Through Worship

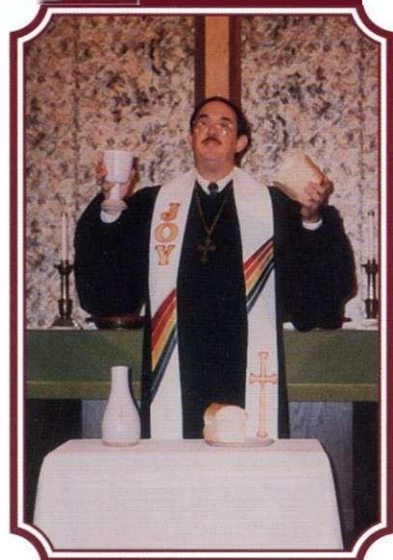

Welcome to the Faith Family of Grace United Church of Christ.

The congregation of Grace Church is a committed family, committed to up-holding the values and morals that have helped to make the Church of Jesus Christ what it is today. As you look through this directory you will see this commitment to family, not only to the Grace Church Family, but to an even larger extended family, "The Family of God."

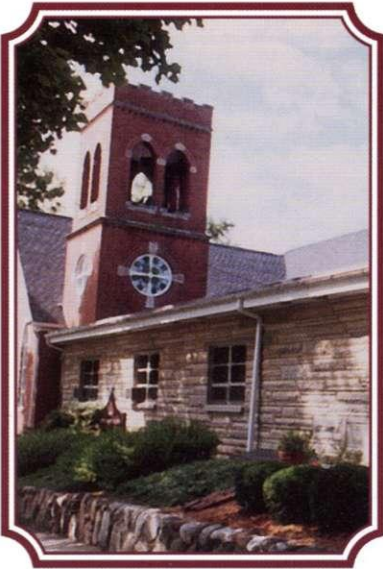

The theme for this directory is "That They May All Be One." These are not mere words, rather, they speak to the essence of who we are. The mission then of Grace United Church of Christ is one that reaches out to all "The People of God," welcoming them into The Faith Family, not only at Grace United Church of Christ, but into God's Family throughout the world.

On behalf of the congregation of Grace United Church of Christ, I bid you God's blessings upon 'Your' family.
