Chamber Elects Officers For Coming Year

Culver Chamber

The Culver Chamber of Commerce elected officers for the 1968 year at their noon luncheon meeting on Monday, December 4. The meeting was held at the Culver Inn on campus at the Culver Military Academy.

Chosen to head the Chamber for the coming year was Rev. Carl Baker, who will serve as president. Others chosen by the group are: H. W. Fritz, 1st vice-president; Robert Reichley, 2nd vice-president; Dean Overmyer, secretary; Mrs. Norman (Marilyn) Kelly, treasurer; and directors: Jack Spencer, Larry Davis, Ron Tusing and J. D. Howard, M.D. Continuing on the board of directors from previously elected terms are Lt. Col Zeig, Robert Cultice and Wilber Taylor.

The slate, placed in nomination by the nominating committee, was accepted unanimously by the group.

During the business meeting, a report was given by the treasurer concerning the organizations financial status. No secretary's report was given as the secretary could not attend this meeting.

Discussions were made concerning the Christmas Decorations in the business area of Culver. Nothing was added this year with the hopes of making considerable change all at one time instead of small changes each year. The committee in charge of this matter will continually work towards keeping the town as colorful and decorated as nicely at Christmas time as possible.

A discussion on equipping the Chamber of Commerce's office received several good suggestions from the group, but no allocation was made for this matter. The committee in charge will report at the next meeting some costs of equipping the office and decisions will be made after hearing this report.

Several guests were introduced at this meeting and one new member was announced. The membership drive for the 1968 year will begin immediately and the continued growth of the Chamber is hoped for in coming years.

It was announced that the

Chamber was cooperating with the Jaycees on the expense of Santa's visits to Culver on three week ends. The cooperations of the clubs will give Santa plenty of time and treats to see all the kiddies on the three Saturdays and one Friday night.

Dr. J. D. Howard was given a standing round of applause in appreciation for his services as president of the Chamber the past two years. He in turn, offered thanks to all the officers who have served under him as well as to the body of the group, all of which are necessary to keep a Chamber of Commerce active and interested in the community.

Santa Praises Children In Culver

Inclinate weather couldn't dampen the spirit of the young and old alike when Santa Claus made his first appearance in Culver last Saturday afternoon. Here the jolly old fellow leaves his most recent transportation, the fire truck, to take his place at a temporary home in downtown Culver. Assisting the friend of all is, left to right: Harrold Fritz, Don Stubbs and Latham Lawson (partially hidden).

The first happy child in line to talk to Santa Claus Saturday was Lorna Voreis, age 5, daughter of Mr. and Mrs. Loren Voreis, 216 Plymouth Street, Culver. Santa will be back again this Saturday and the following Friday evening and Saturday afternoon. Photos By Lawrence White

Open House To Bid Farewell To Dr. & Mrs. Rosero

The many friends of Dr. and Mrs. M. George Rosero are urged to remember the farewell open-house to be held at the Culver Inn, this Thursday, December 14, 7:00 - 9:00 p.m. Dr. Rosero is moving his practice to Kewanna on January 1.

There will be no cost to those attending the open-house. A short moment of recognition for the Roseros will be held at approximately 8:00. Everyone is welcome and urged to attend.

JOY CLASS TO

MEET DECEMBER 18

The JOY Class of the EUB Church will be held on Monday Dec. 18, in the church social room at 6:30 p.m. The officers will be in charge of the turkey dinner.

In an exclusive interview with Santa Claus, the Culver Citizen learned that even though the day was rainy, 196 eager children came out to greet the jolly man with the white beard.

Santa was very impressed by the turn out and also happy to say that the children of Culver were very well mannered indeed. As everyone knows, he will make note of this when he calls at their homes on Christmas Eve.

Santa would not disclose names but he mentioned that Barbie dolls, toy trucks, walkie talkies, and various games were high on the list of many of his friends. He was also amazed at how much some of them have grown since last Christmas.

He is looking forward to seeing more happy little faces this Saturday, December 16 from 1:00 to 3:00 p.m. when he will again have candy and a small gift for each one.

Santa is quite busy this time of the year but he will return to Culver Friday, Dec. 22 from 5:30 p.m. to 7:30 p.m. and Saturday December 23 from 1:00 to 3:00 p.m.

He would like to thank the fire and police departments and the Chamber of Commerce for helping to make his visit an enjoyable one. He especially wants everyone to know that his administrative assistant, Mr. Dale McKale helped him immeasurably.

Culver Falls To Caston By Six Points 55-49

Culver's Indians lost their Friday night basketball game to Caston by a 55-49 score although the Indians trailed the entire way from the middle of the second quarter on. The bad streak in the second period found Caston overtaking the Indians with a 10 point splurge that erased a 14-13 lead and turned it into a 23-14 advantage for the Caston crew. From this point on, the Indians just couldn't catch up and the game moved to a fast pace in the late stages as the catch-up style of play opened up the play.

It took the Indians just exactly half of the first quarter to get on the scoreboard as the Caston five had picked up on five points in this time, all by Dennis Moss. Stu Lowry hit the Indians first basket on a jump shot and Jeff Krueger followed over a minute later with a lay-in. Moss hit again on a jumper and Ronnie Smith made it 9-4 for the Caston team with another basket before Terry Gentry hit a pair of jumpers to close the gap to 9-8 at the end of the first period.

Jeff Harmon hit first in the second quarter only to have Phil White toss in a jumper. After Chuck Lowe hit his first basket of the night, Lowry canned two

in a row to boost the Indians to the lead 14-13. It was here that the roof fell in. Moss continued to be the main cog in the attack for Caston. He hit a jumper to hand the lead to Caston, and after a pair of free shots by Harmon, Moss hit three shots in a row within a minute's period for a 23-14 lead. Lowry converted two free throw attempts to end the first half scoring after a drought of over four and a half minutes.

The lead was trimmed to five points, 25-20, shortly after the second half began, but it was short-lived as the Caston team moved ahead by as much as 11 after that. They maintained an advantage of 36-29 at the end of the third period and in the final quarter, both teams opened up to spice the action. After half the quarter had expired, Caston led by 15, 49-33, but the Indians began fighting back to set the final score of 55-49, the closest they had been all quarter.

Moss Hits 25

Moss finished the night with 25 points in this game as he converted an even dozen baskets and a single free throw. Harmon gave him double figure help with 13 points. Lowry's and Overmyer's 10 paced the losing Indians.

B Team Drops Close One

The B Team lost a squeaker to the Caston reserves by a 45-43 margin in an exciting preliminary game.

BEWARE!

Beware of ruining the happiest holiday season of the year.

Christmas time can be just this, but also many hearts are heavy each year at this time just by people ruining it by the letting of tragedy into the lives of families at Christmas time.

In the past week or so, the weather has been bad to say the least. The extreme high humidity has caused some very foggy nights and days and made driving a real hazard. Maybe this situation is over, but it is December and much more bad weather is in store. This puts that tremendous burden of hazardous driving on every person that gets behind the wheel of a car. Driving habits are different in the winter as roads can suddenly turn against you at any time and place in this season.

What could be worse than a tragic accident taking lives of loved ones at Christmas time. The suddenness of an accident is always hard to take, but interrupting the gala Christmas season with such a tragedy has to be more heartbreaking than at any other time of the year.

We call ourselves the greatest country in the world, but

in many ways can display the poorest judgment of anyone. A situation such as we have in Vietnam is tragic. . . a war for nothing as many put it, but still the losses that are lost in an effort to control the growth of Communism are minor in number to the losses we bring on ourselves on the nation's highways.

Last year Indiana and the nation set new records in the annual slaughter on the highways. This year figures for the state started well behind last year's record slaughter, but now have pulled within one of the figure of last year through this past week end. Once again over 1500 Hoosiers will become statistics. In the nation the figure will pass 50,000. This is a most ridiculous figure that we can control with just common sense and obeying of the traffic laws.

Quoting statistics can be a most boring story, but the message they give can be a most effective tale. Highway accidents are still basically the result of one problem . . . the problem that sets behind the wheel of the four-wheeled lethal weapons that set in our garages and driveways. Treat them as such.

Masons Elect New Officers

At a stated meeting on Thursday, December 7, officers for the Henry H. Culver Lodge #617 F & A M were elected.

Officers for the next term were as follows: E. Kemp, Worshipful Master; James D. Bonine, Senior Warden; Verlin K. Shaffer, Junior Warden; Jud T. Stinchcomb, Treas.; Harry D. Winkler, Sec.; R. Larry Berger, Senior Deacon; Melvin E. Thomas, Junior Deacon; Cloyde B. Miller, Chaplain; Robert E. Butler Senior Steward; David H. Gaskill, Junior Steward; Elbert W. Graham, Tyler; Russell L. Easterday, Trustee for three year term.

The meeting was preceded by the annual sausage and pancake supper.

Public installation for the new officers will be held on Thursday, December 28, after a dinner at the Methodist Church at 6:00 p.m.

WE WOULD LIKE YOU TO MEET . . .

A hobby is defined as an interest that absorbs one's spare time, but we believe that Col. J. T. Stinchcomb has one that goes far beyond this description. In his basement, Col. Stinchcomb has a complete workshop where he turns semi-precious rocks into jewelry of great beauty.

Col. Stinchcomb has had many hobbies throughout the years including wood working, cabinet making, plastics, photography, ceramics, leather craft, and now lapidary. He modestly says that having a degree from Ohio U. in Industrial arts and later studying arts and ceramics at Ohio State make all these endeavors easy for him. Natural talent should get some credit too.

It was on a trip with Mrs. Stinchcomb to California after he retired from CMA in 1957 that he noticed and really became interested in stones.

There are many machines in his workshop, all electrically driven. One slabs the rocks into

the desired thickness one, cuts the slabs into the shape needed for a particular mounting, and another for grinding the stone into a more refined form. After this there are other machines that sand them to perfection and finally one that puts the polish on the stones to bring out its full beauty.

Col. Stinchcomb has been persuaded to exhibit and sell some of his jewelry at "The Little House" and it is there that we first saw his lovely earring, cuff links, pendants and belt buckles. In these he used Wyoming jade, tiger eye, gree malachite, rhodonite, Mexican crazy lace and goldstone to name a few. He has also made the beautiful leather belts to compliment his buckles. As if this weren't enough, the plastic racks that display his earrings were also made by this gentleman of unlimited imagination.

Col. Stinchcomb maintains that he is not a perfectionist but it is obvious that he takes great pride in his work and it shows in every piece that we saw.

Culver Community School Board

Approval of Additional Appropriations was contained in a resolution adopted by the board of School Trustees of Culver Community Schools Corporation at their meeting last week. The resolution for added appropriations included payment of \$2,200 loads.

Approval of specifications for the purchase of two buses was obtained and the Notice to Bidders will be activated immediately.

The codification of school policy will be developed in a policy manual to be studied on a preliminary basis for final approval. This will update a manual developed three years ago. It is expected that the preliminary work will be completed within the next month.

In other action, the Board unanimously approved policy of gym rental to outside groups in which a charge of \$15.00, plus \$5.00 for custodian assistance, is made.

Conference requests of Principal John Hayes and band director Charles Byfield were approved.

Inclement weather has hindered progress on the construction of the new high school building. Masonry work on a section of the east wall, gym and a damaged wall area in Section A have been slowed by the weather.

Considerable discussion of the roof was aired. Floors remain to be poured in the auditorium and other areas of Section A.

The drainage tile ditch from State Road 17 to the school site has been started, and letters of intent have been filed with successful firms in the bidding for fixed equipment.

Pilfering on busses, November 23rd, was reported, with first aid kits and fire extinguishers having been removed. The incident involving five busses has been reported to police and the insurance company.

Mrs. Lloyd Summe, Rochester, is serving as a supply teacher for Dorothy Huff, Latin teacher at Monterey-Culver, who was injured in an automobile accident on November 30, 1967.

Mr. Herman Faulstich is assisting in the custodial work at Monterey for R. Ray Burch who suffered a broken leg on November 26, 1967.

Mrs. Barbara Rager, Plymouth, is serving in the Culver Elementary School in the absence of Mrs. Rust, who is ill.

DEATHS

Mrs. Clara A. Hewes
Mrs. Clara A. Hewes, 86, 821 Lake Shore Drive, Culver passed away early Friday morning in her sleep of an apparent heart attack. She had not been previously ill.

She was born February 12, 1881 at Eagle, Wisconsin, to John and Ellen (Crowley) Lane. She had lived in Culver since 1912 and was a member of St. Mary-of-the-Lake Catholic Church.

She was married in 1912 at Eagle, Wisconsin, to Arthur J. Hewes, who preceded her in death in 1962.

Surviving are two sons, Bernard A. Hewes, Louisville, Kentucky, Robert L. Hewes, South Bend, two daughters, Mrs. Helen Glassley, Fort Wayne, Miss Frances Hewes, South Bend, one

sister, Miss Katherine Lane, Eagle, Wisconsin, three grandchildren and two great-grandchildren.

Funeral services were held at 10 a.m. Monday at St. Mary-of-the Lake Catholic Church with the pastor, Father Joseph A. Lenk officiating. Burial was made in the Culver Masonic Cemetery. The Easterday-Bonnie Funeral Home, Culver, was in charge of arrangements, where the Rosary was recited at 8 p.m. Sunday.

Mrs. Frank Tyner

Services for Mrs. Frank (Josephine) Tyner, 87, Wabash were conducted at 2 p.m. Wednesday at the funeral home at Wabash. Burial was at Culver Masonic Cemetery. Mrs. Tyner died Saturday afternoon in the hospital at Wabash, following an extended illness.

The daughter of Mr. and Mrs. William Listenberger, she resided at Culver until she moved to Wabash a number of years ago.

Survivors include one daughter, Mrs. Edna Rish, Wabash; one son, Lewis Tyner, Neenah, Wis.; seven grandchildren; five great-grandchildren; and two sisters, Mrs. Noah Wagoner and Mrs. Ira Kline, both of Culver.

William Hampton

William Hampton, 83, 1901 Copenhaver Dr., Indianapolis, Ind., passed away at 7:00 a.m. Thursday Dec. 7, 1967 at the Methodist Hospital in Indianapolis following a two-week illness.

He was born March 22, 1884 at Franklin, Ky. He lived in Culver for many years before moving to Indianapolis in 1966. He was a caterer and a member of the St. Mary's of the Lake Catholic Church.

He was married Jan. 1911 to Edna Grant. She preceded him in death in 1960. Surviving is one son, William A. Hampton of Indianapolis and three grandchildren.

Funeral services were held at 10:00 a.m. Saturday Dec. 9, at the St. Mary's of the Lake Church with Father Joseph Lenk officiating. Burial followed in the Culver Masonic Cemetery.

The Easterday-Bonnie Funeral Home, where the rosary was recited at 8:00 p.m. Friday, was in charge of the arrangements.

Loyal Women's Class Meets

The Loyal Women's Class of the United Church of Christ met in the social rooms of the church on Friday afternoon, Dec. 8. Mrs. Della May, Mrs. Anton Cihak and Mrs. L. Wagenknecht were the hostesses.

The president, Mrs. Bruce Ogden, Sr., opened the meeting with a Christmas selection from the Upper Room and conducted the business.

Mrs. May read in story form Luke 2 in three parts; 1. Bethlehem, followed by the song, "Away in the Manger." 2. The Shepherds and the song, "O Little Town of Bethlehem." 3. The manger and the song, "Hark the Herald Angels Sing," closing that part with the song, "Silent Night."

Mrs. Cihak read, "The Gift of the heart," by Norman Vincent Peale, and "The Pattern of Love." Mrs. May read, "A Long Time Ago," by Dr. A. B. Jackson.

The social hour followed with refreshments from Christmas decorated tables. All but four of the members of the class were present. Mrs. Kessler was a guest.

James Tabor Is Member Of All-Star Band

James Tabor, son of Mr. and Mrs. William Tabor, was selected as one of thirty-one high school bandmen named to an all-star band that played at Purdue at Purdue University's 10th annual stage band clinic Saturday, Dec. 9.

James is a member of Culver High School Band and plays the tenor saxophone.

Chosen out of almost 400 musicians registered for the clinic, the select group represented 15 high schools across Indiana.

The group had final auditions in Loeb Playhouse then rehearsed for an hour under guest clinician Dave Baker, professor of jazz at Indiana University.

In afternoon sessions, Baker directed the band in playing newly published arrangements of popular music.

Taking turns with the group in the demonstration concert was Purdue's 18-piece Variety Band, directed by Prof. Roger C. Heath. Heath, who is assistant director of Purdue bands, served as clinic chairman.

In addition to the all-star group, demonstration concerts were played Saturday morning by stage from three other high schools -- East Chicago Washington, Seymour and Turkey Run.

CRESCENT CLASS TO HOLD CHRISTMAS PARTY

The Crescent Class of the Grace United Church will hold a Christmas pot luck at 6:00 p.m. Wednesday, Dec. 20 in the social rooms of the Church. There will also be a gift exchange after the dinner.

Culver Public Library News

Major and Mrs. L. J. Stone have generously given several books to the library.

Librarian, Jane Scruggs, announces the following rules to be in effect regarding the rental of the film projector and the use of films:

The library is to have at least two days notice in advance when the projector is to be rented.

The rent charge is on a 24 hour basis and any fraction of the 24 hour period counts as 24 hours.

Persons who run the projector must be approved by the librarian or library board, or must hire one of the projectionists approved by the librarian or library board.

Any films kept past date due will require overdues of 50c per day unless other arrangements are made with the librarian.

For any damage to film or projector an appropriate fine must be paid, which will be determined by the library board.

Any breaks or damage to films while in use should be reported at the receiving desk when films are returned. DO NOT use scotch tape on the films at any time, if mending is needed before returning the film, please use the masking tape furnished in the lid of each reel.

Films available for month of December:

1. ABRAHAM LINCOLN -53-c-Sketches a sweeping picture of Lincoln's life from his youth in Kentucky and Indiana, through a manhood of leadership of Illinois, to President of the United States during the Civil War. (Francis Raymond Line)

2. ALLEN IS MY BROTHER-11-c- Allen indulges in several pranks which demand mother's attention. His sister finds helping can be fun after reluctantly accepting her duties of taking care of Allen. (Churchill)

3. AUTO-BIOGRAPHY -27-b&w- The story of the development of the horseless carriage from the days when Henry Ford tried out his Model T at night so the scotters wouldn't see, to today when electronically-controlled highways are within the foreseeable future. (McGraw-Hill)

4. CASCADE MOUNTAINS -20-c- The Cascade range is used as a sample of mountain formation, of sedimentation and uplift, of volcanic flows and eruption, and of water, wind, and glacial erosion. Authentic mountain sounds provide a natural background for the peaks and valleys, streams and glaciers seen on the screen. (Martin Moyer)

5. DANGEROUS RIVER -16-c- A party from the Smithsonian Institution explores the Big Horn River in Wyoming and Montana, to study the wild life, Indiana relics, and shooting the rapids. (Bailey Films)

6. GANDHI -27-b&w- This film is the story of the man who devoted his life to making India a free nation, the man who advocated the doctrine of non-violence, the man whose final victory was tempered with defeat. (McGraw-Hill)

7. THE GENERAL -27-b&w- Made in 1927, this is considered by film historians to be the last truly classic comedy of the silent era. A one-man show--it was directed by as well as starring Buster Keaton -- it is a spoof on Civil War espionage, combining some spectacular war action with Keaton's celebrated dry wit. (Sterling)

8. GREECE-THE NEW AGE -17-c- Greece, past and present, is highlighted in this study of a modern nation shown against the backdrop of its own rich history when Greece was unrivaled in intellectual accomplishments. (United World Films)

9. GREENWICH VILLAGE SUNDAY -13-c- Though somewhat removed in time from the day of the Indians and the separate Colonial Village it once was, Greenwich Village in New York City is still "a happy hunting ground," a place of the spirit. For more than fifty years it has been home and studio to nonconformist artists, writers, actors. Bohemian, beat or just plain citizen, the Village is dear to its loyal residents. (Contemporary)

10. HOLIDAY HIGHLANDS -14-c-s- A U.S. family is shown asking questions on tourist attractions and as they receive answers the film shows pictures of

each region of Ontario mentioned. (Loaned by Canadian Travel Film Library)

11. LETTER FROM ALASKA-20-c- Opens with a trip up the Alaska Highway, showing schools, the economy, geography, climate, and people of Alaska. Shows Mt. McKinley, the Katmai volcanic area, the tundra, glaciers. (Northern Films)

12. MICHELANGELO AND HIS ART -16-c- Michelangelo Buonarroti was one of the greatest artists of the Italian Renaissance. Through skillful use of close-ups and careful selection of camera angles, the film reveals details of Michelangelo's architecture, sculpture and painting much as a highly trained guide would do if he were conducting a tour. (Coronet)

American Legion Holds Annual Christmas Party

The American Legion Auxiliary W.A. Fleet Post 103, held its annual Christmas party Wednesday evening Dec. 6 at the Post home. A carry-in dinner was enjoyed by members, guests and six Gold Star Mothers who were special guests.

The post home was beautifully decorated in keeping with the holidays by the committee, Mrs. Emerson-Cabeil, Mrs. Hazel Bishop and Mrs. Dorothy Beck. Mrs. Jack Taylor was in charge of the kitchen and Mrs. Daniel Bicker and Gretchen were in

charge of table favors and gifts. Following the dinner, Mrs. Alice McCarthy, president, reported that boxes had been sent to Vietnam service men and Mrs. Ellen Poppe reported that the Auxiliary had sent a Christmas box to their adopted girl at the Knightstown Home.

A Christmas musical program was presented by Mrs. Russell Flora, Mrs. Larry Welsh, Miss Linda Hudson and Miss Pamela Welsh and consisted of several vocal and guitar numbers. Mrs. Chauncey Lennen gave a Christmas reading entitled, "The Ragged Cloak," and accompanied the group in singing Christmas Carols.

The remainder of the evening was spent playing games with prizes being awarded. The January meeting will be with Mrs. Orville Phelps.

DEATHS

Miss Belinda Kay Galloway of Elkhart and James Michael Carter of Culver were united in marriage at 6:30 p.m. Nov. 22 in the First Church of Christ, Elkhart. Rev. W. W. Hall officiated.

The bride is the daughter of E. J. Galloway, 805 Lusher Ave., and the bridegroom is the son of Mr. and Mrs. Shirley L. Carter, 2121 Joan Dr., Niles, Michigan.

Mrs. Jack Rider, of Osceola, sister of the bride, was matron of honor. Dennis Jones of Michigan City was best man, and seating the guests were Jack A. Rider of Osceola, brother-in-law of the bride, and Robert Carter of Bloomington, brother of the bridegroom. Flower girl was Terry Baird of Elkhart, cousin of the bride, and ring bearer was Jeffery Scott Carter, of Niles, brother of the bridegroom.

The bride wore a gown of Peru taffeta, fashioned with fitted bodice, scoop neckline and elbow-length sleeves. The circular cummerbund joined the bell-shaped skirt. The entire gown was overlaid with Chantilly lace and sequin and pearl shells. It had a detachable train.

The matron of honor wore a floor-length gown of shocking pink silk chiffon, with a scoop neck, elbow-length sleeves, A-line skirt, empire bodice and Watteau train. The flower girl wore a similar gown of lighter pink and they wore matching headpieces of tiered veiling.

A reception was held in the home of the bride's father. The newlyweds are residing at the R. and J. Apartments in Culver. The bride attended Elkhart High School. The bridegroom was graduated from Culver High School, attended Purdue University and was graduated from Manchester College. He is a teacher in the Culver Community School system. His grandmother, Mrs. Goldie Hinkle, is a resident of Culver, and his parents were former residents of Culver.

THE SCHOOLBELL

PUBLISHED WEEKLY BY THE PRESS CLUB OF CULVER HIGH SCHOOL

Keep this under your tepee, but did you know that...

Chuck Beck forgot to take his tennis shoes to Rochester. He almost had to wrestle barefoot (Indian style).

Geeta Linda Fisher, what's this we hear that you had a little trouble getting organized at the Pep Club Practice. Well we all know that coordination strikes every 3 seconds and maybe it will come your way someday.

Hey Kitty L. how do you like Gary's new car.

Rex shouldn't be so rough, his opponents may get hurt, he may also get a few points.

Was Charlie Osborn really the one to win in wrestling against Rochester?

Certain 69'ers find spinning pennies, nickles, and dimes a fascinating pastime. Dave B. is open for any challengers, just be at the drugstore at the right time.

The 69 dollar question for this week is --Is it "Poor" or "Pud". The Tomahawks say "Pud" but Steve says "Poood". Who Knows?

Our friends from across the river seem to have a special friend on this side. Norma is very friendly!! Ask her!

It seems the upper classmen are having mass regression and the 'Tissue Tots', the 'Crayola Kids', and the 'Kindergarten Dropouts', are taking over. One thing though, the posters look pretty good for little kids.

We see the Juniors have received their Junior rings. We have to admit they are neater than the Seniors even though they are an "Impractical purchase".

Would someone please tell Marcia what a Brownie point is? Hey Jimmy B., what did you

say you did to Mrs. Hughes? You locked her out of the Reading Room and she wouldn't let you go to the pep session. Mrs. Hughes, you shouldn't be so hard on poor Jim.

Hey Corky, where did you get that newspaper article you were passing around? Did you say 'Dear Abby'?

Ana was the subject of an experiment in Psychology class. When asked the first thing that jumped into her mind when Mr. Waxman said "kiss", she immediately said Terry!

It seems Debbie T. has made up a new word! It has a very good meaning too. For more information ask Debbie.

Well Ana and Sazi, we hear you had a great time at IU, including getting lost!! Well you can't win 'em all.

... now remember, don't tell anyone else in the tribe, 'cause it's a big secret! Sh---

Christmas Around The World

By Margaret Ruhnow and Virginia Thews

Felices Pascuas! Zaliz Kerstfeist! Frachliche Weihnachten! Buon Natale! are a few of the many ways that Merry Christmas is said around the world. The following are some of the ways in which these countries celebrate a "Merry Christmas".

SOUTH AMERICA

In South America the weather is warm at Christmas time and the ice stalls along the streets are kept busy selling iced drinks to refresh Christmas shoppers. Most of the Christmas customs are of Spanish origin. The chief observance of Christmas is in the churches. When the bells begin to chime at midnight on Christmas Eve, people drop to their knees wherever they are. At the last stroke of twelve they turn to their nearest neighbor and wish him "Nochebuena".

BRAZIL

In Brazil Santa Claus is known as Papa Noel and is believed to come through the window to fill the children's shoes with gifts. On January 6th, South American children leave water and hay outside the door to refresh the three Wise Men.

MEXICO

In Mexico Christmas is celebrated from December 16 to January 6. There is dancing and singing. There is dancing and singing. There are flowers in great numbers, pampas, plumes to decorate the homes and churches, and the ever-popular pinatas.

The Mexicans commemorate the journey of Mary and Joseph from Nazareth to Bethlehem in the pasada. Nine families start out on December 16 and go to a different home on each of the following nine nights. The pasada consists of forming a procession and going from room to room in the house. A boy and girl carrying the figures of Joseph and Mary lead the procession, and at each door beg to be admitted, but are refused. At the last room however, they are allowed to enter. There a miniature stable has been erected. The figures of Joseph and Mary are then placed in the stable, but the manger remains empty, until the ninth night, which is Christmas Eve. Then the figure of Jesus Christ is placed in the manger while all sing thanks that the Lord has come. Children in Mexico receive their gifts on Epiphany, January 6, instead of Christmas Day.

ASIA

In China the boys and girls of Christian families know Santa Claus as Dun Che Lao Ren (Christmas Old man). They hang up large stockings for him to fill. In Japan there is a little god know Hoteiosho. Though not of Christian origin, he resembles Santa Claus in that he

carries a pack of toys on his back. If Japanese children are not good, Hoteiosho will know it, for he is said to have eyes in the back of his head.

IRAN AND IRAQ

In Iran, Christmas is known as the Little Feast as opposed to Easter, the Bib Feast. It is kept as a religious holiday only. In Iraq, on Christmas Eve a ceremony is held in the courtyards of Christian homes. While one person reads the story of the Nativity, a bonfire of thorns is lighted. Hymns are sung and when the thorns are finished burning everyone jumps over the ashes three for good luck.

GREAT BRITAIN

In Great Britain children hang their stockings by the fireplace hoping that Father Christmas will fill them with Christmas treats. The day after Christmas they call Boxing Day in which they give money to the milkman, postman, and others who served them throughout the year.

FRANCE

In France, Children put their shoes on the doorstep on Christmas Eve so that Le Petit Noel (The Christ Child) can fill them with gifts.

GERMANY

In Germany, some people have Christmas trees. They decorate these with lights and candy. On Christmas gathers for the Bescherung (ceremony to light the Christmas tree.). Afterwards, the children receive their gifts.

SWITZERLAND

In Switzerland the young people visit fountains on their way to the midnight church services on Christmas Eve. They take three sips of water from each fountain. A legend says that if they do this they will find their future husband or wife waiting at the door of the church.

NETHERLANDS, BELGIUM AND LUXEMBOURG

People exchange gifts on December sixth, St. Nicholas' Day. A man dressed as a saint questions the children on their behavior throughout the year and promises to return during the night with gifts for the children. December 25 is a purely religious holiday for these people.

HANS

Going into another week of predictions, I finally realize that many local teams are trying to ruin my beautiful percentage, and are succeeding! That Culver over Judson game was unbelievable, but North Liberty over Plymouth was fantastic. As for this weekend, I've got to do better. (At least that's what the Boss says.) To improve my 22-8 record I'll start by picking Friday's games.

John Glenn over Culver in a fairly close one; Rochester knocks Warsaw; Plymouth's Pilgrims will go Ron hunting, and catch a few (Bremen Lions that is); Winamac should win over Western; South Central will kill New Carlisle; North Miami over Pioneer; Knox over Portage; Argos should down Milford; LaVille could find happiness in Wakarusa; and Triton will overpower Mentone.

On Saturday, mighty Triton will hand the poor Indians a terrible setback; Plymouth will exterminate five of North Judson's Blue jays; Winamac will down North White (could go either way); Central will teach LaSalle a few things; Bremen will down Argos; LaVille should have a happy weekend by also downing S.B. Jackson; and high-scoring Akdron will outscore Mentone.

See you at the games!

SPIRIT

By Susie Donnelly

The spirit that has been shown by the student body in making posters in support of the basketball team has been outstanding; however, there is more to a school than sports itself. No one thinks twice about throwing a candy wrapper in the hall, sticking a wad of bubble gum under a chair, or carving his initials on a desk. After all, it's the thing to do --or is it? The only things these immature actions show is the stupidly and laziness of the person who commits them. They show lack of respect for the school and all the students who attend it. It is time that we, the student body, begin demonstrating spirit and respect for our school.

Winter Concert

By Linda Reinhold and Nancy Nelson

On Sunday, December 10, at 2:30 p.m. the Senior Band, directed by Mr. Charles Byfield, and the High School Choir along with the 7th and 8th grade music classes, directed by Mrs. Ann Bigley, presented the annual Winter Concert.

The High School Choir and the 8th grade girls started the program with a song entitled, "Lonely Birth". The 7th grade music class then sang "African Noel" with Bob Taber playing the drums. The boys' chorus sang "Deck the Halls, "Gloria", "Alleluia", "My Sheep Were Grazing", and "Lo, How a Rose", were sung by the High School Choir. In the number "My Sheep Were Grazing", Doug Hartz, Ed Kozlowski, Steve Overmyer, and Karen Banks were featured in an antiphonal choir. Pam Welsh then sang a soprano solo called, "Cantique De Noel". "Twas the Night Before Christmas" was sung by the High School Choir and the entire group then closed its part of the program by singing two numbers entitled, "And The Bells Rang," and "Do You Hear What I Hear?"

The Senior Band then presented their half of the concert, starting with "Everything's Coming Up Roses". Then, moving to a more serious type of music they played "Cortege and Fanfare". To change the mood of the music once again, James Taber, student director, directed "Ceremonial for Band". "Streets of Athens" was next, followed by "Spirit of Christmas," containing such songs as "Pat-a-pan", "Joy to the World", and "Away in the Manger", which was directed by the other student director, Corky Overmyer. A Latin American song, "Latina" and Christmas March" closed the concert.

Rochester Top Indian Wrestlers

Culver's inexperienced crew of wrestlers traveled to Rochester for their first outing where they met with defeat last Thursday, Dec. 5. The Zebras captured 11 of 12 matches; eight by pin, two by decision and one by forfeit, to top the Culver matmen 51-3.

Summary:
 95 lb: Barts, R; pinned Schrimsher, C; 19.
 103 lb: Osborn, C; decision R. Burkett, R; 11-5.
 112 lb: Jones, R; pinned Mackey, C; 2:15.
 120 lb: Garver, R; pinned Bennett, C; 2:18.
 127 lb: B. Burkett, R; pinned Hodges, C; 2:14.
 133 lb: Gentry, R; pinned Edgington, C; 2:49.
 139 lb: Partridge, R; decision R. Schrimsher, C; 14-12.
 145 lb: Rhoads, R; pinned Beck C; 1:14.
 151 lb: Cinther, R; decision Hays, C; 12-9.
 165 lb: Geube, R; pinned Krieg, C; 1:18.
 180 lb: Cox, R; pinned Miller, C; 1:21.
 Heavy: Lowell Thompson, R; won by forfeit.

STEP AHEAD

The successful man makes hay from the grass that grows under his competitor's feet.

Junior High Basketball

By Perry White

November 20th the Junior High teams met Oregon-Davis on the local hardwood. The seventh grade, coached by Mr. Wolfe, started the evening off right with a 32 to 29 victory. Mel Thomas led all Culver scorers with 9 points. The big gun for O.D. was Nable, also with 9 points. The eighth graders, coached by Mr. Hooley, finished the night off on a good note with a one-two punch of 16 and 13 points respectively. The high scorer for O.D. was Hadden with 14.

On November 27 the Junior High traveled across town to play C.M.A. The seventh graders found no trouble in their match, winning with a lopsided score of 41-10. Ronnie King led the Culver scorers with 7 points and Overstreet had 8 for C.M.A. The eighth graders added another game to their win column with a 50 to 39 score. Stu Manchester again led the Culver scorers with 18, but Stapleton of C.M.A. took game honors with 26.

A week later the Junior High had a rematch with C.M.A. only on the home floor. For some peculiar reason the Academy did not have a 7th grade team this time. However, Coach Wolfe divided his team into white and black with the black team winning 33 to 25. The Culver eighth graders again proved their superiority by literally trouncing C.M.A. 58 to 28. Mikesell took scoring honors with 19 and teammate Manchester chipped in with 11. Stapleton led C.M.A.'s scorers with 18, but with 13 of these in the last quarter against substitutes.

At the present the seventh grad's record stands at 4-1 with the 8th grade also having a 4-1 record. Each team has absorbed its loss from the Urey Jr. High in Tyner. If the present rate continues, I think that fans at CHS can look forward to many

successful seasons in the new high school.

Indian Players Are Polled On Pep Block

This week I took a poll of the basketball players opinion of this year's pep block. Here are some of their replies:

Stu L. — You couldn't help but hear them against Judson, but they seem to disintegrate at away games.

Jack L. — They sound really great, but I wish they wouldn't throw paper wads on the floor!

Gary D. — They were louder than ever before and look what happened--we won!!

Dave B. — I hear them when we play at home.

Rich S. — It's plenty loud, but it could be more organized with less screaming. There could be more fans at the away games. ing. There could be more fans at th away games.

Kerry H. — They support the team well at home game, but lack in sportsmanship, and 3/4 of them don't show up at away games.

Craig G. They are pretty good. They help to support the team.

Bill L. — They're OK I guess. They could be louder--especially at away games.

Corky O. — Great Gobs of Gobbledygook - sounds terrific -- especially when we win!

Tom O. — If they would yell all the time like they do when we're real close it would be great. Saturday they almost knocked me out when we were going for a jump ball.

Terry G. — I hope they are half as great as last year's.

Brian L. — As compared to what?

TIP TO MOTORISTS

Be cautious at school crossings—give our children their right-of-way to a long life.

ARTHRITIS-RHEUMATISM

When it seems that nothing will give you relief from minor arthritic or rheumatic pains, get 100 STANBACK TABLETS or 50 STANBACK POWDERS and use as directed. Experience the fast, comforting, temporary relief Stanback can give you. If you fail to get relief, return the unused part and your purchase price will be refunded. CULVER COOKERY

This week's recipe was given to us by Miss Margaret Swanson. With Christmas baking now in progress, this old fashioned Swedish cookie should add a delightful aroma to the kitchens of Culver.

Old Fashioned Pepparkakor

Sift together
3½ cups sifted flour
1 teaspoon soda
1½ teaspoon ginger
1½ teaspoon cinnamon
1 teaspoon cloves
¼ teaspoon ground cardamom

Cream
½ cup butter and ¾ cup sugar

Add
1 unbeaten egg
¾ cup light molasses or Karo syrup
2 teaspoon grated orange rind; beat well.

Stir in the dry ingredients gradually, mixing until blended. Cover. Chill overnight. (Dough may be used in small amounts; will keep 1 week).

Roll out on well-floured surface, one-third at a time, to ¼ inch thickness. Cut into shapes with cookie cutters. Place on greased baking sheets. Decorate with colored sugar or blanched almond. Bake in moderate oven (375°) 8 to 18 minutes.

Dear Santa,

I hope you think I have been a good girl. I would like for Christmas a Baby Hungry, dishes, doll cradle, new stove, cowgirl suit size 6x and boots and hat.

We will leave you a treat.

Love,
Lorna Voreis

Dear Santa,

I am 5 years old and I have been a good boy, sometimes. I would like to have a View Master and a fire-truck.

My sister Beverly is 2½ and she was good too. She would like to have a building set and a tricycle.

We don't have a chimney but Mom will let you in the door. Mom wrote this because I don't know how.

Love,
David Quivey

An Open Heart

"Today if ye will hear his voice, harden not your hearts."
— Psalms 95:7-8

We approach the Christmas holiday. It is a season when joy seems to touch almost every human heart. It is difficult to resist.

There are so many traditional things associated with Christmas that it becomes for most of us a memorable occasion. A familiar carol reminds of a Christmas long ago. A card brings a message from an old friend we had almost forgotten. A dear relative makes a surprise visit.

Do not, amid all the trappings of the season, fail to find time to open up your heart to the message of the Christmas. Think not about this Christmas or that Christmas. Think — and remember — why we have a Christmas observance at all.

Tri Kappa Has Christmas Party In Culver

Candles and Christmas trees greeted the members of Tri Kappa as they arrived at the home of Mrs. Donald Faulkner for their Christmas Party and meeting, Monday, Dec. 11.

During the business meeting arrangements were made to provide Christmas cheer for our mental patient at Beatty Memorial and for several local people.

Mrs. Richard Edwards and Mrs. Fred Adams sang a medley of little known carols after which the whole group joined in singing traditional Christmas songs. Readings depicting the various aspects of Christmas were given by Mrs. Robert Reichley and Mrs. Addison Craig.

Then - in came Santa!!!

(anonymous) A hilarious Santa conducted the gift exchange from his easy chair near the tree trimmed with Scandinavian type ornaments.

Delicious refreshments were served from a holiday table resplendent with angels and candles.

Assisting the hostess were Mrs. Clarence Bair, Mrs. Jack Spencer, Mrs. James McAllister, and Mrs. Robert Rust.

The program was arranged by Mrs. Richard Edwards, Mrs. Robert Reichley, and Mrs. Edward Schultz.

THANKS

Rochester Drops Indians 71-56 Saturday Night

Rochester's Zebras overcame an early Culver lead and zipped on to a 71-56 victory over Culver Saturday night. This loss, the second in two nights for the Indians, was their sixth of the season in seven games.

The game had quite a contrast in the two halves. In the first half, scoring was much slower as the action was a little more deliberate in an effort to get the good shots. However, the second half found the scoring and the play fast as the two clubs really opened up their attacks.

Culver jumped ahead at the start. Stu Lowry hit a jump shot and a minute later the Zebras tied the score with a lay-in by Dave Lloyd. Corky Overmyer hit next and Terry Gentry followed with the Indians' third basket of the night. A free shot by big Roy Simpson and another lay-in by the small Lloyd, made it 6-5 only to have the Indians come back with another pair of baskets by Phil White.

The lead was kept at five after Simpson tipped in a basket and Gentry hit another jumper. But, with 2:39 showing on the clock in this initial period, the Rochester attack began to work on the early Culver lead. Jim Carroll hit a free throw and Muro Martens got a tip-in. A free shot by Mike Meiser was followed by a jumper by Simpson with 44 seconds left in the period to give Rochester the lead 13-12.

The Indians never led again although they tied the score in the first minute of the second stanza. Carroll hit a jump shot, but this was matched by White. A charity shot by Carroll was followed by a tip-in by Kerry Haenes and the score was knotted at 16. Carroll and Lloyd then hit jumpers and the Zebras were never headed thereafter. The Indians stay-

ed within two points most of the period only to have a quick five point splurge by the Fulton County five pull to a 29-22 lead at halftime.

The second half found Rochester hitting five more points in succession, three from the foul line, as they pulled to a 34-22 lead and were on their way. They totaled 21 in the quarter to the Indians 14 to move safely ahead. From here on out, it was just a matter of time as the two teams spiced the action with a free scoring final stanza on the way to the 71-56 final score.

Meiser, Carrol Lead Attack
Mike Meiser and Jim Carroll paced the winners with 22 and 21 points respectively while Lowry and White had 14 and 12 in that order for the Indians.

B Team Loses
The B Team lost their second game in two nights by the identical score of 45-43. It took the Rochester B's an extra period to collect the win as they won in an overtime period.

GUIDANCE

No amount of learning can make up for the lack of training that any home can give.

Young Hiroshima Victim Inspires World Peace

There are many moving stories of man's struggle for peace, but none is more inspiring that that of a small group of Japanese children, known as the Folded Crane Club.

It all began with Sadako Sasaki who was only 2 years old when The Bomb fell a mile from her home in Hiroshima. She was not hurt at the time, and as she grew up, she seemed a normal healthy child. Then in 1954, she developed signs of leukemia and before a year had elapsed, she died.

The legend which now retells Sadako's last days, relates a brave young heart that greeted her classmates with joy when they came to visit her in the hospital. She spent the time in between visitors making paper cranes.

It is a Japanese folk belief that the crane can live for 1,000 years; and if you fold 1,000 paper cranes, they will protect you from illness. Sadako had faith in the cranes and she spent her last months trying to fold the required paper cranes. But time ran out for this courageous little girl and when she died in October, 1955 she had completed only 964.

Sadako's friends made the remaining cranes and forming them into a wreath they were placed at rest with her. It could have ended there, but it didn't, for Sadako's classmates were

determined to have a monument erected in her remembrance and to remind the world what an atomic bomb can do to the young.

It was a long hard struggle to raise the money, for money was still scarce in Japan in those days. But with the help of their teacher and a great deal of effort, finally in 1958 a monument was constructed and placed in Peace Park.

Having achieved their first goal, her classmates decided to stay together as a group and formed the Folded Crane Club. The original purpose of the club, which still meets today, is to help the poor and ill among the bomb survivors. They visit the hospitals, hold memorial services for the children who have died and print a weekly newspaper of their activities.

Over the years younger children have joined the Folded Crane Club and although they have no memory of the bombing, they are inspired by Sadako's legend and the altruistic activities of the group.

In recent years, the group has added still another aim to its activities, that of a plea for peace. Its members have worked indefatigably in the cause of peace, writing letters to the heads of state and the United Nations. It is their hope that if the world knows what the first nuclear bomb did to the children of their city, there will never be another dropped anywhere.

Relish For Holiday Dinners

Throughout the holiday season, the all-American cranberry is sauced and relished by just about everyone. Here's a sprightly variation taken from the cranberry theme that will keep your menus from being tedious, and will also find favor with the family. Flavor is stepped up with Jell-O Lemon Gelatin and horse-radish, making this jellied relish a pleasing serve-along with roast beef as well as turkey.

Jellied Cranberry Relish

- 1 package (3 oz.) lemon flavor gelatin
- 1/3 cup sugar
- 1 cup boiling water
- 1 cup cold water*
- 2 cups fresh cranberries, ground
- 2 to 3 teaspoons prepared horse-radish

*For quicker setting of gelatin, use crushed ice and water to make 1 cup.

Dissolve gelatin and sugar in boiling water. Add cold water. Chill until slightly thickened. Blend in cranberries and horse-radish. Pour into a 1-quart mold or individual molds. Chill until firm. Unmold. If desired, garnish with additional whole cranberries and watercress. Makes about 12 servings.

Pre-Game Brunch

by Betty Crocker

Since brunch hours are anytime between ten and one, it's perfect timing for the football fans. To give your table the gridiron spirit, use a football as centerpiece on a bed of green cellophane grass. With linens that match the team colors. And for the ladies — pompon mums as favors, to be worn later at the game. Now for the food, a hearty menu. Scrambled eggs, of course — with small bowls of grated cheese, sautéed mushrooms and chopped green pepper for guests to choose as garnish. And from your oven, hot and luscious Cherry-Nut Rolls from my recipe below.

- Scrambled Eggs
- Canadian Bacon or Ham Slices
- Cherry-Nut Rolls
- Coffee Milk

Ruby Delight: Strawberry-rhubarb sauce spooned into frosty sherbet glasses. Garnish with pineapple chunk slit so that it sits over rim of glass.

CHERRY-NUT ROLLS

- 1/2 cup butter
- 1/2 cup brown sugar (packed)
- 1/4 cup chopped or slivered almonds
- 12 candied cherries
- 1 package active dry yeast
- 3/4 cup warm water (105 to 115°)
- 2 1/2 cups Bisquick
- 2 tablespoons butter
- 1/4 cup brown sugar (packed)
- 1/4 cup chopped candied cherries

Mix 1/2 cup butter, 1/2 cup brown sugar, the almonds; divide among 12 large muffin cups. Add cherry to each. Dissolve yeast in warm water. Mix in Bisquick. Beat vigorously. Turn onto lightly floured cloth-covered board. Knead until smooth, about 20 times. Roll dough into an oblong, 16 x 9 inches. Spread with 2 tablespoons butter, 1/4 cup brown sugar and the chopped cherries. Roll up as for jelly roll, beginning at wide side. Seal well by pinching edges. Cut into 12 slices. Place in prepared muffin cups. Cover. Let rise in warm place (85°) about 1 hour. Heat oven to 400°. Bake 15 minutes. Invert pan immediately on rack. Serve warm. Makes 12.

Serve lots of hot coffee — before, during and after brunch. And why not fill a few thermos jugs to go along to the game. There's a thoughtful hostess.

MONTEREY SCHOOL NEWS

By Cathy Long

What are all the whispers going around Monterey High School? The pupils of Monterey High had class meetings Friday, December 1, and drew names for the annual Christmas program. Following class meetings the Pep Club members were excused to go to the gymnasium where a short pep session was held.

School was dismissed at the regular time.

The students of Monterey High received their report cards Wednesday, December 6. A special bell rang at 3:20 and the students went to their home rooms where the cards were distributed. Some of the remarks heard the next day were as follows: "Well, I guess I'm going to be grounded

for the next six weeks!

"Oh no! My mom will flip!" "Can't win them all!" and "Boy am I proud of my Chemistry grade."

Demonstration Given By GM

By Karla Hoover

The students of Monterey High School were guests for an amazing demonstration of progress given by two representatives of General Motors. The students saw rubber synthesized by mixing a clear and colored chemical in a bottle. After some shaking, out popped a grey blob of rubber. Other demonstration showed the importance of seat belts and uses of gyroscopes (a wheel or disk mounted to spin rapidly about its axis).

The students were fascinated with the demonstration given on air friction. A man was elevated from the floor on a platform underneath which a thin cushion of air was created.

Can cars run on sunlight? Well, one of the representatives had a miniature car with cells on the hood and when light was shone on the car, it moved.

Truely, much progress has been made in the U.S. today.

News Tips From The Monterey Public Library

The library has many lovely Christmas displays made by Mrs. Carol Eskridge of the library staff. The downtown window has a display depicting, "Christmas Magic." This display shows some of the materials available at the library other than books just for reading pleasure, such as books on crafts made from materials found at home and a little imagination.

Mrs. Claire Zehner, librarian, together with several neighboring librarians from Winamac, Kewanna, Royal Center and Rochester attended the bi-monthly meeting of the Northern Indiana Administrators at the Auburn Public Library on Wednesday. These meetings are designed around an informal get-together where librarians from the Northern part of Indiana discuss problems, policies, etc. The next meeting is scheduled for the 14th of February at Warsaw.

The staff of the library has received an invitation to the Christmas Tea from the Monterey Junior - Senior Home Economics class, on Dec. 14 at the Monterey High School.

ON THE BALL

Be alert and aggressive — stumbling blocks for one man are stepping stones for another.

HEAVEN FORBID

It has been suggested that Good intentions wind up and we pay off the national debt and alarm clock, but it still take let all future generations spend all the willpower a man can muster to get out of the sack.

BATTLE FATIGUE

YULE LOG CEREMONY SCANDINAVIAN

One of the most warm and glowing ceremonies of Christmas is the log ceremony, which is of Scandinavian origin.

In ancient times, mammoth logs, often with roots attached, were used for the solstice (the name by which the celebration is known). They were blessed and burned with a prayer that they would forever bring light, warmth and comfort to them. The ritual seems to have been associated with the legendary Tree of the Universe, a giant tree of Norse mythology whose roots united earth, heaven and hell.

The custom was brought to England by the men of the North and eventually yule log became an emblem of Christmas cheer. In olden days, the log was selected months ahead so that it would have time to cure. The largest log available was used, its size limited only by the measurements of the fireplace. It usually required the entire household to drag it in.

Quite often it was studded with greenery.

In some lands, today, the solstice is accompanied by singing of Christmas carols and then is followed by feasting. The feast is quite elaborate and takes days of painstaking preparation. There are many tempting dishes and pastries which are prepared just once a year, especially for this momentous occasion.

log is decorated with flowers and wreaths and anointed with wine before it is put in the fireplace and set ablaze. It was said that this also routed any ghosts in the vicinity.

While the log is burning, it must be watched carefully to see that it does not burn out during the Christmas season. For if it is kept aglow, you are assured of good luck. However, a small part of it must be kept from burning, and this must be guarded well throughout the year, so that it can be used to start the fire the following year.

In many places the ashes of the log are considered to have magical powers of fertility when scattered over the farmland. For this reason the farmers keep the ashes in a safe place and toss them onto their land on New Year's Day. Thus, according to the belief, they are assured of a fine crop that coming summer.
