Culver Community School Board News

In a busy session, the Board of School Trustees of the Culver Community Schools Corporation covered a wide range of items in their regular meeting here this week.

The sale of two used busses to Kerlin Bus Sales, Silver Lake, Indiana, on their high bid of \$500, and the sale of a used pick-up truck to Ruth Shanks for a bid of \$100 were reported.

Approval of maintenance work involved the removal of steel posts around tennis courts west of the Community Building, grading on the inlet and outlet of the culvert at the State Road 10 entrance to the new unified high school building, construction of a gate at the north entrance, and the purchase of snow fence was approved by the Board.

Pre-final inspection of the new high school site has been carried out by the architect. Work on the new building is being completed with major work remaining including installation of east fan deck bleachers in the gym, together with four sets of lockers in the boys' and girls' physical education locker rooms, the correction of large area in the roof, restricted areas of flashing, and correction of auditorium wall.

The signs for the new high school site are to be placed and some consideration is being given to landscaping plans.

The request of Mrs. Neva Mikesell for temporary leave and conference requests of John Hayes to attend Principal-Freshman Conference at Indiana State University, November 20, 21, 1968; J. Arthur Howard, Purdue, December 5, 6, 1968; and Charles Byfield and Janet Moon, IMEA, Ft. Wayne, November 22, 1968, were all approved.

Approval was also granted by the Board for the Culver Lions' Club to use the dining area of the new high school cafeteria, December 11th.

Relating to the possible sale of three surplus buses from the old high school industrial arts shop, the Board decided to store the buses and not sell them.

The resignation of Mrs. Maggie McClure Dean, Matron, and Robert Perier, Maintenance worker, were accepted and contracts for Melrose McCallister, Matron; Charles Cook and Marion Messels, shuttle bus drivers; and Leroy Davis Maintenance, were signed. A temporary contract for Mrs. Jean Williams, who is teaching at Monterey for Bennie Bair who underwent major surgery, was signed and a supplemental contract to Dale Long for Driver Training was approved.

Christmas Cards Must Have 6c Postage Now

More mail than ever before will be delivered between now and the holidays. Postmaster E. Wayne Mattox urged mailers to start to plan for their holiday mailings now and to be "Early Bird" mailers.

The postal service can handle the unusually heavy load of mail expected this year if the mailing public will give a hand by depositing their cards and packages into the mail a bit earlier than usual and by using ZIP Codes.

Packages should be wrapped well, without rattles, and addresses should be legible.

New postal laws have eliminated the lower rate for greeting cards weighing an ounce or less. Therefore, all "regular" Christmas cards WILL BE MAILED AT THE SIX CENT RATE THIS YEAR.

THE DIVIDED

Tomorrow is the day that the thing you didn't put off today will begin to sprout.

UNFAIR FLARE

A bookie handed over the money to the little old lady.

"How did you manage to pick the winner?" he asked.

"I just stuck a pin in the paper," she answered, "and there it was."

"But how come you knocked off four winners yesterday?"

"Oh," laughed the little old lady, "yesterday I cheated a little. I used a fork."

Wesley United Methodist Church Plans Dedication

The congregation of the Wesley United Methodist Church will take part in special rites of dedication Sunday, December 1, 10:40 a.m. Dr. William N. Burton, executive assistant to Bishop Rueben H. Mueller of the Indiana Area of The United Methodist Church, will be the preacher for the service and will represent the bishop in the dedication service. Also taking part in the service will be Mr. Donald A. Davis, president of the board of Trustees of the congregation and the pastor, Mr. Carl Q. Baker.

This service is the final event in the local congregation's centennial observance. The dedication is performed when a church property has been paid for in full. During recent weeks the congregation has made final payments on the original mortgage indebtedness on the church building, the parsonage, and the property used by the congregation for relocation. The present church building was completed in 1955 and is the third building to be used by the congregation in these 100 years.

General Chairman of the centennial activities in the church has been Mr. Hampton Boswell.

Bremen Downs Culver Friday By 62-56 Score

by Tom Vondra

In a last minute surge Friday, host Bremen swept Culver aside, 56-62, leaving both the Lions and the Eagles 1-1 for the season. John Szponar, who led the Culver Eagles in their rout against the Argos Dragons the week before with 28 points and 20 rebounds, could not get started and contributed only 12 points and 7 rebounds to the Culver effort. Bremen's Fred Hampe was the star of the game, hitting 10 field goals and 4 from behind the line for a total of 24 points. Rick Pugh equaled his performance against Argos and was credited with more than one third of Culver's total score. John Bauer, who put up all but one of his total in the first half, raised Culver 14 notches.

In the first minute of the game Culver employed Bremen's two personal fouls to lead 2-0. The clock ticked off almost three minutes before Bauer scored Culver's first field goal of the game, but only after Mark Unsicker and Fred Hampe had given three field goals to Bremen's cause. Culver finished quarter in a flourish; during the last 50 seconds of the quarter a field goal by Szponar, another by Bauer, and two free throws, again by Bauer, put Culver within two points of Bremen, leading at the end of the first period, 18-16.

Bremen held on to a two to four point lead in the beginning 2 1/2 minutes of the second quarter, but lost it when Pugh scored a field goal and a free throw to put the Cavaliers ahead, 23-22. Thirty seconds later Hampe hit one, enabling Bremen to lead for about 10 seconds before Pugh made another two points for Culver. Bauer then scored a field goal, giving the Cavaliers a 27-24 lead, a lead which they successfully defended for the rest of the quarter, to take a half time lead over the Lions, 34-30.

In the third quarter Culver built up a six point lead which was soon trimmed down to one, 38-37, after Hampe, Baker and Young of Bremen scored within thirty seconds of each other. Three minutes later Hampe put Bremen in the lead, 42-41, for the first time in 10 minutes of play. Szponar crossed in all five of his third quarter points only to have Warner and Hampe tie the game 46-46 at the end of the third period.

A little over a minute into the fourth quarter, Pugh made a field goal and the Cavaliers led for the last time in the game, 48-46. Ten seconds later Bremen put up two free throws to tie and with 6:20 remaining to

be played, Wagner scored for Bremen to give the Lions a 50-48 margin. With three minutes left in the ballgame, Szponar hit his last field goal of the night after Hampe had already scored for Bremen. Young put up two points for Bremen and a half minute later the scoreboard registered Pugh's two free throws, to put Culver the closest they would approach Bremen for the remainder of the quarter, 54-53. Young was fouled by Bauer as he made two for Bremen and sunk one of his free shots. Bauer fouled again, his fifth, and was replaced by Kerry Haenes. Bremen's Baker made both free shots. With a minute remaining in the game, John Wamsley fouled Hampe who also hit both free ones. As time ran out for the Cavaliers, Szponar made a free throw and Pugh put up a basket.

The hapless reserve team, led by Dennis Reinhold with 10 and Hank Barrabas with 9, was crushed 49-30, and has yet to give the new school its first "B" team victory.

Culver travels to Rochester Saturday, eager to avenge its first loss.

CMA Enters Second Week Of Winter Sports

Culver Military Academy opens its second week of winter sports competition with four events. The wrestling team faces South Bend LaSalle at home Saturday at 4:15 and travels to Sturgis, Mich., Dec. 4 for its first away meet. The swimming team opens at home Tuesday at 4:15, and the frosh-soph basketball team travels to Divine Heart Monday for its second season game. Varsity basketball has a clear schedule in the coming week.

Basketball was king at the Academy last week as the varsity, junior varsity and frosh-soph won in each of five settings. The varsity beat John Glenn High School Friday, 63-56, after Glenn led by slim margins at the end of the second and third quarters. Culver's co-captain John Crimmins led scoring with 21 points followed by Bryce Taylor with 16.

The Eagles beat Glenn in their new gymnasium with a 47-39 percentage margin on field goals, 60-15 percent on free throws and 48-39 on rebounds. Earlier in the evening, the junior varsity beat Glenn 44-35, with the help of John Brown's 12 points.

Saturday night the varsity trounced LaLumiere, 64-36, with

even stronger differences in shooting percentages and rebounds. John Crimmins again led scoring with 12 points followed by 11 from Bryce Taylor. The Eagles took a decisive lead in the first quarter and maintained it throughout the game.

Culver's junior varsity defeated LaLumiere, 37-18, in a game dominated by Bud Hornbeck's 17 points.

In its first outing of the year, Culver's frosh-soph beat Oregon-Davis 36-35 in the last 13 seconds of play. Morgan O'Brien made one-and-one free throws to win the game and led scoring with 19 points.

The Academy's varsity swimmers finished fifth in a field of eight teams Saturday at the South Bend John Adams Relays with a first and disqualifications in three of 10 events. The butterfly relay team of Rick Richmond, Roger Benson and Rick Fishel scored Culver's only 11 st.

Academy Sports

(Delayed)

Depth and versatility will be the key to a strong seas a opener for Culver Military Academy's swimming team Saturday in the South Bend John Adams Relays.

Culver coach Frank W. Walaitis and his assistant, William G. Roth, have selected a 23-man varsity squad and count on six swimmers to add color to their 13-event schedule.

Senior Dave Brown returns to the swimming team as co-captain and a two-year letter winner. His specialty prior to last year was the freestyle, but last year he showed prospects of being more valuable to the team in the breaststroke.

This year Brown will be maneuvered from event to event to keep the opposition guessing and to highlight versatility, a characteristic of Culver swimming teams.

Senior co-captain Rick Richmond will also add his versatility to the team. During his sophomore year at Culver he won an Outstanding Swimmer Award from the Swimming Hall of Fame and Walked off with the team's Tyson Cup award for the swimmer who had contributed most to the sport.

Last year Richmond broke three varsity records and helped lead the team to an 8-3 record. He swam the 200-yard freestyle in 2:00.4, the 100-yard individual medley in 1:42.2, and the 100-yard breaststroke in 1:07.3.

Junior Roger Benson is expected to complement team versatility even more and set a few varsity records of his own. Paul Krone, a junior diver, has already won two varsity letters in his specialty, and he will double in brass by swimming in backstroke events.

Sophomore Rick Fishel, a new team member from California, is expected to strengthen the team's depth in the backstroke, freestyle, butterfly and individual medley events, and sophomore Dan Crawford, another new boy from Flint, Mich., will add power in the breaststroke event.

CMA

Led by co-captains Jack Scharr, with a career record of 16-1 and Roger Bird with a record of 13-4, Culver Military Academy's varsity wrestling team has drilled extensively for its opening meet at home against East Chicago Washington, Tuesday (Nov. 26) at 4:15 p.m.

Coach Colin W. Stetson is guiding his team into a 12-event schedule with six returning lettermen: Scharr, Bird, Gary Mangelsohn (8-6), Brock Brownrigg (8-7), Rich Bates (10-5) and Clyde Kilian (11-5-0).

"Although we have fine nucleus from which to work," he said, "we were hurt badly by the loss of two other lettermen, Don Hobson at 175 and Roger Kacny at 125, because of fall sports injuries. This has caused us major adjustments which we are having difficulty in making."

Stetson expects reserve wrestlers Steve Brooks at 127, John Feigner at 120, Spence Pope at 123, Glenn Zacher at 103 and Wally Harper at 95 to help fill

voids left by injuries and by loss of last year's co-captains Platt Hill and Lou Schlotterer, both lightweight wrestlers. Last year's team was undefeated in dual competition and split between first and seconds in four quadrangulars.

The Academy's schedule includes eight-way tourneys at Penn High School, Mishawaka, Fort Wayne Concordia and Culver's own first eight-way invitational, Jan. 25. The Eagles will be returning team champions for the Logansport Holiday quadrangular Dec. 14.

New opponents in dual competition will be East Chicago Washington and Sturgis (Mich.) High School.

CMA

Thomas E. Barer, Coach of the Culver Military Academy basketball Eagles, is using a little "guarded" optimism before his team's season opener Friday at John Glenn High School at 8 p.m.

"I wish to replace the loss of four guards," he says, "and if our juniors live up to our expectations, we could become a very effective team." His varsity squad of 14, including six lettermen, will miss the services of four key performers, lost to graduation, who helped tally a 14-6 season.

Last year's senior co-captain and Most Valuable Player, Tom Matlock, was the sixth player in Culver basketball history to score over 500 points at Culver. He scored 583 points in his career, 312 as a senior with an average of 15.6 per game.

Another loss is co-captain and leading rebounder Gordie Bell, who pulled in 25 rebounds in 20 games and averaged 10.2 points per game. The Eagles will also be without the services of second leading scorer Don Bacon and field general Rich White.

With little practice time left before Friday's season opener, Baker will be counting heavily on his six returning lettermen: 6-1 guard Bryce Taylor, 6-4 co-captain and center Gene Harrison, 6-3 co-captain and forward John Crimmins, plus 6-1 Bill Adair, 5-10 Al McAllister and 5-7 George Tezick.

His prospect for guard include 5-10 Paul Wisniewski, up from the junior varsity, and a new student, 5-10 junior Mike Yates. Leo Pringle, a 6-3 senior will contend for some action at center, and three boys up from the junior varsity: Mike Hawthorn, Joe Baker and Chip Wall will battle for the other forward

slot.

Baker has added two new schools to his 18-game schedule. The Eagles will help John Glenn High School launch its new gym in an opening game dedication, and they will meet last year's Warsaw Sectional champ, Akron High School, Jan. 25. Their second game of the season will be at home Saturday against LaLumiere School of LaPorte, at 6:45 and 8 p.m.

Edward G. Pinder will assist Baker this season after two years as freshman coach, and Gerald R. Planuti will assume responsibility for the freshman team.

Russ Oliver Resigns Coaching Job

Culver Military Academy's assistant football coach, David L. Nelson, left, confers with head coach Russell D. Oliver before the end of the season. Oliver, whose teams have compiled 19 winning seasons, ended a 29-year career as head coach of the Culver football Eagles with the final game of the season, and Nelson will be assuming the responsibility.

When the time ran out in the last game of Culver Military Academy's 1968 season, the end of a game signified the end of an era for Culver and Indiana football.

When Russell D. Oliver, Culver class of 1931, returned to the Academy as a coach in 1935, he was told that his job didn't depend on setting records. He was told to build character, but he managed to tally a 138-80-14 win-loss record in 29 seasons as Culver's head football coach.

His tenure makes him one of Indiana's veteran coaches, and his record of 19 winning seasons qualifies him for special recognitions. He also admits to having built character in his players — win or lose.

He has been in contact with well over 1,000 boys in his 30 years of coaching at Culver and says, "Some of the most loyal alumni played their hearts out for Culver as athletes."

"Athletics has been my life's work, and I have enjoyed every minute of it. The countless friendships I have made through athletics have been invaluable to me."

As a Culver Summer Schools midshipman he became heavy-weight boxing champion, and he played football, basketball and baseball for two years at the

Academy. He was basketball and baseball captain as a senior. At the University of Michigan he became the fifth nine-letter winner in the history of the school — earning three each in football, basketball and baseball. He was baseball captain as a senior.

In 34 years of tenure at Culver, including four years on leave to the Army during World War II, he coached football, basketball and baseball for 26 years, many of those years serving as athletic director. He started as head basketball coach in 1935 and became head football and baseball coach in 1936-37.

Although he had served as part-time alumni secretary for some time, in 1961, he became the first full-time secretary of the Culver Legion, the Academy's alumni association.

He will continue to concentrate on alumni affairs as alumni secretary and will direct the Academy's network of Culver Clubs across the nation.

Assistant coach David L. Nelson, Culver class of 1953, will succeed Oliver as head football coach. Nelson played right end for Oliver in 1951 and 1952, both 7-1 seasons.

Nelson played football for Butler and Ball State universities. After receiving his bachelor's and master's degrees from Ball State, he taught and coached in public schools for five years before returning to Culver in 1964 as a physical education instructor and head baseball coach. In his four years as the Culver Eagles baseball coach, his teams have compiled a 52-15-1 record.

Lutherans Hold Service For 10th Anniversary

Sunday evening, November 24, the Trinity Lutheran Church of Culver held its tenth anniversary service in the library auditorium. The first pastor of the congregation, Rev. R. J. Muller of Rochester and Culver was the Liturgist.

Many friends from the neighboring congregations attended the service. Among the visitors was the Kamin family from

Chicago, charter member of the Culver congregation.

After the service, Mrs. Edward O. Schultz of Argos read portions of the church history which she and Mr. Schultz had prepared.

The evening closed with refreshments served by the Trinity Ladies Guild, of which Mrs. Herman Siems is the president.

Culver City Club Music And Art Group

by Judy Eastman

The Music and Art Group of the Culver City Club met November 21 at the Culver Community High School Choir room. Thirty members and guests were present. Mrs. Hampton Boswell, chairman, presided. Carol Kline, a senior, showed slides and souvenirs of her trip with the American Youth Band to Europe last summer.

The Wandering Minstrels sang three numbers: Cruel War, Unfortunate Man, and Tie Me Kangaroo Down. The members of this group are: Steve Singleton, Jan Stayton, Pam Welsh, Bill Bennett, Janet Helber, Kent Lucas, Fred Williams, and Bob Stankus.

Refreshments consisting of banana punch and party cookies were served in the Home Economics Departments by the girls in Home Ec I, Section A. These girls greeted the Culver City Club members at the door and took their hats and coats. The girls who participated were Pauline Branham, Beverly Browning, Vicki Cannedy, Laura Dinsmore, Judy Eastman, Shirley Hamm, Nancy Kirkland, Karen Lucas, Dianne Myers, Susan Napier, Rhonda Singleton, Sally Sheppard, and Pam White.

THANKSGIVING 1968!

Thanksgiving 1968. Just another day or does it really mean something to you?

Our great country certainly isn't in the best of times as has been the case for several years. Wars still continue. Americans are losing their lives fighting a war of no consequence in many respects, but still fighting a war for a cause of democracy and hope for many others other than ourselves.

Domestic problems are a common thing. Never in the history of our country has less respect been held for officers of the law . . . for the laws themselves. Demonstrations, riots, sit-ins, stand-ins, and even sleep-ins have been in the news as protest after protest is displayed over anything and everything. In many places it isn't safe for a person to walk the streets at night. Vandalism is at a peak as no respect is shown for people's property. One thing after another happens that several years ago would have shocked the most liberal minded persons.

Strikes are over evident in the news. If it isn't a major company, it is a smaller one. Teachers, workers of all types get in the act as power is challenging power in cases after case. The result is higher and higher costs of living. Taxes are being increased and it appears that more increases are necessary. Peoples are being pushed to the breaking point.

With these few and countless other griefs and unpleasant occasions, our nation's stability of a democratic government is being pushed to the greatest test of its time. The future holds little definite as something is going to give at one time or another.

And yet look . . . people are enjoying great times. Wages

and working hours are such that idle time and spending money is evident. New cars, new homes, new factories and commercial buildings and new schools pop up all over the area.

Balancing out the good and displaying a great spending and abundance of spendable money or extended credit. Not many that want to work and earn are without work. Jobs are plentiful and workers aren't, displaying further good times. the bad, it is impossible to come up with an answer. However, bad things may seem, people still have plenty to be thankful for at this Thanksgiving. Too many things are taken for granted. Food on the table, jobs, luxuries and opportunities to enjoy life are almost expected by people without realizing that someday maybe this may not be possible.

Yes, Americans have plenty to be thankful for. Even the war in Vietnam has reasons for being thankful. We should be very thankful for those men who are giving their lives that our country may proceed in a manor chosen by our government. Fighting a war on foreign soil is much better than eventually fighting this growing force on our own soil in the future. These men are due our thanks. They did not choose to demonstrate against the war, cause trouble and destroy property and disobey the laws of our land, they are man enough to stand up and fight for what is right.

Regardless of the situation you may be in today, would you trade it at any time for life in a Communistic country? Would you trade your resources with a Cuban, a Check or a Russian citizen? If not, then you have a lot to be thankful for on this Thanksgiving 1968.

CULVER COMMENTS

CONSTRUCTIVE CRITICISM DEPT. — If you people have a problem that concerns the town, such as a hole in the street that threatens to engulf your car, just where do you go for help?

The Princess City of Mishawaka has a peachy solution to this. The mayor has informed the inhabitants that all they have to do is phone a certain telephone number. They will not only listen to the complaint, but act on it within a few days.

This sounds like an excellent idea and something similar to this could be done in Culver. Granted the line would be tied up for a month or so - still everyone would have a chance.

I was informed a certain street in Culver that one citizen maintains has not been touched since 1917. He claims it still has the original dirt and holes.

Now, if we had a number to call to report this oversight, I'm certain some steps to correct the situation would have been made in all those years.

Did you know that the first police department was organized in 1659? These early police protectors carried not only a billy club but rattles. The rattles were used to frighten thieves.

Well the billy club is still around but the only things that rattle in the police station today are the spoons in the coffee cups.

We've heard of economy drives but that upside down street light is too much. Since its only use one bulb, there is little doubt that the city's electric bill will diminish. A federal traffic safety law laid down the ruling that the red light should be at the top. The Indiana Highway Dept. also upholds this standard. Culver evidently just doesn't care a hoot about Federal or State guide lines. Now that's what I call decentralizing government.

It's about time: We start counting our blessings . . . and thinking of all we have to be thankful for!

GRASSE: Only a few miles from the French Riviera cities of Cannes and Nice is Grasse, the perfume capital of the world, where birth is given to many of the famous fragrances which catch the nostrils and the fancy of midlady the globe over.

Grasse is an interesting town easily reached by car or bus. It offers fine views of the ridges which merge into the Alps and provides a glimpse into the intricate world of the perfume makers. One of the leading attractions here is the plant of Molinard, whose perfumes are a product of painstaking efforts, starting with receipt of tons and tons of flowers from nearby gardens and winding up with small vials of essence.

Go a little beyond Grasse and you come to Gourdon, high in the mountains, a hilltop town with winding streets too narrow for cars, interesting shops and inspiring view of the valleys and peaks which provided shelter for Maquins in their efforts against the Germans in World War II.

Nuptial Mass Unites Couple

Captain and Mrs. Francis William Silk of McLean, Virginia announce the marriage of their daughter Sandra Ruth to Captain Gary Urban Gretter, USMCR, son of Mr. and Mrs. Urban Aloysius Gretter of Culver, Indiana, on Saturday, November 9, 1968.

The four o'clock guitar nuptial Mass was held at the Navy Chapel, Washington, D. C. with the reception following at the Army and Navy Club in that city, attended by 125 guests.

The bride, wearing a long-sleeved, floor-length empire gown of candlelight peau de soie

re-embroidered with alencon lace, was given in marriage by her father, retired U.S. Navy Captain Silk. Her floor length veil was appliqued and bordered with alencon lace to match her gown. She carried on her arm a bouquet of ivory tea roses and gold wheat which rested on heirloom alencon lace worn by her paternal grandmother at her wedding 60 years ago.

The bride's maid of honor, Miss Mary Louise Nelson of Washington, D.C., and her 5 other attendants wore champagne colored long-sleeved ruffled blouses with coffee brown long velvet skirts. Their velvet bow headpieces and satin cummerbunds were bright tangerine. Among the bridesmaids were Mrs. Robert Dickson of Culver, Indiana, the groom's sister, and Mrs. Barrett Reeve of Hisperia, California, the bride's cousin. The attendants carried gold and brown orchids tied with tangerine satin ribbon.

groom's cousin Major Larry Brugh, USA, of Annapolis, Maryland, and Mr. Barrett Reeve of Hisperia, California, the bride's cousin.

The couple were united in a contemporary double-ring ceremony performed by Father Conon Meehan of the U.S. Navy Chaplain Corps. Father Meehan served in the same theater of operations in Vietnam as the groom. The folk music was provided by the choir and musicians of St. Thomas More Catholic Church of Arlington, Virginia.

At the conclusion of the Mass, the couple walked through the military arch of swords formed at the foot of the altar by the military groomsmen and again as they left the Chapel. At the reception the bride and groom cut the 5-tier wedding cake with a dress sword which belonged to the bride's father.

Present at the ceremony were the parents of both the bride and the groom, and the bride's grandparents, Mexican Ambassador to the Organization of American States His Excellency and Mrs. Rafael de la Colina of Washington, D. Audiences from the entire Midwest have been delighted by the performances of the Heiken Troupe. Mr. Battjes' recent affiliation with the Heikens now gives them a complete array of puppet shows for their repertoire. Moliere's Tartuffe To Be Presented Friday At CMA

Money is the root of evil — and comedy — in Moliere's "Tartuffe" which will be presented at Culver Military Academy Friday, Nov. 29. The play will be staged by Indiana University's touring Indiana Theatre Company in Eppley Auditorium at 8:15 p.m. EST.

"Tartuffe" is a 17th century French comedy which takes a satirical look at religious hypocrisy. Tartuffe is a scheming character who convinces a wealthy merchant that he should live in his home so his "piety" can benefit the entire family. After moving in, Tartuffe victimizes everyone, including the merchant's daughter he wants to marry. The daughter, of course, has another bridegroom in mind and that complicates matters. The merchant is painfully awakened to Tartuffe's real character when he returns from a business trip to find him attempting to seduce his wife. Indiana Theatre Company's version of the comedy is the same one done at New York's Lincoln Center five years ago.

The Company is a troupe of artists - in - residence at IU's Bloomington campus. They are actors and actresses with professional experience working toward advanced degrees in the department of speech and theatre. The group travels more than 10,000 miles each season to present its repertoire.

There will be no reserved seats for "Tartuffe" which is being staged as part of the Academy's Fall Festival Thanksgiving Weekend. However, tickets may be secured in advance by writing to Mr. Harvey Firari, Director of Theatre, Culver Military Academy, Culver, Ind. 46511 or telephoning 219-842-3311, ext.

New Varsity Sport Introduced To Culver Fans

Kneeling, left to right: Ronnie Humes, Charles Osborn, Bob Ringer, Jim Warner, Paul Sayler, Dennis Mackey. Standing, left to right: Dale Bowersox, Steve Kelly, Richard Snyder, Paul Liette, James Grau, Dave Campbell, Bill Phillips, Gary Byfield, Joe Wojdyla, Bill Napier, Kent Lucas, Roger Cummings, Steve Miller, Larry Winter, Tom Vondra, Alan Huys.

In the midst of "Hoosier Hysteria" a new varsity sport will be introduced to the fans of the new Culver Community High School this winter. The Cavalier wrestling team will open its 1968-69 season with a dual meet at Bremen on December 3. Of the three schools that consolidated, Aubbeenaubee, Monterey and Culver, only Culver has wrestled previously and that was on a "B" team level last year.

High school wrestling is relatively new in this area and we hope you will come and watch these young men and write a new page in the athletic history of our new high school. High school wrestling is divided into twelve strictly enforced weight classes ranging from 95 pounds to a limited heavyweight class. Matches consist of three two minute periods unless a fall (pin) is earned in the match. Points are awarded for special moves such as takedowns, reversals, escapes, predicaments and near-falls. A fall is determined by a silent count of two seconds by the referee. If no fall is earned, the boy who earned the greatest number of points during the match is declared the winner by decision. A fall adds 5 points to the team score and a decision is worth 3 points.

On Saturday, December 21, a morning and afternoon invitational meet will be held at CCHS. The meet will involve four schools who will be competing in their second year of wrestling. The schedule for 1968-69:

Month	Date	Location	Notes

Sunshiners Hold First Meeting

by Terry Smith

November 19, 1968, the Sunshine Society of the Culver Community High School held its first meeting. The meeting consisted of freshmen and sophomore girls who are interested in belonging to the club. Mary Beth Ives welcomed the girls and the creed was repeated. Their motto this year is "Others," their theme for 1968-1969 is "Love Thy Neighbor," and their colors are white and gold. Mary Alice Zehner gave the history of Sunshine. What does the Sunshine do? This question was answered by Wendy Nelson and Betty Cihak who told about their stay at Sunshine camp. Carol Kline explained the activities of our local organizations. Connie Morrison discussed the Ideal Ladies project and the Thanksgiving baskets. Mrs. Ulrich spoke about initiation.

The sponsors for this year's Sunshine Society are Miss Ruth Shanks and Mrs. Linda Ulrich.

The girls running for officers are Barb Byfield, president; Robin Singleton and Brenda Lindvall, vice-president; Rhonda Singleton and Patty Hodges, treasurer; Karen Dehne, recording secretary; and Claudett Moran, corresponding secretary. Along with the officers, there are home room representatives. In the freshmen class they are, Susan Powers, Pauline Branham, Denise Shilder, Kim Wyman, Glenda Martin, and Laura Dinsmore. In the sophomore class they are, Brenda Lindall, Susan Shei, Karen Dehne, Mary Alice Zehner, and Paula Haenes.

The Sunshine Society will meet again on December 3, and the officers will be elected.

Culver Frosh Down Caston

Culver's freshman team downed Caston 45-31 Monday. Caston won the B-team game 33-30.

Bruce Snyder tossed in 13 points to pace the winning Culver squad while Caston's Don King scored 11 in a losing cause. Ken Davis scored 9 points for Culver in the B-team clash.

The Culver squad is now 1-1 while the B-team is 0-2 on the season.

The next outing for the Cavalier frosh will be on Dec. 4 when Mentone visits the Culver gym.

Concentration of ability and continuity of effort are always necessary for success.

Culver Pep Rally

by Terry Smith

November 14, 1968, the Culver students held a Pep Rally in the parking lot of the Culver Community High School. The Rally started at 7:30, at the Culver Fire Station. The two fire trucks that were used carried the varsity and B-team boys through town to the parking lot. The team was served a cake at the bonfire made by Mrs. Wise.

Fleets were made by the Juniors, Sophomores, and Freshmen. The Juniors were in first place, with a green dragon; the Freshmen took second place with a papermache Cavalier; and the Sophomores were in third with a Cavalier and dragon made out of aluminum foil.

The Pep Rally was a great success and it left the students in high spirits for the upcoming basketball game with the Argos Dragons. Even the rain that came down couldn't dampen the enthusiasm.

Sunshine Society Plans Activities

A meeting of the Sunshine Society and all other junior and senior girls was held on Thursday, November 21 at 12:00 noon. Mary Beth Ives opened the meeting by leading everyone in the Sunshine Creed and Tina Martin led the girls in the Sunshine Song. Miss Shanks told of the history of the Sunshine Society. The society had its start in 1900 in Crawfordsville, Ind. and was much like a welfare department. The girls of the society helped the poor and the aged people and from this beginning the society spread all over the state.

Next, Wendy Nelson and Betty Cihak talked about camp. They told of their varied experiences at the camp. The camp is located in Lafayette and about 100 girls from all over the state were there for three days.

Carol Kline told about the Sunshine activities. These include a Sweetheart Dance, Valentine Party, Ideal Ladies Party, Father's Party and a Mother's Party. There are also activities involving other parties. Gifts are given to people in hospitals and also the older people of the community.

Connie Morrison told about the Ideal Ladies Party and the Thanksgiving activities. At Thanksgiving the girls bring in different kinds of foods and put them together in baskets for the needy in the community. Every year each of the girls picks an Ideal Lady in the community whom she considers a great lady and throughout the year she sends her Ideal Lady presents. At the end of the year a party is given and the Ideal Ladies are revealed.

Then there was an election of officers. Sunshine officers elected were: Mary Beth Ives, President; Carol Kline, Vice President; Carol Schulling, Rec-Sec; Vicky Clifton, Treasurer; Sara Hoesel, Corresponding Secretary.

The home room representatives for the junior class on the Sunshine Cabinet are Wendy Nelson, Tina Martin, Terry Taiclet, Cindy Carter and Gwen Dunnel. The home room representation for the senior class are Peggy Shei, Vicki Clifton, Mary Beth Ives, and Bea Napier.

home and community life; to provide wholesome individual and group recreation; to further interest in Home Economics.

This year there are 90 members which includes 15 freshmen, 25 sophomores, 30 juniors and 20 seniors. They are hoping to have another successful year.

PUBLIC NOTICE TO PROSPECTIVE FEDERAL-AID CONTRACTORS AND SUBCONTRACTORS RELATIVE TO THE EQUAL EMPLOYMENT OPPORTUNITY PROGRAM

It is the policy of the Federal Highway Administration to require that all prospective Federal-aid highway construction contractors, with regard to contracts which are expected to amount to \$500,000, or more, shall be prequalified prior to the time established for the opening of bids, or negotiation for a contract, as to their ability, (1) to undertake the affirmative action required by the equal employment opportunity clause set forth in all Federal-aid construction contracts to the end that any and all discrimination

in employment because of race, color, religion, sex or national origin shall be eliminated, and (2) to promote the full realization of equal employment opportunity through a positive and continuing program;

In addition, all Federal-aid highway construction subcontractors, with regard to subcontracts in the amount of \$500,000, or more, must similarly prequalify prior to the time the subcontract is executed.

The Federal Highway Administration will not concur in the award of any Federal-aid highway construction contract to any contractor who has not been prequalified in accordance with the above policy.

Contractors and subcontractors who intend to submit bids on any future Federal-aid highway construction projects in the State of Indiana may secure Prequalification Statement guideline forms from the Director of the State Highway Department. All such contractors and subcontractors are encouraged to become prequalified under the Equal Employment Opportunity Program at the earliest possible time so that the future awards of Federalaid highway construction contracts to such contractors and subcontractors will not be jeopardized.

Contractors and subcontractors who have previously prequalified in another State, may submit a copy of their approved Prequalification Statement for consideration in this State. A form to facilitate such a submittal is available from the Director of the State Highway Department.

Paul's advice to the Ephesians, "Put on the whole armour of God, that ye may be able to stand against the wiles of the devil." (Chapter 6:11) is this week's Christian Science Bible Lesson-Sermon. Titled "Ancient and Modern Necromancy, alias

Mesmerism and Hypnotism. Denounced," the Lesson-Sermon will be read in all Christian Science churches throughout the world. Services in The First Church of Christ, Scientist, Plymouth begin at 10 a.m.

Related passages from the denominational textbook are part of the Lesson-Sermon and will include the following: "Evil thoughts and aims reach no farther and do more harm than one's belief permits. Evil thoughts, lusts, and malicious purposes cannot go forth, like wandering pollen, from one human mind to another, finding unsuspected lodgement, if virtue and truth build a strong defence." (Science and Health with Key to the Scriptures by Mary Baker Eddy).

WIND OR SUNBURNED LIPS — FEVER BLISTERS, COLD SORES.

Then, there's that once a month when a girl could use a good old-fashioned medicine.

Maybe you feel just plain bad then. Or maybe a little lonely and sad, like you could use a pair of arms around you.

Well, we have just the thing for this once a month time. Lydia E. Pinkham Tablets. They're made with gentle, natural ingredients, including one that works to help relax tightened muscles that give you cramps. Plus a little iron that a girl could use at a time like this. And, you don't run any chance of the kind of unpleasant side effects you could get from some of the newer drugs.

With an old-fashioned problem like this, couldn't you take an old-fashioned medicine.
