Culver Jaycees Plan Distinguished Service Award Night January 26

Dave Ulrich, Culver Jaycee chairman of the 1967 Distinguished Service Award Dinner which honors Culver's outstanding citizen of the year, commented that tickets may be obtained now at the Culver City Drug Store or the Culver Hardware and from any Jaycee member. The Culver Inn will be the scene of the dinner activity for Friday, January 26, at 7:30 p.m. Latham Lawson, Jaycee president, added that a menu and final arrangements are being made with Mrs. Polly Paine, Culver Inn manager.

Previous DSA winners have been former police chief Donald Mikesell in 1965 and W. O. Osborn, president of the State Exchange Bank, in 1966. This is the third annual DSA dinner; the Culver Jaycees were organized February 28, 1963 under the sponsorship of the Plymouth Jaycee organization.

Richard Wells, State Superintendent of Public Instruction, will be the keynote speaker.

Mr. Wells was elected to the superintendents post in 1966 on the Republican ticket. The 39-year old educator holds a bachelor of science and master of science degrees from Indiana University, Bloomington. He has also done graduate work at Purdue University, West Lafayette. Mr. Wells' experience includes elementary and secondary classes in government, history and economics. For six years he was chairman of the social studies department at Gary Emerson High School.

He co-authored a book titled, "That Youth Shall Know," and edited a state and local government text, "Who's Who in American Education."

Wells was named vice-president and member of the executive board of ISTA in 1966. He served on the executive board of a second teachers group, Indiana Classroom Teacher's Assn. from 1964 to 1966 and during the same period was President of the

Gary Classroom Teacher's Assn. Mr. Wells recently announced that he will seek a second term, however he might seek the Republican nomination for Governor instead if he became convinced that no announced candidate for the top state post held a genuine interest in public education.

Free Measles Shots Given For Culver Children

Measle vaccine will be made available to the children of the Culver area on Wednesday, Jan. 24, 1968.

Children in the morning kindergarten and pre-school children may receive vaccinations from 9:00 to 11:00 a.m. in the Methodist Church, north door. The afternoon kindergarten and children in grades 1 through 6, may report to the elementary school office from 1:00 to 3:00 p.m. for their vaccinations. Pre-school children may report in the afternoon if not convenient in the morning.

Permission slips will be sent home with the school children on Jan. 16-17, and must be returned by Jan. 24. Pre-school children's parents may give signed permission at the time of vaccination. The vaccinations will be administered by a physician, Dr. M. G. Rosero, who will be assisted by the school nurse, Mrs. Ted Ervin.

The Maxinkuckee Federated Junior Women's Club is sponsoring this community service, implemented by the committee members: Mrs. John Banning, Mrs. Larry Berger, Mrs. Harry LaPlace, and Mrs. James McCombs.

It is hoped that many parents will avail themselves to this important and vital service for their children.

Culver C of C Plans First Meeting Of Year

The first meeting of the year of the Culver Chamber of Commerce will be held in the Bank Lounge at 7:30 p.m., Monday, January 29. This will be a business meeting and all members of the Chamber and others who may be interested are asked to attend. Coffee will be served following the business session.

Banks Report Record High For Operations

W. O. Osborn, President and Chairman of the Board of The State Exchange Bank, with offices at Culver, Plymouth and Argos, Indiana, and the Farmers State Bank, at LaPaz, in an annual report to the stockholders, stated that these banks had recorded a new high for deposits, loans, net operating earning and total assets in 1967.

Combined resources of both banks reached an all-time high of \$55,884,932.77, an increase of \$5,720,074.80 from the previous years.

Loans at The State Exchange Bank, December 30, 1967, were \$24,990,704.05 as compared with \$22,290,148.32 the previous year, for an increase of \$2,685,555.73. For the same period loans at the Farmers State Bank increased from \$5,015,833.13 to \$5,539,601.81 for an increase of \$523,768.68.

Mr. Osborn further reported that he felt the increased services being rendered in the Marshall County area were most appreciated by all customers of The State Exchange Bank and Farmers State Bank and he reported that plans for better services for customers are being made at the present time and will become a reality within the next few months.

The State Exchange Bank is presently installing its first computerized equipment in the form of a Model E-4000 Burroughs computer. Also, expansion of the bookkeeping department and remodeling of several rooms will add to the convenience of the customers and employees at The State Exchange Bank, at Culver. Extension remodeling was completed in the latter part of 1967 and will greatly enhance the efficiency of this department in the form of better insurance facilities for its customers.

With the increased interest that both banks are now permitted to pay, it was Mr. Osborn's opinion that 1968 should become another year of steady growth, not only in deposits, but also in loans they can make to their customers in northern Indiana.

POLICE NEWS

Two Culver boys, age 16 & 17, were arrested and charged with curfew violation. The two youths had been missing from their homes since the previous day. They were turned over to the Marshall County Juvenile Officer who placed them on probation to be at home every night by 9:00 p.m. and not to be together at any time.

Several stary dogs have been picked up recently, and placed in the kennels. Police report they are becoming a nuisance and to retrieve dogs from the kennels, a \$2.00 pound fee plus city tax must be paid. Dogs not claimed within five days will be disposed of.

AUBBEE SENIORS TO HOLD FISH FRY

The seniors from Aubbee High will put on a Fish Fry on the 20th of January from 5:00 p.m. till 8:00 p.m. It will be held in the school gym. Tickets are \$1.25 for adults and 75c for children.

Culver Town Board News

The Town Board of Culver met Monday evening January 15 at the town hall.

Mr. Donald Osborn, president, announced that the board was still in the process of examining each department.

New members of the planning commission are: Esther Powers and George Becker. They will replace Edgar Shaw and Wilfred Craft. Harry Edgington has been suggested as a jurisdictional member. The jurisdictional member must live within 2 miles of the city limit and is appointed by a county judge.

Robert Boswell and Harold Fritz have been appointed to serve on the board of appeals and Peter Trone has been suggested as the jurisdictional member.

The contract for fuel oil for the town of Culver has been awarded to the American Standard Oil Co. and the contract for the gasoline has been awarded to Gordon's Texaco Service.

The Marshall County Lumber Co. has been given the contract to construct a partition in the Culver Town Hall.

Mr. John Downer who is affiliated with the law firm of Kizer and Neu of Plymouth, has been appointed town attorney.

During a discussion concerning the proposed water system Mr. Downer explained that all water will be treated in the future to remove iron and excessive minerals. After the completion of the system there should be no water discoloration. He also made clear that the water would not be softened but chlorine will be added to purify the water.

The Public Service Commission will hold a hearing Monday, Jan. 29 at 9:30 to give approval to establish water rates and to sell bonds on the new proposed water system. All interested parties may appear and be heard.

ESCAPES SERIOUS INJURY IN CRASH

Miss Joyce Morrison, daughter of Mr. and Mrs. Joe Morrison of Culver escaped serious injury last Monday when the car she was driving struck a Plymouth Community School bus. The accident occurred at the intersection of Oak Road and the U.S. bypass. Miss Morrison's car was a total loss and there was \$200 damage to the bus.

Miss Morrison, a teacher at the Bremen Elementary School, suffered cuts, bruises, scrapes and mild shock. She is reported as improving but still confined to Parkview Hospital.

Bi-County Meet To Be Concluded This Saturday

The third annual Bi-County Basketball Tourney will be completed this week after the eight teams of St. Joseph and Marshall counties have been eliminated to one Saturday night. A total of seven varsity games and a B Team tourney finals will be featured for the fans in the La-ville high school gym.

Action is set to start Wednesday night (before most receive their paper) as the two old rivals North Liberty and John Glenn get the play started at 7:00 p.m. E.S.T. This game is to be followed with the host LaVille team and Argos at 8:15. First round play continues Thursday as Culver and Triton meet in game one and Bremen and New Carlisle battle out the second contest.

The semi-final action will begin at 12:30 p.m. E.S.T. Saturday as Wednesday's two winners will be the opponents in the first game with Thursday's winners battling it out in game two. These afternoon winners will then meet for the championship on Saturday at 8:00 p.m. This will follow the B-Team finals at 6:30.

Since the school reorganization has eliminated many schools in the area, the combination of these two counties into one tourney has made a very exciting and profitable tourney for the schools involved. North Liberty was the winner over Triton in the first such meet and last year Bremen topped North Liberty for the title and is now the defending champ.

Thieves Break Into Cardinal Service Station

The Cardinal Service Station, also known as Johnson Tire Service and operated by Robert Miller, was broken into during the night of January 10, 1968, and the safe and two new tires were stolen. The safe, which contained no money, was discovered by a passing motorist on 12th Road near Lake Latona the next morning and had been battered open. The service station was entered by prying the back door open and the safe was pushed to the back and loaded into a vehicle.

Helen Kruyer Given Silver Award

Helen Kruyer, president of Marshall County Rural Youth Club is shown being congratulated by Mr. Carl Eiche of Prairie Farmer. The Silver award was presented during the annual Youth State Day Pro-

gram at Purdue University January 13, 1968. The award is based on an evaluation of the club's organization, education, recreation and community service activities conducted during the past year.

Culver Council Of Churches Appoints Committee To Work With Town Board

Meeting at the Grace Church last Friday night, January 12, the Culver Community Council of Churches received the appointment of a newly established committee to establish communication and cooperation between the Council and the Culver Town Board. Carl Q. Baker, president of the Council, named Mrs. Edward Easterday, Mrs. Merle Crabb and Mrs. E. W. Carter to serve as members of the committee. The Council then requested the committee to investigate the possibility of the Council

providing the finances to present a gift to the town, perhaps by placing new equipment in the Town Park. Action will be taken at the next meeting of the Council on the committee's recommendation.

In other action the Council moved to hold another Youth Night Program for all members of the community's youth groups. The last such event was held at the Methodist Church last month and the Evangelical United Brethren Church was requested to plan the next Youth Night.

BASKETBALL HAS MOVED to one of the highlights of the year, the Bi-County tourney as a tourney such as this is always a thrill for the schools involved. Eight teams, North Liberty, New Carlisle, John Glenn and LaVille, from St. Joseph county and Culver, Triton, Argos and Bremen,

of Marshall county are involved. This playing of the third annual tourney, promises a lot of good high school basketball and thrills galore for the fans who visit the meet at the LaVille high school.

THIS YEAR HAS ONE DIFFERENT ASPECT, THAT BEING NO TEAM

or teams with an outstanding record. The season records to date as well as the competition between the eight schools promises good action. North Liberty and Glenn meet in the opener. A game between these two teams on Friday night found Glenn winning by a 17 point margin, but the Falcons have been a rather hot and cold team this season. A record of 6-4 has found some big scores for and against as Glenn basically is a running team if they are going to get their maximum performance. North Liberty on the other hand, 5-6 for the year, are a much more deliberate team featuring an attack that works for the good shot and puts a lot of stress on defense and a deliberate attack. The Shamrocks have, in Chris ...erson, probably the outstanding player in the tourney and certainly the most valuable to his team. The contrast of styles should decide the outcome. If the Falcons can run, they should win while a slow and more deliberate game should give the edge to the Shamrocks.

LAVILLE AND ARGOS ARE the opponents in the second contest. These two teams have not met in head-to-head competition this season. LaVille is 7-5 for the season as is Argos at this point. LaVille has everyone back from a strong team of last year except one guard. They also have an outstanding player in Carl Herbster and his presence in the line-up makes them a big threat. LaVille has good size under the basket although not exceptional control of the boards. Argos has two players in Keith Hardesty, a 6'4" junior and Greg Overmyer, a 6'2" senior, who can keep up with anyone under the basket and both have proven to be capable of the big scoring game. They also have one fine outside shooter in Steve Warstler, but run a little weak on offense after these three boys.

first game. Culver holds a 50-45 victory over Triton this year as this was one of their two wins in 13 games this year. Culver doesn't feature a strong offense and needs a good defensive effort and the good shots to get the job done. Triton, on the other hand, is one of the more disappointing teams of the area this season. A team that has had something in their favor for several seasons, they have slumped some this season to a 4-9 record. However, a strong schedule accounts for part of their record as is the case with Culver.

THE FINAL FIRST ROUND game pits the defending champ, Bremen, against New Carlisle. Bremen lost most of their team from last season, but has come up with another hard-working outfit led by the very strong Jud Robinette in his junior year. He is probably as hard a competitor as the meet has and when the going is tough is the time he is at his best. The Lions are 6-6. New

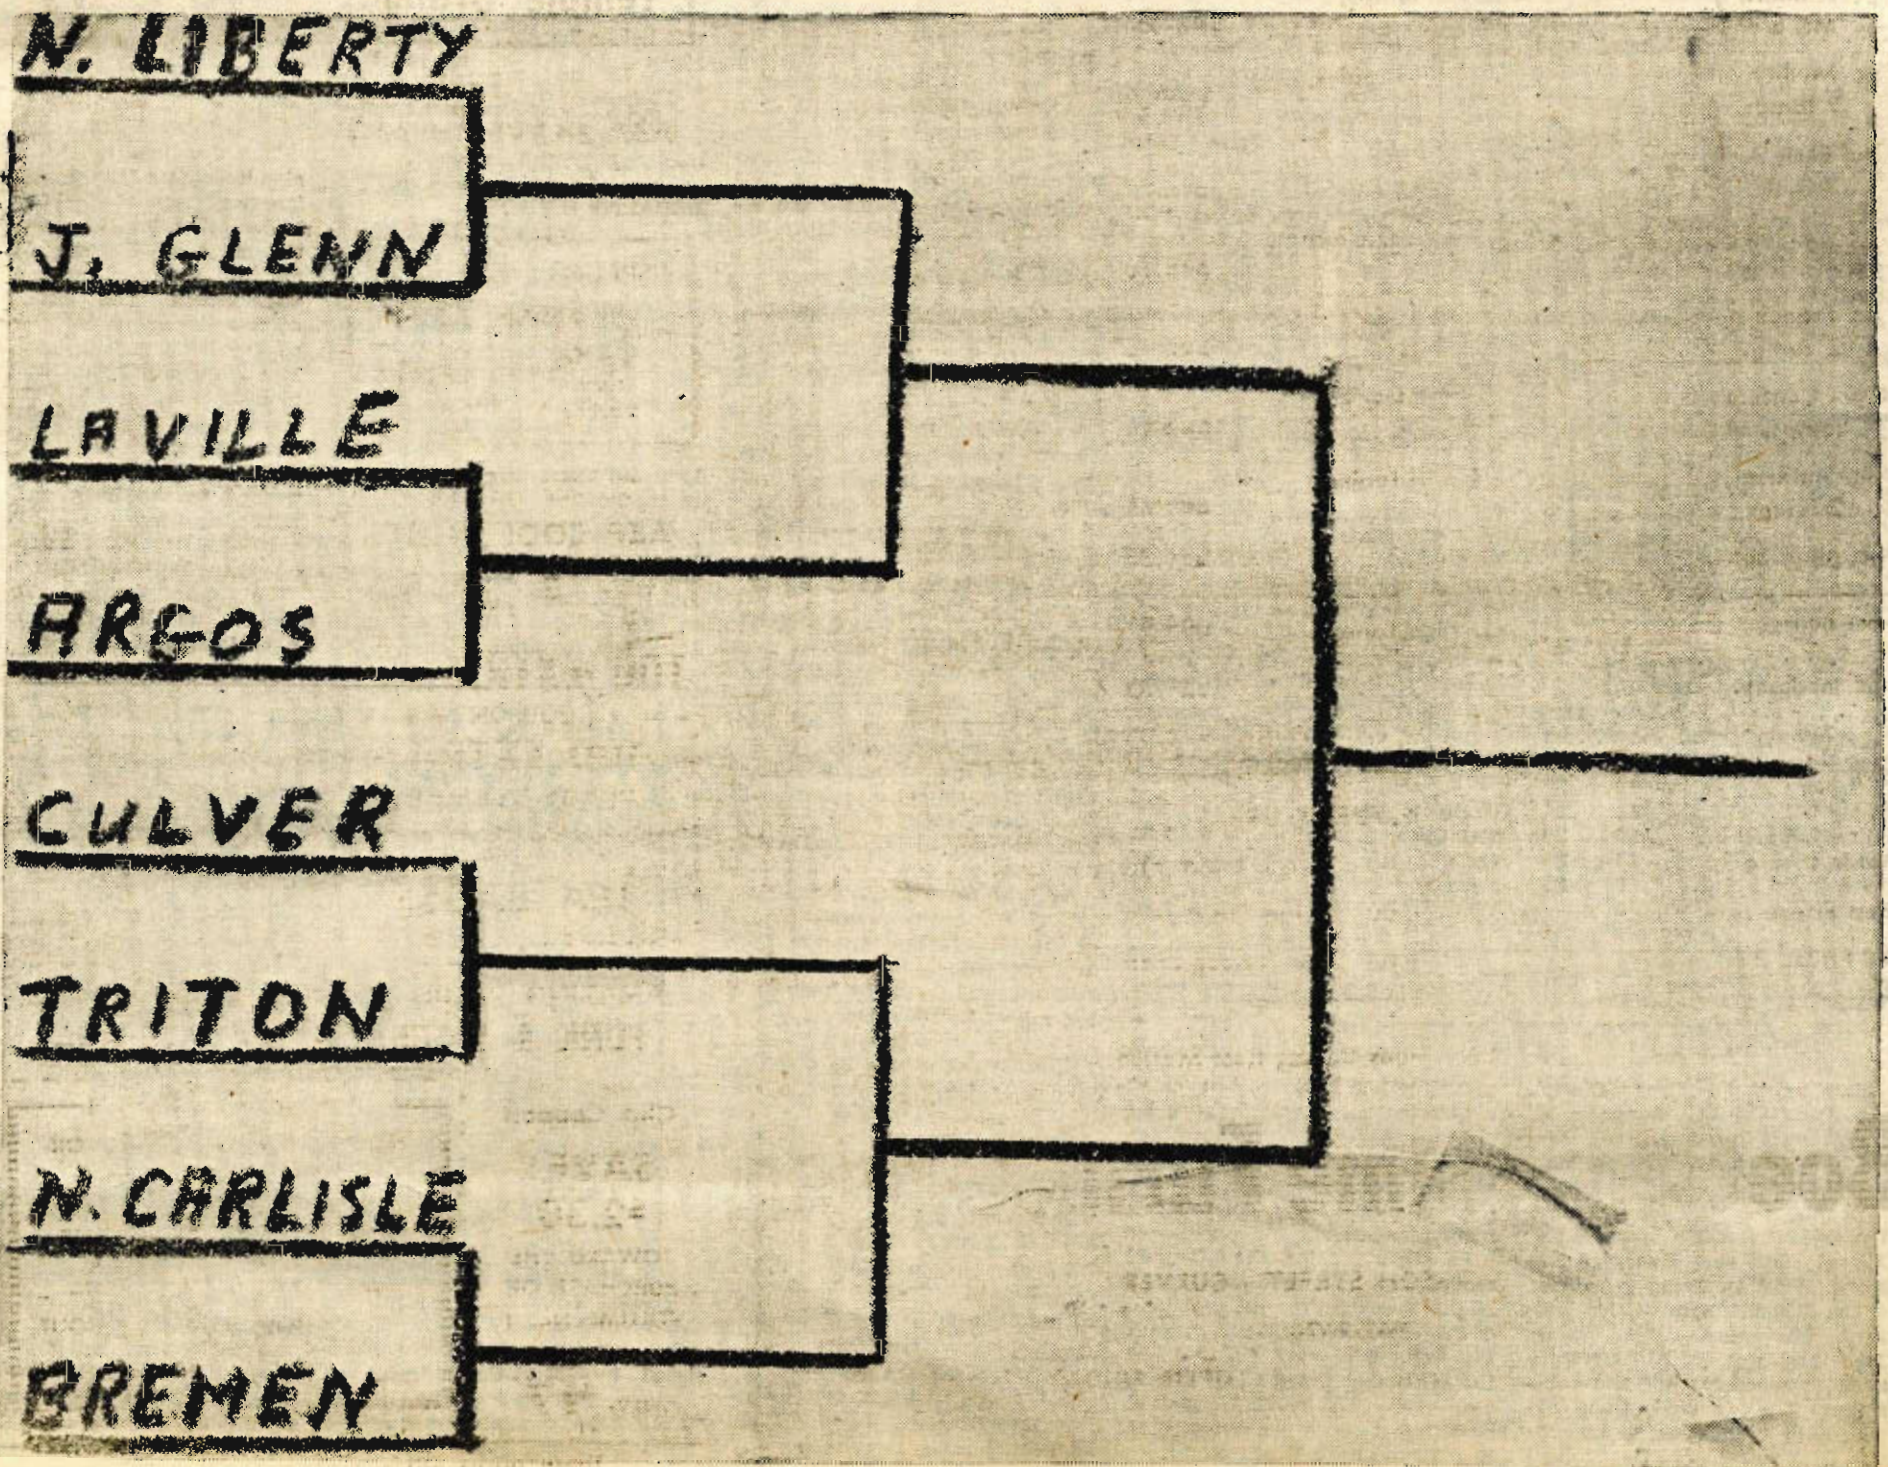

Carlisle is 2-11 for the year, but have lost a lot of close ones and have the Noel brothers, Stan and Jim, who can get a lot of points. Stan proved his ability by hitting 50 in one game this season even though it was a loss. The lack of size and good balanced scoring has hurt New Carlisle.

STUDYING THE RUNDOWN of the teams and the draw, those crazy things called predictions appear like this. LaVille, who entered the final game over the Glenn team, to top Bremen in a rematch of a one-point win earlier in the season. Bremen's entry to Saturday night to come with a win over Triton.

WORKING PARTS Regardless of your walk in this life, smooth running gets you there a lot quicker.

Snow Removal . . . Presents Problem

Every winter one complaint can be heard somewhere around any town . . . That being snow removal. Regardless of just how good a town might do in this respect, someone will be unhappy. This year is no exception and certainly the worst is yet to come.

Snow removal isn't an easy job. To really do the job, a lot of investment must be made in time and equipment. A truck with a blade, a grader, loading equipment and more trucks to haul the snow, all of these are a part of the operation depending on the town involved.

Even with all this, snow removal is hard. Many complain the trucks block the paths they have shoveled from sidewalks to streets, from garages and the driveways to the streets, etc. This is true, but to get the street done this is necessary. Others will complain that their parked car is buried behind the pile left in grading, and once again shoveling is necessary to free it.

Still others will say one street gets better attention than a:

other or they went through someone else's alley but not through ours. Many complain because they can't find parking places near the stores they shop or places of work.

All of these complaints are probably true and justified to a degree. But, a minute's thought should be given to the understanding of such things.

No town, regardless of how large or small is going to do anything other than what they consider the best for the town, not an individual. Many streets are more used than others, a certain few alleys might be a necessary spot to business or an emergency vehicle, parking is always a problem when snow falls and if anyone has devised a way to push snow around quickly without ridges and the piles you see, they haven't yet made it known.

Wintertime is the main time of the year when people should go a "little farther" in courtesy and common sense where vehicles are concerned. A little more effort and kindness extended is something that you may need returned on of these days.

Welcome Back!

We must say welcome back to the "Culver Schoolbell" after a couple of weeks off for the holiday. This column is rather unique and after a couple of months of publishing the "Citizen" we have found this column to be quite a treat and anticipated addition to the paper.

The "Schoolbell" is a good example of the creative ability and keen thought that the stu-

dents come up with as they included stories and thoughts of not just the happenings in school and of incidents involving the students, but some fresh ideas to many subjects.

Whether an adult has children in school or not, the news and views of the high school staffs are interesting and a very welcome addition to the "Citizen."

Voice Of The People

Somewhere in all the hustle and bustle to put out a weekly newspaper, I suddenly realized that we have not taken time to thank you.

I don't care how many people say that no one cares or helps his fellow man, I'll dispute that statement. Since the snow started, the Culver City Rexall Drug store and Gordon Cultice have been keeping the sidewalk clean in front of the Citizen Office. They will never know how much Ruth and I appreciate this especially since I get exhausted just unlocking the front door.

Also, consider the fact that

even though I have called many people to get the local news, not one and I repeat, not one person has been rude or abrupt. I have, as you may have noticed, made a few mistakes, which is just about par for the course for me, but everyone has been understanding and patient.

The different organizations have taken time to furnish us with their calendars of future meetings and special events. I just hope we have all of them now but if you belong to a club that we do not have listed on our calendar, please let us know. Everyone is interested in these things and the more we know about the better.

We would like to have more "letters to the editor" since this, to our way of thinking can be a most interesting part of a newspaper. Most people have a lot to say on many subjects and we would like to hear from you.

I know that Ruth Mackey joins me in saying that the people of Culver and those surrounding areas are about as pleasant as you could hope to find.

Maries Culver Man In Akron Church

Hoffman — Hartz

Seven-branch candelabra decorated the Silver Creek Church of God at Akron where at 2:30 p.m. Jan. 6, Miss Sharon Hoffman, daughter of Mr. and Mrs. Wayne Hoffman of Akron, Ind., became the bride of Hugh Hartz, son of Mr. and Mrs. Alvin Hartz of Culver. The double ring ceremony was performed by Rev. Jim Martin, pastor of the church.

The bride, who was given in marriage by her father, chose a gown of white velvet with an A-line skirt. The bodice had a round neckline with long sleeves which came to bridal points. The detachable train was attached to the shoulder bows. The bride's veil was a forward veil of silk illusion. She carried a cascade bouquet of white roses and wore a double strand of pearls which was a gift of the groom.

Diane Adams, organist provided musical selections and Donna French was soloist.

The matron of honor was Rosemary Bailey and Connie Helvey was bridesmaid. Their turquoise dresses had A-line skirts with round necklines and

short sleeves. They carried one large white mum with streamers.

Mike Cihak of Culver was the best man and ushers were Doug Hartz, Culver and Dennis Helvey and Ron Bailey both of Rochester.

The reception was held in the church basement following the ceremony. Serving were Karen DuBois, Karen Burket and Terry Partridge.

The bride is a graduate of Akron High School and is a receptionist for Indiana Metal Products. The groom is a graduate of Culver High School and is employed by Culver Tool and Die Co.

After a wedding trip to the southern states, the couple are at home in Culver.

CULVER BARR OAK CHURCH OF GOD

The Indiana quarterly Conference of the Church of God was held Saturday, Jan. 13 at the Burr Oak Church of God. About 60 delegates from around the state attended.

COMMUNITY HOME SCHOOL

THE SCHOOLBELL

PUBLISHED WEEKLY BY THE PRESS CLUB OF CULVER HIGH SCHOOL

Happy New Year everyone! Starting out a new year can be fun especially with some of the kids from Culver High.

Go NAVY!!!! Rex and John have a new pastime during the lunch hour. They melt their chocolate candy bars on the radiator.

Hey, "Sweh!" how often are you planning to use your cheer-leading blanket?

PACKERS are INVINCIBLE, a paid announcement.

Speaking of sports, for all the Super Pro people - there really is a Gale Sayers.

We know that Culver has gone really modern this year, but what's this we hear about the French Club going on strike?

Flash! Jerry Lamar got his hair cut in a beauty shop by an appointment even!

It seems that every one has been giving up on geometry lately. Is the work too hard kid-dies?

Carole is wearing an Argos ring these days.

The B-Team did a real nice job at the tourney Monday and Tuesday.

It seems that Barb B. doesn't know yet that chocolate shakes are to drink, not to smear all over LaVillie's washroom floors. Ready Barb!

This is a new year "HI" to all of our faithful Culver fans from far away. Hi Val, Joan and Suzi S.

Congrats to Hank B. He parallel parked between two buses on a hill even! But then I guess he's been practicing quite a bit lately! Oh, he got his license too.

It looks as if this is all for this week - just remember, by now the semester exams are over and there are only 18 more weeks to go before school is out!!

NEWS FLASH..

CHILE VIA U.S.A.

With great joy I have received notice that I have been selected by the International Student Exchange, Inc. to stay for three months in that country so popular here. These are the words of Maria Isabel, Herane, a 15-year-old girl from Santiago, Chile, who will arrive Thursday, Jan. 18. She will stay with the Ray Kline family.

Maria lives in the capitol city of Santiago with her father and mother, younger sister, and brother. In the summer months, she spends her time in Algarrobo, a little village near the sea side about 90 miles out Santiago. This year Maria will be spending only 15 days with her family during her summer vacation for she will then leave her Algarrobo with it's pleasant weather and beautiful scenery to come to Culver, Indiana. Our snow and bitter cold will be quite a contrast to her warm and pleasant Chile, but the excitement of being in America and with warm and friendly people will help her to adjust quickly.

RESPONSIBILITY

Power is not to be regarded as conferring privileges, but imposing serious obligations.

New Years Resolutions

Better late than never, we've decided to ask for New Year's resolutions. The following are some we know will be kept.

Linda Reinhold: To bring my civics grade up! (think I can, Mr. Lawson?)

Carol Kline: I don't make any because I always break them. Praying always works better for me.

Sare Hoesel: With a lot of luck just not getting any more detentions from Mr. Howard.

Nancy Overmyer: To keep my pencil in my mouth during French class.

Norma Davis: To be mean, snobbish, hateful, and disloyal to all my friends (but I never keep my resolutions!)

Richard Snyder: You can't improve perfection, so I resolve to remain perfect.

Karen Banks: To try and raise my history grade and to stop getting zeros for talking in English.

Marilyn Woverton: I resolve to read my History assignment five times every night.

Kerry Haenes-Study-play more basketball -? chase girls and enjoy what life has to offer me.

Steve Thompson: To try and attend school more often and give up on Paula Haenes. (Ha, Ha)

Linda Miller: I resolve to quit pulling loops on Mary Beth's coat and to scream my throat out at the games so I well have an excuse not to answer questions in class.

Janet Helber: Would you believe study harder!

Pam Moran: To love and understand everyone.

Pam Welsh: To read more and study harder.

Ed Koslowski: Not to do anything which doesn't agree with school policy.

Mike Milo: To be myself.

Jack Lucas: Repent (?)

John Krieg: Get a few pins, pass algebra, beat Rex in hockey.

Lynn Mackey: To finish out my senior year as best I can and try and make a good go at it at college.

Margaret Koehler: Not to try and figure out boys anymore. It's hopeless.

Doug Hartz: To get better grades in all my subjects and not to keep New's Year's resolutions!

Bill Liette: Would you believe not to say words like %*#!b† and @te*#&!

Jim Baker: Pass algebra!

HANS

Hey, Baby! Look who's back. It's your ole "Super Predictor." Since it was Bi-County time, I decided to return to Hoosierland and lead you hoop fans through the wilderness to pick the champ. It was a real tough decision this year, but after many hours of deep concentration, I arrived at a conclusion. My choice will probably surprise a few people, but I see LaVillie taking home all the marbles.

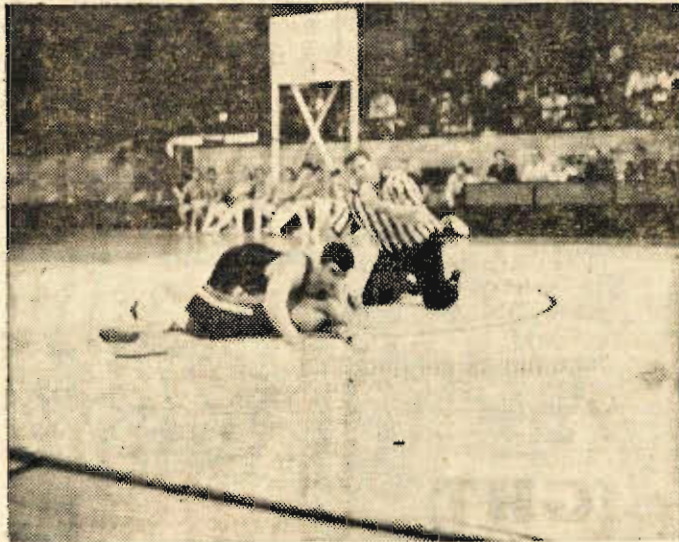

My other predictions include: January 19 - Caston bombing Cass and Rochester whomping North Miami Winamac should scalp the Knox team while North White continues its winning ways over Pioneer. I see LaSalle and Plymouth coming out as victors over Jackson and Wabash respectively.

January 20 - I'll take Mentone over Milford and Plymouth making it two in a row as they beat Knox. In a tough contest, Riley will whip LaSalle.

I have continued to prove my mint as a predictor by out-predicting my northern counterpart with an amazing record of 39 correct picks with only 11 mistakes.

Au revoir, Hans

Culver Wrestlers Lose To Knox B's

On Thursday, January 4, the Culver wrestling team wrestled the Knox "B" Team. It was a close match with Knox squeaking through with a 32 to 25 victory.

Krieg of Culver won his first match of the season by pinning his opponent in 2 minutes and 40 seconds. In the 103 pound class, Osborn of Culver, received a forfeit. This was his fourth victory in as many starts. Abbey of Knox also received a forfeit in the heavy-weight class. In the 114 pound class, Mackey of Culver and Abbey of Knox wrestled to a 33- draw. Mackey needed only three more seconds of control, and he would have received a point and a victory. Steve Thompson, who is undefeated in three matches, got the fastest pin of the night. He pinned his opponent in twenty-six seconds.

Future dates for the wrestling meets are:

Jan. 23 at Pioneer, 7 p.m.

Feb.6 North Judson, 7 p.m.

Feb. 8 at CMA 4 p.m.

The team would like to thank the followers who took time out to come to the meets and appreciate th support they give them.

Box score:

97 lb: Thompson (C) pinned Candill 0:26.

105 lb: Osborn (C) won by forfeit.

114 lb: Mackey (C) draw Abbey 3-3.

122 lb: McFarland (K) pinned Bennett 1:29.

129 lb: Howard (K) pinned Edgington 4:32.

135 lb: Rickey (K) pinned Babchuck 1:36.

140 lb: Schrimsher (C) de-cisioned Slauter 4-2.

147 lb: Pitts (K) pinned Beck 2:58.

156 lb: Blessing (K) pinned Huys 3:46.

167 lb: Krieg (C) pinned Kossnar 2:40.

182 lb. Miller (C) pinned Wallen 2:26.

Heavyweight: R. Abbey won by forfeit.

Final Score: Knox "B" 32, Culver 25.

THE TROUBLEMAKERS

By Linda Miller

Semester exams have arrived, and with them the well-known panic of hours studying material the average student doesn't remember having.

What is the real purpose of exams? Some say exams prove how much you can recall from the first of the semester. But exams don't test this because the student spends time the night before studying some of the details he has forgotten. In this way he shows not what he can recall, but how well he can memorize and take notes. The teachers give chapter tests to learn this.

Others say that semester exams determine whether some students pass or fail a certain course. It has been my experience that my exam grades are

close to my six weeks average. I believe this holds true for most students. Perhaps there are students doing poorly enough that an exam grade would make the difference between passing and failing. In this case the teacher could test those students, and those who have, for instance, at least a C average wouldn't need to take the exams, for even if they faild the exam, he, could pass the course.

Then what is the purpose of exams.

Most colleges ask the perspective student what his grades are and not what he received on his exams.

In advanced schools where there are no grades, only learning levels, semester exams aren't used. Doesn't this prove that they are outdated?

Before the exams students study and cram for four or five subjects every spare moment. They stay up all hours in the morning trying to guess what the teachers will put on the tests and studying those parts.

After the exams the teachers have mountains of papers to grade, and then it's their turn to stay up all hours in the morning trying to get them all graded before report cards come out.

Exams are headaches for everyone concerned, are outdated, and prove very little. Therefore I believe they should be completely done away with.

Nancy Porter Named Co-Ed Correspondant

Miss Nancy Porter, 917 Baker Street, Culver has been named Co-Ed Correspondent for the 1967-68 school year, according to an announcement by Miss Margaret Hauser, editor of Co-Ed, published nationally by Scholastic Magazines, Inc., for home economics students, contains articles on fashion, food, beauty, home furnishing, and fiction.

Nancy, daughter of Mr. and Mrs. Robert Porter, is a junior at Culver High School. She was

elected correspondent by the members of the Home Economics III class.

Selected for qualities of leadership and enthusiasm for home economics, Nancy will serve as junior adviser to Co-Ed editors. Like the other Co-Ed correspondents throughout the United States and Canada, she will keep the editors informed of activities at her high school.

Chemistry Class Visits Eli Lilly Co.

By Lynn Mackey

On Tuesday, Jan. 9 at 6:00 a.m., a class of advanced chemistry students went on a field trip to Eli Lilly and Co. The air was brisk and the sky dark as the 18 students and teacher, Mr. Jerry Wolfe, boarded a partially warm bus, which was driven by John Stricker. We were all excited for we were en route to Indianapolis to tour the plant of Eli Lilly. On the way down, the trip was quite comfortable except for the split of dreadful cold and extreme hot air inside the bus. A few rare necessities were brought along, like the senior English novel, "The Return of the Native"; Gary Davis's hot chocolate and water containers; and Karen Stevenson's mayonnaise and pineapple sandwiches.

About 9:15 we arrived at the plant and were then escorted to an assembly room where we joined another touring group from Muncie. As most people know, Eli Lilly's is an industry which produces, packages, and does research on medicines, pills, and drugs.

The public relations man greeted and then familiarized us with the history and the workings of Eli Lilly's by showing a short film strip. We were then divided into small groups of five and six and were assigned individual guides. Other guides then took over from there by showing us parts of the industry such as the animal research laboratories and the building where insulin for diabetics was made. Our guides explained the various experiments and techniques of the plant. All the groups joined in the assembly room and viewed another film before going to lunch. We were then served a delicious lunch in th main cafeteria. After lunch we were assigned to different guides; and then off we went to learn of more exciting mysteries of the drug world. We saw the making and packaging of pills and medicines; the narcotic division of the plant; and the first, original building. After an exciting and most rewarding day we departed for home.

We, the class, would like to thank Mr. Wolfe, Mr. Stricker, and, of course, the personnel of Eli Lilly's for making possible such a rewarding trip. We hope it will be continued for future classes.

Junior High Basketball

By Dan Spencer and Tom Vondra

The mighty seventh-grade squad took advantage of a three-point lead at half-time to bomb the Argos Dragons 40-23.

Troughout the first half of the game, it looked as if neither team would take a commanding lead as the seventh grade shot a not-so-good 16% from the field. In the second half, however, the seventh grade made 10 of 28 from the field for a good 36%. Time and time again Culver was able to get that vital second and third effort at the basket because of the rebounding advantage. Scoring for the seventh

grade is as follows: Chet Marshall 14, Ronnie King 7, Brian Crosley 6, Keith Beck 4, and Doug Snyder 3.

The eighth-grade team bowed to the towering Dragons 34-36, falling two points short on a 12-point rally in the fourth quarter.

Culver valiantly fought off the Dragons' superior height, losing a three point lead gained in the first quarter and falling back six points during the second and third quarters. The Indians showed their ability to come up from behind in the exciting fourth quarter where the game wasn't really decided when the clock showed only 10 seconds to play. Treber and Jennings dominated the Argos scene with 15 and 13 points respectively. Scoring among the Indians was

more evenly distributed — Doug Mikesell and Isaiah Stokes led Culver with 9 points apiece, Stu Manchester 6, Tim Overmyer 4, John Jewell 3, Bruce Snyder 2, and Steve Crowell 1.

THE SHADOW STRIKES AGAIN!

My victim for this week has the code name of Success.

Success begins his morning in front of the high school office catching up on the latest gossip. After all a lot can happen over night.

First period finds Success participating in the Senior Band. I haven't been able to figure out which instrument he plays as he practices two. It's during this period that Success wakes up. When a scousaphone sits right behind you, you're not likely to be asleep long.

Success gets most of that left-over homework done during second period study hall. It seems that a certain English teacher has been giving an excess of reading, so success is kept very busy.

Third period and Success is a member of the brilliant advanced math class. It's here that he has been learning about all those different relations, relating of course to math.

Physics is his fourth-period class and Success learns here that if it weren't for friction, his hockey puck would travel a lot further with a lot less effort on

his part. He is also getting extremely hungry. Lunch hour finds Success in the cafeteria devouring tons of food and enjoying every bit of it.

Lunch hour ends and Success is now a member of Mr. Lawson's fifth-period civics class. He is learning about communism and the ideas that go along with it. Although he doesn't say much, he sure learns a lot.

What's that funny odor I smell? Oh, it's just Success making soap!!? It seems he ran out during his last shower and had to whip another quick batch. (Although, this crude type of soap would not do wonders for his skin!) Yes, Success surely

enjoys advanced chemistry.

Seventh period has at last arrived. It has surely been a long day, but Success has this last period to go through, and then he will be free once again. Mrs. Kline should consider herself very privileged for Success really looks forward to her English class.

If you haven't figured it out yet, Success just happens to be that great senior, Stuart Lowry.

The reason for the code name of Success is this: a person must be very successful to obtain an honor sweater, and Stuart is the owner of one of those sweaters.

Mary Elizabeth Wolverton, 303 South Ohio St., Culver, Ind., is attending a five day institute on medicare record requirements and other medical record problems in Chicago, Illinois. The institute, which is being held in the Conrad Hilton Hotel, January 15-19 has attracted 103 medical record specialists from 19 states. It is conducted by the American Association of Medical Record Librarians.

Designed to provide intensified instruction in the theory and practices of medical record science, the institute is, in essence, a cram course in "Medicare," "Anatomy and Medical

Japan Theme Of Women's Guild Program

The Women's Guild of the Grace United Church of Christ met Thursday, Jan. 11 in the church social rooms. Mrs. Evert Hoesel presided at the business meeting.

Following the prelude by Judson Dillon, Mrs. Lee Jewell introduced the program, explaining the goals of the evening and read scripture from James 4:1-8. Mrs. Norman Tanksley gave the meditation telling the Thousand Cranes Story, which was followed by prayer led by Mrs. Miller.

The program featured slides on Japan by Sheryl Hohman, who told of her experiences while visiting her friend, Audrey Gilg, missionary worker and student of language in a Japanese university, and while living with the Uchimura family in Japan.

Miss Helen Friesen gave excerpts of culture of Japan including haiku poetry, paintings and flower arrangements.

Mrs. Norman Tanksley was chairman of the hostess committee and serving with her were Mrs. Emil Ruhnnow, Mrs. Cloyd Miller, Mrs. Jesse Overmyer, and Miss Helen Friesen. Mrs. Lee Jewell was general chairman.

The faculty is composed of three M.D.'s, two professors and ten Registered Record Librarians. The latter, both lecture and led discussion groups.

Miss Wolverton is currently employed in the medical record department of Memorial Hospital, South Bend, Ind.

LIVEWIRE 4-H MEETS

On January 15th, the Senior Livewire 4-H Club held an officers' meeting at Bob Ringer's home to plan 4-H meetings for 1968. They are also planning a 4-H Dance for the near future. The next regular meeting will be held on February 26, 1968, at 7:30 p.m., at Phil and Perry White's home. There will be a demonstration by Perry White on electricity.

MAXINKUCKEE 4-H MEETS

By Marla Quivey

The Maxinkuckee 4-H'ers met at the Culver High School on January 10. The 4-H pledge was led by Cathy Stealy, and the pledge to the flag was led by Patty Lowry. The club decided how much to charge for yearly dues, and then Jana McKee led the group in singing, and Patty Lowry and Linda Ringer directed the games.

The next 4-H meeting will be on Jan. 24 at the high school.

MORON, Spain — Sergeant Jerry D. Kimmel, son of Mr. and Mrs. Lester D. Kimmel of R.R. 1, Culver, helped his air rescue organization in Southeast Asia earn the Air Force Outstanding Unit Award.

The 25-year-old administrative specialist, who received numerous awards for his personal achievements, will wear a distinctive service ribbon as a permanent decoration to mark his former affiliation with the 3rd Aerospace Rescue and Recovery Group.

The group, a previous recipient of the Presidential Unit Citation, won the Air Force award for six months meritorious achievement while logging 236 rescues in the combat zone.

Sergeant Kimmel supported the aircrews — whose personnel include some of the decorated heroes of the Vietnam war — that logged 178 "combat saves" during the period and undoubtedly prevented the rescued servicemen from capture or death by the enemy.

The 3rd, headquartered at Tan Son Nhut Air Base, was particularly cited for "adding immeasurably to the morale of combat aircrews in Southeast Asia." Flying HC-130 Hercules aircraft

as command posts, unit personnel operate HH-3 Jolly Green Giant and HH-43 Huskie helicopters over North and South Vietnam, frequently under the most hazardous and dramatic of combat conditions, to evacuate U. S. and allied aircrews and ground forces to safety.

Sergeant Kimmel was assigned at Tan Son Nhut. Now stationed at Moron AB, Spain, he continues as a member of the highly-specialized and world-wide Aerospace Rescue and Recovery Service dedicated to the motto "That Others May Live."

The sergeant is a 1961 graduate of Culver High School.

A minister from a very small church sat up in bed one night when he heard some strange noises and a voice shouted in the dark, "Don't move or I'll shoot, I'm looking for your money." The preacher begged, "Just let me get up and turn on the light and I'll be glad to help you hunt for it."

THANKS
- - - - -

I would like to take this time to thank all my friends and neighbors for the beautiful cards and flowers I received while in the hospital. Thank you all. Most sincerely,

Mrs. Hilda Masten

We wish to express our sincere thanks to all our friends, relatives and neighbors who assisted us during the illness and death of Gertrude Behmer. The many acts of kindnesses, cards and

flowers are greatly appreciated. The Family of Gertrude Behmer

We would like to express our sincere thanks for the expressions of sympathy extended us during the passing of Ethel C. Zechiel. The many acts of kindnesses, cards and flowers were greatly appreciated.

The Family of
Ethel C. Zechiel

I would like to express my thanks to friends, neighbors, relatives, the staff at Parkview Hospital and Dr. Howard. Their cards, flowers, gifts and acts of kindness were greatly appreciated.

Minnie McLane

To all those who were so kind to express their concern for me during a lengthy stay in Parkview Hospital and after my sincere appreciation. Your notes, cards, gifts, and prayers were a source of encouragement, transforming an otherwise bleak experience into one of inspiration and hope.

Rev. H. W. Hohman

We would like to thank our neighbors, friends and relatives for their acts of kindnesses, beautiful flowers, and cards during the death of our beloved husband, father, and grandfather, Guy D. Flossenier.

A special thanks to Rev. Ellsworth Routson, Pallbearers, Easterday-Bonine Funeral Home, Burr Oak Circle and the Com-

munity Ladies Aid for their acts of kindnesses and for all who helped. You shall always be remembered.

Culver Rally Falls Short; Tigers Win 65-61

Free throws gave New Carlisle's Tigers a win over Culver last Friday night as the Indians suffered their 10th defeat in 12 games. From a 56-56 tie with 2:58 left in the game, New Carlisle used free throws to go ahead for the victory. A total of nine in this span accounted for the 65-61 win. In all, the Indians outscored New Carlisle from the floor, but that 15 foot line proved disaster in this contest.

Culver fell behind early in the contest. The teams traded opening baskets by Don Nebelung and Phil White before a lay-in and then two free throws by Jim Noel gave the Tigers a 6-2 lead. The Indians cut this to 7-6 as Jeff Krueger hit a lay-in and Corky Overmyer a jumper with Jim Noel sandwiching his third free shot in between. However, baskets by Stan Noel and then Scott Shuy were followed by another pair of one-pointers by Jim Noel and another basket by Nebelung from under for a 15-6 lead. From here the score went to 17-11 at the end of the first quarter.

The Indians couldn't do much about cutting this lead in the second period as they fell behind once 31-17 before coming back with a late rush to trim the halftime margin to 34-28. A pair of free shots by Terry Gentry cut the lead to four before Stan Noel and White traded free throws as the second half got underway. Jim Noel added one more point, but a jumper by Kerry Haenes made it 36-33. Nebelung hit from under and Stu Lowry tossed in a similar shot. However, free throws entered in the picture strongly again as Jim Noel hit two with Doug Clark adding a basket. After a free shot by Krueger and a jumper by Haenes trimmed it to four again, 42-38, baskets by Shuey, Clark and Shuey again made the lead 10. Lowry hit right at the quarter's end and the Indians trailed by 48-40 heading into the do-or-die final period.

Nebelung hit first on a jump shot but Gentry hit a free throw, Lowry a lay-in on which he was fouled for a three-point play, and then Krueger a lay-in to trim the lead to 50-46. Free throws rally began to hurt at this point. Stan Noel hit a pair followed immediately by another two by Clark. Krueger hit a basket and Stan Noel tossed in what proved to be the Tigers'

final basket on a lay-in with 4:46 remaining to be played. The score was 56-48 at this time.

Indians Hit 8 Straight

Culver fought back to tie the score. Lowry and Gentry hit jumpers to get the ball rolling. Gentry then added two from the charity line and followed this with a jump shot that knotted the score with 2:58 left. Jim Noel was first with a pair of one-pointers and then Shuey hit one of two. He was fouled again and hit a pair for a 61-56 lead before Krueger added two from the 15 foot stripe for the Indians. Shuey made two more and then it was Stan Noel's turn for two from the foul line as only :28 remained on the clock. A jumper by Gentry and one of two free shots by Krueger ended the scoring in the game with the Tigers the victor by four, 65-61.

Scoring Well Balanced

The New Carlisle starting lineup all hit in double figures in this game with Jim Noel's 17 topping the list. Eleven of these were on free throws. Gentry and Lowry each had 17 for the Indians and Krueger chipped in with 13 more.

B Team Wins

The Culver B Team won handily over the New Carlisle reserves as they triumphed by a 44-27 score in the preliminary game.

(PS0794) SAN DIEGO (FHTNC) Jan. 2 — Marine Private Fredrick E. Heise, son of Mr. and Mrs. Edward Heise, Sr. of Rte. 1, Monterey, Ind., was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot here.

He will now undergo from two to four weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

The intensified Marine recruit training emphasizes rigid physical conditioning and survival techniques, both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 rifle and 45-caliber pistol are equally stressed, and close order drill instills the traditions of Marine Corps teamwork.

A thorough study of basic military subjects, hygiene, first aid and sanitation, and the customs, courtesies, history and mission of the Marine Corps serve to polish the new Marine's recruit education and prepare him to join the Marine combat forces.

GRACE UNITED CHURCH ELECTS OFFICERS
The Grace United Church held a congregational meeting Sunday, Jan. 14 and elected the following: Donald Osborn and Larry Lindvall, elders; Robert Rust

and Donald Davis, deacons; Shelton Kaiser and Mrs. Emil Lewis, church board of education; and John Newman, Zion Cemetery trustee.

A pot luck dinner preceded the business meeting.

Organization of the Consistory will take place at a meeting to be held at a later date.

HIBARD CIRCLE MEETS WITH MRS. BEHMER

On Thursday, Jan. 11 the Hibbard Circle met at the home of Mrs. Howard Shock. Mrs. Richard Behmer, president, opened the meeting with a welcome for the New Year.

Mrs. Hemer Albert gave devotions using the theme of New Year's and the use of time. She read selected scripture verses from Job, Psalms Lamentations, Ecclesiastes. She also presented ideas from a newspaper column which pointed out that we won't always be short of time or chained to it. In closing, she read a poem.

Mrs. Behmer read "Our Garden This Year," then conducted the business meeting. Minutes were read and roll call was answered by "What I hope to accomplish this year."

Mrs. Bernard Miller conducted two contests and the hostess

served refreshments assisted by Mrs. Noah Kersey and Mrs. Charles Wynn.

WSCS MEETS

The WSCS of the Culver Methodist Church held their regular meeting Thursday, Jan. 11 in the fellowship hall. Mrs. W. J. MacQuillan opened the meeting by reading New Year's meditations. Mrs. Marshall Brown gave the devotions and read the poem "The Loveliness of the New Year." The program was based on the Indiana Methodist Children's Home at Lebanon. Rev. Carl Baker, who is a member of the board of directors, gave an informative talk and showed slides of the home.

During the business session the WSCS voted to become "property parent" of the home.

Mrs. Otto Warner and Mrs. Marie Long presided at the table during the social hour. The table was attractively decorated with a floral centerpiece. Mrs. George Babcock was chairman of the hostesses and was assisted by Miss Marlene Stubbs, Mrs. Carl Stubbs, Mrs. Hampton Boswell, Miss Rose Vories, Mrs. Robert Ott, Mrs. Chauncey Lennen, Mrs. Charles Faulkner, and Mrs. Leonard Hoffman.

Conscience

"And herein do I exercise myself, to have always a conscience void of offense toward God, and toward men."
— Acts 24:16

Every man has a conscience. Some merely choose to ignore the fact. The words above were spoken by the Apostle Paul, appearing before the governor of Jerusalem on charges of causing disturbances in the temple. Paul believed that he was doing the work for which he had been chosen. He was thusly at peace with his conscience. But, how many of us can say that we are free of an offense against God? Can we say, and have our conscience agree with the statement, that we have not committed an offense against our fellow man — in the conduct of business, in the conduct of social affairs? If we are truly guided by conscience, we have nothing to fear when the day of accounting arrives for us.

SST TEST . . . The swept wing French prototype Concorde, Angle-French SST lies on the maze of test equipment at the Sud-Aviation factory at Toulouse, France, after completing a month's vibration tests. Electrically poised on supple platforms, the aircraft was put through tests recorded by 600 transducers to guard against flutter in flight.

Academy Sports

Culver Military Academy's wrestlers placed second Saturday in their second tournament of the season. The team scored 77 points in the 8-way Penn Invitational Tournament behind the 91 points of champion Mishawaka High School.

LaSalle took third in the tourney with 70 points followed by Clay, Penn, Jackson, Jimtown and Marian of Mishawaka.

Mishawaka grabbed five individual championships compared to the Academy's three. Clay took three and Jackson had one. Culver's winners were Lou Schlotterer, who defeated the fourth-place wrestler in the state at 114, Jack Scharff at 133, and

Roger Bird at 154.

The wreslers, undefeated in regular season matches, face Lafayette Jefferson at home Saturday at 1 p.m.

Saturday was tourney day for the Academy's three basketball teams. The varsity and freshman teams wound up as victors, and the B team were the vanquished.

The varsity rolled up a 95-45 score over White's High School in the preliminary game and a 76-32 score against LaLumiere in the championship game. LaLumiere beat Howe Military School, 57-54 in the afternoon, and Howe beat White's, 77-60 in the consolation game.

Tom Matlock led scoring against Whit's with 17 points, and the team scored 49 percent of its field goal attempts, 59 percent on free throws, and 53-20 rebounds. Mark Bodem topped Culver scoring against LaLumiere with 13 points, and the team made 42 percent of its field goal attempts, one third of its free throws, and 55 rebounds.

The Academy's freshman team has run its undefeated record to six wins with the help of the 4-way tourney Saturday in the town of Culver. The baby Eagles beat Argos, 39-33, in the preliminary game and trounced Oregon-Davis, 42-25, in the championship game.

Culver's junior varsity basketball team came out of the 4-way tourney at Logansport with two losses. The team lost to Huntington, 66-36, and to West Layette, 62-44.

Culver Military Academy's 6-3 basketball Eagles head to Hawken School in Cleveland for a Saturday game; the wrestling team, boasting a 6-0 undefeated record, will participate in the Fort Wayne Invitational Saturday and will meet Valparaiso at home Tuesday at 4 p.m. to extend the streak; and the 4-1 swimming team meets South Bend Jackson at home Thursday at 4:15, travels to St. Joseph, Mich., for a meet with one of Michigan's leading teams, and returns for a home meet against South Bend Riley Monday at 5:15.

The wrestlers beat Lafayetts Jefferson, 32-12, Saturday. They avenged last year's defeat to Jefferson with the resounding thrashing. They scored four pins and four decisions. The junior varsity lost 29-17.

Pins were scored by Gary Mangelsdorf at 95 pounds; Platt Hill, 120; Jack Scharff, 133; and Dan Hoelscher, 180. Lou Schlotterer, 112; Rich Rafes, 145; Roger Bird, 154; and Clyde Killian, 165, scored decisions.

The basketball Eagles lost 84-63 to LaVille, Friday, but rebounded Saturday with a 71-50

win over Academy alumni. LaVille's Warren Vance scored 31 points over the 18 scored by Don Baron, the Academy's leading scorer.

Culver kept up with LaVille until the third quarter, when it fell behind 13 points. The teams kept close in field goal percentages, but Culver's 45 percent at the free throw line dropped far behind LaVille's 85 percent. Culver led rebounds, 41-25. The junior varsity lost 67-42.

Tom Matlock led varsity scoring against the alumni with 16 points, followed by John Crimmin's 15. Alumnus John Teeter kept pace for the alumni with 15 points over Al Scapolitis' 14. The varsity led all the way in the good-natured, but rough, annual bout with the alumni.

The Academy's swimmers beat Penn Township, 61-34, Monday by winning nine of the 11 matches. Hiram Smith, Dave Brown, Tom Jones, and Steve Hawkins won the 160-yard medley relay, and the team of Rich Richmond, Casper Martin, Chuck Conner and Mark Krone won the 400-yard freestyle relay.

Other winners in the Penn match were Mike Schneider, 200-yard freestyle; Bob King, 60-yard freestyle; Rick Richmond, 160-yard individual medley; Paul Krone, diving; Roger Benson, 100-yard butterfly; Mark Krone, 100-yard freestyle; and Steve Swale, 100-yard backstroke.

South Bend John Adams beat the swimmers, 55-40, Thursday.

The Adams team is defending state champion and their team kept Culver to three firsts. Paul Krone was the only individual winner, with a first in diving. The team of Swale, Brown, Curtis and Hawkins won the 160-yard medley relay, and King, Mark Krone, Doug Schaff and Smith won the 4 yard freestyle relay.

The swimmers lost only two events in their 70-24 victory over Mishawaka Tuesday in the Academy poll. These swimmers broke their own records. Mark Krone swam the 60-yard individual medley; and Steve Swale broke the 100-yard backstroke in 1:02.5.

A new Academy team, gymnastics, won its first meet Thursday by beating DeKalb, 80.5 to 72.5. DeKalb, a consolated school near Waterloo, led by two points going into the final event, the still rings, which Culver swept. DeKalb took firsts in floor exercise, trampoline, side horse and tumbling. Culver's Gus Garcia took firsts in the all-around event, still rings and High bar. Mike Curtis took another Culver first in parallel bars. The teams next meet is scheduled for Jan. 26.

The Academy rifle team lost to Howe Military School Saturday, 1255-1232, out of a possible 1500 points.

NOTICE OF HEARING BEFORE PUBLIC SERVICE COMMISSION

Notice is hereby given to the citizens, tax payers and water users of the Town of Culver, Indiana, that said Town did on December 26, 1967, file with the Public Service Commission of Indiana a Petition for approval of the issuance of bonds designated as "Waterworks Revenue Bond of 1968" for the purpose of procuring funds to be used in paying the cost of construction of certain additions, extensions and improvements to the waterworks owned and operated by said Town. Said bonds have been authorized by Ordinance No. 202 adopted by the Board of Trustees of said Town on December 22, 1967, under the provisions of Chapter 155 of the Acts of the

1929, as amended, and will not constitute an indebtedness of the Town in its corporate capacity, but will be payable solely out of the revenues of the municipally owned waterworks of the Town.

Notice is future given that in said Petition the Town of Culver requests the Public Service Commission of Indiana to authorize it to increase the water rates now in effect in said Town in accordance with Ordinance No. 203 adopted by the Board of Trustees on December 22, 1967.

Said Petition will be heard by the Public Service Commission in the office of the Commission, 907 State Office Building, Indianapolis, Indiana, on January 29, 1968, at the hour of 9:30 o'clock a.m. (Eastern Standard Time) and all parties interested may appear and be heard. DATED this 9th day of January, 1968.

South Central Subdues Indians 98-36 Saturday

South Central's Satellites, ranked in the state by AP, certainly blasted into orbit Saturday night as they handed the the Culver Indians a 98-36 licking for their 11 straight win of the season. After piling up a very comfortable lead of 46-24 in the first half, the South Central crew tossed in 25 straight points at the start of the second half to move to a 71-24 lead before Culver could score with 1:51 left in the third period.

South Central, who likes to run and shoot and do a very good job of both, didn't start fast, but once they passed the first stage, their flight was not to be interrupted by anyone. Stu Lowry opened the scoring in the game but Chuck Emerick came back with an outside shot to tie the score. Kerry Haenes hit a jumper for a 4-2 lead and this was just about the last trace of the Satellites that could be copped with this night. The countdown had ended and the flight begun.

Mike Niksch, one of the top scorers in Northern Indiana, hit next on a three-point play. King was next before Lowry hit a free throw. Then it was Niksch first with a basket and then a free throw. Terry Gentry hit a jumper only to have Emerick come back with a jumper shot for SC. Lowry tossed in another basket, but five fast points were followed by Corky Overmyer's jump shot only to have six more quickies pop up on the board. At the end of the quarter it was 26-13.

The Satellites hit the first ten points of the second period and from here on out, it was just a question of time and how much. They moved to the commanding lead of 46-24 by halftime only to have the complete onslaught follow.

Niksch, who incidently is as hard a worker on the basketball floor as you would hope to see, hit 10 of the 25 straight points in the third period avalanche. Opening a lead of 71-24 before Lowry could peg in back-to-back baskets, took everything from the game except the excitement of watching this great scoring machine roll, if that is exciting when you are on the other side of the gym. Leading 76-28 after three quarters, the Satellites had to bomb in three more quick baskets for an 82-28 lead before the reserves took over. They complete the rout as a baskets right at the end put them within the two points of the entry mark.

Niksch His 30

Niksch ended the night with 10 baskets and 10 free shots for 30 points. He had double figure help from three teammates and

in all, 10 boys scored for South Central. Stu Lowry was again the leading Culver scorer with just half, 18, of the Indians 36 points. His eight baskets were all but five score by the Culver team in this game with no other Indian getting more than one fieldgoal.

B Team Loses

The South Central B Team also triumphed with a 54-41 win over the Culver reserve team.

Monterey Defeats Aubbeenaubbee

The friendly rivals, Monterey Fliers and the Aubbee Braves, met for perhaps the last time leaving the Fliers the victors. At the end of the excitingly close game, Saturday, Jan. 6 the score was 86-83. Both teams were handicapped by fouls in the last quarter, but the subs come in and fought to the finish. During most of the game, the score was very close except for once when the Braves scouted ahead and finding the way to be clear, forged on to make a fifteen point lead. But with quick action, speed, and accuracy at foul shots, the Fliers caught up with the Braves; and because the teams were so evenly matched, it was anybody's game.

The fans of both the Fliers and the Braves are sure that next year the two teams, combined with Culver's Indians will have a very good season.

Do not forget Sunday School services each Sunday at 10:00 a.m.

In spite of the small attendance an impressive Epiphany service was held at the local church Sunday evening. The Tree Burning ceremony was held in the field across from the church with the service held in the church. This service was scheduled for Sunday evening Jan. 7, but due to the extreme cold weather and a furnace fan failure, it was postponed. The heavy snow was graded out Sunday afternoon by Eldon Davis in preparation for the Sunday evening service.

The WSCS held their regular meeting Wednesday evening with Mrs. Walter Van Meter with a good attendance. The vice-president, Mrs. Paul E. Winn, presided and the lesson, "Africans Seek a New Identity," was given by Mrs. Robert Kline. The local society will be guests of the Santa Ann ladies Thursday evening, Jan. 18.

Rev. Calvin Daniels was a caller in the Guy Davis home Sunday afternoon. The Rev. and Mrs. Daniels are now residing in Indianapolis during the week while he is completing a course in Hospital Chaplaincy at the Methodist Hospital as a part of his seminary training.

Local men of the church gathered at the Dale Davis farm Friday and picked corn. This is a farm project the local church has maintained for several years with the income used to supplement local member giving for the church's financial obligations. The men expected to complete the job on Saturday but due to the heavy snowfall Friday night and the week end, the job is unfinished.

Mr. and Mrs. Emery Davis were Sunday evening visitors in the Guy Davis home.

Mr. and Mrs. Robert Kline returned home Tuesday evening after spending the week end in Minnesota where they attended the funeral services of Mr. Kline's uncle.

Legion To Plan 50th Anniversary At Meeting

Plans for the state-wide observance of the fiftieth anniversary of The American Legion in Indiana will be made during the Mid-Winter gathering of the Indiana Legion, January 20-21 at the Sheraton-Lincoln Hotel in Indianapolis. James Zoll of Bluffton is the Chairman of the Indiana American Legion 50th Anniversary Committee. The 50th anniversary will be launched with the birthday festivities in March, 1968.

About 500 Legionnaires are expected to attend the two-day Conference and to hear National Commander William Galbraith of Beemer, Nebraska, who will be the speaker for the Saturday night banquet. Galbraith will also attend the Saturday afternoon General Meeting of the Conference, which will be joint with The American Legion Auxiliary.

Larry Bogue of Frankfort, Chairman of the Vietnam Era American Legion Committee will be in charge of a meeting, which is expected to attract representatives of the Vietnam conflict from each of the 11 Districts in Indiana. Bogue represented Indiana as its Vietnam conflict from each of the 11 Districts in Indiana. Bogue represented Indiana as its Vietnam veteran at the National Convntion of The American Legion last August in Boston.

Meeting also during the Conference will be representatives from those Posts who sponsor American Legion Baseball. The annual clinic for baseball officials will be held, starting at 9 a.m. in the Department Headquarters of The American Legion at 777 N. Meridian Street in Indianapolis. Ray Smith, Indianapolis, is the State Baseball Chairman. Representatives of the Cincinnati Reds baseball team will be present to conduct the two-day clinic.

Joseph P. Donovan of Warsaw, Department Commander of The American Legion and Mrs. Thelma Ransdell of Lafayette, is the President of the Indiana American Legion Auxiliary. They will be in charge of the various meetings during the Conference.

Questions Explain Indiana Selective Service Program

Set out below, according to Colonel Robert K. Custer, State Director of the Indiana Selective Service System, are questions most frequently asked of the Selective Service System along with the appropriate answers.

Question: How many deferments may a person have?

Answer: There is no limit to the number that may be given, provided each is adequately supported by current evidence, which will convince the Local Board the deferment is in the national health, safety or interest.

Question: Is any expert advice available to the Selective Service System regarding scientific personnel?

Answer: Each State has a Committee on Engineering and Scientific Personnel available for general advice or specific counsel on individual cases.

Question: If there is a shortage of mathematics teachers in a city, but a surplus in the State, how is uniform classification within the State possible?

Question: It isn't. That is why the Congress has given broad authority to Local Boards to meet the problems of the localities they represent.

LIFEBLOOD

A good newspaper is a mirror held up to reflect the life and progress of the community.

If you are in the public eye be sure you're not a cinder.

THE MOST... This is probably the most valuable gun in the world... a double-barreled shotgun once owned by Napoleon. With other early weapons, it is on display at the New York Metropolitan Museum of Art.

'68 LTD by Ford

Ford Country '68... so quiet you can hear yourself save.

LTD and XLT... strong, quiet, beautiful. These great road cars are the most luxurious Fords ever built. Grille is a heavy die casting, not an aluminum stamping. Hidden headlights are standard, not extra cost. LTD comes with a bigger V-8 (302 cu. in.), XL offers you a Six or any of four V-8's.

See your Ford Dealer now for better deals on all '68 Fords. Every one loaded with the Better Ideas that make Ford a better buy—even before we start to talk turkey.

All-New Torino GT Fastback

See the man with better ideas

Fastbacks. No extra charge for full-size or intermediate models. Torino has a 116-inch wheelbase, longer than 38 competing intermediate models.

Immediate delivery on all models in Ford Country. Big savings on big savings.
