Arthur R. Curtis, Former Culver Resident, Dies

Arthur R. Curtis, formerly of Culver, died at 5:30 p.m. Thursday, June 22, at the home of his daughter in Oxnard, Calif. Mr. Curtis, who was 59, had been seriously ill for three months and in failing health several years.

An electrician by trade, he was born in Culver May 16, 1908, and several years ago moved to Tucson, Ariz., and then to Sparks, Nev. He had gone to live with his daughter in Oxnard two months ago.

His parents were Benjamin and Georgia Snyder Curtis. At Culver, he was a member of Maxinkuckee I.O.O.F. Lodge No. 373.

Surviving are four daughters, Mrs. Emanuel Leon of Oxnard, Calif., Mrs. Charles McGinty of Ankara, Turkey, Mrs. Larry Lenz of Texas and Mrs. Jerry Nowell of Tucson, Ariz.; twelve grandchildren; three brothers, Maurice Curtis of Culver, Eldon Curtis of Dallas, Texas, and Forrest Curtis of LaPorte. One son, Edwin, died as a child.

Cremation will follow services Monday at Oxnard. The remains will be returned to the Grossman Funeral Home in Argos and graveside services will be held in Poplar Grove Cemetery, the time to be announced later.

Five Arrests Made Last Week

Police Chief Charles Groce reported the following arrests were made by the Culver Police and Lake Patrol last week:

John W. Dietel of Plymouth, arrested June 20 for speeding. Appeared in Justice of the Peace Court of Evert Hoesel and was fined \$10 and costs of \$18.25.

Rose Jasquis of Hammond, arrested June 13 for failure to carry registration. Fined in Justice of the Peace Court \$1 and costs of \$18.25.

An Appeal For Blood Donors

Residents of Culver and Union Township are once again reminded that the Fort Wayne unit of the Red Cross Bloodmobile will be in Culver on Monday, July 3, at the Community Building, from 12 noon until 6 p.m. and an appeal is being made for blood donors.

James McAllister, Mrs. Loyd W. Holifield and Mrs. Ted Strang are being assisted by members of local organizations in carrying out this very worthwhile program. Members of the Tri Kappa Sorority are attempting to contact every family in the township but in the event anyone has been missed who wishes to donate blood they may call Mrs. Ted Strang for an appointment or information.

Anyone age 21 through 59 can give blood if in good health and passed by the attending physician. Single minors, 18 to 21, can also give if they have written permission from one parent. Donors must weigh at least 100 pounds.

The blood program began in 1953, and this blood is available at all times within a very few minutes. No service depends as much on the support of the public as this blood program and citizens of Culver and Union Township are urged to give their blood.

LEITERS FORD TO HAVE RAILROAD MUSEUM

Mr. and Mrs. Woodie McGlothlin, owners of the well-known Wil-Wood Cafe in Leiters Ford, have purchased the old Erie-Lackawanna Railroad depot in the same Fulton County town.

The McGlothlins plan to restore the building and convert it into a museum containing railroad memorabilia.

Many old articles related to the depot have been contributed by individuals and former E-L railroad employees.

The railroad is helping compile a history of the Leiters Ford depot.

SERVICE NEWS

Airman First Class Wayne O. Zechiel, son of Mr. and Mrs. Zina G. Zechiel of Route 1, Monterey, is now on duty with the 4258th Strategic Wing at a forward base in the Western Pacific.

Airman Zechiel was assigned at K. I. Sawyer AFB, Mich., before arriving in the Pacific to help provide direct support for U.S. Air Force operations in Southeast Asia.

The airman, a Strategic Air Command aircraft equipment repairman, supports KC-135 Stratotanker aircrews who daily provide aerial refueling to fighter-bomber and reconnaissance aircraft conducting the air war over Vietnam.

The air man is a 1961 graduate of Monterey High School.

Seaman Recruit Edward J. Miller, 18, USNR, son of Mr. and Mrs. Robert A. Miller of Route 1, Culver, has completed his two weeks of annual active duty for training at the Naval Training Center, Great Lakes, Ill., and has returned to his local Naval Reserve unit.

Naval Reservists receive intensive training in subjects such as naval history and organization, customs and courtesies, ordnance and gunnery, seamanship, damage control, first aid, swimming and survival, shipboard drills and sentry duty. A vigorous physical fitness program rounds out the training.

Returning to his local unit, he will be provided with modern educational and technical facilities, and training under regular Navy officers and petty officers to enable him to become proficient in one of the many Navy technical fields.

Clyde Manns, 24 Killed In Accident South Of Culver

Clyde Manns, 24, Route 2, Culver, was found dead under his overturned 1961 convertible at 9:30 p.m. Tuesday, following a one-car accident on State Road 17, a quarter of a mile north of Road 110.

Culver policeman Sam Madonna said Manns was traveling south on 17 when the accident occurred. Sheriff Harvey Phillips said the accident report indicated that the car had swerved off the west side of the highway, skidded back onto the pavement and off the east side where it flipped over on top of the driver. The car apparently skidded for some distance upside down. Death was attributed to a crushed chest.

Culver police and firemen were summoned to the scene of the accident by a passing motorist. The car was a total wreck.

Clyde Manns, formerly of Jackson, Ky., was married and was employed at the Culver Military Academy, working in the laundry. The body was brought to the Easterday-Bonine Funeral Home in Culver and later transferred to the Kennedy-Braman Funeral Home in Knox.

Mrs. Rose Fegley Dies In Hospital At Age Of 82

Mrs. Rose A. Fegley, 82, who resided on South Shore Drive Culver, died at 5:15 a.m. on Thursday, June 22, at Parkview Hospital. She had suffered a stroke at the Little Company of Mary Health Facility at San Pierre, Ind., and was moved to the Plymouth hospital by the Easterday-Bonine Ambulance on May 29, where she has since been a patient.

Mrs. Fegley was born in Bryan, Ohio, on Aug. 25, 1884. She was married to William Fegley in LaGrange, Ind., in 1927 and resided there until his death in 1963. Following that time she moved her residency to Culver to be near her nephew, O. D. Campbell, and family.

The body was removed from the Easterday-Bonine Funeral Home in Culver to the Frurip Funeral Home, in LaGrange, where funeral services were conducted on Monday, June 26. Burial was made in the Greenwood Cemetery, LaGrange.

4TH OF JULY CELEBRATION AT KEWANNA

Kenneth Cook, president of the Kewanna Progressive Association, announces details of the 4th of July celebration to be held at the Kewanna athletic field.

Refreshment stands will be open at 6 p.m. with the Rainbow Girls serving watermelon. The Kewanna High School band will perform a concert starting at 7:30.

The speaker for the occasion will be David Feagler, Plymouth attorney, president of the Plymouth Junior Chamber of Commerce and Toastmasters Club.

At dusk, a fireworks display will be provided by the town merchants and other interested parties.

Culver Summer Schools Opened Wednesday

Total of 1,732 Students Enrolled

Classes began Wednesday, June 28, in the sixty-sixth session of the Culver Summer Schools.

Major General Delmar T. Spivey, USAF (ret.), superintendent of Culver Military Academy, said 1,732 boys and girls from virtually every state in the nation and many foreign countries have enrolled for the 1967 session.

The enrollment includes 719 boys in the Naval School, 134 in the School of Horsemanship, 132 in the Girls School, 648 younger boys in the Woodcraft Camp, 56 day students, and 43 specially enrolled students who are registered for one course, usually of an academic nature.

A staff of 249 instructors and administrators will work during the eight-week session ending August 19 under Rear Admiral John W. Bays, USN (ret.), director of the Summer Schools. The staff has been on hand since Saturday in preparation for the four days of registration through Thursday.

The academic program is under the direction of Dean John Edgell, who estimates that an overwhelming majority of students will again take some form of academic work. Last year, nearly 90 percent of the students were enrolled in at least one academic course for credit or review. The Summer Schools offer a full array of academic work in all disciplines along with non-credit courses in such subjects as journalism, sailing, typing, Scuba diving, all sports, theater arts, and others.

Admiral Bays said residents of surrounding communities have been invited to visit the campus and to attend various events in which the Culver students will participate. Among these are Sunday evening parades at 6:30 p.m. beginning July 9; 4 p.m. band concerts each Sunday beginning July 9 except the weekend of July 22-23 when the Naval School band will board the sailing vessel Fowler for its annual "Moonlight Cruise" on Lake Maxinkuckee; Sunday chapel services at 10 and 11 a.m. beginning July 2; and 8 p.m. Woodcraft Council fires each Saturday beginning July 15.

The theater school will also present productions on July 14 and Aug. 16, to which the public is invited.

The summer session of Culver Military Academy is the largest eight-week educational-recreational program of its type in the nation. The schools are operated by the non-profit Culver Educational Foundation.

MEDICARE

Medicare has two parts, hospital insurance and physicians insurance. Hospital insurance is available to almost everyone age 65 or older. Physicians insurance is for those age 65 who elect it, and pay \$3 a month. For either, it doesn't matter if you have credits for work under social security, nor does it matter if you are entitled to monthly social security checks because of work.

Basie Orchestra To Play At CMA Fourth Of July

COUNT BASIE

Count Basie and his Orchestra, one of the best known contemporary Jazz units, will help officially open the 1967 session of the Culver Summer Schools on July 4.
Appearance of the Basie orchestra replaces the Fourth of July fireworks display sponsored by the Academy in recent years. The school announced recently that because of the increasing cost of fireworks, it was discontinuing the display in favor of some other form of entertainment for the 1,732 boys and girls who attend the summer session of Culver Military Academy.
Basie and his musicians will appear at 7:40 p.m. July 4 after the traditional opening ceremonies that afternoon. Present plans call for the jazz concert to be given outside on the Riding Hall Terrace, weather permitting. An Academy spokesman said interested residents of nearby communi-

ties are invited to attend the concert if it is held outside. In the event of rain, the program will be limited to students of the Horsemanship, Naval, and Girls' Schools.
Count Basie has been in the music business since 1935 when he took over the old Johnny Motten orchestra. Since that time, his name has been among the leaders in jazz. Basie's band was one of the key units of the big band era of the 1940s, but unlike many of the large orchestras that folded after that time, Basie's musical organizations survived and have remained an important part of American music for 25 years. His bands have placed high in virtually every music poll and he has always been a leader in admissions to dances and concerts and in the sale of records.
Count Basie and his orchestra were accorded a singular honor in 1961 when he and his musicians were selected to play the inaugural ball for President-elect John F. Kennedy. Not long after that the Basie orchestra scored the highest grosses in the history of the Apollo Theatre in New York city.
The Culver Summer Schools will operate during July and August and are the largest educational-recreational summer program of their type in the nation.

DAVID WOOLDRIDGE NAMED EDITOR OF SCIENCE PUBLICATION

Mr. and Mrs. David Wooldridge of Carlinville, Ill., spent Monday afternoon and night with his grandmother, Mrs. Blanche Wooldridge, while on their way to Philadelphia, Pa., where David has accepted a position as editor of a science publication, "Biological Abstracts." He has been teaching Biology at Edwardsville, Ill., at that campus of the University of Southern Illinois, and his wife has been teaching at Blackburn College in Carlinville. Jane Wishman of Edwardsville,

Mich., and Catherine Wooldridge of South Bend also spent the evening with them.

CULVERITES RECEIVE AWARDS IN BATON TWIRLING CONTEST

Five girls from Culver attended the annual Arbor Contest in Rolling Prairie, Ind., on Saturday, June 10, and participated in the baton twirling events. The Rolling Prairie Lions Club sponsored this USBA contest.
Miss Kaye Mahler placed fifth and won a medal in the eight-year-old beginners' group. Kaye is the daughter of Mr. and Mrs. Martin Mahler.
Paula Thompson, daughter of Mr. and Mrs. John Thompson, won third place and a medal in the seven-year-old beginners' group.
Sandy Miller won fourth place and a medal in the 14-year-old beginners' group. She is the daughter of Mr. and Mrs. Robert A. Miller. This contest was Paula's and Sandy's first baton twirling contest.
Sara Shei won fourth place and a medal in the eight-year-old intermediate group.
Susan Shei won third place in the 14-year-old advanced group. She received a trophy in the shape of a sycamore leaf.
Sara and Susan are the daughters of Mr. and Mrs. Kenneth Shei.

Each solo contestant in this baton twirling event received a potted American sycamore tree.

ENROLLED FOR SUMMER TERM AT INDIANA STATE

Indiana State University's first summer term enrollment is up 3.9 per cent over the corresponding session last summer.
As of June 26, there were 4,750 students enrolled as compared to 4,572 last summer, and the enrollment will increase as students enroll for short courses, workshops, and institutes.
The first summer session ends July 18. A second five-week summer term will run from July 20 through August 23.
Students enrolled from Culver are Billie D. Garver, 515-3 West Jefferson and Kay L. Thomas, Route 1.

H. A. Smitson, Summer Resident, Dies At Age 61

Harrison Adams Smitson, 61 years old, Tipton, Ind., and well-known long-time summer resident of 2314 East Shore Drive, died Saturday, June 24, from a heart attack suffered while working in his office, the Farmers Loan and Trust Company, in Tipton, which he served as president.

A life-long resident of Tipton, he was a 1930 graduate of Butler University, where he was a member of the Phi Delta Theta Fraternity.

Mr. Smitson was a past ruler of the Tipton Elks Lodge and a past president of the Tipton Rotary Club. He was a member of West Street Christian Church, Austin Masonic Lodge, and the Columbia Club and Scottish Rite of Indianapolis.

A member of the Tipton Chamber of Commerce and the Indiana Bankers Association, Mr. Smitson was also a director of both the Tipton Telephone Company and the Great Lakes Investment Corporation.

Survivors include his wife, Mrs. Charlotte Smitson; two sons, H. A. Smitson Jr., Columbus, Ind., and Robert W. Smitson, Lafayette; his mother, Mrs. Tessie Smitson, Tipton; and four grandchildren.

Services were held at 2 p.m. Tuesday, June 27, at the Young-Nichols Funeral Home. Burial

followed in the Fairview Cemetery at Tipton.

COMMUNION SERVICE AT GRACE CHURCH SUNDAY

ATTENDING SUMMER INSTITUTE AT I.U.

Jerry W. Wolfe, 447 South Shore Dr., Culver, a teacher at Culver High School, is participating in the eight-week Summer Institute for High School Teachers of Chemistry being held through Aug. 10 at Indiana University.

Supported by funds from the National Science Foundation, and directed by Frederic Schmidt, I.U. professor of chemistry, the Institute is designed to help high school chemistry teachers to increase their knowledge of the subject matter of chemistry, especially recent developments in the field. They also have the opportunity to discuss teaching problems with the University's chemistry faculty members and with other high school teachers.

Participants are eligible for University credit applicable toward the degree of Master of Arts for Teachers.

Claudia Lee DePoy and Thomas Joseph Biggins
Are Married In Plymouth Church Ceremony

Miss Claudia Lee DePoy became the bride of Thomas Joseph Biggins at 11 a.m. on Saturday, June 10, in St. Michael's Church, Plymouth.

The bride is the daughter of Mr. and Mrs. George H. DePoy of Culver and Mr. and Mrs. John E. Biggins of Tyner are the parents of the bridegroom.

Father Matt J. Sienkewicz officiated at the double ring ceremony before the altar which was decorated with baskets of flowers.

Given in marriage by her father, the bride appeared in a chantilly lace gown styled with a scalloped high scoop neckline, long fitted sleeves and a bouffant skirt with a scalloped lace hemline. A detachable overskirt of tiered scalloped lace formed a chapel length train. A wreath of pearl flowerlets, crystal beads and simulated daisies held her tiered veil and blusher of imported Ill-

lion.

Miss Roberta Yeazel of Culver was maid of honor and bridesmaids were Miss Marlene Morrison, Miss Carolyn Tanner and Miss Cathy Schmidt, all of Culver. They wore identical floor-length gowns of blue organza over taffeta with redingotes of white lace. Their gowns were each styled with a scoop neckline, short sleeves, and a bodice bow with streamers of blue ribbon. Their headpieces were horsehair petals and mock lilies of the valley holding short full veils.

William Morris of Plymouth served as best man and ushers were Cecil Ottow and Ben Burger, both of Plymouth, and Dale DePoy of Winamac.

For her daughter's wedding Mrs. DePoy chose a blue lace dress with white accessories. The bridegroom's mother wore a lavender dress of lace.

A reception was held at the Plymouth Conservation Club for 200 guests from South Bend, La Crosse, Winamac, Kokomo, Culver and Plymouth. The refreshment table was decorated in blue and white and centered with a four-tier wedding cake. Neidlinger's Band of Culver provided the music.

Following a wedding trip to Brown County the couple are residing at Route 1, Argos. For going away the bride wore an orange and white suit with white accessories and a corsage of roses.

The bride is a 1967 graduate of Culver High School. The bridegroom graduated in 1967 from Tyner High School and is employed at McCord's in Plymouth.

To his small son who showed him the top half of a bikini bathing suit he had found some distance up the beach, the man said: "Come and show Daddy exactly where you found it."

Tri Kappa Holds Pledging Ceremony

Epsilon Nu Chapter of Tri Kappa held its regular meeting on Monday evening, June 26, at the Maxinkuckee guest house of Mrs. W. J. Cleavenger. Five prospective new members, including two legacies, participated in the pledging ceremony, for which Mrs. James McAllister sang a solo, with Mrs. Robert Rust at the organ.
Mrs. Burton Curry, chairman of the Chapter's active mental health committee, told of attending a picnic at the Plymouth Centennial Park for 28 patients of Beatty Memorial Hospital, Westville. She was accompanied by Mrs. J. E. Maier, co-chairman, and Mrs. John Mars, former chairman. They met and visited with the Chapter's adopted patient, who received their gifts with typical enthusiasm and genuine appreciation.
Mrs. Jack Easterday reported that pecans were sold out and would not be re-ordered until fall. This year's profit amounted to \$100.66.
Mrs. James McAllister distributed phoning lists for the Blood

Bank, which will be in Culver on Monday, July 3, with the comment that unless community response exceeded that of recent years, they would not return to Culver.
Mrs. John Edgell, president, announced that the next meeting, initiation, would be held at the home of Mrs. Norman Perry on July 24 instead of July 17 as originally scheduled.
Assisting hostesses, Mrs. Robert Cultice, Mrs. David Nelson, Mrs. John Oldham, Mrs. James McAllister, and Mrs. Jack Campbell, served unusually pretty and delicious refreshments during the social hour in honor of the pledges.

Miss Linda S. Nelson Speaks Wedding Vows
With Roger Bergslien In Saturday Ceremony

MRS. ROGER E. BERGSLIEN the impressive double-ring rites before the altar graced with palms and bouquets of yellow and white gladioli. White satin bows, greenery, and candles marked the pews.

Organist Mrs. James McAllister offered appropriate nuptial music and accompanied Miss Margo Fox as she sang "Because," and "Oh, Perfect Love."

Given in marriage by her father, the bride chose a formal-length

th daisy-decked gown of imported organza. The daisies of Venice lace, sparkling with mock pearls and crystal beads, bloomed also on the take-off Wattau train, which was edged with Swiss lace. A row of daisies formed the hemlines of the dress and sleeves. The bridal veil of silk illusion was face-framed with daisies. She carried a floral arrangement of white daisies edged with white gladioli petals and centered with a cluster of white roses.

Miss Diane Nelson of Culver served as maid of honor for her sister and other attendants to the bride were Miss Phyllis Sturm, Jasper, Ind.; Mrs. Marlon Popovich, Valparaiso; Mrs. Terry Tomson, Denver, Ind.; and Miss Cathy Carrothers, Burr Oak. All attendants wore identical formal-length empire gowns of maize chiffon over taffeta, with scooped necklines, pleated pouf sleeves, and mumsa satin trim at the bodices. Daisies and short veils composed their matching headpieces. Each attendant carried a cluster of yellow daisies with a bow and ribbon of the satin trim of bodice of the gown.

Flower girl was Miss Shirley Nelson of Plymouth, cousin of the bride. She wore a dress similar to those worn by the other bridal attendants and she carried a basket of daisy petals.

Wade Bergslien, nephew of the bridegroom, served a ring bearer.

Ron Bergslien, brother of the bridegroom, was best man. Groomsmen were Les Atwater; Jerry Nelson brother of the bride; Larry Schneider; and Edward A. Lanacek.

For her daughter's wedding,

The Culver Citizen — Culver, Indiana — June 29, 1967 — Page 5

Mrs. Nelson chose a yellow linen dress with yellow accessories and matching coat. Mrs. Bergslien selected a rose and pink dress with rose accessories. Both mothers wore a white orchid.

Following the ceremony, a reception for 200 guests was held at The Culver Inn. The cake table was adorned with greens and daisies encircled the beautiful wedding cake. The other serving tables were edged with greens and centered with bouquets of daisies.

Miss Carolyn Snyder and Miss Wanda Warren registered the guests.

For their honeymoon, the new Mrs. Bergslien wore a three-piece yellow suit with yellow accessories. Upon their return the newlyweds will reside in Valparaiso until September, at which time

they will take up residence at 53 Cor-Dale Court in Lafayette, Ind.

The bride is a graduate of Culver High School and is a junior at Purdue University, majoring in elementary education.

Mr. Bergslien is a Denton High School graduate, served his military tour of duty with the United States Marine Corp, and is a Purdue University student in electrical engineering technology.

A government crop inspector visited a Kentucky farm and began asking questions.

"Do you people around here have trouble with insects getting in your corn?"

"We sure do," said the farmer, "but we jes fishes them out an' drinks it anyhow."

Notice of Adoption of Annexation Resolution by School Corporations

Notice is hereby given that on the 19th day of June, 1967, the Board of School Trustees of Pulaski County School Corporation, and the Board of School Trustees of Culver Community Schools Corporation passed substantially identical annexation resolutions pursuant to the power granted by the Acts of the General Assembly of the State of Indiana, being Acts of 1963, Chapter 296, providing that that portion of the area within the geographical boundaries of Pulaski County School Corporation of Pulaski County, Indiana, that is known and recorded as Tippecanoe Township, Pulaski County, Indiana, should be and subject to the effective date of the annexation herein resolved, annexed and merged into Culver Community Schools Corporation and that from and after the effective date of the annexation such portion of the area within the geographical boundaries of Pulaski County School Corporation, known and recorded as Tippecanoe Township, Pulaski County, Indiana, would no longer be a part of Pulaski County School Corporation but would become a part of the Culver Community Schools Corporation. The sections of the resolution complying with the provision of the state above referred to read as follows:

SECTION 2.

The area which will be lost to Pulaski County School Corporation and which will be annexed by Culver Community Schools Corporation is comprised of the entire territory of and has the same boundaries as the geographic and political territory known as Tippecanoe Township, Pulaski County, Indiana.

SECTION 3.

This annexation shall become effective on the 1st day of August, 1967, or on the 31st day following the second of the two (2) publications of notice required by said Act, whichever is later.

SECTION 4.

When this annexation becomes effective Pulaski County School Corporation shall have no further jurisdiction over the school children residing in the area annexed and that portion of the territory hereinabove described and heretofore embraced within the jurisdiction of Pulaski County School Corporation shall cease and said territory hereinabove described shall become a constituent part of Culver Community Schools Corporation as above described. As a part of said annexation it is understood that the annexing corporation shall be responsible for all resident school children of said area being annexed. That in addition thereto the Culver Community Schools Corporation has agreed that it will accept upon transfer, in the event the pupils so desire, those students who reside in Harrison Township and/or Franklin Township, Pulaski County, Indiana, and who will be in their eleventh or twelfth year of school and who have heretofore been attending the school at Monterey, Indiana, and that said annexing corporation will furnish transportation for such students from Harrison and Franklin Townships from the respective township lines to the high school the pupils will be attending. That this will continue for a period of two (2) years and at the end of said two-year period Culver Community Schools Corporation will be under no obligation to accept transfers of students from Harrison Township and Franklin Township, Pulaski County, Indiana, and that all transfers will then be dealt with on an individual basis. For such two (2) years, Pulaski County School Corporation agrees that it will honor and pay transfers so requested by the students so residing in Harrison Township and/or Franklin Township, Pulaski County, Indiana, and who come within the category as above described and who request transfers to the Culver Community Schools Corporation.

SECTION 5.

Assets and Liabilities shall upon the effective date of this annexation be divided as follows:

1. The annexing corporation shall take title to all the school property located in Tippecanoe Township consisting of real estate, buildings, contents and buses shown on a schedule now on file in the Office of each School Superintendent. The consideration being the assumption by the acquiring corporation of the debts originating from the School Township of Tippecanoe, to-wit, the outstanding bonds, and the terms and conditions of this Resolution for the education of the children.
2. Public records indicating assessed valuation of all taxable property situated within the territory of the Pulaski County School Corporation reveal that 10.5% of such property is located in Tippecanoe Township. The acquiring school corporation shall receive a sum equal to 10.5% of 5/12 of all property taxes assessed in 1966 and payable in 1967 for the benefit of Pulaski County School Corporation. By compromise it has been agreed that the taxpayers of Tippecanoe Township have an interest in the present working balance of Pulaski County School Corporation in the sum of \$7,000.00 which said sum shall be paid to the acquiring corporation by Pulaski County School Corporation. The acquiring school corporation shall receive the unexpended balance of taxes collected in 1967 and appropriated for the payment of the bonds and interest being assumed by the terms of the Resolution. At least 2/3 of the amount estimated to be due the acquiring corporation shall be paid to it on or before October 1, 1967, with final settlement as soon after the Pulaski County School Corporation receives its December draw as possible.
3. All state distribution of school funds to Pulaski County School Corporation, the formula for which has heretofore been approved for 1967, shall be pro-rated as of the effective date of the annexation. This shall be done on a basis of 14.5% of five twelfths of the state funds so received during the entire year 1967, it having been determined from public records of the A. D. A. (Average Daily Attendance) that this represents the proportionate share of the average daily attendance of those students being educated in the Monterey School. Since this proportion will change for the school year of 1967-68 an adjustment will be made for the last 5/12 of the year based upon the A. D. A. Formula for the ensuing school year as it applies to the relationship between the A. D. A. for Pulaski County School Corporation and the A. D. A. for the Monterey School, for pupils from Pulaski County, Indiana. Such adjustment to be made as soon as figures are available. Approximately 2/3 of the amount estimated to be due the acquiring corporation shall be paid it on or before October 1, 1967, and the balance as near December 31, 1967, as the figures are available.
4. The book rental arrangements of the Pulaski County School Corporation, while an extra-curricular school activity, will be handled pursuant to an agreement reduced to writing, a copy of which is on file in the office of the Superintendents of each of the two corporations as hereinafter set out.
5. Current operating expenses and/or indebtedness shall be pro-rated

as of the effective date of the annexation by the annexing corporation assuming (1) all expenses of the real and personal property coming to the annexing corporation, and (2) all contractual obligations that would apply to the physical property coming to the annexing corporation and the education of the children attending schools of the annexing corporation. Such annexing corporation agrees to grant transfers to those who request such transfers for the school year 1967-68 for the area included in Sections 30, 31 and that part of Sections 29 and 32 west of the blacktop road all in Township 31 North, Range 1 West, on an individual basis.

6. The annexing corporation shall assume all bonded indebtedness which originated from the former School Township of Tippecanoe and the Tippecanoe Civil Aid School Bonds, together with the accrued interest thereon and as part of the consideration shall receive the unexpended balance of taxes collected and appropriated for the payment of principal and interest as specified in Section 5 (2) herein.

7. The local 1967 taxes, payable in 1968, for the Tippecanoe Township area and the State Distribution of School Funds for 1968 for the Tippecanoe Township area shall be made to Culver Community Schools Corporation.

8. In consideration of the acquisition of property and assets by Culver Community Schools Corporation, said corporation shall be responsible for the proper education of the children of the area comprising Tippecanoe Township, Pulaski County, and the right and obligation to determine and develop the educational facilities for the area.

9. A schedule of assets, liabilities and supporting documents are on file and may be examined in the offices of the Superintendent of Culver Community Schools Corporation and in the office of the Superintendent of Pulaski County School Corporation in Culver and Winamac, respectively.

RESOLVED this 19th day of June, 1967.

The Statute provides that the right of remonstrance exists as set out in the statute and that a statement notifying interested parties of the right to remonstrate shall be set out in the notice. The procedure remonstrators must follow is set out in the statute above referred to.

The annexation shall take effect within thirty (30) days after the second publication of the notice or at the time provided in the resolution, whichever is later, unless within such period a remonstrance is filed as provided by the statute.

Dated this 19th day of June, 1967.

Myhre And Minor, CMA Musicians, To Give Recital

Two Culver Military Academy musicians will give a recital at 4 p.m. Sunday in the Eugene C. Eppley Auditorium. The public is invited.

Artists are Milford H. Myhre, pianist, and Brian Minor, a saxophonist. The recital is the last for Myhre, who is leaving the Academy and will appear as carillonneur at Bok Tower in Florida next Fall, and the first on the Culver campus for Minor, who joined the Academy's language department last September.

Myhre is a graduate of the University of Kansas and the University of Michigan, where he received a master's degree in music. He is well known as an organist, carillonneur, and pianist, and has appeared in recital in many American cities. The recital Sunday will round out 10 years' service for Myhre to the Academy and its music department.

Minor has studied under some of the world's leading saxophonists including Cecil Leeson, of Northwestern University; Marcel Mule, of the National Conservatory of Music, Paris; and Sigurd Eascher, of the Eastman School of Music.

Minor is a Fulbright Scholar and additionally studied in France last year through a grant from the Indiana Language program. He was a guest soloist on a CBS network show in 1965 and has appeared with several symphony orchestras.

Myhre's Sunday program will include: Mozart's Sonata in B-flat, K. 333; and music by Brahms. Minor will play Eugene Bozza's "Improvisation and Caprice," and Lawson Lunde's Sonata, part five "Allegro marcato." The two musicians will perform together in three numbers for piano and saxophone.

EMORY R. BAXTER HEADS CROSSROADS REHABILITATION CENTER

Emory R. Baxter of Indianapolis and 1450 East Shore Drive, Culver, was selected president of Crossroads Rehabilitation Center, Inc. at a meeting held Monday, June 19, at the Center, 3242 Sutherland Ave., Indianapolis.

Baxter is president of the Baxter Foundation, a trustee of the YMCA, and a member of the board of governors of Riley Hospital. He is a past president of the

advisory committee of the Marion County Juvenile Court. Baxter is a member of the Kiwanis Club and the Maxinkuckee Country Club. He served as an Air Force Colonel during World War II.

TO ATTEND HIGH SCHOOL LATIN INSTITUTE AT I. U.

Bonnie Albert, Route 2, Culver, is one of 100 high school sophomores and juniors who will attend one of two High School Latin Institutes to be held at Indiana University June 25-July 1 and July 9-15.

The major purposes of the Institutes will be to introduce the students to the University, and to the study of the classics within the University, stated Dr. Edwin Ramage, I.U. associate professor of classics, and Institute director.

The participants will attend classes and faculty lectures on Latin, Greek, archaeology, history, and teaching.

On Friday of each week, the students will be guests at a Brown County Playhouse production in Nashville.

The highlight of each Institute will be an address by John W. Snyder, dean of the Junior (Freshman) Division and professor of history, who will speak at the closing Saturday sessions.

DECK KNIT SHIRT

Campus designed this shirt to go first class. It's a wide-wale "Rich Boy" rib knit in cotton. The trim on scoop neck, shoulder, sleeve and bottom set it off on a different tack. And the effect is as sleek and exciting as a good spinnaker run. On the deck, on the dock, on the beach, this shirt will say good things about you.

Film Workshop At Ancilla Domini College

What makes a good film? A special workshop at Ancilla Domini College, Donaldson, will explore this topic Saturday, July 1. Conducted by Sister M. Xavier of the College English Department, "Cinematic Art in Contemporary Society" will investigate the artistry of the film through the medium of the film itself. Each of the six sessions will provide study of a specific area through film projection and discussion. The program will run from 9:30 a.m. to 8 p.m. The various sessions line up as follows:

9:30 a.m. - Creativity in the Image Arts
 11:00 a.m. - Dynamics of Visual Expression
 1:15 p.m. - Screen Media vs. the Printed Word
 2:45 p.m. - Aesthetics of the film
 4:15 p.m. - Rhythm and Mood — Theme and Complexity
 7:15 p.m. - Mass Media in Modern America
 The two final sessions will provide the opportunity to apply the knowledge gained during the earlier four periods.
 The workshop is open to the public at the regular fee of \$2 per registrant.

THE DIMENSIONS OF LIBERTY

THE CHURCH FOR ALL... ALL FOR THE CHURCH
 The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Have you ever taken her measure?
 — from base to torch: 151' 1"
 — from heel to top of head: 111' 1"
 length of hand: 16' 5"
 index finger: 8' 0"
 finger nail: 13" x 10"

But these are the dimensions of a statue only. The dimensions of liberty are greater. And one of these is faith in God! The desire to worship faithfully and freely according to the dictates of one's own conscience inspired the birth of our Nation. And to this day, every hymn, every prayer, every act of reverence and service and sacrifice which flows from our hearts toward God...

Radio Program On "Students And Drugs" To Be Heard Locally

The following statements are by Robert Peel, author and editorial consultant to the Christian Science Church. They are taken from an internationally broadcast radio dialogue on "STUDENTS AND DRUGS," which will be heard locally in two parts, on June 25 and July 2, as part of a series called "The Bible Speaks To You," broadcast over Station WSBT at 9:15 a.m. Sunday.

Drug-taking needs to be looked at in a broader focus -- in terms of the basic issues it involves.

What is man basically? Is he really just a physicochemical organism? Is he a chance configuration of atoms and molecules and genes? Is he just an accidental product of a biological process? And is successful living simply a sort of adjustment to a material environment -- a physical and chemical adjustment?

This is the assumption on which most drug-taking rests.

But drugs deal with surface effects, with symptoms -- not with causes. They don't do anything about basic troubles, which are left to fester beneath the surface. And they cannot bring the sort of peace and satisfaction that comes as we really confront our problems and intelligently solve them.

What about LSD? Some people who have taken LSD say it gave them their deepest religious experience. They are raising important questions that we all need to ask ourselves.

Can religion be reduced to chemistry?

There's a craving for unity in people.

But is man's unity with the rest of the universe the ability of billions of dancing atoms?

That's the sort of experience which people have spoken of who have taken LSD -- a sort of pantheistic absorption in the material universe.

Is this what the New Testament means when it speaks of God, and says, "In Him we live, and move, and have our being?"

One of the central points of Christianity is the immortality of individual identity -- the fact that man is not just a material organism which crumbles into dust and merges with the universe. He derives his existence from the Mind that is God and he has a deathless reality in that Mind.

What about things like intelligence and love, or patience and courage and generosity, honesty -- are all these things merely a matter of chemistry? Or are they qualities of mind and spirit, which must come from a different source?

Atoms can't create intelligence or love out of themselves. And if we conceive of God as the divine

Notice Of Administration

No. 8056

In The Circuit Court of Marshall County, Indiana

NOTICE is hereby given that Blanche Hanna was, on the 21st day of June, 1967 appointed Administratrix of the Estate of Otho Jerraid deceased.

All persons having claims against said Estate, whether or not now due, must file the same in said court, within 6 months from the date of the first publication of this notice or said claims will be forever barred.

Mind, the divine Spirit; then we see that these qualities must ultimately derive from Him.

I have seen this come to people as a concrete experience with far greater force than an LSD trip. The consciousness of man's individual relationship with God, his individual sonship, has come with such power that it has raised them up from material circumstances that had seemed almost crushing.

The effect is to free us from slavery to material conditions -- not to make us dependent on materiality in the form of a drug.

The LSD experience, however mystical, is not comparable in any way with the deep, powerful experience of Christianity, of finding one's real unity with God in a meaningful way that affects all the details of life.

Mrs. Susanne Costello and daughter, Miss Kelly Vickmark, of Hamilton, Mont., were guests from Friday until Wednesday of their aunt, Miss Bess Easterday, and other Culver relatives. Saturday evening Mr. and Mrs. Charles Ferrier entertained at dinner in their honor. Other guests present were Mrs. Clark Ferrier, Miss Bess Easterday, Mr. and Mrs. William Easterday and Mr. and Mrs. James Hopple, Jr. On Sunday Mrs. Clark Ferrier entertained the family group at dinner and they were joined by Mr. and Mrs. Chester Easterday of Logansport. On Tuesday evening they were all dinner guests of Mr. and Mrs. William Easterday.

Little Mary insisted that she be allowed to serve the tea when her mother was entertaining one afternoon. Mother, with crossed fingers, consented. However, she became annoyed by the long delay and asked, "Why did you take so long, child?"

"I couldn't find the tea-strainer," answered Mary.

"Then how did you strain it so well?"

"I used the fly-swatter."

Traffic Laws Concerning Motorcycles

The following excerpts from House Enrolled Act No. 1121 have been provided by the Plymouth Auto License Branch. This is an Act concerning traffic law, in relation to equipment of motorcycles, and equipment of operators and passengers; and prescribing penalties. They will be in force upon the promulgation of all new laws passed by the 1967 General Assembly of the State of Indiana, about July 1.

Section 1. No resident person shall drive or operate a motorcycle on the public streets or highways of state until said driver or operator have secured a regular Operators license from the Bureau of Motor Vehicles of this state.

Section 2. In addition to all other laws and regulations applicable to the driving and operation of motorcycles on the public streets and highways, the following shall also apply:

(a) Not more than one passenger in addition to the operator shall be carried by a motorcycle having only two wheels in contact with the ground or pavement, and no passengers shall be carried in addition to the driver or operator except upon a firmly attached and regular seat designed for passenger use.

(b) No passenger shall be carried on a motorcycle in a position that interferes with the operation or control of the motorcycle or the view of the operator.

(c) No person operating a motorcycle shall carry any packages, bundles or other articles which prevent the operator from keeping both hands on the handle bars.

(d) No person shall drive, operate or ride as a passenger on any motorcycle having two wheels in contact with the ground or pavement in any position other than astride the seat or saddle provided.

(e) Headlamps shall be illuminated at all times when a motorcycle is in operation.

(f) All motor vehicles, including motorcycles, are entitled to the full use of a traffic lane and no vehicle shall be driven or operated in such a manner so as to deprive any other vehicle of the full use of a traffic lane provided that motorcycles may, with the consent of both drivers, be operated not more than two (2) abreast in a single traffic lane.

(g) All other traffic regulations adopted before or after the effective date of this act and all rights and duties inured therefrom which apply to motor vehicles drivers or operators generally, shall apply to the drivers and operators of motorcycles except those which expressly do not apply or which by their nature can have no application.

Section 3. At all times when a motorcycle is being driven or operated on the public streets or highways of this state, the driver and passengers shall:

(a) Wear protective headgear meeting the minimum standards set by the Commissioner of Motor Vehicles.

STROKE

AN often unsuspected cause of mental and physical incapacity is a series of "little strokes."

A stroke occurs when the blood supply to a part of the brain is reduced or completely cut off. This can be caused by a blood clot or by hemorrhage — bleeding from an artery in the brain. When the nerve cells of a part of the brain are deprived of their blood supply, the part of the body controlled by these nerve centers cannot function normally.

"Little strokes" may start when a person is in the 30's or 40's, striking silently at night or passing almost unnoticed as a sudden dizzy spell, a momentary blackout, or just a few moments of confusion. The stroke itself is not severe enough to compel the patient to seek medical aid, but some permanent brain damage remains just the same.

When the symptoms are mild, as they often are, the person may get along fairly well. Surveys show that a sufferer of cerebral vascular disease can get along better in the slower-going farm and small-town areas than in the faster-living city.

The problem of small strokes is one of the most difficult ever tackled by medical science. The most hopeful research approach is that of finding ways to prevent stroke. Science seeks to learn more about how to recognize early symptoms so that treatment can be instituted promptly.

(b) Shall have protective glasses, goggles or transparent face shields in their possession.

Section 4. No motorcycle shall be operated on the public streets or highways by a resident of this state which:

(a) Is equipped with handlebars that rise more than fifteen (15) inches above the level of the driver's seat or saddle, when occupied;

(b) Is not equipped with brakes in good working order on both front and rear wheels;

(c) Is not equipped with foot rests or pegs both operator and passenger and

(d) Is not equipped with lamps and reflectors meeting the standards of the United States Department of Commerce, as amended.

Section 5. No person shall rent, lease, or furnish a motorcycle to any person for use on the public streets and highway who is not regularly licensed to operate a motor vehicle, by the state, if a resident, and by the state of which he is a resident, if a nonresident.

(a) It shall be unlawful for a person to whom a motorcycle is rented, leased or furnished to rent, sublease or otherwise authorize the use of the motorcycle on the streets and highways to any person who is not licensed to operate a vehicle in this state.

(b) It shall be unlawful to rent, lease or furnish any motorcycle that is not in safe operating condition.

MYC NEWS

by Evelyn Harrell

Only a few brave skippers sailed forth on Saturday to challenge the threatening weather and shortly before the ten minute gun, they wished they hadn't when a squall line of wind, rain, thunder, and lightning swept across Maxinkuckee. Wisely, the judges saw the approaching storm in time and Saturday's race was cancelled. Only two skippers were caught on the lake and they spent a few "heart in the throat" minutes before they were able to get their boats to shore.

Saturday Morning saw the Junior Skippers have better luck and seven skippers were able to race their Skylarks and Sailfish in the first race of the Junior Fleet Saturday Series. The first race saw two new skippers present. With the famous names of Muehlhausen and Thomas, these girls are going to work hard to live up to the reputations of the skippers that have gone before them. Steve Speer took up where he left off last season by again winning this season's first Skylark race. But take heart all of you Skylark skippers, it is rumored that Steve is going to camp this summer and won't be competing in the races. A very close race was had between Jeff Michaels and Joannie Schilling for second place and it was almost a photo finish when Jeff crossed the line just a few seconds ahead of Joannie. Christine Muehlhausen in her first race in a Skylark came in fourth. In the sailfish fleet, Allen Moore took a first over Joe Schaub who was second this week. First-time skippers Diane and Susan Thomas came in third.

Junior Fleet Commodore Rupert Esser again extends an invitation to all boys and girls to participate in the activities of the Junior Fleet. Anyone up to 21 years of age can sail his or her Skylark in the Skylark races and any boy or girl who is under 16, is welcome to participate in the Sailfish competition. It is not necessary for them or their parents to be members of the Maxinkuckee Yacht Club in order to race in the Junior Fleet on Saturday morning. All that is required is a desire to sail and to have fun with the other members of the Junior Fleet. Among the social

activities planned for the Junior Fleet members will be a party which is planned for some Saturday in July.

The Sunday race was somewhat delayed until "Sherlock" Hollowell was able to find some volunteers judges to oversee the activities of the senior skippers. After some misgivings the race got off to a smooth start with Bill Furry's "Folly" taking the lead and keeping it until the final gun. He was seriously challenged by Bruce Moore in "Crickett" and Joyce Speer in "Windjammer" but kept his lead around every mark. Joyce had to be content with second this week. Cutter Washburn in "C-Breeze" climbed steadily from 8th at the first mark to take third place ahead of Brother Dave in "Charlee" who finished fourth. Bruce Moore took a fifth in this windy race. Bob Hollowell brought his "Jubilation" out for her season's first race and out-maneuvered Jerry Thomas in Woodtick for sixth place. Jerry was 7th followed by Fritz Muehlhausen in "Minnie" 8th and Rupert Esser's "Tia Mia" in 9th. It's nice to see the Sunday fleet growing larger each week and hope that the other "C" owners will join the competition in upcoming weeks.

Many thanks to Allen Becker, Tom Kniesly, Bruce Moore, and Whip Edington who had the race marchers in position this week. With the new high visibility paint even the senior skippers should be able to spot them easily.

"Notice to ALL SKIPPERS" Before next Sunday's race, please assemble on the Commodore's lawn for an exciting game of "Judge, Judge, who's got the Judge!"
