Smorgasbord To Benefit Parkview Hospital

On April 23, from 4:30 to 8:00 p.m. the Marshall County Hospital Auxiliary will sponsor the annual Smorgasbord Supper in the Cafeteria of the Plymouth High School. The proceeds will be used to purchase equipment for Marshall County's Parkview Hospital.

Through various projects over the years, the Auxiliary has contributed over \$20,000 for such things as desks, fans, cleaning carts for the housekeepers, a mimeograph, an adjustable table for moving heart patients, a table and chairs for the Conference Room, and contributed the balance on several items such as the air conditioning, and a very new machine for use in treatment of the heart patient.

The Auxiliary also serves the hospital in other ways through the services of the Pink Ladies and the Candy Strippers. Unit 9 is the Culver unit with 16 members meeting here in Culver to do work, and several members working in the hospital at the reception desk, feeding patients and other volunteer services.

There were 996 people served in 1965 and since the 1966 event will mark the tenth annual smorgasbord all efforts are being made to make this the largest one yet.

Tickets are \$1.50 and 75¢ for advanced sales and the adult tickets are \$1.75 at the door. There will be four serving lines to assure fast service and anyone wishing to take meals out should bring their own containers. Tickets are available from the unit members or can be secured by calling 842-3155.

Robert Rust Named Superintendent Of Culver Community Schools

ROBERT RUST

Robert Rust has been named superintendent of the Culver Community Schools, the board of school trustees announced here late last week. He will succeed Frank McLane, who will retire on June 30.

Viet Nam War Correspondent At CMA April 21

John Mulliken, Jr., Time Magazine's Pentagon correspondent who was recently wounded by a sniper in Viet Nam, will discuss the war in Southeast Asia before students and faculty at Culver Military Academy on Thursday, April 21.

Mulliken will speak as a Class of 1962 Lecturer and will discuss his views on the Viet Nam situation in a 3 p.m. speech in Eugene C. Eppley Auditorium. The lecture is open to the public at no admission charge.

Although Mulliken has been Time's Pentagon correspondent for more than a year, he was sent to Viet Nam in January for a two-month tour as a war correspondent. On a "search-and-destroy" mission with U.S. armed forces near Saigon last month, Mulliken was hit in the foot by a sniper's bullet and spent 10 days in the hospital in Viet Nam. He returned to the U.S. two weeks ago.

The combat experience, however, was not new to Mulliken, who won Silver and Bronze Stars in Europe during World War II and who covered the Hungarian Revolution and the crises in Lebanon and Suez for Life Magazine.

Following his graduation from Culver in 1940, Mulliken served 38 months as an officer with a mechanized-cavalry unit in Europe. In 1944, he got the Silver Star when, as a young second lieutenant fighting in The Netherlands, he was leading a platoon locked in combat with German forces for the control of a vital canal. The Germans broke through U.S. defenses, and Mulliken and two of his men fought a delaying action for nine hours while the rest of the platoon withdrew.

Mulliken was captured by the Germans and later won the Bronze Star for his administrative work as commander of a prisoner-of-war camp.

His first cover story for Time was an article on the Joint Chiefs of Staff and he followed up with another in December on the then new Army Chief of Staff General Harold K. Johnson.

Woodie McGlothlin, school board president, in announcing the appointment, commented, "We are certainly indebted to Mr. McLane, who has rendered significant educational leadership to our reorganized school district during the past three years."

The school official went on to point out, "Mr. McLane's recently announced plan to retire comes at a time when our construction plans for a new high school building are being readied, and speaking for the board, we are gratified in securing Mr. Rust, certainly no stranger to this area, to head our school system."

Culver school officials will soon review applications for the post of high school principal. The principalship vacancy was created by the resignation of Kenneth Cole, who has been named superintendent of the Dekalb Eastern Corporation. Members of the school board in addition to McGlothlin are: Walter Johnson, Dr. Oscar Wesson, Tom Russell, and Everett Dowd.

Both Mr. McLane and Mr. Rust are former instructors on the Culver High School staff. Mr. McLane, who graduated from DePauw University and Northwestern University, will complete 41 years as a teacher and school administrator in June. Before becoming head of the Culver School System three years ago, he served as superintendent of the Marshall County schools for 10 years. For three years he headed the Marshall County Reorganization Committee on which he served as secretary.

He is a member of the National Association of School Superintendents, the NEA and ISTA, and the Methodist Church. Regarding retirement plans, Mr. McLane commented that for the immediate future his plans were rather indefinite. He and Mrs. McLane, who is a Culver elementary teacher, plan to visit a bit more often with their attorney son, Frank, and family in Marion, Ind., and their daughter, Mrs. Frank Hyde, and family in Annapolis, Md.

Mr. Rust, the newly named head of the Culver School system, is former editor-publisher of The Citizen and the Argos Reflector and served for a number of years as director of public relations at Culver Military Academy. He is a member of the United Church of Christ.

He is actively associated with NEA, the ISTA, the Hoosier Press Association, the Public Relations Society of America, the Indianapolis Press Club, the I.O.O.F., F. & A.M., the Lions Club, B.P.O.E., Sigma Delta Chi, and Toastmaster's International. Mrs. Rust teaches elementary music, and their daughter, Barbara, (Mrs. James Watters) resides in West Lafayette.

A former West High School principal, Mr. Rust is assistant superintendent of the Plymouth Community School Corporation.

Mrs. W. Lear To Speak April 21 At Little Theatre

The daughter of the late well known Oley Olsen will lecture on American humor and vaudeville as part of the Seven Arts Series at Culver Military Academy at 8 p.m. Thursday, April 21.

Mrs. William Lear, of Wichita, Kan., is being sponsored by the Seven Arts Committee of the Faculty Wives Association at Culver. Her lecture will be in the Little Theatre of the Eugene C. Eppley Auditorium and is open to the public with no admission charge.

Moya Olsen Lear illustrates the growth of vaudeville with colorful examples gleaned during her

childhood with her father, who was part of the famous comedy team of Olsen and Johnson. She traces the history of what she calls "honest fun and laughs" from the 1938 Olsen and Johnson shows "Hell's-A-Poppin'" to present day comedians. Mrs. Lear also served as secretary to her father for many years.

She will read letters and poetry, some written by her father, and tell of an era in show business which, she says, "is still alive today only in the telling."

Mrs. Lear is the wife of William Lear, president of Lear Jets, one of the nation's leading manufacturers of jet airplanes for businessmen. Her son David is a student at Culver.

THE SCHOOL BELL

PUBLISHED WEEKLY BY THE PRESS CLUB OF CULVER HIGH SCHOOL

Well, here we go again with the weekly gossip. (but this weeks' is for a span of about four weeks) Hey, Marsha Guise, what did you do to your class ring to make it so big? Oh, you say you and George Babchuck got your rings mixed up? Congrats guys...

Say Seniors, what are all these wild medals you're wearing? Surfer medals?? 2000 miles from the surf? Oh well...

Leave it to a Lemar to be different — Surfer earrings yet! Have you seen the new student French teacher? If you haven't you're blind. It sure is nice to have you, Miss Kerr.

Karen S., Susie D., and Kitty L. say they had a lot of fun in Ohio during Spring vacation. It seems one of them is even writing to some boys from Ohio. Who are they Karen?

Talk about good-looking pictures. Have you seen the senior's from Washington, D.C.? Smile, Bruce, Jimmy E., and Marsha.

Hey gang, guess what, second period studyhall is now an exact, true to life replica of the seventh period studyhall. So don't forget Pam F., you can't leave your seat until 30 minutes is up. Remember that and you'll get into less trouble.

Boy, the Seniors really got back some swingin' pictures — like Pam's or Larry's or Leona's!

It seems that a post-Senior from CHS will be home soon for vacation, but he's trying to get in touch already with some of the girls. Huh, Mayo, Barbie, 'n Brenda? Some people never learn.

Mr. Wolfe did you enjoy the song the fourth period chemistry class sang to you? By the way — congratulations.

Gosh George J., isn't it strange how your car magazine just DISAPPEARED? What'd you do with it Andee? Or was it Sharyl who took it?

Luis N., what were you doing

on the afternoon of March 27? A lot of people seemed to have noticed you.

We'll leave you in good spirits by telling you that the seniors graduate in 44 more days.

I Want A Nurse!

By Brenda McAllister
This is the title of the Culver High School Junior Class Play. The setting is at "Lincoln Memorial Hospital," located in a large metropolitan center. The plot is centered around the mysterious murder of Pudge Michaelson and the futile attempts to reveal the murderer. This is an all-girl play consisting of: "Ginger," the girl-about-town type, is in the person of Patty McCombs. Marlene Morrison takes on the role of a good natured, but not very bright nurse called "Snooks." Cheryl Zink is the devoted (and Old) "Miss Stoneham." Self-assured and good looking "Helen" is portrayed by Brenda McAllister. "Old Maid" Louise is performed by Linda Baker. Linda McAllister personifies sensitive, warm-hearted "Patsy." Big-hearted, motherly "Miss Jerome" is put into motion by Joyce Odie. A southern belle, "Becky Ann," is performed by Elaine Epley. Cathy Schmidt is in the guise of neurotic "Nancy." Beth Routson goes by the name of the ambitious "Dr. Harris," while Elaine Kaiser is self-reliant "Olive." Mr. Dillman and Mr. Lawson are the directors.

The curtain rises at 8 p.m. on April 22 to begin the first and only performance. Be sure and come!

Stage Band Organized

By Susie Thews
The Culver High School Music Department has added something new — a stage band. Even though the stage band is new to CHS, almost all of the larger high schools have one. They consist of 5 saxophones, 4 trombones, 4 trumpets, and piano, a bass, and drums. This band which was organized about a month ago has 15 members selected from the Sr. Band. The music they play evolved from the "big band sound" and is a mixture of dance music and concert jazz. The band has been working hard and is going to play 3 songs for the Spring Concert.

Roving Reporter

By Karen DeWitt and Larry Banks

Since the Seniors just got back from their trip, we asked them what they liked best about the trip and why. These are some of the replies:

Pat Miller: Visiting Radio City Music Hall where we saw "The Singing Nun."

Pam Fish: New York City. There were a lot of things to see and do.

Bob McFarland: New York City. There's never a dull moment and there's always something to do.

Loretta Berger: Mount Vernon. It's a beautiful estate, surrounded by nature. Everywhere you looked it was beautiful. The bay was simply gorgeous. New York was fabulous too. The people aren't so unfriendly. They're great.

Dean Smith: I liked the changing of the guard at the Tomb of the Unknown Soldier real well. The ceremony was very impressive as was the purpose itself.

Cindee Lemar: I enjoyed viewing Mount Vernon. The land and buildings were beautiful and the historic background was very exciting to me.

Chip Wallstead: I suppose the "ruckus" we raised in New York was the most fun, but as far as places go, I like Virginia and that guide we had in Williamsburg...

Andee Siple: The Cathedral of St. John the Divine was the most beautiful and inspiring of all the things we saw.

Terry Porter: New York. The neat stores, outdoor cafeterias, girls, elevators, and the skyscrapers.

Sharyl Welsh: I like everywhere we went! Williamsburg was interesting and my favorite; New York sure had lots to offer in its vastness; Washington, D.C. is worth better than a month's time itself.

Karen DeWitt: New York. All the places we visited were beautiful and interesting, but the night life and glamor of New York were unmatched.

Larry Washburn: New York because of the fun we had in the hotel and around town. As far as being interesting, Washington, D.C. was by far the best.

Janet Manchester: I liked visiting Mount Vernon and Jamestown best. In both places the setting was just beautiful. I also learned more about the history of our country and how people lived in the earlier days.

Larry Banks: I liked New York best, mainly because it was so large and there was always some-

thing going on.

Barb Mikesell: I don't think I could make a choice, but I know that New York was really fascinating.

Judy Thews: New York. There were so many things to see. Living there you'd never have a dull moment; I also like the beauty salons there with the cool men as beauticians.

Ronetta King: The whole trip was so wonderful, but Mount Vernon was like a dream estate; quiet, peaceful, and beautiful.

John Kerrigan: Williamsburg was the coolest place of all. The weather was at a nice 80°, which is hard to find in Culver.

Joan Heiser: Washington, D.C. I thought it had a lot of pretty places. Mount Vernon was pretty too.

Sue Personette: I liked New York because there was never a dull moment.

Jim Jackson: New York. More places to go and things to do.

Leona Schmidt: Washington, Richmond, and Williamsburg. It was so warm and everything was so green. Our bus drivers made it a riot riding from place to place.

Richard Lutz: It wasn't any different from being in Culver.

Linda Stone: New York was beautiful, but I enjoyed Greenwich Village most.

Mary Ann Paul: Williamsburg. We had marvelous weather and there was a lot of beautiful scenery. What impressed me most was that our guides were dressed in the authentic costumes that the first settlers wore.

Danny Scott: I liked New York best. There were always places to go, things to do, and things to see.

Carolyn Tanner: I liked Mount Vernon the best. I also liked Chinatown in New York, because it's so much different.

Mike Hansen: New York. You could find or do anything.

Bev Schilling: Washington, D.C. and Richmond. It was so warm and green. Our bus drivers were riots too.

Marsha Guise: I liked New York the best because we had more free time to do what we wanted, and there were so many things to do.

Bruce Lindvall: New York. It had the most interesting sites and places to go.

Carol Abvies: I liked Mount Vernon. I've never seen anything quite so beautiful. I just wish the time wouldn't have gone so fast. I wish we were still in Virginia.

Hans' Weekly Losers

By Hans Von Schnook

Dear Hans,
I've heard that the girl I'm in love with has bought her Prom dress already, but is planning on going to the Prom with another boy (who I will call Mr. X). I'm a rather shy boy and would have no idea on how to go about asking her to the Prom. But I'm also afraid that Mr. X will ask her before I ever get the nerve up, and this will just crush me. Enclosed you will find a self-addressed, self-stamped envelope, so you can rush me the answer. — TOO AFRAID TO ASK

Dear TOO AFRAID,
You've got to start by building up your self-confidence. Keep telling yourself that you're going to ask her, and before you know it you will have a date to your first Prom.

Dear Hans,
My neighbor Riab (not his real name) wants me to go to the Prom with him, but what can I tell him without hurting his feelings? GREW UP TOGETHER

Dear G.U.T.,
Tell his mother that no matter how good of friends your parents are, you aren't going to the Prom with her son.

Dear Hans,
My girlfriend's birthday is coming up in the near future, and I don't feel like getting her the same perfume that I've gotten her for Christmas, Valentine's Day, and her birthday for the last two and a half years. Have you got any suggestions? GIFTLESS

Dear GIFTLESS,
Get her some flowers from the Culver Florist. ("Say it with flowers!")

Dear Hans,
What can I do about someone who tries to ruin all my romances, as well as all the others in school? ANGRY AT A CERTAIN SOMEONE

Dear ANGRY,
Why not have a nice long discussion with this certain someone and see if you can't accomplish an answer this way. If this doesn't work, you'll have to try something not quite as peaceful!

Dear Hans,
I've got razor burns on my neck. How can I get rid of them? BURNED UP

Dear BURNED UP,
Don't worry — it was just the razor blades in New York City.

Dear Hans,
I haven't been getting too many letters lately. What should I do about this problem? HANS VON SCHNOOK

Dear HANS,
If I knew the answer to this problem I wouldn't have written to myself. It surely can't be that no one has any problems.

Dear Hans,
We as students of Culver High School, do not feel that it is fair that we wait outside the school building until 8 a.m. every morning. The weather hasn't been so mild lately, and standing outside for several minutes every morning has caused much sickness throughout the winter. Can't something be done so we can stay healthy and get into the building when we arrive at school? STUDENTS OF C.H.S.

Dear Hans,
As long as the building is being heated, electricity is being used, etc., we feel that the students should be allowed to enter the

building as soon as they arrive. This, we feel, is a waste of taxpayers money!

Dear READERS,
This is a sample of the letters I've received lately on this issue. This is something that should be taken up with the administration. H.V.S.

Dear Hans,
I like a girl very much, but I have a definite problem with her. I find it very hard to understand her. I don't know whether she likes me or not. Can you give me some help. CONFUSED

Dear CONFUSED,
Come right out and ask her if she actually cares for you or not.

Students To Go Abroad

By Judy Thews
Two Culver High School students will be spending part of their summer vacation overseas this year. Cheryll Zink will spend two months studying in France, while Andrea Siple will spend a month touring all of Europe with a band and choir.

Cheryll is going to France thru the French Honors Program at Indiana University. I. U. also has honors programs to Germany and Mexico.

To win this great honor Cheryll had to be a third year French student, planning to take the fourth year. After she passed the written examination, an application had to be filled out by her parents, herself, and a non-school professional. She then went to South Bend for a 30-minute interview. Out of 300 students that tried out she is one of the 30 that is entitled to go.

Cheryll will be registered as an I.U. student, and study in St. Brieve, France, from June 10 to August 11, at a French institute or university with the other 29 honor students.

While in France, Cheryll will be living with a French family in order to learn the customs and ways of the country as well as the language.

Andrea will tour Europe with the American Youth Band and Chorus. She will leave Culver on June 14, and return home a month later. After meeting the rest of the group in New York City she will fly to Crewe, England where they will practice for five days. The band and choir will give concerts in various spots all over Europe such as Paris, France; Monte Carlo, Monaco; Milan, Italy; Lucerne, Switzerland; Munich, Germany; Tiel, Netherlands; Brussels, Belgium; plus many others.

To earn this trip Andrea sent a tape recording of herself playing the bassoon, a musical instrument, and then one of her singing, to James H. Smith, the director. She is not sure whether she is in the chorus or the band. Andrea is one of many high school and college students participating in this event. This was open to any student in Canada and the United States and was an honor to win.

As you can see, again this year Culver has a right to be proud of its students that are going abroad. Last summer Cheryll was a foreign exchange student in South America. And two summers ago Peggy

Herr participated in the same program that Cheryll is this year.

Track Team Begins Season

By Bob Shirrell
The Culver High School track team opened their 1966 season on March 30 with a meet between Culver, Bremen, and LaVillie. The day was terribly dismal as was the CHS showing.

The final score was: Bremen 74, LaVillie 30, and Culver 23 1/2. The only first places won by Culver were in the two-mile run and the broad jump. In the two-mile run a new school record was set by Junior Paul Hatten, who turned in a time of 11:34.

On April 1, the team traveled to North Judson where they faced Oregon-Davis and North Judson. The team did much better, the final scores being: Judson 78, Culver 40 1/2, and Oregon-Davis 29 1/2.

"Doctrine of Atonement" will be the subject at Christian Science church services this Sunday. Bible passages to be considered will focus on Jesus' parable of the prodigal son (Luke 15), and end with his statement, "And, I, if I be lifted up from the earth, will draw all men unto me." Related readings from the denominational textbook will include these lines: "Like our Master, we must depart from material sense into the spiritual sense of being . . . This is having part in the atonement; this is the understanding, in which Jesus suffered and triumphed" ("Science and Health with Key to the Scriptures" by Mary Baker Eddy).

FEDERAL TAX

Q - Are Social Security taxes deductible?
A - No, they are not deductible by the employee. The employer may deduct his share as a business expense, however.

My dear wife died a year ago. Now there's just myself and my little daughter Janice. Don't feel sorry for us, though, because we're managing pretty well.

Last year when the blow came, I admit I went to pieces. We'd only lived in the neighborhood for a few weeks, and it's hard to say what would have happened if it hadn't been for our church. Suddenly I was surrounded by friends. The minister came at once with convincing words of comfort that helped me to face life again. His wife alerted other members and they brought meals, laundered clothing, took care of Janice, and ultimately found the wonderful elderly housekeeper we have now.

I had never given much thought to the meaning of Christian fellowship. Today I know that miracles of kindness can result when people unite in following the "perfect pattern" of self-sacrifice and unquestioning love.

from Mulliken while he was serving with the U.S. troops in Viet Nam.

Mulliken was graduated from Dartmouth College before he joined the staff of Life in 1950. He was Life's London correspondent for five years and covered such history-making stories as the death of Queen Mary, the coronation of Queen Elizabeth, Prime Minister Winston Churchill's retirement, and Roger Bannister's four-minute mile in track.

He went from there to Bonn, Germany, from where he was sent to Hungary and Lebanon when trouble broke out in those spots. He was also on hand for the Berlin crisis in 1958. He has done stories on the rise of French leader Charles deGaulle and covered the trial of Nazi leader Adolph Eichmann. Mulliken's recent tour in Viet Nam was the second to that country since he also was there in 1961 during a visit by General Maxwell Taylor.

Mulliken is the second lecturer to appear in the Class of 1962 endowed series. Last year Dr. James Silver, the University of Mississippi history professor who became involved in the civil rights controversy, spoke as a '62 lecturer.

FEDERAL TAX

Q - I worked on a farm last summer. Can you tell me why my boss withheld for Social Security but not for income tax?

A - According to the law, most agricultural workers are not subject to income tax withholding. These workers are required to estimate their yearly income on Form 1040ES and pay their tax quarterly. Social Security taxes, however, must be withheld.
