## Selected For High School Leadership Conference

Principal Charles Bernhardt of Culver High School announced today the selection of Dave Kelly, Senior, and Susan Donnelly, Junior, to attend the second annual Indiana High School Government Leadership Conference at Indianapolis on Feb. 11.

They will be accompanied by Latham Lawson, who teaches Government and History at the high school.

The students were selected on the basis of general academic excellence and a demonstrated interest in government.

The conference, sponsored by the Indiana Senator Birch Bayh, is sanctioned by the Indiana Secondary School Principals Association.

The students will spend a full day at Lawrence Central High School and adjacent Belzer Junior High School in Indianapolis hearing talks by and asking questions of Senator Bayh and four other leaders in American government.

They are Justice Potter Stewart, Associate Justice of the Supreme Court of the United States; Representative Patsy T. Mink, U. S. congresswoman from Hawaii; Jack Vaughn, director of the Peace Corps; and William Bundy, Assistant Secretary of State for East Asia and Pacific Affairs.

Each high school principal in Indiana has been invited to send two students and a teacher to the conference. At 10 a.m., each of the guests will make a brief statement to an assembly of the students. Then the students will be divided into four groups and will rotate among the four guests. ## Tri Kappa Benefit Is Feb. 14 For Nurse Scholarship

Tuesday, Feb. 14, at 7:30 p.m., Epsilon Nu Chapter of Kappa Kappa Kappa will hold its annual Valentine Dessert Bridge and Card Party in The Culver Inn, for the benefit of the Nurses' Scholarship Fund.

Anyone who plays cards is cordially invited to attend. One or more tables may be arranged for foursomes, or larger groups, by contacting any Tri Kappa member or calling Mrs. Orville Phelps of 463 Lake Street, 842-2201, or Mrs. W. D. Cleavenger of 763 East Shore Drive, 842-2489, who are co-chairmen of the affair. Tickets may be obtained for \$1.25 donation per person or \$5 per table from any Tri Kappa member. Prizes are to be awarded at each table for the high score, and a bake sale will be in progress for those who wish to take something home.

Recent recipients of the Tri Kappa Nurses' Scholarship include Miss Ann Wagner, who at the present time is a student nurse at Memorial Hospital, South Bend and expects to graduate in September of this year; Miss Barbara Hatten, who graduated in September, 1966, from Memorial, stayed on at their request and is presently in charge of a wing in Four West; Mrs. Donald Hall, the former Miss Linda Kose, worked at Beatty Memorial Hospital in Westville for one year after graduation from Memorial in South Bend, and has been with St. Anthony's Hospital, Michigan City, since last October, where she nurses on the Medical Floor and in the Emergency Room.

Monies allocated to the Nurses' Scholarship Fund are now set up in such a way that two students may receive assistance simultaneously, provided qualifications are met and prevailing competition overcome. However, since no applications at all were received in 1966, some of the money was spent in assisting music students of Culver High School.

The present scholarship committee consists of Mrs. Robert East, Chairman, Mrs. Addison R. Graff, Mrs. Donald Davis, Mrs. John W. Oldham and Mrs. Frank Serzler. Students interested in a future nursing career, or parents who would like to find out more

about the scholarships available, may contact any one of the above. Mrs. Rust or any member of her committee welcome inquiry and will be very glad to furnish information or help in any way possible.

## THE VENOM OF THE BEE

A biological shield against radiation is evidently contained in bee venom, reports Chemical Engineering, a McGraw-Hill publication. Scientists are not certain how the venom—a mixture of toxins, enzymes and unidentified substances—affords protection. But injections of the material apparently allowed 80 per cent of a group of mice to survive exposure to 825 roentgens of x-rays that killed 100 per cent of an unprotected group.

Miss Sharon Werner, senior from Charleston, is pianist for the processional and recessional and will accompany the Medical Center Choralliers, a 40-voice chorus directed by William Moon, Arsenal Technical High School music director.

The ceremonies will be symbolized with lighted candles and the reciting of the Florence Nightingale pledge. The nurse cap, a part of the Nurse's professional uniform, is worn whenever she is on duty just as is the school pin which she receives upon graduation. These students are candidates for the B. S. degree in nursing from Indiana University.

IT'S NO SECRET-YOU'VE DREAMED AT LEAST ONCE IN YOUR LIFE OF BEING A MODEL. BUT EVEN THOUGH YOU MAY HAVE GIVEN UP THE THOUGHT OF POSING BEFORE CAMERAS OR WEARING THE LATEST FASHIONS ON THE RUN-WAY, YOU STILL HAVE A YEN FOR A MODEL'S FRESH, WELL-GROOMED LOOK. THESE TIPS MAY HELP YOU.

1. MODELS DON'T GO ON CRASH DIETS. THEY REGULATE DIET EVERY DAY OF THE WEEK TO MAINTAIN THE CORRECT BALANCE OF FISH, LEAN MEATS, VEGETABLES, FRESH FRUITS, MILK AND CHEESE.

2. MODELS INVEST IN CLOTHES LIKE A BANKER INVESTS IN SECURITIES. THE TRULY CHIC CHICK LEARNS TO SPOT TRENDS, SEPARATE FADS FROM FASHIONS, AND DRAW UP HER OWN WARDROBE PLAN.

3. ON THAT ALL-IMPORTANT SUBJECT OF MEN, MODELS AGREE THAT IF YOU TALK AND ACT LIKE A LADY, YOU'LL ALWAYS BE TREATED LIKE ONE. THEY ADVISE TEENS AGAINST DEVELOPING ACUTE CASES OF TELEPHONITIS, WITH EITHER GIRL OR BOY FRIENDS. GOSSIP IS A DANGEROUS LUXURY MOST MODELS CAN'T AFFORD, AND THEY FIND THAT BEING A BOOSTER RATHER THAN A BLASTER PUTS THEM AHEAD.

4. FOR OVERALL BEAUTY CARE, MANY MODELS SPEND AN HOUR IN THE BATH DAILY. IT'S THE PERFECT PLACE TO PAMPER AND SMOOTH THE SKIN, AND THE BEST TIME TO SCENT THE SKIN BECAUSE THE BODY THAT GETS PERFUMED IN THE BATH STAYS PERFUMED LONGER. THE TRICK IS TO USE A SCENT THAT COMES IN SEVERAL FORMS. FAVORED BY MANY MODELS ARE EXOTIC TABU OR FLOWERY AMBUSH BY DANA, IN RICH BATH OIL AND SOAP, FOLLOWED BY MATCHING DUSTING POWDER, COLOGNE AND PERFUME FOR POST-BATH PLEASURE.

## Father Sheridan To Escort Holy Land Pilgrimage In April

Rev. William C. R. Sheridan, pastor of St. Thomas' Episcopal Church, Plymouth, if current plans develop favorably, will personally escort a small group of Midwesterners in a pilgrimage to the Holy Land in April.

Father Sheridan at this time is forming the group for the Bible Land journey, limited to 22 persons, and invites inquiries from those who would like to join the 17-day pilgrimage, beginning April 24.

An industrial and community minded priest, Father Sheridan is one of the original members and stockholders of the Plymouth Industrial Development Corporation, organized to promote industrial growth in that community, and has been described by that organization as its "strongest supporter".

A parish priest for nearly 24 years, he has just begun his 20th year as pastor of St. Thomas' Episcopal Church in Plymouth. In 1958 the Plymouth community chose him for its first "Dis-

tinguished Citizen" award in recognition of his spiritual labors and community work, which included an active interest in the industry of the city.

The Episcopal priest is the author of one of the most widely read small books on Holy Orders in the Episcopal Church, "Journey to Priesthood," now in its third printing. Father Sheridan received an honorary Doctor of Divinity degree from Nashotah House Seminary in Wisconsin last year and is one of the 29 living alumni (bishops, members of religious orders and priests) who have received the degree.

Those interested in joining in the Holy Land pilgrimage are invited to write to: Rev. William C. R. Sheridan, St. Thomas' Episcopal Church, 412 N. Center, Plymouth, Indiana 46563.

## Indiana's 1967 Easter Seal Child

KATHY JO GOLDSBERRY

A 5½-year-old Galveston girl has been named Indiana's Easter Seal Child for the 1967 Easter Seal Drive, Feb. 20-March 26 which benefits crippled children and adults.

Kathy Jo Goldsberry, daughter of Mr. and Mrs. Sam J. Goldsberry, Galveston, is the second Cass County child in three years to win the state contest, sponsored by the Women's Civic Club of Indianapolis. Steven Crawford, 9, son of Mr. and Mrs. Richard Crawford, Logansport, became the first Easter Seal child from Cass County in 1965.

Many activities are being planned for the sparkling-eyed Miss Goldsberry. Included on the agenda will be a trip to Evansville where she will launch the 1967 Easter Seal Drive, Feb. 20, at The Rehabilitation Center of the Vanderburgh County Easter Seal Society.

A party is being planned in her honor in Cass County, and Senator Arch Bayh, state chairman of the drive, will escort her during special Easter Seal activities in various parts of the state.

This little girl, who is quite familiar with the confinement of casts and crutches, has been the victim of cerebral palsy since birth, and affected from the waist down. Her winning smile, and gregarious nature have won her the affection of Galveston, and all who have met to know her.

**MORE THAN 120,000 TEEN-AGE BUSINESSMEN** FORM AND RUN SMALL CORPORATIONS THROUGH JUNIOR ACHIEVEMENT, A NON-PROFIT ORGANIZATION. IN ADDITION TO GAINING VALUABLE KNOWLEDGE ABOUT FREE ENTERPRISE, THESE YOUNGSTERS OFTEN LEARN THAT THE SUCCESSFUL BUSINESSMAN MUST HAVE THE SAME QUALITIES OF INDIVIDUALITY AND DECISIVENESS THAT TEEN-AGERS MOST ADMIRE.

"It was a real surprise," Mrs. Goldsberry commented upon learning of the selection of her daughter. "We were contacted by the Cass County Society for Crippled Children and Adults, and asked if we would consent to Kathy's being named Easter Seal child for the county, and they told us that her name would then be submitted for the state contest. After my hus-

band and I discussed the matter, we decided to allow Kathy to be named the county child, but we never dreamed she would be chosen for the state."

"Kathy doesn't know a stranger," Mrs. Goldsberry said.

"Whenever we attend a party held in Logansport by the organization, she is always talking to everyone. I guess that's how she was first selected to represent the county." Mr. Goldsberry, who works at Continental Steel at Kokomo, has nothing but praise for the Cass County organization. "You don't know how lucky we are having such a fine organization, and how much they've helped us."

Kathy, a kindergarten pupil at the Galveston Elementary School, has a steady routine of daily exercises to help strengthen her legs. "We go through seven or eight exercises each day," Mrs. Goldsberry said, "normally we do each three or four times." A trip every three months to Riley Memorial at Indianapolis for physical therapy has become a part of the Goldsberry routine. "They told us that a tricycle and swimming would do a great deal in helping her gain strength, so we bought her a trike last summer. She couldn't ride it very well after we bought it, but now we can't keep up with her," her parents said.

Kathy's homelife, aside from her daily exercises, is far from being abnormal. With her sister, Kimberly, 7, she enjoys the same things any girl 5½-year-old does. Her little play desk is cluttered with paper and coloring books, and of course the always present dolls take a lot of her attention. She has been taught to walk by herself, and resorts to her crutches only when absolutely necessary. She is learning self-confidence which will further enable her to enjoy a full and rich life.

For this year's Indiana Easter Seal Child, 1967 will bring a bundle of surprises for her and her family. To this deserving young Cass County girl, it will be a way to demonstrate the results of parental affection and dedication in the tasks of rehabilitation and conditioning of handicapped youth for their eventual journey into society.

**Sunshine Sponsors Valentine Dance**

By Patti McCombs

The Sunshine Society is sponsoring a dance on the 18th of February in the gymnasium from 7:30 to 10:30. Everyone is invited to this Valentine Dance. Tickets will cost \$1.00, and everyone is asked to purchase them now from the ticket committee, headed by Suzanne Overmyer. Music will be provided by the Sangralads from Sangrala Valley home for boys. All the proceeds will go toward a scholarship fund for the Sangrala Valley.

Other committees that are working hard preparing for the dance are the food and decoration committees. Linda Hudson, chairman of the food committee, is planning to have a cake walk and a cake raffle. Paula LaPlace is in charge of the decoration committee. The chaperones will be women from the Culver City Club.

Remember everyone is invited to buy a ticket, and everyone who does will be helping just that much to send a boy to college. So don't forget to come.

Once again, the date: February 18th; time: 7:30 to 10:30; place: gym; and ticket costs: \$1.00 per person. See you there!

# March of Dimes Teen Age Program Sets Pace in Birth Defects Battle

Paul Petersen, the 21-year-old television, motion picture and recording star, plans to some day "get married and have at least nine kids."

"I also want to adopt all the orphans I can from around the world and bring them all together each year during the holiday season," says the young man who once played the role of Jeff on the Donna Reed TV show.

Like thousands of members of his generation, Paul perhaps best demonstrates his love for children through his efforts to fight birth defects. He is national chairman of the March of Dimes Teen Age Program (TAP) for the second consecutive year.

The National Foundation-March of Dimes is conducting an all-out war against birth defects which strike 250,000 infants born in the United States each year. As national TAP chairman, Paul is working to stimulate interest in this vital problem among young people—the nation's future parents.

Thousands of TAP members across the nation are taking an active part in the fight against birth defects through year-round programs of education, service and fund raising. A good portion of the contributions raised by TAP members has helped the March of Dimes finance its rapidly growing nationwide network of 77 birth defects centers for diagnosis and treatment of infants born less than perfect.

To carry on this fight, teenagers have raised money for the March of Dimes by holding dances, basketball games, car washes, skating parties, and by selling everything from balloons to spaghetti dinners.

Who are these teens? And how have they channeled their energies into the TAP movement?

Paul Petersen, a native of Glendale, Calif., is one teenage idol who is serious about education. In high school he maintained a straight A average, and in college he is now an honor student in night school and university extension courses.

For two years Paul was TAP chairman in Los Angeles. Then, in 1965, he was named national co-chairman along with Luci Baines Johnson, the younger daughter of the President.

TEENAGE IDOL PAUL PETERSEN signs his autograph in a big hand for the little lady, Donna Dill. Both have signed up for the fight against birth defects—Paul as national Teen Age Program chairman and Donna as March of Dimes 1967 National Poster Child.

The National Foundation offers the Luci Baines Johnson Service Award to young adults who best exemplify the significant contribution of youth to the fight against birth defects.

The TAP co-chairman of Baltimore, Md., 18-year-old David Green, is the 1966 national winner of this award. Among his accomplishments was the organization of educational, service and fund-raising programs involving more than 75 youth groups. This year he is president of his high school student council.

A 17-year-old Denver, Colo., resident is the western area winner. Carolyn Beck, state TAP chairman and a high school honor student, raised \$1,400 for The Salk Institute for Biological Studies in 1965 with the help of the International Order of Rainbow for Girls.

Thomas M. Johnston, 18, Warsaw, Ind., the midwest area winner, organized a series of dances to raise funds for the March of Dimes and built his chapter TAP membership to more than 400. A former high school honor student and president of his student council, he is now studying at Indiana University.

Southern area winner, John Thomason, 17, Corpus Christi, Tex., was able to organize 800 teenagers in a successful shopping center sale to raise money to fight birth defects. He is now a student at Baylor University.

Many March of Dimes TAP volunteers are honor students, leaders in school and members of many youth service groups. All TAPs share the common interest of helping to bring about the day when every child has the chance to grow up healthy.

## Do You Remember 'Way Back When'

Highlights of Culver News  
of 10, 20, 30, 40, and 50  
Years Ago This Week

### FEBRUARY 6, 1937—

In one of the better played games of the year for the Indians the local cage squad trounced arch-rival Plymouth Tuesday night, 68-48 on the Pilgrims' home court.

Bill and Edna Taber have purchased the Culver News Agency from John Hoesel and took over the management of the business on Friday, Feb. 1.

Mrs. Isaac L. Kitts, 751 East Shore Drive, completed a course of training recently in New York City for the position of Welcome Wagon hostess, which she now holds in this community.

As a result of the District Solo and Ensemble Contest, held Saturday at the Culver School, Stanley Curtis, Sally Lowry, Don Reed, Thelma Hodges, Eileen Overmyer, and Tommye Lou Glaze will represent Culver as soloists at the state contest at Butler University on Feb. 23.

The Leiters Ford State Bank opened Friday for the first day

of operation in a new building. The \$25,000 investment has a frontage built of Indiana limestone trimmed with Roman brick. Other main features of the building are the drive-in service window, thermo-pane windows, acoustic ceiling, tile floors, and three service windows.

### FEBRUARY 5, 1947—

The Foss family went in for appendectomies last week in a great way when Gordon Foss underwent his operation in Gary; Judy, daughter of Mr. and Mrs. Russell Foss, had her appendix removed in Hammond; and Monton G. Foss underwent surgery in Plymouth.

Mr. and Mrs. Judson Dillon are the parents of a daughter, Joan, born Monday, Feb. 3, in Memorial Hospital in South Bend.

A heavy sleet storm coated everything with ice last week and some electric and telephone wire were broken by the extra weight.

Howard J. Maxey, plant man here for the Indiana Bell Telephone Company, has been promoted to wire chief at Peru, and Wilbur Rollen has been assigned to fill the vacancy at the local exchange.

### FEBRUARY 3, 1937—

Mrs. Emma Davis, 76, wife of George Davis, died of influenza at her home Monday, Feb. 1. Mrs. Davis had lived in Culver for the past 44 years.

A very pretty wedding was solemnized on Jan. 31 at the parsonage home of Rev. and Mrs. Charles Yoh at Lakeville when Miss Ruth Ringer, daughter of Mr. and Mrs. Ira Ringer, became the bride of Wayne Kline, son of Mr. and Mrs. William Kline.

One won and one lost was the tabulation of the achievements of the Culver High School net squad last weekend. The victory was over the hapless Argos quintet, while the loss was to the Academy team.

### FEBRUARY 2, 1927—

The Academy took a double bill from Lane Tech High School of Chicago Saturday afternoon when the Chicagoans were defeated in basketball 40 to 26 and in swimming 52 to 17.

The High School basketball tossers traveled over to Bourbon last Friday night and showed that their earlier win of the season was not a mistake by winning 26-14.

Dr. Coulter of Purdue University was an over Sunday guest of the Academy. Dr. Coulter delivered the address in Chapel Sunday morning.

day morning.

### FEBRUARY 1, 1917—

Last Friday morning thermometers marked 4 to 10 below zero in Culver.

The scarcity of hard coal has driven our people to the use of other fuel. In many cases base burners have been replaced by soft coal and wood heaters, and people with furnaces are patching out their meager supply of hard coal with wood chunks.

The basketball team got back in the winning line again and trounced the Warsaw five 20 to 16 Friday night.

Urias Menser will this spring put up a cement block building on the lot between the Star Theater and Easterday's for the use of M. V. Robinson proprietor of the Star. It will extend back to the alley, and will be modern with a large recessed lobby, inclined floor, steel operating booth, and ventilating fans.

## Social Security

Q - I worked last summer to earn money for college but made less than \$600. How can I get back what was withheld from my pay for income tax?  
A - File an income tax return to obtain a refund of any income tax which was withheld

from your wages. The card Form 1040A may be best, as well as the easiest, for you to use. Don't forget to put your Social Security number on the return and attach your W-2 Form. The W-2 shows how much was withheld.

Young artist: "You are the first model I have ever kissed."

Model: "Really? How many have you had?"

Young artist: "Four. An apple, a banana, a vase, and you."

When Abraham Lincoln sat quietly reading a book, it's doubtful that he ever imagined that one day his giant, brooding statue would be a national landmark, and that he would be known throughout the world.

Basically, Lincoln was a simple man, his nature as essentially rugged and rustic as the log cabin in which he was born. His life, from beginning to end, was a hard one, physically, mentally, and spiritually. Yet, throughout terrible trial, he never lost his faith in God.

Lincoln wasn't "born religious." Faith came to him the hard way, just as everything else did. But once he had found it, his devotion knew no limit. Most of the great men in our country's history have been devoted. Why? Because experience has shown them that no man can go it alone. That we, all of us, need God's guidance.

The place to seek that guidance is in the church of your choice.

## THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Monterey

Story hours were held once a month during the year with an average attendance of 47. A summer Reading Program for grades 1 to 8 in cooperation with the Winamac Monroe Library Jr. and Sr. high school students were held.

Members of the Monterey Tippecanoe Public Library Board are Edward C. Master, President; Mrs. Rex Good, vice President; Mrs. Charles Kelsey, secretary; John Ringon, treasurer; and Mrs. Charles Keltner, Staff members — Mrs. Claire Zehner, librarian; Mrs. Carol Eskridge, assistant librarian; and Miss Rebecca Reinhold, student assistant.

"Mother, what does 'apt' mean?" inquired Dot, returning home from school. "Why, my dear, it means 'smart. . . quick to learn.' Why?"

"Oh, nothing much," said Dot, airily. "The teacher told me today I was apt to flunk."

Primary goal of the newly organized Soybean Research Foundation, Inc., located at Mason City, Ill., is the development of soybean varieties, according to Dr. Arnold L. Matson, Director of breeding and research of the non-profit corporation.

Dr. Matson points out that the corporation is equally owned by prominent wholesale seed firms in Ohio, Indiana, Illinois, Iowa, and Missouri.

Offices, greenhouse facilities, seedling nursery and principal grounds are located at Mason City. A winter breeding and seedling program to supplement and extend the principle efforts at Mason City are being carried on in Chile, South America.

In an interview, Dr. Matson points out, "Our work here, as a private firm engaged in the development of new varieties of soybeans, will serve to supplement studies being carried out by our Universities and Experiment Station. Soybeans are regarded by many as the key to closing the world food gap. Increased effort on the part of both public and private agencies in the development of higher yielding, more disease resistant varieties of soybeans will be needed if we are to keep pace with increased world demand."

Osborn Seed Company, Culver, one of the 22 founding firms of S.R.F., has been engaged in seed production for more than 34 years, and is presently Northern Indiana's largest producer and processor of farm seeds."

Ralph Osborn of the Osborn Seed Company stated, "Membership in S.R.F. is another in our continuing efforts to bring farmers in this area newer and improved varieties of seeds."

The lawyer informed his client, "I have arranged a settlement with your husband that is fair to both of you."

"Fair to both!" she stormed. "Why do you think I hired you? I could have done that myself."

## Blood Bank In Rochester On February 20th

The Fulton County Red Cross Blood Bank will visit Rochester on Monday, Feb. 20, as announced by James Zimmerman, chairman.

The Blood Bank will locate at the American Legion Home in Rochester, with hours set from 10 a.m. to 4 p.m., DST.

Quotas have been set at nine pints for Aubbeenaubee Township, where Mrs. John Nelson is recruiting chairman; Richland Township has a quota of eight pints, with Mrs. Otto Kath working as recruiting chairman; and Mrs. Naomi Mills is recruiting donors for Union Township with a quota of 11 pints. All three recruiting chairmen are unit chairmen of the Fulton County Hospital Auxiliary.

Any resident between the age of 18 and 60 years, in good health, with a minimum weight of 100 pounds, is eligible to donate blood at this Feb. 20 visit as sufficient time has passed since the previous Nov. 25th visit of the Blood Bank in Rochester. Minor-age donors must have a valid permit of at least one parent or guardian.

Fulton County residents are asked to donate this life-saving commodity now as the need is especially urgent because a large number of blood replacements are needed — names will be posted at the Blood Bank.

So, take a few minutes of your time, donate your blood — the life your blood may save may be that of your neighbor, friend, relative, or even your own life.

The Fulton County Red Cross Blood Bank will not again be in Rochester, after the Feb. 20th date, until May 13.

Groom (about to carve first turkey): It looks real nice, dear. What did you stuff it with?

Bride: Oh, I didn't stuff it. It wasn't hollow.

"Now don't forget," the new clerk was lectured by his boss, "in this store the customer is always right!"

It wasn't long before the boss noticed customers entering his store and leaving immediately without purchasing anything.

"What's wrong?" he demanded of his clerk. "Why aren't people buying?"

"Well," the honest youth replied, "they all say our prices are too high, and I tell them they are right."

A drunk sat down next to a shapely coed in a bus and looked down, commenting, "Shay, lady, you got two very beautiful legs."

"How would you know?" "Easily," he replied brightly. "I counted them."

## One of the few things we don't deliver

One hundred per cent of the items at our local shopping centers are delivered by trucks. We never stop to think about it, but almost everything we buy gets to the store by truck. It wouldn't be unusual for three or more trucks to be involved from the farm and factory to the final point of sale.

In rural Indiana over 50% of the towns would be completely iso-

lated if it weren't for trucks. The dependable to-the-door service provided by trucks saves time and money. That's why everything we buy—whether we eat it—wear it or use it—is transported by trucks.

# Indians Lose Two Games Over The Past Weekend

By STEVE BAIR

The Culver Indians were wal-  
loped twice last weekend. Once  
by tall and talented Pioneer and  
once by hot shooting Winamac.

The Pioneer Panthers jour-  
neyed all the way from Royal  
Center to trounce the locals by a  
score of 91 to 66. The Indians  
were completely outclassed by  
the Panthers and their smooth  
moving six foot seven center, Ron  
Roller. Roller roamed beneath  
the basket as if he owned it, get-  
ting buckets on tipins, sweeping  
hookshots, and short jumpers  
that Culver's small center, Jeff  
Krueger, could not stop. The Pio-  
neer club scored over 20 points  
in every stanza as the Indians  
had one of their best offensive  
nights scoring 66 points.

Ron Roller led Pioneer with  
29 points. Ward, Bodt, and Min-  
nick added 19, 13, and 12 tallies  
to the Panther's score. Stu Lowry  
led the Indians with 24 markers.  
Paul Hatten and George Jewell  
each had 17 points for the locals' cause.

The next evening the tribe jour-  
neyed to Winamac only to be hu-  
miliated by the Indians 83 to 50.  
No one could find the range until  
the final stanza when the tribe  
got 26 points. Gerry Zanger, Win-  
amac's hot shot got 29 points, 15  
of these in the third period when  
he hit seven shots without a miss  
from the field. This proved to be  
the big difference. Zanger would  
hit his jump shot with Paul Hat-  
ten's hand in his face time after  
time. The Winamac fast break  
also hurt the tribe badly.

March and Ewing helped Zang-  
er out with 14 and 12 points re-  
spectively. Stu Lowry, for the  
second time in a row, led the In-  
dians with 18 markers. Paul Hat-  
ten hit for 14 points, 10 of these  
from the charity stripe.

## Academy Sports

Winter sports at Culver Mili-  
tary Academy are quickly draw-  
ing to a close. The 9-7 varsity  
basketball team has four remain-  
ing games in the next two week-  
ends; the swimming team fin-  
ished its season with an 8-3 rec-  
ord; and the wrestling team fin-  
ishes its season with a home meet  
against Howe Military School,  
Feb. 18 at 1 p.m.

After beating Park School of  
Indianapolis, 70-67, and South  
Bend Jackson, 76-62, the basket-  
ball Eagles put their winning  
record on the line Friday at 6:30  
and 8 p.m. at home against Aub-  
beenaubee and Saturday at 6:45  
and 8:00 p.m. at Culver High  
School. The Academy leads in a  
6-4 series which began in 1916.

Mark Bodem led Eagle scoring  
with 20 points against Jackson  
and 33 against Park School. Bob  
McKelvey and Terry Arney each  
scored 17 points for Jackson, and  
Rick Reahard led Park scoring  
with 28 points. Culver led all the  
way in both games, and scoring  
percentages remained high. The  
junior varsity lost 54-38 to Jack-  
son but beat Park 41-34.

Varsity swimmers ended one  
of the most winning seasons in  
years on a losing note against  
perennially tough Danville, Ill.,  
High School. The 160-yard med-  
ley relay team of Steve Swale,  
Bill Orton, Mark McKenzie and  
Bill Brown won with a time of  
1:25.5, and Rick Richmond won  
the 100-yard breaststroke. The  
63-32 score gave the team an 8-  
3 season record. Danville captain  
Jerry Paxton broke pool records  
at Danville.

## SOLID GOLD WIGGLER

A transistor that wiggles was  
been invented, according to Inter-  
national Management, a McGraw-  
Hill publication. Ordinarily, a  
transistor is simply a small solid  
blob of semiconductor material  
without moving parts. But this  
new transistor has a tiny sliver of  
pure gold that is fastened at one  
end and vibrates up and down.  
Vibrating like a tuning fork, it  
gives the transistor new capabili-  
ties including the ability to  
"tune" integrated circuits.

PYORRHEA

THE ancient Romans had palatial  
parties and pyorrhea. They  
were accustomed to luxuriate and  
paid the price for it. For those  
with a dedication to gastrocolic  
and alcoholic delights, the price  
was a softening of the brawn, the  
brain, and the gums.

Pyorrhea is an inflammatory  
disease of the gums and the tis-  
sues surrounding the teeth. A grad-  
ual destruction takes place in the  
bone about the tooth socket.

As pyorrhea develops, pus is  
formed and the poisonous by-prod-  
ucts are absorbed throughout the  
body. Pus from diseased teeth  
and gums causes ill health. Pyor-  
rhea is a progressive condition  
which gives no pain. Bleeding  
gums are frequently due to pyor-  
rhea and indicate something is  
wrong.

There is no mouthwash, tooth-  
paste or powder that will cure  
pyorrhea. When this condition ap-  
pears, professional dental treat-  
ment and advice are needed. Peo-  
ple should sustain the habit of  
keeping the mouth clean and  
healthy. The teeth should be  
brushed regularly and with care.
