C.M.A. Offers Scholarships To Boy Scouts

Culver Military Academy is offering \$6,000 in scholarships to Boy Scouts living in Indiana, Illinois, Michigan, and Wisconsin, and two of these scholarships have been specifically earmarked for boys who are part of the Tri-Valley Council, South Bend.

The scholarships are part of a new competitive program initiated within Region Seven last year. Because of the success of the program, the scholarships within Region Seven have been expanded, and the Academy also will offer similar financial grants for the first time this year to Boy Scouts in Region Four, Cincinnati, and the Mid-America Council at Omaha, Neb.

Presently, three Boy Scouts from Region Seven are attending Culver's winter school college preparatory program. They are: Lewis Erwin, II, Bourbon, Ind.; Mark Hawk, Brownstown, Ind.; Dennis P. Patton, Armada, Mich. Two other Region Seven area Scouts attended the Culver Summer Schools last July and August.

This year the Region Seven scholarships have been expanded to include seven boys. Major General Delmar T. Spivey, USAF (ret.), superintendent of Culver, said the scholarships are based on the candidates' academic ability, recommendations of Scoutmasters and others, and performance in extra-curricular activities at the schools they are now attending. Nomination forms, which must be completed by April 1, are available through the Region Seven office, Oak Brook, Ill.

Culver has allocated \$6,000 in scholarships to Region Seven-area Boy Scouts interested in attending the Winter School. The scholarships are worth \$1,000 each. Candidates must be between 13 and 15 years of age and rank in the upper quarter of their class. The scholarships are renewable if the recipients meet academic standards set for Culver scholarship students. The Winter School scholarships are for the 1966-67 term beginning in September.

Two scholarships to the Culver Summer Schools are also being offered for this year's session in July and August. Each of the scholarships are worth between \$200 and \$500. One grant is for the Academy's Woodcraft Camp and will be awarded to a boy between the ages of 10 and 13 years of age. The other is for a boy to attend either the Naval School or the Horsemanship School and is open to candidates between the ages of 13 and 18 years of age.

The non-profit Culver Educational Foundation operates Culver Military Academy and the Culver Summer Schools, and both the largest schools of their type in the nation. The foundation annually channels \$238,000 into scholarships for qualified boys.

The Winter School is strictly college preparatory in its curriculum and 99.6 percent of Culver graduates go on to college. The Academy is for boys in grades 8 through 12 and is operated from September to June. The current enrollment is 888, making Culver the largest secondary boarding school in the nation.

Summer program is for 1,725 boys and girls and is operated during July and August. The school offers a complete academic and recreational program for boys 9½ through 18 and for girls 13 through 18.

Craft Succeeds Ervin As President Of Town Board

Ted Ervin, president of the Town Board and board member from the 3rd Ward, asked to be relieved of the duties of president, at Monday night's Town Board meeting. Ervin said the demands of his job require him to be away from Culver virtually every day, and he felt the duties of board president required that the president should be available locally when needed.

The other members, Edgar Shaw and Wilfred Craft, accepted Ervin's resignation reluctantly, after which Ervin nominated Craft for president. He was elected to fill the vacancy.

Craft, trustee from the 2nd Ward, is a Republican, as is Ervin. Edgar Shaw, a Democrat, represents the 1st Ward. Clerk-Treasurer Ruth B. Lennen, a Republican, serves the board as non-voting secretary. All were elected in November, 1963, to four year terms.

Culver Jaycees Set Guests' Night For February 24

Culver Jaycees have scheduled a dinner meeting for prospective new members for Thursday evening, Feb. 24, at the Eagles Lodge. Culver young men between the ages of 21 and 35 interested in knowing more about Jaycees are invited to be guests of the club, according to President Roy Nicodemus. He asked that reservations be made by calling him at 842-3588.

Eddie Amond, Jaycee publicity chairman, said Saturday, March 5, has been chosen as the date for the "Ladies Las Vegas Night" activity. In the event that Culver should still be a participant in the state basketball tourney, the activity will be postponed, he said.

AUTO LICENSE BUREAU TO BE OPEN SATURDAY

The Plymouth Branch of the Bureau of Motor Vehicles will be open Saturday, Feb. 26, until 4 p.m., and on Monday, Feb. 28, until 4:40. The last day for 1965 plates is midnight, Feb. 28.

1966 plates must be displayed March 1.

The Marshall County Treasurer's office will be open the same hours as the License Branch on Saturday, Feb. 26, and Monday, Feb. 28, for those who wish to pay their taxes so they can purchase their 1966 plates. The "B" copy of the PERSONAL PROPERTY Tax receipt must be shown to purchase 1966 plates, according to Rosemary Bergman, manager of the Plymouth Auto License Branch.

SUSAN SHEI WINS FOURTH IN LAPORTE BATON CONTEST

Susan Shei attended the second annual Toni's Darlings Baton Contest on Saturday, Feb. 19, at the LaPorte Civic Auditorium in LaPorte, Ind.

Susan, a seventh grade pupil in the Culver Community School, won fourth place in the advanced solo group out of 11 contestants. She also entered the beginner's military march and won first place out of seven contestants.

Miss Shei is the daughter of Mr. and Mrs. Kenneth Shei and resides on Rural Route 2, Culver.

A young man applying for a police job in London, England, was asked what he'd do to break up a hostile crowd. "Take up a collection," he replied.

NIPSCO Lists Huge 1966-67 Expansion Plans

An investment of \$111 million in new plant and facilities by Northern Indiana Public Service Company during 1966 and 1967 has been announced by Dean H. Mitchell, NIPSCO chairman and president, in the utility's Annual Report to Shareholders.

"This two-year, multi-million dollar construction program is designed to keep ahead of the rapid growth and development taking place in our service area," Mitchell said. "It is tangible evidence of the confidence we have in the dynamic future of the territory we serve."

NIPSCO's nearly 50,000 shareholders were told that growth is a "way of life" in northern Indiana. In 1965 this was more evident than ever. It was represented by new buildings for schools, businesses and families; by additions to far reaching transportation systems; by increased population and by the large capital investments of industry.

It is most clearly indicated, Mitchell said, by the 105 new industries and 171 announced expansions of existing industries that have taken place in 1965 — a total of 276 new or expanded industrial installation in just one year.

The five year totals show 408 new industries and 493 expansions, the utility chief executive reported, revealing a continuing preference for NIPSCO's service area as an almost ideal location for the production of a wide variety of diversified products.

These industries will provide the jobs and security that will bring new families to Nipscoland, thus creating a market not only for future industrial expansion but also for community and cultural growth, he said.

While experts agree the population of our service area will grow rapidly during the next 15 years, Mitchell said, they differ on how much. But, we all know, people go where work is available.

Included in the \$111 million construction program is \$21.5 million for the connection of new gas and electric customers; \$59.0 million for electric production, transmission and distribution facilities; \$20.6 million for the continued development of underground storage fields, gas transmission and distribution lines; and \$10.1 million for general plant — land, buildings, and transportation facilities.

1965 was a year of continued growth and progress for Northern Indiana Public Service Company, Mitchell said. Our electric system set a record output of 5.7 billion kilowatt-hours with 81% of our total electric requirements produced in our own plants.

Gas sales in 1965 reached a new high of 175 billion cubic feet, up 7% over the previous year. We increased our total wintertime flow gas supply more than 86 million cubic feet to a high of 605 million cubic feet per day.

Nelson Equip. Co. Building and Lots Are Purchased; Occupancy June 1

The purchase of the Nelson Equipment Co. building on Lake Shore Drive for use as a new Town Hall was announced by the Culver Town Board at its regular meeting on Monday night.

Board President Ted Ervin said the total purchase price of \$25,000 includes the building which houses the Nelson farm equipment business now being liquidated, and two vacant lots

M-S Center Operating With Great Success

The Marshall-Starke Development Center, located on Road 30 west of Plymouth, opened January 17th on schedule. The response from everyone has been terrific.

Twenty-two children are enrolled at the Center. There are six in the pre-school group; 11 in the intermediate training group and five in the advanced training group. We have children from Bremen, North Judson, Grovertown, Tyner, Hamlet, Plymouth, Knox, Culver, and Argos.

The group leaders are: Mrs. Helen Lewandowski from Knox, Mrs. Carrie Borg from Bass Lake, Mrs. Edna Dickson from Plymouth, and Mrs. Berna Edel from Bremen.

The cook is Mrs. Lola Weldy. The custodian is Mr. Henry Kutschke. The office manager is Mrs. Helen Kutschke.

The first week of operations was amazingly smooth. The children and their group leaders developed their routines and became acquainted. The physical plant was tested and found to be adequate for the present time; however, we hope to enclose the outside hallway before next fall.

On January 27th the children were given physical examinations by Dr. Joseph Howard and Dr. George Resero of Culver and Dr. Donald Peterson of Plymouth. County Nurse Mrs. Alcott and volunteer nurse Jane Rouse assisted with the examinations.

Volunteer workers will soon be needed. Would you like to assist the teachers, office manager, or the nurses? If so, call Shirley Amond, the director, at the Center - 936-4845.

Future goals for the Center include a summer recreation program - details to be announced later, and a sheltered workshop. Tentative plans call for a workshop to be started in a barn behind the Center this fall. The purpose of the workshop will be to teach retarded adults over age 16 to do useful work. The workshop employees will earn small salaries. Although this is in the planning stage, an excellent instructor has already volunteered some of his time and one business has offered substantial financial help.

Donations still needed at the Center include a Flag Pole for outside; outdoor slide; Outdoor play equipment: A couple of basketballs, large softballs, bats, skipping ropes, rubber horseshoes and pegs; a Jungle Gym; and shuffleboard (cement) and equipment.

We have bids on the following items and need money to buy a Rocking Animal for outdoors (animal is on spring) \$70.00; an intercom system, master unit and 8 stations \$175.00; and business machine \$300.00.

across the street, behind the Shell Oil Co. property. The price of the building was \$23,500, and for the two lots, which will be converted to parking lots, was \$1,500. Possession was promised by June 1, though Maurice Nelson, the owner, indicated that the building will probably be available to the town before that date.

Slated to be moved into the new quarters over a period of several months will be the Fire Dept., Police Dept., Council Chambers, and Clerk-Treasurer's office. The Fire Dept. will move first, the board indicated, since it can be accommodated with a minimum of building renovation. Later, as space for the various departments is allocated and the interior of the 70 x 80-foot building is remodeled to these requirements, the other departments will be moved.

The present Town Hall on Plymouth Street will be taken over by the Street Department as it is vacated by other departments, and the building presently used by the Street Department will probably be sold. The present Town Hall has housed the town departments for at least 40 years, according to Ernest Carter, building commissioner, and a longtime Culver resident. The building has been overcrowded in recent years, particularly the Fire Department, which has added new and larger equipment.

It was recently necessary to remove one lane of concrete drive and thereby increase the clearance height into the Fire Station in order to accommodate the new fire truck which was recently purchased. Even so, the new truck was barely able to negotiate the narrow garage opening.

The purchase price for the new Town Hall will be paid over a three-year period through financing arranged with The State Exchange Bank.

In other board business, bids were opened for supplying a new police car, and the low bid of Gates-Calhoun to supply a four-door Chevrolet Impala to police specifications was accepted. The price was \$3,677.20, less \$1,309.44 for the present police car, a 1962 Ford, a cash difference of \$2,367.76. A second bidder was Ray Wicker Ford Sales, which offered to provide a Galaxie 500 to the specifications for \$2,590 trade-in difference.

Dividend Payment Rumor Is False

The Veterans Administration warns that grossly misleading information is being circulated by unidentified sources pertaining to the payment of special dividends on GI insurance to all veterans of World War II.

This information is not only completely false in its representation but also is leading veterans of World War II to write to the Veterans Administration. This has resulted in thousands of letters being received at VA Insurance Centers and ultimate disappointment to the writers.

The Veterans Administration states that no recent special legislation has been passed nor is any contemplated involving the payment of special dividends on GI insurance to World War II veterans. VA's advice to veterans is to totally disregard these unfounded rumors and thus avoid inevitable disappointment.

The payment of regular dividends to current holders of United States Government Life Insurance and National Service Life Insurance is processed automatically and no request to, or inquiry of, VA is necessary.

Mother Of Alvin McKee Dies At 79

Mrs. Lillie G. McKee, 79, Lyons, Ind., mother of Alvin R. McKee, of Culver with whom she made her home for the past 16 months, died at 4 p.m. Saturday, Feb. 19, at the Robert Long Hospital, Indianapolis, where she had been a patient for one day. She had been a patient at Parkview Hospital in Plymouth for several days prior to being transferred to the Indianapolis hospital by the Easterday-Bonine ambulance of Culver.

Born at Calvertsville, Ind., on April 25, 1886, Mrs. McKee was the daughter of James T. and Polly A. (Long) Vandventer. A lifelong resident of Lyons, she was a member of the Lyons Church of Christ.

Surviving with the son in Culver, are one other son, Lowell McKee, Lyons, and a daughter, Mrs. Thelma Hennebohle, Pinellas Park, Fla.

Services were held at 2 p.m. Tuesday, Feb. 22, at the Lyons Church of Christ, with the pastor, Rev. Voris Carpenter, and Rev. Harley E. Walker, pastor of the Central Church of Christ, Plymouth, officiating. Burial followed in the Prairie Chapel Cemetery, Lyons.

Farm Bureau Chili Supper Is Saturday Night

The Union Township Farm Bureau will enjoy a chili supper in the Culver Lions Den Saturday evening, Feb. 26, beginning at 6:30 o'clock. Dinner music will be furnished by Miss Linda Snapp.

The meeting will follow the meal and will begin at 7:30 with group singing led by Mrs. Charles Clifton. Devotions on "God's Promises" will be given by Rev. Elsworth Routson, pastor of the Burr Oak Church of God. Special music will be offered by Mrs. Rochelle Drang and Mrs. Betty Reinhold.

Installation of officers will be conducted by Mrs. Wayne Kline and a report of the Feb. 15-16 Farm Bureau Convention will be given. Miss Andrea Siple will sing "How Great Thou Art." Speakers for the evening will be two foreign exchange students, both from Buenos Aires, Argentina, South America, Ruben Pruess and Maria Christina Alessi, who will be introduced by Miss Cynthia Allen, Spanish teacher in the Culver Community School system who has spent several summers in South America.

Children under 10 years of age will have a lesson presented by Mrs. Paul Ulery. Mrs. Ferris Zechiel is the Women's Leader of the organization.

Members are asked to bring either salad or pie to be used as desert with the main course of chili.

Visitors are cordially invited to attend.

MARCH 8 IS DEADLINE FOR STATE POLICE APPLICATIONS

State Police Supt. Robert A. O'Neal reminds young Hoosier men that the deadline for submitting applications to join the force is drawing close. The date, he said, is midnight, March 8.

Candidates who successfully complete the written examination, investigations, physical examination and interviews will enter the training Academy at Indiana University on July 4 for eight weeks of training. Cadets will be provided living quarters, meals and tuition. In addition, they will receive scholastic credit for university courses included in the curriculum.

The basic qualifications are as follows: U. S. citizen, Indiana resident for one year, 21 to 29 years of age, at least 5 feet 9 inches and not more than 6 feet 5 inches tall, a high school graduate, good physical condition, and a licensed, nonrestricted driver.

A trooper's salary, after one year of service, is \$500 with annual increases up to a maximum of \$630 after six years. In addition, there are excellent retirement, insurance, and hospitalization benefits. Uniforms and automotive equipment are also furnished.

Applications can be picked up at the nearest State Police post or by writing to Superintendent, Indiana State Police, Indianapolis.

Crescent Group Holds February Meeting
The Crescent Group of the Grace United Church of Christ met Wednesday evening, Feb. 16, in the social rooms of the church, with 23 members attending.

The president, Mrs. Wilfred Craft, opened the meeting with an article, "A Nation's Life," and welcomed everyone. The class song was sung by the group, with Mrs. Cleo Ringle at the piano. After Mrs. Craft had conducted the business, she read a birthday wish for members having birthdays in February. The group sang "America" and Mrs. E. E. Zechiel gave the meditation using parables from Saint Matthew.

Norman Tanksley gave an interesting talk on the life of the poet, Robert Burns, and read some of his poems, after which the group sang some of his songs.

Following the meeting, a social hour was enjoyed and hostesses Mr. and Mrs. Tanksley and Mrs. Zechiel served refreshments at tables effectively decorated in the Valentine motif.

Attend C.F.M. Meeting**
Mrs. Shirley Amond, executive director of the Marshall-Starke Development Center in Plymouth, and husband Eddie, attended the Christian Family Movement dinner meeting Saturday, Feb. 19, in Culver at St. Mary's Church.

Dr. Joseph Howard, president of the C.F.M., introduced the main speakers, Mr. and Mrs. Eugene Thilman, of the Catholic Organization for Retarded in South Bend. The Thilmans were among the founders of C.O.R. in 1960 and travel throughout the State in educating the public on Mental Retardation research. Mr. Thilman pointed out that Indiana ranks near the bottom in facilities for the retarded and in 1965, Indiana was listed as 48th in the U.S. for adequately dealing with the mentally retarded.

C.O.R. is presently actively working to start a Home for Custodial Care of the Severely Retarded Children in the South Bend area. Dr. Howard, a director of the M-S Center in Plymouth, also called on Mrs. Amond to discuss the latest facilities available in Marshall and Starke Counties.

Home and Hobby Club Meeting Held Tuesday
The Home and Hobby Home Demonstration Club met Tuesday afternoon with Mrs. Ben McFarland. The president, Mrs. Richard Hagan, opened the meeting with the pledges to the flags. Roll call was answered with "A trait that you admire in a person". Honesty, courtesy, and faith were among the answers given by 14 members and a guest, Mrs. Larry Lindvall. Five children were present.
For devotions, Mrs. Earl DeMont read "Beautitudes for a Housewife" and "Americanism." Mrs. Cleo Ringle gave the history of "Just Awearin'" and led the group in singing the song. Mrs. Ringle and Mrs. Herbert Blocker gave a report on the Music Clinic which they attended on Feb. 1.
Mrs. Lester McGriff reported on the sewing done for the Dorcas Society and gave a Health and Safety report on Tornadoes. The members voted to contribute to the IPYE Fund.
The lesson on Planning and Planting the Flower Garden was given by Mrs. McGriff and Mrs. Robert Kepler. The meeting was closed with the club prayer.
Mrs. Richard Calhoun will entertain the club on March 8.

Ives and Maull Pledge L.U. Social Sororities
Culver students Jane Ives, 127 College Ave., pledging Kappa Delta, and Betty Maull, 1902 Faculty Lane, Delta Delta Delta, were among 446 women students pledged by social sororities following second semester formal rush at Indiana University, Bloomington.
Over 1,700 registered for rush this fall, but the list was reduced either by withdrawals or because of first semester grade averages. Eighteen sororities took part in rush.
A 2.3 out of a possible 4.0 grade average is required to be eligible to pledge a sorority at I.U.

A boy and his teenage girl friend were out driving one evening. They came to a quiet spot on a country lane and the car suddenly stopped.
"Out of gas," said the boy.
The girl nonchalantly opened her purse and pulled out a flask.
"Sweet!" exclaimed the boy.
"A bottle — scotch or bourbon?"
"Gas," replied the girl.

William Duley Enters Race For State Senator

William M. Duley, 53, of 121 S. Twyckenham Drive, South Bend has filed for the office of State Senator representing St. Joseph and Marshall Counties.

Duley was born in Chicago and moved to South Bend in 1920 and has lived there continuously ever since. In 1939 he organized the Duley Press, a printing concern, now located in Mishawaka for some eleven years. In 1942 Duley enlisted in the Army, served overseas at the Keflavik Air Base in Iceland, and was separated in the rank of captain in 1946. He then served eight years in the reserves. On return to civilian life he re-organized the Duley Press, and it has been in operation continuously since then.

Currently Duley is active in Kiwanis, St. Joseph County Scholarship Foundation, St. Joseph Hospital Fund Drive, Better Business Bureau and the Elks. He belongs to the Masons, the Shrine, the Chamber of Commerce, and has worked on the United Fund for many years.

Duley said, "Certain portions of our local and state tax structures are archaic, and are responsible for the enlargement of Federal authority in local matters. Present studies by legislative study committees of the Indiana General Assembly do not go far enough in the analysis of the problems, and their correction. Local property tax rates currently are high, and with the new budgets that will very shortly be proposed, will go much higher. Schools, roads, mental health, government and penal institutions must all be properly funded in these budgets. The local property tax is not the way to do it. These things must be funded in the same way as the Federal government by a local payroll tax. So let us abolish the property tax!"

NORMAN THOMAS GETS MASTER'S DEGREE IN ANIMAL SCIENCE

Lafayette, Ind. — Purdue University announced a midyear graduation class of 1,252 Tuesday, qualifying to receive their degrees June 5.

The midyear class compares with 1,145 graduates who completed their work for degrees a year ago.

Among the 765 qualifying this year for bachelor degrees and 54 for two-year associate degrees in technology, 23 qualified for graduation "with highest distinction."

The midyear class also included 306 qualifying for master degrees and 127 for doctorates.

Norman William Thomas, 110 North Plymouth Street, Culver, is a member of the midyear class qualifying for a master's degree in animal science.

CMA Cadet P. R. Johnson Chosen For 1966 European Study Program

Philip R. Johnston, St. Paul, Va., a student at Culver Military Academy, has been accepted as a member of the ALL-STUDENT BAND, U.S.A., for its 1966 European Study Program.

Johnson, who is an outstanding musician at Culver, will tour nine European countries this summer with the 110-piece band, and will perform concerts in at least 11 major cities of Europe.

Although the saxophone is Johnson's major interest, his accomplishments range widely through all fields of music. Selection of members for the ALL-STUDENT BAND is on the basis of demonstrated musical skill and talent.

This is Johnson's first year at Culver, where he is a junior and a member of the dance and jazz groups as well as the Marching Band.

The European concert and study tour is under the auspices of the Shenandoah Conservatory of Music, Winchester, Va., which will grant certain hours of academic credit for performance and study to the students on the tour.

The group will leave Washington, D.C. by air to London on June 18. During the 30-day concert tour the young musicians will visit places of musical interest, attend operas and concerts, and give concerts of their own.

Aubbee PTO To Sponsor Fashion Show And Card Party

Tickets are on sale now for the Fashion Show and Card Party to be held on Friday evening, March 11 at 7:30 p.m. This event is being sponsored by the Aubbee P.T.O. and proceeds will go toward the Foreign Exchange Student Fund for this year.

Local residents will be modeling fashions from Minnesota Woolens which has a very nice line of clothing and a wide selection.

Door prizes will be awarded throughout the evening as well as individual table prizes. Refreshments will also be served.

Mark this date on your calendar now so you will not miss this chance to pick out your family's Easter outfit.

Brademas Seeks 5th Term As Congressman

JOHN BRADEMAS

Congressman John Brademas (D-Ind.) has announced his candidacy for re-election to a fifth term as U.S. Representative in Congress from Indiana's Third District.

In Monday morning's conference at South Bend's Pick-Oliver Hotel, the South Bend Democrat said:

"I am today announcing my candidacy for a fifth term as U.S. Representative in Congress from the Third District of Indiana.

"I am deeply grateful for the honor of representing the citizens of our district during the past seven years, and I hope that my record in Congress during these years will merit their continued support in 1966.

"It is my belief that the exper-

ience and seniority I have gained during four terms in Congress have enabled me to be increasingly effective in representing the interests of the citizens of our district — Democrats, Republicans, and Independents — and in serving our nation as a whole.

"I am particularly pleased to have been able to help write some of the most important education measures ever passed by Congress. I pledge to continue my support of increased educational opportunities for the people of our country.

"I pledge as well to continue my efforts to help improve employment and business conditions here in the Third District and to support policies aimed at sustaining the vitality of our expanding economy."

Brademas said that he intends to file for the Democratic Congressional nomination in March during a day-long tour of the new Third District, composed of LaPorte, Marshall, St. Joseph and Starke Counties. The primary election is May 3.

Brademas serves on the House Education and Labor Committee and is ranking member of three major subcommittees: Special Education, General Education, and the Ad Hoc Subcommittee on the Anti-Poverty Program. He is also a member of the Committee on House Administration.

Brademas, who will be 39 next month, was born in Mishawaka. His family soon moved to South Bend where he went to school, graduating in 1945 from Central High School. He was a Veterans National Scholar and was elected to Phi Beta Kappa at Harvard University, where he graduated in 1949. He was a Rhodes Scholar at Oxford University and received

the degree of doctor of philosophy in social studies there in 1954.

The shop mechanic, who was quite an outdoor cook, invited the fleet supervisor for Sunday dinner. He decided to barbecue chicken on the outdoor grill. After he'd made all his preparations, donned his chef's costume and had the chicken on the spit, he started to turn the crank. As the heat increased and the bird dripped fat onto the coals, the flames leaped up and caressed the bird to turn it a delicate brown. The shop mechanic kept on turning the crank and turning the crank.

Finally, a beatnik who was visiting next door and had been watching the process, just couldn't contain himself any longer. He yelled over the hedge: "I don't want to bug ya, Dad, but your music's stopped and your monkey's on fire!"

FEDERAL TAX

Q - Is it true that if you have a capital loss you can carry it over as long as you want? In other words, if I don't use it this year will I lost it?

A - Previous to the Revenue Act of 1964, capital losses could only be carried over 5 years. The 1964 law changed that and capital losses can be carried over indefinitely until absorbed. These losses retain their original character so that a short term loss remains a short loss and a long term loss remains a long term loss. The answer to your question, therefore, is yes. You may carry over a loss without losing it until it is used up.

PUBLISHED WEEKLY BY THE PRESS CLUB OF CULVER HIGH SCHOOL

Well here we are again to bring you more news from the old grapevine. Now for some juicy gossip.

Say Nancy O. we hear you got a box of candy from a secret admirer. Wonder who he is????

Norm, is Elmer's glue as good as they say? (He used it to glue the heel back on his shoe.)

Say, Patti Mc., can't you take a little funnin' at the junior dances anymore?

Karen S., did you say you got mad at Gary D. and slapped him on the face? Oh, you wrote a note of apology afterwards. That's a good girl!!!

Brenda Mc., did ya have fun at the dance last Saturday night? How about you Norm?

We hear red coats are coming after Diane D., or did you say white coats.

Sheryl Fisher would like to give a heap big thanks to the eighth grade girls that gave her a necklace. THANKS GIRLS.

Hey, Jean G. who is this DUMB DUMB guy that you got a box of candy from? I hope he's not from Culver! (I don't think we have boys around here that would sign his name that way.)

We hear the senior girls were at it again last weekend at the dance. Hope this last dance turns out OK.

Hey, there's a new couple walking the halls of CHS. How about it Steve Mc. and Karen B.

Brenda, it looks like you'd know how to walk by now. Quit falling into window holes out by the shop.

If anyone wants to see a couple of the most interesting algebra papers in the algebra I class just ask Chuck B. and John K. about theirs.

There's a rumor going around that Bill L. has a new flame. For more info contact Bill.

Suzi R., you've been keeping a secret from us. Oh, you say his name is Denny, and he's a sophomore from Peru with a mo-ped. Best of luck to ya gal.

Marty, why don't you give up??

You can't work French crossword puzzles unless you're taking French.

Susie T., really!!! Tearing down the band equipment. . .

John K., what is it you could have bought (for a girl) for a dime, but you didn't??????

Seniors, rejoice, only 93 days until graduation and 25 days until the trip.

See ya next week for more gossip from the grapevine.

Freshmen Basketball

By Robert Vondra

Last week's underclassmen basketball news is limited to one freshman game, against North Judson. In spite of a fourth quarter rally, the freshmen finished nine points behind the North Judson five, for a final score of 39 to 30. This finishes the season for the ninth-graders, with the somewhat amazing record of one win to 15 losses.

However, this record is, in my opinion, unjustified to the fine effort put forth by the freshmen team. They lost eight games by a margin of six points or less, with two of these being overtimes.

There are several good freshmen players who will make excellent B team and varsity teams in years to come. Phil White, who started the season on the freshmen team and ended on the B-team, is possible varsity material, while Kerry Haenes and Steve McCombs are certain to be important on the B-team of '67. Two other members of the freshmen team who will be playing a lot on Mr. Hooley's team next year are Richard Snyder and Tom Overmyer.

GRADE NEWS

By Sara Hoesel

All grades 1-6 enjoyed their parties on Valentine's Day.

Kindergarten - Mrs. Melton reported a small epidemic of chicken pox with seven people absent from school.

Mrs. Barton's 1st grade - Kim Smith had a birthday party Feb. 9. Her mother and brother, Douglas, brought refreshments for the class.

Miss Page's second grade - The children in Miss Page's class have just started their 3rd unit in reading entitled "All Around The City."

Mrs. Shirrell's second grade - Mrs. Oldham visited this class and gave a talk on dental health.

Roving Reporter

By Cathy Welsh and Barb Mikesell

This week we asked the kids what they think of the "granny" dresses and here are their witty replies.

Sheryl Fisher - yulk!!!
Susie Thews - Yulk!!!
Marsha Guise - They're ok, if you're a granny!

Paula LaPlace - It all depends?
Mike Hansen - They're different(?)

Danny Haenes - I think they are obviously a revolt against all modern train of thought and sex appeal.

Mike Eustis - I discussed the matter with the world-renown, Dr. Orgle Van Duggle, and we have arrived at an hypothesis through a complete metamorphic train of thought and will now reveal to all humanity the much sought after explanation of the current dilemma - uh . . . er . . . let's see . . . well . . . uh . . . I forgot!

Bonnie Salyer - Granny dresses are alright at some places — not at dances, though.

George Babchuk - It is a subject matter of the utmost importance! Isn't that so, swingers? (To whom it may concern)

Ron Babcock - My grandmother is 89 years old and she doesn't wear dresses like that!

Laura Yeazel - They are ok if you like dresses below your knees.

Mr. Wolfe - What's a granny dress

Patty Wenzel - No, I don't like them.

Anonymous - No, the hems are not high enough!

Bob Shirrell - Yeah, I love 'em.

I think they really do look great.

Linda Reinholt - I agree with Bob.

Loretta Berger - They are really neat and look great just about anywhere but school. They make girls look more feminine.

Pam Fish - I don't like them. They look like something my little sister would play house in!!

John Kerrigan - No, the girls that wear them look like they're getting ready for bed.

Marlene Morrison - No, they went out 50 years ago and I think they should stay out!

Marty Pitts - Yeah, I really dig 'em!

Cheryl Walter - Not the real high necked ones, otherwise they are swift.

Patti McCombs - Yes, I do like them. But, only if they are worn in the proper places. That holds true with all the new styles and "fads".

Leon Sims - I agree with big John Kerrigan.

Pat Miller - I'm afraid they just don't fit the teenagers of today.

Judy Thews - I don't like them. Where would we wear them around here?

Vicki Clifton - Some of them are cute, but others - well.

Mr. Lawson - and who said history doesn't repeat itself?

Vickie Smith - I don't like them, and I never did!

Patty Overmyer - I think they are great on some people, but where can you wear them?

Mrs. England - I'd have liked them better about a quarter of a century ago.

Mr. Hughey - My old pappy says, " . . ."

Mr. Fouts - They look great on Granny.

Sharyl Welsh - They're tuff, but there isn't anyplace to go in 'em!

FEDERAL TAX

Q - I am entitled to alimony. Do I have to pay tax on it?

A - Yes, you do. Alimony is taxable income to the recipient and a deductible item for the payer. Child support payments, however,

In Dedication

To all Girls who have been Under-Trod:

EDITOR'S NOTE: This dedication was submitted to me by one of the members of the student body, who prefers to remain anonymous. Maybe more than one girl may feel the same way.

This is a declaration of rights, a statement of independence. Even in our Constitution men have the upper hand. It tells over and over clearly what rights men have, but only once, I repeat — once — does it mention women. Then it merely says we have the right to vote. Well, Hallelujah, Jacob rise above the devil!! Where does it say we have freedom of speech - without fear of being slapped down by our "owners"? Where does it say we have the right to make mistakes (and be forgiven for them) even though "they" don't make mistakes? Why must we be fear-ridden, controlled (again) by "Them"? Why do we always accept, forgive, and forget when we must squirm under the "thumb

of their tyranny"? Why are we so joyful for one spoken word in our direction - be it even harsh? Why-Why-Why-??? Who knows? All I can figure out is - we love 'em . . . and who can do without them . . . I can't .

Letter From The Editors

To the Student Body:

As you all know, sectional time is here again. Culver drew Monterey for her first game.

At the Bi-County Tournament, played last January at LaVille, Culver had one of the loudest pep blocks there, but it also had the smallest.

Since the pep block has just purchased blouses for its members, we see no reason why the block in its entirety can't be there and show the team that it's with 'em all the way.

WEEKLY WINNERS

After studying the teams of the two local sectionals for the past week, I've come up with two sure winners. I managed to get to several games this past weekend which greatly influenced my choice in one of the sectionals. In the LaVillie sectional it is not going to be as easy for Plymouth as everyone seems to think. If Plymouth manages to get by Triton, they'll easily make it into the final game. If Bremen can get past North Liberty, they'll be in the final game with Plymouth. It looks like Plymouth will sneak by Bremen, unless Jim Clack's Lions can freeze the ball from the Pilgrims.

In the Knox sectional it looks like Culver, who will dispose of Monterey, Knox, and Rochester in barnburners, and Winamac will battle it out for the champion ship. Culver will beat Winamac without an overtime and without one of their patented come backs.

In the next to the last POLACK POLL Plymouth remained on top with 40 votes. Culver jumped into second with 36 votes, and Bremen nosed out Knox for third place with 32 votes. Knox with 25 votes, and Triton with 21, round out the top five. For the first time C.M.A. also received votes.

My record thus far this season is 140 correct and only 35 wrong, making me the best in the state with my 1800 mark.

I'm picking the winners of some of the more important sectionals through out the state. I'm not going to count this on my record because I don't want to take unfair advantage and raise my average even more over what's his-name. The following are the sectionals in capital letters with their respective winners.

At ANDERSON I'll take the third ranked host school in a mop up.

At ANGOLA I'll take Lakeland.

At BEDFORD I'll take the host school coached by two ex-Culver stars. Ray Manis and Dave Washburn.

At BRAZIL I'll take Cloverdale, who was one of last year's 16, and has everyone back from last year.

At CHESTERTON I'll take Valparaiso.

At COLUMBUS I'll take Shelbyville.

At CONNERSVILLE I'll take Brookville.

At COVINGTON I'll take At-

At CROWN POINT I'll take tica.

Griffith.

At EAST CHICAGO I'll take East Chicago Washington.

At ELKHART I'll take Goshen to break the old Northside Gym Hex.

At FORT WAYNE I'll take Fort Wayne Central.

At GARY I'll take Gary Froebel.

At GREENCASTLE I'll take host Greencastle.

At Indianapolis (1) I'll take Washington.

At Indianapolis (2) I'll take Howe.

At KENDALLVILLE I'll take Garrett.

At KOKOMO I'll take Kokomo.

At LAFAYETTE I'll take Lafayette Jeff.

At LOGANSPORT I'll take Logansport.

At MICHIGAN CITY I'll take Michigan City.

At MONON I'll take Demotte.

At MUNCIE I'll take Muncie Southside.

At SOUTH BEND I'll take Central.

At WARSAW I'll take Columbia City.

At ZIONSVILLE I'll take Lebanon.

At NEWCASTLE I'll take New Castle.

And in one not so important sectional I'll take Dugger to take the SULLIVAN sectional. (Just for you Mr. Stegemoller)

Now will all you folks remember one thing as I prepare to sign off? I have but one thing to say. And that is a famous old Polish saying which goes like this: "Three foot tall center gathers no rebounds."

A Teen's View On Long Hair

By Bob Vondra

About three years ago, teenagers started worshipping four young men from Liverpool, who strummed and drummed to a low beat and sang, "She loves you, yeah, yeah, yeah." A new form of protest was born. Part of the fad was slong hair for boys, in any number of styles.

Parents, school administrators, and adults in general viewed long hair with the same distaste the madras clothes, Elvis Presley records, the jitterbug, and the Charleston had born in parents in past years. And the longer the hair, the more the distaste grew. One New England schoolteacher went so far as to block the door of his classroom with a pair of shears in his hand, snipping long bangs off here and there. Of course he had a good reason for this. "Sloppy hair, sloppy thoughts," was what he said. Which seems perfectly fine except what has long hair got to do with sloppy thoughts? I have known quite a few smart girls with very, very, long hair. Anyway, who wants neat, trim thoughts in a classroom? There's got to be room for some diverse, progressive thoughts in there somewhere.

About a hundred years ago, there was a man named Joseph Palmer who grew an enormous beard when everybody was clean-

shaven. He became a laughing-stock. But after about twenty years, the national vogue suddenly turned to goatees, moustaches, and long sideburns. Joe was in his glory. What happens if long hair becomes the national style and some adventurous soul comes to school in a crewcut? Will the administrators paste hairs on his head?

Of course, the basic theory behind the Beatie cut is that adults abhor them. If parents started fraternizing long hair and went on a crusade against something else, long hair would join all the other forgotten fads.

Just as soon as we students graduate from high school or college, we're going to have to have trim hair, and trim lawns, and a 9 to 5 job, for the rest of our lives. So, adults, why not give us a few years to be individuals before we become conformists in maturity?

Students Hear Indianapolis Symphony

By Cheryl Zink

Wednesday, Feb. 16, CHS students, grades 9-12, plus 1300 other Marshall County high school students, had the privilege of auditing the 1 p.m. performance of the Indianapolis Symphony at the CMA Eppley Auditorium. The Indianapolis Symphony, conducted by Izler Solomon, ranks as one of the nation's top 10 orchestras.

Included in the afternoon performance which lasted 99 minutes were the following selections:

- I. Polonaise "Eugene Onegin" by Tchaikovsky
- II. "Dance of the Blessed Spirits" from "Orpheus" by Gluck
- III. First movement from Brahms Fourth Symphony
- IV. Scherzo from Mendelssohn's "Midsummer Night's Dream"
- V. The Russian sailors' dance from "The Red Poppy" by Gliere
- VI. "Stars and Stripes Forever" by John Phillip Sousa
- VII. "The Sleeping Beauty Waltz" by Tchaikovsky

These programs are made possible for us to attend by the

MINOT, N.D. — William G. Rumpa III, son of Mrs. Norman Mahdesian of 9394 Cheyenne Ave., Detroit, has been promoted to airman first class in the U.S. Air Force.

Airman Rumpa is an electrical power line specialist at Minot, AFB, N.D. He is a member of the Strategic Air Command which keeps the free world's mightiest missile and jet bomber force ready to counter the enemy threat.

The airman is a graduate of Mackenzie High School.

His wife, Virginia, is the daughter of Mr. and Mrs. Ronald J. Gleason of 136 N. Terrace, Culver, Ind.

Airman Rumpa's father, William G. Rumpa Jr., resides at 6131 John Daly, Taylor, Mich.

GREAT LAKES, ILL. (FHTNC) — Seaman Recruit Thomas A. Yocom, 19, USN, son of Dr. and Mrs. Emery J. Yocom of 200 White St., Culver, is undergoing seven weeks of basic training at the Naval Training Center here.

Under the supervision of veteran Navy petty officers, he is receiving instructions in naval history and organization, customs and courtesies, ordnance and gunnery, seamanship, damage control, first aid, swimming and sur-

vival, shipboard drills and sentry duty.

Military drills are emphasized during recruit training, and with various inspections and a planned physical fitness program, keep the recruits mentally and physically alert.

Upon completion of recruit training, he will be assigned to a school, shore station or ship, according to the results of his Navy classification tests, his own desires and the needs of the Navy.

Noted Canoeist Joins Academy Faculty Roster

Kalman Blaho, Hungarian-born coach of the Italian Olympic canoe and kayak teams, has been appointed to the staff at Culver Military Academy.

Major General Delmar T. Spivey, USAF (Ret.), superintendent, said Blaho will assist the Academy in setting up and operating a canoeing and kayaking program in both the winter and summer programs.

General Spivey said that with the acquisition of Blaho, Culver has asked to be the site of the U.S. championships. If granted, the national competition would be held on Lake Maxinkuckee in July and would include top canoeists from throughout the nation. A team would be selected at that time and would then train at Culver for the August World

championships in East Berlin.

Blaho will work with William Garrison, a member of the Academy's history department, who two years ago developed an annual 60-mile Tippecanoe River race sponsored by Culver. The two men will develop a program in all phases of canoeing with special emphasis on flat-water racing.

During the last year Blaho has been a consultant to the U.S. Olympic Committee and the American Canoe Association, both of which are attempting to strengthen American participation in the sport at the international level. He conducted a canoe clinic here last Fall and recently conducted clinics at Michigan State University and the University of Washington, and Blaho also led instruction in these sports at the Women's Aquatic Forum in Florida.

Before he left Hungary in 1957, he was the national canoe champion for 22 years. He became national coach of canoeing and developed many world champions

in Europe, where canoeing enjoys greater popularity than in the U.S. Before he left Hungary he also trained Soviet canoeists and helped start the Soviet teams toward victories in the sport — which is a major activity in international competition — in recent Olympics.

Blaho left Hungary in 1957 and became national canoeing and kayak coach in Italy, where he was also a professor at the College of Physical Education in Rome. His teams won a gold and a silver medal in the 1964 Olympics.

Since he came to the United States last year, Blaho has headed the canoeing program for the Olympic Development Committee. Blaho also has been recognized for his work in physical development and has prepared both Hungarian and Italian athletes for international competition in crew, skiing, and soccer.

how do you dry clothes in winter?

...OUT IN THE COLD?

...IN THE BASEMENT?

THERE'S ONLY ONE GOOD WAY TO DRY CLOTHES IN THE WINTER... OR YEAR 'ROUND, FOR THAT MATTER... THAT'S WITH A WONDERFUL AUTOMATIC GAS CLOTHES DRYER.

GET A GAS DRYER

IT DRIES CLOTHES FASTER. No other dryer can match the speed of a Gas Clothes Dryer. It's the only one that dries your clothes as fast as your automatic washer washes them.

IT DRIES CLOTHES BETTER. Because a Gas Clothes Dryer dries faster, it is better for drying woolens... especially blankets. Also, speedy drying gives clothes longer life.

IT DRIES CLOTHES CHEAPER. Clothes dry in a Gas Dryer for an average of one cent per load. This is only one-fourth the operating cost of other dryers. Then too, no costly wiring is required for a Gas Dryer.

let us prove a **GAS DRYER** is the one for you!

Lake's reverent account of the divine origin of Jesus is the opening theme of the service in Christ Science churches this Sunday on the subject: "Christ Jesus." The Lesson-Sermon continues with Mark's record of Jesus' baptism in the river Jordan when "the heavens opened, and the Spirit like a dove descending upon him: And there came a voice from heaven, saying, Thou art my beloved Son, in whom I am well pleased." And it culminates in John's powerful rhetorical ques-

tion: "Who is he that overcometh the world, but he that believeth that Jesus is the Son of God?"

Explaining the continued importance of these words to humanity are passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, apostle says that J-n- A-mG e— including the following "An apostle says that the Son of God (Christ) came to 'destroy the works of the devil.' We should follow our divine Exemplar, and seek the destruction of all evil works, error and disease included. . . . Those who slew him to stay his influence perpetuated and extended it. . . . The persecutors had failed to hide immortal Truth and Love in a sepulchre."

The Chicago Motor Club advises motorists to watch for pedestrians when passing buses stopped at the curb. Disembarking passengers, hurrying to make connections with other mass transit vehicles, often disregard auto traffic. A motorist must be alert for pedestrians who forget their safety rules.

A Great Leader Still Leads

It has been said that a man is tallest when he is on his knees. The familiar picture of George Washington kneeling in prayer at Valley Forge reminds us that the "Father of our Country" was a man who walked close to God and who taught his soldiers to pray.

Washington recognized that human frailty is not a sign of weakness—that it is the first step toward finding the needed strength. To call upon God for the resources we lack is to supply our deepest want.

The example of our first President still points men to God. Just as George Washington found God's strength available, so do men in our time when they call upon Him in faith. Discover Him in your own life. Worship God in your church next Sunday.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Albright Candidate For Clerk Of Circuit Court

GLENDYN C. ALBRIGHT

Glendyn C. Albright has filed his candidacy for Clerk of Marshall County Circuit Court.

Albright graduated from Argos University, and is presently serving High School and attended Purdue his second term as Marshall County Auditor.

Albright, with his wife Marjorie (Ferguson), lives on a farm two and one-half miles southeast of Argos. They have two children, a son Merlyn who is doing graduate work at Northern Illinois University and a married daughter, Angela, who resides at Rochester, Ind.

Miss Newdriver to garage man: "They say I have a short circuit. Can you please lengthen it while I wait?"

COUNTY TO SHARE

FUNDS FOR EMERGENCY
CONSERVATION ASSISTANCE

WASHINGTON, D. C. — Senator Vance Hartke and Senator Birch Bayh announced that nine Indiana counties will share in a Department of Agriculture allocation of \$105,000 to be used for the extension of emergency conservation assistance.

The nine Hoosier counties include Blackford, Elkhart, Grant, Hamilton, Howard, LaGrange, Marshall, Steuben, and Wells.

According to the Department of Agriculture, the use of the funds is limited to those farmers who requested cost sharing assistance under the 1965 program but could not carry out their intentions because of bad weather and limited amounts of equipment.

Punctuality is the art of guessing how late the other person is going to be.

Notice To Bidders

Indians Defeat Mentone With 78-58 Score

Play Monterey In Sectional Opener

By BOB SHIRRELL

Last Friday night the Culver Indians knocked off the Mentone Bulldogs in their last regular season game. This is the tribe's fourth straight victory and leaves their record at 12 wins and eight losses as they head into the Knox sectional.

Indians Defeat Mentone

Last Friday night the Indians defeated the Mentone Bulldogs at the local gym by a score of 78-58.

This was the last home game for eight seniors: Ron Babcock, Mike Eustis, Jim Jackson, Mark Kosterman, Bruce Lindvall, Andy Lowry, Mark Lowry, and Randy Wakefield. Next year's team will greatly feel the loss of these valuable players.

The Indians were able to win the Mentone game by taking more shots than the Bulldogs took. Each team made 43 per cent of their shots but the Indians took 74 shots while the Bulldogs took only 42. This difference gave the Culverites the victory.

High scorer for the Indians was Andy Lowry who put in nine baskets and three free throws for a total of 21 points. Bruce Lindvall and Randy Wakefield followed up the scoring list with 13 and 12 points, respectively.

Bowser led the Mentone offense with 17 points.

Sectional Games

ALL sectional games at Knox are being played on Central Standard Time which is one hour later than Culver time. For example, the Knox vs North Judson game Wednesday night will start at 8 o'clock Culver time and the Culver vs Monterey game will begin at 9:15, Culver time. The doors will open at 7 p.m., Culver time.

There are no advance-sale single-session tickets being sold but you may be able to purchase a single session ticket at the door if you do not now have a three dollar book of tickets for the whole sectional.

Listed below are the pairings for the 1966 Sectional at Knox. Times are given for CULVER time.

Walkerton vs Winamac at 8 p.m. Thursday and LaCrosse vs Aubbeenaubbee at 9:15 p.m. Thursday.

Wednesday night at 8 p.m. Knox met North Judson and at 9:15 it was Culver vs Monterey.

Friday night at 8 p.m. Rochester will meet Oregon-Davis.

Saturday afternoon the semi-finals will begin at 1:30 p.m. and 2:45 p.m. with the championship game beginning at 9:15 Saturday night.

Academy Sports

Basketball and wrestling teams closed out the winter sports season at Culver Military Academy last weekend, and for at least two Eagle athletes, the year is one to remember.

Cager Pete DePrez and wrestler Mike Schrage entered their names in the Academy's athletic history books as they led their teams to victory Saturday.

The basketball team, although it blew a 15-point lead going into the last period, squeaked past St. John's Military Academy, 70-69, at Delafield, Wis. The team also walloped Windfall High School Friday night, 83-53, and together with the victory at St. John's brought the Academy's basketball record for 11-7 for the season.

The wrestling team, enjoying one of its most successful seasons, clobbered Howe Military School in its finale Saturday, 43-0. Coach Colin Stetson's grapplers finished at 11-1 with a lone defeat administered by tough South Bend Clay.

For DePrez, the game at St. John's assured him a clean sweep of the Academy's basketball records. He already had won the single game honors when he erased his own record by scoring 45 points against Avilla. DePrez also won the three-year scoring record with 854 points, bettering the 665 scored by Paul Killian, who graduated last year. With his 31 points at St. John's, DePrez added a third mark, the single season record, with 443 points. The old record was held by Walt Griffith, who scored 426 in 1956-57.

In wrestling, Schrage completed a brilliant career in which he became the winningest grappler in Culver history. As the Academy rolled over Howe, Schrage won his thirty-third victory in succession and the forty-sixth of his Culver career. Jim Brooks finished the season with his sixteenth in a row and his thirty-first victory in 32 outings.
