St. Mary of the Lake Catholic Church

Located in a pleasant little resort and campus town, St. Mary of the Lake Church serves parishioners from the town of Culver, The Culver Academies, and the surrounding communities.

The first St. Mary of the Lake Church was built in 1897. However, it was struck by lightning and burned to the ground in the spring of 1905. Two generations of area Catholics had to attend Mass and religious instruction in neighboring parishes.

It was in 1948 that Father Joseph Lenk, a former chaplain who served in North Africa and Italy during WWII, came to Culver. He erected a "Quonset hut" church, which soon was nicknamed, not-too-affectionately, the "pressure cooker church," both because of its appearance and the summer temperature inside. However, it was a real blow to the Church in the area when that building was also destroyed by fire on January 28, 1954. In only 20 minutes the church which had served a struggling parish was a smoldering ruin.

While parishioners attended Mass in a nearby theater on Sundays, the parish raised funds to begin building a new church. And on August 28, 1955, the new church, combining Norman architecture and all the most modern materials, was dedicated.

The parish has been served by 6 priests, Father Joseph Lenk 1948-1978, Father Matthew Kafka 1979-1986, Father Steve Morrison 1986-1990, Father Leonard Chrobot 1990-1995, Father Jeffery Largent 1995-2001, and Father Glenn Kohrman, 2001-present.

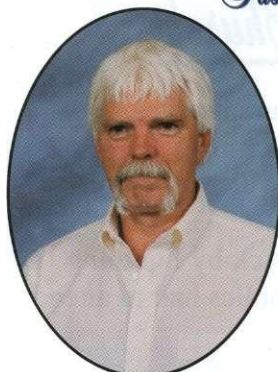

The staff and I hope that you will enjoy this pictorial directory.

The directory is a great help to me and hopefully to you as well to put names with faces. We are called to be the Body of Christ. This is the mission of our parish here in Culver.

As you look through the directory, may it be an occasion for you to be mindful of the many blessings God has bestowed upon us. Give Him thanks and I hope you come to know the joy He looks to give us all in being counted among His people. Let us Praise the Master, Jesus, now and forever.
