Rev. Hohman Resigns As Grace Pastor

After serving the Grace United Church for the past eight years, Rev. Harold Hohman has resigned due to ill health. Rev. Hohman is the 14th pastor to serve Grace Church since its founding nearly 75 years ago.

A native of Nashville, Ill., Rev. Hohman has served churches in Garber, Iowa; Dupo, Ill.; Niles, Mich.; and Bensenville, Ill., before coming to Culver.

The Hohman's future plans are indefinite at this time. They will be missed by the many friends they have made in Culver.

Warning For All Dog Owners

The Culver Town Board has ordered enforcement of all Ordinances concerning stray or vicious dogs. Section Three of the Dog Ordinance reads in part "that the Town Marshall and or any of his deputies are hereby declared to be the enforcing officers representing the Town and that they are delegated and empowered to take possession and impound any dog or dogs which might be running at large or astray within the corporate limits of the Town of Culver, Marshall County, Indiana." The ordinance further provides for the disposing of dogs after a three day impounding period. An owner desiring to reclaim a dog during this period will be required to pay an impounding fee as well as any Town Dog Tax which may be due and unpaid.

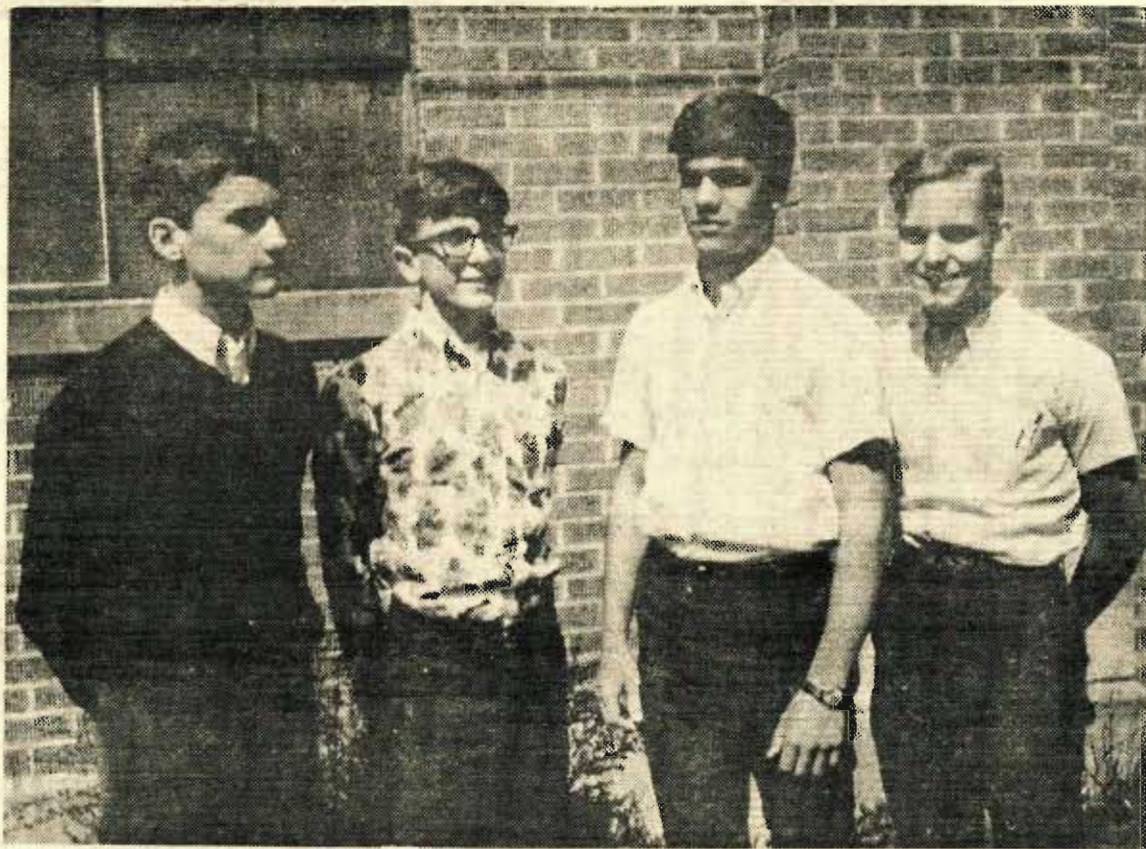

Ordinance No. 189 which prohibits the harboring of a ferocious or vicious dog within the limits of the Town of Culver carries with it a fine of \$10.00 for violating the provisions of the Ordinance.

Culver Community School Seeks Information On Beginning Students

In an effort to plan for children who will be attending the first grade or Kindergarten for the first time in September, 1968, in the Culver Community School District parents are requested to contact principals of schools at Culver, Monterey, and Leiters Ford (Aubbeenaubee School).

Parents of children who did not attend Kindergarten in 1967-68 and whose children will be six years of age on or by August 31, 1968, should call the school in their district. Those in Union Township and North Bend Township should contact Mr. Shelton Kaiser at the school, Telephone No. 842-3060. Parents in Aubbeenaubee Township should contact Mr. Howard Telephone No.

Culver Selects Boys' State Delegates For This Summer

Culver High School's delegates to the 31st Annual Hoosier Boys' State are Steve McCombs and Carl Strang. The alternates are Richard Snyder and Steve Kelly who will attend Boys' State if either of the two delegates are unable to do so.

Hoosier Boys' State, which takes place June 8-15, 1968, on the Bloomington Campus of IU, is sponsored by the American Legion. This program is designed to provide training in politics, and it gives each boy the experience of functioning in a representative government.

Steve McCombs, is the son of Mr. and Mrs. James E. McCombs, 317 W. Washington, Culver. He is a member of the National Honor Society, Letterman's Club, Student Council, Schoolbell Staff, and French Club. Steve also participates in basketball, and golf. He states that his main interests are government, politics, athletics.

Carl Strang, delegate, is the son of Mr. and Mrs. Ted Strang, 215 E. Winfield Street, Culver. Carl is a member of the National Honor Society, Latin Club, and track and cross-country teams. He is also an Eagle Scout.

Richard Snyder, alternate, is the son of Mr. and Mrs. Glen Snyder, R.R. 2, Culver. He belongs to the National Honor Society, Senior Band, the basketball team, and the cross-country team. Rich is also a member of the cast of this year's junior class play "The Matchmaker." His main interests include basketball, skiing, and swimming.

Steve Kelly, alternate, is the son of Mr. and Mrs. F. Norman Kelly, 310 College Avenue, Culver. He is a member of the Senior Band, National Honor Society, basketball team, and the track and cross-country teams. He is currently the junior class vice-president and also a member of the cast of the Jr. Class play.

It is an honor and a privilege to be selected as a Boys' State delegate or alternate, and these students are to be commended on their achievements.

From left to right are: Steve McCombs, delegates; Richard Snyder, alternate; Steve Kelly, alternate; and Carl Strang, delegate.

It's Smorgasbord Time Again!

It's smorgasbord time again! This is the word that went out to the members of the Marshall County Hospital Auxiliary a few weeks ago — and they have been busy preparing for it since that time.

Posters are out, tickets distributed and being sold and final plans being made by each of the nine units for its part in this annual affair to be Saturday, April 20, at the Plymouth High School cafeteria.

Serving will be from 4:30 to 8:00 pm with special quick service line for business people who must get back to work. Serving in general will be swift with little or no waiting in line. Carry-out service is also available but patrons are asked to bring their own containers for the food to be taken out.

All proceeds from the smorgasbord will be used for equipment at Parkview hospital. Tickets purchased ahead of April 20 will be \$1.50 and \$1.75 the day of the event. Children's tickets are 75c.

Mrs. Devon Thomas and Mrs. George Davenport are co-chairmen of the general arrangements and food with Miss Louise Ball treasurer and in charge of tickets. Mrs. James Smith will oversee the setting-up of the dining room with Mrs. Harry Rohrer in charge of the waitresses.

There were 1,350 served last year and the profits helped to purchase a circulating fan, air conditioner transformer, blender, coffeemaker, pay the balance on the Isolette electric typewriter, master control voice writer and the printing of the leaflets on the new Cardiac Care Unit.

Members of the auxiliary donated 5,394 hours of volunteer

service at the reception desk, feeding patients, book cart, TV service, mending, sewing, tray favors, stork tours, as well as the assistance of the candy strippers and minute men.

Tickets are available from any member of the auxiliary.

Culver Town Board News

In the only action taken by the Culver Town Board Monday evening, it was voted to cancel Ordinance 173. The ordinance had been seeking annexation of certain properties to the town of Culver. Mr. Lester Houghton and others who had demonstrated against this action have since changed their stand and wish to be included in the town of Culver. Since some landowners in this addition still do not wish to be annexed.

Sam Madonna of the Culver Police Dept. was instructed to see that needed repairs to the police car were made immediately.

Don Osborn, president, read a letter from Gen. Dobson complimenting the efficiency of the fire department in a recent fire that broke out in the kitchen of the CMA dining hall. In appreciation the letter contained an invitation to dinner for the firemen and their wives to be held at a future date.

The problem of surface drainage seeping into the sewage lines during heavy rains. There were some reports of sewage back-ups after a rain that would suggest that rain water might be getting in other sewers.

CLERK - TREASURERS OFFICE TO BE CLOSED

The clerk treasurers office will be closed for three days, Monday, Tuesday, and Wednesday of next week. (April 22, 23, 24)

Bestow Honor On Local Woman

Mrs. Eddie Amond of Culver, has been selected for the directory of the 1967-68 edition of Who's Who in American Education. This publication biographically lists men and women who have been in the education profession for five or more years and have done outstanding work in the fields of research teaching, or administration. Mrs. Amond is employed by the Plymouth Community School Corporation and is a member of the committee of five selected by the ten school corporations in Marshall and Starke Counties to survey the needs of handicapped children in the two counties. The purpose of this study is to determine what measures can be taken to aid the 1,600 children, ages 3 to 21 to insure educating them to their fullest potential.

Mrs. Amond stresses that the most important aspect of this program will be individualized instruction and personal attention. Of the 1,600 who need this instruction, there are now only 64 receiving this type of training.

To fulfill proper training for these youngsters, the committee has suggested the following: Classes for the educatable mentally retarded, classes for the trainable mentally retarded, speech and hearing therapists, class for the blind and partially sighted, classes for the deaf and hard of hearing, classes for the emotionally disturbed, a physical therapist, and itinerant therapist for students with learning disorders. The greatest problem will be classroom space and qualified personnel to bring out the capabilities of each student.

Mrs. Amond, who became interested in the handicapped child while in high school, has been very active in this specialized field and was called in to organize the Marshall-Starke Development Center at Plymouth. She received a bachelor of science degree in Elementary Education from Valparaiso U. and a master of arts degree in Speech Pathology from Western Michigan U. in Kalamazoo.

Culver can indeed be proud to have this exceptional young woman as a member of the community.

State Tourism Official To Meet With Chamber Of Commerce Monday

The Culver Chamber of Commerce will hear our state's plans for the development of the tourist industry at its next session, Monday, April 22, 12:00 noon at the Culver Inn. Miss Dorothy Wentz of the State Tourist Bureau will be present to discuss our state government's efforts in this program. Miss

Wentz represents the state bureau and works with the State Chamber and local chambers throughout the state.

Chamber President Carl Baker indicates that this meeting is open to the public as well as members of the chamber. Reservations for the luncheon may be made by calling 842-2900 or 842-2700.

Paul Harvey To Speak In South Bend April 27

analyst, will appear to lecture at the Morris Civic Auditorium on Saturday, April 27, 1968, at 8:00 a.m. Harvey's appearance here is sponsored by the Bethel College Music Lecture Series.

Paul Harvey, ABC's top news Harvey's vast background and experience in radio stems from his early start in the industry and his profound concentration on the work to which he is devoted. He was in high school when he began announcing at KVOO in Tulsa. He continued announcing while attending Tulsa University.

For a while in his early career he managed a radio station in Salina, Kansas, which in those days meant announcing, selling, and programming. He did news broadcasts in Oklahoma City, and went to KXOK in Saint Louis as a special events director. Thus Harvey became thoroughly schooled in all phases of broadcasting before specializing in news reporting.

According to Paul Harvey, his most important experience in St. Louis was meeting Lynne Cooper, a Phi Beta Kappa with a B.A. and M.A. from Washington University in St. Louis. Miss Cooper is now Mr. Harvey's wife.

Harvey went to Hawaii for special broadcasts when the Navy concentrated its fleet in the Pacific in 1940. Subsequently, Harvey was the Director of News and Information for Michigan and Indiana before his enlistment in the Air Force. He received a medical discharge in 1944 and, with Lynne, headed for Chicago. Their son was born in Chicago in 1948.

At the end of his first year in Chicago, Harvey's news broadcast received top listener rating and popular polls have been showing him warm appreciation ever since.

Tickets for Harvey's lecture here may be obtained from the Bethel College Fine Arts Office, 259-2447, Extension 66.

Scout-O-Rama Set For May 18 In Plymouth

"Discover American through Scouting" is the main theme for the seventh annual Boy Scout Scout-O-Rama, to be presented in Plymouth's Centennial Auditorium May 18th.

John Eckert, chairman of the event for the sponsoring Plymouth Jaycees, reported that the organizational meeting for the event took place March 30th. Eckert also said that more than 15-Hundred Scouts in 47 Scout units will participate in this year's event.

Megominee district scout executive Dave Smith said that more than five thousand persons from the area are expected to

attend this year's Scout-O-Rama.

The Scout-O-Rama will run from 2 until 9:30 p.m., Saturday, May 18th, at Centennial Auditorium in Plymouth. Tickets for the event . . . distributed to the scouts April First . . . are now on sale from any scout of the district.

ISU Will Hold Orientation Sessions

Indiana State University will hold 10 two-day summer orientation and registration sessions for all new 1968 students. Students who will be entering ISU for the first time in the first summer term or the fall term are required to attend one of the sessions to complete their course schedule for fall and get acquainted with the campus. They will stay overnight and have their meals in university residence halls.

Parents are invited to accompany their sons and daughters to the campus to get a brief look at university life. They will be lodged on separate floors of residence halls and participate in parents' information sessions.

Dates for the summer sessions are June 20-21, June 24-25, June 27-28, July 1-2, July 29-30, Aug. 1-2, Aug. 5-6, Aug. 8-9, Aug. 12-13 and Aug. 15-16.

The Aug. 5-6 session is reserved for those who plan to participate in music activities during the fall semester and the Aug. 15-16 session is reserved for students transferring from other institutions.

All students who have been admitted to Indiana State will receive an application card for selection of a summer orientation session.

Some Home Improvement Plans Given

If you're needing more closet space, consider making a room divider with built-in storage, partitions your broom closet or you might even want to build a new closet.

Such home improvements as these can be family "do-it-yourself" projects with a modest expenditure for tools and simple plans.

An easy to read and understand book with ideas and plans for everything from a closet shelf to a lazy Susan for that unused corner in the kitchen can be yours for a nominal charge. "Home Improvement Plans" is available from Purdue University's Farm Building Plan Service.

Order copies from the Plan Service, Department of Agricultural Engineering, Purdue University, Lafayette, Ind. 47907. Or, you may obtain a copy at your county Extension office.

If you have hesitated to undertake home improvements because you don't know what size nails to ask for, how to hinge a door or how deep a closet should be, the publication can help you.

It even includes plans for a home workshop so you'll have a place to store and use tools for future projects.

Lookout Now For Termite Swarming Time

From now to mid-May look out for swarming termites.

Tom Parker, Purdue University extension entomologist, points out that the winged swimmers resemble flying ants. But, he adds, they can be identified easily by the presence of four white wings of the same length. Too the termite's body does not have a pinched waist as does an ant. Instead the termite's body is about the same width throughout.

Many times the swarming termites can be seen coming from a crack in the basement floor or at the base of the house foundation. The colony is living in soil beneath the house and these swimmers are out searching for a new location to colonize, Parker explains.

The workers of the colony are responsible for the damage to the building. These small, white, soft-bodied insects tunnel through the wood consuming it as they go. Many times they construct tubing from sand particles.

If termites are suspected, consult a professional exterminator immediately, suggests Parker. He will inspect the premises thoroughly and make recommendations on the basis of his findings. In no instances, says Parker, should the homeowner attempt to control termites without professional help.

Details of pretreating for termites and termite control in existing buildings are contained in two Indiana Cooperative Extension Service publications, E-4, "Pre-treatment Termite Control," and E-5, "Termite Control in Existing Structures." Single copies are free to Indiana residents, who may obtain them from county Extension offices or from

Charles Hartle Dies After Short Illness

Charles R. (Bob) Hartle, 39, R. R. 1 Argos, died Thursday, April 11 at 12:25 a.m. at the St. Joseph Hospital in South Bend after an eight week illness.

Mr. Hartle was born to Charles Aug. L. and Clara (Kepffer) Hartle, Aug. 24, 1928 in Starke County and has resided in the Argos area the past three years coming there from Monterey. He was engaged in farming.

He was married to Signe Smith who survives with three sons, Ricky, Steven and Robert; two daughters, Pamela and Janise, all at home; his father, Charles L. Hartle, Culver; five brothers, Keneth, Rochester; Leland, Warsaw; Richard, Culver; James, Plymouth; and Paul Hartle, Monterey; and four sisters, Mrs. Imogene DeWitt, Lafayette; Mrs. Dorothy Young, Elkhart; Mrs. Joan Lowell, Niles, Mich.; and Mrs. Rosella Boehoeffer, Rochester.

Services were conducted Sunday at Santa Anna Methodist Church with Rev. Calvin Daniels, pastor, officiating. Burial was in the Leiters Ford Cemetery. The Easterday-Bonine Funeral Home had charge of the arrangements.

FIRE DEPT. NEWS

The Culver Fire Dept. answered calls to two grass fires last week and on Tuesday afternoon this week, they were called to extinguish a fire in a wooded area west of Osborn Feed and Grain. Tuesday night were called south of town when a truck caught fire.

Culver PTA Elects Officers At Meeting

The final meeting of the 1967-68 Culver PTA year was held Tuesday, April 9 in the Study Hall with Vice President, Mr. Donald Taylor in charge. The secretary's and treasurer's reports were read and accepted, the treasurer reporting a balance of \$584.55.

Mr. Taylor gave a brief report on the progress of the new school building, stating that construction was on schedule but that the building and grounds were not in condition at this time to permit holding the PTA Open House originally planned as part of the April meeting. He also stated that PTA dues for next year will be 75c because of an increase in state and national dues.

After discussion of whether to have a PTA Carnival this year, the majority of those present voted to postpone it until next year.

The attendance prize went to Mr. Horban's Grade 4.

The report of the nominating committee given by Miss Ruth Shanks listed: Mr. Edward Torok, President; Mr. James Leach, Vice President; Mrs. Ted Strang, Secretary; Mrs. Ruth Barton, Treasurer; Mrs. Jerome Zechiel, Jr., Hospitality Chairman.

There being no further nominations from the floor, the slate of officers was accepted as presented.

Several members stressed the necessity of greater interest and participation in PTA if the community is to continue having an organization of this type.

The speaker of the evening, Dr. Donald Faulkner of the Culver Military Academy Medical Staff spoke on the subject, "What's Important in Preventive Medicine." He outlined various items that he would stress at different ages to help insure a healthful life and also answered questions from the floor.

Following adjournment refreshments were served by the following committee: Mrs. Robert Lindvall, Mrs. Robert Boswell, Mrs. E. C. Lewis, Mrs. Herbert Newman, Mrs. Kenneth Shei, Mrs. Milton Hughes and Mrs. Edward Kowatch.

CORRECTION

An error on our part in the news of the Maxinkuckee Federated Junior Women's club, stated that Mrs. Latham Lawson had been endorsed for the office of State Junior Secretary. This should have read Mrs. Latham Lawson had been endorsed for the office of State Junior Director and Mrs. Ronald Tusing had been endorsed for the office of Junior State Secretary.

Mrs. Flora Smith Gives Scrapbooks To Culver Library

Mrs. Norman Scruggs would like to announce that the many scrapbooks of Mrs. Flora Smith are now in the Culver Town Library.

Mrs. Smith who celebrated her birthday Saturday, April 13 was born in 1879 and does not remember just when she started her collection. It is obvious that many hours of work went into these books that contain articles dating from the 1890's. As the stack of books grew, she found an old-fashioned refrigerator to store them in and continued clipping and pasting anything and everything of interest. She recalls that whenever anyone wanted information on old school mates for the alumni banquets, they asked her because they knew the information would be in her books. Pictures of the graduation classes, stories of prominent people, editorials, grocery store ads from World War 1, and many more items are all there in that fabulous collection.

She started this hobby because she felt that she would like to reread these articles when she was older. So many people asked to have one of her books that it was impossible for her to choose just who should have them. She decided to donate them to the town library so that everyone could enjoy them. Since April 21 to 27 is National Library Week, this gift is especially appropriate. Mrs. Scruggs hopes to have a special bookcase for them soon.

We caution everyone to become

completely absorbed when they open the first pages of these accounts of past events.

At Last - For Six Months Anyway

It almost seems to good to be true, but it looks like Indiana will have another six months of everyone being on the same time. Coming on Sunday, April 28, the move to Central Daylight Savings Time or Eastern Standard Time, whichever you happen to call it, will be the end of confusion for a while.

It seems that maybe someone has read a few letters, answered a few phone calls or at least had enough sense to realize that butchering a state right through the middle with a zig zag line and declaring this half on one time and the other half on another, really doesn't make too much sense. At any rate, the Department of Transportation has quited things down for a few months anyway at no threat of the "double fast" time now stands in the way from the last Sunday to the last Sunday in October.

However, the battle isn't over. This seems to be just a temporary thing to take care of the problem that is immediately ahead. In all probability, the same old fuss will be made next October when once again many cities and towns on the Eastern half of the state will show their preference for fast time and not as many, but a good percentage of the populated area on the western half of the state will decide to stay with Chicago once again in the muddled up time situation.

Until some declaration of satisfaction on the time issue can be made and some teeth put into the law, Indiana probably will continue to be a time-riddled state. But right at the present, we are going to look forward to asking someone just simply, "What time is it?" not what time is it and then What time is that!

Voice Of The People

Dear Editor,

Finding one new friend can give a whole new outlook on life!

Because there are people in every area who are somewhat isolated from personal contacts, our inter-denominational church sponsors a Friendship Center by Mail.

We especially desire to correspond with the elderly, shut-ins, and lonely, but we'll be glad to hear from anyone interested in writing us.

Sincerely,

D. L. Handt, Pastor

CULVER COMMENTS

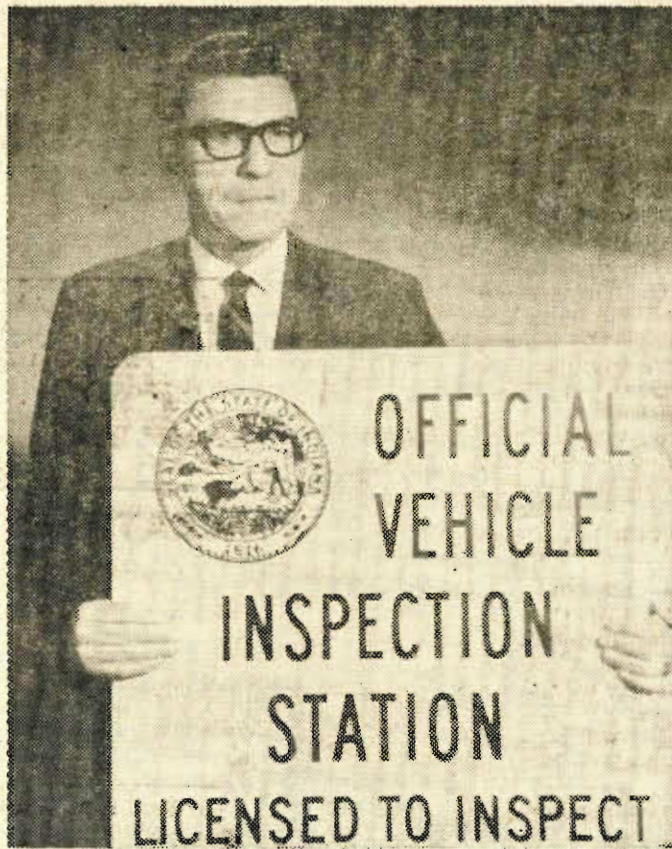

Does your street look like it has been bombed? When you drive do you zig-zag like a drunk to avoid the pot holes in the pavement? Then you definitely live in this area. Until help arrives you might apply a asphalt band-aid to the wound in front of your house; then take a couple of aspirins and lie down.

We most assuredly could use another town employee on a temporary basis. The main requirements are that he hates coffee and owns a large net to catch the stray dogs that are running loose.

There is so much dirt on Main Street that everytime a car goes by the office it looks like a sand storm in the Sahara Desert. Maybe eventually it will drift into the booby traps in the street.

It may be a sign of old age to reminisce, but it's wonderful to think back to the time when the

State Moves Forward In Planning For Mandatory Vehicle Check

State vehicle inspection department director Willard L. Walls announced this week that when the state's mandatory vehicle inspection program gets underway in January, 1969, motorists may voluntarily take their vehicles to any inspection station during January and February to get their certificate of inspection.

In March, motorists whose plate numbers end in digits 1 or 2 must have their vehicles inspected that month. In April, inspectors will check vehicles with license plate numbers ending in 3, 4, or 5. Motorists whose plate numbers end in 6, 7 or 8 will be inspected in June. In 1970, motorists will be required to present a valid inspection certificate before they can purchase license plates. The inspection fee will be \$2.50.

only thing that was mini was a mouse.

As long as my husband does not read this column, I think it was pretty sneaky for someone to tell him what was in it. He is getting downright insulting. I may have put on a little weight this past winter but I think it is going to far to say that every time I put on my girdle I shoot up three inches in height.

A pox on the woman that called me and said that Ruth Mackey and I deserve one another — that was the nastiest crack I ever heard.

HELPFUL HINTS — If you ladies are having a wee bit of trouble convincing your husband that you need new clothes this season, you might try this one that worked wonders for me. The very next time you are out socially in a crowd — (the larger the better) mention loudly that you don't have a thing to wear. If he is a husband, he will pounce right in and state that you have plenty of clothes. Now look a him lovingly and say, "I know, dear, but not too many wives have to wear their husband's old underwear." If you don't get immediate results just be sure that everytime he comes home in the evening you are wearing one of his old T-shirts. He'll be in shock before the week is over.

HOROSCOPE — This is a fine week for driving bargains - but try to get them at a reputable used car lot. Proceed with confidence in money matters, only your creditors will know for sure. Don't gossip, anything you say can be used against you. Try not to get over a barrel; better stay out from under it too.

After all the recent grass fires, the first siren finally had a nervous breakdown last week. Even after emergency first aid it could be heard moaning feebly into the night.

Things bothering you? Angry at the world? Call us at 842-2297 and blow off a little steam.

Walls also reported that many requests for applications are being received from garages, service stations and individuals interested in establishing inspection stations. Applicants must show they are mechanically qualified and that they can provide adequate space, personnel and equipment to inspect. In addition, they must pass investigation by the State Police motor vehicle inspection division.

Inspection stations, depending on their qualifications, may be licensed to inspect one, all or any combination of four classes of vehicles. The classes are as follows:

Class A: Passenger vehicles and light commercial vehicles up to and including one ton weight.

Class B: Commercial vehicles over one ton and oversize vehicles.

Class C: Motorcycles.

Class D: Foreign made vehicles.

The official inspection station sign will indicate at the bottom what type of inspections each station is qualified to conduct. Walls added that only one license is required regardless of how many classes of vehicles a station is equipped to inspect.

Walls urged that qualified persons interested in operating an inspection station apply as soon as possible. There will be approximately 4,000 inspection stations throughout the state, he said.

Salmon Fishermen May Also Land Trout

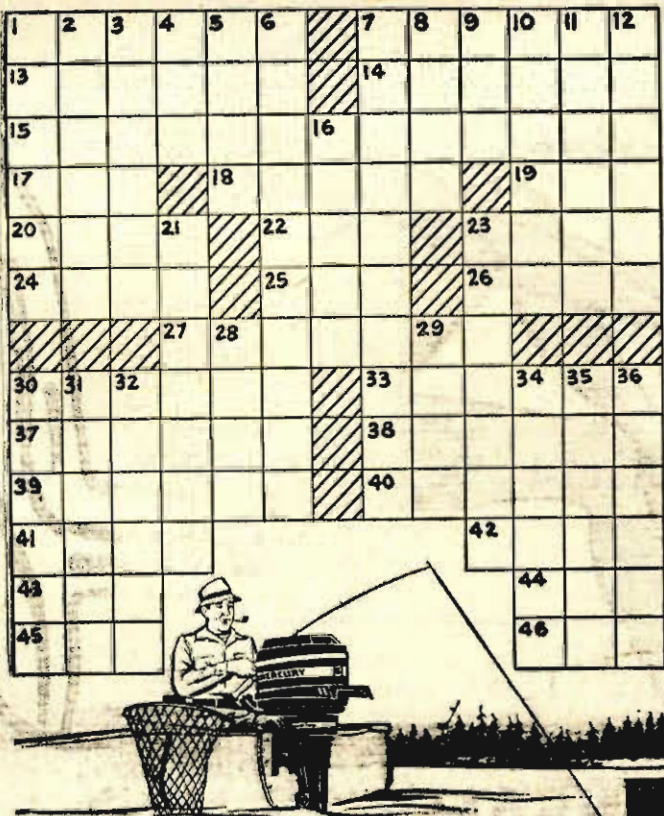

Fishermen trying their luck this spring for salmon in the Indiana waters of Lake Michigan are reminded by the Indiana Department of Natural Resources that they have a one-in-ten chance of landing a trout as well.

Reports this week from biologists of the Indiana Division of Fish and Game indicate that the salmon and trout have moved into the south end of Lake Michigan. They are not taking the baits of the sport fishermen with much enthusiasm as yet but should start biting as soon as the ice clears out.

Very few fishermen can distinguish between a salmon and a trout, the Department points out, so it would be wise to purchase a trout stamp and stick it to your fishing license before you board your boat in Lake Michigan. Present law requires a \$2 trout stamp affixed to an Indiana fishing license when taking trout from Indiana waters. The stamp is not needed to catch coho or chinook, which are not trout but are members of the salmon family. Trout stamps can be purchased from County Clerks and other authorized license agents.

Tri Kappa Is Busy In Culver

The Tri Kappa Organization had their regular monthly meeting Monday evening, April 15 at the home of Mrs. James Piersol, with 39 members present.

The Scholarship Bridge which was well supported by the local community, provided ample funds for a number of scholarships. The members present voted funds for the following: the usual Nursing Scholarship; a \$60.00 Riley Campership for handicapped children; a Vocational scholarship; a \$60.00 scholarship for a local student to attend the Indiana University Music Clinic; and, a donation of \$100.00 to a special school for emotionally disturbed children which is in the field of Mental Health, in which this organization is vitally interested.

A donation was also made toward the new Burn Ward being established by the James Whitcomb Riley Memorial Hospital for Children, and which is being furnished by the Tri Kappas of the State. A donation of \$2.00 was made toward the art cart which is to be established and an other \$15.00 toward works of art which are to be hung permanently in this ward.

Announcement was made of the Province Convention which is to

be held June 5th in Plymouth, Indiana and all members were urged to make plans to attend, if at all possible.

Delightful spring-like refreshments were served from a table centered with an Easter Egg tree decorated with Mrs. Graham's unique and lovely Easter egg collection. Assistant hostesses were: Mrs. Hampton Boswell, Mrs. Gerald Graham, and Mrs. Joseph Clyne.

The next meeting will be held at the home of Mrs. John Henderson on May 20th. Assistant hostesses are: Mrs. Robert Reichley, Mrs. J. Dick Newman, and Mrs. George Ogden. This is one of the very important meetings of the year and all members are urged to be present. In the meantime, please watch for a very important announcement which will appear in the paper in the very near future.

Roger Wise Heads District Rural Carriers

On Saturday, April 13th, Mr. and Mrs. Roger Wise and Donald Osborn of Culver attended the Marshall-St. Joseph County chapter meeting of the Indiana Rural Letter Carriers Association at Shori's Restaurant in Plymouth. A delicious dinner was served to the members of the chapter and the Ladies Auxiliary. Following the dinner, a tour of the Holy Land was taken via slides and commentary by Miss Ruth Hillier of Niles, Michigan, who visited there as a member of the Bibleland Seminary Tour. This was a particularly apropos presentation as many of the slides presented the viewers with almost life-like scenes of the Garden of Gethsemane, the cities of Jerusalem and Nazareth and many others which brought most vividly to mind in this Easter season.

After the most interesting presentation by Miss Hillier, the men and women adjourned to separate meetings, which were both highlighted by the election of officers for the coming year. Mr. Wise was elected president of the local chapter, along with Mr. Oliver Rockwell of South Bend as vice-president and the re-election of Mrs. Dewey Martin, of Bremen, as secretary-treasurer.

Only one office in the Ladies Auxiliary was open for election at this time, that of secretary-treasurer. Mrs. Cecil Johnson was re-elected to this office after a motion was made by Mrs. Wise to cast a unanimous vote of the Auxiliary for her re-election. Plans were discussed by members to attend the state convention of the Indiana Rural Letter Carriers Association to be held June 30 - July 2 at Fort Wayne.

The meetings were adjourned to be re-opened on July 6 with the newly-elected officers assuming their duties.

News Tips From The Monterey Public Library

The Monterey Tippecanoe Public Library will be closed on Friday, April 12 in keeping with holiday of Good Friday.

The Easter Story Hour will be held at the Monterey Library on Saturday, April 13 at 1:30 p.m. The children are asked to dress in play clothes. All children of the community ages of 3 years old thru 4th grade are welcomed to attend and participate in the activities with the regular members. April birthdays will be observed at this time. National Library Week will be discussed with the children by Mrs. Zehner Librarian.

The Monterey Library has a new look about the interior. The shop class under the direction of Mr. Steven Brown have removed the varnish, sanded, and re-varnished all of the wooden chairs. They are now working on the tables. Spring is really here.

Mrs. Claire Zehner attended a meeting at St. Mary's College on Wednesday to help prepare a program for the District meeting to be held there in June.

OES NEWS

The Emily Jane Culver Chapter Order of Eastern Star met in the Masonic Hall on Tuesday April 16. Mrs. William Kose, Worthy Matron and Mr. Judson Dillon, Worthy Patron, presided in the East.

Mrs. Ann Gregory was escorted to the altar by Mrs. Graham, Marshall, where she was installed as Chaplain by Mrs. William Kose for the ensuing year.

The Eastern Star Auxiliary will meet in the home of the Misses Edna and Osie Stahl on Tuesday, April 23 at 7:30 p.m.

Refreshments were served by Mrs. Max Geiger, Mrs. William Allen, Mrs. George Becker, Mrs. James McAllister, and Mrs. Hilda Masten.

Home fire rehearsals are necessary to a polished performance, in case occupants are called upon to perform in a real-life fire drama. We advise that knowing exactly what to do, what escape routes to follow, is a vital safety measure for every member of the family.

Announcing Chevrolet's new Torque-Drive.

Nobody else offers anything like it at the price.

Torque-Drive does away with the clutch pedal. Most of the shifting, too. And for the most economy, it's available exclusively on all Camaro sixes and Chevy II

Nova 4- and 6-cylinder models.

Look how simple it is. You accelerate in 1st; then shift to Hi for cruising. That's all.

If you like, you can even start in Hi.

And accelerate from standstill to cruising speed. It's just a little slower that way.

The shift lever is conveniently located on the steering column, and there's a selector quadrant with easy-to-read indications: Park-R-N-Hi-1st. Only your Chevrolet dealer has it—clutchless driving at only \$68.65.

The first no clutch one shift \$68.65*

Eight-Year Old Killed In Car-Train Accident

A car carrying three children from one family, hit a passenger train on the Baltimore & Ohio Railroad last Friday evening, killing one person and critically injuring another. Mary Jo Cartwright, 8-years old, died in Parkview hospital, Plymouth, of injuries she suffered in the accident.

According to investigating authorities, Francis Cartwright, 16-year old driver of the car, was southbound on Quince Road, one-half east of Teegarden, at a speed of 60-65 mph when he attempted to stop for the train. The brakes locked, sending the car into a skid and it slid several hundred feet into the fourth passenger car of the eastbound passenger train.

The car was demolished and the accident went unnoticed by the train until it was stopped in Garrett. The engineer of the train was E. L. Partee and his conductor was C.S. Johnson, both of Garrett.

Mary Jo, Francis and another brother, D. J. Cartwright, 7, were

all taken to Parkview hospital where Mary Jo died at 7:25 of the injuries sustained. D. J. Cartwright was transferred to Memorial hospital in South Bend with multiple injuries. Francis was treated at Parkview and released for body bruises and lacerations.

Mary Jo was born in Plymouth Oct. 8, 1959. She was a student at Tyner School.

Surviving are her parents, Mr. and Mrs. Jess Cartwright of Rt. 2 Plymouth, two brothers, D. J. and Francis Cartwright, three sisters, Mrs. Kenneth Schmitz of Rochester, Levita Ann Cartwright of Culver and Tammie Sue at home; her grandparents,

Mr. and Mrs. Nicholas Carpenter of Culver, and great grandfather, Les Carpenter of Rocester.

Services were held at 1:30 p.m. Monday in the Johnson Funeral Home, Plymouth, with Rev. Glen Mitchell, pastor of the Assembly of God Church, Rochester officiating. Burial was in Oakhill Cemetery, Plymouth.

PUBLISHED WEEKLY BY THE
PRESS CLUB OF CULVER HIGH SCHOOL

Hello, you rosy people. Gather round and listen to the latest.

Spring has sprung and so have the seniors. They're starting to catch the FEVER.

It seems the senior boys had a groovy time in New York spending their time outside of GO-GO joints. The scenery seemed to be quite impressive.

Hey Susie Thews, do you always sleep on the floor? Oh, just on trains.

Some of those pictures from the trip were real humdingers. Especially Karen S. She sure is photogenic.

We hear the juniors are having a blast in their 'farce in four acts.' Kerry seems to have a problem of balance. He keeps falling on his knees chasing after Norma. Some guys get it bad, we hear. Then there's Richard. He keeps yelling 'PUDDING, PUDDING'. Sounds like the play is a real swinger.

In behalf of the student body we would like to ask you, Sam J., "Do your feet ever get cold?"

Mary had a little lamb, but Norma's got a little dog that follows her to school. Must be your perfume, Norma.

The junior girls say, "Hi!" to Donnie Wood.

Saturday night Richard's house was invaded by strange creatures tapping on his basement windows. Sadly they turned out to be just junior girls.

Hey Craze, do you always stretch your neck while you play cards? Quite interesting.

Saturday night was really hopping. One senior boy, two sophomore boys, one freshman boy and two sophomore girls got stuck in

some mud when they were exploring. Wouldn't ya' know that the driver was a senior? (Names withheld to protect the guilty).

We hear that some seniors got called "dum caucacians" on the subway trains. What were you guys doing to the poor man reading Arabic? For details contact Suzy, Tim Stu, Ana, Linda or Jack.

Hey Dave Campbell, that is a cool jeep you have there! I can't see why one can't drive a jeep that doesn't have doors, windshield, license plates, brakes or mufflers.

By the way, Donny Wood, why don't you do something about all that mud in front of your house?

Some seniors had a tuff time trying to sleep in the observation car, while others had a harder time trying to sleep at all, right Stu!

Hey Terry P. what's wrong with your car? Looks like you've gained too many pounds and now your car is lopsided.

Well the time has come to end this week's news. See ya' all later. HASTA LUEGO.

SENIOR TRIP

By Suzi Riester
Mike Wynn
Susie Donnelly

Fifty-two eager seniors left LaPaz for Washington, D.C. on the Capital Limited. Sunday evening March 24 at 7:03 p.m. The Limited chugged into the scenic Washington B & O terminal at 9:49 Monday morning. We loaded on two D. C. transit buses and toured Washington for the remainder of the day. Our last two stops were at Arlington Cemetery and Mount Vernon. From Mount Vernon we traveled through scenic Virginia enroute to our hotel in Williamsburg.

The next day we toured historic Williamsburg and Jamestown, where we relived the establishing of the first permanent settlement in America. That night we bussed back to Arlington to spend the night.

The next morning we left for New York City (hooray). We arrived at noon, hungry and unfed. After checking into the long established Taft Hotel, we began

our tour of New York. Upon the tour we arrived back at the hotel in time to eat supper. Our first night in glamorous New York was spent at Radio City Music Hall, where we saw a first-rate Walt Disney musical and the special Easter show. The rest of the evening was ours to do what we wanted to. Thursday morning we visited the famous Statue of Liberty. The magnificent view from the top of the statue made the exhausting walk up worth while. After a visit to the Empire State Building the rest of the day was ours to spend shopping, watching the people, visiting the stock exchange, and touring other famous sights.

Friday morning we bussed back to Washington and caught the Limited for home. At 8:34 Saturday morning we finally arrived at LaPaz after spending a restful night on the train. This was the end of the magnificent trip everyone had worked so hard for and dreamed so much about.

Monterey High School News

The students of Monterey High School were entertained Wednesday morning by a film entitled, "The Power of the Resurrection." This was an hour and a half long film concerning Easter and its origin. The film which was sponsored by the Student Council, was based on the theme of the crucifixion and resurrection of Jesus Christ.

Following the Easter film another film was shown to the high school students. It was presented by Ralph Winters, representative of the Monterey Lions Club. The film concerned the donation of eyes for the blind. Because of the unselfishness of one woman, a small boy was granted his sight. Following the film, which was entitled "Boy with a Blindfold," Mr. Winters explained how anyone can donate his eyes and where they can obtain information about the eye bank. Eye tissue is obtained by the blind free of charge, and here is a great demand for it now. If anyone is interested in this program he should contact any member of the Lions Club which sponsors the eye bank in Indiana.

Ideal Ladies Party

By Ana Barrabes

The Sunshine Society's annual Ideal Ladies Party was held Friday, April 5th in the Culver gymnasium. There were approximately two hundred ladies and girls attending.

Susie Donnelly, president, welcomed everyone and explained the meaning and purposes of the organization. She then talked about the projects the Sunshiners have completed and those they are planning for the future. Following this the SSS song was sung and the creed recited.

The keynote speaker of the evening was Mrs. Veragrace French of South Bend. She spoke on the different types of personalities found in girls, using different hats to portray each of the different characters. Mrs. French was amusing in addition to her good insight into human nature. Everyone enjoyed her very much.

Karen Banks, who had been chosen "Girl of the Month" in January was crowned the "Sunshine Girl of the Year" and presented with a corsage and the Sunshine bracelet.

Each of the girls then came up to the microphone and told who her Ideal Lady was. Last fall every girl in the Society selected the Lady she felt typified the perfect image for her to pattern her life after. Throughout the year the girls sent their Ideal Ladies cards and gifts for the various holidays, yet never revealing their true identities.

Miss Ruth Shanks and Mrs. England, sponsors of the club, were given gifts as tokens of the appreciation for all they have done for Sunshine.

To make the party complete, refreshments were served.

Sunbeam Party For Secret Teachers

All winter the morale of the teachers of Culver Junior High School has been bolstered by the pleasant little notes, cards, and gifts, which they found scattered about their desks and mail boxes. These contributions were always addressed, "to my secret teacher" and were signed, "Your Secret Sunbeam."

On April 10 at 3:45 p.m. the mystery was cleared up at a party at which the members of the Sunbeam Society, a new organization for the girls of Culver Junior High School revealed their identities to their secret teachers. The faculty members were served punch and cookies by their secret sunbeams.

Sponsors of the new organization are Mrs. Linda Ulrich and Miss Emily Wilson.

Combined Bands To Perform Sunday, May 5

By Vicki Clifton

Culver, Monterey, and Aubbee High School Bands will present a combined concert Sunday, May 5. Both directors, Mr. Byfield from Culver and Mr. Moon from Monterey and Aubbee, will direct a wide variety of music including "Trumpts Ole" featuring the trumpet section and "Riffin the Blues" featuring trumpet, tenor saxophone, and trombone solos.

Monterey and Aubbee band members came to Culver, Friday, April 5, for a two hour practice session and another one is scheduled for April 26. Everyone is working hard to make the "Spring Music Festival" a big success.

Two Seniors Honored

By Susie Thews

Two Culver High School seniors, James Taber and Susan Donnelly, have been chosen for recognition in the national publication, "Merit's Who's Who Among American High School Students, 1967-1968."

Graduating seniors qualify for this honor by only two methods. They are either recommended by their faculty for outstanding achievements, or they are selected by the editorial board of the Merit Publishing Company for receiving national recognition in scholarship or awards competition. This book is sent to colleges, universities, public and institutional libraries, and leading corporations throughout the nation.

It should be noted that less than 5% graduating seniors across the country are selected for this honor. Jim and Susie, who rank number 1 and number 2 in their class, are to be highly commended for this achievement.

"MHS" LAST SENIOR TRIP

By Marsha Redlin

I think that I can speak for the whole Senior Class of Monterey High School in saying that our Senior Trip was truly memorable and rewarding.

We left Sunday evening, March 24, from Monterey and arrived in Washington D.C. early Monday morning, having flown there from O'Hare Airport. We spent Monday and Tuesday touring different points of interest in Washington. Some of the sites which we saw were the Arlington National Cemetery, Ford Theater, the Max Museum, Smithsonian Institute, the Supreme Court

Building, the Washington Monument, and many others.

Tuesday afternoon we left Washington for New York City. It was still quite early when we arrived at our hotel so most of us went for walks about the great city.

Our tour of New York began around 2:00 p.m. on the following day. Among the different places which we visited was the Radio City Music Hall. Here we saw a world premiere movie and an Easter stage presentation featuring the world-famous Rockettes. Our tours of New York also included the United Nations Building, China Town, a cruise to the Statue of Liberty, Lincoln Center, The Empire State Building, and many more.

The days were very busy ones. We did not get much sleep, but we didn't want to miss anything either. I hardly think that we saw even a small fraction of the great places in these cities, but I would say that those which we did see were worth the extra effort that we so willingly gave.

Monterey Fourth Graders Write Original Poems

These poems were composed by the students of Mrs. Richter, teacher of the fourth grade at Monterey.

What We Plant

When We Plant Trees

We plant millions of things when we plant trees

We plant a church that we weekly see

We plant the white house, the President's home

We plant million of things when we plant trees

We plant a squirrel's home when we plant the tree

We plant the girl's bed when we plant the tree

We plant millions of things when we plant trees

We plant books that we read and read

We plant the trees that make part of the breeze

We plant millions of things when we plant trees

By Mark Wamsley

Fourth Grade

Trees Trees Trees!

What do we plant when we plant trees?

We plant the toys which we play with.

We plant the play brooms for little girls to play with

We plant the wagons for boys to play with

We plant the boards for boys to make things with.

We plant the wooden horses for girls and boys to display

We plant the trees so children can play.

We plant paper to write on.

We plant books to learn from.

We plant furniture to sit in.

We plant fruit so we can have good meal.

We plant pencils so we can write a poem

We plant globes for science.

We plant buildings to work in

We plant shade for coolness

We plant rubber for tires.

We plant so many wonderful things

We plant the trees that are beautiful and useful

We plant so many, many wonderful things.

Double action bars give the
REMINGTON
MODEL 870
PUMP SHOTGUN
its lightning-fast operation

At least once every minute this season, some hunter will be using chain lightning to connect with his bird. And the double action bars on a Remington Model 870 pump shotgun will have paid off again.

Double action bars give the 870 its lightning speed and effortless action. Over a million 870 shooters can so testify. And they can tell you some other solid facts: A receiver machined from solid steel. A breech block that locks into the barrel extension. A finish that looks like a million.

Golf Captain Is Only Returning Letterman At CMA

Coach Thomas E. Baker talks with his captain and only returning letterman, Rick Durkes, in front of Culver Military Academy's new clubhouse. Supported by former junior varsity players, John Bidulph and Jim Dunstan, and new member Doug Fischesser, Culver has 16 dates on its schedule.

Culver Military Academy's golf team will challenge three of Indiana's top five teams in a season beginning last Saturday (April 13) at home against fifth place South Bend Riley, Wabash and Warsaw. They also plan to meet first place Madison Heights of Anderson and second place LaPorte in addition to playing in five tournaments.

Culver scored a 14-4-1 season last year, but the Eagles lost five players to graduation and two to ineligibility. The only returning letterman will be captain Rick Durkes.

Coach Thomas E. Baker said that his team would obviously be in a "rebuilding year, and our competition speaks for itself. We play one of the toughest schedules in the state.

"We expect power from defending state champ Madison Heights and perennial tough teams South Bend Riley, Warsaw, LaPorte and Logansport."

Highlight of Culver's home events will be the Academy's 36-hole invitational, May 11. Fifteen teams, making up 20 threesomes, will again rotate play between the Academy course and the Maxinkuckee Country Club.

Culver Military Academy Golf Schedule for 1968:

Jerry Planutis Is Named To CMA Faculty

Gerald R. Planutis, head football coach at South Bend John Adams High School, has been appointed to the faculty at Culver Military Academy.

Academy officials said Planutis will join the faculty sometime in June and serve as an instructor during the 1968 session of the Culver Summer Schools. His main responsibility during the Winter School beginning next September will be as a counselor and he will also be a member of the athletic staff in a position yet to be determined.

Planutis is a former Michigan State University football player who played halfback under Coach Duffy Daugherty. He played for the Spartans in two Rose Bowl games, played one year of professional football with the Washington Redskins, and was honored by receiving the citizenship

award in the Hula Bowl.

Planutis has been at South Bend Adams for seven years and indicated he was accepting the

position at Culver in order to gain more experience in school administration. As a counselor at the Academy, he will be responsible for some 75 students in his organization along with his assigned duties with the athletic department. It is expected that Planutis will serve on the football staff under Head Coach Russell Oliver.

A Michigan State graduate with a Bachelor of Science degree in physical education, Planutis went on to complete his master's degree in school administration at East Lansing. He has done additional graduate work in education at Indiana University. Planutis served a year as assistant intra-mural director at Michigan State and coached for a year at Monroe (Mich.) High School before joining the football staff at Indiana University for two years until 1960 when he was named head football coach at John Adams.

He was coach of the year in South Bend in 1966, and along with other duties was a physical education, health, and driver education teacher, and assistant coach in wrestling and track.

Blueberry Festival Includes Creative Writing Contest

Marshall County Blueberry Festival Chairman Jack Greenlee has announced a creative writing contest sponsored by the Marshall County Writer's Workshop for the 1968 Blueberry Festival.

The contest is for two age groups, Junior, up through 17 years, and Adult, from 18 years

and over, and is open to all non-professional writers in Marshall County and the surrounding counties, with first and second prizes to be given for each group in each of three categories.

The three categories are: Short story — not over 1000 words, Articles — not over 1000 words and Poems — not over 16 lines any style.

The theme, of course, must deal with blueberries, but the manuscript may be a fact article about the background of blueberries, or a romance or mystery story based on the lives and business of blueberry growers and pickers or historical articles about the area berry marshes, or whatever the writer can come up with. Area teachers are urged to encourage their pupils to participate.

Manuscripts must be typed, double-spaced, on one side of 8½ by 11 paper. Entries will not be returned (do not send return postage) so keep one copy, and one entry per contestant. Closing date for the contest is June 30, 1968.

Names will be masked during judging, which will be based on originality, creativity, neatness, and how well the theme of blueberries was followed. Judges decision is final. Judges names and contest winners will be announced at Festival time, winning entries will published in the Plymouth Pilot-News. Members of MC Writer's Workshop, Judges and immediate families not eligible. Send entries to:

Among passages to be read from the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following: "Every pang of repentance and suffering, every effort for reform, every good thought and deed, will help us to understand Jesus' atonement for sin and aid its efficacy; but if the sinner continues to pray and repent, sin and be sorry, he has little part in the atonement, — in the atonement with God, — for he lacks the practical repentance, which reforms the heart and enables man to do the will of wisdom."

Meet Your Organizations

The Marshall County Hospital Auxiliary came into existence in April, 1953 for the purpose of serving Parkview Hospital and patients through volunteer service within the hospital and to raise funds to procure equipment that can not be provided through taxation.

The Auxiliary has nine units which contribute to the success of the endeavor. The president of each unit serves on the Board of Directors and thus co-ordinates the work of each into the total program of the Auxiliary.

The 1968 officers of the Board of Directors are: Mrs. Oscar Wesson, president; Mrs. Roy Sullivan, vice-president; Mrs. William Suseland, 2nd vice-president; Mrs. Lawrence Lindvall, recording secretary; Mrs. David Smith, corresponding secretary;

Mrs. Faye Ransome, treasurer; and Mrs. Mabel Davenport, volunteer service chairman. The Board of Directors is made up of the unit presidents, volunteer service chairmen, hospital administrators, and service chairmen.

Unit No. 9 meets in Culver at the home of Mrs. Wesson. They do work for the hospital at these meetings usually held every month. Anyone interested in joining or that wishes to see what is done will be welcome to come to the meeting or call one of the officers. Mrs. Guy Davis is president of Unit No. 9; Mrs. Bruce Ogden, Sr., vice president; and Mrs. Ora Overmyer, is the secretary-treasurer.

The Volunteer Service Committee supervises the volunteer services. Those serving in the hospital wear cherry red smocks, aprons, or pinafores and are known as "Pink Ladies."

The young people who give their time to the hospital assisting the patient and nurses are called Candy-Strippers and Minute Men.

The service provided at the present time are:

Sewing and Mending: This service is usually done as units with work days in the hospital sewing room although some of the work can be done at meetings in the homes. Along with the sewing and mending is the marking of linens, wrapping packs, folding newspapers, making stuffed animals and tray favors.

Reception Desk: Women are at the reception desk afternoon and evenings to hand out the visitor's cards, deliver mail, flowers and newspapers to the patients and install and collect for the TV's.

Feeding Patients: Women are on call when needed at the hospital to feed the patient that is unable to feed himself or needs help with the meal.

Hospital Tours (Stork Tours): Stork tours are provided four times during the year. The doctors provide the chairman with a list of parents-to-be and invitations are mailed to them to attend the tour. A nurse and the administrator of the hospital assist with these tours and answer questions.

Book Cart: Books and magazines are loaned to the patients to read and a few small items on the cart are sold.

Television: Television sets are rented to the patients for \$1.00 per day. The sets are leased to us and we keep one-half the rental which is placed in the project fund.

All persons serving in the hospital as volunteer are given training in the particular service they are serving in, and they must be members of the auxiliary.

Funds have been raised in several ways. Recently, we have held an annual smorgasbord, had

a stand at the sesquicentennial and Blueberry Festival and the Television rentals.

There has been \$22,374.70 spent on various projects. The laundry equipment was provided by the auxiliary when the new hospital was built. Some of the other items are: incubator, oxygen tent, electric fans, air conditioning units, defibrillator cart, mimeograph, addressograph, inhalators, projector and screen, coffee maker, blender, and numerous other items.

Mrs. Guy Davis serves as a liaison between the hospital trustees and the auxiliary.

Academy Track Team Ready For Outdoor Season

Eight runners helped Culver Military Academy records this spring. They will compete with 12 from left, Coach David L. Burke, Joe Cummines, McNagny, Doug Scholz, Gordie Delk, Mike Scholz

reach an 8-3 indoor record and break two school more opponents in their outdoor season. They are, Andy Griffiths, Stasz Gerski, Jack Shoaf, Charlie and assistant coach A. Coke Smith.

Coach David L. Burke's track team at Culver Military Academy opened its outdoor track season Tuesday (April 9) at home against South Bend Washington after completing an 8-3 indoor season. The Eagles face 12 opponents this spring.

Burke says that his present hopes for the outdoor part of Culver's track season are based on the results of the indoor season. "As a team we became fairly strong for the last four of our indoor meets. The team strength has been, as anticipated, in a few very able athletes."

Burke says that the high points of the season should be the relay meets at Fort Wayne, Huntington and Logansport, as well as a triangular meet with Lafayette and Huntington.

Culver Military Academy Outdoor Track Schedule for 1968:

‡ Returning varsity lettermen

Experience will be the key for Culver Military Academy's tennis squad as it enters a 10 event schedule, including the Academy's May 11 Invitational, the Col. James H. Bishop Memorial Tournament.

Last year the team scored a 7-1 season and took second of eight teams in its own invitational. The Bishop Memorial has served as a state tournament since it was founded in 1964.

A local boy, Jeff Adams, son of Mr. and Mrs. Fred Adams, will be one of the five returning lettermen who will form the nucleus of this year's team.

Coach Harvey E. Firari expects to get more strong contenders from members of last year's junior varsity. "Our competition will be tough. We had trouble with all of them last year, and I think all of the matches will be decided by a point or two."

"Our strength may lie in doubles. The team of John Mehrrens and Mike Curtis remains intact. They were one set of Culver's champion in the Bishop Tournament. John Schumacher, half of the team that won the number one doubles in the Bishop, returns, and Santiago Montufar probably has the best record of all those returning."
