Culver Gets Low Interest In Bond Sale

A successful bond sale for construction of the Culver Community School took place Thursday afternoon, just one day after the state hearing of a remonstrance to the lease-rental agreement made by the school corporation and the building corporation.

A total of \$2,600,000 worth of bonds were purchased by Wildman, Neal and DeBolt, Inc., of Indianapolis, combined with Merrill, Lynch, Pierce, Fenner and Smith, Inc., also of Indianapolis, at a rate of 4.11608 per cent.

The Culver bonds carried a rating of B AA. School officials were told that this was the lowest interest rate received on this rated bond in the past two years in Indiana. The sale of the bond is subject to the ruling by the State Tax Commissioners, which should come within the next two weeks.

Other bidders for the bonds were City Securities Corp. of Indianapolis, at 4.2833 per cent; and Shearson, Hammill and Company of Indianapolis, at 4.4223 per cent.

Culver C. of C. To Sponsor May 1 Parade

The "Make our Culver Clean Parade" Monday, May 1, at 6 p.m. will highlight the "Clean-Up-Paint-Up" program underway by the retailers and the Town, Chamber President, Doctor Howard confirmed today.

The parade will organize at College and Lake Shore Drive and the surprise Parade Captain will start the parade at 6 p.m. Included in the parade are: The Riding "R's", some of Culver's lovely Misses, Boy and Girl Scouts, with the Culver High School planning the music. The VFW, Post 6919 will act as Color Guard.

Boys and girls are invited to dress their bikes with prizes going to the winning bikes, also to the Scout Troops with the most original sign for Paint-Up-Clean-Up. Ron Tusing, retailer chairman, is setting up a broom relay. Ray Wicker and Andrew Venum are working with the Scouts.

"Make a Cleaner Culver" and "Paint-Up and Clean-Up" buttons are available at your favorite retailer to be worn through the week of May 1 thru May 6. All retailers will be wearing paint hats to remind us of spring house cleaning — outside house cleaning. The Town is placing trash barrels in the shopping areas. Flower baskets will be installed on lamp posts. The streets will be cleaned starting Wednesday, April 26.

Fire Chief Burns is arranging to hose the streets Sunday, April 30, beginning at the city park at 1 p.m.

The City Library has already done its outside spring house cleaning, a bright new sandblasted face lifting.

All interested retailers or others interested in having a unit in the parade should contact Ron Tusing, Phone Culver 842-2400.

Mr. and Mrs. Walter Hissong and daughter, Eddena, of Kankakee, Ill., were Sunday dinner guests of Mr. and Mrs. Roy Lisberger.

Orval Humes Dies Of Heart Attack At Age Of 62

Orval Humes, 62 Route 2, Knox, died at 2:15 p.m. Wednesday, April 19, at Starke Memorial Hospital following a heart attack.

Mr. Humes, a retired farmer, was born Aug. 3, 1904, at Ober, and was a life resident of Starke County. He was married June 27, 1925, to Elsie Palm at Knox.

Survivors include his widow; a son, Jerry of South Bend; three daughters, Mrs. Florence Nitcher and Mrs. Darlene Combs, both of Ober, and Mrs. Bonnie Chambers of Gary; and one sister, Mrs. Ruth Barker of Ober.

Services were held at 2 p.m. Monday, April 24, at the Kennedy and Braman Funeral Chapel, Knox. Rev. Claude Keiser of the Grace Tabernacle Church of Knox officiated and burial was made in the Masonic Cemetery at Culver.

Scout-O-Ramma To Be Held At Plymouth May 20

Scouts from the mighty Menominee District of the Tri-Valley Council of Boy Scouts, will gather May 20 at Plymouth Centennial Auditorium, for the sixth annual "Scout-O-Ramma", with "Paul Bunyan" the main theme.

The main theme for the annual event, sponsored again this year by the Plymouth Jaycees, will feature giant displays centering around the famous logger.

Many reasons are given for the Scout-O-Ramma. Perhaps the most important is to allow the public to get a view of scouting from Cub Scouts — to Boy Scouts — to Exploring. The program also allows Scouts themselves a chance to see what other units are doing, and also to increase their understanding of the many phases of scouting itself.

Tickets for the event are now on sale in your neighborhood from Scouts. Funds received from the sale of tickets go back to Scouts in the form of prizes, and for their unit's treasury.

The event will take place at Plymouth Centennial Auditorium May 20, between 2 and 9:30 p.m.

RAYMOND MORRISON HURT WHEN BOAR ATTACKS

Raymond Morrison, Culver, is listed in satisfactory condition at Marshall County Parkview Hospital where he is being treated for severe injuries of the right leg.

Morrison was injured Friday when attacked by a boar at his farm north of Culver.

According to Mrs. Morrison, he was in the barn lot and had walked past the hog to open a gate when the animal attacked him. She said Morrison was knocked down and gored in the right leg and severely bruised on the right arm as he attempted to ward off the attacking hog.

Mrs. Morrison stated she and Morrison's father Glen were in the farm office when they heard Raymond cry for help. She said they, along with her father, Ernest Dickey, rushed to Morrison's aid and were able to free him from the animal.

Morrison will remain at the hospital for several days, she stated.

School Board Considers Bids For Bus Routes

Bids for 1967-68 bus routes in the Culver Community Schools district submitted by drivers and applicants and ranging from \$9.00 to \$11.50 per day for school owned busses were considered by the School Board of Trustees at their regular meeting this week.

Daily rates during the current year are \$9.00 up to 40 miles; and \$9.50 for over 40. The new bids will be reviewed and rates established early in May.

Teacher salary schedule proposals were discussed with a report on added State instructional salary report for 1968 together with a review of the Classroom Teachers Association Welfare Committee report. Among recommendations approved include the establishment of salary schedule providing for a Class II, Bachelor's Degree plus 16 semester hours; and Class IV, which will recognize "Masters-in-teaching-Field."

Staff members approved for summer Title I program include: Jeanne Epley, Corine Shirrell, Ruth Barton, Alice McLane, Phyllis Hartman, Lois Bess Hand, Robert Horban, Dorothy Manis, George Vondra, Barbara Winters, William Harris, Barbara Hughes, and John Nelson. Shelton Kaiser will direct the program.

A Title I grant for a six week summer migrant school was announced by Robert Rust, Superintendent. Development of plans and staffing will proceed at once.

Typing and Driver Training will be offered again this summer. Staff appointments will be named in the next ten days.

Resignations from the staff were read to the Board. They include: Jerry Brown, Biology instructor for the past two years, who has accepted a position on the Galesburg, Ill., staff and Mrs. Robert Kerrigan of the secretarial staff, who is leaving for California.

Practice Tornado Alert Will Be Held Saturday, April 29

Culver Fire Chief Dave Burns has announced that a practice tornado alert will be held sometime on Saturday, April 29.

Three blasts of the fire whistle, with a 15-second interval between each blast, will signal the alert.

Residents are asked to take tornado precautions — going to the basement or the safest possible place — when the alert is sounded. Now is also the time to check first aid supplies, including those suggested for emergency survival, which should be stored in your tornado refuge center, along with bedding, a battery-operated or transistor radio, and adequate water and food supplies.

A University of Michigan graduate will play a special organ recital in Memorial Chapel at Culver Military Academy at 8:15 p.m. Thursday, April 27.

Ennis Fruhauf, who was organist, carillonneur, and piano teacher during the 1966 session of the Culver Summer Schools, will play works by Bach, Pachelbel, Mendelssohn, Elain, and Vienne.

EXPLORER POST OF SOUTH BEND TAKES TITLE

Explorer Post 408 of the Izaak Walton League, South Bend, won the Tri-Valley Boy Scout Council's swimming meet with a total of 92 points Saturday afternoon in the Culver Military Academy pool. Post 173, sponsored by Grace Methodist Church, took second place with 38 points and Post 429 of Epworth Memorial Methodist Church was third with 34 points.

Ten posts entered the meet which was arranged by the council Explorer cabinet with Richard Slack serving as event chairman and Dr. Eugene Geyer as adult consultant. David Smith was professional adviser. Frank Nagy served as starter.

After Post 408 won the meet they spent Saturday night on the Emery Davis farm where they pitched their tents and did some fishing in his ponds.

Central Daylight Time In Effect Next Sunday

Don't Forget To Set Clocks Ahead

The Citizen has been informed by Wilfred Craft, president of the Town Board, that Culver will change to Central Daylight Time at 2 a.m. next Sunday, April 30.

The Culver Schools, both elementary and high school, will move to daylight saving time effective Monday, May 1, according to Superintendent of Schools, Robert Rust, relieving a dual time situation in the school district since the Aubbeenaubee School located at Leiters Ford in Fulton County has been on Eastern Standard Time.

So don't forget to turn your clocks and watches ahead one hour before retiring next Saturday night.

For the next several months the horrible confusion in time in our area will be ended and for that we are most thankful.

Tippecanoe Twp. May Join Culver School System

There is a possibility that Tippecanoe Township, Pulaski County, will join the Culver Community School Corporation, to complete a "square of townships" in the system — with Tippecanoe on the southwest, North Bend Township of Starke County on the northwest, Union Township on the northeast and Aubbeenaubee Township of Fulton County on the southeast.

Culver Superintendent Robert Rust stated that there is much "favorable sentiment" for the annexation, following a public meeting Monday in which Tippecanoe Township residents in attendance voted overwhelmingly in favor of such a union.

Culver Community School officials met with representatives of Tippecanoe Township and Pulaski County School Corporation Tuesday in a long session in which they discussed legal aspects, assets, liabilities, and procedures of such annexation.

Plans for construction of the \$2.6 million Culver Community School Corporation high school continue.

Last Thursday, the corporation accepted the bid of Merrill, Lynch, Pierce, Fenner and Smith and Associates for purchase of \$2.6 million in first mortgage bonds for construction of the school. Interest rate will be 4.11608%.

This was the day following a remonstrance by a group of North Bend Township (Starke County) residents who had won a Culver hearing before the State Board of Tax Commissioners by petitioning against the lease-rental financing plan to be used in paying for the new school facility. In an orderly hearing, most of the dissenters did not complain as much about the financing plan as they did about the actual building such a school and the establishment of the Culver Community School Corporation.

Tax Commissioners yet have not ruled on the petition, but a

Piano Students Play In National Guild Auditions At Plymouth

Piano students of Culver piano instructor Mrs. Ella Stapan completed non-competitive piano auditions Monday, April 24, at Shem-berger Studio in Plymouth. These private auditions are sponsored annually by the National Guild of Piano Teachers.

Mrs. Royal Humbert of Eureka, Ill., served as judge.

Awards include certificates, diplomas, pins, medals, and scholarships. Participating teachers emphasize that National Guild goals are attainable through measurement of individual merit, not by competitive elimination.

Students of Mrs. Stapan who participated and their ratings were: Superior Ratings — Elaine Broeker and Linda Hudson of Culver; and Robin Thiem of Rochester.

Excellent Ratings—Paul Bennett, William Bennett, Paula Bush, Kevin Densmore, Teena Morrison, Jill Overmyer, and Karen Ryser, all of Culver; Sharon Beane of Bremen; Rodney Williams, Rochester; Sally Kline, Carla Hoover, Janice Manikowski, all of Monterey; and Nancy Belt of LaPaz.

Those receiving good ratings were Charlene Drake, Susan Broeker, Karen Lucas, and Kathy

Jo Stealy, all of Culver; Cheryl Belt of LaPaz; Stephen Hostetter, Lakeville; Beverly Kline, Monterey; and Douglas Feece, Plymouth.

Mrs. Stapan is holding a recital of these students at 7 p.m. Tuesday, May 2, at the Culver State Exchange Bank Auditorium.

Awards, medals, certificates, etc., will also be presented at this time. The public is most cordially invited to attend this recital.

Personals

Sunday guests of Mrs. Trula McKee were her brother, R. E. Griffith, of Indianapolis, and her cousin, Mrs. Blanche Grimes, of Denver, Ind. Sunday callers in the Trula McKee home were Mr. and Mrs. Eugene Thomas and children and Mrs. Donovan Overmyer and sons.

Miss Pat Ogden, who is a sophomore at Hanover College, Hanover, Ind., is spending her spring vacation with her mother, Mrs. George Ogden, East Shore Road. Last weekend Pat enjoyed a visit with her good friend, Joan Dillon, at Drake University in Des Moines, Iowa.

Kewanna School Band Presents Concert At CHS

By Beth Routson

On Thursday, April 20, the Kewanna High School band, under the direction of Charles Byfield, Jr., presented a concert for the Culver High School students. They played such songs as "It's Today," "Overture in B," "Music to Watch Girls By" and "Man of La Mancha." Our band director, Mr. Harry Fouts, was asked to direct their band in a march. A group called the "Great Society", composed of a singer, a drummer, and a guitarist, played several popular songs. The students seemed to enjoy this part most! A short piece called "Pop Goes the Woodwinds" featured the clarinets. The song "Emblem of Unity" brought the concert to a close. This was the second time the Kewanna band had given a concert for the student body. It was enjoyed by all.

A Story Of The Senior Trip

For Bill, it had been a long and tiring day, but as he rested on his bed in the hotel room his mind wandered back over the day's events. The class had seen the Capitol building, the Smithsonian, the Archives, the Lincoln and Jefferson Memorials — the huge Lincoln Memorial, Bill thought, not a true memorial but only cold stones, a pile of cold heartless stones.

Bill remembered the inscription. "In this temple as in the hearts of the people for whom he saved the Union the memory of Abraham Lincoln is enshrined forever." It sounded inspiring, but how many, Bill wondered, had ever taken the time to read more of Lincoln than his Gettysburg Address? How many had ever taken time to seriously study Lincoln's role as President in the Civil War? How many had ever really known Lincoln as the great leader he was?

Bill felt ashamed of himself and his fellow countrymen. The Lincoln Memorial, the Jefferson Memorial, Mount Vernon — people don't know what they stand for, people don't care. Americans just don't concern themselves with freedom or liberty, Bill thought. They just don't concern themselves with the great heritage of ideas which they are a part of.

Washington, Jefferson, Lincoln — great leaders in their eras. That's the idea most Americans have. But Bill realized that that attitude ruined the meaning of these men's lives. These men were not "of an era." Their thoughts, their beliefs, affect us. They laid the foundation for the priceless liberty we have today.

And the more Bill thought about it, the sadder the situation seemed to him. He was ignorant of the thoughts and ideas of these great men except in a very meager way.

"Get up, Bill. We're going to go eat dinner," John yelled from across the room.

Bill rose slowly, and as he left the room he promised himself

that he would read more widely when he got home.

Bits and Pieces

From the report we received about Sunshine State Convention, it really must have been a blast! How 'bout filling us in on the day girls.

Juniors, the play was really fab, just like on Broadway . . . well almost! Where did you get those wild costumes?

Brenda seems to get sick spells every once in the while. What's the prob. Brenda? Marlene?

Norm we hear you're in love again. Who's the lucky girl this time?

Mayo in jail again?? What was the charge this time?

Bill P. seems to have something on his mind, or could it be Diane with something on her mind? For more info, ask them.

Paul H. seems to be having a few problems . . . could it be themes?

Mike Schmoll . . . don't you know it's not nice to be a peeping Tom? No, not even in a car.

Seems as though Patti M. has a few problems sitting still at band concerts. What is it Patti??

Bob Crow finally licked his bad habit of fidgeting with his class ring . . . he gave it away. Does it fit you any better Harriet?

It seems as if the Seniors have 200 left. Now what?? Would you believe a party?!

Mrs. Ulrich seems to be disillusioned about the Senior class. Let's not make her lose face in us gang.

It seems that Steve Bair has a little trouble walking up curbs. What seems to be your major difficulty? The stairs in the high school seem to get you down a little too.

John, Kerry, and Steve did you have a nice time in Ohio? We sure hope you did. Pretty nice girls?

Beware!! Dave B. is trying to get his license. Are you sure you can see the road ahead. . . good luck.

If anyone needs a locker fixed just call on Steve T. Look at his and you'll know why.

It seems the eighth grade girls have found a new love — could it be a singer from the Kewanna band. By the way if anyone wants their names and addresses — you can contact their Culver manager, Norma Davis. Really Norma did you have to take time out of Spanish class?

Congratulations go out to Elaine K.'s guppy — it had seven little guppies.

Who will be the next in line to get their hair cut real short? Your hair really looks nice, Marilee and Elaine E.

Don't some of our high school boys have anything better to do than play in the traffic at noon? I'm sure you could be put on a trash detail.

Take a hint from Patty O. Do not order a barbecue at the Root Beer Stand when Bair is cooking. It looks like something else. What was it Steve?

Well, that's all I can think of for now — I do wish you people would do some exciting things so I could have something to put in this article.

Previews Of Progress

By Elaine Kaiser

General Motors' representatives gave a show titled "Previews of Progress" to grades 7 through 12 on April 14. The men demonstrated how rubber can be made from chemicals; how the seat belt and the sun car were developed; and told some of the other things they are doing. It proved to be a very interesting program.

My Generation

By Patti McCombs

There is much criticism afloat today regarding the youth of today, "the teen-agers". Being one of these "teen-agers", it greatly disturbed me and I decided to look into it, just to see what some of the major complaints were, and if they were rightfully judged. And, although we do have a great many faults, I believe most of the allegations are pretty shaky.

I have often heard the complaints that we youths are not interested enough in the world around us, in our fellow-man; that we fail to keep up in current events. This can easily be disproven by taking a look at the vast numbers of youths who go abroad every year for purposes of studying, and learning the customs, and general ways of life of other people. From our own small community we have five or six high school students who have represented the United States in France, Scotland, England, and Latin America. This summer there are three more students planning a European trip. And, I know that there are many others who would really appreciate such a trip, if they only had the resources. Is this disinterest in our fellow-man? It has been said that our adults didn't have the opportunities that we have today. And, this is true to some degree. However, opportunity could be knocking continuously, and unless someone answers, it is to no avail. You have to make use of, take advantage of, opportunity, and we are.

Going on to current affairs, I could safely say that if a survey test on current events was taken by all the teens and adults of our country that the scores of the teen would far surpass that of the adults. We are interested in world affairs and we do keep up. Also, many parents have commented to their teens, for we have discussed this, that we show a terrible lack of interest in what our nation is doing basically in the space program. They sit in front of the television set in amazement and awe and cannot understand why we do not react the same way. Could it be because we have grown up with these things? They are not new to us, we knew these things were going to happen because we have discussed them, and studied them, for years. We know what is happening.

Another great point of contention is our dancing. I don't want to "re-hash" this issue, nor do I want to appear to be defending it — I don't need to defend it. I would like to give a couple of points in the hope that perhaps it would give some enlightenment. For you see, it is more than just a dance, or dances. Each person dances the way he feels because he is interpreting the music for himself, for what it means to him. In this world of conformity where everyone has to dress, act and feel like everyone else to be accepted, we are striking out, somewhat, for our own individualism. The frantic beat and, seemingly, senseless lyrics might also characterize our inner-most feeling. I am not trying to paint a picture of masses of confused and frustrated youths, but there is sound reasoning there, I feel. We live a life of competition where you have to continually right to get ahead. From the time we entered grade school we are impressed with how important it is to be the best; to make good grades. You have to beat Johnny or Susie, and the older you get, the more this is increased. You have to get good grades to go to college, you have to go to college to get ahead.

Even in our social circles we

compete for having the most and nicest clothes and for being the most popular. It is a hectic, competitive life that we have been brought into. I can easily see how this music sounds like "noise" to adults. (Some of it does to me too) But, I think it is easier to understand, or maybe accept is the word. I'm looking for, if you realize, the basis behind it.

I could go on and on, but I don't want to sound like I'm protesting, or that I'm dissatisfied with life. We, the youth, aren't striking out, or protesting. We are only different because we have been raised in an entirely different world from that of our parents. Our children's world will be even more so, and I suppose . . . yes, I suppose, we will be the ones sitting back complaining.

Letters From The Editors

We would like to thank everyone who contributed to Schoolbell this year and wish next year's editors and staff the best of luck. It was a pleasure working with most of you. Next year's editors will be Susie Thews and

Lyn Mackey.

This week the Schoolbell was written by the senior staff members because this will be their last opportunity to write for the school paper.

Thank you.
Suzi and Patty

Hear about the gorgeous blonde who walked into a dress shop and inquired: "May I try on that blue dress in the window?" "Go ahead," agreed the boss, "it may help business."

Spring Concert

Another spring has arrived and another band concert is on its way. This year the Senior, Junior, Choir, and Stage bands will give a performance to the public on April 30, at 2:00 p.m. It will be held at the Community Building.

Earlier this spring the Senior Band attended district contest with three songs, March Lamar, Man a la Mancha, and Andante Con Moto, coming home with a second.

So if you don't have anything else to do come and relax while the music continues on.

Do You Remember 'Way Back When'

APRIL 24, 1957—

An unscheduled and spectacular interruption in Sunday noon's traditional Easter parade took place on Main Street when a \$60,000 fire suddenly swept through the 79-year-old Culver Hardware and apartment building, causing Mr. and Mrs. Henry Chatman and family to flee for their lives as all their worldly goods were devoured in the stubborn three-hour blaze.

Walter J. Muehlhausen, age 59, a resident of 2002 East Shore Drive, figured in an awful automobile-freight train crash a half-mile west of Tippecanoe Monday afternoon. Surprisingly, he suffered only a back injury in the Nickel Plate accident which demolished the rear of the automobile he was driving, which is listed as a complete loss.

Mr. and Mrs. A. N. McIntire will mark their golden wedding

anniversary with an open house Sunday in their Delong home.

Miss Donna Lee Johnston of Culver and Roy Wesley Fliskburn of Argos were united in marriage Sunday at the Argos Methodist Church.

Mr. and Mrs. John William Henderson Jr. of Hinsdale, Ill., announce the birth of a son on April 19.

A daughter, Leslie Ann, was born April 17 to Mr. and Mrs. John A. Cleveland.

Mr. and Mrs. Clyde Humes are the parents of a daughter born April 20.

APRIL 24, 1947—

A barn on the Academy farm near the airport was destroyed by fire Monday evening with an estimated loss of \$700. It is believed a brooder stove started the fire and 50 small chicks and a quantity of feed were burned.

APRIL 21, 1937—

Admiral Hugh Rodman, now retired and head of the Culver

Military Academy Summer School, goes to England in May for the coronation of George VI. The U.S.S. New York, Admiral Rodman's flagship, has been selected to represent the United States at a review of the Grand Fleet shortly after the coronation ceremonies at Westminster Abbey.

APRIL 20, 1927—

Mr. and Mrs. Bruce Ogden announce the birth of a son, Bruce Jr., Saturday, April 16.

CMA was fortunate in having as their guest of honor for the Easter exercises a man who is very well known in the United States Army circles, Brigadier General Merch B. Stewart, superintendent of the United States Military Academy at West Point. During his stay here he was entertained by Col. and Mrs. C. C. Chambers.

APRIL 18, 1917—

Rev. J. E. Young, recently of Greenville, Ohio, has moved to Culver to make it his future home.

Born to Mr. and Mrs. Will Lowry, a son.

A marriage license was issued Monday to Lester C. Sensibaugh of Argos and Miss Nola M. Mutchel of the East Side.

Neil Lichtenberger, a Hibbard boy and student in the Culver High School, has enlisted in the Navy.

The camp for training candidates for reserve officers' commissions opened on Monday with an attendance slightly over the 100 mark. The majority of these are old Culver men who represent classes as far back as 1909.

Mr. Hope

By Mrs. Guy B. Davis

There will be preaching services next Sunday following Sunday School.

The W.S.W.S. will hold its regular meeting Wednesday evening, May 3, with Mrs. Gloria Bixby.

The Willing Workers class enjoyed dinner together at Shori's Restaurant in Plymouth Thursday evening and then went to the Guy Davis home for their business meeting and fellowship. Attending were Mr. and Mrs. Clarence Kline, Mr. and Mrs. Everett Goodman, Mr. and Mrs. Whitney Kline, Mr. and Mrs. J. Washburn and Mr. and Mrs. Guy Davis.

Mrs. Guy Davis attended the annual meeting of the Northwest Indiana Conference of the Woman's Society of Christian Service held at the Grace Methodist Church, South Bend, Thursday.

Rev. and Mrs. Norris King of Leiters Ford showed their pictures and told of their trip to Haiti at the local church Wednesday evening.

Two of our local young men are home on furlough and were in service here Sunday morning. Dudley Van Meter arrived home from a year in Viet Nam. He will be here a few weeks and then report for duty at Fort Hurd, Texas. Carl Overmyer is home on furlough from Fort Ord, Calif. He will leave May 10 for Fort Dix, N. J. and then to Germany.

Mr. George Cowen spent Tuesday afternoon in the home of Mr. and Mrs. Guy Davis. He had spent the winter with his brother Alvin Cowen in Gainesville, Florida and had returned home only two weeks when word was received that his brother had passed away. He suffered a stroke and passed away soon after in the hospital at Gainesville.

Mr. and Mrs. Paul E. Wynn and family spent Sunday in the home of Mr. and Mrs. Jim Campbell near Fulton.

for "No Iron" Clothing and my new

GAS DRYER!

Today's pre-pressed clothing will keep a freshly-ironed look only with proper drying. Gentle tumble-drying with accurate heat and time controls are absolutely necessary for "no-iron" clothing. And that's just what you get with a new, improved Gas Dryer.

All your washables, from "no-iron" blue jeans to delicate synthetics, dry fast and gently. And Gas Dryers cost so little to operate.

See the new

PRODUCTION REPORT
A report of milk production lev-
els attained by dairy cows in
area herds has been received from
Holstein-Friesian Association of
America. The actual food produc-
tion output, under official testing
rules, by these local Registered
Holsteins is:
Culver Lad Dictator Peggy
4715971, a seven-year-old, pro-
duced 23,000 pounds of milk and
832 pounds of butterfat in 365
days. Culver Emperor General
Fanny 4319932, a nine-year-old,
had 21,560 pounds of milk and
816 pounds of butterfat in 337
days. Culver Lancelot Dictator
Lynn 5226338, a five-year-old,

had 20,060 pounds of milk and
739 pounds of butterfat in 305
days. Culver Lad Lancelot Iris
5632345, a three-year-old, had
18,230 pounds of butterfat in 342
days. Culver Leader Lien Alice
5116014, a five-year-old, had 16,790
lbs. of milk and 696 pounds of
butterfat in 305 days. All are
owned by John A. Newman & Sons,
Culver.
These new production figures
may be compared to the estimated
annual output of 8,513 pounds of
milk and 315 pounds of butterfat
by the average U.S. dairy cow,
notes the national Holstein Asso-
ciation.
Purdue University supervised
the sampling, weighing and test-
ing operations in cooperation with
the Holstein organization's herd
and breed improvement programs.
The office boss had just be-
come a father of a daughter, his
seventh child.
"Congratulations, new daddy!
Where are the cigars?" inquired
one of the help.
"When you have your seventh
child," the new father replied
sourly, "you don't pass out cigars
— you mooch cigars."

THE CHURCH FOR ALL
ALL FOR THE CHURCH

"The Church is the greatest factor
on earth for the building of charac-
ter and good citizenship. It is a store-
house of spiritual values. Without a
strong Church, neither democracy
nor civilization can survive. There
are four sound reasons why every
person should attend services regu-
larly and support the Church. They
are: (1) For his own sake. (2) For
his children's sake. (3) For the sake
of his community and nation. (4)
For the sake of the Church itself,
which needs his moral and material
support. Plan to go to church regu-
larly and read your Bible daily."

Just right for the combine

Short, strong stalks—strong shanks—less fodder

DeKalb XL "Breakthru" Varieties are bred for all of the above combine characteristics. Grain shells cleanly from firm, solid cobs. With the shorter, stronger stalks of DeKalb's XL's, less fodder goes through the combine. You can combine more readily and put more grain in the bin—more money in the bank.

"DEKALB" is a Registered Brand Name. XL Numbers are Variety Designations.

Nobody's got a family plan like Chevrolet.

And in the spirit of all family plans, you get more for your money.

Plan I—Impala Sport Sedan (foreground)—First off, Chevrolet is the roomiest car in America (source: Automotive News 12/26/66). Second, it's got exclusives like acrylic lacquer finish and Body by Fisher. Third, you get Chevrolet's traditional high resale value. Three reasons why Chevrolet is selected by more

families than any other car. **Plan II—Camaro Sport Coupe (rear left)**—The widest, lowest, heaviest adventure car at its price. Comes with bucket seats, carpeting, a fully synchronized 3-speed transmission, and a big Six competition can't match. **Plan III—Chevy II Nova Sport Coupe (rear right)**—Nobody's

been able to copy the six-cylinder efficiency or protective features like flush-and-dry rocker panels you get in our stylish economy car.

Plans IV, V and VI—Chevelle, Corvair, Corvette (not pictured)—You can see them all at your Chevrolet dealer's. Stop in soon. Bring the family.

Chevrolet's outstanding worth is another reason you get

that sure feeling

Driving is different day and night. Fatal accidents increase with darkness even though there are fewer cars on the road at night, reports the Institute for Safer Living of the American Mutual Liability Insurance Company. Night driving is more dangerous, therefore the driver should be doubly alert when he gets behind the wheel.
