*It's Just Good Business and
It Can Bring You More Business*

It will be faster and easier for out-of-
town customers to call you when you display
your Area Code with your phone number on
stationery and other printed matter.

You can save time, too, by using the Area
Code on all of your long distance calls.

What happens
to the
10th one?

Chances are he was looking for future ref-
erence—or just curiosity.

But the other 9 always follow up with a
letter, visit, or telephone call.

That makes the Yellow Pages a great
buyer's guide.
