CULVER TOWN BOARD NEWS

The Town Board met in regular session Monday evening, opening with the old business. Veri McFeely reported that the curb and approach by the Root Beer Stand was done, but the weather prevented other repairs.

Board president Don Osborn reported that the light bulbs used to decorate the town Christmas tree had been stolen. A motion was made to offer to reimburse the Girl Scouts for the loss.

The board instructed the police department to crack down on vandalism, which seems to be prevalent now.

A form has been received which the board must fill out stating whether they officially accept or reject the regional planning for Marshall County.

Fire Chief Dave Burns was given permission to order coats, hats and boots for the Fire Department.

In other business, the annexation of territory at the intersection of Houghton Ave. and the Makinkuckee Highlands addition was discussed. The board decided to have a public hearing before publishing an ordinance. The hearing will be on January 5, when the board has their next meeting.

Everett Easterday informed Mr. Osborn that the new water plant is finished and the board can make plans for an open house, which will be decided on after the first of the year.

Due to dangerous conditions on narrow streets, the board thinks parking should be limited to one side of the street. Marshall Sam Madonna was instructed to make a survey as to which side of the street people prefer to park their cars.

Board member George Becker informed the other members of the board that the Chamber of Commerce would like for the town to take over the maintenance of the litter cans. They would like to assure the Chamber that they are interested in this project.

Mrs. Ruth Lennon, the town Clerk-Treasurer has given the board her resignation, which will be effective January 1, 1970, because of her health. Mrs. Lennon has enjoyed her job and will do all she can to help train her replacement. The board accepted her resignation and Mr. Becker commended her for her service to the community.

He will listen to the children's requests following his arrival from 11 to 4 p.m. He will also be in his house Friday evening from 6 to 8 p.m. So hurry, kiddies, get those orders in . . . NOW later than you think!

TO PUBLISH PAPER EARLY NEXT WEEK

The big Christmas issue of the Culver Citizen will go to press early next week in an effort to have it in all local homes prior to the holidays. The paper will be printed and mailed Tuesday and consequently moves the deadlines for getting news and advertising forward.

We will accept news and advertising until 4:30 p.m. Monday, December 22. We appreciate all the cooperation you can give us on this in order to get your paper to you for the holiday. The same pattern will follow the next week with New Years Eve and Day.

Post Office Needs Boost In Spirit

The Culver Post Office force would like to declare Christmas an illegal holiday. Adding to their woes of increased volume in mail, a heinous thief put a dent in their Christmas spirit when he stole the lights from the overgreens in front of the post office building. Then adding insult to injury, on Sunday night, a car crashed into their mailbox which was located across the street. Cheer up, fellas, only one more week to go!

Life is like a ladder — every step takes us either up or down.

CHRISTMAS 1969

"For we have seen his star in the East and have come to worship him."

Nearly two thousand years have passed since shepherds and kings travelled afar to pay homage to the Christ-child.

As we celebrate the true meaning of Christmas, in our churches and homes, let us again give thanks to Him for His great gift to mankind. Let us pray that Christians, and those of other faiths, unite and stand firm to meet the chal-

lenge of Godlessness.

Let us remain steadfast in our faith in God and the teachings of Christ. Let us pray for those who live in fear and are ruled by despots.

Let us ask our Heavenly Father's guidance for our leaders elected by free people, that they may govern with wisdom, understanding and courage in their efforts to attain brotherhood and lasting peace among all nations.

Voice Of The People

(Editor's note: The following poem was written for Mr. and Mrs. Albert Williamson of 422 South Plymouth Street, Culver, by their grandson, L. Cpl. Ronald Alston, who is stationed in Vietnam.)

Dear God,
As I sit in my bunker
This star-studded night,
My mind asks questions,
Questions of plight. Why,
must one man desire to
own another? Why must
one nation, desire to control
another? Why must we,
discriminate against others?
Why can't we learn to live
as brothers? Why, must race
and creed, fight against the
peace we need? Why must
all these differences be
settled, before man can be
freed?
These differences I mentioned
all rolled into one, must be
fought in war, that can
never be won. Why do all
these factors remain so un-
clear?

Because man today has so
many fears. But with a hope
for peace, and a hope so sin-
cere,

I pray dear God, that he will
heed.

L. Cpl. Ronald Alston

CULVER COLUMN

Christ might have chosen to come as an earthly king amid regal splendor, but such would not have suited the purpose of his life upon earth. He was born in the simplest of surroundings and walked the earth as a leader and teacher of men. There had been false prophets and pretenders through the course of time, so the road was not made easy. Through great examples, great teachings, through His great faith and through performance of a few chosen miracles, Jesus Christ gathered about Him true believers, who were to carry one message to the distant corners of every land: "Truly He is the Son of God!"

He chose the quiet, inelegant atmosphere of a stable. History does not record, but we might safely assume that this stable was not the most pleasant of surroundings. It was a crude shelter for animals, certainly not suitable accommodations for human beings. Crowded as Bethlehem was at the time, it is safe to assume that other travelers had turned their backs upon the dank atmosphere of the stable. But the traveler from Galilee was forced to seek some form of shelter for a wife who was with child. Joseph, a carpenter by trade, nonetheless was a proud man. We must wonder how difficult it was for him to be practical and accept the fact that poor shelter was better than no shelter at all.

Rarely do we find in the writings since that time reference to the idea that the stable was dirty and unkept. Instead, the manger scenes that have become so popular depict the stable always clean and beautiful. This is quite proper, for it is all so true that the greatness of the event which took place is such that there is room for no more than beauty in the eyes of the beholder. The precious few who shared in the Miracle of Bethlehem were made to realize the momentous event that was taking place. The child, "wrapped in swaddling clothes and laid in a manger" was such a glorious sight to behold that an ethereal beauty touched the whole surroundings. The dirty unkept stable, because it was the only shelter available to the weary travelers, was transformed into a holy piece of ground.

In the light of the star they came, three wise men from the East. No ordinary men were they, nor poor travelers. They had come with the thousands to register in according with the wishes of Herod. These men owed no allegiance to Herod, nor to one another. Each man was a king in his own right. The bond between them was a bright and shining star which told of the fulfillment of prophecy. So it was they came, following the light of star until it came to rest above the stable in Bethlehem. Humbly bearing gifts of gold, frankincense and myrrh, they came forward, these kings, to kneel reverently before the manger and pay homage to the newborn babe they believed to be the "king of kings."

Shepherds came down from the hillside, where an angel had appeared to tell them of the great happening at Bethlehem. Bearing their simple gifts, these humble men came to kneel in the shadows of the quiet stable, side by side with the three kings from the East. As the magic star had guided the kings across many lands, the messenger of God appeared on the near hillside and instructed men of simple faith to come forth and acknowledge the birth of the Savior. And, this is right, for He is the King of kings and the King of men; He is the King of the near and the King of the far. Generations as yet unborn shall be amazed at the vastness of His Kingdom.

There is one most impressive

about the Story of Christmas. Let us call it the importance - or the sacredness - of truth. It is not surprising that a story so old, so oft repeated, and many times translated from tongue continues to remain the same? Centuries of telling and retelling have not altered a single matter of site or situation. Many of the customs and traditions associated with the observance of Christmas may change with the times, often differ greatly from one country to another, yet the Story of Christmas is forever the same. It needs no embellishment. In humble surroundings Jesus Christ was born into the world. Until He died on the Cross of Calvary His life upon earth was one of humility, faith, obedience and highest example.

Many times in our busy, work-a-day world we hear the cry that "Christmas is too commercial." Certainly, none deny that there is much that is commercialized. If it is too much, the fault belongs equally to us all. It is not necessary that we work so hard at "keeping up" with the folks across the street or down the block. We need not let our observance of the holiday get out of hand merely because others are unreasonable. Instead, we can work to promote among family and friends a realization of the true and complete meaning of Christmas. If we do this, we place emphasis where it properly belongs. We turn our thoughts and our footsteps to the church by the side of the road; we give thanks that on this day a Savior was born.

And even unto this day there are disbelievers. It is true that He came to save all mankind yet His legacy provides nothing more than opportunity. Each man is granted the right to seek out eternal salvation; but there are no provisions to insure that every individual make the effort. Each man must build his own bridges along the pathway of life. For those who would follow in His footsteps, there is no stronger working tool than faith. During His life upon earth, Jesus Christ many times was beset by the sick and the lame and the infirm to perform miracles and make them "whole." Time and time again, He would ask one question; "Do you have faith?" and only then, is the miracle possible.

So Now Again it is the season of Christmas. The Story of Bethlehem will be told and retold, in mansions and in cabins, by the open fire and in the quiet darkness of a child's room. And, certainly the real meaning of the Christmas Story will touch many hearts for the first time. For as many as believe, there will be special meaning in the merry lights, the bright tinsel, and the outward trappings we have come to know so well—for these shall share in realization and appreciation of the fact that on this day God sent His only Son to save the world.

Fall and Winter mean holidays and holidays mean parties, decorations and Christmas trees. To keep your holidays joyous, the Insurance Information Institute offers these fire safety tips:

Keep the tree away from fireplaces, radiators and heaters. Place it in a water stand and water it daily.

Use only flameproof decorations.

Don't set up electric trains or similar equipment around or near the tree.

Check sockets and wires of tree lights to see that they are in good condition.

Place the tree so that its lights can be turned on and off from a switch located away from the tree.

Don't leave tree lights burning while away from home.

Don't overload electrical outlets.

When putting up decorations and lights, use a balanced ladder—never a box, bench or chair.

Teach your children the importance of observing these safety precautions.

North Liberty Is Cavaliers First Victim

Culver's varsity netters won their first decision in seven starts, overwhelming North Liberty 75-65.

After gaining a ten point (19-9) first quarter lead, Culver was never in trouble. The Cavaliers led again in the second period, scoring 18 to the Shamrock's 13 to assume a 37-22 halftime lead.

The Shamrocks luck came to them in the third quarter, scoring 25 points and holding Culver to 19. But Culver still had the edge, 56-47, when the third stanza concluded.

Culver added another point to their lead and raced ahead 75-65 at the end, behind a 19 point performance by center Don Ehlinger, and a 16 point effort by guard John Bauer.

Reserves Win Second in Row
Culver's tough B-team won its second in a row and its fourth out of seven starts by beating North Liberty on its own floor 38-28. Again the young Cavaliers' defense proved tough, as the highest total the Shamrocks scored for and one quarter was

nine. The only time Culver was outscored in any one quarter was the last one, where they were out-distanced 9-7. Larry Peters of Culver led all scorers with 12 points.

Friday Night A Loss for Cavaliers
After forging ahead for the entire first period and a good part of the second, the varsity netters lost to Caston 72-54, while the reservation won their third in six starts defeating the Caston B Team 50-44.

Culver's varsity got off to a good start, both offensively and defensively, and took a 12-8 lead at the end of the first period.

Culver looked good as it opened up the second quarter as they kept consistently in front of the Comets, but after tying the score at 23-23, Caston pulled in front and the score stood 34-24 at half-time.

After intermission the taller Comets took command outscoring Culver 22-9, to post a 56-33 score at the three-quarter mark.

In the important fourth quarter Culver did some catching up. Their 21 point quarter was better than Caston's 16 point performance, but not good enough to erase the lead caused by Caston in the third period. At the final buzzer Caston still led by 18 with a 72-54 score. Don Ehlinger paced the Culver scoring with 18 points.

Reserves Outclass Caston
The Reserves outclassed Caston 50-44 having the lead the entire game. Culver played excellent ball the first half with good shooting and a rough defense that set up a 28-20 half-time score.

In the second half both teams

scored well, with Caston edging Culver in the scoring department 2624.

Let Us Support Our Fighting Men

By Al Bucholz

I came uneasy to my country. My birth was shrouded by the clouds of war.

I was far too young to have had a hand in it - - but I was, after all, born in one of the Axis nations. After living a year under Russian occupation, I had a chance of meeting the fighting men of America. And I knew that instead of bringing revenge they brought gum.

And they talked about home. They talked eternally about home. They were strange men on a strange ground and while we, as children, looked up to them, they still scared us a little. But as the years passed, and the talk became deed, the fear was replaced by respect. America put away bitterness, not to be forgotten, but so it wouldn't interfere with the main job of helping people.

Because of my experience, the opportunity of living in the United States gives the words, "Peace on Earth Toward All Men of Good Will", a deeper meaning for me.

Now as another Christmas approaches, it's my strange fighting men on another strange ground.

Now, as then, it's hard to be away from home at Christmas. Now, as then, there's a reason it has to be done.

Occupation by Chairman Mao is no different from occupation by the Russians. Czechoslovakia wants freedom as much as America but doesn't have the means to pursue and retain it. Whereas freedom is the right, at birth, of all men, we find it our duty to answer the call and come to the assistance of freedom seeking men.

We struggle for this principle in the session halls of the United Nations.

We struggle for this principle in the emerging nations.

We struggle for this principle in our country.

And we struggle hardest for this principle in the unhappy swamps of Viet Nam.

So it can't be the happy Christmas it should be. Our young men are standing in another part of the world. Their seats at the dinner table are empty. Their graduation suits hang empty in our closets. Their cars sit empty in the sheds. But there's no emptiness in our hearts.

We haven't asked that he stand for liberty, only to take away our support in his struggle. We haven't joined with his enemy to defeat his aim. And we won't let him down by misinforming him about our feelings.

This Christmas it's time for a moratorium. A moratorium against doubt. A moratorium against failure to speak up. A moratorium to reassure our brothers and sons that we know why they can't be with us and that we're sharing the pain of their absence.

It didn't make headlines because it was done thoughtfully and quietly, but just a few weeks ago, in thousands of smaller communities across the nation, Americans stood in chill winds in parks and on court house lawns. They heard amateur speakers give voice on Veteran's Day to the real feelings in the land. Feelings which tend to be smothered by shouting antics in Chicago court rooms. The deeper feelings which must be conveyed to the Americans who stand for us in the defense of freedom.

May I call on you in asking our Commander in Chief, U. S. Forces, Republic of Vietnam to pass on your feelings of support to our fighting men. Send a card to: General Creighton W. Abrams, Headquarters, U. S. Forces, Republic of Vietnam, AP O 96601.

ARIES - March 21 to April 20
Aries individuals will get rewards for actions done in the past. If things are good, you can be sure that you deserve reward. If, on the other hand, things are not so good, you may have to "dig deep" for the reason.

TAURUS - April 21 to May 21
Some slight "confusion" might appear to be rather upsetting, right now, but you can be sure that it's only of temporary nature and everything will be back to normal very shortly.

"SOME SLIGHT CONFUSION" MAY OCCUR WHEN YOU VISIT MR. T'S THIS WEEK. IF YOU THINK RON IS HAVING EMPLOYEE PROBLEMS, WITH A NEW CLERK DAILY, LOOK AGAIN. IT'S ONLY BEV DEMONSTRATING WHAT CAN BE DONE WITH THE NEW REVOLUTIONARY WIGS NOW ON SALE AT REXALL DRUGS.

While everything may seem to be "all up in the air" there's a reassuring note in the general chart for Cancer. Conditions are not as dire as they seem to be so have patience!

LEO - July 23 to August 23
There's only one planet in the entire zodiac, right now, that is in poor aspect to your sign. It has been there for so long now, that you won't even notice it. Have fun!

VIRGO - August 24 to Sept. 22
As Jupiter, the "great benefactor" in astrology, moves across the sign of Leo, it is getting closer and closer to your sign. This should bring tremendous benefit to you.

IF THIS "BENEFIT" IS IN THE

FORM OF MONEY, BUY A NEW "AMITY" BILLFOLD AT MR. T'S.

LIBRA - Sept. 23 to October 23
Your vitality is probably rather low at the present. You tend to "brood" over conditions as you find them. You can, if you put your mind to it, emerge from this "slow" period with a great deal of knowledge.

DON'T EVER "BROOD" OVER THE WAY YOUR HAIR LOOKS. BUY A "CLAIROL KINDNESS" 20 ROLLER HAIR CURLING SET FOR A CHRISTMAS GIFT TO YOURSELF.

SCORPIO - Oct. 24 to Nov. 22
Right now is a good time to lay out the "ground rules" that you intend to follow for the next year. Your judgement is far keener now, than it will be next month, and you should plan accordingly.

SAGITTARIUS - Nov. 23 to Dec. 21
Much 'news' will be coming your way that should enable you to "sort out" and evaluate things that may have troubled you in the past. This is truly an auspicious time for all Sagittarius persons.

CAPRICORN - Dec. 22 to Jan. 20
While astrological aspects are "easing off" somewhat, in the realm of tension and uncertainty, you should continue to stay out of controversial arguments at all costs!

AQUARIUS - Jan. 21 to Feb. 18
There is much work to be done in the field of "human relationships" right now. While things may seem to be a little "tense", you are enabled to smooth out many domestic problems.

Traveling Players To Appear

One of the newest and most exciting of the collegiate touring companies that have been formed during the past ten years is the Notre Dame-Saint Mary's Traveling Players. Composed of seven students, four men and three women, the company is currently in its first year of touring. The tour is presently under the auspices of the Saint Mary's College and the company has established itself as a favored attraction wherever it has appeared. The schedule for this first year will take the Traveling Players into 18 different states and the district of Columbia, and they will play in high schools, theatre, and hotel ballrooms. The company carries its own set and is able to set up a stage and perform practically anywhere.

The company is performing "The Company of Wayward Saints", a play by George Herman. The play won the McKnight Foundation Playwriting Award in 1966. The comedy details the trials of a company of actors who practice the ancient art of commedia dell'arte, the comedy of improvisation. The members of this company play the same stock character for each performance, and it seems as though the actor and the character have become inseparable. As the play continues, however, the audience sees the actors trying to find themselves and strip away the mask of the character that they have been hiding behind.

This exciting production will be at the Culver Community High School Auditorium, sponsored by the Culver United 5-Y. The date of the show is Saturday, January 10, at 8:00 p.m. Tickets may be obtained from the United 5-Y members and the Culver High School Drama club for a donation of \$1.00, or purchased at the door. Don't miss this great opportunity of seeing one of the brightest new theatrical groups in the country.

All proceeds go toward the Youth Service Fund of the United Methodist Church. Plymouth residents may obtain tickets at the First United Methodist Church in Plymouth.

Wednesday guests of Mr. and Mrs. Floyd Carrothers were Mr. and Mrs. Frank Miller of LaPaz, Mrs. Lulu Aley and Mrs. Betty Bossinger of Burr Oak.

Mrs. Maxine Heir had a very pleasant weekend and birthday celebration when her children and grandchildren arrived Saturday evening with food enough for all. All Maxine had to do was to eat and open her gifts which were many and beautiful. Guests were from South Bend, Valparaiso, Plymouth, Hibbard and Culver. A large birthday cake with candles was also furnished. A Christmas dinner was planned.

Charles Garrett came home from Parkview Hospital on Sunday.

Charles K. Bossinger underwent major surgery at Parkview Hospital Tuesday morning.

Sunday evening guests of Mr. and Mrs. Wayne Bishop were Mr. and Mrs. Don Radabaugh and Mike and Don of Mishawaka.

Mrs. Lulu Aley accompanied Mrs. Mildred Dittmire of Culver to South Bend Monday where they spent the day with Mr. and Mrs. Gus Brenner and family.

Wrestlers Fall To North Judson

The wrestling Cavaliers took their third loss Tuesday, being defeated by North Judson 34-18. Culver won all three exhibition matches, with pins by Jimmy Baker, Jeff Venum and Bill

Miller.

Culver got off to a roaring start, winning four out of the first six matches, but Judson came back in the end, helped out by the forfeit in the 185-pound class by Culver. Culver's next encounter will be with Knox on Tuesday.

WSCS ENTERTAINED WITH CHRISTMAS MUSIC

The Women's Guild of the Wesley United Methodist Church were entertained by the Children's Choirs and the Culver Choralists at their Christmas meeting Thursday, December 11.

Mrs. Ted Strang introduced the choirs which sang several Christmas songs. One of the songs, "Lord o' the Dance," was interpreted by a dance by Susan Boswell and Cindy Tusing.

Mrs. Clayton Moon directed the Choralists with several Christmas songs.

The devotions were given by Mrs. Earl Sharp who read "Thoughts in Keeping Christmas," by Henry Van Dyke.

The business meeting was conducted by Mrs. Fred Lane. The social hour followed with Mrs. Harry Speyer as chairman of the hostess committee. The tea table was attractively decorated with a white poinsetta and Christmas decorations. Mrs. Sharp and Mrs. Strang presided at the table.

Seniors Tested For Vocational Aptitude

By Jan Price

All Culver Community High School Seniors took the Armed Services Vocational Aptitude Battery Tests last Monday. This examination, the only one of its kind included in the local school's testing program, rates each student's aptitude in several areas. Air Force and Marine recruiters administered the test.

The test itself measures four areas of aptitude: general intelligence, mechanical, administrative, and electronic. The data obtained from the test is used by the senior and the high school's Guidance Department to consider areas of civilian work and training programs for which the student shows significant aptitude.

The test offers the student experience in taking aptitude tests. Many seniors will take aptitude tests in applying for jobs. The recruiters will confer with seniors regarding special aptitude and to consider appropriate training programs for the armed services.

During January the recruiters will bring the test data to the guidance Department. At that

time they will speak with any student interested in discussing opportunities for him in training and service in a branch of the armed forces.

Spreading Sunshine

By Margaret Ru'new

The C. C. H. S. Sunshine Society spread a little sunshine to the needy families in the area by sending them Thanksgiving food baskets. This is one of the many projects the Society undertakes every year. It also sends gifts to soldiers in Viet Nam for Christmas, exercises handicapped children, sends favors to the hospitals, visits nursing homes in the area and sends

fruit baskets to old folks for Christmas and Thanksgiving. The Society also raises money and donates it annually to the Riley Hospital Fund in Indianapolis. It is evident that the Sunshine Society lives up to its motto, "Others." This organization is restricted to high school girls only and is prevalent only in Indiana.

The C. C. H. S. Sunshiners have been selling candy to make money for their Ideal Ladies' party in April. Each girl chooses a woman who is her ideal and secretly sends her gifts and does her little favors throughout the year. At the party the ideal ladies discover who their Sunshine girls are. The girls are also planning their Christmas program and a dance to be held in March.

Yule Tree First Lighted Here by Enemy Soldiers

Just as soldiers long for their homeland all over the world today, so did the mercenaries, as they were called, who aided the British "for pay" in the American Revolutionary War.

It was Christmas Eve and a group of Hessian soldiers huddled around their sputtering fire at their camp on the icy banks of the Delaware River.

They sadly missed the Gemuetlichkeit, the good cheer, shared by family and friends during the holy season.

Soon some of them hauled fir trees and brought them indoors to be decorated with berries and whatever else they could find in the snow . . . makeshift ornaments that reminded them of happier times.

They lighted candles on the trees and, just like at home, gathered 'round the tree to sing familiar Christmas hymns.

A few days later these soldiers would be taken prisoner and a harsh world would dispel the pretty visions like smoke from their eyes. But by this spontaneous act, in a strange land, enemy soldiers left an imprint on the new country which has become part of our own heritage.

© SCW, INC.

Especially from Germany come the traditions we cherish so to this day.

So important is this custom of decorating trees, a leading greeting card manufacturer has displayed an unusual exhibit of Christmas trees on Fifth Avenue, New York City.

Virtually every example of decorated and ornamented tree graced the collection, each decorated by a well-known person . . . including Shakespearean actors, princes of the Church, famous authors and others who give their tree-trimming a special, individual distinction.

So, whether you trim your tree with stars and bells and conventional decorations, hang cookies and prisoner and a harsh world would dispel the pretty visions like smoke from their eyes. But by this spontaneous act, in a strange land, enemy soldiers left an imprint on the new country which has become part of our own heritage.

Ladies Auxiliary Holds Festive Dinner Meeting

A festive carry-in dinner with decorations in the Christmas motif was enjoyed by members of the Ladies Auxiliary, VFW 6919, Culver, on Monday evening, when they met at the Post Home. The social committee, Mrs. Clyde Hickman and Mrs. William Haydane, presided at the dinner, after which members participated in a gift exchange.

The business meeting followed with a roundtable presided over by President, Mrs. George Lemar.

Special mention was given to citations received by Cancer Chairman Mrs. Hickman and President Lemar for the Auxiliary's 300 per cent Cancer Contribution to the National Auxiliary's Fund.

A letter of appreciation of the Auxiliary's participation in the Radio Free Asia program was read from You Chan Yang, Ambassador at Large from the Republic of Korea. As President and Chairman of Radio Free Asia, Ambassador Yang praised the support in behalf of "those forced to live in slavery behind the Bamboo Curtain." This program is designed to "meet head on"

the communist lies and distortions with counter measures of truth".

Also a note from Mrs. Charles Roush of the Women's Auxiliary of Marshall-Starke Development Center was read, thanking the Auxiliary for their contributions to the bus fund for the Center.

The membership drive for 1970 is nearing its goal as Membership Chairman, Mrs. Alan Cornett, Sr., reported 95 per cent of the members dues have been reported.

Legislative Chairman, Mrs. Roger Wise reported receiving favorable correspondence from U. S. Senator Birch Bayh regarding veterans' legislation now before the Senate.

Mrs. Wise, as VFW National Home Chairman, has sent Christmas cards to all Indiana Children and the children living in Indiana Cottages and to the graduates of the National Home presently serving in Vietnam. Mrs. Wise also expressed the importance of sending contributions for the National Home Christmas seals as these funds insure a major portion of the Home's annual operating expense in providing for wives and children of deceased or disabled veterans.

Final plans were made for packing Christmas toy boxes for needy area families for delivery

prior to Christmas. The committee will meet Sunday, December 21st, at 2:00 P.M. at the Post Home to wrap gifts and pack boxes for delivery Christmas week. Mrs. Lemar reported that Post 6919 will donate fresh fruit and candy for the toy boxes. Toys and games are still needed to help make the season happy for these children and donations may be taken to the Post Home or members may be contacted for pick-up at 842-3672.

Mrs. Wise as VA Hospital Chairman reported sending a large box of paperback novels to the VA Hospital at Marion, Indiana. Reading materials in this form are needed at all VA Hospitals along with picture puzzles, writing materials, paint sets and color books, playing cards (new or used) and miscellaneous items for occupational therapy.

Discussion was continued on the project of purchasing books for the Culver Community High School library and final decision will be made at the January meeting.

The Auxiliary voted donations to the Department of Indiana,

Ladies Auxiliary Cancer Fund, and to the Hoosier Boys' Town at Schererville.

Due to the proximity of holidays to the regular fish fries held by the Auxiliary, the members decided to cancel the fish fries for December 26 and January 2.

The membership drawing was won by Mrs. Frank Cihak, and the meeting was closed and will be reopened on January 5th at 8:00 P.M. with Mrs. Kenneth Tesch, Mrs. William Anderson and Mrs. Adeline Rowe as the social committee.

Following the meeting, members enjoyed a white elephant bingo and social hour with Mrs. Hickman in charge.
