# MOMENTS TO REMEMBER

MOMENTS TO REMEMBER . . . part of them concern the education we gained at Culver High, but mostly they are the little things that were a part of each day. None of us will remember the same things, because each incident differs in its individual importance to us. Now we look for moments of glamour or excitement, but—as time mellows our outlook—we will remember the more solid, routine experiences. We will be surprised someday, as we reminisce with old friends, that we recall the most trivial unexciting things that happened when we were in high school. Little everyday occurrences will pop up in our minds . . . slumber parties, classroom boners, admiration for Elvis, Bermuda shorts, getting a high grade in a tough subject, puppy love tragedies, sock dances, senior concessions, class play, junior dances, senior trip, club activities . . . these are just some of the things we will wish we had appreciated more when we were near, for when we pause to think of yesterday, of youth—when we form these images in our mind—these are the Moments to Remember of our days in Culver High School.

We will have these MO-MENTS TO RE-MEM-BER

This is the view of the Culver school plant that greets the students who travel by bus each day. The elementary building is at the left, the high school in the center, the gymnasium at the right, the power plant has the tall chimney, and the music building is in the right foreground.

Principal R. J. Ives Jr. demonstrates his ability to do two things at once as he discusses a parent's problem over the telephone and consults with Assistant Principal M. R. Robinson.

Township Trustee Glen S. Tibbetts inspects the work being done in the school's newest department, the kindergarten, which has been accorded wholehearted approval by the community.

Township Advisory Board members Earl Foreman, Ralph A. Osborn Jr., and Earl D. Overmyer.

CAFETERIA STAFF. Mrs. Anne Waite, manager; Mrs. Marie Cowen, Mrs. Zora Craft, Mrs. Mabel Cromley.

CUSTODIANS. Don Bruce, Mrs. Cleo Warren, Mrs. Marjorie Martin, and Edward Kowatch check on the popular milk dispenser in the elementary building..

OFFICE SECRETARY. Checking in money from the various organizations is only one of the many jobs that keeps Mrs. Ruth Warner busy. Turning in the money is Carol Kline.

# THE CLASSROOMS

We will have these MO-MENTS TO RE-MEM-BER

ART. This eighth grade art class pauses to admire the artistic skill of Sharon Spahr. Shari Yocom enjoys an appreciative close-up, while Jean Warner holds the colorful giraffe she has just finished with distinctive spots and stripes.

HIGH SCHOOL MATHEMATICS. Roger Peters is interrupted as he does a bit of subtraction. David Booker is doing the criticizing, while Sandra White remains strictly neutral. However, the second-guessing doesn't seem to upset Roger too much.

PLANE GEOMETRY. Evidently it takes two to convince Jeanette Berger as the class listens to a discussion of a problem that has been placed on the board. The earnest convicers are Danny Little and Tom Sutch, who finally won their point.

LATIN. This class of second year Latin students is doing some translating of sentences Miss Fletchall has written on the board in her usual neat script. Stanley Curtis is doing the pointing, while Joan Barshes waits to see if the questioner agrees.

GENERAL SCIENCE, Anne Behmer explains the meaning of some diagrams on a chart dealing with chemicals, and seems quite confident about the whole thing. But the rest of the class mixes bewilderment with amazement and open-mouthed awe at Anne's glib remarks.

INDUSTRIAL ARTS. Learning to work with their hands helps to turn out well-rounded students. These industrious students are Ronald Wise at the sander, Alvin Triplet at the jig saw, and David McCoige watches Charles McCoige at the metal lathe.

ADVANCED MATHEMATICS. Robert Taylor pauses in the midst of an explanation of a complicated trig problem to listen to a question from one of the other students. You may be sure that Bob came up with a ready and convincing answer.

SPANISH. Mr. Hand has just popped a question to his second year linguists, and Sally Medbourn, Linda Reed and Greta Hughes indicate they know the answer. The faces of the others reflect varying reactions to the teacher's query.

ENGLISH. This class of freshmen is busy wrestling with the parts of speech and Donald Wynn comes up with the declaration that the word is a noun. By a strange quirk this class is composed of only boys, while another has only girls in it.

GIRLS GYM. First row: Janet Lowry, Jeanne Best, Verna McDonald, Johnye Sipes, Betty Prosser, Eileen Overmyer, Janice Measels, Ellen Smith. Second row: Virginia Ault, JoEllen Hand, Betsy Pettis. Third row: Marjory Powers, Pat Singletary. Top: Beverly McGaffey.

WORLD GEOGRAPHY. Giving special reports that are the result of hours of research work in the library feature the work of this class. Doris Gunter is giving her report on Germany, and it must have been quite interesting, judging the attentive expressions.

BOYS GYM. Caught mid-air in a tumbling stunt is Donald Wynn with Frank Herr and Buddy Watson the apprehensive kneelers. Watching are Leslie Woolfre, Donald Hand, Robert Mikesell, Charles Hardin and Watson White, wondering if Don will complete the leap successfully.

**SOCIAL STUDIES.** The precincts of Union Township are discussed by a class in civics as Carl Wagoner points out where a classmate lives in Precinct Two, but Betty McKee declares the home is over the line in Precinct Three. Linda Reed is keeping score.

**COMMERCIAL.** These future secretaries are busy making a bunch of funny looking marks and hieroglyphics as they write out a lesson in shorthand. In the foreground are Verna McDonald and Johnye Sipes. Let's see if you can name the others.

ENSEMBLE. Various ensembles practice daily as segments of the senior high band. Pictured is a brass sextet (obviously one member is missing) composed of Robert Kennedy, Virginia Piersol, William Ott, Janet Lowry and Tom Cultice. Bob Taylor was absent.

REMEDIAL READING. Last year this course was inaugurated in the Culver schools and this year it is in full swing under the leadership of Miss Stephenson. It has been highly successful, as has the course in remedial speech under the same teacher.

LIBRARY. Many times a day Mr. Stettbacher assists students with their research work in the library, with subjects ranging from the love life of a beetle to the fall of the Roman Empire. Pictured is Librarian Stettbacher conferring with Edna Menser.

HOME ECONOMICS. Shhhh! This Home Ec III quartet is taking a test and the picture is an unusual shot of brains at work. Pictured are Pat Dowd, Eileen Overmyer, Marjory Powers and Sue Geiselman. The pillows are handy in case anyone collapses.

## MOMENTS TO REMEMBER FOR THE CLASS OF 1957

Do you remember the fall of 1953? There were 55 freshmen beginning their high school days, the future Senior Class of 1957. Our officers were: Bill Ott, president; Tom Cultice, vice president; Royelle Sutch, secretary; Ann Jurgensen, treasurer; Carl Wagoner, monitor committee; and Royelle Sutch and Carl Wagoner, student council. Betty McKee and Royelle Sutch were selected as our candidates for the carnival queen. We held two fudge sales during the year. We wanted to save money for our Senior trip, so we didn't have a class party at Christmas. On December 22 we learned of the death of our beloved classmate, Doris Sellers. During the year Paul Howard, John O'Conner, Richard Pontius, and Hawley Shepard withdrew from school and Robert Howard entered.

Slowly but surely we climbed the ladder toward our somewhat future graduation. Our sophomore class had 47 members; leading us on were our officers: Mike Bennett, president; Betty McKee, vice president; Janet Zechiel, secretary; Royelle Sutch, treasurer; Dan Savage, monitor committee; and Cynthia Allen and Mike Bennett, student council. During the year we held five fudge sales, and at Christmas we spent a little of our hard-earned money on a class party. Our candidate for queen of the American Legion show was Betty McKee. Shirley Bassinger, Jerry Miller, Homer Personet, and Carl Seals left during the year. Three of our present class members joined the class that year—Dave Middleton, Jay Snyder, and Doris Gunter.

Suddenly we were juniors, and we certainly were busy ones. There were 46 students in our class that year. Our officers were: Warren Curtis, president; Carl Wagoner, vice president; Beverly Price, secretary; Betty McKee, treasurer; Mike Bennett, monitor committee; and Royelle Sutch and Dan Savage, student council. Do you remember how hard we worked to learn parts, collect props, and sell tickets for our class play? "Off the Track" was a smashing success. Certainly no one will forget the day in early December when our class rings arrived. Soon it was March and again we worked to give our ham supper, and we found that the results were certainly worth the effort. At last

we were excused from classes to transform the gym into a dreamland. Our theme was "Moonlight Serenade" that May 4, and we had a wonderful evening. Jerri Brown moved to Chicago during the year, but we gained two new classmates—Tommye Glaze and Robert Measels.

At last we were seniors. Now only a few months stretched ahead of us and then—graduation. There were 45 in our class. Our capable officers were: Dave Middleton, president; Carl Wagoner, vice president; Sally Medbourn, secretary; Betty McKee, treasurer; Warren Curtis, monitor committee; and Royelle Sutch and Dave Middleton, student council. Ann Jurgensen and Lucinda Piersol left our class, and Auda Fisher, Don Herr, and John Wharton entered. On September 7 we launched our magazine drive, and we went all out to go over our goal of \$4,500. The highest sellers in our class were Sally Medbourn and Tom Cultice. On October 15 we went to Chicago, courtesy of The State Exchange Bank, where we visited The Federal Reserve Bank, The Continental National Bank, and The Board of Trade. Do you remember the delicious chicken dinner we had? We had our third car wash on October 20, the others were held during the previous summer. We chose blue and silver as our class colors, the yellow rose as our class flower, and "They conquer who believe they can" as our class motto. During the basketball season we sold concessions, and money for our Senior trip quickly reached an impressive total. Finally we left on April 30 to see Washington D. C., Williamsburg, and New York with our hard-earned money. We returned to Culver on May 6, tired but happy. Four days later we had a wonderful evening at the prom given in our honor by the junior class. The end of our high school days came all too soon. Our baccalaureate service was on Sunday, May 19, then, with a few tears, but with high hopes for the future, we received our diplomas on Friday, May 24.

The seniors extend their sincere thanks to everyone, especially the faculty, for helping us in our years here at Culver High School. We shall always have these moments to remember. We wish the best of everything to the future graduates of C.H.S.

## CULVER'S BASKETBALL TRADITION REVIVED

"Good work, team, good work; good work, team, good work; team, we say good work!" This is one of the joyous strains which were heard many times throughout the year as the Culver fans saluted their mighty Indians. This truly was one of those traditional Culver basketball seasons with the Culver tribe standing high with thirteen wins and nine losses during the 1956-57 season.

The opening game of the season showed that the Indians were to be rough to handle this year. It was a close contest all the way, but the Indians ended up on top as the final score was Culver 64, LaPaz 59. Warren Curtis led the Culver attack with 20 points, followed by Bennett's 17 and Triplet's 12.

Walkerton's Indians proved to be too powerful for Culver, scalping our tribe on our own hunting grounds with a score of 67 to 59. Curtis and Triplet led the scoring with 19 and 13 points respectively.

For the third battle, Culver took to the road for the first time to meet the Akron Flyers. "Score, score, we want more!" was the cry of the fans as they observed the Old Culver Spirit which the boys again displayed. Culver won by a margin of ten points, the final score being Culver 58, Akron 48. Curtis and Triplet again were top point men with 13 and 18 points respectively.

North Judson overpowered Culver 59-46 in the second setback of four games. Bennett and Curtis each scored 14 points for top honors.

Culver overtook the Rensselaer Bombers for their third win of the season. The scoring was evenly divided between the starting

five and the final score was Culver 52, Rensselaer 38.

Our Indians bumped off Knox for their fourth victory. Free throws were the deciding factor in this game since both teams had 19 field goals. Culver hit 30 of 44 free throws, while Knox only made 26 out of 39. The final score was Culver 68, Knox 64. Curtis and Triplet again took the honors with 19 points each.

Culver lost a close contest to Rochester with a score of 58-52. Duff and Curtis each scored 14 points for our Indians.

The Four-Way Tourney was next in line for the Indians and Culver drew Argos for the opening game. The Dragons won over Culver with a score of 62 to 46, and went on to take Plymouth in the finals. Culver dropped the consolation game, a close battle which ended 68-64 in favor of Valparaiso. Al Triplet was high scorer both nights scoring 17 and 27 points respectively.

COACH RALPH PEDERSEN

Next the Culver tribe knocked down the high flying Bourbon Comets, winning by an eleven point margin. Curtis again was tops in scoring with 25 points.

The Indians were victorious over the Bremen Lions in a close thriller, the final score being Culver 46, Bremen 42. The top scorers for the evening were Wagoner and Duff, each scoring 14 points.

Only a week after their first encounter, Culver again faced the Bremen Lions for their first game of the county tourney. Coach Pedersen and his squad experienced little difficulty in eliminating the Lions. Curtis led the Maxinkuckee Indians' attack swishing in 29 pointers. Coach Pedersen's tribe then advanced to the semi-finals, once

again meeting Bourbon. The Comets gave Culver a rough time, but the Indians came out on top with their second tourney victory, 52-49. In this game, Curtis again led the scoring with 33 points.

Oh that final game! The determined Culver crew met the Argos Dragons with their hopes set high. Warren Curtis proved himself to be the outstanding player of the tourney by again racking up 24 points for the Culver team. In the three games which Culver played, Warren scored 86 of the 162 Indian points! Using a new zone defense, Culver controlled both boards; and with the

scalp to display. Curtis and Triplet lead the "Champs," scoring 27 and 18 points respectively.

Our tribe had a rough time against Tyner, but they managed to scalp them by a margin of only four points. Triplet and Duff accounted for 13 points each.

The Argos Dragons were really out to get revenge for the "upset" that Culver gave them at the county tourney. The fans who packed the Culver gym saw a close battle every minute throughout the entire game. When the final buzzer rang Argos was on the long end of the count which was 56-

help of Duff who cleared more than his share of the rebounds, Culver proved to be victorious over the Dragons. Culver broke Argos' record of 15 straight victories. Yes, we're from Culver, couldn't be prouder! All hail to the new County Champs!

The Indians captured their seventh straight game, 63 to 60 as North Manchester became their next victim. Manchester was really some tough competition and the game was hard fought throughout, but the Indians returned home with another

50. Curtis and Wagoner led the way with 16 and 12 points respectively.

The Plymouth Pilgrims proved to be no match for our Champs as they scalped them 68-48. The game was really a team victory with all five starters hitting double figures. Bennett had 16, Triplet 15, Curtis 13, and Duff and Wagoner 12 each.

Next Culver met with the Nappanee Bulldogs, one of the most highly rated teams in this area who had only lost two games. The Indians bowed to Nappanee by a score of

57 to 42. Duff and Triplet were high scorers with 17 and 10 points respectively.

Culver journeyed to Winamac to meet the Indians on their hunting grounds. The opponent's field goal accuracy was terrific, connecting 30 of 55 for a 54 per cent average, while Culver had only a 31 per cent average. Winamac led all the way winning over Culver 78-66. Curtis scored 22, Triplet 18, and Duff 16.

The Lakeville game was really a grand finale for the Indians' season. Culver won 73-58, putting the final season record at 13-8. Triplet was high point man with 27 points, followed by Curtis and Wagoner with 22 and 17 points respectively.

Culver lost out in the sectional tourney

in an over-time battle against Bourbon. Curtis scored 17, and Triplet 16 of Culver's 58 points against Bourbon's 66.

During the season Culver netted a total number of 1,258 points, while their opponents scored 1,233. Of the total points, Curtis scored 381, Triplet 278, Duff 181, Bennett 171, and Wagoner 167. There were 325 personal fouls called against Culver, while there were 388 personal fouls called against our opponents.

The Indians will be hard hit by graduation this year, losing Bennett, Curtis, Duff, Middleton, Savage, Snyder, and Wagoner. However, all in all things look good for another victorious season in 1957-58 as there are some good prospects on the B-team who will

be ready to play varsity ball next year.

Prospects for next season took on a brighter hue when next year's varsity nosed out the seniors by one point in the annual Will Be-Has Been game with Thomas, Triplet, McCoige, Washburn and Barnette furnishing the fans with five good reasons for being a bit optimistic.

There will be a few changes in next year's schedule. The Indians will drop Akron to play Warsaw, and there will be no holiday tourney in which to compete. Thus, there will be two games less than this year's schedule, but still it will be a full season with Culver participating in 16 games plus the county tourney.

1, Triplet lets go with a push shot as Curtis awaits a possible rebound. 2, Duff shoots over an open-mouthed Argos player. 3, Duff takes a rebound as Bennett and Curtis look on. 4, Triplet takes a close-in shot as Duff, Curtis and Bennett follow the ball. 5, Triplet fires in another basket with Duff and Curtis poised for action. 6, Wagoner is obviously fouled as he shoots, with Triplet and Curtis twisting their necks. 7, Curtis scores two more points. The backs belong to Duff and Bennett. 8, Triplet and Duff battle the lanky Nappanee center for a rebound. 9, Wagoner sinks one from mid-court as the buzzer sounds.

## PAPOOSES SHOW PROMISE FOR FUTURE

The Papooses really had a rough season this year. Just before the season started, Dan Little, one of the returning "B" team players broke his foot during practice, thus leaving the team minus one player for about two months. Shortly after the season got underway, Dave Washburn was moved up to play on the Varsity squad. Bob Mikesell was his replacement on the line-up, but before the season ended, Bob got sick and had to give up basketball.

The Papooses had a desire to win and kept right in there all the way. For almost every game there was a different high point man. This shows that they have the ability

to shoot, but that they need to get consistent. The height of the team as a whole shows a great deal of promise for next year.

Here are the results of some of the outstanding games of the season:

	Opp.	Culver
LaPaz	38	37
Walkerton	29	33
Akron	43	41
Rochester	40	37
Bremen	34	31
Tyner	29	40
Argos	26	30
Nappanee	21	26

Standing: Don Wynn, Ned Herr, David Booker, Dan Little, Robert Mikesell, Larry Zechiel, Dale Bennett, Eugene Benedict, Mike Fitterling, Robert McCoige, Norman Thomas. Kneeling: Student Manager Harold Schmidt, Coach Pedersen.

## THE FRESHMAN TEAM ENGAGES FOES

A Freshman team was organized for the first time at Culver this year. Culver did have a "C" team which was made up of both freshmen and sophomores, but this new team is only for freshmen.

The main purpose of this group is to give as many boys as possible a chance to develop in basketball. It gives them another year of experience like that of the Junior High teams, and prepares them for the B-team. Their practice sessions are integrated with the B-team two nights a week.

The Freshman team had a six game schedule this year playing Argos two times, Bourbon, Aubbeenaubbee, Winamac, and Plymouth. They also played in a four-way tourney with Argos, Talma, and Aubbeenaubbee the other schools participating.

Next year's plans call for a full 16 game schedule, plus the four-way tourney.

The letter winners on this year's Freshman team are Richard Calhoun, Terry Cavender, Art Eskridge, Don Hand, Larry Holston, Charles Hardin, and Denny Geiger.

## INDIANS SPARKLE ON THE DIAMOND

On September 10, 1956, the fall baseball season opened with our Culver Indians facing the Bourbon Comets on our diamond. "Pinky" Middleton pitched for Culver while Schuh hurled for Bourbon. The opposing team took advantage of our non-hitting Indians and returned home with a 3-0 victory.

Tippecanoe played their home game here on September 13. Hurrah! Our tribe won. The score was Culver 18, Tippy 2.

Dave Washburn brought in a homer for Culver on September 17 when we played against West High School. We took that game for our second victory with a score of 19 to 5.

On September 20 our Indians traveled to Tyner to gain another victory. Middleton and Washburn took turns on the mound for Culver, while Ross and Cochran pitched for Tyner.

Our tribe again took to the road on September 24 when they met the LaPaz Vikings

on the LaPaz diamond in a high-scoring game. Jim Downs collected a homer for the Indians and Weiss hit a home run for the Vikings. The Indians returned home with another victory, the final score being Culver 23, LaPaz 14.

Our Indians went hunting for Green Dragon scalps in the final clash of the season, but ended up as the victims themselves. The Dragons brought in 18 runs and with this chalked up a 6-0 record.

All in all, the Indians enjoyed an outstanding season, winning four, and losing only two.

The season's schedule was as follows:

	C.H.S.	Opp.
Bourbon .....	0	3
Tippy .....	18	2
West .....	19	5
Tyner .....	18	1
LaPaz .....	23	14
Argos .....	0	18

Front row: Tom Sutch, Harold Schmidt, Sam Prosser, Terry Cavender, Ned Herr, John Schmidt, James Downs. Second row: Coach Pedersen, Dan Savage, Carl Wagoner, David Washburn, Mike Bennett, Ed Rosebaum, Don Herr, Dan Little, Richard Large. Third row: David Middleton, Dale Houghton, Robert McCoige, Norman Thomas, Warren Curtis, David Hall, Eugene Benedict, Alvin Triplet.

## TRACK TEAM BRINGS PROMISE OF SPRING

In the first meet Knox edged out Culver for first place, leaving Francesville third. In the second meet Culver lost to Bourbon by a mere seven points. Then Culver was victorious over Aubbenaubee, but Walkerton won nine points more than Culver in the fourth meet. Culver came in third in the next meet, behind Hammond Noll and John Adams. In the final meet Culver was edged out by Culver Military Academy.

The standings in the county meet were: Bremen, first, 58 points; Argos, second, 50; Culver, third, 49½; Bourbon, fourth 33; La-Paz, fifth, 18; West, sixth, 14; and Tyner, last, no points. Larry Berger and Bill Washburn tied for highest individual points. Washburn set a new county record, 23:05, for the 220-yard dash, and he tied his own record in the 100-yard dash—10:05. Berger set a new record in the high hurdles—16:5.

Out of 23 schools represented in Class B at the Goshen Relays, Culver finished fifth

with Washburn winning in the 100-yard dash and Berger in the high hurdles. The Delphi Relays were held during the senior class trip, so only underclassmen participated. Out of 12 teams in Class B, Culver came in tenth. In the Logansport Relays Culver finished fourth in the two-mile relay, third in the shuttle-hurdle relay, and first in the sprint-medley relay.

Seven boys represented Culver at the sectional meet at Huntington. Berger qualified for the regional in both the high and low hurdles, Washburn in both the 100 and 220 yard dash, and the half-mile relay team of Berger, Washburn, and David and Richard McCoige. In the regional at Fort Wayne Washburn qualified for the state in the 100 and 220-yard dash, setting a new regional record in the latter at 22:4. He finished fifth in both events in the morning trials at the state finals at Indianapolis.

## THESE MOMENTS WE'LL REMEMBER

### SEPTEMBER

- 4 Back to the old grind, as they say.
- 7 The Senior Magazine Drive was launched today with the goal set at \$4,500. Ambitious aren't they!
- 14 The Juniors excitedly picked out their class rings and sent in their orders. Now they can hardly wait to receive them.
- 20 "Oh, I'm nervous already." Tryouts for the Junior play were held after school.
- 24 Today marked the end of the Senior Magazine Drive. The results showed that the Seniors went \$164 **over** their goal!
- 28 School was dismissed at 11:30 A.M. so that the teachers could attend County Workshop. Sometimes we really appreciate our teachers!

### OCTOBER

- 5 Committees from each grade of the high school chose the yell-leaders for this year's basketball season. Beverly Price, Pat Dowd, Virginia Reed, and Barbara Rust will work together to cheer the Indians to victory. Carol Lucas, Jeanette Berger, and Sandra Furnas will be rooting for the Papooses to win.
- 8-12 The Seniors have been all dolled up the past few days in order to look their best for the Senior pictures.
- 9 Freshmen tests got under way. The Freshmen aren't complaining about the tests since they get out of regular classes.
- 15 The Seniors took an outing to Chicago to visit the Continental National Bank among other things, as guests of The State Exchange Bank. When they got back home, they were still dazed by all the money they had viewed in one day.
- 17 The final dress rehearsal for the Junior play was held, and pictures were taken. There is a saying that if the dress rehearsal is bad, the play will be good. If this is true, the play should be magnificent!
- 19 The Junior play **was** a smash and a roaring success! All in all, it brought the class \$519.42. By the way, the play was called "Miss President, Please."
- 20 The Seniors had a car wash in back of the grade building.
- 24 "Weren't they grueling?" This was the

opinion of most of the Seniors after they took the scholarship tests at C.M.A.

- 25-26 Thanks to the State Teachers' Convention, there was no school.
- 30-31 "Grin and bear it." The underclass pictures were taken by Tom Ross Studios.

### NOVEMBER

- 1 "What a glorious mess!" That was one way of describing the school yard as it look this morning. The Halloweeners certainly worked hard last night!
- 2 Our Indians scalped the LaPaz Vikings in our very first game of the season. The final score was 64-59.
- 9 The Juniors were proud and jubilant today because they just received their class rings. The Sunshine Society sponsored a sock dance at noon. The pep session in the afternoon failed to rouse enough pep to beat Walkerton. The Juniors were cheered up after the defeat when they made \$49.50 on their dance.
- 12 A special assembly program was held to hear General D. T. Spivey speak in observance of Veterans Day.
- 16 "Three cheers for our Indians!" They beat the Akron team by 10 points, 58 to 48.
- 22 Happy day! We get out of school for Thanksgiving vacation. Turkey, here I come.
- 30 The Sunshine Girls put on a variety show and crowned their Queen, Carol Kline. Carol's attendants were Sally Lowry, Jean Curry, Kay Henderson, Judy Morris, and Ginger Piersol. One of the novelties of the show was an impersonation of Elvis Presley by Sally Medbourn. She was **very** convincing! The Choraleers made their first public appearance in Culver at the program.

### DECEMBER

- 4 "Too bad, too bad." Culver was defeated by North Judson, 46-59, but they say it won't happen next time.
- 8 It didn't! We really showed Renssalaer by beating them, 38 to 52.
- 14 We did it again by winning over Knox with a score of 68-64.
- 16 The choir presented "The Messiah" as its Christmas Program with the accompaniment of the Community Symphony

## Junior Class Play

"MISS  
PRESIDENT,  
PLEASE"  
October 19, 1956

THE CAST. Eva Zovanyi, Verna McDonald, Lois Morrison, Eileen Overmyer, Buddy Barnett, JoEllen Hand, Richard Large, Johnye Sipes, Barbara Rust, Virginia Piersol, Dale Houghton, Joe Anderlohr, Russell Ulery, Tom Ott, David Hall.

Above: The meal that was never finished. Below: Mrs. Allen, makeup; Miss Stephenson, director; and Virginia Reed; prompter; join Eva in admiring Joe's live white mouse.

It was a tense moment when Verna fainted.

Below: Everybody seems to enjoy the spanking except Buddy. Lower left: The hard working stage crew that labored faithfully and long to help make the play a big success.

## DO YOU REMEMBER THESE MOMENTS?

Orchestra, and won high praise for the performance.

- 21 "That is the way school ought to be all the time." That remark was referring to this morning. Although there were no real classes, everyone was kept busy with an assembly program, parties, and a sock dance sponsored by the Seniors. The floor show was put on by the faculty, and though we could say a LOT about it, we will leave it with this one comment: If you didn't see it, you really missed something. In the evening Rochester beat us, 58-52.
- 22 This is the time everyone has been eagerly awaiting—Christmas vacation. It is also the day of the B-Team tourney. Sad to say, our Papooses came in fourth.
28. The Lion's Den was transformed into a sparkling winter snow scene for the Sunshine Dance. Everyone had a good time, especially Mr. Shields and his band.

### JANUARY

- 1 We hate to say this, but Culver was taken by Argos in the Invitational Tourney. The score at the end of the fateful game was 62 to 46.
- 2 Another sad day—the vacation ended. Also, the Indians were unable to beat Valparaiso. By the way, Argos won the tourney.
- 3 Tommy Cultice showed up at school today wearing a snappy pair of Senior "cords." He seems to be taking after Dwight Newman, who has had a gaily decorated pair for some time.
- 4 The Indians made a welcome comeback by beating Bourbon and beating them good! 74 to 63 was the score.
- 8-9 "What a sad looking bunch of kids. Come on now, smile!" Mr. Ross apparently wanted everyone to look happy for the Tomahawk group pictures.
- 10 "Oh, how we love snow!" And we do, especially when it snows so much that we can't have school! In short, here is what happened today: Heap big snow—no school.
- 11 Our tribe won over the Bremen tribe, 46 to 42.
- 12 The Seniors had to use their brains today for taking the College Board Exams.

16-17 **Everyone** had to use what brains they had in order to get through the semester exams. (Groan.)

- 18 Our Indians have made a much better start in the County Tourney than they did in the four-way tourney by winning the game against Bremen by a score of 50-40. Today was the end of the first semester.
- 19 "I hope, I hope, I hope." Everyone was fervently hoping we could beat Argos, after we went on to win the afternoon game against Bourbon. They were hoping extra hard, because Argos had won 15 games straight and was the favored team. Their hoping was not in vain because our wonderful Indians beat the Dragons by 11 points! After receiving the well-earned trophy, the Culver tribe came back to their home territory to celebrate, and celebrate they did!
- 21 A pep rally was held in the gymnasium until 10:15 a.m., and then we got a surprise. As a reward for winning the County Tourney, Doc (bless his heart) dismissed school for the rest of the day.
- 25 Culver continued its winning streak by beating North Manchester, 63-60.
- 26 The Indians are still going strong! They whipped Tyner 56 to 60. Piano and Vocal Solo and Ensemble Contest was held at Plymouth today with Culver capturing a flock of honors.
- 28-29 The Juniors joined the Freshmen in taking more tests.

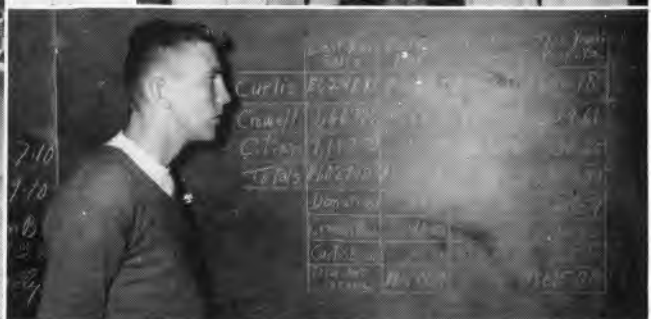

### FEBRUARY

- 1 The gym was literally packed as Culver played Argos in their regularly scheduled game. It was an exciting game all the way, but Culver lost out to Argos this time with a score of 50 to 56.
- 2 The District Instrumental Solo and Ensemble Contest was held here with blue notes flying all over the place. Culver musicians won a record number of medals. Nice going!
- 4 The ceiling in the study hall is being torn down to make way for a better, safer ceiling. The study hall has been temporarily moved to the gym.
- 5 I guess we really showed our old rivals from Plymouth. Our Indians scalped their Pilgrims by 20 points!!!

Lower left: Joe Anderlohr takes a fall in the junior class play; right: Warren Curtis admires the summary of the senior's magazine drive.

## THESE HAVE BEEN OUR

## MOMENTS TO REMEMBER

We hope that when you pick up this book in the years to come that these pages will help you remember the highlights of the school year 1956-57. If they do, then our mission will have been accomplished and the many hours of hard work, sometimes struggling against seemingly hopeless odds, will not have been in vain.

The Tomahawk Staff wishes to thank all those who have assisted in any way in the publishing of this annual. We have caused a number of interruptions in the school's normal routine and have probably taxed several persons' patience, but we hope that the finished book will make all these annoyances, if such they were, seem trivial by now.

With due modesty we record for posterity that this issue of The Tomahawk is the largest in the school's history in number of pages, in number of copies printed, and in number of pictures used. Another distinctive feature is the use of student art work for

the division pages, for which we are indebted to Dale Bennett, who worked under the supervision of Mrs. Mary Allen.

The printing was done in the plant of The Culver Press, while the binding was handled by the Free Methodist Publishing House, Winona, Indiana. Mr. Jack Bundy of the S. K. Smith Company was most helpful in deciding on the cover, which was produced by that firm. Both the portraits and group pictures are the work of the Tom Ross Studio of Argos, Indiana, and we are grateful to Mr. Ross for his key role in making this book a success.

When the Union Township Organized Charities holds its annual drive next fall, give generously as it is the financial support provided by this organization that makes this record of the school year possible. The student body joins in thanking the officers of the charities group and all those who contributed to the fund for their cooperation.

We will have these MO-MENTS TO RE-MEM-BER
