

Pastor Vonderohe

This Pictorial Directory is a story. It is not so much a story of our Past. It does not contain any blueprints for our Future. It is a living witness of Today.

We publish this directory as part of the Centennial celebration of the Grace Church Family. From this plateau we look back on a rich heritage. Truly, our God has blessed us. We also strain our eyes of faith to catch a glimpse of tomorrow and even take time to dream of ways Grace Church can be faithful and true to our God and the inheritance which is ours through the grace of God. While we are thankful for our Past and continue to learn from it; while we seek to envision even greater things in the coming years; it is also our responsibility to make the most of today. We will not be held accountable for our Past; We will leave the Future in the hands of our God who has been faithful in the Past and promises to abide with us tomorrow. We would be mindful that Today is the opportune time to 'give our best to the Master', as one of the gospel hymns expressed it. Today we can participate in the life of Grace Church through attendance, through prayers, through giving of time in Christian service, through giving our monies, through the full commitment for which we will be held responsible. From the youngest member to the oldest, we have special gifts to offer our Lord as Christ calls us to labor in and through the Church. "Bless be the tie that binds our hearts in Christian love".
