Culver Lions Club Honors CHS Basketball Team

By BOB SHIRRELL

Last Wednesday night many patrons gathered at the Lions Den for the annual Lions Club Basketball Banquet to honor the basketball teams, the coaches, the cheerleaders, and the student managers from Culver High School.

The banquet opened with the singing of "America" and the Pledge to the Flag led by Al Poppe. Following the invocation offered by Reverend Carl Baker, the Burr Oak Church of God Ladies' Aid served the dinner.

Later several members of the CHS team were presented awards. Edgar "Tone" Shaw presented Bruce Lindvall with the Highest Free Throw Percentage Award. Andy Lowry was awarded the coveted Underwood Most Valuable Player Award. Varsity coach Gene Crosley presented Mike Eustis with the Assists Award, and gave Andy Lowry two other awards — highest field goal percentage and the most rebounds. Coach Crosley also made special note of the loss of seven valuable seniors, who will be graduated in May.

One of the highlights of the evening's program was the presentation of a plaque to Principal Kenneth Cole as a token of friendship from the people of Culver. Mr. Cole is leaving Culver to become Superintendent of the DeKalb Eastern Community Schools at Butler, Ind.

Bill Etherton was the main speaker at the banquet and he delivered a both humorous and timely talk on some of the purposes of a sports program.

Assistant coach Ron Hooley made presentations to his B-team. The Free Throw award went to Bob Crow, Highest Field Goal Percentage Award to Stu Lowry, and the Rebounds Award to Terry Gentry.

Culver Jaycees To Co-Sponsor Annual Trade Scholarship

President Roy Nicodemus of the Culver Jaycees announced that the Club met Thursday evening at the Eagles Lodge. Jerry Wyman, chairman of the Parliamentary Procedure Program, reviewed the details during the meeting. Latham Lawson gave a five-minute speech as part of the Speak-up Program. The Easter Egg Hunt project will be co-chaired by Mike Bennett and Verl Shaffer with Phil Gretter and Dick Woodward assisting them.

The Akron Jonah Fish Fry Club will provide the ingredients for an upcoming Fish Fry to be held tentatively on Saturday, April 16. Phil Gretter and Dr. George Rosero will co-chairman his activity with Lance Overmyer acting as an advisor. The newly inducted group of 11 Jaycees will use this as their

Maurice Curtis Candidate For Township Trustee

MAURICE CURTIS

Maurice Curtis, well-known Culverite residing on Queen Road, has announced his candidacy for Union Township Trustee on the Republican ticket in the upcoming May 5 Primary Election.

Born and reared in Union Township, Curtis is 56 years of age, a 1927 Culver High School graduate, and has lived his entire lifetime in this community. He and Mrs. Curtis are the parents of three children, Delores Jean, Robert, and Warren, all married and living in this community.

Curtis is a member of the Popular Grove Methodist Church, Culver Chamber of Commerce, and the Maxinkuckee I.O.O.F. and and Culver Masonic Lodges. He is Past Grand Master and Past Department Commander of Patriarch's Militant Branches of Odd Fellows Lodges.

The office of Township Trustee would not be a new experience for Curtis as he served Union Township in that capacity for eight years — 1946-1954 — during which time the present Culver Elementary School building was constructed.

Further attesting to Curtis' experience in business and community work, he served four years as an Advisory Board member and eight years on the Culver Public Library Board.

first Community Fund Raising Project, with the proceeds to be used in conjunction with the McGill Corporation for a Trade Scholarship. President Nicodemus commented that McGills will co-sponsor an Annual Trade Scholarship, along with the Jaycees, to be awarded to a Culver Community School student.

A nominating committee for 1966-67 officers will be composed of Chairman Bob Kline assisted by Kenny Miller, Verl Shaffer, Jim Bonine and Charley Edgington. Phil Gretter is the present spark-plug and Spoke Chairman and a group representing the Culver Jaycees will visit the Rochester Club on March 21.

The Jaycee-McGill banquet will be held on May 21 at The Culver Inn officially welcoming the Bearing Factory to Culver.

Eddie Amond, Jaycee Publicity Director, said that five officers of the Elkhart Jaycees were present at the meeting; President, Tom Jones; 1st Vice President, Mike Bane; Secretary, George Fredrick; Director, Kevin Smith; and Floyd Fields, candidate for Region B Vice President.

Home Owners Should Check Before Signing

Local residents are being cautioned that this is again the season for transient home repair operators who can and will bilk unwary property owners into paying too much, or buying materials and services of inferior quality.

The best way to avoid being swindled by this type of salesman is to avoid signing any contract for home repair work that has not been first inspected by a qualified person, and by contracting for work only from local, well known and established business firms.

Older persons are especially vulnerable to the tactics of the fast-buck operators, it was said, since they are sometimes entirely dependent upon others for such work and services.

It was reported that a transient operation was at work in town during the past week.

New Physician Joins Clinic

DR. JAMES R. LEACH

Dr. James R. Leach, who has been practicing in Fort Worth, Texas since he completed his internship in 1962, will join the staff of the Culver Clinic within the next few days. Dr. Leach will practice family medicine, obstetrics, and surgery as an associate of the Culver Clinic.

Dr. Leach was born in a small north Texas town and lived on a farm for a few years. After completing high school, he received his education at the University of Texas where he was graduated with a degree in pharmacy. He then practiced pharmacy before and after an army tour of duty of 31 months; his time in the army was spent primarily in Korea where he was a lieutenant in the Army Medical Service Corps. Dr. Leach enrolled in the College of Osteopathic Medicine and Surgery, Des Moines, Iowa, and was graduated in 1961; he then served his internship at Fort Worth Osteopathic Hospital and entered private practice in Fort Worth.

Dr. Leach is married and has four sons. He is a member of various professional and civic organizations and the Episcopal Church. He plans to have his family join him in Culver in June at the close of the present school year.

Public Meeting Set; Retirement Of McLane Told

On Monday evening, the Board of School Trustees of Culver Community Schools discussed with the architect, James Rennard of M-W Incorporated, and members of the public holding corporation the plans for a general public meeting on Tuesday evening, April 5. At that time a comprehensive review of the plans for the new high school building will be presented.

In considering procedures to be followed in the public meeting, it was decided that Architect Rennard and other representatives of M-W Incorporated will review the details of the floor plans, heating and air conditioning systems, materials, etc. Attorney George Stevens will discuss the legal aspects of the program and plans for financing the project.

In other business, the School Board conferred with a teacher salary committee which included John Nelson, Jack Miller, and Ernest Dillman. The teacher representatives discussed possible revisions of both the basic salary schedule and the added pay for extra duties. The salary committee had proposed on March 7 a basic salary scale which would have a starting salary for four years' training of \$5500. This schedule would reach \$7150 with ten years of teaching experience. The scale for five years of training would start at \$5720 and reach a maximum of \$9130 with 19 years of experience.

After discussing the committee's proposals, the School Board expressed its reluctance to adopt the schedule proposed by the faculty representatives. However, further study of the matter will be made so that a decision will be reached in a meeting of the School Board on March 28.

The School Board also reviewed the list of applicants for the position of Superintendent of Schools. A vacancy will be created in this position by the retirement of Frank McLane at the conclusion of his present contract on June 30th. Also involved in the discussion was a consideration of the credentials of potential candidates for the position as principal of Culver High School. Mr. Kenneth Cole will conclude his services as Culver's principal on March 31st in order to begin his new duties as Superintendent of Schools of DeKalb Eastern Community Schools at Butler, Ind.

Fulton County Blood Bank Set For March 21

Next Monday, March 21, will be the first blood collection date of 1966 for Fulton County. The increased demands for whole blood have caused a slight revision of the quotas.

Following are the new quotas and blood chairman of the townships in the Culver area: Aubbeenaubee - 10 pints - Mrs. Wilbur McIntyre; Richland - 9 pints - Mrs. Otto Kath; and Union - 11 pints - Miss Naomi Mills.

The requirements for donating blood remain the same: The donor must be 18 to 60 years of age and weigh at least 100 pounds and be in normally good health. Enough time has lapsed since the last collection date to enable previous donors to give again.

Blood bank headquarters will be at the American Legion Home in Rochester between 10 a.m. and 4 p.m.

Editor, THE CITIZEN:

If you recall, during the recent Jaycee Bosses Night and Distinguished Citizens Award Dinner, Democrat Secretary of State John Bortorff was the featured speaker.

The Culver Jaycee Club, in trying to obtain public figures for future dinner activities in community events, are contacting personalities throughout the State and the United States to present interesting and controversial people for the enjoyment and intellectual stimulation of our area. As you know, the Jaycees will sponsor a welcoming dinner for the McGill Corporation. Tentative plans had called for the dinner to be held in April.

The following is a reply from Barry Goldwater that the Jaycees received regarding an earlier inquiry to feature Mr. Goldwater as the dinner speaker:

"Dear Mr. Amond:

Many thanks for your recent letter inviting me to speak before the official welcoming dinner for McGills, the first part of April.

As much as I would like to accept your kind invitation I am afraid it will not be possible, as 1966 is an election year, I have committed myself mainly to Arizona.

Thank you again for your invitation and I do hope you will think of me in the future and you understand my reasons for not accepting. Sincerely, Barry Goldwater."

Hospital Notes

Mrs. Chester W. Cleveland and her mother, Mrs. C. E. Glass, were in Logansport last Friday where they visited with Rose Busart, who is a patient in St. Joseph's Hospital. They report Rose is getting along nicely and enjoys hearing from her many Culver friends.

Clarence Hartley Seeks Republican Senate Seat

CLARENCE M. HARTLEY

Clarence M. Hartley, Mishawaka, is seeking the Republican nomination in the May 3 Primary Election for State Senator from the Fourth District, composed of Marshall and St. Joseph Counties. He will oppose Republican candidate, Bill Duley, of South Bend.

Hartley is sales representative of a South Bend major appliance distributor, a former precinct committeeman, and a former delegate to the State Convention. In 1964, he was co-ordinator for the Third Congressional District Republican Central Committee.

A native of Nebraska, Hartley came to Indiana in 1958 as manager of the Mishawaka Chamber of Commerce, and was manager of governmental affairs for the South Bend-Mishawaka Chamber of Commerce from 1961 to 1964.

Hartley and his wife, Ann, with their two sons, 16-year-old Steve and 13-year-old Jeff, reside in Mishawaka at 1129 Lincolnway East. He is 37 years of age and a member of the Methodist Church and Masonic Lodge. He is a first lieutenant in the Infantry Division of the United States Army Reserve and served eight years in the Nebraska National Guard.

When my brother was inducted into the army, the first sergeant said to him, "What were you in civilian life?" Answered my brother, "Happy."

Miss Marilyn Reichard And Robert Strahle Are Wed In Church Ceremony

MRS. ROBERT M. STRAHLE

Miss Marilyn Jean Reichard, daughter of Mr. and Mrs. Emerson A. Reichard, Route 4, Rochester, became the bride of Robert Michael Strahle, son of Mr. and Mrs. Robert H. Strahle, 1011 E. Market St., Logansport, in a randleight service at 7:30 p.m. on Friday, March 4, at the Leiters Ford Methodist Church. Rev. Norris King, pastor of the church, officiated at the double ring ceremony.

Double branched candelabra and baskets of white flowers decorated the altar. Candles were lighted by Dennis Omer Reichard, cousin of the bride. Organist Mrs. Harold Joan Moore of Findlay, Ohio, aunt of the bridegroom, played the traditional bridal selections and accompanied Mrs. Dan Snider of Argos who sang, "Liebestraum's, I Love Thee," "I Love You Truly," "O Perfect Love," and "A Wedding Prayer."

Given in marriage by her father, the bride appeared in a gown of ivory peau de soie styled with a fitted bodice and long sleeves which came to points at her wrists. The long detachable train, lined with sparkling champagne silk organza, was worn over the soft pleated floor-length gown. Her headpiece, a self made Cabbage Rose borrowed from her sister, secured the long nylon tulle veil. She wore a single strand of pearls, a gift of the bridegroom, and carried a bouquet of ivory roses.

Mrs. Marlene Rozzi of Logansport attended her sister as matron of honor and was attired in a floor-length gown of sapphire blue taffeta fashioned with a high scooped neckline, elbow-length

sleeves and a bell skirt. Her headpiece was a half hat of emerald green taffeta loops and petals which held her short full emerald green veil. She wore green gloves and carried a cascade bouquet of ivory roses accentuated with green taffeta ribbons. Her miniature silver cross necklace was a gift of the bride.

Richard Jarvis of Bunker Hill served as best man and ushers were Robert Rozzi and Edward Blume of Logansport.

For her daughter's wedding, Mrs. Reichard chose a two-piece beige suit with brown accessories. The bridegroom's mother was attired in a green knitted dress with brown accessories and they each wore a corsage of ivory roses.

Following the ceremony a reception was held for 200 guests in the church social room. Hostesses were Miss Sandy Strahle, sister of the bridegroom; Miss Marjorie Reichard, Rochester; and Mrs. Judy Edgington, Culver. Their junior assistants were Misses Nancy Lyn Reichard, and Ann and Theresa Mittice.

Sapphire blue and emerald green streamers, with three large white wedding bells enhanced the bride's table. The four-tiered wedding cake was topped with a miniature bride and bridegroom encircled in a white heart trimmed in blue and green net.

Miss Patricia Kline registered the guests and Miss Patricia Ruper and Miss Sue Ganglioff presided at the gift table.

For her wedding trip to Chicago the bride made her two-piece suit of saffron wool with matching blouse of raw silk and wore beige accessories. They are now at home at 3251 Tara Court East, Apt. 2, Indianapolis.

The bride is a graduate of Aubeenubbee High School and the Practical Nurse Training Program of Purdue University of Calumet Center, Hammond. The bridegroom is a graduate of Logansport High School and is assistant manager of Hook's Drugs, Inc. at Indianapolis.

Guests attending the wedding were from Logansport, Plymouth, Culver, Bunker Hill, Burr Oak, Leiters Ford, Argos, South Bend, South Whitley, Elkhart, Akron, Walton, Goshen, Fort Wayne, and Deer Creek, Ind.; Decatur, Ill.; North Baltimore and Findlay, Ohio; and Argentina, S.A.

Culver Rebekahs Plan March 22 Inspection

Culver Rebekah Lodge 845 convened Tuesday evening, March 8, in the Lions Den. A business session was held and the degree team practiced for inspection of the Culver Lodge scheduled for Tuesday, March 22, in the Lions Den.

All new and old members are invited to attend as Culver has a candidate.

The Noble Grand has asked that all members of the degree staff dress in formal attire for this upcoming inspection, following which refreshments will be served.

Exasperated Piano Teacher (to his pupil) — "I'm warning you. If you don't behave yourself I'll tell your parents you have talent."

Junior Woman's Club Entertains Girl Scouts

The Maxinkuckee Junior Woman's Club entertained the Culver Girl Scouts on Monday, March 14, at the Bank Lounge, in celebration of the anniversary of Girl Scouting. Mrs. Edward Kowatch was program chairman for the evening.

After servings of "Do It Yourself" sundaes, in a St. Patrick's setting, the girls and their leaders enjoyed a movie on the 1965 Girl Scout Roundup, held at Coude-Lein, Farragut, Idaho. Mrs. W. H. Conger, Field Director of Northern Indiana Girl Scouts, presented the movie, with comments on the Roundup program by Senior Scouts Sharyl and Cathy Welsh. Leaders attending the party were Mrs. Jack B. Spencer, Neighborhood chairman, Mrs. James Davis, Mrs. Dale Heiser, Mrs. Larry Welsh, and Mrs. John Roos, and Mrs. Kowatch. Mr. Welsh was a special guest.

Mrs. Warren Curtis, president, conducted the meeting which followed, and welcomed Mrs. Harry Fouts as a guest. Mrs. Latham Lawson presented Sharyl and Cathy Welsh, who showed slides of some of their camping experiences in preparation for the "Little Roundup," which they attended last summer as alternates in the Roundup program. The girls spent two weeks at Camp Tocanja, in Michigan, which included a six day hike. Sharyl served as Patrol Leader and Cathy as Recorder of their Wandering Winds patrol, and they told of their many exciting and enriching experiences. Assisting in the program were their parents, Mr. and Mrs. Larry Welsh.

During the business session, the County Convention Call was read for April 6, at the Summit Chapel Methodist Church. An invitation was read from the South Bend Progress Club for their Federation Day on April 15. Announcement was made of the Culver City Club Art Show, to be held in the library basement from April 17 through 23.

Mrs. William Snyder announced instructions for the Food Sale to be held on April 9.

Mrs. Dallas Tausley gave the Closing Thought, and the meeting was adjourned with the Junior Pledge.

Following the meeting, refreshments were served from tables decorated with spring flowers, incorporating the St. Patrick's theme, by Mrs. Roy Nicodemus, Mrs. William Stegemoller, Mrs. Harry LaPlace, Mrs. John Hoessel, and Mrs. Ted Strang.

Mrs. W. J. MacQuillan Named President Of Methodist W.S.C.S.

Mr. Donald Troyer, science instructor at the Academy, spoke on "Living in the Space Age" at the last meeting of the W.S.C.S. of the Methodist Church. He discussed three aspects of the world we live in, the telescopic world, the microscopic world and the man-sized world. Throughout his talk he stressed that there should be no controversy between science and religion. Science is based on faith and scientists are investigators not creators. God created all the world so why not explore space?

Mrs. Lella Garber gave very inspiring devotions of the evening. She based her devotions on

"What Is God and What is the Mystery of God."

The business meeting followed and it was conducted by Mrs. Harry Speyer, president. The 1966-67 slate of officers was presented at this meeting by the nominating committee consisting of Mrs. Fred Adams, chairman, Mrs. Jack Spencer and Mrs. Ted Strang.

The following slate was accepted by the group: President, Mrs. W. J. MacQuillan; Vice-President, Mrs. Frank Setzler; Secretary, Mrs. Robert Boswell; Treasurer, Mrs. Clarence Ba; Secretaries are as follows: Publicity, Mrs. Richard Dehne; Social Relations, Mrs. Donald Troyer; Promotion and Membership, Mrs. Fred Lane; Student Work, Mrs. C. C. Clarno; Spiritual Work, Mrs. Harry Speyer; Literature and Publication, Mrs. Robert Kline; Supply Work, Mrs. Hampton Boswell; Local Church Work, Mrs. F. L. Babcock; Ways and Means, Mrs. Marshall Brown; and Missionary Education and Service, Mrs. Robert Osborn.

A district meeting was announced for March 29 at 10 a.m. Reservations must be in by the 23rd and if anyone needs transportation contact Mrs. Harry Speyer.

Decorations for the table were based on St. Patrick's Day. Mrs. C. C. Clarno was hostess chairman and assisting her were Mrs. Kenneth Heggard, Mrs. Sam Allen, Mrs. J. B. Allen, Mrs. W. W. Strait, Mrs. Charles Bayless, Mrs. J. C. Spencer, Mrs. Nettie Washburn, Mrs. Nellie Baker, Mrs. William Herrmann, Mrs. Harry Edgerton, and Mrs. Harry Baker.

Do You Remember 'Way Back When?'

Highlights of Culver News of 10, 20, 30, 40, and 50 Years Ago This Week

MARCH 14, 1956—

Col. William Edward Gregory, age 54, a native of Blanchester, Ohio, and fifth superintendent of Culver Military Academy, died this morning at Washington, D.C., where he and Mrs. Gregory were on a tour of the East attending a series of Culver alumni meetings.

In a closely contested game in the gym last Friday, this year's CHS seniors defeated next year's varsity hopefuls by a score of 52 to 46.

George Overmyer, age 78, was found dead of natural causes last Thursday evening in his home on State Road 17, between Culver and Burr Oak.

The Long Lines Department of the American Telephone and Telegraph Company has awarded a contract to the Hagerman Construction Corp. of Fort Wayne to build four relay stations, one here in Culver, for a long distance telephone route across Indiana.

Announcement is made of the marriage of Miss Arlene Wegemann of Oak Park, Ill., to Allan Crabb, son of Mr. and Mrs. Merle Crabb of Culver.

MARCH 13, 1946—

The high school basketball team was given generous publicity in The South Bend Tribune last week. Billy Overmyer was not included in the pictures as he was in Indianapolis taking his preinduction physical examination on the day The Tribune's photographers were here.

Mrs. Perchis Blanchard dug her first mess of dandelion greens on March 7, the earliest she has performed that ritual in 15 years. Mrs. Thelma Hodges tied Mrs. Blanchard for first dandelion green honors by also gathering a mess on Thursday.

Culver Indians upset East Chicago in basketball semi-finals but lost by two points to Flora.

E. J. Kistler has been appointed local representative of The Franklin Life Insurance Co. with offices in Culver at 503 S. Main St.

Mr. and Mrs. Ralph Osborn Jr. are the parents of a daughter born March 11 in Kansas City, Mo., where Mrs. Osborn has been visiting with her parents.

Ray Manis has been accorded the unusual honor of being selected to sectional, regional, and semi-final all-tournament teams.

MARCH 11, 1936—

Peter McKinney underwent a major operation Monday at the Epworth Hospital. Although the surgery was quite serious, his condition is reported satisfactory.

An occasion of double significance was Friday evening when Miss Margaret Behmer, daughter of Mr. and Mrs. H. E. Behmer, became the bride of Harry J. Baker, son of Mrs. Laura Baker, at the same time the bride's parents were celebrating their 27th wedding anniversary.

Miss Marjorie Hawkins, who on

March 15 will become the bride of Charles Ferrier, was honored at a party which Miss Mary Reed, Miss Martha Long, and Mrs. Lewis Lohr gave as an event of Thursday evening in the home of Mrs. Harry Speyer.

Culver won the sectional title by defeating Knox by two points.

MARCH 10, 1926—

G. T. McCullough is the proprietor of the new tailoring establishment that was opened for business last week in the room across from the depot.

Born to Mr. and Mrs. Lloyd Hawkins, March 10, a son.

Charles Pettis has opened a grocery store in the Menser Building across from the Methodist Church. Jess Pettis will manage the new grocery store.

The only Culver man to place on the mythical district five selected during the tournament last week at Plymouth was Buffington, who made center position on the second team.

MARCH 9, 1916—

The Culver basketball five celebrated their last scheduled game Friday night by forcing a shut-out on Warsaw to the tune of 58-0. The game throughout was clean but not exceptionally fast.

The coming event of interest and importance to all the members of Zion Reform Church and all who live in the vicinity of the church is its celebration in April.

A few of the enterprising young men of Culver have organized among themselves a club known as the C.M.C. Aside from social amusement the club will study French, German, and Spanish and also keep posted on current events.

Conduct Seminar On Emergency Preparedness

Indiana University through a grant from the Office of Civil Defense has launched an educational program in emergency preparedness. As part of this educational program a series of seminars are being conducted throughout the State of Indiana. The primary purpose of this seminar is to provide local governmental officials and their friends the opportunity to ask questions relative to survival and community restoration during emergency conditions.

A seminar in emergency preparedness will be conducted at the National Guard Armory, 1220 W. Madison St., Plymouth, on Wednesday, March 23. The three-hour program will begin at 1 p.m.

This is an excellent opportunity for renewal of old friendships and to become better acquainted with officials and their friends from neighboring counties who have responsibilities identical to those which you have accepted.

The three hours that you and your friends spend in this seminar to familiarize yourselves with emergency preparedness at the local, state, and national levels might well prove to be the greatest service you as an individual can render for the preservation of your community.

MEDICARE

Mr. Charles E. Burke, District Manager of the South Bend Social Security Office warned today that the March 31, 1966 deadline will soon be here. Anyone 65 or older that has not signed up for Medicare by that date will not be able to enroll until October 1967. They will also have to pay higher premiums for late enrollment and in addition, their insurance will not go into effect until Jan. 1, 1968.

Working against this deadline, only 3 weeks away, the Social Security Administration is offering every possible channel to sign up men and women who want the protection of the voluntary medical insurance part of the Medicare program.

To ensure that all residents in the St. Joseph, Marshall, and Fulton Counties have the opportunity to enroll during this month, Mr. Burke said, the Social Security Office in South Bend is further extending their working hours. The office will remain open Thursday evenings until 9 p.m. and on Saturday mornings until noon. On Saturday, March

Legal Notice

Notice is hereby given that Mr. & Mrs. James W. Sperry have filed with the Culver Zoning Board of Zoning Appeals a request for a variance to allow them to put a Sandwich Shop in the East End of their present business establishment known as the Sperry Bait Shop.

Interested parties will be heard on said petition at a public hearing to be held by the Culver Board of Zoning Appeals in the Town Hall, March 28, 1966 at 7:30 p.m.

ROBERT BOSWELL, Secretary
Culver Zoning Board of Appeals

26, the office will be open to the public all day from 8 a.m. to 4:30 p.m. and then beginning on Monday, March 28, and continuing through Thursday, March 31, the office will be open every day from 8 a.m. to 9 p.m. Mr. Burke feels that the extra hours the office will be open will give those persons over 65, and still working, an opportunity to come in and enroll without losing time from work. Mr. Burke also announced that the office plans to return to their regular schedule of hours beginning April 1, 1966.

LARRY SALYER COMPLETES FORD INSTITUTE COURSE

Larry Salyer of Ray Wicker Ford Sales, 415 Lake Shore Dr., Culver, has just completed a parts merchandising course conducted at Ford's Detroit Marketing Institute.

The course is one of a number offered by Ford Marketing Institutes to benefit Ford and Lincoln-Mercury customers by emphasizing after-purchase service and better customer relations.

The Institutes employ the latest personnel development techniques and equipment, and stress group participation in simulated selling or management situations.

Tippke Council Of International Reading Association To Meet

According to Jeanne Epley, Tippke Council board member, the Tippke Council of the International Reading Association will meet from 4:30 to 9:00 p.m. on Thursday, April 28, at the Plymouth High School.

Hosts for the meeting will be Walter Powers and John Crittenton, board members; the Tippke Council members of the Plymouth Community Schools; and the Alpha Delta Rho, Plymouth High School Reading Club.

Registration will take place from 4:30 to 5:30 following which speaker Mary Fredian, Dean of the Graduate School and Director of the Reading Clinic of Saint Francis College at Fort Wayne, will be the speaker at the general session from 5:30 to 6:30 p.m.

Grade level interest groups will be scheduled during the evening. Speaker for the Primary group will be Dr. Peggy Ranson of Ball State University who will discuss, "New Slants in the Teaching of Reading in the Primary Grades." A talk on, "Phonics and the Intermediate Teacher," will be given by Marjorie Springer, Reading Supervisor of Mishawaka Community Schools, for the Intermediate group; and the Junior and Senior High School group will hear Charles Billiard, English Consultant of Fort Wayne Schools, who will use the topic, "Organization of the Junior and Senior High Reading Program."

Hibbard W.S.W.S. Entertains E.U.B. Women's Society

The Hibbard W.S.W.S. met on March 10 at the home of Mrs. Richard Behmer with Mrs. Elizabeth Porter as co-hostess. Others assisting were Mrs. Harry Leffert, Mrs. Raymond Lowry and the Society officers.

Special guests for the evening were the E.U.B. Women's Society of Culver and Burr Oak Churches.

The president, Mrs. Howard Shock, opened the meeting with a reading from Proverbs and "Thoughts To Ponder." The missionary lesson was opened by Mrs. Homer Albert and group singing.

The lesson text, "Glimpse Into History" was presented by Mrs. Alfred Large with readings by others in the group that gave brief sketches of people whose lives had special influence on the history of the Christian movement. Mrs.

Margaret Carter closed with prayer following the business meeting and group singing.

Birthdays were honored and games were conducted by the program committee. The Hibbard and Culver group presidents then presided at the beautifully decorated tea table, serving 42 members and guests.

Culver Legionnaires Mark 47th Anniversary

The W. A. Fleet Post of the American Legion held its 47th birthday party on Thursday evening, March 10, at the Legion Home.

The Ladies Society of the Burr

Oak Church of God again served a delicious dinner. The 47-year Legion members present gathered to cut the birthday cake.

After the dinner, Col. George Linnemeier, a member of the Culver Military Academy faculty, who has been on active duty in Viet Nam, gave an illustrated talk on that country, presenting some of the problems with which we are faced.

After the formal meeting, the membership had an opportunity to examine some of the Viet Namese objects which Col. and Mrs. Linnemeier have.

The Post wishes to express its thanks to the committee, Mr. and Mrs. Joseph McCarthy, Mr. and Mrs. C. B. McKinney, and Mr. and Mrs. John Wagner, who served under the guidance of Dr. and Mrs. Daniel Bieker, activities chairmen.

Green Township Homemakers Meet At Argos Bank Lounge

Mrs. Malcolm Miller entertained in the Argos Bank Lounge on Tuesday afternoon for members and guests of the Green Township Homemakers Club. The president, Mrs. Meryl Shivers, presided. "Now We See" was the topic of devotions given by Mrs. Roscoe Heckaman. Mrs. Alfred Winenger led group singing. A contribution was voted to the county IFYE fund.

Roll call was answered with "An event I am looking forward to." Graduation days, trips, weddings, births, birthday celebrations and the day I can plant my flower garden were among the answers given. There were 14 members present. Mrs. Damon

Miller, Mrs. Eleanor Snyder and Lisa Ecker were guests.

Mrs. Lester Leland and Mrs. Carroll Thompson gave the lesson on "Planning and Planting the Flower Garden" which was given in February by Professor E. R. Honeywell of Purdue. Professor Honeywell feels the 1957 Legislature's choice of the peony as the state flower was regrettable because it is not native to this state, nor even this country, but comes from Japan and Korea. It was he who instigated the move to change the state flower from the zinnia (native to Mexico) to a flower native to Indiana. He suggests the butterfly weed, which could be developed into a beautiful flower, would make an ideal state flower. He also suggests the Betty Prior Rose, since it will grow anywhere in the Union, would be an excellent choice for a national flower.

Ants on peony buds will not harm the flowers, neither are they beneficial. Do not use barn manure on peonies because they are susceptible to diseases found in manure.

The hostess served lovely refreshments in a St. Patrick's motif. Mrs. Hayward Claybaugh will entertain the club in April. The lesson on Color in the Home will be given.

Mrs. Wilbur Taylor To Host March 21 Tri Kappa Meeting

The March meeting of Tri Kappa Sorority will convene Monday, March 21, at 8 p.m. in the home of Mrs. Wilbur Taylor, 900 Lake Shore Drive.

A scholarship report and dis-

ussion of nominations will be features of the meeting.

Mrs. Robert Rust is chairman of the affair and working with her will be Mrs. Gerald G. Graham.

Mrs. Kenneth K. Krating and her daughter, Mrs. Luis Benedicto, of Venezuela, South America, entertained at a coffee in the Culver Inn last Friday morning, March 11, between the hours, 9:30 to 11:00 a.m.

The table setting was arranged by James Kurz, manager of The Inn, who used the South American theme as his motif. Native fruit, table coverings, and colors brought alive the Venezuelan local, so familiar to the Benedicto family.

Presiding at the coffee urns at various times were Mrs. Donald Muehlhausen, Mrs. Addison B. Craig, Mrs. John F. Edgell, Mrs. Robert Bolton Jr., Mrs. Richard Middleton, and Mrs. Chester W. Cleveland.

Mr. and Mrs. Benedicto and daughter, Gina, who is 18 months old, arrived in Culver last December 18, from Venezuela to spend the Christmas holidays with Dr. and Mrs. Krating.

Mr. Benedicto, a Purdue graduate in Electrical Engineering, is associated with the Mobile Oil Company in Venezuela. Since January he has been in Paulsboro, N. J. where he is taking advanced study in precision instruments.

The Benedicto family will return to Venezuela March 31, and after their arrival there they will be moving into their newly built home.

The Russell Hippensteels
Enjoying World Tour

A letter written March 1, to Dr. and Mrs. Kenneth Krating from Dr. Russell R. Hippensteel of South Shore Drive, Culver, from Johannesburg, South Africa, tells of the birth of a six-pound granddaughter on Feb. 24, to Mrs. Hippensteel's daughter, Mrs. Henry Gurr. Mr. and Mrs. Gurr are also parents of a little son, David.

Dr. Hippensteel writes in his letter that Africa is very modern, very clean, with some of the most beautiful homes he has seen — all with fabulous gardens, and most with swimming pools and tennis courts.

The Hippensteels were leaving for Greece about March 12th and they still have a long trip ahead. The Hippensteels will return to Culver sometime later in April. They left Culver late last Fall and toured the Orient before arriving in Johannesburg before Christmas.

FIVE CMA STUDENTS TO ATTEND SPRING-FALL SEMINARS IN CHICAGO

Five Culver Military Academy honors students have been invited by the University of Chicago to participate in a series of Saturday seminars this spring and next fall.

The program is sponsored by the University of Chicago for juniors and seniors who are honors students in the humanities in a select number of high schools.

Selection of two seniors and three juniors was made by the English Department, which is sponsoring the project at Culver. The two seniors will be replaced by juniors for the fall seminars.

Students selected are: seniors Steven R. Patterson, Tujunga, Calif., and Robert Cobean, Roswell, N.M.; juniors W. J. Galvin, Wilmington, Ohio, P. R. Johnson, St. Paul, Va., and M. B. O'Connor, Arlington, Va.

The Saturday seminars began Saturday, March 12, at the University of Chicago's Oriental Institute, where John A. Wilson, Andrew MacLeish distinguished service professor at Chicago, lectured on "Ancient Egypt: The Life and Death of a Civilization." Other seminars are:

April 16, George V. Bobrinskoy, professor and chairman of the department of linguistics, "The Discovery of Sanskrit and the Beginnings of Linguistics as a Science."

May 14, Marshall Cohen, acting chairman of the philosophy staff, "Liberty."

Oct. 15, Robert S. Streater, professor of English and dean of the division of humanities, "Alexis de Tocqueville Meets Natty Bumppo: The Quest for American

Identity." Nov. 12, E. W. Cochrane, associate professor of history, "Galileo — Some Recent Interpretations."

Dec. 10, Edward W. Rosenheim, Jr., professor of English and humanities, "Anger As A Fine Art."

Mrs. Arla Moran, Former Resident, Dies At Age 45

Mrs. Arla Bohmer Moran, 45, died at 10:30 p.m. Sunday, March 13, at St. Francis Hospital, Beech Grove, Marion County, Ind. She was the daughter of Mr. and Mrs. Howard Ault, Route 3, Rochester, and was a former Burr Oak resident.

She suffered a cerebral hemorrhage one week before her death.

Born May 24, 1920, Mrs. Moran is survived by her husband, William D. Moran; two daughters, Mrs. Janice McFerrin of Shelbyville and Kathleen, at home; her parents, Mr. and Mrs. Howard Ault of Route 3, Rochester; a sister, Mrs. Dwight Kline of Monterey; and a brother, Ray Ault, of Rochester.

Services were held Wednesday, March 16, at the Little and Son Funeral Home, Beech Grove.

Heart Fund Campaign Conducted In County

During the month of February, officially designated nationally as Heart Month, the Culver area was the scene of a fund raising campaign by the Marshall County Heart Association.

The leaders were Mr. and Mrs. Frank Setzler, for the East Shore area; Mrs. K. K. Krating for the South and West Shore; Mrs. Donald Muehlhausen for the town of Culver; and Mrs. A. R. Elliott and Mrs. Richard Gimbel for the Culver Military Academy.

Heart Fund, totally independent of United Fund in this area, conducts its national campaign annually during February with greatest emphasis on Heart Sunday, the Sunday nearest Valentine's Day, this year Feb. 13.

The money from the Heart Fund is used for research in the fight against diseases of the heart and blood vessels.

Anyone wishing to donate to the Heart Fund may do so any time by contacting Miss Charlotte Jung at The State Exchange Bank. If the donation is a memorial an address should be supplied so that a card can be sent so informing the appropriate party.

NEW HERD AVERAGE REPORTED BY LOCAL HOLSTEIN BREEDER

A new annual herd production average for milk and butterfat has been announced for the Registered Holstein herd owned by John A. Newman and Sons, Newman Holstein Farms, Culver.

As reported by Holstein-Friesian Association of America, the herd has completed its latest testing year with an official per-cow average of 16,325 pounds of milk and 617 pounds of butterfat, based on 81 completed lactations.

Purdue University supervised the weighing and production testing procedures in cooperation with this breed improvement program of the Holstein organization.

This herd's performance level compares favorably to the average U.S. cow's annual output of 7,880 pounds of milk and 285 pounds of butterfat. Production averages are calculated on the commonly employed, two milkings per day, 305-day, mature equivalent basis to provide a comparison standard.

Fisherman — one jerk on the end of a line waiting for a jerk on the other end.

Even when roads are dry, warns the Chicago Motor Club, bridges frequently are slippery. Moisture rising from streams freezes when it strikes bridge floors, creating serious hazards for motorists. Safe drivers always slow down when approaching a bridge. However, always release the brake pedal before reaching a slippery spot.

PUBLISHED WEEKLY BY THE PRESS CLUB OF CULVER HIGH SCHOOL

Since Batman returned this week we can give you the latest in the news.

Seniors sure seem to be planning a swingin' trip. Only 4 more days! Just remember one thing — don't louse it up for the rest of 'em in the coming years!

Gee, Rex S., is the paint prettier in the girls restroom than in the boys'? Oh, you say yours is nicer. Well, that's good. Now maybe you'll be able to stay out of the girls'!

The Juniors have been working like mad to get their research papers done. It seems Bob V. went to the library to work during English class, but he disappeared from the library. Where did you say you went Bob?

What is it that Freshmen and Juniors girls have in common? Could it be the Freshman boys?

Brenda, is it nice to have your own T.V. set? Oh, you say you only have it half the time. That's too bad.

Susie D. you really have talent. How many people could bounce a super-ball and have it land in the malt mixer at the drugstore? What talent.

Lost: One super-ball belonging to Suzy O. — someplace in the halls of CHS. If found, return to Suzy and we're sure she'll be so happy you might even get a reward.

Say Vickie Smith, where did you lose your class ring? Aubbee perhaps? Way to go, Vick.

Gary D. what kind of act did you put on at the Inn? Oh, come on, you can tell us what you did.

Grumble, moan, groan. What strange sounds we have coming from Spanish II class! Really, it can't be that bad.

Cindee L. would like to say a great big "HI" to Leddie!, her beau from Ohio, down on the campus of Miami University. Who is this Leddie McClelland feller? — for more information contact Cindee.

Just think Seniors, just 72 more days until you're free.

It seems Loretta and Pam F. are always feeling a little "under the weather" during their fourth period class, and Loretta is forever opening the window no matter what the weather. What's your problem, girls?

We're all glad to see Pat M. back from her much deserved (?) vacation . . . at home!

It seems Larry W. has a couple of pass words for the trip. If any of you seniors have not yet been informed — just ask Larry.

Say Cindee, just what were you doing in Larry Banks' dark basement? Oh, you were looking at baby chickens — sure you were. What else is new?

Mr. Wolfe — did you know you are up for the groovy teacher award? We're just sure you'll get it — 'cause you're a groove! (Just ask Art Roberts)

By the looks of things, it seems that the first period English class is a little more than studious. Tell us, did you "really" study all those books?

After seeing a few of the report cards, it must have certainly been a dark Wednesday (the day grade cards went home) for a few kids. Never fear, you have another six-weeks to bring those grades up? (They certainly could not go down)

Well, that's all the news Batman has for now, so keep smilin', he's sure to be back next week.

Class and Club News

By Larry Banks

The SENIORS are making final plans for their long-awaited trip which starts this Sunday.

The JUNIOR class is making plans for their Junior play which is April 22. They are also planning for the Junior-Senior Prom.

The Sophomores are planning a joint Chicken Supper with the FRESHMEN on April 30 as one of their money-making projects.

The FRESHMEN are discussing the possibility of buying their class rings as Sophomores instead of Juniors. They are also planning with the Sophomores a joint supper.

At the last SUNSHINE meeting the girls made final arrangements for their Mother's Party held Friday. They also started the plans for the Ideal Ladies Party to be held April 2. Judy Thews was Chosen Sunshine Girl of the Month for her attitude.

'66 Senior Trip

By Loretta Berger

On Sunday, March 20, at 6:47 p.m., we will finally be on our way. We will leave Lapaz on the "Capitol Limited." We arrive in Washington, D.C. at 9:00 a.m. Monday for an all day tour. Such sights as the Rotunda, Senate, and the House of Representatives will be seen. After lunch we will visit the Smithsonian Institute, Lincoln Memorial, and the Arlington National Cemetery. In Arlington we will see the changing of the guard at the Tombs of the Unknown Soldiers, and President Kennedy's Gravesite.

Richmond, Virginia, the capital of the confederate states, is our next stop. We will spend the night here at the Richmond Hotel. On Tuesday at 8:00 a.m., we leave for Jamestown and Williamsburg.

The first stop in Jamestown is the Jamestown Festival Park. We will also visit the Glasshouse of 1608. Jamestown was the first permanent English settlement and is famous for the story of Captain John Smith and the Indian Princess Pocahontas.

Next, we're off to Williamsburg, the capital of Virginia. Eighty original buildings are still standing plus the restored homes, stores, gardens, and streets. After lunch, we will see a 37 minute movie, "The Story of a Patriot." Following the film, we'll board a bus for a guided tour of the Governor's Palace, the Public Jail, Capitol Building, Old Burton Church, and the Powder Magazine. There will be some time for shopping in the downtown shopping area afterwards. We will spend the night in Arlington, Virginia.

Wednesday morning, the bus leaves for New York City at approximately 8:00 a.m., traveling the Kennedy Toll Road. Before reaching New York City, the road dips down into the Lincoln tunnel that goes under the Hudson River. Under the tunnel we will all be picturing the huge ocean liners that are crossing overhead.

We arrive in New York City at 12:15 p.m., at our hotel, the Hotel Astor, where we will check into our rooms. After eating on our own, we will board a sight-seeing bus for a tour of uptown New York City and the United Nations Building. Besides the United Nations, we will see Rockefeller Center, Central Park, Cathedral of St. John the Divine (largest in the world), Columbia University, Grant's Tomb, and Harlem. We will return to the hotel at 4:15 and meet in the

lobby at 7:00 p.m., after eating dinner on our own. We will then walk to Radio City Music Hall, where we will enjoy an evening of exclusive entertainment including a special stage show, feature movie, symphony orchestra, Corps de Ballet, Glee Club, and the famed Rockettes. After the show, everyone is on their own and may do whatever they want.

On Thursday morning we go to see the Statue of Liberty and the Empire State Building. At the end of this tour, everyone is again on their own for the afternoon and evening.

There will be innumerable things to do such as: shopping at Macy's, or at a store on Fifth Avenue; go to Central Park for a traditional ride in the carriages; go to Hayden Planetarium; or visit the piers and see some of the ocean liners. In the evening several students are going to the play "FUNNY GIRL." Others are planning on visiting Greenwich Village or the "TWO GUITARS" Nightclub.

On Friday we leave New York and return to Washington, D.C. where we board our train, the "Capitol Limited," for home.

We arrive in Lapaz at 7:25 a.m. feeling great and filled with wonderful memories, but we'll also feel a little sad as we realize the long-dreamed-of trip is over. But it was GREAT!!!!!!!

CHERYL DILLON ELECTED PANHELLENIC COUNCIL PRESIDENT AT PURDUE

Cheryl K. Dillon, daughter of Mr. and Mrs. A. Judson Dillon, Route 2, Culver, has been elected president of the Panhellenic Council, an organization representing sorority women at Purdue University.

She is a senior in science and serves as treasurer of her sorority, Alpha Delta Pi. She is also a member of the student-faculty

advisory committee in the School of Science and editor of the Purdue Greek magazine. Miss Dillon has been elected to the Alpha Lambda Delta, Delta Rho Kappa and Gold Peppers, scholastic and activity honorary societies.

Panhellenic co-ordinates with National Panhellenic and directs rush activities among the sororities.

PAM CARTER AWARDED SCHOLARSHIP FOR I.U. SUMMER COURSE

Professor Robert Milson, Speech Pathologist of Indiana University, announces that Pam Carter, daughter of Mr. and Mrs. E. L. Carter, 622 Pearl St., Culver, has been awarded a Psi Iota Xi Scholarship for the Summer Concentrated Speech and Hearing Course at Indiana University.

Pam is a Senior at Culver Community High School and was among the 30 scholarship winners, out of 215 qualified applicants. Pam will receive \$75 from the Psi Iota Xi Sorority, of the \$100 required for the 14-day Speech Clinic Workshop beginning June 19. The course provides 3 hours of college credit.

Suggestions, Suggestions

By Elaine Epley and Linda Baker

This week the roving reporter decided to choose the upcoming Junior-Senior Prom as the topic of inquiry. We wanted an honest answer to the question "If you could, how would you change the Prom?", so we nonchalantly tiptoed up to some likely-looking critters and evasively put our question to them. Here are some of the uncamouflaged answers!

Brenda McAllister — A part of the evening devoted to square-dancing

Cindee Lemar — Try to make it so that only Juniors and Seniors can attend

Marsha Guise — I think it needs a swingin' band.

Patty Overmyer — Have it some other place than the gym

Karen DeWitt — George would be here to go with me. (hope, hope)

Cheryll Zink — More publicity. Try to make it a bigger affair.

Jean Gross — No teachers allowed. (Unchaperoned!)

Barb Wescot. — Stronger punch! (HA, HA)

Valerie Carter — A neater class sponsoring it. (You can't get any neater than the Juniors, Valerie)

Paula LaPlace — I think it should be just for Juniors and Seniors, and in a different place than the gym, and it should be as formal as formal can be. Also, it should be more for the Seniors than the Juniors.

Bill Pleka — Absolutely NOTHING. (I'm a tradition lover.)

Lyn Mackey — Chuck B. should go . . . and me too, of course.

May Kozlowski — Instead of a Junior-Senior Prom, make it a Junior-Post-graduates, so just Gary and I could go. (Well, it was a good try!)

Me (alias-Bob Vondra) — I thing boys and girls (only people attending) should be allowed to wear anything they want to, because it costs a lot for clothes.

Linda Baker — I'd make it a meet for everyone at least once in their lives, because you really miss a lot by not going, huh, Jon?

Elaine Epley — I think that

they should extend it so it lasts more than that one night. (like a couple of days)

Cathy Schmid. — Have more entertainment. Have it at some other place instead of the gym. The prom should be as formal as it can be.

Suzi Overmyer — I agree, it should be somewhere else besides the gym, because it still always looks like the gym even though it's decorated.

Mr. X — Don't let Bob Vondra go as a farmer!

Mark Kosterman — I would change it completely and have it in an appropriate place in order to have fun. (?)

Hans Named Top Polack Predictor Of 1965-66

I'm sorry that I haven't been able to write my article for the last several weeks, but I've been extremely busy with engagements. I attended the 42nd annual meeting of the POLACK PREDICTORS OF THE WORLD out in New York City for one week. There I was named TOP POLACK PREDICTOR OF 1965. (By the way, I was unanimous choice of the committee). The following week I went back to the old country where Mama and Papa had a big celebration for me. But now I'm back here in Culver ready to start my new column.

Many people have written to me expressing their desires of having an "advice column" in the local paper. I feel this is a wonderful opportunity for me now that the basketball season is over. Yes, I will answer all your problems if you just drop me a line. If you're a student at C.H.S. just drop your letters off in the high school office. If you're not a student, please feel free to write me. Simply address your letters to Hans Von Schnook in care of Culver High School. I will answer your letters in the paper, or personally if you desire.

Now to answer the question as to whether I'll be back next year or not. I receive on the average of 100 letters a day asking if I'll be back next year. I feel that by answering this question in the paper I'll save a lot of time and money. Yes, I shall return next year! I was really disappointed with 80 percent, even though I was the state's top predictor. Next year I hope to raise my average to even higher record percentages.

Remember that I'm available to help everyone and anyone who has a problem. You all have problems, so feel free to write for my advice. Watch for my column in next week's edition of The Culver Citizen.

FEDERAL TAX

Q - What's the law on estimated tax? Who has to file a declaration?

A - In general terms, taxpayers are required to file a Declaration of Estimated Income Tax, Form 1040ES, and make quarterly payments of estimated tax when their tax liability is expected to exceed their withholding by \$40 or more. See page 6 of the 1040 instructions for further information.

Kittie Korner

By Virginia Shidler and Debbie Triplet

Since all children like to wish once in a while we decided to give some of the grade school students three wishes. Here are some of the things the children wished for:

Kim Crosley — doll, horse, oven

Arthur Newman — five horses to ride; nine kids, so that I could be a father; to be a principal, so that I could spank the bad kids.

Karen Kowatch — colorbook; flower; a dolly (little one)

Mark Doppel — A jet bomber to bomb the Germans; a tank to bomb the Germans; to go to Hawaii to eat coconuts

Doug Warren — a hat; a shirt; some pants

Wim Robinette — three sports cars to go driving in; all the toy stores in America so that I could play with all the toys; to go to the moon to see what it looks like

Brenda Shaffer — a horse; my hair to grow longer; that I'd look pretty

Timmy Bigley — a new bike to put a vroom motor on; a new trike to put a vroom motor on; balloons to blow up and pop

Randy Gulse — a chicken to eat; spaghetti; hot dogs

Holly Muehlhausen — some new shoes to wear with my red dress; teddy bear to sleep with; suitcase to put clothes in when I go on vacations

Jenny Powers — Barbie doll; costume of batman; wish that my great big dog was red

Richard Brettin — a jacket; a pair of shoes

Medicare Application Blanks Available At Culver Post Office

Application blanks for supplemental Medicare benefits are available at the service window of the Culver Post Office.

The application blanks are being made available as the Social Security Administration seeks to contact 3.1 million senior citizens before a March 31 deadline imposed by the Medicare law.

President Johnson has proclaimed "Enrollment Month". He urged all federal agencies and all citizens to cooperate in enrolling senior citizens in the program. million applications were distributed to nearly 34,000 main post offices throughout the 50 states. Additional forms are available as needed.

other means, the Social Security Administration has contact with 16 of the 19.1 million citizens who will be 65 or over on July 1. Of the 16 million who replied, less than one million said they did not want to sign up for the supplemental program.

The supplemental program costs \$3 a month and provides doctor bill and other benefits. Everyone 65 and over is eligible for the basic hospital benefits under Medicare.

A copy of the application blank is displayed on the lobby bulletin board of the Culver Post Office.

Senior citizens who reached 65 before 1966 face a two-year

delay if they do not sign up by March 31. The application forms are preaddressed to the Social Security Administration in Baltimore, Maryland.

FEDERAL TAX

Q - I didn't cash my last December paycheck until after the first of the year. Does this mean I can include it with my 1966 income?

A - No. This paycheck is 1965 income and has been included on your W-2. The general rule for checks is that they are taxable in the year received regardless of when they are cashed or deposited.

Medicare

Charles E. Burke, social security district manager in South Bend, today offered some suggested do's and don'ts for people 65 and over who are receiving their red, white, and blue health insurance eligibility cards in the mail. He also reminded older people who have not yet enrolled for the voluntary medical insurance part of medicare that the March 31 deadline for enrollment is approaching. Older people will use these cards, beginning next July, when they enter a hospital - and if they have signed up for the voluntary medical insurance plan, when they go to their doctor.

The voluntary medical insurance part of medicare, Burke said, will cover much of the cost of doctor bills for surgery and in-home, office, and hospital visits and also many other health services.

Persons 65 and over get hospital insurance protection under the medicare program, whether or not they have ever worked under social security, Burke pointed out. They can supplement this basic hospital insurance with the voluntary medical insurance for \$3 a month, one half the cost. The other half will be paid for out of Federal revenues.

27,495 older people in the St. Joseph, Marshall and Fulton counties had signed up for the voluntary medical insurance coverage as of February 15, Burke noted. Another 7,300 will need to take action between now and March 31, in order to get the protection the plan provides. Those who delay past that time will have to wait two years for another chance to enroll.

Health insurance eligibility cards are being mailed first to people who are signed up for both hospital insurance and the voluntary medical insurance, Burke said. Cards will not be mailed to those who are signed up for only the hospital insurance until after March 31.

Burke had these pointers for older people who have received or may soon be receiving their health insurance eligibility cards:

1. Don't be concerned if a neighbor gets his card and your card hasn't yet arrived. Mailings started Feb. 1, but will be continuing for many weeks. Also, there will be instances where a husband and a wife, both 65 or over, will receive their cards on different days.

In general if you sent back the enrollment card you received in the mail for the voluntary medical insurance before Jan. 15, you should have your health insurance card by now. If it hasn't come, or if it doesn't show your eligibility for both medical insurance as well as hospital insurance, get in touch with your nearest social security district office right away.

If you sent back your enrollment card on Jan. 15 or later, or if you signed up for the medical insurance plan at your social security district office, your card will arrive after March 15.

2. Don't change the writing on the face of the card. If your name is shown incorrectly or any other detail is wrong, ask your social security office to get you a corrected card. In this way, you will also correct any mistake in your social security record.

3. Keep the card in a safe place at home, or if you are frequently away from home, carry it with you in your billfold or purse. Carry the card with you when you go on vacation or travel on business. Starting July 1, it will be good anywhere in the United States.

4. Do keep any hospital or health insurance you may now have, until July 1 when the two new programs go into effect. By July 1, your present plan will have been in touch with you. Most Blue Cross and Blue Shield plans and private insurance companies will not duplicate medicare coverage for policyholders or subscribers 65 or over, but may offer plans that will supplement benefits provided under medicare.

5. If you lose your card, notify your social security office and a duplicate card will be issued to you. Your health insurance card and the benefits it represents are not transferable. Intentional misuse of the card by a person other than the one to whom it was issued is unlawful and will make the offender liable to a penalty.

6. Get in touch with the people in your social security office if you have any questions about your rights under medicare. The well-intentioned but possibly incorrect information passed on by friends and acquaintances might result in a loss of benefits.

7. If you have been putting off your decision on signing up for the voluntary medical insurance, remember, time is running out. The enrollment period for persons 65 or over before Jan. 1, 1966, ends March 31. Those who fail to sign up by then will have to wait 2 years for another

chance to enroll. Over 16 million older people were sent enrollment cards in the mail, along with a postage-free envelope. Anyone who has lost or misplaced his card can get another one from his nearest social security office. Anyone who has not received an enrollment card in the mail, can sign up for the medical insurance sign up for the medical insurance district office.

The social security district office in South Bend will be open Thursday evenings from 5:00 p.m. to 9:00 p.m., and also on Saturdays from 8:15 to 12:15 for the convenience of working people 65 and over, and elderly people who cannot get out by themselves but can make the trip to the social security office if accompanied by a relative or friend. The office will be open from 8:00 a.m. to 4:30 p.m. Saturday, March 26 and 8:00 a.m. to 9:00 p.m. March 28 through March 31.

Wall-To-Wall Carpeting

Editor's Note: The following article was written by Gertrude Duryea Frier of Frankfort, Ind., and is published with her permission.

Today we think of wall-to-wall carpeting as a rather new status symbol. Only a few years ago beautiful polished floors were the accepted thing in the best homes, and now the new home owner can scarcely wait to get money enough to cover these floors with wall-to-wall carpets. In fact, wall-to-wall has come to mean more than just floor covering — I hear about wall-to-wall symphonic music, and even read of a wall-to-wall audience!

We often hear it said that styles repeat themselves — and surely they must, for 70 years ago, I remember wall-to-wall carpet in the farm house in which we lived. To be sure, it was rag carpet, made from hand-torn rags, from old used cotton clothing, sewed by hand, wound into large balls and then taken to another farm home, six miles distant to a woman who had a loom and did weaving in her home. "Hit and Miss" carpet was the most economical, and looked just what the name implies, the rags woven just as they happened to come on the balls. This we had in the bedrooms, but the living room had a wonderfully striped carpet, the stripes being made from rags torn from white sheets, sewed together, made into skeins, and dyed at home. Then the skeins were wound into balls for the weaving lady.

My mother always had a carpet on the making. Her big basket of materials was at hand for sitting-down tasks — tearing, sewing, or winding carpet rags. I was an interested onlooker, and learned in my very little girlhood that there

was a right and wrong way to sew carpet rags. The ends should be lapped over about three-quarters of an inch, then folded and sewed very carefully, so that there would be no rough spots in the woven carpet.

The carpet, woven a yard wide, would be brought home from the weaver in a huge roll, then must be cut to room lengths, bound at the ends, and these strips sewed together. Now, it was ready for laying, and I was banned from the room, but kept a keen watch from the doorway. The rough floor, which had been previously scrubbed and dried, would be covered with a light layer of clean, bright oats straw, and the carpet laid carefully over it. This was a two-person job. My father and mother usually did this, but sometimes a neighbor woman who was exchanging house cleaning tasks with my mother would be the second person on the job. If the carpet did not fit exactly, it could be stretched abit with a carpet stretcher, which was a bar fitted with tacks and pulled by a lever. It was a bit of a household equipment that was loaned from house to house as needed. The carpet was then tacked along the baseboard. If the household had a good carpenter, as we did in the person of my father, the quarter round of wood was removed, then replaced after the carpet was laid, as is done today.

It was wonderful if we had a new carpet, but, if not, the old one was taken up, ripped apart, the strips hand washed, then sewed together again and laid.

We lived on the prairie and burned soft coal, and the resulting dirt made it necessary to have clean carpet every spring, after the heating stove was taken out, and the chimney cleaned. Ugh!

what a dirty job! Later we had a wonderfully cheerful base burner stove, which burned hard coal, and the advent of such stoves must have been a great boon to every housewife.

Does any homemaker today wish for "the good old days" and the 70-year-ago wall-to-wall carpet, made by her own hands and cared for in the good old way?

HOLSTEIN HERD OWNERS EARN PROGRESSIVE BREEDERS AWARD

John A. Newman & Sons, Culver, have qualified for the Holstein-Friesian Association of America's highest recognition for dairy farmers, the Progressive Breeders Award. The rigid requirements of this award for excellence in dairy cattle breeding and management practices have limited the honor to only 637 Registered Holstein breeding establishments, including 20 in Indiana. This is the seventh time that the Newmans have been so recognized.

To qualify for the Progressive Breeders Award, a Holstein breeder must meet standards for milk and butterfat production, body type improvement, herd health and the development of home-bred animals.

The Newman herd completed its latest DHIR testing year with a lactation average of 16,324 pounds of milk and 617 pounds of butterfat, calculated on a two-milkings-per-day, 305-day, mature equivalent basis for 81 individual records.

The herd is also above breed average in the national Association's official classification for body type program. The Newman Holsteins have a breed age average of 102.7 per cent — obtained by dividing the classification score of each cow by the average score of all Registered Holstein cows of the same age.

Recognition as a Progressive Breeder includes receipt of a certificate from the Association, the largest dairy cattle registry organization in the world representing over 43,600 members.

At a meeting of Holstein breeders from this area a bronze year plate will be presented to the Newmans, to be added to the cast bronze plaque awarded when this herd first achieved the Progressive Breeder honor.

The newspaper reporter on an assignment to write a story about the longevity of mountain people pulled up at a shack where a gnarled and wizened little old man was sunning himself on the front porch.

"Pardon me, Sir," said the reporter, "but could you tell me the secret of how you folks live to such a fine old age up in these mountains?"

"Well," said the old man, "I drink a quart of moon before noon every day, smoke seegars and chase after wimmin."

"My," said the reporter, "that is a strenuous life for an oldster. Would you mind my asking how old you are?"

"Be 27, come June," was the reply.

Reading Room open in Church Edifice 2 to 5 - Wed. and Sat.

Continuing a study of the spiritual versus material concept of substance, Christian Science churches this week will present a Lesson-Sermon on "Matter."

Jesus' parable of the tares and the wheat (Matt. 13) will be used for the responsive reading. Another of the Bible references to be considered is from II Timothy: "In a great house there are not only vessels of gold and of silver, but also of wood and of earth; and some to honour, and some to dishonour. If a man therefore purge himself from these, he shall be a vessel unto honour, sanctified, and meet for

the master's use, and prepared unto every good work."

A corresponding passage is from the Christian Science textbook: "The suppositional warfare between truth and error is only the mental conflict between the evidence of the spiritual senses and the testimony of the material senses, and this warfare between the Spirit and flesh will settle all questions through faith in and the understanding of divine Love" (Science and Health with Key to the Scriptures by Mary Baker Eddy).

JOHN POWERS COMPLETES FACTORY SERVICE COURSE

John P. Powers, service technician at The Culver Boat Company, Culver, has been awarded a certificate of excellence as a "trouble shooter" after completing a one-week course at the Johnson Motors Service School, Waukegan, Ill.

Powers received intensive factory training in trouble shooting problems on the latest Johnson line of outboards. This course is available to only experienced service technicians and keeps them updated on all Johnson models.

WHAT DOES HE SEE ?

What a birthday present! Young Dan can see all sorts of things with that telescope that are invisible to the naked eye. The sky, with its stars and its moon, seems so much closer.

Yet, there is still so much that remains unseen. The best instruments man can make are insignificant when measured against the scope and depth of God's universe.

That's where faith comes in. We know that there are other galaxies that can't be seen through even the most powerful of telescopes. And we know, too, that faith, though invisible, is the greatest power of all.

If faith is something that doesn't quite come across to you, the Church is the best place in the world to help you solve its mystery. If faith is already yours—what better way is there to reaffirm it than by going to church this Sunday?

NEW HOUSING AVAILABLE FOR SENIOR CITIZENS IN RURAL AREAS

A tremendous opportunity for senior citizens in rural areas to purchase new homes on long easy terms through the Farm Home Administration was announced today by Walter Kelsey, Realtor, Box 67, Monterey, Ind., representative of Homestead Corporation in this area.

Homestead Corporation has pioneered a program to make new housing readily available to rural citizens through its plan which allows lot owners to purchase new home anywhere in Michigan, Ohio or Indiana for as low as \$10,000.

Recent Federal legislation permits citizens 62 years of age and over to receive from the Farm Home Administration a 33-year mortgage at from 5% to 5 1/2% interest. If he doesn't own a lot, the Farm Home Administration will also help him buy the land. The mortgage is required to show proof that he will be able to maintain payment schedule, or he may have his adult children serve as co-signers.

"This is the first time it has been made so easy for older folks to own a new home in the country because of a sensible mortgage program," stated Walter Kelsey, Realtor.

The Homestead Corporation offers 34 different home designs including the Americana Farmstead, a home designed expressly for farm families, based on suggestions by Carlton M. Edward, housing expert of Michigan State University. Homestead home prices range from \$4,995 to \$11,000, with payments low as \$100 monthly.

FEDERAL TAX

Q - When can I start excluding sick pay?

A - There are two rules governing when and how much sick pay may be excluded from income for federal tax purposes.

First, if the amount you receive as sick pay is more than 10 per cent of your weekly rate of pay, there is a 30 day waiting period before you are entitled to sick-pay exclusion.

If the amount you receive is 10 per cent or less, the waiting period is 7 days unless you are hospitalized for at least one day during your absence from work.

At that event, there is no waiting period. The exclusion is limited to \$75.00 per week for the part of the first 30-day period in which you are entitled to the exclusion. After that, it becomes \$100 per week.

BOWLING ODDITY

Jean Triplet, one of Culver's upcoming young lady bowlers, rolled a 262 game Sunday afternoon following Mixed Doubles.

while bowling with a group of 9 other bowlers in a Hi-Low Sweepstakes.

Games of over 200 are not uncommon to this young lady, but to crack the 250 plus club takes some real bowling ability.

Not to be outdone by the tremendous effort displayed by his wife, Al Triplet topped Jean's game by rolling a 267 while competing in Monday Night League competition the following night.

Congratulations to both on this unusual but noteworthy effort.

USS SARATOGA March 4 — Radioman Second Class Thomas W. Ellers, USN, son of Mrs. Emily F. Ellers of Route 1, Monterey, has deployed to the Mediterranean aboard the attack aircraft carrier USS Saratoga, which will operate with the Sixth Fleet.

In the Mediterranean, Saratoga will be the nucleus of a fast attack carrier group, and will be a highly mobile first line of defense for the Navy in Southern Europe, the Mediterranean and North Africa.

Saratoga will participate in several training exercises with both the Sixth Fleet and NATO units. These exercises are designed to peak up and perfect NATO's military striking forces, and will parallel as closely as possible the conditions encountered in a wartime environment.

Between operations at sea, the carrier will make goodwill visits to several countries bordering the Mediterranean.
