School Board Discusses New Building Details

The Board of Trustees of Culver Community Schools on Monday evening met with Clair Wolverton, president of Monical and Wolverton Inc., to discuss plans for the new unified high school for the school corporation. At least one more architectural representative will be interviewed before a final decision is made regarding the choice of the company which will be contracted to furnish the architectural and engineering services for the building program.

Monday evening's discussion was devoted to consideration of such matters as heating and air-conditioning, types of building design, wall construction, comparative costs, and financing plans for such a project. Mr. Wolverton explained the steps involved in the public holding corporation and the mortgage loan plan. The latter procedure provides for a private building corporation to finance the erection of the building. Upon the completion of the structure, the new building is sold to an insurance corporation or financial institution to which the school corporation pays annual rental until the debt is completely paid.

Following the discussion with Mr. Wolverton, Superintendent Frank McLane discussed with the School Board the recommendation which he had received from Fred Wissman, executive secretary of the State Board of Tax Commissioners, regarding procedures for establishing a cumulative building fund. Mr. Wissman had advised that the School Board set up a cumulative levy sufficient to raise the funds necessary to purchase equipment for the new school and to build necessary walks, driveways, and parking areas. As soon as the building would be occupied, the School Board should substitute a lease rental levy for the cumulative building levy in order to provide for the semi-annual payments until the cost of the building would be paid.

The School Board expects to schedule a discussion with another architect for the week of February first before reaching a decision as to the choice of the company which will be engaged for planning the new high school. It is hoped that the work on preliminary plans may be started during February. As soon as the tentative building plans are available, these will be presented to the general public in public meetings at Culver and Aubbeenaubee Schools.

Hospital Notes

Dennis Emigh, 12-year old son of Mr. and Mrs. G. V. Emigh, 411 E. Washington St., Culver, was released Saturday from Parkview Hospital at Plymouth after being a patient there since Jan. 17 for observation and treatment. He is still confined to his home, but is recuperating satisfactorily.

Raymond J. Ives Jr., 127 College Ave., Culver, was taken by the Easterday-Bonine ambulance to Parkview Hospital at Plymouth Tuesday morning for observation and treatment. His room number is 204, but at the present time no visitors are allowed.

New crop of TRI KAPPA PE-GANS on sale at The Citizen's front counter. Please help the sorority raise money for charitable purposes. Only \$1.50, plus tax, a pound for shelled broken nut meats. 43tnc

Themes Chosen As Adult Class Gets Underway

The adult class in the Modern Novel, under the direction of Mr. Arthur Hughes, met Monday evening for organization and planning of the course.

Mr. Hughes explained that his plan was to discuss three pairs of novels, each pair concerned with a common theme. The first theme will be the emergence of the individual, or the struggle for identity. The two novels dealing with this theme will be Salinger's "Catcher In The Rye" and Camus' "The Stranger." The second theme, the emergence of minority groups, will be discussed as it is treated in Paton's "Too Late The Phalarope" and Faulkner's "Light In August." In connection with the third theme, religious identification, Greene's "The Burnt Out Case" and Kazantzakis' "The Last Temptation of Christ" will be discussed. Mr. Thomas E. Walker will lead the discussion of the last book, as Kazantzakis is a Greek novelist.

The group decided to meet on Monday evenings at 8:00, with the first regular session to be held in the school library on Monday, Feb. 8. J. D. Salinger's "Catcher In The Rye" will be discussed at this meeting.

The six novels for the course may be purchased in paperback form from the Culver High School bookstore during the first week of February. Several extra copies have been ordered to take care of persons who may still wish to enroll in the course.

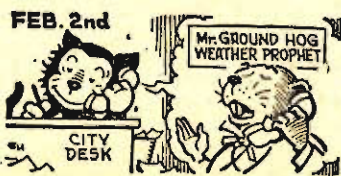

Planning Board Advises Residents To File Petition

The Culver Planning Commission, meeting in regular session on Tuesday night, advised a visiting delegation of suburban property owners how they might petition to be included as a part of the two-mile fringe that is subject to the town's planning and zoning jurisdiction.

The property owners, residing north of town on Road 17 and vicinity, told the board they had been ill-advised by predecessor board members they were already protected by zoning against commercial-type operations. Upon further investigation, however, it was found the areas in question lie just outside the current "contiguous" areas, as shown on the official map in the Town Hall.

State law provides that a plan commission may adopt a master plan for development of the city and "such designated contiguous unincorporated area outside the corporate limits as, in the judgment of the commission, bears reasonable relation to the development of the city, as it shall designate." The area may include all or any part of the area within two miles from the corporate limits.

Plan Commission Chairman Robert Berger told the visitors, numbering about 12, that the board would be sympathetic to their request for zoning protection, and advised that they file a petition at an early date containing the signature of a majority of property owners residing in the neighborhood.

A Tribute To Sir Winston Churchill

"I have nothing to offer but,
Blood, toil, tears and sweat,
These words from a wise man,
We shall never forget:
He fought beside others,
Who struggled for peace;
And in searching for freedom,
He didn't once cease.

Born in Oxfordshire,
In the year of 1874;
This man was to become,
A wise leader in war;
A Member of Parliament,
A Prime Minister, too;
This man proved a genius,
In all he chose to do.

Throughout this world over,
This man won acclaim;
His many deeds brot him,
Honor and fame:
His country he served,
With the best he could give;
And tho he is now gone,
May his name ever live.

To Sir Winston Churchill,
Our homage we pay;
He was an honorary citizen,
Of the great U.S.A.:
Now we too mourn his passing,
And our hearts too are sad;
For this world has lost,
One of the best men it's had.

By Mrs. Mary Andrews Pennington

Town Ordinance Prohibits Dumping Of Oil, Other Wastes In Drains

Following recent improvements to equipment and operation at the sewage treatment plant, Culver residents and business places are being asked to cooperate by not dumping materials into the sanitary sewer system that would impair the plant's operation.

The Culver Town Board called attention to Ordinance No. 167, "An Ordinance Regulating The Use Of Sanitary Sewers" passed in 1961, which prohibits the dumping of such materials as oil and petroleum products, greasy or fatty materials, stone dust, sand, sawdust, or metal wastes. Fines of from \$5 to \$200 are provided for violations.

Board members noted that such materials in the sewage not only impairs sewage treatment but can cause damage to equipment.

The ordinance says, in part: "It shall be unlawful to permit or cause the flow of any of the following substances into the san-

itary system of the Town of Culver.

(a) Any grease, fatty material, offal or unshredded garbage.

(b) Any stone dust, sand, dirt, gravel, sawdust, metal filings, broken glass or any material which may cause or create an obstruction in the sewer.

(c) Gasoline, benzine, fuel oil, or any petroleum products or volatile liquids.

(d) Milk or any liquid milk waste products in quantities in excess of five (5) gallons during each 24 hour period."

It is also unlawful to permit or cause the flow into the sanitary system any septic tank sewage or effluent from dry wells, vaults, septic tanks or other container devices except as provided under the control of the superintendent of utilities.

Chemicals such as cyanide, phenols and bio-oxidation resistant chemicals are also prohibited.

Mildred Medbourn, Former Resident, Dies At Age 44

Miss Mildred Medbourn, age 44, died in Memorial Hospital at Logansport Thursday evening, Jan. 21, after an illness of a few weeks.

The daughter of Lula Warran Medbourn and the late Wilfred Medbourn, she was born in Culver Jan. 8, 1921, and lived here before going to Logansport several years ago.

Surviving with her mother, who lives in Logansport, are a sister, Violet of Chicago; and three brothers, Joseph of Frankfort, and Frederick and Leo, both of Logansport. There are several relatives in Culver.

Funeral services were held at the Fisher Funeral Home in Logansport at 1 p.m. Monday, Jan. 25. Burial was made at Mt. Hope Cemetery, Logansport.

... You'll get fast and satisfactory service through the Want Ad section of The Culver Citizen.

CULVER RAINBOW GIRLS PLAN FOOD SALE SATURDAY

Rainbow Girls are reminded of the Food Sale they are sponsoring in the Easterday-Bonine Funeral Home on Saturday, Jan. 30. The girls should take their food to the funeral home by 8:30 a.m. so that the sale may start at 9 o'clock. The girls who do not take food will be billed accordingly. The girls appointed to work on the various shifts should not forget their obligation.

DON'T send the kids to church — TAKE 'em!

Jaycees Complete Beatty Hospital Clothing Project

Bill Stubbs and Eddie Amond, co-chairmen of the "Christmas in January" project of Culver Jaycees, reported today that the project was successfully completed with the delivery of wearing apparel to Beatty Memorial Hospital, Westville.

The Jaycees said \$20 in merchandise from Culver Clothiers was given to two boys, Bobby Kuhns and Larry Howard of the Children's B-1 Ward. The items of wear — boots, gloves, and hats — were delivered by Dr. and Mrs. Joseph Howard, who traveled to Westville to make the presentations for the Jaycees.

Ed Amond, representing the local Jaycees, attended a meeting last week in South Bend of the South Bend Chamber of Commerce and Purchasing Agents Assn. Expansion of industry was discussed by the 100 attending, and Dr. Herbert True, marketing analyst and lecturer, spoke on the subject, "Be A Champion in 1965."

Amond and Joe Anderlohr were in Fort Wayne on Tuesday night, attending the Distinguished Service Awards and Bosses Night dinner of Fort Wayne Jaycees. Paul Harvey, news commentator, was the guest speaker.

Ron Tusing has reported on plans of Jaycees to cosponsor a benefit dance in March with the Maxinkuckee Junior Women's Club, with the proceeds to be used toward improvements in the Culver park.

The development on an image intensifying tube will give small telescopes the same power as large ones, reports Electronics, McGraw-Hill publication. The intensifier triples the amount of light a telescope can record. The producer says that now smaller telescopes can rival the unaided capability of the world's largest instruments.

Culver's Share Of Vehicle Taxes Totals \$11,490

Marshall County and its incorporated cities and towns received \$613,847.28 for road construction and improvement in 1964 through license fees and other funds paid into Indiana's Motor Vehicle Highway Account by the state's automobile and truck owners.

Statistics compiled by the Highway Planning Survey Department of the State Highway Department show that \$498,916.33 went to the county for this purpose and \$114,920.95 was allocated for road work in these urban areas.

Argos	9,875.03
Bourbon	11,224.66
Bremen	22,582.04
Culver	11,490.15
Lapaz	4,019.33
Plymouth	55,739.74

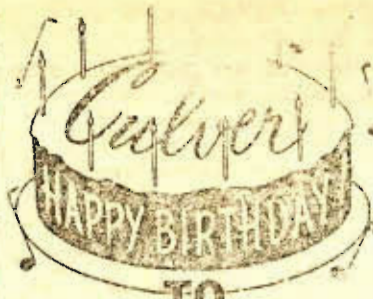

Statewide this account returned \$69,354,291.48 to the state's 92 counties and 550 incorporated cities and towns for road improvement in 1964. The Bureau of Public Roads reports Indiana's trucking industry is responsible for 36.2 per cent of this highway improvement fund, or \$25,106,253.44 statewide and \$222,212.72 in Marshall County and its incorporated areas.

The account is collected through the motor fuel tax, motor vehicle fees, civil penalties, Public Service Commission fees, court fees and state police miscellaneous receipts.

After disbursements to the Indiana State Police, Office of Traffic Safety, Purdue University and to the State Highway Department, the remainder is then allocated to counties on the basis of the number of motor vehicle registrations and miles of roads, and to cities solely on a population basis.

This account is over and above that paid into counties by truck and automobile operators through property tax assessments each year.

CLYDE POPPE RECEIVES DEGREE OF ARCHITECTURE

Clyde Poppe, son of Mr. and Mrs. A. Poppe, 715 College Ave., Culver, received his Degree of Architecture from the University of Illinois at the graduation ceremony held Sunday in the University Auditorium at Champaign, Ill.

Mr. and Mrs. Poppe and Mr. and Mrs. James McCombs Jr. and family attended the ceremony and also the President's Reception for the graduates which followed in the Illinois Union Building.

Clyde Poppe has accepted a position with Wiley and Miller Architects at Elkhart, where he has been employed the last two summers, and will begin his duties there on Feb. 1.

Robert L. Mudra, Former Resident, Dies In Florida

Robert L. Mudra, age 70, of Fort Pierce, Fla. and a former Culver resident, died at 2:30 a.m. Wednesday, Jan. 27, at the Fort Pierce Memorial Hospital.

Mr. Mudra was born May 13, 1894, and lived in North Judson before moving to Rochester in 1948, and lived in Culver for four years before moving to Florida in 1960. He was a retired plumber.

Married Nov., 1915, to Mary Margaret Nagle, who survives. Mr. Mudra is also survived by a son, Robert H. Mudra, of Phoenix, Ariz.; a daughter, Mrs. Blanche Mishler, 427 W. Washington St., Culver; four grandchildren; and four great-grandchildren.

The body is being returned to the Easterday-Bouine Funeral Home in Culver where arrangements are incomplete at press time. Burial will be made in the Culver Masonic Cemetery.

Girl Scout Troop 52 is working on two badges, Backyard Fun and Hospitality.

We have put on telephone skits for the Hospitality Badge and have gone on three cookouts for Backyard Fun.

Cub Scout News

By David Reichley

Den Six of Pack 290 assigned new denners. The new denner is Gary Butler and the assistant denner is David Reichley.

We have just finished puppets made out of old cards, cut up, and string.

The Den is working on bear badges.

By TIM FRAIN, Troop Scribe

Troop 290 met at the Culver Methodist Church basement, Monday, Jan. 25, with 19 in attendance. Opening ceremonies were held by the Flaming Arrow Patrol. Opening activity was "Elephant Roll."

To keep in shape in our Scout Craft we studied map reading, compass reading, and bandaging during Patrol Corners. We then held contests on bandaging. The Beavers won the arm sling and hand bandaging and the Panthers won the knee bandaging. To see if everyone is reading their Boy's Life, we were given a quiz on decoding and could only do it if we had read the January issue. The Panthers won the contest. Dues and attendance were taken, closing ceremonies were held, and we were dismissed.

This weekend there will be an overnight at Tippecanoe State Park. Your meal fee must be turned in to the Scoutmaster before Wednesday evening. Meet at the Methodist Church at 9:30 Saturday morning.

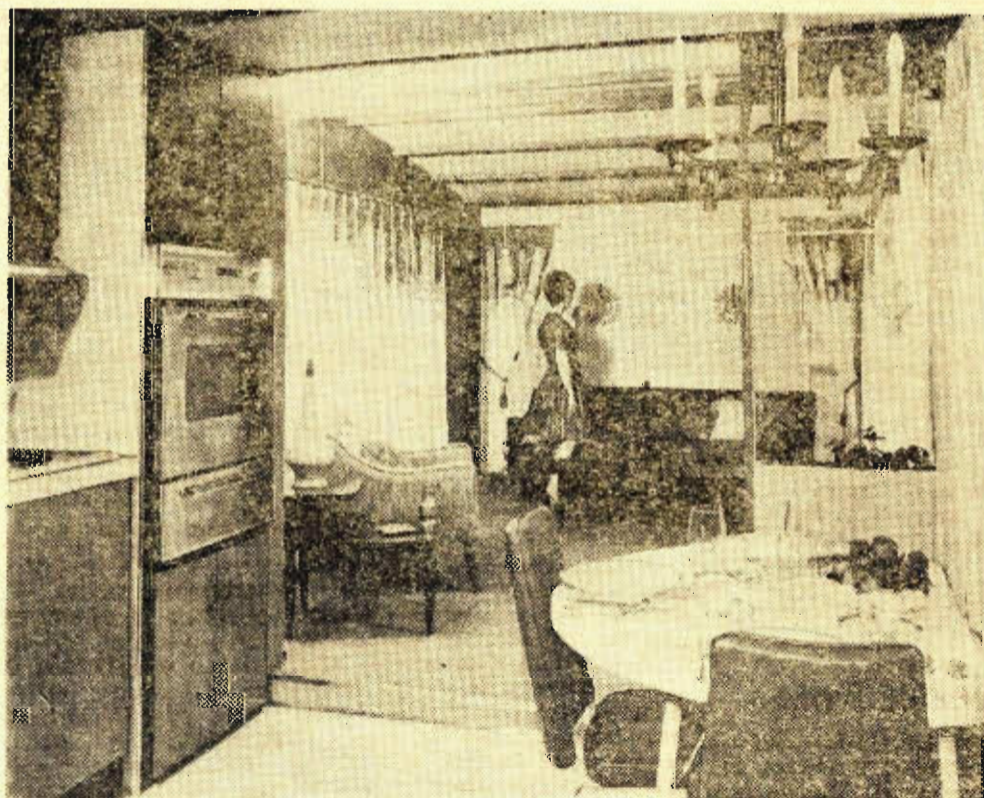

Don't forget your summer camp money, Scouts!

Homecoming Queen At Vincennes University

CAROL OVERMYER, daughter of Mr. and Mrs. Albert Overmyer of Culver, and a graduate of Culver High School, was crowned queen of the 1965 Vincennes University Homecoming at the Ray C. Beless Gym at 8 p.m. on Friday, Jan. 8.

A Vincennes University sophomore majoring in music education and a soloist with the University Ensemble, Miss Overmyer was elected queen by the student body. The crowning took place preceding the Vincennes University-Lees varsity basketball game.

In Queen Carol's court were Elizabeth Thompson of Oaktown; Sandra Leath of Vincennes; Wilma Griswold of Robinson, Ill.; and Nyrene Riggs of Willow Branch, Ind.

Crescent Group Holds January Meeting

The Crescent Group of Grace United Church of Christ held the January meeting Wednesday evening, Jan. 20, in the social rooms of the church with members of the Loyal Women's group as guests.

Mrs. Wilfred Craft, president, welcomed the 28 members and 16 guests and gave the thought for the day after which she conducted the business.

Mr. and Mrs. Jacob Pedersen, who have recently returned from spending three months in Norway, delightfully entertained the group with slide pictures and a talk about their trip.

Rev. Harold Hohman gave the meditation telling of different methods of starting the New Year and reading from the 32nd Psalm. He closed with a prayer.

Hosts for the evening were Mr. and Mrs. Errol Culter and Mrs. E. E. Zechiel.

Legion Auxiliary To Meet

Members of the American Legion Auxiliary will meet at 8 p.m. on Wednesday, Feb. 3, at the home of Mrs. Otis Watkins with Mrs. Harry Speyer as assisting hostess.

Junior Women Enjoy Program On Antique Lamps

Members of the Maxinkuckee Federated Junior Woman's Club met in the home of Mrs. Charles Edgington on Monday evening, Jan. 25. Assisting the hostess were Mrs. James McCombs and Mrs. Francis Fishburn.

A new member, Mrs. John Baker was welcomed into the club. Guests welcomed were Mrs. Patrick McCarthy, Mrs. William Harris, Mrs. Wilber Taylor, Mrs. Dallas Tousley, and Mrs. Lee Tweedy.

The business meeting was conducted by the president, Mrs. Dale

For Ladies and Gentlemen
MRS. VERLY SMITH'S HEALTH FARM
Phone VIKING 2-2287
Culver, Route 2 (County Line Road, West of Burr Oak at Yellow River Bridge)

Heiser, and Mrs. Ted Strang gave the closing thought.

Mrs. John Hoesel introduced Mrs. Evert Hoesel, the guest speaker, who read a delightful short story entitled "A Lamp Is To Shine". She enlightened the members with the histories of different kinds of antique lamps and displayed many of the beautiful lamps which she has in her collection.

Mrs. Kenneth Martin and Mrs. Lance Overmyer presided at the tea table which was centered with a beautiful arrangement of pink snapdragons, baby roses, white pom poms, and pink and white tapers.

Burr Oak Rebekahs Hold January 21 Meeting

The Burr Oak Rebekahs convened Thursday, Jan. 21, in the Culver Lions Den with Noble Grand Sylvia Shaffer in the chair.

After the business meeting, lodge was closed in regular form and refreshments were served to 14 members in attendance. Games were enjoyed to conclude the evening's entertainment.

Culver City Club To Meet February 4

General meeting of The Culver City Club will be held at 8 p.m. on Thursday, Feb. 4, in the Bank Auditorium. Mrs. Shelton Kaiser will give the Thought of the Month and Miss Margaret Swanson will present the music.

Mr. D. Bellinger will be the guest speaker and will discuss the topic, "Pride of America."

The meeting is sponsored by the Literature Group and hostesses will be Mrs. Everett Easterday, chairman; Mrs. Kenneth Cole, Mrs. Veri McFeely, Mrs. Don Trone, Mrs. Robert Zechiel, and Mrs. J. B. Allen.

SHOP IN CULVER!

Mr. and Mrs. Arnold Brandt of Winamac announce the birth of a son on Thursday, Jan. 21, at Pulaski County Hospital, Winamac. The new arrival weighed 5 pounds, 13 ounces, and has been named Jeffrey Dewayne. The maternal grandparents are Mr. and Mrs. Charles J. Baker of Culver. The paternal grandparents are Mr. and Mrs. Ules Brandt of Winamac.

Carolyn Snyder To Be Installed Worthy Adviser Of Rainbow

Parents and friends of Rainbow girls are invited to an installation in the Masonic Lodge Hall at 7:00 p.m. Thursday, Jan. 28. Miss Carolyn Snyder, daughter of Mr. and Mrs. Lester Snyder, will be installed as Worthy Adviser of Culver Assembly 61. Other elected officers to be installed are as follows: Cathy Carrothers, Worthy Associate Adviser; Becky Easterday, Charity; Diane Davis, Hope; Loretta Berger, Faith; Jeanne Adams, Recorder; and Janet Manchester, Treasurer.

The following appointed officers are to be installed: Elaine Kaiser, Chaplain; Brenda McAllister, Drill Leader; Judy Price, Love; Cheryl Zink, Religion; Suzanne Overmyer, Nature; Linda McAllister, Immortality; Judy Thews, Fidelity; Patty Overmyer, Patriotism; and Linda Dismore, Service.

Molly Norris, Musician; Lyn

Mackey, Choir Director; Mrs. Jack Spencer, Choir Mother; Elaine Epley, Hoosier Promise Officer; Janet Zechiel, Historian; Diane Nelson, Confidential Observer; Valerie Carter, Outer Observer; Karen Banks, Prompter; Joan Dillon, Rose Lecturer; and Mrs. J. B. Allen, Mother Adviser.

Advisory Board members to be installed are Mrs. J. B. Allen, Mrs. Fred Banks, Mrs. Jack Easterday, Mrs. Harold Fitterling, Harold Hatten, Mr. and Mrs. Dale Heiser, and Dewey Overmyer.

Mrs. E. W. Carter Hosts Eastern Star Auxiliary

Mrs. E. W. Carter opened her home Tuesday evening, Jan. 26, to 19 members of the Eastern Star Auxiliary for their regular meeting.

Opening thoughts, including a poem, "Be Thankful", by Lena McMinn, and an article from "Guidepost", by Victor Hugo, were given by Mrs. Harold Hatten, president, who then conducted the business of the evening.

Committees were appointed, including the fruit and flower committee under the chairmanship of Mrs. Raymond Manis and Mrs. Cloyde Miller, and the project committee, composed of Mrs. Orville Phelps, Mrs. Evert Hoesel, and Mrs. Muriel Spencer.

The next meeting will convene Tuesday, Feb. 23, at the home of Mrs. Donald Parson and assisting hostesses will be Mrs. Clark Ferrer, Mrs. William Easterday, and Mrs. Hattie Krueger.

The mystery package was won by Mrs. H. B. Maynard. The bridge prize went to Mrs. Jerome Zechiel, Sr. and Mrs. Ruth Ringle won the Finch prize.

Delicious refreshments were served by the hostesses, Mrs. Carter, Mrs. Fred Banks, and Mrs. Hatten.

Mrs. Chester W. Cleveland Entertains Tri Kappas

The regular monthly meeting of the Epsilon Nu Chapter of Tri Kappa was held Monday evening, Jan. 25, at the home of Mrs. Chester W. Cleveland on East Shore Drive.

Plans were announced that Tri Kappa will again sponsor its annual local nursing scholarship card party to be held on Thursday, Feb. 11, at The Culver Inn at 7:30 p.m. Donations for the affair are \$1.25 per person or \$5 per table. Many varied desserts will be served with individual table prizes. A door prize will also be given. Baked goods will be offered for sale.

Epsilon Nu Chapter of Tri Kappa had the pleasure of formally affiliating Mrs. David Ulrich, whose husband is a teacher in the Culver High School. Linda Ulrich was initiated into the Tipton Chapter of Tri Kappa on June 17,

1958. The Ulrichs reside in Venetian Village in Culver.

After the business meeting adjourned, a social hour followed. The red and white Valentine motif was used in the decorations of the refreshment table. A large silver bowl of red and white variegated carnations and glowing candlelight completed this attractive table setting. Those pouring were Mrs. John W. Henderson and Mrs. John F. Edgell.

Mrs. Edgell, vice president, presided at the meeting in the absence of the president, Mrs. Samuel M. Medhourn.

Assisting hostesses were Mrs. Robert A. Barnman and Mrs. George Ogden.

Mrs. Hall Wilson To Be Honored At Farewell Party

Mrs. A. Poppe will entertain members of the Literature Group of The Culver City Club in her home at 8 p.m. on Friday evening

at a farewell party honoring Mrs. Hall Wilson who will be leaving soon to make her home in California. Assisting hostess will be Mrs. Clyde Shively.

Mr. and Mrs. Darrell Carlisle of Plymouth were Sunday dinner guests of Mr. and Mrs. Gerald Osborn and Steven. Afternoon callers were Mr. and Mrs. Larry Osborn and Richard of Buchanan, Mich., and Mr. and Mrs. Paul Osborn of Mishawaka.

Mrs. George Phillips was a Sunday guest of Mr. and Mrs. Garland Masterson at their new home on Lake Manitou, Rochester.

If you have half a dozen insurance policies and several agents calling on you, in all probability you will be over insured in some places, under insured in others, plus some good sized holes in your coverage for good measure.

But let one competent agent handle all your business and he will do a better job, as well as save you time, trouble, and money. We would like to be your agent.

SAVINGS BONDS REPORT

Harold Rose, Chairman of the Marshall County U. S. Savings Bonds Committee, has received a report revealing that the County's Savings Bonds Sales for December were \$65,108 compared with \$85,008 for the corresponding period of last year. The State's sales for December were \$10,432,625 which is a loss of 12.2 per cent compared with last December.

Eighteen of the State's 92 counties reported sales gains for the month when compared with sales of December, 1963.

Poplar Grove

By Mrs. Carroll Thompson
Phone Argos TWinoaks 2-5028

Attendance at Sunday services was 70. Rev. and Mrs. Ray Kuhn and Carol returned home Monday evening after a two-week trip to Naples, Fla. Mr. and Mrs. William Lake who are spending the winter at Naples, took the Kuhns on many interesting sight-seeing tours of the surrounding area — the fishing was good, too. Rev. and Mrs. Kuhn gave interesting highlights of their trip at the morning service. Unfortunately, the Kuhns encountered hazardous driving conditions enroute home and drove Friday, Saturday and part of Sunday on snow covered slick roads. The Kuhns were Sunday overnight guests of their daughter, Mrs. Kenneth Smith, and family at Alexandria.

W.S.C.S. will meet at the church Wednesday, Feb. 3, at 1:30 p.m.

Mel Shriver of Mishawaka was a Thursday afternoon and supper

guest of Lawrence Hissong.

Mr. and Mrs. Herbert Blocker and family spent Sunday afternoon with Mr. and Mrs. Max Edmonds and sons.

Mr. and Mrs. Leslie Mahler spent Sunday afternoon with Mrs. Wanda Mahler at the Fairview Nursing Home. Mr. and Mrs. Stephen Savage spent Sunday evening with the Mahlers.

Mr. and Mrs. Larry Castleman left by plane Thursday morning for their home in Portland, Ore., after a three-week visit here with relatives and friends.

The fourth School of Missions session will be held at Monterey next Sunday evening, Jan. 31, beginning at 6:45. The 8 p.m. speaker will be the Rev. Ray Kretzschmer.

On July 26, 1912, the first tests of airborne radio were conducted at Annapolis, Md. During the first flight, the letter "D" was transmitted at short intervals which was "easily received" by the USS Stringham about a mile away.

News Items About Our Academy Neighbors

(Culled from the January Issue) Of the CMA Messenger)

Thanks to Tony Leon and public relations department, Messenger reporters were given a delightful party at the Dining Hall, Dec. 18 . . . Bob Ott had a big family dinner on Christmas Eve. Bill and Pete were there with their wives and Tom with his girl friend. The latter spent a week with Bob and Louise . . . Margaret and Harry Baker were busy with daughter Jane home, as well as son James and his wife, Beverly. Harry spent a few days between Christmas and New Year's Day in Dayton, Ohio, helping James and Beverly move . . . Elizabeth Porter visited her family during the Holidays, including Charlotte Jones (who used to work in the Alumni Office) and Clois Thornberg and family, Barbara and Jim Jones and family, and the Bob Porters, who took off for Florida during part of the holidays . . . Lt. Col. and Mrs. Kermit Zieg and family spent Christmas in Columbus, Ohio, with Mrs. Zieg's mother, Mrs. Fisher.

George Kerrigan of the building and grounds department, is getting along well after his fall on the ice last month. He is going to have his heavy cast removed from his leg and a much lighter one put on this week. He does not know at this point how soon he will be coming back to work full-time . . . Mrs. Blanche Mishler has been called to the home of her parents in Paradise Park, Fort Pierce, Fla., where her father is seriously ill. Blanche left Culver Monday morning, Jan. 4, and was to arrive there the next day about noon . . . Bob and Doris Crayercraft have after almost nine years of mobile home living, sold their trailer and moved into a house at 309 South Plymouth St., in Culver.

The major news around the Military Science Office at present is the move which took place on

Jan. 6. We are now located in what was formerly the Faculty Lounge under the Dining Hall . . . It appears that Christmas was survived by all in the office. Some took short, solo trips: Lt. Col. William Scruggs went to Georgia and Sgt. Maj. Clarence Sprouse went to Washington, D.C. Others took longer leaves: Sgt. Richard Wright and family went to Maine and New Hampshire to visit relatives while Sgt. Otis Watkins and family travelled to Lawton, Okla., also to be with relatives . . . Lt. Col. Scruggs in his capacity as Commandant of Cadets accompanied the Cavalry Squadron to Washington for the inaugural parade.

Q. M. Store employees spent the holidays with their families. Blanche and Mike Jacobson visited Blanche's son and family in Plymouth, Christmas Day . . . Ray and Dorothy Manis traveled to Elwood for a couple days. While there, they attended the holiday tournament which his son's team won. Grandson Mike was a playing team member.

Nancy and Bill Kersey became the proud parents of a baby boy, Dec. 17. He has been named Richard William (Rickie) . . . Margaret Clyne took a three week vacation, extending over the holidays; spending a big share of it in Indianapolis with relatives. From the Saturday after Christmas until the following Monday, she and her husband enjoyed the company of their children and families (22, to be exact!) . . . Dorothy Thews took a week's vacation before Christmas . . . Mary Lou and Jim Scobee took a week of vacation after Christmas, spending it in Indianapolis with relatives . . . Myra Geiselman took several days to be home with daughter, Sue, and her family . . . Pete Trone left for Florida the day before Christmas and returned Jan. 3.

Welcome to Mary Jane Eckert, bride of Carl Eckert as of Dec. 19! She thinks of Ann Arbor, Mich., as "home" although she was born in Pittsburgh, Pa. She went to school at the U. of Michigan — an art major — and stayed on to teach 7th and 8th grade science, and, the last four years, kindergarten, her special love. The Eckerts have bought the

Robinson house at 431 Forest Place which makes it very convenient to Bonnie Moore, who is the same age as Mary Jane's daughter, Marie — seven years old. She also has Robert, or Bobby, who is eight years old.

At the rate the hospital list was growing around the middle of December, it looked as if the next faculty meeting would have to be held at Parkview or Memorial! Abed lay Dean Benson, Chet Marshall, Coke Smith and Dave King. Happily, they're all up and about again . . . Lew Stone thought for awhile that he'd miss Christmas at home when he took a bad fall in the bathroom and injured his leg. X-rays were taken immediately and showed that the bone was not broken, "only" bruised, and muscles were pulled . . . Jane Matson took the hard way out to travel alone at Christmas by awaking with an overwhelming case of the flu on the morning the family was to leave for a California vacation. It was too late for four reservation changes, so Bob and the boys went on ahead, leaving Jane to recover and follow two days later!

We all know it's a small world. But Eric Anderson and Horton Reed "beat all" when they met on the Pennsylvania turnpike, pulled over to the side — after all, it was an emergency stop, wouldn't you say — and had a good visit. Eric reports all is well with the Reeds . . . Phyllis and John Roos trained, the northern route, to San Francisco for the Christmas holidays, then worked their way down to Los Angeles to take a train to Chicago via the Southern Route. Now comes the "small world" department: In the big L.A. train station who should be waiting for the same train? Jane, Bob, Mark and Todd Matson!

At the last minute, Peg, Bill and Carol Covington decided to spend Christmas with daughter (and sister) Cay Thomas at Groton, Conn. After Christmas they made the circle around and down to Rockingham, N.C., to spend a few days with Coy's mother. They delivered the goods to the family that young Bill arrived back in the States from Viet Nam in time to help wife, Ann, celebrate their first wedding anniversary.

The Gollnick and Bryant house-

holds were a-buzz during the holidays when each family entertained college kids and their parents at good ole' get-togethers . . . Looking tan and hearty these days after soaking up the warm sun of Nassau over the holidays are Mrs. Earl Bayless and Charlie, John Hartley and Hugo deQuehen . . . Brownie and Winnie Brown with the children, saw the New Year come in in Blue Island, Ill., where they were visiting their friends and Academy Summer School patrons, the Mervin Beatties . . . Ruth Gollnick's sister and her family, Mr. and Mrs. Donald Wall, and Ginger — from Eau Claire, Wis., stopped overnight in Culver on their way to Miami to catch the plane for the Canal Zone, Panama, to visit their son at Christmas . . . The Navy can have heart as evidenced by Earle Smith's presence with Virginia and Coke over New Year's.

Sunny Blair is looking forward later this month, to entertaining her mother, Mrs. Herschel, from Philadelphia, and her aunt, Mrs. Olga Battofsen, who is spending six months in the States with Mrs. Herschel . . . Rosemary Robinette will take the steering wheel in hand, with "Wim" beside her, and take off for Washington, D.C., on Jan. 15. She's looking forward to the trip, the farthest she's ever driven alone, staying with one sister and seeing her other sister who lives there. Of course, she'll watch the Inauguration and the Black Horse Troop marching in the parade. The rest of the week will be spent visiting friends there, including Robert Clendenin, and Louise, who's going for the Inauguration. Bob is back on active duty with the Navy, stationed in Washington for the next five years. In the fall, with the youngest Clendenins ensconced in the Academy, Louise will be joining Bob in Washington.

Miss Heiser of the Library is wearing a lovely diamond ring given her by Jerry Cooper, of Indianapolis who will graduate in June from Gallaudet College, Linda's Alma Mater in Washington, D.C.

Abbie Thomas was a guest at the family gathering at the home of her son, Keith and family at Leiters Ford on Christmas night

. . . Frances and Ralph Geiselman entertained her family at supper in their home on Christmas Eve . . . Mr. and Mrs. Vern Jones and family are visiting Mr. and Mrs. Wallace Starr and family for a belated Christmas . . . Mr. and Mrs. James Humes spent Sunday with Mr. and Mrs. Cecil Humes and family . . . Christmas and New Year's were celebrated at the Raub house with family and grandchildren. New Year's guests were a nephew and family from Maryville, Tenn . . . Foster and Sylvia Butler had potluck dinner in the home of their daughter, Mr. and Mrs. Poe Napier and family. Present were Mr. and Mrs. Robert Butler and family and Mr. and Mrs. Carlo Napier and children. New Year's Eve was spent with Mr. and Mrs. Alvin Ewing of Monterey.

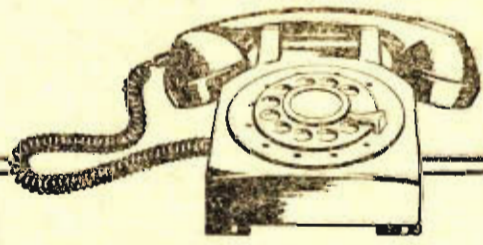

On Christmas Day there was a get-together for all the children and friends of Agnes Drang and Jim. They included Mr. and Mrs. Virgil Gaines and children of Bass Lake, Mr. and Mrs. John Drang and Sherry of Gary, Mr. and Mrs. Richard Drang of Monterey, Mr. and Mrs. Robert Drang and family, and Cecil Burkett, Judy, Gary and Randy . . . Cpl. Jerry Kimmel, who is stationed at Camp LeJeune, N.C. spent Christmas with Margaret and Lester Kimmel. They were all guests at a family gathering Christmas Eve at the home of Mr. and Mrs. Bill Stokes in Mishawaka. Mr. and Mrs. Charles Reed also spent Christmas with her parents, Margaret and Lester Kimmel.

Eva and Glenn Doll spent the holidays in Columbus, Ohio, guests of Mr. and Mrs. Larry Poling and children Tim and Kelly . . . Marguerite White spent part of the vacation with her sister, Mrs. Susie Peterson.

The Coast Guard icebreaker Northwind and the Navy icebreaker Burton Island became the first vessels to traverse the previously-impassable McClure Strait, the ice-locked western entrance to the Northwest Passage in the Canadian Arctic on Sept. 4, 1954.

IT'S A FACT!

CHRISTMAS CAROLS

The singing of carols by bands of "waits"—groups of public musicians—at Christmas, originated in seventeenth century England—and is still practiced today!

The first Christmas carols were danced to as well as sung—very much like the country square dance of Colonial America.

Group singing has again come into popularity. And the versatile, modern, player-piano lets families recapture the joy of singing along to the popular tunes of today and yesterday, as well as favorite Christmas carols. With the Pianola everyone takes a turn playing.

THE SCHOOLBELL

PUBLISHED WEEKLY BY THE PRESS CLUB OF CULVER HIGH SCHOOL

Relief, relief, relief! This was the general sentiment of students last week after the torturous first semester exams were finally over. Report cards (boo!) have been sent out and returned, and we can begin another semester with a clean slate. Relief is just — a semester away.

Most people are so overjoyed that tests are over that they go about singing some kooky-sounding songs such as: "I got a doggie named LeRoy. He can beat your dog any ol' time. I got a doggie named LeRoy, and we're just two of a kind. La - la - la"

Well, a couple weeks ago we mentioned the senior, junior, and sophomore crazy mottos. Since then we have had several complaints from the freshmen saying we should broadcast their slogan. So with much pain, here is the freshman slogan: "We are neat (?) We are great (?) we're the class of '68!"

Take heed all seniors taking analytics!! If you don't know the distance formula by now, you'd better know it when you have it on a pop quiz one of these days. If you miss it, Mr. Hughey has threatened to stab you five times with an old Goldwater butter! And that would smart a little bit.

Hip-hip-hurray! One more Tomahawk deadline and we're done! Gee, Max, did you have a little problem coming home from Indianapolis last week? It seems that Max got stuck in the snow and then, as he "flew" home, he got a ticket for speeding! Your kind of luck we can do without.

Here is a special request from Susie Spencer: Will you mean senior boys stop putting Susie on top of the lockers — PLEASE?

Baffling question of the week: How come Molly Norris is all of a sudden so wild about red hair?

Hup, two, three, four . . . Here we go - ho, ho, ho - trample, trample through the snow. Don't be alarmed. That's just four senior girls taking their noon walk to the park. Right C.C., K.E., J.I. and J.A?

Speaking of snow, someone ought to tell Joan Dillon to go sliding down a hill on a sled, NOT on her stomach. That's doin' things the hard way.

The high school history and civics students had the rare privilege of taking the "Time" magazine current event test. On it were a hundred terrific little questions that everybody should know the answers to. For example, see if you can answer these: (1) A Parliamentary debate that has raged since last May over the design of a new Canadian flag reflected the: (A)

Movement toward union with Great Britain. (B) Influence of the flagmakers' lobby in Ottawa. (C) Political troubles of Prime Minister Lester Pearson. (D) Impact of pop art in Canada. (2) The Economic Opportunity Act of 1964 provides for major anti-poverty programs including part-time jobs for needy college students, and: (A) A nationwide Job Corps for high school dropouts. (B) Across-the-board federal pay raises. (C) Closed-circuit TV for kindergartens. (D) Tax reductions for U.S. corporations. (3) In a striking victory over his Marxist opponent, Eduardo Frei was elected President of Chile, the first time a Latin American leader has come from this political party: (A) The Tories. (B) The Christian Democrats. (C) The Buddhists. (D) The Fronde. (4) The first live TV transmission from the Orient was broadcast from the Tokyo Olympics via a satellite high above the Pacific. Its name: (A) Sigma 7. (B) Gemini. (C) Syncom III. (D) Peter Pan. (5) The 1964 Nobel Prize for medicine went to Konrad Bloch of Harvard and Feodor Lynen of the University of Munich for their basic studies of cholesterol, suspected of playing a role in: (A) Circulatory diseases. (B) Asian flue. (C) Encephalitis. (D) Germ warfare. The answers are below. Special congratulations to Ellen Pietka and Linda Thurin who got 94's on the test, and Lucinda Ricciardi who got a distinguished 96 on the test.

Last week the upper six grades were fortunate enough to attend an afternoon convocation at CMA. Both the Gas Light Singers and the Woody Herman jazz band were great. Why were you so interested in the first group, Mr. Wolfe?

From the sour notes that emerge from the band building, it is easy to figure out that piano-vocal and instrumental contests are near at hand. Many students have been practicing many hours to perfect their solos and ensembles. Lots o' luck to everyone participating.

Hey, Pat O., have you figured out what a zilch is yet?

Congratulations to Bob Alberts who passed his civics exam and got an "A" on his math exam!

Really, Jim Weirick, is that nice to put gum behind Diane Davis's ear? And by the way, Diane, what's this we hear about you and Sheryl F. thinking that all boys are duds?

Mr. Crabb has a new hobby. He likes to peel the paint off the typing room walls and sell it to the seniors as a souvenir!

Carolyn Snyder said we weren't supposed to say anything about her and a certain someone else. So we won't . . . eh hem!!

Where are those dogs coming from — look at those palm trees — whose teeth are those all over the floor? No, this isn't a dog fight on Miami Beach, but rather the little Sunbeams putting on some skits at a Sunshine meeting.

You naughty junior girls! You shouldn't pick on a pool little innocent boy like Mike Eustis. Those nasty girls put glue and gum on Mike's locker, and Mike

didn't notice it 'til it was all over him. We sure do feel sorry for you, Mike. Good work, girls!

Jim Boswell doesn't seem to be able to keep track of his coat. First he thought it was at one end of the room, and then at the other. Oh, well, at least he got his exercise for the day.

Hey, Linda, how did you get those red spots all over your legs anyway?

Well, gang, it looks as if it is just about time to hit the road for this week. So, as the sun sinks slowly into the west (what sun?), we leave all the underclassmen with this little gem of wisdom: Look up to all the seniors because they're better than you are!

P.S. The answers to the five questions above are: (1) C. (2) A. (3) B. (4) C. and (5) A.

For The Good Of All

By SUE COLE

January is the time for fresh starts. The state and national governments are starting a new year with a new body of officials. Now more than ever these governing officials need help and cooperation from everyone.

There is no better time than now for all to forget their differences of opinion, parties, or race. After the bitter fight between parties, everyone should strive for a common goal — better government for the good of all. After all the entire idea behind party differences is to produce the best governing body possible.

Since we have just witnessed the inauguration of both state and federal officials, we should doubly try to be as much of the basic power as possible. The power of government lies in the hands of the common people. Without the aid and assistance of the common people, government would have no meaning.

During the voting time, the responsibilities of the people are doubly stressed. Now that the election is over is no time for people to forget their duties to themselves and their government.

Now that the criticisms have been aired, let's all strive to have

SCHOOL MENU

By Barbara Winters and Ann Walte

(Beginning Monday, Feb. 1)

MONDAY: Ravioli, green beans, carrot sticks, plums, bread, butter, and milk.

TUESDAY: Barbecued hamburger, corn, potato salad, date pudding, and milk.

WEDNESDAY: Turkey and dressing, peas, lettuce salad, Jello with fruit, bread, butter, and milk.

THURSDAY: Meat loaf, parsley potatoes, coleslaw, peaches, bread, butter, and milk.

FRIDAY: Baked beans, potato sticks, cheese salad or peanut butter sandwich, cabbage salad, and milk.

Students Speak Out On Driving

By Patti McCombs

When a group of students were asked what they thought of teenagers being able to drive, this is what they said:

Linda Baker — Definitely! (As long as they have their drivers license, of course).

Cheryll Zink — The teenagers of today, I think, should be able to drive. It takes mature actions and thinking. Not necessarily adult actions. Many teenagers are more mature about driving than adults, so why not?

Patty Overmyer — Sure, if they aren't a hazard to other drivers.

Bob Crow — Indeed they should be able to drive. Most teenagers are good drivers; there are only a few bad ones.

Mike Eustis — I fully believe that all teenagers who are responsible should be allowed to drive. Of course when they go around hitting trees . . . ?

Dave Lemar — The teenage starts at 13. Even if a 13 year old could pass a written driving examination, he couldn't see over the steering wheel. Actually, driving tests are too simple. If my sister could pass one, they have to be! There should be less instead of more teenagers with driving privileges, since the roads are too cluttered up with people who need the use of highways for their jobs and getting to their jobs. It would be good for the general economy though, if all teenagers could drive. Think of the gasoline and maintenance these cars would need.

Doug Lindvall — I wish you would have to be twenty-one to drive. If this were true, I'd certainly be a lot richer and a lot better off!

Ray Harness — Definitely! We meet the same requirements as do adults to drive. We should be allowed the same privileges.

Brenda McAllister — Why not? If we take the same test and drivers training, we're trained aren't we?

The Shadow

By Dave Lemar and Doug Lindvall

The first time I saw our man today was about 8:03 a.m. He was half asleep, hands in pockets, eyelids drooping, with a physique befitting an ostrich. He was tardy to English class, thus starting another day of learning.

At the outset of English I asked our man for two pieces of paper on which I am writing this report, to which he sustained as soon as the cafeteria menu was read, he asked me what we were having in the cafeteria. He started to open a book in the projection room and sat there staring at the dark pages until he fell asleep. When he finally returned to English class and to light, he commenced reading, ignoring everything including the semester test placed on his desk. While everyone else was in tears and experiencing acute anxiety, his face displayed tranquility resulting from the contents of his book.

In Physics he would attempt a laboratory problem. Although our man, at times, shines in physics, he experienced a difficult day. The temperature rise in his calorimeter can was three times as large as anyone else's. To the class' dismay, the boiling water required for the problem was located on his desk, directly resulting in first, second, and third degree burns to members of the class and teacher.

We then filed into economics class to find a current events test awaiting us. If our man would only stay awake, we could find out how much he knows about outside of Culver. About midway through the test I turned around to see how he was doing. He was reading his book. Either he did tests quite fast, didn't know many answers, or couldn't wait to find out what James Bond was doing.

Analytics proved no problem for our man, because he came out of class not knowing what the subject was. He read his book instead of listening to Mr. Hughey's fine talks.

Lunch time was spent in the obvious manner. Study hall preceded noon hours, so our man sat down to read his book. Since he had never turned in a book report for English some people thought he couldn't read. Either our man was faking or he had

discovered some material which attracted his attention. Oh, well!

Avoiding the scrutinizing sight of the Shadow, we received reports on our man. Sixth period one was that he got lost going from study hall to his locker, and another that he had lost his book and had committed suicide. All but one of these was verified.

Study hall has become an abstract term to our man. He calls it "nap hour." After six periods of mental stress, he feels he deserves a rest. Teachers don't like this attitude, but they are powerless because they cannot wake him up.

Eighth period has arrived, and we received our report cards for the first semester. The last time I saw Dennis Westcott, he was in a state of shock and suffering from withdrawal symptoms. It seems he likes C.H.S. so well, he will return again next year.

"Ground Hog Day"

By Karen DeWitt

Well, Ground Hog Day is almost here. The Pennsylvania Germans started this American legend long ago. According to tradition, the ground hog or woodchuck, on Feb. 2, awakens from his long winter sleep. He sticks his head out of his home in the ground and looks around. If the sun is shining and the ground hog sees his shadow, he becomes frightened and crawls back into his hole. Then winter lasts six more weeks. If the day is cloudy and the ground hog can't see his shadow, he stays out of his hole and winter has come to an end.

Almost everyone knows all about Ground Hog Day, but not about the ground hog himself. His real name is woodchuck, he's from 15 to 18 inches long, has long, coarse fur — rather black and gray above, and chestnut-red below — his legs are short and thick, and his tail is bushy. He has a broad, flat head and long whiskers.

Most woodchucks are of no economic value. Their flesh does not have a good taste and their hair is too coarse to make good fur.

However, the story about Ground Hog Day has no basis and is merely a false belief or superstition.

Regulations For Obtaining Auto License Plates

This year as in the past two years the local branch of the Bureau of Motor Vehicles is following the rules and regulations set forth jointly by the State of Indiana Bureau of Motor Vehicles, the State Board of Accounts and the State Board of Tax Commissioners. These regulations are set to provide a uniform procedure by which better controls may be established over the registration and assessment of motor vehicles; and for the enforcement of the collection of personal property and poll taxes as a condition to the issuance of motor vehicle license. Special instructions set out for License Branches were prepared by the Bureau of Motor Vehicles; those for the County and Township Assessors by the State Board of Tax Commissioners; and those pertaining to County Treasurer by the State Board of Accounts.

Auto License Branches CAN NOT issue plates for any vehicle unless the applicant presents to the Branch at the time of application, his paid up "B" Copy of Marshall County Personal Property (yellow) tax receipt with the treasurer stamp stating all poll and personal property taxes are paid. License Branches cannot issue plates by stamping an application "Tax Receipt Shown", but must copy information from the paid tax receipt directly to the plate application.

Any applicant for license who owns no personal property subject to personal property tax, or has never been assessed for any personal property or Poll Tax in Indiana, must file an affidavit with the County Assessor. These affidavits are numbered and notarized by the County Assessor, and must be presented to the License Branch upon application for a plate on a motor vehicle.

Applicants who have moved to Marshall County from another County in the State of Indiana must also apply to the Marshall County Assessor for a clearance in this county and present said clearance to the License Branch to purchase plates.

The License Branch can issue motor vehicle licenses only to residents of Marshall County and can accept only a paid "B" (yellow) copy of the Personal Property Tax Receipt or Tax Clearance signed by the Marshall County Assessor in the same name for which the plates are being purchased.

Any charitable, educational or religious organization allowed an exemption will be required to obtain a tax clearance statement from the County Assessor. A tax receipt or tax clearance

statement must be submitted to cover every name shown on the registration form.

For the convenience of Marshall County residents the Plymouth License Branch has extended its hours during the months of January and February. During these two months the branch is open through the noon hour and all day on Saturday. The daily hours are from 8:30 a.m. to 4:30 p.m. with the exception of Thursday when the Branch is closed at noon.

Tax Refunds May Be Taken In U. S. Savings Bonds

Savings Bond Chairman for Marshall County, Harold Rose, today reminded taxpayers that the Treasury Department will once again offer them the opportunity of taking income tax refunds in U. S. Savings Bonds.

The savings option, introduced in 1963, is in addition to the two standard options of taking tax refunds in cash or applying them to next year's tax.

"When a taxpayer elects to take his refund in Series E Bonds," Mr. Rose said, "His money goes to work immediately on two jobs. It begins to build his financial security. At the same time, it contributes to our country's economic strength.

"Every dollar invested in U. S. Savings Bonds makes our economy stronger and our nation more secure. This is a thought every tax-paying citizen should keep in mind when deciding what form he wants his tax refund to take. Those who elect the U. S. Savings Bond option join millions of Americans who are investing in their country's future in this way."

Taxpayers taking their 1963 refunds in Savings Bonds accounted for over \$19 million in bond sales, and acquired more than 240,000 individual bonds, Mr. Rose commented.

"When you check the Savings Bond line on your 1964 tax form," Mr. Rose pointed out, "You automatically assure yourself of two advantages: You provide yourself with an easy method of holding on to your tax refund dollars and a sure way of making it grow 33-1/3 per cent larger at maturity. All it takes is a check mark on Line 21, Page 1, of Form 1040, or Item 11 of Form 1040A. When your mark is made, the rest is

automatic. For example, if you're entitled to a refund of \$42, you will get a \$50 face-value Series E Bond (cost \$37.50), plus a check for \$4.50.

"I hope even more taxpayers than last year will take advantage of this easy method of buying bonds," Mr. Rose said. "It's the surest way I know of to make your tax refund really mean something to you."

JEHOVAH'S WITNESSES ATTEND THREE-DAY CONVENTION AT PERU

The Plymouth congregation of Jehovah's Witnesses returned home Sunday evening after uniting in ministerial training and Christian fellowship with 17 other north-central Indiana congregations at a three-day convention of Jehovah's Witnesses held at the 4-H building in Peru.

The convention program included scriptural talks and demonstrations and a two-hour technical film "Proclaiming Everlasting Good News" Around the World." An immersion service was held Saturday for 13 candidates after a discourse on "Dedicating and Baptism."

Of the 870 in attendance for the main talk "Our Divided World — Is It Here to Stay?" delivered by Walter R. Wissman, district supervisor for Jehovah's Witnesses, 40 were from the Plymouth congregation, according to Stanley Spangler, Plymouth minister.

The conference closed after brief talks by the convention directors.

It was a stimulating and inspiring three days Mr. Spangler stated, and the encouragement received would strengthen all during the critical times ahead.

A Swiss company has found a way to grow better greenhouse vegetables by using an artificial sun, reports International Management, McGraw-Hill publication. A special sensor device turns on a heating system in a greenhouse if the sun dims during the day. The constant heat during the day in some cases improved yields by 300 per cent.

Films Available At The Library During February

The following 16 mm films are on deposit from the Indiana Library Film Circuit in the Culver Library during the month of February. You are invited to reserve the films for showing to your organization, club, church group, etc. Information on these and other films which will be available in succeeding months may be obtained from the librarian.

ANSEL ADAMS -22-b&w- The story of the famous photographer, showing some examples of his beautiful work and stating his philosophy of life. (Int. Film Bureau)

ARTURO RUBENSTEIN -26-b&w- Presents one of the greatest pianists of all time in a Chopin program filmed in his own home. Concert includes "Prelude in F sharp minor," "Nocturne in F sharp minor," "Mazurka in C sharp minor," "Scherzo in C sharp minor," and "Polonaise in A flat." (Rudolph Polk)

AUDUBON AND THE BIRDS OF AMERICA -16-e- Life and work of the artist and naturalist, John James Audubon. (Coronet)

CALIFORNIA AND ITS NATURAL RESOURCES -30-e-s- This film describes the natural resources of the Golden State and depicts how energy derived from her water resources and petroleum and natural gas transformed

a once pastoral region into a dynamic, rapidly growing state with expanding population, industry and agriculture. Shown in beautiful color are some of California's scenic wonders. (Loaned by U.S. Bureau of Mines)

CHARTING THE UNIVERSE -13-c- Astronomers still depend on optical telescopes, such as the Hale, for most of their knowledge of the universe. However, in their search for clues from space they have developed many new tools, such as the radio telescope. (Encyclopaedia Britannica)

FISHING THE FOOTHILLS PROVINCE -14-c-s- This film tours fishing grounds in many parts of the Province of Alberta to show the kind of sport to be had at the toss of a line. (Loaned by CTFPL)

HIMALAYA - LIFE ON THE ROOF OF THE WORLD -22-c- Dwelling on the world's most formidable land frontier are communities of happy people, with a high degree of civilization, a common way of mountain life, but distinct in race, language and creed. The lofty mountain trails provide a meeting place of cultures of approximately twenty million people. (Atlantis)

HONOLULU - PROFILE OF DEMOCRACY -17-e- Analyzes the conditions that make it possible for a variety of cultures and creeds to live and work together democratically in a highly cosmopolitan community. (Disney)

JOURNEY TO NAZARETH -27 1/2-b&w- A modern day pilgrim's journey to the Bible land. (David Novik Productions)

THE LIVING CITY -24-b&w- Produced in cooperation with the 20th Century Fund. An explanation of the congestion in American cities; illustrations of what is being done in Baltimore, Pittsburgh, Chicago, and other cities to alleviate slum conditions and traffic problems, and an optimistic picture of future plans for urban redevelopment. (Encyclopaedia Britannica)

MARK TWAIN: BACKGROUND -13 1/2-c- Uses authentic background, quotations and re-enactments for the study of the works of Mark Twain. Shows his boyhood on the Mississippi to be a source of his major writings. His other works as well are seen to reflect his rich and zestful life. (Coronet)

THE NILE VALLEY AND ITS PEOPLE -15-e- Follows the Nile from its source at Lake Victoria across the African continent to the Mediterranean, and shows why the people of Uganda, the Sudan, and Egypt regard the "Lord of All Rivers" as the symbol of life. Herdsmen, hunters, fishermen, and farmers all depend upon the Nile's waters. (Encyclopaedia Britannica)

NOVA SCOTIA SAGA -15-c-s- Relates the effect of the sea on Nova Scotia in history and indicates the importance of Nova Scotia in the subsequent settling of the American continent. Points out the fact that Nova Scotia is a mixture of races each occupying a section of this small province and maintaining many of their ancient customs and ways of life. (Loaned by CTFPL)

THE OLD ORDER AMISH -32-c- A very interesting film which brings to the screen an intimate study of the 'Old order Amish' (Vedo Films)

PREFACE TO A LIFE -29-b&w- Case study of a boy from birth to maturity giving special attention to the duality of parental influence and their projected results in his adult adjustments. Indicates that a happier adjustment is possible by balanced love and understanding from both parents. (United World Films)

SOVIET UNION: AN INTRODUCTION -16-c- Study of the land, traditions and culture of the Soviet Union. Sequences from pre-

revolution days help show the material progress, the continuity of development, and some of the value changes that have taken place. (Grover-Jennings)

STORY OF HOOVER DAM -35-b&w-e- Shows the construction of the world's highest dam. Contains spectacular work shots, desert and water scenes, and explains the significance of the project. (Loaned by U.S. Dept. of Interior)

TOO GOOD TO BE TRUE -20-c- Bait and switch advertising and selling is causing real hardship in hundreds of families, and it is giving business a black eye. Television star Bud Collyer is the moderator, and a fine cast plays out various Bait and Switch situations — the refrigerator that's "nailed to the floor," the unbelievable used car bargain that's never sold, the \$19.95 rebuilt sewing machine the salesman just won't let you buy, the home improvement scheme. (Audio Productions, Inc.-Assoc. of Better Business Bur.)

UNDERWATER ADVENTURE -11-c- An underwater voyage where some of the most unusual and colorful sea life is seen. The underwater camera brings into focus the French Angel Fish, the Electric Ray, and the ever dangerous Barracuda (Carousel Films)

VIKINGS AND THEIR EXPLORATIONS -11-c- A background film on the Vikings during the ninth and tenth centuries

A.D. showing their homeland their explorations, and their contributions to culture. Recreates the life and times of the Vikings (Coronet)

YOSEMITE -18-c- Portrays the splendor of gigantic valleys and cliffs, shining waterfalls and the dark forests of Yosemite, one of America's famous national parks. Reviews geologic history in showing its development. (Encyclopaedia Britannica)

Personals

Mrs. Chester W. Cleveland of East Shore Drive, accompanied by her mother, Mrs. C. E. Glas, will drive to Indianapolis on Friday to be the weekend guests of Mr. and Mrs. David B. Cleveland. On Sunday they will attend the 41st annual Hoosier Salon Preview and Buffet Supper at the William H. Block Company auditorium. Mrs. Cleveland and the David Cleavelands are members of the Hoosier Salon Patrons Association.

Mrs. George Phillips, State Recording Secretary of Federated Clubs, accompanied by Mrs. Claude Steele of Knox and Mrs. C. K. Graham of Bourbon, both Past State Presidents of that organization, were in Indianapolis Tuesday and Wednesday where they attended the State Board meeting and Mid-Winter Council of Federated Clubs which convened at the Marott Hotel in the Hoosier Capital.

Do You Remember 'Way Back When?'

Highlights of Culver News of 10, 20, 30, 40, and 50 Years Ago This Week

January 26, 1955—

Ground-breaking ceremonies for the new home of the W. A. Fleet Post 163 of The American Legion were held at 2 p.m. Sunday at the Legion site on State Road 10.

Mr. and Mrs. Ernest E. Benedict will observe their Golden Wedding Anniversary Sunday, Jan. 30, with a dinner for the immediate family at their home on Maxinkuckee Road.

Mr. and Mrs. William Anderson are the parents of a daughter born Jan. 23 at Starke Memorial Hospital, Knox.

Announcement is made of the engagement of Eunice Burns to Glen E. Schrimsher.

Judith Reinhold was installed as worthy advisor of the Rainbow Girls in public ceremony Monday evening.

Miss Katie Watkins, age 76, died Wednesday at the home of her niece, Mrs. Ada Lee Tyler, on Mill Street.

January 24, 1945—

Cpl. Ernest Carter, son of Mrs. Goldie Carter, killed a 300-pound Bengal tiger while hunting in Burma where he is stationed.

The stockholders of The State Exchange Bank have voted to increase the institution's stock from \$60,000 to \$120,000 by transferring \$60,000 from the surplus account, according to W. O. Osborn.

Mr. and Mrs. Charles Cook are the parents of a son, William Thomas, born Jan. 20.

O. A. Gandy, age 75, died Dec. 31 in Moline, Ill. He was an expert printer at The Citizen for over 20 years and served as Fire Chief in Culver for a long period.

Charles Cook sold his interest in the Culver Cafe to Leo Butler.

The Culver Indians continued in their post-Christmas slump by losing to both Winamac and John Adams High School of South Bend.

January 23, 1935—

Mr. and Mrs. Hampton Boswell announce the arrival of a son on Jan. 23.

A. A. Keen was instantly killed last Wednesday afternoon when the car in which he was riding skidded on the icy roads near Argos and plunged into a ditch. His neck was broken.

John H. Ellis, age 83, a pioneer farmer, died at his home near De-long Thursday after an illness of five years.

Charles Brandenburg of Argos has moved his barber shop fixtures to the Johnson Building where he will open a shop on the ground floor.

The Maxinkuckee Glee Club will give its first concert of the season at the Presbyterian Church in Plymouth Monday evening.

The weather man's promise of the worst blizzard of the year failed to materialize over the weekend, but it is predicted that the thermometer will drop below zero tonight.

January 20, 1925—

A deal was completed yesterday whereby T. G. Loudon became the owner of the Spangler Grocery, across from the depot.

Mr. and Mrs. John Milner announce the arrival of a daughter, Imogene Rose, on Jan. 15.

Miss Goldie Overmyer and Russell Currens were united in marriage Saturday evening. The young couple will make their home in Burr Oak.

Gen. L. R. Gignilliat was placed on the Foreign Relations Committee at the American Legion convention in Indianapolis Tuesday.

Mrs. Minerva Hartzell was given a surprise dinner at her home last Sunday by 23 relatives and friends in honor of her 95th birthday.

Miss Eunice Lowmaster, a teacher of mathematics in the junior high school, has been forced to give up her work due to ill health. Mrs. J. Rex Newbater will substitute for her during her absence.

January 28, 1915—

This section was in the path of a cold wave which swept across the country from west to east Saturday and Saturday night. On

Sunday morning the low record of the winter was made, the thermometer marking as low as 25 below zero, according to some reports.

A report of the Department of Labor, issued on earnings of females in Indiana department and retail stores and factories, shows from statements of the employees that saleswomen receive \$7.86 a week and cash girls, bundle wrappers, etc., \$3.81. The above are average wages.

Solomon Kenrich, age 81, died Jan. 20, 1915, at the parsonage home of his son, Rev. J. F. Kenrich, in Culver.

Colonel Gignilliat left last Monday to attend the convention of the heads of the military schools of this country.

New Telephone Equipment Being Installed Here

Technicians started installing new equipment in the Culver telephone building this week to keep pace with residential and business growth in the area.

Indiana Bell Manager David A. Fletcher said the new equipment, combined with outside cable, will make available 100 more telephone numbers to serve local telephone users.

Direct Distance Dialing facilities between Culver and the long distance center at South Bend also will be expanded. Fletcher said the volume of DDD calls continues to increase.

The local installation project will cost more than \$12,000 and is scheduled for completion in mid-March. Men from Western Electric Co., the manufacturing and supply unit of the Bell System, are installing the equipment.

BARBARA MOORE RECEIVES STUDENT TEACHING ASSIGNMENT AT CULVER

Barbara Lee Moore, 432 Liberty St., Culver, teaching second grade at Culver Elementary, is among 180 Indiana University students who have received student teaching assignments for the spring semester.

The trainees will teach kindergarten through grade six in elementary schools throughout the Hoosier state, and in some instances, special education courses for the mentally and physically handicapped.

All classroom activity by the trainees will be supervised by experienced and certified teachers.

Electronic Machines Read Zip-Coded Mail

Postmaster E. W. Mattox said this week that he has received word from Postmaster General John A. Gronouski in Washington, D. C. that a big "break-through" has now been made on electronic machines to "read" ZIP-coded addresses on mail.

"The Postmaster General said he expects to begin installing these sophisticated new machines in major post offices in about a year," the postmaster explained.

Mr. Mattox said each machine will be able to sort, as well as read, at the rate of 35,000 letters an hour.

The offices to get the address readers have not been announced, but the local postmaster said they will have significant effect on the mail in and out of each community regardless of whether it gets the new machines.

This is because they will speed incoming mail to smaller offices from major cities and step up the dispatch of mail deposited in smaller communities but which must be processed enroute at major mail massing points.

The postmaster emphasized however, introduction of the "seeing eye" device next year does not mean ZIP Code isn't useful already.

"ZIP Code," he explained, "is important in mail handling under the system of mail processing already in use which will continue to be in use as the basic system at most points. These machines will be just another step — in conjunction with the mechanical mail sorting machines we have developed — to help keep pace with the growing volumes of mail. Neither will the machines endanger jobs — they will only help us meet mail expansion with minimum manpower expansion.

There is now a build-it-yourself computer on the market, reports Industrial Distribution, McGraw-Hill publication. The maker claims the machine is simple to put together and it can solve problems, add, multiply, compare, sequence and memorize.

Leigh Gignilliat To Be Associated With Chicago Firm

Leigh R. Gignilliat, formerly senior vice-president of the American National Bank and Trust Company of Chicago, will become associated with the corporate finance department of Glore, Forgan & Co., effective Jan. 19. He will be headquartered in Chicago.

Mr. Gignilliat, a graduate of Culver Military Academy and a former resident of Culver, retired from the American National Bank in December after 25 years of service.

He continues to serve as a director of the Martin Marietta Company, New York; National

Home Corporation, Lafayette, Indiana; and the Home Owners Insurance Company, Chicago.

Active in numerous civic and charitable activities, Mr. Gignilliat has spent his entire business career in banking, finance and real estate since his graduation from Princeton University.

Glore, Forgan & Co. has principal offices in Chicago and New York and also operates in Los Angeles, San Francisco, and Boston. It recently announced plans to merge with William Staats & Co., leading West Coast investment banking firm.

"Well, you can't say I made any noise coming in last night." "No, but the men carrying you did."

Green Thumb Tips

Because it always seems such a shame to spoil the garden picture by cutting flowers, the house often goes unadorned. Consider this year having a small cutting garden — a few rows of annuals planted just for cutting and indoor use.

The kinds of annuals will depend, of course, on your likes and dislikes but the flower colors of the varieties you grow should be selected to blend or contrast with the color schemes of the rooms in your house.

If you are a lover of Bibb, that crisp, sweet-flavored, buttery lettuce, but have been annoyed because it bolts to seed as soon as the weather warms, try growing Buttercrunch. With the same flavor and quality as Bibb, this variety is slow to bolt to seed and can be grown not only in cool weather but all season long.

Special for new gardeners: The nicest thing about growing a first year garden of annual flowers is that any mistakes you make will be wiped out by frost. More permanent plants need to be moved if set in the wrong place — not so annuals.

Bigger and better crops of muskmelons result when the plants are kept mulched with black plastic. Try it!

Have you ever grown sweet sultans? These relatives of cornflowers or bachelor's buttons should be sown in early spring where they are to bloom. Their flowers are larger than those of bachelor's buttons, feathery in appearance and make excellent cut flowers.

Any tall weeds growing at the edges of the garden should be cut now and burned. They harbor eggs of many kinds of insects which, if left to hatch will result in damage to your garden.

MUSIC CONTEST TO BE HELD IN BREMEN

Bremen will be host to the Marshall County Federated Clubs Music Contest on Sunday, Feb. 21, at 2 p.m. in the Grace E.U.B. Church, 321 N. Montgomery St.

All entrants should have their entry forms to the county chairman, Mrs. James Pomeroy, Bremen, by Feb. 6. To be eligible to participate one must be a high school sophomore, junior or senior vocal or instrumental student (excluding piano and marimba), who resides within the county. Each contestant must have their own accompanist.

Winners of the county contest will be eligible to enter the district contest which will be held on March 7 at the Methodist Church in Argos. Winners of the district contest will be awarded a week at Indiana University next summer.

Mrs. I. O. Pfeiffer, Bremen, is the president of the Marshall County clubs.

FEDERATED CLUBS TO HOLD COUNTY ART DISPLAY FEBRUARY 21

Marshall County Federated Clubs Art Display, held in connection with the Music Contest, is scheduled for Sunday, Feb. 21, at 2 p.m. in Bremen Grace E.U.B. Church, 321 North Montgomery Street.

All entries should be there by 1 o'clock in order to place them. Each person must be responsible for their own entry.

The District Art Contest will be held at Tinker's Dam, Michigan City, on Sunday, March 14. The State Contest is to be held in connection with the State Convention in Indianapolis April 29, 30, and

Every SUNDAY 9:15 A.M. WSBT 960 k.c.

May 1.

Each County Federated Club President will receive a list of rules and regulations.

SURPLUS GOVERNMENT GRAIN BINS TO BE SOLD

Twelve surplus Government-owned grain bins are to be sold in Wayne County by auction on Friday, Feb. 5, according to Len-

ard C. Pound, Chairman of the Indiana ASC State Committee. It was stated that the sale would begin at 10 a.m. (EST) and will be held at the Government grain storage site near Centerville, Ind.

The structures are of 3,300 bushels capacity and are made of aluminum. They were purchased and originally erected in 1949 and have only recently been dis-

mantled.

Persons desiring to inspect the property may do so by contacting the Wayne ASCS County Office, 1446 N. W. 5th St., Richmond, Ind. (telephone Richmond 2-4636).

Anyone desiring additional information on this sale or future sales of surplus CCC bins should keep in touch with their local ASCS County Office.

The first action for Marine ground forces in Korea was on Aug. 7, 1950 at the Pusan perimeter. That date was also the eighth anniversary of landings at Guadalcanal.

Morning worship 10:30 a.m.

The vital nature of love as a power that can reshape human lives will be brought out in Christian Science churches this Sunday the Subject is "Love" and the Golden Text from I John (4: 7,8) underlies the theme: "Beloved, let us love one another: for love is of God... He that loveth

not knoweth not God; for God is love."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy describe how men learn to love God. "Simply asking that we may love God will never make us love Him; but the longing to be better and holier, expressed in daily watchfulness and in striving to assimilate more of the divine character, will mould and fashion us anew, until we awake in His likeness" (p.4).

DON'T send the kids to church — TAKE 'em!

A Boy's Best Friend

Gary stood at the window this morning waving and hugging the little plush dog I brought him home from my trip. How easy it is to make a small boy happy. I love to bring him things and take him places and watch the wonder and delight glow on his face, sparkle in his big blue eyes. Right now his Dad is his best friend and hero.

It won't be this easy always. I know that as Gary grows so will his desires and the scope of his delights. I won't be able to supply his every wish or stand between him and the disappointments that come to every boy. But as friend and father I do hope to share with him the principles that have sustained me in discouragement, augmented my joy. These truths I learned from God and my Church and I know of no better way to insure for my son a life of peace and fulfillment than to encourage his religious development.

Go to your church and take your child with you.

THE CHURCH FOR ALL - ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Signup Nears For 1965 Feed Grain Program

Farmers will have an opportunity to sign up in the 1965 Feed Grain Program early in February, according to Carl W. Price, Chairman, Marshall County Agricultural Stabilization and Conservation Committee. The signup period will be for seven weeks, from February 8 through March 26.

During the signup period, winter wheat producers who signed up in the Wheat Program last fall may change their intentions, except that in winter wheat areas growers may not overproduce wheat and store it under bond unless they stated their intentions

to do this at the time of the sign-up last fall.

As in previous years, the Chairman explained, the Feed Grain Program will be voluntary and each operator of farms growing one of the three feed grains covered by the program will make his own decision about whether to take part. The program is available for corn, grain sorghum, and barley.

Farmers who participate in the program will be eligible for diversion and price-support payments, and for price-support loans on their entire 1965 production of the three grains. The price-support payments will be made to participants whether the feed grain produced in 1965 is fed on the farm, sold, or placed under a price-support loan.

To take part in the Feed Grain Program, the farmer will agree to take out of production and devote to an approved conservation use at least 20 per cent of the total feed grain base. Maximum diversion is 50 per cent of the base or 25 acres if this is larger. The reduction may be on any of the three acreages, and the diversion payment will be based on the crop diverted.

Diversion payments, if less than 40 per cent of the base is actually diverted, will be made at one-fifth of the county support rate on the normal production for the first 20 per cent diversion, and at one-half the support rate for the normal production from the remaining percentage. If 40 per cent or more of the base is diverted for payment, the higher rate will apply to all the acreage diverted.

The Zion Gospel Chapel prayer meeting will be held at the home of Mrs. Floy Leap and daughter, Treva Thursday evening.

The Zion Gospel Chapel Missionary Society met with Mrs. Emma Wentzel on Tuesday evening, Jan. 19. The meeting opened with hymns followed by prayer by Mrs. Amanda Wentzel. The lesson was given by Mrs. Amanda Wentzel, who used the topic "Solome, Mother of James and John." The worship was closed with prayer. Roll call was answered by a scripture verse with the word "truth" in it. Entertainment was in charge of Mrs. Agnes Kline after which the hostess served refreshments.

Burr Oak

By Mrs. Floyd Carrothers
Phone VIKING 2-2058

Mr. and Mrs. Lewis Jones celebrated their 22nd wedding anniversary Sunday, Jan. 24, with a pollock family dinner. Guests were Mr. and Mrs. Tony Warner and sons, Miss Hazel Jones, and Joe Bokon all of South Bend; Mr. and Mrs. Arthur Prosser, Russell, Laurel, and Velda, Mildred and Jim Jones of Culver; Mr. and Mrs. Charles Garrett and Tami of Gary; and Mr. and Mrs. Tom Jones and Dennis of Grovertown.

Mrs. Thomas Piper of Plymouth was a Thursday guest of her parents, Mr. and Mrs. Floyd Carrothers.

Mrs. Marie Schiplock is visiting her daughters, Marion and Mary Edie at South Bend.

Miss Hermena Schiplock of Lakeville spent the weekend with her mother, Mrs. Marie Schiplock.

The E.U.B. Circle meeting opened with the opening Prayer Song, "Near My God To Thee." Roll Call was answered by A most useful gift I received.

Birthdays were observed for Mrs. Gladys Prosser and Mrs. Clara Sheppard. Anniversaries of Mrs. Agusta Overmyer and Mrs. Margaret Jones were also observed. Mrs. Prosser thanked the Circle for the cards she received during her stay in Osteopathic Hospital in South Bend. Rossie Moore also expressed her thanks for cards she received during her illness. There were 18 members, two guests, Mrs. Ira Cromley and Mrs. Mabel Davis, and three children present.

Mrs. Robert L. Ross had some beautiful glass ware and gave a talk on it.

Door prizes went to Clara Shep-

pard, and Uretha Walker, guest prize went to Mrs. Ira Cromley, and the mystery package was drawn by Pauline Siems.

Officers elected were Mrs. Gladys Prosser president; Mrs. Dovie Davis, vice-president; Darlene Snyder, secretary; and Inez Humbert, treasurer. Mrs. Pauline Seims gave Devotions. A very nice lunch was served by the hostesses.

Mrs. Helen Cramer and Mrs. Laurena Samelson.

West Side Singspiration will be held at the E.U.B. Church at Burr Oak Jan. 31 at 7:30 p.m.

Mr. and Mrs. Bert Cramer Jr. and Lisa were Sunday dinner guests of Mrs. Wilbur Haney and family at Sidney. In the afternoon they all called on Mr. and Mrs. Dale Gagnon, Lorene and

Janett at Sidney.

Mrs. Bert Cramer Sr. left by bus Monday for Parker, Ariz., for a three-week visit with Mr. and Mrs. Wayne Holdread, Steve and Joy.

Sunday afternoon guests of Mr. and Mrs. Floyd Carrothers were Mr. and Mrs. Darl Vorels of Route 2, Culver.

Saturday guests of Mr. and Mrs. Floyd Carrothers were Mr. and Mrs. William Crossgrove of Plymouth, and Mrs. Betty Bostlinger of Burr Oak.

Mr. and Mrs. Ray Kuchel and Randall Lee of Knox were Satur-

day dinner guests of Mr. and Mrs. Lloyd Maxson and Doris.

HAROLD J. SCHMIDT GETS PURDUE DEGREE

Harold J. Schmidt, son of Mr. and Mrs. Frank W. Schmidt, Route 1, Culver, received his Bachelor of Science Degree from Purdue University in Jan. 23 ceremonies.

Mr. and Mrs. Schmidt also attended a banquet in their son's honor on Jan. 21 in the Men's Residence, H-3 West Lafayette, Ind. Mr. Schmidt majored in the agronomy option.

INDIAN

Indians Trample Argos, 88-65, For Tenth Win

Remain Unbeaten On Home Floor

By EARL D. MISHLER
Culver's Indians raced to their tenth win of the season Friday night, drubbing the Argos Dragons, 88-65, on the home floor. The victory kept in tact the Tribe's undefeated home record at 6-0.

Argos grabbed an 11-4 lead early in the game before 6' 3" junior center Andy Lowry sparked a late first quarter rally for the second straight game. The big redhead tallied 13 points in the first period, which ended, 17-13, Culver.

In the second stanza, the Tribesmen began unloading their big guns. Bruce Lindvall, Jim Boswell, and Bob Eustis paced the surge with eight, seven, and six points, respectively. The Tribe led at halftime, 41-31, as the Dragons stayed in the game only on 14 second quarter free throws.

But it was all over after the third period, as Culver bagged 26 big points. Jim Lewis, held scoreless in the first half, found the range for six points and Boswell matched that figure.

Before Coach Crosley removed his regulars the Indians had built up a 20-point margin in the final period. Eustis, having his best game since early in his junior year, poured in six more points in this frame. Argos again closed the final gap on a flurry of free throws.

Lowry, in addition to a strong rebounding chore, bagged his career high of 22 points to lead all scorers. Boswell, though far from his normal shooting form, chipped in with 18 markers, and Eustis tallied 17. Bruce Lindvall contributed 10, and his cousin, Doug, pleased the fans by returning to action after missing five games.

Wade O'Dell scored 17 to lead the losing Dragons, and reserves Jan Thompson and Jan Umbaugh tallied 11 and 10, respectively.

Both teams pressed throughout the game, partially accounting for the high total of 54 fouls called by referees Goble and Smith. Coach Gene Crosley's man-to-man press again looked good, with fine jobs turned in by Dave Lemar and Boswell on Argos' leading scorers Mark Warrick and Leland Cox.

The Indians, now 10-3, face another rugged weekend, traveling to New Paris Friday and to Plymouth on Saturday. Box Scores:

Culver Travels To New Paris And Plymouth

By EARL D. MISHLER

Now working on a three-game winning streak, Coach Gene Crosley's Culver Indians are preparing for another dreaded double header weekend. In each of the three such previous weekends, the Tribe has been able to gain only a split each time, and in each case the loss has come in the second game.

Friday night's engagement is at New Paris. The Cubs, under Coach Jim Hettler, are experiencing their first losing season in several years, owning a 6-9 record. However, four of their losses have been by four or fewer points, and the Cubs managed to finish second to Wakarusa in the Elkhart County Tourney earlier this month.

6' 2" senior center, Steve Hoffman leads Hettler's offense this season, scoring at a fine 16.8 ppg clip. Backcourt ace Richard Kerlin, a 5' 10" senior, has scored at a 12.5 pace, and forward Charles Anglemeyer scores 11.7 ppg.

Rounding out the New Paris starting five will be forward David Hollar (7.2), a 5' 10" junior, and tiny Bobby Dallman (5.5), a 5' 6" senior guard. Leading reserves are Ken Symensma (6.5) and Bobby's twin, Billy Dallman (2.0).

After suffering through a winless season, and a total of 25 defeats, Coach Myron Peebles has finally shaped his Plymouth Pilgrims into a tough team. And they are Culver's opponents on the Plymouth floor Saturday night.

Having improved their record to 5-9 with wins over Wabash and Knox last weekend, the Pilgrims figure to be "up", gunning for an upset of the rival Culverites.

Plymouth has developed a well-balanced scoring attack, with four boys in double figures. Leading the attack has been speedy backcourt ace, Bill Kotver, a 5' 9" lefty sharpshooter who is averaging 14.6 ppg. Big Al Kralovansky, a smooth 6' 5" junior center, has tallied 12 ppg, playing much of the year on bad legs. John Doss, a 6' 2" senior forward, hits for 10.3 ppg. But, since the new year began, the Pilgrim leader has been 5' 11" junior forward Dave Williams, a baby-faced shooting specialist who has raised a previously puny average to 11.7.

Peebles usually calls on 5' 11" junior Mark Deckard, a former Culverite, for his fifth starter. Mark has tallied at a 7.7 ppg

OFFICIALS: Goble & Smith

pace. Leading reserves are 6' 1" sophomore forward Hugh Jurkiewicz (5.4), 6' 4" center Jim Vinall (2.9), and 6' 2" junior Dave Featherolf (2.8).

Peebles has a young, promising team, which figures to be co-favorites with Triton in next month's Plymouth Sectional.

This weekend figures to be one of the most important of the season as Culver attempts to prove the double-header jinx is pure hokum.

Another rugged weekend appears next week, and the Citizen will preview those opponents, Pioneer Regional and Winamac, in our next issue.

C.H.S. Papooses Cop B-Team Tourney Title

Triumphs Bring Record To 9-4

By EARL D. MISHLER

White Culver's Varsity basketball team awaits a chance to prove it can play two good games in one weekend. Coach Bill Stegemoller's hustling B-Team registered three victories in slightly more than the span of one day. The last two triumphs earned for the Papooses the championship trophy in Saturday's B-Team Tourney.

Friday night the Baby Tribe slipped by Argos, 41-40, on Mike Eustis' 20-foot one-hander with less than 40 seconds to go. Larry Washburn and Randy Wakefield paced the attack with nine and eight points, respectively.

The Papooses entered the all-day tourney affair Saturday with four of their six top scorers in the stands due to disciplinary action. But it mattered little to the fired-up squad, as they defeated Oregon-Davis, 48-43, in the morning, then toppled Argos again, 49-42, for the championship.

In the Oregon-Davis game, the Culver offense was paced by Mark Kosterman's 14 points and George

Jewell's 10. At night the Stegemoller-coached squad was led by Kosterman with 14 more and Ron Babcock with 13. But the tourney triumph represented a great effort on the part of the entire team and their young coach. The Papooses now own a fine 9-4 record.

Culver Military Academy's Freshmen team won the Freshman Team tourney in the evening's first game by stopping Oregon-Davis, 45-39.

In the afternoon the Cadet Frosh defeated Culver's winless freshmen, 50-28. Oregon-Davis had defeated Argos, 37-34, in the morning opener. In the B-Team afternoon contest, Argos bested CMA, 56-42, to advance to the title tilt.

Here are the individual Culver High scoring efforts for the weekend, followed by a summary of the B-Team's season totals.

Culver "B" vs. Argos (Fri.): Washburn 9, Wakefield 8, Jewell 6, Haenes 6, M. Eustis 5, Hatten 4, Kosterman 3, Babcock 0, Jackson 0, Crow 0.

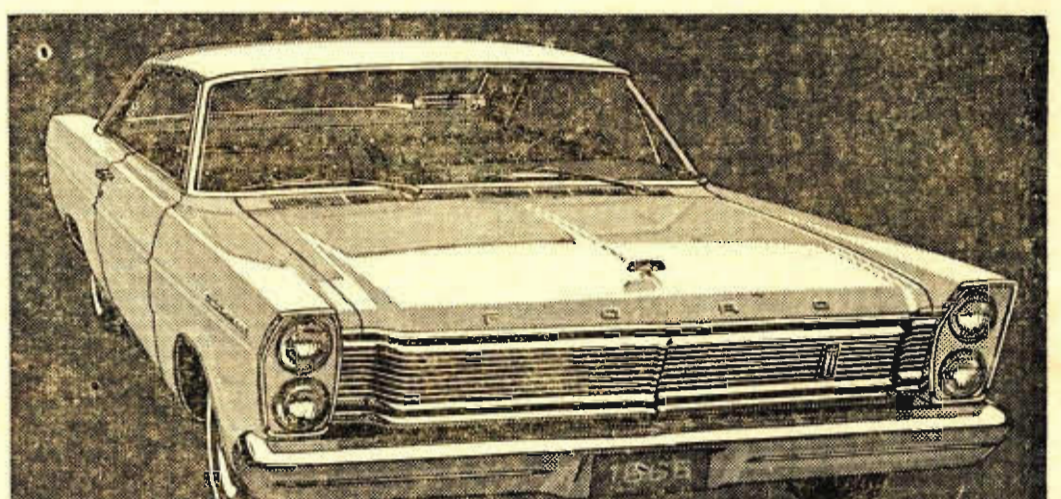

Culver Frosh vs. CMA: Gentry 11, Burns 6, Poor 5, Lindvall 2, Overmyer 2, Davis 1, Taber 1.

Culver "B" vs. O-D: Kosterman 14, Jewell 10, Babcock 9, Hatten 8, Jackson 7, Scruggs 0, Crow 0.

Culver "B" vs. Argos (Sat.): Kosterman 14, Babcock 13, Jackson 9, Jewell 8, Hatten 5.

'65 Galaxie 500 Hardtop

Test the best

'65 Fairlane 500 Sports Coupe

'65 Mustang Hardtop

NOTICE

Since we are moving to California in the near future I have sold Marietta's Beauty Shop to Isobel's of Argos.

Her operators, Margo Fox, Linda Knepfer, and Charmaine Miller, will continue the business in the Trone Building after Feb. 1.

I want to thank all my patrons for their long and faithful business.

MARIETTA WILSON

QUIETEST... IN THE WHOLE RIDE WORLD

Leading acoustical consultants conducted tests in which V-8 powered Ford sedans and hardtops rode quieter than a Rolls-Royce. These tests were certified by the U. S. Auto Club.
