. Y. He has a master's degree from Rutgers University and his doctorate from Cornell University.

Dr. King studies as a Schuman Fellow at Heidelberg University, Germany, during 1957-58 and was appointed to a White Fellowship at Cornell in 1958.

Dr. King was born in Philadelphia.

SECRETARY LISTS WHEAT PROGRAM ADVANTAGES

Among the advantages offered farmers by the 1965 Wheat Program, Secretary of Agriculture Freeman recently pointed out that the Program will:

Bring greater elasticity to the wheat market;

Provide farmers with greater freedom of choice;

Enable wheat to move at market prices;

Allow U. S. wheat to move world markets at world prices.

"Thus," the Secretary said, "these Programs for wheat are for feed grains, both the product of a long and difficult legislative history, offer today the first promise of a permanent solution to the problem of achieving better balance between supply and demand."

The newspaper is the only medium that works 24 hours a day to bring the advertising message to the public.

Missionaries To Speak at Methodist Church

The Culver Methodist Church will hold a family night service Saturday night, Oct. 3, beginning with a potluck supper at 4:45 p.m. to be followed at 7:30 p.m. with a talk by Dr. and Mrs. Raleigh W. Matthew, missionaries to India.

Dr. and Mrs. Matthew do not charge for their services, but a free-will offering will be taken and the money will be used to maintain electricity for the medical buildings in India. The public is cordially invited to attend the program at 7:30 p.m.

Of local interest, is the fact that Dr. and Mrs. Matthew are natives of the late "Aunt Susy" Matthew and her daughter, Mary Altman. They have lived in Culver many times and often spend weekends at Pretty Lake.

In 1960, Dr. and Mrs. Burgh Matthew began to dream out the needs of the people in India. In 1962, their dreams had materialized and they were in India, Deccan, India to help set up a 12-bed hospital under the auspices of the Methodist Church.

Prior to making the trip, they had paved the way by sending some 194 boxes of equipment (1,000 lbs.) to the area. This included everything from beds to microscopes and operating tables. Since their dream began, thousands of people throughout Indiana have responded to the needs that exist. A large medical dispensary and staff quarters have been built. A 10 1/2 ton shipment of beds and instruments has been made, but the need is still great.

The 1965 Ford is the most-changed in the 15-year history of Ford Division. The traditional, round Ford taillight is replaced by a modernistic hexagonal shape in keeping with the crisp, elegant look of the new Ford. Luxury styling is combined with a luxury car ride described as so smooth and so quiet the heater and air conditioner fans had to be moved into the engine compartment because their low-toned whirr was distracting. A luxurious new Ford Galaxie 500 LTD series (above) features an interior of quality and style previously obtainable only in higher-priced cars. Five separate roof lines are offered with interior and exterior trim features to give greater distinctiveness to each of the 17 models than ever before.

The complete line of 1965 Fords — two- and four-door hardtops, sedans, convertibles and station wagons are on display at Ray Wicker Ford Sales, Culver.

Funeral Services Held Sunday For Mrs. Helene Boots

Mrs. Helene E. Boots, 315 S. Slate St., Culver, age 57, died at 3:45 a.m. Thursday, Sept. 24, at the Parkview Hospital in Plymouth following an illness of three months.

Mrs. Boots was a member of the Culver Grace United Church of Christ. Born on July 22, 1907, in Whitehall, N. Y., to Ceril and Elizabeth (Carvey) St. John, she was married on April 15, 1929, in Champaign, Ill., to George R. Boots, who survives. She had resided in the Culver area since 1946 and was a registered nurse.

Surviving with the husband are three sons, Conrad E., Ronald P., and George A. Boots, all of Chicago; a daughter, Miss Diana Boots, at home; a brother, Paul St. John, St. George, N. Y.; two sisters, Mrs. Mary Martell, Champaign, Ill., and Mrs. Charlotte Odell, Chicago; and four grandchildren.

Funeral services were held at 2 p.m. Sunday, Sept. 27, at the Grace United Church of Christ with the pastor, Rev. Harold Hohman, officiating. Burial was made in the Culver Masonic Cemetery.

The Easterday-Bonine Funeral Home was in charge of arrangements.

Culver Jaycees Entertain For New Members

The Culver Jaycees met at The Three Sisters Restaurant last Thursday night, Sept. 24, for a dinner meeting presided over by Ron McKee, president. Eddie Amond gave the invocation and acted as toastmaster, introducing the officers and guests. Prospective Jaycee members who attended were Jerry Wolfe, Dave Ulrich, Jim Kline, William Stegemoller, Gary Dillon, Robert Waite, Larry Pickett, Don Troyer and Latham Lawson.

The Jaycees honored the four Culver Boy Scouts from Troop and Post 290 who recently attended the Boy Scout Jamboree at Valley Forge, Pa. They were Steve Kelly, Beaver patrol leader, rank of Eagle Scout; Greg Dawson, vice-president of Explorer Post 290, rank of Life Scout; Dean Smith, president of Explorer Post 290, rank of Eagle Scout; and Dave Kelly, Junior Assistant Scoutmaster, Troop 290, rank of Eagle Scout. Dave and Steve Kelly entertained the Jaycees with colored slides and commentary of the outing at Valley Forge, plus a visit to the New York World's Fair.

The Culver Jaycees helped sponsor the Scouts for their Jamboree trip. Carl F. Foust, Culver Scoutmaster, arranged the Boy Scout program and Eddie Amond made the dinner arrangements.

Following the program Dean Smith presented a Jamboree neckerchief to the Jaycee presi-

dent, Ron McKee, in appreciation for the Jaycee sponsorship.

Following the Boy Scout program, the business meeting was held. President McKee reviewed the Jaycee creed for the prospective members. Don Muehlhausen, club director, and Roger Wise, state director, gave reports of personal and local history of the Culver Jaycees.

New Faculty Appointments At Academy

A retired Army lieutenant colonel, an assistant librarian, a choirmaster, and an assistant football coach have been appointed to the faculty at Culver Military Academy.

The new appointments complete a staff of 112, 82 of whom are classroom teachers.

New teachers are: Lt. Col. John L. Tanner, who has retired after 22 years service with the U. S. Army; Terence L. Shook, former Merit Scholar at the University of Iowa; David L. Nelson, a Culver graduate who formerly coached at Nappanee, Ind., and Miss Linda Heiser, a recent graduate of Gallaudet College, Washington, D.C.

Col. Tanner will teach mathematics and serve as an assistant counselor. He holds a bachelor and master's degree from the University of North Dakota, and he is a native of Cozad, Neb. Col. Tanner was professor of military science at the University of North Dakota prior to his retirement. He served with civil affairs units of the Army in the Ryukyu Islands and in Korea.

Shook, who will direct the Academy's Cadet Chapel Choir, did his undergraduate and graduate work in music at Iowa State University. He was a member of the university choir and gave piano recitals as a junior and a senior. He also did solo recitals for his master's degree. Shook has taught vocal music in several school systems and most recently taught in the Iowa City public schools.

Nelson is a Culver graduate and a former football player under Head Coach Russell Oliver, for whom he now serves as an assistant. A native of Lebanon, Ind., Nelson received his bachelor and master's degrees from Ball State College. He taught science for two years in the Jefferson County (Col.) public school system and was football, basketball, and track coach at Evergreen High School. He taught science for three years and was assistant football coach at Nappanee High School. Nelson teaches physical education and also will be head baseball and assistant basketball coach.

Linda Heiser, who was born in Culver, will be assistant librarian. She is a graduate of Indiana School for the Deaf and Gallaudet College, where she majored in library science. She is the daughter of Mr. and Mrs. Joseph D. Heiser, Route 3, Plymouth.

BEES OUTFOXED — Workmen engaged in restoration of the Hazelton home of George Ade, the Hoosier author, had been menaced by swarms of bees. In desperation they engaged the services of William W. Taggart of Lafayette, a pest control expert. Taggart, according to The Newton County Enterprise, identified the bees as scavenger bees that had come from far-off areas to collect honey that had already been deposited in the rafters of the old house by other bees. Taggart drilled two holes in the area

Two Captains Assigned To CMA By U. S. Army

The U. S. Army has assigned two captains to its Military Science Department at Culver Military Academy.

Captains Stephen G. Friend and John C. Eitel join a 10-man regular Army detachment under the command of Lt. Col. William B. Scruggs, Jr., professor of military science. Culver is rated as an honor military school by the U. S. Army, which enables it to provide training in military science by Army personnel.

Capt. Friend reported to Culver from advanced training as an artillery officer at Fort Sill, Okla. He previously served with an artillery unit in Germany. He is a graduate of Creighton University, Omaha, Nebr., and a native of Lawrence, Nebr.

Capt. Eitel is a graduate of the United States Military Academy. He recently returned from a tour of duty in Fulda, Germany, with the First Reconnaissance Squadron of the Fourteenth Armored Cavalry.

where he had detected the scent of honey and injected a lethal cyanide gas. Workmen reported the bees disappeared. Taggart sent a bill to the George Ade Memorial Association, which has undertaken restoration of the Ade home, but he marked it "paid" explaining it was his contribution to the restoration.

Goldwater To Visit Indiana Tomorrow

Barry Goldwater, Republican Presidential candidate, will in Indiana tomorrow, (Thursday, Oct. 1), and will make several whistle stops with the train as he visits Indiana. The train will arrive Logansport at 4:05 p.m. Goldwater will speak from the rear of the train which will be stopped in the downtown section of Logansport. The train will leave at 4:25 p.m. for Crown Point. Mr. Goldwater will speak in Hammond from 7 p.m. to 9:45 p.m. at the Civic Auditorium.

The "Bob Miller" trailer will start a tour of Marshall County this week. Mr. Miller, with wife, Jane, who will accompany him during the tour, will be in Culver Oct. 13 and 15. Mr. Miller is the Republican candidate for Congress from the Third District. Other local candidates and their wives will also accompany the Millers.

1965 Chrysler Look Is Long And Low

Chrysler cars for 1965 are completely new automobiles with a longer wheelbase, increased interior room, more powerful engines and improved riding comfort. Long and low, the 1965 Chrysler line consists of 17 models in three series—New Yorker, the Sports 300, including the 300L, and the Newport. This is the New Yorker two-door hardtop. All engines in the new Chrysler cars have refinements in carburetor control

mechanisms, ignition systems and electrical components designed to extend reliability and provide quiet, trouble-free operation. Among the fresh styling features are extra side windows in the New Yorker and Newport four-door Town Sedans, both new models for 1965, giving them a total of six side windows. The 5-year or 50,000-mile warranty on engine and drive train components is continued on the 1965 Chrysler.

The new Chryslers and Plymouths are now on display at Hatten Motor Sales, Culver.

PUBLISHED WEEKLY BY THE PRESS CLUB OF CULVER HIGH SCHOOL

By Jeanne Adams, Pat Ogden, and Linda McAllister

Well, here we are again back in the ole' teepee. Everyone seems to have gotten back into the old swing of studying again. Things sure are quiet around here. Some of the smoke signals have a little excitement in them.

If any of you avid readers wonder why the seniors have been wearing those big senior grins, just look on the bulletin board. For anyone who has not heard, the seniors sold a grand total of \$6,533.40 worth of magazines. Good work!!

Now for poem time. This little gem was composed by Miss Linda McAllister.

Hey, everyone, get busy and shake the leaves. So the sophomores can get busy and rake them.

Come on you little Sunbeams, all in unison now. "With love in my heart . . ." Oh, well, after Tuesday evening, it was all over. Oops, sorry, it was not quite over, was it?

Donna Rogers, what's so important about Aug. 20th? Oh, you say it's size five and sparkles! Congratulations.

"Oh, no! I didn't think I looked that bad! Blah-ah!" These are just a few of the comments that announced that the senior proofs have been received.

From some of our sources, it was reported that Pat Miller had a real swinging party Saturday night. After all Pat, Marsha, Pam and Barb, people might have gotten the wrong idea when they saw you walking up and down Neuva Gorda screaming at the top of your lungs.

Larry Fisher, how did you get a phone bill like that? And all to Griffith, too! A sick relative, maybe?

Jim DeWitt seems to have a pretty high phone bill, too. Don't you think \$90 is just a little too much to spend on one phone call, Jim.

Patty and Suzi Overmyer got the thrill of their lives when they actually shook Barry Goldwater Jr.'s hand!

We hear that there are a few new couples in school. How about it Elaine Epley and David Kelly; Corky Overmyer and Linda Fish-

er? Come on Larry Banks. We promise we won't tell who your new flame is. She couldn't have the initials C.Z., could she?

We understand that there was a mighty happy senior girl, by the name of Linda Nelson, last weekend. Ah, come on Linda, it couldn't be because Tom came home.

After this weekend, there will be another very happy maiden. What did you say Wanda? You don't think that you will watch too much of the Purdue-Ohio game. Humm, I wonder why? Linda Thurin says ditto to this, too.

Attention everyone, Suzi Thews has now acquired the grand total of three Beatles records!

If you're ever running with Paul Hatten, beware of flying rocks. Just ask Bob Crow.

Danny Haines, did you get a little muddy over in the Bird Sanctuary? Maybe you like to make mud pies?

Danny also says that a "Proclamation" has been made. For more info, contact Loretta.

We'll leave you with one final thought. Jim Lewis, how did you get those apples in your trunk? Bye-ee.

National Merit Scholarship Test Announced

All 1966 graduates of Culver High School who wish to enter the 1965-66 National Merit Scholarship competition should register now at the school office. Mr. Miller, Counselor, announced today.

The National Merit Scholarship Qualifying Test will be given in the school at 9 a.m., Tuesday, March 9, 1965.

Students who will complete secondary school in 1966 and enter college in the same calendar year are eligible for scholarship consideration in the 1965-66 Merit Program. Merit Scholarships are four-year awards. The extent of a winner's financial need determines the amount of his stipend.

To receive consideration, the student must take the test when it is offered in his school. Participating students pay a \$1 fee. If the test is administered on a Saturday, the school may charge an additional fee up to \$1 for special administrative costs for testing on a non-school day. Any interested student who is unable to pay the fee should consult Mr. Miller.

A student's performance on the qualifying test also provides him with information that is useful in career planning or in

selecting courses in high school and college, Mr. Miller stated.

After the test each participating student receives a "Handbook for Merit Program Participants", prepared by Science Research Associates, the testing agency. The "Handbook" is designed to help students understand their individual test results, to make comparisons with scores of high school students across the country, and to use this information in making educational and vocational plans. "Thus," Mr. Miller said, "students can learn more about their educational strengths and weaknesses, whether or not they plan to attend college."

In addition to the awards made by the National Merit Scholarship Corporation, about 230 business corporations, foundations, colleges, professional associations, unions, trusts, and individuals give scholarships through the Merit Program. A considerable number of other scholarship agencies utilize the services of NMSC in awarding their scholarships.

NMSC was established in 1955 through grants from the Ford Foundation and the Carnegie Corporation of New York. An additional Ford Foundation grant to extend the Merit Program through 1970 was announced in 1962.

In the period 1956-64, about 9,100 students have received Merit Scholarship awards and thousands of other high-scoring students have been assisted in obtaining financial aid from other sources.

Book Review

By Holly Thompson
"THE CATCHER IN THE RYE"
"The Catcher In The Rye" is the story of a youngster of the ancient age of 16, a native New Yorker named Holden Caulfield. Through circumstances only a boy as lively as Holden could become involved in, he leaves his third prep school, Pencey in Agertown, Pa., and goes underground for three days in New York City.

The boy himself is at once too simple and too complex for us to make any final comment about him or his story. Perhaps the safest thing we can say about him is that he was born in the world not just strongly attracted to beauty, but almost, hopelessly impaled on it.

There are many voices in this novel: Children's voices, adult voices, underground voices — but Holden's voice is the most eloquent of all. Transcending his own vernacular, yet remaining marvelously faithful to it, he issues a perfectly articulated cry

of mixed pain and pleasure. However, like most lovers, clowns, and poets of the higher orders, he keeps most of the pain to and for, himself. The pleasure, he gives away, or sets aside, with all his heart. It is there, for the reader who can handle it, to keep.

About the Author

J. D. Salinger was born in New York City in 1919 and attended three grammar schools, a military academy, and three colleges. He has been writing since he was 15 and has spent 10 years on "The Catcher In The Rye". His stories have appeared in a number of magazines all over the country.

New Members Initiated Into Sunshine Society

By Barb Mikesell, Marsha Guise
Well friends, it's that time again when all the little Sunbeams become actual members of the Sunshine Society. The initiation was held Tuesday, Sept. 22, in the Bank auditorium.

The president, Peggy Herr, called the meeting to order and Barb Overmyer sang the Sunshine song. Then Peggy officially welcomed all the mothers, members and sunbeams to the ceremony.

The formal initiation began with Peggy informing the mothers of some of the ideals and purposes of Sunshine. At last the anxious initiates were voted into the organization.

Miss Shanks gave a very inspiring speech on the theme for this year, "Stairway to the Stars". She told us that she had studied several great women who in their own ways were stars. She also told us that to be a star one does not need money or a long family line, but certain qualities that make women great such as clear thinking and a good set of morals. Everyone enjoyed her speech tremendously and really benefited from from it.

Susannah Spencer sang the song "My Task". This song is almost the second Sunshine song. Peggy had a little stunt for all

the sunbeams who forgot to wear their little tags or ribbons during the last week. Since quite a few of the girls are good dancers, they proved their ability by doing the Charleston all around the room. Everyone, even the initiates, enjoyed it.

To complete the initiation the girls were given little tags which said "I'm a little Cuckoo". They had to wear these tags all day Wednesday and when anyone asked them the time they answered "Cuckoo, Cuckoo, So time is —"! The girls had a little silly the next day, everyone had fun teasing them.

Refreshments were served to all the mothers and Sunshine members after the ceremony. Many of the old members met a few of the mothers, and everyone had a good time eating cookies and drinking punch.

The whole initiation would have been impossible without the supervision of Linda Thurin who was the chairman. The committees that backed Linda were: Decoration: Jeanne Adams, Susannah Spencer, Becky Easterday, Wanda Warren, Molly Norris, and Marsha Guise; Food: Pam Crozier, Janet Manchester, Judy Price, Cindy Kemple, Sheryl Fisher, Andrea Siple; Invitations: Diane Davis, Joan Heiser, Valerie Gunder, Rose Wieringa, Lonni Darocsi and Mary Paul; Clean-up: Lois Newcomb, Debby York, Pam Carter, Holly Thompson, Sheila Fish and Vera Smith.

We would just like to say "welcome" to all the little sunbeams and hope they enjoy themselves in Sunshine this year.

Grade School Children Are Busy

By Kay Thomas and Patti McCombs

Let's all journey down the cheery halls of the elementary school and see what interesting projects have kept the youngest minds of our school busy.

First, we enter Mrs. Melton's kindergarten room where we find that several of the children have had birthdays recently. Many happy returns to Bradley Meales, Jennifer McClure, Catherine Brown, and Melody Singleton. One kindergarten, Kenny Bradley, brought many colorful gourds to decorate the window sills.

Let us next go to two first grade rooms and see what Mrs. Allen and Mrs. McLane's classes have been up to. Around both rooms are beautiful pictures which stand for different letters of the alphabet. The first graders have recently received their Little Red Story Books. Mrs. Barton's science class has been collecting various types of seeds.

Walking on down the hall a little further, we come to Mrs. Allen's second grade class of 30. There have been several new students this year in this class. Levita Cartwright came from Plymouth Christian School, Claudette Roberts from Gary, Kay Whybrew from North Judson, and Alan Carlson from Oregon. This class has just finished their reading review and are starting a new reading book entitled "In Our Neighborhood". Mrs. Allen's room won third place in the Summer Reading Club and, as a result, will have \$10 to spend for new books.

One student in Mrs. Shirrell's second grade had a birthday Sept. 10. Happy birthday to Peggy Riester. The class enjoyed the treat Peggy's mother brought for the whole class.

Entering Mrs. Carter's third grade room, we see colorful pictures of many kinds of boats. At openhouse last week 16 families were represented from Mrs. Carter's class. Many other people visited the room, also. The children have finished making a rock collection and are now in the process of starting a collection of vegetables for the science table. Kurt Lucas and Mark Kepler were both eight years old Sept. 23.

Mrs. Mishler's grade three has one new student — Donna Harless from Plymouth. Donna will have a birthday Sept. 28. Wendy Walker, who visited Greece last year, is back this year. Several of Mrs. Mishler's students have been making perfect scores on spelling tests. This third grade has 30 members — 16 boys and 14 girls.

As we reach Mr. Frettinger's fourth grade, we find that they have been very busy. Sandy Lewis brought her guinea pig to class Monday, Sept. 14. Kent Davis is the new class librarian with Brenda Kowatch as his assistant. Dave Burns won top honors in the second spelling bee. The children have a long term social studies project which will be about our Presidents. Paul White and Jeff Zechiel brought several interesting shells to school.

In Mrs. Keller's class of 29 there are three new members — Nancy Earhart, Randall Whybrew, and Albert Silvers. Mike Bickel was ten years old Sept. 4. The students have been studying many kinds of maps in social studies. They have also been busy using milkweed pods and paints

to make parakeets for the room. Mrs. Keller's class has a book club. The students are making booklets to keep the names and authors of the books read. Each time a book is read, a star is placed on the outside of the booklet. Eighteen children received stars in spelling last time.

Mr. Shirrell's fifth grade had one birthday last week, Rodney Triplet, who was ten. Lynn Flora and John Jewell have brought in nice collections of insects and leaves. New members of the class include John Jewell, Marty Vondra, R. T. Roberts, and Nancy Masterson.

Mr. Vondra's fifth graders are looking forward to writing letters to other fifth graders in this country or abroad.

Mrs. Schriker's classroom contains many interesting insect displays. These sixth graders have been looking at mosquito larvae which David Williams brought. Doug Prouty had a birthday Sept. 23 and Bob Bean had a birthday Sept. 24. Both were eleven.

Kathy Wolverton of Mr. Harris' sixth grade will celebrate her twelfth birthday Sept. 29. Those students who made chorus from Mr. Harris' room were Patty Hodges, Cindy Marshall, Mike Powers, Frances Wilson, and Kathy Wolverton. A week ago the class chose a president, vice-president, and secretary. Those winning these offices were James Stevens, Mike Powers, and Robert Heiser.

Last, but not least we enter Mr. Overstreet's sixth grade. Karen Long had a birthday the 21 and Linda Day the 19 of Sept. This class is making great progress in arithmetic, spelling, and health.

All grade school students had their pictures taken Sept. 22 and 23.

SPORTS

By Doug Lindvall and Dave Lemar

Culver soundly defeated Aubenaubee 16-0, Tuesday evening, Sept. 23. Not only was the hitting tremendous, but Jim Lewis and Mike Eustis combined to throw a no-hitter at the Braves. The first inning proved to be the story of the game. The first nine Culver batters got hits, highlighted by Dave Lemar's triple. This was followed shortly with one by Mike Eustis. The inning finally ended with six runs crossing the plate. A similar second inning forced Coach Crosley to remove most of the starting team, and substitutes finished the contest in fine fashion. This left Culver's record at an unblemished five wins and no losses.

In the fall county baseball leagues Culver sits atop with first round victories over each team and a second round victory over LaPaz, our closest contender. This leaves Culver in an excellent position to cop the title for the third year in a row.

Meanwhile in the past weeks the Culver Cross Country team, with a 2-3 record, has been idle. The boys, under the student leadership of Senjors Doug Lindvall and George Wright, have been working hard for the rough season ahead consisting of meets with Knox, Argos, and LaPaz, to name a few.

LOOK MA, I'M LAUGHING!

1. A distressed teenager called downstairs: "Mom, what happened to my new record? You know, the one I played all day for the last two days?"

2. Romeo: "Darling, I could sit here and look at you forever."

Swingin' Sue: "Yeah, that's what I'm beginning to think!"

3. Diner: Do you serve crabs, here?

Waiter: We serve anyone here, sit down.

4. Do you know what's red, hangs from a tree and says "Duh"?

From The Foreign Language Corner

LATIN: A DEAD LANGUAGE?

"Although Latin is an ancient tongue, one of the 'classical languages', it is a vital and living language in every important sense — one of the pillars, part of the foundation, one of the mainstems of our language, of our culture, indeed of our mainstems of our language, which connects us with our own history; and when such a thread snaps it severs our relationship to our own past." — Rhoda A. Hendricks, M.A., former Head of Latin Department, St. Timothy's School, Stevenson, Md.

Thus, Latin is not a dead language. Many of our English words have been inherited directly from Latin with little or no change in spelling. Others have been derived from Latin words in the form of derivations. You may find that you are more familiar with Latin than you realized! Watch for Latin phrases or expressions used in everyday occurrences.

Of course, the first and second year Latin students here at Culver may have a head start on you for they are probably already familiar with some of the many ways Latin is used everyday. But, for those of you who are not aware of how much Latin we actually come in contact with during an ordinary day, some examples follow.

The signs of the Zodiac are all Latin words and are easily remembered by associating their meanings with the way they are depicted. For instance, Aries, the Ram; Taurus, the Bull; Gemini, the Twins; Cancer, the Crab; Leo, the Lion; Virgo, the Maiden; Libra, the Scales; Scorpio, the Scorpion; Sagittarius, the Archer; Capricorn, the Goat; Aquarius, the water Bearer; Pisces, the Fish.

Many of the Planets are named for Roman deities, as: Jupiter, king of the Gods; Saturn, God of Sowing; Mercury, the Messenger God; Venus, Goddess of Love; Mars, God of War; Neptune, God of the Sea; Pluto, God of the Lower World.

Various Latin phrases are in everyday use and can be recognized and used easily with a little practice. Some examples are: bona fide, with good faith or honesty; terra firma, firm land; aqua occurs frequently in English; aqua pura, pure water; aqua vitae, water of life, meaning brandy or alcohol; aqua fortis, literally, strong water, is nitric acid, and aqueous humor, a watery fluid between the cornea and lens of the eye.

Some quotations from Latin authors are in use today, either in their Latin form or in translation. If you become so familiar with these quotations and their meaning that you know them almost by memory, you will have acquired some of the real flavor of the Latin language and thought. Quotations most commonly heard or seen include: Errare humanum est. To err is human (Seneca); Fortuna caeca est. Fortune is blind (Cicero);

bally slamming opponents to oblivion.

The WISE voter should listen to all this "hullabuloo" and take it with a "grain of salt." Some careful research about the qualifications and desirability of the candidates should be the basis for the choice. This will require a little time and effort on the part of the voters, but it is worth it.

No rational person would ever allow a total stranger to intrude into and begin managing his house! Why, then, should a voter allow that his government be run by a stranger?

Some voters have no idea who is seeking office, march into the booth, and mark a straight ticket for their party — the way they have been doing for years. Apparently they think the opposing party has NEVER had a good candidate. History books prove them wrong.

Worse yet, some eligible voters do not take time to vote at all. In this case these people should never complain about who won the election or how the winner is working, for not voting means "silent approval."

Voting, taking an active part in government, is quite a responsibility. I hope the older generation sets a good example for us of the "younger generation".

Latin often appears on tombstones and monuments. The following are some of the abbreviations and phrases frequently used: in aeternum, forever; in perpetuum, forever; R.I.P., standing for requiescat in pace, meaning may he (she) rest in peace, A.D., standing for Anno Domini, meaning in the year of (our) Lord.

Fortunately, more and more people are discovering the decisive importance of studying and learning Latin, so that we are at the present time witnessing what amounts to a major revival — which will, from all present signs, continue and grow.

We sincerely hope that this article has helped to enlighten some of you to the fact that Latin — a dead language — still lives today.

But wait! We haven't forgotten our friends who are studying Latin in school. Following is a poem to be translated. The author is Gaius Valerius Catullus.

Catullus was born about 84 B.C. at Verona, in northwestern Italy, but spent most of his life in Rome. He was a master of lyric poetry, especially love poems, and made use of many of the best features of Greek verse. Catullus died in 54 B.C.

 "Thou wilt keep him in perfect peace, whose mind is stayed on thee; because he trusteth in thee." This quotation from Isaiah (26:3) is the central theme of the Bible Lesson to be read

at Christian Science churches on Sunday. Also included will be this quotation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Human sense may well marvel at discord, while, to a diviner sense harmony is the real and discord the unreal" (p. 563). Subject of the Lesson-Sermon is "Unreality."

GROWING TOGETHER

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

"God's garden" . . . those were St. Paul's words to describe the early Christian fellowship. From its mighty seed of revealed truth, the Church has grown and flourished . . . spreading into many lands, developing in many ways, but always linked by oneness in Christ.

World-wide Communion Sunday is a day of spiritual renewal for Christians of every creed. It is a time to remember our brothers in all lands, and to pray that our differences may be transcended by the power of the Holy Spirit working among us. It is a call to greater effort, greater personal participation, so that by our example all men may be led to know Jesus as their Saviour.

The Church needs the support of every Christian on this meaningful occasion. Decide now that you and your family will be present at the Lord's Table.

ASC COUNTY COMMITTEE NAMED

Farmers recently elected to serve as the Agriculture, Education and Conservation County Committee for the following year include:

Carl W. Price, Bourbon Township, Chairman.

Russell L. VanVactor, Center Township, Vice-Chairman.

Darwin H. Roahrig, Walnut Township, Regular Member.

Chester Young, Bourbon Township, First Alternate.

Fred W. Perrot, German Township, Second Alternate.

The election was held at a County Convention on Sept. 24, 1964 at the Marshall County ASCS Office; electors were farmers chosen as Convention Delegates at recent ASC Community Committee elections throughout the county.

Chairman Price points out that the ASC County and Community Farmer-Committees are in charge of local administration of such National Farm Programs as the Agricultural Conservation Program, the Feed Grain Program, the Voluntary Wheat Program, Acreage Allotments and Marketing Quotas, the National Wool Program, the Sugar Program, Commodity Loans, and Storage Facility Loans.

The ASC County Office at Plymouth is headquarters for the County Committee, and serves as the farmers' local contact for business connected with participation in the programs administered by the Committees.

All kinds of office supplies on sale at The Citizen.

Distinctive profile seen in

Beautiful New Chevrolets for 1965

Leading the beauty parade of 1965 cars is the elegant Chevrolet Impala Sport Coupe (above) with new flowing lines, new roominess and a distinctive profile. Stylish roof lines and curved side windows blend with the gracefully contoured rear quarter

panels. The new Impala Convertible features an inward folding top with tempered glass rear window. The regular-size Chevrolet is available in 15 models in four series.

The new Chevrolets are now on display at Gates & Calhoun Chevrolet, Inc., Culver-Argos.

The Old Timer

"The general complaint about cars is that the motors won't start and the payments won't stop."

Diamond picked off a Bremen pass in the closing seconds of the game and ran 37 yards for the final touchdown. Diamond is a six-foot 170-pound senior.

The contest was attended by Boy Scouts and adult leaders from the Tri-Valley Council, who were on campus for the "Frontier Camporee" Friday and Saturday.

The next Eagle home game will be with Bishop Luers October 17 — Homecoming.

Scoring by quarters for the Bremen game was:

Culver	0	0	6	14	20
Bremen	0	0	0	0	0

The Culver Military Academy cross country Eagles took a 4-1 record against Bremen Tuesday, Sept. 29, at the Eagles' cross country course number two.

Coach Dave Burke's harriers edged Logansport 26-29 although Logansport took two of the first three places. Academy runners were hunched between second and eighth.

Ben Slavich, Culver, took second place in 9:49 behind Logansport's Paul Elmore's 9:43. Other top Culver finishers were Rich Slavich, fourth; Sam Sheppard, fifth; Lindsey Parris, seventh; and John English, eighth.

The Academy harriers downed Hebron 21-34 last Wednesday with team captain Sam Sheppard and Rich Slavich finishing in the top spots at 9:58 and 10:09 respectively. Lindsey Parris was fourth; John English, sixth; and Gary McRay, eighth.

Culver had beaten Winamac

and Wheeler and lost to Caston earlier in the season.

The Academy will participate in the Hobart Invitational Thursday, Oct. 1, and will host West Lafayette and Ashley, Saturday, Oct. 3.

Coach Burke feels that Sheppard and the Slavich brothers provide him a dependable top three and that his problem is to find a fourth and fifth man.

Parris and English may provide the answer. Both were unable to compete in early matches because of lack of practice sessions. In the last two races, they have finished fourth and fifth and third and fourth.

SAVINGS BONDS REPORT

Harold Rose, Chairman of the Marshall County U. S. Savings Bonds Committee, has received a report revealing that the County's Savings Bonds Sales for August were \$45,684 compared with \$72,983 for the corresponding period of last year. The State's sales for August were \$10,101,094 which is a loss of 14.9 per cent compared with last August.

Twenty-five of the State's 92 counties reported sales gains for the month when compared with sales of August, 1963.

Academy Sports

Academy football squad handed Bremen its first defeat in four starts 20-0 Saturday during a heavy rain.

The Eagles travel for the first time this season Friday night, when they take a 2-0 mark against Niles (Mich.) High School.

Culver grounded out 274 yards on the rain-soaked field Saturday and only nine in the air, but the Eagles scored two of three touchdowns as a result of passes.

After a scoreless first half, quarterback Lander Carter fired a nine-yard third quarter pass to end Steve Schwaiger. The second tally came midway in the final quarter when Jeff Diamond, a reserve fullback, scampered 15 yards for a touchdown. A John Sweeney to Jack Trimble pass registered the extra point.

Culver Indians Wrap Up Fall County Title

Overall Record Now 20-8

CULVER vs. AUBBEE

Culver's Indians exploded for nine straight hits and six runs in the first inning against Aubbee's Braves on Sept. 22. The Indians followed up the big first inning with six more runs on five hits in the second inning. Seven Indian hitters had two hits each. Jim Lewis and Mike Eustis combined to hold the Aubbee batters hitless, with Lewis going the first four innings and getting the win.

CULVER vs. WEST TWP.

With the fall county title wrapped up, the Culver Indians traveled to West to try to preserve their perfect record.

Sparked by Jim Lewis' lead-off home run in the third inning, Culver scored nine runs on six hits. Paul Liette was the big gun in the hitting attack with four hits. Backing up Paul were Bob Eustis and Bruce Lindvall with two hits each. Liette pitched his fourth straight victory of the fall season.

CULVER vs. MONTEREY

The Indians traveled to Monterey in quest of an undefeated season. In a tight pitching duel between Culver's Liette and Monterey's Stark, the Indians eked out a 2-0 win.

Liette pitched six innings in posting his fifth win of the season. Paul had to give way to Bruce Lindvall in the seventh

when he pulled a muscle in attempting to steal second base in the top half of the inning. Bruce retired the side in order in preserving the victory. Jim Lewis got credit for both runs batted in for Culver when he worked losing pitcher Stark for a bases-loaded walk in the fourth inning and beat out an infield hit allowing Bruce Lindvall to score the second run in the sixth inning.

The victory left the Indians with an 8-0 fall season record and a 20-8 overall record.

NIPSCO Plans To Bring Gas Service To Burr Oak In '65

As part of Northern Indiana Public Service Company's \$86 million construction budget for 1964-65, the company plans to bring natural gas service to Burr Oak, Bass Lake, and Kewanna in the Culver area and to Donaldson and Grovertown in 1965. Natural gas service was brought to the Lake Maxinkuckee area early this year.

Part of the expansion program included enlarging its district operating headquarters and garage facilities in Plymouth and developing of a site for the underground storage of natural gas near Lake of the Woods.
