ON LAKE MAXINKUCKEE • INDIANA'S MOST BEAUTIFUL LAKE

70TH YEAR, NO. 41

CULVER, INDIANA, WEDNESDAY, OCTOBER 7, 1964

## Town Board Topics

The first matter of business discussed at the Culver Town Board meeting Monday evening, Oct. 5, was the report made by Edgar Shaw, board member, concerning the recording on the court house books of certain areas that have been annexed. Mr. Shaw stated that some areas were recorded and some were not. The problem seems to be that not enough information and additional papers were filed to get the areas recorded. The board will contact the city attorney and advise him to take steps to make the necessary filing.

No report was received on the condition of the roof of the Street Garage and of the Town Hall as Mr. Weiger has been too busy to make a report.

The discussion of new curbing along the east side of the Indiana Bell Telephone office here in Culver brought out that other property owners on the same side of the street, might also want to build additional curbing along their property. At present, when it rains the water causes wash-outs on private property in the area.

Drainage on Lake Shore Drive in the area of the Culver City Park was discussed. Recent heavy rains caused flooding in that area. It was ordered that the town attorney contact the proper authorities of the Pennsylvania Railroad, to discuss plans for laying a tile ditch from the street to the lake that would be large enough to take care of the overflow water.

The board granted C. W. Epley permission to build curbing and sidewalk at his duplex home on Forrest Place, north of College Avenue. The regulation calls for 5 foot walks, 3 1/2 foot terrace, and a 32 foot wide roadway.

The board advised Dave Burns, Fire chief, to contact the Marshall County Farm Bureau Co-op in regard to their action on building a container to hold the corn cobs so they would not be blown over that area. It was understood that the Co-op would take such action several weeks ago.

Mr. Burns also reported the motor on the town rescue boat was badly in need of some repair, but to do so would not be advisable. It would be more economical to trade the old motor in on a new one. He stated that a new motor would cost \$378 with a trade-in of \$163 for the old motor. The board took it under advisement.

## Season Tickets For Basketball On Sale Oct. 19

Season basketball tickets go on sale at the Culver High School office Monday, Oct. 19. Student tickets will cost \$2.00; adult tickets are priced at \$4.50, the same prices as last year.

The first home basketball game of the Culver Indians is scheduled for Friday, Nov. 6, against South Central.

## Ralph Pedersen Named Basketball Coach At Tulane

RALPH PEDERSEN

Ralph Pedersen, 37-year-old assistant basketball coach at the University of Missouri for the past two seasons, has been named head basketball coach at Tulane University, New Orleans, La.

Ralph is a native of Culver, the son of Mr. and Mrs. Jacob Pedersen, and a graduate of Culver High School. His wife is the former Barbara Snyder of Culver and they are the parents of two children, Craig, 12, and Karen, 11.

Pedersen, a former Tulane basketball player and assistant coach, succeeds Ted Lenhardt, who resigned to enter private business.

Rix Yard, Tulane athletic director, who announced Pedersen's appointment, said:

"We are happy Ralph is returning to Tulane. He had impressive credentials, outstanding recommendations and we have great confidence in him."

Tulane won only one of 23 games in 1963-64. Practice for the new season opens Oct. 15.

Pedersen played guard for the Green Wave from 1949 until 1952, ranking as one of the school's all-time great back court men. He scored 488 points in 51 varsity games and excelled as a ballhandler, defender and playmaker.

After graduation from Tulane, Pedersen compiled a 59-42 coaching record at Tyner and Culver High Schools. He was named assistant to Cliff Wells at Tulane in April of 1957. Over a five-year period, Pedersen's Tulane freshmen teams won 38 games and lost only 13.

## SECOND GRADE CLASS VISITS THE CULVER PRESS

Thirty second grade students of the Culver Elementary Schools and their teacher, Mrs. Gertrude Allen, visited The Culver Press last Wednesday afternoon where they toured the plant and watched The Culver Citizen being printed.

Members of the class were Donnie Mackey, Alan Carlson, Kay Whybrew, Claudette Roberts, Paul Broeker, Judy Kemple, Terry White, Bob Ervin, Teana Morrison, John Salyer, Daniel Medrano, Ronald Systma, Jimmy Bickel, Debbie Shock, Jeff Jones, Beth Adams, Robin McAfee, Randy McFarland, Kimberly Kay Thompson, Bonnie Lou Moore, Danny Howard, Patricia Lowry, Kim Flosenzier, Leslie Cleveland, Borden Smith, Brian Penrod, Susan Boswell, Bruce Osborn, Mike Davis, and Levita Cartwright.

## Sailboat Capsizes; Two Men Rescued

Ross Jordan and his 16-year-old son, Brian, of Route 3, Kokomo, were rescued from Lake Maxinkuckee Sunday afternoon after their sailboat had capsized. Gusty winds were the cause of the accident. The men, who had been in the water for approximately an hour, called for help, and were seen by Mr. and Mrs. Frank B. Wilkinson of 2410 East Shore Drive. The Wilkinsons used their boat to rescue the men from the lake. Both men were wearing heavy clothing and life jackets. They had tried to right the sailboat, but it had shipped water and could not be righted. The Wilkinsons took the men to Allen's Boat Company on the West Shore. From there they were transported by Mac Seruggs to their car. Neither were injured.

Several aided in the recovery of the sailboat. The mast had to be removed before the boat could be towed to shore. Those who assisted in beaching the sailboat were Verlin Shaffer and three firemen, Ray Houghton, Jay Snyder, and Verl McFeely.

Mrs. Edwin Becker, of Logansport, who was spending the weekend at their cottage on the East Shore, also saw the men in the water and called the Culver Fire Department.

## State Tax Board Cuts Proposed 1965 Tax Levies

Representatives of the Indiana State Board of Tax Commissioners met Monday, Oct. 5, in Plymouth to review the proposed 1965 budgets and levies of Marshall County taxing units. In reviewing the budgets of the Culver area taxing units several changes were made. The changes decided upon are as follows:

Green Township, \$5,126, a cut of 20.6 cents; Union Township, \$3,831, a cut of 13.1 cents; Walnut Township, \$5,116, a cut of 25.6 cents; West Township, \$4,664, a cut of 26.4 cents.

Argos, \$6,896, a cut of 41.5 cents; and Culver, \$5,117, a cut of 15.7 cents.

## Dr. Joseph Howard Will Speak To Lions On Medicare

Dr. Joseph Howard, of Culver, will speak to the Culver Lions Club on Wednesday, Oct. 14, on Socialized Medicine. He will discuss the present medicare plan now before Congress and the King-Anderson bill — what they offer, whether such a plan is needed — and what they propose to do. He also will discuss just what is "Socialized" medicine.

Dr. Howard will speak following the dinner and regular business meeting at 6:30 p.m., which will be held in the Lions Den. A. N. Poppe is program chairman for the evening.

## COURT HOUSE TO BE CLOSED OCTOBER 12

The Marshall County Court House at Plymouth will be closed on Monday, Oct. 12, in observance of Discovery Day, by order of the Marshall County Board of Commissioners, according to an announcement by the Auditor's Office.

Albert Sytsma, Sr., is a patient at the Holy Family Hospital in LaPorte where he is improving satisfactorily in Room 313 after undergoing major surgery last Friday.

## Thomas E. Walker To Address C of C

THOMAS E. WALKER

Thomas E. Walker, senior instructor in English at the Culver Military Academy, will be the guest speaker at the Culver-Union Township Chamber of Commerce meeting to be held Monday, Oct. 12, at 12 noon at The Culver Inn. Col. W. E. Covington, program chairman, states that Mr. Walker, who recently returned from Greece, will relate some of his experiences while living in that country for the past year.

Mr. Walker, who was awarded a Fulbright Fellowship last year, was assigned to teach at Anatolia College in Thessaloniki, Greece. He and his family left the United States for Greece last summer and returned to this country a few weeks ago, to again take up his position with the Academy faculty.

Chamber members, who will attend, are asked to make the usual reservations for lunch at The Culver Inn.

## An Appeal For Blood Donors

Residents of Culver and Union Township are once again reminded that the Bloodmobile will be in Culver on Monday, Oct. 12, at the Community Building from 12 noon until 6 p.m. and an appeal is being made for blood donors.

James McAllister and Mrs. Loyd W. Hollifield, co-chairmen of the local Blood Donor Program, are being assisted by members of local organizations in carrying out this very worthwhile program. Mrs. Harry Speyer is chairman of a committee of Culver City Club members who are attempting to contact every family in the township but in the event anyone has been missed who wishes to donate blood they may call Mrs. Speyer, VI 2-3542, for an appointment or information.

Anyone age 21 through 59 can give blood if in good health and passed by the attending physician. Single minors, 18 to 21, can also give if they have written permission from one parent. Donors must weigh at least 100 pounds.

The blood program began in 1953, and this blood is available at all times within a very few minutes. No service depends as much on the support of the public as this blood program.

We, in this area, are fortunate to have this service available to our people and citizens of Culver and Union Township are urged to give their blood.

## Folk Singers To Open Concert-Theater Series

Two musical programs of a widely different nature will open Culver Military Academy's 1964-65 Concert-Theatre Series during October.

The opening performance will be given by the "Good Time Singers" Thursday, Oct. 8. The 10-singer folk group will be heard in a 1 p.m. matinee by Marshall County public school students participating in Culver's fourth annual Program for Education in the Performing Arts. Academy students and faculty and Concert-Theatre Series subscribers will attend the regular performance at 8:15 p.m. In both performances, the "Good Time Singers" will be joined by two young satirists, Joel Cory and George McKelvey, who are known as the "Outsiders."

Culver's theater program turns to a semi-classical program Oct. 14 when a Viennese company presents Johann Strauss' best known operetta, "Wiener Blut" ("Vienna Life"). The company of 65 dancers, chorus, soloists, and orchestra will appear at 8:15 p.m. in the Eugene C. Eppley Auditorium.

Typical of show business, the "Good Time Singers" was one of those groups that became an overnight success. They were organized by Tom Drake, a Los Angeles school teacher who also did some nightclub singing on the side. Drake learned that television star Andy Williams needed a group of 10 singers for his series of 12 specials. He organized the group during a weekend, rehearsed them for the first time on a Monday, auditioned for the show producers on Thursday, and auditioned for Williams Saturday. The following Monday they were set, just one week after they had sung their first note together.

Two other members of the group, Margaret Patton and UCLA student Mike Storm, had sung professionally with Drake before they joined the "Good Time Singers." The group has followed its successes on television with several albums and West Coast concerts.

Cory and McKelvey, the "Outsiders," are two young men from Chicago who combine tenor and baritone voices in a fresh folk-singing presentation. Cory formerly produced "Folk Singers Showcase" at Chicago's old Gate of Horn and McKelvey has been known for some time as the dean of the Chicago folk music. They have recorded two albums.

The company for "Wiener Blut" includes stars of Vienna's leading operetta theaters and a full orchestra. The operetta tells the complicated story of a series of marital mix-ups during the carefree days of the Congress of Vienna, the so-called "Dancing Congress" that gave more deliberation to fun-making than to the fate of Europe.

It is for the Strauss score, however, that this operetta is best known and loved. It was first produced in the U. S. at the Broadway Theatre in New York in 1901 and has remained an international favorite ever since. The Culver production will include a "Blue Danube" ballet, which has become a classic in its own right.

## You Know He's Right

(Reprinted From The Cincinnati Enquirer)

In the decade since he entered public life, Barry M. Goldwater has been telling the American people things that many of them have not enjoyed hearing.

For he has not seen politics as the art of misleading the American people, or as the trick of using the people's money to buy the people's votes, or as the science of manipulating public "images."

He has seen politics instead as a means of creating an environment in which man can grow.

Almost alone among the political figures of our time, he has had the audacity to suggest that man has the capacity for growth, that man has a mind and a spirit and a heart as well as a stomach. This has represented a notable departure from the cynical diet to which the American voter has become accustomed.

For Senator Goldwater does not ask the American people to barter away one after another of their liberties in exchange for what the politicians are wont to call "security." He thinks — and so, once, did all Americans — that man has a higher purpose than to retire to a future of Federal handouts. He thinks — and so, once, did all Americans — that the American Revolution produced some ideals and principles that deserved sharing by men everywhere.

But America, we fear, has been seduced by a philosophy that is gradually hacking away at the tree of liberty. The practitioners of this philosophy long ago lost faith in the people and in the people's wisdom. Hence, they have appointed themselves to determine what the people need and what they must have. And in the process, they have, little by little, year by year, reworked the very fabric of America.

They began by "helping" the farmer. And now the farmer can no longer raise what he pleases. Indeed, he must even support a Department of Agriculture that sends planes over his property to see what he plants.

They began by "helping" the worker. And now the workingman finds himself being spoken for on a wide variety of social issues by a self-perpetuating clique of labor and politicians who have forgotten what a dinner pail looks like.

They began by "helping" the businessman. And now the businessman must prostitute himself for government contracts and the forlorn hope of immunity from bureaucratic harassment.

They began by "helping" the aged. And now the retiree finds himself penalized if he earns enough to buy himself a good cigar.

They began by "helping" the restive downtrodden. And now the streets of our cities have become veritable jungles.

Is this the America we inherited?

Is this the America we want to bequeath to our grandchildren?

For daring even to ask these questions, Barry Goldwater has become the most slandered man in American political history. Arrayed against him is the whole propaganda apparatus of the Federal government, to say nothing of its allies in the "liberal" establishment.

He is portrayed as a poisoner of children, as a creature of the night-riders, as a pawn of the militarists and the warmongers.

To see the viciousness of the vilification heaped upon him is to begin to understand the desperation with which his enemies are trying to cling to the perverted political order they have been foisting upon America. Their purpose is to do considerably more than defeat him at the polls; they seek literally to crush him lest any other muster the courage to ask them to account for their sordid works.

The real issues of 1964 are far simpler than the defenders of entrenched statism would have us believe. The issues boil down to whether it is the destiny of the American people to become the servants of a leviathan state at home and to cower before totalitarian aggressors abroad.

Barry Goldwater says it is not. And in your heart, you know he's right.

This is why we believe 1964 to present one of the great opportunities in America's political history. This is why we believe Senator Goldwater's election to the presidency to be the most urgent task to which the American people can devote themselves.

### Union Township GOP Headquarters To Open Oct. 9

## Graveside Rites Held Tuesday For Bridget Lindvall

Infant Bridget Ann Lindvall was stillborn to Robert N. and Phyllis R. (McLane) Lindvall at 12:45 a.m. on Sunday, Oct. 4, at the Parkview Hospital, Plymouth, Indiana.

Surviving with the parents are the maternal grandmother, Mrs. Charles McLane, Culver; four brothers, Bruce, Brian, Brent, Bryce; and a sister, Brenda, all at home.

Graveside services were conducted at the Culver Masonic Cemetery at 2 p.m. Tuesday, Oct. 6, with Dr. Ronald C. Williams, pastor of the Culver Methodist Church, officiating.

The Easterday-Bonine Funeral Home in Culver was in charge of arrangements.

## Culver Eagles To Hold First Guest Night Oct. 10

The newly-installed Fraternal Order of Eagles, Aerie No. 3221, have purchased the former Don-Marie restaurant, four miles north of Culver on State Road (IND.) 17, and will hold its first guest night Saturday starting at 6 p.m.

Brunswick stew will be cooked in huge copper kettles and served to the guests along with Eagle Hormone Salad and Spruance's old-fashioned home-made breads.

Three hundred invitations to members, prospective members and their wives have been mailed according to Eugene W. Riester, president, and Frank Cihak, secretary.

Other officers are Robert K. Kyle, junior past worthy president; Dr. F. L. Babcock, treasurer; E. M. Espick, Don Priest, and Harry Dinsmore, trustees. Jerry Knepper is chaplain, Robert Flora, inner guard and George Myers, outer guard. The Eagles lodge are daily receiving applications for membership and it is expected that there will be a membership of 150 soon.

Games will be played, including bingo and a valuable door prize awarded on the stroke of midnight. The two-acre grounds will provide plenty of parking space and the Marshall County Civil Patrol will direct traffic and assist in parking.

Mrs. Hilda Vogel of Quincy, Wash., is spending a six-weeks' visit with her mother, Mrs. Mertie Houghton Cowen of Route 2, Culver.

## Rainbow Officers Installed At Public Ceremony

MISS JOAN DILLON

Culver Assembly No. 61, Order of Rainbow for Girls, held an installation of officers on Saturday evening, Oct. 3, in the Masonic Hall. The meeting was under the direction of the following installing officers: Cheryl Dillon, Installing Officer; Sheryl Hohman, Installing Marshal; Carol Heiser, Installing Chaplain; Mrs. Robert McColge, Installing Musician; Harriet Bonine, Installing Soloist; and Mrs. Dale Heiser, Installing Recorder.

Following the opening of the Bible, the Lord's Prayer was sung by Miss Bonine, and the Installing Marshal escorted the newly elected and appointed officers into the Assembly Room. Miss Joan Dillon, daughter of Mr. and Mrs. Judson Dillon was then escorted behind the altar and installed as Worthy Advisor. She knelt at the altar while the song, "I Believe," was sung to her in the dimly lighted Assembly Room. She was then escorted to her station in the East by her father.

Miss Carolyn Snyder, daughter of Mr. and Mrs. Lester Snyder, was installed as Worthy Associate Advisor, and Miss Bonine sang "I'll Walk With God" in her honor.

Other officers installed were Cathy Carrothers, Charity; Becky Easterday, Hope; Diane Davis, Faith; Suzannah Spencer, Chaplain; Loretta Berger, Drill Leader; Molly Norris, Love; Judy Thews, Religion; Linda McAllister, Nature; Elaine Kaiser, Immortality; Janet Manchester, Patriotism; and Judy Price, Service; Cheryl Zink, Confidential Observer; Linda Dinsmore,

Outer Observer; Patty Overmyer, Musician; Valerie Carter, Choir Director; Mrs. Judson Dillon, Choir Mother; Brenda McAllister, Prompter; Suzanne Overmyer, Historian; Janet Zechiel, Hoosier Promise Reporter; and Kathy Easterday, Rose Lecturer. Holly Thompson will be installed as Fidelity at a later date.

The Installing Marshal presented the flag behind the altar, after which the Pledge of Allegiance was given and the first verse of the National Anthem was sung. The Marshal then declared the officers duly installed.

The Installing Officer, Cheryl Dillon, presented her sister with the gavel which Mrs. Dillon had used as Worthy Matron of Emily Jane Culver Chapter No. 484, O.E.S. After the Worthy Advisor introduced her immediate family and the Worthy Matron and Patron of Emily Jane Culver Chapter, Mr. and Mrs. Herbyn D. Maynard, and welcomed all guests present, she explained why she had chosen the motto "A Rainbow Promise of Victory." Her colors are green and white, her flower the white rose, her song "I Believe," and her watchwords "truth and example".

In the absence of her guest speaker, Dr. Oscar Wesson, Worshipful Master of Henry H. Culver Lodge No. 617, Joan read his talk which he had sent to her in the form of a letter which he had written while in the hospital. Dr. Wesson analyzed Joan's motto and had related some of his own experiences pertaining to the topic.

The East was decorated with a small vase of white roses against an emerald green background.

After the closing of the Bible and the officers formation, approximately 85 guests were entertained in the club rooms with refreshments served from a table centered with large white mums and green candles. Mrs. Robert Zechiel and Mrs. John Lucas were in charge of the refreshments and Rainbow girls serving were Elaine Epley, Lynn Mackey, Vickie McKinney, and Diane Nelson.

### Music and Art Group To Meet At Home Of Mrs. Wallace Helber

## Culver City Club Hosts State Officers And 22 New Members

The general meeting of Culver City Club was held Thursday evening, Oct. 1, at the Bank Auditorium with the following officers of the Indiana State Federation of clubs as special guests: Mrs. George Phillips, Culver, recording secretary; Mrs. Park M. Jessup, Westfield, third vice president and installing officer; Mrs. Otto Zeiger, South Bend, circulation manager for the Indiana Clubwoman magazine.

The theme of the meeting was, "Come Get Acquainted." In the absence of the president, Mrs. Paul Humbert, who is ill, Mrs. Harry Speyer, vice president, opened the meeting with a welcome for all and presided during the business.

An appeal was made for blood donors when the Bloodmobile is in Culver on Oct. 12.

The theater trip to Chicago was discussed and it was announced that information may be obtained and reservations made with either of the group chairmen, Mrs. R. E. Kline or Mrs. A. N. Poppe.

The thought of the month was given by Mrs. Charles L. Haney and special music consisted of a group of songs sung by six girls from Immanuel Elementary School in Plymouth, accompanied by Mrs. Maynard Tittle.

Highlighting the program was the candlelight installation ceremony for 22 new club members given by Mrs. Jessup with a large candle, representing Culver City Club, encircled by 22 small candles representing the new

members.

Mrs. Zeiger gave a talk about the Indiana Clubwoman Magazine and stressed the importance of each member subscribing for the magazine.

Following the program, a social hour was enjoyed with Mrs. Paul Snyder, Sr., as chairman of the hostess committee, assisted by Mrs. A. N. Butler, Mrs. W. O. Osborn, Mrs. George Ogden, Mrs. Myrtle Crabb, Mrs. Roy Wickizer, and Mrs. Russell Easterday.

### Miss Linda Kose Initiated Into Order Of Eastern Star

The Order of Eastern Star convened Tuesday, Oct. 6, at 7:30 p.m. in Masonic Hall for their regular stated meeting.

Initiation of Miss Linda Kose was held during the business meeting presided over by Mrs. Herbyn Maynard. It was announced that the Past Matrons and Patrons would be honored Oct. 20.

The Chapter Room was effectively decorated with beautiful Fall flowers.

After the closing, refreshments were served by Mrs. N. M. Scruggs, Mrs. M. R. Robinson, and Mrs. William Washburn.

### Past Matrons' Club To Meet With Mrs. Robert Berger

The Past Matrons' Club of the Order of Eastern Star will hold their quarterly meeting at 7:30 p.m. Tuesday, Oct. 13, at the home of Mrs. Robert Berger.

Those serving on the committee will be Miss Osie Stahl, Mrs. Mable Smith, Mrs. Della May, Mrs. Lucy Cox, and Mrs. Agnes Fehner.

Members are urged to be present.

### Mrs. E. E. Zechiel To Be Hostess For Meeting Of Literature Group

A book review will be given by Mrs. James Shearer for the October meeting of the Literature group of the Culver City Club which will be held at 8 p.m. on Thursday, Oct. 15, in the home of Mrs. E. E. Zechiel. Mrs. Helen Keller will give the Thought of the Month.

Assisting hostesses are Mrs. Russell Easterday, Mrs. Shelton Kaiser and Mrs. Lillie Buswell.

By DAVID KELLY, Troop Scribe

"Jump-the-Shot" was the pre-opening game of Troop 290 on Oct. 5. Twenty-six Boy Scouts were present for the opening ceremony conducted by the Beaver Patrol. Demonstrations were held by the patrols on map and compass work. A contest on compass degree reading was won by the Beaver Patrol. Patrols then held patrol corners where dues

were collected. Announcements were made and the closing game was "British Bulldog." The meeting was closed with the Scout Benediction.

We are happy to announce that the Beaver, Flaming Arrow and Panther Patrols won blue ribbons at the Frontier Camporee held at Culver Military Academy on Sept. 25 and 26. There were 27 Scouts in attendance.

A Troop hike will be held on Saturday, Oct. 17. Plan now to attend and support your patrol.

A canoe trip is being planned for Oct. 24 and 25 down the Tippecanoe River. Turn in your \$1.40 meal fee next Monday.

We welcome all boys from age 11 through 15 to attend our weekly meetings which are held at the Culver Methodist Church Fellowship Hall on Mondays at 7 p.m. Have adventure, join the Scouts!

### Mrs. Nellie Baker To Host Stitchery Club

The October meeting of the Stitchery Club will meet at the home of Mrs. Nellie Baker, 912 Lake Shore Drive, at 1 p.m., Thursday, Oct. 15.

Members are urged to attend.

**NOT DUTY BOUND** — The Johnson County News reports that Sheriff Arthur Worrick volunteered for a service "above and beyond the call of duty" when he brought a prisoner from Franklin, the county seat, to appear in a justice of the peace court at Greenwood for trial on a fraudulent check charge. The News said Worrick was in the court of J. P. Williams with the prisoner when Herbert N. Cook of New Castle appeared with Miss Nancy Pfeningner of Greenwood and asked the justice to join them in wedlock. A witness to the ceremony was required and Sheriff Worrick offered his services.

### Honored At Tea

Miss Bess Easterday entertained in her home Tuesday afternoon at a tea in honor of her sister and brother-in-law, Dr. and Mrs. Wayne A. Lowry, who are visiting here from Madison, S. Dak. Lovely floral arrangements of fall chrysanthemums decorated the home and the color scheme of pink and white was carried out in table decorations and refreshments.

### INDIAN SUMMER IN INDIANA

Stagnation resulting in the annual fall slowdown of weather changes is a basic cause of Indian Summer in Indiana, says James E. Newman, agricultural climatologist at Purdue University.

Indian Summer is characterized by warm days and heavy frosts at night. The sky is clear, except for a smoky haze, causing the sun to appear reddish. This unique spell of weather occurs in Indiana, usually in two distinct periods, an early phase during the second and third weeks of October and a late phase of 10 days or so during mid-November.

Certain recognizable atmospheric conditions are associated with Indian Summer, according to Newman. There is, for instance, a general downward motion in the atmosphere resulting from excessive cooling.

A weak, slowly moving high pressure system normally dominates the daily weather map from the Rocky mountains to the east coast of continental United States. Winds are light and variable with little or no cloudiness. Humidities are rather low, below 50 per cent during the day.

Daily temperatures reach the upper 60s, but drop to near freezing each night. Land and ocean mean temperatures are nearly equal for a given latitude. This leads to a slowdown in the movement of migrating high and low pressure systems.

**Home Demonstration Club  
Has October Meeting  
At Burr Oak E.U.B. Annex**

Mrs. Wilfred Craft, president, opened the regular monthly meeting of the Culver Home Demonstration Club with a short reading, "October is a Busy Month," when it convened on Friday, Oct. 2, at the Burr Oak E.U.B. Church Annex.

Mrs. Eva Heiser used as the theme for the devotions, "Worrying About Tomorrow" and read scripture from Matthew 8:23-27. She concluded with a poem, "Rules For Daily Life", and prayer.

The Club Creed was repeated in unison and the song of the month, "Steal Away", was led by Mrs. Ferris Zechiel with Mrs. Whitney Kline at the piano. The birthday song was sung for Mrs. A. N. Poppe and Mrs. George Kerrigan.

The lesson on "Fry Pan Meals" was presented by Mrs. Adrian Snapp. Two suggestions which were stressed were reading directions that come with your fry pan and taking the plug out of the outlet before disconnecting from control. Several recipes were given.

During the business meeting, roll call was answered by 28 members and a guest, Mrs. Warren Sorenson.

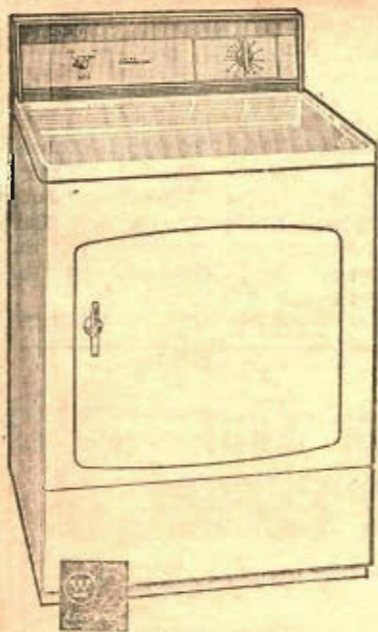

It was decided to buy a book for the Culver Public Library in memory of Mrs. William O'Connor of Arizona, a former Culver resident.

The blood bank is to be in Culver on Oct. 12. The committee from our club is Mrs. Ora Reed, Mrs. Erroll Culver, and Mrs. Bernard Miller.

Mrs. Craft announced that County Achievement Day will be Oct. 16 from 1 to 3:30 p.m., the place to be announced later, and the lesson, "Mental Attitude For Adults", will be given at the November meeting which will be in the home of Mrs. Adrian Snapp.

After the business meeting a silent auction was enjoyed by all present.

Delicious refreshments were served by the hostesses, Mrs. Bertha Zechiel, Mrs. Eva Heiser and Mrs. Louis Base. The door prize was awarded to Mrs. Joe Boetsma Jr.

## Commended By Merit Scholarship Corporation

Four seniors at Culver High School have been honored for their high performance on the National Merit Scholarship Qualifying Test (NMSQT) given last spring. Each student who is endorsed by his school receives a formal Letter of Commendation signed by his principal and the president of the National Merit Scholarship Corporation.

Kenneth L. Cole, the school's principal, has announced that the Commended students are Sue Cole, Patrick Seslar, Linda Thurin, and Jimmy Welrick.

John M. Stalnaker, president of the National Merit Scholarship Corporation, said:

"Letters of Commendation are being awarded to 38,000 students throughout the country in recognition of their outstanding performance on the qualifying test. We wish to call attention in this way to their high academic achievement.

"Although they did not reach the status of Semifinalists in the current Merit Program, they are very capable students. The Semifinalists and Commended students together constitute about 2 per cent of all high school seniors. This certainly signifies noteworthy accomplishment by all these bright young people.

"We urge the Commended students to make every effort to attend college, and to develop to the fullest their promise of future achievement. By doing so they will benefit both themselves and the nation."

The National Merit Scholarship Corporation gives recognition to two groups of students who achieve high scores on the NMSQT. The Semifinalist group is composed of the highest-scoring students in each state and in U. S. territories. Some 14,000 Semifinalists take a second examination to establish further their eligibility to become Finalists and to receive consideration for Merit Scholarships.

To increase their opportunities to obtain financial assistance if they need it, the Merit Corporation sends the names, home addresses, test scores, and proposed college majors of all Commended students to the two colleges they indicated as their first and second choices at the time they took the qualifying test.

The Commended students were among the high school juniors in approximately 17,000 schools who took the NMSQT last March. The test is a three-hour examination that covers five separate areas of educational development. It was the first step in the tenth annual Merit Program.

The annual Merit Scholarship competition is open to all high schools in the United States and its territories. There are about 5,000 Merit Scholars currently enrolled in more than 400 colleges and universities. Approximately 9,100 Merit Scholars have been appointed to date. This year's program will conclude about April 28, 1965, with the naming of Finalists who will receive four-year Merit Scholarships to the colleges of their choice.

Scholarships awarded through the Merit Program are financed by the National Merit Scholarship Corporation itself and by more than 230 sponsoring business corporations, foundations, colleges, unions, trusts, professional associations, and individuals.

Well fans, it's about time to get out those leggin's and snow boots! What? For another month or so? Anyhow those dark chilly mornings surely are hard to face.

Attention all you Captain Kangaroo fans! (?) The Captain now has a second television program, and it promises to be even better than the first. Hope no one stays home from school just to watch it.

Did you know that the Home Ec. II class says that Mr. Miller is going to be their teacher? Really, girls??? Well, if you insist!

"Oh, that can't be." "Gee, I didn't realize I had done so well." "Somebody goofed." This was all that could be heard last Tuesday when Mr. Miller showed all the Seniors how they ranked in their class.

Request Department: C. A., please stop bugging F. W. in fifth period Algebra class.

The Beatles have arrived!! Yes, "A Hard Day's Night" premiered here over the weekend and the whole town turned out to see the show! We-e-el-l-l, almost the whole town.

It seems that Fran Warner almost missed the bus one morning last week. What about this Russell Prosser?

At Purdue Saturday, a few Culver maidens got to eat in a fraternity. Come on girls, confess.

Wanda, you aren't in the band, so why did you go to Purdue?

Could it be that you know someone there?

Who's this girl that lives about a hundred miles from here that a certain Senior boy likes to visit? For further information consult K. D.

Really Carolyn Snyder, you ought to control yourself when you get excited in English class, instead of dropping your book on the floor several times during the period.

Congratulations Cindy Kemple on that engagement ring! Where is it, did you lose it already? Oh, now I understand, it was too big so it was sent back to be made smaller.

Really Doug Brown, why would you be interested in the book entitled "All About Boys?" Maybe because of what was in parenthesis? Okay, so you were just looking!

Well a brisk wind just came over our little typewriter and it is starting to get cold around here. I guess I had better put on my nice warm gloves. Oh, boy, do they feel good, but do you know something? I can't type this way, so until next week when we hope the weather is warmer. Good-bye! And don't freeze!

## Grade School News

By Elaine Kaiser and Judy Thews  
In Mrs. McLane's first grade room, Danny Hatten brought his two guinea pigs to school to show the boys and girls. He also showed us his shell collection as did Ann Stephenson. Billy Burus showed us his stone collection. In reading we are using "The Little Green Story Book."

In Miss Page's second grade room we have added a new pupil from Terre Haute, Angela Silvers. We have had several good specimens of butterflies in our room. Terry Baker, who lived in Guam last year, brought her grass skirt outfit to share with us. To make the week complete Patty Bean has a new baby brother.

Tamara Woodward, a pupil in Mrs. Shirrell's second grade room, celebrated her seventh birthday on Sept. 28. "We Are Neighbors" is the title of our reading book we have just begun. We are making and collecting pictures for display which show neighbors having good times together or helping one another.

"Tell and Show" is held every Friday in Mrs. Carter's third grade room. For our fall show we are bringing vegetables. In our science unit we are studying about pets. We are going to write and illustrate things about our pets. Last Friday we were honored by a piano solo by Pamela Martin.

In Mr. Horban's fourth grade room our good writing contest was won by Leslie Prouty, Karen Zechiel, Ann Pare', Nancy Nicodemus, and Diane Breithbarth. For science, Evan Lowry showed us how a lever is a simple machine, and the work it can do.

One of Mr. Frettinger's fifth grade pupils, Sandy Lewis, had a birthday party Wednesday night. The teams that Mr. Harris organized have played their first

soft-ball games. Pupils from grades 4, 5 and 6 are on all teams to make the playing more equal. Melvin Walters has brought in some squash and a salamander to decorate our room. We have seen several movies and film strips recently. Mr. Kaiser showed us a film Tuesday about the Shenandoah Park in Virginia. To add to the color of the room we have a real tree with actual leaves beneath it. Each leaf has a classmate's name on it.

Wednesday, Mr. Tanksley, the school librarian, came to our sixth grade room to give us a lecture on the Dewey Decimal System and the order in which the books are arranged in the library. Then he took us to the library and had us select a title card and find the book.

In science we are studying home safety and how we can prevent accidents in the home and at school. Also we are studying the heating systems in our homes. Some sections of the sixth grade went to the school boiler room where Vern McKee, one of our janitors, explained our system of heating and the safety precautions they take.

In Mr. Overstreet's room we are having tests in arithmetic over multiplication, addition, subtraction and division.

## Mixing Business With Pleasure

By Joan Dillon

Fall is a busy time for high school seniors for it is at this time of year that numerous colleges sponsor "high school" and "acquaintance" days for prospective students. Through the mail may pass bulletins, catalogues, and letters containing useful and valuable information about certain colleges and universities.

However, just as it is said, a picture is worth a thousand words; likewise, a visit to the campus is commonly accepted as advisable before the final decision is made as to which school the student should like to apply and possibly attend. For, only by participating in college activities, touring classrooms and facilities and talking with students, can one really feel sure he is making a wise choice.

Hanover College at Hanover, Ind., was the scene Saturday, Sept. 26, for such a high school day. To the campus traveled no less than four Culver seniors; there were fateful decisions made as a result of the weekend.

For me the day began at 3 a.m. when I was awakened from sleep in order to finish packing and get on the road to Southern Indiana by 4. A stop near Indianapolis for breakfast at 7:30, and we were once more southward bound. The immediate approach to the college is characterized by rocky ledges and curving, descending and ascending roadways.

My companion and I were expected on campus, so upon our arrival at the New Women's Residence Hall (NWRH), we located the room of a 1963 graduate of CHS, that of Charlene Lucas. After two or three trips from the car to our temporary quarters, our belongings were finally settled; meanwhile, our hostess prepared for a 9:30 class. We three then left NWRH for the Quadrangle around which are located, the classrooms and Parker Auditorium where we guests were to register. Visitors were given information about Hanover College and schedules showing the planned activities.

First on the agenda was a series of lectures and entertainment in the auditorium. At this gathering we were briefed on the liberal arts education in general and a Hanover education in particular; a panel of faculty and students discussed problems in the adjustment to college life: open doors, freedoms, responsibility, and self-discipline. Following this informative session a lunch was served on the lawn of the Quadrangle. Until 2:00, at

which time a football game was scheduled, we guests were allowed free time which could be spent touring the campus individually or as part of a guided tour.

After a victorious football game for the Hanover Panthers, guests, for the most part, left the campus. My friend and I, however, having made plans to spend the night, returned to NWRH where we talked still more with college students. Later, the evening meal completed, we attempted some high school homework but retired early for we would be departing the following morning from this friendly little campus. Thus, brought to a close was a weekend which proved to be enjoyable as well as profitable to those seniors who have considered Hanover for next fall.

## Sports News

By Bob Shirrell

Thursday the 24th of September, the CHS baseball team stomped West, 12-1, behind the steady pitching of Paul Liette. Jim Lewis had a home run, Bob Eustis and Paul Liette each had doubles to lead Culver to this win.

Monday, the 28th, the team ended its fall season by defeating a tough Monterey team 2-0. Paul won this game making his record 5-0. The team's record this fall was eight wins. This was the last baseball game at CHS for these seniors: Jim Boswell, Bob Eustis, Alan Hyland, Paul Liette, Dave Lemar, Jim Lewis, Jim Wierick. This was also the last season for Layne Zechiel, the team's fine manager. These seniors will be immensely missed next year.

The CHS cross country team faced Argos and Knox at Knox last Wednesday, Sept. 23. The score at the end of the meet was Culver 33, Argos 40, and Knox 54. Paul Hatten ran a fine race and finished first for Culver for the first time. George Wright was second.

Monterey and Richland Center came here on Sept. 25, to be beaten by our CHS team. The final score was Culver 18, Monterey 57, and Richland Center 65. Paul Hatten and George Wright finished first and second respectively.

The cross country team went to Winamac on Sept. 28, where they were defeated by a strong Winamac team, 42-19. Paul Hatten and George Wright ran first and second.

Visitors to Culver judge it largely by the people they meet here. What do you do to make Culver more attractive to visitors and newcomers?

## Spanish Classes New At C.H.S.

By Janet Crow and Phyllis Jewell

We have a new language at Culver this year, which seems to be getting off to a great start. Miss Allen, the new Spanish teacher, enjoys her classes and she is getting a very enthusiastic response from the students.

The work they are doing now is oral. They have started by memorizing two sets of conversations, and are learning the names of the colors and numbers.

To add a little spice to the classes, they have begun to dramatize their conversations before the class.

The students carry on a simple directive conversation and they try to use as little English

The students try to attend lab at least three times a week in order to speak the language better.

Some of the things done in class which bring Spanish culture into the class are explanations of the Spanish bullfights, music, and pictures. At some time during the course, Miss Allen plans to show slides of her experiences in Peru, where she spent a year as an exchange student and in Bolivia, where she spent two years as a Peace Corps volunteer.

Spanish can be fun, as many Culver students are discovering.

## Band Day

By Paul Liette

At 7:45 a.m. Saturday, Sept. 26, our senior band and a few extra students boarded two buses enroute to Purdue University's High School Day at Lafayette, Ind.

We arrived at the University at 9:50. At 10:00 a.m. the bands started practicing for their half-time performance at the Purdue-Ohio University football game. While the band practiced for the event, the students who came to look over the campus went on their ways. I was with Jim Weirick and Layne Zechiel. We met Robby Ogden who took us to a lecture and found us information concerning the fields in which we were interested. He also showed us a few dorms.

At 1:30 p.m. we went to the stadium to watch the football game. In a rainy first half Purdue outscored Ohio 14 to 0. Just before the bands were to come on to the field, it was announced that the bands would not march due to the conditions of the field. The bands did play their songs, although they played them from the bleachers. After the game, many disappointed band members and their directors began their journey home.

The tired students and band finally reached Culver about 5:45 p.m. Many students considered the day a flop. I enjoyed it myself and I think a lot of others had an interesting and educational time. Visiting a college campus can answer many puzzling questions for a college bound student.

## On The Light Side

By Cindy Kemple, Pam Fish and Linda Baker  
With Regrets

The small boy on the bus had been sniffing loudly for some time. After several disapproving glances, the prim, middle-aged lady sitting next to him inquired, "Little boy, have you a handkerchief?"

"Yes ma'am," replied the urchin smiling at her with innocent regret. "But Mother doesn't like me to lend it to strangers."

If at first you don't succeed you still have two selections; try again, or better still, read the directions.

The 16-year-old had obtained a summer job. "John," his mother told him on his first pay day, "your father and I have talked it over and we think that while you are working you should pay five dollars a week for board."

For some moments John sat in stunned silence. "Why should I pay board?" he finally exclaimed. "I live here!"

The professor was annoyed when a student fresh out of the army was late to class for the third straight time. "Glad you could make it," he observed sarcastically. "Tell me, what did they say in the army when you showed up late like this?"

"Well," the student replied, "first they saluted then they asked, 'How are you this morning, Sir?'"

## "Sell, Sell, Sell!"

By Donna Rogers

Mr. Crabb, senior class sponsor, certainly did the trick for the senior class with his words, "Sell, Sell, Sell!" The senior class just got through with their two-week magazine drive and not only did they make their goal, but you might say they surpassed it.

The goal for this year's class was \$4,000. At the beginning of the second week, they were beginning to wonder if they would make their goal. We should never underestimate the power of seniors. On Sept. 18, after all the team captains had turned in their money, and it was tabulated, the sales amounted to \$6433.40. This amount is the total of three different things. The Culver Citizens sold amounted to \$1767.25, the magazines sold were \$4757.10, and donations received were in the amount of \$9.05.

Listed below are the team captains, and the total amount each team sold. Jim Lewis' team sold \$1822.39, Jim Boswell's team collected \$1759.05, Linda Thurin's team brought in \$1757.11, and Eva Norris' team sold \$1185.80.

The top individual sellers numbered six. Kathy Easterday was the highest seller with \$358.67, Sue Cole was second with \$261.88, Pat Ogden was third with \$232.83, Peggy Herr was fourth with \$208.03, Layne Zechiel was fifth with \$201.75, and Jim Boswell was sixth with \$199.70.

Anyone who sold 2 subscriptions to the Post magazine received "Kook" and "Kookie" dolls. They are small replicas of

Each senior will receive one point for every \$5 that he sold. These points count toward the senior trip which is coming up this spring.

For every \$100 worth of magazines and Citizens sold by a senior, a special pin will be given. These pins have been given in past years.

The amount of money that will be kept by the seniors is not yet certain, but from the records of past years, we noticed that the classes have received just about half of the magazine sales, and one fourth of the Citizen sales.

To all the seniors we say congratulations, and we hope that you do as well on your play. When the seniors start selling play tickets . . . watch out!!!

## Methodist Renewal Mission In The Culver Circuit

REV. CHARLES BUGG

The Methodist churches in the Culver Circuit are planning a Renewal Mission for Oct. 18 through 23. Churches in this circuit are Maxinkuckee, Mt. Hope, and Santa Anna, and the Rev. Leon Stark is the minister.

The objectives of this Methodist Renewal Mission are five-fold, namely; (1) To sharpen the Christology and to deepen the spiritual life, the commitment, and the sense of mission of every minister in each local church. (2) To seek the spiritual renewal of every member of every Methodist Church in the Northwest Indiana Conference. (3) To enlist every un-listed Methodist in all the local parishes in the conference to some type of church activity. (4) To find, to witness to, to win for Christ, the unchurched in every community in our conference. (5) To provide training program in Christian faith, churchmanship and Methodist doctrine, through their active participation in the Pastor's Membership Training class or a personal growth group.

The speaker for this Methodist Renewal Mission will be the Rev. Charles Bugg from Rossville, Ind., who has 20 years of Methodist preaching behind him and has worked with the leaders of the Methodist Church of Nashville, Tenn.

The Rev. Bugg will work with the local minister, The Rev. Leon Stark, to endeavor to accomplish this mission to these people. Lunches and dinners have been planned during this week of meetings. Prayer meetings are being held on each Tuesday and Thursday nights before this date at 8 p.m. starting Tuesday, Oct. 6, in the home of Mrs. Ruth Wynn of Maxinkuckee. On Thursday, Oct. 8, the meeting will be held at the home of Mr. and Mrs. Donald Kline of Mt. Hope Church.

During this week of Renewal Mission, the messages will begin with Sunday morning service at Santa Anna at 11 a.m. with Rev. Bugg preaching, and continue at this church Sunday evening at 7:30 with prayer for the meeting

starting at 7:15 p.m. in the prayer room. This will continue through Monday and Tuesday evening with special numbers each evening.

The services are continued then at the Mt. Hope Church at the same time on Wednesday, Thursday, and Friday evenings. The Mt. Hope Church will have special numbers each evening. The members of the Maxinkuckee Church will take their places at these services as they desire, but are all welcomed at each service.

Everyone is cordially invited to attend any or all of these services from any community.

## 15 CMA Seniors Commended By Merit Program

Fifteen Culver Military Academy seniors have been awarded letters of commendation for high performance on the National Merit Scholarship qualifying test.

The Culver students honored with commendation letters join with seven other previously named semi-finalists on the basis of outstanding scores in last spring's qualifying test. Letters of commendation were awarded 38,000 students throughout the country. Semi-finalists and commended students represent two per cent of all high school students.

Those who have been awarded letters of commendation at Culver were Robert O. Barton, Donald R. Braun, Andrew E. Carson, Ben Colman Jr., Peter M. Crosby, John D. Culbertson, Frederic Davenport Jr., Harold T. Goranson Jr., Robert G. Kellam, William R. Moon, Mark L. Myers, Howard L. Parris, Richard G. Slavich, Harold R. Spindler Jr., and Steven A. Stinson.

The National Merit Scholarship Corporation gives recognition to two groups of students who achieve high scores on the NMSQT. The semi-finalists group is composed of the highest-scoring students in each state and in U.S. territories. Some 14,000 semi-finalists take a second examination to establish further their eligibility to become finalists and to receive consideration for Merit Scholarships.

The commended students were among the high school juniors in approximately 17,000 schools who took the NMSQT last March. The test is a three-hour examination that covers five separate areas of educational development. It was the first step in the tenth annual Merit Program.

Wednesday guests of Mrs. F. E. Carrothers were Mr. and Mrs. Jack Thomas and Betty of Plymouth.

## Guest Speaker For Culver Methodist Renewal Mission

REV. JOHN M. HUNT

The Rev. John M. Hunt, pastor of the Epworth Methodist Church in Indianapolis, will serve as Missioner at the Culver Methodist Church during the Methodist Renewal Mission Oct. 18 through 23.

Reverend Hunt, a member of the Indiana Conference, Board of Ministerial Training, has spent 22 years in the ministry. He served five years as a missionary to India and has participated in evangelistic missions to Cuba, Panama, Peru, Chile, Argentina, and Brazil.

The Renewal Mission will begin Sunday, Oct. 18, with Dr. Ronald C. Williams, pastor of the Culver Methodist Church, conducting 10:40 a.m. worship services. Rev. John Hunt will conduct evening services at 7:30 p.m. Sunday, Oct. 18, and at 7:30 nightly thereafter through Friday, Oct. 23.

A reception for Reverend Hunt will be held in Fellowship Hall following services Monday night, Oct. 19. Discussion groups will meet following each evening worship.

An important phase of the Renewal Mission is a series of prayer breakfasts for men being held during the weeks preceding the Mission. Neighborhood prayer groups for women will be held daily Oct. 12 through 16 and Oct. 19 through 23.

## Dr. L. Kilgore To Be Guest Speaker At CMA

Dr. L. Wilson Kilgore, pastor of Cherry Hill United Presbyterian Church, Detroit, will deliver a guest sermon at 10:30 a.m. chapel services Sunday, Oct. 11, at Culver Military Academy.

Dr. Wilson is one of a series of guest ministers of all faiths who speak at non-denominational services during the academic year. Services are conducted by the Rev. Allen F. Bray, III, Academy chaplain.

Dr. Kilgore was named pastor at Cherry Hill last February after more than 10 years at Lakewood (O.) Presbyterian Church. He had served First Presbyterian Church at Hartford, Conn., for a similar period prior to beginning his pastorate in Lakewood.

While in Lakewood, Dr. Kilgore in 1956 launched the first Cleveland chapter of Divorce Anonymous and through this

# Films Available At Culver Library During October

The following 16 mm films are on deposit from the Indiana Library Film Circuit in the Culver Library during the month of October. You are invited to reserve the films for showing to your organization, club, church group, etc. Information on these and other films which will be available in succeeding months may be obtained from the librarian.

**"ARE YOU POPULAR?"** -10-b&w- Examples of relations between teen-age boys and girls demonstrate that an individual is popular and welcome in any group where he is friendly, considerate and interested in other people. (Coronet)

**"CARS IN YOUR LIFE"** -30-b&w- Presents the impact of the automobile on the physical development of cities. Statements from men like Robert Moses, city planner, Albert Mayer, architect, and designer Raymond Loewy, underline the theme of the film that men should control the automobile by far-sighted urban planning. (Canadian Film Board)

**"THE DINOSAUR AGE"** -12-c- Introduces its audience to the work of paleontologists in reconstructing the past. It illustrates the methods used in locating, uncovering and transporting fossil remains to a museum. The reconstruction of a T-Rex skeleton is demonstrated. Models of representative animals of the Age of Dinosaurs are shown. (Film Associates of California)

**"HAWAII, U.S.A."** -21-c- This is a tourist's eye-view of the islands, with little information on social, political, or economic conditions. A map of the islands gives the variety of races, climates and crops that are particularly a part of this area. (Bailey Films)

**"HIGHLIGHTS OF HIGHWAY SIXTEEN"** -12-c-s- This film takes you to place after place of interest and pleasure — to Hazelton, site of North America's largest collection of Totem poles, to the Nechako River, source of hydro power for the huge aluminum development at Kitimat, to Moricetown Falls, to Prince Rupert, northern base of the Pacific fishing fleet. (Loaned by CTFL)

**"HORSE FARM"** -15-e- Explains that not many years ago, most horses here were raised for work and were big, heavy animals. Now it is hard to find horses trained to pull anything. They are slimmer, lighter animals and most of them come from Arabians. Shows many different occupations growing up around the raising of horses for riding. (Grover-Jennings)

**"INSTRUMENTS IN THE ORCHESTRA"** -20-b&w- Dr. Malcolm Sargent explains the form of the fugue and the use of each instrument of the orchestra. Following a demonstration of the sounds of the wind, string, and percussion instruments, he conducts Benjamin Britten's "Variations and Fugue on a Theme by Purcell." (British Information Services)

**"JAPAN HARVESTS THE SEA"** -29-c- Japan is comprised of hundreds of small islands scattered among four larger islands. With a total area smaller than California, the population is nearly equal to that of the continent of South America. It is in the seas around them that the Japanese people find resources. Fishermen in hundreds of sea-coast villages provide the nation's demand for fish. (Disney)

**"LIFE IN THE DECIDUOUS FOREST"** -19-c- Shows the interdependence of plants and animals that live in a forest community. Illustrates the food chain

between plants, insects and birds, and regeneration of soil by decaying plants as they are broken down by insects. (Int. Film Bureau)

**"THE LOON'S NECKLACE"** -11-c- Delightful North American Indian legend of how the loon, a shy water bird, received the white band about its neck, and its mottled back feathers. Characters wear wooden ceremonial masks, displaying remarkable personality, carved by Indians of British Columbia. Film ends with unusual shots of loons crying the wild. May be used as a "story" film or with adult groups interested in Indian masks and legends. (Encyclopaedia Britannica)

**"MIKE MULLIGAN AND HIS STEAM SHOVEL"** -12-c- The well-known children's story done in iconographic motion pictures, using original drawings. (Weston Woods)

**"NEW FOUNDLAND SEA BIRDS"** -14-c-s- This film takes you to Green Island, 20 miles south of Newfoundland, for a first hand look at this favorite homing place of sea birds. (Loaned by CTFL)

**"A PORTRAIT OF MEXICO"** -33-c- This film portrays the modern Mexican at home, in field and factory, in his church, and at a colorful fiesta. It also shows the sweep of Mexican history, from pre-Columbian to modern

times. (Univ. of Arizona)

**"PRODUCTIVITY: THE KEY TO PLENTY"** -20-b&w-s- Depicts the United States as producing one third of the world's goods with one fifteenth of the population; compares workers' incomes in various countries; pictures progressively the use of animal, man and machine power; and ascribes the prosperity of the United States chiefly to high productivity. (Loaned by American Heritage)

**"PROSPECTING FOR PETROLEUM"** -23-c-s- This film shows petroleum's many uses in modern civilization, and also how oil formed in the earth countless centuries ago. (Loaned by Shell Oil Company)

**"SILENT SPRING OF RACHEL CARSON"** -54-b&w- Miss Carson contends that "chemicals are used with little or no advance investigation of their effect on soil, water, wildlife and man himself." Critics of this charge state that Miss Carson's allegations are exaggerated in that she does not sufficiently credit benefits to humanity created by pesticides. (Contemporary)

**"THREE B'S OF AFRICA"** -23-c- Jungle safari through Tanganyika and the Belgian Congo. Animal life, pygmies, dances, etc. (Gene Blakely)

**"A TIME OUT OF WAR"** -22-b&w- This film shows a one-

hour truce by two Union soldiers and one Southern soldier during the Civil War. A short film carrying a big message of human relations. Useful for film societies and other adult audiences. (University of California)

**"UNITED STATES EXPANSION"** -13 1/2-c- Recreates the events leading to the opening of the Northwest Territory for large-scale settlement. Includes the men and the work of the Ohio Company of Associates; the ordinances which provided for the territory's administration, and the pattern of state established at this time. (Coronet)

**"WILDLIFE RENDEVOUS"** -14-c-s- A sort of "who's who" of Canadian wildlife, this film introduces wildfowl and wild animals at the wildlife sanctuary near Shubenacadie, Nova Scotia. A park especially set aside by the Province for the conservation of Canadian wildlife, almost all species are to be found here. (Loaned by CTFL)

**"YUGOSLAVIA"** -27-c- A world affairs film on the most enigmatic of the Balkan states. A live action sequence of Tito, at work in Belgrade, precedes and introduces an intensive view of the land and the people of modern-day Yugoslavia and a commentary upon their reactions

to Tito's regime. (Int. Film Foundation)

## Personals

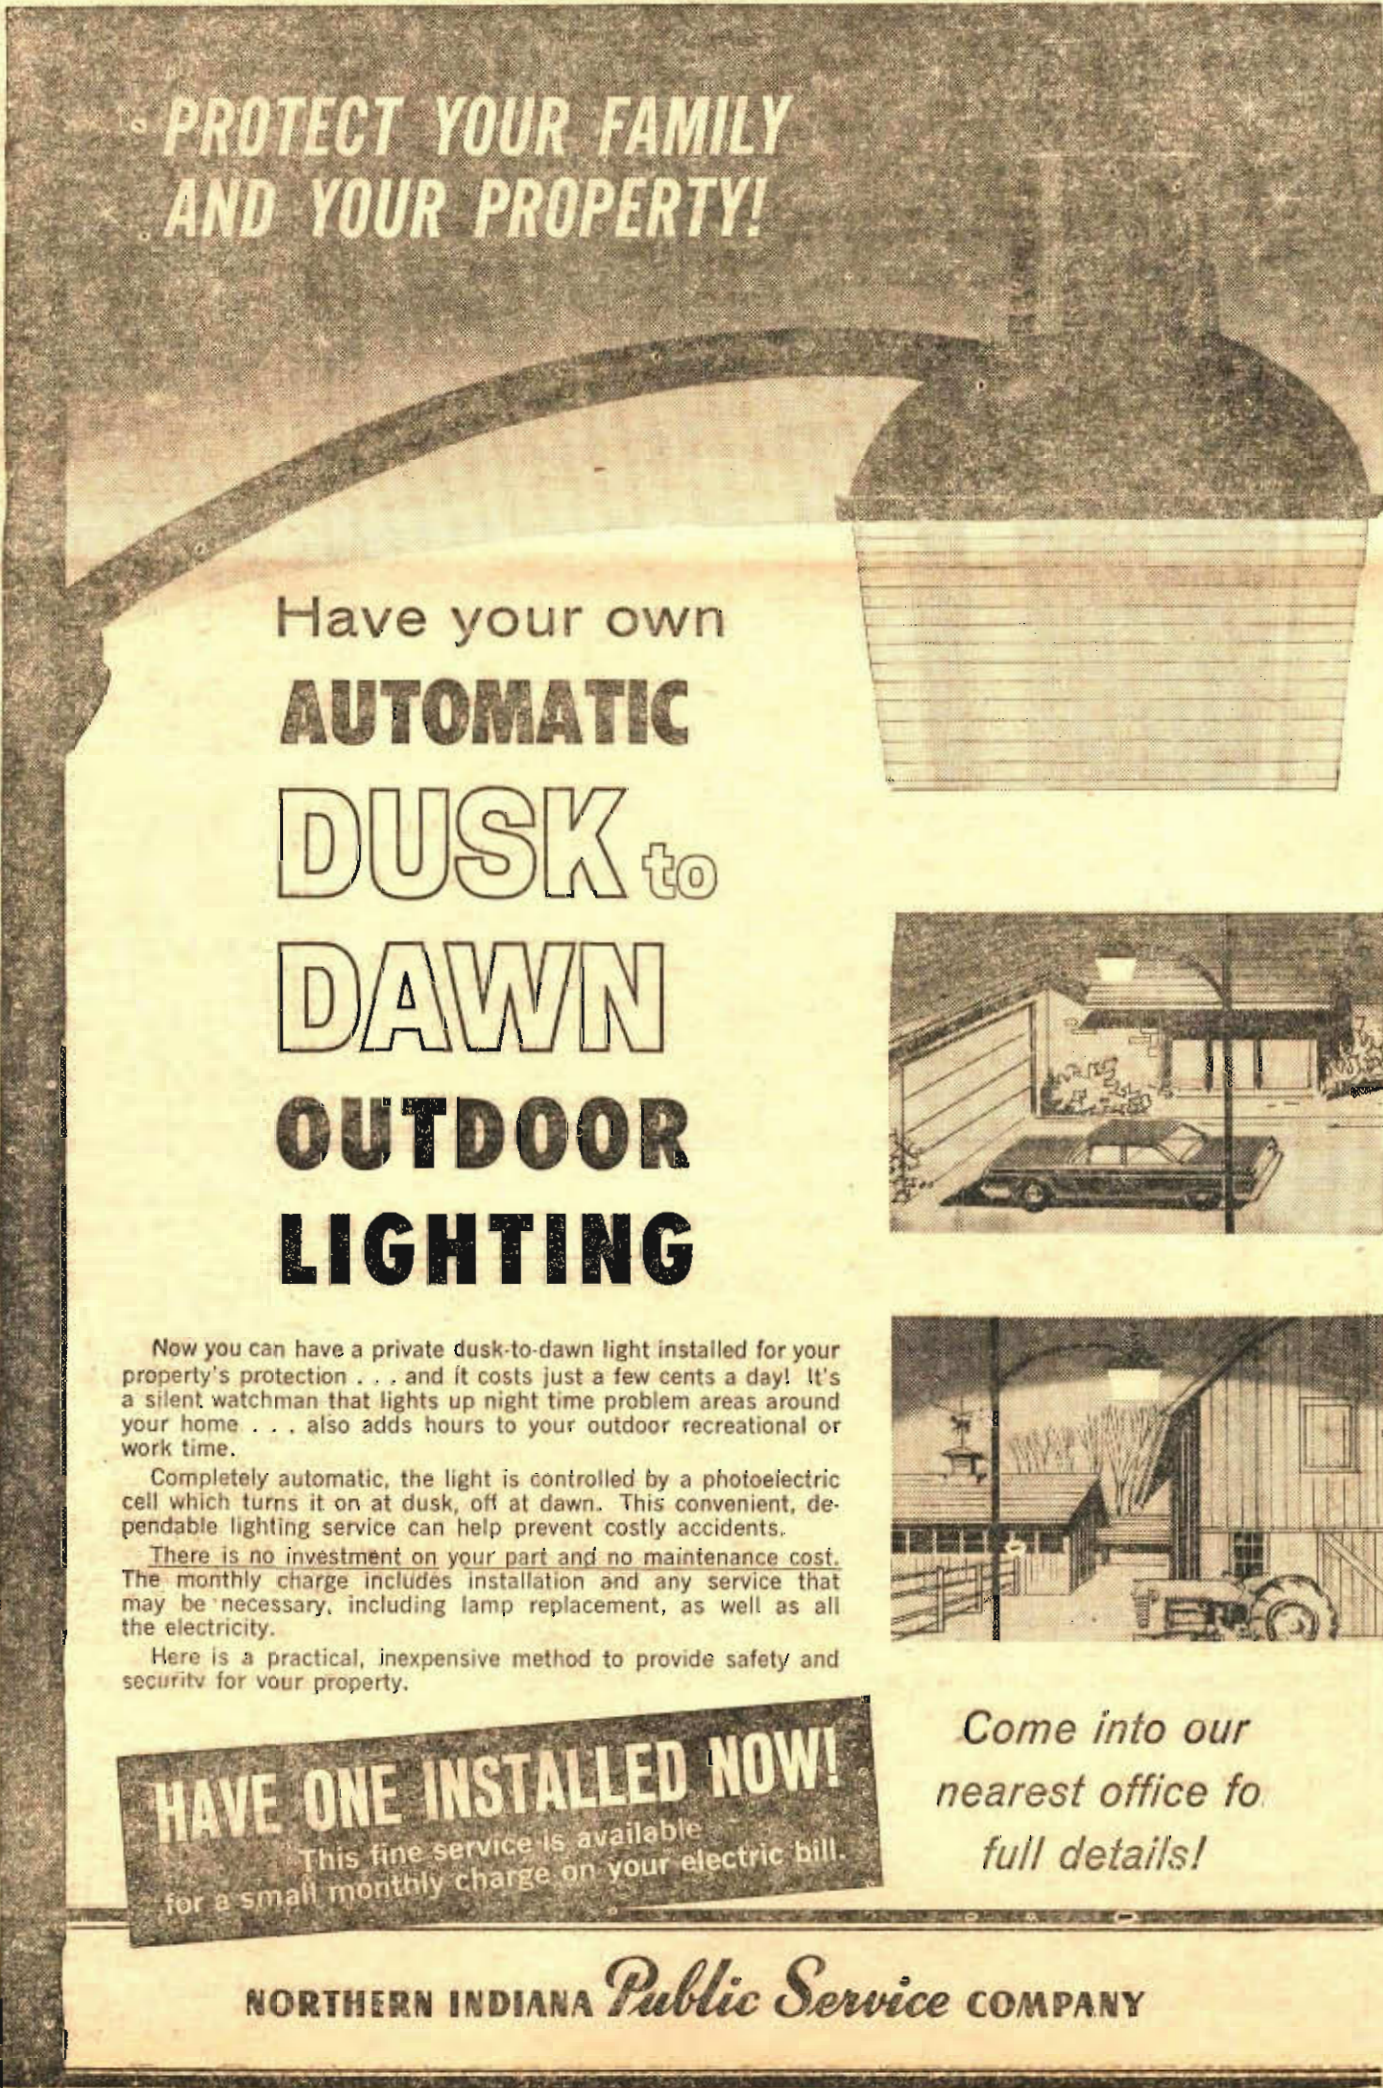

Mrs. Harry Medbourn and Mrs. George Phillips left Sunday morning, Oct. 4, for a vacation in the west. They will visit with Mrs. Medbourn's sister and brother-in-law, Mr. and Mrs. Louis C. Uhl, in Sedona, Ariz. The four will then spend a few days in Las Vegas, Nev. before returning home.

Mr. and Mrs. Chester Easterday of Logansport entertained at dinner Saturday in honor of Dr. and Mrs. Wayne Lowry who are visiting here from Madison, S. Dak. Other guests were Miss Bess Easterday and Mrs. Clark Ferrier. On Sunday the Lowrys, Miss Easterday and Mrs. Ferrier were dinner guests of Mr. and Mrs. William Easterday.

Mr. and Mrs. Roy Listenberger spent the weekend with Mr. and Mrs. Walter Hissong and daughter, Edeena, at Kankakee, Ill.

Weekend house guests of Mrs. Chester W. Cleveland, East Shore Drive, were her son, David B. Cleveland, of Indianapolis, and his fiancée, Miss Patricia Wilson, New Castle, Pa. Mr. and Mrs. William Opper of Chicago were also guests on Sunday.

# PROTECT YOUR FAMILY AND YOUR PROPERTY!

Have your own  
**AUTOMATIC  
DUSK to  
DAWN  
OUTDOOR  
LIGHTING**

Now you can have a private dusk-to-dawn light installed for your property's protection . . . and it costs just a few cents a day! It's a silent watchman that lights up night time problem areas around your home . . . also adds hours to your outdoor recreational or work time.

Completely automatic, the light is controlled by a photoelectric cell which turns it on at dusk, off at dawn. This convenient, dependable lighting service can help prevent costly accidents.

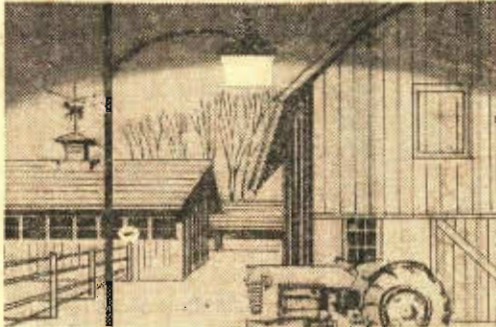

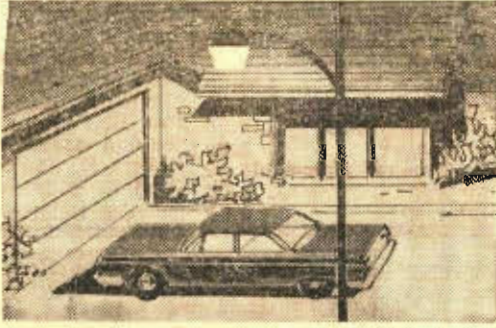

There is no investment on your part and no maintenance cost. The monthly charge includes installation and any service that may be necessary, including lamp replacement, as well as all the electricity.

Here is a practical, inexpensive method to provide safety and security for your property.

**HAVE ONE INSTALLED NOW!**  
This fine service is available  
for a small monthly charge on your electric bill.

## Toymaker Spearheads Truck Styling

TOMORROW'S TRUCK ON THE HIGHWAY TODAY? Not quite, but you may be seeing something like this streamlined semi-trailer with its wide-vision "Superview" cab in not too many years. For today, it's restricted to the playroom and sandpile because this truck is a product of Tonka Toy's design staff, and is now having its premiere on the toy counters of America. If "real" truck manufacturers adopt this design, it won't be the first time that Tonka Toys' stylists have set the pace for the truck industry. A few years ago, the company equipped its toy trucks with whitewall tires and truck manufacturers followed suit a year later. This scaled-down version measures 16 inches overall but it's built of automobile-gauge steel and has real rubber tires. Just about the only difference between it and a real over-the-road van is the horsepower.

doctor's degree in English. Mrs. White says, "We're just a family who believes in education," and the family's activities bear this out. A daughter, Barbara Ann, is a teacher at Annapolis, Md., another daughter, Mrs. Charles Radcliffe, is an Indiana University senior, and a son, Kipling, is a sophomore at Covington High School. Mr. White, an attorney and banker, is a member of the State Board of Education.

 The Golden Text for Christian Science churches this Sunday is from Jeremiah (17:14) — "Heal me, O Lord, and I shall be healed; save me, and I shall be saved; for thou art my praise." The Bible Lesson is on the sub-

ject, "Are Sin, Disease, and Death Real?"  
 A central theme of the service will be this statement from the denomination's textbook: "The understanding of his spiritual individuality makes man more real, more formidable in truth, and enables him to conquer sin, disease, and death" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 317).  
 Watch out for school children, especially if they're driving.

THE MORNING I PLAYED

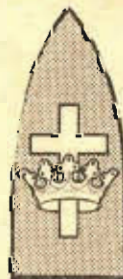

### THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Academy Sports

The Culver Military Academy football team, undefeated in three contests, faces Bloomington University High School Saturday, Oct. 10.

Bloomington has won five consecutive games and was scored on for the first time this season last week in a 48-7 win over Paoli.

The Eagles play at home Saturday, October 17, during the Homecoming-Fall Festival Weekend. The Homecoming game against Bishop Luers High School will start at 2:15 p.m. with the public invited.

The Culver-Bloomington contest, won last year by the Eagles 15-0, is at 8 p.m. Friday and a frosh-soph battle is scheduled there Saturday morning. Varsity and frosh-soph players will attend the Indiana-Iowa football game Saturday afternoon.

Coach Russ Oliver will go with his regular starting lineup with the possible exception of injured Fred Schumacher starting at left end instead of Jack Trimble.

Culver picked up its third win at Niles (Michigan) Friday by a 26-14 score as sophomore full-back Mark Thurlow tallied twice on runs of six and 14 yards. Thurlow's second touchdown came after he carried over right guard for 12 yards. His 14-yard scoring thrust was over left guard.

**Scoring**  
Culver: Carl Urban, 11 yards; Mark Thurlow, 6; Mark Thurlow, 14 yards; Jeff Hand to Fred Schumacher, 1 yard. PAT: Bob Jones, Mike Turnbull (placements).

Niles: Mike Haley, 1 yard; Al Brenner, 48 yards. PAT: Brenner (placement).

The Eagle cross country squad will carry the Culver Military Academy colors to the Shortridge Invitational Meet Saturday, Oct. 10.

Seven Culver harriers placed from 16th to 79th to take second place in the intermediate division last year. Twenty-two teams sent 200 men into that competition last year.

Top Academy runners Joe O'Flaherty and Tom Carpenter of the 1963 team have been graduated, so Coach Dave Burke will be counting on Sam Sheppard and Rich and Ben Slavich, who were third, sixth and seventh men last year. The latter three have been timed under 10 minutes this season.

The Eagles, who recently took seventh in the Hobart Invitational Meet, have a 4-3 record losing to Winamac, Ashley and West Lafayette.

Defending state cross country champion Ashley and the state runner-up in 1963 West Lafayette visited the Academy last Saturday, and both defeated the host team. West Lafayette won the meet with 22 points. Ashley had 42 and Culver 64.

Mark Gibbens of West Lafayette broke O'Flaherty's 9:27 course record with a winning effort of 9:22. Fred McLish, Ashley, traveled the cross country course number two in 9:26 for second. Ben Slavich, top Culver man, placed ninth with a 9:51.

Coach Dave Burke's men have three meets remaining after the Shortridge Invitational. They host Warsaw, Oct. 19, and South Bend John Adams, Oct. 22. The season finale is at DePaul Academy (Chicago) Oct. 31.

## Car Thieves Steal Washburn's Auto

Car thieves visited Culver Tuesday evening taking a Chevrolet Corvair belonging to William Washburn, of 446 School Street, Culver. Mr. Washburn had parked the maroon colored Corvair in front of his home, leaving the keys above the sun visor, about 5:30 p.m. Tuesday afternoon. The theft of the car was discovered by Mr. Washburn two hours later, at 7:30 p.m. when he left the house to use the car. It is not known if the thieves used the keys above the sun visor to start the car or if they had a set of their own.

Local police were notified of the theft and a search started to locate the missing car. At press time, Wednesday, no information had been secured as to the whereabouts of the stolen car.

'65 Chevrolet Impala Sport Sedan

## '65 Chevrolet Impala

It's '65's biggest, most beautiful change. There's striking new styling. New length, width and lowness. A roomier new Body by Fisher housing an interior that's a knockout. And a more serene Jet-smooth ride with a new Full Coil suspension system. Fact is, if you overlook just one thing you can easily convince yourself you're onto a big expensive car here. And that thing is its Chevrolet price.

New Corvair Corsa Sport Coupe

## '65 Corvair Corsa

There's never been anything like it from either side of the Atlantic. There's new thin-line hardtop styling for all closed models. More length and width, more entrance and shoulder room in all models. And a higher powered range of engines—with up to 180 hp available in the top-of-the-line Corsas. How sporty can a car get? Your dealer's got the Corvair that'll show you.
