In impressive ceremonies last Wednesday, Republican Roy Shenneman was administered the oath of office as Marshall Circuit Court Judge.

Culver received only 275 basketball tournament tickets. This means that no adult season ticket holders will have the chance to at-

tend the games since the available tickets will naturally go to the student season ticket holders.

Jesse Ewing, Culver barber, died Sunday morning at the home of his son, Ted, near Monterey. He had worked at the barber trade in Culver since 1912 until his illness forced him to retire.

The Citizen staff was surprised recently when a delicious cake was brought to the office by a representative of Rollins Chapel. The pre-Christmas remembrance was presented as an expression of appreciation for the Citizen's cooperation in publishing news of the activities of the church.

Do-It-Yourself Darling from Texas Is National March of Dimes Child

Donna Dill, a 5-year-old Texan who is most at home on her pony, has been named the March of Dimes National Poster Child for 1967.

Branded by friends as a do-it-yourself darling, pert and pretty Donna likes to be active and independent despite a severe birth defect.

Donna, who was born with an open spine (spina bifida), symbolizes the 250,000 American babies born with birth defects each year. The March of Dimes has helped her as part of its continuing fight against birth defects.

There was a time when the independent little miss wanted to sleep in her braces so she could get up by herself in the morning. She helps around the house by picking up her toys, helping mother with the dishes and cookie-baking.

Donna frequently visits her grandparents' ranch near Corsicana, 40 miles from her home in Hillsboro, Tex., to ride her pet pony Popsy.

When she's on Popsy, Donna's blue eyes sparkle and her blonde pony tail bounces up and down. Riding gives her a feeling of freedom—Donna needs no crutches when she rides.

But she can't walk without crutches, and her partially paralyzed legs are supported by braces every waking hour.

Donna's open spine was treated when she was 18 months old, and she has had four operations since. Her general health is good, and her doctor thinks she may be able to discard her right leg brace someday.

Popsy is not Donna's only pet. In fact she is surrounded by animals. Her 3-year-old poodle, Fluffy, is a favorite, and she keeps goldfish in a bowl in her room. Donna also finds time to play with a neighbor's kitten.

"I just like all animals,"

THE EYES OF TEXAS and the nation will focus on Donna Dill, 5-year-old miss from the Lone Star State, who is the 1967 National March of Dimes Poster Child. She symbolizes 250,000 American children born each year with birth defects.

she told her mother recently, "even snakes."

Donna now attends Sunday school and plans to begin public school next fall. This young lady will enter the first grade an accomplished and experienced traveler.

As the National Poster Child, Donna may very well meet President Johnson. During the January March of Dimes campaign tour, this 5-year-old charmer will make public appearances in about 20 cities from coast to coast. There will be guest spots with stars of television, motion pictures, and radio.

Along with Donna on this nation's tour will be her parents, Mr. and Mrs. David J. Dill, both native Texans.

Donna's father is quite at home on the range. As a student in high school and college he roped calves in rodeos. He is employed today by the U.S. Department of Agriculture as the Assistant County Supervisor for the Farmers' Home Administration.

The National Poster Child's mother, Jo Ford Dill, is secretary of the Hill County (Tex.) Chapter of the National Foundation-March of Dimes.

A former majorette in college, she is teaching Donna to use a baton, but Donna's ambition is elsewhere. A true Texan, she wants to be a cowgirl when she grows up. She privately confesses, however, that she would settle for being a mother or a nurse.

News Items About Our Academy Neighbors

(culled from the December Issue of the CMA Messenger)

Barber Kent Schweder, who has been at C.M.A. since June, was drafted into the Army Dec. 8 and finished his work here Dec. 2. Kent will be missed very much by those who knew him. We all wish him the best of luck in the Army.

We were sorry to lose Susie Spencer from the admissions office, to the Culver Community School Corporation, but wish her happiness in her new job. To take her place, Christina Hopple has joined our office force. We welcome her, as well as Pat Birk, who isn't exactly a new face around the campus, but is new in the Admissions Office. Helen Osborn has also joined our group recently on a part-time basis. We are glad to have her back with us.

Daisy Overmyer's husband, Jess, is recuperating satisfactorily from his fall last month which kept him in the hospital for a week.

Bee Fisher spent her vacation baby-sitting and refinishing furniture, which doesn't sound exciting, but when you have a granddaughter nine months old, it can be!

Peg Clyne is on vacation and will be in Indianapolis until Christmas. Her 13 grandchildren will be with her on Christmas so she will have lots to tell when she returns. Dorothy Thews is also looking forward to the holidays when Judy will be home from Ball State University for a short vacation.

The November issue of the MESSENGER was Daisy Overmyer's final fling at being the Admissions reporter. After many years, she has decided to retire so you readers are going to have to get used to news compiled by Bernice Martin and Dorothy Thews. We look forward with some trepidation to the job, but with two of us writing, no one will know who to blame!

Ruth Kline and Virginia Bair have returned to Wilma Snyder's office to help with the Annual Giving work. Charles Snyder who is attending Purdue University spent his Thanksgiving vacation with his parents, Mr. and Mrs. Glen Snyder. They all enjoyed Thanksgiving dinner with Mr. and Mrs. W. R. Easlerday.

Timmy Jones, six-year-old son of Mr. and Mrs. Jerry Jones, has been chosen by the student council to carry the crown for the queen at the Culver High School Homecoming Dec. 21.

Lila Campbell has been on the sick list. We are glad to have her back.

Pudge O'Callaghan began a well-deserved vacation Dec. 12. She is keeping it a secret as to

what she is going to do or where she is going, but we hope it will be nice and restful.

Pudge O'Callaghan and Myra Oliver visited Kathy Kline at Leiters Ford recently and found Kathy and the baby doing fine and all of them very happy.

Mr. and Mrs. John Susits and Ricky of Nappanee were Thanksgiving dinner guests of Mr. and Mrs. John Susits of Argos. Mr. and Mrs. Venus Freet are the grandparents of a new granddaughter born to Mr. and Mrs. Robert Anderson, Weight 7 lb. 7 oz. Mr. and Mrs. Wallace Starr and Mrs. Ethel Hudkins were Thanksgiving dinner guests of Mr. and Mrs. Russell Hanson of Lowell, Indiana.

Mr. and Mrs. Cecil Burkett went to the Ice Hockey at Fort Wayne Saturday night. Mr. and Mrs. Cecil Humes are the proud grandparents of a baby girl born to Mr. and Mrs. James Humes, Nov. 8.

Abbie Thomas had Thanksgiving dinner with her son, Keith and family at Leiters Ford.

The family of Agnes Drang took her to O'Hara field in Chicago Oct. 31 and from there she took the jet to New Orleans and was met by her son Robert Drang and family who drove to Biloxi, Miss., where her son had to take special training in Electronics at Kessler Air Force Base for two weeks. They all spent Thanksgiving at Cecil Burkett's home in Ora.

Eva and Glenn Doll spent the weekend of Nov. 19 in Indianapolis with Mr. and Mrs. James R. May and Judy. Mr. and Mrs. Charles Reed and Lisa from Madison, Ind., spent the Thanksgiving Holidays with Margaret and Lester Kimmel. Mr. and Mrs. W. W. Stokes of Mishawaka and Mr. and Mrs. Robert Kerrigan and Russell Overmyer of Culver enjoyed Thanksgiving supper with them.

Faculty on the go makes more Christmas news than anything... with her family. Gerald and Eley will head south as soon as the horses are bedded for the holidays and the books are closed. Louise and "Jags" Eyerly are wintering in Tucson, so we have to count them as our holiday faculty away. They had Thanksgiving with the Bob Hannans in that part of the far west and report that everything is sunshine thereabouts.

Sunny Blair is in the land of sunshine (Orlando, Fla.) with Russ, Jr. and family. Russ and Bob, arriving from Fort Benning, will complete the family picture for the holidays. The Spiveys will spend their holidays away with the Pete Spiveys and the boys in Dover, Del. Pete, happily, will have time with both sets of grandmothers. With a little luck they may manage a flying trip south to sunshine land.

Like Christmas... As many

comings and goings with the college set checking in from all corners of the country and servicemen having coveted holiday leaves. The Bryants will have John at their Christmas table for the first time in three years. His home base is Norfolk. "Chip" Bryant, in Korea doing liaison work with USO Troops, will pass up Christmas at home but expects to be back in the country and into madras again by spring. John is due for a February discharge.

It will be a full house at the Mel Vyn in from Fort Sill on a holiday leave. They will "make merry" Christmas Day with the Boltens and Ethel Rossow and grandchildren. Katie Rossow, on vacation from Cathedral School in Washington D.C., and young Bob, up from Boston for what Sally hopes will be more than a holiday stay.

Jean and Warner Williams will deck the dome with boughs of holly for the arrival Christmas eve of Jean's family. They come from three directions for the gala event. Mr. and Mrs. Earle Aber, Jean's mother and Dad, will sleigh down from Wisconsin, while sister Marge Aber comes in from Detroit and Mr. and Mrs. John Galbraith and daughter Ann turpike in from Plainfield, New Jersey.

David Reichley is writing a left handed letter to Santa (he's fortunately a southpaw) because of a broken wrist sustained in touch football played on North Terrace over Thanksgiving. Bob Matson came out of the same touch game the weekend before with a cracked

thumb. A brand new Christmas dolly is Carter and Martha Bays' new little daughter born Nov. 6 in North Carolina, Virginia and family will visit her namesake and grandparents, the John Bays, over the holidays.

John and Norma Henderson are just back from a family junket that took them from Culver to Columbus, Ohio for business and pleasure and then onto Annapolis. John checked into the Ohio State University hospital for tests while Norma visited with Teeta and her family and Bill and his family. They had Thanksgiving with Bill's family. From there they flew on to Annapolis for a small family wedding of granddaughter Anne McKinstry. Anne, the daughter of Helen Jane and Bob McKinstry, married Roy Dunnington in Annapolis Saturday, Nov. 26. Of special note to the ladies is the mantilla that Anne wore for her wedding. The mantilla, in the family of Anne's paternal grandmother, Mrs. Frank Foss, was made in 1856 for one of the titled ladies of Queen Victoria's court. Mrs. Foss purchased it in Europe with the hope that her granddaughters would wear it for their weddings. Anne is the first. Meanwhile back to the Culver Hendersons. John was back in Columbus this past week for further diagnostic tests. They will spend Christmas in Columbus, Indiana with Jim and Toots Henderson and their trio of boys. Brad and Francis Craig will Christmas with France's

sister and brother-in-law, Mr. and Mrs. Raymond Higbie, in Mt. Prospect, Ill. Jim may join them or head south for San Antonio and brother and friends.

Norm and Dee Wagner are just home from their nearly-six-month's abroad. They came home to a "moving experience" and had no idea that the next move was up to them until they arrived in Culver. They will deck the halls at the former Fred Lane house while the Fred Lanes deck the halls at the new Fred Lane house. The George Linnemeiers will have Christmas in the Homestead while counting the days until they can start the new year in their new home on West Terrace.

Pat Hodgkin was recently accepted for membership in Northern Indiana Artist, Inc. The group recently had their show at the Oliver Hotel in South Bend. Erna Short and Phyllis Helber, also members, were contributors along with Pat. Bruce Sodervick, from the summer school staff, has just completed a one man show at the Art Center in Decatur, Ill. The show opened November 6, and featured 47 of Bruce's oils. It was the result of his having won (last year) the Carson Pirie Scott and Co. award for a one man show. The John Edgells attended opening day festivities. Jeannie and Bruce are living in Carbondale, Ill., while he attends Southern Illinois University.

NEW WORLD OF SCIENCE

Man Unlocks Ocean's Secrets

The secrets that have long lurked in the briny deep are beginning to yield to modern ocean-engineering techniques.

Spurred by the demands of the oil and mineral industries, ocean engineers have developed new ways of exploring that sea around us that occupies nearly three fourths of the earth's surface.

The design of small submarines offering chambers from which divers can operate is hailed as a significant breakthrough by officials of Ocean Systems, Inc. an affiliate of Union Carbide.

Already in use are pressurized diving chambers that transport the diver to and from his work. Commonplace are dives of 700 feet. But with each improvement, the depth increases. By spring, dives of 1000 feet should be possible.

Keeping abreast of these developments, designers are fashioning new tools and equipment to extend the diver's capabilities. One item on the drawing board is an underwater fork lift.

Important advances have also been made in the field of acoustic and television sensors designed to help man chart the world below. Time was when weighted lines were used to measure depths. Now acoustic devices have taken over.

New processes for offshore oil drilling offer further proof that the sea's the limit for today's ocean engineer.

Dun & Bradstreet Report On Marshall County Businesses

Statistics released today by J. J. Crenner, District Manager of the Chicago office of Dun & Bradstreet, reflect the activity of the business population in Marshall County during the past year. Figures obtained from a physical count of the Dun & Bradstreet Reference Book for January, 1967 totaled 617 manufacturers, wholesalers, and retailers in this area.

The Dun & Bradstreet Reference Book lists all manufacturers, wholesalers, and retailers who seek or grant commercial credit. It does not include some of the service and professional businesses such as beauty and barber shops, security dealers and real estate brokers.

Crenner added that during the past year 271 changes were made in the Dun & Bradstreet Reference Book listings of Marshall County businesses, including names added, names deleted, and changes in the ratings of continuing businesses.

Using the Dun & Bradstreet Reference Book listings as a guide, it is interesting to note the number of businesses currently operating in the larger county

As one phase in revising credit reports and keeping them up-to-date, Dun & Bradstreet, through its national network of offices, writes annually to all businesses in each of 50 states listed in the Reference Book (7,880 pages, in 4 volumes) to request their financial statements. This year, these requests are being sent to approximately three million businesses — to the corner grocery store worth a few thousand dollars as well as to businesses worth millions.

When the owner or officer of a business enterprise, or his accountant, fills out and mails his financial statement to Dun & Bradstreet, it becomes a part of the credit report on his business and a factor in determining the credit rating of his business.

The Dun & Bradstreet credit rating consists of two symbols. The first, a letter of the alphabet, indicates financial strength or the tangible net worth of the business. The second symbol is a number which reflects a com-

posite appraisal of the background, operations, financial stability and payment record of the business.

Each Reference Book listing, which includes the rating, is a condensed summary of the information contained in the Dun & Bradstreet credit report. The report includes the following: a history of the business, (who owns it, who runs it, and how long it has been operating); a description of what the business does and how it does it; a financial section which usually includes the latest financial statement; and a record of how the business pays its bills.

While credit reports are primarily used by businessmen who want to evaluate the credit risk of a business before shipping or selling, insurance underwriters also use credit reports to review risks, rates and coverage for fire and other types of insurance.

INDIANA'S "1967 CALENDAR OF EVENTS NOW AVAILABLE

Indiana's 1967 calendar of events, "Hoosier Holiday Highlights," the second such calendar published by the Indiana Department of Commerce, has been released today.

The 32-page publication lists the major festivals and events in the Hoosier State for 1967 — and many unique and unusual ones in both cities and small towns.

Hoosiers this year responded magnificently to a request for setting dates early so many of the major events which are tourist attractions could be publicized in national magazines and books listing events, said Lieutenant Governor Robert L. Rock, who heads the Commerce Department.

Readers will note the shifting of the Madison Regatta date from its usual pre-Labor Day festival time to July 8-9. The change was made so that the hydroplanes which race at speeds up to nearly 200 miles an hour on the Ohio River would not have to be shipped West and then back East again for the event, said Madison Chamber of Commerce officials.

Copies of the booklet may be obtained by writing the Tourist Division, Indiana Department of Commerce, 334A State House, Indianapolis, Ind. They are available in bulk for information centers, Chambers of Commerce and other organizations.

SPORTSWEAR

THE NEW SPLIT SKIRT THAT BECAME POPULAR BETWEEN 1880 AND 1900 ALLOWED THE HORSEWOMAN TO SWITCH FROM THE INCONVENIENT SIDE SADDLE POSITION WHICH HAD BEEN A MUST FOR THE FORMER VOLUMINOUS RIDING SKIRT.

ANOTHER INNOVATION OF THE NINETIES WAS THE ADOPTION OF MEN'S ATTIRE FOR SPORTSWEAR, SUCH AS THIS SUIT WITH "KNICKERS" FOR BICYCLING.

SPORTSWEAR BECAME SLIGHTLY MORE FUNCTIONAL IN THE 1870'S WHEN ACTIVE AMUSEMENTS LIKE SKATING BECAME POPULAR. THE SKIRT ROSE TO SLIGHTLY HIGHER THAN ANKLE LENGTH.

TODAY, WHEN BUYING WOMEN'S OR CHILDREN'S APPAREL LOOK FOR THE LABEL: THE SYMBOL OF DECENCY, FAIR LABOR STANDARDS AND THE AMERICAN WAY OF LIFE.

Ned Overmyer and Danny Thomas were guests of their grandmother, Trula McKee, on New Year's Eve.

November in Joplin, Mo. She was on hand to be with Tom's grandmother while his mother underwent surgery.

Mrs. J. C. Berryman travelled from Ashland, Kansas to have a brief visit with Rome and Thea. "Little Miss Bailey," for so many years the beloved nurse at the Health Center, is back in town doing special duty nursing for Verda Romig's father, who just returned from the hospital. . . . A delight on the Culver scene, "BJ" Hough and little Christopher, who arrived at Thanksgiving.

Congratulations to Marjorie Cihak. A new granddaughter, Debra Lynn, made her appearance in this world just in time for the Thanksgiving dinner. Debra is the daughter of Mr. and Mrs. Mike Cihak.

Terry Lemar and family have moved into their new home on the

corner of Climax and Slate Street. Dave, Terry's oldest son, is doing very well at Ball State and is remaining on the Honor Roll.

Jim Little reports that his son, Danny, has received his appointment to Lieutenant, junior grade, but now must leave beautiful Hawaii as of the first of the year to be stationed in Yokosuka, Japan.

Arizona calls Sylvia Butler, mother of Barbara Napier, 'til after the winter weather. She will probably return about the first of March.

During the Thanksgiving vacation, Virginia Lee and Evelyn Brock were visiting and sight-seeing in Chicago. Mary Cox rode to Chicago with them to see her brother-in-law and sister-in-law.

P.F.C. Michael Jordan, son of Esme Jordan, arrived home in early November after completing basic training in the Marine Corps at Camp Pendleton.

Virginia Abair visited Dr. Robert Hayes and family of Grand Rapids. Dr. Hayes was our Sum-

mer School doctor in 1958. Nancy is busy keeping up with their six children and Bob is doing general surgery in Grand Rapids.

New faces on campus are Eugene Guise and Everett Ault at the Boat Shop; Louie Braden helping John and Bill in the Motor Pool; Cecil Wynn with the campus force, and Howard Stevens and Charles Hanna helping in the Garden Department. Also after several weeks of absence Norman Mann is back to work in the Memorial Building. Ernest (Bus) Carter is the new man helping the Custodial group at the Quadrangle. The new helper in the Canvas Shop is James Hopple Jr. Jim is the son of James Hopple and grandson of Lester Hopple.

Mr. and Mrs. C.A. Humes (Cecil) are the proud grandparents of a new little granddaughter, Sandra Kay, born to Mr. and Mrs. James Humes. Sandra tipped the scales at 6 lbs., 6 oz. in Parkview Hospital Nov. 8.

Mrs. Fred Stalbrink entered the Holy Family Hospital in LaPorte Nov. 10 for treatment and obser-

vation.

Lee and Margaret Jewell and family entertained with a bountiful turkey dinner on Thanksgiving day. There were 21 present.

Mr. and Mrs. Oliver Craycraft of Dayton, Ky., spent the week of Nov. 12 with their son Bob, Doris and family. On Thanksgiving day, Bob, Doris and family headed for LaPorte to spend the day with Doris' parents Mr. and Mrs. Miller Wilson and family.

Happy Birthday wishes to Lester (Hoppie) Hopple, who celebrated his 65th birthday Nov. 25. In the evening his son Jim and Andrea surprised him with a birthday dinner. Present were Hoppie's sister, Mr. and Mrs. S. Emory of Culver, his brother Mr. and Mrs. Judson Hopple of Wabash, and several other relatives.

Mrs. Mae Mudra spent several days with her daughter Blanche and Ben Mishler and family before heading for St. Petersburg, Fla. to spend the winter.

Dean Douglas Smith has completed his boot training at Camp Pendleton, Calif., and is now a full-fledged "Marine". Dean was expected to arrive in Culver around Dec. 15 to spend the Holidays with his parents Tom and Lucy McNulty.

Mr. and Mrs. Robert Tetzloff held an open house at the VFW in Knox Sunday, Nov. 20. The occasion was the celebration of the christening of their new son Robbie. Approximately 95 relatives and friends attended.

It would be well worth your while to drop in and see the exhibit of creche figures in the Great Hall of the Memorial Building. Ken Laser has loaned the Library a complete set of over twenty figures which were made by his aunt; Peggy Gimbel's lovely Florentine figures are delicate and exquisite examples of European artisanship; Mrs. Cleavenger has contributed three sumptuously-dressed Wise Men, and the Holy Family figures, made by Anna Helen Estey, round out this display of nativity figures as interpreted and executed by artists from varied cultural backgrounds.

Ruth MacQuillan and Mac will have Malcolm with them, home from his job in South Bend, which he is finding interesting and time-consuming. Frances Graig, who has recently joined the staff as a part-time member, reports that Jim will be the only one of the three boys to get home for Christ-

mas this year. With two small children of his own, Florence Tanner's eldest son will "stay put" in Michigan so there will be "only" the four younger children at home to keep things lively.

He: Haven't I seen your face somewhere else?

She: I don't think so. It's always been right here between my ears.
