## Culver To Launch Program To Eliminate Polio

First mass feedings in an all out program to eradicate polio from Marshall County, by providing its residents with the new oral vaccine will begin on May 23 it was announced by the Marshall County Health Department and the Marshall County Medical Association.

The vaccine to be used will be the new three-in-one vaccine which is taken by mouth and provides maximum personal protection in two feedings spaced approximately eight weeks apart.

According to Dr. James Robertson progress in combating Infantile Paralysis or Poliomyelitis has been very dramatic but "a single case in our community is too much." The vaccine to be used is the newest development in this field and represents a blend of the strains specific against the three types of polio. According to Dr. Robertson it is now possible to practically eliminate polio entirely from Marshall County.

The Marshall County Medical Society in cooperation with the county Jaycees and American Legion Posts have purchased 35,000 doses of the new Trivalent ORIMUNE Vaccine which will be administered through feeding stations. It is expected that a donation of 50¢ a dose will be requested to defray the cost of the vaccine, but Dr. Robertson said that no person would be denied the vaccine because of his or her inability to pay. Dr. Robertson noted that "for 50¢ it is now possible to get insurance against dreaded polio."

The first feeding is to take place on Sunday, May 23.

Locations of feeding stations will be announced later.

The new vaccine is a weakened live virus type similar to that used for protection against smallpox and yellow fever. Taking the modified live polio virus enables one to develop a natural immunity to polio. A further advantage of the vaccine is that the immunity which it provides lasts for years.

## Home Economics Classes To Give Style Show May 11

The Culver High School Home Economics Department will present its annual Style Show on Tuesday, May 11, at 8 p.m. in the school gymnasium. This style show will be open to the public so that the community may see what the girls have made in their classes.

The girls will model many types of garments including nightwear, blouses, slacks and matching jackets, jumpers, sleeveless shifts, jumpers and matching blouses, detailed dresses, ensembles, coats and formals. Home projects and other class projects will also be displayed.

All the girls enrolled in Home Economics will be participating in the style show. This includes the 7th and 8th grades, Home Economics 1, 2, and 3.

The Style Show is being planned and prepared by the Home Economics 3 class. Following the show, refreshments will be served by the Home Economics 2 class.

## RETURN FROM WORLD TRIP

Samuel E. Perkins, retired U.S. Foreign service officer, and Mrs. Perkins returned home this week from a five-month world trip. The East Shore residents travelled from the Orient to San Francisco on the P & O - Orient Liners S.S. Chusan, reaching the latter port May 1.

## Tri-Valley Boy Scout Scholarship Offered At CMA

Deadline is May 15 for the nomination of two Boy Scouts within the Tri-Valley Council, South Bend, who will receive scholarships to the winter and summer schools of Culver Military Academy.

The Tri-Valley scholarships are part of a new program in which a total of five scholarships to Culver are being given within Region Seven, which includes 750,000 Boy Scouts in Indiana, Illinois, Michigan, and Wisconsin.

"Because of the excellent work being done by the Tri-Valley Council," said Major General Delmar T. Spivey, superintendent of Culver, "we have set aside two of the five scholarships for boys who belong to Tri-Valley. The other three will be given to boys living in the four-state area."

General Spivey added that any boy nominated who does not receive one of the Boy Scout scholarships will be considered for financial assistance as part of the Academy's regular \$202,311 scholarship program.

Boys who desire to be considered for the Tri-Valley scholarships should write for nomination before May 15 to the Region Seven Office, Boy Scouts of America, Oak Brook, Ill. After nomination forms are completed, nominees will receive Culver applications from the Academy's scholarship committee.

Under the terms of the Tri-Valley program, one scholarship is available for the 1965 session of the Culver Summer Schools, beginning June 28. The scholarship is valued at between \$200 and \$500, depending upon the selected boy's financial needs and qualifications. The summer schools scholarship is for boys from 10 to 16 years of age as of July 1, 1965. Boys may apply for either the Woodcraft, Naval, or Horsemanship programs, depending upon their age.

The other Tri-Valley scholarship is for the 1965-66 college preparatory program of the Academy from September to June. The value of the scholarship is between \$750 and \$1,800, depending upon the winner's financial needs and academic ability, and may be renewed for three or four years so long as the recipient produces up to his potential.

Boys interested in applying for the winter school scholarship must be not less than 13 years nor more than 15 as of April 1, 1965. They must have completed the eighth or ninth grade, or not have advanced beyond the first half of tenth grade, by June, 1965. All candidates must be in the upper quarter of their present class.

Winners of the Tri-Valley scholarships in all cases will be selected on a basis of records, tests, and recommendations of teachers and scoutmasters.

## LOCAL TEACHERS ATTEND READING INSTITUTE

Mrs. Gertrude Allen, Mrs. Ernest Benson, Mrs. Jeanne K. Epley, and Mrs. Dorothy Manns attended a Reading Institute held at St. Francis College, Fort Wayne, on Saturday, May 1.

Three excellent speakers headed the conference: Dr. Nila B. Smith, noted authority on Reading; Dr. Leo Fay, Indiana University and Chairman of the State Committee on Reading; and Dr. Ralph D. Rabinovitch, eminent psychiatrist and Director of Hawthorne Center, Northfield, Mich.

Watch out for school children, especially if they're driving.

## Aubbee Alumni Banquet Set For Saturday, May 8

The Leifers Ford-Aubbeenaubbee Township Alumni Banquet will be held Saturday evening, May 8, at the school gymnasium in Leifers Ford.

Dinner will be served at 7 p.m. by the ladies of the Burr Oak Church of God, following the invocation by Mrs. Guy Davis and the welcome extended by Alumni President Gary Fields, who will be in charge of the business meeting to be conducted immediately following the dinner.

Emery Davis of South Bend will act as toastmaster for the balance of the evening's program which will be highlighted by Principal Kenneth Olin's introduction of the 1965 graduating class and the response for the class voiced by Jim Carr, class president.

The spotlight will be focused on the classes of 1901, 1911, 1921, 1931, 1941, 1951, and 1961. Special recognition will be given to the class of 1915 in observance of their golden anniversary of graduation and those attending will receive a golden certificate in observance of this milestone.

Also to be honored will be the oldest alumnus in attendance and the alumnus traveling the farthest distance to attend this annual event.

Following the benediction, offered by Omer Reichard, dancing will be enjoyed from 9 to 12 o'clock.

Officers working for a most enjoyable success of this event, in addition to the president, Mr. Fields, are: James Kline, vice president; Mrs. Mildred Ditmire, secretary; and Miss Donna Raub, treasurer.

## Chief Warns Dog Owners: Keep 'Em Tied

Police Chief Don Mikesell advises residents that dogs are not permitted to run unattended, and will be picked up if found running loose.

He said town ordinance requires that dogs be properly tied and kept on the owner's property. When found running loose, they are picked up and held for three days, and if unclaimed are then destroyed.

Dog packs have in the past caused widespread damage to gardens and property when running loose, and have also inflicted injury to persons, particularly children.

## Funeral Services Held Wednesday For H. Seybold

Relatives in Culver have been informed of the death of Hubert Seybold, 76, who died suddenly Sunday at the home of his daughter, Mrs. Rex Wilkinson, in Muncie.

Mr. Seybold, a former resident of Plymouth, lived in Darlington until a few months ago, when he went to reside with his daughter.

His wife, the former Dessie Easterday of Culver, died last November. Funeral services were held at 11 a.m. Wednesday, May 5, at the funeral home in Darlington with burial in the Darlington Cemetery.

## Many, Varied Problems Are Heard At Regular Town Board Session

Matters ranging from maintenance and repair of park playground equipment to the repair and proper grade of streets and alleys occupied the Town Board at its regular Monday night meeting. Also approved was the cost of installing a fourth telephone for answering fire department calls.

Mrs. Dale Heiser and Mrs. Ber-

nard Busari appeared for the Maxinkuckee Junior Women's Club and reported the arrival of the new Kiddies Slide which the club has purchased for the Town Park, and they told of plans to perform miscellaneous touch-up repairs to park equipment. The board voted to replace wood plank in the merry-go-round and repair a swing which has been out of service.

C. L. Cultice, a property owner residing in the 409 block of West Jefferson St., appeared to question the surface drainage from the street in this area, as well as the proper grade level of the street and an adjoining alley. The board instructed Street Commissioner Don Mikesell to relocate a catch basin from a position four feet into the street to a point nearer the curb line as a means of improving the water runoff in the area.

Fire Chief Dave Burns received permission to order a fourth fire phone, which will be added to fire-answering phones now being answered at the Town Hall. Chief Burns' home, and by Jim Bonine.

A request for relocation of a street light pole received from Dr. Joseph Howard will be referred to Northern Indiana Public Service Co. engineers, the board said.

The board told Mrs. Clyde Shively that unauthorized burning of garbage and rubbish at the rear of Lake Shore Drive would come under the heading of "unauthorized burning in a congested area" and would be referred to Fire Chief Burns for appropriate action.

Mrs. Emerson Cabell asked the board to take prompt action to ensure the cutting of weeds on vacant property near her home. She said weeds were not cut during the entire summer of 1964.

Miss Esther O'Callaghan asked the board to legally fix the center of Baker Street so that she could determine the proper boundary lines of her property which fronts on Baker St. The board said that this would be done before any work toward improving the street is begun.

## 'Clean-Up, Fix-Up Week' Coming; Help Is Needed

The week of May 17 through 22 has been designated "Clean-Up Fix-Up Week" in Culver and two local civic clubs — Jaycees and Chamber of Commerce — are joining the Town Board in sponsoring the event.

During the period, special emphasis will be placed on sprucing up around the home and yard, and making repairs and painting-up wherever needed. Special pick-up of household debris will be made by the Street Department at dates to be announced in next week's Citizen.

"If you see your neighbor cleaning up, you know he's helping to make 'clean-up, fix-up' week a success in our town," one official said. That's your cue to join in and help us put this campaign over the top."

It is anticipated that local stores will be featuring clean-up, fix-up tools and equipment during the week-long observance.

## Mothers Weekend At The Academy Begins Friday

Culver Military Academy observes one of its most colorful weekends beginning Friday, May 7, when a large delegation of parents is expected here for Mothers Weekend.

The three-day period offers a variety of events including a host of athletic contests and the opening night of the student production "Brigadeon."

Parents will begin arriving Friday when they will have an opportunity to visit academic classes. A mothers-sons banquet is scheduled for 6:45 p.m. At 10 a.m. Saturday, all parents will attend a meeting during which Major General Delmar T. Spivey, USAF (ret.), will discuss various aspects of the educational program.

The varsity baseball team and crew have athletic contests beginning at 1 p.m., and General and Mrs. Spivey will be hosts at a tea for parents at 4 p.m. "Brigadeon" will be seen for the first time at Culver at 8:15 p.m. Saturday.

Sunday's schedule is devoted to chapel services at 9:15 a.m. for the mounted services and at 11 a.m. for the infantry. A special review for mothers will take place at 11:50 a.m. on the Riding Hall Terrace. Mothers are presented with red roses from Academy students at that time.

A HANDY NEWS BOX by The Citizen's front office door welcomes your news items for next week's paper 24 hours a day.

TRI KAPPA PECANS on sale at The Citizen's front counter. Please help the sorority raise money for charitable purposes. Only \$1.50 a pound for shelled broken nut meats and \$1.75 for whole nut meats. 39¢/lb

Mrs. H. H. Tallman, 306 W. Washington St., Culver, is a patient in Parkview Hospital at Plymouth where she was taken on Friday for treatment. She is reported getting along very satisfactorily.

Mrs. Everett Easterday, 306 N. Ohio St., Culver, was admitted Thursday to Parkview Hospital where she underwent major surgery Friday. Her condition is reported as satisfactory. Her room number is 100.

Mrs. Sanford Snyder, 221 W. Madison St., was dismissed Thursday from Parkview Hospital after being a patient there for five days for observation.

Mrs. W. G. Gregory, State St., has been a patient at Parkview Hospital since last Thursday when she was taken there for treatment of pneumonia. She is reported recuperating satisfactorily.

## "Brigadoon" To Be Presented At CMA Saturday

The first of three performances of the Culver Military Academy production of the Broadway hit musical "Brigadoon" will be given at 8:15 p.m. Saturday, May 8, in the Eugene C. Eppley Auditorium.

Saturday's show is a benefit production in memory of the late Margaret A. Marshall, an Academy co-ed who died March 10 after an illness of one month. Miss Marshall was the daughter of Athletic Director and Mrs. Chester Marshall and would have been a member of the "Brigadoon" cast. Proceeds from the Saturday performance will be given to the Meg Marshall Fund, details of which are to be announced later.

Other performances of "Brigadoon" will be given May 22 and June 5.

Director William J. Martin has supplemented his cast of Culver students with young singers and professional musicians from the South Bend-Marshall County area. Most outstanding of the group of singers is Helen Kay Eberley, a student at St. Mary's Academy, South Bend, who will play one of the lead roles as "Fiona McClaren." Miss Eberley attracted the attention of Culver's Music and Art Department when she sang here in a Christmas program given by the St. Mary's and Culver choirs.

Other girls who are featured in important roles are Cathy Carrothers and Jane Ann Ives, of Culver High School, and Ellen Skinner, Plymouth High School.

Leading male roles have been won by Don Braun, Birmingham, Mich., who plays "Tommy;" Ian Buchanan, New Buffalo, Mich., who is seen as "Jeff;" Jeffrey Watts, Citrus Heights, Calif., "Angus MacGuffey;" Bowie Curry, Indianapolis, "Archie Beaton;" Mark Plecuch, Culver, "Harry Beaton;" Clay Bodine, Northbrook, Ill., "Andrew McClaren;" Ken Welch, Taylorville, Ill., "Charlie Dalrymple;" Dan Ort-

meyer, Evansville, Ind., "Mr. Lundle;" and Marty Klaper, Calumet City, Ill., "Frank."

To present a full pit orchestra for accompaniment of the Lerner-Loewe score, Col. Edward T. Payson, music director, has again secured the services of various professional musicians from the Elkhart and South Bend symphony orchestras. Concertmaster for the orchestra is Jon Gaska, who plays first viola at Elkhart. Other violinists from Elkhart are Paul Kochanowski, Patricia McHenry, Margaret Armantrout, and Eugene Barton. Wolfgang Caspari, who plays viola with both the Elkhart and South Bend orchestras, and J. Walter Webster, oboist from Elkhart, will play the "Brigadoon" score.

These musicians will supplement the Academy's student concert orchestra under the direction of Col. Payson.

Others assisting Martin in the production of the musical are: Terrence L. Shook, vocal direction, and Virginia Bays, original choreography.

Ticket information for all three productions may be secured by contacting William J. Martin, Culver Military Academy, Culver, Ind.

### NAMED TO DEANS' LIST AT INDIANA UNIVERSITY

Twenty-seven students from Marshall County have been singled out for scholastic achievement by being named to the Deans' Lists at Indiana University one or both of the last two semesters.

In all, some 3,500 I.U. students from the Hoosier State won mentioning on the Deans' Lists by posting a grade average of at least a 3 point (B) out of a possible 4 during the designated period.

Students from Culver named to the Deans' Lists include James Bailey, 538 South Shore Drive; Thomas Karter, Route 2; Larry Linhart, Route 2; Mary Ricciardi, 452 S. Main St.; Robert Rossow III, Culver Military Academy; and Kermit Zieg Jr., Culver Military Academy.

Case your outboard on top of an old auto tire casing and road shocks, quick stops, etc. will never harm it.

## Special Services To Be Conducted At Bible Church

JAMES M. STRAUSS

Rev. James M. Strauss of Memphis, Tenn., will conduct special youth meetings at the Culver Bible Church, 718 S. Main St., from May 9-14 at 7:30 p.m. Highlighted on each program will be a singspiration, audience participation contest, Scripture illustrated by "black light" oil-painted Bible scenes. Rev. Strauss brings his audience pictures from mountains, forest, and jungles pointing out analogies between the natural and spiritual worlds. Skilled in the use of Gospel magic to illustrate Bible truths, he uses slight-of-hand both to attract and instruct the youth and adults.

Mr. Strauss represents the Youth Gospel Crusade, Inc. of Westboro, Wis., a missionary organization dedicated to the giving of the Gospel to the unreached, and serving churches of all evangelical denominations from coast to coast.

Formerly a pastor and youth worker, Rev. James Strauss, has traveled over much of the United States trying to combat the alarming rise of juvenile delinquency.

His purpose is to reach youth and adults who have not been touched by regular church channels and who have not heard nor seen a clear presentation of the Gospel in interesting terms which they can understand.

Rev. Eric Ryser together with the friends and members of the Culver Bible Church are busy extending a community-wide invitation to their neighbors of all faiths to attend the Youth Gospel

Crusade meetings.

The public is cordially invited to these services which start at 7:30 p.m. nightly.

## Do You Remember 'Way Back When?

Highlights of Culver News of 10, 20, 30, 40, and 50 Years Ago This Week

MAY 4, 1955—

Mrs. Klea C. Ramsay, wife of Allan P. Ramsay, president of the Lake Maxinkuckee Association, died Thursday night on her 65th birthday at her home at 1970 East Shore Drive.

CHS seniors, as well as the Culver community, were greatly disappointed Friday night when the loss of the script prevented the appearance of several Culverites on the Steve Allen TV Show, a part of the Senior Trip itinerary.

Mrs. Mildred Edna Connell, age 23, of DeLong, died Thursday at the home of her sister, Mrs. Mable Karn, at Niles, Mich., following a two-month illness.

Services were held Monday at Rochester for Miss Nora Blackburn, age 80, of Leiters Ford, who died Saturday at Woodlawn Hospital, Rochester, where she had been taken Tuesday when she fell and broke her hip.

Mrs. Edna Lewis, wife of Omer Lewis, died suddenly of a heart attack Monday afternoon in the truck patch at their farm home west of Leiters Ford.

Dr. Frank A. Kirt, previously of Elkins, W. Va., will open an office in Culver about June 15 in the offices formerly occupied by Dr. C. G. Mackey.

MAY 2, 1945—

The home of Rev. Charles Mallott at DeLong was destroyed by fire with a loss of \$4,000.

On May 8 the final Parent-Teacher Association meeting of the school year will be held with a style show presented by the Home Economics and a program of music being the highlights of the evening.

During a recent drive the Cubs and Scouts collected 14,290 pounds of scrap paper.

The twin sons of Mr. and Mrs. Glen Voreis were named Donald and Ronald. The former died Friday morning and the latter died Sunday morning.

Russell Easterday suffered a heart attack Friday night at his home.

Miss Isabell Soos of South Bend and John A. Mechling, Argos, were married April 28.

The final meeting of the Culver City Club prior to the summer vacation will be held in the home of Mrs. W. T. Parish on May 10.

MAY 1, 1935—

One of the largest crowds to attend a local P.T.A. carnival resulted in gross receipts of \$469.17 at the Community Building Friday night.

Friday was a busy day at the new post office when concrete was poured for the main floor.

Mrs. Cathern Garn, 74, died in the hospital in Mishawaka following an illness of several days.

An electric gauge for the water tank is being installed by the Water Department.

With the naming of the hosts and hostesses, the Eldeen Club is completing plans for the benefit party and dance which the group is sponsoring to benefit the senior class and its trip to Washington.

Paul Strang was the first swimmer of the season in Lake Maxinkuckee and reported that the water was plenty cold.

APRIL 20, 1925—

Work has finally begun on the new depot and now people of the community are beginning to think that, after all, possibly it was not a dream.

Mr. and Mrs. Jimmie Crow an-

nounce the arrival of a daughter born April 25 at Elkhart.

M. R. Currens, 72, died at his home in Burr Oak.

Mr. and Mrs. William Murphy announce the birth of a son, Robert William, on April 23.

Mrs. Sara Ann Rector, 87, died Thursday night after a serious illness of only a few weeks.

All plans and arrangements for the final weeks of the school year have been completed and the calendar of the next 10 days will be crowded full of activities connected with the annual graduation exercises.

MAY 6, 1915—

Mushroom hunting is good. Tom Murphy brought in 32 dozen to Hayes' Restaurant Monday.

New Fords have been sold during the past week to Henry Zechiel, Chester Pettis, Will Osborn, Will Porter, and Bert Rector.

The rapidly increasing number of automobiles renders strict precautions necessary.

During the heavy thunderstorm Monday morning, lightning struck a corner of John Hawk's house.

The banquet given by the class of 1916 to the class of 1915 of Culver High School was held at the Palmer House Monday evening.

The Thirteenth District Medical Association will hold its next meeting in Culver in August.

The baccalaureate sermon for the graduating class will be preached by Rev. A. J. Michael.

W.S.C.S. Officers Training Workshop will be held at North Judson on May 11.

Poplar Grove W.S.C.S. will entertain Plymouth W.S.C.S. at the Church Wednesday, May 12, at 7:30 p.m. Women of the community are cordially invited to attend. Miss Lark Olsen will tell about a recent trip to the United Nations.

Rev. and Mrs. W. Ray Kuhn and Carol will be among the honored guests when the Anderson Methodist Church, formerly served by Rev. Kuhn, dedicates a new educational unit on May 16.

Mr. and Mrs. William Lake were Sunday afternoon and overnight guests of Mr. and Mrs. Walter Bowen at Cutler.

Mr. and Mrs. Glen Quivey and Lois of Wabash spent the weekend with the Leslie Mahler and Quivey families.

Mr. and Mrs. Herman Dinsmore and family spent Sunday in South Bend with Mr. and Mrs. Donald Milliken and family.

A nine day Bible School will be held at Poplar Grove beginning June 1. Elementary age children are urged to attend. Parents interested in enrolling children not on the church roll may call Mrs. Carroll Thompson.

### PRODUCTION RECORD

PETERBOROUGH, N. H. — Behmer Homestead Supreme Marla, a junior two-year-old, Registered Guernsey cow, owned by J. Richard Behmer, Plymouth, has completed an official DHIR actual

production record of 9,880 pounds of milk and 391 pounds of butterfat, in 305 days two times a day milking, according to The American Guernsey Cattle Club.

Guernsey milk is world famous for its high protein, delicious flavor and golden yellow color.

The testing was supervised by Purdue University (Indiana).

## "500 Memorial Flight" Needs 100 Enlistments

Major Joseph E. Shupe, Commander of United States Air Force Recruiting Detachment 500, responsible for Air Force Recruiting activities in Indiana, eastern Illinois, and southern Michigan, with headquarters in Indianapolis, has announced that the Air Force has made special arrangements to enlist 100 young men from this area in a special group to be known as the "500 Memorial Flight."

The enlistment ceremonies will be held Saturday, May 29, on the south steps of the World War Memorial at Indianapolis and the public is invited to attend. Jimmy Stewart (Brigadier General Air Force Reserve) of movie fame has indicated that he will be present to participate in the ceremony.

The final processing of the group will take place in the midst of the annual week-long "500 Festival" in the Hoosier Capitol. The festivities are in conjunction with and a prelude to the world-famous 500-mile Memorial Day race and attracts movie, TV, and other well known personalities to the area.

A banquet honoring the group of Air Force enlistees will be held on May 27 at the "Top of the Seyerin Ball Room" in Indianapolis.

After swearing in ceremonies, the "500 Memorial Flight" will be flown to Lackland Air Force Base, San Antonio, Texas, for Basic Training. At that base they will be assigned training in groups of 10 with numerical designation consistent with the 100 theme, i.e., 500 Flight, 501 Flight, etc. This in itself is an innovation. Normally new enlistees arriving at the Base are assigned to training flights strictly by numerical order of arrival. The enlistees will train as a unit under the Air Force Buddy system.

Current plans call for special attention to be focused on the group throughout the training period, evolving in publication of brochures and news items to be released for hometown publication.

Persons interested in joining the select group should contact Sgt. Ed Fegley, Post Office Building, South Bend, or call 232-2310 (collect) for information.

## Argentina Trip In Store For Culver Student

A 10-week sojourn in the land of the Argentine is in prospect for Cheryl Zink, Culver High School student and daughter of Mr. and Mrs. Francis Zink, of State Road 17, Culver. The 16-year-old sophomore is currently completing her first year of Spanish instruction but has had previous language study in French and Latin.

Cheryl will join Sonya Showley, high school junior at Letters Ford and the two will enplane at Indianapolis for Miami, Fla.,

first hop of the long trip to the Southern Hemisphere. It will be Cheryl's first plane ride.

Leaving Miami by jet with other students on June 27, she will stay in an Argentine home and attend an all-girls school for eight to 10 weeks. She will also have the opportunity to tour Lima, Peru; Buenos Aires, Argentina; and Santiago, Chile. All speaking and communications during her visit will be in Spanish. She will return to Culver on Labor Day weekend.

Next year, during March and April, her visit will be returned by a student from Argentina who will attend Culver High School.

In preparation for the trip southward, Cheryl has already had booster shots and a blood type, and has completed papers incident to the trip. She will leave behind, in addition to her parents, two brothers, Ronnie, an eighth grader, and Rex, in the first grade at Culver. But the family will be doing a bit of traveling, too. They expect to spend some time this summer in the Indianapolis area, where Mr. Zink will be engaged in construction work.

The exchange program is under the auspices of the Inter-American Cultural Exchange Program. Culver Spanish teacher Miss Cynthia Allen said the program provides an excellent way of fostering better understanding between nations, particularly those young people who will be assuming responsible roles of citizenship in coming years. Individuals or groups who would like to support

the project financially are invited to contact Miss Allen either at school or at her home. Several have already indicated a desire to participate.

Cheryl was chosen to make the trip by the Honors Committee at the high school, which based its selection on scholarship, character and maturity.

## ELWOOD HAYNES HOME AT KOKOMO TO BE INDIANA MUSEUM

A one-time Kokomo home of a former Culver resident is being deeded to the city of Kokomo and may become an outstanding Indiana museum.

The 1.8-acre, 50-year-old home, at 1915 South Webster Street on the north edge of Kokomo's Highland Park, was built in 1914-15 by Elwood Haynes, inventor of America's first commercially successful automobile, who lived there until his death in April, 1925.

Afterward, his son, March Haynes, long-time Lake Maxinkuckee Summer resident at 1930 East Shore Drive, made his residence there until 1958, when he took up residence at San Mateo, Calif. Mrs. March Haynes still summers here at Lake Maxinkuckee but Mr. Haynes' health does not permit him this pleasure.

Mrs. Glen R. Hillis, daughter of Elwood Haynes, and Mr. Hillis purchased the home April 26 from General Motors and have negotiated the deed in favor of the city of Kokomo with the stipulation that the home be perpetually cared for, maintained in a

satisfactory condition, and that it be used as a museum.

## Delong

Mr. and Mrs. August H. Bauer of Portage, Ind., have moved into their new home at Delong which they recently purchased from Mr. and Mrs. Fred Yelton of South Bend. Weekend guests of the Bauers were their daughter, Mrs. Robert Brown, Mr. Brown, and children of Valparaiso.

Editor, CITIZEN:

In connection with your story elsewhere in this issue about our exchange student to Argentina, I would like to use this column to contact the many readers of the CITIZEN.

It has occurred to me that there may be some readers who might wish to contribute to our fund for Cheryl Zink. The fee of \$600. covers round trip jet transportation from Miami to her host family and all other expenses for the ten weeks, except personal spending money.

I feel that our community and school will benefit greatly from this exchange program. Spending a summer in South America will, of course, have the greatest impact on the participant. Cheryl's experiences in Argentina will enrich our Spanish classes next year. In addition, she will be able to provide programs for many of Culver's clubs and other organizations. Cheryl will be representing not only the United States in general, but our community in particular.

Those who wish to show their interest in this project through a donation can reach me either at Culver High School (VI 2-3275) or at home (VI 2-2733) for further information.

Community support will be gratifying and greatly appreciated.

Sincerely,  
CYNTHIA ALLEN

PUBLISHED WEEKLY BY THE PRESS CLUB OF CULVER HIGH SCHOOL

Well, hi kiddies! It looks like it's time for another gossip column, so here goes.

Hey, we have another demon at the wheel. Congratulations Steve B. Lot's of luck to our Culver pedestrians!

Bob Crow, how long did you say you've been grounded? A year? Now what could you have done to be grounded for that long? For more information contact Phil Scruggs.

Well, Juniors I guess those long hours of play practice finally paid off. Congratulations to all of you.

Judy, your after-play party was a riot, even if you don't do those silly things the Freshmen do. By the way Loretta B. how did you get home Friday night? Oh, you didn't walk Holly T. will you please inform us on your activities that night. It seems you like to look out of windows maybe for someone special? We promise not to tell.

Gee, Bruce L. didn't you leave the party with one less companion?

Pam Fish — do you always ride around in cabs with two strange handsome college men?

Mr. Dillman, where did you get those flashy gold socks. They're even prettier than Mr. Crabb's blue ones!

Gee! Brenda McAllister we're sure glad to have you back in Health and Safety. I'm sure Mr. Kline is too.

Tell us George W. and Doug K. what your activities were Fri-

day night?

Those glasses really do something for you May K., but do they really help your eye sight?

It seems we have a new nurse in school by the name of Florie! For more information contact Mark K.

Sheryl Fisher must think that playing in oil is riots. Good job on the play, but you're sure not much of a mechanic!

Congratulations to all of our new officers for next year. I'm sure they'll all do a good job.

Well we'll sign for now leaving you with this memorandum; 5 more weeks until school is out!

## Editorial

By Jane Ives and Cathy Carrothers

As the school year once again draws to a close, we look back with a touch of sadness and a certain sense of relief. One of our most enjoyable tasks this year was putting out the weekly edition of the "Schoolbell" for you.

As this is the last edition which we will put out this year, we would like to take this opportunity to thank all those who have helped to make our year as co-editors a pleasant and rewarding experience. We would especially like to thank our faithful and hard-working staff, Mr. Jack Miller for his invaluable advice and assistance, The Culver Citizen for their kind co-operation in publishing "The Schoolbell" and perhaps most of all our reading public — for as we say in the theatre "A play is only as good as its best audience", so a newspaper is only as successful as it's most interested readers. It is for you, the students and Culver public, that we exist and without your assistance and cooperation our existence would be impossible.

There is another saying: "There is always a new way to bake a cake and twice as many new ways to put the icing on the cake." With this, we would like to bow to the new co-editors and their

staffs with an extended hand toward the typewriters. With best wishes, we turn over to them all the anticipations, disappointments, triumphs, and satisfactions that go with publishing a school newspaper.

## Elections

By Pat Ogden

To be an officer in any organization at CHS requires a dependable, hardworking individual. The election is not a popularity contest, for there are difficult requirements which the nominee must meet: good school citizenship, good community citizenship, and passing scholastic grades in all subjects. The duties of an officer are often difficult. The president must preside at all meetings, appoint committees, and transact the other duties that are usually performed by a president. The vice-president presides in the absence of the president, while the secretary keeps a record of all meetings, and of all business. The treasurer receives and disburses all funds and keeps an account of all receipts and disbursements in accordance with school regulations. So you can see, being an officer is not an easy task.

Our elections are now complete; the officers for next year's upper six grades are:

Seventh Grade: president, David Williams; vice president, John Adams; secretary, Jan Shock; treasurer, Nancy Reichley.

Eighth Grade: president, Perry White; vice president, Fred May; secretary, Cheryl Sturdevant; treasurer, Nancy Overmyer.

Freshmen: president, Richard Snyder; vice president, Steve Kelly; secretary, Sally Ricciardi; treasurer, Linda Shirrell.

Sophomores: president, Terry Gentry; vice president, Jack Lucas; secretary, Kathy DeWitt; treasurer, Lynn Mackey.

Juniors: president, Paul Hatten; vice president, George Jewell; secretary, Patty Overmyer; treasurer, Suzanne Overmyer.

Seniors: president, Bruce Lindvall; vice president, Ron Babcock; secretary, Karen DeWitt; treasurer, Janet Manchester.

Clubs play a big part in life at CHS, and the officers are important to the success of the organization. The National Honor Society has elected Mike Eustis, president; Andy Lowry, vice president; Diane Davis, secretary; and Elaine Kaiser, treasurer.

Next year's Ushers Club officers are Leon Schmidt, president, and Betty Bickel, vice president.

The Sunshine Society, composed of sophomore, junior, and senior girls, has more involved qualifications for its officers. The president, Diane Davis, must preside at all business meetings, and as chairman of the cabinet, appoint all committees, initiate activities of the organization, represent the society to the school authorities, and be an example for work and conduct. The vice president, Patty Overmyer, must preside in the absence of the president, serve as chairman of one standing committee, and assist the president in her duties. Treasurer, Becky Easterday, must hold all funds of the society, keep a bound book showing all receipts and expenditures, be prepared to make a report at all meetings, pay all bills, follow the instructions of the school

treasurer, make an annual report for the files and one that can be inspected by the school officials, and leave the treasurer's book with the sponsor or the principal at the end of the year. Linda Baker, the Corresponding Secretary, must send the state dean and district dean a list of officers immediately after their election, and receive and answer all state correspondence.

One of the most important student organizations in a school is the Student Council, which advises the administration in matters relating to social-school functions. It is composed of a boy and girl from each class, who must rank scholastically in the upper third of his class, and a faculty representative. The Student Council members for next year are: Eighth Grade, Perry White and Nancy Overmyer; Freshmen, Steve McCombs and Linda Shirrell; Sophomores, Stuart Lowry and Susie Thews; Juniors, Paul Hatten and Cheryl Zink; Seniors, Mike Eustis and Diane Davis.

These officers play a leading role in our school, and they are to be congratulated for receiving the honor of holding an office.

## The Misguided Miss

By Cheryl Zink

The night of April 23 was a big one for the Junior class for it was the night of the Junior Play. Around 7:30 Jim Easterday, George Babchuck, and John Kerrigan were still bringing in furniture for the stage-set, and the characters were nervously going over their lines.

Sheryl Fisher portrayed Susan Bryce — the "Misguided Miss," a typical high school senior.

Becky Easterday and Larry Boetsma were the understanding parents of Susan, Madge and Clint Bryce.

Susan's 11-year-old sister, "Buzzie" Bryce, was played by Karen DeWitt.

The Warrens were neighbors of the Bryces — Jim Warren was played by Mike Hansen; and Betty Warren was played by Janet Manchester. Their daughter, Mol-

ly Warren, who was Buzzie's best friend, was played by Holly Thompson. Ron Babcock portrayed Carlos Delgado, who was an exchange student from Portugal living with the Warrens.

Susan's steady, George Mathews, who liked hot rods and Susan - in that order, is played by Larry Banks. Later in the play, Susan "jilts" George, and dates Carlos. George then becomes interested in Lucia Ferrari, a 16-year-old Italian exchange student (played by Judy Thews), who comes to live with the Bryces, and attend high school as a senior with Susan.

Sheryl Welsh portrayed the Judge, and Molly Norris played Mrs. Riley — the probation officer. Andrea Siple was the prompter.

At 8:00 the play began, and Mr. Dillman and Mr. Lawson were backstage with crossed fingers. But they were pretty confident. After all, there had been play practices every night for one and a half hours since the last week 'n March.

Everything went smoothly. The play which was endorsed by the American Field Service, was not only a riot, but very successful. So far, \$415 has been turned in from ticket money. Congratulations, Juniors, for the swell job!

## The Warsaw Choir Gives Performance

By Jeanne Adams

On Wednesday, April 21, the Warsaw High School Choir, and Girl's Glee Club performed a concert for Culver High School. The program under the direction of Margaret Voirrel, was divided into four parts.

The first part of the program was presented by the mixed choir. It consisted of folk songs about our country, such as: "If I Had a Hammer", and the "Brotherhood of Man".

The Belles gave the second part of the program, and they sang songs like: "As Long As He Needs Me," "Sugar Helps the Medicine Go Down," and "Never Underestimate the Power of a Woman."

The Choir started off the next part of the program with the song "Hi, Neighbor". This portion consisted mainly of popular songs like "The Green Leaves of Summer," "Blue Indigo," "People", and "Tonight".

The last part of the program, done by the combined groups, was on the serious side, and the choir ended their program with "May the Good Lord Bless and Keep You."

They were a wonderful group of singers, and they provided a very entertaining hour for everyone attending.

The student body is to be congratulated for being such a fine audience. A group of the performers commented to Mr. Cole as they were leaving that this was the best audience they had performed for.

The group had performed at Triton and Argos and were on their way to Knox.

## Achievement Night

By Donna Rogers

On Wednesday, April 28, the Lions Club Annual Achievement Night was held. This banquet honors students which are outstanding in the different subject and club areas at the high school. The department heads determine the best student in their department.

Roast beef, mashed potatoes, broccoli, and a salad made up the meal which was served. Strawberry short cake topped off the meal.

The speaker at the banquet this year was Peggy Herr. Peggy spoke on her experiences in France, where she studied last summer.

Cathy Carrother and Jane Ives received the Schoolbell award for their excellent job as co-editors. The Tomahawk award was won by Kay Thomas. Steve Utery, President of Ushers Club, received the Ushers Club award. The Honor Society award was won by Jim Boswell, President of the society. Andy Lowry, President of the Student Council, received the award for Student Council.

The following students received awards for their achievements in academic courses and extra-curricular activities: Science, Bob Eustis, determined by Mr. Hughey

and Mr. Wolfe; Audio Visual, James Easterday, determined by Mr. Kaiser; Latin, Cathy Welsh, determined by Mrs. Huff; English, Peggy Herr, determined by Miss Charlton; French, Peggy Herr, by Mrs. Smith; Vocational, Gale Vander Meade, by Mr. Unruh; Social Science, Linda Thurin, by Mr. Crabb and Mr. Lawson; Band, Doug Kosterman, by Mr. Fouts; Home Economics, Linda Thurin, by Mrs. Winters; Math, Bob Eustis, by Mr. Dillman and Mr. Hughey; Choir, Sue Cole, by Mr. Fouts; and Art, Suzie Spencer, by Mr. Smith.

Our congratulations are extended to these students for their fine achievements. We all realize the hard work and determination which these people displayed in these many fields.

## Sports

By Doug and Dave

Culver beat Lapaz in a track meet held at North Township by a 72 2/3 to 36 1/3 score. Culver won every event except those events Lapaz's Dennis Redmen won. Redman won the pole vault, the Broad Jump, the low hurdles, and led off the winning \$80 relay team from Lapaz. Culver's many victories included clean sweeps in the 440 yd. dash, the \$80 yd. run, the mile and the shot put. They also placed three in the high jump when Jim Boswell and Charlie Poor and Dan Haines tied for third.

Lapaz's miniature track hindered runners so there were no exceptional performances turned in as far as time was concerned. One exceptional performance should be credited to Paul Liette, however. Although he was heavily taped on both legs and thus forced out of the pole vault, he participated in the shot put and the 1/2 mile and acquired a third place in both. Dave Lemar continued his domination in the shot put as did Phil Scruggs in the 1/2 mile and Dennis Schneike in the high hurdles.

The track squad raised their record to 7-5 Tuesday, April 27 by stomping Richland Center and Monterey.

Steve Norris of Richland Center led all individuals with five firsts capturing the pole vault, low hurdles, high hurdles, broad jump, and high jump. Jim Lewis again the stand-out for Culver, captured firsts in the 100 yd. dash, and the 220. Paul Hatten and Phil Scruggs, promising Sophomores, came through with a first in both the mile and half-mile respectively. In the 440 Haemes led a Culver sweep with Lutz, Milner, and Wierick, 2nd, 3rd, and 4th respectively. In the shot put Culver again made another sweep with Lemar leading VanHorn, Liette and Andy Lowry.

With Culver taking both the mile and half-mile with balance through out each event, the CHS trackmen were able to compile a

77 point score compared to Richland Center's 39 1/3 and Monterey's 20 2/3.

## Spring Is Here With A Flair

By Sue Cole

This year the music department presented the beginning of spring with a flair. The program featured all the bands — Beginning, Junior, and Senior — and the chorus. It was held at the Culver Community Building Sunday, May 2, at 2:00 p.m.

The program consisted of the following:

Beginning Band — March, Franz Schubert; "When Roses Bloom," Brahms; and "Petite Tonkinoise," Scotto.

Junior Band — "Black Jack," Huffer; "Danse Pavanne," John Cacavas (directed by Ron Zink, student director); "Santa Lucia," Lloyd Conley; "Fantasy For Three," Rubinstein, arr. Harold Walters (Cornet trio: Dave Curtis, Ron Zink, Tom Vondra); "Curtain Call Overture," Frank Cafield (directed by David Curtis, student director); and "Tutti Fluti," Richard Tote (Flute trio: Richard Snyder, Velda Prosser, Linda Snapp).

High School Chorus — "Almost Like Being in Love" (from Brigadoon) Lerner & Loewe; "There Is a Balm in Gilead," Walter Ehret; and "Chim Chim Cher-ee" (from Mary Poppins) Richard & Robert Sherman.

Senior Band — "Salute to Freedom," Dean Howard; "Mancini," Henry Mancini; "Badinage for Brasses," Harold Walters (trumpet trio: Doug Kosterman, Andy Lowry, Dennis Westcott) (trombone & baritone trio: Stu Lowry, George Jewell, Barbara Westcott); "Blue Fantasy," Kenneth Farrell (oboe solo: Diane Davis) (trumpet solo: Doug Kosterman);

**CATTLE FEEDERS' DAY REPORTS**

Properly formulated high urea supplements continue to gain as a means of cutting costs in feeding cattle, mid-western cattle feeders heard at Purdue University.

Dr. W. M. Beeson, Purdue animal scientist, reported at Indiana Cattle Feeders Day that initial release of Purdue 64 a year ago has brought tremendous impact in the cattle feeding industry. Ninety per cent of the protein in Purdue 64, announced at last year's Cattle Feeders Day, comes from urea, which is the most economical source of protein for beef cattle. In addition, Purdue 64 contains dehydrated alfalfa, molasses, minerals and vitamin A.

Beeson explained that purpose of the 1965 trial was to study modifications of the original formula which would simplify the mixing operation. Results show that molasses in the formula could be cut in half — from 28 to 14 per cent — for easier pelleting.

As another part of this study, it was shown that the addition of the anti-biotic tylosin did not contribute materially to the growth of the steers, Beeson said.

In a haylage-corn silage feeding comparison experiment, Dr. T. W. Perry, Purdue animal scientist, pointed out that cattle on a predominantly corn silage ration continued to produce the most economical and most efficient gains.

Perry reported that steers receiving a full feed of corn silage, plus two pounds of shelled corn and two pounds of Supplement A, gained at a rate of 2.14 pounds daily at a feed cost of 12 cents a pound. Steers fed a full feed of haylage, plus 11 pounds of high moisture corn, gained at the rate of 2.25 pounds a day at a feed cost of 14 cents a pound.

Most rapid gains were made by steers receiving limited corn silage, plus a full feed of shelled corn and two pounds of Supplement A. They gained 2.7 pounds a day at a feed cost of 14 cents a pound.

Carcasses from crossbred Hereford-Charolais heifers contained significantly more red meat than did those from straightbred Hereford when compared on a similar carcass weight.

Dr. Truman G. Martin, Purdue animal scientist, reporting on the carcass study, said that the crossbred carcasses had higher percentages of round and bone, but a lower marbling score and less fat cover. The major difference between the two breed groups, Martin explained, was in degree of fatness.

Implantation of stilbestrol as opposed to oral feeding of the hormone proved twice as effective in stimulating rate of gain, Dr. Martin Stob, Purdue animal scientist, said. Among comparative lots of fattening steers, animals receiving no hormone gained at the rate of 2.4 pounds a day. Those fed 10 milligrams DES orally gained 2.7 pounds per day and those implanted initially with 36 milligrams DES gained at the rate of 2.9 pounds a day.

**SLIGHTLY SMALLER WHEAT CROP FORECAST**

Indiana's winter wheat crop is forecast at 45,684,000 bushels — 11 per cent smaller than 1964's crop, but eight per cent larger than average.

Cool weather held the crop largely dormant, but since April 1 some greening has been noted, say state-federal agricultural statisticians at Purdue University. Winter rains generally fell on thawed soils with resulting good infiltration.

Farm wheat stocks April 1 totaled 1,287,000 bushels — more than double the record low supplies on farms April 1, 1964.

In contrast, farm stored corn April 1 amounted to 128,346,000 bushels, 29 per cent below the record supply on hand a year earlier.

Oat stocks totaled 5,512,000 bushels, 46 per cent smaller than a year earlier and the smallest holdings of record. Farm stocks of barley, at 137,000 bushels, are 37 per cent below the April 1, 1964, total. Sorghum grain stored on farms amounted to 100,000 bushels, 26 per cent smaller than last year.

Soybeans in farm storage stood at 9,357,000 bushels, down by 46 per cent from the record storage of April 1, 1964.

Indiana laying flocks produced 196 million eggs during March,

two per cent below the March, 1964, figure.

March milk production totaled 289 million pounds, also two per cent smaller than a year earlier.

**PEST CONTROL EQUIPMENT**

Chemicals for controlling insects around the home are no better than the equipment used to apply them, says Dave Myers, Purdue University entomologist.

There have been many recent advances in equipment as well as in insecticides. For example, the "hose-on" sprayer will do a good job when exact distribution of the chemical is not required. The device simply screws onto the end of a garden hose and water pressure draws the insecticide out of an attached jar.

Myers says it can be used for treating lawns, shrubs, and small trees. Those with an adjustable nozzle can also be used for spraying flowers and vegetables. Insecticides in liquid form work best in this type equipment.

Another handy piece of equipment is the two or three gallon compressed air sprayer. Most of these have an upturned nozzle that makes it easy to cover the undersurfaces of plant foliage.

Many kinds of dusters are also available for those who prefer this method of pest control. Dusters, too, should have a long delivery spout with a device on the end that will direct the dust upward when needed.

It is best to have one sprayer for insecticides and another for herbicides, Myers says. A tiny amount of weed killer left in a

sprayer can seriously injure tomatoes, grapes and other susceptible plants if the same sprayer is used for insect control.

Do you profit by experience? The Institute for Safer Living says that speed laws and other highway regulations are based on experience which has determined the safe limitations at which a motorist can travel over a given stretch of highway.

How about you? Have you given your library another thought this week? Have you considered how much the library does for you, your family and your town?

If you are a parent, you've probably supported your schools through the PTA. Your local clubs may take on projects to beautify the city. Chances are you belong to a social club that sponsors philanthropic projects.

Did you ever think that your library might need this kind of support, too? It's as much an educational institution as the schools are. It provides reading material to hospitals and shut-ins. It should be a place of civic pride and responsibility.

Talk to your librarian. Find out what you can do to help bring ever-improving library service to your community. Above all, take advantage of all the services your

## FARM PRICE INCREASE SLOWED

Prices received by Indiana farmers for their products climbed one per cent from mid-February to mid-March, report Purdue University agricultural economists and state-federal agricultural statisticians. This marks the fourth consecutive 30-day period in which farm prices have risen.

However, the increase for the mid-February to mid-March period had slowed somewhat, and the purchasing power of Hoosier farmers remained unchanged from the previous 30-day period. The price index went up two per cent from mid-January to mid-February.

ary, while purchasing power rose one per cent.

Prices received by U. S. farmers increased one per cent, but their purchasing power and prices they paid for production items remained unchanged.

Indiana livestock and grain prices rose one per cent during the 30-day period.

Broiler prices, up seven per cent, led the major commodity price increases. Cattle prices rose three per cent, corn and soybeans two per cent and wheat one per cent. Hog and turkey prices remained unchanged.

Egg prices dropped three per cent and whole milk prices fell two per cent.

Product-feed price ratios declining: Hog-corn, two per cent; whole milk-feed, five per cent; butterfat-feed, three per cent, and egg-feed, one per cent.

**ADDITIONAL SCHOOLBELL  
Food For Thought**

By Kay Thomas

At 6:30 p.m. Friday evening, April 30, the Culver gymnasium was the scene of the third annual National Honor Society Parent-Faculty-Student carry-in supper. President of the C.H.S. honor society, Jim Boswell, welcomed everyone cordially. After grace was said by Larry White, it was time to eat.

The food table was covered with delicious, tempting dishes — crisp fried chicken, meat loaf, baked beans, potato salad, escalloped potatoes, and a variety of desserts.

Mr. Miller introduced the speaker for the evening, Judge William J. Obermiller of Whiting, Ind. The distinguished judge is a graduate of the University of Notre Dame Colleges of Commerce and Law with honors. During World War II and the Korean conflict he served as special agent for the U.S. Naval Intelligence where he investigated subversive and criminal violations. He is admitted to practice before the Courts of Indiana and Illinois, U.S. Circuit Court of Appeals, Bureau of Immigration and Naturalization, U.S. Tax Court of Appeals, and U.S. Federal Courts.

The 43-year-old judge is a member of the American Legion, Veterans of Foreign Wars, Fraternal Order of Police, Special Agents Association, and the Amer-

ican Red Cross.

He is a member of the Board of Directors of East Chicago Boys' Club, the Lake County Child Guidance Committee, Lake County Chapter — National Foundation of Infantile Paralysis, and the Fund Raising Advisory Committee of the Hammond League of Women Voters.

He was chosen "Outstanding Man of the Year of the Hammond Area," and received the Hammond Times newspaper award.

Judge Obermiller's articles have appeared in Reader's Digest, Parade, Guideposts, and Petroleum Today. His articles have appeared not only in America, but in foreign countries. His writings have been translated into German, French, Polish, Hungarian, and Slovak.

The topic for discussion was "The Needs of Youth." The judge pointed out that today, in our attempts to reach the moon, we have forgotten how to practice the Golden Rule at home. He spoke of "moral guide lines" to withstand the pressure of going along with the crowd. He expressed the importance of having someone to take your problems to — someone a young person can talk to. Often, said the judge, parents do not know when to say "no" to their children, and as a result young people get in with a bad crowd and get into trouble. He pointed out several examples he had seen of young people that did not have the moral courage to

avoid doing what they knew was wrong.

Judge Obermiller strongly stated his abhorrence of how the youth of today take advantage of the automobile, using it as a plaything and a means of showing off. He told of many tragic accidents that have occurred because of fast and reckless driving.

The judge mentioned that there is a law in Indiana that says that one cannot smoke until he is 21. He is going to try as hard as he possibly can to enforce this law in Whiting.

We were all certainly fortunate to have had Judge Obermiller as guest speaker for the evening. It is good to know that there are people such as he that are concerned about and willing to help today's young people grow up to be responsible adults.

 Evening Worship Wednesday 7:45 p.m.  
 Reading Room open in Church Edifice 2 to 5 - Wed. and Sat.

The question of whether mankind can actually exist without God will be explored in depth at all Christian Science churches this Sunday. The subject is "Adam and Fallen Man."

The Responsive Reading includes this line from James: "Draw nigh to God, and he will draw nigh to you." The theme

is carried through in the Bible Lesson to the final citations from Psalms: "He shall bring forth thy righteousness as the light, and thy judgment as the noonday."

Related readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include these lines: "Let us rid ourselves of the belief that man is separated from God, and obey only the divine Principle, Life and Love" (P. 91).

## A mother's thoughts

Atomic bombs darken our skies... radioactive fallout threatens unborn generations... there is strife, unrest, even war in many parts of the world! How can we face the future with confidence when humanity stands at the very brink of destruction?

There is only one way: to be courageous and steadfast, and trust in the wisdom and mercy of God!

This little girl, my own daughter, does not know what troubles my heart. She is not afraid of tomorrow... not yet! Through the Church she will learn the ways of the Lord and how to live a truly Christian life. Through prayer may God help me set an example for my daughter... teaching me to put my trust, yes, my very life into His hands, no matter what the future might have in store for us!

## Notice To Bidders On School Bus Routes

Notice is hereby given that the Board of School Trustees of Culver Community Schools Corporation will begin negotiations 7:30 P.M. on Monday, May 10, 1965, for the employment of bus drivers for the transportation of school children of designated routes.

For one route in North Bend Township, nine routes in Union Township, and three routes in Aubbeenaubee Township, for which school-owned equipment will be used, application forms and description of routes are available at the office of the Superintendent of Schools for use of those persons desiring to apply for such driver positions.

For one route in Aubbeenaubee Township and three routes in North Bend Township for which chassis must be furnished by driver, bidders may secure specifications for such routes, for equipment to be furnished, and for other conditions of the contract at the office of the Superintendent of Schools. The successful bidder on these five routes will be required to furnish a bond for faithful performance of duty and to carry the proper liability and property damage insurance in such amounts as the Board of School Trustees may deem necessary. The Board of School Trustees reserves the right to reject any and all proposals submitted.

## Notice To Taxpayers

To the taxpayers of Culver Community Schools Corporation, Marshall County, State of Indiana. You are hereby notified that on the 5th day of April, 1965, the Board of School Trustees of Culver Community Schools Corporation, Marshall County, State of Indiana, pursuant to notice heretofore given, and under and by virtue of Chapter 57, Acts of 1945 as amended, duly adopted a plan whereby a Cumulative Building Fund was established to provide for the following:

Those purposes specified by Chapter 57 of the Acts of 1945 as amended. Such fund to be provided for by a tax levy of eighty cents (\$.80) on each one hundred dollars (\$100.00) of taxable real and personal property within said taxing unit, said tax to be levied annually beginning in 1965, payable in 1966, and continuing for a total period of three (3) years, as authorized by said Act. That pursuant to said Act, ten (10) or more taxpayers in said taxing unit, other than those who pay poll tax only, and who will be affected by said tax levy may file a petition with the County Auditor of Marshall County not later than ten (10) days after the publication of this notice, setting forth their objections to the proposed levy. Upon filing of said petition, the County Auditor shall immediately certify the same to the State Board of Tax Commissioners, which Board will subsequently fix a date and conduct a public hearing on said proposed levy before issuing its approval or disapproval thereof.

Mrs. Anna May Rice received a degree of Chivalry from Burr Oak Rebekah Lodge at the Turner Gym Hall in South Bend on April 26. Other Lodges present were Richland Center, Culver, Letters Ford, Rochester, Warsaw, Bourbon and Burr Oak. Light refreshments were served at the Robert Porter home in Culver on their return home.

The birthdays of Miss Kim Flossenier, eight-year-old daughter of Mr. and Mrs. Guy Flossenier of R. R. Culver, and Allen Flossenier, four-year-old son of Mr. and Mrs. Guy Russell Flossenier of R. R., Plymouth, and the anniversary of Mr. and Mrs. Guy Flossenier were celebrated Sunday at the Guy Flossenier home with a cookout on the picnic grounds. The afternoon was spent playing games and boat riding on the Canal. Those present were Mr. and Mrs. Guy Flossenier and Kim, Mr. and Mrs. Jack Flossenier and family all of R. R. Culver, Mr. and Mrs. Guy Russell Flossenier and family and Mr. and Mrs. Larry Powell all of R.R., Plymouth.

Sunday evening guests of Mr. and Mrs. Bert Cramer Sr. were Mr. and Mrs. Lawrence Harness and son of Plymouth.

Sunday guests of Mr. and Mrs. Floyd Carrothers were Mr. and Mrs. W. D. Crossgrove and Cynthia Lynn of Route 1, Plymouth. Mrs. Bert Cramer Sr. visited Sunday afternoon with Mr. and Mrs. Lloyd Siddall of R. R., Plymouth.

Mr. and Mrs. Bert Cramer Jr. and Lisa were Sunday dinner guests of Mrs. Cramer's mother, Mrs. Wilbur Haney, and family at Sidney.

Mrs. Margaret McDonald and Sharon McDonald were Friday evening dinner guests of Mrs. Gerald Staten and Joey at their Plymouth home.

Mr. and Mrs. Ed. Parker, who are employed in Chicago, were in Burr Oak over the weekend.

Mrs. Margaret McDonald accompanied Mrs. Gerald Staten and Joey to South Bend and Mishawaka where they visited relatives Saturday evening.

Mr. and Mrs. Carl Bennett have returned from Florida where they spent the winter.

Mr. and Mrs. Gerald Staten and Joey of Plymouth visited Sunday afternoon in the Margaret McDonald home.

Saturday callers of Mr. and Mrs. Floyd Carrothers were Mrs. Jack Thomas of Plymouth and Mrs. Lloyd Maxson of Culver.

Troop 290 met at the Culver Methodist Church May 3 and held the regular meeting. Pre-opening game was Soccer. Opening ceremonies were conducted by the Panther Patrol and a recitation of "A Scout Is Thrifty" was given by Carl Strang. Scoutercraft game this week was "Touch and Guess Kim's Game." We next had Patrol Corners and discussed the Scout-O-Rama and planned menus. Recreational games were next held and we played "Football in the Dark."

This Wednesday, May 5, will be Red Cross instruction at the

## Babson Discusses Devaluation Of The Dollar

Everybody is talking about a possible devaluation of the dollar. This has been touched off by the narrow escape which the English pound had last December. And fuel has been added to the fires of speculation by the remarks of President de Gaulle of France concerning the need for something more stable than the dollar and the pound with which to settle debts between nations.

### Early Dollar Devaluation Highly Unlikely

Roger W. Babson

What does dollar devaluation mean? Simply the raising of the dollar price for gold. For more than 30 years, an ounce of gold has been valued at slightly over \$35. In some international circles, it has been suggested that a price of \$70 an ounce would provide greater liquidity for carrying on the world's commerce. This would mean that one ounce of gold held in this country's reserves could support twice as large an expansion of credit as one ounce can today.

Is the dollar price of gold likely to be raised soon? Our studies of the history of the world's many devaluations point to the conclusion that the price of gold is not advanced until a nation gets into real economic and financial trouble. Only when it is faced with serious deflation does a government resort to a hike in the price of gold — i.e., to devaluation of its currency. The United States does not face such a threat ... at this time.

### Drift Toward The Brink

But if our country continues for a long period of time to promote "prosperity" by budget deficits and by spending too much abroad and by big annual additions to bank credit, we may be in serious trouble with the dollar at some unknown date in the future. The whole nation is captive to the idea that we must not permit even a tiny downturn in the total of business. Credit must be kept easy and plentiful so that production and income will climb ever higher; this is the way to avoid unemployment and keep everyone happy.

We are like a happy family picnicking in a rowboat drifting down a river ... so busy with the lunch that we do not hear the roar of the falls growing louder.

The danger is not yet; but holding to this course can end only in disaster.

### President De Gaulle the Prophet

When President de Gaulle of France made his famous remarks about the dollar and the pound at one of his infrequent "press conferences" early this month, he set off an explosion of angry retorts in Washington, London, and New York. These political and financial centers assumed that he was calling for a return to the old-fashioned gold standard ... to replace dollars and pounds as carriers of trade. Every effort was made to dismiss the de Gaulle comments as another of his delusions of grandeur.

It seems more likely, however, that the French statesman was warning Uncle Sam that if he didn't mend his ways, the U.S. would find itself in the same mess that de Gaulle pulled France out of when he took over the helm at Paris in the late 1950's. Certainly few could know at first hand the awful disease of inflation better than the French President. Moreover, he realizes that if the U.S. gets into an economic stew, France can hardly escape the aftermath.

### What Can We Do?

Rather than worrying about what would happen if the dollar should be devalued — or struggling to think up ways we can "benefit" from inflation — we should work to make certain that the dollar is not devalued and that inflation does not run wild. Only a handful, and these are probably the very rich, can come through inflation unharmed. Ask any German who is now in his late sixties or over.

The first thing to do is to think right. Don't believe that perpetual prosperity is any more likely than perpetual happiness. Don't believe that tinkering with money and credit can keep business constantly climbing. Don't believe that our dollar can stay sound if we persist in spending, lending, and investing abroad more than foreigners spend, lend, and invest here. Don't believe that big budget deficits can permanently postpone a day of reckoning. And don't believe that paying more for less work can create a bigger purchasing power that will lead to the

production of more goods. It will lead only to higher prices and to more poverty for those with low incomes.

### Ford Times Art Exhibit To Be Shown At C.M.A.

A Ford Times art exhibit will be on display at the Culver Military Academy, May 7 through May 31.

It is one of the exhibitions from the collection of American art compiled over a period of years by the editors of Ford Times, a Ford Motor Company publication sent to motorists throughout the country each month.

The Culver exhibit, titled "Variety Show," features 30 paintings by 30 artists. These pictures were selected to present the widest possible variety of subject, geographical location and technique. Subjects range from a Wyoming dude ranch to an old Massachusetts seafaring town.

The shows are made available by the company to schools and universities, libraries, and art organizations upon request.

Source of these exhibitions is the Ford Times Collection of American Art which has been assembled from work commissioned for Ford publications. The collection includes more than 8,000

published paintings.

Nearly 800 contemporary artists are represented in the collection. The majority of the paintings are in watercolor, gouache, casein, and other water soluble media.

The collection, which represents the largest national commission of its type ever undertaken by artists for an industrial sponsor, covers landscapes, wildlife, outdoor sports, regional architecture, and regional Americana.

### SAVINGS BONDS REPORT

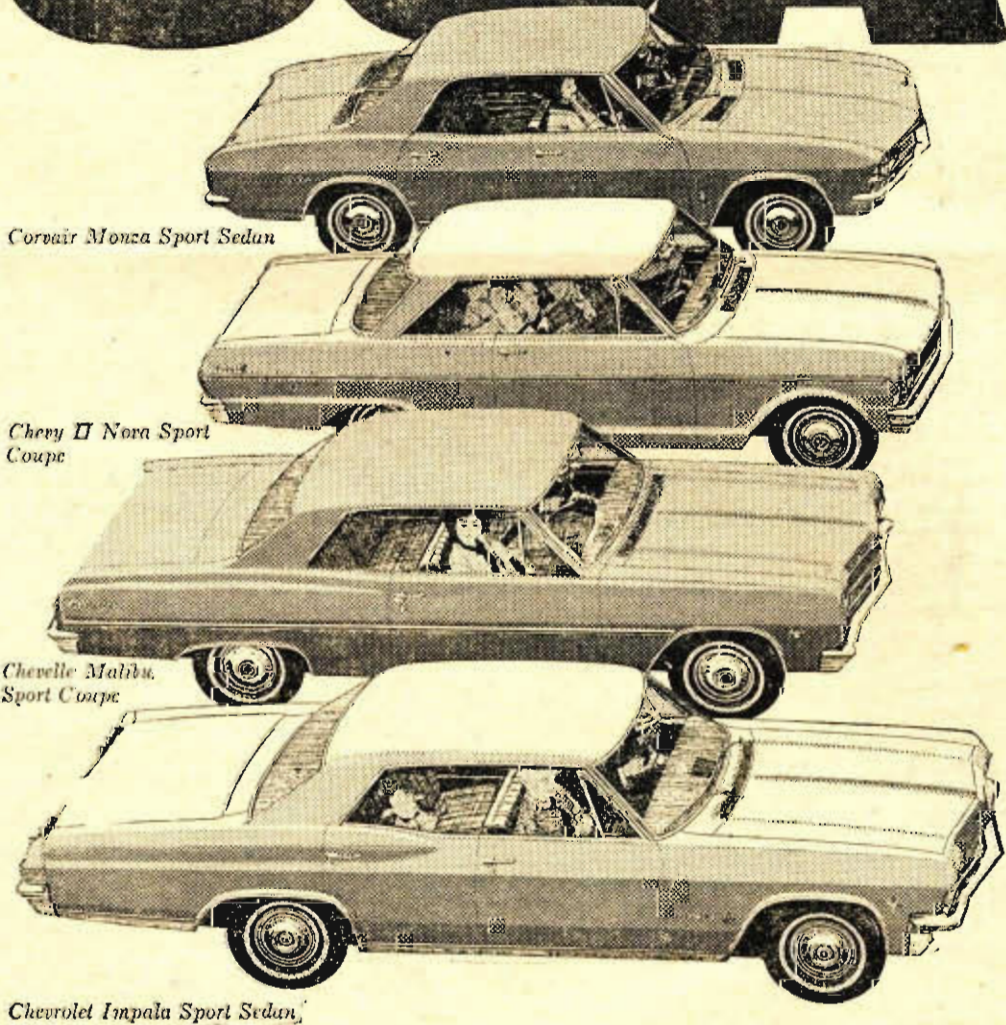

Harold Rose, Chairman of the Marshall County U. S. Savings Bonds Committee, has received a report revealing that the County's Savings Bonds Sales for March were \$36,799 compared with \$35,864 for the corresponding period of last year. The State's sales for March were \$10,946,289 which is a gain of 4.10 per cent compared with last March.

Forty-nine of the State's ninety-two counties reported sales gains for the month when compared with sales of March, 1964.
