New Band Uniforms Displayed

The Culver Band Boosters viewed the new uniform, which have been ordered by the organization, after the Christmas Concert last Sunday. Richard Snyder modeled the distinctive uniform which is shown above worn with the overlay both ways. Without the overlay, the black uniform makes an impressive concert outfit.

Guidelines Made For Emergency School Closing

Plans for emergency closing of schools in the Culver community School District were detailed in a memorandum-directory to personnel here this week.

In event of power failure, impassible roads, ect., administrative plans call for prompt notification of school personnel and media serving the district which involves areas in four counties.

"Schools will be in operation except where a given emergency involves the safety and well being of pupils," the directive stated. "Safety is always of prime concern."

Drivers of busses are urged to use judgement as to road and snow conditions in given areas. In event a student cannot be picked up because of localized snow drifts, the student, upon verification, will not be penalized by standing attendance rules. Specific instructions will be given for emergencies involving special situations.

It is possible that the Aubbeenaubbee School and the Monterey School would be, of necessity, closed, and the Culver School in operation or vice versa, it was pointed out.

Holiday Vacation Starts Friday

The annual Christmas Holidays will start for students of the Culver School district shortly before noon, Friday, December 20. School will resume on Thursday January 2, 1969.

Victory Dinner For United Fund Campaign

On Wednesday, Dec. 11, Culver Military Academy was host to the campaign workers of the Culver-Union Township United Fund for a Victory Dinner held to celebrate the successful conclusion of their 1968 campaign.

Mr. Donald Osborn, chairman of the directors of the United Fund, announced that the fund drive had achieved 100% of its goal, and he outlined the procedure involved in setting goals and administering the fund drive. Mr. Harold Fitterling, vice-chairman of the directors and fund drive chairman, recognized the area captains who worked under him, and expressed his appreciation for their excellent work. The captains were Mrs. Joseph Currens, Mr. Louis Base, Mrs. William Overmyer, Mrs. George Babcock, Mr. John Henderson, Mr. Harold Fitterling, Capt. Robert Bolton, Mrs. Lance Overmyer, Mrs. Dale Jones, Mrs. Harold Fitterling, Mr. Jesse Sims, Mrs. Ted Stran, Mr. Donald Osborn, and Mr. Harold Fritz. The area captains, in turn, recognized and thanked their workers.

To complete the evening's business, four new directors were elected to fill vacancies in the Board. Mrs. Joseph Currens and Mrs. Harold Miller were elected to serve through 1971. Mrs. Jack Jones was elected to serve through 1969.

NOTICE

The directors of the Culver-Union Township United Fund wish to express their appreciation to all workers and contributors who made the 1968 fund drive a success.

The funds that have been received will be distributed to these organizations:

- American Red Cross
- Muscular Dystrophy
- Culver-Union 4-H Clubs
- Salvation Army
- Mental Health
- Cancer Research
- CROP
- Boy Scouts of America
- Culver Cub Pack
- Girl Scouts of America
- Culver Girl Scouts

And to other emergency needs of the community.

Surface Drainage Work Progresses

At the Monday meeting of the Town Board, Donald P. Osborn president, stated that the surface drainage work recently started would cause some inconvenience to residents in the area of the work. However, the project is proceeding according to schedule.

In a discussion of old business, Mr. Osborn assured the town employees that the Board will meet with representatives from several insurance companies. He added that although there was no appropriation for town employee insurance in the 1969 budget, they would try to find a solution acceptable to the employees.

A letter was read from a resident asking that a street sign be posted on Wabash street since it was hard to give directions to their home without a sign. Mr. Osborn said that street signs in the town of Culver had been a project of the Lions Club for many years and the town would not be willing to take any project away from any organization. George Becker will ask the club if they still wish to consider this project.

Judge Sheneman has been requested to appoint Mr. Charles Maul to the Culver Planning Commission for a four year term to replace Admiral Bays.

One of the civics students attending the meeting asked why the gate from the school parking lot had not been unlocked after the last home game. Town Marshall, Sam Madonna, stated that the gate is the property of the school and decision unlocking the gate is up to the school authorities.

Mr. Tom Landre, a representative from Clyde Williams Associates, presented a contract to the Board for authorization of a study to be made on the sewage plant. The contract will be discussed with Mr. Downer, town attorney. The study will deal with the proper utilization of material on hand to correct present difficulties and conform with the water quality criteria standards. There will also be a report on projected needs of the community.

Jack Spencer, inquired concerning the slides that had been left in the lake at the town park. Verl McFeely said that he had just removed them Monday. Re-

Donald Hamilton Appointed New McGill Manager

Harold Fritz has been appointed to Manufacturing Technical Assistant to the General Manager of McGill's Bearing Division, Valparaiso plant. Fritz leaves the Plant Managers job at the McGill Culver plant where he will be replaced by Donald Hamilton. Announcements were made today by A. B. Williamson, McGill Bearing Division Vice President and General Manager.

Fritz has headed up the Culver operation since its inception late in 1965, having joined in 1962. With McGill he has held positions as Plant Engineer and Production Superintendent.

Hamilton has been Production Superintendent at the Valparaiso plant for a year and a half and has been with McGill for over 25 years. Both men are commuting until families are moved at the end of the month.

removal was more difficult since installation of the beach fences had made it impossible to use cables.

Spencer also asked if a financial statement had been presented to the Board by the members of the Park Board. Mr. Osborn answered that no financial report had been given them as of this date but that the books were open to the public for examination.

Band Uniform Fund Increases

An additional \$100 was donated to the band uniform fund this week by Mr. and Mrs. Norman Tanksley. This donation brings the total amount collected to \$5,509.15.

Last week's Citizen incorrectly printed the amount of the Maxinkuckee Auto Club donation and also the total amount. The Auto Club donated \$100 rather than \$1 and the total amount on hand at that time should have been \$5,409.15 rather than \$5,119.15.

Rust Appointed To State Board

Governor Roger Branigan has appointed Robert Rust, Culver superintendent of schools, to the Board of Trustees of the Indiana Teachers Retirement Fund. Announcement of the appointment to the State Board was made by the Governor, December 12.

SANTA ARRIVES IN CULVER

MAJOR POINTS AND MINOR TOO

It's about time: The state legislatures get to work on needed safety legislation, for there is much that needs to be done to halt the growing slaughter on our streets and highways.

The drinking driver is one great menace. Such a person is the biggest reason for enactment of implied consent laws, which make possible alcohol tests of drivers suspected of having imbibed too much.

Insurance companies are greatly concerned with growing crash records and rising losses. They point out that auto insurance can only come down when steps are taken to reduce the number and cost of crashes. Our legislators can be very helpful in the months ahead!

PERSONALITIES: A movie you won't need to see: "The Legend of Lylah Clare," so bad that now they're trying to say it was made that way on purpose... an excellent movie recreating a turbulent period in England's history and well worth seeing is "The Lion in Winter," starring Katharine Hepburn and Peter O'Toole... I like the daffynity in the Chicago Tribune for waterfowl: Polluted lake... rice cooked in orange juice instead of water is a tasty dish...

HERE AND THERE: Con-

tests proposed for "San Francisco's OWN Olympic Games" by Columnist Herb Caen of The Chronicle: Last Man on Cable Car, Grabbing Bus Seat Before Pregnant Woman, Kite Flying in Candlestick Park and Pigeon Kicking in Union Square... and Herb says you know you're getting old when it comes up rain on the morning you were supposed to play tennis and you're glad... scratch one revolving restaurant: the one Nasser built in Cairo... our favorite, and offering the finest view of any restaurant anywhere, is the one atop the Space Needle in Seattle...

LEAVE SOME SPACE: I can't understand those looney persons who tailgate on the highways. As the Allstate Motor Club points out, they're endangering other motorists and definitely are a threat to their own safety!

PURELY PERSONAL: Blueberry brown betty is even better than apple brown betty... folks with flu shots have less respiratory trouble than those who don't... and there should be a law to keep sneezing waitresses with runny noses out of restaurants... could we devise some sort of a "pay while you stay home" plan to keep them from spreading their germs, perhaps?... I really and truly enjoy Chicagoland, where I live, but when winter's cold sets in, I envy folks who have homes in Puerto Rico, Mexico City, Hawaii or Southern California.

John Gardner of San Francisco, describing his many projects, said, "Man, I'm so busy I gotta hire a guy to jog me for me."

The hysterical gaffer rushed into the clubhouse. "I've just killed my wife," he shouted. "I didn't know she was behind me and I took a backswing and hit her. She was dead before she touched the ground."

"What club did you use?" a listener asked.
"Number two iron," the man said sadly.

"I knew it," the listener said. "That club always gets me in trouble too."

Janie thought the seat belt would put wrinkles in her dress; She sailed out through the windshield... boy is she a mess. Let this be a lesson to everyone who drives: Buckling up halves injuries and also will save lives.

150th Anniversary Of "Silent Night"

Most everyone knows the story of how "Silent Night" came to be written, but do they know this is the 150th anniversary of the song?

Mrs. Guy Davis told of the song and its history to the members of the Culver Extension Homemakers Club at a recent meeting in the Burr Oak Annex. She also told the Christmas Story with 'hannelgraph pictures interspersed with carols sung by the group, accompanied by Mrs. Whitney Kline. Mrs. J. Richard Behmer sang a solo, "Star of the East" and the Birthday song was sung to Mrs. Harry Leffert. Anniversaries were celebrated by Mrs. Whitney Kline, Mrs. Harold Baker and Mrs. D. Hatten, who is celebrating the 50th, and also two guests, Mrs. Everett Hoebel and Mrs. Jesse Sims.

Sooner or later, that day comes, the day when a woman feels she's changing. It's not a good feeling either. And she could use a good old-fashioned medicine then.

Could be you feel a little edgy, or maybe cross. You might even have what we call hot flashes and feel sad and slightly off-balance.

Whatever you feel, we have something for the day you need a little comforting. Lydia E. Pinkham Tablets. They're made with gentle, natural ingredients that work to give you a better sense of well-being.

With an old-fashioned problem like this, couldn't you take an old-fashioned medicine?

ENGAGED

Mr. and Mrs. Henry Row, R. R. 1, Monroeville, Indiana, announce the engagement of their daughter JoAnn Kay to Mr. Stephen L. Utery, North Little Rock, Arkansas. Mr. Utery is the son of Mr. and Mrs. Paul S. Utery of R. 2, Culver, Indiana.

Miss Row graduated from Monroeville High School and from Purdue University with a B.S. degree in Home Economics. She has been employed by the Economic Opportunity Agency and Sears, Roebuck and Co., both in Little Rock, Arkansas. Mr. Utery graduated from Culver High School and attended Indiana Central College in Indianapolis. He is presently employed by the Office of Economic Opportunity in North Little Rock, Arkansas, as a VISTA Volunteer.

A January 25 wedding in St. Marks Lutheran Church, Monroeville, is being planned.

Maxinkuckee Jr. Women's Club Christmas Party

The Maxinkuckee Junior Women's Club met in the home of Mrs. Ed Amond for their Christmas Party. Jams and jellies were brought by each girl to be given to the County Home.

Mrs. Larry Lawson reported that members of our club that had dropped out because of their age were invited into the Culver City Club to form a new department. They will be called the American Home Department.

Mrs. William Snyder told of the Community Sing by the Girl Scouts, to be Tuesday, December 17 at 7:00 P.M. Club members will serve cookies and hot chocolate for the Girl Scouts after the sing.

Mrs. Robert Boswell announced that the next meeting will be January 13th at the Wesley United Methodist Church. Mr. Carl Baker will present the program on the Park Board.

The closing thought was given by Mrs. Ronold Tusing.

Mrs. Calyin Waxman presented the program, "Christmas In Vietnam": Slides and a tape were shown on the Ditty Bags that have been sent to the servicemen in Vietnam.

The evening ended with a gift exchange after which refreshments were served from a table with a snowman motif. Hostesses were Mrs. Charles Edgington and Mrs. Latham Lawson.

Santa Will Appear At Mr. T's

Monday evening at 7 p.m., Santa will arrive in Culver to present the awards in Mr. T's Boys and Girls Contest. The jolly old elf will make his appearance in a horse drawn sleigh or wagon, depending on the weather.

Mr. T of the Culver Rexall Drug Store, who has been sponsoring this contest would like to remind everyone to get their votes in by Saturday, December 21. Your favorite boy or girl needs your vote!

Large Audience Enjoys Concert

More than 120 Culver High School vocal and instrumental students were featured in a Christmas Concert presented Sunday afternoon in the new high school gymnasium.

It was the first annual concert featuring the 67-piece band and the 57-voice chorus of the newly unified high school which has brought together Aubbeenaubee, Monterey and Culver high schools.

A large audience joined for the Christmas concert to enjoy the presentations of the Band directed by Charlie Byfield and the Chorus and special Swing Choir, directed by Janet Moon.

GABLE THEATRE OWNER HONORED

John Woytinek, manager of the Gayble Theatre in North Judson was one of eleven theatre owners honored at a banquet Monday December 4 in Indianapolis.

Mr. Woytinek was presented with a plaque for 41 years of loyalty and meritorious service in the theatre business.

CORRECTION

In last week's Christmas church event news, the complete plans of the Grace Church were inadvertently omitted.

This coming Sunday at 5:00 p.m. the choir will present a candlelight service. This annual service has long been a highlight of the Christmas activities of the church.

CHILDISH REASONS

One figures a child to get out of line and expect their way a lot, but when grown men, leaders of their countries and the ones on whom the peace in Vietnam is depending, get this way, it is just a big ridiculous situation.

Fighting a war that many classify a war without a cause, or a war that no one will win, is bad enough. Over 30,000 American lives have been lost in Vietnam not to say anything about the thousands and thousands of injured soldiers we have sacrificed. Add to this the much larger losses of others, the allies and enemies alike, who regardless of what you may think of them, are human beings, and you have some staggering figures.

It doesn't appear that a military victory is even within consideration with the style of fighting that is going on. So, once again comes an effort to settle this at the peace talks. Anything to stop this inhuman slaughter and millions upon millions of dollars being spent each day would be welcome.

However, one of the big

stumbling blocks in getting the talks under-way is the position they are going to set around the table. Now if this doesn't take the cake.

Maybe if these "childish" quarrels could get out of the way, serious talk could begin. Such problems as this must really seem serious to a family who has a son, husband or even a friend in Vietnam. Who is going to set where . . . a most ridiculous thing.

Maybe if these same men who are arguing the point of where they will set would get off their buttocks and go to the front lines in Vietnam, they would be willing to set anywhere in peace talks. Setting across or beside one from a hostile country certainly makes more sense than digging in across a hot line of fire from them.

The quicker the peace talks can resume and some kind of a settlement can be made, the better off the entire world will be. Fighting over a seating arrangement is a poor excuse for not getting the negotiations underway and get some positive action taken.

Memories From . . .

December 17, 1958

Culver, and the rest of Northern Indiana for that matter, is still shivering through the coldest December since 1871. The lake is entirely frozen over and forecasters tell us that Dec. 1 to Dec. 13 was the coldest period in 127 years.

Between 500 and 600 lineal feet of heavy chain fence which constitutes the upper and lower parts of the fence along the south boundary of the Culver Masonic Cemetery, was stolen about December 1. A reward of \$50 has been posted for the despicable rat who did this heinous act.

Mr. and Mrs. Richard Roeder of Madison announce the marriage of their daughter, Elaine, to Hal Bennett, son of Mr. and Mrs. Clyde Bennett of Culver.

December 15, 1948

A record audience thoroughly enjoyed the vesper service held Sunday evening in the CMA Recreation building by the Cadet Chapel Choir under the direction of J. V. Miracle, the Academy Band under the direction of Lt. Col. E. T. Papsen, the Culver High School Chorus under the direction of Mr. Bowles.

Dan Schafer, principal of

school at Tippecanoe, was elected Marshall County superintendent of schools by the township trustees last week. He succeeds Deane E. Walker who will become superintendent of public instruction in March.

December 14, 1938

Randall Houghton, son of Mr. and Mrs. Manford Houghton, has become associated with Don Kitch in the practice of law.

Mr. Bolton of Hollywood, Calif., arrived Tuesday to spend a few days at the Academy. He is a scenario writer and is here to get ideas on the remaking of "Tom Brown of Culver." Brig. Gen. L. R. Gignilliat will go to Hollywood on the 27th to advise the remaking of the picture.

Jimmy Dickerson, son of Mr. and Mrs. Charles Dickerson, has been elected editor-in-chief of the school newspaper of the New England School of Art, Boston, Mass.

The Culver Indians surprised the Winamac Indians here Friday night by staging a tight defensive game during the first half, but in the final chapters the locals collapsed and allowed their guests to walk off with a 20 to 30 victory.

December 12, 1928

For the purpose of recreational riding the Academy will soon lay out a new bridalpath, extending through the woods which are located north of State Road 10 and east of the Hibbard road.

One of the oldest members of the summer colony, Mrs. Mary Dresser, died Dec. 9 at St. Petersburg, Fla.

A flu epidemic that is cutting a wide swath through the country, Culver and vicinity, has caused the absence of 162 students.

December 11, 1918

H. L. Henning, former paymaster at the Academy, returned last week from Camp Gordon, Ga., where he completed his training course and received his commission. Mr. Henning will return to the bookkeeping department at the Academy.

Miss Edna Stahl is teaching in the Leiters Ford school this week.

S. A. Kaley sold the timber on the Kaley homestead last week to Mr. Brown of Argos. A saw mill has been moved in and work will begin at once.

December 17, 1908

General surprise was created on discovering that the lake was frozen over on Tuesday morning in spite of the mild weather. By noon, however, a large portion of the ice has disappeared.

Amos Coon has bought a lot in the Ferrier addition and will build next spring.

Henry Harrison Oyler, 68, died Dec. 9.

Dot Romig Zechiel, one and one-half year-old daughter of Sylvester and Ola Zechiel, died Dec. 14.

CULVER COMMENTS

Work has started on surface drainage and I along with many people believe that the members of the Town Board are really living up to their promise to relieve that particular headache. While there are some who dislike the idea of draining water into the lake, I am certain that the Board found no other possible solution or practical alternative. Only time will tell as to whether the catch basin will prevent pollution of the lake. So here's to a clean lake AND dry basements.

— C C —

A little bird told me that the Police Departments canine member is referred to as "Major." I'm not certain whether that's his title or condition. If it's his title — then does he outrank the Town Marshall? It's doggone confusing.

— C C —

Some of you are asking why the town is enforcing state laws instead of local ordinances? This seems, at first glance, a baffling question. However, it just could be that it's easier to blame the entire state of Indiana rather than take the blame locally. Don't knock it — if this method doesn't work, they're liable to drag in the federal laws.

I, for one, intend to help the town in its quest for Indiana State laws. Starting the first of the year, I am going to suggest many other laws that this town could follow. Dogs and pool tables are only two and there are hundreds of others just waiting to be used.

— C C —

Did you all see Santa arrive in Culver Saturday atop the Culver Fire truck? He was accompanied by snow flurries and the police car.

Christmas Eve Nightmare
Twas a sight before Christmas when all thru the pad, Shouts and epithets broke loose from old Dad. Mom patiently stood there quaking with fright, The children were luckily asleep in their beds, While below both parents were scratching their heads. Stretched out before them all over the floor, Reaching from the tree to the kitchen door, Were instructions for assembling a cumbersome toy, That had been heavily requested

by their little boy.

Tab B in Slot B then bend under C.

By George, I got it . . . Pop shouted in glee!

Tab by tab and screw by screw, The masterpiece formed and slowly grew.

Hours flew by but Father stood fast.

Screwdriver flying them suddenly at last,

It's finished, it's done, just come and see.

Mom stood beaming as she saw But something was wrong it shuddered and shook.

The plans had been followed and the hours it took.

Screws started popping and the top came unglued.

This couldn't happen . . . the company should be sued.

Father's mood grew black, his temper a fright.

"Merry Christmas" he growled, and to all a good night."

— C C —

Ruth, Alienor and I wish all of you the merriest Christmas ever. Since this is the season of good will to men, this column will not appear in next week's issue.

— CC —

HELPFUL HINTS — If yours is a young family, think seriously of starting a family Christmas Tradition. What you should aim for is some one little thing that the family will look forward to doing every Christmas season. It can be as simple as a star for the top of the tree that Junior made when he was in kindergarten. Every year come you know what or high water that glue smeared faded lopsided star should be the last thing added to the tree. When Jr. is in high school invite all of his friends over and show them the adorable ornament your darling created so long ago. This act on your part will probably start a new tradition — that of Jr. being missing over the holidays.

Making the Christmas fruitcake can also be a method of gathering the family around to chop nuts, cut up candied cherries and waiting breathlessly for the cake to burst full grown from the oven. If you use a recipe calling for rum it's quite possible that Father will stick around to help too.

Stringing popcorn for the tree or making hard candy are only a few other ideas that can be incorporated into your family Christmas Tradition. Think up one of your own — your family will never forget that you were the one that started the whole mess.

Voice Of The People

I've noticed some complaints about the food served in the Culver Elementary and High School Cafeterias and I can't help but laugh at the stupidity of the argument. Now tell me, what

possible difference does it make if one cafeteria serves a different menu than the other cafeteria serves during a school day?

To "A Burp", the student: What's so terrible about the combination of fish sticks and sweet potatoes. There's no reason to complain about this combination just because it's something you're not used to eating. Perhaps other people have eaten it and like it. However, there's no school rule against taking your own lunch from home if you don't like the school menu.

To "A Mother": Both Cafeterias serve nutritionally well balanced meals. It has improved a lot in the past few years, and the cooks are trying hard to please everyone. Unfortunately, you can't please all of the people all the time. A person should realize that it's hard to prepare a meal for a large crowd. Many children don't eat half of what is on their plates at lunch so naturally they won't get the proper amount of nutrition.

And to the High School Student who complains that the food at the High School cafeteria "isn't clear done." I'm also a High School student and I eat in the cafeteria every day. I have never eaten a meal at school that wasn't thoroughly cooked. Let me comfort you though, maybe they're just trying to make you feel at home.

ROLY-POLY that Runs with the Wind

THE WAY IT LOOKS WHEN COMPLETED

A STIFF piece of cardboard is all that you need to make a "Roly-Poly." Mark it like the pattern in the picture. Cut out the hexagonal hole in the center. Then cut along the other six lines and fold on the dotted lines. This will make three alternate tongues pointing to each side of the wheel. Now it is ready for a race with your playmate's Roly-Poly. Start with the direction the wind is blowing and they will run until they strike something.

Homer Carter and Mr. Ollie Bivans of Alvin, Ill. were Saturday guests of Mrs. E. W. Carter. Sunday guests of Mrs. Eva Heiser were Mr. and Mrs. Joe Heiser of Plymouth.

Mr. and Mrs. Solon Emery were in Park Forest, Ill. Wednesday to visit Mr. and Mrs. Lane Emery.

Mr. and Mrs. Ora Reed were in South Bend Sunday to attend a Christmas Party given by Mr. and Mrs. Ed Brieler.

Mr. and Mrs. Jessie Sims and son, Leon, were Sunday dinner guests of Mr. and Mrs. Loren Sims and daughters of Warsaw.

Mr. and Mrs. Dick Reynolds of South Bend spent the week end with Mr. and Mrs. Harry Speyer Sunday. Mr. and Mrs. George Speyer joined them for dinner.

Mrs. Ward McGaffey entertained at a Christmas tea Sunday afternoon. Guests were Mrs. Ruthann Kersey, Mrs. Effie Kline, Mrs. Agnes Fechner, Mrs. Elsie McGowan, Mrs. Callie Custer, Mrs. Blanche Woodbridge, Mrs. Blanche Finney, Mrs. Edna Bryan, Mrs. Edna Wolverson and Mrs. Tot Strang. Also attending were Mrs. Mable Jordan, Mrs. Hattie Krueger, Mary Wolverson and the Misses Edna and Osio Stahl.

Mr. and Mrs. Robert Lindvall and family, Mrs. Charles McLane and Brian Lindvall, a student at Purdue, were dinner guests Sunday of Mr. and Mrs. Bruce Lindvall in West Lafayette. They later attended the Purdue University Christmas Convocation.

Maxinkuckee Rebekah Lodge

Mrs. Emmett Keefer presided at the regular meeting of the Maxinkuckee Rebekah Lodge Monday evening and introduced Mrs. Irvin Overmyer of Burr Oak, the District Deputy President. January 6th was the night set for Mrs. Overmyer and her staff of officer for 1969.

The cheer committee reported they have suit plates ready to be taken to the shut-ins for Christmas. Mrs. Maurice Curtis presented the mystery gift and Mrs. Overmyer was the recipient. After lodge, potluck refreshments were served in the dining room by the December committee, with Mrs. Roy Cromley as chairman.

A Christmas word contest was won by Mrs. Charles Frain and Mrs. Oscar Zehner, after which a gift exchange was held.

Husbands and friends of the

members were guests. The remainder of the evening was spent playing cards and visiting.

EASTERN STAR AUXILIARY

The order of the Eastern Star Auxiliary held their Christmas party in the home of Mrs. Evert Hoessel. Assisting Mrs. Hoessel were Mrs. Ralph Thornburg, Mrs. Jack C. Spencer, Mrs. Harry Speyer, and Mrs. John Hoessel. Twenty-two members and one guest, Mrs. William Kose, were present.

An appropriate Christmas poem opened the meeting after which refreshments were served. The mystery prize was won by Miss Edna Stahl and Mrs. Jerome Zechel Sr. and Mrs. Cleo Ringle won the door prizes.

Mrs. Ringle entertained the group with a medley of Christmas music. "The Gift of the Magi" was read by Mrs. J. Hoessel. The group then sang two Christmas carols and Mrs. Harry Speyer read, "What Is Christmas?"

A gift exchange closed the party.

The Monterey Public Library

News tips from Mont. Library 14

The December Story Hour was held on Saturday at the Monterey Library. The program opened with Pledge of Allegiance to the Flag with the Birthday children holding the tag. Birthday children for Dec. are: Debbie Large, Mike Kowatch, Rickie Peterson, and Linda Reinhold. We sang the birthday song to the children, Mary Allen and Patty Large, helpers also led the group in singing of many Christmas Carols to get into the spirit of the season. Two films were shown along with a Christmas story. Treats were furnished by Rickie Peterson and the American Legion Auxiliary of Post 399 at Monterey. 50 children attended this story hour, we hope they will all visit us again soon and be a regular story hour friend. Mrs. Onda Good assisted with the children.

The Annual Christmas Craft Show was held at the Monterey Library on Saturday. The exhibits were beautiful, deserts were delicious. Mrs. Phyllis Fields, substituting for Mrs. Barbara Winters showed a lovely display of various table settings for the holiday season. Dorothy Johnson gave a wonderful demonstration of holiday crafts, along with Mrs. Marjorie Keller who showed some children crafts to make us all want to be more talented. Mrs. Marilyn Reinhold who was our other demonstrator, was unable to attend but sent a lovely wig arranged in the latest holiday hairdo. Thirty women attended, and brought something to exhibit and saw many other ideas to do at a later date. Mrs. Lenore Keitler presided at the punch bowl. The Culver Florist sent many lovely displays including the centerpiece and punch bowl arrangement. We hope to continue this program next year. Thank you and Merry Christmas.

The Monterey Tippecanoe Public Library will be closed from Dec. 23 thru Jan. 2 for the staff to have an enjoy a vacation.

Mistletoe Has Background Of Legends

There is more to mistletoe than just its reputation as the "kissing plant." Everyone knows, of course, that, for some reason no one is quite sure about, it's permissible for a boy to kiss the young lady so unluckily (?) to be caught standing beneath one of these springs of green with white berries (a plant someone has placed on a chandelier for some young girl to stand under, to be kissed by some young lad... unexpectedly, of course).

All this notwithstanding, it is supposedly an all-healing plant that will ward off poisons and keep animals healthy. At least, this is what the superstitious believed in earlier days. Some considered it a present from the sun, others a gift from Jupiter. In voodoo rituals, it's the accepted antidote for palsy, apoplexy, epilepsy and what-have-you.

Druid priests sought mistletoe, preferably growing on an oak tree, "on the sixth night of the moon," so that it might be cut with a golden scythe and caught in the flowing robes of the priests. Thus gathered and following the sacrifice of two white bulls to show gratitude for the gift, mistletoe was supposed to possess all sorts of magical powers.

The Greeks are generally

credited with associating mistletoe with love, as it was used in their marriage rites, and the ceremonies of Hymen are reputed to be the forerunners of present usage as a kissing plant.

Christmas Once Banned In England

Christmas celebrations become so merry in Merrie Old England that they were abolished.

The Puritans prohibited the boisterous observances in the 1640's. They threw out ministers who dared to hold services on Christmas Day and jailed anyone who didn't treat December 25 as a common work day.

But while the Puritans were taking over England under Oliver Cromwell, they were losing the battle of Christmas. Riots broke out in 1647 protesting the ban on the holiday. The outraged group of 10,000 men passed a resolution declaring that if they couldn't celebrate Christmas, they'd just as soon have the king back.

A few years later, the Puritans prudently beheaded King Charles I. But the English people invited his son, Charles II, to come back in 1660 and Christmas, as well as the monarchy, was restored to England.

Principal is an opinion that has stood the best of time.

Miron L. Dinsmore 68, Dies After Prolonged Illness

Miron L. Densmore, 68, died at noon Saturday in his home in Monterey following a prolonged illness.

Mr. Densmore was born June 6, 1900 at Lafayette, Ind. to John and Ethel (Ireland) Densmore. He had been a resident of Monterey for 18 years, previously coming from Milwaukee.

He was married June 12, 1928 to Alma D. Allen who survives.

Mr. Densmore was a member of St. Ann's Catholic Church in Monterey.

Also surviving are two sons; John S. Densmore of Rochester and Robert L. Densmore of

Knox; and nine grandchildren.

Funeral services were held at 10:00 a.m. Tuesday at St. Ann's in Monterey with Father Edward Matuszak officiating. Burial was in St. Ann's Cemetery in Monterey.

The Easterday-Bonine Funeral Home was in charge of the arrangements where the rosary was recited at 8:00 p.m. Monday.

Summer Resident Dies In Louisville

Mrs. W. K. Stewart, 89, died unexpectedly Sunday, December 8 in Louisville, Ky. She was buried Thursday in Crown Hill Cemetery at Indianapolis. Mrs. Stewart regularly spent her summers here in the lakeside cottage where her father, Clements Von-

negut, had brought his family in the early 1880's.

She is survived by her daughter, Mrs. J. T. Mengel, Knoxville, Tenn., grandson, J. T. Mengel, Jr. of Wisconsin and her granddaughter, Miss Nanette Mengel of California.

Neice Of Judson Dillon Dies In Michigan

Mrs. Janet Barnhart Hull, 24, died Tuesday at 5:30 a.m. in South Haven Hospital, South Haven, Mich. after an illness of one year.

Mrs. Hull was born Oct. 30, 1944. Her mother, Mrs. Lewis Cooper, Buchanan, Mich. survives. She was the niece of Judson Dillon of Culver.

She was married in February 1961 to Jerry Hull. She resided in Bangor, Mich. since her marriage.

She attended Clay High School in South Bend.

Surviving with her husband are two sons Jerry, Jr. and Ty Stephen both at home; and two sisters, Becky and Judy Barnhart.

Funeral services will be conducted at 1:30 today at the Stafford Funeral Home in Bangor. Burial will be at the Culver Masonic Cemetery at 4:30 p.m.

Brief graveside services will be held.

The Easterday-Bonine Funeral Home is in charge of local arrangements.

Mrs. Hartle Dies After Long Illness

Emma E. Hartle, 79, Route 1, Culver, died Tuesday at 5:15 p.m. at the Miller Nursing home in Rochester. She had been in ill health for the past 20 years.

Mrs. Hartle was born to Theodore and Sarah (Frevert) Kline on April 3, 1889 in Culver. She has lived in the Marshall and Fulton county area most of her life. She was married to Alvin J. Hartle who preceded her in death in 1951. Mrs. Hartle was a member of the Mt. Hope United Methodist Church.

Surviving are two brothers Ira

F. Kline and Edgar R. Kline both of Culver; one sister, Mrs. Anna Hibray, Ora; four grandchildren and several nieces and nephews.

"And if I take the job, I'm to get a raise every year?"

"Yes," answered the boss to a shaggy-haired character in tennis sneakers, "provided of course that your work is satisfactory."

"Aha! I thought there was a catch somewhere!"

"This table," said the aristocratic lady, "goes back to Louis the Fourteenth."

"You don't have a thing on me," replied her maid. "My whole dining room set goes back to the store on the thirteenth."

Mother on phone: "Daughter dear, could papa and I leave your kiddies with you and Bob tonight. We are invited out for the evening."

Cavaliers Come From Behind Twice To Win

The Culver Cavaliers, despite some cold first-half shooting, came from behind twice last weekend to salvage basketball victories over Caston, 74-58, and North Liberty, 67-55. The wins boosted Culver's record to 6-1 and raised their winning streak to five straight games.

On Friday night at Caston, the Comets made a game of it for three quarters but succumbed to a blistering 29-point fourth quarter by the Cavaliers. The first half was a see-saw affair as the lead changed hands eleven times before Caston ran up a 33-28 lead behind Miles Eikenberry's 16 points. The lead dwindled to 41-36 in the third quarter and five straight points by Culver's John Wamsley and a basket by John Szponar gave Culver the lead at 43-41. The Comets held on, though, and regained the lead at 46-45. Cavalier Kerry Haenes stole the ball with five seconds left in the third period, but was whistled for travelling, although obviously tripped from behind, as time ran out.

Culver took the lead for good early in the fourth quarter, and four straight baskets from underneath by Rick Pugh stretched the lead to 62-55. Caston closed the gap to 62-58, but Haenes' three-point play and a follow-in shot by Szponar put the game out of reach.

Pugh was the leading scorer for Coach Dave Huffman's five as he hit for 20 points. Szponar added 19 points and 12 rebounds, while Wamsley had 13, and Haenes and John Bauer each had 10.

Special mention should be made of Haenes' brilliant defensive work as the 5'7" senior guard held Caston's "hugh-scoring 6'2" Dennis Moss to 10 points.

In front of the home crowd on Saturday night, North Liberty employed a diamond-and-one zone defense that quieted Culver's guns for most of the first half. The "one" was a floating defender who followed Szponar all over the court in an attempt to keep the ball away from him. When the visiting Shamrocks took a 20-10 lead early in the second period, it looked as though their unique defense was going to do the trick.

But Szponar, a 6'3" pogo-stick, led a Cavalier charge that knotted the count at 20-all. He hit on a jumper from the corner, and after a 3-point play by Wamsley, he added a tip-in, two

free throws, and a layup. Liberty's Chris Anderson hit from underneath, but Pugh canned a pair of free throws, Haenes scored on a layup, and Szponar all but stuffed a follow in shot to end the half at 26-22 Culver.

Culver stretched its lead to 46-38 at the end of the third period, mostly behind Haenes' 11 points, but Szponar drew his fourth foul and was forced to the bench. For nearly three minutes the Cavaliers killed time by passing the ball around the Liberty zone, and when Szponar did return, they overcame a full-court zone press and held on to win.

Although outscored from the field, Culver won the game at the foul line, where they converted 21 of 29 attempts. The Shamrocks, on the other hand, waited until 5:19 of the third period to sink a free throw, and then only added four more the rest of the contest.

Szponar led the Culver scoring parade with 19 makers, Haenes added 18, Pugh 16, and Wamsley 11. Anderson finished with 28 for North Liberty, now 0-5.

Coach Gene Crosley's B-team won their first game of the season by knocking off Caston, 54-49. The junior Cavaliers hit 32 of 42 free throws for the game and were paced by Don Ehlinger's 16 points and Perry White's 15.

The JV's almost won a second game against North Liberty, but blew a 30-28 lead with five seconds to play and lost in three overtimes, 39-35. Denny Reinhold was the top scorer with 14 points.

Academy Sports

Varsity basketball, wrestling and swimming at Culver Military Academy all enter the long Christmas vacation stretch with undefeated seasons. The varsity basketball Eagles will be out of competition until they travel to LaVille, Jan. 17, after starting a six-game winning streak. Culver's freshman basketball team will conduct its own four-way tourney Jan. 11.

The wrestling team, undefeated in dual competition, will take part in the Penn Invitational Jan. 11 and will be hosts for a meet with Mishawaka on Jan. 14 at 4:15. The wrestlers scraped into second place Saturday in the Logansport Tourney, one point behind the host team, 101-100, in the four-way tourney.

After defeating West Lafayette and South Bend Riley, the swimming team enters the second, more active phase of its schedule Jan 14 at South Bend Adams.

The basketball Eagles scored their sixth straight victory in as many outings Saturday against Caston in a one-point cliff-hanger, 60-59. As in the four most recent games, Bryce Taylor and John Crimmins shared top scoring honors. Taylor fired 11 points, followed by Crimmins' 16. Caston lost its first quarter lead and narrowed Culver's eight-point lead at the end of the third quarter to one point at the final gun.

Caston defeated Culver's junior varsity, 43-31, but in the Kewanawna preliminary the junior varsity won 38-25.

Over the week end of Dec. 6-7, Culver traveled to Cranbrook school in Bloomfield Hills, Mich., with the varsity and junior varsity winning three of four games. Crimmins led scoring Friday night in the varsity game with 20 points. Taylor scored 14. Culver led Cranbrook after the first quarter to win 56-48. The team compiled a 78 percent free throw average.

Crimmins again led scoring in the Saturday game to help the Academy win 77-52. The Eagles paced the Cranes for the entire game as Crimmins scored 18 points, and Taylor tossed in 14 more.

The junior varsity split its games with the Cranes, losing Friday, 44-48, and winning Saturday, 63-45. Earl Williams scored 13 points, and John Brown took 10 more in the Friday game. Saturday scoring was

paced by Bud Hornbeck's 16 points followed by 13 from Allen Glenn.

That weekend, the freshman team lost to the LaVille frosh, 42-22.

Culver's swimmers beat South Bend Riley, 57-38, by taking five of 11 first. Aside from six firsts, Riley only won three of the second slots.

The 160-yard medley relay team of Paul Krone, Crawford, Larry Sparks and Dan Lake opened the meet with a win. Krone won the diving event. Roger Benson won the 100-yard butterfly, and Rick Richmond set a new record in the 100-yard freestyle in 52.2. The 400-yard freestyle relay team of Steve Banks, Jack Curtis, Dave Swain and Roger Benson closed the meet with another win.

The swimmers dunked West Lafayette, 76-19, earlier in the season by taking nine of 11 firsts. Krone and Richmond again appeared as double winners along with Dan Crawford.

Krone won the diving event and swam with the winning medley relay team of Crawford, Sparks and Doug Schaff. Crawford also won in the 100-yard breaststroke event. Richmond won the 100-yard butterfly with a new record time of 58.0 and swam with the winning freestyle team of Ken Fidler, Alex Calder and Bob Douglas. Curtis won the 60-yard freestyle. Benson took the 160-yard individual medley. Rick Fishel was the winner in the 100-yard backstroke, and Chip Lanman won the 400-yard freestyle.

Special Offer to All Red-Nosed Reindeer

Northern Indiana Public Service Company invites all red-nosed reindeer making their appointed rounds to stop by and warm up in real gas comfort. With gas rates as low as they are, and red-nosed reindeer as scarce as they are, this is the least we can do to demonstrate Hoosier hospitality to holiday visitors.

Merry Christmas!

MORE AIRPORTS NEEDED TO RELIEVE CROWDING

MORE THAN 800 AIRPORTS must be built in the United States during the next five years to relieve present congestion and accommodate future growth, says the Federal Aviation Administration. Recommended new facilities include 808 airports, 31 heliports and 4 seaplane bases. Also recommended are improvements needed at 2,965 existing airports. The cost projects is estimated at \$2.16 billion.

A BRONZE AX, a broken drinking cup, ancient royal tombs with caved-in roofs and the crumbled stone wall of a once mighty fortress — all are clues to a mystery more than 3,000 years old. Was the citadel once part of the Bronze Age Greek kingdom of Pylos, ruled by King Nestor, a leader in the Trojan wars? One of the detectives, the discoverer of the clues, has reason to believe so. He and a team of scientific investigators have been exploring the site in southwestern Greece for the past 10 years. Evidence for the importance of the discovery has mounted and now the Greek government has granted a permit for the site to be excavated.

AN EXPERT on primates has identified the mystery mummy found in the tomb of Egyptian Queen Makeri. It is a baby baboon. The tiny bundle in the queen's sarcophagus is identified by hieroglyphics as the infant Princess Moutemhit. From this and other evidence, Egyptologists had concluded that the queen had died in childbirth or soon after, and that the princess was her daughter. But the mummy was never unwrapped, and X-rays proved that the bundle contained some sort of embalmed monkey that was later identified as a female baby baboon. It is the only animal ever found inside a royal sarcophagus.

THE 'AIR HAMMER' effect of thermal contraction and expansion that causes banging in commercial hot water and steam heating systems can be overcome by the use of an expansion compensator developed by Tube Turns, Louisville. The unit absorbs all pipe movement caused by temperature change and is rated capable of absorbing up to 14,000 expansion / contraction cycles without failure.

PLANT AND ANIMAL LIFE apparently has a much greater ability to survive the destructive violence of erupting volcanoes than previously believed, says an Ohio State University scientist who investigated the steaming crater of a South American volcanic cone. After hazardous scramble up its lava-encrusted cone following a recent eruption, he found a forest of trees and land iguanas undisturbed by the explosion. "What I saw clears up the mystery of survival in my own mind," he said. "It illustrates that anything short of a Krakatoa (the volcanic explosion of 1883 near Java) does not destroy all animal and plant life."

THEEVES 'LIFT' AIRCRAFT PARTS

PILFERAGE of aircraft — even the stripping of aircraft — is becoming a serious problem at many airports, says the Federal Aviation Administration. At one airport, for example, a light plane was stripped of its engine, engine mount, cowling and propeller. The FAA warns that aviation electronics equipment presents a particularly tempting target for thieves. The agency cited one case where \$27,000

worth of communications, navigation and associated equipment was lifted from an executive aircraft. It also notes that "a very active criminal ring stole more than \$1 million worth of electronic equipment from airplanes." Thefts of aircraft hardware — including wing tips and tail cones — also are common.

THE BRANDING IRON may soon go the way of covered wagon and open range. The iron-in-a-fire has long been a symbol of the cowboy, but today that fire is being replaced on many ranches with dry ice in a bucketful of alcohol, reports Cardox, Chicago. The irons are super-chilled in the minus 100 degrees F. mixture and then applied to a steer. The intense cold kills pigment-producing cells and the skin and all new hair growth in that area turn white. Benefits of this method of cold branding including less hide damage, less pain to the animal and a brand that is legible from a greater distance.

COUNTERFEITING is an ancient trade, says a University of Michigan chemist. Using a low-intensity beam of neutrons, he irradiated more than 1,400 ancient and medieval coins. The silver in each coin become mildly radioactive and can be used to determine silver content. Using 300 Persian coins more than 2,000 years old, he found four having only 52 to 58 per cent silver. He suggests that these were probably ancient counterfeits. He also noted that the silver content of coins decreased when a culture declined.

HERBALISTS and health food fans should beware: a toxic chemical in certain seeds can cause high blood pressure of the lungs. The warning comes from a British medical researcher who has been using the chemical in experiments on rats to better understand how this high blood pressure, called pulmonary hypertension, develops. He conducted experiments with toxic chemicals derived from the seeds of Crotalaria plants. It is known popularly as rattlebox, because its seed pods sound like a baby's rattle when shaken. The plant grows wild in Asia, Australia, Central America and the West Indies. In the southern United States, it is grown as a cover crop because it adds nitrogen to the soil.

The donors were having cookies and coffee after their donation at the Red Cross center. During the conversation, one donor said he was a Shawnee Indian.

"Are you a full-blooded Shawnee?" he was asked. "Well, no," admitted the Indian. "Right now I'm a pint short."

Thine, O Lord, is the greatness, and the power, and the glory, and the victory, and the majesty: for all that is in the heaven and in the earth is thine; thine is the kingdom, O Lord, and thou

art exalted as head above all." These words from the first book of Chronicles are part of the Bible Lesson-Sermon titled "Is the Universe, Including Man, Evolved by Atomic Force?" to be read in all Christian Science churches this Sunday. At First Church of Christ Scientist, Plymouth, services will begin at 10 a.m. The community is invited to attend.

The following passage is from those to be read from the denominational textbook: "In the material world, thought has brought to light with great rapidity many useful wonders. With like activity have thought's swift pinions been rising towards the realm of the real, to the spiritual cause of those lower things which give impulse to inquiry. Belief in a material basis, from which may be deduced all rationality, is slowly yielding to the idea of a metaphysical basis, looking away from matter to Mind as the cause of every effect."

Grace Church Guild Meets

The Women's Guild of the Grace United Church met last Thursday at 7:30 in the social rooms of the church.

Mrs. Evert Hoesel, president, opened the meeting with "A Christmas Prayer" by Peter Marshall and conducted the business.

Rev. Krueger in an impressive ceremony installed the following to serve in guild office in the next year: Mrs. Donald Osborn, president; Miss Margaret Swanson, vice president; Mrs. Larry Lindvall, Sr., secretary; Mrs. Lester Brown, assistant secretary; Mrs. Harold Baker, treasurer. Departmental chairmen are Mrs. Lee Jewel, spiritual life; Mrs. Mabel Jordan, stewardship; Miss Thelma Smith, Christian education; Mrs. Wilfred Craft, missionary; Mrs. Oscar Wesson, Christian service; Mrs. Evert Hoesel, social action; Mrs. Judson Dillon, local church needs; Mrs. Donald Davis, program; Miss Osie Stahl, good cheer; Mrs. Robert Rust, nominating; Mrs. Kenneth Tasch, ways and means.

The program for the evening "Christmas Around the World" was delightfully presented by Mrs. Donald Davis, Mrs. Lester Brown and Mrs. Kenneth Tasch. Mrs. Noah Wagner read the Christmas Story from Luke and carols were sung by the group.

Delicious refreshments were served from beautifully decorated tables by the hostesses.

WSCS Meets

The W.S.C.S. of the Wesley United Methodist Church met last Thursday for their Christmas meeting. Mrs. Ted Strang was the program chairman. The junior choir under the direction of Mrs. Ted Ervin sang, "Run, Run to the Stable" and "Joseph Dearest, Joseph Mine." The Culver Chorale under the direction of Mrs. Clayton Moon, sang "Christmas Noel", "The Spruce Tree Carol", "Jingle Bells", and "Carol of the Bells". Mrs. Robert Osborn gave the devotions reading Chapter 1 from St. Matthew. The program closed with a prayer.

Mrs. Fred Lane conducted the business meeting during which Mrs. F. L. Babcock and Mrs. Frank Setzler were named to the nominating committee. Mrs. Clarence Bair was named chairman of the Christian Social Relations Committee.

Mrs. George Babcock was chairman of hostesses. Mrs. Hampton Boswell and Leila Garber poured from a table centered with a Christmas centerpiece.

Minister Opens House To Members

Last Sunday, approximately 100 members of the Grace Church attended an open house given by their minister, Rev. John Krueger and Mrs. Krueger.

Mrs. Evert Hoesel, Mrs. Wilfred Craft, Mrs. Donald Osborn and Mrs. Judson Dillon presided at the tea table centered with a

lovely bouquet of white mums and red carnations.

John Jewell, Robert Martin and Jeff Zechiel, members of the Youth Fellowship Group, assisted in receiving the guests.

Mary Ann Lewis, Linda Shirrell, Sandy Lewis, Pam H. and Kathy Banks worked in the kitchen.

Culver Wrestlers Win And Lose In Two Bouts

The Culver Community High School wrestling team won its first match in its brief history by defeating North Judson 26-24 at North Judson on Tuesday of last week. The Cavaliers won four matches by pins and two by decision to put their record at 1-2. The meet summary:

95 pounds: R. Humes (C) pinned Shepard (NJ), 2:59.
103 pounds: J. Ruiz (C) pinned Workman (NJ), :38.

112 pounds: Janick (NJ) decided J. Warner (C), 8-0.
120 pounds: D. Mackey (C) pinned Cox (NJ), 5:44.

145 pounds: J. Cox (NJ) pinned A. Huys (C), 5:27.
165 pounds: Howard (NJ) decided B. Liette (C), 6-2.

175 pounds: S. Miller (C) decided Alvarez (NJ), 7-2.
Hwt. pounds: G. Byfield (C) decided Dolezal (NJ) 9-0.

Final Score: Culver 26, North Judson 24.

The C.C.H.S. wrestling team lost its third match of their first varsity season to North Liberty by a 53 to 5 score last Thursday in the Culver Gym. Dennis Mackey was the only Cavalier to win his match and he did it pinning his man in 5:18. Dennis now has a record of two wins and two losses. The Culver record now stands at 1-3.

The next home appearance for the Culver wrestlers will be on Saturday, December 21, when they will host Bremen, Pioneer and Lewis Cass in a four-way tourney. All four of the teams are competing in their second inter-scholastic wrestling. The morning session starts at 9:30 a.m. and the finals will be at 1 p.m. Admission for the invitational is fifty cents for a single session or seventy-five cents for both sessions.

LETTERS TO SANTA

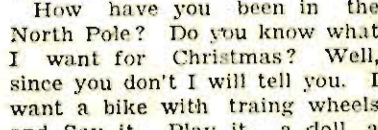

Dear Santa,
I want a bike, film, flasheubes, pendant, seaters, slacks, an I.D. bracelet, love chain. If I can't have a bike would you please give the things named and maybe more. The maybe more also, could be reins for Toby's bridle and sugar lumps.
Neala Hyndman
Love,
P.S. If you have enough time I I could use a skirt or two.
* * *

Dear Santa,
How have you been in the North Pole? Do you know what I want for Christmas? Well, since you don't I will tell you. I want a bike with traing wheels and Say it, Play it, a doll, a camera, a real one too like Neala's. Will you be sure to bring what I want?
Love,
Lisa Hyndman

CERTAIN WAR SOUVENIRS MUST BE REGISTERED

Servicemen, and ex-servicemen and others who have certain types of unregistered war trophies as souvenirs may be in violation of the Gun Control Act of 1968, unless these weapons or devices are registered with the Internal Revenue Service by December 1.

Mr. James E. Daly, District Director of Internal Revenue for Indiana, said that machine guns, sawed-off shotguns, sawed-off rifles, bazookas, rockets, mortars, bombs, mines, grenades, and similar destructive devices that have been retained as souvenirs or war trophies must be registered or turned in by the deadline. Representatives of the IRS Alcohol and Tobacco Tax Division will offer assistance

in registering or disposing of any such weapons or devices.

Owners should not bring the weapon or device to the IRS but should call, write or visit the Alcohol and Tobacco Tax or other IRS office for information and assistance.

The law provides that those who fail to register or dispose of the specified firearms or destructive devices which they possess, may be subject to imprisonment up to 10 years, fines up to \$10,000, or both. Civil penalties can also be imposed and property forfeitures take place.

Excuse me for coming up the door to pick up your daughter," explained the young man to the father of the girl. "but my horn isn't working."
