Fire Destroys Two Area Homes

Fire completely destroyed the possessions of two area families last week.

The Raymond Gangloff home, located at Jarrah and E. 7th roads, was heavily damaged by fire late Wednesday afternoon and all of their possessions destroyed.

The fire which reportedly started in the bathroom on the ground floor, spread rapidly and the bathroom, kitchen and a bedroom were gutted by the flames. The rest of the lower floor suffered heavy water damage. Smoke damaged all of the family's furnishing and clothing. Mrs. Gangloff said the family fled from the burning house so quickly that they were not able to save any possessions.

Damage was estimated to be \$7500 which is partially covered by insurance according to Gangloff.

On Friday afternoon, fire of undetermined origin completely destroyed the interior and the contents of the Theodore L. Ervin home at 728 Peru Court, Culver. No one was at home when the fire was discovered by a neighbor at approximately 3:15 p.m.

Home and contents were listed as a complete loss by Fire Chief David Burns. A pet cat was destroyed by the blaze.

Mrs. Ervin, a nurse with Culver Community Schools, was notified soon after the fire was discovered. Her husband, personnel director for N. A. Rockwell at Knox, was at the time. Two sons, Andy and Bob, were at school.

An estimate of total damages was not possible, but the loss was partially covered by insurance.

Advanced First Aid Classes Set For Marshall Co.

The Marshall County Chapter of the American Red Cross has announced that there will be an Advanced First Aid Course starting February 7, 1968 at the Red Cross Headquarters, 120 W. Washington St. in Plymouth. The class will consist of 8 - 2 hour sessions starting Wednesday, February 7 at 7:30 - 9:30 and running eight consecutive Wednesday evenings.

Anyone now holding a valid Standard First Aid card or anyone wishing to renew their Advanced card are eligible to enroll in this course.

You may enroll at the time of the first class or by calling the First Aid Chairman, Mrs. Gerald Pike at 936-2410 or write to the First Aid Chairman, Marshall County Chapter of the American Red Cross, Plymouth, Indiana.

Little Gallery Now Is Open

The Little Gallery, 211 E. Washington St. opened for business Monday, Jan. 29.

Despite the dreary weather, we were happy to see so many people turn out to inspect the lovely items so tastefully displayed.

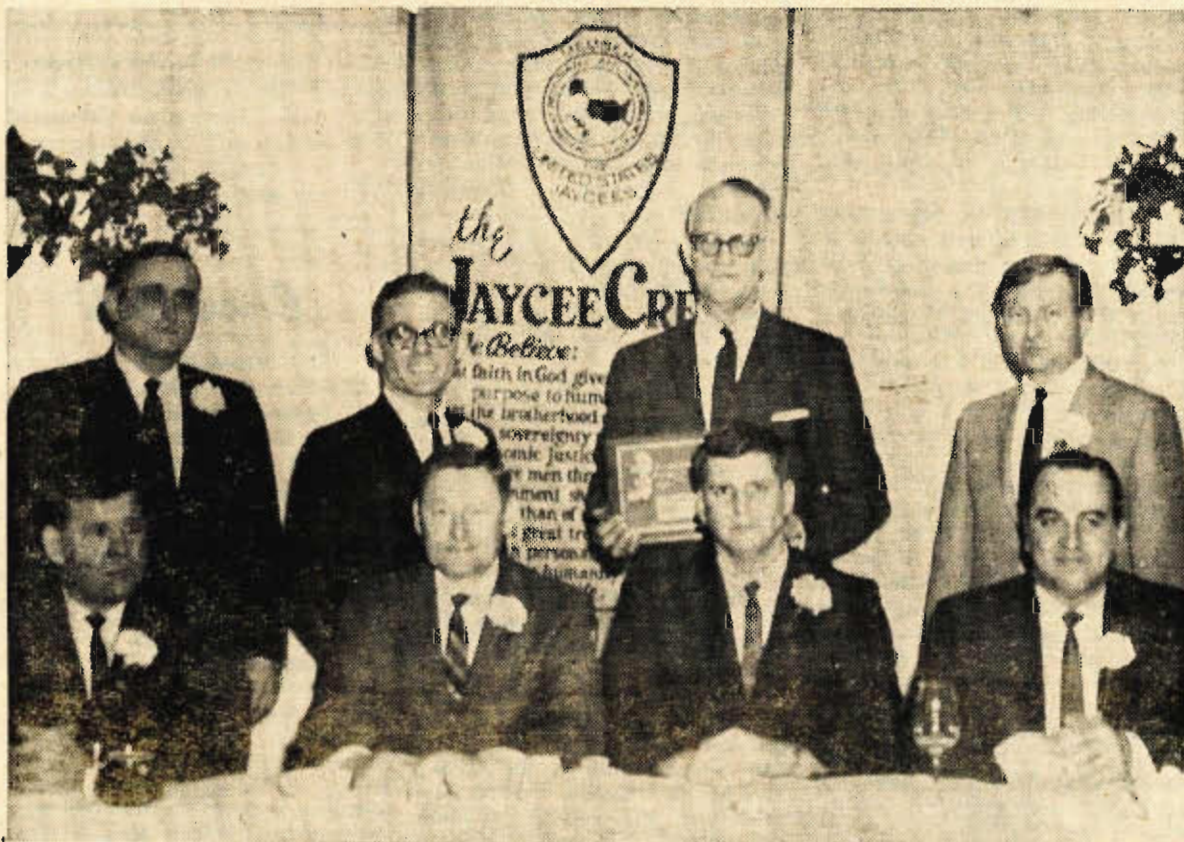

Mrs. William Cleavinger has chosen slate gray for the walls and jonquil yellow burlap to cover the display tables; an unusual combination that is very effective.

Mrs. Cleavinger's stock is not yet complete but she is getting new things in every day.

The works of Jean and Warner Williams are featured as well as those of other well known artists.

Robert Rust Chosen "Outstanding Man Of Year"

Front: Don Ping, Jaycee Region B Vice Pres; Richard Wells, Indiana Superintendent of Public Schools, the keynote speaker; Dave Ulrich, DSA Program Chairman; Clarence Murphy, Indiana Jaycee External Vice Pres.

Rear L-R: Don Muehlausen, Culver Jaycee Internal Vice Pres, who introduced Mr. Wells; Latham Lawson, Jaycee Pres., Robert Rust, winner of 1967 Outstanding Culver Award; Eddie Amond, Master of Ceremonies for the dinner.

Robert Rust, Superintendent of the Culver Community School Corporation, was the recipient of the "1967 Outstanding Citizen of Culver Award," which was awarded by the Culver Jaycees last Friday evening in the Culver Inn. Upon receiving the award, Mr. Rust remarked, "Those who know me, know that I'm not very often at a loss for words. But now, I am wanting for words!"

Mr. Rust who was born in Columbus, Indiana, attended Franklin High School, receiving his BA degree from Franklin College and his MA degree from Indiana University. He taught journalism and has been a reporter for national wire services, as well as prior editor-publisher of the Culver Citizen and the Argos Reflector. He was director of public relations for Culver Military Academy before becoming the principal of West High school and later the assistant superintendent of the Plymouth Community School Corporation. Rust is actively associated with the National Education Association, Indiana Teacher's Association, the Public Relations Society of America, the I. O. O. F., F. & A. M., Lions Club, BPOE, Sigma Delta Chi and Toastmaster International. He is a member of Grace United Church and is active in church affairs.

Rust assumed the position of superintendent of the Culver Community School Corporation on the retirement of Frank McLane, former Marshall County Superintendent of schools.

Telegrams of congratulations to Mr. Rust, read by Dave Ulrich, program chairman, included messages from his daughter, Mrs. James Waters and Governor Roger Branigan. Governor Branigan is a former classmate of Mr. Rust and was responsible for Past meeting Miss Bertha Mae Bester, who later became Mrs. Rust.

Eddie Amond served as Master of Ceremonies and in his opening remarks said, "Good citizenship requires the individual to come out of the grandstand and onto the playing field. It is only as you serve the other people better that a person truly succeeds in life under our free enterprise system. The American economic system is not only economically right, but morally right; otherwise, it wouldn't endure. There is no way to succeed under the American system unless you serve the people and if you serve the people better than other media, they call you successful. Serving means getting involved, contributing hours of time and effort in community activities to make the town a better, more progressive area to live and play."

Latham Lawson, Culver Jaycee president, commented, "People of Culver are actually being honored, for all of you are adding to the stature of the community in various degrees, contributing good citizenship and examples to all of our people and neighbors."

The keynote speaker for the evening was Mr. Richard Wells, the superintendent of Public Instruction, who was introduced by Donald Muehlausen, Culver Jaycee Internal Vice President.

Supt. Wells dwelt upon the problems which are faced in the public schools, and what can be done about them. Included in the list were religion in public schools, school finances, teacher shortages, licensing, and Federal Aid to Education.

In October and November of 1967 we heard that the schools would be bankrupt soon, he stated, but a survey taken at that time by the Department of Public Instruction, showed that some cutbacks and re-allotment of funds would see them through the year.

However, for the school year 1968-69, the survey shows some half dozen corporations are \$8 million short. These schools are threatening to "turn their keys over to the governor" if legislature does not make some provisions on funds. This could call for a special session of the legislature which is not to meet until 1969.

A survey now in progress will tell the tale by fall. What is needed, according to the superintendent, is a new distribution formula for the funds, so that the richest schools will not receive the same amount of money

across the board as the poorest.

Vocational education's need is acute, he stressed. Indiana public schools are oriented toward academic training, college preparatory, yet only 40 percent of the students go on to college, and only 12 percent of the 40 percent graduate. He emphasized the importance of providing vocational education for the other 88 percent.

As far as the Federal Aid to Education goes, Supt. Wells is agreeable to the government allocating the funds to the states for distribution in the areas where there is the most known need.

He called the new "Grand Design" policy, that of providing for the education of the child from the prenatal stages through kindergarten, as the "most colossal Federal boondoggle ever heard of!" It is better to use the funds for projects already in progress, he said.

Also present at the D.S.A. banquet were Clarence Murphy of LaPorte, Indiana Jaycee External Vice President (3rd highest in the State) who congratulated the Culver Junior Chamber of Commerce in their projects in the community during the past year; and Don Ping, Region B Vice President of the Jaycees, from Mishawaka.

Culver PTA To Meet Tuesday

The P.T.A. will meet Tuesday, Feb. 6 at 7:30 p.m. at the Culver High School.

This will be a combined meeting with the Monterey and Aubenaubbee parent-teachers organizations. Mr. Charles Downing, assistant to the superintendent, will discuss curriculum plans for the unified schools.

All parents with children attending or who will attend the Culver Community Schools should make it a must to be present at this meeting.

There will be an open discussion at the close of the meeting.

NEWS OF THE CULVER PUBLIC LIBRARY

Application For Reader's Card
All patrons must fill in an application card to receive a reader's card. To receive a card free of charge the patron must be a taxpayer or a member of a tax paying family in Culver or Union Township. The age for a card without the parent's or guardians signature is 14 or over. Anyone under the age of 14 must have their parent's or guardian's signature on the application card. Parents or guardians must determine the most appropriate age for their child to have their own reader's card. Those living outside of Culver and Union Township must pay the fee set by the Library Board upon receiving their reader's card or present their reader's card from the library in their taxing district that has an agreement with Culver for inter-library loan.

The Culver Public Library is a recipient of a generous gift from the local Tri Kappa organization. Four student carrels have replaced the outdated reading table in the teen section. Each carrel has replaced the outdated reading table in the teen section. Each carrel is designed for the patron to have sufficient room and individual privacy for reading or study.

Future plans call for more of these study units.

Another noteworthy addition to the library is the gift of 30 more record albums from the Columbia Record Company located at Terre Haute, Ind. This is the second gift of this kind from the Columbia Record Co.

Film Package Of The Month
1. AMERICA THE BEAUTIFUL -20-c- A panorama of the United States—the natural beauty, the farms, towns, cities, industries and people of our land. It carries the message of pride in our heritage and our responsibility to keep America strong and

beautiful. (United Artists Associated)

2. ANIMALS UNLIMITED -20-c- Features many of the three hundred animals and birds to be found in Kruger National Park, largest wildlife sanctuary in South Africa, showing the struggle for survival of all. The camera catches close-ups of antelopes, giraffes, elephants, zebras, crocodiles, strokes and vultures and shows all of the animals of the wild running in terror from a charging lion. (Films of the Nations)

3. BERLIN: TEST FOR THE WEST -19-b/w- Produced in Germany, this film has historic documentary footage combined with dramatic new film sequences to tell the story of Berlin from the fall of the Third Reich to the building of the wall. (EBEC)

4. BLUE MEN OF MOROCCO -28-c- Presents a hitherto untold story about a strange and nomadic people who constantly roam the wastes of the Sahara with their camels. (Disney)

5. COLOR OF MAN -10-c- Illustrates the latest theories and scientific findings on the development of skin color differences in the pre-historic past. Through a combination of animated drawings and live active photography, the film presents a simplified summary as to how different skin colors came to be. (Sterling)

6. DOUBLE IN BLUE FINS -13-c- The film follows a tura fishing expedition in a specially equipped sport fishing craft provided by the Newfoundland provincial tourist association. It records the prolonged duel between the fishermen and the tireless gladiators of the deeps. (Loaned by CTFL)

7. FRUSTRATING FOURS AND FASCINATING FIVES -22-b/w- First part of the film deals with a day in the life of Roddy, just four years old. Shows his need of attention from the moment he gets up at an early hour throughout the day. A visit to Grandmother's house points up the inconsistencies in the behavior of the four-year old. Then he turns five and goes to school alone, helps with breakfast, is curious and full of questions, can cooperate with other children and enjoys excursions. Excellent film for parent or teacher discussion groups and fun to see. (McGraw-Hill)

8. HANDEL AND HIS MUSIC -13-b/w- Filmed in Germany, Italy, and in London where Handel reached the height of his career. The film presents the key figure in development of haroque music. (Cornet)

8. HOW TO CONDUCT A DISCUSSION -25-b/w- A clear explanation of eleven basic principles which discussion leaders can use to insure effective group discussion, tied together by the narration of a seasoned administrator of discussion groups. (EBEC)

10. LAURENTIAN CALENDAR -13-c- Canadian winter and

summer vacations at Laurentian resorts. (Loaned by CTFL)

11. LIVING WILDERNESS -11-c- The story of over one hundred square miles of living wilderness called Olympic National Park. (Northern Films)

12. MEXICAN IMPRESSIONS -15-c- Homeward bound tourist reminisces about his trip to Mexico. Moves from place to place, giving glimpses of spots tourists would want to see, such as Chapultepec Park, the National University of Mexico, Taxco, and Tehucan, site of Aztec pyramids. Acapulco is also shown. (American Airlines)

13. QUEST FOR FREEDOM -16-c- A history of man's development of democracy in its different countries, from the Stone Age to the American revolution is told through animation using art treasures of the past. (Churchill)

14. SEA OTTER -13-c- Shows how the sea otter is being slowly restored after near extinction by early fur hunters; studies the life habits of the sea otter. Arthur Barr)

15. SEAL ISLAND -27-c- Depicts the annual return of the fur-bearing seal to the Pribilof Islands to bear their young and train them to survive the September migration south. (Disney)

16. STORY OF A BOOK -11-c- This film follows a real life author, H.C. Holling, through the exciting and satisfying process of creating "Pagoo"; the story of a hermit crab. Highly visual sequences show the steps of this process: getting the idea, doing the research both in the library and by observation, writing and rewriting, illustration, planning the dummy, and printing. (Churchill)

17. SWEDISH LIFE -16-c- With a series of maps, the film takes us first to Stockholm. Here in one of many apartment houses, lives the Lindstrom family. We follow Sigrid and Lars to school, and accompany Mrs. Lindstrom on a shopping trip. The film discusses Sweden's educational system, social services, recreation, industries, arts and crafts, farms, and city life. At the end we join the Lindstrom family for dinner and evening activities. (Balley Films)

18. THOMAS JEFFERSON -17-b/w- Vividly reenacting significant events in the distinguished career of Thomas Jefferson, this film makes a new and lasting contribution toward a better understanding of our third President and author of the Declaration of Independence. (EBEC)

19. TIDES OF FUNDY -14-c- A story of the phenomenal tides in the Bay of Fundy on Canada's Atlantic coast and how they affect the life of the region. (Loaned by CTFL)

20. THE TOYMAKER -16-b/w- Two puppets and their creator enact a series of incidents which symbolically reveal how fear and suspicion can originate among people when they become aware of racial differences. Athena Films)

21. WHAT IS A PAINTING -22-c- John Canaday analyzes and compares works of art that are now being exhibited in the Metropolitan and other great museums throughout the world. He answers questions such as why does an artist use one technique rather than another? How does his work reflect the age in which he lives? What is the real meaning behind his painting? (Book of the Month Club)

Tri Kappa Participates In Hoosier Salon

Toward a means of fulfilling one of its objectives and to promote the cultural interests of Hoosiers, Tri Kappa began in 1928 to award \$450 to artists exhibiting in the Hoosier Salon. 1932 the award has been used as a purchase prize, thus starting and building each year the collection now housed in the Brown County Art Guild Galleries at Nashville, Indiana. Because of the interest stimulated by exhibits from the collection throughout the state, a standing committee for art was formed in 1959. Mrs. John Edgell, president of Epsilon Nu Chapter, Culver is presently a member of this state art committee representing Province Ten, which includes eleven cities in Northern western Indiana.

Among the many significant endeavors of the current committee, a recent accomplishment was to recommend that an award be made at the annual Hoosier Salon exhibit in memory of Tri Kappa Founder Beryl Showers Holland, who was president of the Salon Patron's Association

for 22 years prior to her death in 1956. In accordance with the express desire of the Salon, Tri Kappa State Council specified the \$400 award to be used as a Jury Prize of Distinction for an Outstanding Work, Any Medium. The Prize of Distinction was given for the first time this year at the 44th Annual Hoosier Salon of 1968 opening at Blocks in Indianapolis on Sunday, January 28, to run through February 10. The winner was Mr. Allen Hackney of Terre Haute for his egg tempera painting "The Window". Mr. Hackney was also a 1967 Tri Kappa purchase award winner with his egg tempera painting "Barn at Fairbank", which has proven a very popular gallery item.

In recognition of Kappa Kappa Kappa's efforts to further all aspects of Hoosier arts, the Indiana Artists Club presented them with their Annual Art Patron of the Year Award in 1967. The award is given to honor the person or group contributing the most toward the cultural development of Indiana through encouragement of Hoosier artists and the enrichment of civic appreciation.

The Prize of Distinction in the amount of \$400 together with the

regular purchase awards amounting to \$450 makes Tri Kappa the largest single contributing Salon patron.

The state scholarship committee grants \$1,100.00 to art and music students in alternating years. This year the scholarships will be granted to a student planning to major in art at college.

MARRIAGES

Schaal — Holdread
Miss Karen Sue Schaal became the bride of Stephen W. Holdread at 7:15 p.m. Jan. 26 in the Donaldson Lutheran Church. Rev. James McGee performed the double ring ceremony.

Parents of the bride are Mr. and Mrs. Ralph Schaal of R. R. 1, Plymouth and Mr. and Mrs. Wayne Holdread of Parker, Ariz. are the parents of the groom.

The bride chose a white sheath dress and carried a single red rose. Miss Rose Marie Schaal was her sister's maid of honor and she wore a green dress with a pink and white rose corsage.

Best man was Don Cramer, uncle of the groom.

Following the service, a reception was held in the home of the groom's grandparents, Mr. and Mrs. Bert Cramer, Sr., of R.R. 2, Culver.

The serving table was decorated with green and white streamers and white wedding bells. Each tier of the three-layer cake was decorated with pink hearts and white sugar lace bells.

Serving at the reception was Mrs. Wayne Bishop, Mrs. Bert Cramer, Jr., Mrs. Arthur Woolington and Mrs. Clyde Newcomer. Miss Joy Holdread registered the guests and Miss Patty Siddall and Mrs. R. D. Rogers were in charge of the gift table.

The bride wore a green dress with a red rose corsage for their short wedding trip to Chicago. They are now at home at 1010 W. Adams St., Plymouth.

The new Mrs. Holdread is a graduate of Plymouth High and is employed by the American Optical Co. The groom graduated from Parker High School in Arizona and is employed by the county surveyor.

No Room For Trouble Here

Reading about the trouble that has followed sporting events in the South Bend area, brings to mind very stern action that had to be taken by officials in other cities. In Detroit a couple of years ago, state tournament action in the Detroit area was played before empty gyms as trouble broke out there to the extent that it was felt unsafe to let fans in gyms.

Chicago has had trouble and due to this, a heavy schedule of afternoon basketball is held in that city to avoid the night-time play and crowds that occurred. This is just two examples of penalizing many for the misdoings of a very few.

The action at South Bend Friday night was reported to be caused by persons out of school more so than pupils of the two schools. With both the Central-Washington basketball game in the building plus the preliminaries of the city swimming meet at the same time, a lot of people had centered their attention on that site.

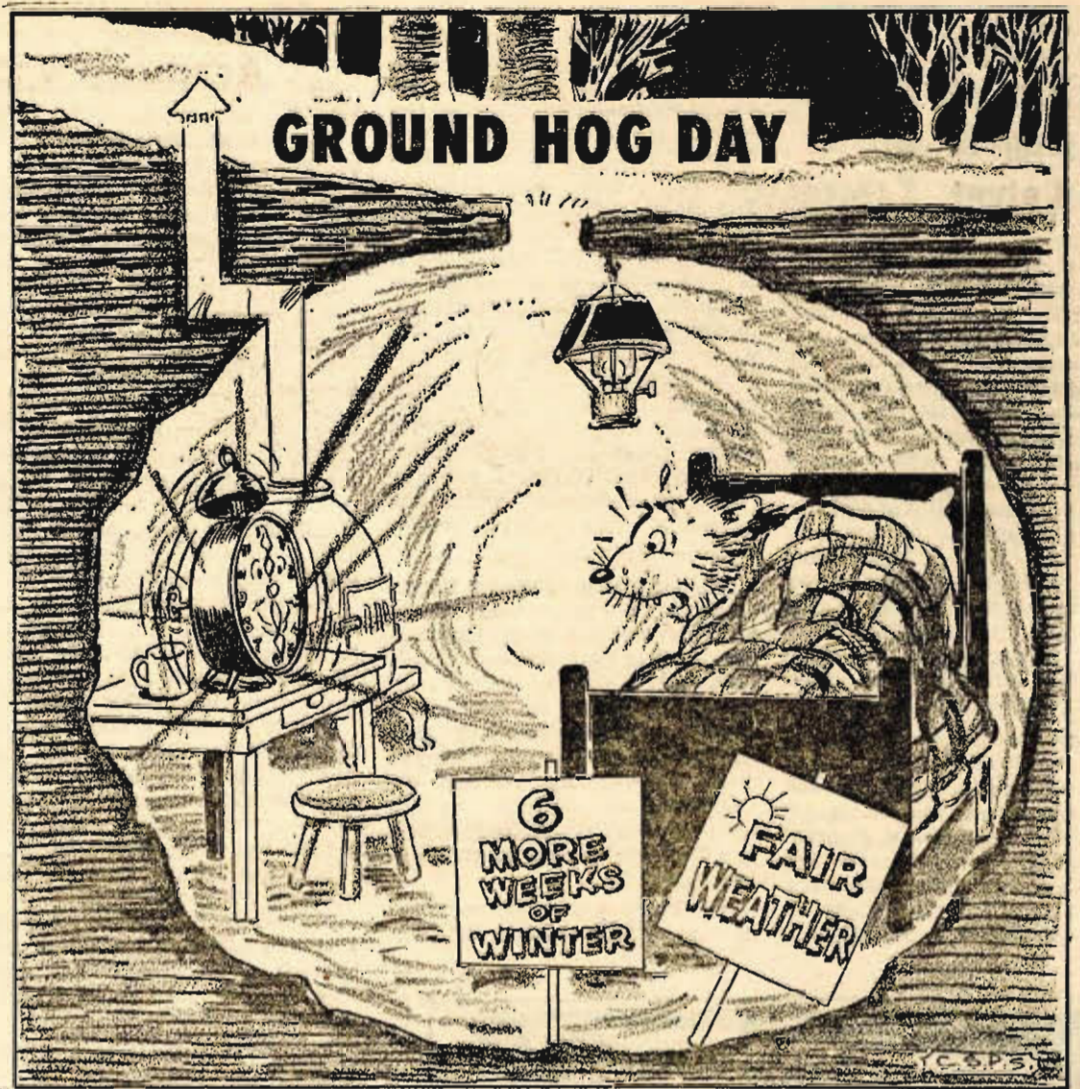

First hand information stated that there was trouble brewing outside while both contests were going on, and this group was the spot the trouble started from after the conclusion of the athletic events.

Over the years it is rare when the smaller schools have

much trouble. After an extremely close or rough ball-game, there have been minor skirmishes around Northern Indiana, and on a couple of occasions warning have been handed out by the IHSAA office for such misdoings. It was post-game activity that concerned fans that was responsible for Muncie Central's suspension a few years ago. The penalizing of the entire school and many innocent people resulted.

High school athletics is a wonderful thing, but it is an extra given to the fans by the respective schools. Adults violating the rules and regulations of what is expected can be as bad if worse than the school children's participation, but such as was the case in South Bend last week was blamed on dropouts and almost known trouble makers.

There is no room for such displays as this connected with high school activities of any kind and a firm stand should be made by the necessary authorities, whether it be IHSAA, school of police departments. Letting a few contests be cancelled, or even played in empty gyms would be a good sign to the fans that will be done if such events continue, regardless of where the action is being played.

Tall Plymouth Cagers Blister Culver Saturday

The Culver Indians, with no player on their squad hitting the six foot mark, met Plymouth on Saturday and found themselves matched against a team with only one player on their roster that was under six. The result, another loss for the Indians in the current season. The loss left the small Indians 2-13 for the season to date with four regular games and the Sectional tourney remaining.

Culver scored first in this contest as Corky Overmyer drew a foul, which he converted, after 14 seconds passed. Dan Williams soon matched this for the Pilgrims and then hit a jumper for a 3-1 lead. Overmyer came back with a jumper and then a free shot for a 4-3 lead before Plymouth hit a real hot streak for over three minutes.

Joe Warnacut and Bob Kriscunas hit back-to-back free shots to push the Pilgrims ahead, and then Warnacut added a jumper. Williams added two more points from the charity line and then hit two baskets before Stu Lowry pegged in his first bucket of the

night. Ned Shemberger hit a jump shot, but Dan Spencer and Overmyer added single points. A jumper by Kriscunas was followed by a pair of one-pointers by Terry Gentry cutting the lead to seven. Steve Phillips scored for Plymouth but Overmyer connected for his sixth and seventh points of the quarter for the Indians. A pair of charity shots by Kriscunas completed the first period scoring and Plymouth led 21-12.

The second stanza found the Pilgrims starting to pull away from their much smaller opponents. Overmyer again hit first with a lay-in, but Doug Pett hit a pair of free throws. Phil White hit a jumper only to have Williams get a lay-in and Pett a jump shot. Again it was two points for four as White pegged in another jumper but Plymouth came back on baskets by Phillips and Dick Berberman. Gentry and Pett traded jump shots and Lowry followed with another for the Indians before a five point spurt by the Pilgrims opened a 16 point lead. From here they were able to move to a 43-25 halftime lead and well on their way to a victory.

The second half found the tall and talented Pilgrims almost turn the game into a rout. Using all his players freely, the Plymouth team moved on to a big 62-35 three-quarters lead as they outscored the Indians from the floor nine to four in this quarter. However, in the final eight minute period, the Culver team, still giving it their all, did outscore the Plymouth crew and made the final score read 77-51. Both sides substituted freely giving all the boys gametime and experience.

B Team Loses Also

The Culver reserve team also lost to Plymouth by a score of 56-33. The Pilgrim B's had a good size advantage over the scrappy Indian reserves.

Academy Sports

Varsity basketball, swimming and gymnastics dominate Culver Military Academy's sports schedule for the next week. The wrestling team, undefeated in dual competition, has an open schedule until its final meet of the season with Howe Military School, Feb. 17.

Closer to the present, the basketball team will spend the week end on the road with games Friday against South Bend Clay and Saturday against South Jackson. Tip off times will be at 6:30 and 8 p.m. The record is now 9-3.

The swimming team travels to South Bend LaSalle for a meet Friday at 7 p.m. returns for a home with South Bend Washington, Tuesday at 4 p.m. The swimmers have compiled a 6-3 record.

The undefeated gymnastics team will travel to DeKalb at Waterloo for its third outing.

Saturday, wrestlers from Niles High School retained the championship of the Academy's fifth annual quadrangular. Niles finished with 106 points to Culver's 95, Penn High School's 65 and Knox' 45.

Niles had a total of six individual champions to the Academy's four. Knox and Penn each had one. Culver's Jack Scharff retained his hold on the 135 pound championship, as did Mike Weede of Niles in the 156 weight class. Other Academy champions were Gary Mangelsdorf, 97; Lou Schlotterer, 144; and Platt Hill, 122.

Culver trimmed a confident Argos basketball team Saturday evening, 65-62. Rich White,

usually a strong Eagle defensive player, took scoring honors with 21 points, followed by co-captain Tom Matlock with 17. Leading scorers from Argos were Keith Hardesty with 18 and Steve Warstler with 15.

Argos shot 41 percent on its field goals and 71 percent at the free throw line to surpass Culver's 35 and 44 percent. The Academy shot 25 field goals to Argos' 18 and claimed 49 rebounds to 33 for Argos. The junior varsity Eagles lost the preliminary game 53-51.

Howe Military School gave Culver another victory for its tally Friday. The Eagles walked away with a score of 66-43. Don Baron led scoring with 14 points, followed by 12 from co-captain Gordie Delk.

The Eagles shot 41 percent on

field goal attempts and 50-50 on free throws. Culver also took rebound honors with 52 over Howes' 34. The junior varsity scored even higher over Howe than the varsity, winning 72-29.

Last week proved to be a problem for the swimming team. Thursday the team lost to St. Joseph, Mich., 56-39, and Monday they lost to top flight Kokomo, 70-25. Last year Culver broke Kokomo's winning streak of 62 meets with a 50-45 victory, but lost to St. Joseph, another top-ranked team, 55-40.

Drivers who guess they can make it often never have another guess coming.

At least we should be mighty thankful that we don't get all the government we pay for.

CULVER COMMENTS

Spring must be just around the corner; the snow is melting, the temperature is up, and the town's Christmas decorations are down.

The street department was certainly kept busy clearing the streets after that snowstorm. It must be a little discouraging though, as soon as they get the snow off, everyone complains about the holes in the streets. Must be a big temptation to leave the cover on at least until it melts.

Presumably, all the Christmas bills are paid up by now and since we see Valentine decorations brightening the windows of some of Culver's stores, it must be time to start hounding the men for more presents. It would certainly be much easier on the 'girls' if men would think of these things by themselves.

On the subject of gifts, here is the timing. To start you must get something for less than the original amount you have been able to pry out of him. Wait about a week and then buy something else. When he asks where you got the money, explain that you have finally decided what to do with the money he gave you originally. He will be so confused by this time that it just might work!

With all the pot luck dinners that we attend in this town, it is really amazing how well balanced the menus are. Even with no planning there is always a wide variety of foods. Of course, bringing your own table service can sometimes lead to total confusion or at the very least you can end up with a confusing set of tableware at home. Someone should start a registry for silverware patterns so that the day after one of these popular pot-luck dinners, we could call and straighten out the whole mess. Then too, there is the problem of what to do with the leftover food. It's down right embarrassing to have everything eaten but the slippery salad you brought. If you are like everyone else, you want your dish back, but if you claim it before everyone else has gone home then it will become

public knowledge that you concocted the soggy disaster.

Here's the latest tip to all the would-be Brandos and Beatles. We hear a Theatrical agency no less, is coming to our metropolis! Watch for more to come on this subject.

IN MEMORIAM

In loving memory of my dear husband, Mr. Harold Scott, who went to be with his Maker the first day of February 1967.

His life is a beautiful memory. His absence is a silent grief. He is asleep in God's beautiful garden.

On the sunshine of perfect peace.

Deeply missed and remembered by me.

Mrs. Ruth B. Scott

Elected Vice-President Of Welfare Board

Mrs. Chester W. Cleveland of Culver was elected to serve as the new vice-president of the Marshall County Department of Public Welfare Board during the regular monthly meeting conducted by James Strycker, Board president. Neil Cripe, who was vice-president, resigned due to his recent election to the Bremen Town Board.

Marshall county's new food stamp plan was discussed at the meeting. The stamps will be ready to issue and sell March 1. Applications are being taken for eligible people not drawing public assistance.

The county's food stamp department will be supervised by Mrs. Paul Nye.

Additional information concerning the program will be given to the public within the next few weeks.

Former Resident Wins Art Salon Prize Sunday

Miss Virginia Piersol, daughter of Mr. and Mrs. James Piersol of Culver, and a former resident, Mrs. Mary M. (Polly) Curry, wife of Brig. General Manly L. Curry who now reside in Indianapolis, were prize winners in the 4th annual Hoosier Art Salon Sunday in Indianapolis.

Thirty-three native or resident Indiana artists shared the richest purse ever offered at the state's big, traditional midwinter show. Merit and purchase awards totaled more than \$7,000.

The colorful exhibition, including 238 works in all media selected by a jury of out-of-state judges from a total of 970 submitted, will be open to the public for the next two weeks.

"Self Portrait", a print by Miss Piersol, won the Hugh J. Baker Memorial Prize, first in the division, and \$75.

Ancil figure composition by Mrs. Curry won the Mark C. Honeywell Memorial, second prize of \$1.00.

Maxinkuckee Rebekah Lodge Installs Officers

Monday night the officers of Maxinkuckee Rebekah Lodge No. 844, were installed into their respective stations by the district deputy president, Mrs. Merle Newcomb and her staff of Rochester.

THE SCHOOLBELL

PUBLISHED WEEKLY BY THE PRESS CLUB OF CULVER HIGH SCHOOL

Well, Seniors only 62 days till the mighty Senior Trip. Washington and New York here we come . . .

We would like to welcome the new exchange student from Chile. Welcome Isabel! We hope you will enjoy CHS.

It seems like music is really singing out these past few weeks. Could it be that contest is coming up? Well, good luck to all those musical students participating in the contest!

There must be something about traffic cops that impresses people — huh Susie T. and Linda F.

Thinking about Susie and Linda. We hear you had a terrible time getting out of the parking lot Saturday. Cheer Up! Things will work out for you sometime.

Congratulation to all the new romances this semester!!

Welcome Back, Larry C. We are glad to see you roaming the halls of Culver High School.

The posters really look terrific, kids. Keep up the good work.

Say, B-Team boys, you should know better than to compete against the Varsity. How many accidents did you say occurred??

Happy Birthday, Linda R. How does it feel to be "18" You say no more curfews!!

It seems like Noma Davis can not keep names straight. Norma, Mr. Byfield's next to oldest son is Dick, not Chuck.

Attention! Attention! The Senior Band students are surely eager to those white sweaters arrive. How about it . . .

The Sunshine Society is planning a swell dance on February 17, so we hope you will come for a good time.

Say Jim Taber why did you get so red in the face during Econ. Class?? For more information ask Jim.

What is happening to the junior class?? It seems like people can't sit in the chairs without falling out of them. How about it, Norma D.??

Pam Scott, why wouldn't you take that "nice boy's" jacket. You told him you liked it. What was wrong?

Debbie you'd better watch what you say from now on at basketball game. It seems that she was talking about this ugly guy and the man sitting in front of her turned around and said "Does he look like his father?" Watch the mouth from now on, Deb.

How was the Ball Saturday night — Ana B., Suzi R., Paula H., Chery S., Sandy L., and Mary Ann L.? We hear this was Sandy's first — some girls have all the luck!!

Thinking about Pam Scott — Congratulations are in order. She is in the height of her glory! Pam FINALLY got new boots!?!?

Well, students and fans, it is time to depart for another week. Take care and tune in next week.

Betty Crocker Homemaker Award Winner

Because she finished first in a written knowledge and attitude examination for senior girls Dec. 5, Katherine DeWitt has been named 1968 Betty Crocker Homemaker of Tomorrow for Culver High School.

Katherine's achievement has made her eligible for state and national scholarship awards and also has earned her a specially designed silver charm from General Mills, sponsor of the Betty Crocker Search for the American Homemaker of Tomorrow program.

A state Homemakers of Tomorrow and runner-up will be selected from the winners of the school's in the state. The state winner will receive a \$1,500 college scholarship, and her school will be awarded a complete set of the Encyclopaedia Britannica by Encyclopaedia Britannica, Inc. The runner up will earn a \$50 educational grant.

The Betty Crocker Homemaker of Tomorrow from this state, together with those from all other states and the District of Columbia, each accompanied by a school advisor, will join in an expense paid educational tour of Colonial Williamsburg, Va., and Washington, D. C. next spring.

"Much Ado About Nothing"

By Linda Miller

January 15 in the Eppley Auditorium the play "Much Ado About Nothing" was performed by the National Players. Due to the bad weather many schools which normally attend these afternoon matinees were not present.

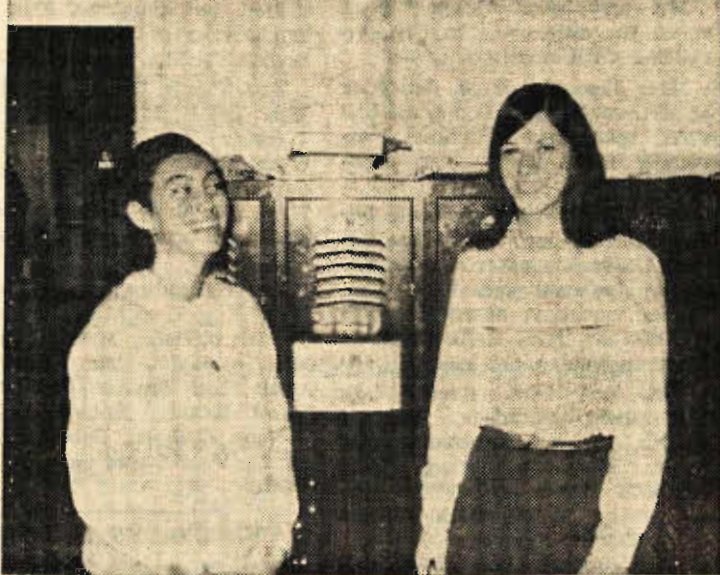

The play centered around two couples; Claudio and Hero, who were in love and had plans to be married, and Beatrice and Benedick, who were lovers, but wouldn't admit it to anyone, even themselves.

Two plots were interwoven in the play which kept it lively and entertaining. Beatrice's cousins plotted to make her believe Benedick really did love her and was afraid to show it. Benedick's friends also led him to think Beatrice was in love with him. While these two were discovering each other's love, a conspiracy was formed to split Claudio and Hero.

How the conspirators were found and Beatrice and Benedick found out the truth about themselves kept the audience in alternating moods of suspense and laughter.

The play ended much as it began, and proved the intermediate incidents were really "Much Ado About Nothing."

New Exchange Student At Culver

Culver has a bright new addition. Seniorita Isabel Herane, and we have asked her to share with us some of her first impressions of the United States. Her first reply was that it is a beautiful country full of excitement. Isabel feels that the American way of life is much simpler than that of her country. Isabel claims that she has been having lots of fun trying all the American favorites such as cheeseburgers, french fries, chocolate sundaes, and pizza.

Isabel attends an all girl high school; and when asked about the difference she found in the Culver school from that of her own school, she replied, "It is too noisy and very big." She also claims that she is not accustomed to changing from one class to the other. In Chile they wait for the teacher to come to them instead of the students going to the teacher.

Last but not least, we asked her what her first impressions of Culver were. Her first reply was, "It is very small and cold but the people are very warm."

These first impressions are a part of a dream come true and we hope as Isabel becomes more acquainted with the American way of life, it will be a true reality of a long-lasting American friendship.

STUDENT OPINION...

By Mary Beth Ives

Now days the trend is toward individualism, yet it is becoming increasingly difficult to be yourself or to find out who you really are. The desire for the latest styles and fads is probably no greater now than it was twenty or thirty years ago. The big difference is that many of these so called "fads" which are sweeping our country are pulling down the morals and standards of today's teenagers. While drugs may not be considered a nationwide problem yet, they are fast coming to that. Whereas not too long ago a dope party was almost unheard of and very much looked down on, now it is quite commonplace on most of our college campuses. Hippies, draft card burning, and protest marches hit the papers every day of the week.

What is happening to the young people today that they seem to care less about their country or their generation? Once a girl was judged by her femininity rather than her ability to cuss or smoke and a guy by his masculinity rather than how much he could look like a girl.

We have reason to be concerned about this problem because there are a lot of great young people who do want to be individuals and do have the best interest of our country at heart, but are in danger of being pulled down with the rest of the group.

See You In Church Sunday

possible. But Monsiur Williams sees through her plot and he fires every other question at her. She apprehends his questions and answers them quite well in English, but when she is asked to respond in French, that's another story.

Sixth period, Miss P.I.G. goes to history class for a talk, lecture, and joke session. She finds this a quite enjoyable period except for trying to avoid "stares" from a certain classmate.

The last period of the day she trots down to the gym where she thoroughly lets herself go. She demonstrates all of her physical talents for our P.E. class.

After school Miss P.I.G. stays to work on posters to boost school spirit. She shows allegiance to her school and team by attending all ballgames and participating in all school activities.

Who else could this fun-loving, outstanding sophomore with a bubbling personality be — Pammy Scott.

(P.I.G. stands for 'Pigeon is Great')

HANS

Did anyone notice who won the Bi-County? Seems the great HANS came through again. With the Bi-County predicted correctly and other numerous games, my percentage is a truly believable 7.59. For all of you still unbelievers watch my percentage soar with this batch of predictions.

On Friday, February 2, I see Pioneer dominating the hopeless Indians, LaSalle over Marion, Bremen downing New Carlisle crushing John Glenn, Wabash over Rochester, Knox scalping North White, LaVille bouncing Bremen downing New Carlisle 9 South Central crushing John Glenn, Wabash over Rochester, Knox scalping North White, LaVille bouncing Jimtown, Mentone over N. Webster, Akron outscoring Caston, and Argos falling to South Bend.

For Saturday, I see a tribe from Winamac soundly slaughtering Culver, Plymouth knocking Clay, Michigan City setting LaSalle back, South Central topping Westville, Knox over Merrillville, Triton smacking Argos, and finally Mentone over Caston.

Junior High Sports

In Monday night's basketball game for the seventh grade squad buried LaVille 42-21 while the eighth grade tipped the Lancers 39-33.

The seventh grade Indians took a six point lead in the first quarter, increased it to fifteen points at the half, and stifled any last-ditch efforts by LaVille for the rest of the game. Scoring is as follows: Douglas Snyder, 18; Mel Thomas, 11; Ronald King, 8; Brian Crosley and Bill Surber, each with two points; and Keith Beck, 1.

At halftime in the eighth grade game it looked as if Culver would slaughter LaVille, trailing by 12 points, 18-6. The Indians retained their lead in the third quarter, each team scoring 10 points, making the score 28-16. LaVille would not give up, however, keeping Culver scoreless and scoring 7 points themselves early in the fourth quarter. The Indians fought back hard to triumph over the Lancers by six points. The team was greatly aided in the first half by the rebounding abilities of Isaiah Stokes and Stuart Manchester, with totals of 8 and 7 rebounds

WRESTLING

Coming off their first wrestling win over Plymouth last week, Culver's wrestling team traveled to Pioneer Tuesday. Culver took the match 38-20. The team compiled six pins, one decision, and one forfeit. Steve Thompson pinned his opponent in 3:15. This stretched his unbeaten string to five. Charlie Osborn continued his winning streak with a decision 2-0. Rex Schrimsher by obtaining a pin in 1:55 now has five wins in six matches. He has won his last five in a row. This was also Pioneer's first year in wrestling. There are two remaining matches, North Judson on Feb. 6 and CMA on Feb. 8.

- 97 lb: Steve Thompson (C) pinned Herd Cumming (P) 3:15.
- 105 lb: Charles Osborn (C) decisioned Dan Gardner (P) 2-0.

"An Equal Opportunity Employer"

Being a Big Brother
 Back in 1904 some one in the New York Presbyterian Club had a bright idea. He was worried by the number of juvenile delinquents on the street. So he suggested that every member agree to work personally with one particular boy who was in trouble with the police. The Club agreed, and the Big Brother movement was born. It worked in 1904, and it's still going strong today.

Thousands of men of all ages get their assignments through religious and other organizations. There's nothing haphazard about the system. First comes an orientation course covering aims and methods, with emphasis on juvenile psychology. Then men and boys are paired off according to background, interests, religion, race, etc.
 Older men are often very successful Big Brothers.
 Many have had the experience of raising their own children, and caring for their grandchildren. Familiarity with life gives them understanding and tolerance. And they have more time to devote to the boys

than younger men still at work. I don't have to tell you how important this is when you're dealing with a youngster aged ten to twelve, who may have come from a broken home, and perhaps suffers from emotional disturbances.
 Being a Big Brother isn't easy. But if you have a social conscience, few things will give you a more satisfying sense of achievement than helping a boy who needs help.
 There's a fringe benefit if you guide your charge away from a situation you were once in yourself. Many Big Brothers troubled in their youth by alcoholism and petty larceny have saved "their" boys from both.
 Of course many cases aren't that tough. Even so, anything achieved with any boy is worthwhile.
 If you'd like to assist the Big Brothers, but don't feel able to handle boys, you might be fitted for some of the less personalized tasks like publicity and fund raising. Most abilities are of use to the organization.
 It's a good way to spend your spare time — good for you, and good for your community.

FIDELIS CLASS MEETING
The Fidelis Class of the Grace United Church met Sunday, Jan. 28 in the home of Mr. and Mrs. Edward Easterday.
Mrs. Donald Osborn opened the meeting with a prayer and Donald Osborn read "The Seven Attitudes to Bring a Vital New Year" by Herbert E. Richards.
Mr. Osborn, president of the group, conducted the business meeting. Hosts and hostesses for the coming year were

appointed and plans for the annual pancake and sausage dinner to be held Feb. 27 were discussed. Melba Easterday gave the devotions.
After the business meeting, the members enjoyed a social evening of games and refreshments.

TIPS FOR SAFER WINTER DRIVING

Accident records show that driving after dark is far more dangerous than daylight driving. During winter weather, snow and ice can make nighttime driving doubly dangerous, Charles Groce of the Culver Police Dept. warns. Check your lights for proper aim, be sure your defroster is working at peak efficiency, and replace streaking wiper blades, he advises. You need all the help you can get to drive safely after dark — and your passengers deserve this consideration.

Conscience

"And herein do I exercise myself, to have always a conscience void of offense toward God, and toward men."
— Acts: 24:16

The words above are those of the Apostle Paul, appearing before the governor of Jerusalem on charges of causing disturbances in the temple.
Paul knew the importance of the work that had been assigned to him; to preach the message of salvation. He knew that his conscience was free of offense against God. How many of us can say the same?
Many of us ignore conscience. We make excuses for the things we do which we know we should not do. We turn conscience aside whenever it suits our purpose to do so.
We should live each day as if tomorrow brings the hour of judgment. We can, if conscience is always our guide.

Holstein Owners Earn Progressive Breeders Award

John A. Newman & Sons, Newman Holstein Farms, Culver, Indiana, have qualified for the Holstein-Friesian Association of America's highest recognition for dairy farmers. The Progressive Breeders Registry Award is made for meeting requirements of excellence in dairy cattle breeding and management practices.

The honor has been limited to 678 Registered Holstein breeding establishments, including 24 in Indiana. This is the ninth time that the Newmans' have been so recognized.

To qualify for the Progressive Breeders award, a dairy herd must meet standards for milk and butterfat production, body type improvement, herd health and the development of home-bred animals.

The herd is also above breed average in the national Association's official classification for body type program. The Newmans' Holsteins have a breed age average of 101.8 per cent — obtained by dividing the classification score of each cow by the average score of all Registered Holstein cows of the same age.

Recognition as a Progressive Breeder includes receipt of a certificate from the Association, the largest dairy cattle registry organization in the world representing over 44,700 members.

At a meeting of Holstein breeders from this area a bronze year plate will be presented to the Newmans', to be added to the cost bronze plaque awarded when this herd first achieved the Progressive Breeder honor.
